

### THE STARS ARE ORIGINALLY A PAIR - TOGETHER

The night Xiu Chen while soaking in the hot spring, while dotingly looking at An Xingyue chatting with his little sister, his eyes dimmed, his little cutie is now much warmer than when we first met, and has also learned to accept new friends.

The most important thing is that there is more expression on the face, not like at the beginning, the whole person is cold and cold.

Thinking about the night Xiu Chen thought off.

The big brother felt that this time the hot springs and his imagination is not the same, ah ah ah, he should come to the hot springs alone with his girlfriend, rather than with a bunch of kilowatt light bulbs.

Sure enough, there are many people who can't do anything conveniently.

In fact, not only night Xiu Chen, even Mo Zhicheng feel that more than one person soaking in the hot spring is not suitable for couples to do something to deepen their feelings.

Alas, two men who share the same disease na.

The company's main goal is to provide a good service to its customers.

The B&B said there will be a barbecue at the small beach tonight, if interested, you can go to see, anyway, the temperature in Qingcheng today is not low, at night outside will not be very cold, and then there should be small games to play, so it will be very lively.

So after some deliberation (fart), Eddie Chen decided to go together to get together, after all, in the South City when the weather is cold, even if there are open-air barbecue they do not want to go out, rare today happened to go to see, anyway, and do not have to go far.

But Zhou Junxing is a little worried about them going to the open-air barbecue, then will not run into his former love rival, he does not want tonight Ji Yiyang's attention was attracted to a man with a name, that he must not die of heartache.

Zhou Junxing now only once the thought of Ji Yiyang once liked the boy is also here the whole person is very apprehensive, after all, he is afraid of ah.

After soaking in the hot spring, everyone went back to their rooms to clean up after themselves, and then go to lunch together, after which you can stroll around this resort or go back to take a lunch break, and then join the open-air barbecue at night.

The big man was not able to stick with his girlfriend during the hot springs, so he dragged An Xingyue back to the B&B directly after lunch.

"Ah Chen, what are you doing?" An Xingyue looked at the boy who was lying on her bed with a deadly face, and felt a bit speechless.

The more you live, the more you go back. Is he thinking that he doesn't even want to save face because no one else is around anyway? /

"It's nothing, I just want to hold you and take a nap together." Night Xiu Chen hooked the corner of his mouth and said with a faint smile.

"No, if you want to take a nap, go back to your room, you can't hog my bed and my quilt." Hearing his words, An Xingyue walked forward and reached out to grab the quilt he was covering, which was her quilt.

And why did she want to take a nap with him?

"Don't, doesn't Yueyue want me? Not to mention it's not like we haven't slept together before, and now I can be a source of warmth for you, ah, feel it, my body can be warm." In order to be able to sleep together, the big brother is also shameless enough.

When An Xingyue heard his phrase "It's not like we haven't slept together," her face turned red, "What are you talking about? When have we slept together?"

"Bao, are you going to deny it? The previous time on the rooftop there was only a recliner, not I slept with you in my arms ah." Saying that, night Xiu Chen directly on the hand, force a pull An Xingyue, then her entire body fell on the bed.

A burst of heaven and earth, before she could react, An Xingyue found herself already lying on the bed, seeing the persistence in Night Xiu Chen's eyes, An Xingyue decided to give up struggling, otherwise Night Xiu Chen could use all kinds of excuses to convince her, or even directly do it like now.

"You can only hold, not do other things, or I will ignore you." Although it is said to give up the struggle, but the verbal warning is still necessary, in case the big brother bestiality how to do?

We are not yet adults, can not do bad things ah.

Night Xiu Chen took An Xingyue whole person in his arms, then kissed her side face, with doting said, "Yueya'er you can rest assured, although I am not a decent man but also will not hurt you, without your consent before, I will not touch you."

The first thing you need to do is to get your own personalized information. Now is not the time, their future days are still long, there is more time to do that kind of thing, no need to rush.

"Bao, go to sleep."

"Good afternoon then."

When night Xiu Chen woke up, An Xingyue was still awake, propped up half of her body, night Xiu Chen looked at An Xingyue's sleeping face, suddenly felt that there is no better way to live a happy life than this, to wake up and see your beloved one.

The night Xiu Chen stretched out his hand and touched An Xingyue's cheek, like silk that silky smooth, although usually touched a lot, but every time I feel very comfortable, and that delicate touch let him not want to leave.

Perhaps sensing that someone was touching her, An Xingyue frowned and reached out to hit the thing that was fiddling with her face with a crisp, loud snap.

See the red marks on the back of the hand, night Xiu Chen helplessly smiled, it seems that the sleeping baby temper is a bit big ah, the hands are not the slightest bit ambiguous, dry and sharp.

The night Xiu Chen felt hit by her people can not be so easily let go of her, so night Xiu Chen retaliatory pinch An Xingyue's face, but see his pinched red face, the big brother and a little weak and heartache, knowing that her skin is very delicate, but still did not control their hands.

The big man said my hand he has his own ideas.

The reason is that An Xingyue has not yet woken up, but night Xiu Chen does not want to leave her alone to sleep, so lie down again and watch An Xingyue sleep.

Then looking and smelling the smell coming from An Xingyue, night Xiu Chen fell back to sleep.

The big man felt that sleeping with An Xingyue, his sleep quality was obviously improved.

The two people here continued to sleep while Eddie Chen, Luo Junxian and Zhou Junxing and Ji Yiyuan were playing games.

Ji Yiyuan originally wanted to play with Su Zhiqing, but Zhou Junxing told her that Mo Zhicheng had dragged Su Zhiqing to the world of two people, and then Big Brother and Yue Yue went to take a nap, so she couldn't find anyone to play with, so she had to play games with Zhou Junxing and the others.

The four people teamed up to play chicken, because Ji Yiyuan is the first time to play, so Zhou Junxing first on the side and she said some skills and knowledge.

The first thing you need to do is to get the game started.

When the game opened, Zhou Junxing and the three of them felt that they could win, after all, their level can still be, but they did not expect the existence of a god pit actually made them begin to doubt their own level.

The most unbelievable thing is that Zhou Junxing was killed by Ji Yiyuan.

I never thought it would be in the hands of one of my own.

Zhou Junxing looked at Ji Yiyuan with an aggrieved and accusing face, "Why can't you kill the enemy but kill me? You say I did something wrong, can I change?"

Ji Yiyuan laughed awkwardly, "I'm not a novice, it's pure mistake, pure mistake."

And Luo Junxian and Eddie Chen on the sidelines witnessed the whole process of domestic violence in the game, teammates are able to save people, but the two conscienceless bad guys did not think about saving Zhou Junxing, and so it died.
