

### THE STARS ARE ORIGINALLY A PAIR - GATHERING

Because An Xingyue and Ji Yiyao had to go to Kyoto to participate in the competition afterwards, no one had asked them to go out to play in the past few days.

The three of them, Zhou Junxing and Luo Junxian, as well as the big brother, had already returned to Kyoto ahead of time. Originally, Night Xiu Chen wanted to go with An Xingyue, but then An Xingyue said that the participating schools had to organize to go together so as not to lose people.

So the big brother is not convenient to follow along, so An Xingyue wants him to go back to Kyoto with Zhou Junxing and them first, after all, he did not go back for a year, go back earlier to see the previous friends is also good.

The night Xiu Chen originally thought to say that those people in Kyoto which is not as important as you, want to shamelessly stick to her, and wait for her to go to Kyoto to participate in the competition to follow her, but turned his head to think, his girlfriend is also right, he did not go back for so long, so first go back to deal with some things, so that after she finished the competition he can always accompany her to play.

After all, An Xingyue said she would stay in Kyoto for a few days after the competition before returning to the southern city, so she asked him, her boyfriend, to be a dutiful tour guide during those days.

And after returning to Kyoto, Night Xiu Chen immediately checked in with An Xingyue, "Bao, I just got off the plane, did you have dinner?"

Night Xiu Chen made the call, then waved goodbye to Zhou Jun Xing, Luo Jun Xian, then slowly walked out of the airport, the night family side said they sent someone to pick him up, but he didn't want to, so the big man now has to take a cab home by himself.

"No, I just cooked dinner, is Ah Chen going to have dinner with the two of them, Mr. Zhou?" An Xingyue sat on the recliner with a book in her hand.

"No, the two of them just left, I'm also taking the car home now, just order a takeaway later." Night Xiu Chen sat in the cab, looking out the window at the traffic, and as well as the street lights that have been lit up, thinking of the days when he and An Xingyue went home together, smiled, obviously it had only been separated for a short time, but he was already starting to miss her.

"Bao, I miss you so much."

"Only separated not long, but I also miss A Chen, A Chen in Kyoto to take care of themselves, ah, and go out to parties, not and too much wine, know?"

An Xingyue listened to the gentle voice coming from her ears, saying that she missed you so much, her heart melted, how her boyfriend was so good at talking?

An Xingyue knew that when night Xiu Chen was not with her, he often drank, his stomach was a bit bad, so she did not like night Xiu Chen to drink, but how could they not drink when these people went out to play? So she could only ask him to drink a little less.

"Mm-hmm, I know, promise to obey orders, Yueyue should also eat properly alone, you can't just read a book or something and forget to eat, also, I'll wait for you in Kyoto."

Hearing An Xingyue's admonition, Night Xiu Chen hooked up the corners of his mouth, his little cutie really knows how to care for people.

The two people rambled a lot, and then hung up the phone only after night Xiu Chen arrived home, An Xingyue felt that night Xiu Chen must not have returned to the night family, just do not know if the home he returned to so long ago, can still live.

Obviously, there is no such problem, before coming back, night Xiu Chen has asked one of his hairdresser to help him in advance to hire someone to clean up the house, so he came back, the house is very clean.

The first thing he did was order a takeaway, then showered and washed off all the dust and fatigue, after which he sat on the sofa with the TV on and waited for the takeaway to come.

But when he was watching TV, his phone was constantly vibrating, night Xiu Chen's long fingers moved a few times on the screen, saw the message in the phone, raised an eyebrow, so well-informed well.

The person who sent the message to him was not someone else, but his hairdresser in Kyoto, and it's been quite a while since I've seen him.

The man who always remembers his girlfriend's words - night Xiu Chen.

An Xingyue was watching a variety show when she received the message from Night Xiu Chen. She couldn't help but be hooked on a reality show recently, although she knew that these reality shows were scripted, it was funny and An Xingyue felt that she would be in a good mood after watching it, so she was hooked.

Seeing the message sent by her kissing boyfriend, An Xingyue knew that he had a spectrum of his own new road, and did not say much is to let him go out to play when pay attention to safety, and then Miss An warned the big brother, if there are girls at the party there, he can not get very close to people, and not too much contact, otherwise, he will become an ex-boyfriend.

Night Xiu Chen hastily said that he would not pick up other girls and told her to rest assured, and that Zhou Jun Xing and Luo Jun Xian would both be there, so if she was unsure, she could ask them both afterwards.
