So the people of Kyoto know that night Xiu Chen came back, but everyone failed to ask him, some people still think he is high-minded and arrogant, and then know that even the night family did not let him go home to see the relief, after all, even people with blood relations can not let him go home, then they are these general friendship people need not mention.

And night Xiu Chen in the past few days in addition to chatting with his girlfriend, but also set up a lot of industry, people with girlfriends have to be prepared for the future.

An Xingyue, on the other hand, spent a few days at home relaxing and waited until the day of departure before she went to school with Ji Yiyao.

When she arrived at school, An Xingyue Cai just took a serious look at the other three contestants. Huo Feng was a boy in Class 20, literate and polite, but with the temperament of a liberal arts man.

Feng Yaxin is also from class 20, a very elegant girl. Ji Yiyao said to her next to her that Feng Yaxin's family is a bookish family, but in her generation, her brother went into business, although the old man of the Feng family is very angry, but Feng Yayuan, his grandson, is still very beloved, therefore, Feng Yaxin's family history is good.

As for the only one senior elementary school sister, Lixia, is a more cheerful person, in short, the people who participated together this time have good personalities, at least not those who are one set in front of people and one set behind the kind of people.

But what An Xingyue didn't expect was that the leading teacher was actually their class language teacher - Ms. Lai, in addition to her, there are two other teachers, one is the head of the language section of the second year of high school, but also the language teacher of class 20 - Ms. Cao, the other is the school's official Vice Principal, a ..... well ..... middle-aged man with a little bit of baldness, but even baldness didn't discount the kind of temperament he had as a teacher.

Their five participants were matched with three teachers, which shows how much importance the school attaches to this must die ah as well as them students, and even An Xingyue in seeing their stay at the hotel also could not help but be surprised, after all, she did not think the school would be so generous, really worthy of the rich school.

From their travel to accommodation to food, the school can be said to be very attentive.

The first thing you need to do is to get to know the hotel.

He hadn't seen her for a few days, so he missed her to death.

And An Xingyue did not expect them to have a single room, she thought the school would arrange a double room, indeed, the first middle school is a rich school.

The first thing you need to do is to get a good idea of what you want to do.

When An Xingyue sat in the hotel lobby, she didn't expect to see Su Chon and his group, what the hell fate ah?

What kind of fate is it? Even if they met on a trip, how could they meet in the same hotel even if they came to participate in the competition?

She thought that only a high school would be so generous, booking a high class hotel, did not expect them to ah, but Jiangcheng Foreign Language School is also a rich school, so .....

But the aesthetics of the people who booked the hotel is also quite coincidental, so many hotels around, just booked this one, An Xingyue felt that when Meow Meow met Su Charm again, it is expected to be very surprised.

However, An Xingyue carefully observed and found that among that group, Su Chon's little girlfriend was not there, but the participants were all people she knew, but was not familiar with.

After all, she only studied at the foreign language school for one year, not to mention that she didn't think about making friends at that time, because she thought she would soon transfer to another school, and she was just a transient.

But now she has changed a lot in the first middle school, An Xingyue thought of the people she met and the friends she made in the first middle school, and smiled helplessly, such a change was new to her.

The people who were immersed in their own minds did not notice the person who had been walking towards her, but the others were a little shocked to see the handsome boy.

Night Xiu Chen found himself walking up to An Xingyue did not even get her attention, a little bit crying and laughing, his little cute seems to be thinking about something else ah.

The night Xiu Chen reached out to touch An Xingyue's head, An Xingyue realized that the person she was waiting for had come, but she did not notice, An Xingyue felt a little ashamed, but well, this person, how to touch her head as soon as they met?

The first thing you need to do is to get a good look at yourself.

An Xingyue glared at him, but after seeing him wearing a long black jacket, black tights, black boots, a little speechless, this person is how much he likes black?

But so wear, but is quite good-looking, An Xingyue blinked, the eyes of the love is very good to please the night Xiu Chen, even just An Xingyue ignored him this thing also left behind.

The other hand was placed on An Xingyue's waist, pulling An Xingyue's whole body into his arms.

Night Xiu Chen lowered his head and sniffed An Xingyue's smell, rubbed his chin against the top of An Xingyue's hair, "Bao, I missed you so much, now I finally see and hold a real person."

The night Xiu Chen affectionate and with a little pampered said, to know that these days only video chat, can not hug the real person, can torture him to death.

An Xingyue buried in the arms of night Xiu Chen, in the night Xiu Chen can not see the place skimmed the corner of the mouth, this person more and more will be pampered and say love words.
