

THE STARS ARE ORIGINALLY A PAIR - SCARED

After taking An Xingyue out of the hotel, Night Xiu Chen took her to a restaurant in Kyoto called Bamboo Pavilion. Night Xiu Chen knew that An Xingyue always liked ancient style and charm, so he felt that Bamboo Pavilion was the only place in the whole of Kyoto that was suitable.

Even though night Xiu Chen is now unilaterally at odds with the night family, who doesn't know that the night family wants to make up with him?

Therefore night Xiu Chen is still being sought after now, and even without the night family, night Xiu Chen alone as a person can convince them, after all, the big man has been someone else's child for the past ten years or so.

So when Night Xiu Chen brought An Xingyue to the Zhuli Pavilion, many of the gentry who happened to come to dinner were very surprised, who did not know that Night Xiu Chen was not close to women, and now to see him pulling a girl with a very high face value and elegant temperament, simply stunned those who knew.

Song Qi is also one of them, he originally wanted to ask Ye An to dine with him, but that bastard Ye An pigeoned him, so now Song Qi is eating alone in the Bamboo Pavilion.

Who knows he just walked in and saw Night Xiu Chen and a girl together, Song Qi was very interested and could not help but laugh in his heart a few times, hahaha, if Ye An did not pigeon him, he could also see this scene, but who let Ye An let him fly?

But good brothers a, how he will not let him know it?

So Song Qi took out his cell phone and took a picture of the two of them at Night Xiu Chen and sent it to Ye An and sent a big laughing emoji.

The other boys were not as bold as Song Qi to take pictures directly, but it is estimated that after leaving the Zhuli Pavilion, their circle will know the news that the Night Demon King took girls to eat at the Zhuli Pavilion.

An Xingyue although calm but by some unfamiliar people gaze, the whole person is not good, frowned, "A Chen in Kyoto is very popular? I can receive attention even if I come to eat a meal."

The company's main business is to provide a wide range of products and services to the market.

And I guess it's not that he's popular, but that he brought a girl to dinner and those people were scared.

The company's main business is to provide a wide range of products and services to the market.

After entering the box, the waiter brought in the menu, night Xiu Chen symbolically showed the menu to An Xingyue and then directly ordered the dishes that An Xingyue liked to eat.

After all, even if you give An Xingyue an hour to look at the menu she will not be able to order so quickly, and it is expected that she will also tangle herself to death.

The first time I ate with An Xingyue, night Xiu Chen has found this problem, An Xingyue has a difficult choice, obviously see their favorite dishes, but she still have to tangle for a long time, so as long as the two people out to eat together, night Xiu Chen will take the initiative to order food.

This is not no gentlemanly manners, but let An Xingyue order food estimated several hours they can not eat dinner.

In the night Xiu Chen in the box and An Xingyue talk about love, this side of Ye An after receiving Song Qi sent over the photo, the whole person is stunned.

Although it was a side face, but with the big brother's extremely high face value, Ye An assured himself that there was no mistaking the person, and it was because he knew there was no mistaking the person that he felt incredible.

When had he ever seen a big brother holding a girl?

And have lunch together?

In the past, if some women in the circle dared to ask the big man for lunch, they were directly rejected by the big man, they always thought that night Xiu Chen would not find a girl to fall in love, after all, in the eyes of that person can not have the word pity for the jade.

It is estimated that in his eyes boys and girls are the same, and even girls in his eyes is synonymous with trouble.

And now the big guy actually took a girl to dinner at the Takesato Pavilion!!!

Ye An sent the photo to a group without Big Brother in it, and directly @ Zhou Junxing, asking him if Big Brother had found a girlfriend in South City.

But after waiting for a few minutes, Zhou Junxing didn't reply him, well, neither did Luo Junxian, so Ye An directly clicked on the chat interface with Song Qi and asked Song Qi if Night Xiu Chen was still at Zhuli Pavilion.

The first thing you need to do is to ask for the right person.

And as a good brother he felt that he should go to care about his brother's emotional status, once in a while he knew that the big brother and the girl together for dinner, this kind of thing how can miss it?

Ye An was extremely excited to leave from the compound and then went straight to Zhuri Pavilion.

And after waiting for Zhou Junxing to see the message Ye An sent in the group, silently closed his eyes and then opened them, looking at the time Ye An sent the message, Zhou Junxing felt that he should still be able to save the next.

Afraid to send WeChat Ye An can not look in time, so Zhou Junxing directly dialed the phone.

"Damn, Ye An you kid will not see Chen brother, right?" Zhou Junxing asked directly, he felt that if Ye An said yes, then he would just hang up the phone.

"Haven't seen Brother Chen, but I've arrived at Zhuri Pavilion, how about it, do you want to join me, Mr. Zhou? I can wait for you at the door now oh." Ye An's heart was in the midst of exhilaration, completely not hearing the uneasiness in Zhou Jun Xing's tone.

"Ah ah ah, are you stupid? Knowing that Brother Chen and the girl dinner you still ran over with a big smile, do you know what is called the world of two people ah??" The company's main business is to provide a wide range of products and services to its customers.

Zhou Junxing felt that he was not usually very smart, but at least he would not be a light bulb when brother Chen was talking about love.

(Oh, as if you have not been a light bulb before. (¯ _ , ¯))

Hearing the words of Zhou Junxing, Ye An directly froze in place, hell, when you came which have thought so much? The thought of seeing Chen and the girl together, directly excited, and then ran over, and now Zhou Junxing said so, so reasonable oh.

If Zhou Junxing didn't call to remind him, he would already be doing light bulbs by now, and seeing from the photo how much importance and fondness Brother Chen has for that girl, if he disturbs Big Brother, it is estimated that Big Brother can give him a man's singles tomorrow.

"Crap, brother thanks, just now I thought I could see the big brother and the girl eating together, did not think so much, thanks to you remind me, otherwise I would have given the big brother a head directly." Ye An said to Zhou Jun Xing very gratefully, "Nothing needs to be said, tonight Wang Ting is my treat."

Then Ye An turned around and walked away directly under the uncomprehending gaze of the waiter at the entrance of Zhuri Pavilion.

After all, watching the show is honestly valuable, the price of life is higher, he does not want to give Tatsu a reason to man singles on him.
