

THE STARS ARE ORIGINALLY A PAIR - THE BIG GUY WHO WANTS TO DO BAD THINGS

Night Xiu Chen came out with milk and saw his girlfriend observing his house, suddenly a little panic, hastily put the milk on the table, on, walked to An Xingyue, "Yueya'er if you don't like this style, you can change it, how do you like it, change it to how it is, OK?"

Night Xiu Chen knows that although An Xingyue looks cool, but for but not too much like the cold tone of that style, so the design of his house decoration, An Xingyue does not hate but also will not like very much.

An Xingyue heard the words of night Xiu Chen, paused for a moment, then a little surprised to look at night Xiu Chen, although she wanted to change the house, but she felt that although she is now together with night Xiu Chen, but change the house furnishings these she still feel not good.

The house is the night Xiu Chen himself live, and since he so decorated must be their own favorite, since this, why to change it?

The first thing you need to do is to get a good idea of what you're thinking about, so you can put your arm around her from behind An Xingyue and say in her ear: "The design of the house was made by someone else for me, and I don't live here for much time, so it's more casual, so ah, if you want to do something about it now, I'm very happy to do it, after all, it's also your home. "

Well, my home is my girlfriend's home, no problem.

"Since Ah Chen you said so, then when I finish the competition, you accompany me to go shopping, then buy some things back to decorate, and do not have to spend too much effort all over again."

Originally An Xingyue one second also thought about changing the bad bar, and then the next second changed his mind, and the time also ahead of time, when he thought, or later when they live together to get it again, and now after a few days to get it.

It is true that girls are fickle.

"Gladly to the extreme." Night Xiu Chen said dotingly.

Then the two of them sat on the sofa, An Xingyue held the milk that Night Xiu Chen had warmed for her and drank it in small sips.

Night Xiu Chen felt that the two of them couldn't just sit at home and do nothing. Then he walked over to the projector and searched for new horror movies that had recently come out.

Night Xiu Chen stopped at a movie with a high rating, turned his head to look at An Xingyue and asked: "Bao, watch a horror movie? This one those who reviewed it said it was pretty good."

"A Chen want to watch a horror movie why just not go to the cinema, to watch at home?" An Xingyue asked in disbelief.

"Because at home can also watch ah, and you do not think the cinema crowded air is not circulating?" Night Xiu Chen said in a serious manner, go to the cinema you will still go home with me? And go to the cinema so many people, do anything is not convenient.

But at home is different, see, now let her involved in the design of his home, so that represents the two of them together becomes more things.

An Xingyue felt that what Night Xiu Chen said also made sense, "But wouldn't it be more atmospheric for Ah Chen to go to the cinema?"

It suddenly occurred to her that watching it at home would not have that feeling, right?

"This Moon don't have to worry, although I don't live here much, but what is there is still there, projection of large screens, and the curtains are pulled, is not it darker? Although it can not be compared with the cinema, but it is possible, and only the two of us, do not you think it is good?"

And later when watching a horror movie, if you are scared, I can still take care of you openly ah.

The first thing you need to do is to take care of yourself.

An Xingyue heard what he said, a little speechless, big brother all day long want to live a two-person world, not tired of it?

An Xingyue wanted to ask, but she was afraid that the big brother felt that she disliked him, and then had to coax, An Xingyue did not want to coax her boyfriend, after all, then she always had to agree to some disgraceful requests.

Waiting to get all the things, night Xiu Chen immediately returned to sit beside An Xingyue, in order to see more comfortable, the two people directly sat on the floor, and night Xiu Chen used a blanket pad on the floor, and also took a few pillows on the blanket.

Because watching a horror film, so at the beginning An Xingyue held night Xiu Chen's arm with one hand, holding a pillow with the other hand, and only then began to put eyes on the film.

Because it is the kind of horror film with suspense, crime-solving color, so when the case occurs, the surrounding atmosphere, the environment those are shot extremely scary, An Xingyue although the guts than the average girl to be a little bigger, but she is also afraid of ah.

So every time a case occurs, An Xingyue subconsciously to cling to the night Xiu Chen's arm, and then lowered his head, completely afraid to look, if not for the extra hands, she wanted to plug her ears.

An Xingyue felt scared to death, but Night Xiu Chen was extremely calm, as if the two were not watching the same film.

"Doesn't Ah Chen feel horrible?" An Xingyue lifted her head, looked at Night Xiu Chen's unperturbed face and asked in a small voice.

Although night Xiu Chen wanted to take advantage of his girlfriend's fears and show his boyfriend strength, but he did not expect An Xingyue will be more afraid to watch these than he thought.

Night Xiu Chen directly pulled out the hand that An Xingyue was holding, then went around from behind her and put her whole body in his arms, "There is nothing to be afraid of, but Bao you are so afraid, we do not look, okay?"

Because just night Xiu Chen's hand, so An Xingyue had a moment of panic, and then by the time he re-circle in his arms, suddenly feel fine, and then perhaps smell the mint smell from his body and warm body heat, An Xingyue feel less afraid.

"It's okay, let's continue to watch, have been watching for so long, I'm also curious about who the final killer is? And isn't there still you, Ah Chen? I'm not afraid." After saying that, An Xingyue's whole body relaxed and fell into the arms of night Xiu Chen.

Night Xiu Chen hooked up the corners of his mouth, put his lips on An Xingyue's forehead, "In that case, then continue to watch, if baby you are afraid, hide in my arms, wait until it is not scary, I will call you to watch, OK?"

"Mm-hmm." An Xingyue nodded and replied.

Two people just watched a movie, but actually how the back is, two people do not know, one because watching fell asleep.

Not to say afraid, but still can fall asleep, how big is the heart?

And night Xiu Chen is found An Xingyue fell asleep, and then has been waiting for her sleeping face to see, and has been paying attention to her sleeping expression, and then properly adjust their movements, and strive to make An Xingyue sleep comfortably.

But also therefore, the big brother wanted to take advantage of the horror movie and An Xingyue intimate intimate also did not do, after all, after seeing An Xingyue sleeping, night Xiu Chen really can not bear to mess with her.

It can be said that until An Xingyue woke up, Big Brother's whole person was stiff.
