Chapter 1 - Break Up With Girlfriends

My name is Ye Chen I am 17 years old since I grew up with my grandfather in a remote village, my life is the same as the boy in general, but my life suddenly changed after leaving my grandfather, because no one wants to take care of me I started to live independently, I started working part time in order to continue to live, because of my good grades I decided to go to school in the city to get a proper education.

I studied at Hexing School, After three months I have a boyfriend, my girlfriend's name is Yu Ting She has shoulder-length hair, has a height of 155cm and has a slim body, even though she is not a school flower but to me she is a beautiful girl.

We have been dating for about 9 months, but after we entered the second year and we were placed in a different class Yu Ting's attitude began to change.

This is my story.

Today is Sunday school and her workplace is on vacation, yesterday was Ye Chen's payday and today she intends to invite Yu Ting to go to Starbucks to eat.

Although Ye Chen's part-time salary was not very high, Ye Chen had to eat regular meals every month and sometimes eat leftovers at the place where he worked so he could take Yu Ting to go to Starbucks.

But today the call and message he sent was ignored by Yu Ting, who made him very angry.

"Where did Ting Ting go? Why didn't he answer his calls?" Indeed in recent days he was often ignored which made Ye Chen annoyed.

Ye Chen looked at the clock on his cellphone and showed it at 12 noon, so he decided to go to look for drinks and food.

After leaving behind his boarding house Ye Chen arrived at a shopping center, Ye Chen immediately went to a food stall and wanted to order food and drinks.

Uncle please one Ggoreng Noodle and one soda drink

Ye Chen saw the view on the streets , Rommm !! A loud voice was heard and a Bwm Sport with the price of hundreds of thousands of dollars through the view of Ye Chen and the few people who ate also noticed.

The BMW pulled aside on the side of the road and when the door opened the figure Ye Chen knew got out of the BMW Sport car, it was Yu Ting.

And a man also came out of the driver's door, a handsome man with fashionable clothes and a cool hairstyle.

Yuting put his arm around the man's arm and act intimate, even the fools know what relationship they have.

The fire in Ye Chen's heart appeared, he rose from his seat and approached Yu Ting and the man.

"Ting Ting" when someone shouted his name Yu Ting turned around and saw that it was Ye Chen.

He immediately let go of the man's arm "Ye Chen how can you be here" Yu Ting spoke nervously.

"Shouldn't I ask like that, who is he and why are you with him"

"Me. . . me. . . , He was "Yu Ting looked nervous when he wanted to answer Ye Chen's question and didn't know what to answer.

"Who is Ting Ting?" Asked the man next to Yu Ting

"He is He" Yu Ting Ragu replied "He is his ex-girlfriend"

When Yu Ting's words came out, the fire in Ye Chen's heart really exploded, he was very angry at the words of yuting.

"Oh so this is the Poor man you often tell me about" The man looked at Ye Chen with an insulting look.

Ye Chen raised his hand and wanted to hit Yuting, seeing what Ye Chen Yu Ting would do to be afraid and close his eyes.

Ye Chen really wanted to hit Yu Ting but somehow he didn't have the heart.

"Yu Ting why are you doing this to me, tell me why you prefer Him over me?"
Asked Xiao Chen

"You really want to know, I'll say I'm tired of living poorly with you, you can't buy me expensive clothes, jewelry and even expensive cellphones", "but he" While pointing at the man next to him, "he can buy me what is not you can give me".

"But I have Love for you," Xiao Chen said

"What nonsense can Love be eaten? Can Love make buying expensive things?"

All of Yu Ting's words pierced his deep pali heart, he was indeed poor but Ye Chen always worked hard so that his life could be better.

"Good good, I'm Ye Chen Maybe Blind for loving a girl like you, Starting today, our relationship broke up, and don't ever look for me again".

Without waiting for Yu Ting's answer, Ye Chen immediately left and left Yu Ting and the man.

Fortunately, the distance is not too far About 5 minutes later Ye Chen made it.

"Cruuuuuuukkk ..." Ye Chen's bowels rumbled "I forgot I had not eaten from this morning" while rubbing his small stomach.

saw the time leaving for the bus is still 10 minutes away Ye Chen went to buy some steamed buns and mineral water for his trip.

Ye Chen Did Not Forget Sending a message to the homeroom teacher to ask for School Leave For the next few days.

After 1 hour the Ahirya Bus leaves the city, the journey from the city to the village takes around 6 ~ 7 hours.

Of course there are many people on the bus, because the bus will also pass through several other villages.

Because the trip was a bit boring Ye Chen played mobile.

Not felt The journey is almost to the final destination that is Ye Chen Village at the moment The only remaining passenger is only Ye Chen.

In a few kilometers the bus will arrive, the bus suddenly loses control and the bus driver is forced to pull off his vehicle.

"What's wrong uncle" I do not know let me check first, immediately the driver and driver went down and checked, the driver who saw that the tire flat.

"How is it?" Ye Chen asked

"Sorry, young tire and I can not continue the journey can only wait tomorrow morning".

"You Can Sleep On The Bus Tonight If You Want".

It's okay, my uncle can walk a few more Kilometers up.

Ye Chen paid his money and went down, the road conditions were quite dark considering it was midnight, especially the lighting was very minimal.

Luckily, Ye Chen didn't carry a bag so he could run without fear.

When he walked for a few minutes, he arrived in the sky. The figure of the old man flew, he wore white clothes and white hair.

Ye Chen was a modern person, how could he possibly believe that ghosts existed in this world, but seeing people floating above the sky naturally scared Ye Chen.

The figure in the sky of Silence suddenly approached towards Ye Chen, Ye Chen who saw this was very scared.

Ye Chen tried to brace himself but saw the figure of the old man getting closer and closer Ye Chen was finally scared and shouted "Ghost" Ye Chen ran with all his strength.
