

A True God 1001

Chapter 1001 - I Will Not Leave You

"**Three Finger Dragon Claw**" Flame Dragon again used its **Three Finger Dragon Claw** to attack Yue Ya.

Yue Ya raised her Moon Lord Sword, intending to directly counter the Flame Dragon's Three Finger Dragon Claw's attack.

" clang" a strong impact occurred again, this strong impact blew away all kinds of objects around this place.

In the exchange this time Yue Ya suffered a loss, it could be seen that Yue Ya was forced to retreat quite a distance.

Yue Ya was also slightly injured in the attack but, it was clear that the **Three Finger Dragon Claw** attack that he had just received was much stronger than before.

It seemed that this time the Flame Dragon had really used all its strength in attacking Yue Ya.

The Flame Dragon knew that his power would not last for long, so the Flame Dragon decided to end this as soon as he could.

"Human, it's time to end this" Flame Dragon said to Yue Ya that he intended to end this right now.

The Flame Dragon started to muster up a force in its mouth, judging by what the Flame Dragon was currently doing, the Flame Dragon intended to shoot an extremely powerful force towards Yue Ya.

Yue Ya, sensed quite a dangerous feeling from the Flame Dragon, it seemed like the Flame Dragon wanted to launch the most powerful attack it had.

It might even be much stronger than the last attack Yue Ya had ever received.

"Should I use that?" Yue Ya started to think about using her strongest technique.

The problem was Yue Ya doubted that she could use the strongest technique in a situation like this, the chances of using that technique were very slim when Yue Ya was in such a poor condition.

"I have no choice but to give it a try" Yue Ya had no choice but to give it a try, at least this was something he could do.

Yue Ya started to close her eyes, she started to concentrate fully on using her technique.

"Boom. . ., Boom . . ., Boom . . .," when Yue Ya and Flame Dragon were preparing, suddenly a loud bang occurred.

Yue Ya and Flame dragon immediately stopped, both of them immediately looked in the direction where the booming sound was coming from.

Yue Ya and Flame Dragon saw that the mountain behind the two was starting to erupt, it could be seen that the mountain was about to erupt.

"My home!" The Flame Dragon shouted when he saw his nest about to explode.

Inside there were countless precious treasures, it wasn't strange for the Flame Dragon to panic when he saw his nest erupt.

On the other hand, Yue Ya saw what was happening, it was quite strange to see this mountain erupting suddenly like this.

Something must have happened for this mountain to erupt like this.

Yue Ya was looking for Ye Chen's whereabouts, Yue Ya wanted to know where Ye Chen had gone at this time.

Because of the battle that just happened, Yue Ya forgot about Ye Chen, she really didn't know where Ye Chen had gone.

"Yue Ya, let's go now" When Yue Ya was looking for Ye Chen's whereabouts, Ye Chen suddenly appeared in front of Yue Ya.

Ye Chen had managed to escape safely from the Flame Dragon's lair, after making it out safely, the first thing Ye Chen did was to meet Yue Ya.

"Ye Chen, where have you been?" Yue Ya asked where was Ye Chen from just now.

"It's a long story to tell, let's leave this place." Ye Chen asked Yue Ya to leave this place right now.

"Leave from this place now?, but I haven't gotten what I want yet" Yue Ya told Ye Chen that he didn't get what he wanted.

"Forget about it, let's retreat first" Ye Chen told Yue Ya to forget about it, first they had to retreat.

The item that Yue Ya wanted was already in Ye Chen's hands, so there was no point in Yue Ya continuing to battle the Flame Dragon.

Ye Chen himself knew that Yue Ya had already started having a hard time fighting the Flame Dragon, therefore leaving this place was the best option.

"But. . ." Yue Ya doubted what Ye Chen wanted at the moment, Yue Ya was currently in dire need of Flame Spirit Root.

"you don't have to worry, just come with me, you'll know later." Ye Chen pulled Yue Ya away with him to leave this place.

"Where are you guys going, I won't let you two just run away" Flame Dragon said that he wouldn't let Ye Chen just run away.

The Flame Dragon had already realized what Ye Chen and Yue Ya were going to do, the Flame Dragon had already detected that both of them wanted to escape from this place.

The Flame Dragon resumed what he was previously doing, the Flame Dragon gathering strength in its mouth.

"Super Dragon Flame Burst" Flame Dragon started to shoot a huge flame towards Ye Chen and Yue Ya.

"Ye Chen, watch out" Yue Ya immediately tried to block the attack launched by the Flame Dragon.

If this attack were to hit Ye Chen, then Ye Chen's history would be finished.

Yue Ya made a shield in front of Ye Chen, herself using this shield to block the Flame Dragon's flames.

The Flame Dragon's burst was too strong, this pushed Yue Ya into a frenzy and retreated.

"Ye Chen quickly leave this place now." Yue Ya told Ye Chen to get out of this place while he could.

Yue Ya probably wouldn't be able to withstand this for long, while Yue Ya could withstand this attack, Yue Ya wanted Ye Chen to go save yourself.

Yue Ya herself might be able to survive when receiving a strong attack like this, unlike Ye Chen, Ye Chen would not be able to withstand a strong attack like this, which is why Yue Ya told Ye Chen to leave this place.

As long as Ye Chen survived, then it would be fine for Yue Ya.

"How could I leave you alone and leave this place" Ye Chen would not leave Yue Ya alone in this place, this was not Ye Chen's style to run away from the woman he liked.

"Stupid, if you stay in this place, then you will die" Yue Ya warned Ye Chen about the dangers of being in this place.

"I don't care about the matter, I will stay with you" Ye Chen said to Yue Ya.

Ye Chen proved his determination to be in this place, as long as Ye Chen was with Yue Ya, Ye Chen felt himself not afraid of such things.

Yue Ya didn't know if Ye Chen was a fool or if he really loved herself so much that he didn't want to leave her in this situation.

Although Ye Chen was quite a lecherous man, Yue Ya could see Ye Chen's sincerity, this kind of thing was quite rare for Yue Ya to see.

Most of the people who had approached Yue Ya because of Yue Ya's extremely high status, these people approached Yue Ya to gain an advantage from Yue Ya.

So when Yue Ya saw Ye Chen, she felt that this man was quite sincere to her.

"cracked. . ., cracked. . ., cracked. . .," Yue Ya's shield cracked little by little, it could be seen that Yue Ya's shield was no longer able to withstand this attack.

"Ye Chen ,already no more time, you better go" Yue Ya told Ye Chen to leave this place as soon as possible.

Chapter 1002 - Awakening Sage God Power

Ye Chen shook his head, he refused to leave this place.

Ye Chen was really very stubborn, he didn't want to leave Yue Ya and run away from this place.

Ye Chen had a desire to protect Yue Ya, so he decided to stay in this place.

Yue Ya couldn't help but smile when she saw that Ye Chen remained firm in her stance.

The shield made by Yue Ya cracked even more, sooner or later it would be shattered by the attack launched by the Flame Dragon.

"Seems to have reached the limit" Yue Ya felt that once this reached her limit, she would no longer be able to endure this.

When Yue Ya's shield was about to shatter, from the back, Ye Chen suddenly hugged Yue Ya's waist, Ye Chen started to embrace Yue Ya in his arms.

"Ye Chen what do you want to do?" Yue Ya asked what Ye Chen was going to do.

Ye Chen did not answer the question asked by Yue Ya, Ye Chen at this time started to extend his hand forward towards the burst of fire, no one knew what Ye Chen would do at this time.

Ye Chen wanted to try something crazy, he intended to replace Yue Ya with the flames that the Flame Dragon gave off.

"Clanks. . "The shield created by Yue Ya has been completely shattered, now there is nothing to protect Ye Chen and Yue Ya from the Flame Dragon's attack.

Ye Chen and Yue Ya's bodies were currently covered in flames from the Flame Dragon.

Yue Ya closed her eyes, she had already accepted this defeat, it seemed that she could no longer win against the Flame Dragon.

When Yue Ya had already accepted her defeat, Yue Ya suddenly felt something strange happening.

Yue Ya didn't feel any pain even after being hit by the Flame Dragon's attack.

Seeing this strangeness, Yue Ya immediately opened her eyes and saw what was happening.

When Yue Ya opened her eyes to see what was going on, Yue Ya found that the flames around her had stopped moving, as if something was blocking the flames from injuring the two of them.

" What happened ?" Yue Ya wondered what just happened, why something strange like this could happen to him and Ye Chen.

Yue Ya looked at Ye Chen, when Ye Chen looked at Ye Chen, he found Ye Chen's face that looked very serious.

"Is this what Ye Chen did?" Ye Chen started to wonder if this was Ye Chen's doing, Yue Ya was curious as to what Ye Chen was doing at this time.

Ye Chen is currently controlling the Flame Dragon's flames, I don't know what happened, suddenly Ye Chen felt that he could control the Flame Dragon's flames.

Ye Chen did this by chance, nor did he not know what had just happened why he was able to control the flames that the Flame Dragon gave off.

The current Ye Chen still didn't realize that he had just awakened the power of the Sage God that he managed to possess.

One of the greatest powers of the Sage God in the entire God Realm is elemental control, where the Sage God can control all the elements that exist and can manipulate all elements even if it belongs to someone else.

This was one of the powers that made the Sage God the most powerful true God of his time, even other true gods did not dare to underestimate the Sage God.

"Gather up" Ye Chen started to gather the flames from the Flame Dragon into his palm.

As per the order given by Ye Chen, the fire that was around Ye Chen began to gather in Ye Chen's palm.

The flames around this place became very obedient to Ye Chen, it was like Ye Chen was the owner of the fire.

"What ! ! !" Yue Ya was shocked when he saw what was happening in front of her eyes.

Ye Chen actually started to collect the flames released by the Flame Dragon, this was something that Yue Ya's eyes couldn't believe.

Yue Ya didn't know what kind of method Ye Chen was currently using, Ye Chen's method looked very strange and very foreign to Yue Ya.

This was Yue Ya's first time seeing something like this, he had never seen someone control someone else's profound fire like Ye Chen was doing.

Ye Chen looks like the owner of this fire, it's really amazing.

The Flame Dragon started to feel that something was wrong, the Flame Dragon felt an immense power gather behind his flames.

Sensing this strangeness, the Flame Dragon immediately strengthened its power, increasing the destructive power of the ***Super Dragon Flame Burst***.

The Flame Dragon aimed to kill Yue Ya and Ye Chen before they managed to fight either.

The current Flame Dragon still didn't realize that all the flames he shot were controlled by Ye Chen.

If the Flame Dragon knew that Ye Chen was currently controlling his flames, perhaps the Flame Dragon would immediately stop attacking Ye Chen.

All the flames released by the Flame Dragon were currently being controlled by Ye Chen, Ye Chen controlled this flame and turned it into a fireball that possessed extremely powerful destructive power.

Because this fireball was kept in place by Ye Chen, its strength was getting bigger and bigger, with this much power, it should be enough to bring down the Flame Dragon.

After feeling that the fire he had gathered was strong enough, Ye Chen immediately shot the flames at the Flame Dragon.

The fireball created by Ye Chen instantly suppressed the Flame Dragon's ***Super Dragon Flame Burst***.

The fireball instantly charged towards the Flame Dragon without any hindrance.

The Flame Dragon began to see a ball of fire that shot towards him, from his appearance alone, the Flame Dragon was very familiar, the Flame Dragon knew that this was the fire he had.

"What is this?" The Flame Dragon was shocked when he saw this strangeness, how could something like this happen, what actually happened, this was very strange.

It wasn't just Yue Ya who was surprised by this, it turned out that the Flame Dragon was also surprised by this.

The fireball is getting closer towards the Flame Dragon, it will crash into the Flame Dragon.

"Boom! !!" a very, very large explosion occurred, this explosion was able to sweep away tens of thousands of miles of forest around this place.

This was a truly enormous explosion, one that ordinary cultivators could not imagine.

An explosion as powerful as this could naturally be felt by the powerful cultivators in the Nine Immortals Peak Sect.

An explosion like this would naturally attract the interest of powerful cultivators from the Nine Immortals Peak Sect.

"Yue Ya, let's get out of this place" Ye Chen asked Yue Ya to leave this place, this is the right time to run away from this place.

Ye Chen himself knew that the attack just now wasn't enough to kill the Flame Dragon, that's why Ye Chen asked Yue Ya to leave this place.

"um" Yue Ya nodded to Ye Chen, willing to come with Ye Chen.

Yue Ya was currently still shocked by what had happened, she was still confused about what Ye Chen had just done.

Chapter 1003 - Surprise Gift For Yue Ya

Ye Chen took Yue Ya away from this place, the two of them walked away from the Flame Dragon's lair.

A few minutes after the departure of Ye Chen as well as Yue Ya, Flame Dragons started to emerge from the heap of earth.

Right now the Flame Dragon's body was covered in wounds, it could be seen that Ye Chen's attack just now was strong enough to injure the Flame Dragon.

"Fucking human, he dared to hurt me and then ran away" Flame Dragon cursed very loudly, Flame Dragon was truly furious at Ye Chen for hurting him to such a state.

Ye Chen's fireball attack was really strong, it could inflict quite a serious injury on the Flame Dragon, which had extremely high fire element resistance.

If the Flame Dragon didn't have resistance high fire element, perhaps the Flame Dragon's injuries would be even worse than it is now.

The Flame Dragon didn't immediately go after Ye Chen, the Flame Dragon wanted to recover his wounds first.

Just when the Flame Dragon wanted to recover his wounds, the Flame Dragon just remembered that his nest had been destroyed by the eruption just now.

The Flame Dragon had no other choice but to go and see if his house was still around.

When the Flame Dragon checked his residence which had been destroyed and ravaged, the Flame Dragon saw that the Divine Red Profound Crystal and his possessions had disappeared from this place.

"My stuff?" The Flame Dragon panicked slightly when he saw that everything in this place had disappeared like it had been swallowed up by the earth.

Seeing this strange thing, the Flame Dragon immediately saw his Red Origin Pearl, the Flame Dragon forgot the wound he had, the Flame Dragon began to dive into the molten lava to look for the whereabouts of the Red Origin Pearl.

After searching for a while, the Flame Dragon found that the Red Origin Pearl that he had been looking for for so long had disappeared, it was clear that someone had taken the Red Origin Pearl that was in this place.

Flame Dragon started to think about who had stolen his Red Origin Pearl, after thinking hard enough, Flame Dragon finally had someone worth suspecting.

"That bastard took the Red Origin Pearl while I was focusing on fighting that woman" Flame Dragon cursed loudly at what Ye Chen had done.

Flame Dragon began to realize that all this time he had been tricked by Yue Ya and Ye Chen, it was clear that the two had conspired to frame him.

"Roarrrrr." The Flame Dragon roared very loudly, it could be seen that the Flame Dragon was furious with what Ye Chen had done.

The roar made by the Flame Dragon was so loud it made all the Magical Beasts living in this forest feel fear.

The Red Origin Pearl was an extremely precious item to the Flame Dragon, so it was not surprising that the Flame Dragon was furious when he found out that Ye Chen had taken the Red Origin Pearl.

The Flame Dragon had waited long enough for the Red Origin Pearl to be worthy of harvesting, not to think that someone else would be the night ahead of him.

The Flame Dragon intended to use the Red Origin Pearl to evolve into a much more powerful figure than it is now, that way the Flame Dragon would no longer be defeated, the Flame Dragon would become a king that no one in this Star could defeat.

Unfortunately Flame Dragon's hopes for it had to be dashed on the spot, the Red Origin Pearl had been taken by Ye Chen.

The Flame Dragon didn't care, at all costs he had to be able to get the Red Origin Pearl back from Ye Chen's hands.

Even if the Flame Dragon had to go to the ends of the world, the Flame Dragon would definitely get his Red Origin Pearl back.

"Roar" Flame Dragon roared again, he summoned several Magical Beasts in this forest to help himself to find and capture Ye Chen.

Very quickly dozens of Magical Beasts came in front of the Flame Dragon.

They were all gathered in front of the Flame Dragon, the Magical Beasts looked frightened by the roars emanating from the Flame Dragon.

"All of you quickly go and look for every human in this forest, I want you all to hunt down and bring all the humans in this forest.

All the Magical Beasts nodded to their Flame Dragons and immediately went to look for every human in this forest.

All the Magical Beasts immediately went to all corners of the forest to hunt and capture all the humans around this place.

After giving orders to all the existing Magical Beasts, the Flame Dragon left to recover, he had to recover quickly so he could fight back against Ye Chen and Yue Ya.

.
.

Ye Chen and Yue Ya had now fled quite a distance, it was currently quite difficult to find the whereabouts of the two.

Ye Chen decided to find a much better hiding place, he used his God Eyes to find a very safe hiding place.

After observing for a while, Ye Chen finally found a cave that was quite hidden once, this cave was behind thick bushes and was very difficult to see.

It seemed like a suitable place, Ye Chen felt that this Cave was a suitable place for the two of them to hide.

Ye Chen led Yue Ya through the bushes, he and Yue Ya entered the cave.

Yue Ya didn't know what Ye Chen was trying to do at the moment, she just followed Ye Chen.

When Ye Chen and Yue Ya had entered the Cave, Ye Chen found that this Cave had several stalagmites that were shining quite brightly, this made Cave this very bright

"for a while we will stay in this place" Ye Chen told Yue Yes if the two of them will stay in this place for a while.

"Um. . ." Yue Ya nodded to Ye Chen, he had no problem staying in this place.

Ye Chen saw Yue Ya's expression, it could be seen that Yue Ya looked annoyed with something.

"Why do you look angry?" Ye Chen immediately asked why Yue Ya looked angry like this.

"I'm not angry, it's just that I'm a little displeased that I failed to get what I was looking for" Yue Ya told Ye Chen why she looked annoyed.

Ye Chen smiled when he saw this, it could be seen that Ye Chen had a strange smile on his face.

Right now Yue Ya still didn't know that the Flame Spirit Root she was looking for was in Ye Chen's hands.

"Yue Ya, you close your eyes first, I have a surprise for you" Ye Chen told Yue Ya to close her eyes, he prepared a surprise for Yue Ya.

" Surprise ?" Yue Ya was very curious about what Ye Chen wanted to show her.

Ye Chen nodded to Yue Ya, he had a special gift for Yue Ya.

"Quickly close your eyes." Ye Chen told Yue Ya to close her eyes.

Seeing Ye Chen being so mysterious in front of her, Yue Ya had no choice but to close her eyes.

After Yue Ya closed her eyes, Ye Chen immediately took out the chest that contained the Flame Spirit Root.

"Yue Ya you can open your eyes" Ye Chen told Yue Ya to open her eyes.

With Ye Chen's command, Yue Ya started to open her own eyes, she opened her own eyes and saw what Ye Chen would show her.

Chapter 1004 - Emergency Situation

When Yue Ya opened her eyes, Yue Ya saw a chest in Ye Chen's hand.

As an experienced cultivator Yue Ya naturally knew what was in Ye Chen's hand at the moment, it was clear that what was in Ye Chen's hand was a chest used to store medicinal herbs that possessed Spirits.

"Ye Chen what is it?" Yue Ya immediately asked the contents of the chest that was in Ye Chen's hand.

"Why don't you see for yourself, this is a gift for you" Ye Chen told Yue Ya to open the contents of the chest in his hand.

Ye Chen gave the chest to Yue Ya, he wanted Yue Ya to open it and see what was inside.

Yue Ya received the chest from Ye Chen, she immediately opened the chest and saw what was inside.

When Yue Ya opened the chest that Ye Chen had given her, she was shocked to see what was inside.

The contents in this chest turned out to be the Flame Spirit Root that he had been looking for.

"Ye Chen, How do you . . .?" Yue Ya immediately asked how Ye Chen got this.

"Hehehe, of course I got it my own way" Ye Chen told Yue Ya that he got it his own way.

Yue Ya really couldn't understand Ye Chen, how could Ye Chen get something like this so easily.

Yue Ya started to think about how Ye Chen got the Flame Spirit Root, most likely Ye Chen took the Flame Spirit Root when he was fighting the Flame Dragon.

Yue Ya didn't expect that Ye Chen would be so smart, He could sneak when she was fighting the Flame Dragon, this was something Yue Ya hadn't thought of before.

"I may not be able to help you much in battle, but I can help you obtain the Flame Spirit Root" Ye Chen said to Yue Ya.

Ye Chen might not be able to help Yue Ya to fight against the Flame Dragon, but Ye Chen could still help Yue Ya to obtain this Flame Spirit Root.

Yue Ya immediately hugged Ye Chen's body, it could be seen that she was happy with what Ye Chen had done for her.

Ye Chen was willing to risk himself to obtain Flame Spirit Root for Yue Yan, how could Yue Ya not feel touched by something like this.

Ye Chen was quite surprised when he saw Yue Ya suddenly hugging himself like this, this was something Ye Chen couldn't imagine.

This was the first time Ye Chen had seen Yue Ya take the initiative to hug him, it was quite rare to see Goddess Yue Ya would do something like this to a man.

"Ye Chen thank you very much" Yue Ya thanked Ye Chen, he really owed Ye Chen a lot of things.

"You're welcome" Ye Chen hugged Yue Ya's perfect waist, he really enjoyed hugging Yue Ya in this way.

Ye Chen and Yue Ya hugged for a while, after a while, Ye Chen finally let Yue Ya go.

"Yue Ya, you can use the Flame Spirit Root." Ye Chen told Yue Ya to use the Flame Spirit Root.

"Alright" Yue Ya nodded, she would directly use the Flame Spirit Root to destroy the Primordial Ice Spirit.

Yue Ya started to go looking for a suitable place for herself to use the Flame Spirit Root, after feeling that she had found a suitable place to use the Flame Spirit Root, Yue Ya immediately sat down cross-legged and started absorbing the Flame Spirit Root.

In this case Yue Ya had to focus, he shouldn't be distracted by other things.

Ye Chen saw that Yue Ya was currently very focused on absorbing the Flame Spirit Root, seeing this Ye Chen decided to go a little further away from Yue Ya.

After feeling quite far from Yue Ya, Ye Chen took out the Red Origin Pearl that he had just obtained from the Flame Dragon nest.

"I will try to use this Red Origin Pearl." Ye Chen decided to try using the Red Origin Pearl.

Ye Chen started trying to absorb the pure Energy that was in the Red Origin Pearl, when Ye Chen tried to absorb the pure Energy that was in the Red Origin Pearl, Ye Chen found a very large Energy entering his body.

"Incredible, this is really very rich." Ye Chen felt that the Red Origin Pearl had a lot of pure energy, with this pure energy it was enough for Ye Chen to break through several levels at once.

Ye Chen also started to focus on absorbing this Red Origin Pearl, right now Ye Chen couldn't be bothered by anyone either.

Both Yue Ya and Ye Chen were currently busy, both were currently focused on their own things.

Ye Chen was currently focused on increasing his strength, meanwhile Yue Ya was currently focused on destroying the Primordial Ice Spirit that was in her body.

.
. .
.

While Ye Chen and Yue Ya were focused on their business, this forest became very chaotic, all the Magical Beasts in this place started to hunt and capture the humans who were near the forest, countless people were caught by the Magical Beasts living in the forest.

All the Magical Beasts had received orders from the master of this forest, the Flame Dragon, so it wouldn't be strange for them to go and capture all the humans in this forest.

How many Magical Beasts even kidnapped people outside the Nine Immortals Peak Sect.

This chaos sounded by the patriarch of the Nine Immortals Peak Sect, the patriarch of the Nine Immortals Peak Sect immediately raised the alarm, almost all of the Sect's powerful cultivators were immediately dispatched to deal with this matter.

This matter could endanger the Nine Immortals Peak Sect, so it was not surprising that the patriarch would take this matter quite seriously.

The Patriarch of the Nine Immortals Peak Sect considered this matter quite serious, it was very rare for a Magical Beast to go and capture a human, this was something very strange to happen.

The great cultivators of the Nine Immortals Peak Sect immediately went to the forest and tried to help the people who were captured by the Magical Beasts.

Seeing the arrival of the enemy, the Magical Beasts immediately fought against the powerful cultivators of the Nine Immortals Peak Sect, the battle was unavoidable, the interior of the forest became the scene of large-scale battles fought by the Magical Beasts and the great cultivators of the Nine Immortals Peak Sect.

The Nine Immortals Peak Sect was currently in quite a gripping situation, countless disciples were frightened and didn't dare to leave the Sect, they were all afraid that they would be attacked by extremely ferocious Magical Beasts if they left the Sect.

Magical Beasts that came out of the forest were high-ranking Magical Beasts, high-ranked Magical Beasts were a frightening specter, even core disciples still found it difficult to fight a high-ranked Magical Beast.

So it's not strange that Outer Court Disciples and Inner Court Disciples don't dare to leave the Sect.

Seeing the current chaos, Mu Xueying immediately came out of her cultivation room, she immediately saw whether Ye Chen was currently in the Sect or not.

"I hope he doesn't get caught up in this matter." Mu Xueying could only hope that Ye Chen wouldn't be caught up in this kind of mess.

Mu Xueying still didn't know that Ye Chen had involved in this matter.

Chapter 1005 - Flame Spirit Root Side Effects

Mu Xueying went to Ye Chen's residence, with only a few minutes Mu Xueying had arrived in front of Ye Chen residence.

Mu Xueying immediately went to the entrance of Ye Chen's residence.

It just so happened that it was quite quiet around this place, so Mu Xueying didn't have to worry too much about her relationship being discovered by the disciples living around this place.

"knock. . .,knock. . , knock. . ." Mu Xueying knocked on Ye Chen's room entrance three times.

Mu Xueying waited for a while, a while later Mu Xueying still didn't receive an answer from Ye Chen.

"Isn't he in there?" Seeing no response from Ye Chen, Mu Xueying immediately concluded that there was no Ye Chen inside.

In order to confirm Ye Chen that Ye Chen wasn't inside, Mu Xueying decided to forcibly break into Ye Chen's room.

Since every room in this place has its own protection system, it makes outsiders unable to tell whether there is anyone inside or not.

"Cracked" Mu Xueying instantly shattered the entrance seal, because Mu Xueying cultivation was already very high, Mu Xueying could easily break the entrance seal.

After the entrance seal was broken, Mu Xueying immediately entered Ye Chen's room.

When Mu Xueying entered Ye Chen's room, Mu Xueying found that this room was filled with luxury goods from Earth, it was clear that Ye Chen was the one who had brought these things.

"There's no one." Mu Xueying looked around, all around, she didn't have a trace of Ye Chen.

It seems that Ye Chen is not in this room, Ye Chen is definitely out.

Ye Chen is really very troublesome at all, how can he leave in this kind of situation, if something bad happens, then what should Mu Xueying do.

Mu Xueying would definitely have a hard time explaining this to Nangong Xiang and the other Ye Chen women.

Not finding Ye Chen in this place, Mu Xueying decided to look for Ye Chen elsewhere, it was possible that she might find Ye Chen elsewhere.

Mu Xueying went to find Ye Chen's whereabouts, she had to find Ye Chen's whereabouts.

.

.

Time flies so fast, in the blink of an eye several days have passed.

Neither Ye Chen nor Yue Ya currently finished, both were still focused on their business.

The current Ye Chen had almost finished absorbing the Red Origin Pearl, the Red Origin Pearl was nearly exhausted when it was absorbed by Ye Chen.

After absorbing the Red Origin Pearl, Ye Chen gained an enormous increase in strength, currently Ye Chen has arrived at the first step Divine Tribulation Realm.

It could be said that Ye Chen's increase in strength was extremely fast.

Ye Chen was really very satisfied with the increase in his strength, he was really very happy to be able to get a treasure that could increase his strength so quickly.

After a while, Ye Chen finally finished absorbing the Red Origin Pearl, it seemed that Ye Chen could only increase his strength to this extent.

Whereas if it was a normal cultivator, perhaps they could directly break through to the peak level of the Divine Tribulation Realm.

Because Ye Chen has the inheritance of the Sage God, Ye Chen's cultivation is slightly slower than ordinary cultivators, the difference is that Ye Chen's strength is much stronger than ordinary cultivators, this makes Ye Chen very strong even though his cultivation is still low.

After he finished absorbing the Red Origin Pearl, Ye Chen opened his eyes, he decided to take a look at Yue Ya's current condition.

Ye Chen wanted to know if Yue Ya had also finished using the Flame Spirit Root to destroy the Primordial Ice Spirit.

When Ye Chen saw Yue Ya, Ye Chen found that Yue Ya was still blindfolded, it could be seen that Yue Ya had not finished absorbing the Flame Spirit Root.

There was something strange about Yue Ya, currently Yue Ya's face was slightly red.

Seeing this strangeness, Ye Chen decided to come closer and find out what happened to Yue Ya.

When Ye Chen approached, Ye Chen found something strange happening, currently Yue Ya is in an unstable state.

"What happened?" Ye Chen started to wonder what happened to Yue Ya at this time.

"Master, I almost forgot to tell you about the side effects of using Flame Spirit Root." Chu Yuechan almost forgot to tell Ye Chen about the side effects of using Flame Spirit Root.

"Side effects, is there a side effect when using Flame Spirit Root?" Ye Chen asked Chu Yuechan.

Ye Chen just found out about this matter, so it wouldn't be strange not to know about this matter.

"Yes, there is a side effect if a woman uses this Flame Spirit Root, the side effect is the same as an aphrodisiac, it can make the user feel excited" Chu Yuechan told Ye Chen about the side effect of using Flame Spirit Root for a woman.

"-_- " Ye Chen just found out that something like that existed, he really couldn't understand how Chu Yuechan didn't tell him this earlier.

"So she is currently under the influence of an aphrodisiac?" Ye Chen asked Chu Yuechan.

"Right" Chu Yuechan nodded to Ye Chen.

"This aphrodisiac is not very strong, so you don't have to worry too much." Chu Yuechan told Ye Chen that the effect of this aphrodisiac was not very strong.

"Fortunately" Ye Chen was relieved when he heard that this aphrodisiac wasn't very strong, it meant that Yue Ya would be fine, Ye Chen didn't have to worry too much.

"Ahem, Master, the thing is Yue Ya's current condition isn't very good, Primordial Ice Spirit hasn't completely disappeared, so it's going to harm her." Chu Yuechan told Ye Chen that Yue Ya's current condition wasn't very good, this could put Yue Ya in danger.

The news that Chu Yuechan just said was bad news, this made Ye Chen worry about Yue Ya again.

"Should I help her?" Ye Chen wanted to help Yue Ya deal with this matter, he had to make Yue Ya return to normal.

"You can help her to vent, after that maybe she will be fine" Chu Yuechan told Ye Chen how to handle Yue Ya.

"Okay, leave it to you" Ye Chen understood what Chu Yuechan said, he would do what Chu Yuechan said.

Ye Chen was very confident in his abilities, making Yue Ya vent was easy for him.

Ye Chen drew closer to Yue Ya, himself starting to pick up Yue Ya who was in front of him.

When Ye Chen touched Yue Ya body, Yue Ya suddenly opened her eyes.

"Ye Chen" Yue Ya suddenly called out Ye Chen's name in a very soft voice.

The voice that Yue Ya had just released sounded extremely soft, it was enough to make the bones of any male who heard it soften.

Ye Chen shuddered slightly when he heard this tone of voice, Ye Chen had never heard Yue Ya use this kind of tone of voice against him.

Yue Ya currently looked like he was drunk, it seemed that the aphrodisiac effect that Chu Yuechan had said had really happened.

Yue Ya suddenly embraced Ye Chen's body in front of him, this made Ye Chen slightly surprised.

Yue Ya was currently unconscious, so it wouldn't be strange for Yue Ya to do such an unreasonable thing.

Chapter 1006 - Master Do You Need Help

"Ye Chen" Yue Ya was currently starting to rub her body parts against Ye Chen's body, it could be seen that Yue Ya was currently trying to get closer to Ye Chen.

What Yue Ya did was naturally very stimulating for Ye Chen, Ye Chen felt excited when he saw Yue Ya teasing him.

Yue Ya was a beautiful goddess of extraordinary beauty, a young man like Ye Chen couldn't possibly put up with this kind of thing.

It was obvious that Ye Chen would be tempted by this kind of thing.

Yue Ya was constantly teasing Ye Chen, she was really teasing Ye Chen in her own way.

Ye Chen couldn't stand Yue Ya's temptation anymore, obviously Ye Chen was already unable to resist Yue Ya's temptation.

"I can't take it anymore" Ye Chen really couldn't take it anymore, he was no longer able to endure what Yue Ya was doing right now, what Yue Ya was doing was very tempting, Ye Chen had become very excited about what he was doing what Yue Ya did.

Ye Chen stretched out his hand towards Yue Ya's body, Ye Chen started to touch Yue Ya's double peak which was already very well developed.

This was Ye Chen's second time touching Yue Ya's double peak, it was clear that Ye Chen really liked touching Yue Ya's double peak which was already very well developed.

Apart from being very well developed, Yue Ya's dual peaks also had a perfect texture, this was something that most men in this world coveted.

Ye Che wasn't a hypocrite, he really liked this, he started to touch and squeeze Yue Ya's double peak.

"Ah. . ." Yue Ya let out a very sweet moan, the moan that came out of Yue Ya could arouse Ye Chen's passion even more.

Seeing Yue Ya feeling comfortable, Ye Chen immediately took off some of Yue Ya's clothes, with skillful movements, Ye Chen could easily take off the clothes that Yue Ya was wearing.

When Ye Chen took off some of Yue Ya's clothes, Ye Chen saw a peak view that was so beautiful, Ye Chen was drooling when he saw something like this in front of his eyes.

Ye Chen felt that he wanted to have fun with the beautiful scenery in front of him.

Without waiting long, Ye Chen immediately grabbed and ate Yue Ya's pink cherry bud.

Ye Chen started to enjoy what was in his mouth with great satisfaction.

"Ummm. . ., Ye Chen. . ." Yue Ya started to call out Ye Chen's name, she started to feel an overwhelming feeling of pleasure that she had never felt in this life.

This feeling was very pleasant for Yue Ya, Yue Ya felt her body feel very comfortable.

Ye Chen's free hand started to touch Yue Ya's body, Ye Chen even started to invade Yue Ya's secret garden using her skillful fingers.

What Ye Chen did was truly extraordinary for Yue Ya, Yue Ya who was under the influence of the Aphrodisiac even felt endless pleasure.

"Oh. . . , not . . . "In just an instant, Yue Ya was successfully happy by Ye Chen.

After reaching the peak of happiness, Yue Ya looked breathless, it could be seen that Yue Ya was currently a little exhausted from the pleasure that Ye Chen gave.

After venting once, Yue Ya came to her senses a bit, she started to look towards Ye Chen who was in front of her.

Yue Ya couldn't believe what just happened, Ye Chen was really playing with her.

Since the influence of the Flame Spirit Root wasn't very strong, Yue Ya was able to awaken very easily.

Ye Chen wasn't satisfied just playing like this, he wanted more from Yue Ya.

Yue Ya started to feel Ye Chen's hand running wildly on her body.

"Ye Chen stop right now" Yue Ya told Ye Chen to stop right now, he didn't want to do this any further.

Yue Ya felt a strange feeling towards her when Ye Chen touched her, the feeling of Ye Chen's touch alone was enough to make Yue Ya feel confused.

"Yue Ya, please don't reject me" Ye Chen whispered to Yue Ya, he wanted Yue Ya not to reject him.

Yue Ya saw Ye Chen's spoiled behavior, it was difficult for Yue Ya to resist Ye Chen who acted like this.

However Yue Ya had to refuse what Ye Chen wanted, they couldn't do like this.

"Ye Chen please don't do that, I beg of you" Yue Ya asked Ye Chen not to do that to herself.

"What's the matter, aren't you interested in me?" Ye Chen asked Yue Ya.

Ye Chen looked sad when Yue Ya rejected him even though Ye Chen really liked Yue Ya.

"That's not it, the problem is I can't do that with you, if I lose it, it will be very serious" Yue Ya finally explained to Ye Chen the reason why she couldn't do that to Ye Chen

Ye Chen was a little disappointed when he heard this, it seems that Ye Chen will not be able to get this beautiful goddess for a while.

Yue Ya saw the disappointment shown by Ye Chen, for some reason he felt uncomfortable when he saw Ye Chen disappointed like this.

"Ye Chen please understand, I like you, so don't be sad" Yue Ya said to Ye Chen.

Ye Chen smiled when he heard this, it seemed like Yue Ya was trying to cheer himself up.

"If you really like me, then prove it." Ye Chen wanted proof that Yue Ya liked him.

Yue Ya smiled upon hearing this, it seemed that he was indeed destined not to be trapped by this little devil.

After a few days together with Ye Chen, Yue Ya herself knew how Ye Chen was, Ye Chen would definitely not let her go before getting an answer from her.

Yue Ya brought her face closer to Ye Chen, she kissed Ye Chen who was in front of her.

This was Yue Ya's first time taking the initiative to kiss Ye Chen.

Ye Chen saw that Yue Ya actually kissed him, this was a great thing for Ye Chen.

Seeing what Yue Ya was doing right now, Ye Chen started to believe that what Yue Ya said was the truth.

Ye Chen kissed Yue Ya more greedily, he really liked kissing Yue Ya pink lips.

The two kissed passionately, even Yue Ya who was a beautiful goddess was immersed in the feeling of this kiss.

The two had a passionate kiss for a while, after about 15 minutes, the two finally parted ways.

"That's enough, I have to go back to destroying Primordial Ice Spirit" Yue Ya said to Ye Chen.

"Um" Ye Chen nodded to Yue Ya, what Yue Ya did was enough for Ye Chen.

Yue Ya started to sit cross-legged, Yue Ya was currently starting to re-absorb the Flame Spirit Root which had not yet been completely finished.

Ye Chen could only look at Yue Ya who had re-absorbed the Flame Spirit Root.

Actually Ye Chen still felt uneasy, he needed help from Yue Ya, especially in the part of his younger brother who is awake

"Master, do you need help?, I can help you" when Ye Chen felt uncomfortable, suddenly Chu Yuechan offered to help Ye Chen.

Chapter 1007 - Service From Chu Yuechan (1)

"Help doing what?" Ye Chen asked Chu Yuechan.

The current Ye Chen did not understand what Chu Yuechan had just said, it could be said that Ye Chen did not understand Chu Yuechan's intentions.

"Of course helping those down there" said Chu Yuechan quite coquettishly.

Chu Yuechan intended to help to overcome the discomfort that Ye Chen had.

Chu Yuechan knew that Ye Chen was currently in trouble because his younger brother down there was tough.

It just so happened that Zhao Yanyan and the others weren't inside the fairy gate, so there was currently no one who could help Ye Chen.

This was one of the reasons why Chu Yuechan took the initiative to help Ye Chen.

"Huh?, are you serious?" Ye Chen could hardly believe what he heard from Chu Yuechan, Ye Chen did not expect that Chu Yuechan would want to help him overcome his discomfort.

"Of course, why would I lie to you?" Chu Yuechan said to Ye Chen.

Ye Chen started to think what Chu Yuechan said right now, maybe Chu Yuechan just wanted to tease him.

It should be noted that Chu Yuechan often teased Ye Chen in this matter, so it was not surprising that Ye Chen thought that Chu Yuechan was teasing him.

"You're not trying to tease me are you?" Ye Chen asked Chu Yuechan.

"So you don't want to, if you don't want to then it doesn't matter" Chu Yuechan said to Ye Chen.

Seeing Ye Chen suspiciously like that, Chu Yuechan was a little dissatisfied, even though Chu Yuechan was already kind enough to help Ye Chen.

Whereas Chu Yuechan wanted to give a small reward for Ye Chen's hard work.

"no . . . , no . . . , no . . . , I didn't mean it like that." Seeing Chu Yuechan upset, Ye Chen immediately tried to calm her down.

If what Chu Yuechan said was true, then Ye Chen would not be able to pass up this opportunity.

"I will wait for you inside the fairy gate" Chu Yuechan said to Ye Chen that she would wait inside the fairy gate.

After saying Chu Yuechan said those words just now, Chu Yuechan stopped having a conversation with Ye Chen.

Ye Chen was a little excited when he heard this, it seemed that the time had come to make this beautiful fairy his own.

It was very rare for Chu Yuechan to offer something like this, which was why Ye Chen was very happy.

"Yue Ya, I will be leaving for a while" Ye Chen said to Yue Ya that he was going away for a while.

When Yue Ya couldn't answer Ye Chen, she had returned to focus on her work.

Since Yue Ya couldn't answer Ye Chen, Ye Chen immediately went out of this Cave.

Ye Chen immediately looked for a safe place to enter the fairy gate.

After finding a very safe place, Ye Chen immediately entered the fairy gate.

Ye Chen turned into a glimmer of light and disappeared from the scene.

Ye Chen was currently entering the fairy gate.

When Ye Chen entered the fairy gate, he found that this place was very quiet, no one was there.

"Quite strange." Ye Chen felt that the fairy gate was quite strange, he did not find any sign of Zhao Yanyan and all his wives in this place.

Ye Chen hadn't seen Zhao Yanyan and the others in a few days, so it wasn't strange that he missed them quite a bit.

"You really came, I thought you wouldn't come" Chu Yuechan said to Ye Chen.

Chu Yuechan appeared behind Ye Chen's body, she immediately said to Ye Chen who was in front of her.

Hearing Chu Yuechan's voice, Ye Chen immediately turned around, he immediately saw Chu Yuechan who was behind him.

When Ye Chen saw Chu Yuechan who was behind him, Ye Chen found that this time Chu Yuechan looked very sexy in her purple clothes.

Ye Chen's first time seeing Chu Yuechan wearing clothes other than plain clothes, this was Ye Chen's first time seeing Chu Yuechan who was clad in purple hearing clothes.

"Master, why are you looking at me with such a face, is there something wrong with me?" Chu Yuechan asked with a slight giggle.

Ye Chen immediately shook his head to Chu Yuechan.

"There is nothing wrong with your appearance, you look beautiful" Ye Chen said to Chu Yuechan.

Ye Chen immediately praised Chu Yuechan, Ye Chen really knows how to make a woman happy.

"You mean I'm usually not pretty?" Chu Yuechan gave a cold sniff as she listened to Ye Chen's praise.

Just now Ye Chen was a little wrong in stringing words, this made Chu Yuechan interpret Ye Chen's words with other meanings.

"It's not like that, you are always beautiful, it's just that you become even more beautiful when you wear colored clothes like this" Ye Chen said to Chu Yuechan.

Ye Chen tried to correct the words he had said earlier, he hoped that Chu Yuechan would not be angry.

Chu Yuechan smiled when she heard this, this time she was satisfied with Ye Chen's answer.

"Yuechan, where are Yanyan and the others?" Ye Chen asked Chu Yuechan about the news of Zhao Yanyan and the others.

"They're not here, I don't know what they're doing." Chu Yuechan said to Ye Chen that he didn't know what Zhao Yanyan and the other Ye Chen women were doing.

Actually Chu Yuechan knew what Zhao Yanyan and the other women were doing, the problem was that she had promised Zhao Yanyan not to tell Ye Chen this matter.

"Oh, I see." Ye Chen easily believed what Chu Yuechan said.

"Forget about it, let me help you" Chu Yuechan started to approach Ye Chen, she started to embrace Ye Chen who was in front of her.

Chu Yuechan started to rub her two mountain peaks against Ye Chen's chest, while he left hand started to enter Ye Chen's pants and held Ye Chen's younger brother who was already excited from earlier.

Ye Chen was quite dumbfounded by what Chu Yuechan had done, Ye Chen could hardly believe that Chu Yuechan would be so aggressive like this.

Chu Yuechan started to bring her lips closer to Ye Chen, she started to kiss Ye Chen who was in front of her.

Chu Yuechan actually kissed Ye Chen, this was something that was hard for Ye Chen to imagine.

Chu Yuechan started to stick her tongue into Ye Chen's mouth, she started to entangle Ye Chen's tongue and started to do passionate mature kisses.

Chu Yuechan's skill was quite skilled, it could be said to be comparable to a veteran like Xue Suyin.

Ye Chen cooperated with Chu Yuechan, Ye Chen started to fight against Chu Yuechan

"chu . . ., chu . . ., chu . . ., chu . . .," both of them are currently full of passion, it can be seen that Ye Chen and Chu Yuechan are enjoying this kiss.

Ye Chen began to wonder if Chu Yuechan had done this before, why Chu Yuechan's skills were so skilled.

talent possessed by Chu Yuechan can not be underestimated, for Chu Yuechan have enough knowledge about the Dual Cultivation, Chu Yuechan could easily do it though for the first time to try it.

Chu Yuechan's talent could be said to be extremely formidable, nothing was impossible for Chu Yuechan.

Chapter 1008 - Service From Chu Yuechan (2)

Ye Chen and Chu Yuechan continued to kiss for quite a long time, roughly the two of them kissed for about 20 minutes before finally parting ways.

Ye Chen was quite satisfied with the kiss this time, Chu Yuechan's mouth was so sweet that Ye Chen liked it.

Chu Yuechan's hand was currently provoking Ye Chen's younger brother, it was obvious that Chu Yuechan was teasing Ye Chen with her skills.

"Master, it seems that the ones below can't take it anymore, do you need help?" Chu Yuechan whispered in Ye Chen's ear.

Chu Yuechan's words were like a Succubus trying to tempt its prey.

Ye Chen slightly gritted his teeth, obviously Chu Yuechan was Ye Chen's natural enemy.

"So do you want it or not?" Chu Yuechan kept whispering provoking words, this made Ye Chen's passion very high.

Chu Yuechan had teased Ye Chen many times, but this time Chu Yuechan was clearly very tempting for Ye Chen.

A normal man would have come out by now when he received this beautiful elf's temptation, obviously the current Chu Yuechan was too seductive.

Chu Yuechan smiled when she saw Ye Chen, she was quite happy to tease Ye Chen in her own way, Chu Yuechan licked her lips, it was obvious that Chu Yuechan was currently wanting to eat Ye Chen.

"Yuechan , please don't tease me again with your words, quickly help this master of yours" Ye Chen told Chu Yuechan not to tease him anymore.

"Alright" Chu Yuechan understood, she would no longer waste unnecessary words, it was time for Chu Yuechan to show her technique to Ye Chen.

Chu Yuechan immediately knelt in front of Ye Chen, after kneeling in front of Ye Chen, Chu Yuechan immediately let go of Ye Chen's thing that was currently hidden under the clothes.

Chu Yuechan's movements were quite skillful and gentle, it was obvious that Chu Yuechan was trying not to injure Ye Chen's large object.

When Chu Yuechan took off Ye Chen's clothes, a large, long and hard object appeared right in front of Chu Yuechan's eyes.

"This is bigger than I expected" in her heart Chu Yuechan started to feel that Ye Chen's thing was much bigger than she expected.

Chu Yuechan had seen Ye Chen's from a distance many times, this was the first time Chu Yuechan had seen this up close.

"Master, are you aroused by me?" Chu Yuechan asked with a very seductive smile.

Chu Yuechan's smile was very seductive, it could drive men crazy just from seeing the smile that Chu Yuechan showed.

"Little fairy, you actually dare to tease me like this, aren't you afraid of bullying me" Ye Chen said to Chu Yuechan.

Chu Yuechan teased Ye Chen too much, this made Ye Chen feel a little dissatisfied.

Ye Chen just wanted to get over this discomfort as soon as possible, that's why he needed Chu Yuechan's help.

"Fufufu" Chu Yuechan giggled while listening to Ye Chen's bluff.

Right now Ye Chen's strength was still not strong enough to frighten Chu Yuechan, which was why Chu Yuechan didn't take things like this too seriously.

"Yuechan quickly help me, don't waste any more time" Ye Chen told Chu Yuechan to quickly serve himself.

"Alright, get ready" Chu Yuechan said to Ye Chen, Chu Yuechan will try her best to serve Ye Chen, she will use her best ability to serve Ye Chen.

Chu Yuechan started to reach out her hand to grab Ye Chen's huge weapon.

Chu Yuechan's hands were so soft and delicate, Ye Chen felt an incomparable feeling when she felt this touch.

Even though at this time Chu Yuechan still hadn't done anything to Ye Chen, Chu Yuechan still touched Ye Chen's weapon.

This was Chu Yuechan's first time touching and holding something like this, there was a special feeling when Chu Yuechan touched Ye Chen's big thing.

"It's not strange that Yanyan and the others like this very much, playing this is actually quite fun." Chu Yuechan could feel that she felt happy when playing Ye Chen's big gun, there was a special feeling when Ye Chen played Ye Chen's big gun.

The current Chu Yuechan looked like she was playing the best toy, she saw Ye Chen's weapon as a very fun toy object.

Chu Yuechan started to move her hand that was holding Ye Chen's weapon, Chu Yuechan caressed this with tenderness.

Ye Chen felt a very good feeling from Chu Yuechan's hand, for some reason Ye Chen felt comfortable with what Chu Yuechan was doing at this time.

"Master, is this comfortable?" Chu Yuechan asked if this was convenient or not.

"Of course it's very comfortable." Ye Chen answered very honestly, he told Chu Yuechan that it was very comfortable.

Chu Yuechan was happy to hear this, it seemed that she did not disappoint Ye Chen with her skills.

Initially Chu Yuechan was worried that her skills were not capable enough to please Ye Chen, unexpectedly that her skills could make Ye Chen feel happy and comfortable.

Knowing that Ye Chen liked what she did, Ye Chen started to be even more daring, Chu Yuechan started to try things she had never tried.

Chu Yuechan even touched Ye Chen's two ball sacks, she started to provoke the two balls of extremely sensitive places.

"argh. . ." Ye Chen started to let out a groan of satisfaction, it could be seen that Ye Chen was enjoying this.

Chu Yuechan continued her hand service for Ye Chen's big thing, she was very happy to do this.

Time flew by so fast, Ye Chen was still enjoying the services provided by Chu Yuechan.

Almost 20 minutes had passed, until now Ye Chen still didn't show any signs of weakening.

"What the hell" Chu Yuechan couldn't believe Ye Chen's endurance, even after Chu Yuechan used her skills, Ye Chen still didn't show any signs of exploding.

Chu Yuechan did know that Ye Chen's abilities were strong, but she did not expect that Ye Chen's skills would be this strong.

Chu Yuechan started to think about how to make Ye Chen explode immediately, if it continued like this, then this would not end.

"Looks like I need to be more serious." Chu Yuechan decided to be more serious, this time she had to win over Ye Chen.

If Chu Yuechan couldn't make Ye Chen explode, then Chu Yuechan would lose her face.

Chu Yuechan often teased Ye Chen, if Ye Chen knew that Chu Yuechan's ability in this matter was terrible, then Ye Chen would definitely make fun of Chu Yuechan.

Chu Yuechan didn't want that to happen, she couldn't let Ye Chen think of herself as weak.

Chu Yuechan was very confident in her abilities and talents, there was no way she would lose to Ye Chen in this kind of thing.

Chu Yuechan started to bring her face closer to Ye Chen's big thing, she started to open her mouth and eat Ye Chen's big thing.

Ye Chen suddenly felt a completely different feeling, he felt that his bottom was warm and moist, this was quite a strange thing.

Ye Chen immediately looked down, when Ye Chen looked down, Ye Chen discovered that Chu Yuechan was using her Cherry mouth to serve him.

"This. ." Ye Chen didn't expect that Chu Yuechan would eat Him, this was really very delicious for Ye Chen.

The inside of Chu Yuechan's mouth was really so comfortable, Ye Chen felt that he could melt from this comfort.

Chapter 1009 - Service From Chu Yuechan (3)

Inside Chu Yuechan was very comfortable, Ye Chen felt like he was floating in heaven when he felt this feeling.

Ye Chen let out a groan of pleasure, it could be seen that Ye Chen really enjoyed what Ye Chen was doing.

Chu Yuechan looked up at Ye Chen, Chu Yuechan started to see Ye Chen's reaction when she helped Ye Chen's big thing.

Judging from Ye Chen's current reaction, Ye Chen is currently very satisfied with what Chu Yuechan has done, what Chu Yuechan has done is extraordinary for Ye Chen.

Chu Yuechan made a triumphant face when she saw Ye Chen's reaction, it seemed that Chu Yuechan would win this battle very soon.

"Jubo. . ., Jubo. . ., Jubo. . ., Slurp. . . ., Slurp. . . ., Slurp. . . ."

Chu Yuechan sucked and licked the big thing that was in her mouth, Chu Yuechan treated this big thing like the best food.

Chu Yuechan even started to aim for some of Ye Chen's sensitive spots.

It didn't stop there, Chu Yuechan also started to use her dual peaks to pinch Ye Chen's large object, with Chu Yuechan's large size, Ye Chen's thing could be easily caught between Chu Yuechan's mountain gap.

Ye Chen was currently being heavily battered by Chu Yuechan, sooner or later Ye Chen would definitely lose if he continued to be beaten like this.

Chu Yuechan smiled when she saw the reaction of Ye Chen who was about to lose, it could be seen that Ye Chen would not last much longer.

"Master, you don't have to endure it, you can vent to me, I will accept everything" Chu Yuechan said to Ye Chen.

In order to hasten Ye Chen's defeat, Chu Yuechan decided to use words that made Ye Chen excited, with Chu Yuechan's words, they should be enough to excite Ye Chen.

"Shit, I can't believe Yuechan could be like this, she really is a terrible natural enemy" Ye Chen really couldn't believe that Chu Yuechan could do something like this, Chu Yuechan's skills were truly extraordinary, what did by Chu Yuechan was like sucking Ye Chen's soul dry.

Ye Chen was lucky to have survived this long, if Ye Chen's abilities weren't great and he had enough experience, maybe Ye Chen would have lost to Chu Yuechan from the start.

Chu Yuechan started to feel that Ye Chen's thing was vibrating, this was a sign that Ye Chen was about to explode.

Seeing signs like this, Chu Yuechan immediately quickened her movements, she couldn't let Ye Chen off the hook like that.

Chu Yuechan was like a Succubus that didn't let its prey escape just like that.

"Yuechan" Ye Chen took out a huge amount of his Yang Qi Essence.

"Ah. . ." Chu Yuechan screamed, Ye Chen's Yang Qi flew towards her.

Ye Chen's Yang Qi instantly enveloped Chu Yuechan's beautiful body and face. Now Chu Yuechan's entire body was covered in Ye Chen's extremely rich Yang Qi Essence.

It had been a few weeks since Ye Chen had kept his belongings, so it was not surprising that Ye Chen could earn this much.

"Geez, master you make my body dirty" Chu Yuechan complained to Ye Chen, now her body is completely dirty by Ye Chen.

Chu Yuechan's current appearance was truly very lewd , she looked extremely seductive.

Seeing Chu Yuechan's current appearance, Ye Chen felt that if he wanted to get Chu Yuechan, Ye Chen extended his hand to Chu Yuechan's body in front of him.

Chu Yuechan immediately dodged when she saw Ye Chen plotting something bad.

Ye Chen didn't achieve anything, he just reached for empty air.

When Ye Chen came to his senses, Chu Yuechan was already far ahead.

"Master, today is enough." Chu Yuechan told Ye Chen that today was enough.

"But, I want you" Ye Chen said that he wanted Chu Yuechan.

"If you really want me , you must become even stronger, didn't I promise that as long as you become stronger, I will gladly give you that" Chu Yuechan reminded Ye Chen that she would happily become Ye Chen's woman if Ye Chen became strong.

Ye Chen of course still remembered this, he still clearly remembered that Chu Yuechan had made such a promise to him.

"Yuechan, am I not strong enough now?" Ye Chen said to Chu Yuechan.

"No, you are still not strong enough, you are still far from the standard you passed." Chu Yuechan said that Ye Chen was still quite far from the standard she set.

Ye Chen couldn't say much when he heard that he was still far from the standard set by Ye Chen.

" this is a little gift from me, I hope this will motivate you to become even stronger, Then I will go first" Chu Yuechan told Ye Chen to quickly become stronger.

The stronger Ye Chen, the better for Chu Yuechan.

After saying words of motivation to Ye Chen, Chu Yuechan immediately left this place, going to the bathroom to clean herself.

Ye Chen was now left alone in this place.

"Damn it, Yuechan is teasing me again" Ye Chen was annoyed to see Chu Yuechan only teasing him.

Even though Ye Chen thought that today he could get Chu Yuechan, he didn't expect that he couldn't get Chu Yuechan.

Ye Chen should have made the most of the opportunity earlier, Ye Chen could have used the Passion Goddess technique to subdue Chu Yuechan.

Unfortunately everything had happened, so Ye Chen couldn't replay what had happened.

Ye Chen couldn't help tidying up his clothes, after tidying up his clothes, Ye Chen immediately went out of the fairy gate.

.

.

While Ye Chen had already exited the fairy gate, Chu Yuechan was currently already inside the bathroom.

Chu Yuechan immediately took off all her clothes and started to dive into the water.

"That was close just now." Chu Yuechan felt that just now it was close, if she was a little late to avoid Ye Chen, maybe she would really do that with Ye Chen.

Chu Yuechan was still lucky to be able to escape Ye Chen's evil hand, even a little late maybe Chu Yuechan would lose her first time.

"Master, becoming more and more daring, I like him more and more" Chu Yuechan was attracted by Ye Chen's courage.

Women are people who like brave men, it is something that can attract a woman's interest.

Chu Yuechan started to see her shadow above the water, it could be seen that her entire body was covered in white Essence.

"Geez, master really went out a lot, my whole body is dirty" Chu Yuechan could see that her entire body was covered in Ye Chen's Essence.

Ye Chen's essence was not only rich but also abundant, this was something that a woman would find hard to believe.

Chu Yuechan started to lick Ye Chen's essence that was on her face, she started to feel what Ye Chen's Essence tasted like.

"It's quite delicious, it's not strange that many women like it." Chu Yuechan tasted Ye Chen's Essence, she thought it was something delicious.

Plus it has quite a rich Yang Qi effect, it can beautify a woman's skin.

Chu Yuechan started to soak her body and started to clean herself, Chu Yuechan would probably take a long time to clean herself.

Chapter 1010 - Discovered By Yue Ya

After exiting the fairy gate, Ye Chen immediately headed back into the cave where Yue Ya was.

When Ye Chen returned to the cave Ye Chen discovered that the current Yue Ya had completely finished using the Flame Spirit Root.

Yue Ya had even now changed her clothes to something even better, Yue Ya's appearance is now even more beautiful with a dress that is much prettier and shinier than before

"Ye Chen where have you been?" Yue Ya immediately asked where Ye Chen had gone.

"I just went for a walk around this place" Ye Chen told Yue Ya that he had just walked around this place.

"Yue Ya, you are so beautiful." Ye Chen came closer and started praising Yue Ya.

There was a slight trace of red color when Ye Chen praised the beauty that Goddess Yue Ya possessed.

When Ye Chen approached Yue Ya, Yue Ya suddenly smelled a fragrance, it was clear that this scent was not herself, it must be another woman's.

"Why on your body there is a smell belonging to another woman?" Yue Ya immediately asked why Ye Chen had the smell of a woman on his body.

Yue Ya's sense of smell was very sharp, Yue Ya could easily find that Ye Chen's body had Chu Yuechan's smell.

"Other woman's smell?" Ye Chen immediately smelled his clothes, sure enough on the clothes that Ye Chen was currently wearing, there was a scent of Chu Yuechan's body that smelled quite good.

Ye Chen was really careless, he should have changed into new clothes earlier.

"So what did you just do?" Yue Ya immediately asked what Ye Chen had just done, there was no way Ye Chen could just walk around.

Yue Ya was dissatisfied with this, she didn't expect Ye Chen so quickly to find another woman in outside .

Yue Ya was currently like a woman who caught her husband cheating on the outside.

Ye Chen was a little confused about how he answered Yue Ya's question, it could be seen that this beautiful Goddess was jealous.

Since Chu Yuechan was currently busy with her business, Chu Yuechan couldn't help Ye Chen in this matter.

"I just took a short walk to get some fresh air." Ye Chen tried to convince Yue Ya that he was just getting some fresh air.

"Then why on your body there is a smell belonging to another woman?" Yue Ya asked Ye Chen.

Yue Ya didn't just believe what Ye Chen said, the evidence on Ye Chen's body was very clear to Yue Ya.

Yue Ya didn't like Ye Chen to lie to her, Yue Ya preferred Ye Chen to tell the truth to herself.

"Come on, how can there be another woman in the forest like this, you are the only beautiful woman around this place" Ye Chen said to Yue Ya.

This was a forest, where in a forest like this Ye Chen could find a woman, It was quite an impossible thing to do.

Plus the forest situation in this region was in chaos, no fool would purposely enter into a dangerous place like this.

Yue Ya thought of Ye Chen's words, it was true that around this place there was only a very vast forest, there was no way Ye Chen could find a woman other than herself in a place like this.

Yue Ya herself had also confirmed that there was no one in the radius around this place.

Yue Ya started wondering where did Ye Chen get the musty smell of a woman on his body.

"Did I misunderstand?" Yue Ya started to wonder if she had misunderstood Ye Chen.

"Yue Ya please believe me" Ye Chen wanted Yue Ya to believe in him.

"Hoam. . ,Master, I'm hungry." While Ye Chen and Yue Ya were arguing, Yin Ying'er suddenly came out and grabbed Ye Chen's clothes.

Yue Ya immediately looked at Yin Ying'er, Yue Ya didn't know where this little girl in gothic clothes appeared from.

" Who are you ?" Yue Ya immediately asked who the little girl who had just appeared in front of her.

"Wow, big sister is so beautiful, is big sister the new master wife?" Yin Ying'er immediately screamed when she saw Yue Ya's beauty.

According to Yin Ying'er, Yue Ya's beauty could be compared to sister Chu Yuechan and Sister Nangong Xiang.

All this time Yin Ying'er had also lived within the fairy gate, so it wasn't strange that Yin Ying'er was well cared for by Chu Yuechan and other women.

"Ye Chen's new wife, little girl can you tell me what you mean earlier?" Yue Ya immediately asked what Yin Ying'er had just said.

Ye Chen was sweating when he heard this, it was clear that Yin Ying'er was going to dismantle everything Ye Chen had.

Ye Chen didn't know what would happen when Yue Ya found out that he had so many women, whether Yue Ya would be angry or not when she heard this.

"Ying'er, why are you out, let's go back" Seeing Yin Ying'er wanting to talk about this matter, Ye Chen immediately told Yin Ying'er to go back inside the fairy gate.

"But, I'm hungry." Yin Ying'er refused to come back, she was hungry because she hadn't had food from Ye Chen for a long time.

"I'll give it later?, but you have to go back first" Ye Chen tried to persuade Yin Ying'er with his promise.

No matter what happened Ye Chen had to make Yin Ying'er go back into the fairy gate.

"Is it true?" Yin Ying'er asked Ye Chen.

"Ye Chen you shut up, I want to talk to this little girl" before Ye Chen answered Yin Ying'er, Yue Ya told Ye Chen to be quiet, Yue Ya wanted to talk to Yin Ying'er.

Yue Ya's words were very firm, Yue Ya told Ye Chen to be quiet for a while so she could find out what had previously said Yin Ying'er.

"It's bad, definitely Ying'er will tell Yue Ya about everything I have." Ye Chen was confident that Yin Ying'er would tell Yue Ya about the secret he had.

"Little girl, please explain what you mean earlier?" Yue Ya immediately asked what Yin Ying'er had just meant.

"Ying'er, don't tell her" Ye Chen tried to signal Yin Ying'er not to tell Yue Ya about this matter.

Unfortunately Yin Ying'er didn't understand Ye Chen's hint, Yin Ying'er didn't understand what Ye Chen was doing at the moment.

"Yes, is big sister the new Master's wife?" Yin Ying'er asked Yue Ya again.

Ye Chen almost fainted when he heard this, it was clear that Yin Ying'er couldn't keep Ye Chen's secret.

"It's over, Ying'er will definitely say everything" Ye Chen felt that Yue Ya would know everything.

Ye Chen couldn't do anything about this, he could only hope that Yue Ya could accept him as he was.

Ye Chen probably would rather be honest than lie like this, he didn't really like lying to Yue Ya.

Yue Ya already understood what Yin Ying'er meant just now, from Yin Ying'er's words Ye Chen had a woman beside ho,

If Yue Ya remembered clearly, Ye Chen had said that there was a woman who was waiting for him to become strong, perhaps this was what Ye Chen meant.
