

A True God 101

### **Chapter 101 - Conquered Fu Lanling's Body And Mind**

Ye Chen Surprised to see this woman's beauty, Fu Lanling's face was truly so beautiful, even Ye Chen couldn't help but want to love this woman immediately.

Fu Lanling blushed as the mask she was wearing disappeared, Fu Lanling didn't know what else to do, no matter how much Fu Lanling tried to scrub everything in vain.

Ye Chen hugged Fu Lanling away from the battlefield, Ye Chen found a cave, he immediately brought Fu Lanling into the cave.

Ye Chen took out a cloth from inside the fairy gate storage, he then laid Fu Lanling on it.

Ye Chen let go of Fu Lanling's shirt, Fu Lanling wearing ancient clothes was quite difficult to take off the clothes she was wearing.

Fu Lanling closed her eyes, Fu Lanling did not dare to see what this young man would do next.

After all Fu Lanling's clothes were removed by Ye Chen, Jade's very perfect body was seen in front of Ye Chen.

Right now Ye Chen was like a wild animal that had very delicious prey.

Ye Chen touched Fu Lanling's body, and playing the two perfect Mount peaks, he squeezed, kneaded and played with both of Fu Lanling's soft peaks.

"Ah, stop it, you bastard" Fu Lanling felt her body tremble because of the pleasure that was given by the hand Ye Chen.

Fu Lanling felt the bottom emit a liquid, Fu Lanling who was a pure girl had never felt this sensation before.

Every day Fu Lanling just continued and continued to cultivate, she was never interested in male and female relationships.

"You bastard stop it, otherwise I'll kill you, ummm"

Ye Chen paid no heed to Fu Lanling's shout, Ye Chen immediately kissed Fu Lanling's cherry lips so as not to speak again.

Fu Lanling was very surprised when it was kissed by Ye Chen, for some reason this felt very pleasant, Fu Lanling's consciousness began to disappear due to pleasure, she began to respond to a kiss from Ye Chen.

Fu Lanling hugged Ye Chen's neck, "Ahh, don't be so hard, it hurts, ahh." Fu Lanling whimpered because Ye Chen winced at her two cherry blossoms.

Ye Chen greedily sucked and bit the Fu Lanling Cherry.

For some reason after seeing Fu Lanling Ye Chen was very excited, his passion rose, in Ye Chen's mind he wanted to immediately love Fu Lanling.

"Please stop, I feel something will come out, ahh" Fu Lanling finally reached the climax, Fu Lanling's body shook violently, Fu Lanling's eyes closed.

Ye Chen did not stop and continued to play with Fu Lanling's beautiful body, "ahh. . . "Fu Lanling, whose body was very sensitive after the climax, felt her body was provoked by Ye Chen, Fu Lanling could not hold her voice and groaned again.

Seeing that preparations were now enough for the main event, Ye Chen removed all the clothes on his body.

The large meat stick had raised its spear ready to break through Fu Lanling's gate.

Fu Lanling looked at Ye Chen's collar that was undressing, she saw a large object that was in Ye Chen's crotch.

Even though Fu Lanling was a pure woman, she knew what this thing was "would she put this thing into mine, it would be impossible it would not match" Fu Lanling was scared to see Ye Chen's giant.

Ye Chen put his meat stick in front of Fu Lanling's already wet honey cave.

Ye Chen immediately put his large meat stick into Fu Lanling's cave with one jerk

"Ah" Fu Lanling screamed in pain, Fu Lanling never felt pain like this, her body seemed to be torn apart, Fu Lanling's tears began to drip.

Fu Lanling gripped Ye Chen's shoulder, her fingernails scratched deeply into Ye Chen's flesh.

"Ah. . ." This time Ye Chen groaned, Ye Chen felt his little brother was suctioned by an endless hole, the walls of Fu Lanling Honey Cave gripped Ye Chen's younger brother very strongly, this feeling Ye Chen had never felt.

Ye Chen started pumping back and forth inside Fu Lanling Honey Cave, and felt a very pleasant sensation.

At first Fu Lanling felt excruciating pain, but after several times Ye Chen poked into her Cave Hole, Fu Lanling felt her body and mind fly into the sky.

This sensation was very pleasant and amazing. Fu Lanling felt that her body and mind really enjoyed it.

Ye Chen continued to accelerate his pumping, at this moment Ye Chen's younger brother was like a bull raging inside Fu Lanling's body.

"Ah, husband, faster, I will reach the top, to hell with your big stick, this is too amazing" Fu Lanling involuntarily started calling Ye Chen as her husband.

If someone in the Holy Land of Kunlun heard the words that Fu Lanling had just said they would be very surprised.

Fu Lanling the goddess in the hearts of many people, was currently under Ye Chen's body enjoying the relationship between men and women.

Fu Lanling's body and mind were completely conquered by Ye Chen, Fu Lanling began to collaborate with Ye Chen to get more pleasure.

after 1 hour Ye Chen finally sprayed White magma into Fu Lanling's womb.

"Splur. . . . , Splur. . . . ."Ye Chen began to walk for 30 seconds and filled Fu Lanling's womb.

At this moment Fu Lanling felt that his lower body was full of warm liquid, Fu Lanling felt that he could no longer live without this boy.

When Ye Chen wanted to get out of Fu Lanling Cave, he was stopped by Fu Lanling's two legs hugging his waist.

Fu Lanling got up and sat on Ye Chen's thigh, she put her lips to Ye Chen's ear "husband, you still want it again" Fu Lanling's voice was very tempting for Ye Chen.

Ye Chen's meat stick hardened again, the two immediately resumed the battle inside the silent Cave.

Fu Lanling has been lonely for hundreds of years, after her lust has been triggered she will not be satisfied with just doing one thing.

Fu Lanling started to move up and down by herself "ah. . . , this is amazing, how to do this is very fun.  
"Fu Lanling looks really enjoyed it

"Goddess, inside you are truly amazing" Ye Chen felt Fu Lanling's honey cave became tighter than before.

"Husband, let's go deeper, make me feel good" Fu Lanling kept on saying Fulgar's words.

Ye Chen and Fu Lanling tried various poses, under Ye Chen's domination, Fu Lanling became very obedient and obeyed Ye Chen's words.

In the cave the groaning sound continued for hours, here no one would disturb both of them doing Dual Cultivation

## **Chapter 102 - Goddess Charm**

Ye Chen finally woke up, he didn't know how long he had slept, all he remembered was a fierce battle with Fu Lanling that lasted quite a long time.

At this moment the beautiful goddess Fu Lanling curled up on Ye Chen's arm, sleeping very peacefully

Ye Chen tried to remember yesterday's events, Ye Chen didn't know what really happened yesterday, yesterday Ye Chen just wanted to give a little lesson to Fu Lanling, the result was he was fascinated by Fu Lanling's beauty and they instead had an intimate relationship.

Every time Ye Chen saw the beauty of Fu Lanling Ye Chen felt his soul be stolen by this beautiful goddess, it was hard to resist his desire to love this goddess.

"Master, finally you wake up too, it seems like you really enjoy connecting with beautiful goddesses to forget time, Hehehe" Chu Yuechan giggled teasing Ye Chen.

"Yuechan, how long did I do it? "Ask Ye Chen, he has already gotten used to Chu Yuechan's temptations.

"Geez, you two have been doing it for almost an entire day," said Chu Yuechan helplessly.

Ye Chen had no idea that he and Fu Lanling would do Dual Cultivation for a full day.

"Your luck with a woman is very high, you're lucky to find a woman who has the charm of a goddess"

"Goddess charm? What is it? "Ye Chen had never heard this name before.

"The charm of a goddess is an innate charm from birth, this makes a woman who has the charm of a goddess be able to make everyone who sees her fascinated, even this can enslave the soul of every man who sees her, a person who has a charm of a goddess is very rarely found even in 100 million years you could only find one. "Chu Yuechan explained to Ye Chen about the charm of the goddess.

"I see." Ye Chen now understood why he felt his soul would be blown away by Fu Lanling

"Master, are you not worried that if this woman wakes up she will immediately kill you".

"Everything has happened, as a man I cannot escape, I must take responsibility" Ye Chen said with a strong determination.

"Hehehe, that's just the master I know, this is for my dear master" Chu Yuechan gave something to Ye Chen.

In Ye Chen's palm appeared a ring with a complicated pattern "what is this?" Ye Chen asked Chu Yuechan.

"This is a Nuwa ring, this ring can change someone's appearance according to their wishes, the user can even control who can see her real face, you can give the Nuwa ring to this woman, so that she doesn't continue to wear a mask to hide her appearance" Chu Yuechan explained the use of this Ring to Ye Chen.

"Then how do you use it" Ye Chen asked how to use the Nuwa Ring.

"It's easy, you just have to think what appearance you want, then the wearer's appearance will change.

Ye Chen immediately nodded and put the Nuwa Ring into his breast pocket.

After giving Nuwa Chu Yuechan's ring not to speak again, it seemed like Chu Yuechan left Ye Chen alone with Fu Lanling.

Ye Chen looked at Fu Lanling who was still sleeping comfortably, he rubbed the face of the goddess Fu Lanling

Fu Lanling woke up when Ye Chen touched her, she looked at Ye Chen with a very gentle gaze.

Ye Chen looked at Fu Lanling foolishly.

"Little boy, have you never seen a beautiful woman before? "

Because of the words Fu Lanling Ye Chen had just realized.

his was not the same as what Ye Chen had imagined, he thought when this woman woke up she would immediately attack Ye Chen, apparently Ye Chen's thinking was wrong.

"Who are you calling a little kid I'm a big boy" Ye Chen didn't like being called by this little boy.

"You're still nineteen years old, it's much smaller than me, so I call you a little kid, Puchi" Fu Lanling laughed a little.

"I'm not small, have you not seen this" Ye Chen proudly showed off his lower body to Fu Lanling.

Fu Lanling immediately blushed, Fu Lanling slightly peered towards Ye Chen's crotch.

Ye Chen embraced Fu Lanling's body who was currently completely naked.

"Husband, I'm wrong please spare me" Fu Lanling immediately panicked to see Ye Chen wanted to start fighting again with her.

Seeing Fu Lanling asking for mercy Ye Chen let her go, Ye Chen felt he became even more familiar with Fu Lanling.

"May I know your name?" Fu Lanling doesn't know the name of the man who conquered her body and heart.

"I'm Ye Chen, what is your name?" Ye Chen asked the name of a beautiful goddess.

"So your name is Ye Chen, my name is Fu Lanling, from now on you can call me Linger" Fu Lanling introduced herself to Ye Chen.

Ye Chen felt Fu Lanling's attitude was different from when they met for the first time, before Fu Lanling would be indifferent to him, now Fu Lanling looked very soft to him.

"Fu Lanling is a beautiful name, suitable for goddesses like you" Ye Chen praised Fu Lanling.

Fu Lanling was very happy when being praised by Ye Chen, his heart felt flowery.

Fu Lanling helped put clothes on Ye Chen, she looked like a filial wife, Fu Lanling looked at Ye Chen's back, which was injured by being scratched by her nails, Fu Lanling felt a little guilty.

she took the medicine bottle from her storage ring, "Husband, I will help you treat this wound".

Fu Lanling continued to insist on treating Ye Chen's wound. From the bottle she poured powder into Ye Chen's wound, in an instant Ye Chen's wound disappeared without leaving any marks.

Ye Chen was very surprised that Fu Lanling was using precious medicine to treat his small wounds.

Fu Lanling smiled at Ye Chen, Ye Chen was confused when he saw Fu Lanling's beauty that had fully bloomed.

"Linger's beauty is too dangerous, I could lose control because of it" Ye Chen tried to calm his heart.

now it was Ye Chen's turn to help comb Fu Lanling's hair, Fu Lanling's long black hair looked very beautiful and very long,

Fu Lanling took the Mask from her storage ring every time she wore it.

"Why do you wear a mask again, you look prettier without a mask," Ye Chen said.

"The teacher said I have a special charm that can make everyone who sees me will be attracted to me, some men who see my appearance are crazy about me and become my slave, therefore the teacher made me a special mask that can block my charm" Fu Lanling explained everything to Ye Chen.

"Oh yeah, I want to give you something" Ye Chen wanted to give Nuwa Ring to Fu Lanling.

"What is that?" Fu Lanling asked curiously.

"Stretch out your fingers" Ye Chen told Fu Lanling to stretch out her fingers.

Fu Lanling obeyed what Ye Chen said and stretched her fingers forward.

Ye Chen took the Nuwa Ring from inside his pocket and put it on Fu Lanling's middle finger.

Fu Lanling was very happy to receive this beautiful ring

"This is a Nuwa ring, this ring can change its appearance according to your wishes, this ring is strong enough to hold the charm of the Goddess you have, from now on you no longer need to wear a mask to cover your beauty" Ye Chen began to explain the function and how to use the Nuwa ring to Fu Lanling.

"Thank you" Fu Lanling immediately tried the Nuwa Ring to see if this worked or not.

"Husband, how do I look right now?" Fu Lanling is asking how she looks right now.

"Uh, your appearance is still the same as before" there was no change in Fu Lanling's appearance.

Fu Lanling was very confused because she had done what Ye Chen had said about using Nuwa's ring.

Fu Lanling looked in the mirror, her appearance had indeed changed

Ye Chen also looked into the mirror, Fu Lanling who was in the mirror was different from what he was seeing right now, the ring given by Chu Yuechan turned out to function very well.

"From now on only husband can see my appearance" Fu Lanling looks happy to receive a gift from him.

"Let's get out of here" Ye Chen invited Fu Lanling out of the cave.

both of them left the Cave.

"So are you going back to the Kunlun Holy Land?"

Fu Lanling shook her head "no, I want to come with you, anyway my teacher is doing self-exile, she will not come out anytime soon".

"If that's what Linger wants, okay, before that I'll tell you the truth, I have two more women as my wife, can you accept them" Ye Chen didn't want to lie that he had another woman.

"Of course, what's the problem?" Fu Lanling does not seem to mind this.

In the hold of Sacred Kunlun it was normal for a man to have many women, all Ye Chen could love was enough for her.

"Alright, let's go back now." Ye Chen led Fu Lanling to fly to where he lived.

**Chapter 103 - Increased Cultivation Base**

Ye Chen felt that his strength had increased greatly after obtaining Pure Yin from Fu Lanling, Ye Chen's strength was currently in the fourth stage of the Overlord Realm.

"Linger what is your current level" Ye Chen asked Fu Lanling's level after doing Dual Cultivation with him

"Now that I have taken half a step towards the legendary stage of the Divine Realm, I did not think I would break into this realm," at first Fu Lanling was very surprised to learn that she had broken through to this legendary stage.

In this life Fu Lanling doubted she could reach this realm, but now that she had reached this legendary domain, this was all thanks to this little boy.

Ye Chen "That's great, I just broke through to the fourth level of Overlord Realm".

"Little husband, what secret do you have on your body, how is it possible to only have relations with you that makes me break through to this level?" Fu Lanling was curious about her little husband.

"That's because, I have an ancient (Yang) body, every woman who does Dual Cultivation with me will definitely get extraordinary benefits," he explained a little to Fu Lanling.

Fu Lanling "Little husband, wouldn't it be very dangerous if known by women in the world, they might immediately pounce on you in bed if you know this".

"If that happens, I certainly can easily take care of them," Ye Chen said with great confidence.

"Really, then I'll tell the women, let's see if the little husband can handle all these women," said Fu Lanling.

"You dare ?, if you do that I will make you unable to get out of bed for days." Ye Chen pointed at Fu Lanling.

"Then try and catch me, hehehe" Fu Lanling flew away from Ye Chen.

Ye Chen tried to catch Fu Lanling, both of them playing chase.

Fu Lanling felt that her world today was different from before, now her world was filled with cheerful and happy colors.

Both arrived above the city, Fu Lanling looked down at the city with great curiosity, many objects that Fu Lanling had never seen before.

This was the first time Fu Lanling had gone to the mortal world, this place was very foreign to her.

Ye Chen brought Fu Lanling to a shopping place, to buy some new clothes for Fu Lanling.

The clothes that Fu Lanling is wearing right now are too obvious to other people's attention.

"Little husband where are we going" she asked where Ye Chen would take her

"I'll buy some clothes for you" Ye Chen brought Fu Lanling to a brand name clothing store.

Seeing someone handsome man coming female employees in the shop immediately came to Ye Chen, unfortunately behind this handsome man there is a beautiful woman female employees feel they have no chance anymore "master and lady there is something we can help".

Fu Lanling's appearance has changed in the eyes of others, despite having changed appearances, Fu Lanling still looks very beautiful.

"I want to buy the best set of women's clothes in this store, can you show me the place?"

"Please come with me" the female employee asked Ye Chen and Fu Lanling to follow her.

The two of them went to follow the female employee, Fu Lanling looked around the shop, she felt the clothes here had a strange design and in some important places looked very exposed.

Fu Lanling is an ancient woman, she doesn't like the type of clothes that are too exposed.

"Linger, let's try this dress" Ye Chen took a white one piece dress and handed it to Fu Lanling to try.

Fu Lanling took the dress Ye Chen had chosen and headed to the dressing room.

A few moments later Fu Lanling came out wearing a one piece dress that was chosen by Ye Chen.

"Little husband, does this look strange to me?" Fu Lanling isn't used to wearing clothes like this.

"Beautiful" Ye Chen was fascinated by the fuzzy Fu Lanling look that looked innocent when wearing a white one piece dress

Fu Lanling was very happy to be praised by Ye Chen, she decided to take this outfit, "I take this dress".

"Uh, are you sure you don't want to choose another outfit?"

"No, I like this dress, let's take this one." Fu Lanling has made up her mind.

after that Ye Chen told Fu Lanling to try out a lot of clothes in the clothing store.

All the clothes that were tried looked very suitable for use by Fu Lanling, Ye Chen bought dozens of clothing sets for Fu Lanling.

"Sir, this is your bill," the female employee bills all the clothes that Ye Chen bought, the total of all the clothes bought is twenty thousand dollars.

After finishing paying for all of his clothes, Ye Chen invited Fu Lanling out of the shopping center.

Ye Chen brought Fu Lanling to fly to his residence

"So we arrived, this is my place to stay," Ye Chen showed his residence to Fu Lanling.

"Let's go inside" Ye Chen and Fu Lanling enter the villa.

"This is your home, very beautiful" Fu Lanling was fascinated by the interior of the modern villa.

"Don't you live in a place like this?" Ye Chen asked.

"During this time I lived in a cave, there is a suitable place for cultivation, this place is only one Sabagus, namely in the royal palace".

"Well, I understand" the Kunlun holy land is indeed still using past civilization, so it's no wonder that Fu Lanling was surprised to see the modern world.

Ye Chen's "Ringing" phone rang.

Ye Chen immediately looked at his cellphone, the one who was calling was Liu Yue.

Ye Chen immediately answered the phone from Liu Yue "Yue's wife, what's up? "

"Where have you been husband for several days ... why didn't you come at that time, didn't you promise to accompany me to the party?" Liu Yue asked for an explanation from Ye Chen.

Ye Chen forgot that he had promised to accompany Liu Yue to the party "Yue's wife, I'm sorry it seems like I forgot about it" Ye Chen sincerely apologized to Liu Yue.

"Huufft" Liu Yue sighed she could not be angry with Ye Chen: "OK, I forgive you, but instead I want you to accompany me to go shopping now".

"What must now? "Actually, he intends to bring Fu Lanling inside the fairy gate.

"Come to behavior now, if the husband does not come, I will start ignoring you,".

"But, Bipp" before Ye Chen finished talking the phone had been hung up by Liu Yue.

" What is wrong? "Asked Fu Lanling.

"Nothing, close your eyes," he told Fu Lanling to close her eyes.

Fu Lanling didn't ask much and closed her eyes.

Ye Chen brought Fu Lanling inside the fairy gate "you may open your eyes".

Fu Lanling opened her eyelids and saw what was in front of her eyes.

in front of her eyes Fu Lanling saw a very beautiful sight, the aura that was here was also very pure, this was far purer than that in the holy land of Kunlun.

"Little husband, where is this? "Fu Lanling is curious where they are right now.

"This is called fairy gates, this place is a training ground for the women I have," Ye Chen explained a little about the fairy gate to Fu Lanling.

"Yuechan" Ye Chen called Chu Yuechan.

"What's the master? "Chu Yuechan is already behind Ye Chen and Fu Lanling.

Fu Lanling was surprised to see a woman who had this beauty, this woman was like a fairy in a fairy tale.

"I want you to explain everything about the fairy gate to Linger, Linger, Yuechan will answer every question you want, I have an important matter, so I must go first" without waiting for Fu Lanling Ye Chen's answer to go out of the fairy gate.

## **Chapter 104 - Assassin**

After coming out of the Fairy gate, Ye Chen immediately went to Liu Yue's house.

a few minutes later Ye Chen arrived at Liu Yue's residence, Liu Yue's house was very large, this was even several times bigger than Ye Chen's Villa.

Ye Chen descended towards the entrance of Liu Yue's house.

"Ding" Ye Chen rang the doorbell.

"Yes, wait a minute" Liu Yue's voice came from inside the house.

A few moments later Liu Yue opened the door, currently Liu Yue was dressed beautifully, Liu Yue was dressed in a blue floral motif, she also carried a branded bag on her left arm.

"Husband, finally coming. I thought you would not come, let's go." Liu Yue was very excited to invite Ye Chen to go shopping.

Liu Yue looked around and did not see the whereabouts of Ye Chen's car, "Where is your car? "

"My car broke down and I have not had time to fix it" because of yesterday's accident his car broke down, he has not had time to fix it.

"So that's it, then let's just use my car." Liu Yue then invited Ye Chen to go to the garage of the house.

In Liu Yue's garage there are dozens of luxury cars lined up very neatly, all kinds of luxury cars are in this garage.

Ye Chen didn't know that Liu Yue had a hobby of collecting luxury cars. "Yue's wife, do you like to collect cars? "

"No, most of the cars here are given by partners who work together with the company, I have tried to refuse all these gifts, but they still insist on giving this car to me" Liu Yue said helplessly.

Liu Yue is famous as the queen of business, so many people try to please her by giving various luxury gifts to get close to Liu Yue.

"Choose the car you like" Liu Yue pointed to an angle where all the keys to the car were placed.

Ye Chen chose the key randomly, after all all the cars were the same for him "Bipp" the car key that Ye Chen chose was black BMW.

"Let's go" he invited Liu Yue to go to the black BMW car.

Both of them got into the car, Ye Chen immediately stepped on the car gas out of the garage and left Liu Yue's house.

"How is your condition, is he better now? "Ye Chen asked about Situ Rui's condition.

"Grandma is very healthy, today she intends to go to her old friend's house to play mahjong" Liu Yue was very excited when she said that her condition was getting better every day.

"That's good news" Ye Chen was happy to learn that Situ Rui's grandmother had improved.

"I almost forgot to say, the product at the company was launched yesterday, and it received a positive response, in one day your company has received a net profit of more than tens of millions of dollars," Liu Yue told the development of the Xiannu company.

That's good news for Ye Chen "good news, if there is time I will go there to see progress".

"Now husband has a lot of money, today you will pay for everything, giggling" Liu Yue chuckled.

"Well, whatever you want I will buy" Ye Chen will not be stingy to his wife.

Within minutes Ye Chen and Liu Yue arrived at the biggest shopping center in the city.

Liu Yue immediately pulled Ye Chen's hand away to the various shops in this shopping center.

In the shopping center there were so many eyes staring at them, after doing Dual Cultivation with him, Liu Yue became even more beautiful.

Liu Yue invited Ye Chen to go to the best jewelry store in the city.

"Husband, how does this ring suit me?" Liu Yue tried a very fine jewelry ring and showed it to Ye Chen.

"Yes it is suitable for you to wear, do you want to buy it" Ye Chen asked, this was the tenth time Liu Yue had asked like this.

"I don't think this is good enough for me" Liu Yue then took off the diamond ring, she wanted to try the other ring.

Ye Chen who saw this was helpless, why did Liu Yue have to be helpless to him, if the results were decided by herself.

Ye Chen now understood why many men did not like to accompany women to go shopping, a man's patience was truly tested when shopping with women.

If it continues like this Ye Chen will spend all day in this place "Miss seller, is there the most expensive ring here, please remove it" The female seller immediately goes to get the most expensive ring in this shop.

"Sir, this is the most expensive ring here, this is made by craftsmen in Europe by using the best diamonds in the world, the price of this diamond ring is 5 million dollars," the female seller explained in great detail about this diamond ring.

"Well I take this ring" Ye Chen took out the card he got from Yun Hao to pay for this jewelry.

"Sir, this ring is there." The woman seller handed over this diamond ring to Ye Chen.

Ye Chen immediately accepted it, he then took the ring inside the jewelry box, Ye Chen then took Liu Yue's right hand.

Ye Chen put the ring on Liu Yue's finger, he didn't forget to kiss Liu Yue's hand "Yue wife do you like this?"

Liu Yue nodded at Ye Chen, he really liked the Ring that Ye Chen had bought, what else Ye Chen put on this ring in a romantic way.

"Eh, why hurry, while we're here, let's look at some of the shops here" Liu Yue still wants to go shopping.

Ye Chen helplessly continued to accompany Liu Yue to go shopping.

"Gosh, this is even more tiring than practicing." Ye Chen sat on a bench under a tree, he accompanied Liu Yue until the afternoon.

Right now Liu Yue is buying food and drinks.

An object with high speed headed towards him. Ye Chen caught the object that was heading towards him using both fingers.

It turned out that this thing was a very sharp throwing knife, it seemed like someone was trying to kill himself, Ye Chen immediately got up from the chair heading in the direction this knife was thrown.

The origin of this knife is from above, so this murderer must be on top of the building around here.

### **Chapter 105 - Assassin Association**

Knowing he failed to kill the target, he immediately left this place.

Too bad the target that he wanted to kill was already in front of him, Ye Chen found a mercenary using his spirit Sensei.

"Where do you want to run off to, tell me who sent you here" he wants to know who sent the assassin.

"You don't need to know, anyway you will die here" Arrogant assassin said to Ye Chen

from behind the Assassin's body out dozens of flying knives, the assassin could easily manipulate the flying Blade's movements.

"With this technique I have killed a lot, and today is your turn." The contract killer proudly showed this technique to Ye Chen.

"Hooo," It turns out that this knife was not thrown but the Flying Knife, this killer was not a normal person but a cultivator.

He measured the level of strength of the Assassins, the Assassins were at the 6th level Spirit Profound Realm "not bad, it seems like this assassin does indeed have the capital to be a little arrogant" Ye Chen said in his heart.

Using a finger, the assassin moved dozens of blades flying around Ye Chen's body, dozens of flying blades quickly spread out in all directions circling near Ye Chen's body.

This knife only swirled around and had not yet attacked Ye Chen.

Ye Chen put his hands behind his back watching what the next hit man would do.

"Feel this" Dozens of flying knives pounced on Ye Chen from all directions.

When the Blade was a few inches from Ye Chen's body, the entire blade suddenly stopped.

"What?" The contract killer was very surprised that all the knives he controlled were stopped, the hit man tried to pull all the knives back, unfortunately he could no longer control these blades.

"Yawn" Ye Chen yawned, he was tired of seeing this weak weak technique.

Seeing this person stronger than himself, the assassin used a smoke bomb to escape from Ye Chen.

The assassin used the speed he had to escape Ye Chen.

"Bamm" someone hit the killer down the building.

Ye Chen knocked the assassin who tried to escape from him.

The killer lay weak, the whole body of the killer suffered a fatal wound from Ye Chen's attack.

Even though Ye Chen had held back his strength to the maximum extent possible, still it hurt the killer very heavily.

"I don't have time to deal with you, tell me who sent you here" Ye Chen had run out of patience,

"I will not say, Assassins will not be afraid of death" Assassins insist they do not want to tell anyone who sent them.

"Are you sure you don't want to tell me? Ye Chen gave a last chance.

"I'm not afraid of your threat" The Assassin didn't look the least bit scared when Ye Chen kind of.

"Good" it seems like Ye Chen had no choice but to torture this killer, so he wanted to admit who had sent it.

"Bamm" Ye Chen used the aura he had to suppress the assassin.

The assassin is pressured until all the limbs held by the assassin are pressed tightly to the floor.

The assassin felt himself being crushed by a very heavy mountain, all the bones in his body trembled violently, even this bone gave a crisp sound to hear.

"Hurry up and say who has sent you?" Ye Chen said to the assassin who was mopping on the floor.

"Me. . . , will not . . . ever been. . . tell you" when he choked choked, this pressure made it hard to breathe.

Ye Chen praised the persistence of the Assassins, he added the pressure became stronger.

The pressure of Ye Chen's aura was getting stronger, a Assassins who was only in the 6th stage of Spirit Profound Realm, this pressure made him feel like he was in hell.

3 minutes Time passes, Assassin still doesn't want to say the person who sent it.

After 5 minutes blood began to emanate from various parts of the body of the assassin, Ye Chen's aura of strength could no longer be held up by the assassins.

"good . . . "I'll admit it, but please let me go first." The assassin has surrendered, he is no longer able to withstand the strength of Ye Chen's aura, and anyway there is no point in fighting with a cultivator master as strong as this.

The assassin knelt in front of Ye Chen "great master, actually I don't know who is the person who wants to kill you, I received this mission from the assassination association, someone offered a 10 million dollar reward for killing you," the contract killer explained to Ye Chen.

"Why did you accept the mission if you didn't know who paid you?" Asked Ye Chen.

"The rules at the assassination association are like that, the name of the client will be sounded, if the great lord wants to know you can go to the assassination association headquarters".

"Then where is the headquarters of the Assassins Association, I will go there to complete the account" Ye Chen intends to go there to find out who the person who tried to kill himself.

Assassins take a sip of saliva, this is the first time he has heard of anyone who dares to bless such a thing to the Association of Assassins.

"What do you think quickly say where it is" Ye Chen urged the assassin to say where the headquarters of the Assassins Association was located.

"The location of the assassination association headquarters is located west of the city, there is an old mansion, the assassination association headquarters is under the house," the assassin said the location of the assassination association headquarters.

After getting the desired answers there was nothing that Ye Chen needed in this place.

Ye Chen immediately went back to the bench where Liu Yue was waiting for him.

The assassin didn't see any trace of Ye Chen's whereabouts, he was relieved to be saved from this powerful monster.

"Damn, who would dare to fake a mission level, this person might be in the SSS Class Mission" Assassins condemned the people who had put up this mission, because from the start this killer mission only ranked D, that's why he was very confident killing Ye Chen

in the assassination association, the Client must specify the strength and background of the target, so that the association can choose the appropriate killer level category for this mission.

And this time it seems like the Client is really wrong in identifying the target's strength, even if he is paid hundreds of millions of hitmen won't dare to take a mission like this.

## **Chapter 106 - Do Artificial Respiration**

Ye Chen returned to the place where he was waiting for Liu Yue to buy food, when he returned Liu Yue was sitting

and eating the food he had bought, several times Liu Yue looked around to look for Ye Chen's whereabouts.

"Where is my food", without realizing it, Ye Chen was sitting next to Liu Yue.

"Where have you been" Liu Yue helplessly where Ye Chen had gone.

"There was a group of intruders who came so I had to teach them a lesson." Ye Chen did not say that he just dealt with assassins

"Oh, this is your food" Liu Yue handed over the food box to Ye Chen.

In the food box that Liu Yue bought, there were fried noodles with lots of beef in them, on top of fried noodles there were vegetables and Jiaozi as a complement.

"It looks delicious" Ye Chen took Supit and prepared to eat this food.

Ye Chen used to eat food like this often, the price of food like this was relatively affordable for all walks of life.

Although the food that was bought was quite simple both of them ate it with great satisfaction, sometimes Ye Chen would feed Liu Yue, and vice versa.

After finishing the food both intend to return.

when Ye Chen and Liu Yue headed to the car park, there were a large crowd blocking their way.

"What's that?" Liu Yue wondered why these people were clustered in the middle of the road.

"Let's see, what is happening there" he invited Liu Yue to come closer and see what was happening there.

As Ye Chen and Liu Yue approached there was a woman who was lying weakly on the ground, another woman frantically tried to wake the woman who was unconscious.

Ye Chen knew these two women, one was Su Yuya and another was Feng Xue.

Su Yuya wore a casual dress, while Feng Xue wore a hat cover with large glasses to hide her appearance so that no one else would know.

Feng Xue currently fainted on Su Yuya's arm, Su Yuya tried to wake up the fainting Feng Xue.

"Xue's younger sister woke up what is happening to you" Su Yuya repeatedly tried to wake up Feng Xue who was fainted, but unfortunately Feng Xue did not respond at all which made Su Yuya very worried.

"Is there a doctor here" Su Yuya shouted to the crowd around here unfortunately they are not doctors.

"Isn't that Feng Xue and Su Yuya," Ye Chen said

"Husbands, you know them," asked Liu Yue, Liu Yue felt she had seen both of them but she had forgotten where she had seen them.

"Of course, the one who fainted is the popular female star Feng Xue and the adult woman is Su Yuya the head at the Crucifixion Zhao Yanyan" Ye Chen said the origin of Feng Xue and Su Yuya.

"Oh so she is the famous star of Feng Xue. she is a little familiar" because Feng Xue is currently disguised as Liu Yue, it is difficult to recognize her.

"I will help her " Ye Chen approached Feng Xue and Su Yuya.

"Miss Su, let me check her situation" Ye Chen spoke in front of Su Yuya.

"Mr. Ye Chen, can you help cure it?"

Su Yuya looked at Ye Chen hopefully.

"Let me check it first," he then took Feng Xue's pulse and examined it.

"I see." Ye Chen now understood why Feng Xue fainted, Feng Xue's heart turned out to be weak, he was too exhausted which resulted in a lack of oxygen to the brain.

"How's the situation?" Su Yuya asked Feng Xue's current condition.

"We have to give her artificial breath, when you give artificial breath you have to press her heart to be more effective" Ye Chen gave Su Yuya a way to treat Feng Xue.

"Then what are you waiting for, hurry up and do it" Su Yuya urged Ye Chen to immediately treat Feng Xue.

"Eh why should I, shouldn't you just do it, you're close to her " Ye Chen had to admit that Feng Xue was a beautiful woman, the problem was Feng Xue was too much in the center of the world's attention, if this was known to the world it would be very troublesome for Ye Chen.

Su Yuya didn't expect Ye Chen would refuse to give artificial breath to Feng Xue, if this was replaced by a normal man, they would be very happy to give artificial breath to female star Feng Xue.

"Hurry up, otherwise she will be harmed" Su Yuya urged Ye Chen to immediately treat Feng Xue.

"Fine, fine" Ye Chen leaned closer to Feng Xue's lips and kissed her, he began to give Feng Xue an artificial breath.

Ye Chen pressed Feng Xue's chest which was very soft to the touch.

Ye Chen used his profound energy to slightly heal Feng Xue's heart.

Ye Chen did this for 3 minutes before he released Feng Xue.

"Make sure that in the future she is no longer too exhausted, if that continues then she can lose her life" before Ye Chen left he warned Su Yuya to advise Feng Xue so that in the future not too tired.

"Su Yuya just confessed" in Su Yuya's mind at this time it was only the scene of Ye Chen giving artificial breath to Feng Xue, even though Su Yuya was a mature woman, so far she had never done a kiss with a man.

"Cough. . . cough . . cough . . Feng Xue coughed and opened her eyes.

she woke up and saw the crowd around her "what was happening here" Feng Xue could not remember what had happened before.

"Xue's little sister you finally woke up I was very worried about your situation" Su Yuya hugged Feng Xue immediately.

"Yuya's sister is actually what happened" Feng Xue asked Su Yuya what happened to her.

Su Yuya told Feng Xue everything that had happened before, from the moment he fainted to being helped by Ye Chen.

Upon hearing from Su Yuya, Ye Chen made an artificial breath for her, Feng Xue's face immediately turned red like a tomato.

Feng Xue deservedly dreamed of being kissed by someone, it turns out it was real, Feng Xue touched her lips while thinking about something

"That means my first kiss was taken by Ye Chen" when thinking about this he was very embarrassed.

Feng Xue looked around to see where Ye Chen was, unfortunately she did not see the figure of Ye Chen "Yuya's sister where is Ye Chen" Feng Xue asked where Ye Chen was.

"Eh he" Su Yuya saw that Ye Chen had long disappeared from this place "he has left".

"Hate" Feng Xue was a little dissatisfied because Ye Chen left, this was the same as the first time Ye Chen had saved himself, that person always wanted to go when together with her.

As the most popular female star Feng Xue was angry at being treated like this, moreover it was still done by a man, whether his charm was less compared to Ye Chen's girlfriend.

"Yuya sister let's go from here" Feng Xue did not want to continue to be here, she immediately invited Feng Xue to get out of this crowd of people.

### **Chapter 107 - Go To The Assassin Headquarters**

"Husband, how does it feel to kiss the famous Star Feng Xue".

"What kisses, it's artificial respiration," Ye Chen said.

"You're still trying to dodge it" Liu Yue then came close to Ye Chen's ear "Then husband, how does it feel when compared to kissing me" Liu Yue then blew Ye Chen's ear.

This girl deliberately did it, Ye Chen was a little itchy in his heart "for what you ask, you yourself would already know the answer".

"I just want to listen to myself from the husband's mouth" Liu Yue wanted to hear myself from Ye Chen.

One hand Ye Chen immediately wrapped around the back of Liu Yue's neck, he then brought Liu Yue close and Kissed her.

Liu Yue was very surprised at the kiss suddenly by Ye Chen.

Ye Chen started to insert his tongue into Liu Yue's mouth, Liu Yue did not refuse the invasion of Ye Chen's tongue. she started to greet Ye Chen's tongue.

Ye Chen began to greedily kiss Liu Yue. This sensation of kissing is incredible for Liu Yue.

Liu Yue's mind began to fly into the sky

"Bepp" the sound of a truck horn came from the front.

Liu Yue immediately broke away from Ye Chen, she just remembered that they were currently on the highway, and the car was still speeding on the asphalt

Ye Chen deftly swerved and dodged the truck in front of them.

Liu Yue was very scared, her heart almost stopped beating because of fear.

"Ngungg" The sound of a passing truck beside their car.

"That was almost there" Liu Yue stroked her chest

"How, you have got the answer you want right?" Ye Chen smiled at Liu Yue.

"Yes" Liu Yue bowed her head, her face was very red.

Ye Chen drove the car to Liu Yue's house, Liu Yue then got out of the car

"Are you sure you don't want to stay at my house?" Ye Chen asked Liu Yue.

"Today I can not, I promised my grandmother to accompany her to dinner, sorry husband" Liu Yue apologized for not being able to go with Ye Chen.

Ye Chen: "Alright, if that's what you want, Yue I will use this car first".

"Well, it's up to you, anyway I also never use this car" Liu Yue does not matter Ye Chen brought this car, this is better than this car damaged in the garage.

"Oh yeah, I almost forgot to give something to you, husband, you wait here for a while I'll get it." Liu Yue entered the house.

Ye Chen waited patiently for Liu Yue.

A few minutes later Liu Yue came back again this time she carried 3 golden tickets in her hand.

"Husband, here are the VVIP concert tickets that you asked for a few days ago", Liu Yue gave the three concert tickets Ye Chen asked for her.

Ye Chen received a ticket from Liu Yue "thank you for getting this ticket, Yanyan will definitely be very happy with this".

"Then I'll go first" Ye Chen said goodbye to Liu Yue.

"Be careful on the road" Liu Yue told Ye Chen to be careful while driving, so as not to destroy the car again.

Ye Chen immediately stepped on the gas and left Liu Yue's residence.

Liu Yue waved at Ye Chen who was farther and farther away, after the car Ye Chen had disappeared disappeared, she then entered the house.

Ye Chen driving towards the west, on the road he was looking for someone.

"There he is" Ye Chen finally found what he was looking for, he immediately got out of the car and went to the mask seller.

He intends to buy a ghost mask "uncle, what is the price of this ghost mask? "

"It's cheap for only 10 dollars," the uncle of the seller said the price of the ghost mask.

Ye Chen immediately paid for this ghost mask, after which he returned to the car again.

Ye Chen drove his car towards the western edge of the city, he intended to go to the Assassins association, to complete the account.

Ye Chen finally arrived at the ancient house said by the assassin earlier, this house looked very shabby some parts of the house were covered by weeds

He used spirit sensei to detect around this place, it was true what was said by an assassin who tried to kill himself, down here was a small town that was several hundred meters wide.

There are some people down there, the entrance down is in this house.

First of all Ye Chen took a black cloak from the storage room and wore it, he then wore the ghost mask he had just bought, Ye Chen's current appearance was like a ghost.

Ye Chen glanced at the fence to enter the courtyard, he stepped step by step towards the entrance.

Ye Chen opened the entrance to this ancient house, the door was not locked at all, inside there was an old man who was sitting in a chair while playing a knife.

Seeing someone come looking like a ghost, this old man was not at all alert "do you want to take a murder mission, or want to kill someone" the old man immediately asked the business of killing.

"I didn't come here for my second business, coming here to meet your boss, there's something I want to talk to him about" Ye Chen disguised the voice of being an old man.

"Indeed who do you want to talk to our boss, you should just leave here" this old man told Ye Chen to leave here.

It looks like this old man can't be compromised "if you don't call your boss right away I will tear apart this place and look for it myself" Ye Chen threatened to destroy this place.

"You bastard want to die" the old man was angry at Ye Chen's words, he quickly stood up and swung his knife towards Ye Chen's neck.

"Bamm" Ye Chen pressed the old man's neck against the wall using his arms.

"My patience has a limit if you don't immediately tell your boss where I'm really going to destroy this place." Ye Chen no longer used subtle ways to deal with assassins, it seemed that the hard way was more effective.

The old man really did not move at all right, he began to run out of breath because Ye Chen's arm pressed against his neck very strongly.

Seeing the old man almost faint Ye Chen let him go.

"Cough. . . . cough. . . . cough. . ." This old man coughed loudly.

With years of experience parents know that the person in front of him is a great master.

"Sir, wait a minute I will immediately call our boss" The old man did not dare to delay too long, he immediately went down to call a big boss.

### **Chapter 108 - Assassins Jin Bei And Cao Kim**

The old man immediately ran towards the entrance to the ground, in this city of Assassin the lighting was minimal there were only a few fires illuminating the road, this was indeed a suitable place to be the headquarters of the Assassins.

The old man went to the biggest building in this place, the guards here already knew about this old man, so they didn't make it difficult for the old man to come inside.

"Boss, there is someone above who wants to meet you," the old man said to the man who was sitting and drinking.

In here there are two people one of whom is the boss of the Assassin association Jin Be, and the second is a blue haired young man named Cao Kim, both of whom are currently discussing something important.

"Don't you see we are busy here, tell that person I don't want to meet him" Jin Be is very angry because important business is interrupted at important times.

"But the problem is this guy's boss is very strong, he threatened that if he can't meet you he will destroy this place" the old man said Ye Chen's threat.

"What !!!, who is so brave he said like that, I will kill him" Jin Be very angry after hearing this threat, this is the first time anyone dares to threaten an assassin association in a blatant manner.

"Hahaha, it looks like that person is interesting, do you need my help to kill him?" Cao Kim offers help to Jin Be.

Cao Kim is ranked 3rd on the assassin list, he has the nickname reincarnation Gream reaper.

"No need, send some of our assassins to kill that person" Jin Be told the old man to send the best killer to kill Ye Chen.

"But Boss" the old man was a little hesitant to carry out Jin Be's orders.

"What are you waiting for quickly leave now" Jin Be angrily shouted at the old man.

"Bang" the entrance to this room was kicked until it was destroyed

The person who did this was Ye Chen who looked like a ghost.

"I heard someone wants to kill me" Ye Chen walked into the room very relaxed

"Who are you to dare to come here without permission" Jin Be asked Ye Chen who wore ghost clothes, this was the first time anyone had dared to come in here without permission.

"You don't need to know who I am, I came here because someone dared to try to kill my student, I want to know who is the mastermind who wants to kill my student" Ye Chen used a fake identity so that it wouldn't be discovered if it was him.

Therefore he pretended to be the master of himself.

"I don't care who you are but here we have a rule that is not to divulge our client's information" Jin Be did not want to say the name of the person who wanted to kill Ye Chen.

"My patience has limits, hurry up or say I'm going to destroy this place." Ye Chen cracked his fingers itching to destroy this place.

Jin Be raised his forehead dissatisfied, he took a sword from under the table and disappeared from his seat.

As a former experienced assassin, Jin Be can do very good camouflage in the darkness of this room.

Jin Be's embassy was at least the same as a cultivator at the peak stage of the Earth Realm.

"Dead" Jin Be was behind Ye Chen, he prepared to cut off Ye Chen's head.

Jin Be's "slash" cuts through the air, isn't it Ye Chen.

"It's still thousands of years too fast for you to kill me" Ye Chen was behind Jin Be.

"What!!" Jin Be immediately retreated as fast as he could. Jin Be felt threatening pressure from this person.

"I can't play this guy pretty great", the Shadow Clone Technique, Jin Be created a shadow illusion to confuse Ye Chen.

For Ye Chen this illusion was like a child's play, this was nothing even compared to his Nine Shadow technique.

Ye Chen used the nine-step shadow he headed in front of Jin Be and grabbed his neck, he then lifted Jin Be up.

Jin Be didn't see this person's movements at all, a few milliseconds ago Ye Chen was still far ahead of him but now this person had been strangling his neck

"Who exactly are you?" Jin Be is getting restless in his heart.

"Son, I told you you don't need to know who I am, I came here just to find out the person who wanted to kill my student, you understand" Ye Chen acted so mysteriously.

Jin Be nodded "then what is the name of your student" Jin Be asked what was the name of the student of this great master

"His name is Ye Chen, I just adopted him as my student, I have been looking for a student like this for tens of thousands of years, and today someone really dare to kill my student who makes me angry, if I knew the person I would definitely make him disappear from this world as soon as possible. "

Hearing what the man in the ghost cloak said, Jin Be tapped his water, this person just said he has lived for tens of thousands of years, what kind of monster is this person actually? I "

Ye Chen lowered Jin Bei to the ground, Jin Bei immediately went to find out who wanted to kill this person's pupil, Jin Be ran like a cat that had just been stepped on by his tail.

In the room only Ye Chen, Cao Kim and Old Man were left.

"You might be able to fool Jin Be but you might not be able to fool me" Cao Kim from before he now began to speak.

"Boy, what do you mean? "Ye Chen isn't very happy with Cao Kim's words.

"I know your words just lie, how could there be anyone living in this world for tens of thousands of years, that's just a myth" Cao Kim doesn't believe in this world there are people who can live tens of thousands of years, even the strongest person who ever met Cao Kim met only hundreds of years old.

"Hum, it seems like if I don't show a bit of my strength you won't believe it" Ye Chen wanted to let this person know his place.

"Well, let me see how strong you are" Cao Kim got up from his seat.

"I am Cao Kim, people call my reincarnation Grim Reaper, I will show you my reliable technique" Cao Kim's body emits an aura of death, this aura gradually covers Cao Kim's body and makes it look like a god of death wearing a black robe, in the air appears a giant scythe, this giant scythe is a 3rd class artifact.

Cao Kim held the giant scythe on his shoulder, then he pointed at Ye Chen using his finger "You will die" Cao Kim's voice turned into a frightening demon.

The Old Man who saw this immediately came out of the room, he did not want to be seen in this matter, from the rumors if Cao Kim used the form of the Grim Reaper then the person who saw him would surely die, he did not want to die in this place.

In this room the aura of death is getting stronger, Cao Kim's technique is truly quite unique, after using this technique the power of Cao Kim is at least in the 4th stage of the Sky Realm

Ye Chen wanted to see how strong the grim reaper technique was

### **Chapter 109 - Ye Chen Vs. Cao Kim**

"I will show the power of this Being to you," Cao Kim turned his large saber in the air.

"Slash" One slice of large scythe instantly cuts this room in half horizontally.

Ye Chen was not at all surprised to see this, if Cao Kim did not have this Strength he was not worthy of having a level 4 Sky Realm power.

"Kyaak, kyaak, kyaak, kyaak, kyaak, how?, Do you understand the power of my form?" Cao Kim's way of laughing really resembled the skull that is usually seen in film films.

"It's still too weak to defeat me" Ye Chen mocked Cao Kim's strength.

"Let's try what your strength really is as great as your arrogance" Cao Kim floated up he began to fly around Ye Chen.

Cao Kim's slash drew the scythe to Ye Chen's body.

Ye Chen very easily avoided Cao Kim's attack.

Cao Kim did not give up he began swinging the scythe blindly at Ye Chen.

Ye Chen still dodged hundreds of Cao Kim's attacks very easily, even Cao Kim couldn't touch Ye Chen's robe at all.

"You coward, you only dare to avoid, quickly fight me" Seeing he could not attack Ye Chen, Cao Kim said like that so Ye Chen would want to fight him.

"Yawn, is this your only strength, if only this I would not show my strength to you" in Ye Chen's ghost mask yawning out of boredom, he thought Cao Kim would be better than, unfortunately it was still too weak.

"You bastard, don't be arrogant, I will show you the full power of my form." The aura of death in Cao Kim's body overflowed like water that is unstoppable.

Cao Kim used the full power he had, under the feet of Cao Kim the ground began to appear cracked.

Cao Kim turned into a black mist, disappearing from Ye Chen's view.

Ye Chen looked around for Cao Kim's whereabouts, which seemed to evaporate into the air.

Cao Kim reappeared behind Ye Chen's "slash" Cao Kim's scythe went straight past Ye Chen's body.

Seeing that his attack was successful Cao Kim laughed in his heart, it seemed like he thought this person was too strong.

"What" Cao Kim's pleasure was only for a moment, Ye Chen's body in front of him began to blur and disappear.

Cao Kim was very upset to see this, but he had been very confident that he had cut down Ye Chen.

"Applause, applause, applause, applause" Ye Chen appeared in front of Cao Kim while clapping.

Ye Chen had used the nine-step step to avoid Cao Kim's attack, what Cao Kim had attacked was only Ye Chen's shadow.

"Not bad, it was almost your attack on me" Ye Chen slightly praised Cao Kim's skill just now, Cao Kim's technique seemed to be a short-range teleportation technique, because in a few moments Ye Chen felt Cao Kim's whereabouts had disappeared from this world.

Cao Kim gripped his scythe tightly, This form would soon end, if he did not quickly defeat Ye Chen then he would not have another chance

Cao Kim again turns into fog and disappears from this world.

Ye Chen increased his alertness, this Cao Kim technique was a bit troublesome to track his whereabouts.

Cao Kim appeared and cut down Ye Chen, Ye Chen immediately avoided Cao Kim's attack.

Seeing Cao Kim's failed attack disappear again, Ye Chen felt this game was like a hide and seek.

It was unknown how many times Cao Kim disappeared, but none of his attacks hit Ye Chen.

"What bastard do you only dare to run like a cat, fight me and show your strength to me" Cao Kim is really very angry because all his belongings are not about this person.

"Alright, this time I won't avoid anymore and will fight you, show me the full power that you have" Ye Chen answered Cao Kim's challenge.

"A man will not withdraw his words. Get ready, soul revocation." Cao Kim's scythe began to suck the aura around Cao Kim.

Ye Chen was still standing where he was right now, seeing what Cao Kim wanted to do next

"Kyaaak, kyaaak, kyaaak, kyaaak, kyaaaaak, this time I will take your soul" Cao Kim destroyed his sickle very strongly.

"Slash, Boomm !! "A very strong explosion occurred in this place a lot of dust that scattered in this room.

The room that was previously good has now turned into rubble, inside there are two people standing face to face.

Ye Chen used his left hand to hold Cao Kim's scythe, "crakkk" Ye Chen smashed Cao Kim's scythe to pieces.

"I'll show you a bit of my strength to you," Ye Chen pressed Cao Kim's shoulder, which was turning into a Grim Ripper.

He pressed Cao Kim's shoulder down "bamm" Cao Kim was directly pushed to the ground, the destructive power was so terrible that even a hole a few meters was formed because of the strength of Ye Chen's hand.

Cao Kim's Grim reaper mode soon disappears, Cao Kim turns into a human again, blood starts to leak out of his mouth, and some parts of Cao Kim's body.

Even though Ye Chen only pressed Cao Kim's shoulder with the arm of his destructive power, it was incredible, Cao Kim couldn't even move his body at all.

Jin Be who had been gone for a long time finally returned to the room, in the last seconds Jin Be saw the battle Ye Chen and Cao Kim.

he saw how this person defeated Cao Kim using only one left hand.

On the ground Cao Kim lay unconscious, Jin Be did not know how Cao Kim was at the moment.

"How did you manage to find the person who tried to kill my student" Ye Chen immediately asked Jin Be.

Jin Be knelt on the floor cupped his hands "great master, I have been investigating who it is, unfortunately we did not find the name of the client"

"Bamm" The entire underground city was shaken when Ye Chen used its aura, this place seemed to want to collapse by the pressure Ye Chen had "I told you if you didn't find it then you were the one I would destroy, do you understand? "

Jin Be broke out in a cold sweat, his body began to tremble with fear, as long as being an assassin Jin Be had never felt this much pressure, he felt this person could wipe himself out in an instant.

"Great master, wait a minute, even though I don't know who it is, I have managed to tap the location of that Client, this is the address of the person who is trying to kill your student." Jin Be took a paper and handed it to Ye Chen.

In this paper written an address with great detail "good, I warn you this is the last time I hear the killer kill my soul, if there are more killers who dare to hurt my students and their families then you are the first person I will go to" Ye Chen then disappeared from this place .

Seeing the person with the ghost mask disappear Jin Be heaved a sigh of relief, Jin Be saw the current state of Cao Kim who was being pitched in a big hole.

When Jin Be saw Cao Kim's condition he was very surprised because some of Cao Kim's bones were destroyed, plus the veins and meridians that Cao Kim had were badly damaged, even though Cao Kim could survive, it was likely that he would become a disability for life.

"Fortunately, I'm not rash, if not maybe I will face the same as Cao Kim" Jin Be glad he did not fight Ye Chen, if not maybe the person lying on the ground now will be him.

"Ye Chen, what kind of lucky person has such a strong Master" Jin Be began to wonder who was the man named Ye Chen who was protected by the old monster just now.

Jin Be still has work to repair this place which is quite badly damaged, this damage will be replaced using Cao Kim's money, because he has become a defect Jin Be no longer needs to fear Cao Kim.

## **Chapter 110 - Revenge On Yun Hao**

Ye Chen went to the location given by Jin Be, the location of the person who wanted to kill himself was in a 5 star hotel, to be exact on the top floor.

He approached the window and saw who was in the hotel room.

In the room there was a young man who was sitting in a chair enjoying a pan, and on the mattress there was a beautiful woman who was currently unconscious.

This young man was Yun Hao, this person was still trying to find trouble for himself, this time he would not let go of Yun Hao.

"Today I am very happy, finally I got rid of that guy named Ye Chen" He had hired a reliable assassin, Ye Chen must be dead now.

Yun Hao took a sip of wine with great satisfaction "now is the time to have fun, I'm curious if this beautiful girl is still a virgin" He approached the beautiful woman who was fainting, Yun Hao was very lucky to find this beautiful woman while crossing the streets of this city.

Seeing this beauty on the road Yun Hao immediately told Li Hun to kidnap this woman, tonight Yun Hao would enjoy a beautiful night with this beautiful woman.

Yun Hao prepared to take off his clothes "Baaaamm" The room glass suddenly broke, outside there was someone with a robe floating outside the window, please note that this is the top floor, there is no way anyone could float on the top floor of this hotel.

"Ghost. . . "Yun Hao was very scared to see this person floating like a ghost, his face really resembled a ghost.

that was because Ye Chen did indeed wear a Ghost mask

"Yun Hao, I'm a black ghost who wants to take your life" Ye Chen said in a slightly hoarse voice to make sure he was really a ghost.

"Black ghost please do not take my life, I am a good man" Yun Hao tried to ask for mercy from Ye Chen who was becoming a black ghost.

"Hahaha, do you think you can fool the great Black Ghost, I have seen all your behavior, this time there is no forgiveness for you" Ye Chen floated towards Yun Hao.

Seeing the black ghost approaching Yun Hao immediately ran towards the exit, unfortunately the exit could not be opened.

Ye Chen had created a barrier in this room, without his permission someone could not get out or enter this room.

Yun hao tried to break the door with all the power he had, the door did not move "Uncle Hun help me, someone wants to kill me" because he could not break the door Yun Hao tried to call in for help from outside the room.

"Hehehe, everything you do is useless," Ye Chen raised Yun Hao with mental strength

"Black ghost please give me a chance, I promise I will be a better person from now on" Yun Hao cried as he begged for mercy on Ye Chen.

"Sorry, there is no more chance for you," Ye Chen threw Yun Hao out of the window with a piece of glass so that someone would not suspect that this was a murder.

Ye Chen would not be kind anymore, if he let Yun Hao maybe this person could harm Zhao Yanyan and Liu Yue, even though Ye Chen was great he could not always be 24 hours with all his wives, the only wife who did not worry him was only Fu Lanling, considering that Fu Lanling was stronger than himself, she could certainly look after herself.

Yun Hao's fearful screams could be heard for a moment before disappearing, this was the highest floor in this geung, Yun Hao must have died after falling from this height.

Ye Chen saw that the beautiful woman who had fainted at this moment had regained consciousness, the beautiful woman was looking at Ye Chen with fear.

Ye Chen flew closer towards this beautiful woman, this woman had a beautiful and smooth face like Jade, her height was around 170 cm with a chest size C, what was most interesting about this woman was on both legs and hips that looked very perfect and sexy, Ye Chen know why Yun Hao was so obsessed with this woman, moreover this woman was still a virgin.

"Black ghost please don't disturb me, I don't know anything" Beautiful woman tried to retreat backward trying to get away from Ye Chen, unfortunately behind was a wall that made a beautiful woman unable to retreat any further.

"Calm down, I won't do anything for you, I came here just to deal with Yun Hao, you must be a victim of that bad man right" Ye Chen's voice was no longer hoarse as before.

"Yes," the beautiful woman nodded, she felt a little relieved to hear that the Black Ghost wouldn't do anything to her, this woman's name was Li Qingzu, she was one of four school flowers, Li Qingzu today was working part-time to get extra money to help her family , but someone suddenly covered her nose with a handkerchief made her consciousness disappear.

When Li Qingzu woke up he was already in this place, she even saw the sight of a ghost before her eyes

"Come here" Ye Chen told Li Qingzu to get close to his collar.

Li Qingzu, with a little fear, headed towards Ye Chen, "tell me what's your name? Ye Chen first asked the name of this beautiful woman.

"Me. . . , me. . . , my name is Li Qingzu, "because LI Qingzu was afraid to stutter a little while answering Ye Chen's question.

Ye Chen felt that he had heard this name before, he tried to remember this name, right this was the flower of Li Qingzu's school that Zhang Liao had talked about, "Li Qingzu, I'm not a ghost, I came here indeed intending to deal with Yun Hao, the person who just died having a family with an extraordinary background, I'm afraid that if they don't find the killer they will definitely release everything to you, considering you are the only person in this room. "Ye Chen warned Li Qingzu.

Without realizing she had been dragged into this current, Li Qingzu was very confused "sir, then what should I do" Li Qingzu asked for help to the people in front of her.

"I can help you but with a condition" Ye Chen can help LI Qingzu as long as LI Qingzu wants to do Ye Chen's Terms.

"What is it," asked Li Qingzu, Li Qingzu was afraid that the requirements proposed by this person made no sense to her, how if this person wanted her body, various negative thoughts appeared in Li Qingzu's brain.

"Hehehe, it's very easy, you just need to keep your mouth shut for this incident, and forget what you see right now, do you understand?" Ye Chen said the Terms that must be done by Li Qingzu.

Hearing the conditions proposed by this person is very easy Li Qingzu immediately nodded her head "well, I swear never to say this to anyone, If I lie I am willing to be struck by lightning on the spot" Li Qingzu did not hesitate to swear in front of Ye Chen.

"Good, let's go" Ye Chen hugged LI Qingzu's waist and flew out of the hotel room, Li Qingzu could not believe that he could fly above the sky.

Under Ye Chen saw Yun Hao was in a pool of blood, many people crowded around looking at Yun Hao's corpse.

Because Ye Chen used the barrier he could not be seen by these people.
