

A True God 1011

### **Chapter 1011 - Persuade Yue Ya**

Yue Ya looked at Ye Chen with a sneer, it could be seen that Yue Ya was not very satisfied with this matter.

Ye Chen could only scratch his head, obviously Yue Ya wasn't happy with this matter.

After giving Ye Chen a slight scornful look, Yue Ya refocused her attention on Yin Ying'er.

"Your name is Ying'er right?" Yue Ya asked Yin Ying'er name.

"Yes, My name is Yin Ying'er, beautiful sister can call me Ying'er like master and other Sisters" Yin Ying'er innocently told Yue Ya her name.

Yin Ying'er even told Yue Ya to call her Ying'er like Ye Chen and the others.

"Ying'er, I am Yue Ya, can you remember my name?" Yue Ya said to Yin Ying'er.

Yin Ying'er nodded to Yue Ya, she could clearly remember Yue Ya's name.

Yue Ya looked very happy to see Yin Ying'er's cooperation, This little girl is quite honest, this makes Yue Ya very happy.

"Ying'er may I ask you something honestly" Yue Ya said to Yin Ying'er.

Yue Ya wanted more information, she wanted to know information about the woman that Ye Chen had.

"Yue Ya big sister, what do you want to ask?, as long as Ying'er can answer it, then Ying'er will answer" Yin Ying'er said to Yue Ya.

"Can you tell me about Ye Chen's all wife?" Yue Ya directly asked about the wife that Ye Chen had.

"Yes" Yin Ying'er immediately nodded to Yue Ya, she could answer the question that Yue Ya had just asked.

"Good" Yue Ya nodded in satisfaction, Yin Ying'er is really a smart girl who is very honest.

While Yue Ya and Yin Ying'er were engrossed in discussing an important matter, Ye Chen was currently feeling restless, Ye Chen didn't know what reaction Yue Ya would show when Yue Ya found out about this matter.

Yin Ying'er told Yue Ya about Zhao Yanyan and the others, Yin Ying'er was very honest when she told Yue Ya about all of Ye Chen's wives.

Because Zhao Yanyan and Ye Chen's other wife were kind, Yin Ying'er was very happy when they told Yue Ya, Yin Ying'er told Yue Ya that all of Ye Chen's wives were very kind and harmonious.

Yue Ya started to get a little dizzy when she listened to what Yin Ying'er had just said, unexpectedly Ye Chen already had dozens of women.

Yue Ya might be able to accept just one or two, but dozens of women, it was something that Yue Ya couldn't imagine.

"Ye Chen is what Ying'er said true?" Yue Ya immediately asked Ye Chen, she wanted to confirm this problem from Ye Chen.

"Yeah that's right" Ye Chen answered Yue Ya's question while scratching his head.

It can be seen that Ye Chen is a little awkward about this, Ye Chen doesn't know what should happen.

"I see." Yue Ya finally believed what Yin Ying'er said was the truth, she still couldn't believe that Ye Chen had become like this.

Ye Chen could feel the dissatisfaction that Yue Ya had, for some reason Ye Chen felt uncomfortable when he saw Yue Ya in this state.

Ye Chen didn't want his relationship with Yue Ya to end like this, he had to try to get Yue Ya to accept this.

With Yue Ya's strength that could be said to be extremely high, it was quite difficult for Yue Ya to accept this, she still had a hard time accepting Ye Chen having so many women.

It is Ye Chen's job to make Yue Ya accept it, Ye Chen must be able to subdue Yue Ya.

Ye Chen went closer to Yue Ya, he tried to hug and calm Yue Ya's anger.

"Stop, don't come near me" before Ye Chen could hug Yue Ya, Ye Chen was stopped by Yue Ya.

With Yue Ya's strength fully recovered, it wasn't difficult for Yue Ya to stop Ye Chen, with just a little bit of strength that Yue Ya had, Yue Ya could stop Ye Chen from getting close to her.

"Yue Ya dear, please listen to me first" Ye Chen asked Yue Ya to listen to himself first.

"No I don't want to hear anything from you" Yue Ya told Ye Chen that she didn't want to hear anything from Ye Chen.

"Yue Ya please, listen to me" Ye Chen didn't give up, he desperately tried to persuade Yue Ya.

"no . . . , no . . . , no . . . ." Yue Ya shook her head, she told Ye Chen that she didn't want to hear Ye Chen's explanation.

"Please. . ." Ye Chen said to Yue Ya, Ye Chen is a very persistent person, he will not give up until he gets what he wants.

Yin Ying'er saw what was going on, she didn't know what Ye Chen and Yue Ya were doing, why the two of them were suddenly fighting like this.

Yin Ying'er started to remember what she had just said to Yue Ya, it was likely that the words that Yin Ying'er had just said caused the two of them to fight like this.

Yin Ying'er decided to come closer and try to break up the two who were currently fighting.

"Master, Yue Ya big sister , don't fight anymore, aren't you a great match?" Yin Ying'er tried to mediate between the two who were fighting.

With an innocent and clueless face loli Yin Ying'er tried to calm down Ye Chen and Yue Ya.

Ye Chen and Yue Ya immediately turned their attention to Yin Ying'er, they couldn't believe that this little loli would say such words.

"Yue Ya, look, even Ying'er admits that we are a perfect match" Ye Chen said to Yue Ya.

Ye Chen was quite happy with what Yin Ying'er had just done, Yin Ying'er was really helping him a lot in this kind of situation.

"Who would want to partner with someone like you" Yue Ya said to Ye Chen.

"Didn't you admit before that you liked me?" Ye Chen said to Yue Ya.

Ye Chen reminded Yue Ya of the words that Yue Ya had previously said.

Yue Ya was a little embarrassed when she heard this, it was true that Yue Ya had previously said that to Ye Chen.

Yue Ya currently couldn't answer Ye Chen's words, it could be seen that Yue Ya was having a hard time answering Ye Chen's words.

Ye Chen took this opportunity very well, he immediately hugged Yue Ya's body in front of him.

"Let me go" Yue Ya tried to rebel, she pushed Ye Chen away.

Ye Chen tried to defend against Yue Ya's attack, he immediately kissed the rebellious Yue Ya.

Yue Ya's eyes widened when Ye Chen kissed her, again Ye Chen kissed her like this.

Yue Ya intended to push Ye Chen away, unfortunately Yue Ya was unable to do so.

Yue Ya started to feel the kissing feeling that was really very extraordinary, even though this was the umpteenth time, it was still a very pleasant feeling for her.

Yue Ya was completely immersed in this pleasure, he probably wouldn't be able to come back anymore.

Ye Chen saw that Yue Ya had stopped rebelling, it seemed that what Ye Chen had done managed to calm Yue Ya down.

### **Chapter 1012 - The Fury Of The Fire Dragon**

Ye Chen continued to kiss Yue Ya lovingly, he poured all his feelings into this kiss.

Ye Chen wanted Yue Ya to know the feelings he had, which was why Ye Chen did this.

The two of them kissed for quite a long time, Ye Chen really liked Yue Ya Cherry lips.

Yue Ya's Cherry lips were so delicious, Ye Chen was not satisfied with just kissing Yue Ya briefly.

Ye Chen and Yue Ya kissed passionately, both of them had even forgotten that Yin Ying'er was currently watching what the two of them were doing.

Both of them had been immersed in their own world, both of them had even forgotten everything around them.

Yin Ying'er observed what Ye Chen was doing, she wondered what Ye Chen and Yue Ya were doing.

After a while the two finally parted ways, both Ye Chen and Yue Ya looked at each other.

"Yue Ya dear, do you want to accept me back?" Ye Chen asked with all the feelings he had.

"Um" Yue Ya nodded lightly, herself telling that she was willing to accept Ye Chen.

Ye Chen was happy to hear this, he was finally able to persuade Yue Ya to accept himself.

Ye Chen was really very relieved, if Yue Ya still refused him, then Ye Chen didn't know what else to do.

"Master, sister Yue Ya what are you guys doing?" Yin Ying'er asked Ye Chen and Yue Ya.

The words spoken by Yin Ying'er instantly woke Ye Chen and Yue Ya up.

Yue Ya immediately pushed Ye Chen away, she felt embarrassed when she heard the words that Yin Ying'er had just asked.

Ye Chen was pushed away by Yue Ya, Ye Chen had no choice but to surrender when pushed by Yue Ya.

"This Ying'er is a game played by adults." Ye Chen told Yin Ying'er that what the two of them just did was a game played by adults.

Ye Chen tried to deceive Yin Ying'er, he couldn't explain things like this to an innocent loli like Yin Ying'er.

"Master, can I do it with you too?" Yin Ying'er asked if she could play the game that Ye Chen and Yue Ya had just played.

Yue Ya immediately raised her eyebrows when she heard this, Yue Ya was currently staring intently at Ye Chen.

Ye Chen could currently feel a sharp gaze from behind his back, it was clear that Yue Ya thought of himself as a dangerous lolicon.

"that. . ., Ying'er is still young, so you can't do such a thing." Ye Chen told Yin Ying'er that she couldn't do such a thing.

"Eh why, Ying'er is old enough, I've lived for a long time" Yin Ying'er complained to Ye Chen, Yin Ying'er told Ye Chen that she wasn't a child anymore.

Ye Chen probably knew that Yin Ying'er was not a child, the problem was that Yue Ya's gaze was very annoying to Ye Chen, so Ye Chen couldn't help but lie to Yin Ying'er.

"Ying'er, you have to obey what I say, don't you want to eat?" Ye Chen said to Yin Ying'er.

"Of course I want, Master quickly give it" Yin Ying'er immediately nodded to Ye Chen, when it comes to eating Yin Ying'er is really very easy to trick.

Ye Chen was happy to hear this, he stretched his hand forward towards Yin Ying'er.

Yin Ying'er looked at Ye Chen's hand, without thinking Yin Ying'er immediately bit Ye Chen's finger.

Yin Ying'er didn't care where she was sucking Ye Chen's blood anymore, Yin Ying'er was already too hungry.

Yin Ying'er sucked Ye Chen's blood for a while, after feeling full, Yin Ying'er finally stopped, Yin Ying'er was really very satisfied when she ate Ye Chen.

"Thanks for the food, I'm going back to sleep." Yin Ying'er thanked Ye Chen for the food that Ye Chen had given her.

Without waiting for Ye Chen's reply, Yin Ying'er disappeared into a glimmer of light and reentered the fairy gate to sleep in her room.

Yin Ying'er really likes to sleep, if there is a sleep competition, maybe Yin Ying'er will win the competition.

Finally Yin Ying'er had left now only Ye Chen and Yue Ya were left in this place.

"Ye Chen, is Ying'er a spirit?" Yue Ya asked Ye Chen, Ye Chen wanted to know whether Yin Ying'er was a Spirit or not.

"Ying'er is the Spirit Sword that I have, she has a contract with me" Ye Chen told Yue Ya about Yin Ying'er.

"So it's a Spirit Sword? Ye Chen, you're really great to have a Spirit Sword like Ying'er, I'm quite envious" Yue Ya was envious of Ye Chen.

Spirits with human bodies were the most difficult to find, in the history of the God Realm, there were very few people who possessed Spirits with human bodies.

"Hehehe, I was lucky to find her" Ye Chen chuckled to Yue Ya, he told Yue Ya that he was lucky to get Yin Ying'er.

"Boom. . ., Boom . . ., Boom . . ., Boom . . .," a huge explosion occurred around this place, it can be seen that this explosion was so big that it could shake the forest.

"This power?, Flame Dragon" Ye Chen and Yue Ya both guessed who could make such a powerful explosion, only the Flame Dragon could make such a huge explosion.

"Ye Chen let's go and have a look." Yue Ya took Ye Chen away and saw if this was what the Flame Dragon.

If this was indeed the doing of the Flame Dragon then Yue Ya would have stopped him.

It was time for Yue Ya to repay what the Flame Dragon had done to him and Ye Chen.

Right now Yue Ya's strength had fully recovered, so Yue Ya was no longer afraid when he had to face the Flame Dragon.

Yue Ya now had very high confidence, he was no longer afraid to fight anyone.

"Okay" Ye Chen nodded, he would go along with Yue Ya.

Since Yue Ya had fully recovered, Ye Chen was very confident about going along with Yue Ya.

Now the Flame Dragons weren't a threat to Yue Ya, so why were they hiding in this place.

Ye Chen and Yue Ya went out and left the cave, both of them immediately headed towards where the Flame Dragon was rampaging.

When Ye Chen and Yue Ya arrived at the Flame Dragon's place, they both saw that the Flame Dragon was currently destroying everything around it.

The Flame Dragon did this to find the whereabouts of Ye Chen as well as Yue Ya.

Because Flame Dragon's subordinates couldn't find Ye Chen and Yue Ya's whereabouts, Flame Dragon was furious, finally Flame Dragon went and destroyed this forest to find Ye Chen and Yue Ya .

The Flame Dragon had just recovered from the injury inflicted by Ye Chen, now that the Flame Dragon was at its prime, so the destructive power displayed by the Flame Dragon was already at its peak.

The Flame Dragon didn't hold back at all, the Flame Dragon destroyed all sorts of things that got in its way.

Right now there was nothing that could contain the anger of the Flame Dragon, all the Magical Beasts in this forest were not even able to fight the Flame Dragon, they could only run away and save themselves from being annihilated by the Flame Dragon.

### **Chapter 1013 - One Finger To Drop The Flame Dragon**

"Ye Chen look, the Flame Dragon seems to be going berserk" Yue Ya told Ye Chen that the Flame Dragon is currently rampaging and destroying the entire forest.

"Looks like the Flame Dragon is angry with both of us" Ye Chen told Yue Ya that the Flame Dragon must be angry with the two of them.

"If the Flame Dragon is indeed looking for the whereabouts of the two of us, let's meet the Flame Dragon and make a calculation with him" Yue Ya intended to make a calculation with the Flame Dragon.

"You look very confident, are you sure you can beat him this time?" Ye Chen asked Yue Ya.

Ye Chen might know that Yue Ya is strong, but he doesn't know how strong Yue Ya is right now.

"Defeating the Flame Dragon is a very easy thing for me to do, you can leave it to me" Yue Ya said to Ye Chen.

"Alright, then I'll help you out a bit." Ye Chen said that he would help Yue Ya defeat the Flame Dragon a bit.

"Alright" This time Yue Ya didn't forbid Ye Chen to come along, Yue Ya herself was now able to protect Ye Chen very easily.

Ye Chen and Yue Ya drew closer to the Flame Dragon, both of them hovering behind the Flame Dragon's body.

"Hey, ugly dragon, are you looking for the two of us?" Ye Chen call the Flame Dragon, he told the Flame Dragon that he and Yue Ya were already behind him.

Flame Dragon looked back, when Flame Dragon looked back, he found Ye Chen and Yue Ya already behind him.

Seeing that it was Ye Chen and Yue Ya, the Flame Dragon was really overjoyed, he was happy that Ye Chen and Yue Ya took the initiative to find him.

"Finally you two dare to come out" Flame Dragon said in a voice filled with anger it could be seen that the Flame Dragon was currently furious with Ye Chen and Yue Ya who had taken the Flame Spirit Root as well as the Red Origin Pearl that was in the nest.

"Our ugly dragon is out, what's your need for looking for us?" Ye Chen asked Flame Dragon, Ye Chen wanted to know why Flame Dragon was looking for these two.

Ye Chen himself already knew the reason the Flame Dragon was looking for the two of them, Ye Chen just wanted to make the Flame Dragon angry and lose control.

"You bastard, you are still asking what I want? dare to ask again" said Flame Dragon to Ye Chen.

The Flame Dragon was truly furious, it could be seen that the Flame Dragon was already preparing to kill and destroy Ye Chen and Yue Ya.

"How dare you claim it's yours, what's inside the mountain belongs to nature, you have no right to say that it's yours, if it's yours why didn't you use it a long time ago" Ye Chen said to Flame Dragon.

Ye Chen actually said those words that made the Flame Dragon's anger rise more and more, it could be seen that the Flame Dragon was already really angry with Ye Chen's provocation.

Yue Ya only smiled wryly when she heard what Ye Chen did to the Flame Dragon, it was clear that Ye Chen was currently provoking the Flame Dragon.

"Dammit, I will make you regret for daring to insult this king." The Flame Dragon roared at Ye Chen, it could be seen that the Flame Dragon couldn't stand Ye Chen's chatter anymore.

"Go ahead" Ye Chen told the Flame Dragon to advance towards him.

"Damn it, I'll kill you" The Flame Dragon shot straight towards Ye Chen and aimed for Ye Chen.

Seeing the Flame Dragon approaching here, Ye Chen immediately hid behind Yue Ya.

"Yue Ya, let's fight the Flame Dragon." Ye Chen told Yue Ya to face the Flame Dragon.

"Why did you tell me, weren't you the one who challenged him?" Yue Ya said to Ye Chen.

"Yue Ya dear, you know that I am not yet comparable to the Flame Dragon, what if I die fighting it" Ye Chen said with a pitiful face.

Ye Chen might be immune to the Flame Dragon's fire attacks, the problem was that if the Flame Dragon attacked Ye Chen using physical force, then Ye Chen would definitely be finished.

"That's better, then you won't bother me anymore" Yue Ya said to Ye Chen.

"-\_- " Ye Chen didn't expect that Yue Ya could also tease Ye Chen, this beautiful Goddess's taste was quite high too.

"Yue Ya, he's getting closer" Ye Chen told Yue Ya that the Flame Dragon was getting closer.

The Flame Dragon started to raise its claws, intending to kill Ye Chen with a single strike.

Just as the Flame Dragon was about to attack Ye Chen, suddenly a tremendous force hit the Flame Dragon's body.

The Flame Dragon was blown away and smashed into the ground very hard.

The ground within a radius of tens of thousands of miles was instantly crushed when it was hit by the Flame Dragon's body.

"Wow, so strong" Ye Chen couldn't believe that Yue Ya's strength would be this strong.

Yue Ya only needed to use one finger to drop the Flame dragon to the ground.

"Looks like I have to be careful not to anger Yue Ya." It seemed that from now on Ye Chen had to be careful not to anger Yue Ya.

If Yue Ya got angry with him, then Ye Chen would definitely get into a very big problem.

Yue Ya's strength was truly enormous, it was obvious that the gap between Ye Chen's and Yue Ya's strength was truly enormous.

If Ye Chen messed with Yue Ya, then it was certain that Yue Ya could crush Ye Chen very easily.

"Bastard" Flame Dragon tried to get up from the ground, it could be seen that the Flame Dragon was already injured from Yue Ya's attack.

"You better give up and return to your place, if you continue to fight, then you will suffer more than this" Yue Ya warned Flame Dragon to return and no longer look for trouble to Yue Ya and Ye Chen.

"I will never return, I will definitely kill both of you" The Flame Dragon was not at all afraid of the threat that Yue Ya gave, it could be seen that the Flame Dragon had no fear even after seeing Yue Ya's strength.

"You stubborn bastard" Yue Ya felt that the Flame Dragon was extremely stubborn, the Flame Dragon really couldn't be ruled by anyone, even if it was Yue Ya who possessed much higher strength than the Flame Dragon.

"Yue Ya, no need to waste words with this ugly dragon, just beat the ugly dragon straight away" Ye Chen asked Yue Ya to defeat the Flame Dragon as soon as possible.

According to Ye Chen wasting words with the Flame Dragon was a complete waste of time, there was no point in wasting time talking to the Flame Dragon.

"You bastard, if I can catch you I will make you my food." The Flame Dragon was really furious with Ye Chen's mouth, Ye Chen's mouth really made the Flame Dragon angry.

"If you can just try to catch me" Ye Chen told Flame Dragon to catch him.

The Flame Dragon gritted its jaws, it could be seen that the Flame Dragon was really provoked by Ye Chen's words.

Ye Chen's words stabbed into the Flame Dragon's heart. It wasn't strange that the Flame Dragon was angry with Ye Chen.

"Roar. . ." The Flame Dragon summoned the strongest Magical Beast in this forest, the Flame Dragon needed the help of his followers to fight Yue Ya.

### **Chapter 1014 - Ye Chen Vs Hundreds Of Thousands Of Magical Beasts**

Moments after the roar released by the Flame Dragon, hundreds of thousands of Magical Beasts gathered to surround Ye Chen and Yue Ya.

Ye Chen and Yue Ya were currently surrounded by countless Magical Beasts living in the depths of this forest.

Surprisingly enough to see hundreds of Thousand Magical Beasts surrounding two people, this was hard to believe.

"Hahaha, you two are now surrounded, there's no other way for you to escape." Flame Dragon laughed when he saw that Ye Chen and Yue Ya had been surrounded, now they could no longer escape from this place.

"Do you think this little trick will work against us?" Ye Chen said to the Flame Dragon.

Ye Chen was still quite confident, for Ye Chen, all the Magical Beasts currently surrounding him were not a serious threat to him.

Ye Chen could easily drive all these Magical Beasts away from this place.

"You bastard, you arrogant bastard, we'll see." Flame Dragon shouted at Ye Chen.

Flame Dragon couldn't believe that Ye Chen could still be arrogant after being surrounded like this, this brat really didn't know his current situation.

"Ye Chen, stop it, don't provoke him anymore" Yue Ya asked Ye Chen not to provoke Flame Dragon.

Yue Ya wanted to settle this quickly and calmly, so Yue Ya didn't want Ye Chen to provoke the Flame Dragon so much that the Flame Dragon was angry.

"Yue Ya ,this is so much fun" Ye Chen told Yue Ya that doing this was really fun.

Yue Ya looked helpless when she heard this, not only was Ye Chen quite naughty to beautiful women, Ye Chen was also naughty to his enemies.

"It's up to you" Yue Ya couldn't advise Ye Chen, it could be seen that it was very difficult to advise Ye Chen.

"Heheheh" Ye Chen chuckled at Yue Ya.

"Yue Ya, you go and fight the Flame Dragon, I will face the Magical Beast that was just summoned by the Flame Dragon" Ye Chen told Yue Ya that he was going to face the Magical Beast that had been summoned by the Flame Dragon.

"Are you sure you can handle them?" Yue Ya asked Ye Chen.

Yue Ya was worried about Ye Chen's safety, the number of Magical Beasts was too much, if Ye Chen were to be beaten by all these Magical Beasts, then Ye Chen would definitely be battered.

"You don't have to worry, it's not difficult to deal with all of them, they are all like harmless rabbits" Ye Chen said to Yue Ya.

"Roar. ." all the Magical Beasts in this place roared, it could be seen that they all didn't like the words Ye Chen had just said.

All the Magical Beasts looked at Ye Chen with their bloodshot eyes, it could be seen that all the Magical Beasts were furious with Ye Chen.

Yue Ya was completely helpless when she saw Ye Chen again provoking the enemies around them.

What Ye Chen did could make all these monsters go berserk.

"Let's go little creature." Ye Chen told all the Magical Beasts to come forward.

All the Magical Beasts rushed towards Ye Chen, they looked like lions that had seen delicious prey.

Hundreds of thousands of Magical Beasts rushed towards Ye Chen, all of them emitting an extremely terrifying killing aura towards Ye Chen.

Ye Chen smiled when he saw this, this was a very suitable battlefield to hone his skills.

"**One Hundred Thousand Fire Swords**" Ye Chen used **One Hundred Thousand Fire Swords**, immediately a thousand flying fire swords appeared around Ye Chen's body.

"advance" Ye Chen controlled the flying sword to kill all his enemies, a thousand flying fire swords directly attacked the Magical Beast that was heading towards Ye Chen.

**One Hundred Thousand Fire Swords** cut and pierced through the body of the Magical Beast that was heading towards Ye Chen, quite a number of Magical Beasts fell when it received this attack.

Because the number of Magical Beasts was too much, the flying fire swords were unable to contain them all, there were countless Magical Beasts that escaped and were moving closer and closer to Ye Chen.

The Magical Beasts began to launch their attacks towards Ye Chen.

Thousands of attacks are currently raining down on Ye Chen's body, all of these attacks are varied, it's hard to see the attacks made by thousands of Magical Beasts at the same time.

"**Nine Shadow Steps**" Ye Chen used **Nine Shadow Steps** to dodge all the attacks that were aimed at him.

Using Nine Shadow Steps, Ye Chen dodged all the attacks, not a single attack was able to hit Ye Chen.

The attacks made by the Magical Beasts were endless, Ye Chen was forced to keep dodging these attacks.

"They have a fairly high intelligence, they alternately launch attacks, this makes their attacks endless" Ye Chen could see what this Magical Beast was doing, it could be seen that the Magical Beasts worked together to attack Ye Chen.

Magical Beasts can really pull off a compact team, their attacks are rhythmic enough that these attacks are endless.

"If it continues like this, then I won't have a chance to attack." Ye Chen felt that he wouldn't have a chance to attack if it continued like this.

Ye Chen wasn't a person who liked to dodge, he preferred to fight and fight his enemies head-on.

"Alright, I'll use that thing." Ye Chen had no choice but to use a technique with a very wide AOE attack.

"Frost Age" Ye Chen shot downwards at an unbelievably fast speed.

"Boom. . ." Ye Chen hit the ground, when Ye Chen hit the ground, the ground surface instantly froze.

"Freeze" in a short time, this forest turns into a forest of ice that is very cold.

half of the number of Magical Beasts had been successfully frozen by Frost Age, all of them would definitely not move for a while.

"Time for revenge" Ye Chen advanced towards the remaining Magical Beast, this time Ye Chen took the initiative to attack the enemy.

In the distance, Yue Ya saw the battle that was being fought by Ye Chen, Yue Ya was slightly shocked when she saw Ye Chen's battle.

"He has three elements in his body?" Yue Ya was quite surprised when she saw Ye Chen had three elements at once.

It's quite rare that someone can use more than two elements, usually people who are able to use more than two elements can be labeled as a genius.

Yue Ya was probably used to seeing someone who could use two different elements, with Yue Ya's life experience, it wasn't strange that Yue Ya had seen quite a few people who could use two elements.

With Ye Chen's current talent, it is certain that Ye Chen can easily join the great powers of the God Realm.

"Stop looking around, your enemy is me" Flame Dragon tried to attack Yue Ya, this stupid dragon still wouldn't give up even after being beaten by Yue Ya.

Yue Ya didn't like seeing people bothering her at a time like this.

Whereas Yue Ya wanted to see Ye Chen's abilities, she wanted to see what Ye Chen's true abilities were like.

Yue Ya wanted to know the ability of the man who could make her heart become like this, so it was not strange that Yue Ya felt irritated when the Flame Dragon interfered with her.

## **Chapter 1015 - Blue Moon God Domain**

Yue Ya waved her hand, when Yue Ya waved her hand, the Flame Dragon was blown away.

With great ease, Yue Ya threw away the Flame Dragon's massive body.

The Flame Dragon was blown quite far away by Yue Ya, the Flame Dragon currently looked like a piece of cotton that could be easily blown away by Yue Ya.

Right now the Flame Dragon was no match for Yue Ya, the Flame Dragon was like an ant in Yue Ya's eyes.

"Damn it, there's no way I'd be defeated by a human." The Flame Dragon couldn't believe that he would be defeated by a human.

As Chu Yuechan had said, dragons were the most arrogant of creatures, they would not accept being defeated by any race other than their own.

The Flame Dragon already had no chance of winning against Yue Ya, there was no way the Flame Dragon would win against Yue Ya who was one of the strongest cultivators in the God Realm.

Being so stubborn and arrogant, the Flame Dragon decided to return to fight Yue Ya, it could be seen that the Flame Dragon was still unwilling to give up.

"Flame Dragon, you better surrender right now, otherwise you and all your followers I will destroy" Yue Ya told Flame Dragon to surrender right now, otherwise the Flame Dragon and all the Magical Beasts in this place would be annihilated.

"I won't lose, I won't lose, a human like you can't kill me." The Flame Dragon said that he didn't want to give up.

The Flame Dragon was very confident that Yue Ya wouldn't be able to kill him.

Seeing that the Flame Dragon was still unwilling to give up, Yue Ya was forced to resort to cruel means to deal with the Flame Dragon.

Even though Yue Ya had been kind enough all this time, unfortunately the Flame Dragon didn't use Yue Ya's kindness at all.

Yue Ya started to close his eyes, he intended to use a domain and clean up all the mess in this place.

**"Blue Moon God Domain"** Yue Ya emitted a very strong blue light.

The blue colored light that was emitting from Yue Ya's body started to soar into the sky.

This blue light began to gather and make a very large ball, the size of this ball was so large that it could cover the sky around this place.

This ball is more and more similar to the shape of the moon, it can be seen that it is very similar to a very large moon.

This blue moon began to emit a light in all directions, in just an instant the Sky Cloud Peak Star Realm was illuminated by a blue light.

Ye Chen who was fighting immediately stopped on the spot.

"This phenomenon" Ye Chen immediately saw the Full Blue Moon phenomenon in the sky.

Ye Chen saw that the phenomenon in the sky was very beautiful, This phenomenon can spoil the eyes of those who see it.

"Is this Yue Ya's doing" Seeing this kind of phenomenon, Ye Chen guessed that this was Yue Ya's doing.

With Yue Ya's strength, it wasn't difficult for Yue Ya to make something like this.

Ye Chen was a little surprised by the technique used by Yue Ya, for some reason Ye Chen felt that there was a resemblance between Yue Ya's technique and Liu Yue's.

This clearly felt a lot like Liu Yue's Blue Moon God Art.

The difference was that Yue Ya was able to perform the Blue Moon God Art more perfectly and was much more beautiful than Liu Yue could do.

The Full Blue Moon God Domain caused an uproar throughout the Sky Cloud Peak Star Realm, almost everyone saw the appearance of a blue moon appearing in the sky of the Sky Cloud Peak Star Realm.

"What is going on?" Everyone who lived within the Nine Immortals Peak Sect started to panic when they saw this strange phenomenon, right now everyone had no idea what had happened to the Sky Cloud Peak Star Realm.

Even the elders and disciples from the Nine Immortals Peak Sect were stunned by what was currently happening.

"Blue Moon?, who is the person who has done this?" The Patriarch of Nine Immortals Peak Sect looked up at the sky, he didn't know who the person who had created such a great Phenomenon was.

The Blue Moon in the sky was so powerful that even the Patriarch of the Sky Cloud Peak Star Realm felt a terrifying pressure from the Blue Moon in the sky.

Currently in a very, very grand and grand palace, there is a middle-aged man with a crown on his head, a middle-aged man looking up at the sky, there is a shock in the eyes of the middle-aged man when he sees this Blue Moon phenomenon.

This middle-aged man was the strongest cultivator in the Sky Cloud Peak Star Realm, one could say that he was a King Realm who controlled the Sky Cloud Peak Star Realm.

The middle-aged man continues to observe the Blue Moon phenomenon, it can be seen that the middle-aged man is very careful about this matter.

Meanwhile at Jade Lotus Peak.

Ning Xia started to open her own eyes, the blue light emanating from the Blue Moon could easily penetrate the barrier created by Ning Xia, in the Sky Cloud Peak Star Realm, there is not a single place that the Blue Moon light can escape.

Ning Xia waved her hand, as soon as the window of this room opened, after the window opened, Ning Xia could see a very beautiful view of the Blue Moon.

"Moon Goddess Yue Ya, what is she doing in this place?" Ning Xia muttered under her breath.

In this place maybe only Ning Xia knew that this was the work of the moon goddess Yue Ya.

It could be seen that Ning Xia knew about Yue Ya.

Ning Xia actually wanted to see what Yue Ya was up to, unfortunately she was still busy refining something for Mu Xueying.

So Ning Xia couldn't go and see what Yue Ya was currently doing.

The Blue Moon phenomenon was so shocking, almost everyone wanted to know what was going on.

.

.

Yue Ya was currently floating under the Blue Moon, Yue Ya's body was illuminated by the moonlight which was extremely bright.

Yue Ya opened her eyes, she saw all the enemies around this place

Yue Ya looked like a moon goddess who was peeking at people from the sky.

The Magical Beasts around this place immediately rushed to save themselves, it could be seen that the power used by Yue Ya at this time was able to frighten all the Magical Beasts around this place.

"You won't be able to escape." Yue Ya started to extend her hand forward.

When Yue Ya stretched her arms forward, all the Magical Beasts immediately fell to the ground, the Magical Beasts fell not without a reason, they all fell dead on the spot.

What Yue Ya did just now was incredibly great, Yue Ya only needed to move one of her hand to kill all the Magical Beasts in this place.

Ye Chen was quite curious about what had just happened, why did the Magical Beast die suddenly like this, exactly what Yue Ya had just done.

### **Chapter 1016 - Flame Dragon Death**

"God Eyes" Ye Chen used God Eyes to look at the corpse of the Magical Beast that Yue Ya had dropped.

Using God Eyes, Ye Chen was currently able to see what had happened to all the Magical Beasts that had died.

Right now the Magical Beast's outer body was still intact and didn't appear to have been scratched by anything, but the Magical Beast's inner body had been destroyed.

It turned out that all the Magical Beasts had been destroyed by Yue Ya from within.

"How did this happen" Ye Chen started to wonder how Yue Ya did something like this.

Yue Ya actually destroyed Magical Beasts from within, Yue Ya's methods were really very difficult for Ye Chen to understand.

Ye Chen tried to find out roughly what Yue Ya had just done, when Ye Chen found out what Yue Ya had just done, Ye Chen found something very interesting.

"Quite interesting." Ye Chen felt that what he found was very interesting.

Ye Chen's discovery was truly amazing, he could see that the light of the Blue Moon could actually penetrate the Magical Beast's body.

From the results that Ye Chen could deduce, Yue Ya could control this blue light to kill Magical Beasts from the inside of their bodies.

What Yue Ya had just done was almost the same as Blue Moon Light, the difference was that it was enhanced so that it could reach all places within a very, very wide radius.

Ye Chen firmly believed that the Blue Moon God Domain could reach tens of stars at once.

Once trapped in the Blue Moon God Domain, it would definitely be very difficult to get out of Yue Ya's palm.

"Yue Ya is really very strong." Ye Chen was quite hard to imagine the strength that Yue Ya had.

Yue Ya's strength was close to that of a god, with this kind of power, destroying a star was not a difficult thing for Yue Ya to do.

With Yue Ya's strength being so strong, Ye Chen might not have to worry anymore when he encountered an enemy much stronger than himself.

The current Ye Chen only needed to conquer Yue Ya's heart and mind, then this beautiful goddess would completely become his little wife.

It was a blessing for Ye Chen to obtain such a beautiful and strong goddess like Yue Ya, this was something that normal people could not imagine.

.

Yue Ya was currently looking at the Flame Dragon in front of her eyes, it could be seen that Yue Ya's eyes were staring intently at the Flame Dragon.

Yue Ya really looked very calm, not a trace of anything could be seen in Yue Ya's eyes.

"Flame Dragon .I'm has given you so many opportunities, unfortunately you didn't listen to me, now you know the consequences for your arrogance" Yue Ya said to Flame Dragon.

Flame Dragon didn't answer Yue Ya's words, currently Flame Dragon glared at Yue Ya.

Yue Ya didn't like the look the Flame Dragon gave her.s

Yue Ya extended her hand towards the front where the Flame Dragon was

"Goodbye" Yue Ya bid farewell to the Flame Dragon.

After bidding farewell, Yue Ya closed her hand, Instantly the Flame Dragon's eyes turned white and lifeless.

Yue Ya only needed a second for the Flame Dragon instantly, the Flame Dragon didn't even have time to scream in pain when it was killed by Yue Ya.

After defeating the Flame Dragon, Yue Ya immediately went over to Ye Chen.

"Ye Chen, are you all right?" Yue Ya immediately asked Ye Chen's condition, she wanted to know whether Ye Chen had any injuries or not.

"I'm fine, the battle just now was quite fun" Ye Chen said to Yue Ya.

Ye Chen was quite happy with the battle just now, in the battle just now, Ye Chen was able to try out his strength after making a breakthrough.

Yue Ya smiled when he heard this, it seemed that Ye Chen was fine.

Yue Ya took out something, herself took out a Ring in her palm.

Yue Ya raised the ring in her hand, instantly the Ring in Yue Ya's hand gave off light.

The ring in Yue Ya's hand began to suck the body of the Magical Beast that was in this place.

In an instant, the bodies of the Flame Dragon and other Magical Beasts were directly inserted by Yue Ya into the small ring in her hand.

"Ye Chen, this is for you, you can sell or use the body of the Magical Beast that we defeated." Yue Ya gave the Space Ring to Ye Chen.

Yue Ya wanted Ye Chen to use the Magical Beast's body which had myriad functions to make artifacts or Pills.

This was one of the reasons Yue Ya didn't destroy the body of the Magical Beast she just defeated, Yue Ya wanted to give this to Ye Chen.

"You defeated it, so you can take it." Ye Chen wanted Yue Ya to take it.

"Ye Chen, take it, this thing is not very useful for me" Yue Ya told Ye Chen that this kind of thing is not very useful for her.

"Alright, if you really insist" Seeing Yue Ya insisting like this, Ye Chen had no choice but to accept the Space Ring that Yue Ya gave him, Ye Chen put the Space Ring into his pocket.

"Let's go" Yue Ya invited Ye Chen to leave this place.

After this there will definitely be many people flocking to this place, Yue Ya didn't want to expose her identity, that's why Yue Ya asked Ye Chen to leave this place.

Ye Chen and Yue Ya immediately left this place, both of them went as far away from this place as possible.

About 10 minutes after Ye Chen and Yue Ya left, Mu Xueying came and saw the scars of the battlefield caused by Ye Chen's battle, Yue Ya, the Flame Dragon and Magical Beasts living in this forest.

Mu Xueying can see that the battlefield is really very chaotic, it can be seen that this battlefield is too chaotic, there must have just been a very, very big battle in this place.

Mu Xueying started to look around this place, herself starting to find out what had just happened in this place.

"This imprint, this is Ye Chen's power." Mu Xueying knew very easily that this was Ye Chen's doing.

Mu Xueying didn't know how Ye Chen could be dragged into a big battle like this, Ye Chen really always got involved in something troublesome like this.

Mu Xueying was currently quite worried about Ye Chen's condition, she really wanted to know Ye Chen's current condition.

"I have to find Ye Chen right now" Mu Xueying decided to look for Ye Chen, she couldn't go on like this, Mu Xueying had to quickly find Ye Chen's whereabouts or else Mu Xueying would never be at peace if she didn't find Ye Chen's whereabouts.

Mu Xueying started looking for Ye Chen's whereabouts around this place, if Ye Chen was still alive, it's likely that Ye Chen would still be around here.

Mu Xueying immediately left, She trying to find traces of Ye Chen's whereabouts.

After Mu Xueying's departure, there were countless people who came to the former battlefield, these people were powerful cultivators in the Sky Cloud Peak Star Realm.

They all came to this place to see the place where the Blue Moon phenomenon appeared.

### **Chapter 1017 - Yue Ya Depature**

Everyone started observing the battlefield, they were all figuring out what had happened to this place.

What Yue Ya did was quite extraordinary, it was enough to shock all the people living in the Sky Cloud Peak Star Realm.

It would not be strange for great cultivators to immediately go and see what was happening.

They wanted to see for themselves what the Blue Moon scene looked like.

More and more cultivators came, this place became a viewing area for cultivators from the Sky Cloud Peak Star Realm.

.

.

When people find out what just happened.

Ye Chen and Yue Ya had already gone to a very far away place, in this place there was no way anyone would be able to find the two.

Ye Chen and Yue Ya were currently standing right at the top of the mountain, both of them looking up at the night sky which looked extremely beautiful.

The sky in the Sky Cloud Peak Star Realm was extremely beautiful, it was even more beautiful than the sky on the Planet where Ye Chen was.

"Yue Ya, what are you going to do next?" Ye Chen wanted to know what Yue Ya would do next.

Now that Yue Ya's strength had recovered, Yue Ya could go back to doing whatever she wanted.

Yue Ya turned around, she looked at Ye Chen who was in front of her.

"I intend to go back, I have many problems to solve" Yue Ya told Ye Chen that she had to return.

There were countless problems that Yue Ya had to solve at the moment.

Due to the primordial Ice Spirit in her body, Yue Ya had a lot of trouble in her moon palace, many people starting to have dissatisfaction with him.

Yue Ya intends to return to defend her position, she must not allow his position to be deposed by people who do not like her.

Now that Yue Ya's strength had recovered and was also slightly stronger than before, Yue Ya didn't need to be afraid of people looking for trouble with her anymore.

"I see." Ye Chen was a little sad when he heard this news, it seemed that Yue Ya was about to leave the Sky Cloud Peak Star Realm.

Everything felt so short to Ye Chen, everything that happened felt like it was just yesterday.

Ye Chen knew that Yue Ya had serious matters to resolve, which was why Yue Ya couldn't stay in this place.

Yue Ya saw Ye Chen's sad face, she felt a little guilty about this matter.

Yue Ya walked towards Ye Chen, standing right in front of Ye Chen.

Yue Ya stretched out her hand towards Ye Chen's neck, Yue Ya grabbed Ye Chen's neck and started to bring it closer to her chest.

Ye Chen's current position was embraced by Yue Ya, Yue Ya hugged Ye Chen like he was hugging a sad child.

Ye Chen felt an extraordinary softness on his face, Yue Ya's double Peak was big enough to make Ye Chen's face sink into it.

Ye Chen really enjoyed this, he felt like he was being pampered by an older sister.

"Ye Chen, don't be sad, we will definitely meet again, I promise you" Yue Ya whispered in Ye Chen's ear, Yue Ya told Ye Chen that they would definitely meet again.

"Yes, I definitely believe what you say" Ye Chen said that he believed what Yue Ya just said.

Ye Chen could feel Yue Ya's affection, that's why Ye Chen trusted Yue Ya's words.

Yue Ya's heart was relieved when she heard Ye Chen believed in the words she just said, now Yue Ya can leave in peace.

After a while Yue Ya stopped holding Ye Chen's head, Yue Ya took something and gave it to Ye Chen.

"This Ye Chen is for you" Yue Ya gave a blue Jade with moon engraving to Ye Chen.

"What is this?" Ye Chen immediately asked about what Yue Ya gave him.

"This is a special Jade that I made, if you are in a life and death situation, then I can figure it out, when it happens I will come and help you" Yue Ya said to Ye Chen what was the function of the Jade she just gave .

"Oh, I see." Ye Chen nodded to Yue Ya, he understood the function of the Jade that Yue Ya had just given him.

"Alright, I have to go now." Yue Ya said that she had to leave right now.

"Be careful when solving your problems" Ye Chen told Yue Ya to be careful.

Yue Ya might be strong, but there were countless people out there who were still stronger than Yue Ya.

"Um" Yue Ya nodded, she would definitely be careful when resolving this matter.

Yue Ya herself didn't know how long it would take to settle this matter, if this matter was settled, then Yue Ya would definitely come back to see Ye Chen.

Yue Ya started to fly away from the top of the mountain, Yue Ya started to fly towards the sky.

Under the dark night, Yue Ya currently looked like a moon goddess who could light up everyone's path.

Yue Ya looked so beautiful and full of charm that it couldn't be said.

Yue Ya started to fly into the sky, she slowly left Ye Chen's place.

Ye Chen raised his hand to reach Yue Ya, actually Ye Chen wanted to go stop Yue Ya from staying by his side.

Unfortunately Ye Chen was unable to do such a thing

when Yue Ya had just reached a few steps, Yue Ya suddenly turned towards Ye Chen.

Yue Ya went and to hug Ye Chen, Yue Ya suddenly brought his face closer to Ye Chen's face, it could be seen that Yue Ya kissed Ye Chen.

Ye Chen happily welcomed Yue Ya's kiss, he started kissing Yue Ya.

No matter how many times Ye Chen and Yue Ya had done this, both of them seemed to really enjoy this sensation.

Even the Moon Goddess Yue Ya was already really into this kind of thing, this was something very good for her.

This was the first time the two had kissed in the open, if someone were to find the two at this time, it would definitely be a huge scandal in the God Realm.

On a night like this, the Moon Goddess Yue Ya was kissing a man, roughly what other people would think when they saw a scene like this.

Ye Chen and Yue Ya did this for a long time, it could be seen that neither of them wanted to let go of each other.

The two of them seemed to be attached to each other, so it wasn't strange that the two of them didn't want to separate.

After a while, Yue Ya finally pushed Ye Chen away, without saying a word Yue Ya disappeared from in front of Ye Chen.

Yue Ya knew that she would not be able to leave if he continued like this, which was why Yue Ya left as fast as she could.

Ye Chen could only see Yue Ya who had disappeared, Yue Ya's speed was really very fast, Yue Ya had now left the Sky Cloud Peak Star Realm.

Ye Chen kept staring at the sky, he hoped that Yue Ya might change her mind and come back to this place again.

Time flies very fast, until now there is no sign of Yue Ya, it can be seen that Yue Ya has really left the Sky Cloud Peak Star Realm.

#### **Chapter 1018 - Mu Xueying Found Ye Chen**

"Master, stop staring at the sky, that woman won't come back." Chu Yuechan spoke to Ye Chen, Chu Yuechan told Ye Chen that Yue Ya had completely left this area.

Ye Chen's hopes had been completely shattered, it seemed that Yue Ya had really gone back to where he was.

Ye Chen would definitely become a strong and worthy man for Yue Ya, he was determined to become stronger and stronger.

For that matter, Ye Chen had to keep practicing to strengthen himself.

"Yue Chan, where have you been?" Ye Chen immediately asked where Chu Yuechan was from, Chu Yuechan had been silent and didn't say anything to Ye Chen.

"Master, isn't it your fault for making my body dirty, it took me a very long time to clean it?" Chu Yuechan complained to Ye Chen.

It could be seen that Chu Yuechan was displeased with the question Ye Chen had asked.

The reason Chu Yuechan disappeared was because she had to rid herself of Ye Chen's immense Essence, Chu Yuechan even had a hard time cleaning this thing from her body.

"Hehehe, you deserve it, who told you to tease me?" Ye Chen looked very happy when he heard this, it seemed that Chu Yuechan had learned a well-deserved lesson when this beautiful fairy teased him.

"\_ \_" Chu Yuechan was speechless when she heard this, it seemed that Ye Chen wanted to take revenge on herself for what had happened earlier.

.

.

For the time being Ye Chen and Chu Yuechan were both silent, neither Ye Chen nor Chu Yuechan wanted to start a conversation.

Ye Chen was still observing the sky, it could be seen that Ye Chen still couldn't accept Yue Ya's departure.

Seeing the awkward situation, Chu Yuechan had no choice but to try to start a conversation.

"Ahem, master, what's your next plan?" Chu Yuechan asked about the future plans that Ye Chen had.

"Perhaps I will practice my Sage God power, I am quite interested in the ability of the Sage God inheritance that can control the opponent's attack" Ye Chen said to Chu Yuechan.

Ye Chen felt interested in developing the ability of the Sage God Inheritance, according to Ye Chen this ability was very strong, if Ye Chen could master it, then Ye Chen could use the enemy's power to attack the enemy.

The Sage God's abilities are truly beyond human comprehension, with this kind of ability, it's not strange that the Sage God could become the strongest true God in the past.

Controlling the opponent's power was something that was impossible to do, it was something that was hard for anyone to believe.

"So you intend to develop the Sage God inheritance that you have, that's quite good, your Sage God inheritance is the most valuable you should be able to cultivate the inheritance you have" Chu Yuechan said.

Chu Yuechan quite agreed with Ye Chen's plan to try to develop the Sage God inheritance that he had, it was something very good.

The Sage God left an extraordinary legacy, all Ye Chen needed to do was cultivate the Sage God legacy he already had.

That way Ye Chen would become a very strong person and no one could beat him.

"Alright, looks like I'll go find some monsters for training." Ye Chen intended to find a type, fire, water, and wind Magical Beast to become a training object.

"Master, it looks like you won't be able to do that" Chu Yuechan said to Ye Chen.

"So what?" Ye Chen asked Chu Yuechan.

Ye Chen didn't understand what Chu Yuechan had just said, why did Chu Yuechan say that to him.

"There is someone currently looking for you." Chu Yuechan told Ye Chen that someone was looking for Ye Chen.

"Someone looking for me?" Ye Chen started to wonder who Chu Yuechan was referring to.

When Ye Chen was thinking about the person Chu Yuechan was referring to, Ye Chen felt that someone was behind him.

Ye Chen was slightly surprised when he saw this, Ye Chen immediately turned around and saw who was behind him.

When Ye Chen turned around, Ye Chen found a beautiful woman in a plain white Phoenix dress standing behind him.

The Beauty Lady looked extremely cold to Ye Chen.

"Senior Sister, long time no see, I miss you quite a bit?" Ye Chen immediately went to Mu Xueying's direction, it could be seen that Ye Chen was happy to see Mu Xueying who looked more and more beautiful.

Ye Chen felt Want hugging the beauty of Mu Xueying who was in front of him.

Ye Chen hadn't had a Dual Cultivation relationship in a long time, so it wasn't strange that at this moment Ye Chen looked like a hungry wolf looking for delicious prey.

When he saw Mu Xueying, Ye Chen easily looked away, if Yue Ya was still in this place, then Yue Ya would definitely beat up Ye Chen for this.

It was true that the woman who had just arrived was Mu Xueying, after a few days, Mu Xueying finally found the whereabouts of Ye Chen.

Mu Xueying waved her hand, a barrier appeared in front of Ye Chen.

Ye Chen who was approaching directly hit the barrier created by Mu Xueying.

Because of the barrier created by Mu Xueying, Ye Chen could no longer get any closer to Mu Xueying

"Where have you been?" Mu Xueying directly asked where Ye Chen had been all this time.

Mu Xueying's tone today was slightly colder than usual, it could be seen that Mu Xueying was annoyed that Ye Chen had been worrying her for a few days.

"Senior Sister, I'm around here to finish the work given by the medicine pavilion." Ye Chen immediately told Mu Xueying what he was doing.

"You're trying to lie to me again, it's obvious that you just got involved in a huge battle that shook the entire Sky Cloud Peak Star Realm" Mu Xueying said to Ye Chen.

Mu Xueying looked at Ye Chen with a sharp gaze, it seemed that Mu Xueying wanted to dig up all the secrets that Ye Chen had.

"Looks like she already knows" Judging from Mu Xueying current reaction, Mu Xueying already knew that Ye Chen was involved in this mess.

"Ye Chen you better explain it to me, if you don't explain it to me, then I won't let you go" Mu Xueying told Ye Chen to explain what had happened.

Seeing the seriousness that Mu Xueying had, Ye Chen had no way but to dodge the matter.

Mu Xueying's gaze made Ye Chen feel awkward, Ye Chen couldn't stand the look in Mu Xueying's eyes that could make him feel awkward.

"Okay, you win." Ye Chen had to give in, he didn't want to argue with a beautiful woman like Mu Xueying.

After all, Ye Chen wanted to try to chase with Mu Xueying, so Ye Chen had to make his image good in front of Mu Xueying.

"I have only left you for 1 month, and you are already entangled with such a foreign woman, if your wife finds out about it what will they do to me" Mu Xueying said to Ye Chen.

Mu Xueying looked displeased when she heard Ye Chen's explanation, Ye Chen really put himself at risk for a woman he just met, this was quite a stupid thing to do.

### **Chapter 1019 - Live Together With Mu Xueying**

"All my wives are good people, they definitely don't mind things like this" Ye Chen said very confidently.

Zhao Yanyan and all of Ye Chen's wives would definitely not make a fuss over this matter, they would definitely encourage Ye Chen to find women in the God Realm instead.

"hemp. . "Mu Xueying gave a cold sniff when she heard Ye Chen's words.

Mu Xueying felt that she wanted to lecture Ye Chen with a thousand words so that Ye Chen would come to his senses.

"Ye Chen if you continue like this, one day you may die under a woman's pomegranate skirt" Mu Xueying warned that Ye Chen could die under a woman's pomegranate skirt.

"If it's on my Senior sister's pomegranate skirt, then I'm willing" Ye Chen said hopefully.

Mu Xueying had a strange look on her face when she heard this, Mu Xueying panicked slightly when she heard what Ye Chen had just said.

Mu Xueying started to remember the madness of that night, for some reason Mu Xueying kept remembering the madness of that night when she was with Ye Chen.

What she did that night was deeply imprinted on Mu Xueying's memory.

"Big pervert" Mu Xueying started shouting that Ye Chen was such a pervert ,

"Hehehe" Ye Chen chuckled when he saw this, it was really fun to tease the indifferent Mu Xueying.

"Senior Sister, I'm going to train, see you later." Ye Chen told Mu Xueying that he was going to train.

If Ye Chen continued to be in this place, then perhaps Ye Chen would be scolded by Mu Xueying.

It was better for Ye Chen to leave this place as soon as possible, or else he felt something bad was going to happen.

"Ye Cheeeeeeen" Mu Xueying called out Ye Chen's name quite loudly.

Immediately Ye Chen shuddered, Ye Chen felt quite a terrifying pressure from behind his back.

"Ye Chen, do you know I've been looking for you for the past few days, you still want to run away after making me look for you for these few days, do I need to break your legs so you don't run away like this anymore?" Mu Xueying really took her anger out on Ye Chen .

This was the first time Mu Xueying had lost control of herself like this, Mu Xueying was taking all her anger out on Ye Chen.

Ye Chen really made Mu Xueying very upset, even though Mu Xueying was quite worried about Ye Chen's situation, to think that this man would continue to seek unnecessary danger.

"Senior Sister, I can explain, so please don't be angry anymore." This was the first time Ye Chen had seen Mu Xueying angry like this, MU Xueying who was usually calm and hard to shake, this time was really angry with Ye Chen.

"There's nothing to explain, you have to come with me back." Mu Xueying didn't want to listen to Ye Chen's explanation, if Mu Xueying let her guard down a little, Ye Chen might escape from this place.

Mu Xueying started to grab Ye Chen's collar, Mu Xueying started to pull Ye Chen flying towards Nine Immortals Peak Sect, no matter what, Mu Xueying had to bring Ye Chen back.

"Senior Sister please let me go". Ye Chen simply didn't have the strength to fight Mu Xueying, Mu Xueying had pulled Ye Chen by force, Mu Xueying didn't seem to care when Ye Chen whined at her.

"This forest is not suitable for you, there is a lot of chaos going on, so you shut up and come with me" Mu Xueying told Ye Chen that there would be chaos in this forest due to what Yue Ya did.

This was the reason Mu Xueying brought Ye Chen back by force, Mu Xueying didn't want Ye Chen to get caught up in this matter, if Ye Chen was found by cultivators other than Mu Xueying, then Ye Chen would definitely be taken and interrogated.

Hearing this, Ye Chen had no choice but to go with Mu Xueying to the Nine Immortals Peak Sect, Ye Chen realized that a future beautiful goddess like Mu Xueying would worry about Ye Chen's condition.

It seems that Ye Chen has a wide chance to get Mu Xueying, in the future Ye Chen can definitely get Mu Xueying.

Mu Xueying dragged Ye Chen back to the Nine Immortals Peak Sect, the two of them left the forest which was currently full of chaos caused by the **Blue Moon God Domain**.

All cultivators were looking for the culprit who had used the **Blue Moon God Domain**, these cultivators went to look for the whereabouts of Yue Ya and Ye Chen who might still be around this place.

Mu Xueying's decision to take Ye Chen away was a very right decision, if Ye Chen remained in this place, then Ye Chen would be targeted by this unknown cultivator.

In addition, the cultivations of these people were quite high, Ye Chen could run into trouble if trapped in this forest.

.

Mu Xueying brought Ye Chen back to Ye Chen's room which was in the outer court.

"Come in quickly." Mu Xueying told Ye Chen to quickly enter the room.

"Okay. . ., okay. . ., Senior Sister, please don't be so rude to a weak man like me." Ye Chen said to Mu Xueying.

"Who are you calling a weak man, if you are a weak man, then what about the other men?" Mu Xueying shouted in her heart.

Ye Chen is a very strong person, according to Mu Xueying Ye Chen has the talent to become the strongest person in this world, Mu Xueying is very confident that one day Ye Chen can do something like that.

"Go inside quickly." Mu Xueying told Ye Chen to go inside immediately.

"Alright" Ye Chen nodded, he would immediately enter his room.

When Ye Chen wanted to open the entrance, he found that the seal inside the entrance had disappeared. Seeing this, Ye Chen knew that someone had barged into his room by force.

"Who dares to barge into my room, I must look for him, and make calculations with them" Ye Chen wanted to find the person who had dared to forcefully break into his room.

Ye Chen did not know that the person who had done this was Mu Xueying, Mu Xueying was the one who had forcibly barged into Ye Chen's room to find out where Ye Chen was.

Mu Xueying slightly raised her eyebrows when she heard that Ye Chen was looking for her who had broken Ye Chen's room seal.

"Let's just go in quickly." Mu Xueying pushed Ye Chen inside, if he was outside too long, it would be very dangerous for Mu Xueying and Ye Chen's relationship.

Ye Chen was very easily pushed into the room by Mu Xueying.

Ye Chen didn't know why Mu Xueying had become quite aggressive lately, this was quite strange for Ye Chen.

After Ye Chen entered, Mu Xueying also went into Ye Chen's room, after entering Mu Xueying locked Ye Chen's room

"Senior Sister, why did you come in here?" Ye Chen asked why Mu Xueying had come into his room.

Usually something extraordinary would happen when a man and woman were in the same room like this.

"For the time being, I will stay with you and watch over you so you don't do anything bad out there." Mu Xueying told Ye Chen that she would stay and watch over Ye Chen for the time being.

**Chapter 1020 - Go Together With Shui Yixian**

"Huh, you're going to live in this place?" Ye Chen was quite surprised when he heard what was said by Xueying Mu, Mu Xueying really want to live in Ye Chen room, this is something quite surprising at all for.

"What's the matter, are you dissatisfied with things like this?" Mu Xueying said to Ye Chen.

Mu Xueying wanted to keep Ye Chen from going anywhere for a while, Mu Xueying couldn't let Ye Chen wander around when the situation was difficult like this.

"Of course I don't mind, but do you know the risks you're going to risk living with a guy like me?" Ye Chen said to Mu Xueying.

Ye Chen didn't threaten Mu Xueying, he just told Mu Xueying that something bad might happen if Mu Xueying stayed at his place.

"If you dare mess with me, I will freeze your thing down there." Mu Xueying looked at Ye Chen's younger brother who was below, there was a strange glint when Mu Xueying looked at Ye Chen's younger brother who was under below.

Actually Mu Xueying was only giving a bluff, she didn't mean to do something like that to Ye Chen.

There was no way Mu Xueying would injure something that could make her feel like she was in heaven, that was something that Mu Xueying couldn't possibly do.

If Mu Xueying did that, then Mu Xueying and Ye Chen's other wives would suffer because of Mu Xueying.

Ye Chen immediately covered his younger brother who was below, Ye Chen felt shudder when he heard what Mu Xueying said.

Even though Ye Chen was immune to Ice and water attacks, Ye Chen was not so stupid as to try to block an attack using his precious item.

Mu Xueying smiled slightly when she saw what Ye Chen was currently doing, it seemed that her bluff had worked.

"Senior Sister, please don't say such things, this is the pride of a man like me" Ye Chen said to Mu Xueying.

"If you know that, then don't have dirty thoughts about me" Mu Xueying said to Ye Chen.

After saying that, Mu Xueying went to sit on the sofa in this room, Mu Xueying sat down and started her cultivation.

Seeing that Mu Xueying had started cultivating, Ye Chen went to bed, because there was nothing Ye Chen could do in this narrow room, Ye Chen decided to cultivate just like Mu Xueying.

This room is too small, apart from cultivating and sleeping there is nothing Ye Chen can do in this place.

Mu Xueying and Ye Chen were both cultivating, both of them began to sink into their cultivation.

.

.

Meanwhile on earth.

Zhao Yanyan and the other Ye Chen women were currently in the outer courtyard of the villa, all the women currently wearing a beautiful ancient attire, they were all simply too dazzling.

If Ye Chen was in this place, perhaps Ye Chen would have immediately run over and hugged these beauties.

It wasn't strange that Zhao Yanyan and the others weren't inside the Fairy Gate, it turned out that they were all currently outside the villa.

"Sister Xiang, why hasn't Saintess Shui come yet?, we have been waiting for a few days" Zhao Yanyan and Liu Yue asked why until now Shui Yixian had not come as promised.

"Maybe she's busy, you know that woman has a lot to do" Nangong Xiang said to all the women in this place.

Nangong Xiang hoped that everyone would be patient when facing Shui Yixian who was late.

Shui Yixian was a person who was quite busy with various things, so it was not surprising that Saintess Shui Yixian would be late in coming to this place.

Zhao Yanyan and Nangong Xiang had already made a deal with Shui Yixian.

The deal that Zhao Yanyan and Nangong Xiang made with Saintess Shui Yixian was for the benefit of all the women who were Ye Chen's wives.

Zhao Yanyan had promised to join Heaven Light Palace, as long as Zhao Yanyan joined Heaven Light Palace. Saintess Shui Yixian promised to find suitable cultivation places for all the women that Ye Chen had, even Saintess Shui Yixian promised to give resources to Ye Chen's women.

The Heaven Light Palace was a place that was highly respected by cultivators in the God Realm, even a power like the strongest star in the God Realm did not dare to seek trouble with the Heaven Light Palace.

Although Heaven Light Palace was not as strong as one of the strongest star realms, Heaven Light Palace had countless connections with countless star realms in the God Realm, even Heaven Light Palace had connections with the five strongest star realms in the God Realm.

So if Zhao Yanyan and the others were to train in the Heaven Light Palace, then their speed would very quickly increase their cultivation levels.

That way Zhao Yanyan and the others could help Ye Chen to solve the problems in the God Realm.

Zhao Yanyan and all the women wanted to be of use to Ye Chen, they all wanted to become even stronger so that they could help by Ye Chen's side.

All the women didn't want Ye Chen to lift heavy weights alone, they also wanted to help lift the weights that Ye Chen had, which was why Zhao Yanyan and the others decided to take this step.

While Zhao Yanyan, Nangong Xiang and the others were talking about Saintess Shui Yixian, suddenly a bright light appeared from above the sky.

Zhao Yanyan and all the women were no longer surprised when they saw this phenomenon, they seemed to have gotten used to seeing this kind of phenomenon.

This phenomenon naturally occurred whenever Shui Yixian came, this Saintess really made a fuss just from coming to this place.

Saintess Shui Yixian came down in front of Zhao Yanyan and the others, smiling gently when she saw that everyone had gathered.

"Have you prepared yourselves?" Shui Yixian asked if all the women had prepared themselves.

"We were all prepared for a long time, we were just waiting for you who was very late" Nangong Xiang said to Saintess Shui Yixian.

Nangong Xiang immediately complained about Saintess Shui Yixian's delay.

"Sorry. . ., sorry, I have some business to take care of, so I can't make it in time." Saintess Shui Yixian apologized for coming to pick up all the women who lived in Ye Chen's villa.

Saintess Shui Yixian did not shirk her guilt, Saintess Shui Yixian apologized quite sincerely to Zhao Yanyan and the others.

Seeing this, Zhao Yanyan and all the women had no choice but to forgive Saintess Shui Yixian, after all the other party had their own business.

"If you're really ready, then come forward right now." Saintess Shui Yixian told Zhao Yanyan and the others to come in front of her.

Zhao Yanyan and all the women in this place obeyed the instructions given by Saintess Shui Yixian, they all advanced closer to Saintess Shui Yixian.

After all the women stood in front of him, Shui Yixian started to slightly raise her hand, when Shui Yixian did this, a light appeared under the feet of Zhao Yanyan and all of Ye Chen's women.

Zhao Yanyan and all the women began to be enveloped by a very bright light, after a bright light enveloped them, all the women couldn't see anything anymore.

Zhao Yanyan and all the women had completely vanished from the front yard of the villa, not the slightest trace was left by any of them.
