

A True God 1041

Chapter 1041 - Ye Chen Vs King Goblin (1)

Ye Chen's words made all the Goblins angry, all the Goblins at this time really wanted to kill Ye Chen.

"Quickly kill this person right now" King Goblin ordered all his troops to immediately shoot arrows at Ye Chen.

With just one word from the Goblin King, all the Goblins shot arrows at Ye Chen.

"Sky wind Law", Ye Chen used the Sky Wind Law, a very strong wind erupted around Ye Chen's body, this strong wind instantly reversed the arrow that was aiming at Ye Chen.

All the arrows were very easily flown away from Ye Chen's body.

Not only were arrows successfully chased away by Ye Chen, all the monsters in this place were blown by Ye Chen and hit the walls in this place.

The power that Ye Chen had just used could be said to be quite strong, this instantly made the Goblins hit by his attack seriously injured, some of them even died when they received the wind blast.

The Goblin King who was sitting leisurely on his throne had to fall due to the strong wind.

"Feel it" Ye Chen was quite satisfied when he saw the Goblins here lost after receiving the wind blast just now.

Now only the King Goblin was left, while the others had been defeated by Ye Chen with just one move.

The King Goblin began to rise from the ground, the King Goblin began to feel dizzy with what had just happened to him.

The King Goblin began to look around himself, When the King Goblin looked around himself, King Goblin found that all his troops had fallen unconscious.

Seeing this, the Goblin King immediately turned his gaze towards Ye Chen who was standing in front of him.

"You bastard, how dare you do this to my troops." The Goblin King looked very angry when he found out that all of his troops had been killed by Ye Chen.

"Do I have to just sit back and wait for death like you want? I'm not that stupid" Ye Chen said to King Goblin.

Ye Chen couldn't possibly be so stupid as to remain silent when he was attacked, Ye Chen wanted to show who he was to his enemy.

"You lowly human, I will kill you and crush your body" King Goblin said that he would kill and crush Ye Chen's body.

"Then go ahead, it just so happens that my hands are itching to hit you" Ye Chen said to King Goblin.

King Goblin didn't think much of it, he immediately rushed towards Ye Chen.

King Goblin clenched his big fist, he intended to hit Ye Chen with this fist.

"Die" King Goblin aimed his punch at Ye Chen.

"Boom" An extremely powerful explosion occurred when the King Goblin hit Ye Chen.

This place began to shake and crumble when it received an attack from the Goblin King.

Dust began to fly, this place was quickly covered by a fairly dense dust.

Anyone's visibility would be minimal when inside this dense dust.

King Goblin did not immediately celebrate his victory, before he saw Ye Chen die, then King Goblin would not celebrate his victory.

Goblin King was much smarter than the ordinary Goblin, although the Goblin King was quite arrogant, he didn't underestimate Ye Chen who he was currently fighting.

After the dust cleared, it could be seen that Ye Chen was currently holding back the Goblin King's blow with his left hand.

"You have decent physical strength too." Ye Chen felt that the Goblin King's physical strength was quite decent.

King Goblin was a little surprised that Ye Chen was able to block his attack with his bare hands, Ye Chen's physical strength was not lower than that of King Goblin.

Seeing this, King Goblin immediately launched his second attack using his other hand.

This time Ye Chen didn't let the Goblin King launch a second attack, Ye Chen had to stop the King Goblin's attack.

Ye Chen raised the Divine Yin Yang Sword in his right hand, Ye Chen immediately grabbed the arm of the King Goblin who was trying to attack him.

"slashed" King Goblin's arm instantly Cut, blood immediately gushed out when Ye Chen cut off the King Goblin's arm.

"Damn it!" The Goblin King shouted when Ye Chen cut off his arm.

Ye Chen did not miss this opportunity, he immediately slammed the King Goblin in front of him.

Thanks to True God Body cultivated by Ye Chen, Ye Chen's Physical Strength was extremely strong.

"Bam" King Goblin who has a giant body is very easily slammed by Ye Chen.

The King Goblin didn't know what had just happened to him, a human being really slammed himself, this was something the King Goblin had never thought of.

"Just like this?, is it only like this the strength of your great body?" said Ye Chen.

King Goblin was really starting to lose his temper, he could no longer playing against Ye Chen, if King Goblin played around, he would be humiliated by humans.

"Human, you dare underestimate this king, I will show you the true power of this king." The Goblin King would show Ye Chen his true strength.

The King Goblin's body began to be enveloped by a very intense lightning, when this lightning enveloped the King Goblin's body, the King Goblin's skin began to turn blue.

The King Goblin's hair also began to turn white and the body was very long, plus the King Goblin's teeth, arms, chest and legs also began to grow and were much more muscular.

On the King Goblin's forehead began to grow a horn, the King Goblin's appearance began to change to be much more sinister than before.

Ye Chen saw the changes made by the King Goblin, Ye Chen could feel a quite formidable power emanating from the King Goblin's body.

The King Goblin had unleashed his true power, right now the King Goblin was going to fight with his full strength.

"Human feel this" King Goblin launched a punch towards Ye Chen, this time it was enveloped by lightning which made this attack even more deadly.

"Boom." An enormous explosion occurred and swept away everything in front of the King Goblin eyes.

A large hole was formed due to the attack that the King Goblin had just launched.

Ye Chen was forced to retreat when he received the King Goblin attack.

"It turns out that the increase in the strength of the King Goblin is very large" I didn't think that the increase in the strength of the King Goblin would be very large.

"Okay, I'll be serious too, my current opponent is not weak" Ye Chen had to be serious about this matter, Ye Chen's opponent was serious now, so Ye Chen also had to be serious about fighting his enemy.

"Before that maybe I should find another location for battle."

Seeing the current strength of the King Goblin, Ye Chen felt that it would be very dangerous to continue fighting in this place, it could destroy this place.

The current captives are still not completely freed by Ye Chen's clone, if Ye Chen insists on fighting in this place, then this place will definitely be destroyed due to the battle he did together with the King Goblin.

Ye Chen immediately flew away from the Goblin headquarters, he would lure the Goblins to chase after him.

"Human, where are you going, I won't let you just run away" Seeing Ye Chen intend to run away, the King Goblin immediately chased after Ye Chen, the Goblin King couldn't just let Ye Chen go after making himself take out this form.

Chapter 1042 - Ye Chen Vs King Goblin (2)

With the King Goblin easily eating the bait given by Ye Chen, the King Goblin started to chase after Ye Chen who had left this place.

"Human, don't run away, quickly face me like a man" King Goblin said to Ye Chen to face himself like a man.

"If you have the ability, why don't you catch me" Ye Chen mocked the King Goblin who was chasing him.

Their King Goblin was irritated by the mockery Ye Chen had just said, the King Goblin increased his speed to catch up with Ye Chen.

Seeing the King Goblin increase his speed, Ye Chen also increased his speed.

The two chased after each other, the King Goblin chased after Ye Chen, meanwhile Ye Chen tried to escape from the King Goblin.

After chasing for a long time, Ye Chen finally decided to turn around and face the King Goblin.

"Breaking Meteor Blow" Ye Chen launched an attack towards the King Goblin's stomach.

"Bam" Ye Chen's attack landed directly on the King Goblin's stomach, the King Goblin immediately flew backwards from Ye Chen's punch.

The King Goblin rolled on the ground, he hit a tree in this place, Because the King Goblin's body was large, many large trees fell victim to the King Goblin's landing.

The Goblin King deftly got up, he couldn't let Ye Chen launch another attack at him.

Just now, the King Goblin was not ready to accept Ye Chen's attack, this is what made the King Goblin easily blown away by Ye Chen's attack.

This place was already quite far from the Goblin base, it shouldn't be a problem to do battle in this place.

"So you don't want to run anymore" King Goblin said to Ye Chen.

"Who are you saying run, I purposely lure you to this place, while my people free the prisoners you have captured" Ye Chen said to King Goblin.

Ye Chen told him that he meant to bring the King Goblin to this place, he just wanted to keep the King Goblin busy while his Clone did their job.

"Damn, so you. . ."The King Goblin finally realized that he was currently being lured by Ye Chen to this place.

The Goblin King intended to turn around and return to his kingdom.

Before the Goblin King could leave, Ye Chen was already in front of the King Goblin , Ye Chen had already bothered to bring the King Goblin to this place, there was no way Ye Chen would let the King Goblin go after himself luring him to this place.

"If you want to go, you must pass me first" Ye Chen told King Goblin that he had to pass Ye Chen before leaving this place.

"You bastard, get out of my way right now." King Goblin rushed forward towards Ye Chen, King Goblin immediately launched an attack at Ye Chen.

Seeing a punch that the King Goblin was trying again, Ye Chen also started to use his own punch.

"Breaking Meteor Blow" Ye Chen used Breaking Meteor Blow to deal with the attack from the King Goblin.

"Boom. . ." An extremely strong gust of wind occurred when Ye Chen's small fist met the King Goblin's punch.

This strong gust of wind swept away all the trees in this place, all the trees in this place were immediately blown away by the blow that occurred.

Right now around Ye Chen and the King Goblin there was only a vast expanse of vacant land.

In the exchange of attacks this time, it could be seen that the strength of the two was almost equal, both Ye Chen and the King Goblin were equal in strength.

King Goblin didn't expect that Ye Chen would become this strong, Ye Chen was really beyond his expectations.

King Goblin thought that he would very easily win against Ye Chen, it turned out to be all wrong, Ye Chen was much stronger than King Goblin could imagine.

King Goblin didn't want to lose to a human like Ye Chen, he launched another attack at Ye Chen.

"Ying'er come back" Ye Chen let go of the Divine Yin Yang Sword in his hand, because the King Goblin wanted to fight with his bare hands,

Ye Chen welcomed the attack from the King Goblin, Ye Chen only used his bare hands to fight against the King Goblin.

"Bam. . . , Bam. . . , Bam. . . , Bam. . . ," the fist fight was unavoidable, Ye Chen and the King Goblin both attacked each other with all the strength they had.

In this battle, Ye Chen really benefited greatly because the King Goblin had a large body, this made it difficult for the King Goblin to dodge every attack that Ye Chen made.

Despite having a large body with enormous strength, the King Goblin had a weakness in terms of speed, the King Goblin's speed was still far behind Ye Chen.

The King Goblin continued to receive the blows from Ye Chen until several parts of the King Goblin's body began to swell.

"Dammit" King Goblin finally realized that he had lost in the battle with Ye Chen, his current form could not match Ye Chen's agility.

Unable to win against Ye Chen in this form, the King Goblin had no choice but to change his form to a higher level.

Even though the risk would be to make the King Goblin tired very quickly after using that form.

"I will show my strength which is far greater than this" King Goblin said to Ye Chen that he would use his full strength against Ye Chen.

"Thunder Demon Body" a very strong Lightning started to shoot out around the King Goblin, this lightning spread very quickly and began to destroy everything that was nearby.

Ye Chen's materials around this place were also swept away by the lightning released by the King Goblin

This lightning began to gather and enveloped the King Goblin's body like a cocoon.

"What is he trying to do?" Ye Chen started to wonder what King Goblin was doing at this moment.

Ye Chen thought it was the King Goblin's perfect Form, he didn't expect that the Goblin King still had another form that was much stronger than now.

After a while, this lightning finally started to dissipate and disappear, Ye Chen could see the figure of a human-like person far away in front of him.

Ye Chen started to wonder who this was, he didn't understand why the King Goblin's huge body suddenly disappeared and was replaced by someone who was the size of a human.

After everything became clear in front of Ye Chen's eyes, Ye Chen could see that this person was not a human, this was definitely the King Goblin who was now the same size as Ye Chen.

Now that the King Goblin was the same size as Ye Chen, now he would not lose in the battle against Ye Chen.

"This is the Supreme Being that I have, are you ready to lose in front of this king" King Goblin said to Ye Chen.

With the same form as a human, the King Goblin could be even more free when battling Ye Chen.

Ye Chen didn't know what to say when he saw the King Goblin's current form, whether with this body, the King Goblin would become much stronger or even weaker.

King Goblin didn't want to waste any more, he immediately rushed towards Ye Chen.

With a lightning speed, King Goblin immediately attacked Ye Chen using his full strength.

"Bam. . ." King Goblin's punch directly hit Ye Chen's body, Ye Chen's body was instantly sent flying when he received this attack.

Chapter 1043 - Ye Chen Vs King Goblin (3)

It didn't stop there, the King Goblin again launched an attack at Ye Chen using an incredibly fast speed, the King Goblin's speed was hard to see, the King Goblin was like lightning that struck very quickly.

"Bam. . . , Bam . . . , Bam . . . , Bam . . . , Bam . . . , Bam . . . , Bam . . . , Bam . . . , Bam . . . , Bam . . . , Bam"

King Goblin launched a barrage of attacks at Ye Chen, with a barrage of attacks from King Goblin, Ye Chen's body bounced back and forth and hit the ground.

"Feel it" The King Goblin seemed to really enjoy this, it could be seen that the King Goblin was very happy to see Ye Chen helpless when he received the consecutive attacks he launched.

Ye Chen really didn't show any signs of fighting back when he was beaten by the King Goblin, Ye Chen took all the attacks from the King Goblin.

The King Goblin had already landed hundreds of punches towards Ye Chen, none of these punches had missed and hit Ye Chen's body.

After taking consecutive attacks, the King Goblin intended to end this battle, the King Goblin intended to use the ultimate attack to defeat Ye Chen.

"Be prepared," King Goblin used the strongest attack he had on Ye Chen.

"Bam. . ." The King Goblin landed the strongest blow he could do.

"Boom" a tremendous explosion occurred when Ye Chen's body hit the ground, this explosion made the ground crumble and lift up into the sky.

The fall of Ye Chen's body was like a bomb being dropped on a country, it swept away everything that was underground.

"Huft . . . , Huft . . ." The King Goblin looked utterly exhausted after he used his power.

In this form, the King Goblin became exhausted much faster, he would not be able to continue in this form for long.

"At least I killed that human." King Goblin was relieved when he managed to kill Ye Chen.

The consecutive attacks that King Goblin just launched should be enough to kill Ye Chen.

The King Goblin looked at Ye Chen who was currently in the middle of a huge super crater, Ye Chen was lying in the middle of this huge crater.

The current Ye Chen looked like he had been completely defeated by the King Goblin.

Seeing Ye Chen's current appearance, the King Goblin was very sure that Ye Chen had completely defeated him.

The King Goblin turned around and intended to return to his own kingdom to thwart Ye Chen's rescue operation.

"Crack" when the Goblin King was about to leave this place, suddenly the King Goblin heard a cracking sound behind him.

Hearing this, King Goblin immediately turned around and saw what was happening behind him.

When the King Goblin turned around, he saw a scene that his eyes couldn't believe, at this time Ye Chen was trying to get up from the crater.

After successfully getting up, Ye Chen started to relax his muscles, the sound of muscles stretching could be heard when Ye Chen did this.

The King Goblin just gaped at what had just happened, what had just happened he couldn't really imagine.

"Not bad." Ye Chen said that the King Goblin's attack just now felt quite good on his body.

"How are you still alive even after receiving my attack just now?" The King Goblin couldn't believe that Ye Chen was still alive after receiving his attack.

"Your attack is still not strong enough to kill me" Ye Chen told King Goblin that his attack was still not strong enough to kill Ye Chen.

"Impossible, even after this king showed his strongest form, why are you still alive" King Goblin couldn't believe what Ye Chen had just said.

His attack couldn't possibly be that weak, to the point of not being able to kill Ye Chen.

"I won't lose." The King Goblin expended all his strength, the place shook and shook as the Goblin King put all his strength into it.

King Goblin started to take a stance, after taking a stance, King Goblin started to advance with lightning speed towards Ye Chen.

"die" King Goblin was aiming for Ye Chen's head, this time he should be able to kill Ye Chen.

"Hap" before the King Goblin's attack could hit Ye Chen, Ye Chen had already blocked the King Goblin's hand.

Ye Chen only needed his left hand to withstand the attack from the King Goblin.

The King Goblin could hardly believe that Ye Chen was holding back his attack, what Ye Chen did was absolutely impossible.

"I told you that your strength isn't enough." Ye Chen used his free right hand to hit the King Goblin's stomach.

"Bam. . ."Ye Chen's punch directly hit the Goblin King's stomach.

"cough" King Goblin immediately vomited blood when he was hit by Ye Chen's punch, all his internal organs shifted when he received Ye Chen's punch.

King Goblin immediately knelt on the ground when he felt the pain from Ye Chen's punch.

Ye Chen's single punch was enough to make the King Goblin kneel on the ground.

The King Goblin had already suffered a serious injury from Ye Chen, this was quite difficult for the King Goblin.

The King Goblin is already in his highest form, in this form the King Goblin is no longer able to change his body structure as before.

"Bam. . ." Ye Chen again launched a powerful punch at the King Goblin, Ye Chen's punch again made the King Goblin feel pain.

Ye Chen returned the blow that the King Goblin had previously dealt him, Ye Chen hit the King Goblin several times.

King Goblin tried to run away from Ye Chen, he couldn't stand Ye Chen's attack.

Unfortunately that couldn't happen, the King Goblin really couldn't let go of his hand from Ye Chen's grip.

Seeing this, the King Goblin had no choice but to cut off his own hand so that he could escape from Ye Chen.

This was better than being killed by Ye Chen in this way.

Ye Chen saw the decision taken by the King Goblin, the decision taken by the King Goblin could be said to be very brave.

The King Goblin sacrificed his hand to escape from Ye Chen.

Ye Chen looked at the King Goblin's hand, it could be seen that the King Goblin's hand couldn't regenerate.

It seems that the King Goblin's ability is not body regeneration, the King Goblin's ability is actually modifying his own body.

No wonder the King Goblin's arm returned intact when it was slashed by the Divine Yin Yang Sword, it turned out that the King Goblin modified his hand when it changed shape.

The King Goblin looked at Ye Chen, the King Goblin looked at Ye Chen with a very strong look of hostility.

The King Goblin had never encountered a situation like this, this was the first time he had encountered a situation like this.

Ye Chen started walking towards the King Goblin, Ye Chen wanted to attack the King Goblin who was already injured.

The King Goblin was already badly injured from Ye Chen's blow, a part of his body had been completely crushed by Ye Chen's punch.

Plus the King Goblin is no longer able to maintain this form, if it continues like this then the King Goblin will die in this place.

"I have to run away" Seeing Ye Chen who was much stronger than himself, King Goblin decided to run away.

King Goblin knew that he didn't have a chance to win against Ye Chen, that's why King Goblin fled to ask his allies for help.

Chapter 1044 - King Goblin Defeated

Everything that the King Goblin wanted to do was predicted by Ye Chen, Ye Chen had predicted that the King Goblin would run away from him.

"One Hundred Thousand Fire Swords" Ye Chen returned to using **One Hundred Thousand Fire Swords**.

A thousand fire swords appeared around Ye Chen's body, a thousand fire swords began to gather into one and make one extremely powerful sword.

Ye Chen was currently using the advanced God Fire Sword, this was the ultimate power of the **One Hundred Thousand Fire Swords**.

Ye Chen aimed at the King Goblin who was trying to escape from him, after feeling that he had found the right target, Ye Chen immediately shot the God Fire Sword at the King Goblin.

The God Fire Sword shot straight towards the King Goblin , at an extremely fast speed.

The God Fire Sword immediately caught up with the King Goblin, the God Fire Sword passed through the King Goblin's body with great ease.

The King Goblin 's body was pierced through by the God Fire Sword with great ease.

The King Goblin 's body burned where the God Fire Sword passed.

The King Goblin screamed in pain as this happened, the King Goblin felt an excruciating heat after being hit by the God Fire Sword.

The blood in the King Goblin 's body began to boil from the wound inflicted by the God Fire Sword.

The King Goblin fell to the ground, the King Goblin's form also started to return to the way it was before, the King Goblin returned to being a terrifying giant like before.

The current King Goblin was at his limit, now the Goblin King couldn't do anything anymore.

The wounds and pain suffered by the King Goblin made the King Goblin very desperate, there was nothing else the King Goblin could do to him.

Ye Chen floated above the King Goblin's body, himself directly using the King Goblin's body.

The Goblin King couldn't do anything when Ye Chen descended on his body, if the current King Goblin still had his strength, the King Goblin would definitely pat Ye Chen who was currently on top of his body.

"Tell me, why did you kidnap and make people mine Solar Stone?" Ye Chen asked the reason why King Goblin kidnapped and made people work to mine Solar Stone.

"Hahaha, I won't tell my enemy about that matter." The King Goblin told Ye Chen that he wouldn't tell the reason why he captured humans and was put to work in the mines.

"So you want me to use brute force, fine, I will use brute force as you wish." Seeing that the King Goblin didn't want to speak, Ye Chen had to use brute force to get the King Goblin to speak.

From Ye Chen's palm came a profound flame, Ye Chen directly threw this flame at the King Goblin .

"Argghhh" King Goblin shouted as his body burned, Ye Chen's flames easily scalded King Goblin's body.

"Human bastard" The King Goblin roared at Ye Chen.

"Are you really sure you don't want to say it?, you will be something more terrible than this" Ye Chen told King Goblin what would happen next.

"No, I won't tell you." King Goblin said that he wouldn't tell Ye Chen what was done with the Solar Stone.

Since the Goblin King still didn't want to speak, Ye Chen continued to torture the King Goblin, until King Goblin wanted to answer him.

King Goblin felt excruciating pain in his body, Ye Chen really made King Goblin feel tormented.

"Alright, I'll tell you" after a hard struggle, King Goblin finally wanted to tell Ye Chen what he did with the Solar Stone.

"Say it quickly" Ye Chen told King Goblin to say what to do with the Solar Stone.

"Actually I sold Solar Stones to someone" King Goblin told Ye Chen that he sold Solar Stones to someone.

"Who did you sell it to?" Ye Chen was quite curious to whom the King Goblin sold the Solar Stone.

"I sold it to a human, he calls himself Zero" King Goblin said to Ye Chen.

"Zero?" Ye Chen didn't know who Zero was doing by King Goblin, why did he buy Solar Stone from King Goblin.

"Do you know what that guy did with the Solar Stone?" Ye Chen asked the Goblin King.

"I don't know about the matter, I'm just selling it, while what was done with the Solar Stone I don't know" King Goblin said to Ye Chen.

King Goblin only sells it, he doesn't know what this man named Zero will do with the Solar Stone.

Too bad the Goblin King's answer wasn't very useful to Ye Chen, Ye Chen.

Ye Chen thought about what this planning man named Zero was.

When Ye Chen was thinking about King Goblin's words, King Goblin took this opportunity to attack Ye Chen, King Goblin took out a large sword and intended to kill Ye Chen.

The great sword aimed at Ye Chen's body and prepared to defend Ye Chen's body into two pieces.

"You die!" The King Goblin roared at the thinking Ye Chen.

Ye Chen stretched his hand forward, he immediately caught the big sword with his hand.

Ye Chen gripped the great sword that was in his hand. With a bit of strength Ye Chen started to grip the great sword's

"crack. . . , cracks . . . , cracks . . ."The great sword started to crack and finally broke into pieces.

"You still dare to attack me, it looks like you will die soon" Ye Chen said to King Goblin .

Ye Chen summoned the God Fire Sword to attack the King Goblin, the God Fire Sword shot very fast towards the King Goblin .

"Boom" a huge explosion occurred, this explosion instantly burned the entire body of the King Goblin .

"no . . ." King Goblin screamed in pain, in a matter of seconds the King Goblin's body had disappeared in the fire.

Ye Chen didn't react when he saw the King Goblin had died, now Ye Chen's mission had been completely completed.

After defeating the King Goblin , Ye Chen immediately went to the Solar Stone quarry, he wanted to do something with the Solar Stone.

In just 10 minute Ye Chen arrived at the Solar Stone forging in the mine, in this place there were a lot of Solar Stones that had not yet been mined.

This mine is empty, there are no more people in this mine, it seems that Ye Chen's clone has already managed to save the person who was locked up in the Goblin headquarters.

"What am I going to do with this thing?" Ye Chen started to wonder what he was going to do with this much Solar Stone.

"I will keep it, maybe someday it will be useful for me" After thinking for a while Ye Chen finally decided to keep this Solar Stone .

Who knew Ye Chen would need it in the future, Ye Chen could sell this, after all, the Solar Stone could become a profound crystal if it was sold.

Ye Chen saw the mine that had been mined, Ye Chen immediately put it into the storage room of the fairy gate.

After that Ye Chen started to mine the remaining Solar Stones in this place, Ye Chen's way of mining was an unusual way, Ye Chen used the Divine Yin Yang Sword to cut and split the ground that buried the Solar Stone.

With Ye Chen's skilled sword skills, Ye Chen managed to mine the Solar Stones in this place, for that Ye Chen needed several hours to mine all the Solar Stones in this place.

Chapter 1045 - Back To Sect

Ye Chen hurriedly put the Solar Stone into the fairy gate storage, after which Ye Chen left this place which was empty.

Before leaving, Ye Chen confirmed that there were no Goblins left in this place, after confirming that there were no more Goblins, Ye Chen was finally able to leave feeling relieved.

Ye Chen didn't immediately return to the Sect, Ye Chen first wanted to make sure that the survivors were all right.

Plus Ye Che wanted to know if any disciples from the Nine Immortals Peak Sect were still alive.

Ye Chen was able to track down the survivors with the help of his Clone.

Ye Chen immediately rushed to the place where people had been saved.

Right now, the survivors were gathering and recuperating, it could be seen that they were extremely exhausted from being forced to work non-stop by the Goblins.

Ye Chen went down and looked for the person who had the most influence in this group of captives, there must be someone who had great influence within this large group.

When Ye Chen came over, a middle-aged man immediately approached Ye Chen.

"Young master" this man immediately greeted Ye Chen, this middle-aged man looked very respectful towards Ye Chen who had helped him.

"Are you in charge of this place?" Ye Chen immediately asked if this middle-aged man had been in charge of this place.

"Yes, I'm one of the people in charge here" the middle-aged man said that he was one of the people in charge of this place.

Apart from the middle-aged man it turned out that there were several more who were responsible for recovering those who were injured or exhausted.

"How is your situation, can you go back to where you came from?" Ye Chen asked if people could return to where they came from or not.

"Some people still need time to recover, so they can't go back for the time being, after everything is recovered they will return to where they came from" said the middle-aged man towards Ye Chen.

Ye Chen nodded, it seems that there is no problem for this, Ye Chen no longer needs to take care of this matter.

"If I may ask, are there any disciples from the Nine Immortals Peak Sect who survived?" Ye Chen asked the middle-aged man.

"There were only a few women who survived, while the rest were savagely killed, but their condition was the worst of all." The middle-aged man told Ye Chen that there were only a few people from the Nine Immortals Peak Sect who survived, however they were in the worst condition of all.

Perhaps because of trying to resist, the Goblins did bad things to the female disciples of the Nine Immortals Peak Sect.

"Take me to them" Ye Chen told the middle-aged man to bring himself to the Nine Immortals Peak Sect's surviving disciple.

"Please follow me" the middle-aged man told Ye Chen to follow him.

Ye Chen went to follow the middle-aged man to where the Nine Immortals Peak Sect disciples had survived.

Ye Chen arrived at the Nine Immortals Peak Sect disciple, from afar, Ye Chen could see that this female disciple was in a very poor psychological state.

"Young master, this is what I mean, their condition is like this, it's very difficult to talk to all of them" the middle-aged man told Ye Chen that they were all difficult to talk to.

"I will bring them back to the Sect." Ye Chen said to the middle-aged man that he would take them all.

Ye Chen will leave this matter to the Nine Immortals Peak Sect, let the Sect treat the psychological problems.

"My task of exterminating the Goblins has been completed, now you can return to your residence." Ye Chen told the middle-aged man that his task was complete.

"Young master, I represent everyone here to thank you." The middle-aged man thanked Ye Chen for helping them all.

Ye Chen only nodded lightly, telling the middle aged man to leave him.

The middle-aged man said goodbye, he would return to his duty to help the recovery of these people.

After the middle-aged man left, Ye Chen focused his attention on the female disciples, Ye Chen took them all with him.

With Ye Chen's strength, none of these female disciples can resist, they can only be obedient when dealing with Ye Chen.

Ye Chen went to take all these women away to the Nine Immortals Peak Sect.

.

.

A few hours after Ye Chen left, a man in a black robe appeared in the forest where the Goblin headquarters was located.

This mysterious person saw the Goblin headquarters which was currently destroyed by Ye Chen's actions.

"what happened to this place" the mysterious man began to ask what happened to this place, why the place could be damaged and destroyed like this.

A mysterious man stepped forward, his main purpose coming here was to meet the King Goblin to discuss a business.

This was Zero, the mysterious man that the King Goblin had previously told Ye Chen.

Zero entered the Goblin territory, when he entered the Goblin territory, Zero found that all the Goblins in this place had died, not a single Goblin was still alive in this place.

"What happened to the Solar Stone?" Zero didn't care about the dead Goblins, what was more worrying was the Solar Stone in this place.

Zero immediately went to the mine, when Zero arrived at the mine, Zero found that the mine was completely empty, all the Solar Stones had been taken away from this place.

"Damn it" Zero was really very angry when he found out about this, all the Solar Stone supplies in this place were no longer there, what should Zero have to say to his superiors.

Zero is just an errand boy in charge of making transactions, this person is not an important person in his group.

"I will tell this matter to the leader" because he couldn't get the Solar Stone he wanted, Zero decided to go back and report this to the leader.

Let the leader decide this matter, whether it is necessary to find the person who has taken the Solar Stone or not.

The group owned by Zero really needs Solar Stone for important purposes, this group is planning a very big thing that will involve strong people in it.

Zero left this place, there was nothing else Zero could do in this place. he immediately returned to where the leader was and informed him that the transaction had failed.

.

.

After a long journey, Ye Chen finally made it back to Nine Immortals Peak Sect, Ye Chen directly brought the injured women to the medicine pavilion to get treatment.

When Ye Chen went to the medicine pavilion, he found that the medicine pavilion was very crowded, there were a lot of men and women going in and out of the medicine pavilion.

Seeing that the medicine pavilion was very crowded at all, Ye Chen decided to leave the back door himself not wanting to get into some unwanted trouble when he was carrying an injured woman.

Ye Chen entered from the back door, coincidentally at the back door at this time there was Fairy Zhen who was reviewing the medicinal plants that were at the back of the medicinal pavilion.

when Fairy Zhen leaned in, Fairy Zhen really looked very seductive, Fairy Zhen was indeed called a beautiful Milf who was very charming for a man like Ye Chen.

" who ?" Seeing someone coming from the back door, Fairy Zhen immediately asked who it was.

"Beautiful sister, it's me" Ye Chen said to Fairy Zhen that it was her.

Chapter 1046 - Get God Mask

"Ye Chen, what are you doing coming from behind like" Fairy Zhen immediately asked what Ye Chen was doing in this place.

"That, it's very crowded in front, so I have no choice but to come through the back door" Ye Chen told Fairy Zhen the reason he came through the back door.

"Puchi. . ." Fairy Zhen laughed while listening to Ye Chen's reasoning, Ye Chen's reasoning was really very simple.

Ye Chen could only scratch his head when he saw Fairy Zhen laughing at him.

"You are quite famous ,now among the female disciples who work in this pavilion, you should be happy now that you are popular among the beautiful female disciples" Fairy Zhen said to Ye Chen.

With Fairy Zhen's help, Ye Chen should have become very popular by now.

"Beautiful sister, you don't realize what you are doing has caused me unnecessary trouble, I just want to practice peacefully, why are you making things difficult for me" Ye Chen said to Fairy Zhen.

What Fairy Zhen did was a very troublesome thing, now that women are looking for Ye Chen to join their party, this woman's goal is clearly to use Ye Chen for their own benefit.

"Fufufufu" Fairy Zhen laughed when she heard this, she was really comforted by the words Ye Chen just said.

"So you don't like what I do, even though you can use your current popularity to seduce women and make them yours" Fairy Zhen said to Ye Chen.

"I prefer to tease a beautiful sister like you" Ye Chen told Fairy Zhen that he preferred to tease her.

Fairy Zhen couldn't help but smile wryly when she heard what Ye Chen said, this man is still good at teasing a woman.

"Ye Chen, I'm an elder, aren't you afraid of getting punished if you dare to tease me?" Fairy Zhen said to Ye Chen.

Fairy Zhen warned of the risk that Ye Chen would have to bear, if Ye Chen dared to tease her.

"I will fight my way through everything as long as I can seduce beautiful sister" Ye Chen said to Fairy Zhen.

Ye Chen is not afraid of the Sect's punishment at all, the Sect's law is not something that Ye Chen is afraid of.

Fairy Zhen was completely speechless by Ye Chen's answer, this man has absolutely no fear of the laws of this Sect.

The situation started to get awkward, no one started a conversation.

To overcome this awkwardness, Fairy Zhen had to change a topic.

"Ye Chen, who are you carrying?" Fairy Zhen immediately asked who the woman Ye Chen was carrying.

"They are female disciples that I saved while running a quest" Ye Chen told Fairy Zhen that these women were the ones he had saved.

"They don't look fine, are they having a bad time?" Fairy Zhen asked Ye Chen.

"They did go through something bad" Ye Chen started to explain what happened to Fairy Zhen.

Ye Chen even told what happened to these women, Ye Chen told that their psychological condition was in trouble.

"Then why don't you take them to the treatment center?" Fairy Zhen said to Ye Chen.

"Isn't this a place of healing here?" Ye Chen asked Fairy Zhen.

Ye Chen thought that the medicine pavilion was a place of healing for injured disciples.

"No, this is only a place to buy medicinal herbs and pills, this is not a place to treat injured students." Fairy Zhen started to explain that this place was not a treatment location.

The location of the treatment is separate, there is a special place to treat Sect disciples who are injured or sick.

"Oh. . ." Ye Chen just found out about this, it seems he was wrong when he brought these women to the medicine pavilion.

"Beautiful sister, can you take them to the treatment place, I have to report my mission" Ye Chen said to Fairy Zhen.

Ye Chen asked Fairy Zhen to take these women to where the medicine was.

"Of course I can, but I won't do this for free" Fairy Zhen said to Ye Chen.

Fairy Zhen said that she could accept Ye Chen's request, but Fairy Zhen would not do it for free.

"No problem, later I will give you a gift that you will never forget in this life" whispered Ye Chen in Fairy Zhen's ear.

Ye Chen told Fairy Zhen that he would give a gift that Fairy Zhen would never forget.

Fairy Zhen was curious about the gift Ye Chen was referring to, so she wanted to know what Ye Chen wanted to give her.

"Then I'll go first" Ye Chen said goodbye to Fairy Zhen, he would go to the Sect Hall to report his quest.

Fairy Zhen could only watch Ye Chen leave, after Ye Chen left, Fairy Zhen took the injured woman to the treatment center.

Fairy Zhen will leave these women to the experts, she hopes that the psychology of these people can return to what it was before.

After leaving Fairy Zhen's place, Ye Chen immediately rushed towards the Sect hall.

Ye Chen can't wait to get the God Mask that he previously wanted, Ye Chen wants to see how powerful the God Mask is when used by him.

Ye Chen went straight to the Receptionist who gave himself the mission of exterminating the Goblins, Ye Chen quickly handed the completion of the Quest to the Receptionist.

The receptionist immediately checked the success of Ye Chen's quest, after confirming that Ye Chen had successfully completed the quest, the female receptionist gave Ye Chen a reward for successfully completing the quest.

Ye Chen earned 2.500 contribution points, Ye Chen's contribution points have now reached nearly 30.000, This is enough for Ye Chen to buy a God Mask.

"I want to buy yesterday's mask." Ye Chen told the receptionist that he wanted to buy yesterday's mask.

"Wait a minute, I'll get it for you" the receptionist said that she would get what Ye Chen wanted.

Ye Chen will wait patiently, he can't wait to try the thing he wants.

After a few minutes the female receptionist finally came back with a chest that contained a God Mask.

"This is what you want, please check for yourself whether it's appropriate or not," said the receptionist to Ye Chen.

"Yuechan, is this real?" Ye Chen immediately asked Chu Yuechan if this God Mask was still the same as before.

It could be that the God Mask was exchanged for an ordinary mask, it would be very detrimental to Ye Chen.

"Master, this is real, you don't have to worry." Chu Yuechan told Ye Chen that it was real.

"Okay" after getting confirmation from Chu Yuechan, Ye Chen finally believed that this was what he really wanted.

"This is indeed what I wanted," Ye Chen said.

"Okay, I'll immediately deduct your contribution points" the receptionist said that he would immediately deduct Ye Chen's contribution points.

Ye Chen's contribution points have been deducted by 28,000, now Ye Chen's contribution points are only around 1,500 remaining.

After getting what he wanted, Ye Chen immediately left the Sect Hall, there was nothing else Ye Chen needed in this place.

Chapter 1047 - Song Ziyu

After leaving the Sect hall, Ye Chen immediately went to a quiet place he could find, Ye Chen looked for a place far enough from the Sect to try the God Mask in his hands.

After going quite a distance from the Sect, Ye Chen finally found a very suitable place to try out the God Mask, there should be no one in this place who would come and disturb Ye Chen.

"Yuechan, quickly give me the method of using the God Mask." Ye Chen asked Chu Yuechan to provide the method of using the God Mask.

"I will give it to you, close your eyes" Chu Yuechan told Ye Chen to close his eyes.

Ye Chen obediently followed Chu Yuechan request, Ye Chen started to close his eyes and wait for Chu Yuechan to give the method to use the God Mask.

As soon as a bunch of information entered Ye Chen's head, Ye Chen absorbed the information that Chu Yuechan had given him.

Very quickly, Ye Chen managed to absorb all the information provided by Chu Yuechan, now Ye Chen knows how to use the God Mask.

"Did you understand?" Chu Yuechan asked Ye Chen, Chu Yuechan wanted to know if Ye Chen had understood what she had just given.

"I got it, now is the time to give it a try." Ye Chen already understood the information Chu Yuechan had given him, all Ye Chen needed to do was give it a try.

Ye Chen opened the chest in his hand, he took the God Mask that was stored in the chest.

Ye Chen started to use the God Mask on his face, when Ye Chen used the God Mask, the appearance of the God Mask began to change, the God Mask that was previously dusty and full of dirt, has now changed to a black mask that is slightly shiny, this makes the God Mask look very suitable when combined with black clothes.

Ye Chen could feel a great power coursing through his body.

This power is so immense, Ye Chen feels that his body is full of power.

"So this is what Chu Yuechan means." Ye Chen now understood what Chu Yuechan meant, this power was indeed quite large, it made Ye Chen's strength increase several times.

"Master, the God Mask has a limit to giving you power, so once the effect wears off, it will take some time to recharge." Chu Yuechan started to explain that the God Mask would not be able to be used long term.

The stronger the power released by Ye Chen, the faster the God Mask will wear out and will not be able to be used.

"Alright, I will remember." Ye Chen nodded to Chu Yuechan, Ye Chen understood that God Mask would not be able to give him continuous strength.

Although it can't provide continuous strength, it is still useful for Ye Chen under certain circumstances.

Ye Chen could also use this God Mask to hide his identity when doing something important.

Ye Chen decided to try the power of the God Mask, he wanted to know the increase in his strength after using the God Mask.

"Boom. ., Boom . ., Boom . . ,Boom . . ,Boom . ., Boom . ., Boom . . Ye Chen started to test his various attacks.

"Not bad." From this test alone, Ye Chen could tell that he had gotten a pretty significant increase in strength.

Even if compared to his Sage God Flame Vein, God Mask still couldn't match it.

Ye Chen could understand that the God Mask did not require any special requirements for its use, while the Sage God Flame Vein required a great price for Ye Chen to use it.

If God Mask and Sage God Flame Vein were used simultaneously it would be an amazing combo.

After doing some testing, Ye Chen finally finished his testing, Ye Chen had completely mastered the use of the God Mask.

After finishing trying God Mask's power, Ye Chen decided to head to the medicine pavilion, Ye Chen wanted to meet Fairy Zhen and tease the beautiful Milf.

"Who are you, what are you doing in this place?" When Ye Chen was preparing to leave this place, a woman suddenly came up to Ye Chen.

Ye Chen who previously wanted to leave immediately abandoned his intention, Ye Chen turned around and saw who was behind him.

Ye Chen was currently looking at a woman with a veil covering her face, this woman had long hair flowing straight down, plus this woman had a pair of crystal clear eyes that were quite beautiful to look at.

Because of wearing a veil, Ye Chen couldn't see the real face of this woman, although he couldn't see this woman's face, Ye Chen could guess that this woman was beautiful.

"That outfit?, isn't it similar to what Mei Yueli often wears?" From this woman's clothes, Ye Chen began to suspect that this woman was from Jade Lotus Peak just like Mei Yueli and Mu Xueying.

When Ye Chen saw this beautiful woman, a bunch of words suddenly appeared before Ye Chen's eyes.

Name: Song Ziyu.

Cultivation: Divine Rebirth Realm first level.

Ye Chen suddenly saw the name and cultivation level of the beautiful woman in front of him.

"Is this the ability of the God Mask?" Seeing this, Ye Chen could conclude that this was the ability of the God Mask he was wearing.

To think that God Mask could let Ye Chen know someone's name and cultivation level.

"Hi, why are you silent, I'm talking to you" Song Ziyu looked dissatisfied when Ye Chen ignored her.

"Little Miss Song Ziyu, why do you want to meddle in other people's business?" Ye Chen said to Song Ziyu.

Song Ziyu was slightly surprised when Ye Chen found out and said her name.

Song Ziyu instantly became wary of Ye Chen, she didn't know whether Ye Chen was an enemy or not.

"Who are you?" Song Ziyu asked Ye Chen's identity again, he was really curious about Ye Chen.

Ye Chen started to think of a name for himself wearing the God Mask.

Since Ye Chen was currently wearing the God Mask, Song Ziyu couldn't clearly see Ye Chen's appearance.

"My name is Masked Hero" Ye Chen said to Song Ziyu.

"fufufufu" Song Ziyu actually laughed when she heard the name Ye Chen was currently using, Ye Chen's name was really too childish.

"Why are you even laughing?" Ye Chen didn't understand why Song Ziyu laughed, even though Ye Chen thought it was a pretty good name for him.

"You are really stupid, Masked Hero, what a childish name," Song Ziyu said to Ye Chen.

Song Ziyu was still laughing, she couldn't stop laughing when she remembered the name Ye Chen had just said.

Ye Chen was slightly displeased with Song Ziyu's comment about the name he took, Song Ziyu dared to laugh at Ye Chen.

"Looks like I have to make a little Little Miss you know a little bit," Ye Chen said to Song Ziyu.

Song Ziyu immediately stopped laughing when she heard what Ye Chen said.

"Who are you calling little miss, this woman can make you disappear from this world very easily" Song Ziyu said to Ye Chen.

" is it true ?" Ye Chen was suddenly behind Song Ziyu, Ye Chen whispered right in Song Ziyu ear.

Song Ziyu looked very surprised when she saw Ye Chen who was already behind her body, Song Ziyu was completely unaware of Ye Chen's movements.

Chapter 1048 - Song Ziyu Lose

Song Ziyu hastily retreated and away from Ye Chen, Song Ziyu became even more wary of Ye Chen.

"What the hell is this guy, why is he so fast?" Song Ziyu said in her heart, Song Ziyu felt that Ye Chen was so fast, Song Ziyu couldn't even see the movement that Ye Chen had just made.

"Little miss, why did you run away, didn't you say you could eliminate me earlier" Ye Chen said to Song Ziyu

"Don't be arrogant, I will show you my strength" Song Ziyu said that she would show her strength to Ye Chen.

"Then what are you waiting for, quickly show me" Ye Chen said to Song Ziyu.

"This person is very confident." Song Ziyu felt that Ye Chen was very confident.

Song Ziyu had to teach Ye Chen a lesson so that Ye Chen would understand the risks of angering Song Ziyu.

Song Ziyu started to head towards Ye Chen, she stretched out her palm and prepared to pat Ye Chen.

Seeing Song Ziyu coming towards him, Ye Chen stretched out his hand in a lightning motion, Ye Chen immediately caught Song Ziyu's quite soft hand.

"W. . . , What! !!" Song Ziyu looked quite surprised when she saw her hand caught by Ye Chen.

"Very soft hands" Ye Chen said to Song Ziyu, Ye Chen felt that Song Ziyu's hands were very well cared for, Ye Chen could feel the softness when touching Song Ziyu's hands.

Ye Chen began to smell Song Ziyu's scent which was very fragrant

"you pervert, quickly let me go" after a few seconds Song Ziyu finally reacted, Song Ziyu tried to push Ye Chen away from her.

Song Ziyu stretched out her hand to attack Ye Chen.

Unfortunately Song Ziyu's hands were easily caught by Ye Chen, now both of Song Ziyu's hands were caught by Ye Chen.

Song Ziyu started to get annoyed when she saw what happened, Song Ziyu used her foot to kick Ye Chen's younger brother who was below.

Ye Chen immediately parried Song Ziyu's attack, Ye Chen didn't let Song Ziyu's attack hit him.

"This woman" Ye Cheng's younger brother almost fell victim to Song Ziyu, if Ye Chen's attack hadn't been successfully thwarted, Ye Chen's poor little brother might have been the victim.

"You dare to do bad things to me, looks like a bad girl should be punished" Ye Chen wanted to punish Song Ziyu for what Song Ziyu just tried to do to Ye Chen.

If Ye Chen didn't have the strength, he could be seriously injured from Song Ziyu's attack.

"Pervert, let me go quickly" Song Ziyu told Ye Chen to let go, Song Ziyu looked very annoyed to see Ye Chen managed to block her attack.

Ye Chen didn't care about Song Ziyu's rebellion, he used the Goddess Passion on Song Ziyu.

Song Ziyu suddenly felt something strange in her body, she felt her body heat up and her strength disappear.

" what happened ?" Song Ziyu felt confused about what had happened to her, Song Ziyu felt that her body felt very strange.

Song Ziyu started to lose her will to fight back, her body felt weak and helpless, Song Ziyu body fell into Ye Chen's arms.

Ye Chen started to hold Song Ziyu already helpless body.

"What have you done to me?" Song Ziyu immediately asked what Ye Chen had just done to her.

"I haven't done anything to you, actually I'm just getting started" Ye Chen said to Song Ziyu.

"Pervert, what are you going to do?" Song Ziyu panicked when she heard what Ye Chen said.

"You will find out soon enough" Ye Chen told Song Ziyu that he would soon know what he was going to do.

Ye Chen started to use his fingers to touch Song Ziyu's body, he had to take revenge for what Song Ziyu had previously tried to do.

Song Ziyu suddenly felt a very strange feeling on her body, Ye Chen's touch made her body feel a pleasure like floating in heaven.

"Um. . . , ah. . ." Song Ziyu started to let out a sigh of pleasure, it could be seen that Song Ziyu was enjoying what Ye Chen was doing.

Song Ziyu could no longer rebel, she could only accept Ye Chen's inflation.

Ye Chen's skills were truly extraordinary, this made Song Ziyu's mind flustered.

The haughty Song Ziyu quickly became weak, she was now a weak woman who enjoyed what Ye Chen did.

Song Ziyu's mind had been completely defeated by Ye Chen, now Song Ziyu had completely accepted what Ye Chen had done to him.

Just the touch of Ye Chen already made Song Ziyu feel an indescribable feeling, this feeling was the most amazing thing that Song Ziyu had ever felt in this life.

Song Ziyu continued to let out a groan that made a man excited.

Ye Chen enjoyed this, as Ye Chen absorbed Song Ziyu's Yin Qi for himself.

Song Ziyu reached the pinnacle of happiness, Ye Chen's technique could make Song Ziyu reach heaven.

Ye Chen didn't let Song Ziyu rest, he continued to tease Song Ziyu until Song Ziyu gave up completely.

After reaching the peak several times, Song Ziyu immediately fainted, she really couldn't hold back this comfortable feeling anymore, it was beyond her ability.

"Have you fainted?" Seeing this Ye Chen decided to let Song Ziyu go, it seemed that this was enough for Song Ziyu, this woman should have learned a proper lesson.

Ye Chen looked for a tree near this place, Ye Chen brought Song Ziyu's body to the tree.

Song Ziyu is currently sleeping very peacefully, Song Ziyu is really very exhausted.

Ye Chen saw Song Ziyu up close, this woman was quite beautiful when seen from a very close distance.

Ye Chen was quite curious about the face behind the veil, Ye Chen wanted to try to peek at Song Ziyu's face.

Ye Chen started to extend his hand towards Song Ziyu's veil, Ye Chen wanted to see what Song Ziyu's face looked like.

When Ye Chen stretched out his hand, Ye Chen felt that several people were approaching him, it seemed that this was a friend of Song Ziyu.

"Looks like I have to go" Seeing this, Ye Chen decided to leave this place immediately, Ye Chen didn't want to deal with more women from Jade Lotus Peak.

Ye Chen left Song Ziyu unconscious body, a few moments after Ye Chen left, there were several women wearing white and red clothes approaching Song Ziyu, all of these women wearing veils to cover their faces.

The appearance of these women can be said to be beautiful, they can make men crazy about the appearance they have.

Jade Lotus Peak was indeed a thing, it was a gathering place for the best women in this Sect.

"Where did Ziyu go, why didn't she come back for a long time?" one of the women asked where Song Ziyu had gone.

"Who knows, maybe she's doing something" replied another woman.

"Hi, I think there's Ziyu in front of me" the beautiful woman saw the figure of Ziyu sleeping in the tree.

"Yeah, you're right, let's go closer." All the women decided to go over and see what happened to Song Ziyu.

Chapter 1049 - You Alchemist ?

When these women approached, they discovered that the figure they saw was indeed Song Ziyu, they all had no idea why Song Ziyu would sleep in a place like this.

"what happened to her" the women started to wonder what happened to Song Ziyu.

"I don't know, but she doesn't seem to have any injuries or anything, let's try to wake her up." One of the women went to wake Song Ziyu up.

"Ziyu wake up" This woman tried to wake up the unconscious Song Ziyu, she shook Song Ziyu's body vigorously.

Song Ziyu started to wake up when she felt someone shaking her body, Song Ziyu started to open her eyes and see who had woken her up.

When Song Ziyu opened her eyes, she found that in front of her were several friends who were quite familiar with her.

" What are you doing here ?" Song Ziyu immediately asked what these women were doing in a place like this.

"Shouldn't we be the ones asking like that, what are you doing sleeping in a place like this?" the female disciple Jade Lotus asked Song Ziyu back.

Song Ziyu was a little dizzy, she hadn't fully recovered from what Ye Chen had done earlier.

Even Song Ziyu's head at this time was still filled with Ye Chen's figure which made him reach the heaven of allotment.

No matter how hard Song Ziyu tried, this thought couldn't go away, it was like Ye Chen's figure had been embedded in her mind.

Song Ziyu was still lucky enough that Ye Chen held back, otherwise Song Ziyu would have fainted for quite a long time.

" what is it ?" Seeing that Song Ziyu didn't speak, Song Ziyu's friends started to ask what happened.

"It's okay, please help me get back to the top, my body is really really tired." Song Ziyu asked her friends to help her return to Jade Lotus Peak.

"Okay" Song Ziyu's friends didn't ask much, they all brought Song Ziyu back to Jade Lotus Peak.

From a distance Ye Chen saw what Song Ziyu and her friends were doing, after confirming that Song Ziyu was safe and sound, it was time for Ye Chen to go and look for Fairy Zhen.

Ye Chen rushed towards the medicine pavilion, very quickly Ye Chen made it to the medicine pavilion.

After arriving at the medicine pavilion, Ye Chen immediately went to look for Fairy Zhen's whereabouts, very quickly Ye Chen managed to find Fairy Zhen's whereabouts.

Fairy Zhen was currently in a special room, it just so happened that Fairy Zhen was currently alone, so Ye Chen could easily meet her.

Ye Chen sneaked into Fairy Zhen's room, when Ye Chen sneaked in, Ye Chen saw Fairy Zhen who was currently making a pill.

"oh so she is making a pill" Ye Chen muttered in a low voice.

Ye Chen kept his voice from being heard by Fairy Zhen, he didn't want to disturb Fairy Zhen who was currently making a pill.

It turns out that this is a special room used to make pills, this room has a function like the one inside the fairy gate, the difference is that it is much lower than the one inside the fairy gate.

Ye Chen waited very patiently, he saw what Fairy Zhen's process was like when making a pill.

Fairy Zhen was said by a fairly well-known alchemist of the outer court, so Ye Chen wanted to see what kind of pill-making Fairy Zhen did.

Ye Chen observed what Fairy Zhen was doing, sometimes Ye Chen would use God Eyes to monitor Fairy Zhen's Cauldron.

At the same time, Ye Chen could observe every process that Fairy Zhen carried out.

After a few hours passed, Fairy Zhen seemed to have refined all the medicinal ingredients in the Cauldron, now only the final process was to unite all the purified ingredients.

"What kind of pill is this woman trying to make?" Ye Chen was quite curious about the pill that Fairy Zhen wanted to make, even after observing the process for a while, Ye Chen still didn't know what kind of pill Fairy Zhen was trying to make

Ye Chen wanted to know if Fairy Zhen would succeed or not in this last process .

As Ye Chen expected, Fairy Zhen started to combine all the purified ingredients, Fairy Zhen tried to combine these ingredients, she seemed to be having a lot of trouble condensing all the ingredients into a pill.

Fairy Zhen's Cauldron began to vibrate, even though Fairy Zhen had not yet fully managed to combine everything.

"fail" Ye Chen predicted that Fairy Zhen would fail, there was no way Fairy Zhen could succeed after making a mistake.

"Boom" was indeed Fairy Zhen's Cauldron and made a loud bang, black smoke and a foul smell immediately filled the place.

"cough . ., cough . ., cough . . ." Fairy Zhen coughed while inhaling black smoke, the smell of failure was indeed unpleasant.

Fairy Zhen immediately opened the window in this room, Fairy Zhen waved her hand and started to expel the black smoke in the room.

"Looks like you have a failure" Ye Chen said to Fairy Zhen who was in front of him.

Fairy Zhen immediately turned around, Fairy Zhen immediately looked for the source of this sound.

After following the source of the sound, Fairy Zhen saw Ye Chen's whereabouts.

"Ye Chen, how long have you been here?" Fairy Zhen was shocked when she saw Ye Chen was in this room, Fairy Zhen didn't detect Ye Chen's presence at all.

Ye Chen was purposely hiding his whereabouts, that's why Fairy Zhen couldn't sense Ye Chen's presence.

"I have been in this place for a long time," Ye Chen said to Fairy Zhen.

"So you have been peeking on me secretly, you brat" Fairy Zhen said to Ye Chen.

"This isn't peeking, rather I'm looking at a beauty making a pill."

"Geez" Fairy Zhen is really helpless, how come someone like Ye Chen has a sweet tongue like this, Fairy Zhen who is an Elder can't hold back the sweet words from Ye Chen.

"Beautiful sister, what are you doing?" Ye Chen asked what Fairy Zhen was making.

"I'm doing an experiment to find the missing pill recipe" Fairy Zhen said to Ye Chen.

"The missing pill recipe?" Ye Chen was curious what kind of pill recipe Fairy Zhen was referring to.

"It's a copy of the manual that has an ancient language that is difficult to understand, I'm trying to decipher it" Fairy Zhen said to Ye Chen.

"Oh, I see" Ye Chen now understood what was going on, it seemed Fairy Zhen was conducting an experiment to crack the code.

"Beautiful sister, wouldn't what you do be a waste of resources?" Ye Chen asked Fairy Zhen.

"Indeed, this process will consume a lot of resources, but when I can solve it it will pay off" Fairy Zhen said to Ye Chen.

What Fairy Zhen does is like looking for a lost puzzle piece, when you find it, it will be an achievement in itself for Fairy Zhen.

Few Alchemists conducted experiments like this, they were willing to spend a lot of time on this kind of thing.

"May I have a look at the incomplete manual?" Ye Chen asked Fairy Zhen.

"Why, you're not an Alchemist are you?" Fairy Zhen asked Ye Chen.

"Don't underestimate me, even though it's like this, I'm an Alchemist too" Ye Chen said proudly.

Even though he was still slightly inferior to Fairy Zhen in terms of pill Tier, Ye Chen was still confident in his abilities and skills.

Chapter 1050 - Solve Fairy Zhen's Problem

"Oh, then why don't you show me that ability of yours" Fairy Zhen wanted Ye Chen to show his ability.

"No problem, I will show you my abilities" Ye Chen didn't mind showing his abilities, he wanted to show off to Fairy Zhen, who knows Fairy Zhen would be interested in his abilities.

"I can't wait to see what your abilities are like" Fairy Zhen said to Ye Chen.

Fairy Zhen couldn't wait to see what kind of abilities Ye Chen had, whether Ye Chen was just bragging or not.

"Is there a Cauldron here?" Ye Chen said to Fairy Zhen, Ye Chen intends to borrow Fairy Zhen's Cauldron.

"Of course there is" Fairy Zhen took out a Cauldron that looked very ordinary to Ye Chen.

Fairy Zhen deliberately didn't give Ye Chen a good Cauldron, this was so that Fairy Zhen could see Ye Chen's abilities.

Ye Chen received the Cauldron given by Fairy Zhen, after getting the Cauldron from Fairy Zhen, Ye Chen tried to make a pill.

Ye Chen started by putting in some ingredients, after that, Ye Chen immediately ignited the Cauldron with his profound fire.

Fairy Zhen was quite curious about what Ye Chen was trying to make, she was a little curious about the ingredients Ye Chen put into the Cauldron.

"Ye Chen, what do you want to do?" Fairy Zhen asked what Ye Chen wanted to make.

"You don't know what I want to do?" Ye Chen smiled at Fairy Zhen, it seemed Fairy Zhen didn't know what she wanted to make.

For some reason Fairy Zhen felt like she was being belittled by Ye Chen.

"bad Boy, don't be so mysterious, quickly tell me what you want to make?" asked Fairy Zhen.

Fairy Zhen was really very curious about what Ye Chen wanted to make.

"I'm making a Dolvingzhu Pill." Ye Chen said that he was making a Dolvingzhu Pill.

"Dolvingzhu pill?, what kind of pill is it?" Fairy Zhen started to ask what kind of pill Ye Chen was making.

"It is a pill that can increase one's strength, defense, and speed within 10 minutes" Ye Chen said to Fairy Zhen.

"Huh?, you have something like that?" Fairy Zhen was quite surprised when she listened to what Ye Chen said, she had never heard of a pill that could increase one's strength, defense and defense.

"Of course there is" Ye Chen told Fairy Zhen that of course there was.

"What Tier Pill is this?" Fairy Zhen asked about the Tier of the Dolingzhu Pill.

"This is only a Tier 4 Pill" Ye Chen said to Fairy Zhen.

"Tier 4 only?" Fairy Zhen was a little disappointed when she found out that this was only a Tier 4 pill, in the God Realm Tier 4 pills were in the low category.

"Don't expect too much from me, I only have the ingredients to make this pill" Ye Chen said to Fairy Zhen.

For now, Ye Chen has a lot of ingredients to make the Dolingzhu Pill, which is why Ye Chen decided to make the Dolingzhu Pill.

"No problem, Tier 4 is good enough for an outer court disciple" Fairy Zhen tried to comfort Ye Chen, she tried to encourage Ye Chen to not feel inferior with his abilities.

Alchemist is a tough job, there aren't many Alchemists in this Sect, that's why Fairy Zhen didn't mind Ye Chen's ability.

Ye Chen is still an outer court disciple, there is still a long way to go for Ye Chen in the future.

Actually Ye Chen could have made Pills Tier six and above, the problem was Ye Chen didn't want to overexpose his abilities.

Ye Chen was very relaxed when he made the Dolingzhu Pill, he even took the time to chat with Fairy Zhen.

Fairy Zhen was a little surprised to see that Ye Chen could be so relaxed when making a pill, it seemed that Ye Chen had some confidence in making the Dolingzhu Pill.

"Boom. . ." After a while, Ye Chen finally finished the last process, Ye Chen snapped his fingers and the Cauldron instantly lifted.

Ye Chen reached out his hand to take the Dolingzhu Pill that had just been made, the Dolingzhu Pill was still warm when Ye Chen held it.

"Please rate it." Ye Chen told Fairy Zhen to rate the pills he made.

Fairy Zhen looked at the pill in Ye Chen's hand, at a glance she could see that this pill was very perfect, it must be above 85% purity.

Fairy Zhen took the Dolingzhu Pill that was in Ye Chen's hand, she started to see how pure the pill in her hand was.

"this?" Fairy Zhen was a little surprised when she saw that the pills Ye Chen had made were extremely pure, the purity level of the pills in her hands was truly 100%.

Fairy Zhen herself had not been able to make a pill of this level of purity, so it was not surprising that Fairy Zhen was surprised by the results Ye Chen had managed to produce.

"Why do you look surprised?" Ye Chen smiled at Fairy Zhen, he was really happy to see Fairy Zhen's surprise.

Fairy Zhen tried to recover herself, she tried to act like an Elder, Fairy Zhen couldn't lose her cool in front of Ye Chen, she had to maintain her Elder reputation.

"Ye Chen, it turns out that besides having a sweet mouth, you have the ability in Alchemist as well" said Fairy Zhen .

"Hehehe, you can" Ye Chen just chuckled when he heard Fairy Zhen's praise, he was really very happy with Fairy Zhen's compliment.

"Ye Chen come here" Fairy Zhen told Ye Chen to come with her.

As promised, Fairy Zhen will show Ye Chen what she wants, Fairy Zhen will show the manual she previously said.

"This, you can see" Fairy Zhen told Ye Chen to take a look, because Ye Chen is an Alchemist, Fairy Zhen shouldn't have to explain it to Ye Chen anymore.

Ye Chen started to look at the manual Fairy Zhen had given him, Ye Chen started to read everything Fairy Zhen had found.

After seeing this, Ye Chen became a little interested, everything was a record and all the things that Fairy Zhen had done so far, Fairy Zhen even recorded all the mistakes she had made.

Ye Chen began to study everything in this manual, trying to understand everything that was written here.

Fairy Zhen could see Ye Chen's seriousness, that's why Fairy Zhen didn't bother Ye Chen.

Fairy Zhen started to record the mistakes she made, Fairy Zhen intends to correct the mistakes she had previously made.

After quite a long time, Ye Chen finally managed to learn everything in this manual, apart from studying this, Ye Chen also managed to solve the flaws in the pill manual Fairy Zhen collected.

"Can I give you some advice?" Ye Chen wanted to give Fairy Zhen a suggestion, he wanted to help Fairy Zhen solve the problem.

"Huh?, what advice do you want to give?" Fairy Zhen was confused by what Ye Chen said, she really didn't know what Ye Chen wanted.

"I want to give advice on manual matters" Ye Chen said that he wanted to give advice on Fairy Zhen's matter.

" Are you serious ?" Fairy Zhen couldn't believe what she had just heard from Ye Chen.

Ye Chen really wanted to give Fairy Zhen a suggestion for the pill manual matter, this was something Fairy Zhen couldn't think of.
