

A True God 1051

Chapter 1051 - A Gift For Fairy Zhen

"Of course I'm serious, why would I lie to you" Ye Chen said to Fairy Zhen.

Ye Chen couldn't lie to Fairy Zhen, there was no point in Ye Chen lying to Fairy Zhen.

Ye Chen started to write down the ways to refine all these pill manuals, after which he handed them over to Fairy Zhen.

"You can try it" Ye Chen said to Fairy Zhen to give it a try.

Fairy Zhen received the note given by Ye Chen, she was still unsure whether to believe the note Ye Chen gave to her.

Ye Chen could see the doubts Fairy Zhen had, it could be seen that Fairy Zhen still didn't believe what she explained.

"It doesn't matter if you don't believe what I say, it's all up to you" Ye Chen said to Fairy Zhen.

Ye Chen didn't mind this, it was Fairy Zhen's right to believe in he or not.

Fairy Zhen thought about Ye Chen's words, whether she should believe Ye Chen or not.

"Beautiful sister, how about the condition of the women I brought before?" Seeing Fairy Zhen looking confused, Ye Chen decided to change the subject.

Ye Chen asked about the circumstances of the women he had saved.

"They have received treatment, it may take some time for them to fully recover" Fairy Zhen said to Ye Chen.

"Very Good" Ye Chen was happy with it, as long as they could recover, then it would be fine.

"You didn't forget my gift, did you?" Ye Chen said to Fairy Zhen.

Fairy Zhen collects the promise given by Ye Chen, she wonders what Ye Chen will give.

"Okay" Ye Chen smiled at Fairy Zhen, he would give Fairy Zhen the gift that Fairy Zhen wanted.

Ye Chen took a sofa from the fairy gate storage room, Ye Chen put the sofa in front of him.

"please sit down here" Ye Chen told Fairy Zhen to sit on the sofa in front of him.

Fairy Zhen was really very confused about what Ye Chen had done to her, for some reason she was very curious about what Ye Chen would do.

Because this curiosity is very disturbing, Fairy Zhen is eager to find out the answer.

Finally after a bit of determination, Fairy Zhen sat down on the Sofa that Ye Chen took.

After Fairy Zhen sat down, Ye Chen immediately turned his back to Fairy Zhen's.

"Get ready" Ye Chen whispered to Fairy Zhen to get ready.

"Ye Chen, what do you want. . ., ah . . ." Before Fairy Zhen could finish her words, Fairy Zhen felt an extremely comfortable feeling in her body, This comfortable feeling came from the massage that Ye Chen gave her.

That's right, Ye Chen gave Fairy Zhen a massage, this was one of the gifts Ye Chen could give Fairy Zhen.

"Your body is really very stiff, you push yourself too much, let me make things soft" Ye Chen said to Fairy Zhen.

Ye Chen told Fairy Zhen that he had worked too much so the muscles in his body were too stiff.

Fairy Zhen didn't say much, she was currently enjoying Ye Chen massage.

Needless to say, this feeling was truly comfortable , Fairy Zhen had never felt such a feeling in her life.

Fairy Zhen couldn't describe the feeling that Ye Chen gave her, her current self seemed to float to heaven, her whole mind and body became soft and helpless.

"Um. . ." when Ye Chen strengthened his movements, Fairy Zhen would let out a sweet moan that was quite comfortable to listen to, Beautiful Milf had actually been completely immersed in a wonderfully woven feeling.

Ye Chen continued his massage session, Ye Chen tried to soften Fairy Zhen's stiff body.

"Ye Chen, over there, is even stronger. . ., you are really really great . . ." Fairy Zhen started praising Ye Chen's skill, Ye Chen's skill really made Fairy Zhen feel very comfortable.

Fairy Zhen was completely addicted to this feeling, which was why she asked Ye Chen for more.

Fairy Zhen was not aware that she had made such a face lewd , if the disciple saw this, then perhaps they would all be shocked.

Even though this room had good insulation, Fairy Zhen's moans were still leaking out, this was because Fairy Zhen had forgotten to close the windows in this room.

Some of the students nearby could hear Fairy Zhen's moans which was very comfortable to listen to.

Some of the female Disciples who were in the Medicine Pavilion were shocked when they heard this voice, their minds started to run wild when they heard Fairy Zhen's voice.

The noble female disciples thought that Fairy Zhen found a man outside, that was the only thing they could think of for now.

The words that Fairy Zhen just said could make anyone who listens to the wrong idea, so it wasn't strange that female students would think Fairy Zhen found a man.

Ye Chen didn't care about female students who could hear Fairy Zhen's voice, Ye Chen quite enjoyed listening to Fairy Zhen's voice, in Ye Chen's ear, this voice was like a very melodious music.

Ye Chen didn't forget to absorb Fairy Zhen's Yin Qi, Fairy Zhen's Yin Qi is quite rich, at least this beautiful Milf is still very pure, this Beautiful Milf has never been tainted by anyone.

As time went on, Fairy Zhen was starting to get really tired of the feeling she was getting.

It just so happened that Ye Chen was almost done to soften Fairy Zhen's body.

"Alright, it's over" Ye Chen told Fairy Zhen that the massage session was over.

Fairy Zhen started to pant, she slumped limply on the sofa, Fairy Zhen really felt her body was so soft, Fairy Zhen was unable to move her finger.

Fairy Zhen was in a very weak state, if the current Ye Chen had bad thoughts, then maybe Ye Chen could easily eat this Beautiful Milf.

"Beautiful sister, do you like the gift I gave you" Ye Chen said to Fairy Zhen.

Fairy Zhen did not answer Ye Chen, she was quite embarrassed to answer what Ye Chen asked.

Now that Fairy Zhen knew what Ye Chen meant earlier, after trying out such feelings, how could Fairy Zhen forget about it.

What Ye Chen had just done to Fairy Zhen, Fairy Zhen would be very hard to forget.

Ye Chen's skills will definitely never be forgotten by a Beautiful Milf like Fairy Zhen.

Ye Chen smiled when he saw Fairy Zhen looking embarrassed, the beautiful Milf who used to tease Ye Chen would be embarrassed like this.

"Oh yeah, I forgot that I have to practice" Ye Chen almost forgot that he had to train, in a few days Ye Chen had an appointment with Mei Yueli, so Ye Chen had to practice his Sage God inheritance as much as possible.

"Beautiful sister, I will go to practice, see you later" Ye Chen said to Fairy Zhen that he was going to train.

Without waiting for Fairy Zhen's reply, Ye Chen immediately left this place.

Ye Chen knew that Fairy Zhen would not be able to answer himself due to exhaustion, so Ye Chen let Fairy Zhen rest for a while.

Chapter 1052 - Am I That Pervert?

Ye Chen left Fairy Zhen alone in the room, Fairy Zhen was currently still trying to rest to recover herself.

After about 30 minutes, Fairy Zhen finally started to regain her strength.

Fairy Zhen's body felt so light, she had never felt so light on her body.

Now Fairy Zhen felt that she could do everything very easily.

"That brat's skill is quite dangerous, my body really enjoys it" Fairy Zhen felt that Ye Chen's massage skill was very dangerous, Fairy Zhen's body felt a great pleasure.

Fairy Zhen had never felt anything like it, it was a truly extraordinary experience for Fairy Zhen.

Fairy Zhen probably wouldn't be able to forget the experience just now, she was already getting addicted to what Ye Chen had just done.

Fairy Zhen saw that her bottom was wet, it seemed that Fairy Zhen was really aroused by the stimulation just now.

"Am I that pervert?" Fairy Zhen was embarrassed when she found out about this matter.

Fairy Zhen was completely drenched after getting a massage session from Ye Chen, this was something that had never happened to Fairy Zhen.

"Today I was teased by a bad boy, just watch out next time I will definitely tease you" Fairy Zhen swore that next time she would tease Ye Chen, Fairy Zhen didn't want to be defeated by a kid like Ye Chen.

"Maybe I should take a shower first" Fairy Zhen intended to take a shower and clean herself up, her body was a little sweaty because of what she did earlier.

Before that, Fairy Zhen didn't forget to pack this place up to make it look even cleaner, this place was really scattered about.

Fairy Zhen is a person who likes cleanliness, she doesn't like letting her workplace fall apart like this.

Fairy Zhen started tidying up this place, all the scattered things were easily cleaned up by Fairy Zhen.

Fairy Zhen started to tidy up her Cauldron which Ye Chen had previously used to make a pill.

When Fairy Zhen opened the Cauldron, Fairy Zhen found that inside the Cauldron there were still some of the same pills that Ye Chen had shown her.

"this?" Fairy Zhen was quite surprised when she saw this, she couldn't believe that Ye Chen had managed to make more than one Dolingzhu pill.

"I think I just found a rare talent" Fairy Zhen felt that she had just discovered a rare talent, Ye Chen's ability in the Alchemist field deserves thumbs up, it was quite difficult to do what Ye Chen did.

Upon seeing this, Fairy Zhen immediately remembered the note Ye Chen had previously given her.

Fairy Zhen hurriedly took the note and looked at it, Fairy Zhen started to read everything Ye Chen wrote, she thought everything Ye Chen wrote was very reasonable.

"Really a genius" Fairy Zhen praised Ye Chen's abilities, even though Ye Chen looked like that and looked inexperienced, Ye Chen was actually quite talented.

Fairy Zhen couldn't wait to try the notes given by Ye Chen, she wanted to know if all of this was possible or not.

After all, there was nothing to lose if Fairy Zhen tried this, even if it failed Fairy Zhen would not be at a loss.

Before Fairy Zhen tried everything Ye Chen wrote, Fairy Zhen had to clean her body, it wasn't too comfortable when she was dirty like this.

Fairy Zhen kept the note given by Ye Chen in a very safe place, Fairy Zhen must not lose this important record.

After securing the records, Fairy Zhen tidied up the things in this room, after everything was completely tidy, Fairy Zhen decided to leave this room.

.

.

Meanwhile, Ye Chen went to the forest, he wanted to find Magical Beasts to practice.

It just so happened that the forest had been cleared, so all the disciples from the Nine Immortals Peak Sect had been allowed to enter the forest again.

"Very crowded . . ." When Ye Chen entered the forest, Ye Chen found that the forest had become very crowded, it really wasn't like the last time Ye Chen was here.

It can be seen that there are groups of men and women looking for something in the forest, they are looking for an important object in this vast forest.

"Don't tell me they're looking for medicinal herbs?" Seeing this phenomenon, Ye Chen immediately concluded that these people were looking for a medicinal plant.

"Master, it is very likely that these people were affected by your great achievements" Chu Yuechan said to Ye Chen.

These people were disciples of the Nine Immortals Peak Sect, they were all affected by the results Ye Chen got when picking medicinal herbs, which was why these people were trying their luck.

"Some of the medicinal plants in this forest should have been used up by the time I picked them, it will still take some time for new herbs to grow, these people are wasting their time" Ye Chen said to Chu Yuechan.

Some of the medicinal herbs in this forest had been picked by Ye Chen, so there shouldn't be many herbs left.

In addition , the number of disciples picking medicinal plants increased tens of times, this could make medicinal plants very rare to obtain.

"Yes, I know what you mean, these people are really wasting their time." Chu Yuechan could understand what Ye Chen was saying.

This number of people is too many, the medicinal plants in this forest can't possibly be enough for all of them.

Now picking medicinal plants is like looking for a needle in a haystack.

"Forget these people, let's find a quiet place" Ye Chen decided to forget these people, he had nothing to do with these people, after all it was useless for Ye Chen to warn these people, they must be would not believe Ye Chen who was foreign to them.

Ye Chen left the outer part of the forest, he went deeper and deeper into the core.

There should be fewer people in the core, outer court disciples will definitely not dare to go too deep, that would be tantamount to suicide.

Ye Chen started to look around, he was looking for the existence of a Magical Beast that had the attributes of fire, ice, water or wind.

Ye Chen wandered around for a while, until now Ye Chen still couldn't find any sign of the Magical Beast he was looking for.

"Why can't I find the Magical Beast I'm looking for?" Ye Chen started to get a little frustrated when he didn't get the Magical Beast he was aiming for.

Even though Ye Chen had circled several times, Ye Chen had not found the Magical Beast he was looking for.

"Master, have you forgotten what Mu Xueying previously said, this forest has just been visited by some powerful cultivators, surely the Magical Beasts in this forest are hiding and saving themselves" Chu Yuechan said to Ye Chen.

"Yes, I know, but is there really nothing left?" Ye Chen said.

Ye Chen was really very disappointed, he had to go the extra mile just to find one Magical Beasts.

"That, I finally found it" After searching for a while, Ye Chen finally found a Magical Beast wandering around this place.

Ye Chen immediately descended in front of the Magical Beast, the Magical Beast was very surprised when he saw Ye Chen's arrival.

Magical Beasts immediately became very alert when they met Ye Chen, Magical Beasts immediately saw Ye Chen as an enemy.

Ye Chen began to emit a very powerful killing aura, Ye Chen intended to make Magical Beasts attack him.

Chapter 1053 - Training With Magical Beasts

When it sensed a threat emanating from Ye Chen, the Magical Beast became more and more ferocious, the Magical Beast intending to attack Ye Chen.

Magical Beasts started to attack Ye Chen using his Ice breath.

"Good, I'll try to control it" Ye Chen looked very happy when he saw this, now it was time for him to try to control the attacks launched by the Magical Beasts.

Ye Chen tried to control the Ice breath attack launched by the Magical Beast, unfortunately when Ye Chen did this, Ye Chen couldn't control the attack.

As a result, the attack directly hit Ye Chen's body, and around Ye Chen's body was immediately covered by Ice fog.

This ice didn't hurt Ye Chen at all, the Ice mist just swirled around Ye Chen's body, before dissipating.

"Shit, why can't you?" Ye Chen had a failure, he couldn't control the Magical Beast's attacks like when he fought the Flame Dragon.

Ye Chen himself didn't know what was going on, for sure he couldn't use the power yet.

"Again, let's attack me one more time" Ye Chen told the Magical Beast to attack him once more.

The Magical Beasts attacked Ye Chen again, this time the Magical Beasts' attacks were slightly stronger than before.

Just like before, Ye Chen tried to control the attacks launched by the Magical Beasts, Ye Chen tried all kinds of ways to control the power of the Magical Beasts.

Unfortunately what Ye Chen did didn't work,

the Magical Beast's attack still hit Ye Chen, Ye Chen still couldn't control the Magical Beast's attack.

"What's really wrong?" Ye Chen started to find out where his fault was.

In the past Ye Chen was able to do that because he had a strong desire to protect Yue Ya, so Ye Chen moved without thinking anything.

"It seems to be more difficult than imagined" Chu Yuechan said to Ye Chen.

Chu Yuechan herself did not expect that it would be this difficult, Chu Yuechan thought Ye Chen would succeed with just one try, but in reality it was not like that.

"I won't attack, I will definitely master that ability" Ye Chen will not give up, he will definitely master the Sage God's ability.

"Let's go one more time," Ye Chen said to the Magical Beast in front of him.

When Ye Chen wanted the Magical Beast to attack him, Ye Chen discovered that the Magical Beast had already fled far away, the Magical Beast was really scared after knowing his attacks didn't work against Ye Chen.

"Where are you going, I won't let you run away" Ye Chen wouldn't let his training tools escape, he was chasing the Magical Beast that had just run away.

.

.

Meanwhile at Jade Lotus Peak, Mu Nianci and Xia Qingyu were currently training, both of whom were practicing their combat abilities.

Mu Nianci and Xia Qingyu looked more and more beautiful, after practicing at the Jade Lotus Peak

"Sister Nianci, what do you think Ye Chen is doing right now?" in the middle of practice, Xia Qingyu asked what Ye Chen was doing at the moment, Xia Qingyu had not heard from Ye Chen for almost 1 month.

"Who knows, maybe he's having fun with a woman out there," Mu Nianci said to Xia Qingyu.

After being together for almost 1 month, Xia Qingyu and Mu Nianci's relationship became close, as time passed, the two became close friends.

"Why do you think like that?" Xia Qingyu asked Mu Nianci.

"You've been with Ye Chen right?, you should know how Ye Chen's nature is, he will definitely be entangled with the beauties out there, no one can stop that when it happens" Mu Nianci said helplessly.

After being with Ye Chen for such a long time, Mu Nianci already knew that Ye Chen was easily entangled with beautiful women, Ye Chen's luck was really unreasonable.

"Yes, it can't be helped, Ye Chen needs a woman's Yin Qi, so he must be close to several women" Xia Qingyu said to Mu Nianci.

"Yeah, I know that too, maybe that's the reason why he got entangled with all of us," Mu Nianci said to Xia Qingyu.

"How about we both go and see how Ye Chen is sometime" Xia Qingyu asked Mu Nianci to go see Ye Chen.

"Yes, that's fine, but we have to finish our training, otherwise the Senior Sister won't let us leave this place" Mu Nianci said to Ye Chen.

Before Xia Qingyu and Mu Nianci reached the stage set by Mu Xueying, both of them were strictly forbidden to leave their current place.

"Then let's go back to cultivate to get out of this place quickly." Xia Qingyu advised Mu Nianci to return to training, it was done so that the two of them quickly got out of this place.

Mu Nianci nodded, and the two of them resumed their training.

.
.

Still at Jade Lotus Peak to be exact in Ning Xia's room, Ning Xia had just finished refining the Ice Phoenix blood for Mu Xueying.

Now it was just a matter of finding Mu Xueying and giving this to Mu Xueying, then Mu Xueying would be able to use the Ice Phoenix like Ning Xia.

Ning Xia released the barrier she had created, after which Ning Xia went to Mu Xueying's room.

It just so happened that Mu Xueying was currently in her room, so Ning Xia shouldn't have bothered to look for Mu Xueying's whereabouts.

"Xueying, are you inside?" Ning Xia knocked on Mu Xueying's door.

Unfortunately Ning Xia didn't get any response from Mu Xueying.

Because of this strangeness, Ning Xia decided to try to call back Mu Xueying, unfortunately the second and third calls made by Ning Xia didn't work at all, Ning Xia didn't get an answer from Mu Xueying.

Unable to get an answer, Ning Xia was forced to forcibly enter inside, as Lord Peak, Ning Xia was able to enter all places in Jade Lotus Peak.

Ning Xia opened the door to Mu Xueying's room, when Ning Xia opened Mu Xueying's room, Ning Xia found Mu Xueying lost in thought and looking out the window.

The current Mu Xueying looked extremely beautiful, she really was like a goddess peeking out.

"This girl is getting more and more beautiful" Ning Xia felt that Mu Xueying became more and more beautiful as time went on, the Exquisite Goddess Body was indeed very extraordinary, this made Mu Xueying even more beautiful.

If it continued like this, then Mu Xueying would definitely attract the attention of countless people in the God Realm.

"Xueying. . ." Ning Xia tried to call Mu Xueying, unfortunately Mu Xueying still didn't listen to Ning Xia's words.

Even though Ning Xia was very close, Ning Xia's voice still couldn't be heard by Mu Xueying.

"What exactly is she thinking?" Ning Xia started to wonder what Mu Xueying was thinking.

Why did Mu Xueying daydream to the point of not listening to Ning Xia's words.

Ning Xia had no choice but to come over and pat Mu Xueying's shoulder.

Mu Xueying felt someone tap her on the shoulder, Mu Xueying immediately saw who tapped her on the shoulder.

When Mu Xueying looked back, Mu Xueying found the figure of Ning Xia already behind her.

"Master, why are you here?" Mu Xueying immediately asked why Ning Xia was in her room.

Chapter 1054 - Get The Descendant Of The Ice Phoenix

"I've called you several times since earlier, unexpectedly you're lost in thought and can't talk to you" Ning Xia said.

"Master, I'm sorry" Mu Xueying apologized to Ning Xia, she really didn't expect to ignore Ning Xia's call.

"No need to apologize" Ning Xia told Mu Xueying not to apologize, after all Mu Xueying didn't do anything wrong.

"Actually, what are you thinking to be daydreaming like that?" Ning Xia asked what My Xueying was thinking about daydreaming and not listening to others.

"Master, this is a difficult thing to say" Mu Xueying said that this was a very difficult thing to say.

"Just say it, as long as I can help you, I will help" Ning Xia said to Mu Xueying.

Ning Xia wanted Mu Xueying to tell her all about the matter, maybe Ning Xia could help with this matter.

Mu Xueying started to tell Ning Xia her problem, it turned out that this matter was about Ye Chen, Mu Xueying was confused whether or not she should be honest with her feelings.

Despite being Ye Chen's woman, until now Mu Xueying still couldn't be honest with her feelings, even Mu Xueying hid this matter from Ye Chen.

Ning Xia looked awkward when she listened to Mu Xueying's problem, Ning Xia didn't know how to solve Mu Xueying's problem.

Ning Xia had no experience in romance, so Ning Xia was at a loss as to what kind of advice to give Mu Xueying.

"Master, what do you think?" Mu Xueying asked Ning Xia's opinion, Mu Xueying wanted to know what opinion Ning Xia had.

"Xueying, I myself don't understand the problem you are facing, I suggest you better be honest with yourself, it will be better" Ning Xia said to Mu Xueying.

Ning Xia could only give such advice to Mu Xueying.

"Be honest with yourself. . ." Mu Xueying muttered what Ning Xia had just said, it seemed that Mu Xueying really had to be honest with herself.

In her heart, Mu Xueying like Ye Chen, she might have to be a little honest about this matter, otherwise she would not be able to be with Ye Chen in the future.

"Master, thank you very much for your advice." Mu Xueying was grateful for Ning Xia's advice, Ning Xia's advice was very useful.

Ning Xia nodded lightly to Mu Xueying, she was relieved to see that Mu Xueying had solved her problem.

"Master, why are you here?" Mu Xueying immediately asked what Ning Xia was doing in this place.

Ning Xia should be currently closing herself within the main building of the Jade Lotus Peak.

"About that matter, I was looking for you to give you something" Ning Xia informed that she had come here to give Mu Xueying something.

"Master, what is it?" Mu Xueying asked what Ning Xia was trying to give her.

"I want to give the Ice Phoenix blood to you" Ning Xia told Mu Xueying that she intended to give the Ice Phoenix blood.

"Huh? . ." Mu Xueying looked shocked when she heard this, she couldn't believe what Ning Xia had just said.

"Master, you. . . ?" Mu Xueying didn't understand why Ning Xia gave such a precious thing like this.

Ning Xia should have used this for herself, why would Ning Xia have given this to Mu Xueying instead.

"Master, why don't you use this for yourself?" Mu Xueying asked Ning Xia.

"I don't need this" Ning Xia told Xueying that she didn't need anything like this.

That was because Ning Xia herself was someone who possessed an extremely pure Phoenix bloodline.

Until now, no one was aware of Ning Xia's Pure Phoenix bloodline, so it wasn't strange for Mu Xueying to think such a thing.

"But" Mu Xueying still wanted to refuse this gift, it was too precious to her.

"Xueying, you just accept this, after all I will explain everything to you" Seeing Mu Xueying still refusing, Ning Xia had no choice but to force Mu Xueying, Mu Xueying had to be willing to accept this gift.

"Alright, if it is Master's wish I will accept it" Mu Xueying said to Ning Xia.

Because of Ning Xia's coercion, Mu Xueying was forced to accept this gift, she had to accept Ning Xia's gift.

"Good" Ning Xia nodded to Mu Xueying, finally Mu Xueying was willing to accept Ning Xia's gift.

"Then let's start preparing yourselves." Ning Xia told Mu Xueying to prepare herself, Ning Xia would start giving her the Ice Phoenix Blood that she had purified.

Even though it wouldn't be as pure as Ning Xia's, at least it was more than enough to allow Mu Xueying to use Ning Xia's Ice Phoenix Art.

Later Ning Xia would also give the Ice Phoenix Art to Mu Xueying to study.

Mu Xueying nodded, she would prepare herself to receive Ning Xia's gift of Ice Phoenix blood.

"Please take off some of your tops." Ning Xia told Mu Xueying to take off some of her tops.

Ning Xia needed to enter the Ice Phoenix through Mu Xueying's heart vein.

In this case Mu Xueying didn't say anything, Mu Xueying started to untie her clothes and started to lower her white Phoenix clothes.

Ning Xia was a girl, so Mu Xueying didn't mind if Ning Xia saw a bit of her body.

After Mu Xueying lowered her clothes a little, Ning Xia immediately pushed the blood in her palm into Mu Xueying's chest.

His Ice Phoenix blood easily entered Mu Xueying's body.

The Ice Phoenix Blood began to spread in Mu Xueying's body, the Ice Phoenix Blood began to fuse with Mu Xueying's blood.

Mu Xueying's veins had also changed during this process, now there was something similar to an abundance of tiny Ice crystals in Mu Xueying's Vein path.

Mu Xueying could feel her body change very well, Mu Xueying shivered slightly during the fusion process of the Ice Phoenix Blood.

Even though Mu Xueying was a cultivator who cultivated Profound Ice, Mu Xueying still felt cold when she received the Ice Phoenix blood from Ning Xia.

From the side, Ning Xia observed the ongoing process, Ning Xia was on guard in case something bad happened or the Ice Phoenix blood resisted Mu Xueying's body.

"Xueying ,do not disappoint me." Ning Xia could only hope that Mu Xueying wouldn't let her down.

After 20 minutes had passed, Mu Xueying finally started to completely fuse with the Ice Phoenix Blood, it could be said that Mu Xueying had already obtained the descendant of the Ice Phoenix.

After successfully fused with the Ice Phoenix Blood, Mu Xueying opened her eyes, Mu Xueying felt a great power coursing through her body, this power was truly extraordinary for Mu Xueying.

Mu Xueying tried to use her power, from Mu Xueying's palm emerged an Ice that looked very pure and beautiful, This is the Profound Ice that belongs to the Ice Phoenix.

"Congratulations, you really didn't disappoint me." Ning Xia congratulated Mu Xueying for successfully obtaining the Ice Phoenix bloodline from her.

"Master ,thank you very much" Mu Xueying thanked Ning Xia for what Ning Xia had given her.

What Ning Xia gave was very meaningful to Mu Xueying, this way Mu Xueying's strength would become much stronger.

Chapter 1055 - Phoenix Clan

Ning Xia nodded lightly at Mu Xueying, she felt a little happy when Mu Xueying could fuse with her Phoenix blood, now Mu Xueying could use the Ice Phoenix Inheritance like her.

"Master, can you now tell me what you meant before?" Mu Xueying wanted to know what Ning Xia had previously wanted to say.

Mu Xueying really wanted to know what Ning Xia wanted to tell her.

"Okay, I'll tell you a little bit about me." Ning Xia started to tell Mu Xueying a little about herself.

Ning Xia told who she was and the power she possessed, Ning Xia was a member of the Phoenix Clan who had two inheritances in one body, Ning Xia's own body had the inheritance of the Ice Phoenix and the Fire Phoenix.

This is what makes Ning Xia able to use two elements at the same time, it turns out that Ning Xia is hiding a big secret in her body.

Mu Xueying looked shocked when she found out about this, she never knew that Mu Xueying had the inheritance of two Phoenixes in the same body, it was a very difficult thing to explain even for a cultivator.

Ning Xia was here in disguise, it seemed that Ning Xia was trying to hide herself from the outside world, especially from the Great powers in the God Realm.

Ning Xia is really very powerful, Ning Xia can hide the Phoenix inheritance from everyone, even now Mu Xueying and the female disciple of Jade Lotus Peak are not aware that Lord Peak has two Phoenix inheritances.

"Then why is Master in this place?" Mu Xueying started to ask why Ning Xia was in this place.

"For some reason, I disguised myself and became a Peak Lord, I did it for something I can't say" Ning Xia didn't want to tell Mu Xueying this reason, she didn't seem to want to tell Mu Xueying her plans.

Seeing that Ning Xia was unwilling to speak of this matter, Mu Xueying did not dare to continue this matter.

"Xueying, I only have a request of you" Ning Xia now had a request for Mu Xueying.

"What is it, as long as I can do it, I will." Mu Xueying was curious about Ning Xia's request.

"I want to ask you to help me when the time comes, I'm not asking this as your Master, I'm asking this as a colleague, I believe in the future you can help me" Ning Xia said to Mu Xueying.

It turned out that Ning Xia wanted to ask Mu Xueying to lend a helping hand when the time came, Ning Xia would need help from Mu Xueying in the future.

"Master, you don't need to ask for such things, as long as you ask for help, I will always help you" Mu Xueying said to Ning Xia.

Even though Ning Xia didn't say this, if Ning Xia was in trouble, Mu Xueying would definitely try to help.

"Thank you very much" Ning Xia thanked Mu Xueying, Ning Xia was satisfied with the answer given by Mu Xueying, it seems that Ning Xia is not wrong in having people.

"One more thing, please keep secret what I'm talking about right now, I hope you can do it" Ning Xia wanted Mu Xueying to keep her identity a secret, Ning Xia didn't want anyone else to know about her identity.

"Master, don't worry, this secret will definitely be very safe." Mu Xueying promised that this secret would be safe with her.

Ning Xia nodded, Ning Xia was very confident with Mu Xueying's words, Mu Xueying would definitely never betray her and leak this matter.

"This Xueying is Ice Phoenix cultivation, now that you have obtained the inheritance of Ice Phoenix power, you can start to study it" Ning Xia handed the Ice Phoenix Art to Mu Xueying.

Ning Xia wanted Mu Xueying to learn this so that the power that Ning Xia gave her could be even more useful.

Mu Xueying received the Ice Phoenix Art from Ning Xia, Mu Xueying couldn't wait to learn what Ning Xia had given her.

"You can learn it yourself, I will go to do something important, as long as I am not in this place, you will take full responsibility in this place" Ning Xia wanted to do something, she handed over the responsibility of being here to Mu Xueying.

"Okay, Xueying understands." Mu Xueying immediately nodded at Ning Xia, she would take responsibility when Ning Xia wasn't here.

After telling Mu Xueying the responsibility, Ning Xia immediately disappeared from this room.

Now in this room only Mu Xueying was left alone.

Mu Xueying looked at the Ice Phoenix Art in her hands, Mu Xueying was going to try to learn the Ice Phoenix Art.

.

.

After leaving Mu Xueying's room, Ning Xia headed towards the forest, intending to head to the battleground of Yue Ya and the Flame Dragon.

As she was still busy refining the Ice Phoenix blood, Ning Xia still didn't have time to see the battles that Moon Goddess Yue Ya fought.

Ning Xia also wanted to see the traces of the battle that Moon Goddess Yue Ya had fought, Ning Xia wanted to know what Moon Goddess Yue Ya was doing in Sky Cloud Peak Star Realm.

As a powerful cultivator in the God Realm, what Yue Ya did naturally attracted Ning Xia, Ning Xia wanted to know why the moon goddess Yue Ya had come to visit this place.

When Ning Xia headed to the part where the battle was taking place, Ning Xia saw someone chasing a Magical Beast.

"Hey where are you running, come attack me" this man shouted to the Magical Beast who was trying to run away.

That's right, the person Ning Xia was looking at was Ye Chen, Ye Chen was currently chasing the Magical Beast that was running away from him.

"What is that outer court disciple doing, why is he chasing Magical Beasts?" Ning Xia started to wonder what Ye Chen was doing, why did Ye Chen chase the Magical Beasts and tell the Magical Beasts to attack him.

This of course became a very strange thing for Ning Xia, Ning Xia had never seen anything like this.

What Ye Chen did was quite funny to Ning Xia, Ning Xia thought Ye Chen was playing catch-up with Magical Beasts.

"This outer court disciple is a little interesting, how can a Tier 7 Magical Beast run like that when facing an outer court disciple who only has cultivation at the early Divine Nascent Realm."

Ning Xia was curious how a Tier 7 Magical Beast who was on the same level as a cultivator at the peak realm of the Divine Spirit Realm would be afraid of Ye Chen who had such a low cultivation.

Ye Chen was currently hiding his own strength, so Ning Xia didn't know Ye Chen's true strength.

"Ah forget it, I still have important business to do" Ning Xia decided to continue with important business, she had to go where she wanted to go.

Ning Xia went to Yue Ya's battle ground, she started to ignore Ye Chen.

Ye Chen who was chasing the Magical Beast stopped where he was, just now Ye Chen felt someone was spying on him.

Ye Chen immediately looked around, trying to find Ning Xia's whereabouts.

"Yuechan just now?" Ye Chen asked Chu Yuechan.

"It's just a strong cultivator passing by." Chu Yuechan told Ye Chen that a powerful cultivator just happened to pass by this place.

"I see." Ye Chen nodded to Chu Yuechan, it seemed that just now he was not someone who had any intentions towards Ye Chen.

"Hey don't run away" Ye Chen finally returned to focus on the Magical Beast that he was chasing, Ye Chen should be able to catch this Magical Beast.

Chapter 1056 - Accidentally Peeked At Ning Xia Who Was Taking A Bath

The few days had passed so quickly, Ye Chen was currently still training tirelessly.

In these few days, Ye Che had successfully cultivated his Sage God ability, little by little Ye Chen had begun to be able to control the Elements around him.

Even Ye Chen could already control the gusts of wind blowing in this forest.

Although not completely perfect, Ye Chen was already satisfied, the results of his hard work for several days had paid off quite well.

"Master, don't you have an appointment with Mei Yueli?" Chu Yuechan reminded Ye Chen that today he had an appointment with Mei Yueli.

"It's about time, it's fast." Ye Chen felt that time was running so fast, Ye Chen didn't even realize that several days had passed very quickly.

Ye Chen purposely asked Chu Yuechan to remind himself of this matter, when Ye Chen was busy practicing, sometimes Ye Chen would forget something important.

"I'll clean myself first" Ye Chen decided to clean himself first, his body looked a little dirty from the practice of receiving attacks from Magical Beasts.

Ye Chen started to look for the nearest pure spring from where he was, with his new ability, Ye Chen could easily find the whereabouts of the pure spring around this place.

Ye Chen didn't waste any of his time, Ye Chen immediately went towards the spring that was not far from this place.

After a while, Ye Chen finally arrived at a very pure spring.

In front of Ye Chen saw a pond that was not too deep in size, inside this pond there was a water that looked very clear.

"This fits." Ye Chen didn't think much of it, he immediately took off his clothes and jumped into the pool.

"Byur. . ." when Ye Chen jumped into the water, the water in the pool started to ripple, it could be seen that Ye Chen hit the water very hard.

Ye Chen started to swim and enjoy the spring water which was still very pure, this was really very refreshing for Ye Chen.

"Ah, how comfortable" Ye Chen started to relax and enjoy this comfort, he felt more refreshed when bathing in a place like this.

"Master, someone is approaching here." While Ye Chen was relaxing, Chu Yuechan suddenly told Ye Chen that someone was approaching this place.

" who is that ?" Ye Chen began to wonder who was approaching this place, whether this person was strong or not.

"Master, this is a very strong cultivator, you should hide." Chu Yuechan told Ye Chen that the one approaching here was a very strong cultivator.

"Where should I hide?" Ye Chen started to wonder where he should hide.

This place is very open, there is no place for Ye Chen to hide, that person is also getting close, so Ye Chen will not have time to leave this place.

"Just hide, under the pond" Chu Yuechan suggested to hide himself in under this pond.

After all, the bottom of the pond was quite deep and there were some stones that Ye Chen could use to hide himself.

"Fine, I will follow your advice." Ye Chen nodded, he would follow the advice Chu Yuechan gave him.

Ye Chen immediately dived under the pool, Ye Chen dived deep enough, after feeling deep enough he looked for a suitable hiding place for himself.

Some time after Ye Chen dived to the bottom of the pond, a beautiful woman came to this place.

This beautiful woman was none other than Ning Xia who had just finished observing the battle marks of Yue Ya and the Flame Dragon.

Somehow Ning Xia had suddenly come to this place, this was really something strange.

"Looks like this place is still the same as the last time I was here." Ning Xia said that this place was still the same as the last time she came to this place.

It turned out that this was Ning Xia's favorite place to bathe, once in a while Ning Xia came to this place to bathe and clean herself up.

The reason Ning Xia chose this place as her favorite place, was because the source of the water in this place was very pure, it could give Ning Xia a feeling of comfort and peace.

Ning Xia snapped her fingers, a barrier formed around this place, this barrier was meant to prevent outsiders from seeing inside.

After setting up a barrier that blocked the view of others, Ning Xia began to take off her Phoenix clothes.

Ning Xia's perfect and beautiful body started to be exposed, Ning Xia also started to take off some accessories in her hair, Ning Xia's long hair flowed straight down, Ning Xia then put everything that belonged to her by the pool.

Of everything on her body, only the veil on her face that Ning Xia did not remove, Ning Xia never took off her veil even if she was alone or taking a bath like this.

Ning Xia's identity had to be kept under wraps which was why Ning Xia didn't want to take off her veil which was useful for hiding her true face.

Ning Xia started to take a light step, she started to dip her Jade feet into the water.

Ning Xia began to slowly enter the water, she began to immerse herself in the water which felt very refreshing and comfortable.

At the bottom of the spring pool, Ye Chen could see the scenery above, he saw a beautiful sight that was very amazing, he didn't expect the person who came to be a beautiful woman.

Plus this beautiful woman was bathing right above him, this was a sight that Ye Chen couldn't miss.

"This woman is very beautiful" from below Ye Chen admired Ning Xia's beauty, Ning Xia, whose long hair was wet, looked very seductive.

Even though Ye Chen couldn't see Ning Xia's beauty, Ye Chen could confirm that Ning Xia was a very beautiful woman, Ye Chen could guarantee that.

Ning Xia, who was currently washing her body, felt a little uncomfortable, she felt that someone was staring at her.

When she felt this strange feeling, Ning Xia started to look around herself, Ning Xia started to find out if the feeling was real or not.

Seeing Ning Xia starting to notice Ye Chen's presence, Ye Chen immediately turned his gaze towards Ning Xia, he couldn't let Ning Xia know that he was currently under the pond.

Ning Xia suddenly felt that the feeling had disappeared.

"How strange, is it just my feelings?" Ning Xia thought that just now it was just her feelings.

Ning Xia continued to wash her body, she cleaned herself very carefully.

Every now and then Ye Chen would steal glances at Ning Xia, Ye Chen tried not to be discovered by Ning Xia.

After a while Ning Xia, finally finished bathing, Ning Xia immediately came out of the pool and started to horrify herself.

After drying herself, Ning Xia started to put on all her clothes again, she made an Ice mirror and started to dress up.

Even though this is the God Realm, women in the God Realm still maintain their image, they will dress up and beautify themselves to look even more beautiful.

After about 20 minutes, Ning Xia finally finished tidying up her appearance, Ning Xia looked much fresher and more beautiful after bathing.

After she finished doing what she needed, Ning Xia released her barrier, after which Ning Xia immediately left this place.

The place immediately quieted down and became very quiet.

Chapter 1057 - Go See Mei Yueli

After confirming that Ning Xia had really left this place, Ye Chen finally dared to come out and show himself.

"Fortunately" Ye Chen felt very lucky that he was not found by Ning Xia.

If Ye Chen was found by Ning Xia, Ye Chen would definitely be in big trouble.

Ye Chen could feel Ning Xia's super strength, Ning Xia's strength could put Ye Chen in big trouble.

"You are lucky enough to not be caught, if you were caught earlier, then you would definitely have a hard time escaping from that woman" Chu Yuechan said to Ye Chen.

If Ning Xia managed to find Ye Chen, then most likely Ye Chen wouldn't be able to escape, Ning Xia had set up a barrier around this place, so Ye Chen shouldn't be able to get out easily.

Ye Chen nodded lightly at Chu Yuechan, This time Ye Chen agreed with what was said, if Ye Chen was found by Ning Xia, then Ye Chen would most likely get into quite a big problem.

"Yuechan, that woman gave me a very familiar feeling." Ye Chen told Chu Yuechan that the woman just now gave him a very familiar feeling.

"You mean you've met that woman?" Chu Yuechan asked if Ye Chen had met Ning Xia before.

"It's not like that, what I mean is that the woman just now has something similar to Lanyin." Ye Chen told Chu Yuechan that the woman just now had something similar to Ye Chen's wife, Mu Lanyin.

"I don't understand what you mean." Chu Yuechan didn't understand what Ye Chen meant.

"Ah, forget it if you don't understand" Seeing that Chu Yuechan couldn't answer this question, Ye Chen decided not to continue.

Ye Chen continued to bathe in this place, he had to quickly clean up his entire body and rush back to the Sect.

This pool changed slightly when Ning Xia bathed in it, now Ye Chen could smell Ning Xia's fragrant scent around this place.

This scent is very comfortable to inhale, Ye Chen felt excited when he smelled Ning Xia's scent.

"It smells great" even though I'm used to the scent of countless women, still the scent of one woman's body with another woman will feel different, this is like a classy perfume that has many types.

Ye Chen was completely submerged when cleaning his body, Ye Chen was even a little reluctant to get out of the pool.

Unfortunately Ye Chen still had a promise, so Ye Chen couldn't help but have to go back to the Nine Immortals Peak Sect immediately.

Ye Chen took new clothes for himself to wear, Ye Chen started wearing Sect clothes and started to tidy up a not too flashy appearance.

When Ye Chen was wearing his clothes, on the ground Ye Chen found a hair ornament, it seemed that it belonged to the woman Ye Chen had just met.

Ye Chen started to pick up the beautiful hair ornament that was on the ground, he looked carefully at the hair ornament that was on the ground.

"Pretty good, it looks like a very high-class item" Just from holding it and taking a glance, Ye Chen could tell that it was a very high-class piece of hair ornament.

Judging from the jewelry that Ye Chen found, the new woman must be a noble or a young lady with a very high background.

"Too bad I didn't see that woman's face clearly" Ye Chen was a little disappointed that he couldn't see Ning Xia's face, Ye Chen could only faintly see Ning Xia's face.

"Alright, time to go back" Ye Chen put the hair ornament he just found in the fairy gate storage room, after which Ye Chen immediately flew to the Nine Immortals Peak Sect.

Ye Chen didn't know that what he just took was the most precious thing to Ning Xia, Ning Xia would definitely look for the jewels in Ye Chen's hands.

.

.

Ye Chen immediately returned to the outer court, to be precise Ye Chen was currently heading to his room.

Coincidentally when Ye Chen arrived, in front of the room was Mei Yueli who seemed to give off an unpleasant aura.

It seemed that Mei Yueli was really annoyed when she was told to wait for Ye Chen.

Ye Chen really not in his room, this make Mei Yueli really upset, if Mei Yueli kept waiting Ye Chen, Yueli May might be too late.

Plus the disciples in the outer court were always staring at Mei Yueli, this made Mei Yueli feel very dissatisfied.

Mei Yueli gave off an aura like this to ward off annoying people staring at her, Mei Yueli really didn't like it when she saw people staring at her like that.

"Hi, have you been waiting for me for a long time" Ye Chen walked over to Mei Yueli, Ye Chen tried to greet Mei Yueli.

"You've finally come, come with me right now." Seeing that Ye Chen had already arrived, Mei Yueli hurriedly asked Ye Chen to leave this place.

Mei Yueli didn't have time to scold Ye Chen, They had to quickly go after the party that should be waiting for them.

Ye Chen went to follow Mei Yueli, it seemed that Mei Yueli was in a bad mood.

"Where are we going?" Ye Chen asked where Mei Yueli would take himself.

"We will go to where our comrades are" Mei Yueli explained to Ye Chen that they would go to where their comrades were.

What Mei Yueli was referring to was a partner who took part in this quest.

"You mean we're not alone in carrying out this quest?" Ye Chen asked Mei Yueli.

"No, this is a high ranking quest, there are several core disciples from various peaks joining us" Mei Yueli explained to Ye Chen that there would be several core disciples joining them.

"Oh, so there will indeed be some people joining us." Ye Chen finally understood that there would be several people joining him and Mei Yueli.

"I hope we don't miss out." Mei Yueli hoped that they wouldn't.

"left behind ?, why?" Ye Chen asked very innocently.

"Isn't it your fault for being late?" Mei Yueli finally scolded Ye Chen for being late.

If only Ye Chen didn't come late, maybe it was time they didn't have to rush like this.

"I didn't know about it, you just didn't tell me the exact time." Ye Chen said that it wasn't his fault, after all, Mei Yueli didn't tell herself from the start.

"Whatever, I don't care" Mei Yueli was annoyed when she heard Ye Chen's answer, this man really made her feel annoyed.

"Ye Chen, I want you to help if the situation is bad, otherwise you shouldn't expose your abilities" Before running the quest, Mei Yueli told Ye Chen not to expose her power if it wasn't in a bad situation.

"Alright, I understand, you don't have to worry about that matter," Ye Chen said to Mei Yueli.

Ye Chen already knew what he had to forget, he would help if the situation got out of control.

"Good" Mei Yueli nodded in satisfaction, now Mei Yueli no longer had to worry about Ye Chen.

Mei Yueli was very confident in Ye Chen's strength, Ye Chen would definitely be able to help her when something unexpected happened.

Chapter 1058 - Meet Song Ziyu Again

Very quickly Mei Yueli and Ye Chen had arrived at the agreed gathering place, coincidentally there were already 12 people here.

8 of them were core disciples, while the other 4 were inner court disciples.

"Let's go downstairs" Mei Yueli invited Ye Chen to come downstairs to meet these people.

"Alright" Ye Chen nodded, he started to follow Mei Yueli downstairs.

The moment Ye Chen and Mei Yueli arrived, everyone immediately looked in the direction of the arrival of Ye Chen and Mei Yueli.

It was seen that everyone was waiting for the arrival of Ye Chen and Mei Yueli.

"Yueli, why are you late?" A woman asked Mei Yueli, this woman wanted to know why Mei Yueli was so late.

This female figure is familiar to Ye Chen, this woman is Song Ziyu whom Ye Chen met a few days ago, not expecting Ye Chen to meet Song Ziyu so soon.

"I have a little problem to solve." Mei Yueli told Song Ziyu that she had a problem that needed to be solved.

Song Ziyu and Mei Yueli were from the same peak, it just so happened that the two were friends.

Song Ziyu couldn't help but sigh as she listened to Mei Yueli's excuse, she couldn't do anything about Mei Yueli's excuse.

"Yueli, why did you bring an outer court disciple?" Song Ziyu asked why Song Ziyu brought an outer court disciple like Ye Chen into this quest.

"It's because he is my assistant, so I brought he with me" Mei Yueli said to Song Ziyu.

Ye Chen furrowed his brows as he listened to what Mei Yueli just said.

Mei Yueli really thought of Ye Chen as her personal male assistant.

Mei Yueli had no other reason to tell who Ye Chen was, Mei Yueli tried to keep Ye Chen's secret.

"Wouldn't he hinder our journey?" Song Ziyu said that Ye Chen would hinder their journey.

As an outer court disciple, Ye Chen's cultivation was the weakest among them all.

It just so happened that Ye Chen had reset his cultivation level with the Reideran Pendant necklace, which meant that Song Ziyu thought his cultivation level was weak.

"You don't have to worry, I'm sure that he won't hinder our journey." Mei Yueli could guarantee that Ye Chen wouldn't hinder their journey.

"Still he's weak." Song Ziyu thought Ye Chen was weak and would be a burden to their party.

For some reason Song Ziyu didn't like Ye Chen very much, Ye Chen's appearance made Song Ziyu not really like him.

Song Ziyu dislikes men who look like Ye Chen the most, Song Ziyu likes men with handsome and dashing looks, so it's not surprising that Song Ziyu doesn't really like Ye Chen.

"He will still come with us." Mei Yueli insisted on taking Ye Chen along with them.

It was obvious that at this time Mei Yueli and Song Ziyu were arguing about Ye Chen, both of them were at odds about Ye Chen.

"You two better stop your bickering, let's go right now" a man with a spear behind his back stopped the ongoing dispute.

This man's name was Lao Kang, he was a core disciple of the Redemption Spear Peak which was one of the nine peaks.

In this party Lao Kang could said the strongest cultivator with the highest cultivation base.

After this man intervened, Mei Yueli and Song Ziyu finally calmed down, the two ending their dispute.

Inevitably Mei Yueli and Song Ziyu gave face to Lao Kang.

Meanwhile the other core disciples could only shake their heads when they saw what Mei Yueli and Song Ziyu were doing.

These two women fought over a very trivial matter.

"Everyone let's go now" Lao Kang asked everyone to leave right away, they all had to go to the meeting place with the person they were going to protect and escort.

Everyone in this place nodded, they all immediately flew after Lao Kang.

"Don't hinder us" before leaving Song Ziyu didn't forget to warn Ye Chen not to hinder their journey.

Mei Yueli turned her attention to Ye Chen, she felt strange about the attitude Song Ziyu showed to Ye Chen.

"Ye Chen, why does Ziyu seem to hate you so much, have you two met before?" Mei Yueli began to suspect that Ye Chen had offended Song Ziyu.

"I don't know," Ye Chen said that he didn't know about this matter.

Ye Chen actually knew why Song Ziyu hated him, but Ye Chen didn't want to tell Mei Yueli about this matter.

"Then forget it, let's go." Mei Yueli asked Ye Chen to go after the others.

"Okay" Ye Chen nodded to Mei Yueli, Ye Chen agreed to come along with Mei Yueli.

Ye Chen and Mei Yueli immediately caught up with Lao Kang, Song Ziyu and the others.

Ye Chen and Mei Yueli quickly caught up with the others.

Song Ziyu looked at Ye Chen, not expecting that Ye Chen could keep up with the speed they had.

Ye Chen smiled when Song Ziyu looked at him, it was obvious that Ye Chen smiled as if he was belittling Song Ziyu.

Song Ziyu saw Ye Chen's smile, for some reason Ye Chen's smile made Song Ziyu hate Ye Chen even more.

"Let's go a little faster." Song Ziyu asked everyone to fly faster, so that they would arrive at their destination as soon as possible.

Song Ziyu immediately took the place of Lao Kang, herself leading everyone at the front.

Lao Kang didn't say much when he saw this, Lao Kang allowed Song Ziyu to do as she pleased.

Seeing Song Ziyu increase her speed, everyone increased their speed as well, all shooting at full speed.

"Now you will have a hard time keeping up with all of us." Song Ziyu was very sure that Ye Chen would have a hard time keeping up with her speed.

Song Ziyu looked back, when he looked back at Song Ziyu to find that Ye Chen could still keep up with her speed, this was an unexpected thing for Song Ziyu.

Ye Chen returned a disdainful smile towards Song Ziyu.

Ye Chen already knew this woman's intentions, it could be seen that Song Ziyu wanted to get rid of him.

Ye Chen couldn't help but laugh when he saw this, it was impossible for Song Ziyu to get rid of him, Ye Chen's flying speed could be said to be above Song Ziyu.

Even if Song Ziyu was currently using her full speed, Ye Chen would still be able to keep up with Song Ziyu speed.

Song Ziyu was dissatisfied when she saw Ye Chen's disdainful smile, this was an insult to Song Ziyu.

The Song Ziyu they were underestimating immediately picked up the speed he had.

Seeing Song Ziyu fly faster and faster, everyone added to their flying speed.

People looked confused by what Song Ziyu was doing, what Song Ziyu was doing was very strange.

After all, why was Song Ziyu in such a hurry, even though this task wasn't too urgent, there was still time until the meeting with the target they were going to protect.

Song Ziyu was currently filled with anger at being belittled by Ye Chen, so she didn't care about the people around her.

Chapter 1059 - Core Disciple Of The Three Peaks

Song Ziyu flying speed was extremely fast, even inner court disciples had a hard time keeping up with Song Ziyu speed.

On the other side, Ye Chen looked very relaxed, he didn't feel any trouble when he had to fly at this speed.

For Ye Chen, this speed could be said to be mediocre, there was nothing too special about this kind of speed.

Song Ziyu was getting more and more annoyed when he saw Ye Chen's relaxed face, this ugly man really annoyed Song Ziyu more and more.

Mei Yueli looked back and forth between Ye Chen and Song Ziyu, for some reason the two of them looked like mortal enemies who had just met again.

Song Ziyu wanted to increase her speed again, she couldn't lose to Ye Chen.

"Miss Song, why are you in such a hurry, Court disciple is in trouble to keep up with your speed" Lao Kang told Song Ziyu to slow down a bit.

Lao Kang felt sorry for the inner court disciple who came along with them.

Even though the inner court disciples weren't very useful in battle, at least they could prepare something for Lao Kang and all the core disciples in the party.

It could be said that the reason for bringing an inner court disciple was to serve as an assistant when on a trip, an inner court disciple would be in charge of things other than fighting.

Many inner court disciples are willing to become assistants to core disciples, they can get a lot of contribution points and benefits when helping core disciples, that's why inner court disciples are willing to do things like this to earn contribution points.

Hearing this, Song Ziyu couldn't help but lower his speed, actually Song Ziyu was reluctant to do , but Song Ziyu couldn't be too selfish.

In this place there are core disciples from several peaks, she must not show her selfishness in front of these people.

Jade Lotus Peak's reputation could be bad if Song Ziyu put too much emphasis on her selfishness.

Ye Chen couldn't help but smile when he saw this, it seemed that in this match, Ye Chen was the victor.

Since Song Ziyu had lowered her speed, everyone else had also lowered they speed.

"Mei Yueli, why don't you introduce them to me" Ye Chen wanted Mei Yueli to introduce these people to himself.

"Well I will introduce these people to you" Mei Yueli promised to introduce people to Ye Chen.

"First, the person with strong cultivation in this Party, his name is Lao Kang, he is from the Redemption Spear Peak".

"Second is Wen Azi she is also from Redemption Spear Peak, his strength may not be as strong as Lao Kang, but he is quite proficient in using Spear"

"While the two women in black dresses are Rou Vin and Ying Pi, both are from Black Rose Peak" .

Two women in black dresses that look very seductive, they both look quite beautiful and very charming.

While Mei Yueli was explaining about Rou Vin and Ying Pin, Mei Yueli could see Ye Chen's eyes looking straight at the two women from Black Rose Peak.

"Stop staring at them, even though they are beautiful they are quite prickly, you better not get too close to them" Mei Yueli whispered to Ye Chen not to get close to the woman from Black Rose Peak.

" So what ?" Ye Chen asked Mei Yueli, Ye Chen wanted to know the reason why Mei Yueli forbade Ye Chen with two women from Black Rose Peak.

"They may be beautiful, but they are like roses with thorns, it is not easy to get them, you might even be used as a tool by them" Mei Yueli did not dare to speak too loudly, she only dared to say this very quietly .

The women within the Black Rose Peak had great taste, normal men would not enter their eyes.

"Okay, I'll remember." Ye Chen nodded, he would remember what Mei Yueli said.

"And again the man and woman are a couple, I don't know their names I know they are from Double Pair Peak"

"The last person who seems to hate you is Song Ziyu, she is from Jade Lotus Peak just like me" Mei Yueli explained all the core disciples involved in this quest.

In this quest it turns out that there are four core disciples from four different peaks joined together.

"Why can't this quest be taken by the woman from Jade Lotus Peak instead?" Ye Chen started to ask why this quest wasn't taken by the female group of Jade Lotus Peak, it would provide a lot of benefits for the core disciples there.

This quest is quite difficult, so it takes strength from other peaks, if we can take this quest alone, surely other female disciples from Jade Lotus Peak will join.

"Oh, I see." Ye Chen now understood why Mei Yueli and core disciples from other peaks were working together, apparently they needed the help of other peak powers in this quest.

"Ye Chen, Song Ziyu seems to hate you a lot, you better be careful, he will definitely make things difficult for you" Mei Yueli warned Ye Chen to be careful when facing Song Ziyu.

It could be seen that Song Ziyu was going to make things difficult for Mei Yueli.

"Thank you very much for Senior Sister worrying about me, I'm very happy." Ye Chen looked happy to see Mei Yueli worried about him.

Mei Yueli's face turned red when she listened to what Ye Chen just said, what Ye Chen said was quite embarrassing for Mei Yueli.

"Bah. . ., who's worried about you, I wouldn't worry about someone like you." Mei Yueli dodged what Ye Chen just said.

"Hehehe" Ye Chen couldn't help but chuckle when he saw the panicked Mei Yueli, Ye Chen managed to make Mei Yueli panicked and embarrassed.

This Party advanced very fast, they all arrived very quickly at their destination.

"Looks like the group we're going to protect hasn't arrived yet, we'd better wait here until it arrives."
Lao Kang told everyone to wait here for a while.

Everyone agreed with Lao Kang's suggestion, they all immediately went to rest for a while while recuperating after the trip.

Ye Chen tried to get close to Mei Yueli, unfortunately Ye Chen was kicked out by Song Ziyu who happened to be with Mei Yueli.

Ye Chen had no choice but to join the inner court disciples, at least he wouldn't be expelled when he was with them.

Ye Chen started to chat with the inner court disciples, himself asking who these inner court disciples were.

The names of these inner court disciples were, Zho Yun, Li Be, Cia Gen and Oyang jun, they looked normal when they met Ye Chen, nothing special at all.

Among the four inner court disciples, Ye Chen felt something strange from Oyang Jun, for some reason this man was hiding something dangerous in his body.

Although Oyang Jun looks quiet, Ye Chen feels something dangerous from this person, Ye Chen doesn't know why this can happen, Ye Chen's instinct is very strong when he detects danger like this.

Since Ye Chen met Oyang Jun for the first time, Ye Chen knew what this Oyang Jun was like, Ye Chen might have to be a little careful with this man.

Everyone rested, they all waited patiently for the group they would be escorting.

Chapter 1060 - Princess Guard Quest

"Yueli, who is that man?" Song Ziyu suddenly asked about Ye Chen's identity, she wanted to know who Ye Chen really was.

"So why are you asking about it?" Mei Yueli wanted to know why Song Ziyu wanted to know about Ye Chen.

"No, it's just that I found this person a bit annoying when I first saw him" Song Ziyu told Mei Yueli that she was annoyed and angry with Ye Chen.

Song Ziyu didn't know why she felt that way, according to Song Ziyu, Ye Chen reminded herself of someone who had annoyed Song Ziyu so much.

"Why do you hate him, have you ever met him?" Mei Yueli asked Song Ziyu.

Mei Yueli wanted to know if Song Ziyu had met Ye Chen or not.

"No, I have never met him." Song Ziyu shook her head, she had never met Ye Chen.

"Tell me what's his name?" Song Ziyu asked about Ye Chen's name.

"His name is Ye Chen, I was the one who brought him to join the Sect." Mei Yueli told Song Ziyu about Ye Chen's name.

"Yueli, you brought that person to join our Sect?" Song Ziyu asked in disbelief.

Song Ziyu couldn't believe that Mei Yueli had brought Ye Chen to join the Nine Immortals Peak Sect.

"So what?" Mei Yueli asked Song Ziyu, Mei Yueli didn't know why Song Ziyu's reaction would be like this when she heard that she was the one who had brought Ye Chen to join the Sect.

"No, it's just that you're afraid of men, how did you get this man to join the Sect?" Song Ziyu said to Mei Yueli.

Mei Yueli was a little nervous as she listened to Song Ziyu's words.

"What's wrong, is it wrong if I brought him here, last time he helped me, so there's no problem if I repay his kindness" Mei Yueli tried to find an excuse to answer Song Ziyu's question.

"that man is so weak, he can help you?" Song Ziyu couldn't believe that Ye Chen could help Mei Yueli.

"Ziyu, don't underestimate Ye Chen, even though he's like that, he has quite a bit of ability" Mei Yueli told Song Ziyu that Ye Chen had a bit of ability.

"What kind of ability does that ugly man have, he can be compared to Senior Luo Tian" said Song Ziyu who looked down on Ye Chen.

"-_- " Mei Yueli was speechless when she heard what Song Ziyu said, this woman actually compared Luo Tian to Ye Chen, obviously their age difference is huge, so it's not fair when comparing strength Ye Chen and Luo Tian's

"you always boast about Luo Tian, what's special about him is a man like Luo Tian, I don't see anything special about Luo Tian" Mei Yueli didn't know what was special about Luo Tian, she thought there was nothing Luo Tian's Special.

In this Sect there may only be Mei Yueli and also Mu Xueying who is not interested in Luo Tian, neither of them are interested in Luo Tian who is a genius in this Sect.

"You really have terrible taste, even though Senior Luo Tian is a very handsome man, plus Senior Luo Tian is a rare genius."

When discussing Luo Tian, Song Ziyu would get very excited once, Luo Tian was truly an idol for Luo Tian.

"Luo Tian won't want you either, he's already interested in Senior Sister Xueying" Mei Yueli told Song Ziyu that Luo Tian was interested in Mu Xueying.

"It doesn't matter, I don't mind if I just become his concubine, that's enough for me" Song Ziyu said to Mei Yueli.

Song Ziyu didn't mind it, she didn't care if she was just a concubine

in the God Realm alone men can have many concubines so polygamy is free to do in this place.

There is only one law here, the strong will gain everything in this world.

"Never mind" Mei Yueli was lazy to continue this conversation, it seemed that Song Ziyu's brain had really been washed by the man named Luo Tian.

If you really compare, Luo Tian is still far behind Ye Chen, Ye Chen is much more handsome than Luo Tian, unfortunately Ye Chen had to hide his true appearance because Mu Xueying order.

A few moments later a voice began to approach this place, it seemed this was the group they were going to protect.

Hearing this, all the Party members immediately gathered and prepared to welcome the entourage that had arrived.

Ye Chen was quite curious as to who the target they were going to protect was, he wondered if what Mei Yueli had previously said was the truth or a lie.

In the distance Ye Chen saw a golden carriage that looked very beautiful, around this golden carriage there were several well-armed guards guarding the golden carriage.

In the back there is also a golden carriage that looks exactly the same as the one in front, it looks like these trains are twins.

just from a glance, Ye Che could tell that this belonged to a high-class noble, only a noble could possess a carriage as good and beautiful as this.

The carriage and company drew closer, they all stopped in front of Ye Chen's party.

A horseman with the most power advanced towards Ye Chen and the others.

"Are you guys sent by Nine Immortals Peak Sect?" the horseman asked if Ye Chen and the others were people sent by Nine Immortals Peak Sect

"Yes, we are people sent by Nine Immortals Peak Sect" Lao Kang told he and they were the one sent by the Nine Immortals Peak Sect.

"Very good, then we leave our princess to you, please take good care of her" said the horseman to Lao Kang.

"Well we will definitely escort the princess well" Lao Kang said that they would receive the princess very well.

"Good, one more thing, if anything happens to the princess, otherwise you will face a very severe punishment from the King."

the horsemen didn't forget to warn Lao Kang and the others, if anything were to happen to the princess, then Lao Kang and everyone else in the party would receive a punishment they might not be able to avoid.

"Good we understand" Lao Kang understood, they will do their best for this mission.

The horseman nodded, the horseman returned to his line.

"Quickly change the color of the princess's carriage" the horseman told his soldiers to change the princess's carriage.

When the leader of the group ordered this, one of the golden chariots turned into an ugly and worn-looking carriage, apparently in a disguise so that this carriage would not be suspected of being the princess's carriage.

"Okay, let's go" After changing the color of the princess's original carriage, the soldiers immediately took the gold carriage which was empty inside and went with them.

They all went the other way, judging by what these people were doing, Ye Chen could conclude that this was a diversion.

People would use fake bait to attract malicious people, while Ye Chen's party only needed to deliver the princess's real carriage.

"All of you hurry and put on these robes." After the troop of soldiers left, Lao Kang ordered everyone to cover themselves with a cloak, this was meant to disguise their identity so as not to get into trouble while traveling.
