

A True God 1061

Chapter 1061 - Ye Chen Don't Tease Ziyu

Ye Chen accepted the robe that Lao Kang gave him, he didn't think much of it and started wearing it.

It was not only Ye Chen who received the robe, almost everyone wore the robe, they all knew the reason Lao Kang gave this robe to all of them.

This is to hide their whereabouts and their identity.

"Alright, let's go" After everyone finished putting on their robes, Lao Kang invited everyone to leave right away.

Everyone started to leave to escort the princess's carriage, they all walked at normal speed.

Actually they could just walk at full speed, unfortunately if they did, they might be found by the enemy.

That's why everyone can only walk at a fairly slow pace.

At this speed, it was estimated that it would take several days to reach the empire.

Ye Chen's party looked extremely alert, they made sure not to let their guard down or make a fatal mistake.

The person they are going to protect is quite important, if something happens, then they will get into quite a big problem.

Lao Kang saw the route they were going to take, most of the places they would go were a place that had a beautiful view.

Lao Kang himself did not know why the princess wanted to take this route, whether the princess wanted to go on an excursion or a vacation.

Lao Kang didn't dare to ask about this, he appreciated the princess they were escorting.

Lao Kang himself didn't care about what the princess wanted, as long as they successfully completed this quest, they would get a sizable reward.

this was one of the reasons why Lao Kang and the other core disciples were willing to accept this high-level quest.

Even though the risk of this quest was great, the rewards they could get would also be enormous, it just so happened that everyone needed to contribute points for their cultivation resources.

The higher the cultivation level they had, the higher the resources they needed, which was quite natural.

The group kept going with the map that was in Lao Kang's hand.

The start of the journey was really very safe, nothing stood in their way.

Until now, the princess had not shown her figure, she remained in her carriage and did not want to go out.

The day darkened very quickly, the road ahead also began to become invisible.

"Gentlemen, the princess wants us to rest for a bit" when it was getting dark, a female maid told everyone that they should rest.

"Okay, we understand." Lao Kang nodded to the maid sent by the princess to convey her greetings.

The princess's idea is not bad, she knows that the night is a dangerous time to continue the journey, they might be blocked by the enemy hiding in the dark night

"Everyone let's make a camp in this place, check all the corners around this place" Lao Kang told everyone to set up camp in this place, for that they had to secure this place.

Mei Yueli, Song Ziyu and the others started to go see the area around this place, as well as they set up some barriers to prevent outsiders from getting in.

"Ye Chen, come on." One of the outer court disciples invited Ye Chen to go do their duty.

" where to ?" Ye Chen asked Li Be where they were going.

"Of course doing our job to set up camp" Li Be told Ye Chen that they would do their job to set up a tent in this place.

Outer court disciples' duties looked like an assistant, they were in charge of taking care of the needs of core disciples.

Ye Chen didn't believe that this task would turn out like this, if Ye Chen had known this beforehand, Ye Chen probably wouldn't have wanted to come along.

In addition, until now the princess still didn't show herself, this made Ye Chen feel a little annoyed.

Several times Ye Chen wanted to peek into the princess's carriage, but unfortunately he didn't want to, there would definitely be time to take a look.

Ye Chen joined together with the core disciples, it just so happened that Ye Chen was in charge of setting up a tent together with Li Be, while the rest were in charge of cooking and preparing dinner for everyone in this place.

Ye Chen and the outer court disciples had divided their respective duties, this was a very good cooperation.

With excellent and organized cooperation, Ye Chen and the outer court disciples had managed to get everything ready.

Coincidentally when Ye Chen and the outer court disciples had finished preparing everything, Mei Yueli, Song Ziyu and the others had finished checking the area around this place, it was certain that the area around this place was clean and no danger was found.

"How, is there anything suspicious?" Lao Kang asked everyone if there was anything fishy around this place.

Everyone shook their heads, they didn't find anything dangerous around this place, this place was safe for them to live in.

"Good job, then you all may rest, we will take turns in guarding" Lao Kang told Mei Yueli and the others to rest, they would all take turns in guarding for the night.

Mei Yueli and the others left immediately, they all headed to their respective places.

It just so happened that Ye Chen and the others had already prepared a tent for each of the core disciples, so they just had to use it.

Seeing that Mei Yueli and Song Ziyu had chosen a tent, Ye Chen decided to come closer to tease Song Ziyu.

It was quite fun to tease this grumpy woman, this quest was very boring, therefore Ye Chen needed some entertainment.

"Why did you come here?" when Ye Chen came over, Song Ziyu directly questioned Ye Chen.

It was obvious that Song Ziyu was not happy with Ye Chen's arrival.

"Of course I came to live with you two." Ye Chen answered Song Ziyu's question very easily.

The shameless Ye Chen wanted to stay in the same tent as Song Ziyu.

"Huh?, Dream, you sleep outside with the other outer court disciples" Song Ziyu could hardly believe what Ye Chen said.

This man was truly shameless, he wanted to live in the same tent as herself and Mei Yueli, how could Song Ziyu allow this to happen.

"Miss Song, don't be so cruel, you should treat someone better" Ye Chen said to Song Ziyu.

Ye Chen told Song Ziyu to treat him well.

"Dream, I won't do anything like that to you" Song Ziyu said that she would not treat Ye Chen well, for Song Ziyu Ye Chen was a mortal enemy.

"What happened?" Seeing the commotion at the entrance of the tent, Mei Yueli immediately came out and saw what was happening.

"Yueli, look at the man you brought on this quest, He wants to live with us." Song Ziyu explained the current situation to Mei Yueli.

Mei Yueli looked at Ye Chen, this man was still the same as before, he was still a pervert and liked to tease a woman.

"Ye Chen, don't tease Ziyu anymore, she could get angry and lose control if you keep teasing her like that" Mei Yueli told Ye Chen to stop teasing Song Ziyu.

Chapter 1062 - Made A Bet With Song Ziyu

"Why, it's quite fun to do this, this quest is really boring, so it's okay if I try to have a little fun" Ye Chen said to Mei Yueli.

Song Ziyu looked angry when she heard what Ye Chen had just said, apparently this man only wanted to tease herself.

Song Ziyu was starting to lose her patience with Ye Chen, Song Ziyu was eager to teach Ye Chen a lesson.

Mei Yueli saw the reaction Song Ziyu had when listening to what Ye Chen had just said, it could be seen that Song Ziyu was angry with what Ye Chen had just said.

"Ye Chen please stop" Mei Yueli told Ye Chen to stop right now or else Song Ziyu would really lose her temper.

"Alright, I will stop" Ye Chen finally promised to stop teasing Song Ziyu.

Ye Chen was already feeling happy when he saw Song Ziyu's angry reaction towards him, it was very pleasing to see Song Ziyu's angry reaction.

"Hey, why doesn't the princess want to come out and show herself?" Ye Chen asked why the princess they were protecting didn't want to come out and show herself.

"Maybe he's embarrassed or doesn't want to see us, after all, we're far below her status," Mei Yueli said to Ye Chen.

Mei Yueli calmly explained to Ye Chen the possibility of why the princess didn't want to go out and meet them.

"Is his status so high that you two are not comparable to him?" Ye Chen asked Mei Yueli.

To be honest Ye Chen didn't know which empire this princess was from yet, Mei Yueli hadn't explained the matter to Ye Chen yet.

"Ye Chen, we are not equal to her" Mei Yueli told Ye Chen that they were not comparable to this princess.

"So the position of this princess is quite high?" Ye Chen couldn't believe that this princess had a much higher position than a core disciple, it seemed that this was a very interesting matter.

"Senior Sister, didn't you say that this princess was beautiful, was that true?" Ye Chen asked Mei Yueli.

Ye Chen asked whether this princess was beautiful or not, Ye Chen wanted to confirm this from Mei Yueli.

"I don't know, this woman rarely shows herself in public, from rumors it is said that this princess is very beautiful" Mei Yueli told Ye Chen that she only knew of the princess's beauty from rumors.

"That's interesting, I want to see it more and more" Ye Chen felt that he wanted to see what this princess looked like.

"Instead of you being here and babbling on, why don't you try to go and see her" Song Ziyu couldn't stand Ye Chen's rambling, that's why Song Ziyu told Ye Chen to meet the princess who was in the carriage.

"That's a good suggestion, I'll give it a try." Ye Chen said that he would try to meet the princess.

Mei Yueli and Song Ziyu were shocked when they heard what Ye Chen said.

Without waiting for an answer from Mei Yueli and Song Ziyu, Ye Chen immediately headed towards the princess carriage.

Mei Yueli and Song Ziyu were shocked when they both saw Ye Chen heading towards the princess carriage.

"Is this person stupid?" Song Ziyu was dumbfounded when she saw Ye Chen actually did what she just said.

On the other side, Mei Yueli stared at Ye Chen who had just left, Ye Chen's bravery could not be underestimated, this man even really wanted to meet the princess.

"Yueli, you didn't come and stop him?" Song Ziyu immediately asked Mei Yueli, she wanted to know why Mei Yueli didn't come and stop Ye Chen.

"Forget it, let him do whatever he wants, I don't care if he gets into trouble" Mei Yueli looked indifferent about this matter.

Mei Yueli would be happy if Ye Chen got into trouble, let this man know that in this world there are people who can't be bothered.

Ye Chen actually approached the princess carriage, when Ye Chen approached, the princess maid immediately stopped Ye Chen.

"Young master, what do you want?" The female maid asked what Ye Chen wanted.

"May I see the princess?" Ye Chen asked if he could see the princess or not.

"Sorry, the princess is currently resting, so you can't see her." The female maid told Ye Chen that the princess was currently resting.

"Rest?" Ye Chen muttered under his breath, wanting to know whether the female maid was telling the truth or not.

Ye Chen decided to use **God Eyes** to see what was in there, using **God Eyes**, Ye Chen could easily see through the barrier protecting the princess's carriage.

When Ye Chen used **God Eyes**, Ye Chen found that there was no one inside the carriage, the carriage was completely empty.

Ye Chen felt very strange about this, whether they were escorting the empty carriage or what, why was there no one in there.

"Okay, thank you very much, then I'll go first." Ye Chen decided to leave, Ye Chen didn't forget to give a greeting to the princess's maid.

After that Ye Chen immediately went towards Mei Yueli and Song Ziyu, himself returned and sat opposite the two.

"Why did you come back, were you rejected?" Song Ziyu immediately asked why Ye Chen.

"You've seen it yourself, I was rejected by the princess's maid" Ye Chen told Song Ziyu that he was rejected by the princess's maid.

"Of course you are rejected, you just look like that, how can a princess want to be with you?" Song Ziyu started to mock Ye Chen who wanted to go see the princess with this appearance.

"Hey, don't underestimate my appearance, even though like this I can get a many Womens" Ye Chen said to Song Ziyu.

Ye Chen didn't like seeing Song Ziyu mock him, even though it was like this Ye Chen could still get a woman.

"I don't believe what you said" Song Ziyu didn't believe what Ye Chen said at all, it was the impossible thing that Song Ziyu had ever heard.

Song Ziyu was certain that no woman in the Nine Immortals Peak Sect would be willing to be with Ye Chen.

"You want to bet with me" Ye Chen said to Song Ziyu, Ye Chen challenged Song Ziyu to a bet.

"Bet what?" Song Ziyu asked about the bet Ye Chen wanted.

"Bet that I can become popular in the outside court" Ye Chen said to Song Ziyu.

Ye Chen told Song Ziyu that he could become popular in the outside court.

"Very interesting, can you do that?" Song Ziyu said to Ye Chen.

Song Ziyu herself couldn't believe that Ye Chen could do that, she can't believe that the women in the outer court don't want to be with a man like Ye Chen.

Song Ziyu really felt that Ye Chen's challenge was very interesting.

"Of course, I want to bet with you, within 1 month I can definitely become very popular among the female disciples in the outer court" Ye Chen said that in just a month, Ye Chen could become popular among the outer court disciples.

"Then show it, I can't wait to see it." Song Ziyu wanted to see what Ye Chen had to say for himself.

Chapter 1063 - Mysterious Young Woman With H Cup Size

"Of course, I'll show you right away, before that why don't we bet something on the winner and the loser" Ye Chen wanted to bet something with Song Ziyu.

"What do you want to bet, just say it?" Song Ziyu asked what Ye Chen wanted to defend.

"If you lose, I want you to be a personal servant for 1 year" Ye Chen told Song Ziyu what bet he wanted. there was a slight glint of hatred when Song Ziyu heard this, this man really wanted to make Song Ziyu a servant.

"Then, if you lose, what can you give me?" Song Ziyu asked what Ye Chen could give her.

"I can give you anything, just say what you want" Ye Chen said to Song Ziyu.

"Really, then I want you to be my personal servant for 100 years." Song Ziyu told Ye Chen what she wanted.

"Isn't that a bit of a cheat?" Ye Chen said to Song Ziyu, Ye Chen's bet can be said to be small when compared to Song Ziyu, Ye Chen is only 1 year while Song Ziyu wants 100 years, this difference is very big.

"Why, are you afraid?, if you are really afraid, you can back off right now, I know that you are just bragging." Song Ziyu took this opportunity very well.

Right now Song Ziyu felt that if she had won, Ye Chen would definitely not dare to accept a deal that had been one-sided from the start.

"Who is afraid of it, I agree" Ye Chen very easily agreed with this bet, after all Ye Chen could not back down.

"Good, we agreed, Yueli will be the witness for this, if one of us dares to violate this agreement, then the other party has the right to use force" Song Ziyu said to Ye Chen.

"Okay I agree" Ye Chen didn't think much, he immediately agreed with the bet made together with Song Ziyu.

After Ye Chen and Song Ziyu had agreed, then this bet officially started, within one month after this Quest was completed, Ye Chen should be able to become popular among the outer court disciples.

After making a deal, Ye Chen immediately left Song Ziyu and Mei Yueli's tent, Ye Chen intended to go around this place to get some fresh air.

It was a little boring to be in this place, there wasn't anything interesting that Ye Chen could do in this place.

Mei Yueli couldn't help but sigh when she saw the bet that Ye Chen and Song Ziyu had made, it seemed that Song Ziyu would suffer a miserable defeat.

"That brat is so daring to make a bet like me, it seems he doesn't have a mirror in his room" Song Ziyu said to Mei Yueli who was around her.

"Ziyu, you better cancel the bet just now, lest you regret it." Mei Yueli immediately warned Song Ziyu to cancel the bet with Ye Chen.

" So what ?" Song Ziyu asked why Mei Yueli wanted her to cancel the bet with Ye Chen.

"That's because you must lose." Mei Yueli told Song Ziyu that she would definitely lose this bet.

Ye Chen is a natural enemy of women, he can definitely do as previously said.

"What do you mean, do you mean he can win this bet?" Song Ziyu couldn't believe what Mei Yueli said, there was no way Ye Chen could win in this impossible bet.

"Yes, I can say that." Mei Yueli nodded to Ye Chen, she was sure that Ye Chen would definitely win the bet with Song Ziyu.

"No way, he definitely won't win, I'm absolutely sure" Song Ziyu still insisted that Ye Chen couldn't win against her, it was quite impossible for Ye Chen to win against Song Ziyu.

"It's up to you, I warned you from the start." Mei Yueli had already warned Song Ziyu, so she had no obligation to remind Song Ziyu anymore.

After warning Song Ziyu, Mei Yueli went back into the tent, wanting to cultivate inside.

Outside of Song Ziyu thinking about what Mei Yueli just said, Song Ziyu was starting to worry about what Mei Yueli just said.

"no . . ., no . . ., no . . ." Song Ziyu shook her head, it definitely couldn't happen.

The number of female disciples in the outer court was overwhelming, there was no way Ye Chen could become popular among the female disciples in the outer court.

"I will definitely win, soon that man will definitely be my servant" Song Ziyu was very confident, she had already imagined Ye Chen to be her servant.

If that time had come, Song Ziyu would definitely make Ye Chen's life uncomfortable, Song Ziyu would try to get Ye Chen to do things she didn't want to do.

"fufufu" Just imagining this made Song Ziyu very excited, Song Ziyu couldn't wait to win this bet.

Song Ziyu went inside the tent, she cultivated inside the tent together with Mei Yueli, The guard time was still long, so Mei Yueli and Song Ziyu still had time to cultivate for a while.

Meanwhile, Ye Chen was currently leaving the group, he was looking for a place that was peaceful and away from the group.

Ye Chen decided to fly to a cliff, there the scenery looked very good.

When Ye Chen went near the cliff, Ye Chen found that in this place there was actually someone too.

"Huh?, is there someone in a place like this?" Ye Chen couldn't believe that there was someone in a place like this.

Moreover, it was night, how could there be someone in a place like this.

This person was definitely a woman in a beautiful-looking dress, from just a glance Ye Chen could tell that this woman was definitely a classy person.

If it was in a normal place, Ye Chen would probably be very happy to see this, unfortunately it is in a remote forest, it could be a ghost or something.

Out of curiosity, Ye Chen decided to go and come closer, Ye Chen wanted to confirm whether this was a human or not.

"What are you doing in this place?" When Ye Chen approached, this young woman instantly discovered Ye Chen's whereabouts.

This young woman immediately asked what Ye Chen was doing in a place like this.

This young woman tone of voice sounded very gentle and filled with love, there was no trace of hostility that Ye Chen could find from this young woman's tone.

Hearing this, Ye Chen immediately knew that this young woman was a human, Ye Chen thought that this young woman was a ghost who wandered in this place.

"Miss, I'm sorry, I happened to pass by this place and accidentally saw you standing in this place" Ye Chen said to the mysterious woman he met.

Ye Chen explained that he just happened to be passing by and met this mysterious young woman.

Hearing this, the mysterious young woman immediately turned around, she immediately saw the man who was her reading opponent.

When this mysterious young woman turned around, Ye Chen caught a glimpse of this woman's appearance which looked very beautiful and gentle, Ye Chen's main focus was currently on this woman's double peak, obviously this size was the same as Xue Suyin.

Ye Chen kept his eyes on young woman double peak, Ye Chen was drooling when he saw this mysterious woman's double peak

Chapter 1064 - Li Jingyi

Ye Chen is really attracted to this woman, besides being beautiful and looks gentle, this woman also has a large capital, Ye Chen currently feels that he wants to touch these two big melons.

The mysterious young woman looked in the direction where Ye Chen was looking, it was clear that Ye Chen was currently looking at the double peak that he possessed.

The mysterious young woman only smiled when she saw this, not even the slightest trace of anger could be seen.

Ye Chen immediately tried to restore his appearance, himself trying to act well in front of this beautiful and gentle woman.

If Ye Chen gave a bad impression, then Ye Chen would be very detrimental to Ye Chen, it was rare for Ye Chen to meet such a beautiful and gentle woman, this woman could be said to be a woman who was the target of many men.

"So that's why you came to this place," said the mysterious young woman to Ye Chen.

Ye Chen immediately nodded, he had indeed come here by accident.

"Miss, what are you doing in this place alone?" Ye Chen asked back what a young lady was doing in a place like this.

It would be very dangerous if a beautiful young woman with a large double peak size was in a place like this.

"I'm looking at the stars in the sky" the young woman looked up, from here the stars looked very beautiful.

Ye Chen looked up at the sky, he saw the stars in the sky, it could be seen that the stars in the sky looked beautiful.

"You like seeing things like this?" Ye Chen asked if young ladies liked to see such a beautiful thing.

"I like everything that looks beautiful" the young woman nodded to Ye Chen, she told Ye Chen that she likes things that look beautiful.

"So you like everything that you think is beautiful" Ye Chen said to the young woman in front of him.

The young woman in front of Ye Chen nodded, she really likes things that can attract her, for example the beauty that exists in the vast sky.

"What's your name?" The young lady asked Ye Chen's name.

"My name is Ye Chen, you alone?" Ye Chen asked what the name of the mysterious young woman in front of him was.

"My name is, Li Jingyi" the young woman told Ye Chen her name, apparently this young woman's name is Li Jingyi.

"Beautiful name, it really suits you who looks full of tenderness." Ye Chen praised Li Jingyi's name.

"Thank you very much for your compliments." Li Jingyi looked happy when he heard Ye Chen's praise.

For some reason the praise given by Li Jingyi made Li Jingyi feel very happy, he felt a sweet feeling in his heart.

"Ye Chen, do you have a favorite scenic spot?" Li Jingyi asked if Ye Chen had a favorite scenic spot.

Li Jingyi really likes things that look very beautiful, that's why Li Jingyi really likes to go to places that look very beautiful.

"Of course I have" Ye Chen told Li Jingyi that he had his favorite place.

"Tell me, what kind of place is it?" Li Jingyi was curious about

Ye Chen's favorite place.

"The most beautiful and most comfortable place in the world is our own home, nothing can match that" Ye Chen told Li Jingyi that the most beautiful house is in our own house.

Li Jingyi looked at Ye Chen, the words Ye Chen spoke were beyond Li Jingyi's expectation.

"Why do you think like that?" Li Jingyi asked how Ye Chen could think like that.

"That's because at home there are families who are always waiting for us to return, meeting them is the most beautiful thing in life" Ye Chen said to Li Jingyi.

Li Jingyi really looked surprised when listening to what Ye Chen said, she got an answer that she had never really heard in her life.

"So that's what you think about your house" Li Jingyi asked Ye Chen.

Ye Chen immediately nodded to Li Jingyi, it was the only thing Ye Chen could think of.

"I hope one day I have something like what you said just now" Li Jingyi hoped that she had something like what Ye Chen just said.

Li Jingyi hopes that she can have a beautiful home and family, although what Li Jingyi wants is something that may be very difficult to realize considering that his family always doesn't get along and fights for power.

So what Ye Chen said was something that was impossible in the Li Jingyi family.

"I wish you could have something like that, you just have to find it yourself" Ye Chen told Li Jingyi that she had to find it .

Li Jingyi could only lightly nod at Ye Chen, he didn't know if it could really happen or not.

"Okay, see you later, nice to talk to you" Li Jingyi said goodbye to Ye Chen, after which she immediately left this place.

Li Jingyi disappeared very quickly, this woman's movements looked very skillful, obviously she was a trained cultivator.

"Who is this Li Jingyi, she looks full of gentleness and a very strong noble aura" Ye Chen began to wonder who Li Jingyi was, this woman was very mysterious.

"Master, the woman just now has a special body called the Holy Spring Body, she has very strong healing abilities, I can feel it" Chu Yuechan told Ye Chen that the woman just now had extremely strong healing and recovery abilities.

"Interesting power, there will definitely be many people who want that kind of power." From what Chu Yuechan had just said, Ye Chen could estimate that there were a lot of people who wanted Li Jingyi.

"You should probably get it, she can help you when you are injured." Chu Yuechan told Ye Chen to get the Holy Spring Body.

"No, I will not do that, I can feel that Li Jingyi has a deep sadness, it seems that it is because she has the Holy Spring Body you just said" Ye Chen said to Chu Yuechan.

Even though Li Jingyi was always smiling and full of tenderness, Ye Chen could see that Li Jingyi was hiding a very deep sadness.

This could be seen by Ye Chen from Li Jingyi's eyes, it could be seen that Li Jingyi was hiding such things.

"It's up to you, I'm just reminding you" Chu Yuechan just reminded Ye Chen, it's up to Ye Chen to listen to his words or not.

Ye Chen looked up at the sky, it seemed that from here the scenery was very beautiful, Li Jingyi was only right to say that the scenery in this place was very beautiful.

"Boom. . ." When Ye Chen was looking at the scene in the sky, Ye Chen heard a huge explosion occur.

Ye Chen immediately looked for the origin of the explosion just now, Ye Chen quickly found the origin of the explosion just now.

"That direction, isn't that the direction where Mei Yueli and the others are" When Ye Chen looked straight at the origin of the explosion, Ye Chen saw that the origin of the explosion just now came from the forge that Mei Yueli and her group were at.

Seeing this, Ye Chen hurriedly returned to see what happened, whether Ye Chen's party was attacked or not.

Chapter 1065 - Enemy Attack In The Night

when Ye Chen came back, Ye Chen found that there were dozens of people attacking them, the people who were attacking at this time were using a cloak to hide themselves.

"Everyone, quickly protect the princess." Lao Kang ordered all the core disciples to go and protect the princess.

Mei Yueli, Song Ziyu, Wen Azi, Rou Vin, Ying Pi and a pair of core disciples from Double Pair Peak immediately circled the carriage occupied by the princess.

They all made sure not to let these people get any closer towards the princess's paper.

"What is this?" Ye Chen approached and asked the situation, he wanted to know what was going on right now.

"We're being attacked, quick find a place to take cover, it's very dangerous here for an outer court disciple like you" Wen Azi told Ye Chen to quickly find a place to hide.

"Okay, I understand." Ye Chen nodded, he immediately went to find a place to hide.

"Hai Ye Chen where are you going?" Mei Yueli told Ye Chen to stop, how could Ye Chen even run away in a situation like this.

Too bad Ye Chen didn't listen to Mei Yueli's words, Ye Chen had already gone to protect himself.

"_-_" Mei Yueli was really angry when she saw Ye Chen who actually left this place, even though Mei Yueli's intention to invite Ye Chen was to help her.

"Ye Chen, just watch out later" Mei Yueli was really very upset, she would scold Ye Chen later.

"Yueli, why do you bother taking care of that man, just focus on our mission" Song Ziyu told Mei Yueli to focus on their mission to protect the princess.

"Alright" Mei Yueli nodded, she would focus on her mission to protect the princess.

Actually Ye Chen didn't go, he hid secretly to watch the battle that Mei Yueli and the others fought. When the situation really got out of control, Ye Chen would definitely help them.

"I wonder if the princess is in the carriage or not?" Ye Chen was curious whether the princess was currently in the carriage or not.

Maybe they were all just ordered to escort the empty carriage, while the real princess was with the cavalry.

"God Eyes" Ye Chen used **God Eyes** to look inside the carriage, once again Ye Chen found no one, not even the female maid who previously stopped Ye Chen was in the carriage.

"There's no one in there" Ye Chen didn't find any whereabouts of the princess or the maid.

Unable to find the whereabouts of the princess, Ye Chen looked around the place to find out the whereabouts of the maid.

Ye Chen expanded the range of God Eyes, while Ye Chen expanded the range of God Eyes, Ye Chen finally discovered the whereabouts of the maid.

Surprisingly Ye Chen found another figure beside the maid.

"Wait, isn't that Li Jingyi?" Ye Chen saw a familiar figure, it was obvious that this was the Li Jingyi he had just met.

"Don't tell me she's a princess?" Seeing this Ye Chen finally realized Li Jingyi's identity, it turns out that Li Jingyi is a princess, it's only natural that this woman has a very strong noble aura, it turns out she is a princess.

Ye Chen looked behind Li Jingyi, Ye Chen found several people chasing Li Jingyi.

"It's bad I have to go and help her" Ye Chen had to go and help Li Jingyi who was currently being chased by the enemy who was after her.

"Mei Yueli, I will go save the princess, you and the others can take care of those people." Ye Chen gave a voice transmission to Mei Yueli.

Ye Chen told Mei Yueli that he was going to save the princess.

"Huh?, Ye Chen what do you mean?" Mei Yueli immediately asked what Ye Chen just meant, Mei Yueli didn't understand what Ye Chen had just said.

Too bad Ye Chen had already left to save Li Jingyi, so Ye Chen didn't have time to answer Mei Yueli's question.

"Big pervert, don't ignore me like that?" Mei Yueli was very, very annoyed with Ye Chen who had dared to ignore her, this made Mei Yueli very, very annoyed.

In order to vent her frustration, Mei Yueli began to attack the enemy in front of her with fireballs.

"Boom. . . , Boom . . . , Boom . . . ," Several large explosions occurred as Mei Yueli did this.

Ye Chen was currently chasing Li Jingyi, from behind Ye Chen could hear the sound of the battle that was going on.

It seemed that they had all fought quite fiercely against the enemy who was targeting the princess.

.

.

Right now Li Jingyi and her Maid were surrounded, there was no escape for the two of them.

"Where are you going, you have no way to escape anymore." One of the kidnappers told Li Jingyi that he had no way to escape.

"Princess, you should go, I will hold them for a while" The female maid told the princess to run away while she would restrain these people.

"But" Li Jingyi hesitated to leave her maid with these people, Li Jingyi was afraid that these people would kill the female maid.

"Princess, your safety is everything, you should leave right now, you don't have to worry about me, I'll be fine" The maid told Li Jingyi that she would be fine.

"Alright, I trust you" Li Jingyi was confident in the abilities of the female maid, the female maid was a servant as well as a cultivator assigned to take care of her.

Li Jingyi immediately left this place, he immediately fled as fast as he could.

"Don't let her escape." The kidnapper told his partner not to let Li Jingyi.

"I won't let you." The female maid immediately stood up and blocked the kidnappers' path so they couldn't catch up with Li Jingyi.

"Get out of the way or we'll kill you" the kidnappers told the female maid to get out of the way.

"I won't go away, if you really have the ability, pass my corpse first" The female maid told the kidnappers to pass through the corpse before chasing Li Jingyi's daughter.

"Alright, all of you kill her" the leader of these people ordered everyone to kill the Maid immediately.

Seeing the enemy want to fight her, the female maid took out two knives from under her clothes, it was seen that these knives were sharp and strong.

"Clank. . ., Clank . . ., Clank . . ., Clank . . .," The female maid began to fight against the kidnappers, the battle here also looks quite fierce.

In this battle, the female maid could match the strength of the enemy, Even if she was alone, the female maid could buy time until Princess Li Jingyi had gone far enough.

"Okay, I'll help her " Seeing this Ye Chen felt sorry, that's why Ye Chen wanted to help the female maid.

Ye Chen took his God Mask and started to use it to cover his face, Ye Chen also changed his robe to a much darker color.

After changing his appearance, Ye Chen immediately went to help the female maid.

"Nine Shadow Step" Ye Chen used the **Nine Shadow Step** to move at an extremely fast speed, unnoticed by the enemy, Ye Chen started to knock out several enemies who were attacking the Maid.

"Bam. . ., Bam. . ., Bam. . ." Ye Chen hit the kidnapper's neck, as a result they immediately fell unconscious.

Chapter 1066 - Enemy Identity

Ye Chen very easily crippled several kidnappers.

After crippling a few people, Ye Chen immediately caught up with Li Jingyi who had gone quite a distance.

The maid as well as the kidnapper looked shocked by what had just happened, they didn't know what had just happened.

What Ye Chen did was too fast, they all couldn't see what Ye Chen had just done.

Ye Chen's strength has really increased greatly, even a cultivator at the early stages of Divine Rebirth Realm, this is something that can no longer be explained.

The maid took this opportunity very well, she used to start attacking aggressively on the remaining enemies.

Since the number of enemies had decreased as a result of being dropped by Ye Chen, the maids were finally able to gain some ease in fighting the enemy.

Ye Chen quickly chased after Li Jingyi, it just so happened that Li Jingyi was currently quite far ahead.

Li Jingyi's movement speed was quite fast, Ye Chen even had to use quite a bit of speed to catch up with Li Jingyi.

Li Jingyi flew as fast as he could, Li Jingyi tried to go find a hiding place.

Li Jingyi suddenly stopped, it could be seen that right now in front of Li Jingyi was someone who had been waiting for him.

Someone in a robe was waiting for Li Jingyi, he seemed to be one of the kidnappers.

With little effort put in by Ye Chen, Ye Chen was finally able to catch up with Li Jingyi.

When Ye Chen managed to get to Li Jingyi's place, Ye Chen discovered that currently there was a kidnapper who had been chasing Li Jingyi.

Ye Chen hid to the side, he observed who this man in the robe was, it seemed that this man was the mastermind behind Li Jingyi's attack and kidnapping.

"Princess where are you going?, you won't be able to escape from me" the leader of the kidnappers said to Li Jingyi, he wouldn't let Li Jingyi go just like that.

"Who are you, why are you trying to catch me?" Li Jingyi asked about the identity of the kidnapper group.

"You don't need to know who we are, what you need to know is that we want that power of yours." This person refused to reveal the identity of the group, all he needed was Li Jingyi's power that could heal and heal wounds in an instant.

"I don't want to do that" Li Jingyi said that he didn't want to lend her power to these people.

"You have no other choice, no one can protect you from us" the leader of the kidnappers said that no one else could protect Li Jingyi.

"Now come with me obediently." The leader of the kidnappers immediately approached and prepared to take Li Jingyi's body.

Seeing this, Li Jingyi felt that she had to fight the person who kidnapped her.

Li Jingyi prepared to put up a fight against the person who wanted to kidnap her.

Just before the kidnapping boss could catch Li Jingyi, suddenly the kidnapping boss's hand was stopped by someone.

"Don't touch weak women, let's face me." The person who had stopped the kidnapping boss was naturally Ye Chen.

Ye Chen finally appeared and stopped the person who wanted to kidnap Li Jingyi.

"Who are you?" The kidnapper immediately asked who Ye Chen was, why did Ye Chen dare to interfere with his affairs.

"I am a hero who saves a helpless beauty" Ye Chen told the kidnapper that he was a hero who would save Li Jingyi.

"Don't pretend to be a hero, otherwise you will. . .Bam." Before the kidnapper finished his words, Ye Chen had already hit the kidnapper.

Apart from hitting the kidnapper away, Ye Chen also took the kidnapper's robe, now the kidnapper's true figure can be seen clearly.

" You . . . ?" Ye Chen was dumbfounded when he saw the identity of the person who wanted to kidnap Li Jingyi, it turned out to be Oyang Jun who was in the same party as him.

"Bastard, how dare you reveal my identity" Oyang Jun was angry with Ye Chen for revealing his identity.

"Aren't you the disciple of the Nine Immortals Peak Sect assigned to be my bodyguard?" Li Jingyi immediately asked Oyang Jun who was supposed to be a bodyguard on her trip.

"Escorting you is just a disguise, my real job is to kidnap you and you to my master" Oyang Jun told that his job was to take Li Jingyi to someone.

Li Jingyi was speechless when she listened to what Oyang Jun had to say, this man was clearly a very dangerous traitor.

"So you are a traitor, a traitor should get a proper punishment" Ye Chen said to Oyang Jun.

"Don't be so big-headed, I can kill you very easily." Oyang Jun said that he could kill Ye Chen very easily.

"We'll see who loses" Seeing Oyang Jun's arrogance, Ye Chen immediately stepped forward and started attacking Oyang Jun.

"Prepare to enter the afterlife." Oyang Jun also started to advance, this man took a machete from his Space Ring.

Oyang Jun's target was Ye Chen's head, he intended to behead Ye Chen's using the machete in his hand.

Oyang Jun took out his true cultivation base, considerable strength overflowed from Oyang Jun's body, it turned out that this man had hidden his cultivation base, unexpectedly that Oyang Jun's cultivation base was comparable to Lao Kang.

"Die" Oyang Jun jumped up and started slashing the machete in his hand towards Ye Chen's neck.

" clang" a crashing sound caused by a hard object sounded, Oyang Jun's cleaver had now landed in Ye Chen's sight.

Oyang Jun's machete just landed on Ye Chen's neck, unfortunately the cleaver in Oyang Jun's hand was unable to penetrate Ye Chen's skin which felt very hard.

Ye Chen was currently using the power of the God Mask to focus on increasing his physical strength, as a result, Oyang Jun's machete was unable to injure him.

"God Mask is very useful" Ye Chen felt that God Mask was very useful, it was really an artifact that strengthened Ye Chen's strength.

" What ! ! !" Oyang Jun finally reacted, he couldn't believe what he just saw, Ye Chen actually resisted his attack.

Oyang Jun didn't give up, he immediately tried to increase his strength to slash Ye Chen's neck.

"Stop trying, you won't be able to kill me" Ye Chen told Oyang Jun that what he did was a waste of time.

Apart from using the God Mask, Ye Chen also used the Transparent Heavenly Armor to protect his body from receiving any damage when facing strong attacks.

Although this wasn't the perfect version of the Heavenly Armor that could keep Ye Chen completely protected from all kinds of attacks.

This was more than enough if only to deflect the attack that came from Oyang Jun.

"Damn it, why won't it move" Oyang Jun cursed his machete, why his machete wouldn't move and cut off Ye Chen's head.

"Enough . . . , Bam" Ye Chen hit Oyang Jun's face, Oyang Jun was thrown immediately very far when he received a punch.

Oyang Jun's body crashed into the rocks and trees that he passed, Oyang Jun was forced to retreat tens of miles away by Ye Chen's punch.

" cough . . ." Oyang Jun coughed up blood mixed with his teeth that had fallen out, Ye Chen's punch made Oyang Jun's face and teeth shattered.

Chapter 1067 - Defeat Oyang Jun

Oyang Jun was currently feeling an unbearable pain in his face, Ye Chen's punch just now had clearly shattered Oyang Jun's face.

" Bastard "Oyang Jun looked very angry, his face had been crushed by Ye Chen.

Oyang Jun again tried to attack Ye Chen, this time Oyang Jun's cleaver was enveloped in Flames.

"gahhhh. . ." Oyang Jun shouted, intending to slash Ye Chen for the second time.

Ye Chen only smiled when he saw what Oyang Jun was trying to do, Ye Chen used Nine Shadow Steps to dodge Oyang Jun's attack.

"Slash" This time, Oyang Jun's slash hit Ye Chen's body.

Oyang Jun looked very happy when he saw his attack hit Ye Chen right now, now finally Oyang Jun can smile with satisfaction.

Oyang Jun's smile only lasted for a moment, after that Oyang Jun's satisfied smile disappeared.

Ye Chen's body suddenly disappeared, what Oyang Jun just attacked was only Ye Chen's substitute shadow.

"I'm behind you" Ye Chen spoke to Oyang Jun, unnoticed by Oyang Jun, Ye Chen was already behind his body.

Oyang Jun turned around, he intended to attack Ye Chen, unfortunately once before Oyang Jun could kill Ye Chen, Oyang Jun was beaten by Ye Chen first.

Twice Oyang Jun had gotten a hit in the face.

Oyang Jun's face was seriously injured, Ye Chen's two blows had made Oyang Jun's face difficult to recognize by those closest to Oyang Jun.

Oyang Jun endured the increasingly excruciating pain, Oyang Jun received two hits from Ye Chen, this was an embarrassing disgrace to Oyang Jun.

Oyang Jun couldn't stand these consecutive defeats anymore, he had to win against Ye Chen.

Oyang Jun's body began to be enveloped by a deep fire that smoldered and burned everything around Oyang Jun.

"Flame Cleaver Slash" Oyang Jun swung his machete several times, a slash of fire shot out every time Oyang Jun swung his machete.

A slash of fire flew towards Ye Chen, the entire attack aimed at Ye Chen.

Ye Chen stretched his hand forward, when Ye Chen stretched his hand forward, all the fire slashes immediately stopped in front of Ye Chen.

The fire slashes stopped as if they were afraid of Ye Chen.

Oyang Jun was taken aback by what happened, his attack was stopped by Ye Chen very easily.

Ye Chen snapped his fingers, the fire slash instantly turned around and attacked Oyang Jun.

"no...no...no...why are you attacking me?" Oyang Jun tried to run away, unfortunately his movement was a bit slower and was eventually caught up by his own attack.

"Boom...boom...boom...boom...boom..." Several large explosions occurred when the slash of fire hit Oyang Jun's body, the attack launched by Oyang Jun turned out to have an extremely strong destructive power.

Too bad, that His attack actually destroyed Oyang Jun.

"Arghhhh" Oyang Jun screamed in pain, his entire body burned by his own attack.

For some reason Oyang Jun's attack became much stronger, this made Oyang Jun feel a lot of pain.

Apart from controlling Oyang Jun's attack, just now Ye Chen had strengthened his attack, this made Oyang Jun's attack much more powerful than what he had previously launched.

Oyang Jun screamed for several minutes before finally stopping, Oyang Jun's body had been completely burned to ashes.

"Oh shit..." Ye Chen was a little careless, he had killed Oyang Jun, this made Ye Chen unable to find out who the person who had sent Oyang Jun was.

"Forget it, there are still some kidnapers that I can interrogate." There were still some kidnapers that Ye Chen had previously knocked out, so Ye Chen could still extract information from these people.

"Sir, thank you for saving me." Li Jingyi suddenly thanked Ye Chen, he thanked Ye Chen for helping her.

"You don't need to thank me, it's my duty to help the weak." Ye Chen waved his hand, he didn't need Li Jingyi to thank him like that.

It was Ye Chen's duty to protect Li Jingyi who was in danger.

Since Ye Chen was wearing a God Mask, Li Jingyi shouldn't know about Ye Chen identity.

"Alright, I'll go first, take good care of yourself" Ye Chen bid farewell to Li Jingyi, he went towards the people he had previously crippled.

Li Jingyi saw Ye Chen's departure. "That guy was really cool" Li Jingyi felt that Ye Chen was really really cool, Li Jingyi liked Ye Chen.

"Why does that man look familiar to me" Li Jingyi felt familiar with Ye Chen, Li Jingyi felt that she had met Ye Chen in this place.

Li Jingyi started to find out who the man who had just saved her was, she wanted to know who had helped her.

"Princess, are you okay?" Li Jingyi's maid finally caught up with Li Jingyi.

"I'm fine" Li Jingyi told the Maid that she was fine at the moment.

"It's good that the princess is fine, let's go back." Maid invited Li Jingyi to come back and see if Lao Kang and the others had succeeded in stifling the criminals.

"Let's go back." Li Jingyi nodded, he went along with the Maid back to where the others were.

.

.

Meanwhile, Ye Chen was currently going to take a look at the kidnapers he had managed to knock out.

"they have all been killed" When Ye Chen went to see the kidnapers, Ye Chen found that they were all dead.

Right now Ye Chen didn't have someone he could use to find out the identity of the enemy.

"Forget it, after all, my job is only to escort the princess, the matter of people targeting the princess, is none of my business." Since Ye Chen couldn't find anything that he could use to obtain information, Ye Chen decided to forget about this matter.

Ye Chen immediately returned to where Mei Yueli and the remainder of the Party were, Ye Chen had to confirm whether they were okay or not.

When Ye Chen arrived at the place of Mei Yueli and the others, Ye Chen saw that they were currently being cornered by the enemy, it could be seen that Mei Yueli, Song Ziyu and the others were exhausted from the fierce battle they were fighting, some even suffered internal injuries.

"are they all really core disciples?" Ye Chen was speechless when he saw the defeat suffered by Mei Yueli and his Party members.

Ye Chen started to wonder if they were really a core disciple or not, even fighting these people was difficult.

"Looks like I have to help them." Seeing this, Ye Chen had to help these people.

"**Frost Nova**" Ye Chen stretched out his hand towards the enemy, a blue light appeared from Ye Chen's hand straight towards the enemy.

Quickly all enemies are instantly turned into Ice statues by this attack.

Even the enemy didn't have time to react when Ye Chen attacked them.

"What happened?" Song Ziyu and everyone else were shocked by what had just happened.

All of them had no idea what had just happened to all the enemies they had fought against.

"Quickly defeat them" Lao Kang ordered to Mei Yueli, Song Ziyu and the others to immediately defeat the enemy who was currently sealed off.

Chapter 1068 - Invitation From Princess

Because the enemy's movement had been stopped by Ye Chen, Lao Kang, Mei Yueli, Song Ziyu, Wen Azi, Rou Vin, Ying Pi and a pair of disciples from Double Pair Peak easily defeated all the enemies.

All the enemies were easily killed by all of them, Lao Kang, Mei Yueli, Song Ziyu, Wen Azi, Rou Vin, Ying Pi and a pair of disciples from Double Pair Peak didn't think like Ye Chen, they all killed all the enemies without thinking that the enemy was still useful to them.

"Huft" Ye Chen couldn't help but sigh when he saw what was happening, it seemed that these people were unreliable.

Everything has happened, Ye Chen can't do anything about this, all Ye Chen can do now is just change his appearance.

Ye Chen took off his God Mask and black robe, then Ye Chen changed to the set of robes given by Lao Kang.

Ye Chen didn't come out right away, he waited for the right time to come out, while Ye Chen wanted to observe what Lao Kang, Mei Yueli, Song Ziyu, Wen Azi, Rou Vin, Ying Pi and a pair of disciples from Double Pair Peak would do.

"Finally we have defeated all of them." Lao Kang was relieved when they all defeated all the enemies.

Now that it's all over, they can relax their mind a bit and have their guard up.

"That was it?, who did it?" Song Ziyu asked everyone in this place, wanting to know who had frozen the enemy.

All the core disciples looked at each other, none of them did that.

In this place maybe only Mei Yueli guessed who the culprit was, just now it must have been Ye Chen's doing, she was the only one who could do such a thing.

"So strong, has he become that strong?" Mei Yueli really didn't expect that Ye Chen's strength would be that strong.

Ye Chen very easily sealed the movements of all enemies, this was something that someone with low cultivation couldn't do.

"It's only been a month, did he become that strong in just 1 month?" Mei Yueli was dumbfounded by Ye Chen's increase in strength, Ye Chen's increase in strength was completely beyond Mei Yueli's imagination.

"Yueli, why are you just keeping quiet?" Song Ziyu asked Mei Yueli who was currently lost in thought.

"It's okay, I was just thinking who was the one who helped us" Mei Yueli said to Song Ziyu.

"Do you think this was done by the princess's protector, a princess must have a very strong protector around her" Song Ziyu whispered to Mei Yueli, she began to estimate that what happened just now was the work of the princess's secret protector.

"That might happen." Mei Yueli said that what Song Ziyu had just said could happen.

"Are you all okay?" Li Jingyi suddenly appeared in front of everyone, Li Jingyi asked about the state of Lao Kang and the core Disciples who were in this place.

"Princess, thank you for your concern, we are all fine." Lao Kang told Li Jingyi that they were fine.

"It's good that you're all right, I'm glad to hear that." With a smile full of tenderness, Li Jingyi said to everyone in front of her.

"This woman is quite beautiful, Ye Chen must be interested in her" Mei Yueli took a good look at Li Jingyi in front of her, besides being beautiful, Li Jingyi was also full of tenderness, this was a woman who was liked by many men.

Especially a pervert like Ye Chen, Ye Chen would definitely stick his fangs into a beautiful woman like Li Jingyi.

"Okay, I'll go back inside, I'm asking you guys to take care of the mess here" Li Jingyi asked Lao Kang and the others to take care of the mess in this place.

"Princess do not need to worry, we will definitely take care of the chaos that is in this place" Lao Kang promised that they would take care of the chaos that was in this place.

Li Jingyi nodded, after that Li Jingyi along with her maid went to the carriage.

"Everyone, let's immediately clean up the mess that is in this place" Lao Kang invites everyone to clean up the mess that is in this place.

"By the way where did the inner and outer court disciples go?" Song Ziyu asked about the whereabouts of the Inner Court Disciple as well as Ye Chen.

"I don't know, maybe they're still hiding right now," Lao Kang said to Song Ziyu.

Due to the chaos just now, most likely the outer court disciples were currently hiding, they must be trying to save themselves from this dangerous battle.

"Hello, are you guys looking for me?" After feeling the time was right to go out, Ye Chen finally came out and showed himself.

"You coward who only dares to hide" Song Ziyu said that Ye Chen was a coward who only dared to hide when the battle was going on.

"Why, I'm not as strong as you, so there's no harm in hiding," Ye Chen said to Song Ziyu.

Ye Chen was not angry with the ridicule given by Song Ziyu, Ye Chen casually responded to the ridicule given by Song Ziyu.

Song Ziyu was really annoyed by the reaction Ye Chen was currently showing, this man was completely indifferent even after getting such words from Song Ziyu.

Song Ziyu hated Ye Chen more and more, she really didn't like Ye Chen.

"Where are the others?" Lao Kang asked Ye Chen where the other outer court disciples were.

"I don't know where they are hiding." Ye Chen said that he didn't know the whereabouts of the outer court disciple.

"Are they dead?" Lao Kang began to wonder if they had all died.

Due to being too busy fighting the enemy, Lao Kang had forgotten about the Outer Court Disciple.

"Then I will look for them" Lao Kang decided to go and look for the four outer court disciples.

While Lao Kang was looking for outer court disciples, Ye Chen, Mei Yueli and Song Ziyu started clearing this battlefield.

Song Ziyu was actually a little reluctant to help, unfortunately now that only Ye Chen was left here, it would take a long time for Ye Chen to tidy up this place.

With everyone's cooperation, this place had been cleaned up, all the corpses had been cleaned up leaving no trace.

"It's finally over" Ye Chen didn't really like this kind of work, he would rather spend time relaxing than having to do this kind of work.

Lao Kang has also returned, this time Lao Kang only brought two outer court disciples, Lao Kang did not find the whereabouts of the two of them.

Oyang Jun had been killed, meanwhile Zho Yun had also disappeared, for now only Li Be and Cia Gen were left.

Lao Kang didn't bother to look for these two any further, with the current situation, it would be very dangerous for him to get away from this Party.

The day went by quickly, the morning came very quickly, everyone was finally able to full again when the morning came.

After the morning came, finally everyone agreed to continue this journey.

When they were all about to continue their journey, suddenly the Maid owned by Li Jingyi came and approached Ye Chen.

"Young master Ye Chen, princess wants to meet you." The maid told Ye Chen that Li Jingyi wanted to meet her.

Chapter 1069 - If I Let You TouChapter It, Would You Like It ?

"Invite me?" Ye Chen asked the maid in front of him again, he couldn't believe what he just heard.

It wasn't just Ye Chen who couldn't believe what they had just heard, Mei Yueli, Song Ziyu and the others couldn't believe what the maid had just said.

The princess invited Ye Chen to meet her, this was something that no one could imagine.

"Yes, the princess invites you to speak privately" The maid confirmed what the princess said.

"Young master Ye Chen, please follow me." The maid told Ye Chen to follow her to meet the princess.

"Okay" Ye Chen nodded, he immediately went to follow the Maid into the carriage.

Everyone left was dumbfounded, they didn't know what had just happened, how an outer court disciple like Ye Chen could be invited by a princess like Li Jingyi, this was an impossible thing for everyone to accept.

"Everyone, let's continue this journey" Lao Kang woke everyone who was dumbfounded, Lao Kang invited everyone to continue their journey.

Lao Kang didn't care about the affairs that Ye Chen and the princess had, the main focus of Lao Kang was to complete this mission.

journey continues, Lao Kang and the others moved forward.

Meanwhile, Ye Chen had now entered Li Jingyi's carriage, this carriage was much bigger than Ye Chen had expected.

Currently Li Jingyi was sitting on a chair, in front of the chair there was a table and on it were some food and tea arranged neatly.

Li Jingyi was also wearing a dress that was much prettier than yesterday, even Li Jingyi's cleavage stood out.

Ye Chen's eyes couldn't leave focus on the two profound slits at all.

Ye Chen felt that he could sink himself into it.

Seeing the arrival of Ye Chen, Li Jingyi immediately got up from her seat.

"Ye Chen welcome, you can sit here" Li Jingyi gave a greeting to Ye Chen, Li Jingyi even directly told Ye Chen to sit in front of her.

Having been invited by Li Jingyi, Ye Chen immediately went to the seat in front of Li Jingyi.

After Ye Chen sat down, the maid immediately came over and gave Ye Chen a cup of tea.

After passing a cup of tea to Ye Chen, this maid directly returned to Li Jingyi's side.

"Ye Chen, this is the second time we've met." Li Jingyi said that this was their second meeting.

"I'm sorry for the impudence I did last night, I didn't expect that you would become a princess" Ye Chen said that he still didn't think that Li Jingyi was a princess.

Li Jingyi smiled gently at Ye Chen, it could be seen that Li Jingyi looked very gentle towards Ye Chen.

"You don't need to be so formal with me, you can treat me like an ordinary person, I don't really like being treated so formally like this" Li Jingyi said that she didn't like being treated so formally.

"Alright, I won't treat you formally." Ye Chen informed that he wouldn't be too formal with Li Jingyi.

"You can go and leave us alone, I want to talk to him alone" Li Jingyi told the Maid to leave the two of them, Li Jingyi wanted to talk alone with Ye Chen.

"Okay, I'll go out." Since the princess's order was absolute, the maid couldn't refuse, she could only leave Li Jingyi with Ye Chen.

The maid wasn't too worried about the princess' safety, an outer court disciple with a weak cultivation wouldn't be able to harm the princess.

After the Maid left, now inside this place there was only Ye Chen and also Li Jingyi.

"Ye Chen, you're still looking at mine with that look, aren't you afraid of getting punished" Li Jingyi said to Ye Chen.

Li Jingyi had seen Ye Chen's movements, who had been looking at her two peaks, this man was really very brave to stare at Li Jingyi's two towering peaks.

"Princess Li Jingyi, forgive my impudence, you have something beautiful, so I can't take this sight away from your body" Ye Chen said to Li Jingyi.

" You mean ?" Li Jingyi asked Ye Chen, Li Jingyi wanted to know what Ye Chen just meant.

"I mean, princess Li Jingyi is very beautiful, there are beautiful works that are worthy of admiration" Ye Chen said to Li Jingyi.

Ye Chen wasn't lying, Li Jingyi was a beauty who looked gentle and always had a smile on her face, this beauty was something that every man in this world dreamed of.

Li Jingyi's face turned slightly red when she listened to what Ye Chen said.

To think that Ye Chen would say such words, the praise given by Ye Chen made Li Jingyi's heart flutter.

Li Jingyi became interested in Ye Chen's mischief, this man was quite capable of entertaining and making Li Jingyi feel happy.

"Ye Chen, if I let you touch it, would you like it?" Li Jingyi asked Ye Chen.

For the first time a gentle woman like Li Jingyi tried to provoke Ye Chen, Li Jingyi's words could make any man excited.

"Of course, how can I refuse?" Ye Chen was quite direct in his reply to Li Jingyi.

Ye Chen didn't care if Li Jingyi's identity was that of a princess, if Li Jingyi did provoke him, then Ye Chen would naturally welcome it.

Li Jingyi smiled at Ye Chen, Ye Chen was too straightforward with herself, this man was very honest.

"He's too honest, this is the first time I've met an honest man like this" This was Li Jingyi's first time meeting an honest man like Ye Chen, Ye Chen's honesty deserves appreciation.

As a princess who had grown up in a palace full of hypocrites, Li Jingyi was used to hypocrites who were nice in front of her but wanted something from her.

Li Jingyi hated things like this the most, she didn't like things like this, if Li Jingyi had the chance, Li Jingyi wanted to leave the imperial palace.

"Do you dare to do it?" Li Jingyi asked if Ye Chen really dared to do that or was it just nonsense.

"I've never been afraid to do something like that" Ye Chen told Li Jingyi that he wasn't afraid to do that.

Ye Chen didn't care at all if Li Jingyi was a princess, as long as he liked it, Ye Chen would do Li Jingyi.

"Then give it a try, I want to see that ability you have" with a very gentle smile, Li Jingyi told Ye Chen to go ahead and try it, while Li Jingyi wanted to see Ye Chen's abilities.

Li Jingyi felt that there was a resemblance between Ye Chen and the masked man last night, which was why Li Jingyi wanted to see if Ye Chen was the masked man or not.

Ye Chen felt challenged by Li Jingyi, Ye Chen began to extend his hand towards Li Jingyi's two big melons.

When Ye Chen's hand was only inches from Li Jingyi's double peak, suddenly the tea on the table rose and slapped Ye Chen's hand.

Ye Chen's hand was easily pushed away by Li Jingyi.

Ye Chen was a little surprised to see this, it turned out that this gentle and weak-looking princess had a strong ability.

Chapter 1070 - Managed To Touch Chapter Soft And Big Objects

"Ye Chen why did you stop?, are you giving up your intentions?" Li Jingyi said to Ye Chen in a voice full of tenderness.

"Princess has great abilities, it looks like it won't be as easy as I thought" Ye Chen said to Li Jingyi.

"So you've given up?" Li Jingyi asked Ye Chen, Li Jingyi asked if Ye Chen had given up.

"I didn't say that I had given up." Ye Chen said that if he hadn't given up, Ye Chen would definitely touch Li Jingyi's two big things.

Ye Chen vowed to do just that, he wanted to touch Li Jingyi's two big melons.

"Then let's continue" Li Jingyi said to Ye Chen, Li Jingyi looked like she still wanted to continue this, she wanted to know how strong Ye Chen's strength was.

Ye Chen again reached out towards Li Jingyi, this time using a faster speed than before.

Once again, before Ye Chen could touch Li Jingyi, water appeared in front of Li Jingyi and blocked Ye Chen's path, this made Ye Chen unable to touch Li Jingyi again.

Li Jingyi smiled when she saw this, again Ye Chen couldn't get past the shield he made.

Actually Ye Chen could have crossed the shield made by Li Jingyi, unfortunately Ye Chen didn't do that because he was aware of Li Jingyi's intention to do this.

It was clear that Li Jingyi intended to test Ye Chen's abilities, Ye Chen himself still didn't know what Li Jingyi meant by doing this.

"Is he really this weak?" Seeing Ye Chen unable to break through his shield, Li Jingyi started to wonder if Ye Chen was really that weak.

Ye Chen didn't try again, he just kept quiet and didn't try.

"So now you really give up?" Seeing Ye Chen's reaction, Li Jingyi believed that Ye Chen had given up.

"Princess, your guard is too strong, can't you give me a little bit?" Ye Chen wanted Li Jingyi to give in to him more.

"I can't do that" Li Jingyi said that if he couldn't do such a thing, Li Jingyi's goal was to test Ye Chen's strength.

"Alright, if indeed the princess doesn't want to budge, then let me be a little serious, don't blame me you forced me" Ye Chen said to Li Jingyi.

Li Jingyi only smiled gently when she heard what Ye Chen just said, what Ye Chen said was like a bluff to herself.

Ye Chen once again stretched his hand forward, this time Ye Chen used all his abilities, with Ye Chen's ability, Ye Chen could very easily break through the water shield made by Li Jingyi.

After breaking through the shield made by Li Jingyi, Ye Chen's hand touched an extremely soft object, it was so soft that it made Ye Chen's palm sink into it.

Li Jingyi looked quite surprised when he saw what was going on at the moment, Li Jingyi didn't have time to react when Ye Chen had already held into Li Jingyi double peak.

Ye Chen shamelessly started to squeeze Li Jingyi's double peak, Ye Chen was really enjoying the sensation.

"Kyaahh. . ." Li Jingyi started to let out a groan that sounded very soft, Li Jingyi's voice could make the bones of any man who heard it melt.

Even Ye Chen who heard this was very excited, Ye Chen stretched out his other hand, this time Ye Chen used his two hands to support Li Jingyi's two double peaks.

Ye Chen didn't care about Li Jingyi's identity anymore, what Ye Chen wanted was to play with the two big and soft objects in the palm of his hand.

"Wait, where did you touch it, ah. . ." Li Jingyi groaned again when her object was touched by Ye Chen's skillful hand.

Li Jingyi couldn't stand the feeling that Ye Chen's hand gave, the feeling that Ye Chen's hand gave her made Li Jingyi's mind go strange.

"What's this?" Li Jingyi started to wonder what had happened to her, why she could feel such a wonderful feeling when Ye Chen touched her body.

"Princess, besides being big, yours is also very soft," Ye Chen said to Li Jingyi.

Ye Chen told Li Jingyi the truth, what he said was the truth, these two things felt very soft and full, the feeling of touching these things was very good.

Ye Chen's fingers began to explore every inch of Li Jingyi's double peak, Ye Chen was trying to measure Li Jingyi against his woman's.

When Ye Chen tried to compare Li Jingyi with Xue Suyin's, Ye Chen found that Li Jingyi was bigger, Li Jingyi's capital was truly extraordinary, she was truly very blessed with two majesty that every man wanted.

Li Jingyi was really very embarrassed when she heard what Ye Chen just said, what Ye Chen said made Li Jingyi feel embarrassed.

In this life, Li Jingyi had never let anyone touch her belongings, it could be said that Ye Chen was the first to dare to do this to Li Jingyi.

Li Jingyi wanted to try to stop Ye Chen, unfortunately he didn't have the ability to stop Ye Chen.
