

A True God 1071

Chapter 1071 - Entangled With Li Jingyi (1)

Li Jingyi was afraid of what Ye Chen had just said, Li Jingyi felt that something bad would happen to her.

Currently Li Jingyi did not have the strength to fight Ye Chen, she was at her weakest state, this made Li Jingyi unable to resist Ye Chen's invasion.

Li Jingyi had made a mistake, she just woke up a hungry wolf like this, this put Li Jingyi in a bad situation.

Ye Chen's hands started to touch Li Jingyi's soft skin, he admired Li Jingyi who had very soft skin.

Ye Chen's touch was absolutely delicious, Li Jingyi's body started to tremble when she did this to her.

Plus Li Jingyi was already so wet, her forbidden area was like a flowing river.

"Oh. . .no do not . . ." Li Jingyi shouted and tried to stop Ye Chen.

Too bad Ye Chen didn't want to stop and continued to play with Li Jingyi's body.

"Ye Chen, please stop" Li Jingyi wanted Ye Chen to stop right now, Li Jingyi's mind started to get weird when her body was touched by Ye Chen.

"Are you sure you want to stop?" Ye Chen whispered to Li Jingyi who was in his arms, Ye Chen asked if Li Jingyi really wanted him to stop.

Ye Chen was still the same as before, he didn't like to force women.

"Yes, please, I beg you." Li Jingyi really pleaded with Ye Chen, she really couldn't stand such a temptation.

"Okay" Ye Chen finally let go of Li Jingyi, Li Jingyi collapsed on the chair beside Ye Chen.

Li Jingyi currently didn't have the strength to wake up, Li Jingyi's appearance was also a bit lewd, if anyone else saw this, they would definitely think that Ye Chen had done something bad to Li Jingyi.

After Ye Chen let go of Li Jingyi, Li Jingyi felt a strange feeling in her body, she felt an itchy feeling that was unbearable, like a swarm of ants had climbed into her body, this feeling was really very uncomfortable for Li Jingyi.

Li Jingyi didn't know why she had such a feeling, even though Ye Chen had let go, how she felt a feeling that was far more uncomfortable than before.

Li Jingyi preferred the feeling that Ye Chen gave over to the uncomfortable itching feeling.

"I want the previous one." In her heart Li Jingyi felt that if she wanted the previous feeling, she needed the previous feeling to overcome the uncomfortable feeling in her body.

Ye Chen started to ignore Li Jingyi who was beside him, Ye Chen focusing on the dish in front of him.

After having fun with Li Jingyi, Ye Chen felt hungry and wanted to eat.

Ye Chen started to take the tea that was on the table, he started to drink the tea that was in the table bag.

"Not bad, the taste is quite premium." Ye Chen felt that the tea made by the Maid was quite good, this must be a premium tea that only noble families drink.

After trying the tea, Ye Chen intended to try the bread that was on the table, when Ye Chen stretched out his hand towards the food, suddenly Li Jingyi's soft hand stopped Ye Chen.

"What else?" Ye Chen asked why Li Jingyi suddenly stopped himself.

"That, I have an uncomfortable feeling, please help me" Li Jingyi asked Ye Chen to help herself resolve this uncomfortable feeling.

"No, didn't you tell me to stop?" Ye Chen said to Li Jingyi.

Ye Chen still remembered that Li Jingyi told him to stop, so Ye Chen didn't want to continue this.

"I beg you" Li Jingyi pleaded with Ye Chen, she couldn't stand this itching feeling.

Seeing Li Jingyi's sincerity and gentle face, Ye Chen felt bad to refuse.

But before Li Jingyi had rejected him, how could Ye Chen easily forget Li Jingyi's refusal.

"no . . ." Ye Chen said that he didn't want to do it, Ye Chen refused Li Jingyi.

Li Jingyi was completely helpless when she saw this, Ye Chen again rejected her.

"Ye Chen, I will do whatever you want, so please help me resolve this inconvenience" Li Jingyi said to Ye Chen.

Li Jingyi had no choice but to tell Ye Chen that she would do anything for Ye Chen.

"Are you serious?" Ye Chen asked Li Jingyi.

"I'm serious with my words, I swear to heaven" Li Jingyi dared to swear by his words.

Seeing Li Jingyi swearing, Ye Chen finally believed Li Jingyi's words.

Ye Chen didn't think much anymore, he pulled Li Jingyi's gentle beauty into his arms.

This time Li Jingyi didn't fight back when Ye Chen took it, Li Jingyi was completely resigned to what Ye Chen was going to do to her.

Ye Chen pulled Li Jingyi's clothes down, when Ye Chen did this, Li Jingyi's two double tops were exposed before Ye Chen's eyes.

"beautiful" Ye Chen felt that this was a beautiful masterpiece that was owned by Li Jingyi.

Li Jingyi was really embarrassed when Ye Chen saw her, Li Jingyi felt that she wanted to find a hole to hide in.

Ye Chen started to squeeze Li Jingyi's two double peaks, this time nothing stopped Ye Chen's hand from touching these two super large melons.

Li Jingyi started to feel a sense of comfort, this feeling really made Li Jingyi feel good.

Li Jingyi realized, Li Jingyi had started to like the feeling that Ye Chen gave, this feeling was really very comfortable.

Ye Chen touched for a few moments, after that Ye Chen tried Li Jingyi's taste.

Ye Chen ate the pink Cherry bud that was in front of him.

"Ah. . ." Li Jingyi groaned when she saw Ye Chen suck her own, this feeling was very, very comfortable.

"Ye Chen, you are just like a child." Li Jingyi could see that Ye Chen was like a child.

"Princess, this is very delicious." Ye Chen said that this was very delicious, Ye Chen liked this feeling.

"Don't call me princess, you can call me Jingyi" Li Jingyi told Ye Chen to call herself Jingyi.

"Jingyi, you are truly a gift, I want you" Ye Chen told Li Jingyi that he wanted Li Jingyi.

"Yes, I want you too, you are great" Li Jingyi also wants Ye Chen, Ye Chen has made Li Jingyi feel the most beautiful feeling in this world.

This feeling is the most beautiful thing, it feels much more beautiful than seeing the most beautiful place in this world.

Ye Chen and Li Jingyi started to entangle with each other, the gentle looking Li Jingyi started to become aggressive, she wrapped her arms around Ye Chen's neck, the two of them were already like a couple.

Ye Chen was really very excited, he really wanted to eat Li Jingyi in his arms.

Li Jingyi was also aware of what Ye Chen wanted, this man clearly wanted her.

The love that Ye Chen gave was truly overwhelming, it made Li Jingyi feel a sense of belonging.

Ye Chen stopped sucking Li Jingyi's Cherry buds, Ye Chen currently moved to the top right on Li Jingyi's Cherry lips.

Ye Chen brought his face closer and started to kiss Li Jingyi who was in front of him.

Li Jingyi could only close her eyes, waiting for Ye Chen's kiss.

Chapter 1072 - Entangled With Li Jingyi (2)

Ye Chen kissed Li Jingyi's Cherry lips, he enjoyed kissing Li Jingyi.

Li Jingyi felt an indescribable feeling when she felt the sensation of kissing Ye Chen, the feeling of this kiss was truly amazing.

Li Jingyi started to cooperate with Ye Chen, Li Jingyi started to follow Ye Chen's movements.

It was obvious that Li Jingyi was a very talented person, Li Jingyi was able to follow along and start to get great enjoyment

.

Because both can work together, this makes both of them get great pleasure.

"Chu. . ., Chu. . ., Chu. . .," Ye Chen and Li Jingyi's tongues entangled with each other, both of them having a more passionate kiss.

Li Jingyi had completely forgotten herself as a princess, she thought of herself as a normal woman who just felt love.

The feeling of love is very comfortable and pleasant for Li Jingyi, Li Jingyi likes this.

Li Jingyi started to ask Ye Chen for more, she really really liked this.

After a few minutes of passionate kissing, Ye Chen and Li Jingyi finally parted ways.

This time Li Jingyi's vision of Ye Chen had started to change, Li Jingyi looked at Ye Chen in a different way, he looked at Ye Chen with a gentle and loving gaze.

"Ye Chen, you are really naughty, you dare to play with this princess's body, are you not afraid of getting punished by this princess" Li Jingyi finally opened her mouth and said to Ye Chen.

"No, I'm not afraid, as long as I can get a beautiful daughter like you, I'm willing to take punishment from you" Ye Chen said to Li Jingyi.

Ye Chen wasn't afraid of Li Jingyi's words at all, Ye Chen was absolutely sure that Li Jingyi wouldn't do something like that.

"Geez. . ." Li Jingyi looked helpless as she listened to what Ye Chen had just said, Ye Chen words touched Li Jingyi's deepest heart.

"Ye Chen, do you know?" Li Jingyi said to Ye Chen.

"What do you know?" Ye Chen asked about what Li Jingyi had just said.

"You are the first to give this kind of feeling" Li Jingyi said to Ye Chen.

Li Jingyi told that Ye Chen was the first person to care about her.

"Didn't anyone in this Realm care about you?" Ye Chen asked Li Jingyi.

Li Jingyi shook her head, no one cared about Li Jingyi.

"The palace is only filled with hypocrites and full of intrigue, you can't trust anyone in the palace except yourself" Li Jingyi told Ye Chen about the imperial situation.

The Empire is currently in the process of selecting a successor to replace the current King Realm, the next successor will be groomed and trained to become the strongest cultivator in the entire Sky Cloud Peak Star Realm.

That's why the king's sons and daughters are trying to usurp the throne to become successors, for that they will do whatever it takes.

Currently Ye Chen doesn't know that Li Jingyi is the daughter of the King Realm, if Ye Chen knew maybe Ye Chen from the start Ye Chen wouldn't dare touch Li Jingyi.

"Even your parents?" Ye Chen asked Li Jingyi, Ye Chen wanted to know if Li Jingyi had no affection for parents.

"My mother is gone, only my father is left, unfortunately he doesn't show any affection for you, he only protects me from outsiders who try to use the power I have" Li Jingyi said to Ye Chen.

Li Jingyi's father only protects against people who want to use Li Jingyi power, he has no affection for Jingyi.

"I see." Ye Chen now understood a little about Li Jingyi, it seemed that this beautiful Princess with a large double peak size had an unpleasant life.

"You don't have to worry, from now on I will try to please you" Ye Chen said to Li Jingyi.

Ye Chen promised Li Jingyi that he would make Li Jingyi's life much more enjoyable than before.

"Thank you very much" Li Jingyi smiled very gently at Ye Chen, Li Jingyi really believed what Ye Chen had just said.

Ye Chen couldn't possibly lie to Li Jingyi, Li Jingyi could see Ye Chen's sincerity.

Li Jingyi's face began to return to Ye Chen's direction, Li Jingyi began to peck Ye Chen's lips, the two returned to a very passionate kiss.

Right now Ye Chen and Li Jingyi seemed to be in their own world.

" Princess . . . , we have arrived at our destination." The maid outside told Li Jingyi that they had already arrived at their first destination.

Hearing this, Li Jingyi immediately stopped kissing Ye Chen, She immediately looked towards the entrance.

"Okay, I'll go out soon" Li Jingyi nodded to the maid who was outside, she was about to go out.

"Okay" Maid nodded to Li Jingyi, without Li Jingyi's permission, the maid did not dare to enter the carriage.

Li Jingyi had already given an order not to go inside, therefore the maid did not dare to go inside.

"We've arrived at the empire?, so fast?" Ye Chen didn't know that they had arrived at the empire.

"fufufufu, we haven't reached the empire yet, we are still a quarter of the way to the empire" Li Jingyi told Ye Chen that they were still a quarter of the way to the empire.

"Then what is the meaning of the Maid just now?" Ye Chen asked Li Jingyi, Ye Chen wanted to know what the Maid meant just now.

"You will understand later" Li Jingyi informed that later Ye Chen would understand where they were now.

"I'll change first, you wait for me" Li Jingyi told Ye Chen that she was going to change her clothes, uncomfortable wearing clothes that were slightly wet on the bottom.

"Okay" Ye Chen nodded to Li Jingyi, he would wait for Li Jingyi to change clothes.

Li Jingyi immediately got up from Ye Chen's body, she immediately went to change into better clothes.

Li Jingyi used a curtain to change clothes, she did this so as not to be seen by Ye Chen.

"Ye Chen, don't peek, if you peek I will get angry" to Li Jingyi coming out from behind the curtain, Li Jingyi told Ye Chen not to peek at her.

Ye Chen nodded to Li Jingyi, Li Jingyi was satisfied when he saw Ye Chen's answer.

After that Li Jingyi went back inside, Li Jingyi started to take off the clothes on her body.

The sound of clothes rustling started to sound, this made Ye Chen's heart itch a little to peek.

Because Ye Chen was itching, Ye Chen was forced to use God Eyes to peek behind the curtain, when Ye Chen did that, he could see Li Jingyi entire body.

Ye Chen started to admire the beauty that was in front of his eyes, he really liked this.

Inside the curtain, Li Jingyi could feel a hot gaze emanating from Ye Chen.

Li Jingyi felt a little embarrassed by Ye Chen's fiery gaze.

Luckily there was a curtain in the way, so Li Jingyi wasn't too embarrassed by this.

Li Jingyi didn't know that the current Ye Chen could see through the curtain, if Li Jingyi knew what kind of reaction Li Jingyi was showing.

Chapter 1073 - Accompany Li Jingyi

Despite getting a fiery glare from Ye Chen, Li Jingyi continued to change clothes, quickly changing into a dress that looked much better than before.

After changing into something nicer, Li Jingyi finally came out and showed it to Ye Chen.

"You changed your dress with a better one?" Ye Chen asked Li Jingyi.

"What's the matter, don't you like this?" Li Jingyi asked Ye Chen.

"Of course I like you, you are beautiful in that outfit" Ye Chen told that Li Jingyi looked beautiful in that outfit.

A beautiful woman will look beautiful even if she wears strange clothes.

Li Jingyi smiled gently when she heard this, Li Jingyi really liked being praised by Ye Chen.

"Alright, let's go out right now." Li Jingyi invited Ye Chen to come out.

Ye Chen was helplessly dragged by Li Jingyi out of the carriage.

When Ye Chen and Li Jingyi got out of the carriage, the two of them saw a view of a very wide flower bed, when the wind blew some flower petals would fly and make the scene even more beautiful.

Ye Chen did not know what kind of ornamental flower this was, it was the first time he had seen such a flower.

Ye Chen probably knows a lot of medicinal plants, unfortunately Ye Chen's knowledge of flowers is not very deep, so Ye Chen doesn't know what kind of flower this is.

"so beautiful" Li Jingyi admired this beauty, she really liked this place.

This was a place that Li Jingyi had always wanted to visit for a long time, unfortunately Li Jingyi had only just had the chance to visit this place.

"Princess, please enjoy your time, the journey will continue in 3 hours from now" The maid told Li Jingyi that the trip will continue in about 3 hours, within these 3 hours, Li Jingyi can do whatever she wants in this place .

"Okay, I understand" Li Jingyi understood, he would enjoy his time in this place.

"Princess, do you want one of us to go with you?" Lao Kang asked if Li Jingyi needed their escort.

"For that, I already have someone for that." Li Jingyi informed that she already had someone to accompany her.

Lao Kang and the others were curious as to what Li Jingyi just meant, they wanted to know who would escort Li Jingyi.

"Ye Chen, let's go" Li Jingyi caught Ye Chen's hand, Li Jingyi invited Ye Chen to accompany her.

"Okay" Ye Chen could only nod to Li Jingyi, Ye Chen couldn't refuse Li Jingyi's request.

Lao Kang and the other core disciples were shocked to see this, they were stunned when they saw this, they saw a princess with a high status embracing an outer court disciple, this was inconceivable to all of them.

What Ye Chen and Li Jingyi did entered the eyes of Mei Yueli as well as Song Ziyu.

Mei Yueli saw that Ye Chen was very close to Li Jingyi, it could be seen that their relationship was not normal.

"This person, don't tell me that he has got this princess, this man is really a female enemy" Mei Yueli immediately guessed that Ye Chen had already won the princess's heart, this could be seen from the intimacy they did.

Even though it had only been about an hour since Ye Chen got into Li Jingyi's carriage, she didn't expect Ye Chen to be able to make Li Jingyi show a close relationship with Ye Chen.

"Wait a minute, why do I bother taking care of a pervert like Ye Chen, what he does is none of my business" Mei Yueli felt strange about herself, why would she bother to take care of Ye Chen's and Li Jingyi's relationship, that was something which Mei Yueli shouldn't need to think about.

Mei Yueli tried to steel her heart to ignore what Ye Chen was doing right now, Unfortunately Mei Yueli couldn't do that, Mei Yueli was still thinking about what she was seeing.

Meanwhile Song Ziyu was furious when she saw Ye Chen being so close to Li Jingyi, this useless man could actually be close to a princess like Li Jingyi.

For some reason Song Ziyu was so upset when she saw Ye Chen alone with Li Jingyi, Song Ziyu's heart couldn't accept this happening.

Song Ziyu couldn't bear to see this, this made Song Ziyu's eyes feel stained, she would try to separate Ye Chen and Li Jingyi.

"Princess, do you want me to escort you to make it safer?" Song Ziyu immediately offered to be Li Jingyi's bodyguard.

"It's not necessary, I already have Ye Chen, right?" Li Jingyi asked Ye Chen.

"Yes, of course, I will definitely escort the princess very well." Ye Chen said that he would escort Li Jingyi.

"You, with your current strength you want to escort the princess, are you kidding me?" Song Ziyu said to Ye Chen.

Song Ziyu words really tried to hit Ye Chen hard, Song Ziyu alluded to Ye Chen being weak.

"I don't care if he's weak, I want him to be my bodyguard, so don't interfere." Before Ye Chen answered Song Ziyu words, Li Jingyi had already answered Song Ziyu words.

Song Ziyu was left speechless when listening to what Li Jingyi had to say, Song Ziyu was speechless when she saw Li Jingyi princess helping Ye Chen.

"Damn, why is the princess helping this man, what's so good about this man?" Song Ziyu really couldn't understand why a princess with such a high status would want to lower herself to the same level as Ye Chen.

Li Jingyi wasn't afraid to expose her relationship with Ye Chen, she wasn't going to hide what she liked.

"Let's go" Li Jingyi took Ye Chen away and saw this beautiful flower bed, Li Jingyi intended to enjoy this together with Ye Chen.

Mei Yueli, Song Ziyu and the others could only watch Ye Chen leave, they all didn't understand why Princess Li Jingyi could act like that towards Ye Chen.

Everyone was stunned by what had just happened, their brains unable to process what had just happened right before their eyes.

Li Jingyi led Ye Chen towards a very wide flower bed.

"Isn't this beautiful?" Li Jingyi asked Ye Chen.

"Of course it's very beautiful." Ye Chen told Li Jingyi that this place was indeed very beautiful.

"I've been dreaming of visiting this place for a long time, finally that dream has come true" Li Jingyi said to Ye Chen.

"I'm glad your dream has come true." Ye Chen was happy to see Li Jingyi's dream had come true.

Li Jingyi nodded lightly to Ye Chen, Li Jingyi tightened her distance with Ye Chen.

Seeing this with close people was different from seeing this in person, Li Jingyi was very happy about this.

"Jingyi let's have fun" Ye Chen pulled Li Jingyi, he invited Li Jingyi to have fun and enjoy this beautiful scenery together.

Li Jingyi nodded, she followed Ye Chen and started having fun regardless of her status as a princess.

Ye Chen took Li Jingyi for a run in the vast flower bed, the two of them were having fun and laughing.

Ye Chen and Li Jingyi had been seen to be lovers, the two of them were really very close.

Chapter 1074 - Traitor Maid

During this 1 hour, Ye Chen took Li Jingyi to play around this vast flower bed, both of them having fun and enjoying this good time.

Even Li Jingyi looked very happy when she played together with Ye Chen in this place.

After both of them were tired, Li Jingyi took Ye Chen to find a place to rest.

Ye Chen and Li Jingyi went to the shore, coincidentally there was a shady tree suitable for shelter from the sun which was getting hotter and hotter.

"Ye Chen, come here" Li Jingyi told Ye Chen to sleep on her lap, Li Jingyi intended to lend her lap to Ye Chen.

Ye Chen was a little excited when he saw this, Ye Chen didn't hold back and started sleeping on princess Li Jingyi lap.

Ye Chen enjoyed this lap, it had been a long time since Ye Chen had last enjoyed something like this.

Among the women that Ye Chen had, Xue Suyin was the one who often spoiled Ye Chen like this, Xue Suyin was the happiest when she pampered Ye Chen.

If you look at it, Li Jingyi almost has similarities with Xue Suyin in this way, the difference is that Li Jingyi is a little more innocent than Xue Suyin, if Li Jingyi is flirting enough, maybe Ye Chen can't stand Li Jingyi anymore.

Li Jingyi looked happy when she saw Ye Chen lying on her lap, Li Jingyi felt that Ye Chen was very spoiled for her.

"Ye Chen, may I ask a little about you?" Li Jingyi wanted to ask a little about Ye Chen.

"What do you want to ask me?" Ye Chen wanted to know what Li Jingyi wanted to ask him.

"It's about the place of origin that you told me last night." Li Jingyi wanted to know what kind of place Ye Chen belonged to.

"So you want to know where I come from?" Ye Chen asked Li Jingyi.

Li Jingyi nodded to Ye Chen, he really wanted to know what kind of place was Ye Chen's house.

Ye Chen told Li Jingyi about the earth, he told Li Jingyi that it was a small planet that not too many people knew about.

"How do you say it's the best place?" Li Jingyi asked Ye Chen.

"That's because there are some beautiful wives there" Ye Chen said to Li Jingyi.

"Wife?," Li Jingyi asked Ye Chen, Li Jingyi wanted to confirm what Ye Chen just said.

"I didn't want to lie to you, so I told you the truth." Ye Chen didn't like lying about matters like this, it was better to be honest with Li Jingyi before it was too late.

"You are not afraid that I will be angry when I know this" Li Jingyi asked Ye Chen.

"Not really, if you're angry I just have to persuade you" Ye Chen said to Li Jingyi.

"gezzzzzz" Li Jingyi was helpless when she heard this, this man was really being very direct towards her.

Looks like Li Jingyi appraiser wasn't wrong, Ye Chen is a very honest person and wouldn't lie to Li Jingyi.

"I'm glad you're honest with me" Li Jingyi was happy that Ye Chen was honest with herself, Ye Chen's appraisal rose in Li Jingyi's eyes, Li Jingyi started to trust Ye Chen more and more.

Li Jingyi lowered her head, intending to kiss Ye Chen again.

Li Jingyi started to like kissing, so it was not strange that Li Jingyi wanted to kiss Ye Chen who was on her lap

"princess" just before Li Jingyi could kiss Ye Chen, Li Jingyi's personal maid came.

With a little haste, Li Jingyi pulled back her head which was about to kiss Ye Chen

"what's wrong?" Li Jingyi asked what needs the female maid wanted.

"There's something I want to tell you." The maid told Li Jingyi that she had something to say.

"Say it quickly" Li Jingyi told the maid to say what she needed.

"Please come closer, I want to discuss this in secret with you" The maid told Li Jingyi to come closer to her.

"Okay" Li Jingyi nodded, she would immediately go and approach the female maid.

"Ye Chen wait a moment" Li Jingyi asked Ye Chen to wait for her.

Ye Chen nodded to Li Jingyi, Ye Chen will wait for Li Jingyi patiently.

Li Jingyi got up from the grass, and began to approach the female maid who was standing not far from them.

Some time after Li Jingyi left, Ye Chen started to feel something wrong in this, why did the Maid even ask Li Jingyi to come over to her, theoretically a Maid could not allow her Master to do something like this.

"Could it be" Ye Chen immediately got up from the ground, he followed Li Jingyi who was about to approach the female maid.

Currently the female maid was carrying a knife in her hand, the female maid hid this knife and prepared to catch the approaching Li Jingyi.

Li Jingyi was getting closer and closer, when Li Jingyi was really very close, the Maid started her action to catch Li Jingyi.

"Jingyi stop" Ye Chen immediately told Li Jingyi to stop right now.

"Huh?" Li Jingyi paused, preparing to turn around to see what Ye Chen wanted to do.

When Li Jingyi turned around, from behind a knife was already around her neck.

Li Jingyi was shocked to see this, Li Jingyi immediately looked back to find out what happened.

When Li Jingyi looked back, Li Jingyi discovered that the person who held the knife was his personal maid.

" You . . . ?" Li Jingyi said to his personal Maid.

"Shut up" The maid warned Li Jingyi to be quiet and do nothing.

Seeing that Li Jingyi had been arrested, Ye Chen immediately stopped, Ye Chen looked at the female maid who was leaning against Li Jingyi.

"What are you doing, let go quickly" Ye Chen told this woman to let go of Li Jingyi.

"No, you should stay there, if you dare to move I will hurt this woman." Maid told Ye Chen not to move closer, otherwise she would hurt Li Jingyi.

Ye Chen gritted his teeth when he heard this, it seemed this Maid was also a traitor who intended to kidnap Li Jingyi.

There were too many traitors on this trip, from the start Ye Chen couldn't detect this kind of thing, they were too good at carrying out their disguises.

"Ye Chen, don't mind me, you better go and ask for help" Li Jingyi told Ye Chen to go and ask a core disciple who was not far from them.

"hahaha, you won't be able to ask for help, I've already given them all the medicine that will put them into a deep sleep for a while, they won't be able to help you anymore" the Maid said to Li Jingyi.

This woman had planned everything so well, she was even smarter than Oyang Jun.

"Now no one can save the two of you" this woman told that no one could help Ye Chen and Li Jingyi.

"Who said I need help, I can solve this alone" Ye Chen didn't need help from Mei Yueli and the others, Ye Chen alone was enough to take care of this traitorous woman.

"What are you saying, a weak court disciple like you dares to challenge me, don't you know your place" the traitor Maid said to Ye Chen.

"Perfect Steal", Ye Chen immediately used Perfect Steal to steal the knife that was in the hands of the traitor Maid.

The knife in the maid's hand instantly disappeared and appeared in Ye Chen's hand.

"*Nine Shadow Step*", After that Ye Chen used the *Nine Shadow Step* to attack the traitor Maid.

Chapter 1075 - Want To Run Away ?

The traitor woman was shocked when she saw the knife in her hand suddenly vanish for no reason, she didn't know what had just happened.

When the Maid was in confusion, Ye Chen took this opportunity to attack her.

"Bam. . ." Ye Chen hit the Maid who had held Li Jingyi captive.

"Oh. . ." The female maid was blown away by Ye Chen's attack, Ye Chen's attack was not very strong, this made the female maid not seriously injured.

After getting rid of the traitorous maid, Ye Chen immediately went to fetch Li Jingyi.

"Jingyi, are you okay?" Ye Chen directly asked about the situation from Li Jingyi.

"I'm fine, thanks for helping me" Li Jingyi told Ye Chen that She was fine.

"Good." Ye Chen was happy to hear that Li Jingyi was fine, now Ye Chen's feelings could be relieved.

After confirming that Li Jingyi was safe, Ye Chen immediately went and looked at the Maid, this woman had tried to hurt Li Jingyi, Ye Chen couldn't just let this woman off the hook.

"Damn it, how dare you attack me suddenly like that" The female maid was angry at Ye Chen who had attacked her all of a sudden.

"You have tried to hurt the person I love, so don't blame me for attacking you" Ye Chen said to the Maid.

The maid had dared to try to harm Li Jingyi, how could Ye Chen just be silent when he saw Li Jingyi being taken away.

The maid could only grit her teeth when she listened to what Ye Chen said.

"You bastard" Maid said that Ye Chen was an asshole who had interfered with her perfect plan.

"Jingyi, you wait here, I'll be back soon" Ye Chen told Li Jingyi to wait for himself here, Ye Chen will return soon after finishing his business with this woman.

Li Jingyi nodded, she would wait here while watching Ye Chen take care of this person.

Li Jingyi herself wanted to see Ye Chen's abilities, Li Jingyi was quite curious about Ye Chen's abilities.

Ye Chen stepped forward and approached the female maid, Ye Chen was already preparing to fight this woman.

Ye Chen knew that this woman was hiding her strength, it was clear that this woman had a cultivation that was probably almost comparable to hers.

When Ye Chen stepped forward and wanted to get closer to the enemy, a very strong wind hit Ye Chen's body from various directions, this wind was not an ordinary wind, it had an extraordinary destructive power.

The current Ye Chen was like being trapped in an enormous vortex, an ordinary person would surely die and be crushed by this huge force.

"You idiot" The maid said that Ye Chen was a fool, Ye Chen was very easily caught in her trap.

Now Ye Chen won't be able to get out of the powerful whirlwind he created.

Ye Chen looked very ordinary when he was in this whirlwind, there was no reaction when Ye Chen was trapped in this whirlwind.

"Do you have any last words before I kill you?" the maid asked Ye Chen.

Ye Chen was silent, he didn't say anything to the female maid.

The maid was annoyed with Ye Chen's flat face, it seemed that Ye Chen didn't react when he received threats from her.

"Die, **Vortex Blood Mist**" The maid began to move her hand, when the maid did that, the vortex of wind began to spin faster and stronger than before.

This powerful vortex could attract and grind anything that got into it, even a human body could be instantly chopped to pieces when it received this attack.

"Ye Chen" Li Jingyi looked panicked when she saw what had happened to Ye Chen.

"Should I go and help him?" Li Jingyi intended to use her power to help Ye Chen.

If Li Jingyi allowed this, then Ye Chen would definitely die in the **Vortex Blood Mist**.

"Die you bastard" The maid looked overjoyed when she saw Ye Chen trapped in the whirlwind, now Ye Chen must have been chopped into a mist of blood.

"Whoosh. . ." An extremely strong wind suddenly appeared within the vortex, this wind directly smashed into the Vortex Blood Mist and shattered the core of the Vortex Blood Mist.

The Vortex Blood Mist that lost its core instantly disappeared into thin air.

Ye Chen appeared while spreading one of his arms, just now Ye Chen used his one hand to destroy the enemy's whirlwind.

"W...What?" Maid was taken aback by what Ye Chen had just done, Maid felt like she saw a very terrible monster.

"This man is not normal, is he a monster or what?" The maid began to estimate that Ye Chen was a monster, how could Ye Chen destroy his technique with just a flick of his hand.

"Why?, are you afraid of me?" Ye Chen asked the woman in front of him.

"Who's afraid of you, I'm not afraid of you" The maid said that she wasn't afraid of Ye Chen.

"Then go ahead" Ye Chen told the Maid to come forward and attack him.

"Don't blame me, this time I will kill you, the maid said that she would kill Ye Chen.

The maid took a one-handed sword that had a thin blade.

"Ten Move Dance Slash" This woman's immediately made a dance, when this woman danced, she would issue several wind slashes towards Ye Chen.

This wind attack was quite sharp, if not careful it could cut a person's body.

Ye Chen simply stretched his hand forward, he parried all the attacks that were aimed at him, all the Wind Slashes were blocked with just his bare hands.

The attack might be strong, but the maid was looking for the wrong opponent, the profound wind attack wouldn't work against Ye Chen.

Ye Chen actually wanted to use his power to control the Maid's attacks, but Ye Chen still remembered that Li Jingyi was behind him, if Ye Chen used this technique, it was certain that Li Jingyi would know Ye Chen's identity.

Ye Chen didn't want to reveal his identity too quickly, which was why he didn't show his abilities in front of Li Jingyi.

Even though Ye Chen didn't show his Sage God ability, Li Jingyi was already quite impressed by Ye Chen's strength.

Ye Chen's strength was beyond Li Jingyi's estimation, this was something that was extremely amazing to Li Jingyi.

"What kind of monster are you, aren't you just an outer court disciple?" The maid started to wonder if Ye Chen was a monster, why all her attacks couldn't hurt Ye Chen.

"I'm not a monster, I'm just an ordinary human who will be angry if someone dares to disturb his peace" Ye Chen said to the enemy in front of him.

Ye Chen began to stare at the Maid in front of him with a look of quite strong hostility.

The maid was afraid when she saw Ye Chen's gaze, she felt that Ye Chen was really an impossible enemy to beat.

"Damn it I have to leave this place, I won't win against this strange man" Maid felt that she would not be able to win against Ye Chen, that's why Maid chose to run away from this place.

The maid started to use the wind speed to leave this place.

"Want to run away, I won't let you escape ?" Seeing the enemy who wanted to run away, Ye Chen immediately chased after him.

Chapter 1076 - Li Jingyi Shows Her Power

Since Ye Chen left, currently Li Jingyi was left alone, Li Jingyi could only wait in this place patiently.

"Geez, he really left me" Li Jingyi was dissatisfied when she saw Ye Chen leaving herself like this.

"Beautiful, you seem to be alone." A few moments later, several men came over to Li Jingyi, these people seemed to have bad intentions towards Li Jingyi.

These people had quite a high cultivation base, it could be seen that they were strong cultivators comparable to the female maid Ye Chen was chasing.

It seemed their goal was to catch Li Jingyi and take her away.

There are so many groups targeting Li Jingyi, is it because of Li Jingyi Holy Spring Body, this power is needed in battle.

"What do you want?" Li Jingyi asked what these people wanted.

"of course take you away" these people told their destination, they wanted to take Li Jingyi away with them.

These people started to approach Li Jingyi, all of them intending to catch Li Jingyi.

"Don't come any closer" Li Jingyi told these people not to come any closer.

"It's too late, you won't be able to escape from us anymore." One of these people stretched out his hand towards Li Jingyi, he intended to grab Li Jingyi body.

Before this man could reach Li Jingyi, his hand was cut off.

"Eh. . ." This man doesn't know what he just went through, why did his hand suddenly cut off like this.

Surprisingly this man did not feel any pain because of this, not even a bit of blood that came out when this process happened.

His companions who were behind were shocked when they saw this, nor did they know what had just happened to their comrade.

"You want to take me?" Li Jingyi asked the man who had lost his hand, Li Jingyi expression was still full of tenderness when she said this.

To an ordinary person, Li Jingyi's smile might be very beautiful, but to a person who had lost his hand, Li Jingyi's smile was like a terror.

"All of you help me. . ." The man who had lost an arm asked his comrades behind for help.

Unfortunately before this man could finish his words, this man's heart suddenly burst open.

The man who had lost his hand felt his chest become Hole, this man panicked when he saw this, he wanted to scream loudly when he found out about this, but no matter how hard he tried, this man's words stuck in his throat.

He was unable to utter a word, his consciousness began to fade and this man fell to the ground.

It was certain that this man had died on the spot, it was impossible for him to live after losing his heart.

The people who saw this were so shocked, they couldn't believe what they had just seen.

They were speechless when they saw this, they began to ask if this meek woman had done it.

Since one of their comrades had been killed, the remaining people immediately became alert they all became wary of Li Jingyi.

"Everyone, let's attack him." These people agreed to attack Li Jingyi at the same time, so they had an even higher chance of winning.

"Sorry, I don't have time to deal with all of you" Li Jingyi didn't have time to deal with this villain, she wanted to wait for Ye Chen.

"Bitch, don't underestimate us, you will definitely make you regret for underestimating us" these people were angry when they listened Li Jingyi words.

Li Jingyi's words had truly angered all the men here.

Li Jingyi simply moved her finger horizontally, when Li Jingyi did that, people's bodies were instantly cut into two pieces.

once again there were no traces of blood when these people's body parts were cut off, they all didn't even feel any pain.

Since their bodies had been cut off, these people couldn't launch an attack on Li Jingyi.

Li Jingyi hid such immense strength, she only needed one finger to clear up these criminals.

Even in this battle not the slightest trace of blood was left behind.

"Rin" Li Jingyi called out someone's name, a while after Li Jingyi called this name, a woman in black clothes came up to Li Jingyi.

"Miss, what do you need?" The woman named Rin asked about Li Jingyi's needs.

Rin is Li Jingyi's most loyal servant, she serves Li Jingyi from behind the scenes, even few people know about Rin's whereabouts.

"Take these people away, I don't want to see them" Li Jingyi ordered her loyal servant to take the criminals away from this place.

"Miss, is it necessary for me to kill all those who have malicious intentions towards you?" Rin asked Li Jingyi if she needed to kill these people.

"Do whatever you want" Li Jingyi didn't care about the life and death of these people at all, it was useless for Li Jingyi to think about people.

Instead of thinking about the lives of these people, Li Jingyi preferred to think about whether Ye Chen was okay or not.

"Okay, I understand" Rin understood what Li Jingyi wanted, she was going to take these criminals away.

The group of criminals didn't dare to voice their discontent, if they dared to voice their discontent then Li Jingyi could easily kill them all.

Behind such a gentle and helpless face, This woman possessed a terrifying amount of strength, if they had all known from the start, they would not have been looking for trouble with Li Jingyi.

As per Li Jingyi's orders, Rin carried the corpses and the living people away from this place.

In just a matter of seconds this place was as clean as before, this place had become extremely clean, not the slightest trace of battle could be seen.

Li Jingyi looked back at Ye Chen, he was waiting for Ye Chen's arrival.

.

Ye Chen was currently chasing the Maid who was trying to escape from him, this Maid's speed was quite fast, maybe it was because she was a wind cultivator, this made her speed extremely fast.

With her current speed, this woman very easily escaped from Ye Chen.

"This woman is also fast" Ye Chen did not expect that this woman would fly so fast, if she continued like this, the maid could escape from Ye Chen.

Ye Chen couldn't possibly just let this woman escape, he opened his Wind Vein, Ye Chen's speed immediately increased drastically when he used Wind Vein, at his full speed to chase this woman.

Because Ye Chen's speed rose massively, Ye Chen was able to catch up to the woman who was trying to escape.

Ye Chen instantly caught the female maid's hand and began to immobilize her.

Ye Chen only needed to use his skills to weaken women, with this skill Ye Chen very easily crippled Maid.

The female maid felt strange when the strength in her body disappeared, plus her body felt hot and very uncomfortable.

"Finally I caught you too" Ye Chen was happy that he had finally caught the Maid who was trying to escape.

"Come with me" after catching this woman, Ye Chen immediately brought this woman back to Li Jingyi, let this woman explain what happened to Li Jingyi.

Ye Chen brought this woman towards Li Jingyi, it just so happened that Li Jingyi was currently standing waiting for Ye Chen's arrival.

Chapter 1077 - I Want You, Become My Woman

"Sorry for leaving you alone" after arriving beside Li Jingyi, Ye Chen immediately apologized for leaving her alone.

"No problem" Li Jingyi shook her head, she didn't mind this.

"Ye Chen why did you bring her here?" Li Jingyi immediately asked why Ye Chen had brought this woman here.

"You don't want to know who sent it?" Ye Chen asked Li Jingyi.

"She must not know anything about the person who sent her here" Li Jingyi told Ye Chen that this woman definitely didn't know about the person who ordered her to arrest her.

The mastermind behind this incident must not be so stupid as to reveal his identity just like that.

"Then let me try asking her first." In order to confirm Li Jingyi's words, Ye Chen intended to question the Maid in his hand.

"Who sent you to kidnap Princess Jingyi?" Ye Chen asked.

"I don't know about the matter, my only job is to catch the princess." Maid told Ye Chen that she didn't know who had given the task of kidnapping Li Jingyi.

Maid is just a bounty hunter, she doesn't know about the details of the client who asked for this task.

"Useless, if I knew this, I wouldn't have bothered to chase after you." Ye Chen looked disappointed when he heard this kind of answer.

This answer was really not what Ye Chen imagined, even though Ye Chen had thought that he could find the person who had bad intentions towards Li Jingyi and then find him and make calculations.

"What do you want to do with this woman?" Ye Chen asked what Li Jingyi wanted this person to do.

"Do whatever you want to her" Li Jingyi said that Ye Chen was free to do anything to this Maid.

"young master, please let me go." The maid pleaded with Ye Chen to let her go.

"After you tried to harm Jingyi and me, did you think I would just let you go?" Ye Chen said to the female maid in his hand.

"young master please, I promise I won't have any more trouble with you." The maid said that she would no longer seek trouble with Ye Chen and Li Jingyi.

"I don't believe the words of a woman like you" Ye Chen said that he didn't believe the words of this woman.

Ye Chen already knew that this woman would definitely lie to him.

Fortunately to reduce the risk, Ye Chen decided to eliminate this woman's cultivation, this may be a little cruel, but Ye Chen had no other choice.

It was quite risky for Ye Chen to just let this woman off the hook.

After Ye Chen threw away the Maid's cultivation, the Maid immediately fell unconscious.

"Ye Chen you are too kind to the enemy" Li Jingyi commented that Ye Chen was too kind.

It was better for Ye Chen to immediately kill and finish this woman so that in the future no more trouble would be caused.

"She has already received her punishment" Ye Chen said to Li Jingyi, according to Ye Chen this woman has already received her punishment, so there is no need to kill her.

"Jingyi, let's go back" Ye Chen took Li Jingyi back, he wanted to see the condition of Mei Yueli and the others.

"Okay" Li Jingyi nodded, today Li Jingyi had had enough fun so it wouldn't matter if they came back.

Ye Chen took Li Jingyi hand, he invited Li Jingyi back with him.

Before leaving with Ye Chen, Li Jingyi gave a signal to her servant, she hoped that her servant could take care of this woman.

Li Jingyi appreciated what Ye Chen wanted, that's why Li Jingyi ordered her loyal servant to take this woman away and put her in a secluded place very far away.

Ye Chen and Li Jingyi returned to the Group, when they returned to the group Li Jingyi and Ye Chen discovered that Mei Yueli and the others were currently unconscious.

Seeing this Ye Chen immediately checked the state of all of them, Ye Chen tried to find out what was going on, whether they were in danger or not.

Ye Chen started to check the condition of these people one by one, after checking for a while, Ye Chen found that they were only affected by sleeping pills.

"How are they doing?" Li Jingyi asked how these people were.

"Looks like they won't be awake for a while" Ye Chen told Li Jingyi that they all wouldn't wake up for a while.

"Alright, then let's take them to a safe place." Li Jingyi suggested to Ye Chen to move everyone to a safe place.

"Come on, let's do it" Ye Chen nodded to Li Jingyi, Ye Chen and Li Jingyi immediately made some tents for these people.

Ye Chen and Li Jingyi worked together to do that, even though Li Jingyi was a princess, it turned out that Li Jingyi was willing to do this kind of work with Ye Chen.

With the help of Li Jingyi, Ye Chen finally managed to set up two tents, one for the boys and one for the girls.

Ye Chen immediately transferred the bodies of Lao Kang, Wen Azi and the others to the boys tent, meanwhile Mai Yueli, Song Ziyu , Rou Vin and the others were transferred by Ye Chen to the girls tent.

"It's finally over" Ye Chen was relieved when he had moved everything, now it was only a matter of setting up a barrier to protect them all.

Ye Chen set up a huge barrier around this place, Ye Chen's goal was to protect everyone from sudden attacks.

Li Jingyi was quite an important person, so many people were after Li Jingyi, that's why Ye Chen created this barrier to protect everyone.

"Ye Chen, come accompany me inside." Seeing that all business was done, Li Jingyi invite Ye Chen to her carriage.

"accompany you?" Ye Chen asked Li Jingyi again.

"Yes, now I don't have a maid, so you can accompany me" Li Jingyi told Ye Chen that she wanted Ye Chen to accompany her.

" Okay . . ." Ye Chen was immediately excited when he heard this, wondering whether something would happen to the two of them when the two of them were alone in the carriage.

Right now only Ye Chen and Li Jingyi were still conscious, it meant that if they did something no one would disturb them.

The two of them have now entered the carriage, the carriage is still the same as before, there is no change in this place, it seems the maid did nothing to this place.

After getting into the carriage, Ye Chen immediately hugged Li Jingyi from behind.

"Ye Chen?" Li Jingyi was surprised by what Ye Chen did, what Ye Chen did was quite sudden.

"Jingyi, I want you, be my woman" Ye Chen whispered in Li Jingyi ear, Ye Chen couldn't take it anymore, he really wanted Li Jingyi.

Li Jingyi was really surprised by what Ye Chen said, what Ye Chen said was really very sudden.

Li Jingyi was not a stupid woman, she naturally knew what Ye Chen meant at this time, Ye Chen clearly wanted her.

Li Jingyi was a little confused to answer Ye Chen's question, this was the most difficult question for a pure woman like Li Jingyi to answer.

"Um. ." After much thought, Li Jingyi finally agreed, giving Ye Chen a light nod.

Ye Chen was very happy when he heard this, Ye Chen immediately carried Li Jingyi body and put her on the bed.

Chapter 1078 - Dual Cultivation With Li Jingyi

Li Jingyi was a little embarrassed when she was treated like this by Ye Chen, this was the first time Li Jingyi was treated like this by a man.

Ye Chen started to take off the clothes Li Jingyi was wearing, because he was used to stripping women's clothes, Ye Chen very easily took off all of Li Jingyi's clothes.

Now Li Jingyi's beautiful whole body could be seen by Ye Chen.

Even though Ye Chen had seen this before, Ye Chen still admired this beauty, this was something very beautiful to admire.

Especially in the double peak that Li Jingyi had, it was this super large melon that caught Ye Chen's attention the most.

Ye Chen started playing with Li Jingyi, he really liked to play with this thing.

"Oh. . . , Ye Chen . . . no" Li Jingyi started screaming when Ye Chen touched her.

Li Jingyi closed her eyes and started to enjoy this. This feeling was really very comfortable and very good, Li Jingyi liked it when Ye Chen did this.

Ye Chen ignored Li Jingyi screams, he was too happy with what he was doing.

After playing for a while, Ye Chen finally stopped, he really couldn't stand this temptation.

Even though Li Jingyi body was not yet fully mature, she was of a splendid size, even a mature woman was hard to compare to Li Jingyi's.

Ye Chen finally started to take off his clothes.

When Ye Chen did this, Ye Chen's thing was already fully awake.

Li Jingyi was quite curious when she felt Ye Chen stop, that's why Li Jingyi wanted to see what Ye Chen was doing at this time.

When Li Jingyi opened her eyes, Li Jingyi found a large and very long object.

"this ?" Li Jingyi was quite surprised by Ye Chen's size, this size could be said to be very large, this was really not normal for a man.

"Will it fit?" Li Jingyi started to wonder if it would fit or not.

As a princess, Li Jingyi of course had basic lessons in this kind of thing, so it wasn't strange that Li Jingyi knew about male property.

The difference between what Li Jingyi was currently seeing was very different from what he was learning, it was definitely far greater than what he had ever learned.

Ye Chen started to bring his thing closer to Li Jingyi's big double peak, Ye Chen poked at Li Jingyi's.

Li Jingyi felt a hot and hard object touch her, this thing had a very strange feeling.

"Ye Chen, please be gentler" Li Jingyi asked Ye Chen to treat himself more gently, Li Jingyi was a little afraid of Ye Chen's who was truly a dragon among men.

"Don't call me Ye Chen, call me a good husband" Ye Chen wanted Li Jingyi to call himself a good husband, Ye Chen wanted to hear these words from a gentle woman like Li Jingyi.

"Good husband, please be gentler." Li Jingyi repeated her own words, she wanted Ye Chen to be gentle with her.

Ye Chen became excited when he heard this, he was very excited.

"Wife, you can rest easy, I will definitely treat you well" Ye Chen said that he would treat Li Jingyi well.

There was no way that Ye Chen would treat Li Jingyi badly, Ye Chen didn't like to treat his women badly.

Ye Chen went downstairs, he saw Li Jingyi's secret garden, Li Jingyi's secret garden was beautiful, plus it was like a spring.

Ye Chen's touch alone made Li Jingyi so excited, it made Li Jingyi become like this.

"Wife, this is so beautiful" Ye Chen told Li Jingyi that it was very beautiful.

Li Jingyi was embarrassed, she hastily covered this up so that Ye Chen wouldn't see it.

It was really embarrassing when Ye Chen saw that Li Jingyi's face was even red like an Apple.

Ye Chen smiled when he saw this, it seemed that Li Jingyi was still embarrassed by this matter.

Seeing this, Ye Chen intended to develop Li Jingyi into a woman who was proficient in Dual Cultivation.

"Wife, you don't need to be ashamed, you are now my woman" Ye Chen told Li Jingyi not to be ashamed of himself, they were already a couple, so there was no need to be ashamed of something like this.

Li Jingyi nodded to Ye Chen, what Ye Chen said was the truth, the two were a couple, if Li Jingyi wanted to get along with Ye Chen, Li Jingyi had to be able to accept things like this.

Thanks to the words spoken by Ye Chen, Li Jingyi began to loosen her guard, herself letting Ye Chen see everything she had.

Ye Chen was happy to see Li Jingyi willing to cooperate with him, this would make it easier for Ye Chen to do everything.

Ye Chen started to lick Li Jingyi honey cave, Ye Chen skillfully used his tongue to please Li Jingyi.

"Erm. ., Good husband. . "Li Jingyi held Ye Chen's head, he felt a very, very comfortable feeling.

Li Jingyi liked what Ye Chen did, what Ye Chen did felt very comfortable for her.

Seeing Li Jingyi feeling happy, Ye Chen continued to keep Li Jingyi satisfied.

"Ah. ." After a while, Li Jingyi finally reached the pinnacle, Ye Chen's technique was truly extremely formidable.

Li Jingyi body trembled from the feeling of being so comfortable, Li Jingyi seemed to really enjoy this.

Ye Chen immediately absorbed Li Jingyi's Yin Qi, Ye Chen didn't want to let this thing go to waste.

Ye Chen needed Yin Qi for his survival, without Yin Qi, Ye Chen would probably die silly, Ye Chen didn't want that to happen.

Ye Chen looked at Li Jingyi who was below him, it seemed that it was time to do Dual Cultivation together with Li Jingyi.

"Jingyi, are you ready?" Ye Chen asked if Li Jingyi was ready to be his woman.

"Yes. . ." Li Jingyi nodded lightly, she was ready to do that together with Ye Chen.

"Alright, I'll do it" Seeing Li Jingyi ready, Ye Chen didn't waste any more time, he positioned his younger brother in front of Li Jingyi honey cave entrance.

Li Jingyi body shook slightly when she sensed this, Ye Chen's was extremely sturdy, this really made Li Jingyi feel a little depressed.

"Good husband, please slow down" Li Jingyi told Ye Chen to do it slowly, Li Jingyi was afraid that Ye Chen's thing could kill her.

Feeling too big, Li Jingyi was afraid that he would be hurt if Ye Chen's big and majestic object was tossed her.

"Jingyi, This will be very comfortable, you will definitely be very comfortable." Ye Chen whispered in Li Jingyi ear, Ye Chen telling Li Jingyi that this would be very comfortable.

Li Jingyi nodded, she believed what Ye Chen said.

Ye Chen finally started to drill into a place that no one had ever reached, Ye Chen did this lightly so as not to cause Li Jingyi any pain.

Li Jingyi's body curved slightly when receiving Ye Chen's invasion, it could be seen that this was quite painful for Li Jingyi.

Li Jingyi tried to endure this pain, she had to be strong through the first phase of becoming a real woman.

Ye Chen finally took Li Jingyi's first time, there was a feeling of satisfaction when Ye Chen got Li Jingyi's first.

"Husband, you are lying, it hurts" Li Jingyi complained to Ye Chen, she told Ye Chen that this was very painful.

"Wife, it won't hurt soon enough, you better endure it" Ye Chen told Li Jingyi to be patient, soon the pain will definitely go away.

Luckily Li Jingyi had a very fast regeneration, in an instant the pain had completely disappeared.

Seeing that Li Jingyi was already looking better, Ye Chen decided to just get started.

Ye Chen pumped back and forth, when Ye Chen did this the wall of Li Jingyi Honey Cave twisted Ye Chen's, this made Ye Chen feel a great pleasure.

inside Li Jingyi felt very moist, like there was a lot of water in there, Li Jingyi was like made of water which made Ye Chen comfortable.

"Ah. . ., husband. . ." Li Jingyi felt a very comfortable feeling, he was completely satisfied with this feeling, this feeling can't be described, it is very, very comfortable.

Li Jingyi didn't know that Dual Cultivation would be this comfortable, she felt like he was in the highest level of heaven.

Because this feeling was too comfortable and good, Li Jingyi was quickly defeated, she reached the peak very quickly.

Li Jingyi was still the first time to do this kind of battle, so Li Jingyi abilities were still not developed.

Plus Li Jingyi opponent was a veteran like Ye Chen, so it wasn't surprising that Li Jingyi was defeated so quickly.

Ye Chen didn't stop attacking even after Li Jingyi lost, he continued to pound Li Jingyi all out.

An indescribable feeling of comfort continuously flowed through Li Jingyi's body and mind, Li Jingyi really liked this.

In this life, this was the first time Li Jingyi felt the most comfortable feeling she had ever experienced, this was a miracle that Li Jingyi had never felt.

Li Jingyi started to show lewd faces, this face made Ye Chen excited to continue doing Li Jingyi.

Ye Chen enlarged his younger brother who was below him to maximum power, he wanted to conquer the beautiful princess who was beneath him.

Not only that, Ye Chen also used the Passion Goddess technique to make Li Jingyi feel a much more extraordinary feeling than before.

Li Jingyi felt the great changes that had been made by Ye Chen, Li Jingyi felt that within hers, Ye Chen's had become bigger and felt much more comfortable.

"Emmm. . . , kyahhh . . . , husband, you can still be bigger ?" Li Jingyi couldn't believe Ye Chen's size.

Li Jingyi still had consciousness, she could still talk to Ye Chen.

"Of course, I was playing it down, now I'm completely serious" Ye Chen whispered to Li Jingyi.

Li Jingyi couldn't believe what she heard from Ye Chen, this man was truly a dragon among men, Ye Chen's possession was a female killing weapon.

"Husband, a little slowly, you can destroy me. . ." Li Jingyi told Ye Chen to do it a little slowly.

It was difficult for Li Jingyi to resist the invasion of Ye Chen's who was in 100% mode.

"Just enjoy this" Ye Chen told Li Jingyi to enjoy this and give up everything she had.

Let Li Jingyi body and mind fuse with Ye Chen's, it will allow Li Jingyi to reach an even higher level of comfort.

Li Jingyi started to apply what Ye Chen said, she started to enjoy this freely, in thinking that Li Jingyi's right now was only Ye Chen, she didn't think about anything but her husband Ye Chen.

The walls below also became much tighter, they were trying to squeeze Ye Chen dry.

Ye Chen felt this change, Li Jingyi was really very talented at Dual Cultivation, Li Jingyi had already begun to be able to resist Ye Chen's attack bag.

Ye Chen brought his face closer to Li Jingyi's double peak, he started to eat Li Jingyi's two cherries.

Li Jingyi groaned as hers was sucked in by Ye Chen, this feeling was very comfortable.

Li Jingyi wrapped her arms around Ye Chen's neck, she restrained Ye Chen's neck so that Ye Chen wouldn't leave.

" Husband . . "Li Jingyi said to Ye Chen, it seems that Li Jingyi wants to tell Ye Chen something.

" what is it?" Ye Chen looked up at Li Jingyi, he wanted to know what Li Jingyi wanted to say.

"I want to show you something" Li Jingyi said that she wanted to show something to Ye Chen.

"What do you want to show?" Ye Chen was curious what Li Jingyi wanted to show.

"I want to show you something that I have never shown anyone else." Li Jingyi said that she wanted to show others something that she had never shown.

Ye Chen became curious about what Li Jingyi wanted to show him, he wanted to see what Li Jingyi wanted to show him.

Li Jingyi stretched her hand to her own face, Li Jingyi looked like she was trying to shake off something that was on her face.

Ye Chen was really curious what Li Jingyi was up to, he didn't know what Li Jingyi was doing right now.

Suddenly, some water appeared on Li Jingyi face, covering all of Li Jingyi face.

Li Jingyi immediately removed the water covering her face, when the water covering Li Jingyi face disappeared, Ye Chen saw the face of a woman who was perfect and very beautiful like a goddess, this face was not inferior to the beauty of the four beautiful goddesses of the God Realm.

Ye Chen was shocked when he saw what was in front of him, he couldn't react when he saw the beauty in front of him.

" wife . . , you . . ?" Ye Chen looked stupid when he saw Li Jingyi, he couldn't react when he saw what had just happened right in front of his eyes.

Chapter 1079 - Mei Yueli Peeked

Li Jingyi immediately used her finger to silence Ye Chen and didn't ask any further.

"Don't ask too many questions, you're the only one I'm showing this to, so please keep it a secret" Li Jingyi told Ye Chen to keep this a secret.

Li Jingyi had hidden her appearance for a long time, Li Jingyi hid hers because she didn't want to get into trouble.

Li Jingyi original appearance was very beautiful, with her beautiful face and huge capital, Li Jingyi should be able to attract the interest of all men in the God Realm.

"I didn't expect you to hide something like this from me, I really didn't realize it" Ye Chen was shocked by what just happened, Li Jingyi could hide her appearance so well, even Ye Chen couldn't see the water mask that was worn by Li Jingyi .

"This is a special ability that I have, I can hide and change my appearance using water" Li Jingyi told Ye Chen that he had quite a special ability.

Li Jingyi could make a face mask that was very difficult for others to see, even Ye Chen who was with Li Jingyi from the start was not aware of this kind of thing.

"Then is it real?" Ye Chen touched Li Jingyi double peak, he asked if it was real or not.

"Of course it's real, what do you think?" Li Jingyi pushed Ye Chen's hand away and started covering her double peak with her hand .

"Hahahaha" Ye Chen laughed when he saw Li Jingyi reaction, Li Jingyi reaction was very funny, Ye Chen was pleased with Li Jingyi reaction.

"You are teasing me" Li Jingyi said dissatisfied, Li Jingyi finally realized that Ye Chen was teasing her.

"Of course, I like to tease my beautiful wife, hehehehe . . ." Ye Chen said to Li Jingyi that he liked to tease Li Jingyi.

Li Jingyi turned her face to the side, Li Jingyi was slightly annoyed with Ye Chen.

Even though she looks angry, this doesn't reduce Li Jingyi beauty, Li Jingyi still looks very beautiful even though she looks angry.

"Dear Wife, don't be so angry, I was just joking with you." Ye Chen tried to persuade Li Jingyi not to be angry with him.

Unfortunately Li Jingyi still looked annoyed by Ye Chen's temptation of her.

Ye Chen was helpless when he saw this, it seemed that Ye Chen had to use an intimate approach to persuade Li Jingyi.

Ye Chen started to do the piston inside Li Jingyi honey cave.

"Ah. . ." Li Jingyi groaned as Ye Chen moved again, once again an extremely comfortable feeling began to flood Li Jingyi body.

This made Li Jingyi start to let out a much more seductive moan than before.

Seeing Li Jingyi who looked even more beautiful than before, Ye Chen became very excited, he pumped at a very fast speed.

"Husband, please don't be so strong" Li Jingyi begged Ye Chen for mercy, she couldn't stand Ye Chen's attack which became much fiercer and stronger than before.

"So will you forgive me?" Ye Chen asked Li Jingyi.

"Fine, I will forgive you, but please don't be too strong." Li Jingyi was going to forgive Ye Chen, but she wanted Ye Chen not to be too strong in her actions.

"Sorry, but you are too beautiful, I can't stand it." Ye Chen didn't want to slow down, he was getting faster and more Strong.

Ye Chen was really like a raging bull, he was very eager to subdue Li Jingyi.

"Good husband, how can that be. . . you're lying. . .Emmm . . ."Li Jingyi could only take Ye Chen's attack, she didn't have the strength to resist Ye Chen's attack.

The current Li Jingyi was like a ship tossed about by a storm, he really could only endure the barrage of attacks that came.

After several attacks, finally Li Jingyi began to take the initiative to cooperate with Ye Chen, the two of them working together to reach the peak of happiness.

Thanks to a little guidance from Ye Chen, Li Jingyi started to be very brave, Li Jingyi and Ye Chen started to try some moves that were difficult to do.

The two of them continued to do Dual Cultivation for tens of hours, Ye Chen and Li Jingyi didn't even notice that it was already getting very night.

.

At this moment on the outside of the paper

Mei Yueli eyelashes began to vibrate which indicated that Mei Yueli was about to wake up.

Sure enough, Mei Yueli started to open her eyes, Mei Yueli woke up and started looking around this place.

When Mei Yueli woke up, she found that she was currently in a tent with a female core disciple.

"Ugh. . . , what happened ?" Mei Yueli started to wonder what had happened, she couldn't remember clearly what was happening at the moment, her memory was completely blurry when she tried to remember what happened.

What Mei Yueli remembered was that she drank some of the tea given by Li Jingyi's personal maid, after that Mei Yueli didn't remember anything else.

"Ye Chen, princess, what happened to them?" Mei Yueli's first reaction was to want to know whether Ye Chen and Li Jingyi were doing well or not.

If anything happened to Li Jingyi, it was certain that Mei Yueli would be in big trouble.

Mei Yueli immediately looked around, trying to find out if Ye Chen and Li Jingyi were around this place.

after looking around this place, Mei Yueli found no sign of Ye Chen being around this place.

Only Li Jingyi carriage was still standing neatly in front of her.

Mei Yueli was curious about this, Mei Yueli finally tried to check if Ye Chen and Li Jingyi were in there.

Mei Yueli started to get up from the tent, walking forward towards Li Jingyi's carriage.

Since Li Jingyi carriage had excellent sound insulation, Mei Yueli didn't listen to what Ye Chen and Li Jingyi were doing in there.

Mei Yueli finally arrived in front of the entrance, Mei Yueli slowly opened and peeked whether there was anyone inside or not.

"Slurp. . . , Chuu" when Mei Yueli opened the door slightly, she heard a voice from inside, this sound sounded like someone was suck something.

Mei Yueli's curiosity deepened, as her curiosity deepened, Mei Yueli began to peek inside.

"Huh. . .?" When Mei Yueli peeked inside, she found a woman serving a man, Mei Yueli herself was a little vague about who this woman was, but from the back, Mei Yueli could tell that this was Princess Li Jingyi.

"they both . . ." Mei Yueli stuttered slightly when she saw that the princess was currently serving Ye Chen, this really didn't make sense to Mei Yueli.

Mei Yueli knew about Li Jingyi's status, how could a princess like Li Jingyi be forced to do something like this, this couldn't be imagined by Mei Yueli.

From the sound alone, Mei Yueli could tell that Li Jingyi really enjoyed serving Ye Chen.

Ye Chen's thing made Li Jingyi feel very comfortable, so Li Jingyi liked it.

Mei Yueli began to see what was currently in front of Li Jingyi, a large and super long object appeared in Mei Yueli's eyelids.

Chapter 1080 - Completely Conquered Li Jingyi

"That's huge" Mei Yueli's first reaction was to be surprised when she saw Ye Chen's thing which was very large in size.

Mei Yueli saw something like this for the first time, she was quite surprised when she saw that it belonged to a man who was so big and strong.

Mei Yueli might hate men, but of course she knew this kind of matter.

Mei Yueli refocused her eyes on Li Jingyi.

Li Jingyi was currently focused on sucking up Ye Chen's big thing, "Jubo . . . Jubo . . . slurp . . ." Li Jingyi looked even more excited.

In order to win, Li Jingyi used her weapon to clamp down on Ye Chen's large object.

This certainly made Ye Chen feel very comfortable, Ye Chen liked the work done by Li Jingyi.

Ye Chen's thing started to tremble because of Li Jingyi service, it seemed that Ye Chen would soon be defeated by Li Jingyi.

Feeling that he was about to lose, Ye Chen immediately held Li Jingyi's head, Ye Chen took all the burdens he had on Li Jingyi.

"Um. . ." Li Jingyi was taken aback by this, she had a little trouble holding up Ye Chen's burden.

Even Li Jingyi's cheeks started to swell because of Ye Chen's abundant Yang Qi essence.

Li Jingyi had no choice but to drink Ye Chen's Essence.

At first Li Jingyi was reluctant to taste this, but after Li Jingyi tasted this, Li Jingyi felt that Yang Qi Ye Chen's taste was quite good.

Finally Li Jingyi got hooked and continued to absorb Ye Chen's Yang Qi until there was nothing left.

Ye Chen was happy to see this, he was very satisfied with what Li Jingyi had done for him.

When she saw the scene in front of her, Mei Yueli started to feel that something was wrong with her body, she felt something hot on her body.

"I can't keep looking at this" Mei Yueli felt that she couldn't see this, Mei Yueli hurriedly left this place.

He really could no longer see a sight that was so embarrassing to behold.

When Mei Yueli left, Li Jingyi finally realized that someone had just seen them.

"Who is it?" Li Jingyi immediately turned around and found out who was peeking at her and Ye Chen.

It was a shame that Mei Yueli had already left, so Mei Yueli didn't know that she had been found by Li Jingyi.

"Husband, someone just saw us." Li Jingyi told Ye Chen that someone had just seen the two of them.

"Yes, I already know" Ye Chen told Li Jingyi that he already knew beforehand.

"Then why didn't you tell me, what if he leaked this matter?" Li Jingyi asked Ye Chen.

Li Jingyi was afraid that if this person leaked out what was going on, if that happened, it would be a very dangerous big scandal.

"You don't have to worry, it's only Mei Yueli, she's a good acquaintance of my wife, so she won't do that." Ye Chen told Li Jingyi that Mei Yueli wouldn't leak the matter.

"She knows your wife." Li Jingyi looked a little panicked when she heard this, what if the woman told Ye Chen's wife about this matter.

"You are not afraid about our current problem?" Li Jingyi asked Ye Chen if Ye Chen was not afraid of this matter being discovered.

"Of course not, you have become my little wife, so now you and them are no different" Ye Chen said to Li Jingyi.

Li Jingyi was already Ye Chen's wife, the two of them were already husband and wife, so there was no problem about this kind of thing.

"them?, actually how many women do you have?" Li Jingyi started to wonder how many women Ye Chen had.

Ye Chen started to explain how many women he currently had.

"Do you want to set up a harem palace?" Li Jingyi asked if Ye Chen wanted to set up a harem palace .

"Of course" Ye Chen nodded to Li Jingyi, Ye Chen did have such a goal.

"Are you sure you can handle them all?" Li Jingyi asked if Ye Chen could handle all of them or not.

"Do you want to try it?" Ye Chen pinched Li Jingyi's thigh, Ye Chen prepared to start a new round with Li Jingyi.

"Good husband, please don't do that, spare me this time, I can't fight you anymore" Li Jingyi asked Ye Chen for mercy, the battle that had previously drained Li Jingyi's mind and body, so currently Li Jingyi was extremely exhausted .

Even though Li Jingyi had good recovery abilities, unfortunately Li Jingyi still lost under Ye Chen's ability which was very difficult to fight.

"Now you believe in my abilities?" Ye Chen asked Li Jingyi.

"Yes. . ., Yes. . ., I believe in my husband, you are my great husband." Li Jingyi immediately nodded to Ye Chen, Li Jingyi believed in Ye Chen's ability.

Ye Chen was overjoyed when he found out about this, Li Jingyi had completely conquered himself.

"Let's sleep" Ye Chen took Li Jingyi to sleep, Li Jingyi must be very tired after the long battle that happened.

"Um. . ." Li Jingyi nodded, Li Jingyi closed her eyes and started sleeping on Ye Chen's chest, Li Jingyi seemed to enjoy Ye Chen's broad chest.

Ye Chen pulled a blanket to cover his and Li Jingyi's body, he hugged Li Jingyi and started to sleep.

.
.

The day quickly changed, the morning quickly came.

"Husband, wake up" while Ye Chen was sleeping, Li Jingyi suddenly woke up Ye Chen.

Ye Chen immediately woke up, he immediately saw Li Jingyi who had returned to wearing her dress, Li Jingyi this time became more and more beautiful, since being moistened by Ye Chen, Li Jingyi's appearance became more beautiful than before

Ye Chen's gaze fell down, Ye Chen focused his gaze on Li Jingyi's massive double peak.

"Husband, wasn't last night enough" Li Jingyi immediately covered her double top with her hands, She quite embarrassed to be stared at by Ye Chen like this.

"It's because the wife has big things, as a man of course I like things like that" Ye Chen said that he liked Li Jingyi big one.

"Geez, you're just like any other man, having big things isn't a good thing for women, it's quite hard to keep it from slack" Li Jingyi said to Ye Chen.

Li Jingyi told Ye Chen that it was difficult to keep hers tight and nice.

"aren't you wearing a bra?" Ye Chen asked Li Jingyi.

"Bra?, what is it?" Li Jingyi asked what Ye Chen just said, she didn't know what Ye Chen meant.

Ye Chen patted his forehead, Ye Chen forgot that this is God Realm, women here don't wear such things, even a noble like Li Jingyi doesn't wear things like that either.

"Wait a minute, what if I set up a business using things that exist on earth." Ye Chen started to have some ideas to make a business of things that came from Earth, Ye Chen might be able to profit from such things.

Ye Chen got out of bed, intending to thank Li Jingyi for giving him such a great idea.

"Oh. . ., what are you doing , quickly cover your body first " Li Jingyi immediately turned her face away. If Li Jingyi saw Ye Chen now , maybe they would return to do rounds in the morning .
