

Chapter 1081 - Ideas For Business

"What are you embarrassed for, haven't you seen everything too?" Ye Chen said to Li Jingyi.

Li Jingyi had already seen everything, so it didn't matter if Ye Chen showed it again.

"Still it's embarrassing to see in the morning like this" Li Jingyi said that it was still so embarrassing.

"Hehehe" Ye Chen just chuckled when he heard this, Li Jingyi looked pretty too when he reacted shyly like this.

"Husband, you better hurry and put your clothes on and we'll have breakfast" Li Jingyi still told Ye Chen to put on his clothes.

"Alright" Hearing Li Jingyi invite himself to breakfast, Ye Chen finally gave up and started to take the clothes he had.

After that Ye Chen started wearing his clothes, Ye Chen only needed less than a minute to put his clothes back on his body.

"Come on, sit here." Li Jingyi invited Ye Chen to sit at the table he had prepared, this time Li Jingyi told Ye Chen to sit beside her.

This made it easier for Li Jingyi to serve and feed Ye Chen.

Ye Chen sat at the place Li Jingyi pointed, after that Li Jingyi sat beside Ye Chen.

Li Jingyi clung quite tightly to Ye Chen, this made Li Jingyi's double peak rub against Ye Chen's arm.

Ye Chen was already getting this kind of intake so early in the morning, how could he not get excited about this.

The current Li Jingyi didn't know that what he was doing made Ye Chen excited, if Li Jingyi found out about this matter, Li Jingyi would probably keep her distance a little.

"Husband, what do you want, this is all I can make" Li Jingyi asked about the food that Ye Chen wanted.

Ye Chen looked at the table, he saw some food on the table, this food looked quite delicious in Ye Chen's eyes.

"You made all this" Ye Chen asked Li Jingyi.

Li Jingyi nodded to Ye Chen, herself who had made all these meals.

"I didn't expect that a wife could make something like this too" Ye Chen didn't expect that a princess like Li Jingyi could make something like this.

"Don't say it like that, even though I'm a princess, I can still cook some food" Li Jingyi said to Ye Chen.

Even though Li Jingyi was a princess who had many servants, Li Jingyi was still able to make a meal.

"Okay, then how about trying it." Ye Chen said to Li Jingyi that he would try to eat the dishes made by Li Jingyi.

"Go ahead" Li Jingyi invited Ye Chen to try the dish she made.

Ye Chen didn't hesitate and started trying to eat the dishes Li Jingyi made.

When Ye Chen tried the food made by Li Jingyi, Ye Chen found that it tasted very sweet. It was like Li Jingyi had put too much sugar in it.

" how ?" Li Jingyi asked how the dishes she had made.

" nice . . ." Ye Chen said that Li Jingyi dishes was delicious.

Despite the fact that Li Jingyi food tasted bland, Ye Chen still said that Li Jingyi food was delicious.

Ye Chen didn't want to make Li Jingyi mood sad, that's why Ye Chen said that Li Jingyi food tasted good.

"Thank God" Li Jingyi was pleased when she heard Ye Chen praise her cooking, it seemed that her efforts had paid off as well.

Li Jingyi decided to join in eating the dishes he made, she still hadn't tried the dishes she made.

Ye Chen saw that Li Jingyi also wanted to try it, Ye Chen couldn't help but smile when he saw this.

" sweet . . ." When Li Jingyi tried one bite, Li Jingyi found that her food tasted very sweet, Li Jingyi herself did not know what had happened to the food.

Li Jingyi looked at Ye Chen, how could Ye Chen say that the food tastes good, it is not at all good to eat, it is too sweet for a meal.

After a while, Li Jingyi finally understood why Ye Chen kept saying that the food she made was delicious, apparently Ye Chen didn't want to destroy Li Jingyi mood.

"Husband, I'm sorry" Li Jingyi apologized to Ye Chen, he was very sorry for not being able to serve Ye Chen a perfect meal.

"Sorry for what?" Ye Chen asked Li Jingyi.

"Of course as for the food, the food I made tasted bad" Li Jingyi said to Ye Chen.

"It doesn't matter, as long as my beautiful wife cooks it, it tastes good" Ye Chen said to Li Jingyi.

Li Jingyi heart was sweet when she heard this, Ye Chen b accepted Li Jingyi flaws, this was a very touching thing for Li Jingyi.

"It seems, I have to learn to cook, I can't continue like this" Li Jingyi was determined, she would try to practice cooking, as a woman, how could she give food like this to Ye Chen.

Although the food dish made by Li Jingyi was too sweet, it was still edible, so Ye Chen still ate it.

Li Jingyi didn't eat it, she didn't really like anything too sweet, Li Jingyi could only see Ye Chen still enjoying the food she made.

Li Jingyi had to admit that Ye Chen was an understanding man, he still ate the dishes made by Li Jingyi even though he knew it was too sweet to eat.

In her heart Li Jingyi repeatedly apologized to Ye Chen, Li Jingyi was very sorry for this incident.

If Li Jingyi knew that one day she would be making food for the man she liked, Li Jingyi might take cooking lessons even more seriously.

"Wife, I want to discuss with you" Ye Chen said that he wanted to discuss something with Li Jingyi.

More precisely Ye Chen wanted to ask Li Jingyi for help to do something.

" what's that?" Ye Chen asked what Ye Chen wanted to discuss with her.

"I intend to start a trading business, can you recommend a good place for it?" Ye Chen got straight to the point, he wanted to trade and asked Li Jingyi for help.

"What do you want to sell anyway?" Li Jingyi asked what Ye Chen wanted to sell.

"I want to sell some things that are not in the God Realm." Ye Chen told Li Jingyi that he wanted to sell some things that were not in the God Realm.

Ye Chen couldn't say for now, he was still in the process of designing the items he would sell.

"If you really want to trade, you can start dealing with Golden King auction house, it is the biggest trading place in Sky Cloud Peak Star Realm, besides Golden King auction house has many branches in God Realm, so you can market goods you have in various places in the God Realm." Li Jingyi told Ye Chen about the biggest place to sell his merchandise.

"Is that so, fine then I'll try to negotiate with them" After hearing what Li Jingyi said, Ye Chen began to believe that to start a business in the God Realm, he had to build power too if he wanted to become one of the strongest people in the world.

Ye Chen had thought about this for a long time, he had to create a power if he wanted to survive in the God Realm, power was the beginning to reach the peak.

Chapter 1082 - Arrived At The Empire

"Why would you want to do something like that?" Li Jingyi asked why Ye Chen wanted to try trade.

"Of course it's for our survival, how are we going to feed our child if I don't have a profound crystal" Ye Chen said to Li Jingyi.

Li Jingyi face became slightly red when she heard Ye Chen's words, Ye Chen is very good at stealing Li Jingyi heart.

"Ye Chen you better go, it looks like people are starting to wake up" Li Jingyi told Ye Chen to leave her carriage immediately.

"wife, how can you kick me out like that" Ye Chen said to Li Jingyi who was trying to kick him out.

"I'm not kicking you out, I'm just afraid that those people will think badly of the two of us" Li Jingyi said to Ye Chen.

Li Jingyi might not be afraid to show her closeness with Ye Chen, but if people thought badly of the two, it would be very serious.

"Okay I understand, I will take care of our relationship" Ye Chen said that he would take care of the relationship he had with Li Jingyi.

Li Jingyi nodded when she heard this, Li Jingyi was very, very satisfied with Ye Chen's answer.

Ye Chen immediately slipped away from Li Jingyi carriage, he tried not to be found by others.

Li Jingyi saw Ye Chen's departure, there was a slight trace of loss when Ye Chen left this place.

Right now Li Jingyi's heart and soul is only Ye Chen, Ye Chen has carved himself in Li Jingyi's heart.

This made Li Jingyi unable to leave Ye Chen, Li Jingyi already really liked Ye Chen.

Li Jingyi stretched out her hand, from Li Jingyi's hand emerged a deep water that had a very strong aura emanating from it.

"My cultivation has gone up very fast, it's really great." Li Jingyi was quite surprised when she saw the increase in her strength, the increase in her strength was enormous.

Now that Li Jingyi had a much greater and higher power than before, she now didn't have to worry about strong people targeting her.

Li Jingyi herself had predicted that this was due to her doing Dual Cultivation together with Ye Chen.

"My husband is great, just having relationship can make me improve so far" Li Jingyi muttered in a low voice.

In addition to being able to feel pleasure, it turned out that doing so with Ye Chen could also increase his strength.

"I think the ability is quite dangerous if it is known by women out there" If women other than Li Jingyi knew about this matter then they would definitely hunt down Ye Chen, and turn Ye Chen into a tool.

Li Jingyi didn't want that to happen, how could she allow her beloved husband to be used as a tool for the benefit of others.

Therefore, Li Jingyi would try to protect Ye Chen from behind the scenes.

Li Jingyi stopped trying her strength, she started clearing the plates on the table.

For now Li Jingyi was satisfied with herself, even though her cooking was still messed up, Ye Chen still ate her own food.

After sneaking off Li Jingyi's carriage, Ye Chen immediately went to meet the core disciples outside.

When Ye Chen went to meet all of them, Ye Chen discovered that only a few core disciples had awakened, while the rest were currently still unconscious.

Ye Chen looked at Mei Yueli, coincidentally Mei Yueli was also currently closing her eyes.

Ye Chen knew that Mei Yueli was awake, last night it was clear that Mei Yueli had seen what she did with Li Jingyi.

After taking a peek at Ye Chen and Li Jingyi, Mei Yueli returned to the girls tent, her mind completely messed up when she saw Ye Chen's enormous one.

Mei Yueli thought what it was like to do that, why would a princess like Li Jingyi do such a thing for Ye Chen.

Mei Yueli kept thinking about this, she couldn't get the thoughts of Ye Chen's from her head.

Mei Yueli felt embarrassed when she remembered this, she felt that she was becoming a pervert from remembering this over and over again.

In order to try to get rid of that thought, Mei Yueli had used various means, unfortunately she still couldn't get this kind of thought out of her mind.

This made Mei Yueli unable to sleep, Mei Yueli mind was confused because of what she saw last night.

That's why the current Mei Yueli could only close her eyes and try to calm her mind so as not to run wild.

"Hey wake up, how long are you going to sleep?" Ye Chen tried to wake up the people who weren't awake yet.

Mei Yueli's body stiffened slightly when she listened to Ye Chen's voice, she was a little embarrassed to go see Ye Chen again.

But if Mei Yueli didn't wake up, then it was certain that Ye Chen would be suspicious of her, which was why Mei Yueli had no choice but to wake up.

Not only Mei Yueli started to wake up when they heard Ye Chen's big voice, other core disciples also woke up when they heard Ye Chen's voice.

All the core disciples looked at Ye Chen, some looked dissatisfied when they saw Ye Chen disturbing their beautiful sleep.

Meanwhile a few more were confused about what had happened, their memories were a little blurry about what happened yesterday

"Why are you screaming like that?" Song Ziyu didn't like hearing Ye Chen scream like that, Ye Chen had awakened her sweet dream.

Even though Song Ziyu was dreaming quite beautifully, he dreamed of becoming a powerful cultivator who stood at the peak of the God Realm.

In her dream, Song Ziyu also got what she wanted, this was the most beautiful thing that Song Ziyu had ever dreamed of.

Unfortunately the sweet dream had to end when Song Ziyu listened to Ye Chen's voice, Ye Chen's voice had shattered Song Ziyu's sweet dream.

"How long are you going to sleep like this, don't you want to continue this journey?" Ye Chen said to Song Ziyu and the others.

Ye Chen tried to remind everyone to get up soon, they had to continue their journey to escort Li Jingyi back to the empire.

"He's absolutely right, let's continue our journey" Lao Kang agreed with Ye Chen, they should immediately continue this journey.

Song Ziyu was speechless when she saw Lao Kang helping Ye Chen, now Song Ziyu was speechless.

With Lao Kang's direction, everyone immediately cleaned up this place, after which they all immediately left to continue their journey.

It estimated that it will take another 2 days to reach the empire, so it is still quite a while to reach the empire.

.

.

Two days quickly passed, soon Ye Chen and his entourage would arrive at the empire.

The journey this time seemed much easier than before, no more bad people standing in their way.

In these two days, every night Ye Chen would sneak into Li Jingyi's carriage to do Dual Cultivation with Li Jingyi.

In these two days Li Jingyi was really so exhausted, she had no choice but to cooperate with Ye Chen.

Thanks to this, Li Jingyi knew how strong Ye Chen's abilities were, she might have to find a few sisters to help deal with Ye Chen's strength which was too difficult for her to handle alone.

At this rate Li Jingyi could die under Ye Chen's overly powerful possession.

After a long journey, they finally arrived at the empire.

Chapter 1083 - A Little Bit Of Bickering At The Empire Gate

The empire was vast, it was even several times wider than the Nine Immortals Peak Sect, the empire was vast and enormous.

"What is the name of this empire?" Ye Chen asked Mei Yueli about the name of this empire.

"This is the Immortal Sky Empire." Mei Yueli answered the name of this empire.

When Mei Yueli answered Ye Chen, Mei Yueli turned her face to the side, it seemed that Mei Yueli was embarrassed to look directly at Ye Chen.

"Oh, so that's the name" Ye Chen nodded to Mei Yueli, now Ye Chen knew the name of the place where Li Jingyi lived.

"Is the Immortal Sky Empire a strong place?" Ye Chen asked if Immortal Sky Empire was strong or not.

"Immortal Sky Empire is a slightly stronger force than our Nine Immortals Peak Sect." Song Ziyu suddenly said that the Immortal Sky Empire was quite a powerful empire.

"Huh?" Ye Chen was a little surprised by what Song Ziyu said, it seemed that Li Jingyi had a very good background.

Ye Chen didn't know about Li Jingyi's background, he was still unfamiliar with Li Jingyi's background.

It seemed that Ye Chen had to ask Li Jingyi's background, he wanted to get to know Li Jingyi who was already his wife.

Ye Chen's party entourage drew near to a very large and majestic wall, on top of the wall there were various kinds of light grade weapons that were ready to be used against the enemy or Magical Beasts who dared to approach the imperial gates.

Ye Chen's party entourage finally arrived at the imperial entrance.

When Ye Chen and the party group wanted to enter, they were stopped by the guards on duty.

"Tell me what you want to do?" one of the guards with a high position asked Lao Kang who seemed to be the leader of this group.

Ye Chen's entourage looked suspicious, which was why the guards immediately stopped Ye Chen and the others.

"We have come to escort the princess back." Lao Kang calmly answered the guards' questions.

"Princess?, which princess?" asked the guard to Lao Kang, the gatekeeper started to raise his voice, it seemed that the guard did not believe words from Lao Kang.

"Of course your princess" Ye Chen said to the guards in front of him.

Ye Chen didn't really like the attitude of these guards, they were too arrogant.

The guards immediately looked at Ye Chen, they were all displeased with the tone of language that Ye Chen had just used.

The gatekeepers were a fairly high position in the empire, they had full power to restrain and let people in and out of the empire.

So outsiders have to respect them or they will get into unnecessary trouble.

"Hey kid, don't you know how to respect to we?" one of the guards asked Ye Chen.

"Hey, you dared to delay our trip, lest you get punished" Ye Chen said to the guard in front of him.

"You. . ." The guard pointed at Ye Chen, Ye Chen was very brave, the gatekeeper had never met a man who was too brave like Ye Chen.

"mister, please don't listen to him, he is a beginner, so please understand." Lao Kang tried to apologize to the gatekeepers, if they were looking for trouble here, they all wouldn't be able to go inside.

"So you are a novice novice dared to resist us, if you do not know the level of yours" said the gatekeeper to Ye Chen.

"I do not care, you who have made the problem by withholding party princess escort" said Ye Chen told gatekeepers.

"You always say princess, is that low of a reason you guys have to get inside?" the gatekeeper said to Ye Chen and the others.

From the beginning the gate guards didn't believe in Ye Chen's entourage, they all didn't believe that Ye Chen and the others were the party escorting Li Jingyi.

Hearing this, Mei Yueli, Song Ziyu and the others started to feel dissatisfied, they got a Quest from the Empire, how can the empire treat them like this, this is completely unworthy of core disciples like them.

"You don't believe it, why don't you see the carriage." Ye Chen pointed at Li Jingyi's carriage behind him.

The guard looked at Li Jingyi's carriage, it didn't look like a princess's carriage at all. It looked more like a merchant's carriage that was not well maintained.

Since the appearance of Li Jingyi's carriage had been changed, the guards were not aware that this was Li Jingyi's carriage.

"Hahaha" the guards laughed when they saw this, they all laughed at Ye Chen who was like an idiot.

"Why are you laughing, do you not believe what I say?" Ye Chen said to the gatekeeper.

"We can't believe it. . . , hahaha" the guards laughed again at Ye Chen's joke.

"You " Ye Chen really couldn't understand this guard, how could they all act like this.

"Ye Chen, that's enough" Lao Kang shouted and scolded Ye Chen, if Ye Chen kept talking to these people, they would get into a bigger problem.

"Why is that?" Ye Chen said to Lao Kang who was in front of him, Ye Chen used his pressure to press Lao Kang.

Lao Kang sweated a little when he felt Ye Chen's gaze, somehow Lao Kang felt pressured by Ye Chen.

Lao Kang fell silent when he faced Ye Chen who was already seriously showing his strength.

Mei Yueli looked at Ye Chen, it was clear that Ye Chen had not restrained himself, if it continued like this it would be very dangerous.

Mei Yueli ned to stop Ye Chen, otherwise they would get into trouble in this place.

"You guys stop laughing." While all the guards were laughing at Ye Chen, suddenly from inside the carriage came a woman's voice.

The guards who heard this immediately stopped laughing, they all immediately looked towards the carriage.

When all the gatekeepers looked in the direction of the carriage, they all saw a beautiful woman getting off the carriage.

All the guards saw the woman getting off the carriage, all of them looked mesmerized by the beautiful woman who came out of the carriage.

Li Jingyi was back in her disguise, she was back into the Li Jingyi that everyone knew.

The woman who got off the carriage was Li Jingyi, Li Jingyi came out because she couldn't stand these people who dared to mock Ye Chen.

when Li Jingyi came out, the carriage instantly turned into a very luxurious golden carriage.

All the guards were shocked when they saw Li Jingyi's carriage turned into an imperial carriage, the guards began to rub their eyes, they thought that this was just an illusion that appeared before their eyes.

"All of you have dared to stand in my way, are you tired of your work already?" Li Jingyi said to the guards who were in this place.

All the gatekeepers fell silent while listening to Li Jingyi's words, they were all rendered speechless by the words Li Jingyi had just spoken.

The guards probably didn't know about Li Jingyi, as Li Jingyi rarely showed herself in public, although they rarely saw Li Jingyi, they certainly knew the imperial golden chariot that was destined for the princess of the Immortal Sky Empire.

Chapter 1084 - Gatekeeper Get Punished

"Sorry, we didn't know this was your carriage." The guards immediately apologized to Li Jingyi, all of them apologizing for the mistakes they had made.

"I want to meet your superiors." Li Jingyi said that he wanted to meet the superiors of the imperial gatekeepers.

"Princess, please don't do that" these people apologized to Li Jingyi, they didn't want Li Jingyi to report them to their superiors.

It turns out that these people are still afraid of losing their jobs, they only dare to bully weak people, whereas when they meet people with higher positions, they are like chickens being slaughtered.

"I said I want to meet your superiors" Li Jingyi repeated that he wanted to meet these people's superiors.

All the guards had started to break out in cold sweat, they all looked very frightened by the threat that Li Jingyi gave.

Today they are truly unlucky, they have dared to obstruct the entourage of the imperial princess.

"Should I go and find it myself?" Li Jingyi said to the gatekeepers.

Li Jingyi still maintained his gentle temperament, even though Li Jingyi was angry, Li Jingyi could still keep himself from showing an ugly face in public.

The guards had no other choice but to call their superiors, if they didn't carry out Li Jingyi's orders, they might actually be fired from their jobs.

One of the guards finally went to call over him, he hastily called over to him to go see Li Jingyi.

On the other side, Ye Chen was overjoyed when he saw Li Jingyi coming out to help, with Li Jingyi's help, they didn't have to be afraid of the overbearing gatekeeper.

Li Jingyi looked at Ye Chen, Li Jingyi knew that Ye Chen was currently using her status to bully the guards who had insulted him.

Li Jingyi didn't mind this matter at all, as long as these people didn't insult Ye Chen again, then Li Jingyi would help Ye Chen.

After a while a man with a dashing look came over, this man ignored everyone and immediately knelt in front of Li Jingyi.

"Princess Jingyi, what are you looking for?" the man in charge of this place immediately asked why Li Jingyi was looking for him.

"I want to talk a little about your people who have dared to stand in my way, do they have a problem with me?" Li Jingyi said to the leader of the gatekeepers, herself asking if these people had a problem with her.

The gate guard leader immediately looked at his subordinates who were standing behind, there was a slight glint of anger when he heard this from Li Jingyi.

"You all come here right now." The leader of the gate guards ordered all his men to stand in front of him.

All the gatekeepers who were present immediately went towards the gatekeeper leader, they were afraid to stand in front of the gatekeeper.

These people already knew that they had just created quite a big problem, they definitely wouldn't be able to get out of this easily.

"Do you all know what you've done wrong?" asked the gatekeeper to his men who had dared to block Li Jingyi's path.

"leader, please forgive us, we did not know that this was the entourage of the princess" the leaders apologized to the leader of the gate guards, they did not know that what they were facing and suspected was the princess' entourage.

"I don't care about the reasons you have, you have made a very fatal mistake, that's why you all must get the punishment you deserve" said the gatekeeper leader to all his men who had caused a problem.

"Fine, we will accept our punishment" the guards had no choice but to accept their punishment, they wouldn't be able to get out of a big problem like this.

"Good, you will get a penalty of 500 lashes" The leader of the gatekeepers told what punishment the guards who had made a mistake would receive.

The guards immediately shuddered upon hearing what the leader had just said, they were quite surprised by the punishment they would receive.

This punishment was quite severe, they would definitely have a hard time getting past this punishment.

Ye Chen was quite happy when he listened to the punishment given to these people, with such a punishment, these people would definitely be aware of their actions.

"Princess Jingyi, how are you, are you satisfied with this?" asked head of the gatekeepers.

"Next time you have to make sure they do a good job, don't let this happen again, if it wasn't me now, they might lose their jobs and be punished even more severely," said Li Jingyi .

Li Jingyi could be said to be quite good, he didn't fire and give these people severe punishments, if his current position wasn't Li Jingyi, perhaps these people would have received a much harsher punishment than now.

"Thank you for the warning, I will try to teach these people not to be so rude again." The gatekeeper nodded to Li Jingyi, trying to listen to Li Jingyi's warning.

"Alright, everyone let's go in right now" After the matter was handled properly, Li Jingyi invited everyone to enter the empire.

Ye Chen and group nodded, they all immediately proceeded to go inside.

The guards could only lower their heads as Li Jingyi's bodyguard group passed by.

Before leaving Ye Chen didn't forget to give these people an evil smile, Ye Chen was very satisfied to see the guards get this kind of punishment.

The guards of course saw the evil smile shown by Ye Chen, for now they did not dare to look for trouble with Ye Chen.

"You are all useless, how can you look for a problem with a princess, do you not love your work" said the gatekeeper leader to his men.

"I'm sorry, we didn't know that the carriage just now belonged to a princess, the brat just provoked us, so we got angry and served him" one of the guards still dared to quibble.

"I don't care about the reasons you have, you have done wrong, if you still love your current job, you must accept your punishment" said the gatekeeper leader to all the gatekeepers who had made a mistake.

all the guards could only receive punishment, they really couldn't escape this punishment.

While the gatekeepers were ready to receive their punishment, Li Jingyi as well as Ye Chen's Party entourage had already entered the empire.

Ye Chen's entourage was well received, they were all given way by the people in the empire.

Since Ye Chen and his entourage were currently escorting Li Jingyi who was a princess of the King Realm, the people on the road naturally had to pave the way for Ye Chen and the others.

Since the road was wide open, Ye Chen and the others' journey was not hampered, they would soon arrive at the imperial palace.

In just 20 minutes, Ye Chen and his entourage had arrived at the imperial palace, what a coincidence that the imperial palace was above the sky.

When Li Jingyi's carriage arrived, all the guards immediately greeted Li Jingyi and Ye Chen's party, this time they swiftly welcomed Li Jingyi's arrival.

After arriving at the imperial palace, Li Jingyi got off her carriage again.

"Please give them a room with the best service possible." After arriving at the imperial palace, Li Jingyi immediately ordered the guards to make room for Ye Chen and the others to rest.

Chapter 1085 - Ye Chen Was Found While Teasing The Maid

"Okay, we will immediately carry out your orders" the imperial palace soldiers immediately nodded, they would immediately escort Ye Chen and the others to go to their rooms.

"Everyone, I will go first, enjoy your time in this place to rest" Li Jingyi said to everyone to rest, everyone must be tired after a long journey.

"Princess, thank you for the kindness you have given" Lao Kang thanked Li Jingyi for the kindness, what Li Jingyi did was very kind.

Li Jingyi nodded, after which Li Jingyi went with the guards to the imperial palace which was above the sky.

"Everyone please come with me" The guard ordered Ye Chen and others to follow him, the guard would escort Ye Chen and the others to a room that was reserved for important guests.

Ye Chen, Mei Yueli, Song Ziyu, Lao Kang and the other core disciples immediately followed the guards, they all couldn't wait to go to their rooms to rest.

Ye Chen was brought by the guards to a place that had many rooms which looked quite luxurious, these rooms must be quite expensive.

This was a special room the empire used to welcome important guests when hosting an event, so there were thousands of rooms in this place.

"You are all free to choose the room you want, you can also call the Maid who is in this place if you need anything" The guard told Ye Chen and the others to choose their own rooms.

Ye Chen, Mei Yueli, Song Ziyu, Lao Kang and the other core disciples immediately nodded, they already understood what the guards were saying.

"Okay, I'll go back to my work, enjoy the time you guys have" The guard said goodbye, he wanted to go back to work, if he continued to be here, he could get into a problem.

Everyone let their guards go, they all no longer needed guards to guide the way, now they just needed to choose a suitable room for them to live in.

Ye Chen and the others immediately went to find a room for them to stay in, because there were so many rooms here, Ye Chen and the others didn't have to bother looking for a suitable room for their taste.

"Yueli let's live in the room next door." Song Ziyu invited Mei Yueli to live next door.

Mei Yueli didn't answer Song Ziyu words, it could be seen that Mei Yueli was currently lost in thought.

In the past few days, Mei Yueli had been daydreaming a lot, No one knows what Mei Yueli was thinking right now.

"Yueli" Seeing Mei Yueli not answering, Song Ziyu had no choice but to call Mei Yueli again.

" Yes, what is up ?" Mei Yueli immediately asked what Song Ziyu was asking her.

"I said let's find an adjacent room" Song Ziyu repeated her words again, Song Ziyu told Mei Yueli to find an adjoining room to make it easier for them to communicate.

"okay" Mei Yueli nodded immediately, she immediately agreed with Song Ziyu suggestion.

Mei Yueli and Song Ziyu immediately went to find an adjacent room for them.

Quickly everyone has found their own room, each room will have a maid who is responsible for cleaning and maintaining the room, this is indeed a top class service.

They were all free to tell the Maid to do what they wanted, which was an extraordinary thing.

Ye Chen had also found a suitable room, he immediately entered the room.

"Master, welcome" when Ye Chen entered the room, Ye Chen was greeted by a maid who had a decent appearance, this maid smiled at Ye Chen who had just entered this room.

Ye Chen was quite surprised when he found out that in the room there was actually a maid.

"Do you live here?" Ye Chen asked the Maid in front of him.

The maid immediately shook her head, "I'm cleaning this place from dust and dirt, this is my job," said the Maid to Ye Chen.

Each maid is responsible for their own room, they have to clean the room periodically so that when used the room is not dirty.

"Oh, I see." Ye Chen now understood, it turned out that the Maid was cleaning this room.

"Master, you wait a moment, I will soon clean this place" Maid said that she would soon clean this place.

"Okay, I'll wait for you" Ye Chen nodded, he would wait patiently.

Ye Chen doesn't mind waiting for the maid to finish cleaning this room, this maid is quite beautiful, Ye Chen likes to see beautiful women, glamorous and quite seductive.

The maid felt a little uncomfortable when Ye Chen looked at her with a piercing gaze, it felt quite embarrassing to be stared at by Ye Chen like that.

"Master, why are you looking at me like that, is there something wrong with me?" Maid asked Ye Chen.

"No, there's nothing wrong with you, it's just that you look beautiful, so I looked at you" Ye Chen said to the maid who was cleaning this place.

"Master you . . ." The maid's face immediately turned red when she listened to what Ye Chen had just said, Ye Chen's praise was quite pleasant to hear.

Ye Chen smiled when he saw the female maid being embarrassed like that.

"Ahem. . ." Just as Ye Chen was teasing the Maid in front of him, someone suddenly coughed lightly behind him.

Ye Chen immediately turned around to see who was coughing behind him, when Ye Chen turned around, Ye Chen found that behind him was Li Jingyi, this time Li Jingyi crossing her arms right under the huge double peak she had.

Li Jingyi was currently smiling at Ye Chen, Li Jingyi smile had a completely different meaning, it was obvious that Li Jingyi was disappointed to see what Ye Chen was doing right now.

The maid immediately lowered her head when she saw Li Jingyi here, she was quite afraid of Li Jingyi.

"You go and leave us alone." Li Jingyi asked the Maid to leave her and Ye Chen alone.

"O. . .Okay." The maid immediately nodded to Li Jingyi, she immediately stopped cleaning and left the room.

"Ye Chen" Li Jingyi called Ye Chen's name, she no longer called Ye Chen as husband.

"Yes. . ., my wife, what's wrong?" Ye Chen immediately replied to Li Jingyi words, Ye Chen himself did not expect that Li Jingyi was behind him, even though Ye Chen thought Li Jingyi would be gone for a long time.

"I just left you for a while and you're already trying to seduce another woman" Li Jingyi said to Ye Chen.

Li Jingyi had just left Ye Chen, unexpectedly Ye Chen would seduce another woman.

"I'm not teasing her, I'm just talking to her" Ye Chen said that he didn't tease the Maid just now, Ye Chen was just talking to the Maid.

"Isn't something like that tempting?" Li Jingyi asked Ye Chen.

"Of course not, I'll show you what teasing is like" Ye Chen extended his hand towards Li Jingyi two large melons.

"Kyahhhhh. ." Li Jingyi moaned softly when she saw Ye Chen playing with her double peak.

Her double peak was a very sensitive place, a little touch from Ye Chen could make Li Jingyi very excited.

Chapter 1086 - Warning From Li Jingyi

"Husband, please stop, don't do that" Li Jingyi told Ye Chen to stop, Li Jingyi at least couldn't stand it if Ye Chen played hers like this.

"What's wrong, didn't you say you wanted to know a teasing example, I was giving you an example," Ye Chen said to Li Jingyi.

Ye Chen was currently demonstrating an example of flirting with a woman.

"What tempting, you are bullying me" Li Jingyi said to Ye Chen, what Ye Chen did was bluff, obviously Ye Chen was bullying Li Jingyi.

"Who dares to bully my wife, tell me, I will teach his a lesson" Ye Chen whispered to Li Jingyi.

"You are the one who bullied me" Li Jingyi was so helpless, how could Ye Chen say that, it was clear that Ye Chen was currently bullying herself.

"Where I'm bullying you, I'm making my wife happy, what's wrong with that" Ye Chen said to Li Jingyi.

Ye Chen chuckled at Li Jingyi, Ye Chen telling Li Jingyi that he was making Li Jingyi feel comfortable.

"Husband, please stop right now, you can ruin my clothes, I still have to go to an important place" Li Jingyi asked Ye Chen to stop, Li Jingyi had to go to an important place, so Li Jingyi shouldn't look shabby.

"Where do you really want to go?" Ye Chen asked where Li Jingyi was going.

"Of course entering the palace, how can I enter the palace with a bad appearance" Li Jingyi said to Ye Chen.

"You haven't entered the palace yet?" Ye Chen asked Li Jingyi.

"Of course not, I came here to tell you something, so please let me go right now." Li Jingyi came here first to tell Ye Chen something.

"Oh. ." Ye Chen understood, he immediately removed his hand from Li Jingyi.

Li Jingyi was relieved when Ye Chen released herself, on the other hand Li Jingyi felt a little lost when Ye Chen let go.

"So what do you want to talk to me about?" Ye Chen wanted to know what Li Jingyi wanted to tell him.

"I want you to stay away from me for a while, there are some people in the palace who are after me, if you get close to me, then you can be dragged into this problem" Li Jingyi told Ye Chen to keep distance from her.

"Why should I keep my distance from you, I'm not afraid of them, I will protect you from bad people" Ye Chen told Li Jingyi that he didn't want to do that, instead of keeping his distance, Ye Chen chose to protect Li Jingyi.

Li Jingyi was touched by what Ye Chen had just said, Ye Chen was still worried about her condition.

"Husband, don't be like that, I'm saying this for our own good, I don't want you to get involved in such a troublesome affair, it's a very troublesome affair" Li Jingyi asked Ye Chen to take his word for it.

Li Jingyi didn't want Ye Chen to be seen in such a troublesome matter, Ye Chen couldn't get caught up in a game full of intrigue and deceit like the imperial palace.

"But what about your own safety?" Ye Chen asked Li Jingyi.

Ye Chen was quite worried about Li Jingyi safety, that's why Ye Chen didn't want to be away from Li Jingyi.

"You don't have to worry about it, I will be very safe, please trust me" Li Jingyi told Ye Chen to believe in herself, Li Jingyi will definitely be fine.

Ye Chen looked at Li Jingyi, he saw the trust shown by Li Jingyi, after seeing this Ye Chen of course had to believe in Li Jingyi, how could Ye Chen not believe in Li Jingyi.

"Fine, I will believe you, but if you need any help from me, I want you to come and look for me" Ye Chen said to Li Jingyi.

"Okay, I went to look for you when I needed help" Li Jingyi was happy with what Ye Chen said, Ye Chen was very considerate of her.

"Oh yes, husband, I have brought something for you" Li Jingyi said that he brought something for Ye Chen.

"What did you bring me?" Ye Chen wanted to know what Li Jingyi brought, Ye Chen prayed that Li Jingyi wouldn't bring himself any more food like a few days ago.

If Ye Chen was told to eat Li Jingyi sweet food, Ye Chen could get fat from eating too sweet food.

"I want to give you this" Li Jingyi took a Jade, he handed the Jade to Ye Chen.

"What's this?" Ye Chen received the Jade given by Li Jingyi, Ye Chen wanted to know the function of the Jade that Li Jingyi gave him.

"You can use this Jade to enter the Golden King auction house, with the Jade I gave you, you can easily exit and enter the Golden King auction house." Li Jingyi said to Ye Chen the function of the Jade she gave.

"Oh, so that's the function, wife, thank you very much" Ye Chen thanked Li Jingyi for the help.

"Husband, you don't need to thank me, we are already a couple, as long as you have a problem, I will definitely try to help you" Li Jingyi said to Ye Chen.

"Okay" Ye Chen smiled at Li Jingyi, Li Jingyi understood very well about him.

"Okay, I have to go now, otherwise people will get suspicious" Li Jingyi told Ye Chen that he had to go.

"You want to go already?" Ye Chen said to Li Jingyi who was intending to leave this place.

"I have to leave immediately, if I stay here, people will suspect me." Li Jingyi said to Ye Chen that there would be people suspicious of her.

"I understand, but before leaving I want to kiss you" Ye Chen drew closer to Li Jingyi, Ye Chen started kissing Li Jingyi who was in front of him.

Li Jingyi accepted the kiss that came from Ye Chen, the two kissed before passionately.

Ye Chen tried to extend his hand on Li Jingyi body, unfortunately Li Jingyi refused it, if Ye Chen did more than this, Li Jingyi could be entangled with Ye Chen longer, that's why Li Jingyi didn't let Ye Chen do this that.

Ye Chen was initially disappointed, but Ye Chen could understand Li Jingyi current state.

Ye Chen and Li Jingyi had a passionate kiss for a few minutes, after a few minutes they finally parted.

"Oh yeah, husband , I wants you to avoid the maids in this place." Before leaving, Li Jingyi didn't forget to warn Ye Chen to be careful with the maids who worked in this place.

"What's wrong with them?" Ye Chen asked what was wrong with the maids who worked in this place.

"These women are not good people, they are looking for a rich male prey to change their lives" Li Jingyi warned Ye Chen about the women who work here as maids.

These women will do various ways to get close to male guests who live here, their goal of course is to get close and build relationships with male guests, they do this to be able to change their lives to become better.

Chapter 1087 - King Realm

"Are they really like that?" Ye Chen was quite surprised when he heard this from Li Jingyi, Ye Chen didn't think that the maids here would be like that.

"Yes, I won't lie to you, they are like that, so I want you to avoid them" Li Jingyi said to Ye Chen to avoid the maids who work here.

"Okay, I'll remember what you said" Ye Chen promised that he would remember what Li Jingyi said to him.

"Very good, I will go first, see you later" Li Jingyi immediately slipped away from this place, he immediately left this room.

After Li Jingyi left, Ye Chen immediately saw the Jade that Li Jingyi had given him, this was a key to success, he had to start a plan to start a big business in God Realm.

With Ye Chen's current wealth, Ye Chen should be able to make a very big business, Ye Chen has quite a lot of Divine Red Profound Crystals from the Flame Dragon's lair, that's why Ye Chen had to use this to develop his business.

"Okay, time to work" Ye Chen decided to get to work immediately, he started to make a sketch that he would show to make a business.

The item that Ye Chen wanted to make was not an ordinary item, Ye Chen wanted to make an item that had abilities, it could be said that Ye Chen wanted to make an artifact outfit for sale.

Ye Chen started working on what was on his mind, Ye Chen started to focus on his current work.

.

Meanwhile.

Li Jingyi has now entered the imperial palace, after leaving Ye Chen's room, Li Jingyi went straight to the imperial palace.

"22nd little sister, have you returned from your trip yet?" when Li Jingyi came back, Li Jingyi met a man who had quite a handsome appearance.

This man was a first prince, he was a first candidate to become crown prince.

"Yes, I'm back" Li Jingyi said that she was back, Li Jingyi kept her smile in front of the first prince, she acted like her usual self.

"Is your trip okay?" asked the first prince to Ye Chen, the first prince asked if Li Jingyi trip was okay or no.

"My journey is fine, otherwise I could not be in front of you" Li Jingyi said to the first prince.

The first prince couldn't help but smile when she heard this from Li Jingyi, Li Jingyi words were very firm that she was well on her way.

"22nd little sister, have you thought about my offer at that time?" the first prince asked Li Jingyi, he asked if Li Jingyi had thought about his offer back.

"First brother, I already said that I am not interested in power matters, so I don't want to get involved in this matter," Li Jingyi said to the first prince.

Li Jingyi told the first prince that she was not interested in the matter of power struggles.

The struggle for power was a very complicated matter, it required the intervention of the Ministers, Dukes and the Noble Clans who had taken on the Immortal Sky Empire.

"22nd little sister, your strength is a very useful thing for me, I hope you can join me, I will guarantee your safety" The first prince again tried to persuade Li Jingyi to want to anchor in his stronghold, Li Jingyi's strength was something that was very useful for the first prince .

"I know that, but I don't want to do that, I already like my life like this" Li Jingyi said to the first prince.

"Like your life now, you look like a caged bird, you even only occasionally come out of your cage, if you want to join me I will make sure that you are free to go wherever you want" said the first prince to Li Jingyi.

The first prince knew very well how Li Jingyi life was in the palace, Li Jingyi was always in his room and rarely went out, he only occasionally came out of his room, and that was with the permission of the King Realm.

"I don't mind it" Li Jingyi said that he didn't mind it, Li Jingyi didn't hate his life at all.

In fact, Li Jingyi could use it to practice her strength secretly without fear of being discovered by others.

"You can't be helped anymore, even though I intend to help you, unfortunately you don't want to be helped by me" said the first prince to Li Jingyi.

Even though the first prince had good intentions, Li Jingyi still rejected the first prince's good intentions.

"I'm sorry" Li Jingyi again apologized to the first prince about this matter, Li Jingyi decision was unanimous, she did not want to interfere in the struggle for power.

"It's up to you, I've given you a chance, don't let anything bad happen to you, I warned you" In a bad mood, the first prince left Li Jingyi.

Li Jingyi saw the departure of the first prince, in Li Jingyi eyes there was a glint of hostility as she listened to the threat that the first prince had just made.

Li Jingyi of course knew what the first prince had just done, obviously the first prince was posing a threat to Li Jingyi.

"The people here are not good, I prefer to be with Ye Chen" Li Jingyi felt that the people here were not good, they were not like a complementary family, they were more like enemies in a blanket.

"Looks like I have to speed up my plans." Li Jingyi intended to speed up his plans, he wanted to get out of this annoying place as fast as he could.

Li Jingyi resumed her own journey, Li Jingyi main goal was to meet her father to report what happened.

Li Jingyi had to report what had happened to her, otherwise her father would be angry with her.

Li Jingyi went to a special room that was very spacious, this room was filled with extremely pure Energy, this place was very suitable for cultivation.

in this room there is a man sitting on his throne while closing his eyes, it can be seen that this person is cultivating on his throne.

this man was the King Realm, he was the strongest person who had been recognized in the Sky Cloud Peak Star Realm.

"Emperor father" Li Jingyi lowered his head, greeting the King Realm.

King Realm started to open his eyes, he saw Li Jingyi in front of him.

"Jingyi, you're back, how was your trip, have you seen the places you've been to?" King Realm asked if Li Jingyi had fun on her trip.

Li Jingyi's face immediately turned red when the King Realm asked this, the first thing that came to Li Jingyi mind was the most beautiful night with Ye Chen.

Those nights were the most pleasant things Li Jingyi had ever experienced in her life.

"Jingyi, why are you silent, did something happen?" King Realm asked Li Jingyi.

Li Jingyi immediately woke up from her daydream, she immediately answered King Realm.

"Nothing happened, just a little trouble on my way" Li Jingyi said to the King Realm.

"Are the core disciples of the Nine Immortals Peak Sect not protecting well?" asked the King Realm to Li Jingyi.

"They all protected me very well, it's just that there were some traitors on this trip, even the maid who was assigned to escort me betrayed me, fortunately the disciples from Nine Immortals Peak Sect were responsive and protected me well" Li Jingyi said to the King Realm.

"Fortunately, we are helping disciples from Nine Immortals Peak Sect, they can indeed be relied on" said the King Realm to Li Jingyi.

Chapter 1088 - Enter Golden King Auction House

"You are right father emperor, they are doing very well indeed" Li Jingyi agreed with what King Realm said.

"Jingyi, on this trip, did you know how dangerous the outside world is," said the King Realm to Li Jingyi.

"Yes, I understand, the outside world is a bit dangerous." Li Jingyi said to the King Realm.

"It's good that you understand, I hope you can stay in your room, it is the safest place in this world" King Realm said to Li Jingyi.

"I understand." Li Jingyi just nodded to the King Realm, Li Jingyi could only nod when faced with the King Realm's question.

"Alright, then you go back to your room, there is the safest place for you" King Realm said to Li Jingyi.

What the first prince said was absolutely true, Li Jingyi's life is like a bird in a cage, she is always in the room and rarely comes out.

"Okay" Li Jingyi nodded, he got up and walked away from this place.

Actually Li Jingyi was reluctant to comply with his father's request, but Li Jingyi had no choice but to comply with his father's request.

Li Jingyi and her father looked very foreign, the two of them spoke like neither daughter nor father, both seemed to be complete strangers to each other.

King Realm couldn't help but sigh when he saw Li Jingyi who had left this place, King Realm couldn't do anything about this matter, he only wanted to protect Li Jingyi from outsiders who wanted to use Li Jingyi power for evil purposes.

Li Jingyi power is a very, very rare, if this power is misused by others, the consequences will be very dire.

An evil group could be invincible if they managed to get Li Jingyi, they could use Li Jingyi as a tool that could heal their wounds, if that were to happen, it would be very serious.

The King Realm did this for Li Jingyi sake, all of this was done to protect Li Jingyi safety.

The King Realm didn't know that what he was doing was hated by Li Jingyi, Li Jingyi didn't like living like this, Li Jingyi preferred a life full of freedom.

After that the King Realm closed his eyes, he returned to cultivation on his throne.

After leaving the King Realm room, Li Jingyi immediately went to her own room.

Li Jingyi room was filled with very strict guards, this showed how guarded Li Jingyi was.

Li Jingyi passed all the guards, when Li Jingyi passed, all the guards immediately knelt down and greeted Li Jingyi.

Li Jingyi ignored the guards around her, continued forward and entered her room.

After entering, Li Jingyi immediately went to close the door of her room, after arriving at her room, Li Jingyi opened the window, she looked outside, Li Jingyi thought a little about her time with Ye Chen, she felt more free when she was beside Ye Chen.

It wasn't strange why Li Jingyi forbade Ye Chen with her, apparently this was the reason, after returning to the palace Li Jingyi didn't have a freedom, he was like a bird that was locked in a cage.

Li Jingyi couldn't help but sigh as she thought about what she would do next, Li Jingyi wanted to quickly leave a place like this.

.
.

Elsewhere, Mei Yueli currently seems to be daydreaming about something, for some reason since the incident that night Mei Yueli has been like this.

"Ah. . ., why am I like this" Mei Yueli hit the pillow beside her, she really didn't know why she could be like this.

If Mei Yueli didn't see what Ye Chen and Li Jingyi were doing back then, maybe this time Mei Yueli wouldn't be like this.

"It's all that pervert's fault, why would she do such a thing with the princess" Mei Yueli had no choice but to blame Ye Chen, it was all Ye Chen's fault for doing such a thing with Li Jingyi.

"After all, why did I become like this, why did I become so pervert like this" Mei Yueli felt herself being a pervert, how could Mei Yueli start thinking embarrassing things in her brain.

"Ye Chen has something quite formidable, it wouldn't be strange for Senior Sister Xueying and the princess to fall into his palms." Mei Yueli started to think about Ye Chen's big thing, it was indeed a weapon that could make a woman give up so easily.

"Ah. . ." Mei Yueli kept hitting the pillow on the back of her neck, she couldn't help but vent on the pillow in front of her.

Having finished venting all her anger, Mei Yueli hugged the pillow she just hit, Mei Yueli was currently curled up on the bed.

"What should I do now" Mei Yueli started to wonder what she should do now, Mei Yueli was really confused with her own heart and mind.

.
.

Just as the two beauties were thinking about Ye Chen, Ye Chen himself had already finished his sketch, he was ready to make a big splash in the God Realm.

"This will definitely be something that no one from the God Realm has ever seen." Ye Chen was happy with what he had made, what he made would surely be of benefit to everyone.

Ye Chen didn't want to waste any more time, he wanted to immediately go to the Golden King auction house to discuss a business.

"I think I will change my appearance" Ye Chen decided to change his appearance, he would use another identity that was much stronger.

If Ye Chen only used an identity that belonged to an outer court disciple from the Nine Immortals Peak Sect, Ye Chen would definitely not gain any advantage when transacting with the Golden King auction house.

That's why Ye Chen intended to use his other identity, Ye Chen would use the God Mask to create another identity.

Ye Chen started to take out his robe and God Mask, he started to wear the two things on his body.

After wearing the black robe and God Mask on his body, Ye Chen immediately went to sneak out of this room, Ye Chen immediately went to the Golden King auction house.

"Wait a minute, I don't know where the Golden King auction house is, Jingyi never told me it's located" Ye Chen almost forgot that he didn't know where the Golden King auction house was, Li Jingyi never explained the details of the Golden King auction house to Ye Chen.

"I should ask someone" Not knowing the location of the Golden King's auction house, Ye Chen intended to ask a real person living in the empire.

"Hello, may I know where is the Golden King Auction House?" Ye Chen asked one of the merchant who was on the street.

"You want to know the location of the Golden King Auction house?" asked the merchant to Ye Chen.

"Yes of course" Ye Chen replied to the merchant.

"I'm not giving out information for free, you have to pay one Divine Red Profound Crystal for this information," said the merchant to Ye Chen.

" what ?" Ye Chen didn't expect that just asking for the location required a profound crystal, this would really be blackmail.

"If you don't want to then it doesn't matter, you can go and find someone else who is willing to tell you" the merchant said to Ye Chen.

This merchant looked indifferently at Ye Chen who was wearing a black robe and a mask.

Ye Chen pulled the merchant's collar, Ye Chen didn't like the way merchants tried to blackmail him.

"With me not liking the way you blackmailed me, if you don't tell me the answer to my question just now, then you will suffer" Ye Chen said to the merchant who had dared to mess with him.

". . . ." the merchant tried to call for help, unfortunately when the sword did that, Ye Chen's hand pierced his neck, this made the merchant unable to speak or breathe.

The merchant was horrified by Ye Chen's ability, this time he had mistakenly taken a prey, he had just met a strong person and could not be toyed with.

Ye Chen was aware of what the merchant was doing, that's why Ye Chen suppressed an important part so that this rogue merchant couldn't scream for help.

"Do you want to answer my question or not?, if not. . . ." Ye Chen once again asked whether the merchant would answer his question or not.

The merchant immediately nodded to Ye Chen, he became afraid of Ye Chen.

His life was not comparable to a single Divine Red Profound Crystal, the merchant still cherished his life more than a single Divine Red Profound Crystal.

Seeing the merchant nod, Ye Chen immediately removed his finger from the merchant's neck, after Ye Chen let go merchant, the merchant could finally breathe and speak normally.

" cough . . . , cough . . . , cough . . . ," the stone merchant several times due to the pain just now.

"Master, forgive my impudence, the Golden King's auction house is here, once again please forgive me" the merchant apologized as he pointed out the location of the Golden King's auction house.

God Realm is a place where strength and power is everything, here people with strength and power are the king, weaker people should respect stronger people.

Otherwise they will be destroyed by stronger people, here is only the law of the jungle, the strong will be king.

Ye Chen looked in the direction where the merchant was pointing, the merchant pointed at a large building located not far from this place.

"Alright" Without saying anything to the merchant, Ye Chen immediately headed towards the direction of the Golden King's auction house.

Merchants felt very relieved after seeing Ye Chen leave, Ye Chen was really very terrifying.

As soon as Ye Chen arrived in front of the Golden King's auction house, Ye Chen wasted no time and went straight into the Golden King's auction house.

Chapter 1089 - Take The Test At The Golden King Auction House

The guards let Ye Chen in so easily, they didn't stop Ye Chen from wanting to enter the Golden King auction house.

The Golden King's auction house was a free trade place, everyone could buy and sell what they wanted in this place.

Most of the items here will be auctioned, it's every hour there will be auctions for goods, while occasionally there will be big auctions held every few weeks or every few months.

In these grand auctions, various items would usually appear that would attract cultivators from all over the Sky Cloud Peak Star Realm or cultivators from outside the Sky Cloud Peak Star Realm.

Ye Chen went inside, the Golden King's auction house is very spacious, it can accommodate a lot of people, this place is very crowded, many people want to auction or sell what they have.

Ye Chen started looking for an employee assigned to be in charge of this place, it just so happened that one of the receptionists was not doing anything.

"Miss" Ye Chen approached and greeted the female receptionist in front of him.

"sir, is there anything I can help you with?" With a brilliant smile, the female receptionist asked if Ye Chen had anything to do at the Golden King's auction house.

The female receptionist seemed okay with Ye Chen's current appearance, she looked very ordinary when she saw Ye Chen's reclusive appearance.

In the Golden King's auction house it was common to see people who concealed their appearance, they did this so as not to be targeted by bad people.

Most people like Ye Chen were strong people who had special access to even higher levels.

"I want to start a big business with the Golden King auction house, what should I do?" Ye Chen asked what he should do to start a business.

"For that you need to become a partner of the Golden King auction house?" The receptionist told Ye Chen that he needed to become a partner with the Golden King auction house.

"Being a partner, what should I do about it?" Ye Chen asked what he should do about it.

"You need to register and do some tests first before being recognized as our partner, this process is not easy, there are already so many people who fail to partner with the Golden King auction house" The female receptionist told Ye Chen about the conditions for partnering with the auction house Golden King.

"What can I get if I become a partner with the Golden King auction house?" Ye Chen wanted to know what he could get if he partnered with the Golden King auction house.

"There are so many things you can get, you can leave goods to us in large quantities, besides that there will be a tax discount discount if you become our partner" the female receptionist explained a little about the benefits she could get.

After hearing this, Ye Chen became very interested, this was indeed what he needed right now.

"Huh?, you want to take the test straight away, are you sure?" asked the receptionist to Ye Chen.

The receptionist was quite surprised by what she heard from Ye Chen, Ye Chen immediately wanted to take this test.

The test to become a partner of the Golden King auction house is not an easy thing, it requires high knowledge and intelligence to pass this test.

"I'm pretty sure, so can I take the test?" Ye Chen said to the female receptionist.

"Okay, but you need to pay to take the test" the female receptionist said that Ye Chen had to pay to take the test.

"Alright, I'll pay for it." Ye Chen didn't think much of it, he immediately took out some Divine Red Profound Crystals.

The female receptionist looked helpless when she saw Ye Chen take out some Divine Red Profound Crystals.

"sir, the test price is only 1 Divine Red Profound Crystal." The female receptionist told Ye Chen that the registration price was 1 Divine Red Profound Crystal.

"Oh, I see." Ye Chen misunderstood, he thought the registration price would be very expensive, unexpectedly it was so cheap.

To a normal person, this price might seem quite expensive, but to Ye Chen it looked extremely cheap.

Ye Chen immediately handed over one Divine Red Profound Crystal to the receptionist. The

receptionist immediately received Ye Chen's Divine Red Profound Crystal, after which the receptionist began to write down Ye Chen's name.

For this matter, Ye Chen used a pseudonym, he didn't use his real name for something like this because it was too risky.

"Okay Mr. Mask Hero, I've finished writing down your name, come with me to the test site." After recording Ye Chen's personal data, the receptionist immediately invited Ye Chen to go to the place where the test was being held.

Ye Chen immediately followed the female receptionist, the female receptionist took Ye Chen to a special room that was similar to a classroom in modern earth.

Ye Chen himself was a little nostalgic when he entered this room, Ye Chen began to remember the moment when he was on earth.

In this room there were dozens of middle-aged men, it seemed that these people also intended to take the test to become trading partners with the Golden King auction house.

When Ye Chen entered, these people gave Ye Chen a glimpse, knowing Ye Chen was a participant just like them, these people's interest instantly disappeared.

"Mr. Mask Hero, please wait here with the other participants, the test person will be coming soon" the receptionist said to Ye Chen to wait for the examiner who will come soon.

After saying this, the receptionist immediately left the room, she had to go back to her workplace.

The other participants started laughing when they heard Ye Chen's name, Ye Chen's name was really childish.

Ye Chen ignored the people who were laughing at him, there was no time to take care of these people.

Ye Chen looked for a seat, Ye Chen sat down and waited for someone to test them.

When Ye Chen ignored all of them, the middle-aged man in this place started to stop laughing. It was no fun to see Ye Chen no reaction about this.

A few moments later an old man entered the room, everyone in the room immediately stood up when they saw the old man who had just entered, only Ye Chen seemed to be sitting very relaxed in his chair as if nothing had happened.

Seeing the reactions of everyone, this old man must be a great person, otherwise how would these people be like this when this old man walked into the room.

Seeing this, the other participants looked at Ye Chen, they felt pity when they saw Ye Chen's disrespectful attitude towards the middle-aged man who had just arrived at this place, surely Ye Chen would have a very difficult problem.

Ye Chen didn't know this middle-aged man at all, so for what Ye Chen stood like the others, what Ye Chen needed was to quickly finish this test and quickly discuss his business.

The old man looked at Ye Chen, there was a glint of dissatisfaction when the old man looked at Ye Chen who was still sitting very relaxed.

"All of you sit back" the old man didn't rebuke Ye Chen, he instead told everyone to sit back in their seats.

After getting orders from the old man, all the participants sat back down, they looked tense as they were about to start this Test.

"My name is Nei Gin, maybe some of you already know me, I am the one who will test your abilities" the old man introduced himself to everyone in this room.

Chapter 1090 - Finish The Test In 5 Minutes

"In this test you have to follow all the existing rules, if you dare to violate the existing rules then I can confirm that you will be immediately expelled from this room" Nei Gin said to all the participants in this place.

"Yes sir" all participants in unison answered Nei Gin, they were all ready with all the risks they had to face.

"That's great, then let's start the first test, the first test is to answer questions, each participant will get a different question, so you won't be able to work together on this test" said Nei Gin to all the participants in this place.

Each participant will get a different question, so they will not be able to cooperate or copy the property of the other person next to them.

"So the first test is to answer questions, interesting I want to know what kind of questions will be given" Ye Chen was interested in this first test, Ye Chen was curious about what kind of questions would be given to him.

Whether this question would be difficult or easy for Ye Chen to answer, Ye Chen wanted to find out immediately.

Nei Gin started distributing the exam papers to everyone, everyone got one exam paper.

"This is for you, good luck" Nei Gin finally gave a test paper to Ye Chen, Nei Gin gave the most difficult test paper to Ye Chen.

Nei Gin would teach Ye Chen to respect himself as a senior, that's why Nei Gin immediately gave a difficult question to Ye Chen.

Ye Chen saw the questions given by Nei Gin, Ye Chen briefly saw the questions given by Nei Gin, most of these questions were about items in this world.

Ye Chen smiled when he saw this, it seemed that this matter was too easy for Ye Chen who had knowledge of several items in this world.

When the other participants were confused about the answer they should write down, Ye Chen smiled to himself, it could be seen that Ye Chen was the most relaxed of all the people.

"Okay, you all have 30 minutes to answer all the questions on the paper, finished or not you can collect them" Nei Gin said to all participants that they only had 30 minutes to answer all the questions he gave.

After 30 minutes, done or not done, they have to collect it.

"Okay time starts from now" Nei Gin turned the hourglass, after the hourglass ran out it was time for everyone to collect the results of their work.

After the first test started, Ye Chen quickly answered all the questions, Ye Chen easily answered one by one the questions on the paper.

Meanwhile the other participants seemed to have difficulty in answering the questions they had, everyone seemed to be focused on their respective test papers, at this time they didn't even have time to see the results of other people's work.

Time flies, unexpectedly 5 minutes quickly passed, some participants had only finished 10% of their work, while some had not even started filling in their answers, some participants were still hesitant to answer this question.

On the other hand, Ye Chen had already completed all the questions, Ye Chen easily filled in all the answers.
