

Chapter 1091 - Seeing Glamorous Woman Changing Clothes

"Miss, that's all the information we managed to record, if you want to know, you can go yourself during the interview" the waitress suggested to the glamorous and dazzling woman.

"Alright, then let me interview this person alone, you prepare everything right now" the woman named Yan told the waitress to prepare everything.

"Okay, I'll do it right away" the waitress nodded, he would immediately carry out the orders of this glamorous and dazzling woman.

"I can't wait to see who you really are" the woman named Yan couldn't wait to see who Ye Chen really was and what Ye Chen wanted.

Outside Ye Chen waited patiently himself waiting very patiently for the other participants.

"It's been a long time" Ye Chen felt quite bored waiting outside, he felt uncomfortable waiting outside.

"Master" while Ye Chen was waiting for another participant, suddenly a woman came up to Ye Chen.

" what is it ?" Ye Chen asked what this woman wanted from him.

"Mr. Mask hero please come with me, your next test will begin" this woman told Ye Chen to follow her.

"Okay" Ye Chen didn't waste any more time, he immediately went to the second test place.

It was also useless for Ye Chen to wait for people who didn't even pass this first test.

This woman started to take Ye Chen to a place that was quite a distance away from the first test.

The further this woman took Ye Chen, Ye Chen felt that the area around Ye Chen was getting better and better.

"Where are you taking me?" Ye Chen asked where he was going to be taken.

"sir, the next test is an interview, someone will interview you" the female guide said to Ye Chen.

"Oh" Ye Chen now understands the second test he will face, it turns out that the second test is an interview, Ye Chen wants to know who will interview him.

The female guide finally brought Ye Chen to the front of a majestic-looking door.

"Sir, the person who will be interviewing is in there, please come in and meet her" the guide woman told Ye Chen to enter this room alone, inside there will be someone interviewing Ye Chen.

"Excuse me first" The female guide said goodbye to Ye Chen, her task of escorting Ye Chen was over, now she could return to her work.

Ye Chen only nodded when he saw the woman who had guided him away.

Ye Chen turned his attention back to the front, this door looks very luxurious, is this really an interview room?, Seeing the entrance that looks quite luxurious, Ye Chen started to wonder if this is a room for interviewing someone.

"I'd better go in." Ye Chen threw away all unnecessary thoughts, he went straight into the room.

When Ye Chen opened the door, Ye Chen saw an amazing sight, he saw that in this room there was a woman who looked glamorous and full of charm was changing her clothes.

" this . . .?" Ye Chen was quite surprised when he saw what was in front of his eyes, he saw a scene that he never expected when entering the room.

Ye Chen thought he would be greeted by intimidating gazes from people who were going to interview him, he didn't expect that Ye Chen would actually see such a beautiful scene in front of his eyes.

The woman who was changing immediately looked at Ye Chen, the gazes of the two met each other.

This woman saw Ye Chen and Ye Chen looked straight at the woman who was currently half naked.

The beautiful woman didn't have time to react, her mind was still quite chaotic when she saw Ye Chen suddenly enter her room.

The beautiful woman didn't scream like most women peeked at by a man, she very calmly covered her body.

"Why don't you knock on the door first?" The beautiful woman asked why Ye Chen didn't knock on the door first before entering this place.

" that. . . , the woman who guided me said to come inside." Ye Chen very easily answered the question posed by the beautiful woman in front of him.

"Looks like it's not your fault, then can you go out and close the door first, I want to change clothes" The glamorous and dazzling woman told Ye Chen to come out and close the door, she wanted to continue to change her clothes.

"Okay" Ye Chen nodded, he immediately went out and closed the door again.

Here Ye Chen tried to be mentally strong, so he tried not to be affected by the vision in front of her.

If this was the usual Ye Chen, surely Ye Chen would have enjoyed the free sight that was in front of his eyes right now, but because Ye Chen used a different identity, then Ye Chen tried to be a sage who wasn't affected by this kind of thing.

After Ye Chen left this place, the woman named Yan felt relieved, she started to let go of the hand she was using to cover her body.

This woman's full name is Yan Fei, she is the one in charge of the Golden King auction house.

Yan Fei is a very skilled person when it comes to negotiating or trading with someone, she is very smart and can use her beauty and charm to pressure the other party to agree to her will.

This was what made Yan Fei able to become the person in charge of the Golden King auction house.

Yan Fei was quite famous among rich merchants or young nobles, many men had spent a lot of their wealth just to see Yan Fei's smile.

Yan Fei's appearance could be described as beautiful, she had a fairly well developed body capital, although in that regard, Li Jingyi was still much better than Yan Fei.

"Is this person still a man, he is not even affected after seeing me in this appearance" Yan Fei started to wonder if Ye Chen was a man or not.

Yan Fei was quite confident in her beauty and charm, she was one of the recognized flowers in this empire, so normal men would definitely not be able to resist her charm.

After all, Yan Fei was half-naked just now, normal men would definitely feel excited when they saw Yan Fei's appearance.

Unfortunately Yan Fei didn't see that from Ye Chen, Ye Chen looked normal when he saw Yan Fei at half naked.

"I want to know who this man is" Yan Fei is getting more and more curious about Ye Chen, she really wants to know about Ye Chen, she wants to know a man who is not affected by her charms.

"I will try this man's ability." Yan Fei threw away the clothes in her hands, Yan Fei took a much better set of clothes than before.

Yan Fei's goal is clear, Yan Fei intends to test whether Ye Chen can withstand her charm.

So far, no man has been able to withstand her charms, therefore Yan Fei will not allow anyone to resist her charms.

Very quickly, Yan Fei changed into her clothes, after which Yan Fei sat on her chair.

"Now you may enter" Yan Fei said to Ye Chen to go inside.

Ye Chen who was outside immediately went inside, when Ye Chen went inside Ye Chen found that Yan Fei had already changed his clothes into quite good clothes, this made Yan Fei's beauty shine even more clearly.

Chapter 1092 - Using Charms On The Wrong Person

"Please have a seat." Yan Fei told Ye Chen to sit in front of her.

Ye Chen didn't hesitate to sit down in front of Yan Fei, Ye Chen was currently face to face with Yan Fei.

"So your name is Mr. Mask Hero?" Yan Fei said to Ye Chen.

"Yes" Ye Chen nodded lightly to Yan Fei, he told Yan Fei that it was his name.

"Can't you think of a good name for a bit, Mask hero what a cute name" Yan Fei said to Ye Chen.

Yan Fei teased Ye Chen a little, she wanted to know Ye Chen's reaction when he heard her words.

Ye Chen looked very ordinary when he listened to Yan Fei's words, Ye Chen was completely unaffected by Yan Fei's sarcasm.

"Oh, interesting" Yan Fei praised Ye Chen's patience, Ye Chen was quite patient in dealing with provocations from her.

"Miss, why don't you introduce yourself first so we can interact easily." Ye Chen told Yan Fei to introduce herself first.

"Oh I'm sorry, I forgot to introduce myself, my name is Yan Fei, I'm the one who will interview you" Yan Fei tells Ye Chen that he is the one who will interview Yan Fei.

Yan Fei even slightly winked at Ye Chen to tease Ye Chen.

Unfortunately Ye Chen was still as usual, he was not affected by the temptation that was being carried out by Yan Fei.

"So your name is Yan Fei, okay so what should I do now?" with an even voice and expression, Ye Chen asked what he should do now.

Yan Fei was a little annoyed when she saw Ye Chen's attitude, this man didn't understand at all how to appreciate a beauty like her.

"You just need to answer a few questions from me" Yan Fei told Ye Chen that she had to answer some questions from herself.

"What kind of question?" Ye Chen wanted to know what question Yan Fei wanted to ask.

"Okay, first what is your purpose in coming here?" Yan Fei asked what was the purpose of Ye Chen coming here.

"I came to do business" Ye Chen responsively answered Yan Fei's question, Ye Chen told Yan Fei that he came to do business.

"What kind of business do you want?" Yan Fei asked about the business that Ye Chen wanted.

"I want to sell items that are rare in the God Realm" Ye Chen said to Yan Fei.

"Rarely found item, what is it?" Yan Fei became curious as he listened to items that were rare in the God Realm.

"Sorry but this is a secret project, I can't just give it away, or someone else will copy it" Ye Chen said to Yan Fei.

Yan Fei gritted his teeth slightly when he listened to what Ye Chen said, this man really kept his secret very well, even the very smart Yan Fei had a hard time revealing Ye Chen's secret.

"So you want to try to keep that secret of yours? Well, I'll reveal it" Yan Fei wanted to reveal all the secrets that Ye Chen had.

Women are curious creatures, they like to tease what intrigues them and put them in danger.

Yan Fei started trying to use her charms on Ye Chen, Yan Fei often used her charms to attract same or opposite sex when they interacted and controlled them without the person noticing.

Yan Fei has a very strong Charm technique, the Charm technique will be very useful for a business woman like Yan Fei, she can make her business opponent follow her will.

As someone who possesses the Dual Cultivation technique, Ye Chen is of course aware of what Yan Fei did, he has already realized that Yan Fei used Charm on him.

"sir please tell me" Yan Fei asked Ye Chen again, this time Yan Fei's tone was full of charm and charm that could captivate any man who listened.

Ye Chen looked silent when he saw what Yan Fei did, Ye Chen didn't react to what Yan Fei did.

Yan Fei saw Ye Chen who was currently silent, it seemed her Charm was starting to come in handy to Ye Chen, what Yan Fei needed to do was keep Ye Chen falling into her palms so that she could find out the plans that Ye Chen was hiding.

"Sir . . ." Yan Fei brought her face closer to Ye Chen, he wanted Ye Chen to see it more clearly, This is so that the Charm used by Yan Fei is more effective on Ye Chen.

"You're too close, move away a bit" Ye Chen said that Yan Fei was too close, that's why Ye Chen pushed Yan Fei away.

"Huh?" Yan Fei looked very surprised when she heard what Ye Chen just said, Ye Chen pushed herself away.

"Charm is useless, is he still a man?" Seeing this Yan Fei started to doubt that Ye Chen was a man, Yan Fei even started to suspect that Ye Chen was a eunuch, otherwise how could he survive with her beauty and charm.

If Ye Chen knew what Yan Fei was thinking about him, Ye Chen would definitely be very angry, how could Yan Fei think like this to him.

It was the first time Yan Fei had failed to use her Charm, this was the first time Yan Fei had experienced something like this.

Yan Fei looked at Ye Chen who was wearing a mask to hide his identity, this man was very mysterious.

"I can't believe that I was defeated by this man." Yan Fei couldn't believe that she would lose to Ye Chen.

That's why Yan Fei tried again, this time Yan Fei didn't hold back, Yan Fei used her highest level of Charm on Ye Chen.

Ye Chen again felt that Yan Fei used her Charm, this time it seemed that the Charm used by Yan Fei was much stronger than before.

"So this glamorous lady wants to try against me, fine, then I'll fight back".

Seeing Yan Fei trying to fight Ye Chen, Ye Chen had no choice but to fight back, he used his charm on Yan Fei.

When Ye Chen used his charm, Yan Fei suddenly felt something wrong with her, Yan Fei's heartbeat started to quicken and Yan Fei's body became a little hot, Yan Fei's mind also started to get confused.

Yan Fei even started to look shy to Ye Chen who was in front of her.

"Miss Yan Fei" Ye Chen called out Yan Fei's name.

When Ye Chen called Yan Fei's name, Yan Fei found that Ye Chen's voice was very comfortable to listen to, Yan Fei couldn't resist this and started to answer Ye Chen.

" Yes, what is up ?" Yan Fei asked what Ye Chen wanted to do to her.

"I want to know a little about you, can you tell me everything" Ye Chen asked about Yan Fei's identity, Ye Chen wanted to know who Yan Fei really was.

"Okay" Yan Fei nodded, he couldn't resist every word Ye Chen said, Ye Chen's words were like hypnosis that made Yan Fei obey.

Yan Fei started telling Ye Chen who he was, Yan Fei even told Ye Chen who she was at the Golden King auction house.

Chapter 1093 - Offer Cooperation To Yan Fei

Yan Fei told Ye Chen that she was the person in charge of the Golden King auction house.

"So this woman has a fairly high position?" Hearing this, Ye Chen now knew that Yan Fei had quite a high position.

With Yan Fei's current position, Yan Fei should have quite a bit of power in the Golden King auction house.

This is an extraordinary coincidence, Ye Chen directly met a person who has a fairly high position in the Golden King auction house.

Now all Ye Chen needed to do was persuade Yan Fei to cooperate with him.

Ye Chen immediately deactivated his Charm that he used on Yan Fei, Ye Chen didn't want to negotiate in this way.

To get Yan Fei's loyalty, Ye Chen must rely on his abilities, Ye Chen must not rely on his Charm.

After Ye Chen pulled back his Charm, Yan Fei finally started to regain consciousness, after realizing the influence of Ye Chen's strong Charm, Yan Fei looked a little confused, it could be seen that Yan Fei was confused about what just happened.

" what just happened ?" Yan Fei started to wonder what had just happened to her, why did she become like this.

"You were just affected by the Charm I have." Ye Chen told Ye Chen that Yan Fei had just been affected by his Charm.

Ye Chen didn't hide this, he was honest about what had just happened to Yan Fei.

"So you also have the Charm technique?" Yan Fei was quite surprised to find this, she couldn't believe that Ye Chen had a Charm that was even stronger than her own.

"Of course, so don't expect that your Charm will work against me" Ye Chen told Yan Fei the truth that the Charm used would not work on Ye Chen.

"So that's how it is, it's only natural that you are not influenced by me" Yan Fei now understood why Ye Chen was not affected by her Charm, apparently this was the reason.

"Then why did you deactivate your Charm, when you can manipulate and pass" Yan Fei asked Ye Chen.

Yan Fei asked why Ye Chen didn't take advantage of the opportunity just now to blackmail her.

"I don't want to do that, my purpose here is to do business with you" Ye Chen told Yan Fei his purpose in coming to this place.

"Sir, you always talk about business to me, why don't you tell me a little plan you have" Yan Fei wanted to know the plan that Ye Chen had.

"Alright, I'll tell you the plan I have, listen to this carefully" Ye Chen told Yan Fei his plan, Ye Chen didn't tell all his plans, it made Yan Fei curious.

Yan Fei was quite surprised when she saw that Ye Chen wanted to tell his plan, this was different from before, Ye Chen didn't want to tell Yan Fei about his plan.

Yan Fei finally knew the plans that Ye Chen had, Ye Chen was quite ambitious with his plans.

"Why do you want to tell me your plan?" Yan Fei asked why Ye Chen wanted to tell her this plan.

"I want you to work for me, whether you want to or not" Ye Chen got straight to the point, he wanted Yan Fei to work for him.

Ye Chen is quite confident in Yan Fei's abilities, with Yan Fei's abilities, Ye Chen is very confident that all of his plans can be realized well.

"Huh, working for you?, aren't you kidding me?" Yan Fei was quite surprised when she heard what Ye Chen just said.

Ye Chen shook his head, "I'm not joking with you, I'm serious about what I just said." Ye Chen said that he was serious about what he just said.

"Listen, I already have a fairly high position in the Golden King auction house, so what's in it for me to work for you" Yan Fei said that she already has a fairly high position in this place, therefore there is no point for Yan Fei to work for Ye Chen.

Ye Chen already knew that Yan Fei would definitely issue an answer like this, that's why Ye Chen had prepared something that could make Yan Fei want to cooperate for him.

"I can give you an extremely strong power and influence." Ye Chen got straight to the point, he could give Yan Fei a very strong power.

"Are you serious about that?" Upon hearing this, there was a slight glint in Yan Fei's eyes, it could be seen that Yan Fei was interested in what Ye Chen had just said.

"Of course I'm serious" Ye Chen said that he was serious about this matter.

Yan Fei still doubts what Ye Chen said, the authenticity of Ye Chen's words is still difficult for her to prove.

Ye Chen saw that Yan Fei still had doubts about him, therefore Ye Chen had no choice but to convince Yan Fei.

"Yuechan" Ye Chen called out Chu Yuechan name.

" what ?" Chu Yuechan immediately answered Ye Chen, Chu Yuechan wanted to know what Ye Chen needed at this time.

"Can you find a powerful cultivation technique for the woman in front of me?" Ye Chen told Chu Yuechan what he needed.

"Are you sure you want to give this woman a high-level cultivation technique?" Chu Yuechan asked Ye Chen, this woman is still an outsider, so it is not good to give the cultivation technique that is inside the fairy gate to her.

"You don't have to worry about the matter, do as I tell you, trust me" Ye Chen said to Chu Yuechan.

Ye Chen wanted Chu Yuechan to believe what he said, Ye Chen had his own way of dealing with Yan Fei to be loyal to him.

"Alright, I'll be right back." Chu Yuechan nodded, she would do what Ye Chen wanted.

Ye Chen is the owner of the fairy gate, so if Ye Chen wants, Ye Chen can do what he wants.

"This is it" After a while Chu Yuechan finally returned, he returned with a technique called the Sun Flame Bird.

Ye Chen glanced at the cultivation technique Chu Yuechan gave him, it seemed that it was a fairly powerful technique that had quite a strong attack.

"You look at this for a moment." Ye Chen passed the cultivation technique he had in his hand to Yan Fei.

Yan Fei received the Sun Flame Bird cultivation technique from Ye Chen, he started to glimpse the book that Ye Chen had just given her.

Yan Fei was quite interested in the book given by Ye Chen, she wanted to learn the cultivation technique given by Ye Chen.

When Yan Fei wanted to learn the technique, Ye Chen immediately took back the Sun Flame Bird cultivation technique from Yan Fei hand.

"Why did you take it?" Yan Fei asked why Ye Chen took the Sun Flame Bird cultivation technique from his hands.

"I only allow you to peek a little, if you want this, you have to cooperate with me" Ye Chen said to Yan Fei.

Ye Chen tells Yan Fei to work on him, if Yan Fei wants, then Ye Chen will give this to Yan Fei.

Chapter 1094 - You Can Call Me Master

Yan Fei started to think about the offer that was being given by Ye Chen, the offer that was being given by Ye Chen was indeed very tempting for Yan Fei.

What Ye Chen had just shown was an extremely formidable high rank technique, Yan Fei was quite interested in the cultivation technique that Ye Chen had just picked up.

However, Yan Fei still has some doubts about Ye Chen's plan, she doesn't know whether Ye Chen's plan will go very well or not, after all, Ye Chen wants to sell something that is rarely seen by people from the God Realm or maybe not thought by people from the God Realm.

"Whether you are satisfied with your current position or you want to climb even higher than now, the choice is yours" Ye Chen again persuaded Yan Fei with his words

Ye Chen wanted Yan Fei to think carefully about the offer he gave, lest Yan Fei refuse the offer that Ye Chen gave him.

Ye Chen only offered this once, Yan Fei had to use this opportunity very well or else he would feel disappointed in the future.

"May I know why you would offer me something like this?" Yan Fei asked why Ye Chen would offer such a thing to her.

"It's because I see your potential, with your potential, I really believe that you can do the job I want very well." Ye Chen told Yan Fei about his assessment for Yan Fei.

"So you think that way about me?" Yan Fei didn't expect that Ye Chen would think like that about her.

Ye Chen nodded lightly to Yan Fei, that was indeed the judgment Ye Chen could get from Yan Fei.

"So how?" Ye Chen asked Yan Fei, he wanted to know the answer given by Yan Fei.

"Is there any other conditions that I have to fulfill for this?" Yan Fei asked if there were other conditions that she had to fulfill.

"Nothing, you just need to work for me, I won't limit the freedom you have too much" Ye Chen said to Yan Fei.

Ye Chen will not limit the life of Yan Fei, he only needs Yan Fei's loyalty to carry out all his plans.

"You seem to really trust me, aren't you afraid I'll deceive you?" Yan Fei said to Ye Chen.

Yan Fei didn't know where Ye Chen's confidence came from, how could Ye Chen be so confident in herself.

"I'm quite confident with you, if you really want to deceive me, I have many ways to deal with you and make you mine" Ye Chen said to Yan Fei.

Ye Chen was very confident when he said this, Ye Chen had many ways to deal with Yan Fei.

After all, Ye Chen was the natural enemy of women, no woman could escape easily when dealing with Ye Chen.

Yan Fei's face turned red when she heard this, Yan Fei of course understood what Ye Chen meant, Ye Chen intended to make himself his.

Yan Fei thought Ye Chen was a eunuch who had no interest in women, but after hearing this, Yan Fei put that thought aside, it seemed that Ye Chen had experience dealing with women.

Yan Fei started to realize this when she found out that Ye Chen had a very powerful Charm technique, Ye Chen must have used this to confuse the opposite sex.

"So what's your answer, I don't have time to keep waiting for you like this" Ye Chen asked one last time, he didn't have time to talk about this matter.

"Huftt. . ." Yan Fei started to take a deep breath, she started to decide which choice she would make.

Today's choices will definitely affect Yan Fei's life in the future, that's why Yan Fei should not be confused about the choices she makes or she will regret it later.

"Okay I agree, I Yan Fei from now on will work for you and will not betray you" Yan Fei finally gave her answer to Ye Chen.

Yan Fei finally agreed to work together with Ye Chen to reach the top.

"Very good, now you can call me master" Ye Chen told Yan Fei to call him master.

"Wait, why should I call you like that?" Yan Fei asked why she had to call Ye Chen master.

"That's because you are now a worker while I'm the boss, so you should call your boss a master" Ye Chen said to Yan Fei who was in front of him.

Yan Fei was now working for Ye Chen, so she couldn't help but call Ye Chen a master.

Yan Fei didn't expect that Ye Chen would do this to her, since Yan Fei had already agreed, Yan Fei had no choice but to call Ye Chen Master.

"master" in a voice that was pleasant to listen to, Yan Fei called out to Ye Chen master.

"Very good" Ye Chen was quite satisfied with what Yan Fei did, after seeing this Ye Chen could trust Yan Fei.

"Alright, as I promised, I will give this to you." Ye Chen passed the Sun Flame Bird cultivation technique to Yan Fei.

Yan Fei received the Sun Flame Bird cultivation technique from Ye Chen, Yan Fei looks very happy about this, with this cultivation technique Yan Fei will probably become much stronger than she is now.

"Master, thank you very much" Yan Fei thanked Ye Chen for keeping his promise.

"Then let's discuss this plan further" After Yan Fei promised to work for him, now Ye Chen could tell all the future plans he had.

Ye Chen also wanted to ask Yan Fei's opinion about the plan he had, whether there were still any flaws in this matter.

"You have such a complex plan, I couldn't think of it that far" Yan Fei was a little impressed by Ye Chen's plan, Ye Chen's plan was really well thought out and detailed, it was hard to find any flaws in the plan owned by Ye Chen.

"what do you think?" Ye Chen wanted to know what opinion Yan Fei had.

"Why don't we just sell pills and artifacts, why do we have to wait that long?" Yan Fei asked Ye Chen about this matter, why should they sell mediocre items, why not sell pills and artifacts straight away.

"Look, if we are new players, then we have to make ourselves look as weak as possible so that other people don't notice us, once we have a firm footing, then we will start fighting them all and hit them when they are off guard".

"I see." Yan Fei really learned a new lesson from Ye Chen, what Ye Chen said was a new lesson for Yan Fei.

"Your plan requires a lot of capital, where are you going to get that much capital?" Yan Fei asked where did Ye Chen get that much capital from.

"You don't have to worry about capital, I have enough of it." Ye Chen said that he had enough of it.

Ye Chen took out a Space Ring, he started to give his Space Ring to Yan Fei.

"Look inside" Ye Chen told Yan Fei to look inside the Space Ring that he just gave.

Chapter 1095 - Attacked By Unknown People

Yan Fei received the Space Ring given by Ye Chen, she started to see what was inside the Space Ring given by Ye Chen.

When Yan Fei peeked into the Space Ring that Ye Chen had given her, Yan Fei was quite surprised by the contents inside.

Yan Fei saw countless Divine Red Profound Crystals in the form of large lumps.

If this was a total of perhaps hundreds or even more, this number could be described as very large, with this amount Ye Chen could establish a large city.

"You really leave all this to me?" For the first time Yan Fei seemed to stutter after he looked inside the Space Ring that Ye Chen had just given her.

Yan Fei had never held this amount of Divine Red Profound Crystal, this was the first time Yan Fei had held as many Divine Red Profound Crystals as Ye Chen's Space Ring.

"Of course, isn't that enough?, if it's not enough I will give you more, I still have a lot" Ye Chen said to Yan Fei.

Yan Fei was really surprised by what Ye Chen just said, Ye Chen still had more.

"No-no, this is enough" Yan Fei immediately said that this was more than enough, with the capital that Ye Chen currently provided, Yan Fei was able to set up a very large place of business.

"Good, if it's enough, I think it's still lacking" Ye Chen said to Yan Fei.

"How rich are you really?" In her heart Yan Fei started to wonder how rich Ye Chen was, how could Ye Chen take out so many Profound Crystals so easily.

Even though Divine Red Profound Crystals were a rather rare item, only a few people possessed large amounts of Divine Red Profound Crystals.

Ye Chen immediately handed over the sketch he made to Yan Fei, Ye Chen wanted Yan Fei to make something similar to the sketch he made.

" what's this ?" Yan Fei asked Ye Chen about the things that Ye Chen drew, Yan Fei had never seen anything like this.

"You can read it, I already write it in the description" Ye Chen said to Yan Fei.

As per the order from Ye Chen, Yan Fei started to read the description written by Ye Chen.

When Yan Fei read the description written by Ye Chen, Yan Fei found out that these were underwear that Ye Chen had modified into something that could be useful to cultivators.

This underwear can lighten the user's body, it also has a protective effect from attacks.

Ye Chen came up with this idea when he heard Li Jingyi complaint, that's why all Ye Chen made this thing up for sale, Ye Chen was sure there would be a lot of people willing to buy it.

Yan Fei saw another sketch, he felt that what Ye Chen made would definitely be liked by all circles, even though this is not a basic requirement of cultivators, but Yan Fei is sure that it will definitely be useful in life.

"Master, then what do you want to name your place of business?" Yan Fei asked about the place name of the company that Ye Chen wanted to use.

"How about **Fairy Blessing**?" Ye Chen had already thought of a suitable name for his business.

"Master, I like that name" Chu Yuechan suddenly spoke in Ye Chen's mind, Chu Yuechan likes the name that Ye Chen just took, it seems to represent her.

Ye Chen couldn't help but smile when he heard this, Chu Yuechan reaction was hilarious when discussing this matter.

"Alright, if that's your will, then you'll register it immediately" Yan Fei said to Ye Chen.

Yan Fei agrees with Ye Chen's name, the name Ye Chen takes symbolizes the glory that might happen in the future.

"Alright, if there's nothing else, then I'll go" Ye Chen said to Yan Fei that he was going.

Ye Chen had already left all the responsibilities to Yan Fei, now he left feeling at peace.

"Wait a minute" Yan Fei suddenly stopped Ye Chen.

"What's wrong?" Ye Chen asked Yan Fei who stopped him.

"This is a personal sound transmission stone, it will make it easier for us to contact each other." Yan Fei handed a high grade sound transmission stone to Ye Chen.

With this Ye Chen and Yan Fei can still communicate with each other from a very, very far distance, plus this sound transmission stone is very safe, it is very difficult to tap this high grade sound transmission stone.

Ye Chen received a gift from Yan Fei, after which Ye Chen immediately left this place.

Yan Fei could only look at Ye Chen who left herself alone in this place.

"What a very interesting man, I wonder what this person looks like" Yan Fei was curious as to what Ye Chen was like, she wanted to know the figure behind the mask, whether it was an old man or not.

"Alright, I will immediately go start this work" Yan Fei will immediately start everything Ye Chen has ordered.

.

After leaving the Golden King auction house, Ye Chen immediately returned to his own room which was near the imperial palace.

Ye Chen circled around the city to cover his tracks, he couldn't let others find out his identity.

As Ye Chen was circling around, Ye Chen bumped into some strange people who were also wearing covered clothes like himself.

These people seem to be doing a transaction something, they are exchanging an object with each other.

These few people immediately turned towards Ye Chen, they looked at Ye Chen with a strong killing gaze.

" what is it?" Ye Chen immediately asked why these people suddenly stopped and looked at him with murderous eyes, Ye Chen did not remember that he had ever met these people.

"It's nothing, it's just that you are very suspicious, you all quickly kill this person" suddenly one of these people ordered to kill Ye Chen.

"what ?" Ye Chen couldn't help but wonder, how could these people want to kill him, when they had just met.

Several people went straight to Ye Chen, they all immediately went and attacked Ye Chen.

Seeing this, Ye Chen immediately entered combat mode, himself attacking the two people who were approaching him.

"Bam. . . , Bam . . . , Bam . . ." Ye Chen hit the people who came close to him.

Using a strong enough punch, these people were blown away and instantly unconscious.

"Damn it, you are strong, everyone let's go together" Seeing that Ye Chen was strong enough, everyone who was left finally came forward to fight Ye Chen.

"All of you have been looking for the wrong enemy, you will suffer the consequences" Ye Chen said to the people who wanted to kill him.

Even though Ye Chen didn't know or had any enmity with these people, it was these people who had attacked Ye Chen first for no apparent reason.

"Frost Nova" Ye Chen stretched out his hand forward, from Ye Chen's palm came out a blue light like ice, this light enveloped all enemies in front of Ye Chen.

"Freeze" all the enemies in front of Ye Chen, instantly frozen into an ice statue.

"What the hell are these people, why did they attack me suddenly like that" Ye Chen wanted to know why these people attacked him.

Chapter 1096 - Who Are You Calling Jealous

"Most likely these people are afraid that what they are doing right now is known to you," Chu Yuechan told Ye Chen about the possibility of these unknown people attacking him.

"Then let's find out what they just did." Ye Chen wanted to know what they had just done, why they looked so afraid that Ye Chen would find out about this.

Ye Chen released one of the people he had frozen himself, this person immediately fainted from the cold.

Ye Chen looked for evidence that this man had, he wanted to know what they had just exchanged in this hidden place.

When Ye Chen searched these people, Ye Chen found a letter, Ye Chen immediately saw what was inside.

The contents of this letter are written, "tomorrow is the time, there will be a big fireworks display over the empire, we will move" the Zero sender.

Ye Chen still didn't understand what this letter meant, what was the meaning of the fireworks that were about to occur in the imperial sky.

"Is there going to be a big event tomorrow or something?" Ye Chen thought that tomorrow there would be a big event going on.

However, why would these people attack Ye Chen over a matter like this, this was completely unreasonable to Ye Chen.

"Master, isn't Zero the person the Goblin King once told about?" Chu Yuechan reminded Ye Chen about the mysterious person named Zero that the Goblin King had told Ye Chen.

"Zero. . . ?" Ye Chen muttered softly, he finally remembered the name the Goblin King had told him.

This is the person who bought the Solar Stone from the Goblin King, what does this person really want by making a letter like this, this is a very confusing thing for Ye Chen.

After thinking for a while, Ye Chen still didn't have an answer to this.

"Forget it, it has nothing to do with me" Ye Chen decided to forget about this, after all it had nothing to do with him.

Instead of Ye Chen taking care of a matter that had nothing to do with him, it was better for Ye Chen to go back.

It's not good to continue to linger here, maybe there will be people who are suspicious of his departure.

Ye Chen decided to leave, he left the people who were still frozen, they were all useless to Ye Chen, Ye Chen also didn't want to get his hands dirty to kill these people.

Let people stay frozen like this, if no one helps them, these people will probably be free in about 7 days.

Ye Chen immediately slid away from this place, with quite agile movements, Ye Chen finally arrived in his room, after making sure everything was safe, Ye Chen changed his appearance.

Ye Chen immediately hid his God Mask as well as his robe in the fairy gate storage room.

After changing his appearance, Ye Chen immediately went to bed, and started cultivating as usual.

These few days Ye Chen was too busy doing Dual Cultivation together with Li Jingyi, doing Dual Cultivation with Li Jingyi gave Ye Chen benefits.

Even though Ye Chen's increase in strength was only about 1 level, it was already quite good.

Ye Chen felt that it was currently very difficult for him to raise his cultivation level, even doing Dual Cultivation with Li Jingyi who had a fairly high cultivation base didn't give a significant increase in strength.

The Divine Tribulation Realm is a very difficult level, many cultivators have been trapped in this level for their whole life, this is because each level is very difficult to pass.

this was the reason why Ye Chen had only advanced one level despite Li Jingyi fairly intense Dual Cultivation.

From now on Ye Chen had to fight even harder, he had to become even stronger.

"knock. .,knock. .,knock. ." When Ye Chen had just started cultivating, suddenly there was a knocking sound from outside.

Ye Chen immediately opened his eyes, Ye Chen immediately went towards the entrance.

Ye Chen opened the door and wanted to see who was knocking on his door.

When Ye Chen opened the door, Ye Chen found that the person who knocked on his door was Mei Yueli.

"Senior Sister Mei Yueli, what do you need?" Ye Chen asked what Mei Yueli needed to find him.

" That . ." With a slightly flushed face, Mei Yueli had a hard time telling her purpose for coming to this place.

" what is it ?" Seeing Mei Yueli attitude, Ye Chen had no choice but to ask Mei Yueli back.

"Ye Chen, tomorrow people will go back to the Sect." Mei Yueli finally told her the reason she came to see Ye Chen.

It turned out that Mei Yueli told Ye Chen that tomorrow people would return to the Sect.

"Why so fast?" Ye Chen asked why they had returned so soon, when they had only been here for a short time.

"These people are returning soon to get the Quest rewards, they should also return to cultivation" Mei Yueli said to Ye Chen.

The other core disciples wanted to go back and get their rewards for completing Li Jingyi escorting quest.

After all, they couldn't do anything. Instead of wasting their time in this place, it was better for them to return to the Sect to train or take on a new quest.

"I will stay here for a while" Ye Chen told Mei Yueli that he would stay in the empire for a while.

Ye Chen didn't like leaving Li Jingyi without giving her any news.

"It must be because the princess isn't." Mei Yueli said to Ye Chen, Mei Yueli looked dissatisfied when she heard Ye Chen didn't want to leave, Sky Cloud Peak Star Realm.

Mei Yueli already knew that Ye Chen didn't want to leave because of Li Jingyi, this man definitely didn't want to leave a beautiful daughter like Li Jingyi.

Plus Li Jingyi had quite a large capital, it must have been very well liked by Ye Chen.

Li Jingyi has something that all women envy, she can make all women who see her feel envious with the two big melons she has.

"Wait a minute, why do you look dissatisfied with this, are you jealous?" Ye Chen immediately asked Mei Yueli who was in front of him.

"M... me . . ." Mei Yueli immediately stuttered when she heard what Ye Chen just said, she was speechless when she heard this.

Ye Chen smiled when he saw Mei Yueli who seemed to be stuttering like that, without needing to get an answer from Mei Yueli, Ye Chen knew that Mei Yueli was jealous of this.

"It seems that this woman has fallen for me." Ye Chen confidently guessed that Mei Yueli had already fallen for him.

Mei Yueli saw Ye Chen's smile, it was clear that Ye Chen was starting to suspect her.

"Who are you calling jealous, I can't be jealous of you" Mei Yueli said to Ye Chen.

Mei Yueli couldn't possibly be jealous of something like this, there was no point in Mei Yueli being jealous of something like this.

"Really, very suspicious, come here" Ye Chen pulled Mei Yueli into his room.

"Ye Chen, what are you doing?" Mei Yueli looked very panicked when Ye Chen pulled herself into the room, Mei Yueli heart was beating very fast when she saw what was happening to her right now.

Chapter 1097 - Making Mei Yueli Honest With Her Feelings

Ye Chen forcefully pulled Mei Yueli into his room, he immediately made Mei Yueli sit on his bed.

When Ye Chen did this, Mei Yueli heart was beating so fast, she could hardly believe what she was seeing right now.

At this time Ye Chen brought Mei Yueli into the room and put Mei Yueli on the bed, any woman would think wildly when she saw this.

"Senior Sister Mei Yueli, if I remember correctly you have a fear of men right?" Ye Chen said to Mei Yueli.

"Yes, why?" Mei Yueli asked Ye Chen, Mei Yueli looked very panicked when she answered Ye Chen question, Mei Yueli could no longer calm down when she answered Ye Chen's question.

Mei Yueli mind was running wild, she thought about the various embarrassing things she saw that night.

Mei Yueli was even currently looking at the direction where Ye Chen's younger brother was hiding, this was something Mei Yueli often thought and did.

"How about I help you" Ye Chen said to Mei Yueli that he intended to help Mei Yueli solve this problem.

"How to?" Mei Yueli asked Ye Chen, Mei Yueli asked how Ye Chen could help her solve this problem.

"You just leave this to me." Ye Chen told Mei Yueli to be quiet and leave this matter to himself.

Ye Chen stretched out his hand towards Mei Yueli, preparing to touch Mei Yueli body.

"wait a minute. . ." Mei Yueli immediately stopped Ye Chen, herself trying to keep Ye Chen away from her.

Mei Yueli of course knew how great Ye Chen's abilities were, if Ye Chen used his abilities, Mei Yueli probably wouldn't be able to stand it.

That's why Mei Yueli tried to keep Ye Chen away from her, she didn't want to let Ye Chen get any further.

Too bad Mei Yueli was a little late, she was unable to stop Ye Chen, Ye Chen's hand had already touched Mei Yueli body.

"Ah. . ." Mei Yueli started to let out a slight moan that was quite pleasant to hear.

Ye Chen was overjoyed when he heard Mei Yueli moans, it was quite pleasant to tease a beautiful woman who was afraid of a man like Mei Yueli.

"Ye Chen please stop now, we can't do this any further" Mei Yueli said to Ye Chen.

"You keep rejecting me with your words, but why don't you push me away" Ye Chen whispered into Mei Yueli ear.

Mei Yueli might reject what Ye Chen did using her own words, but the current Mei Yueli did not put up any resistance to Ye Chen.

"that . . ." Mei Yueli seemed to have a hard time answering Ye Chen's words, she didn't know how to answer Ye Chen's words.

It could be seen that Mei Yueli's body had accepted this, only that this woman was still avoiding it.

"You should be more honest with yourself" Ye Chen said to Mei Yueli who was in front of him.

Ye Chen hoped that if Mei Yueli could be honest with herself, if Mei Yueli could be honest with herself, then it was certain that Mei Yueli could pursue her own happiness.

Mei Yueli's heart started to become very chaotic when she heard what Ye Chen said.

If Mei Yueli was honest with her heart, then it was certain that Mei Yueli would fall for Ye Chen just like the princess and Mu Xueying.

"Senior Sister Yueli please look into my eyes" Ye Chen told Mei Yueli to look into his eyes.

At first Mei Yueli avoided Ye Chen's eyes, but when Ye Chen forced her, Mei Yueli finally wanted to look into Ye Chen's eyes.

At this moment Ye Chen and Mei Yueli gazes met, both of them were staring at each other.

"Tell me honestly, whether you reject me or not" Ye Chen started talking to Mei Yueli, he wanted to know whether Mei Yueli rejected him or not.

"I do not know. . ." Mei Yueli replied that she didn't know about the matter, Mei Yueli heart seemed confused to answer Ye Chen's question.

On the one side, Mei Yueli still has a grudge against Ye Chen, on the other side, it must be admitted that Mei Yueli is starting to like Ye Chen.

In Mei Yueli heart there were two side-by-side feelings, that's why Mei Yueli seemed to have a hard time deciding which feeling she should follow.

"If you don't know, then let me decide that." Seeing Mei Yueli who was in a confused state, it was Ye Chen who was going to let Mei Yueli know which feelings she had to take.

Ye Chen began to caress Mei Yueli body, slowly Ye Chen began to caress Mei Yueli body in front of him.

First Ye Chen saw Mei Yueli reaction, when Mei Yueli didn't fight him, Ye Chen would continue, but if Mei Yueli refused, Ye Chen would stop.

Mei Yueli felt an extraordinary feeling when Ye Chen touched her, this feeling was something that Mei Yueli had yearned for quite a long time.

Ye Chen's ability to massage and caress is number one in this world, women who have experienced Ye Chen's ability will definitely be addicted to it and will not be satisfied with ordinary massage.

This is a pride that belongs to Ye Chen, Ye Chen can make women become lustful with his technique.

Mei Yueli was just like any other woman, she liked the feelings that Ye Chen gave her, the feelings that Ye Chen gave her made Mei Yueli feel like she was in the seventh level of heaven.

"Yeah. . .", Mei Yueli started to sigh in pleasure, little by little Mei Yueli started to be weakened by Ye Chen's technique, if it continues like this then it is certain that Mei Yueli will fall into Ye Chen's palm.

Seeing Mei Yueli not putting up a fight against Ye Chen, Ye Chen decided to go further, Ye Chen touched some sensitive spots that he managed to find.

When Ye Chen did this, Mei Yueli really got a very good feeling, Mei Yueli body was completely controlled by a very good feeling, Mei Yueli had been overcome by a very comfortable feeling.

Mei Yueli body started to sweat, a smell should radiate from the sweat that was on Mei Yueli body.

Women are indeed very obligatory creatures, even though they sweat they still smell like a flower garden that exudes an endless fragrance.

Mei Yueli had not put up a fight anymore, she accepted all the invasions that Ye Chen skilful fingers were currently doing.

Seeing that Mei Yueli was already in this state, Ye Chen decided to do what a man should do.

After putting Mei Yueli in this state, Ye Chen had to take responsibility for what he had done to Mei Yueli.

"This veil is a little annoying, let's just take it off." Ye Chen stretched out his hand towards Mei Yueli veil, Ye Chen prepared to take Mei Yueli veil.

When Ye Chen said this, Mei Yueli suddenly came to her senses, she immediately got up and pushed Ye Chen away, with all the strength she had left Mei Yueli pushed Ye Chen away from her.

Ye Chen was easily eliminated by Mei Yueli, Ye Chen didn't put up any resistance at all

Chapter 1098 - [Bonus]Why You Just Let That Woman Go

The moment Mei Yueli set her feet on the floor, Mei Yueli felt her feet feel very soft, she really felt weak just from the slight touch made by Ye Chen.

Mei Yueli mustered all the strength she had, she tried her best to leave this place, if Mei Yueli continued to be in this place, things would be far from what she was currently doing.

"Bang. . ." Mei Yueli walked out of Ye Chen's room, she ran towards her own room.

Ye Chen couldn't help but smile when he saw Mei Yueli leave, it was really nice to see Mei Yueli who looked like a rabbit that had just met its prey.

"Master, why you just let that woman go?" Chu Yuechan asked Ye Chen.

"Yes, I did that on purpose" Ye Chen said that he did that on purpose, Ye Chen deliberately let Mei Yueli leave this place.

"Why are you doing this?" Chu Yuechan asked why did Ye Chen just let Mei Yueli go, whereas earlier if Ye Chen hadn't let Mei Yueli go, maybe Ye Chen could have gotten Mei Yueli.

"Yuechan, we have to be more patient to get what we want, there will be time to do what we have to get" Ye Chen said to Chu Yuechan.

Ye Chen told Chu Yuechan that it wasn't time yet, it would be time for Ye Chen to get Mei Yueli.

Ye Chen also deliberately released Mei Yueli today, surely Mei Yueli will come back to him sooner or later, Ye Chen was very sure of that.

If Ye Chen guess was correct, then it was certain that Mei Yueli would return to Ye Chen, Ye Chen was very sure of that.

Chu Yuechan didn't understand Ye Chen's way of thinking at all, she couldn't understand Ye Chen's way of thinking.

If Chu Yuechan were Ye Chen, Chu Yuechan would have pushed Mei Yueli onto the bed and did it by force.

Unfortunately Ye Chen didn't do that, Ye Chen preferred to be patient to do what he wanted to get.

"Master you are quite aggressive lately too" Chu Yuechan said to Ye Chen, Chu Yuechan felt that recently Ye Chen had become quite aggressive.

"Is that true?" Ye Chen asked Chu Yuechan, Ye Chen didn't feel like it, he did this because he needed it.

Zhao Yanyan and the others were quite busy with their business, which was why Ye Chen had never met Zhao Yanyan and the others.

So all Ye Chen could do at this point was to endure and find a woman who could help him overcome his special body.

Ye Chen couldn't put this matter on Li Jingyi alone, it was quite a pity to see Li Jingyi fighting with himself alone.

Li Jingyi ability couldn't match Ye Chen's ability, if it continued like this Li Jingyi would definitely not be able to stand it.

So Ye Chen took the initiative to find women he liked, one of them was Mei Yueli, although sometimes Mei Yueli was annoying and opposed him, Mei Yueli was still quite beautiful and kind, that alone was a suitable condition to be the candidate that Ye Chen liked.

"Yes, I feel that way" Chu Yuechan said to Ye Chen.

Chu Yuechan was a little happy that Ye Chen had become a little aggressive, finally Ye Chen chased after the women he liked.

"Alright, let's go back to cultivating." After Mei Yueli left this place, Ye Chen started cultivating again.

.

Right now Mei Yueli was running into her room, she looked like she was having a hard time trying to run to her room, Mei Yueli feet were still soft from Ye Chen's actions.

Mei Yueli needed a hard enough struggle to get to her room, she had to put out all her strength to get to her room.

"Yueli, what are you doing?" when Mei Yueli was about to open her room, Song Ziyu suddenly approached Mei Yueli, she asked what Mei Yueli was doing right now, why was Mei Yueli panting slightly and her face turning red.

Mei Yueli looked panicked when she saw Song Ziyu caught her, if Song Ziyu misunderstood, it would be very serious.

"that. . ., I just did some intense training." Mei Yueli tried to make excuses to Song Ziyu, Mei Yueli hoped that this excuse would be accepted by Song Ziyu.

"Oh, so you just practiced, you're quite active too, it's not like the usual you" Song Ziyu said to Mei Yueli.

Mei Yueli was very diligent, this was never shown by Mei Yueli at Jade Lotus Peak.

Mei Yueli just nodded lightly, she wanted to quickly leave this place and hide in her room.

"Then I'll go in first." Mei Yueli said to Song Ziyu that she was going in.

"Okay" Song Ziyu didn't suspect Mei Yueli at all, she let Mei Yueli into the room.

Mei Yueli didn't waste any more time, she immediately entered her room.

"Quite strange" Song Ziyu felt that there was something strange with Mei Yueli, Mei Yueli was very strange, whether it was Song Ziyu's feeling or not.

Song Ziyu also intended to go back into her room, when Song Ziyu wanted to enter, Song Ziyu found that the floor outside was a little wet.

"Did the maid just spill some water?" The first thought Song Ziyu could think of was the maid spilling water.

Song Ziyu was completely unaware that this was Mei Yueli water springs, she was not suspicious of this matter at all.

Song Ziyu quickly ignored this, she went back into the room to rest, tomorrow they will return, so Song Ziyu better recover his strength for tomorrow's trip.

.
.

The day went by very quickly, quickly the next morning came.

When morning came, Ye Chen opened his eyes, he immediately got out of bed, Ye Chen started to stretch his body, in the morning like this, Ye Chen felt that he felt very refreshed.

Ye Chen went outside, she wanted to see if Lao Kang and the other Core Disciples really wanted to return or not to the Nine Immortals Peak Sect.

When Ye Chen came out, Ye Chen saw that Lao Kang and the others were already preparing to return, seeing this Ye Chen went and approached them.

"Are you also ready to return?" Lao Kang asked whether Ye Chen was ready to return or not.

"I want to stay here for a while, so I won't be coming with you." Ye Chen immediately replied that he wasn't coming back.

"If you still don't want to go back then that's fine, you will go back first" Seeing Ye Chen not wanting to go back Lao Kang didn't force him, this was Ye Chen's decision, so he didn't have the right to interfere in the decision taken by Ye Chen.

"Ye Chen, Yueli also said that she won't be back for a while, so you can go back together with her." Song Ziyu suddenly told Ye Chen that Mei Yueli wouldn't be coming back with them either.

Song Ziyu was actually reluctant to tell Ye Chen about this, but Mei Yueli asked her to do this, so Song Ziyu could only tell Ye Chen about this matter.

"Okay." Ye Chen nodded to Song Ziyu.

"Alright, everyone let's go." Lao Kang invited everyone to go back to the Sect.

Ye Chen saw the departure of these people, after they all left, Ye Chen immediately went to see Mei Yueli, he wanted to know what Mei Yueli was doing right now.

Chapter 1099 - Sneaking Into Li Jingyi's Place

After seeing everyone leave, Ye Chen went to Mei Yueli room, Ye Chen wanted to confirm the current state of Mei Yueli.

Luckily Ye Chen already knew where Mei Yueli room was, so it was very easy for Ye Chen to arrive at the door of Mei Yueli room.

" knock . . .,knock . . .,knock . . .,knock . . ." When Ye Chen was in front of the bedroom door, Ye Chen immediately knocked on Mei Yueli door.

" who ?" Mei Yueli immediately asked who was knocking on her bedroom door.

"Senior Sister Yueli, it's me Ye Chen" Ye Chen told Mei Yueli that it was he.

"Y... Ye Chen. . .!, what do you want from me?" Mei Yueli looked panicked when she found that the person outside the door was Ye Chen.

It was obvious that Mei Yueli was still very embarrassed to meet Ye Chen who was the one who last night put her in such an embarrassing state.

"I want to see you, can I come inside?" Ye Chen asked if he could go inside or not.

"No, you can't go inside." Mei Yueli said that Ye Chen couldn't enter her room, Mei Yueli strongly disapproves of Ye Chen entering her room.

Mei Yueli looked scared by what Ye Chen just said, Mei Yueli was really scared when she saw Ye Chen who wanted to meet her.

Ye Chen couldn't help but smile wryly when he heard this, it seemed that Mei Yueli was really afraid of him.

"Alright, if Senior Sister doesn't want to see me, then I will go first" Ye Chen said to Mei Yueli who was in the room.

"You just go" Mei Yueli chased Ye Chen away, she wanted Ye Chen to leave this place as soon as possible.

Mei Yueli currently wanted to be alone, that's why Mei Yueli chased Ye Chen away from this place.

Ye Chen could only leave this place, he would give Mei Yueli time to calm down.

Some time after Ye Chen left, Mei Yueli opened her bedroom door, Mei Yueli peeked at whether Ye Chen had left or was still outside.

When Mei Yueli peeked at Ye Chen, Mei Yueli found that Ye Chen had already left this place, Mei Yueli was relieved to know this.

"He finally left" Mei Yueli was very, very relieved to see Ye Chen leave this place, Mei Yueli was still embarrassed to show her face in front of Ye Chen, what happened last night made Mei Yueli embarrassed.

Mei Yueli went back into her room, she went back to sleep on the bed in this room.

"If I don't push Ye Chen away, what do you think will happen?" Mei Yueli started to think about what happened last night, last night she really kept thinking about what happened to her last night.

"Geez why would I think something like this, Ye Chen you are stupid" Mei Yueli didn't know why she could think something like this, this was quite embarrassing for Mei Yueli to think about.

Mei Yueli buried her face on the bed, lately she's been a bit of a pervert, it's all because of Ye Chen who made her like this.

Ye Chen had now gone quite a distance, so he didn't know what Mei Yueli was thinking and doing at the moment.

"What am I going to do today?" Ye Chen started to wonder what he should do today.

To be honest, Ye Chen missed Li Jingyi quite a bit, unfortunately after that day Li Jingyi never visited Ye Chen again or gave news to Ye Chen.

Ye Chen became a little worried about Li Jingyi situation, Ye Chen hoped that nothing would happen to Li Jingyi.

"Should I go see her? Ye Chen started thinking about going and seeing Li Jingyi

"Alright, I'll go and see Li Jingyi" After thinking for a while, Ye Chen decided to go and see Li Jingyi.

Even though Li Jingyi had forbidden Ye Chen from interacting with her, Ye Chen still wanted to meet Li Jingyi, it wouldn't hurt for Ye Chen to go see his wife.

Ye Chen also wanted to see what Li Jingyi life was like in the imperial palace, whether Li Jingyi was fine or not when he lived within the imperial palace.

Ye Chen immediately sneak into the imperial palace, Ye Chen passed the various guards guarding the imperial palace.

Ye Chen couldn't go in and knock on the door of the imperial palace directly, Ye Chen would definitely not be allowed to meet Li Jingyi by the guards.

Ye Chen's status is quite low, with this status how could Ye Chen be able to meet Li Jingyi who is a princess that everyone likes the most.

That was why Ye Chen had no other choice but to sneak a peek to meet Li Jingyi.

Since Ye Chen had connected with Li Jingyi, Ye Chen could easily find Li Jingyi with his connections, Ye Chen didn't waste any time and immediately went to Li Jingyi place.

When Ye Chen arrived at Li Jingyi residence, Ye Chen found that around Li Jingyi palace there were many guards guarding this place.

The guard around the palace where Li Jingyi was located was extremely strict, it was much stricter than any other place that Ye Chen had passed through.

"The security in this place is very strict, it seems that Jingyi is protected very well." Just seeing this, Ye Chen could already conclude that Li Jingyi was protected very well.

"Okay, how am I supposed to sneak inside?" Seeing such tight security, Ye Chen had to be careful not to be found by the guards.

The guards here were quite strong, they were all trained troops that had been prepared to guard Li Jingyi.

So the rate of being able to sneak away to Li Jingyi place was very difficult, this would be a challenge for Ye Chen.

Ye Chen looked around this place, Ye Chen had to find a suitable route so as not to be found.

After observing for a while, Ye Chen had found a route he could use to sneak in.

Ye Chen would use the bushes and trees to hide his whereabouts.

"Alright, I've got it, time for action." After coming up with a plan, Ye Chen jumped into action.

Ye Chen used the **Nine Shadow Steps** to sneak past every existing guard, with the speed used by Ye Chen, Ye Chen could pass several guards around him.

"Click. . ." When Ye Chen used silent light steps, suddenly Ye Chen accidentally stepped on a branch, this made a small sound that the guards around this place could hear.

"Who is that. . ." The guards around Ye Chen became very alert, they immediately headed towards the source of the sound that Ye Chen had just made.

"Damn, I was too careless" Ye Chen became very alert when he saw the guards coming towards him.

Ye Chen had to leave this place as soon as possible, otherwise Ye Chen could be found by these people.

Ye Chen returned to using the Nine Shadow Steps, he immediately left from where he was.

This time Ye Chen was being very careful, he didn't want to be found by these people a second time.

Chapter 1100 - Li Jingyi Healing Ability

The guard felt a strong wind passing through him, the guard was completely unaware that it was Ye Chen just now, Ye Chen used his full speed to create a wind current around him.

"What was that just now?" The guard was starting to wonder what it was just now, a fairly strong wind passing through him like this.

Not knowing the answer to his own question, the guard returned to his main focus, he immediately went to see the origin of the voice just he heard.

The guard went to the place where the sound came from, when he did so, he found nothing around this place.

Most likely it was just a twig that fell from a tree, there wasn't a strange trace in this place.

"Nothing" After confirming that there was nothing in this place, the guard turned around and returned to patrolling.

The guards did not find any traces of Ye Chen's, Ye Chen's sneaking ability was indeed worthy to be reckoned with.

Ye Chen was now quite close to where Li Jingyi was, Ye Chen only needed to jump into Li Jingyi room.

Before confirming this, Ye Chen didn't forget to look around this place, Ye Chen needed to make sure that no one saw him.

After making sure that no one saw him, Ye Chen immediately jumped into Li Jingyi room, Ye Chen did this in one fell swoop, when Ye Chen did this Ye Chen did not make a sound.

"finally. . ." Ye Chen muttered in his heart, Ye Chen felt relieved when he was able to enter Li Jingyi room.

When Ye Chen entered, Ye Chen immediately found Li Jingyi whereabouts, it seemed that Li Jingyi was currently writing ancient calligraphy.

Li Jingyi looked so focused on writing this that she didn't even notice Ye Chen behind her.

"I will surprise him" Ye Chen wanted to surprise Li Jingyi, Ye Chen started sneaking his way towards Li Jingyi.

Ye Chen did this very carefully, trying not to be detected by Li Jingyi.

Li Jingyi didn't notice Ye Chen's arrival, Ye Chen was too good at hiding his presence from Li Jingyi.

After a few steps, Ye Chen finally arrived behind Li Jingyi body, Ye Chen reached out his hand and directly grabbed Li Jingyi two big melons.

Li Jingyi who was writing was quite surprised by this, in this room there was only her, so it was most likely a thief who had managed to sneak into her room.

Li Jingyi panicked when she found out about this, she used her power to repel Ye Chen who touched her.

"Boom. ." An extremely powerful force emanated from Li Jingyi body, this power instantly flew Ye Chen away.

Li Jingyi strength had increased quite significantly, the current Ye Chen was not Li Jingyi opponent, so it was not surprising that Ye Chen was flown away so easily by Li Jingyi.

"Bam. . ." Ye Chen was sent flying into the wall, Ye Chen hit the wall with such force that the wall shook.

Luckily the walls of this room were very solid, so when Ye Chen hit the walls, they were still strong enough to withstand the impact.

Li Jingyi immediately turned around, she wanted to know who dared to sneak into her room and touch her like that, Li Jingyi had to teach this person a lesson for daring to harass her.

When Li Jingyi turned around, Li Jingyi found a figure that was quite familiar to her, obviously this was Ye Chen who was lying on the floor because he was pushed away.

"Ummm, husband. . ." Seeing that it was Ye Chen, Li Jingyi hurriedly went over to Ye Chen, she immediately went over to the one on the ground.

"Husband, are you okay?" with considerable concern, Li Jingyi immediately approached Ye Chen, Li Jingyi tried to ascertain the state of Ye Chen.

"I'm fine" Ye Chen tried to get up from the floor, he was holding his chest which was in great pain.

Ye Chen didn't expect that Li Jingyi strength was so strong, it could cause Ye Chen to suffer an injury like this.

Ye Chen himself still didn't know Li Jingyi current cultivation, he didn't know about it.

"Husband, I'm sorry" Li Jingyi apologized to Ye Chen, Li Jingyi didn't know it was Ye Chen just now.

Li Jingyi thought it was a thief, so it wouldn't be strange if Li Jingyi chased Ye Chen away.

Surprised, Li Jingyi didn't hold back her strength, Li Jingyi used her strength to push Ye Chen away.

"It's okay, it's not your fault" Seeing Li Jingyi who looked sad and about to cry, Ye Chen immediately tried to comfort Li Jingyi, Ye Chen couldn't bear to see Li Jingyi like this.

How could Ye Chen have the heart to scold a woman full of tenderness like Li Jingyi, Ye Chen couldn't possibly do something like that to Li Jingyi.

After all, Li Jingyi definitely didn't mean to kick her out, so Ye Chen could understand this.

"Then let me treat you." Li Jingyi intended to treat Ye Chen, she reached her hand towards Ye Chen's injured chest.

A transparent liquid came out of Li Jingyi palm, this liquid entered Ye Chen's body and started to heal Ye Chen's body.

Ye Chen felt a very refreshing feeling in his body, suddenly Ye Chen's wound no longer hurt and was like before.

"Wow, Jingyi healing ability is really great" Ye Chen was quite surprised by Li Jingyi power, Li Jingyi healing power was far more amazing than Ye Chen expected.

Ye Chen's injury could be easily healed by Li Jingyi, this was an extraordinary thing.

"Husband, how are you feeling?" Li Jingyi asked how Ye Chen's feeling was at the moment, whether Ye Chen was feeling better or there were still parts that hurt.

Li Jingyi could only do this to atone for the mistake he had just made, he was really very guilty of what had just happened to Ye Chen.

"Wife, your healing abilities are really great." Ye Chen said to Li Jingyi that his abilities were really great.

"Thank you for the compliment" Li Jingyi thanked Ye Chen for the compliment, she was happy that her power could heal Ye Chen's injury.

"Husband, is there still a sore spot, just tell me, I will treat it" Li Jingyi said to Ye Chen.

Li Jingyi wanted Ye Chen to tell that there was still a sick spot, that way Li Jingyi could treat it for Ye Chen.

Hearing this, Ye Chen had an excellent idea in his mind.

"Wife, there are still parts that are not comfortable," Ye Chen said to Li Jingyi.

"Where's that?" Li Jingyi immediately asked where the sore was so he could heal.

"Here" Ye Chen guided Li Jingyi hand, he pointed Li Jingyi hand where it felt uncomfortable.

Ye Chen was currently pointing Li Jingyi hand towards his younger brother, when Ye Chen did this, Li Jingyi didn't put up a fight, she let Ye Chen take her hand.

Li Jingyi felt her hand touch something familiar to her, this thing was something she had played with for several nights while traveling with Ye Chen.
