Chapter 111 - Cases That Are Difficult To Handle

4106/5000

Ye Chen brought Li Qingzu to fly as far as possible to a very safe place.

He dropped Li Qingzu in an alley of very few passers-by "now you may go, remember never to tell anyone about this incident" Ye Chen turned to leave.

"Sir, wait" Li Qingzu stopped Ye Chen.

"What else?" Asked Ye Chen.

"May I know your name" Li Qingzu wanted to find out the name of this black ghost, however he was still her helper, if there was not this person maybe Li Qingzu would be harmed in Yun Hao's hands.

"I can't say my name, see you later" Ye Chen disappeared from this place.

Li Qingzu was increasingly curious about the identity of this black ghost, perhaps this was the first and last time the two were meeting.

Li Qingzu turned out of the alley, she also had to go home.

From the top of the building Ye Chen saw the departure of Li Qingzu, Ye Chen flew to his villa he wanted to see the current state of Li Qingzu.

After Ye Chen left, under the hotel where Yun Hao died was now guarded by police who secured the exact incident,

Luo Bing this time who took care of this case, Luo Bing tried to find the witness of this incident, unfortunately there were no eyewitnesses who saw how Yun Hao could fall.

"Miss Luo, we have the identity of this corpse, he is the young master of the Yun family who is in the capital" one of the police said the identity of this corpse.

Listen to this Luo Bing slightly raised his eyebrows, it looks like this case will be very difficult to handle, if Luo Bing doesn't give good results surely Yun's family will be very angry with the police.

"First bring this body to check whether there are wounds on his body or not, some people come with me we will look for evidence in the victim's room" Luo Bing gave orders to her subordinates.

The police swiftly carried out Luo Bing's orders, a lot of reporters were already in this place, the people who were killed were very special, of course many people.

Luo Bing took 3 police officers and went upstairs to the hotel. They headed to Yun Hao's room, because the door was locked the police were forced to break the entrance.

"What are you doing" Li Hun suddenly came from behind and shouted to the police to break down the entrance to his master's room.

Li Hun knew that Yun Hao was having fun with the woman he was taking drugs with, it would be very bad if the police knew about this.

"We came here to conduct an investigation. I hope you can work together," Luo Bing took out the police officer and showed Li Hun.

"Do you know this is the room of the Young Master of the Yun Family? If he knows that you are doing this you could lose your job" Li Hun scolded Luo Bing.

Li Hun didn't know that Yun Hao had fallen from the hotel, Li Hun had just gone to the bar in this hotel, of course he didn't know that Yun Hao was dead.

"Don't you know? Your young master is dead, we came here looking for clues whether it was a murder or pure accident." Luo Bing told the news of Yun Hao's death to Li Hun.

"What !!!" Li Hun was very surprised, he immediately knelt on the floor, if this was known by the Yun family then Li Hun and his family's life would be over.

Li Hun's job is to maintain Yun Hao's safety, if something happens to Yun Hao, then Li Hun will be blamed.

"Who dares to do that to our young master I will kill him" Li Hun kicked the door very hard, the strong hotel door was immediately destroyed from Li Hun's strength.

Luo Bing saw that Li Hun's strength was strong enough "it seems like he's a cultivator"

Li Hun looked around the room, in this room there was no one, even this room looked very neat, there were no traces of pickup in this place.

Only the broken window glass, apart from that everything is intact.

Luo Bing and the other police immediately entered the room, they began searching for evidence.

Luo Bing looked at this room with great curiosity, there was no trace of damage in this room, whether Yun Hao really was pure suicide.

After a while all the police investigating this place reported to Luo Bing.

"How did you find something?" Luo asked bing.

"Miss Luo Bing, from our search we did not find anything, here is really clean, even all the fingerprints we found in this room belonged to all of Yun Hao" the police immediately reported everything they had found.

seeing no evidence that Luo Bing was getting dizzy thinking about this case.

"Good job" Luo Bing gave praise to the police who had worked.

Luo Bing saw Li Hun looking up at the starry sky, no one knew what Li Hun was thinking right now.

let's go to the monitoring room, who knows, there we can get evidence. "Luo Bing and some police left this luxurious room.

After arriving at the monitoring room Luo Bing immediately sent guards to play the recording at the hotel before Yun Hao's death.

"Sorry, Miss Police, our CCTV was damaged from this afternoon, we can't do what you asked," the officer in the monitoring room apologized to Luo Bing.

Hearing this answer Luo Bing was not satisfied, this case became increasingly difficult to solve.

Luo Bing felt very strange about Yun Hao's death, unfortunately Luo Bing didn't have anything to prove it.

Luo Bing was helpless, he could only hope from the results of Yun Hao's body examination to confirm what was odd about this.

"You guys are looking for evidence inside this hotel, I will return to Yun Hao's room to ask people who are close to the deceased victims" Luo Bing told the police to continue to look for clues around this hotel.

Luo Bing returned to Yun Hao's room, Li Hun still knelt and looked towards the sky.

"Sir, may I ask for your time for a moment there is something I want to ask you" Luo Bing politely asked Li Hun.

"What is that?" Asked Li Hun.

"We could not find the reason why your master died, the conclusion we have is that your young master committed suicide" from all the available evidence only that can be concluded by Luo Bing.

"Impossible, young master Yun can't kill himself, someone must have killed him. I'm sure of that," Li Hun denied Luo Bing's words.

"Then do you know someone who has hostility with Yun Hao in the near future," Luo Bing asked.

Li Hun began to think, Yun Hao did have a few enemies, but they were not strong enough to threaten Yun Hao at all, Li Hun began to remember the young man whose car was hit by Yun Hao.

Of all the people Li Hun met, he was the only person who dared to oppose Yun Hao even after knowing that Yun Hao was from the Yun family.

"This is just my guess, maybe that person is Ye Chen, a few days ago he had a bit of animosity with our young master, because that person's car had been hit by our young master's car.

"Mention the characteristics of that person to me, I will try to find information on whether he is seen or not in this case" this is still a conjecture from Li Hun, Luo Bing can not arrest someone without valid evidence.

"Thank you for working together, excuse me." Luo Bing left the room, he wanted to confirm the identity of this person.

Chapter 112 - Visited Zhao Yan Yan And Lin Ruoxi Place

Ye Chen didn't know that he had missed something important, apparently he was still suspected of being a suspect by Li Hun.

He returned to his villa "Linger, Linger, where are you" Ye Chen called Fu Lanling several times.

But there is no answer at all from this villa "is it possible she is still inside the fairy gate?" Ye Chen then entered the fairy gate.

"Yuechan, where are you?" Ye Chen called out to Chu Yuechan.

Ye Chen waited quite a long time but Chu Yuechan did not come here, this was the first time Chu Yuechan did not come when called by Ye Chen.

Ye Chen kept shouting Chu Yuechan's name many times, but Chu Yuechan did not come.

"Where exactly did the girl go, it is not usual for her not to appear" Ye Chen was forced to look for Chu Yuechan in this place.

Ye Chen searched throughout the fairy gates, but did not find the whereabouts of Chu Yuechan and Fu Lanling.

"Where exactly are the two of them?" Ye Chen could not find Chu Yuechan's whereabouts.

Not finding the whereabouts of Chu Yuechan and Fu Lanling Ye Che surrendering, he looked for a seat to see the ownership status of the fairy gate.

After doing dual Cultivation with Fu Lanling, the fairy gate should level up, because the aura in the fairy gate is purer than before.

Ye Chen wanted to see it.

After doing Dual cultivation with Fu Lanling the fairy gate directly leveling up, Ye Chen couldn't wait to see what he could get this time.

Ye Chen saw the presents from the rising level of the fairy gate: 1 x life pill, 3 x heavenly beauty pill, wooden doll in the open practice room.

Ye Chen had heard of Life Pill, this pill can squeeze someone into a dying state, you could say this pill is a life-giving pill, this pill is also very difficult to get

For heavenly beauty pill Ye Chen had never heard of it, he saw the details of this Pill.

heavenly beauty pill: This pill can make a woman look like a goddess, this pill has a lifetime effect after being eaten.

Seeing the details of this Pill Ye Chen was surprised, if this is true then even less beautiful women can be very beautiful.

The latter is a wooden doll for training, this doll can be used as an exercise, the strength of this doll can be set according to the will.

"Not bad" for Ye Chen this gift is not bad at all.

"Master, why are you here?" Chu Yuechan came from afar, she yawned while closing it with her hands, Chu Yuechan looked like she just woke up.

"Finally, you also remember your master, I have called you many times but you do not want to answer my calls" Ye Chen scolded Chu Yuechan.

"I was taking a nap to maintain beauty, indeed what was wrong with that" Chu Yuechan easily carried Ye Chen

Seeing he could not scold Chu Yuechan Ye Chen gave up "forget it, by the way where Fu Lanling said" Ye Chen asked where Fu Lanling was.

"Oh beautiful sister is closing herself in the practice room, she said she wanted to stabilize her breakthrough, I think she will not come out for a few days at the fairy gate" Chu Yuechan told Fu Fuling what she was doing right now.

"I see, then I'll leave first" because Fu Lanling was closing in, Ye Chen wanted to visit Lin Rouxi for treatment.

Ye Chen almost forgot to complete the treatment process for Lin Rouxi.

"Well, it's up to you, I want to go back to sleep" Chu Yuechan turned and disappeared.

Ye Chen shook his head, Ye Chen began to know that Chu Yuechan had a lazy side too.

Ye Chen left the fairy gate and flew towards Zhao Yanyan's dormitory.

It didn't take long for Ye Chen to arrive at Zhao Yanyan's dormitory.

"Knock . . . , knock . . . , knock . . . , "Ye Chen knocked on the entrance of Zhao Yanyan's dormitory, he did not notify Zhao Yanyan's arrival to surprise her.

After a while the door was opened by a middle-aged woman, the woman who opened the door was Sui Xi's mother Lin Rouxi.

"Ye Chen is you," Sui Xi welcomed Ye Chen with a smile.

"Oh aunt Sui a long time no see" Ye Chen was a little awkward when talking to Sui Xi, Ye Chen did not know that Sui Xi lived in a hostel owned by Zhao Yanyan and Lin Rouxi.

Ye Chen thought Ms. Lin Rouxi had already left this city.

"Mother, who is out there" from Lin Rouxi asked the Sui Xi.

"Rouxi come here quickly, see your boyfriend come to visit you" Sui Xi called Lin Rouxi.

Lin Rouxi immediately ran towards the entrance "Ye Chen why are you here" Lin Rouxi was quite surprised Ye Chen suddenly came here.

"Come on Rouxi, your boyfriend came a long way, come at least coir him well" Sui Xi slightly scolded Lin Rouxi who was rude to Ye Chen.

"Ye Chen, let's go in, we happened to be having a small party." Sui Xi invited Ye Chen into the room.

Ye Chen entered inside, he and Lin Rouxi followed behind Sui Xi.

"Ye Chen why did you come here" Lin Rouxi asked in a small voice so that her mother would not listen to what they were talking about.

"I deliberately came here to treat you, did you forget that there is still one treatment for your wound to heal?" Ye Chen explained to Lin Rouxi the purpose of his coming here.

On the other hand Ye Chen also wanted to meet with Zhao Yanyan, these past few days Ye Chen had not seen Yanyan.

When he got in the room there was Zhao Yanyan who was eating a popsicle while watching TV, Zhao Yanyan had heard Ye Chen come, she smiled at Ye Chen.

"Rouxi, you accompany Ye Chen here, let me cook the food for you," Sui Xi let Lin Rouxi accompany Ye Chen so he wouldn't get bored.

"No, Mother, let me help you, anyway you will be too tired if you do it alone", Lin Rouxi didn't want her mother to be too tired from cooking alone.

"Then what about Ye Chen?" Said Sui Xi.

"Let Yanyan's younger sister who accompanied him speak here, the two of them have also known each other long ago" Lin Rouxi gave a blink signal to Zhao Yanyan to ask for help.

"Don't worry, aunt, I will accompany Ye Chen's brother here" Zhao Yanyan deliberately called Ye Chen brother to convince Lin Rouxi's acting

"Well, if you want it," Sui Xi and Lin Rouxi then headed to the kitchen.

In this upper level dormitory the kitchen and living room were separated by a wall, what Lin Rouxi and Sui Xi did in the kitchen could not be seen by Ye Chen.

"My husband misses you a lot" Zhao Yanyan hugged Ye Chen, in the past few days he had not met with Ye Chen.

"Big wife, do you miss me" Ye Chen's hands began to dishonestly play with the two milk belonging to Zhao Yanyan.

"Ahhh" Seeing what Ye Chen Zhao Yanyan did not try to fight, she closed her mouth using her hands so that her voice did not leak out.

The living room and kitchen are only separated by one, if Zhao Yanyan did not close her mouth Lin Rouxi and Sui Xi could hear her voice.

"Husband not here, I'll give it to you later" Zhao Yanyan tried to bargain with Ye Chen.

"What is the problem doing here, you are my wife" Ye Chen kissed Zhao Yanyan's lips.

Zhao Yanyan did not have the strength to fight Ye Chen, while doing this with Ye Chen Zhao Yanyan's body enjoyed it greatly.

After a while Zhao Yanyan broke away from Ye Chen's kiss, Zhao Yanyan said to Ye Chen "your husband tonight is Rouxi's sister's boyfriend, if this was known by aunt Sui it would be very dangerous for Rouxi's sister".

"Don't worry, you don't need to wire as long as I don't do anything suspicious. Aunt Sui wouldn't be suspicious if we were a fake couple." Ye Chen squeezed both Zhao Yanyan's Milk.

Ye Chen felt that the two Zhao Yanyan rabbits had grown a little bigger. "Yanyan's wife, is yours yours getting bigger here?" Ye Chen squeezed more forcefully.

"Well I really feel these two things are getting bigger" said Zhao Yanyan with a red face.

"Is it because I squeeze it often, which makes these two objects bigger" Ye Chen pinched the two peaks of Zhao Yanyan Cherry.

"Ah, husband is softer," Zhao Yanyan's whimpering voice sounded very pleasant to hear.

Ye Chen was not satisfied with just touching from behind the cloth, Ye Chen rolled Zhao Yanyan's clothes up and showed the bra worn by Zhao Yanyan.

Zhao Yanyan was currently wearing a black lace bra, this made Ye Chen aroused when he saw Zhao Yanyan "Yanyan's wife, you are getting bolder" Ye Chen whispered in Zhao Yanyan's ear.

Zhao Yanyan was even more ashamed, said Ye Chen's words, stimulating his body and mind.

Ye Chen intended to take off Zhao Yanyan's black lace bra.

Chapter 113 - When You Will Get Married

When Ye Chen intended to take off Zhao Yanyan's black lace bra, the kitchen door suddenly opened and Lin Rouxi came out of the kitchen.

Zhao Yanyan frantically pushed Ye Chen and immediately tidied up her clothes.

"Ye Chen, Yanyan what are you doing", Lin Rouxi asked what Ye Chen and Zhao Yanyan were doing.

Lin Rouxi was told by Sui Xi to see the situation of Ye Chen and Zhao Yanyan.

"Teacher Lin, we are watching TV" Ye Chen was not as cool as Zhao Yanyan he could still answer Lin Rouxi's questions.

"Ye Chen, don't take me as Lin's teacher, if my mother knew, it would ruin everything I've done so far" Lin Rouxi Holding her hips scolded Ye Chen.

Lin Rouxi did not like being arranged by her mother the most, as long as she and Ye Chen could convince her mother, Lin Rouxi did not need to think about blind dates for some time in the future.

"OK, dear Rouxi" Ye Chen gestured using his hands.

Lin Rouxi had a red face, Ye Chen was getting more and more courageous towards her.

Lin Rouxi turned her attention to Zhao Yanyan, she saw Zhao Yanyan bowed her head, Zhao Yanyan's face slightly reddened.

"Yanyan what's wrong with you, are you not feeling well" Lin Rouxi wondered how Zhao Yanyan was.

"I'm fine, it's just that I feel this room is a bit hot" Zhao Yanyan looked for an excuse so Lin Rouxi wasn't suspicious.

"It's not too hot here, do I need to turn off the heater in this room?" Lin Rouxi suggested turning off the heater in this room.

"No need, I'm fine with this" Zhao Yanyan turned red, the reason she used looked very flawed, Lin Rouxi might already be suspicious of her.

Lin Rouxi felt Zhao Yanyan was a little strange today "the food will be ready in 15 minutes, I will return to the kitchen." After saying that the food will be ready, Lin Rouxi returned to the kitchen.

After Lin Rouxi left, Zhao Yanyan felt a little relieved "husband, it's your fault we were almost found by Lin Rouxi's sister" Zhao Yanyan was a little dissatisfied with Ye Chen.

Zhao Yanyan had to admit the stimulus when it was found to be quite pleasant, if Zhao Yanyan said this to Ye Chen maybe Ye Chen would be even bolder than before.

"Don't be mad Yanyan dear, let's continue the previous one" Ye Chen put his hand closer to Zhao Yanyan's body.

This time Zhao Yanyan stopped Ye Chen's hand invasion "Ye Chen don't be naughty, I can give it tonight" after saying that Zhao Yanyan was awake and headed to her bedroom.

Zhao Yanyan intended to change her wet underwear because Ye Chen, wearing wet clothes was not very comfortable for her.

Because Zhao Yanyan left, Ye Chen was left alone in the living room, Ye Chen could only watch TV alone.

Right now on TV there is the latest news program, reporters say that if someone falls from an upper floor in a five-star hotel, the reporter also said the victim was thought to be from one of four large families who came from the capital.

It seems like there will be a storm in this city, the Yun family will definitely not stay silent.

In the Yun family, precisely in the big manor there was a man who was sitting while watching the news on TV, this man was Yun Hao's father, he had just heard the news of Yun Hao's death from Li Hun.

This man was Yun Pojun, he was the current head of the Yun family, Yun Pojun was very angry at this news, Yun Hao was the only son possessed by Yun Pojun, news of Yun Hao's death made Yun Pojun sad.

Yun Pojun will really spoil Yun Hao, even though Yun Hao raped a woman or killed someone Yun Pojun will turn a blind eye on this.

Yun Hao was the future heir of the clan, now that he was dead, then the candidate would definitely be the son of his other brother.

"You bastard, who would dare to do this, if I find out who the killer is, I will definitely kill that person with my own hands" Yun Pojun vowed to kill Yun Hao's killer.

"Elder Gu quickly go looking for clues who killed my son, if you find the person immediately give me news" Yun Pojun said to Yun Gu who is currently in the dark.

"I will immediately carry out your orders Clan leader" without asking Yun Gu immediately do what is ordered by Yun Pojun.

"Son, just wait I will get revenge for you" Yun Pojun holds his hand very strongly.

While in other places

Feng Xue also saw the latest news, Feng Xue must have guessed who this dead man was, he must be Yun Hao.

Even though Yun Hao often bothered him, Feng Xue was still sorry for Yun Hao's death.

at the police station.

Luo Bing saw a sketch of a face that had been painted in accordance with the characteristics that Li Hun said "isn't this Ye Chen the servant of Liu Yue" it is impossible for someone like Ye Chen to offend the four big families in this country.

Luo Bing contacted subordinates who were still at the scene, Luo Bing sent a picture of his subordinates to Li Hun.

After waiting for about 10 minutes Luo Bing got an answer from underneath if this sketch really was the one who had a few days ago argued with young master Yun.

After gaining clarity, Luo Bing immediately looked for Ye Chen's identity in the state secret database.

In the storage database, Ye Chen's appearance was completely different from before, Luo Bing saw that Ye Chen from then and now was very different.

out of curiosity Luo Bing sent the Ye Chen identity document to the central headquarters to find complete details about Ye Chen.

We return to the hostel Zhao Yanyan and Lin Rouxi.

at the table was filled with food that had been made by Sui Xi and Lin Rouxi.

All of these foods look delicious to eat, Ye Chen, Zhao Yanyan, Lin Rouxi, and Sui Xi have gathered around the dining table.

"Let's start this party," Sui Xi said with great enthusiasm.

"Cheers" everyone raises the drink glass, because Zhao Yanyan and Lin Rouxi do not drink alcoholic beverages, the drink is changed to orange juice.

Everyone began to eat the food on the table.

"Ye Chen how is your work, is there an increase in it" Sui Xi asked Ye Chen's work, Sui Xi was still doubtful whether Ye Chen was indeed just a fruit seller.

"I am currently starting a company and now I have started operating" Ye Chen did not hide that he had just set up a new company.

"That's good, your future will definitely be very bright" Sui Xi praised Ye Chen.

"Thank you, Aunt ..." Ye Chen's voice stopped and his face was a little dark, feeling Lin Rouxi who was next to him twisted his waist very hard.

Lin Rouxi looked at himself with a little dissatisfaction, Ye Chen bragged too much in front of her mother

"What's wrong, what dish I made is not good" Sui Xi doesn't know Ye Chen's taste maybe he doesn't like this food.

"No, my aunt's cooking is pretty good, even this is better than what Rouxi often makes." Ye Chen immediately replied so there was no misunderstanding,

"Oh, so Rouxi often cooks for you, it seems like your relationship has developed quite a lot" heard this Sui Xi was happy, Sui Xi was worried about Lin Rouxi because at this age she didn't have a boyfriend, when other Rouxi friends married.

"Oh yeah, Ye Chen, when are you going to get married, you already have plans in the future right?"

"Asked Sui Xi.

"Cough" Lin Rouxi who heard this from her mother immediately choked, she did not expect her mother would ask this to Ye Chen.

Ye Chen was quite confused to answer Sui Xi's question, Ye Chen sought help from Lin Rouxi.

"Mother, what are you saying, we are young and haven't thought about it yet" Lin Rouxi spoke to her mother.

"Rouxi want to when you are like this, once your mother married your father at a much smaller age than you" Sui Xi advised Lin Rouxi to get married to Ye Chen as soon as possible.

"We will talk about it in the future, after all Ye Chen and I have just started a relationship, we will do it slowly, right Ye Chen" Lin Rouxi smiled at Ye Chen, but Ye Chen knew that this smile was not sincere to him, Lin Rouxi's smile try to warn Ye Chen.

"Auntie, you don't need to worry, we will slowly discuss it in the future" Ye Chen immediately said to Sui Xi.

"If that's your wish then do it, Ye Chen. I hope you get married to Lin Rouxi as soon as possible, otherwise aunty might consider looking for another candidate." Sui Xi did not forget to warn Ye Chen.

This warning was intended for Ye Chen to marry Lin Rouxi immediately.

"I understand aunty" Ye Chen smiled a little ambiguously at Sui Xi's words.

Ye Chen did indeed like Lin Rouxi, but Ye Chen did not know whether Lin Rouxi also liked him.

Zhao Yanyan laughed at this play, he didn't want to interfere and just watched.

All returned to eat their food

Chapter 114 - Lin Ruoxi's Second Healing Session

After finishing eating Aunt Sui Xi and Zhao Yanyan washing the dishes, Lin Rouxi immediately brought Ye Chen into her room.

"Ye Chen, what treatment this time has to take off the skirt like before?" Lin Rouxi asked with a reddened face.

"Of course hurry up and take off your skirt, we will start right away" Ye Chen told Lin Rouxi to take off the skirt, he didn't want to waste time

"Ye Chen, what treatment this time has to take off the skirt like before?" Lin Rouxi asked with a reddened face.

"Of course hurry up and take off your skirt, we will start right away" Ye Chen told Lin Rouxi to take off the skirt, he didn't want to waste time

Lin Rouxi pursed her lips, even though Ye Chen had seen her before, Lin Rouxi was still ashamed when Ye Chen's thighs were seen.

"This is all for the sake of being recovered" Lin Rouxi assured herself and began to take off her Skirt.

Now Lin Rouxi's Skirt had disappeared and left a plain white panties.

Ye Chen never left his eyesight from Lin Rouxi's private place

"Ye Chen, let's do it right away" Lin Rouxi could see Ye Chen's fiery gaze, she didn't scold Ye Chen, Lin Rouxi felt a little happy knowing that her charms could make her students fascinated.

"Teacher, please lie on the bed" Ye Chen told Lin Rouxi to lie on the bed.

Lin Rouxi obediently lay on the bed, she waited for Ye Chen to treat.

Ye Chen approached and lifted Lin Rouxi's two legs "Lin teacher, it will be a little hot so I hope you can hold it".

Ye Chen's two hands were on Lin Rouxi's thighs, he used the power of fire to melt the Freezing Yang in Lin Rouxi's muscular tissue.

Lin Rouxi felt incredible heat from Ye Chen's hand, this was different from the first time "Ye Chen is very hot it feels like my skin is going to burn" Lin Rouxi whimpered because of the heat from Ye Chen's hand.

"Teacher Lin Hold it for a while, this will soon be over" Ye Chen guided the fire to find a freeze in Lin Rouxi's muscular tissue.

Lin Rouxi used her hands to try to suppress the screaming from being heard from outside the room.

After 5 minutes of Ye Chen's struggle to pull the hand he had, Ye Chen took a needle and pierced Lin Rouxi's thighs.

Lin Rouxi felt like being bitten by an ant when Ye Chen stuck a needle in her thigh.

The needle let out a cold steam, the cold air in Lin Rouxi's body finally came out perfectly, now Lin Rouxi had recovered completely.

"Teacher, it's over" Ye Chen said to Lin Rouxi who was lying on the bed.

Lin Rouxi's breath went up and down, all of Lin Rouxi's clothes were wet from sweat, this made her look even more erotic.

Lin Rouxi did not have the strength to wake up from the bed 'Ye Chen helped the teacher wake up." Lin Rouxi could only ask Ye Chen to help get out of bed.

Ye Chen helped Lin Rouxi get out of bed

"Thank you, I will go take a shower first" Lin Rouxi tried to stand up, when Lin Rouxi had just stood up suddenly her legs were weak and almost fell.

Luckily Ye Chen who was near Lin Rouxi immediately caught her so Lin Rouxi didn't fall to the floor.

Ye Chen hugged Lin Rouxi's waist and brought Lin Rouxi closer to his arms "Teacher I'll help you go to the bathroom".

Lin Rouxi was very comfortable while in Ye Chen's arms, Ye Chen's smell made him excited, Lin Rouxi looked at Ye Chen with very soft eyes, Lin Rouxi involuntarily advanced her lips and closed her eyes asking for a kiss from Ye Chen.

Ye Chen was quite surprised to see Lin Rouxi at the moment. Seeing this Ye Chen knew what Lin Rouxi wanted, he brought his lips closer and kissed Lin Rouxi.

Both of them finally kissed, Lin Rouxi felt an extraordinary feeling in her heart while kissing with Ye Chen.

This is very exciting and fun

"Clank" room door suddenly opened, Lin Rouxi and Ye Chen were very surprised when the door opened.

"Rouxi, is Ye Chen gone? . . ."Sui Xi's words stopped.

Sui Xi saw that Ye Chen and Lin Rouxi were kissing in this room, Lin Rouxi's skirt had disappeared and left panties, stupid people know what they were doing "ahh, sorry to disturb your good things" Sui Xi hurriedly closed the door in panic.

Sui Xi did not think that her daughter's relationship with Ye Chen had come this far, Sui Xi didn't need to worry anymore about her second marriage, it seemed that soon the two of them would be in a relationship even further. Sui Xi left the entrance of Lin Rouxi's room with a smile.

Lin Rouxi's face turned red like an apple, both of them were found in this condition by her mother, how was she not ashamed of this, Lin Rouxi scolded herself for being too carried away, Ye Chen was still her student as a teacher where Maybe Lin Rouxi did something indecent with her own student.

Lin Rouxi immediately broke away from Ye Chen's embrace and went to the bathroom in this room, Lin Rouxi locked the door so that someone could not enter inside.

Seeing the departure of Lin Rouxi Ye Chen felt lost, even though it was almost a good thing to do.

" rumbling. . . rumbling. . . rumbling. . . rumbling. . . . "

Outside the lightning strikes, it looks like it will rain soon.

Ye Chen came out of Lin Rouxi's room, in the living room, Zhao Yanyan was playing a card game with Sui Xi.

"Auntie, I said goodbye" Ye Chen said goodbye wanted to go home.

"Why hurry, stay longer here, I'm sure Rouxi will be glad you stayed here longer." Sui Xi didn't let Ye Chen leave and wanted him to stay here longer.

"Auntie, if I don't go home soon it will rain" Ye Chen still insisted to go home.

Ye Chen couldn't wait to go home and enter the fairy gate to do Dual Cultivation with Zhao Yanyan at the fairy gate tonight, the next Ye Chen would not let go of Zhao Yanyan.

Ye Chen gestured for Zhao Yanyan to enter the fairy gate tonight

The rain suddenly fell very hard at all

"Ye Chen, how about you stay here tonight, it's raining very hard outside, it's not good to go home when it's raining like this" looking outside the rain is very heavy, Sui Xi suggested Ye Chen to spend the night in this hostel.

Ye Chen felt bad continually rejecting the kindness of aunt Sui Xi continuously "well I'll be here until the rain subsides"

"Ye Chen come here, let's play cards together" Zhao Yanyan called Ye Chen to play the card game.

Ye Chen sat next to Zhao Yanyan and joined the card game with these two women.

Chapter 115 - Snuck Into Zhao Yanyan's Bedroom

Ye Chen, Zhao Yanyan and Sui Xi played cards for several rounds, Zhao Yanyan and Aunt Sui Xi looked very excited when playing cards, they both tried to defeat Ye Chen.

"Click" the sound of the door opening.

The three people who were playing cards immediately looked at the door that had just opened.

Lin Rouxi had finished bathing and had now changed into night pajamas.

The eyes of Ye Chen and Lin Rouxi met, Lin Rouxi was the first to turn her eyes away as she bowed her head in shame.

"Rouxi come here" Sui Xi told Lin Rouxi to come and play the card game.

"Rouxi's sister come and play cards with us, this is very fun." Zhao Yanyan also invited Lin Rouxi to participate in the card game.

Lin Rouxi shyly walked over to Sui Xi and sat next to her mother.

Lin Rouxi now joined in playing cards, when Ye Chen and Lin Rouxi's turn the atmosphere always turned quite ambiguous.

The card game lasts long enough into the night.

Aunt Sui Xi looked at the clock on the wall that showed 11:00 PM, tomorrow she would get on the plane in the morning "Everyone, let's end this".

"Wait where is Ye Chen going to sleep" Zhao Yanyan suddenly asked, outside it was still raining so Ye Chen had no reason to go home.

"Yanyan you're right Also, where Ye Chen will sleep" in this room there are 3 bedrooms, one belongs to Lin Rouxi, one has Zhao Yanyan, and another is empty but currently occupied by Sui Xi.

Sui Xi could have slept with Lin Rouxi or Zhao Yanyan and let Ye Chen sleep in the room he was currently in.

"Ye Chen, how about you sleep in Rouxi's room," Sui Xi has a separate plan, it's better to advance the relationship of Ye Chen and Lin Rouxi as soon as possible by the way both of them sleep in the same room.

Lin Rouxi stood up and slapped the table "mother what did you say how could I sleep with Ye Chen in the same room".

"What's wrong with it, you guys don't have problems sleeping in the same room, again, your relationship has come this far. Sui Xi smiled at Lin Rouxi, she said the scene of Ye Chen and Lin Rouxi while kissing in the room.

Hearing her mother say that, Lin Rouxi's face turned red like an apple, Lin Rouxi did not know how to answer my mother's words at this time.

"What's wrong with that face of yours, do you not want to live together with Ye Chen, if so what if Ye Chen just lives with Yanyan, Yanyan what do you think?" Sui Xi asked Zhao Yanyan.

"I don't mind," Zhao Yanyan answered with an innocent face.

Lin Rouxi was shocked by Zhao Yanyan's answer "Yanyan what are you saying how can you say that" Lin Rouxi stuttered to say to Zhao Yanyan.

"So why, after all Ye Chen is a good man" Yanyan smiled and praised Ye Chen.

Hearing what Zhao Yanyan said there was a hint of panic in Lin Rouxi's heart "Ye Chen will sleep in my room tonight" without waiting for Zhao Yanyan and Sui Xi's answer, Lin Rouxi took Ye Chen's hand and dragged him into the room.

Zhao Yanyan and Aunt Sui Xi were left in the living room.

"Yanyan thank you for working with aunt," it turns out Sui Xi and Zhao Yanyan are working together so that Ye Chen and Lin Rouxi live in the same room.

"It doesn't matter, I'm happy to help Aunt" the reason Zhao Yanyan helped Lin Rouxi and Ye Chen's relationship develop, this way Lin Rouxi will be her sister forever.

Sui Xi did not know what was in Zhao Yanyan's mind, if she knew for sure she would be very surprised.

In Lin Rouxi's room.

Lin Rouxi immediately let go of Ye Chen's hand "Ye Chen you sleep on the floor I'll sleep on the bed"

"Huh? , Teacher Lin, you're not kidding right, didn't you say I could sleep in your room?" Ye Chen had no idea that Lin Rouxi would make him sleep on the floor.

"I did say you could sleep in my room, but I didn't say that you could sleep in one bed with me" Lin Rouxi looked away not daring to look at Ye Chen.

"Well, it's up to you," he didn't want to argue with Lin Rouxi because of this problem.

"These are pillows and blankets for you," Lin Rouxi took the pillows and blankets and handed them to Ye Chen.

Ye Chen received a pillow and Blanket from Lin Rouxi, he immediately arranged the blanket for a base and slept on it.

Lin Rouxi turned off the Lights, the room became very dark, the atmosphere became awkward again, neither Ye Chen nor Lin Rouxi spoke.

Unconsciously Lin Rouxi's breathing stabilized, Ye Chen woke up and saw that Lin Rouxi had fallen asleep.

Lin Rouxi's pajamas sagged a little, Ye Chen could see Lin Rouxi's milk was exposed before his eyes, moreover Lin Rouxi didn't wear any underwear at all.

Ye Chen's blood churned, the younger brother below began to rise up, for some reason Ye Chen's libido was often out of control when he saw things like this, was this the effect of the King's heart technique or Ye Chen's ancient Body (Yang) did not know.

Unconsciously, Ye Chen's hand tried to reach both of Lin Rouxi's peaks, a few centimeters longer his hands touched Lin Rouxi's two peaks, but suddenly he stopped, Ye Chen still had the awareness not to do it by force.

Time passed so quickly, Ye Chen could not stand if it continued like this, if it continued like this he would not be able to stand it and might rape Lin Rouxi.

Ye Chen got up from the floor and slipped out of Lin Rouxi's room, he went to sneak into Zhao Yanyan's room unnoticed by another person Ye Chen hugged Zhao Yanyan from behind.

"Ah ah" Zhao Yanyan suddenly shouted.

Ye Chen closed Zhao Yanyan's mouth by using the hand "Yanyan it's me".

Seeing that this was Ye Chen, Zhao Yanyan was relieved "husband, what are you doing here?, Shouldn't you have fun with Lin Rouxi's sister in her room?" Zhao Yanyan asked for the reason Ye Chen came here, who should be having fun with Lin Rouxi.

This should be the right time for Ye Chen to make Lin Rouxi his woman.

"I miss Yanyan dear, so I came here" Ye Chen began to release Zhao Yanyan's shirt button.

Zhao Yanyan's entire nightgown was gone, Zhao Yanyan's most beautiful body was exposed in front of Ye Chen.

Ye Chen had not seen this body for a long time, the last time he saw Yanyan's body was when he did Dual cultivation with Zhao Yanyan for your first time.

Zhao Yanyan tried to cover the private parts by using her hands, even though she had done it with Ye Chen Zhao Yanyan still felt ashamed.

"Yanyan let me see it" Ye Chen helped move Zhao Yanyan's hand which blocked the view on Zhao Yanyan's body.

Zhao Yanyan moved her hands, both mountain tops and her private parts were now clearly visible to Ye Chen.

Ye Chen was very excited and hugged Zhao Yanyan on the bed, he played with both of Zhao Yanyan's Milk which became a little bigger.

Just from Ye Chen's touch, Zhao Yanyan felt he had flown into the sky, this feeling Zhao Yanyan had never felt.

Ye Chen did not hold back this time, he used the king's heart technique to make Zhao Yanyan happy.

Tonight Ye Chen wanted to make Zhao Yanyan happy to the point of not being able to forget it.

Chapter 116 - Lin Ruoxi Peeked

Zhao Yanyan groaned as Ye Chen sucked her two cherries "ahh, husband slowly" Zhao Yanyan tried to hold her voice so as not to leak out.

Next to this room was Lin Rouxi's room, if Zhao Yanyan's voice was too loud maybe Lin Rouxi would be able to hear it very clearly.

"Husband let's change the location to the fairy gate, I don't think this place is suitable" Zhao Yanyan suggested to change the location, if here Zhao Yanyan could not shout because it would wake Sui Xi or Lin Rouxi.

Ye Chen let go of the two Zhao yanyan cherries, "wife, it looks good here, after all I have never done it in your room before" Ye Chen felt that this place was good enough, the fragrance of Zhao Yanyan's body really filled this entire room.

"But" Zhao Yanyan was still doubtful.

"Don't worry, I'll make a sound barrier so someone can't hear what we are doing" Ye Chen then made a sound barrier that covered this room.

Ye Chen carried Zhao Yanyan and put it on his lap, "Yanyan, you are so beautiful" Ye Chen bit Zhao Yanyan's ear.

"Ah. "Zhao Yanyan was amused, a groan leaked out.

Ye Chen's hand continued to touch every inch of Zhao Yanyan's body, under Zhao Yanyan it was already very wet, the pleasure that Ye Chen gave.

"Yanyan what if we try something new" Ye Chen whispered in Ye Chen's voice.

"Husband, what is that? Zhao Yanyan asked what Ye Chen wanted.

Ye Chen whispered and said in Zhao Yanyan's ear, Zhao Yanyan was very embarrassed when she heard what new things Ye Chen wanted.

Zhao Yanyan rose from Ye Chen's body and knelt under Ye Chen, Zhao Yanyan began to release Ye Chen's Pants.

After Ye Chen's pants were removed a large object appeared before Zhao Yanyan's eyes, despite having seen several times Zhao Yanyan still could not believe Ye Chen's belongings this big.

she touched an object that was as hard as iron and heat, Zhao Yanyan looked up to see Ye Chen, she was still a little hesitant when she wanted to do it.

Zhao Yanyan put her face on Ye Chen's large meat stick and then stuck it into her mouth.

Because it was too big, Zhao Yanyan could only put one-fourth in her mouth.

Zhao Yanyan's mouth began to move back and forth.

Ye Chen felt his lower part enter into something warm and moist, this sensation was extraordinary

"Cough. . . . cough. . . . cough. . . . "Zhao Yanyan choked and vomited Ye Chen's object, she felt she couldn't breathe.

Seeing Zhao Yanyan not used to Ye Chen feeling sorry for "wife, are you alright? , what should we stop this ".

"No, I want to try again." Zhao Yanyan didn't want to give up, she wanted to make Ye Chen happy.

Zhao Yanyan put Ye Chen's large object back into her mouth, this time Zhao Yanyan began to get used to Ye Chen's large meat stick.

Zhao Yanyan's movements were still clumsy and sometimes Zhao Yanyan's teeth scratched Ye Chen's "wife don't use your teeth" Ye Chen told Zhao Yanyan not to use teeth.

Ye Chen was also the first time doing this, as much as possible he guided Zhao Yanyan to be smarter.

thanks to the guidance of Ye Chen, Zhao Yanyan started to do it smart, Zhao Yanyan began experimenting with using her tongue.

"Wife, that's amazing" Ye Chen shouted as well as Zhao Yanyan sucked his younger brother.

Seeing Ye Chen enjoy it, Zhao Yanyan felt very satisfied. "" Slurp. . . . , Slurp. . . . , Slurp. . . . , Slurp. . . . , "Zhao Yanyan started to suck strongly like a vacuum cleaner.

Outside the door there was someone peeking out from a small gap, Lin Rouxi could not believe what she was seeing. At present, Zhao Yanyan the girl thought purely by Lin Rouxi was currently sucking on a man's genitals, moreover that man was Ye Chen.

A few moments ago Lin Rouxi awoke from sleep, when she woke up she didn't see Ye Chen anywhere, out of curiosity where Ye Chen was going. Lin Rouxi was looking for Ye Chen's whereabouts.

Lin Rouxi searched the entire house, but did not find Ye Chen's whereabouts.

Lin Rouxi then saw that the door of Zhao Yanyan's room was slightly open, she was curious whether Ye Chen was in Zhao Yanyan's room or not, Women's instinct Lin Rouxi said that Ye Chen might be in Zhao Yanyan's room.

Lin Rouxi slowly approached, Lin Rouxi then peeked in the small gap of the door, When he looked into Lin Rouxi, he was suddenly shocked.

Lin Rouxi saw Zhao Yanyan kneel under a man, and held a large object belonging to the man, Lin Rouxi had no idea that a man's object could be this big.

Lin Rouxi looked at the man's face, it turns out this man was Ye Chen, she was very surprised to see Ye Chen and Zhao Yanyan having this kind of relationship.

Lin Rouxi wanted to go in and rebuke the two of them, but Lin Rouxi couldn't move from where he stood, Lin Rouxi felt her body heat when she saw the scene between Ye Cehn and Zhao Yanyan.

Lin Rouxi never left her eyes flashing at the great Ye Chen object.

Ye Chen felt someone was peeking, he looked towards the entrance and saw someone indeed was peeping at them, the eyes of Lin Rouxi and Ye Chen met.

Lin Rouxi who saw Ye Chen found her immediately left from the front of Zhao Yanyan's room, she immediately rushed back into her room.

After closing the door, Lin Rouxi slumped to the floor, Lin Rouxi's breathing rose and went down, her body also felt hot and uncomfortable, she saw that her bottom was wet again, Lin Rouxi felt that her lower parts were often wet after Ye Chen touched her body for the first time.

Lin Rouxi trembled slightly as she walked towards her bed, she continued to imagine the large object belonging to Ye Chen.

Lin Rouxi tried to get rid of that thought but still that thought crossed her mind, Tonight would be a long night for Lin Rouxi.

Zhao Yanyan was still focused on serving Ye Chen, she did not know that Lin Rouxi just took a peek at what she was doing with Ye Chen.

Ye Chen deliberately did not tell Zhao Yanyan that Lin Rouxi had just peeked at this room.

Ye Chen felt that he had reached the limit "Yanyan I will shoot" Ye Chen grabbed Zhao Yanyan's head and held her back. "

"Byurr. . . . , byurrr. . . . , byurrr. . . . , byurrr. . . . "A white magma eruption filled Zhao Yanyan's mouth.

Zhao Yanyan felt her mouth tight and forced to swallow Ye Chen's burden "Glup. . . . , Glup. . . . , Glup. . . . , Glup. . . . "Zhao Yanyan's voice swallowed.

The taste of Ye Chen's essence righteousness was very delicious, this was even more delicious than the Peach Heaven that Zhao Yanyan had ever eaten.

Zhao Yanyan swallowed without letting a single drop go down the drain. "Husband, this tastes pretty good, it seems I can be addicted." Zhao Yanyan cleaned Ye Chen's object using her mouth.

When it was time for the main way to take place, Ye Chen lifted Zhao Yanyan off the floor and laid her on the bed.

"Husband give me" Zhao Yanyan could not stand it anymore and asked Ye Chen to do it herself.

"Wife, I'm in." Ye Chen immediately drilled Zhao Yanyan's honey cave.

"Ahh" Zhao Yanyan shouted in pain. Even though it wasn't the first time, it still hurt when Ye Chen's large object entered.

"Wife, are you still sick?" Ye Chen did not immediately move but was worried about Zhao Yanyan's condition.

"I'm fine, let's move" Zhao Yanyan told Ye Chen to move.

Ye Chen leaped up a large meat inside Zhao Yanyan's honey cave.

"Ah. . . . , husband, yours enters into the deepest part of me, it feels great." Zhao Yanyan could no longer be clear, Ye Chen's large meat stick gave her immense pleasure.

"Yanyan yours really clamped mine, you are my great little whore" Ye Chen praised the honey cave of Zhao Yang to clamp hers very tightly.

Ye Chen scraped even faster

Groans of male and female voices continued to reverberate in Zhao Yanyan's room

Chapter 117 - Nine

Ye Chen and Zhao Yanyan did it for more than 2 hours, Ye Chen fired 2 times, while Zhao Yanyan came out dozens of times.

Zhao Yanyan was already helpless and almost fainted, Ye Chen then hugged Zhao Yanyan in his arms, Zhao Yanyan peacefully slept in Ye Chen's arms.

Seeing Zhao Yanyan had fallen asleep Ye Chen took a blanket and covered Zhao Yanyan's body, he then slipped back to Lin Rouxi's room, he did not make any moves so that Lin Rouxi did not know.

Lin Rouxi had already fallen asleep, Ye Chen immediately returned to the bed on the floor.

Ye Chen was relieved Lin Rouxi was sleeping, it would be very troublesome if this time Lin Rouxi woke up, because Lin Rouxi had seen the scene of himself with Zhao Yanyan, there might be awkwardness in the future.

Not feel it was morning, Lin Rouxi woke up from her bed and looked around.

Underneath Ye Chen still sleeping on the blanket, Lin Rouxi began to recall the night's incident when she peeked into Zhao Yanyan's room.

Lin Rouxi's face turned red, she did not know whether what he saw last night was a dream or reality, it was in the hall in Ye Chen's heart.

But certainly Ye Chen's large object still crossed her mind, Lin Rouxi looked towards Ye Chen's groin which was slightly protruding.

"What if that thing entered into me?" Unnoticed such thoughts crossed Lin Rouxi's mind.

Lin Rouxi then realized "what's wrong with me, how can I think about something as obscene as that?" Lin Rouxi patted her cheeks fiercely from her imagination.

Lin Rouxi got out of bed then came out of this room, she intended to make breakfast for everyone.

When she arrived in the living room, a letter was placed on the table, this was a letter from Sui Xi.

Fill in the letter Sui Xi wrote "my daughter, mother will come back, take care of yourself, I am waiting for good news from you two, from your mother" turned out Sui Xi had left early in the morning.

Lin Rouxi put the letter in the drawer, she then proceeded to go to the kitchen to prepare breakfast.

"Good morning, sister Rouxi" Zhao Yanyan greeted Lin Rouxi.

Lin Rouxi was a bit awkward when meeting with Zhao Yanyan, Lin Rouxi strengthened her resolve and greeted Zhao Yanyan.

"Morning Yanyan" When Lin Rouxi turned towards Zhao Yanyan he was surprised, Zhao Yanyan looked more beautiful than before, even Zhao Yanyan's skin looked very white and healthy.

Seeing the extraordinary changes Zhao Yanyan Lin Rouxi asked "Yanyan what beauty products you use, why do you look more beautiful" this was not the first time Lin Rouxi was curious about Zhao Yanyan's change.

"My sister Rouxi doesn't use any beauty products" Zhao Yanyan answered honestly, she couldn't possibly say that this was the effect of doing dual cultivation with Ye Chen.

a few days ago Lin Rouxi also asked this to Zhao Yanyan, and the answer was exactly the same as now.

"Yanyan we have been sisters for a long time, why don't you want to tell me" Lin Rouxi was angry that Zhao Yanyan was trying to hide something from her.

"Rouxi sister do you really want to know?" Zhao Yanyan said in a teasing tone.

"Of course" Lin Rouxi immediately nodded.

"What are you two doing? "Ye Chen has woken up to hear the commotion of these two women.

When Ye Chen came, Lin Rouxi immediately bowed her head in shame.

"Nothing, just a chat between women" Zhao Yanyan was the one who answered Ye Chen.

After breakfast Ye Chen and Zhao Yanyan left the women's dormitory.

Today as usual the class runs without obstacles.

Finally it's time to go home from school

"Ye Chen, did you get a ticket to go to Feng Xue's concert?" Zhao Yanyan asked Ye Chen.

"This is for you," Ye Chen gave the three VVIP tickets to Zhao Yanyan.

When she saw the three VVIP tickets, Zhao Yanyan was filled with shining stars.

Zhao Yanyan immediately took the three tickets from Ye Chen "husband, I love you" Zhao Yanyan kissed Ye Chen on the cheek.

Ye Chen was quite satisfied to see Zhao Yanyan happy, he took Zhao Yanyan to his villa.

When I arrived at the villa. Ye Chen saw Fu Lanling doing sword training in the backyard of the villa.

Ye Chen brought Zhao Yanyan down, saw Ye Chen Fu Lanling's arrival immediately sheath the sword and rushed towards Ye Chen "Little husband, you are back".

"Yes, I'm back," Ye Chen smiled at Fu Lanling

Fu Lanling realized that there was a beautiful woman behind Ye Chen, so she asked Ye Chen "Little husband, who is she? "

"Oh I forgot to introduce you guys, Linger she is Zhao Yanyan, and Yanyan introduces this Fu Lanling" Ye Chen introduced Zhao Yanyan and Fu Lanling.

Upon hearing that this woman called Ye Chen, Husband, Zhao Yanyan already knew what their relationship was.

Zhao Yanyan and Fu Lanling then became acquainted with each other.

"Alright, let's go in. We talk inside," Ye Chen held Zhao Yanyan's and Fu Lanling's waist on both arms.

Ye Chen brought the two beautiful women into the villa.

Zhao Yanyan and Fu Lanling looked at each other and smiled.

Zhao Yanyan and Fu Lanling got along very quickly, both of them began to talk about topics they liked.

Linger I want you to open this "Ye Chen took five storage rings and handed them to Fu Lanling.

"Little husband, what do you want with this ring?" Asked Fu Lanling.

"I want you to open the seal inside and see what is inside" Ye Chen was curious about the contents in these rings.

Who knows, inside the ring obtained from the five Old Taoist corpses, there is a valuable item.

Fu Lanling did not ask much, she destroyed the seals in all of these rings, after the seal disappeared Ye Chen took out the contents in this Ring.

Inside the ring is not too disappointing, there are various pills and high-level medicinal plants, for the techniques contained in this ring can be said to be rubbish when compared with those in the tower of the pagoda.

"The items in this ring turned out to be quite good." Fu Lanling saw several bottles of pills and high-grade medicinal plants that were difficult to obtain.

"You're right" Ye Chen nodded at Fu Lanling.

Suddenly Ye Chen's left hand glowed, the contact seal took out light particles and began to gather in front of Ye Chen, a nine-tailed fox appeared in front of the three people.

This nine tailed fox is only the size of a cat, it looks like this fox is in the mini version.

"This" Fu Lanling was surprised to see a nine-tailed fox suddenly appear here.

Nine-tailed fox is a type of magic monster that is very rarely seen in the holy land of Kunlun, usually a large sect will make a nine-tailed fox as a sect Guardian in charge of protecting the danger that could threaten the sect.

The nine-tailed fox is also very strong, their strength even several times stronger than cultivators who have comparable strength.

"Wow, how cute" Zhao Yanyan immediately approached the nine-tailed fox and put it in her arms.

Zhao Yanyan was happy to hug the nine-tailed fox that had smooth and soft white fur.

"Nyuuu. . . . , nyuuu."Nine-tailed fox doesn't like being hugged by Zhao Yanyan and tries to rebel, finally the nine-tailed Fox managed to escape Zhao Yanyan and hurried off to Ye Chen's side.

Chapter 118 - Ye Xiu

The nine-tailed fox immediately jumped into Ye Chen's arms, the nine-tailed fox seemed to like Ye Chen more than Zhao Yanyan.

"Hey why did you run away from me" Zhao Yanyan was not satisfied and tried to take the nine-tailed fox from Ye Chen.

The nine-tailed fox used its claws to hold on to Ye Chen.

"Nyu. . . , nyuu. . ." The nine-tailed fox shook her head not wanting to go with Zhao Yanyan.

"Yanyan never mind" Ye Chen rebuked Zhao Yanyan to immediately release the nine-tailed fox.

Because Ye Chen Zhao told Yanyan to be forced to let go of this cute fox.

Fu Lanling approached and began observing the nine-tailed fox from above "It's strange why this fox's fur is white, usually the nine-tailed fox has the color of yellow or orange fur," Fu Lanling felt strange with the color of the nine-tailed fox, she had also seen a nine-tailed fox but the color is not like what this Fox has.

"So what's wrong, it's just a different color, right?" Ye Chen said while stroking the nine-tailed fox head.

"Well, you might be right, then what is the sex of this fox?" Asked Fu Lanling.

"Wait a minute, let me see." Ye Chen wanted to see what kind of girth of the nine-tailed fox.

When Ye Chen wanted to see "Bang" Ye Chen suddenly arrived at the broom by the fox's tail and crashed into the wall.

"Ah it hurts so much, why suddenly attacked me" The power of the nine-tailed fox is indeed not to be underestimated.

"Looks like he doesn't want to be seen by you" Fu Lanling realized that the Nine-tailed Fox didn't want to be seen by Ye Chen.

"Maybe she's a female," Zhao Yanyan, who was near Fu Lanling, said.

The nine-tailed fox proudly poses gracefully, who says that she is a female.

"Well maybe this fox is right" Ye Chen got up from the floor and walked towards Zhao Yanyan and Fu Lanling.

"By the way, how did you get this nine-tailed fox?" Fu Lanling asked how Ye Chen could get the rare nine-tailed fox.

"Oh that" Ye Chen explained the way he met the nine-tailed fox, to the point of contracting with the nine-tailed fox.

"I see." Now Fu Lanling knows how the five taas died, apparently it was killed by this nine-tailed fox.

"Ye Chen, it's okay to let this fox eat medicinal plants there," Zhao Yanyan pointed at the nine-tailed fox who was eating a high-level medicinal plant.

Ye Chen and Fu Lanling who were talking immediately looked towards the nine-tailed fox who was eating a high level medicinal plant.

"My medicinal herbs !!! "Ye Chen immediately went towards the nine-tailed fox who was eating.

he lifted the body of the nine-tailed fox and pushed it away from the pile of medicinal plants on the table.

In Ye Chen's grasp the nine-tailed fox tried to revolt.

Nearly half of the medicinal plants have been eaten by the nine-tailed fox. Ye Chen immediately put the medicinal plants in the storage room, so that these cute monsters would not be consumed by them.

Seeing the delicious food disappear, the nine-tailed fox was disappointed, the nine-tailed fox stopped struggling in Ye Chen's hands.

Ye Chen put the nine-tailed fox on the table and scolded him "little fox you really eat half of the medicinal plants that I got".

The nine-tailed fox didn't listen at all at what

said by Ye Chen, she turned her face to another place.

"You dare not hear what I say" Seeing the nine-tailed fox once Ye Chen intends to educate this fox.

The nine-tailed fox didn't care about Ye Chen's words.

"Puchi" Fu Lanling laughed.

"Linger why are you laughing? Ye Chen asked why Fu Lanling suddenly laughed.

"Little husband, the nine-tailed fox does eat medicinal plants to increase their strength, so what this fox does is not wrong" Fu Lanling said that it was natural that the nine-tailed fox ate medicinal plants to increase their strength.

"You mean they get stronger just by eating medicinal plants? "Ye Chen doesn't know that magical beasts can increase their power by eating only medicinal plants.

"Because the nine-tailed fox is a special monster," Fu Lanling said, approaching and stroking the head of the nine-tailed fox.

Zhao Yanyan did not stay silent when he saw this, she immediately ran to Fu Lanling's side to play with the nine-tailed fox too.

"Wait, so from now on I have to prepare medicinal plants for the nine-tailed fox staple food? "Asked Ye Chen.

"Yes it has to be" Fu Lanling nodded at Ye Chen.

Ye Chen had no idea that raising strong monsters would cost a fortune.

"Husband, what name do you want the fox to be," carrying the nine-tailed fox Zhao yanyan asked Ye Chen.

This time the nine-tailed fox did not rebel when it was hugged by Zhao Yanyan, maybe because the nine-tailed fox was full.

Ye Chen began to think what name would suit this nine-tailed fox "what about Ye Xiu, that sounds pretty good".

"Well, in my opinion it's a good name, Ye Xiu do you like that name" Zhao Yanyan spoke to Ye Xiu who was in her arms.

Nyuu. . . . "Nine-tailed fox does not seem to mind this name.

"Alright, from now on, your name is Ye Xiu," Ye Chen said to the nine-tailed fox.

After that Zhao Yanyan invited Ye Xiu to walk in the backyard, to entice Ye Xiu. Zhao Yanyan asked Ye Chen for some medicinal plants, so Ye Xiu wanted to follow Zhao Yanyan to walk.

Ye Chen looked at some of the items he got from the old Taoist storage ring.

Ye Chen did not dare to take out medicinal herbs for fear that Ye Xiu would eat all high quality medicinal plants.

"Little husband, what is the name of this thing?" Fu Lanling asked the object that could produce this moving image without using projection stones.

"It's called Tv," Ye Chen answered.

Because it was still unfamiliar with objects in mortal world Fu Lanling often asked Ye Chen.

Ye Chen happily answered all of Fu Lanling's questions.

"Ding. . . . Ding Ding Ding"The doorbell rings.

Ye Chen placed the object he was holding and hurried toward the entrance.

When Ye Chen opened the door there was a woman in a police uniform standing in front of the entrance, this was police woman Luo Bing.

"Miss Police, can I help you?" Ye Chen wondered what Luo Bing wanted to do in his mansion.

"Ye Chen, you are suspected of being a murderer, I hope you can work with us" Luo Bing showed the police badge to Ye Chen.

"What killer?" Ye Chen asked confused, he did not think that the police could quickly find a trace of himself, but Ye Chen was sure that he killed Yun Hao without leaving any trace.

"Last night there was someone named Yun Hao who died falling from the top of the Hotel building, the closest person to the victim suspects you as the killer, he said a few days ago you had a little friction with Yun Hao" Luo Bing said everything to Ye Chen.

"Then what does that have to do with it, anyway, how can you conclude that I am a murderer only from what people say, next time if you want to suspect someone looking for evidence first, you throw away my time alone, see you later" Ye Chen immediately closed the door.

Ye Chen didn't need to be afraid of Luo Bing, anyway, at this moment Luo Bing had absolutely no evidence that he was the person who killed Yun Hao.

Chapter 119 - The Night Of Feng Xue's Concer

Luo Bing was very surprised when Ye Chen closed the door, she hadn't even said a word to get back at Ye Chen.

"Bamm. . . , bamm. . . , bamm. . . , bamm. . . , "Luo Bing kicked the Door with a force strong enough.

"Ye Chen come out, I'm not done talking to you yet" Luo Bing said quite angrily.

The door to Ye Chen's house could really be damaged if Luo Bing continued to kick strongly.

"Miss police if you break my door I will report you to the authorities" Ye Chen opened the door again and warned Luo Bing not to be impulsive and to destroy the door of the villa.

"You", Luo Bing's anger really peaked, now she really wanted to beat Ye Chen on the spot.

Seeing Luo Bing getting angry Ye Chen was getting happier.

Luo Bing tried to calm down "Ye Chen I want to ask you, last night you went anywhere" Luo Bing took a pen to record Ye Chen's words.

"Police Luo are you a stalker who wants to know my personal life?" Said Ye Chen, playing games.

"Crakk. . . "The pen in Luo Bing's hand was broken into two parts, Luo Bing was very angry because she was constantly being played by this bad boy.

"Luo police why are your faces red, are you not feeling well" Ye Chen grinned at Luo Bing.

"Ye Chen !!!! "Luo Bing couldn't take it anymore, he pounced towards Ye Chen, Luo Bing immediately dropped Ye Chen on the Floor.

"Ye Chen I'm not playing, quickly tell me honestly where you were last night, if not don't blame me for acting harshly" by riding Ye Chen's body Luo Bing asked.

"Police Luo, I didn't expect you to be a very aggressive woman, to the point where you pose like this." Ye Chen put his hands behind his head, Luo Bing's butt was really swiping at Ye Chen's younger brother.

Luo Bing also felt that their current position was very ambiguous, a woman was riding a man and both of these women's hands were on the man's chest, especially since the man below this woman was very relaxed.

Luo Bing's face was as red as an apple, she could feel a very hard object swiping underneath, Luo Bing tried to strengthen herself so as not to be provoked by this.

"Ye Chen, what's up there?" Zhao Yanyan who listened to the commotion in front immediately saw Ye Chen's condition.

When Zhao Yanyan arrived near the entrance of the villa she saw Ye Chen being driven by a strange police woman, both of them were really very brave to do this in front of the entrance.

"You two are indeed very brave, in broad daylight doing this sort of thing" Zhao Yanyan was mistaken about Ye Chen.

"Wait, this is not what you see" Luo Bing tried to explain to Zhao Yanyan.

"Yanyan help, this policewoman wants to rape your husband" here Ye Chen is pretending to be a victim of Luo Bing.

"Ye Chen, how dare you accuse me" Luo Bing is already very angry right now, Ye Chen is right to add to the chaos of the current situation, Luo Bing's image as a policeman could be ruined because of this.

Again, Luo Bing was messed up by Ye Chen.

Luo Bing hurriedly got up from Ye Chen's body ", my business here is finished, I will leave now" Luo Bing was very embarrassed and hurried away from Ye Chen Villa, she did not have the face to stay here.

Seeing Luo Bing's very fast departure, Zhao Yanyan was very confused "husband what's wrong with that beautiful policeman, she looks quite strange" Zhao Yanyan felt that Luo Bing was acting very strange.

"Yanyan you came on time, Luo Bing must be very embarrassed now" Ye Chen looked very satisfied could make Luo Bing run away like a cat that had just been stepped on by her tail.

"husband, you know that woman" from Ye Chen's words, it seemed like he knew the pretty policeman earlier.

"Yes I know the name of the police officer is Luo Bing, several times I have a problem with that woman, that woman is also a cultivator like the two of us" Ye Chen explained Luo Bing to Zhao Yanyan

"Eh so, the woman police officer was also a cultivator" Zhao Yanyan did not think that the woman police officer was a cultivator.

"Yes, the policewoman was indeed a cultivator, you must be careful when meeting her" Ye Chen warned Zhao Yanyan to be careful when meeting with Luo Bing.

"Well, I understand," Zhao Yanyan nodded at Ye Chen.

"Oh yes, where is Ye Xiu right now?" Ye Chen asked the whereabouts of the naughty fox.

"Oh he was sleeping, after giving food, she immediately fell asleep" Zhao Yanyan looked very spoiled Ye Xiu.

"Yanyan you spoiled her too much" Ye Chen was not satisfied. Zhao Yanyan spoiled Ye Xiu too much. Moreover, medicinal plants are expensive things, if this keeps happening, Ye Chen could go bankrupt.

"Hehehe it's okay, anyway Ye Xiu is very funny, I can't stand her" Zhao Yanyan still defended Ye Xiu.

"Whatever you say, I'll go back to see the items I got" Ye Chen checked the items he got.

Luo Bing was currently coming out of the gate of Ye Chen's villa, she immediately got into her car, right now Luo Bing was embarrassed, angry and upset, she really wanted to teach Ye Chen a lesson.

"Damn kid, just watch you, if I find proof you did it I won't let you go" Luo Bing had already made a determination to take revenge on Ye Chen.

Unable to get any results from Ye Chen, Luo Bing returned to her original mission to come to this city, she intended to track down the organization of female slave sellers who were currently doing activities in this city.

Luo Bing's visit to this city from the beginning was to destroy the slave seller organization, this organization was very troubling because it had abducted beautiful women to be sold as slaves to rich men around the world.

Luo Bing has been here for almost a month but he hasn't found a hiding place for this organization.

That's why at night Luo Bing disguised herself using sexy clothes to lure the organization into moving on her.

Luo Bing drove her car leaving the golden eagle district.

It was getting dark, the road seemed denser than usual, tonight was the night of the concert of female star Feng Xue.

Ye Chen, Zhao Yanyan and Liu Yue departed together to the location of Feng Xue's concert.

Fu Lanling didn't come, he said that if she didn't like the crowd, Fu Lanling stayed in the villa while watching TV.

"It's very crowded here." Ye Chen saw a street crowded with people who wanted to watch the Feng Xue concert.

These people were carrying posters of Feng Xue complete with colorful light sticks.

"Of course Feng Xue is the first female star in the country, all the fans in this city will definitely not miss the chance to see the concert" Zhao Yanyan was very excited when explaining to Ye Chen.

"Let's go right in." Ye Chen put his arms around his two ladies, then walked off to the entrance of the Feng Xue concert hall.

Outside the building was filled with hundreds of thousands of people who gathered, people outside the building could not buy tickets to get inside, so they watched outside the building, outside already provided a very large TV so that the people in outside can still see the Feng Xue concert.

Ye Chen, Zhao Yanyan and Liu Yue, continued to advance to the entrance of the building.

The entrance is guarded by dozens of large-bodied people, they are tasked to secure in front of the door so that no one dares to break in by force.

"Sir, please show your ticket" one of the big men rudely asked Ye Chen for a ticket.

"Yanyan remove the ticket" Ye Chen told Zhao Yanyan to issue the ticket he had given.

"Here's the ticket" Zhao Yanyan immediately took out a VVIP ticket from the bag, and handed it to the guards.

"Dear guests, please follow me to go to your seat" see that this is a VVIP Ticket The attitude of the guards immediately changed 180 degrees to Ye Chen and the women.

Ye Chen, Zhao Yanyan and Liu Yue followed the guard to go to the VVIP Chair.

Chapter 120 - Who Told You To Choose Us

Ye Chen, Zhao Yanyan and Liu Yue came to their VVIP chairs, VVIP seats were in the front row, here they could clearly see the performances that were on the stage.

"Young master and young lady are your seats," the guards pointed to the seats of Ye Chen, Zhao Yanyan and Liu Yue.

The third chair was next to each other, Ye Chen in the middle, Zhao Yanyan on the right and Li Yue on the left.

Here many young masters as well as rich young ladies sit on VVIP chairs, as Ye Chen's entourage passed by several people glancing at Zhao Yanyan and Liu Yue

These rich young masters seemed to be interested in Zhao Yanyan and Liu Yue.

Seeing this Ye Chen gave intimidating glances at these people.

The people who saw Zhao Yanyan and Liu Yue immediately withdrew their eyes.

Inside here already filled by many people, the capacity of this building can accommodate tens of thousands of people, so inside this building is crowded by Feng Xue fans.

After waiting for quite a while the event finally started too, Feng Xue started to go up on stage.

"Feng Xue. . . . Feng Xue Feng Xue Feng Xue Feng Xue Feng Xue Feng Xue"
"Shouts of Feng Xue's name echoed throughout this building.

Ye Chen's ears almost broke at the screams of tens of thousands of extremely loud people.

Feng Xue waved to her fans "everyone thank you for coming to my concert tonight, Feng Xue is very happy that you want to come here" Feng Xue smiled sweetly at her fans.

"Feng Xue, I love you".

"Goddess Feng Xue look here".

"Goddess Feng Xue is very beautiful"

Various kinds of praise were made by Feng Xue's fans, "Oh my gosh, how noisy." Ye Chen didn't like the noise from Feng Xue fans.

"Everyone tonight, Feng Xue will cheer you all up, the first song I will offer to start it is the spirit of life, starting the music" Feng Xue told the musicians to start playing their instruments.

Music starts playing, Feng Xue dances swiftly while singing "Life is a blessing, live it all with a smile, tomorrow will definitely come, never give up to achieve your dreams"

NT writer: "I'm not a song writer so don't tell me to make more: v".

"Feng Xue. . . . Feng Xue Feng Xue", "Feng Xue's fans were very enthusiastic when Feng Xue performed this song.

Ye Chen had to admit that Song Feng Xue was indeed very pleasant to listen to.

On stage Feng Xue performed a lot of songs, and the audience was very satisfied to listen to Feng Xue sing.

"Everything doesn't feel like we've arrived at the end of this concert, as usual this time I will appoint 2 lucky people to sing along with me on the stage", when Feng Xue's words had just finished spoken the entire audience shouted hysterically.

"Feng Xue choose me, choose me" a lot of fans who shouted and raised their hands to be chosen by Feng Xue.

Zhao Yanyan and several people in the VVIP chair were as excited as the other fans.

There was only Ye Chen and Liu Yue who were not too enthusiastic, the reason Ye Chen was not too excited was because he did not know Feng Xue's song at all, while for Liu Yue he was not very bad at singing a song, therefore that was the second person who was the least wanted to be chosen by Feng Xue.

Feng Xue looked around, she looked at the VVIP chair and found Ye Chen in one of the chairs, different from all the people she wanted to choose from, Ye Chen seemed to not want to be chosen by her at all.

Women are strange creatures, the more you try to avoid them the more they want to find you.

Feng Xue walked towards the VVIP chair.

The ordinary audience was a little disappointed when Feng Xue walked towards the VVIP chair.

"It seems like it is a must for us to have a duet with Feng Xue."

"Well, it can't be helped, they are rich people who spend enough money to be able to see Feng Xue's concert up close, so Feng Xue will definitely choose them.

The audience starts talking to each other.

The people in the VVIP chair were very excited as Feng Xue headed towards them.

aplagi the rich young masters immediately reached out so Feng Xue chose him.

Feng Xue ignored these people and walked towards Ye Chen.

"Ye Chen, do you want to sing with me" Feng Xue asked Ye Chen.

"May I refuse" the problem is that he doesn't know Feng Xue's song.

"Too bad, you can't refuse" Feng Xue smiled wryly at Ye Chen.

"Everyone has got two people who will sing with me" Feng Xue announced who was the person who would sing along with her.

Feng Xue pulled Ye Chen and Liu Yue up on the stage.

Liu Yue was very surprised when Feng Xue pulled herself onto the stage, even though Liu Yue was a person who really didn't want to sing in public.

"So which song do you have the most power" Feng Xue asked Ye Chen and Liu Yue.

"I don't know all your songs, so let me go back now" Ye Chen answered very honestly and was quite painful for Feng Xue.

Feng Xue was quite angry when Ye Chen said he did not know her song, indeed, who in this country did not know a single song of her "you can't go back, if you don't know you can stand on the side".

"Then this sister, do you know a little of my song?" Feng Xue asked Liu Yue quite gently.

Liu Yue nodded at Feng Xue "Yes, I know some of your songs".

"Then let's sing" Feng Xue pulled Liu Yue into the middle of the stage "Ye Chen, you just watched from the side" Feng Xue said sarcastically to Ye Chen.

Feng Xue began to sing the song with a beautiful voice, when it was Liu Yue's turn the beautiful voice changed for the worse.

"Ah my ear"

"Geez, this is the worst sound I've ever heard"

The audience began to cover their eardrums with their hands.

Ye Chen was quite surprised when Liu Yue began to sing, he had no idea that Liu Yue, the woman he considered perfect turned out to have weaknesses in singing.

Hearing Liu Yue's voice sing Feng Xue's face darkened, she didn't realize that the duet would turn out like this, one did not recognize her song, and the other sang very poorly.

This is the worst duet Feng Xue has ever done with her fans.

Feng Xue did not stop Liu Yue from singing, she still accompanied Liu Yue to sing to protect her image in front of her fans.

Ye Chen just watched on the side without making a sound.

finally one song was completed by Liu Yue and Feng Xue "You two really can't be helped" Feng Xue shook her head at Ye Chen and Liu Yue.

"It's your fault, who told us to choose the two of us," Ye Chen said, mocking Feng Xue

"You", even though Feng Xue was not satisfied with these two people in front of her fans she could not be angry and had to remain professional.

"Alright, thank you, you two can go back to your seats" Feng Xue used the loudspeaker and invited Ye Chen and Liu Yue to return to their seats.

Ye Chen invited Liu Yue back to their seats.
