Chapter 1111 - Code Breaker Organization Retreat From Battle

The destructive power possessed by **DESOLATE PALMS** is enormous, it instantly destroys the enemy's profound ark.

Everyone was quite shocked when they saw what happened, they really didn't know what had just happened until the Code Breaker organization's profound ark was completely destroyed by the attack just now.

The attack from **DESOLATE PALMS** was very fast and very destructive, no one noticed the attack just now, the attack just now came without a clear sign.

Ye Chen didn't stop there, Ye Chen again launched several **DESOLATE PALMS** to attack the remaining profound ark.

A gigantic palm with an ancient aura reappeared above the sky, this palm directly aiming at where the remaining profound ark was.

"Careful, quickly dodge that attack." Seeing this attack coming back towards them, the person with the highest position in this place immediately gave an order to dodge this attack.

It was a pity that Ye Chen's attack was so fast, they didn't have time to dodge this attack.

"boom" was again hit by the profound ark's palm, this made the profound ark crash into the ground.

Several profound arks were hit by Ye Chen's powerful attack, the profound arks were instantly destroyed when they received the **DESOLATE PALMS** attack.

In this second attack, there were a lot of survivors, they would rather leave the profound ark than be injured from being hit by the strange attack just now.

Ye Chen's attack might not be able to kill some cultivators who did have a high cultivation base, although it couldn't attack a cultivator with a high cultivation base, Ye Chen could still injure these cultivators.

As a result, several cultivators were injured by the third finger's **DESOLATE PALMS** attack.

The imperial soldiers looked overjoyed when they saw that the enemy's profound ark had been taken down, now they could fight without worrying about the heavy weapon attacks that were bombarding them.

After dropping all of the enemy's profound arks, Ye Chen descended down, revealing himself to everyone on the battlefield.

Everyone here didn't know who Ye Chen was at all, they all didn't know because Ye Chen was wearing a God Mask to cover his face.

"What are you waiting for, quickly attack your enemies, I have already crippled all the enemy's weapons" Ye Chen ordered the imperial soldiers to go to battle, he had gone to the trouble of

destroying the enemy's profound ark, how could these people be silent even after the enemy's profound ark destroyed.

They should have taken advantage of the opportunity that Ye Chen had been given and started attacking the enemy.

After listening to the words spoken by Ye Chen, finally the imperial soldiers started to act, they all immediately went to battle against the enemy who had lost heavyweight weapons.

The people from the Code Breaker organization started to panic, they didn't have a weapon against the enemy, that meant they couldn't defeat the enemy easily.

Without heavyweight weapons, these people were actually weak, they were unable to fight against the imperial soldiers which was dozens of times more numerous than they had.

With a very large number of imperial soldiers, the imperial soldiers immediately killed and massacred all existing enemies.

With no heavyweight weapons at their disposal, the people of the Code Breaker organization were easily suppressed by the imperial soldiers.

The imperial soldiers now had the upper hand, they really enjoyed killing and slaughtering people from the Code Breaker organization who had previously killed countless people and their comrades.

Ye Chen only saw the battle that was going on, Ye Chen didn't interfere because he felt very exhausted, using **DESOLATE PALMS** several times was enough to drain Ye Chen's strength.

If Ye Chen didn't use his Water Vein inheritance, Ye Chen would definitely have a hard time using the **DESOLATE PALMS** third finger for a few times.

In addition, Ye Chen combined Fire and Ice at the same time, this made the consumption of the Profound Energy that was used was enormous, even more than the current Ye Chen had.

This was all Ye Chen could do right now, as long as the imperial army had obtained a victory, then Ye Chen's task was complete.

The **imperial troops** were indeed quite well-trained, they all quickly wiped out all the existing enemies without leaving a single one behind, they really took out their frustration on the people from the Code Breaker organization.

Code Breaker organization has killed civilians as well as millions of cultivators who helped in this battle.

Killing all of the Code Breaker organizations was not enough to replace the deaths of the people they had killed.

"we won . . .," people started cheering when they saw the victory they had achieved, they were really happy that they had succeeded in defeating all the enemies.

All of this thanks to a stranger wearing a mask, without this person they most likely wouldn't be able to win against an enemy with a heavyweight weapon that was extremely troublesome.

From a distance the main forces of the Code Breaker organization surveyed the battlefield, they saw their comrades being massacred by the imperial army.

"Damn" Number Two saw what happened, he was really angry when he saw the members of the Code Breaker organization being killed like that.

"Boss what should we do, should we retreat or not?" said one of the people near Number Two.

"We don't have ammunition anymore to carry out a guerrilla attack, so the only way is to retreat.

Number Two immediately made a decision, he could be very firm in making decisions.

Number Two knew that they would not be able to win this way, the main force belonging to the Code Breaker organization might be able to defeat the imperial army, but they had no time left.

until now they still had not controlled the empire, if the reinforcements came, then they would definitely have a hard time fighting the enemy either from outside or from within.

So this is why Number Two prefers to back down instead of looking to take a big risk like this.

"We are retreating, convey this to all of our members wherever they are." Number Two immediately ordered to withdraw the troops, they had to retreat for the time being.

"Okay" Everyone nodded, they will immediately send this information to everyone, even Li Gun was also informed about this matter.

Li Gun himself is currently fighting Li Kun, Li Gun seems to have cornered Li Kun who was seriously injured from the previous attack.

"Just give up, you wo" Li Gun said that Li Kun not be able to win anymore would no longer be able to win.

"I won't lose, if I lose, then my army will definitely give up too" Li Kun said that he wouldn't lose, as a King Realm, Li Kun couldn't afford to lose.

"Then I will kill you" Li Gun said that he would kill Li Kun, he could not wait to kill Li Kun.

"Boss, we must retreat, many of our troops have been defeated" when Li Gun was about to defeat Li Kun, he received a message that their troops had lost, now they must retreat quickly if they want to survive.

"What . . .!" Li Gun was shocked when he heard this news, how could his soldiers lose, it was absolutely impossible.

"This time you are lucky, next time you will definitely lose." Li Gun couldn't help but retreat, he couldn't take a big risk when his soldiers had lost.

Li Gun quickly left, he left the Immortal Sky Empire and headed towards the direction where the main army was.

Chapter 1112 - Reinforcements Are Coming

all the troops from Code Breaker have withdrawn, now there is no longer any attack on the Immortal Sky Empire.

The imperial army didn't chase the fleeing enemy, without an order they didn't dare to do this.

All the imperial soldiers were afraid that this was just a diversion or a trap, if they went after the enemy troops and left their territory, the Immortal Sky Empire might even be easily attacked.

Instead of chasing after the enemy who had fled, it was better for them to go to evacuate the residents and people who could still be saved.

If the injured people were not rescued immediately, then they would die on the spot, the death toll would definitely increase due to this matter.

Ye Chen immediately left this place, he left without saying anything to everyone in this place.

Even though Ye Chen had left without saying a word to everyone, everyone knew that Ye Chen was a hero, Ye Chen was the one who had allowed them to win this battle, a person like this deserved a proper award.

Ye Chen left the empire, he went to meet Mei Yueli who he had left in the forest alone.

Ye Chen might be guilty of leaving Mei Yueli alone, but Ye Chen had no other choice, he didn't want to risk taking Mei Yueli away with him.

Mei Yueli might end up having an accident because of this matter, so Ye Chen had no choice but to let Mei Yueli stay alone in the dark and lonely forest.

When Ye Chen arrived at Mei Yueli place, Ye Chen found that Mei Yueli was currently huddled in a corner, Mei Yueli was really hiding so as not to be found by the enemy.

Mei Yueli was afraid of being discovered by an enemy who had a much higher cultivation than her own.

Mei Yueli also sometimes looked around this place, she wanted Ye Chen to come and pick her up, being here alone was very uncomfortable for Mei Yueli.

Mei Yueli was also worried about Ye Chen safety, she was worried that something would happen to Ye Chen, if something happened to Ye Chen what should she do.

Mei Yueli couldn't get over the feeling of fear and anxiety she had, Mei Yueli couldn't shake off the feeling of anxiety she had.

This feeling of anxiety had been haunting Mei Yueli for a while now.

"Hey Yueli are you okay?" Ye Chen came over to Mei Yueli, he asked if Mei Yueli was okay or not.

Mei Yueli immediately turned to the side to see where the voice came from, when Mei Yueli turned around, she found Ye Chen standing beside her.

"Ye Chen" Mei Yueli immediately went to hug Ye Chen, Mei Yueli was very happy when she saw Ye Chen coming back to her.

Mei Yueli hugged Ye Chen tightly, Mei Yueli was now no longer afraid when hugging Ye Chen.

"Ye Chen why are you taking so long, I thought you wouldn't come back" Mei Yueli complained to Ye Chen, herself complaining to Ye Chen who had left her for so long.

"I'm sorry, I have to overcome the enemy, so I need some time to come see you" Ye Chen apologized to Mei Yueli.

"It's okay I forgive you" Mei Yueli easily forgave Ye Chen, Mei Yueli attitude looked completely different from usual, Mei Yueli currently seemed more gentle when talking to Ye Chen.

"Are you okay, did you hit your head with a tree, did you suddenly behave strangely?" Ye Chen touched Mei Yueli forehead, Ye Chen felt very strange with the attitude that Mei Yueli showed to him.

"What are you saying, I'm fine." Mei Yueli was annoyed when she heard what Ye Chen just said.

"Thank goodness, you're actually okay." Seeing Mei Yueli angry like this, Ye Chen became convinced that this was the Mei Yueli he knew.

While talking to Mei Yueli, Ye Chen suddenly fell and knelt on the ground.

"Ye Chen, what happened to you?" Mei Yueli frantically tried to help Ye Chen, Mei Yueli asked what happened to Ye Chen.

"It's okay, I'm just tired" Ye Chen told Mei Yueli that he was just tired, Ye Chen was using his mental strength too much, so it's not strange that Ye Chen currently looks exhausted.

"Then let's find a place to rest" Mei Yueli immediately asked Ye Chen to find a place to rest, Mei Yueli took Ye Chen back to the empire, Mei Yueli would find a suitable place for Ye Chen to rest.

Right now both of them were in dark and spooky forests, this was not at all good for a place to rest.

"Alright, it's up to you where you take me." Ye Chen was currently exhausted, so he could only tell Mei Yueli to find a place to rest.

Mei Yueli nodded, she immediately went to take Ye Chen along with her.

.

2 hours later, reinforcements from various places began to arrive, various Sects and also small empires came to help in the battle.

Unfortunately when reinforcements arrived, the battle was over, so there was nothing they could do but help with the empire's recovery.

The core disciples of the nine peaks, the Elders, and the Patriarchs of the Nine Immortals Peak Sect also arrived, they arrived quite late as they had to gather the disciples first before leaving for this place.

When they arrived they saw that the imperial city had been destroyed, plus there were a large number of corpses that had not been taken care of due to the priority of finding survivors who could still be saved.

Like it or not, everyone who came had to help, they helped evacuate the civilians, soldiers and cultivators who could still be saved.

This time Mu Xueying also came, she came along with hundreds of Jade Lotus Peak Core Disciples.

Ning Xia was currently not join with Mu Xueying, Ning Xia had a problem of her own that made her unable to come along.

"Senior Mu, we still haven't found any sign of Mei Yueli around this place." One of the disciples from Jade Lotus Peak reported to Mu Xueying that they hadn't found any sign of Mei Yueli around this place.

"Keep looking, we have to find her, she must be safe" Mu Xueying said to the female disciple of Jade Lotus Peak.

Mu Xueying received news that Mei Yueli was still in the empire at the time of the attack, so it would not be strange for Mu Xueying to send disciples from Jade Lotus Peak to search for Mei Yueli whereabouts.

"Alright, I'll look for her again" the female disciples from Jade Lotus Peak nodded, they would search for Mei Yueli whereabouts again.

Mu Xueying surveyed around this place, herself also looking for the whereabouts of Ye Chen and also Mei Yueli, Mu Xueying hoped that the two of them were fine and not involved in this battle.

Ye Chen and Mei Yueli were currently still outside the empire, the two of them couldn't enter because the situation was chaotic, imperial soldiers were still on guard and forbade outsiders to enter the city, so they couldn't help but stay outside.

Luckily outside there was an old building, this could be used by Mei Yueli as well as Ye Chen to rest.

Ye Chen and Mei Yueli entered the old building, both of them went straight into this place, because this building is very old, it also looks very dirty inside, a lot of dust stuck to every furniture in this place.

Chapter 1113 - [Bonus] Mei Yueli Sleeps Beside Ye Chen

"Ye Chen, it looks like it will be difficult for us to enter the Empire city, what if we stay here for a while?" Mei Yueli suggested to Ye Chen, she told Ye Chen that they would be in this place for a while.

"No problem" Ye Chen said that if he was okay with this, he could stay in this place until the city situation eased a bit.

"Good" seeing Ye Chen agree, Mei Yueli immediately took Ye Chen to find a room that was still suitable to live in, even though this place was dusty all the things in this place could still be used by Ye Chen and Mei Yueli.

After searching for a while, Mei Yueli and Ye Chen finally found a room that was still very suitable for them to live in, Mei Yueli immediately decided to use this room for them to live in.

Although this room is still livable, there is a lot of dust in this place, so the dust needs to be cleaned before they can be used.

Ye Chen snapped his fingers, when Ye Chen did this the dust in the room was instantly swept away by the wind.

Even though Ye Chen's profound energy was low, Ye Chen could still do small things like this.

With a single move by Ye Chen, this place instantly became very clean, no more dust could be seen in this place.

Mei Yueli didn't look surprised by what Ye Chen had done, she was used to seeing Ye Chen's abilities beyond her expectations.

Mei Yueli immediately took Ye Chen to a mattress that looked still good, Mei Yueli laid Ye Chen on the mattress.

"How are you feeling, are you okay or not?" Mei Yueli directly asked how Ye Chen was feeling at the moment, whether Ye Chen was fine or not.

"I'm fine, I just need a little rest." Ye Chen told Mei Yueli that he just needed a little rest to recuperate.

"Then let's sleep, I'll accompany you beside you" Mei Yueli said to Ye Chen.

Mei Yueli wanted to accompany Ye Chen, it could be seen that Mei Yueli really cared about Ye Chen.

Mei Yueli became very considerate of Ye Chen, whereas previously Mei Yueli looked very annoyed and tried to chase away Ye Chen who was approaching her.

Ye Chen didn't think long when he saw Mei Yueli attitude had changed, what Ye Chen had in mind was just to rest for a while.

"I won't use DESOLATE PALMS again and again like before" Ye Chen didn't want to use some DESOLATE PALMS directly, it was enough to drain Ye Chen's strength.

Ye Chen started to fall asleep, he was quite defeated and couldn't hold back the excessive sleepiness.

On the side, Mei Yueli saw that Ye Chen was fast asleep very fast.

Mei Yueli looked at Ye Chen's sleeping face, Ye Chen's sleeping face was pleasant to look at.

Even though Ye Chen changed his appearance to not look handsome, Mei Yueli still thought that Ye Chen was quite handsome than she looked.

Mei Yueli smiled to herself when she saw Ye Chen face, Mei Yueli didn't realize this, she didn't realize that she smiled when she saw Ye Chen's sleeping face so peacefully.

"What kind of feeling is this?" Mei Yueli felt a pleasant feeling just from seeing Ye Chen's face.

This feeling was really very pleasant for Mei Yueli, Mei Yueli already really had a heart for Ye Chen.

Mei Yueli started trying to hug Ye Chen, she took the initiative to hug Ye Chen, Mei Yueli started to close her eyes and sleep beside Ye Chen.

Mei Yueli first slept next to a man the feeling of sleeping next to a man felt much more comfortable than Mei Yueli imagined.

Sleeping beside Ye Chen felt quite comfortable once, Mei Yueli was able to quickly sleep together with Ye Chen.

The two of them had actually slept for a long time together, they both slept very soundly and very peacefully.

.

.

The current situation in the city, everyone is almost done with evacuating victims, now it's just a matter of looking for people who have died.

Li Jingyi has yet to be found, everyone is still trying to find Li Jingyi' whereabouts.

Meanwhile Li Jingyi Jade Sign in the King Realm's hands had been extinguished, if Li Jingyi Jade Sign no longer reacted then it was certain that Li Jingyi was no longer there.

This of course made the King Realm a little sad, he couldn't protect Li Jingyi at such an important time so he was hit by a huge explosion that was very powerful.

Not only had Li Jingyi Jade Sign been extinguished, the Jade Sign of several other princes and princesses had also been extinguished, in this attack it was seen that countless people couldn't save themselves in the previous situation.

"Stop the search, just prepare a proper funeral ceremony for everyone, spread this to everyone" Li Kun immediately ordered the commander to stop the search, it's useless to continue the search if Li Jingyi Jade Sign and the others have been extinguished.

Most likely their bodies had disappeared due to the huge explosion that had occurred, if that was the case then there would be no point in searching for their whereabouts.

"Alright, I will carry out the orders from the emperor." The commander in chief nodded, they would immediately prepare a funeral ceremony for the prince and princess who had died, they deserved this.

Due to this incident the situation of the empire seemed to be filled with sorrow, everyone seemed saddened by the loss of what they had.

Everyone condemned the group responsible for this attack, the organization Code Breaker was instantly hated by the residents and people living in the imperial city.

.

.

Quickly morning came, Ye Chen started to open his eyes, when Ye Chen opened his eyes, Ye Chen found that Mei Yueli was currently right beside him, Mei Yueli hands were currently hugging Ye Chen, plus Mei Yueli face was very close once with Ye Chen.

Ye Chen smiled seeing this, it seemed that Mei Yueli accompanied Ye Chen to sleep, Mei Yueli did not leave Ye Chen alone, she accompanied Ye Chen beside Ye Chen.

"Yueli, wake up" Ye Chen told Mei Yueli to get up, Ye Chen tried to wake Mei Yueli up.

Ye Chen's gentle voice instantly woke Mei Yueli up, Mei Yueli immediately got up and got up from the bed.

"Are you feeling well?" Mei Yueli first reaction was to ask if Ye Chen's condition had improved or not.

"Of course, let's go back now." Ye Chen invited Mei Yueli to return to the imperial city.

Ye Chen wanted to know if Li Jingyi was okay or not, the situation should have been under control and Li Jingyi should have come out of hiding.

"Well if you really want to go back, let's go." Mei Yueli nodded, she would accompany Ye Chen back to the empire.

Ye Chen and Mei Yueli immediately left the old house, the two of them went straight into the imperial city.

When Ye Chen and Mei Yueli entered the city, they both saw that in the city there were currently a large number of people gathered.

"What happened there?" Mei Yueli asked what was going on up there, why there were tens of millions of people gathered in the same place.

Chapter 1114 - Ye Chen Is In A Sad Mood

"Let's come closer and find out what's going on" Ye Chen said to come closer and find out what happened.

Ye Chen and Mei Yueli who were curious left immediately, both of them looking to find out what these people were doing gathered in the same place.

"Sir, what is this?" Ye Chen asked one of the people closest to him, Ye Chen wanted to know what happened in this place.

"This is the funeral ceremony of princess Li Jingyi, and several princesses and imperial princes" this person told Ye Chen what was going on.

Ye Chen looked shocked when he heard this news, he couldn't believe what he had just heard from this person.

This is very sad news for Ye Chen, Ye Chen felt very sad when he heard this news.

Ye Chen started to lose his strength and composure when he heard this news, it could be seen that Ye Chen was sad when he heard this.

"Ye Chen. ." Mei Yueli immediately grabbed Ye Chen, she held Ye Chen with her two hands.

Mei Yueli herself could tell how Ye Chen's mood was right now, Ye Chen must have been very sad when he heard this news.

Mei Yueli already knew what kind of relationship Ye Chen and Li Jingyi had, the two of them had a special relationship, when she heard the news of Li Jingyi's death, Ye Chen must have felt very sad.

"Hey , what's wrong with you?" The person in front of Ye Chen immediately asked what happened to Ye Chen, he didn't know why Ye Chen had become like this when he heard this news.

"Is what you said true?" Ye Chen asked the person in front of him.

"Of course it's true, everyone has received this news since morning directly from the Emperor's Decree" this person explained to Ye Chen that this news was conveyed through the Decree.

Ye Chen had completely lost hope when he heard this, it seemed like this news could be 100% confirmed.

"Ye Chen calm down, you have to be strong" beside Mei Yueli trying to calm Ye Chen down, she was trying to make Ye Chen calm down and accept what happened.

Even though Mei Yueli said that, Ye Chen still found it very difficult to accept this, Ye Chen loved Li Jingyi very much, how could Ye Chen not be sad when he saw Li Jingyi was no longer in this world.

Mei Yueli really didn't know what to say in this situation, It was quite difficult to comfort Ye Chen who was in a bad mood.

"Let's look ahead" Ye Chen invited Mei Yueli to look ahead, he wanted to see the funeral process that took place.

"I will accompany you" Mei Yueli said that she would accompany Ye Chen to the front, she would accompany Ye Chen wherever he wanted to go.

Ye Chen and Mei Yueli stepped forward, they approached and saw the current process, in front of Ye Chen could see a painting that almost resembled Li Jingyi figure, this painting was decorated with lots of flowers around it.

Nearby there are also several other paintings, most likely these belong to other princes and princesses who also died in the Code Breaker organization attack.

This ceremony was attended by a large number of people, the King Realm, the Duke and the ministers who survived the event, in addition there were several people from various regions who came to pay their last respects to the fallen heroes.

When he saw this, Ye Chen's heart felt very sad, he didn't know what to do in the current situation.

The feeling of losing someone close to him was very painful, it was really uncomfortable for Ye Chen.

Ye Chen kept blaming himself for not being able to protect Li Jingyi, there was a feeling of guilt when Ye Chen couldn't protect Li Jingyi.

Mei Yueli could only be silent when she saw Ye Chen like this, Mei Yueli also felt sad when she saw Ye Chen like this, Mei Yueli wanted to try to comfort Ye Chen, unfortunately Mei Yueli didn't know how to comfort Ye Chen who was in such a state. this.

Maybe all Mei Yueli could do was give Ye Chen time to accept this, sooner or later Ye Chen would be able to accept this.

The funeral ceremony went smoothly and without a hitch, everything seemed fine and the situation became very conducive.

After the ceremony was over, everyone immediately left this place, they still had to repair the imperial city which had been destroyed by the attack of the Code Breaker organization.

When everyone left, Ye Chen and Mei Yueli didn't move from their current place, Ye Chen was still staring straight at Li Jingyi painting, meanwhile Mei Yueli accompanied Ye Chen's side, Mei Yueli seemed unwilling to leave Ye Chen.

When Ye Chen and Mei Yueli were alone, suddenly a beautiful woman dressed in white appeared, this beautiful woman of course was Mu Xueying.

Mu Xueying came over and walked over to Ye Chen and Mei Yueli who happened to be in this place.

"Yueli, Ye Chen, apparently you are here." Mu Xueying suddenly came and approached Ye Chen and Mei Yueli, she felt relieved when she saw that Ye Chen and Mei Yueli were fine.

Mu Xueying was very worried about Ye Chen and Mei Yueli situation, she was afraid that something would happen to Mei Yueli and Ye Chen.

Luckily both of them looked fine, so Mu Xueying worries were instantly gone.

Hearing this voice, Mei Yueli immediately turned towards Mu Xueying, Mei Yueli saw Mu Xueying coming towards her.

"Senior Sister Xueying" Mei Yueli looked happy when she saw Mu Xueying was in this place.

With Mu Xueying in this place, then it was very likely that Mu Xueying could persuade the sad Ye Chen.

"Senior Sister Xueying, you have to do something to Ye Chen." Mei Yueli immediately asked Mu Xueying to do something to Ye Chen.

"What exactly happened to Ye Chen?" Mu Xueying asked what happened to Ye Chen.

"It . . ." Mei Yueli started to explain what happened to Mu Xueying, herself explaining the root of the problem Ye Chen was going through.

Hearing this, Mu Xueying immediately looked at Ye Chen, Mu Xueying finally knew why Ye Chen looked so sad.

Mu Xueying was not an expert in this matter, she didn't know what to do in a situation like this.

"Yueli, looks like she's in a bad mood, we should give her some time alone." Mu Xueying wanted to give Ye Chen some time to be alone, so Ye Chen might be able to accept this soon.

"Is Senior Sister Xueying sure about the matter?" Mei Yueli didn't know whether Mu Xueying suggestion was correct or not, whether they should give Ye Chen time to accept this matter on his own.

"Trust me, let's go." Mu Xueying took Mei Yueli away, leaving Ye Chen alone for a while.

In this situation it was useless for Mu Xueying and Mei Yueli to persuade Ye Chen, Ye Chen would not be happy about it instead.

So it was better to leave Ye Chen alone for a while so that Ye Chen could accept what had happened.

Mu Xueying of course knew what Ye Chen was like, he was too fond of the women he belonged to, if anything happened Ye Chen was the one who would always help all his women.

Chapter 1115 - Li Gun Re-planned His Plan

Meanwhile in a remote and very hidden place out of reach of people.

Right now the remaining Code Breaker organizations were taking a break, they looked very exhausted from the battle they had just fought.

Everyone was recovering the injured members, the number of injured was few, while the rest had been killed and left in the imperial city.

The people from the Code Breaker organization didn't bother to carry away the corpses of the members who had been killed, once they died it was confirmed that it was Game Over, no one would bother to take care of them all.

"Damn it, even though I almost killed him earlier, why did you back off at such an important moment" Li Gun looked very angry, he was really annoyed by this defeat.

Even though Li Gun would immediately kill Li Kun, if the troops didn't withdraw, then Li Kun would most likely have died in Li Gun's hands.

"Number One, the situation is out of control, our profound ark has been taken down and destroyed, so we can't help but withdraw. After all, all of the Solar Stone ammo that the main force has in your possession has been used to attack the King Realm, without that our people are not the opponent of the vast royal army," Number Two said to Li Gun.

"How can our profound ark be brought down so easily, when the profound ark is already equipped with solid Defense and very tight guard?" Li Gun asked who the person who had destroyed their profound ark was.

The profound ark that belonged to the Code Breaker organization had been modified for combat, the profound ark was covered in solid protection, so it wasn't easy to destroy the ark.

"The person who destroyed our ark is wearing a mask and a cloak, he also has a very strange attack technique, we all don't know who it is" a member of the Code Breaker organization answered Li Gun's question, he told that there was someone wearing a mask who had destroyed their profound ark.

"what ! ! !, only one person can do that, how can that be." Li Gun couldn't believe what he was hearing right now, how could all their profound arks be destroyed by just one person.

"Boss, it's a fact, if you don't believe it, you can ask others, they can see for themselves," said a person from the Code Breaker organization to Li Gun.

Everyone in the main army had seen when Ye Chen destroyed all the profound arks they had, so there were many eyewitnesses who had seen this.

"Boss, I happened to record what happened, please take a look." One of the main forces of the Code Breaker organization said that he had recorded the moment when Ye Chen destroyed the profound ark using the imaging stone.

"Quickly give it to me" Li Gun ordered to give the image stone to himself, Li Gun wanted to see the figure who had dared to destroy the big plan he had.

Li Gun immediately opened the imaging stone and saw what was inside, when Li Gun did this, Li Gun discovered the moment when Ye Chen used **DESOLATE PALMS** to destroy the profound ark belonging to the Code Breaker organization.

"Damn it" Li Gun smashed the image stone in his hand, he was very, very upset when he saw the contents in the image stone he had just seen.

Li Gun gritted his teeth, not expecting that his plan would be thwarted by just one person, this made Li Gun feel very angry.

"Who is this person, why would he want to interfere in my affairs?" Li Gun started to wonder who Ye Chen really was, why would Chen want to interfere in his business.

"Most likely this person has a relationship with the King Realm, otherwise how could he interfere in our matters" Number Two said to Li Gun.

Li Gun seemed to agree with what Number Two said, most likely this person had a relationship with Li Kun.

"Forget about this matter, have you found the information of the person who took our Solar Stone mine?" Li Gun asked the person in charge of this matter.

The person in charge immediately nodded to Li Gun, just now he had received information on the person who had taken the Solar Stone they had.

Actually he wanted to provide this information as soon as possible, but since Li Gun was in a bad mood, he had no choice but to wait for Li Gun to calm down.

"Boss, this person turned out to be one of the outer court disciples of the Nine Immortals Peak Sect, this person is the biggest suspect for taking our Solar Stone".

" what ! !, outer court disciple of the Nine Immortals Peak Sect, have you tried joking with me, how could an outer court disciple kill all the Goblins and take all those Solar Stones " Li Gun was furious when he received an answer that was not to his liking.

Li Gun only wanted the name of the person who had taken his Solar Stone, he didn't want to hear an uncertain answer like this.

"Sorry boss, the informants we have can only find information up to there, the person who has taken the Solar Stone is really very difficult to trace".

"You are useless." Li Gun lifted the body of the man who was in charge of searching for information about the Solar Stone thief, it could be seen that Li Gun was very angry with this person who was still looking for an excuse even after failing to do the task he gave him.

Everyone just fell silent when they saw what happened, all of them had nothing to defend the members who weren't doing well.

"I give you time to look for that person, if you don't find the person I want in the Nine Immortals Peak Sect, then I will kill you" Li Gun gave this person a second chance, Li Gun wanted this person to find information about the person who had stolen his Solar Stone mine.

"Okay Boss, I'll do it right away." The person in Li Gun's hand quickly nodded, he was very afraid that Li Gun would kill himself if he didn't nod.

"Good, quickly go to Nine Immortals Peak Sect and look for that person." Li Gun let go of this person, Li Gun told this person to go sneak into Nine Immortals Peak Sect and look for the person who had taken the Solar Stone.

"Yes, I'll be leaving immediately." With hearts filled with fear, the members of the Code Breaker organization immediately left, he and his subordinates would immediately infiltrate the Nine Immortals Peak Sect to seek the whereabouts of Ye Chen.

"Number One, you are too harsh on our members, you frighten them like that" Number Two said to Li Gun, he didn't want Li Gun to be too harsh on the other members.

"It's because they didn't do a good job, if they did their job well, maybe we've got our win" Li Gun said to Number Two.

"We still have another chance next time, after all the attacks we have done must have caused the empire's power to decline, they will definitely need time to restore their strength."

"You may be right, then we have to recruit more people and build more weapons, next time we will seize the Immortal Sky Empire" Li Gun said to Number Two.

"Then let's prepare everything, we will start again, we need to increase the strength of the weapons we have" Number Two said.

Chapter 1116 - I Can Live With You

The Code Breaker organization began to repair themselves, they corrected the mistakes they had made.

All success stems from mistakes, so the higher ups of the Code Breaker Organization believe that the mistakes they are making right now are the way to victory.

.

.

Back in the empire, Ye Chen is currently still standing at the place of Li Jingyi image, for some reason Ye Chen believes what is happening at this time, the reality feels very bitter for Ye Chen.

Ye Chen had been standing for about 3 hours in this place, he didn't move at all from this place, it seemed that Ye Chen didn't want to leave this place.

People kept coming to pay their respects and flowers, they all came from different locations.

These people ignored Ye Chen, they didn't care about Ye Chen who just stood there like a statue.

Their purpose here was to give flowers and greetings, so they paid no heed to Ye Chen who looked as silent as a statue.

These people thought Ye Chen was weird, they all thought Ye Chen was lacking work so he was silent like a statue.

When Ye Chen was silent, suddenly someone hugged him from behind.

Ye Chen felt that there were two soft things pressing against his back, these two big things were very soft and supple, the feeling they gave was very comfortable for Ye Chen.

Just from his sensation alone, Ye Chen could tell that the person hugging him was a woman, and from the size this was quite large, so it was most likely not Mei Yueli, Mu Xueying, Xia Qingyu or Mu Nianci.

"Who?" Ye Chen asked who the person behind him was, Ye Chen was very curious about the person behind him.

"Guess what?" A soft voice whispered in Ye Chen's ear, this woman was clearly telling Ye Chen to guess who she was.

When Ye Chen heard this voice, Ye Chen's body shook slightly, he was quite familiar with the voice behind him.

Ye Chen immediately turned around and looked back, when Ye Chen turned around and looked back, Ye Chen found that behind him was a woman wearing a robe to cover herself.

Because this woman was wearing a robe to cover her body, Ye Chen could only see the face of a beautiful woman who looked absolutely perfect like a goddess from the sky.

This woman smiled at Ye Chen, this woman's smile could make all men fall in love with her.

"Jingyi, is that you? Ye Chen couldn't believe what he was seeing right now, Ye Chen thought that what he was seeing was just a hallucination.

The beautiful woman in front of Ye Chen was Li Jingyi, she looked fine without the slightest bit of damage.

"Of course, have you forgotten me so soon" Li Jingyi said to Ye Chen.

Ye Chen immediately hugged Li Jingyi, Ye Chen hugged Li Jingyi to make sure that this was the real Li Jingyi, Ye Chen's embrace was very tight, he didn't want Li Jingyi to leave him again.

Li Jingyi couldn't help but smile at Ye Chen, Li Jingyi felt guilty that she had made Ye Chen sad and didn't tell him this matter from the start.

Li Jingyi had already planned this, Li Jingyi faked his own death to get away from the imperial palace, as a result Li Jingyi plan worked perfectly without anyone suspecting it, even if it was Ye Chen.

Initially Li Jingyi wanted to go see Ye Chen in a few days until the situation improved, but when Li Jingyi saw Ye Chen like this, Li Jingyi couldn't bear it, finally Li Jingyi decided to go see Ye Chen and tell him that she was still alive.

The two embraced for approximately 5 minutes, all of Ye Chen's longing disappeared immediately when Ye Chen hugged Li Jingyi body.

"Jingyi, Where have you been . . .?" Ye Chen asked how come Li Jingyi is still alive, if Li Jingyi is still alive, then who is given this ceremony.

"Husband, it's a very long story, let's go and find a place to talk" Li Jingyi took Ye Chen to find a quiet place to talk about this matter.

This place was not suitable for discussing matters like this, so Li Jingyi wanted them to leave this place.

" Okay. . ." Ye Chen immediately agreed to Li Jingyi request, Ye Chen would try to grant everything Li Jingyi wanted.

Ye Chen and Li Jingyi immediately left this place, both of them went to a place far from where they were now.

Li Jingyi decided to take Ye Chen to a tavern, this place was where Li Jingyi had been hiding for the time being.

"Wife, why did you bring me to this place?" Ye Chen asked why Li Jingyi brought himself to a place like this.

"This is where I'm hiding, I'll be hiding in this place for a while" Li Jingyi said to Ye Chen.

Li Jingyi told Ye Chen that this place would be her hiding place for a while.

"Oh" Ye Chen nodded, apparently Li Jingyi used this place to hide herself.

"Wife, can you tell me what happened?" Ye Chen wanted Li Jingyi to tell him what really happened, Ye Chen wanted to know the full details of what Li Jingyi did.

Li Jingyi started to explain what really happened to Ye Chen, herself explaining why she had done this.

After listening to Li Jingyi explanation, Ye Chen finally found out what had happened.

"So you're doing this just to get out of the imperial palace?" Ye Chen didn't expect Li Jingyi to do this just to get out of the imperial palace.

"Yes, that place is not comfortable for me, I feel trapped in that place" Li Jingyi told Ye Chen that he didn't like that place, Li Jingyi felt trapped when she was in that place.

"Yes, I can understand how you feel" Ye Chen said to Li Jingyi, Ye Chen could understand what Li Jingyi was feeling right now, he knew that Li Jingyi didn't like being caged like a bird.

"Husband, now that I'm free, I can live with you." Li Jingyi said that she wanted to live with Ye Chen.

"Uh, live with me?" Ye Chen did not expect that Li Jingyi would want to live together with him.

"So why, is it not allowed?, if not then I will look for another place. . ." Li Jingyi said a little sadly.

"Of course you can, but the problem is that I live in the Nine Immortals Peak Sect with a fairly small residence" Ye Chen said to Li Jingyi, Ye Chen told Li Jingyi that he was currently living in the Nine Immortals Peak Sect.

"It doesn't matter, the problem is that I haven't become a disciple of the Nine Immortals Peak Sect." Li Jingyi said that she had no problem staying in the Nine Immortals Peak Sect.

The problem was that Li Jingyi had yet to register as a disciple in the Nine Immortals Peak Sect, so it would be difficult for Li Jingyi to be in the Nine Immortals Peak Sect.

"How about we buy a house in a city adjacent to the Nine Immortals Peak Sect." Ye Chen came up with an idea to buy a house that was in the city closest to the Nine Immortals Peak Sect.

"That doesn't matter either." Li Jingyi nodded to Ye Chen, she would follow what Ye Chen wanted.

As long as Li Jingyi could be close to Ye Chen, then Li Jingyi didn't mind the trouble.

Chapter 1117 - You Can Use My Room

"Well if you agree, after returning later I will find a very nice house for us" Ye Chen said to Li Jingyi.

Ye Chen promised to find a decent house for them to live in, he had no problem with the price he had to pay, as long as Ye Chen and Li Jingyi could comfortably occupy it, then the price didn't matter.

Li Jingyi nodded, she was quite satisfied with Ye Chen's decision.

Even though she couldn't be with Ye Chen all the time, at least Li Jingyi could still be close to Ye Chen, so Li Jingyi didn't mind this.

Li Jingyi now feels free, she is free to do whatever she wants without any ties that bind her.

"wife, do you know that I was very sad when I heard the news about you" Ye Chen hugged Li Jingyi again, Ye Chen told Li Jingyi that he was sad when he heard the news of the death just now.

"Husband, I'm very happy that you've been worrying about me, I'm really happy to meet someone like you who wants to worry about me" Li Jingyi said to Ye Chen.

Li Jingyi was overjoyed when she saw Ye Chen was so worried when she wasn't around, it was proof that Ye Chen really loved her.

Ye Chen and Li Jingyi were close to each other, the two hugged and started to enjoy the wonderful time they had, it just so happened that the tavern was also very quiet at the moment, so no one would disturb Ye Chen and Li Jingyi time.

Time flew by so fast when Ye Chen was with Li Jingyi, when Ye Chen came to his senses, he didn't expect it to be late in the day.

"Wife, looks like I have to go" Ye Chen said that if he had to leave, it was likely that Mei Yueli and Mu Xueying would find him if they didn't come back right now.

"You definitely want to meet the two beautiful women you were with before, right?" Li Jingyi asked Ye Chen.

Li Jingyi was currently discussing about Mu Xueying and Mei Yueli, previously Li Jingyi saw that these two women felt quite close to Ye Chen, so Li Jingyi easily thought that Mu Xueying and Mei Yueli must have a relationship with Ye Chen.

"You're really great, you really easily guess my thoughts, Wife is great" Ye Chen said that Li Jingyi was really great, Li Jingyi could easily guess Ye Chen's thoughts.

"My dear wife, you will not be jealous of this matter, will you?" Ye Chen wanted to know whether Li Jingyi was jealous or not in this matter.

"Why am I jealous, if you really have the ability why don't you take them both on the bed" Li Jingyi said that she would not be jealous of this matter, Li Jingyi would prefer a sister to help her fight Ye Chen.

"You are indeed the best" Ye Chen was pleased with Li Jingyi's understanding, Li Jingyi is a gentle woman who can understand Ye Chen the most, she understands Ye Chen's current nature very well, Li Jingyi is almost similar to Zhao Yanyan, she lets instead push Ye Chen to get Mei Yueli and Mu Xueying.

Ye Chen said a few words to Li Jingyi, after saying a few words to Li Jingyi, Ye Chen left this place.

Before leaving, Ye Chen promised Li Jingyi to immediately take her away from this place to find a new home.

Ye Chen also hoped that Li Jingyi would contact him when she was in trouble, Ye Chen didn't want anything bad to happen to Li Jingyi again.

Li Jingyi nodded to Ye Chen, she really wanted to leave this place as soon as possible, it wouldn't be good for Li Jingyi to stay in this place or all her lies would be exposed soon.

Li Jingyi had planned this plan carefully and perfectly, after successfully carrying out all this carefully and perfectly, Li Jingyi should no longer be found by the troops or imperial people.

"Miss, are we going to leave the capital tomorrow?" Rin asked Li Jingyi.

"Yes, I will go tomorrow, you can go first to White Cloud city, if I'm not mistaken it is the closest city to Nine Immortals Peak Sect" Li Jingyi said to Rin.

"are you sure you're okay?" Rin asked if Li Jingyi was sure to live alone in this place.

"You don't have to worry, I can take care of myself." Li Jingyi said that he could take care of herself.

"Okay, then I'll go" Rin decided to leave this tavern to go to White Cloud city.

After Rin left, Li Jingyi went straight into the interior, there was a room that Li Jingyi could use for one night only.

.

.

After leaving the tavern, Ye Chen immediately looked for the whereabouts of Mu Xueying and Mei Yueli, it just so happened that Mu Xueying and Mei Yueli were in the same place with the core disciples of the other nine peaks.

All the core disciples of the Nine Immortals Peak Sect lived in the same district, the King Realm had given this district a place to live for the core disciples and elders of the Nine Immortals Peak Sect for the time being.

In the imperial city itself there are still a few districts left, some districts are used for evacuation sites, while others are for shelters for the reinforcements that arrived to help.

Ye Chen went downstairs, Ye Chen immediately looked for a suitable place for himself to stay tonight.

"Ye Chen" when Ye Chen arrived, Mei Yueli suddenly came over to Ye Chen.

Mei Yueli had been outside for a long time, she had always been waiting for Ye Chen's arrival.

Mei Yueli herself was still worried about Ye Chen's condition, Mei Yueli was afraid that Ye Chen's condition would worsen because of the previous incident.

"what?" Ye Chen immediately asked what happened.

"Are you feeling better?" Mei Yueli immediately asked if Mei Yueli was feeling better or not.

"I feel much better, you don't have to worry about me anymore." Ye Chen said that he was fine, so Mei Yueli no longer needed to worry about him.

Ye Chen was very good now, so Mei Yueli didn't have to worry about him anymore.

Mei Yueli saw Ye Chen's face, she could see that Ye Chen had improved somewhat than before, it seemed that Ye Chen's condition had really improved.

Mei Yueli was quite happy with this matter, she was relieved to see Ye Chen had improved.

"Where is Senior Sister Mu Xueying?" Ye Chen asked where Mu Xueying was, he had not seen Mu Xueying around this place.

"He currently has a lot of work, so he probably won't be able to see you." Mei Yueli told Ye Chen that Mu Xueying was busy.

"Is there any vacant rooms?" Ye Chen asked if there were still vacant rooms around this place.

"All rooms are full, but you can use the same room as me." Mei Yueli told Ye Chen to use her Room.

"Are you okay with this?" Ye Chen wanted to know if Mei Yueli was okay with this.

"No problem" Mei Yueli said that she didn't mind this, she didn't mind Ye Chen using her room.

"Come with me" Mei Yueli immediately ordered Ye Chen to come with her.

Ye Chen followed behind Mei Yueli, the two of them went to a room that Mei Yueli got.

Chapter 1118 - Ye Chen And Mei Yueli (1)

Mei Yueli immediately took Ye Chen to her room, it just so happened that Mei Yueli room was slightly in the corner, so not many people passed by this place.

Before entering the room, Mei Yueli didn't forget to look around the place, Mei Yueli made sure that no one saw her bringing Ye Chen inside.

After confirming that no one was following, Mei Yueli immediately took Ye Chen into her room, Mei Yueli immediately locked her room so that no one else could enter, plus Mei Yueli made a sound insulation to prevent sound from coming out.

Mei Yueli was afraid that if she was found by the female disciple of the Jade Lotus Peak, if that happened it would be very embarrassing for Mei Yueli.

A pure woman from Jade Lotus Peak brought a man into her room, if it were to be seen by others, then it might become a big scandal for Mei Yueli.

Mei Yueli herself knew the risk she had to take to make Ye Chen stay with her.

Mei Yueli took this risk to comfort Ye Chen from being sad again.

Mei Yueli naturally knew that Ye Chen must be very sad when he lost Li Jingyi, so Mei Yueli intended to comfort Ye Chen.

Ye Chen was brought into Mei Yueli room, Mei Yueli room looked pretty good too.

It seems that the King Realm prepared the best remaining district for the core disciples of the Nine Immortals Peak Sect, the core disciples of the Nine Immortals Peak Sect were treated very well by the King Realm.

The Nine Immortals Peak Sect was the second power after the Immortal Sky Empire, so it was not surprising that Mei Yueli and the others received quite special treatment from Li Kun.

"You can use this room as you want." Mei Yueli said that Ye Chen could use this room as he want.

"Well, if you say so then I won't hesitate anymore" After Mei Yueli said that she could do anything, then Ye Chen would not hesitate anymore.

Ye Chen immediately jumped onto the bed, he immediately fell asleep on the very comfortable bed.

Today was full of all kinds of things that made Ye Chen tired, which was why Ye Chen wanted to relax for a while.

Mei Yueli left, she went into another room in this place, no one knew what Mei Yueli was doing in that room.

Ye Chen didn't pay attention to what Mei Yueli was doing, he was enjoying his current leisure time.

Tomorrow Ye Chen and Li Jingyi will leave the empire, they will leave this place and look for a suitable house around the Nine Immortals Peak Sect.

Li Jingyi was now no longer a princess, she was now an ordinary woman who had freedom and had no attachments to the Immortal Sky Empire, so Li Jingyi was free to be with Ye Chen anytime and anywhere.

"Click. ." The door in another room was opened by Mei Yueli, Mei Yueli came out of the room wearing an ordinary non-transparent pajamas suit.

pajamas Mei Yueli looks normal without anything strange and open, is normally used by the innocent woman who did not know anything as of Mei Yueli

Although not too open, still, pajamas worn by Mei Yueli looks good and stimulating for use by Mei Yueli.

Mei Yueli came forward towards Ye Chen, she started sleeping beside Ye Chen, because of the previous incident, Mei Yueli had already gotten used to sleeping together with Ye Chen, Mei Yueli liked the feeling of sleeping together with Ye Chen.

The feeling of sleeping with Ye Chen was very comfortable for Mei Yueli, she liked the comfortable feeling she got from doing so.

Mei Yueli immediately turned off the lights in this room, the room immediately became dark when Mei Yueli did that.

"Isn't it still too late to sleep?" Ye Chen asked Mei Yueli.

It was still very late, so there was no way the two of them would sleep in this situation.

"You have to sleep to recover, I will accompany you like last night" Mei Yueli told Ye Chen to sleep and recover himself.

Mei Yueli knew that Ye Chen must be very exhausted from what happened earlier.

The situation was different from last night, last night Ye Chen was so exhausted that he had no strength but to sleep, now Ye Chen's condition is quite good, so when there is a beautiful woman right beside him, how can Ye Chen sleep like this.

Honestly, Ye Chen prefers to enjoy the beauty beside him, it seems that Mei Yueli delivers fresh meat to hungry wolves like Ye Chen.

Mei Yueli was now sleeping with her back to Ye Chen, she was quite embarrassed to sleep beside the conscious Ye Chen, this felt a little embarrassing than before.

Ye Chen looked at Mei Yueli who was in front of him, he could see Mei Yueli back which was quite beautiful, plus Mei Yueli current neckline looked quite tempting to look at.

Ye Chen couldn't stand it when he saw this, Ye Chen started to extend his hand to Mei Yueli who was in front of him.

Mei Yueli was slightly surprised when she felt Ye Chen's hand grab her body, unexpectedly Ye Chen would take the initiative to hug her.

Mei Yueli didn't put up a fight when Ye Chen did this to her, somehow Mei Yueli didn't want to put up a fight like before, Mei Yueli didn't feel anything uncomfortable about this, on the contrary Mei Yueli felt comfortable with what Ye Chen was doing.

Ye Chen's body started to get closer to Mei Yueli, now the distance between the two of them has been narrowed so that they are very close to each other.

Mei Yueli started to feel something stabbing behind her body, Mei Yueli started to think what was stabbing behind her body right now.

As Mei Yueli started to think about it, Mei Yueli finally remembered Ye Chen's big thing, what was stabbed in the back of her was most likely Ye Chen's big thing.

"It's so hot and hard, what should I do now" Seeing this, Mei Yueli started to look panicked and confused, Mei Yueli was confused what she should do to deal with this problem.

"Hey Yueli" Ye Chen whispered in Mei Yueli ear, himself blowing Mei Yueli ear.

"Ah. . ." Mei Yueli screamed when she felt her ear being blown by Ye Chen, there was a strange feeling when Mei Yueli felt this.

" what is it . . .?" with a face that was already as red as an apple?, Mei Yueli asked what Ye Chen wanted.

"Did you deliberately bring me here to tease me?" Ye Chen told Mei Yueli what he was currently thinking, Ye Chen felt that Mei Yueli brought herself here to tease him.

Mei Yueli face had completely turned red when she heard this, she didn't expect Ye Chen to say this to her.

"Who seduces you, I am not that kind of woman" Mei Yueli tried to deny Ye Chen's words.

"Then why did you do that?" Ye Chen asked why Mei Yueli did this, if not teasing her then what was Mei Yueli really planning at this time.

" that . . . Mei Yueli seemed to be having a hard time answering Ye Chen's question, she didn't know what else to say in this situation.

Chapter 1119 - Ye Chen And Mei Yueli (2)

Mei Yueli didn't have a reason to answer Ye Chen, she looked confused to answer Ye Chen's question.

Mei Yueli's flustered look was so cute for Ye Chen to see, Ye Chen felt amused when he saw this.

Mei Yueli was still the same, she couldn't be honest with her own feelings, therefore Ye Chen had to make Mei Yueli honest with her feelings.

In order to make a woman like Mei Yueli be honest, Ye Chen had to use a tougher approach, a gentle approach wouldn't work for Mei Yueli.

Ye Chen's hands began to explore where Mei Yueli double peaks were already quite well developed, although not as big as Li Jingyi and Xue Suyin, it was still quite big for a woman's size, a man who could touch this would definitely be satisfied enough to touch her.

"Erm. . ., Ye Chen what are you trying to do?" Mei Yueli started to let out a groan, she asked what Ye Chen would do to her.

"You think what I'm doing right now, you must already know the answer" Ye Chen said to Mei Yueli.

Without needing to tell Mei Yueli the answer, Mei Yueli would already know what Ye Chen was up to at this point.

Mei Yueli did know what Ye Chen was doing right now, Ye Chen was too bold and too blatant to do something like this to Mei Yueli.

"Ye Chen how can you do something like this to me" Mei Yueli said to Ye Chen, Mei Yueli couldn't believe that Ye Chen would do something like this to her.

"Isn't it your own fault for inviting the wolf into your room?" Ye Chen said to Mei Yueli.

From the start this was Mei Yueli fault, Mei Yueli had invited the wolf into her room, how could a hungry wolf like Ye Chen be willing to let Mei Yueli look like fresh meat to him.

Plus Ye Chen libido was getting out of hand, Li Jingyi alone couldn't handle this, so Ye Chen needed Mei Yueli instead.

Ye Chen had already started to think about his body which already had enough Yang Qi, otherwise it wouldn't be good for Ye Chen.

Plus Li Jingyi alone wasn't enough for Ye Chen, so Ye Chen had to find some wives who could help him with this.

And Mei Yueli is suitable for this, Mei Yueli has a little relationship with Ye Chen's women, so Ye Chen's women will definitely easily accept Mei Yueli.

Mei Yueli seemed to have made a mistake by inviting Ye Chen, she was like putting herself in the mouth of a hungry wolf.

"Yueli, do you want ?" Ye Chen whispered in Mei Yueli ear, he asked if Mei Yueli would or not to do that together with him.

"I don't know" Mei Yueli answered uncertainly, she still felt shy when discussing sensitive matters with Ye Chen.

"You're still like this, it seems I have to take the initiative" Seeing Mei Yueli who looked shy, Ye Chen had to act immediately, if Ye Chen didn't take the initiative first, then it was certain that Mei Yueli would never be honest with her feelings.

Ye Chen used his power to turn Mei Yueli body, without waiting for Mei Yueli reaction, Ye Chen immediately kissed Mei Yueli.

Since Mei Yueli was currently wearing a veil, Ye Chen and Mei Yueli lips were currently separated by a layer of veil, so the lips of the two were not in direct contact.

Even though they had not been in direct contact, Mei Yueli still felt that if this was a kiss, Ye Chen had taken hers.

When kissed by Ye Chen, for some reason Mei Yueli body suddenly became weak and lost strength, a very good and comfortable feeling flooded Mei Yueli body.

It didn't stop there, Ye Chen pulled Mei Yueli pajamas, with a bit of Ye Chen's strength, Mei Yueli pajamas was quickly torn.

"Ah. . ." Mei Yueli looked shocked when she saw Ye Chen tearing her clothes, this man openly tore Mei Yueli clothes.

Mei Yueli frantically tried to cover her body with her hands. Mei Yueli was really embarrassed to show this in front of a man.

"Don't look" Mei Yueli thanked Ye Chen for not looking at her.

"There's no need to cover it up anymore, I've seen it before." Ye Chen said that he had seen Mei Yueli body, so there was nothing for Mei Yueli to hide.

"You, I still remember that you used to peek at me when you were at Qingyu house" Mei Yueli still remembered that Ye Chen had peeked at her when changing clothes.

"Back then I wasn't clear in seeing it, but now I can see it a little bit" Ye Chen said to Mei Yueli.

Even though the room was a little dark, Ye Chen could still see Mei Yueli body in front of him, Mei Yueli body was quite perfect and had developed very well.

The women from Jade Lotus Peak were indeed the best, they were beauties that were quite rare in the God Realm.

Ye Chen hoped that one day Ye Chen could live in Jade Lotus Peak, if Ye Chen could stay at Jade Lotus Peak, it was very likely that Ye Chen would live very comfortably while being surrounded by extremely rare beauties.

Too bad it would likely be difficult to happen, Jade Lotus Peak only accepted girls, so this possibility would be an impossibility.

Even though he couldn't join the Jade Lotus Peak, Ye Chen could still enjoy the beauty of the Jade Lotus Peak like Mei Yueli, this was a very pleasant thing for him to do.

"Ye Chen you should be responsible for having dared to peek at me" Mei Yueli said that Ye Chen should be responsible because Ye Chen had dared to peek at her.

Mei Yueli really keeps her innocence, sadly Mei Yueli innocence has been destroyed by Ye Chen.

"So you want me to be responsible, as a responsible man, of course I will be responsible" Ye Chen is a very responsible man, himself will be responsible for what he has done to Mei Yueli.

Mei Yueli was happy when she heard this, as she had expected Ye Chen to be a man who wanted to take responsibility.

Jade Lotus Peak had a rule not to show their face to outsiders, if they wanted to do that then they had to follow the person who had seen the face they had.

Mei Yueli had already decided to follow Ye Chen, she had completely fallen for the man who always irritated her.

Mei Yueli herself felt strange, how could she like someone like Ye Chen who always irritated her every time Ye Chen, at first Ye Chen's lewd behavior was quite annoying for Mei Yueli, but after being with Ye Chen for a while, Mei Yueli felt if what Ye Chen did wasn't too bad either.

After saying that to Mei Yueli, Ye Chen started to touch every inch of Mei Yueli part, Ye Chen enjoyed every inch of Mei Yueli skin, Mei Yueli skin looked soft and smooth to the touch, plus there was a pleasant scent that could be inhaled by Ye Chen nose.

This scent can make Ye Chen feel excited, every woman is indeed very fragrant, they are like flowers that emit a musty scent that hypnotizes anyone who inhales them.

Chapter 1120 - Ye Chen And Mei Yueli (3)

Every inch of his touch made Mei Yueli feel an extremely comfortable feeling.

The feeling was really very pleasant, Mei Yueli started to think how could Ye Chen have the hands of a god that could make her feel this comfortable.

Mei Yueli started to moan in a small voice, trying not to make a big sound.

Mei Yueli was afraid of being discovered by others, so Mei Yueli tried to keep her voice down.

"Do you like this thing?" Ye Chen asked Mei Yueli, Ye Chen wanted to know if Mei Yueli liked this thing or not.

"Yes, I like this thing." Mei Yueli said that she liked this, she wanted Ye Chen to continue doing comfortable touches.

Ye Chen felt proud when he found out that Mei Yueli liked this, now it would be easier for Ye Chen to do whatever he wanted to Mei Yueli.

Ye Chen stretched out his hand to the bottom of Mei Yueli, Ye Chen immediately explored a location that had never been touched by anyone.

"Oh. . . , Noooooooo . . ." Mei Yueli immediately tried to stop Ye Chen, she really wasn't ready to let Ye Chen do this to her.

Mei Yueli used her hands to cover the part, Mei Yueli didn't want Ye Chen to see hers.

"Calm down, you don't need to be afraid like that, I guarantee you will be happy" Ye Chen tried to calm Mei Yueli down, he wanted Mei Yueli to calm down and leave this matter to himself.

After being persuaded by Ye Chen a bit, Mei Yueli finally wanted to put her hands on this matter, She leaving everything to Ye Chen who was experienced in this kind of business.

After Mei Yueli got rid of her hands, Ye Chen was finally able to freely explore Mei Yueli secret garden, with a little skill Ye Chen started having fun in this secret garden.

"Oh." Mei Yueli loud voice instantly leaked out when Ye Chen used her skill.

Mei Yueli had a much better feeling, Mei Yueli head started to go blank and it felt like it was floating when Ye Chen did this to her.

Ye Chen started to become more and more fierce, he started exploring Mei Yueli cave, Ye Chen wanted to have a little taste of what Mei Yueli was like.

When Ye Chen tried it, Ye Chen found that Mei Yueli place was quite narrow and still closed, it was waiting for someone to open it.

Ye Chen couldn't wait to open Mei Yueli gate which was still tightly closed, he couldn't wait for this.

What Ye Chen did made Mei Yueli feel very excited, Mei Yueli even subconsciously reached the peak of 2x, this made Mei Yueli secret part drenched when Ye Chen touched it.

After feeling that the preparations were sufficient, Ye Chen wanted to go straight to the main event, he wanted to directly get Mei Yueli who was in front of him.

Ye Chen started to take off his clothes in front of Mei Yueli, he immediately let go of his younger brother who had woken up from sleep.

Mei Yueli was currently still in a slightly confused state because she was made to reach the top, when Mei Yueli realized she had already seen Ye Chen's huge object in front of her.

Finally, after a while Mei Yueli was able to see Ye Chen's large object at such a close distance, Ye Chen's thing was very large, it was much bigger and longer than what Mei Yueli saw that night.

"Will it fit?" Mei Yueli first thought was shock and panic when she saw Ye Chen's, she didn't know if she could withstand something like Ye Chen's.

Even though Mei Yueli was a little scared, Mei Yueli still wanted to give it a try, this big and long thing always appeared in Mei Yueli mind all the time, so she wanted to give it a try.

Mei Yueli started to reach out towards Ye Chen's big object, she started to reach for it like she was reaching for the favourite thing she wanted.

For the first time Mei Yueli was willing to take the initiative, she started to take the initiative to touch Ye Chen.

Mei Yueli ventured to touch Ye Chen's, with a slight movement, Mei Yueli finally managed to grab Ye Chen's thing.

When Mei Yueli grabbed Ye Chen's thing, Mei Yueli could feel a hot and hard feeling, plus one thing that Mei Yueli was still unable to hold onto Ye Chen's.

"Um. . ., Ye Chen can you teach me how to play this thing?" With a bit of courage, Mei Yueli wanted Ye Chen to teach her how to play with this big thing like Li Jingyi had done.

"Hehehe, of course, let me teach you, you ask the right person." Ye Chen was happy when he heard Mei Yueli say this, he couldn't wait to train Mei Yueli to become a woman who could satisfy Ye Chen.

Ye Chen started to teach Mei Yueli how to do Dual Cultivation, with Ye Chen's very wise direction, then Mei Yueli can definitely become an expert in Dual Cultivation.

Mei Yueli nodded to Ye Chen, she would try to do as Ye Chen explained.

At first Mei Yueli felt that what Ye Chen said would be difficult for her to do, but after a little push in her heart Mei Yueli started to gain her confidence.

Mei Yueli started to serve Ye Chen's thing, she used her small hand to hold Ye Chen's large object which was unreasonable in size for Mei Yueli.

Even Mei Yueli needed her two hands to hold Ye Chen's thing, there were still some parts that Mei Yueli couldn't reach.

With a slight movement, Mei Yueli began to hold and caress Ye Chen's large object.

At first Mei Yueli was a little afraid of Ye Chen's, but after touching and caressing for a while Mei Yueli felt quite a pleasant feeling from this.

No wonder Li Jingyi at that time really enjoyed this, apparently this was the reason.

Mei Yueli tried not to mention Li Jingyi, she didn't want to make Ye Chen feel sad again because of that matter.

So Tonight Mei Yueli would try to satisfy Ye Chen to the best of her ability.

Even though Mei Yueli was initially afraid of men because in the past she had tried to be harassed by people she didn't know, but now Mei Yueli actually took the initiative to do something like this to a man, this would never have occurred to previously Mei Yueli.

Mei Yueli movements felt quite comfortable for Ye Chen, it seemed that Mei Yueli was quite quick to learn from what Ye Chen had previously said.

This is much better than Ye Chen expected, it seems that Mei Yueli has the talent to do this.

Honestly at first Ye Chen didn't have high hopes for Mei Yueli abilities, he predicted that Mei Yueli abilities would not be good, but it turns out that Mei Yueli abilities are this great, it seems that Ye Chen will find it easier to develop Mei Yueli with enough practice.

Mei Yueli saw how Ye Chen's reaction was when she did this, when Mei Yueli saw Ye Chen's reaction, she saw that Ye Chen really enjoyed this, this made Mei Yueli very satisfied, it's not strange that Li Jingyi I used to love this but it turns out this is the reason.
