

A True God 1121

Chapter 1121 - Service Behind The Veil

Mei Yueli immediately accelerated her movements, from the lessons she learned that getting faster and stimulating her movements would make the other party comfortable and happy.

Ye Chen enjoyed what Mei Yueli did, it could be seen that Mei Yueli did this with all her heart.

Ye Chen could feel it when he felt Mei Yueli's hand gesture, it was clear that Mei Yueli's hand gesture looked very fond of Ye Chen's.

Mei Yueli was already starting to like the big thing that Ye Chen had, she loved this big thing with all her heart.

Mei Yueli was getting impatient with what was in front of her, she wanted to immediately try the taste of this huge thing in her hands.

Mei Yueli had been harboring this curious feeling for quite some time, Mei Yueli really wanted to know what this thing tasted like.

Why so many women liked this thing, whether it was delicious or not, this was a mystery to Mei Yueli.

Mei Yueli had to give it a try, otherwise this curiosity would persist.

Mei Yueli started to take off her veil, wanting to taste the taste of Ye Chen's big thing.

"Dear, wait a minute. . ." when Mei Yueli wanted to take off her veil, Ye Chen immediately stopped what Mei Yueli was doing.

" Why?" Mei Yueli immediately asked why Ye Chen stopped her, Mei Yueli still didn't understand why Ye Chen stopped her.

Even though Mei Yueli intended to give a great gift to Ye Chen's younger brother, why did Ye Chen stop Mei Yueli from doing that.

"You don't need to take off that veil of your face, you can still wear it, I want to try to do this with a woman who wears a veil." Ye Chen said to Mei Yueli what he wanted.

Ye Chen himself had never played with a woman who was still wearing a veil like Mei Yueli, so Ye Chen wanted to give it a try, whether or not it would be fun to have Dual Cultivation Relationship with a woman who wore a veil on her face.

"But won't that bother me?" Mei Yueli said that it might bother her.

"You just try it first" Ye Chen told Mei Yueli to try it first.

"Okay. . ." Mei Yueli nodded, she would do as Ye Chen wished.

Mei Yueli started to open her mouth, she immediately put the object in her hand under her veil.

As Mei Yueli did this, Ye Chen could feel a slight tingling feeling, Mei Yueli veil started to tickle hers.

This feeling is not bad, Ye Chen quite likes this feeling, besides that there is a warm and moist feeling.

"huppp" Mei Yueli immediately ate part of Ye Chen's big thing, when she did this, Mei Yueli could feel her mouth getting very tight.

The large thing that Ye Chen currently had filled Mei Yueli mouth, this made Mei Yueli cheeks slightly puff out.

When Mei Yueli ate Ye Chen's big thing, Mei Yueli started to look difficult to breathe, this was because Ye Chen's big thing was quite stuffy in her mouth.

At first Mei Yueli wanted to spit out Ye Chen's thing, but after a bit of struggle and adjustment, Mei Yueli finally got used to Ye Chen's.

Mei Yueli didn't know what was good about Ye Chen's, she felt that it was hard to eat, and the taste was also a little strange for Mei Yueli.

Plus it gave off a scent that made Mei Yueli head slightly dizzy.

Even so, Mei Yueli still wanted to taste Ye Chen's thing, she wasn't satisfied if she hadn't tasted Ye Chen's thing for herself.

After getting used to it, Mei Yueli started to move back and forth according to what Ye Chen taught, Mei Yueli also paid attention to her teeth so as not to hurt Ye Chen's younger brother.

Mei Yueli also used her tongue to ensnare Ye Chen's younger brother, Mei Yueli meant to make Ye Chen feel comfortable

At first Mei Yueli was a little clumsy in doing this, but after a few minutes, Mei Yueli finally started to become quite skilled.

Mei Yueli started to experiment on her own, she made some new moves that made Ye Chen feel very comfortable.

Mei Yueli saw Ye Chen's reaction when she was doing service for Ye Chen, Ye Chen seemed to be enjoying this very well.

Mei Yueli herself also began to feel that doing this was quite enjoyable, there was a certain satisfaction in Mei Yueli heart.

Mei Yueli now knew why Li Jingyi looked crazy that night while doing this, it turned out to be a lot of fun to do.

"Jubo . . . , Chuuuu , Jubo . . . , Chuuuu , Jubo . . . , Chuuuu" Mei Yueli started kissing and moving back and forth, she really looked like a veteran who had quite a bit of experience.

"Dear, you are really really great" Ye Chen started praising Mei Yueli skill, Mei Yueli was a virgin who could make Ye Chen feel this kind of feeling.

Ye Chen started to wonder if Mei Yueli had done this before, how come Mei Yueli skills were already great even though it was the first time she had done this.

Initially Ye Chen could confirm that Mei Yueli was a rookie, but after about 15 minutes, Mei Yueli skills had actually improved tremendously.

Mei Yueli was very happy with the praise that Ye Chen had given her, Mei Yueli started to become more and more aggressive after receiving Ye Chen's praise.

Women from Jade Lotus Peak were indeed something, on the surface they might appear calm and difficult to approach, but when they were provoked they would become extremely aggressive women.

Possibly this was a pent-up desire they had, the women of the Jade Lotus Peak quite rarely had male interactions, so surely the desires they had piled up and caused them a lot of trouble.

When their desire is released, they can become very aggressive, for example Mei Yueli and Mu Xueying, both of whom became very aggressive when in a relationship with Ye Chen.

Honestly, Ye Chen prefers aggressive women, there is a very pleasant feeling when playing with aggressive women.

30 minutes quickly passed, Mei Yueli was still loyal to serve Ye Chen with all her heart, Mei Yueli didn't even show any signs of being tired when helping Ye Chen solve his problems.

Mei Yueli persistence is commendable. Mei Yueli shows her love for Ye Chen.

Ye Chen had already reached his limit, what Mei Yueli was doing was very aggressive, this made Ye Chen at his limit.

Seeing that he was already at his limit, Ye Chen immediately grabbed Mei Yueli hair, he didn't let Mei Yueli escape.

"Byur . . ." Ye Chen directly poured his Yang Qi into Mei Yueli.

Mei Yueli cheeks immediately puffed up when she received Ye Chen's immense and rich Yang Qi.

Being covered by a veil, Ye Chen couldn't see this, Ye Chen took it all out on Mei Yueli.

Since Ye Chen's Yang Qi could no longer be contained, Mei Yueli could not help but absorb Ye Chen's Yang Qi.

Mei Yueli didn't really like this, but after slightly trying Ye Chen's Yang Qi Essence, Mei Yueli immediately absorbed it all into her body.

Chapter 1122 - [Bonus]Mei Yueli Likes To Be Misused

After trying it a bit Mei Yueli finally really liked Ye Chen's Yang Qi Essence, Ye Chen's Yang Qi essence taste tasted like food from another world, this taste couldn't be compared to anything Mei Yueli had tried.

Mei Yueli continued to absorb Ye Chen's Yang Qi Essence, she didn't spare any of Ye Chen's Essence, Mei Yueli was like a starving Succubus.

"Ye Chen I didn't expect it to taste so good" Mei Yueli honestly told Ye Chen the feeling when Mei Yueli absorbed all of Ye Chen's Essence.

"Really, do you really like it?" Ye Chen asked Mei Yueli, now Mei Yueli was starting to be a little honest with herself.

Ye Chen liked seeing Mei Yueli looking so honest, Mei Yueli actually looked so honest when talking about this matter.

"I want to taste this every day" Mei Yueli said that she wanted to do this Every day, Mei Yueli really liked serving Ye Chen's younger brother.

"I'm afraid that I will dry if you do it every day" Ye Chen tried to joke a little with Mei Yueli, Ye Chen told Mei Yueli that he could dry if he sucked every day by Mei Yueli.

"I can't believe it, you have so many wives, but you still look healthy, I think doing this every day won't burden you" Mei Yueli said to Ye Chen.

After hearing this, Ye Chen felt that Mei Yueli was getting more and more attractive, this made Ye Chen want to immediately subdue Mei Yueli so that she would know what Ye Chen was like.

Ye Chen immediately pulled Mei Yueli body, himself Turning Mei Yueli body.

"Ye Chen what do you want?" Mei Yueli immediately asked what Ye Chen wanted to do to her.

"What do you think I will do?" Ye Chen said in a tone that looked like he had a bad plan to Mei Yueli.

Mei Yueli felt something bad was about to happen, she could feel it when she was in this position.

Mei Yueli position was now on her knees with her back to Ye Chen, it seemed that Ye Chen wanted to play with Mei Yueli from behind.

Ye Chen didn't want to waste his time, he immediately positioned his object towards Mei Yueli gate, Ye Chen's soldiers started to raise his spear and prepared to break into Mei Yueli stronghold.

Mei Yueli could feel Ye Chen's great warriors around her fort, it seemed that Ye Chen was already preparing to attack her.

"Ye Chen wait a moment" Mei Yueli was a little afraid of this, she was afraid that Ye Chen's soldiers would kill her.

Ye Chen's size was much larger than the average male in the God Realm, so Mei Yueli wasn't sure that this would fit.

"It's too late to surrender, let's start the battle" Ye Chen said that it was too late for Mei Yueli to surrender, the battle was about to start, Mei Yueli couldn't cancel this battle.

Ye Chen's troops directly broke through Mei Yueli gate, they did this in just one move.

"Ah. . ., this hurts . . ." Mei Yueli felt excruciating pain, Mei Yueli felt that her body was being torn into two pieces.

Tears started to fall from Mei Yueli eyes, Mei Yueli was dripping because of the pain she was going through.

Even though Mei Yueli had prepared herself, the pain was still so strong that it made Mei Yueli shed tears.

Ye Chen who saw this immediately tried to calm Mei Yueli down, he immediately tried to persuade Mei Yueli to hold on and hold on for a while.

"Baby, you can hold it in for a while, it will be comfortable" Ye Chen said to Mei Yueli.

Mei Yueli just nodded to Ye Chen, she obeyed what Ye Chen said.

After a while the pain began to subside and was replaced by a slightly itchy feeling and a very pleasant feeling.

Mei Yueli started to squirm a little to relieve the itching feeling on her body.

Seeing the reaction shown by Mei Yueli, Ye Chen finally started to move inside Mei Yueli honey cave which felt very tight tight and hot.

Ye Chen felt like he was melting when he stepped into this thing, this feeling made the fire in Ye Chen's heart grow even bigger.

"Oh. . ." Mei Yueli started to moan as Ye Chen moved, it could be seen that Mei Yueli felt a very comfortable feeling inside her body.

This feeling of comfort was extraordinary, Mei Yueli felt very comfortable with this feeling, Mei Yueli brain was now only filled with what she did with Ye Chen, there was no other thought that Mei Yueli could think of.

Mei Yueli didn't hold back her voice at all, she let out a scream that echoed through the room.

Luckily Mei Yueli had previously set up a sound insulation barrier, otherwise Mei Yueli voice would have leaked out and been heard by the woman from Jade Lotus Peak.

In just a few moves from Ye Chen, Mei Yueli was really close to defeat, Mei Yueli stamina was very low, this made Mei Yueli quickly defeated by Ye Chen.

Ye Chen could easily understand this, he knew that Mei Yueli was a beginner, so this was normal for a beginner who had never done this.

"Ye Chen don't stop, keep going." Mei Yueli asked Ye Chen to continue, she could still fight against Ye Chen.

"Well, if you say so, I will continue" Since Mei Yueli wanted her to continue this battle, Ye Chen attacked Mei Yueli again.

Mei Yueli again faced the onslaught of Ye Chen's younger brother who was extremely strong and fierce.

Mei Yueli didn't care about her defeat, she liked the sensation that Ye Chen gave her, this feeling was indeed the best in this world.

The happiness of being a real woman is indeed the most extraordinary thing, now that Mei Yueli knows why there are so many women willing to voluntarily follow Ye Chen, it turns out that this is the reason.

Ye Chen looked at Mei Yueli in front of him, Mei Yueli expression was very lewd, it seemed that Mei Yueli liked to be abused by her.

Now that Ye Chen had just seen Mei Yueli true nature, it turns out that Mei Yueli likes to be misused like this.

The more Ye Chen was tough on Mei Yueli, the more Mei Yueli seemed to enjoy this.

After knowing this, Ye Chen no longer held back, he used all his abilities to make Mei Yueli feel happy.

Mei Yueli was made to reach heaven with Ye Chen's abilities, she really liked being abused by Ye Chen.

"Ye Chen you are great, keep doing me more" Mei Yueli kept asking Ye Chen for more, she wanted Ye Chen to abuse her.

"Just watch, I will make you feel a feeling you will never forget" Ye Chen said that he would give me something that Mei Yueli would never forget.

"Please do it" Mei Yueli wanted Ye Chen to do that to her, Mei Yueli really wanted to engrave the good times with Chen in her memory.

Ye Chen and Mei Yueli were both aggressive, both of them did this almost all night long, they both didn't care about the other core disciples around, they both just wanted to have fun in their own world.

Chapter 1123 - Leaving The Imperial City

Ye Chen and Mei Yueli practiced Dual Cultivation for almost a night, the two of them working together to achieve each other's satisfaction.

Even Mei Yueli who was initially considered weak by Ye Chen was able to endure to the end when fighting Ye Chen.

Even though Mei Yueli was now unable to go and fight Ye Chen, she was completely exhausted and had exhausted her strength.

Right now all Mei Yueli could do was curl up in Ye Chen's arms, she was enjoying her time living in Ye Chen's arms.

"Wife how are you feeling?" Ye Chen asked how Mei Yueli felt this way.

"I'm so tired, you're too strong and fierce, you make it hard for me to move" Mei Yueli told Ye Chen how she was feeling right now.

"Don't you like this thing?" Ye Chen asked if Mei Yueli didn't like their Dual Cultivation.

"Of course I like it, it's something very fun and amazing that I've ever experienced." Mei Yueli naturally enjoyed doing Dual Cultivation together with Ye Chen, it was the most enjoyable thing Mei Yueli had ever experienced in her life.

"I'm glad you like it." Ye Chen was happy that Mei Yueli liked Dual Cultivation, now Mei Yueli seemed to be more honest with herself.

Honestly Ye Chen prefers this kind of Mei Yueli, he likes Mei Yueli who is honest with her feelings.

"I'm so tired, I want to rest." Mei Yueli said that she wanted to rest.

"You can rest here, I want to return to the Sect" Ye Chen said that he wanted to return to the Sect.

"Why so fast?" Mei Yueli immediately asked why Ye Chen wanted to return to Nine Immortals Peak Sect so quickly.

Whereas Mei Yueli hoped that Ye Chen could accompany her here as long as possible, but Ye Chen instead wanted to return to the Nine Immortals Peak Sect.

"I have some business to attend to, so I beg you to understand," Ye Chen said to Mei Yueli.

Ye Chen had made a promise to Li Jingyi, so Ye Chen had to keep his promise, lest Li Jingyi be angry with him for this matter.

"So you have some business to attend to, if that's the case then I won't be able to stop you." Because Ye Chen said he had important business to do Mei Yueli couldn't stop Ye Chen.

"Thank you very much" Ye Chen thanked Mei Yueli for understanding him.

"Would you like to come with me?" Ye Chen invited Mei Yueli to come with him.

"No, I'm really tired, so I thought I wouldn't go with you, I'll rest here and come back with the others." Mei Yueli said that she would rest and return with the female Disciple of Jade Lotus Peak.

"Okay" Ye Chen understood, if it was Mei Yueli's decision, then Ye Chen wouldn't be able to change it.

After all, Mei Yueli looked extremely exhausted after one night's Dual Cultivation, so it wasn't strange that she wanted to rest to recover.

Ye Chen got up from the bed, he started to put his clothes back on the floor.

With a quick movement, Ye Chen immediately put on all the clothes he had.

After wearing them all, Ye Chen intended to leave this room.

"Ye Chen. . ." just as Ye Chen was about to leave Mei Yueli suddenly called out to him.

" what is it ?" Ye Chen asked what Mei Yueli called him, did Mei Yueli change her mind or something.

"Make sure you don't get found by others, I don't want people to think badly of the two of us" Mei Yueli asked Ye Chen to be careful not to be found.

If this was discovered by someone else, Mei Yueli could be expelled from the Jade Lotus Peak, if that were to happen then Mei Yueli would be very, very sad.

"You don't have to worry, just leave it to me" Ye Chen told Mei Yueli not to worry about this matter, she would definitely not be discovered by others.

Mei Yueli was relieved when she heard this from Ye Chen, Mei Yueli herself didn't want to publicize this to the outside world, she still didn't want to do that because Ye Chen was still an outer court disciple.

In Nine Immortals Peak Sect Outer court disciples were forbidden to have relationships with core disciples or elders, this was the rule governing equality within the Sect.

The purpose of this rule was so that core disciples would not bully outer court disciples, if the relationship between higher positions was allowed there would definitely be disputes in the Nine Immortals Peak Sect because of this matter.

Ye Chen left Mei Yueli place, Ye Chen immediately moved to the tavern where Li Jingyi was hiding.

Ye Chen tried to hide as he went to Li Jingyi place, trying to get rid of any traces so as not to be found.

Ye Chen himself tried to hide Li Jingyi whereabouts from others, he didn't want Li Jingyi to be found by the people of the Immortal Sky Empire and taken away by them.

The soldier of the Immortal Sky Empire would definitely not recognize Li Jingyi anymore, that was because Li Jingyi had already used her peerless true face.

So in this world only Ye Chen could possibly know about Li Jingyi, this was a little secret that both Ye Chen and Li Jingyi shared.

After a while Ye Chen finally arrived at where Li Jingyi was, when Ye Chen arrived Li Jingyi happened to be waiting in front of the tavern wearing a robe to hide her appearance.

Li Jingyi had been waiting since before, it could be seen that Li Jingyi had been waiting for Ye Chen's arrival for a long time.

Li Jingyi was quite excited to leave the capital and live together with Ye Chen, so Li Jingyi had been waiting at this place since early in the morning.

"Wife, have you waited long enough?" Ye Chen asked Li Jingyi.

"No, I was just waiting for you" Li Jingyi didn't complain to Ye Chen at all, she could easily understand Ye Chen's delay.

Li Jingyi is the ideal woman, she easily accepts Ye Chen's mistakes and delays.

"Then let's go right now." Ye Chen immediately asked Li Jingyi to leave the imperial city.

"Yes." Li Jingyi hurriedly nodded, she couldn't wait to leave the imperial capital.

Ye Chen and Li Jingyi joined hands to leave the imperial capital, they left the empire by sneaking away, both of them took advantage of the existing gap to leave the imperial city.

The reason Ye Chen and Li Jingyi sneak out was because they knew that they would most likely find it difficult to leave the imperial city which was in chaos, there would definitely be checks on everyone going in and out of the imperial city.

Coupled with Li Jingyi current beauty, there was bound to be an unwanted problem.

Sometimes excessive beauty can cause tremendous problems, this is written in ancient books that explain the collapse of a great dynasty because of beauty goddess.

with Li Jingyi current beauty face, there would definitely be a lot of trouble if Ye Chen went through the guard post.

So Ye Chen chose to sneak in secretly together with Li Jingyi.

Li Jingyi herself didn't mind this, Li Jingyi followed everything Ye Chen wanted without asking anything.

Chapter 1124 - Buying A House With Li Jingyi

Ye Chen and Li Jingyi easily left the imperial city, the two of them headed towards White Cloud city which was not far from the Nine Immortals Peak Sect.

Ye Chen's plan was still the same as before, he was going to find a house with Li Jingyi, this would be the home for Li Jingyi to live in for a while, this could all be a love nest for Ye Chen and Li Jingyi.

a few moments after leaving the empire, Li Jingyi looked at the city, she looked at the city that had been her residence for a long time.

From now on Li Jingyi would leave this place and did not know when she would return to this place.

" what is it ?" Ye Chen immediately asked Li Jingyi, Li Jingyi always looked back to look at the distant imperial city.

"It's okay, let's go." Li Jingyi took Ye Chen away, she wanted to go to White Cloud city immediately.

Li Jingyi had already made up her mind, she must not regret the decision she had made.

Li Jingyi still had Ye Chen so she definitely wouldn't feel lonely in the future.

Plus Ye Chen had many wives, so these women would become close sisters to Li Jingyi.

Li Jingyi herself still doesn't know about the wife that Ye Chen has, whether Li Jingyi can get along or not is still unknown to Li Jingyi.

Li Jingyi could only hope that Ye Chen's wife could accept her, this was the only hope that Li Jingyi could wish for.

Ye Chen and Li Jingyi flew together towards White Cloud city, both of them flew at a fairly slow speed, so it took some time to get to White Cloud city.

Ye Chen deliberately slowed down his speed, this was so that Li Jingyi could keep up with Ye Chen's speed.

Until now, Ye Chen had not realized that Li Jingyi cultivation was much higher than Ye Chen had imagined, with Li Jingyi current strength, it should not be difficult for Li Jingyi to catch up with Ye Chen.

The problem was that Li Jingyi herself was still hiding her strength from Ye Chen, she still hadn't shown her strength to Ye Chen.

Li Jingyi will temporarily hide this, this is done by Li Jingyi to protect Ye Chen from the shadows, who knows Ye Chen needs Li Jingyi help to do something important.

Li Jingyi and Ye Chen made the trip very comfortably, the two of them chatting with each other so as not to get bored.

Ye Chen asked if Li Jingyi had a place she wanted to visit or not, and Li Jingyi replied that there were several places she wanted to visit with Ye Chen.

Ye Chen nodded to Li Jingyi, Ye Chen told Li Jingyi that he might be able to do that when he had free time.

At the same time Ye Chen explained to Li Jingyi that he had a big goal, so Ye Chen had to become strong as soon as possible to help Ling Yin, Fu Lanling and Dongfang Xiu.

Li Jingyi nodded to Ye Chen, she could understand the busyness that Ye Chen had, that's why Li Jingyi would be an understanding wife and could help Ye Chen deal with this problem.

Li Jingyi wanted to be by Ye Chen's side and help Ye Chen solve this problem, she believed that problems would be solved quickly if we worked together.

"Do you want to ride the profound ark?" Ye Chen offered Li Jingyi to ride the profound ark, he felt sorry if a princess like Li Jingyi had to fly like this.

"Husband, you don't have to worry about it like that, I'm fine." Li Jingyi said to Ye Chen that she was fine.

Ye Chen didn't think like that, Ye Chen currently thought that Li Jingyi was reluctant to say what happened.

Ye Chen took out the profound ark that she had, without saying anything Ye Chen immediately took Li Jingyi onto the ark.

After Ye Chen and Li Jingyi boarded, the profound ark immediately shot towards White Cloud city, with this profound ark it was certain that Ye Chen and Li Jingyi would quickly arrive at their destination.

The trip this time seemed very peaceful, Ye Chen and Li Jingyi did not encounter any bandits, thieves or bad people while on the road.

The profound ark they boarded was extremely fast, so it was impossible for bandits, thieves and criminals to catch up with Ye Chen and Li Jingyi.

"wife, we has arrived." Ye Chen said to Li Jingyi that they had arrived at White Cloud City.

"Let's go down and find a house" Li Jingyi nodded to Ye Chen, Li Jingyi wanted Ye Chen to go with him to find a decent house to live in.

"Okay, let's go down" Ye Chen grabbed Li Jingyi willow waist, Ye Chen immediately brought Li Jingyi down to White Cloud city.

After leaving the profound ark, Ye Chen's profound ark instantly changed to a smaller size for Ye Chen to easily store.

Ye Chen and Li Jingyi finally set the foot they had in White Cloud city.

"About where we can get a house?" Ye Chen started to wonder where they could find a decent house to live in.

"We just need to go find an association that provides home sales services" Li Jingyi said to Ye Chen.

Li Jingyi proposed to Ye Chen to find the association responsible for the building.

"Okay, I understand, let's ask the people here." Ye Chen nodded to Li Jingyi, he would follow Li Jingyi advice to find a home seller association.

Ye Chen started to ask one of the people he met, it just so happened that the person Ye Chen met was quite friendly and willing to tell Ye Chen about the location of the Home Sales Association.

After getting the necessary directions, Ye Chen and Li Jingyi headed straight for the location where the association was, both of them were directly in front of an ancient building that looked quite majestic.

"Let's go in." Ye Chen and Li Jingyi went inside, both of them entered through the front door.

"Welcome . ." the moment Ye Chen entered, they were greeted by several maids who were in charge of receiving guests.

"Young master, is there anything we can help you with?" one of the maid asked about Ye Chen's needs.

"I want to buy a house. ." Ye Chen said that he wanted to buy a house.

"Then please come with me, I'll show you the manager in charge." The waiter ordered Ye Chen and Li Jingyi to go follow her.

Ye Chen and Li Jingyi immediately followed this woman to go to where the manager was in charge of dealing with this matter.

Ye Chen and Li Jingyi were led to a room in which there was a man who was quite old, looking like he was currently writing a report.

"Manager, there is someone who wants to buy a house" maid told the manager that there was someone who wanted to buy a house.

"What kind of house does he want" indifferently the manager immediately asked what kind of house Ye Chen wanted.

It just so happened that the manager was still busy finishing the report he had, so he didn't have much time for Ye Chen and Li Jingyi.

"Young Master, you can tell me what kind of house you want to buy." Maid said to Ye Chen to tell the manager about the house he wanted to buy.

Chapter 1125 - Managed To Get A Nice House

"I want to buy the best house you sell" Ye Chen told the manager that he wanted to buy the best house he sold.

Upon hearing this, the manager immediately stopped writing his report, he immediately looked directly at Ye Chen who was in front of him.

"Are you sure?" The manager immediately asked, he wanted to know if Ye Chen's words could be held.

"Sure, just show me what you have." Ye Chen didn't have much time, he wanted to get this done right away.

Ye Chen wanted the best house for Li Jingyi, no matter what price he had to pay for it, Ye Chen was willing to buy it.

As long as the place was comfortable to live in, then Ye Chen would definitely buy it even though the price was very expensive.

"Then I have some house recommendations for you, here's a picture of the house." The manager took out some imaging stones for Ye Chen and Li Jingyi, himself showing what the best house he sold looked like.

Ye Chen and Li Jingyi began to look at the pictures of the houses in the image stone, Ye Chen and Li Jingyi could see that the houses for sale were very large and very spacious.

In addition, there are many beautiful garden decorations that Ye Chen can choose from, this house with a beautiful ornamental garden is indeed the hallmark of ancient houses of antiquity.

"Well, is there anything you're interested in?" asked the manager to Ye Chen.

"I want you to explain to me the layout of the good houses, I want to find a suitable atmosphere for me." Ye Chen wanted the manager to explain the layout of the house he was selling.

What were the conditions around the house like, whether there was something dangerous around the house or not, if it was dangerous then Ye Chen wouldn't want to take the risk of buying it for Li Jingyi.

Seeing that Ye Chen wanted complete details, the manager immediately gave several locations that had strategic places in this city.

"Young Master, if you want the most beautiful place in this city, then you can buy this house, around here there are some beauties that are quite pleasing to the eye, even the famous female star in White Cloud city lives in this place" said the manager to Ye Chen .

The manager told Ye Chen a place that was surrounded by several beautiful beauties.

Hearing what the manager just said, Ye Chen became interested, he wanted to know what kind of place it was.

Li Jingyi was of course aware of the changes that Ye Chen had, this man was immediately excited when he heard the beauties living around the place.

Li Jingyi herself couldn't do anything about this matter, to be honest she needed help packing Ye Chen, it would be best if Li Jingyi got a friend to do this.

"Then can you take you to see the house?" Ye Chen wanted the manager to take himself to the place he had previously said.

"Of course, but the price of this house is the highest I've ever sold, I'm afraid young master won't. ." the manager said to Ye Chen.

The manager told Ye Chen that the price of this house was quite high, so he was afraid that Ye Chen would not be able to buy it.

"Just tell me how much it costs" Ye Chen told to say the price of the house.

"It costs 150 Divine Red Profound Crystals," the manager told Ye Chen the price of the house.

"What" Li Jingyi was quite surprised when she heard the price of the house being sold, 150 Divine Red Profound Crystals is a very large amount, with this amount you can get various kinds of resources that can be used to cultivate for tens of years.

Houses and land in the God Realm were cheap, they weren't worth the price of resources for a cultivator.

"It's cheap enough, if it's suitable, I'll buy it." For Ye Chen 150 Divine Red Profound Crystals were cheap, Ye Chen still had a lot of Divine Red Profound Crystals, so he didn't have a problem with the price.

Li Jingyi looked at Ye Chen, she didn't expect that Ye Chen would become this rich, she easily threw away 150 Divine Red Profound Crystals just for a house.

If it was Li Jingyi, maybe Li Jingyi wouldn't do that, Li Jingyi would probably use it to cultivate and increase the strength she had.

Ye Chen took out a large bag of Divine Red Profound Crystals, himself showing to the manager that he had profound crystals to pay for.

The Manager eye immediately lit up when he saw the bag of Divine Red Profound Crystals in Ye Chen's hands, it seemed that this man in front of him was really a young master from a rich family.

It was quite rare for anyone to be able to take out this much Divine Red Profound Crystal, in the White Cloud city there were probably only a few people who could do what Ye Chen was currently doing.

"Young master, then you can come with me, I will take you to that location." The manager immediately took the initiative to invite Ye Chen to go to the location where the house was.

"Then show me" Ye Chen told the manager to show the location of the house, Ye Chen himself wanted to know the location and see if it was suitable or not.

"Please come with me" the manager enthusiastically took Ye Chen away to have a look.

Ye Chen and Li Jingyi followed the manager, both of them went to see the prospective house they were going to live in later.

Ye Chen was also quite excited when he left, he couldn't wait to see what the beauties near this place looked like.

.

.

Since the location was not far from the house sellers association building, Ye Chen and Li Jingyi quickly arrived at the house.

Ye Chen and Li Jingyi immediately went around this place to see the thorough details of the location of this house.

This house was much bigger than Ye Chen had imagined, it was even tens of times bigger than his villa on earth, instead of calling this a house, Ye Chen could tell that this was a Manor that could live in thousands of people.

this was perfect for Ye Chen's wife to live in in the future.

It is not strange that the price of this house is expensive, it turns out that this is comparable to what he can get.

Plus the location of this place wasn't too far from the Nine Immortals Peak Sect, so it was quite an ideal location for Ye Chen.

"Wife, how do you like it?" Ye Chen asked if Li Jingyi liked this house or not.

"I like it" Li Jingyi said that he likes this place, the atmosphere in this place is quite good, plus it is on the edge of the city which makes the scenery look quite natural.

"Then let's take this" Seeing Li Jingyi like it, Ye Chen immediately intended to take this house.

Ye Chen directly signed the purchase letter, Ye Chen also handed the Divine Red Profound Crystal to the manager.

"Young Master, now this house is officially yours, then I'll excuse myself" After completing the transaction with Ye Chen, the manager immediately left this place, now this place has officially belonged to Ye Chen.

The process in God Realm was much easier than on earth, buying a house was much easier than Ye Chen thought.

"let Come in. . ."Ye Chen took Li Jingyi inside, time to clean up the messy house in several locations.

"Um. . ."Li Jingyi nodded, he and Ye Chen entered the house.

Chapter 1126 - Beautiful Neighbor

Ye Chen and Li Jingyi came in, the two of them started to tidy up the things that were still looking a mess.

Ye Chen and Li Jingyi worked together to arrange all the things in this mansion, both of them changed everything in this house to something to their taste.

The two of them took about a few hours to do this, this was because the house was so big that they both had a bit of trouble.

"Finally finished" Ye Chen finally finished also rearranging all the things in this house, now this house looks much better than before.

"Husband, are you hungry, if you are hungry I can make you some food?" Li Jingyi asked Ye Chen.

"Oh. . ., that . . ., you don't need to bother doing that, I'm not hungry yet." Ye Chen said that Li Jingyi didn't need to bother to do this.

Ye Chen still remembered the last time Li Jingyi cooked, the last time Li Jingyi cooked was bad enough, if Li Jingyi returned to cooking maybe Ye Chen would be forced to try food that tasted strange.

So Ye Chen tried to refuse Li Jingyi in a subtle way, this was done by Ye Chen so that Li Jingyi wouldn't get angry, if Ye Chen refused harshly, Li Jingyi might be angry with Ye Chen.

"Are you sure, I can make you some good food" Li Jingyi said to Ye Chen.

Even though Ye Chen said he didn't want to, Li Jingyi still forced Ye Chen, Li Jingyi wanted to make food for Ye Chen.

"You don't have to bother like that, you should just rest, you must be very tired because of this work, I will go outside to install some Arrays to protect this house" Ye Chen said to Li Jingyi that he wanted to make Arrays for protect this house from intruders.

Without waiting for Li Jingyi reply, Ye Chen immediately rushed to leave Li Jingyi.

"Ummmm. . ." Li Jingyi puffed out her cheeks, Li Jingyi looked displeased when she saw Ye Chen run off like this.

Li Jingyi herself knew that Ye Chen had deliberately run away to avoid eating the food she made.

It seemed that the events of the past still made Ye Chen reluctant to eat the dishes made by Li Jingyi.

"Looks like I have to learn to cook soon, otherwise my husband will continue to avoid my cooking." Li Jingyi was determined, from now on Li Jingyi would try to learn how to make delicious dishes for Ye Chen.

Now that Li Jingyi was no longer a princess who was always served by palace maids, now Li Jingyi had to be independent in doing everything.

Li Jingyi wanted to be a good wife to Ye Chen, she didn't want to disappoint Ye Chen.

Since there was nothing Li Jingyi could do, Li Jingyi decided to go inside her room.

.

.

After leaving Li Jingyi, Ye Chen immediately arrived at the front yard of this house.

"Luckily I was able to find an excuse for the reason" Ye Chen was relieved that he could find an excuse to run away, otherwise he would be forced to eat Li Jingyi cooking.

"Alright time to set up an Array" Ye Chen decided to set up several Arrays around this house, the Array Formation could be used to block bad people from entering or uninvited guests trying to break into this house.

"Yuechan please give me some information on powerful Array formations." Ye Chen asked for some information about Array formations from Chu Yuechan, he wanted to know what kind of Array formation he could get with the materials currently in his body.

"Master, I have some suggestions for you, what a coincidence that you can have the materials to make this Array formation," Chu Yuechan said to Ye Chen.

Chu Yuechan had several Array formation recommendations for Ye Chen, all that Chu Yuechan recommended were high-level Array formations that Ye Chen could create.

"Then give it to me quickly." Ye Chen told Chu Yuechan to pass the Array formation to himself.

"But the Array formation I gave you is quite difficult, you will most likely find it difficult to make it." Chu Yuechan told Ye Chen that the Array formation he had would be very difficult to make it.

"No problem, you just give it, I'll give it a try" Ye Chen said to Chu Yuechan.

Ye Chen would try it first, if indeed he was unable to create the Array that Chu Yuechan gave him, then Ye Chen would forget about it, and use what he could create.

"Okay . ." Chu Yuechan nodded, she began to provide information from the Array formation that she had.

A collection of information appeared in Ye Chen's head, Ye Chen didn't waste time and started to study the information provided by Ye Chen.

The information provided by Chu Yuechan was quite complex, it seemed that Ye Chen needed some time to be able to learn this.

Ye Chen began to sink into studying the information provided by Chu Yuechan, without Ye Chen realizing it, it was already very late in the afternoon, now the sun is about to set, it is quite beautiful to see this scene from a distance.

While Ye Chen was concentrating, Ye Chen listened to the sound of someone playing a flute, the sound of this flute was loud enough that Ye Chen could hear it.

This voice was quite melodious, it made Ye Chen's heart feel light and very calm.

"Who plays a melodious flute like this?" Ye Chen started to wonder who the person playing this melodious flute was.

Ye Chen looked towards Li Jingyi room, when Ye Chen saw Li Jingyi room Ye Chen found that the sound of the flute was not from this place.

After following the sound for a while, Ye Chen discovered that the sound of the flute just now came from outside this house.

"Wait a minute, didn't the previous man say that the neighbors in this place are quite beautiful, is this possible being played by neighbors around?" Ye Chen immediately came to the conclusion that this voice must have been played by the person living next door.

Ye Chen became quite curious about this, Ye Chen wanted to go and see what kind of person playing this flute looked like, whether it was a woman or not.

Ye Chen looked back at Li Jingyi room, he found that there was no movement in Li Jingyi room, so it didn't matter if Ye Chen slipped away and saw who was playing this.

Ye Chen immediately left this house, he immediately went towards the source of the sound.

As Ye Chen guessed, the direction of the source of this sound was indeed from the house opposite Ye Chen's residence, this house was also far quite large when compared to Ye Chen's.

Ye Chen didn't go inside, he looked outside right outside the fence, Ye Chen just happened to be able to see who was playing the flute from outside the fence.

In a garden behind the house, Ye Chen could see a very seductive beautiful woman playing the flute in her hand.

This woman has a hot appearance and is very seductive, every body that this woman has is very well developed, especially in the chest that is possibly G Cup, this woman's face is so perfect and beautiful, with a beautiful face like this, Ye Chen believe that this woman can become an idol admired by all men.

"The neighbor beside me turned out to be a beautiful woman with a hot appearance." Ye Chen was happy when he found out that the neighbor next to his new house was a beautiful woman with a hot appearance.

Chapter 1127 - Qiao Xin

Ye Chen was really very happy about this, it seemed that Ye Chen was not wrong when he decided to buy this house, the neighbor beside him really became a pretty hot beauty.

Ye Chen was overjoyed when he saw this beauty playing the flute, the sound this woman made was very melodious, it seemed that this woman was very skilled at playing musical instruments.

In addition to the flute, there is still a Zither that looks very beautiful and good, it seems that this woman is also an expert in using Zither.

This woman continued to play her flute, she continued to play for a long time. From a distance Ye Chen enjoyed this sound, he felt comfortable when he heard the sound of this woman's flute.

After a while the woman finally stopped playing the flute in her hand.

"Who's there, come out quickly" This woman immediately looked towards Ye Chen who was currently peeking at her.

"I was found? . ." Ye Chen did not expect that he would be found by this woman, this was beyond Ye Chen's expectation.

Ye Chen was very confident in his hidden abilities, but this beautiful woman was still aware of her existence.

"I might have been found earlier. ." Ye Chen felt that he had been found long ago, but this beautiful woman had not exposed Ye Chen until now.

"Master, this woman was able to find you because of the flute she used, she used it to find you" Chu Yuechan explained to Ye Chen why this beautiful woman was able to find Ye Chen's whereabouts.

"As I thought" Ye Chen also guessed the same thing as Chu Yuechan, it seems that the reason he was found was the sound of the flute just now.

"What are you going to do?, are you going to run away or not?" Chu Yuechan immediately asked if Ye Chen would run away or not.

"Why run away, let's meet a beautiful neighbor, there's nothing wrong with getting to know this beautiful neighbor" Ye Chen couldn't run away, he preferred to go and start getting to know this beautiful neighbor.

Since they were going to be close neighbor, it wouldn't hurt for Ye Chen to get to know each other better, this would make it easier for the two of them to interact in the future.

Ye Chen came out of his hiding place, he immediately appeared right in front of a beautiful woman playing her flute.

"Hello beautiful lady" Ye Chen gave a greeting to the beautiful woman in front of him, with a friendly smile Ye Chen wanted to start a conversation with the beautiful woman in front of him.

"So you've been peeking in the distance?" asked the beautiful woman to Ye Chen.

"lady, I don't peek" Ye Chen said that he didn't peek, Ye Chen insisted that he saw the show that was being done by a beautiful woman.

" If it's not peeking, then what did you call it?' The beautiful woman asked Ye Chen.

"More precisely, I was watching the show you were doing, peeking means seeing a woman who is not wearing anything, so this can't be called peeking" Ye Chen said to a beautiful woman.

Ye Chen was quite good at stringing words together, Ye Chen easily explained that he wasn't peeking.

The beautiful woman was rendered speechless by what she had just heard from Ye Chen, this man could actually come up with an excuse that was very reasonable and hard to beat.

This was the first time she had seen a man who was smart when talking to her, plus this man was quite calm when talking to her, this was unlike most of the men she had met so far.

Beautiful women started to look at Ye Chen from top to bottom, Ye Chen's current appearance could be said to be below average, so there was nothing too special about Ye Chen.

"What's your name, and what do you want in my place?" The beautiful woman immediately asked who Ye Chen was and what Ye Chen wanted in this place.

"I haven't introduced myself yet, my name is Ye Chen, now I live beside you" Ye Chen introduced himself to a beautiful woman.

"So you just moved into the house next door?" the beautiful woman finally understood, it turned out that Ye Chen had just moved to the side of her house.

"Um. . ." Ye Chen nodded, he had indeed become neighbors with this beautiful woman.

"Beautiful lady, what is your name?" Ye Chen asked what the name of this beautiful woman who had quite a hot appearance was.

"My name is Qiao Xin" the beautiful woman told Ye Chen her name, apparently this beautiful woman's name is Qiao Xin.

"Qiao Xin, what a beautiful name, just like the person," Ye Chen said to Qiao Xin.

Qiao Xin's face turned slightly red when she listened to Ye Chen's praise.

Qiao Xin had been praised like this by countless men, unfortunately all these compliments couldn't move Qiao Xin's heart.

However this time it was a little different, the words that Ye Chen had just said could move Qiao Xin's heart.

"What happened to me?" Qiao Xin started to wonder what had happened to her, why she could feel happy and embarrassed when receiving this compliment from Ye Chen unlike her usual self.

Qiao Xin started to find out what was going on, she really didn't know what had happened to her, how could she be embarrassed like this, it was like Qiao Xin being the shy young woman she used to be.

"lady Qiao Xin, what's wrong? Why is your face red?" Ye Chen asked what happened to Qiao Xin, why did Qiao Xin's face turn red like this.

" nothing . . ." Qiao Xin tried to calm herself down, she tried her best to calm herself down so as not to lose her image in front of Ye Chen.

Qiao Xin was a woman who was quite popular among the young masters and rich people in White Cloud city, countless men were willing to use their wealth just to make Qiao Xin smile.

So it was quite difficult to see Qiao Xin's beautiful smile.

"lady, your play just now is very beautiful, it makes me feel comfortable. ." Ye Chen praised Qiao Xin's flute playing, Qiao Xin's flute playing was really very good.

"Thank you very much, I think I am not as good as you say" Qiao Xin tried to lower herself in front of Ye Chen.

"I'm telling the truth, it was really really good" Ye Chen said to Qiao Xin.

Ye Chen didn't lie about what he just said, Qiao Xin's play was really good, it could make those who heard it feel at peace.

Even though this play was still at a much lower level than Zhao Yanyan, it was still pretty good playing the musical instrument Qiao Xin had just shown.

Qiao Xin's face turned red again when she heard this, Ye Chen's praise made Qiao Xin's heart a little happy.

"What's with this young man, why did he make me like this?" Qiao Xin started to wonder why she could be like this, this was really not like her usual self.

Ye Chen's words of praise were so touching, they subconsciously made Qiao Xin heart rejoice.

"Miss Qiao Xin, why don't you play one more time for me" Ye Chen asked Qiao Xin to play her instrument one more time.

"Okay" Qiao Xin nodded, immediately willing to play one more game for Ye Chen.

Chapter 1128 - Husband, So You Sneaked Here

Today Qiao Xin felt very strange, she actually easily agreed to a man request, whereas normally Qiao Xin would not do this easily, it took quite a lot of effort to persuade Qiao Xin to show her playing an instrument.

Qiao Xin couldn't refuse Ye Chen's request, she completely accepted Ye Chen's request to play an instrument.

"Are you okay with the Zither instrument?" Qiao Xin asked if Ye Chen was okay with playing her Zither this time.

"Of course, I don't mind hearing it, as long as you are I'm sure that the sound will be good." Ye Chen said that he didn't mind listening to Qiao Xin Zither play.

Qiao Xin became even more happy when she heard this, she was really happy that Ye Chen could understand her so well.

"Then let me start." Qiao Xin said that she was about to start her Zither play, Qiao Xin would try to show all her abilities to satisfy Ye Chen.

Qiao Xin played the Zither in front of her, with very skillful finger movements, Qiao Xin started to make a chant that sounded very comfortable to listen to.

Very quickly the sound of Zither entered Ye Chen's ears, this voice was beautiful and soothing to Ye Chen's body, this was a great comfort for Ye Chen.

Qiao Xin began to observe the expression that Ye Chen currently had, Qiao Xin could see that Ye Chen really liked this.

Qiao Xin more and more showed her abilities, she showed her skills that she rarely showed to anyone.

Ye Chen was lucky enough to be able to listen to this for free, it usually took a lot of effort and hard work to get Qiao Xin to do this.

Qiao Xin played her Zither for a while, after about 10 minutes, Qiao Xin finally arrived at the end of the song she was playing.

"Applause, applause, applause" Ye Chen clapped after seeing Qiao Xin's performance.

"Thank you for listening to my music." Qiao Xin thanked Ye Chen for listening to the music she played.

"No problem, I'm happy to be able to listen to it" Ye Chen said that he was happy because he could listen to the music played by Qiao Xin.

Ye Chen and Qiao Xin started chatting with each other, Ye Chen easily found a topic to talk to Qiao Xin.

Qiao Xin always smiled when she listened to Ye Chen's every conversation, every Ye Chen's conversation made her feel happy and happy.

"Husband, so you sneaked here" While Ye Chen was chatting with Qiao Xin, Li Jingyi came over to Ye Chen and Qiao Xin.

Qiao Xin immediately looked in the direction of Li Jingyi arrival, Qiao Xin looked a little surprised when she saw this beauty in front of her.

Li Jingyi beauty was truly extraordinary, this woman was on a different level to Qiao Xin, Li Jingyi beauty might even be compared to the beautiful goddess that everyone in the God Realm admired.

In addition, Li Jingyi has a fairly large capital, even Qiao Xin's is not comparable to Li Jingyi.

Women like to compare what they have, they are always envious of other women that are much bigger than theirs, Qiao Xin might as well be one.

Even though Li Jingyi melon was bigger than Qiao Xin, still Qiao Xin's body looked much more mature than Li Jingyi, there were some parts that looked more tempting than Li Jingyi.

Qiao Xin did not expect that she could meet such an extraordinary beauty like Li Jingyi.

"Wait a minute, just now this beautiful woman called Ye Chen as husband, are the two of them a couple?" Qiao Xin was quite surprised to find this, she couldn't believe that Ye Chen could find a beauty goddess like Li Jingyi.

According to Qiao Xin, Ye Chen was really very lucky to be able to get a beautiful woman like Li Jingyi.

Qiao Xin herself didn't know how Ye Chen could get a beautiful woman like Li Jingyi, Qiao Xin really couldn't think of a way for Ye Chen to get a beautiful goddess like Li Jingyi.

Plus Ye Chen's appearance and cultivation were below average, so it would be quite difficult for a woman to glance at Ye Chen.

So it wasn't strange that Qiao Xin was a little confused when Ye Chen had a beautiful woman like Li Jingyi.

"Wife, I just met our new neighbour, why don't you guys get to know each other, we'll live next door" Ye Chen said to Li Jingyi.

Li Jingyi smiled gently at Qiao Xin, she showed kindness to Qiao Xin.

Seeing Li Jingyi quite friendly attitude, Qiao Xin also started to smile towards Li Jingyi.

"This beautiful woman. . ." Qiao Xin felt a dangerous feeling from Li Jingyi, Qiao Xin could feel that Li Jingyi was a very strong woman.

Qiao Xin seemed to already know that Li Jingyi was an above average woman, apart from having a peerless beauty, Li Jingyi also possessed a great hidden strength.

What Qiao Xin found to be something quite confusing once, Qiao Xin started to wonder how the two of them could have this kind of relationship.

Qiao Xin felt that Ye Chen and Li Jingyi were in different worlds, the two of them were like heaven and earth that were very far apart.

"Husband, didn't you say you wanted to set up an Array?" Li Jingyi reminded Ye Chen to set up an Array to protect their home.

"Oh yeah, I almost forgot, then I will go first, you can talk without me" Ye Chen immediately left this place, he almost forgot his unfinished task.

Li Jingyi and Qiao Xin saw Ye Chen's departure, Ye Chen quickly left Qiao Xin's residence.

"Hello, my name is Ye Jingyi" Li Jingyi greeted Qiao Xin, Li Jingyi deliberately started the conversation with Qiao Xin first.

Li Jingyi didn't want to use her surname, she used Ye Chen surname instead of her first name.

Li Jingyi didn't want to take a risk, so Li Jingyi didn't want to use her real name in front of people she just met.

"Hello too, my name is Qiao Xin" Qiao Xin told Li Jingyi her own name.

"Are you the one who just played Zither just now, the sound is really quite comfortable to listen to me" Li Jingyi said that the Zither voice that Qiao Xin just played was very comfortable.

"Thank you very much, I'm not that good" again Qiao Xin tried to be modest, Qiao Xin really didn't want to stand out in front of Li Jingyi.

"Ye Jingyi, may I ask you something?" Qiao Xin wanted to ask Li Jingyi something, she wanted to know something from Li Jingyi.

" what's that . . ." Li Jingyi asked Qiao Xin, she wanted to know what Qiao Xin wanted to ask.

"Are you two really husband and wife?" Qiao Xin asked Li Jingyi if she and Ye Chen really had such a relationship.

To be honest, Qiao Xin still couldn't believe what she was seeing right now, the difference between the two was really too big for Qiao Xin to imagine.

"Of course, why?" Li Jingyi asked Qiao Xin, Li Jingyi wanted to know why Qiao Xin asked her something like this

Chapter 1129 - [Bonus]New Job Tonight

"No, it's just that I was quite surprised when I saw that Ye Chen could have a beautiful woman like you" Qiao Xin told Li Jingyi that she was surprised to find out that Li Jingyi had a relationship with Ye Chen.

"Yes, it's a bit difficult to accept this, but in fact he is the man I belong to" Li Jingyi said to Ye Chen.

When Li Jingyi said this, Li Jingyi used all the feelings she had, it could be seen that Li Jingyi was really sincere to Ye Chen.

Qiao Xin was quite surprised when she heard Li Jingyi words, Li Jingyi looked very sincere when talking to Ye Chen, Qiao Xin could feel Li Jingyi sincerity.

"You seem to really like Ye Chen, even though there may be someone better than Ye Chen out there" Qiao Xin again tried to test Li Jingyi sincerity, whether Li Jingyi was affected by her words or not.

"Sorry, but I don't think I'm interested in other men out there, it's quite difficult to find an honest man like Ye Chen, so I'm satisfied with him" Li Jingyi said to Qiao Xin.

Once again Li Jingyi replied that she was not interested in men other than Ye Chen, Li Jingyi had seen a lot of men, most of them just wanted to be with her because of the position and power she had, without the two of them maybe a man like this wouldn't want to get close to Li Jingyi.

Plus Li Jingyi had seen Ye Chen's anxiety and sorrow when he lost her, it was the most touching thing Li Jingyi had ever seen in her life.

Li Jingyi had been waiting for someone to worry her for a long time, after finding such a person, how could Li Jingyi leave Ye Chen.

"You are really attractive, Ye Chen is really lucky to have a woman like you" Qiao Xin was quite touched when she heard this, Li Jingyi really seemed to accept Ye Chen like this.

It was quite rare to see a woman being able to accept a man like Ye Chen, most women saw men from their position, cultivation and good looks, without it it would be very difficult to get a woman.

Qiao Xin herself didn't know what kind of tricks Ye Chen used, what was certain was that the tricks used to get Li Jingyi must be very heavy, Qiao Xin could vouch for that.

Qiao Xin herself didn't know that Ye Chen got Li Jingyi with such a fast approach, Ye Chen was a Womanizer, so getting a woman was Ye Chen's goal.

"May I ask you something?" Li Jingyi wanted to ask Qiao Xin something.

"What do you want to ask?" Qiao Xin wanted to know what Qiao Xin would ask.

"Can you cook?" Li Jingyi asked if Qiao Xin could cook or not.

"Fufufu, your question is really funny, of course I can" Qiao Xin laughed when she heard Li Jingyi question, at first Qiao Xin wondered what Li Jingyi would ask, didn't expect Li Jingyi to ask something like this.

"Can you teach me?" Li Jingyi asked Qiao Xin to teach herself about cooking.

"Why do you want to do that?" Qiao Xin asked why Li Jingyi wanted to do such a thing.

According to Qiao Xin Li Jingyi was a very perfect woman, Li Jingyi shouldn't have dirty her hands with such things.

Li Jingyi could hire a maid for this job, while she could sit back and drink a cup of hot tea.

"I did that for Ye Chen, I wanted to make something quite special" Li Jingyi told Qiao Xin the reason she did this.

"Oh, so it's like that, then next time I will teach you a little cooking technique" Qiao Xin finally promised to teach Li Jingyi to cook.

Qiao Xin herself had lived alone for a long time, so all her needs were taken care of by herself without any maids or assistants.

So it wasn't strange that Qiao Xin was quite good at cooking some food, she did this when she wasn't tired of eating dry rations.

Li Jingyi and Qiao Xin chatted for a while, the topics they talked about were naturally related to topics that women often talked about, the two exchanged some of the news they had.

Without realizing it, Li Jingyi and Qiao Xin's relationship became very close, the two quickly became familiar with each other.

"Okay, then I'll go first, I have to help Ye Chen" Li Jingyi said goodbye, she was going to help Ye Chen, who knows Ye Chen needs help from her.

Qiao Xin nodded, she invited Li Jingyi to leave this place.

Li Jingyi immediately left Qiao Xin's house, she returned to her house which was on the side, since the two were now neighbors, the two would definitely see each other often, Li Jingyi also made new friends that she could chat with when she had free time apart from cultivate.

"What a very interesting couple" After Li Jingyi left, Qiao Xin finally said what was hidden in her heart, according to Qiao Xin, Ye Chen and Li Jingyi are a very interesting couple, the two of them can be together even though they have a big gap .

"Ye Jingyi, this woman looks like a noble lady, she seems to be from a fairly large family" After interacting with Li Jingyi for a while, Qiao Xin could immediately conclude that Li Jingyi was from a noble family, it could be seen by Qiao Xin from the way she spoke. Li Jingyi who was still like a princess.

"Screech. . ." suddenly a bird came to Qiao Xin, this bird perched on Qiao Xin's silky smooth hand.

This bird is not an ordinary bird, this is a bird that can deliver letters over great distances.

Qiao Xin took the letter that was on the bird, she immediately opened and read the contents of the letter that was brought by this bird.

Contents of the letter: there is a new job tonight, the target is a black trafficker who smuggles women into slavery.

This letter contained a message informing Qiao Xin of someone who smuggled women into slavery.

"I have more work to do, I don't think I will be able to enjoy a quiet night" Seeing this, Qiao Xin immediately got ready to go to work immediately.

.

.

Meanwhile Ye Chen was setting up the Array formation, beside Ye Chen was Li Jingyi who was ready to help Ye Chen when he needed help.

"Husband, when are you going back to Sect?" Li Jingyi asked when Ye Chen would return to Nine Immortals Peak Sect.

"Maybe tomorrow, I still have something to do." Ye Chen told Li Jingyi that he still had something to do in Nine Immortals Peak Sect.

Ye Chen still has a bet with Song Ziyu, Ye Chen must not lose this bet, he must make sure that Song Ziyu loses and will become his servant.

Ye Chen was really impatient with this, he wanted to see what Song Ziyu reaction would be when he lost the bet, whether Song Ziyu would put on an unpleasant face or not, Ye Chen was really looking forward to this.

"So fast" Li Jingyi didn't expect Ye Chen to leave so soon, even though Li Jingyi still wanted to be with Ye Chen for a while.

"Wife, you don't need to be sad, I will definitely visit you often, after all, Nine Immortals Peak Sect is not far from this place, it only takes a while to go here" Ye Chen tried to comfort Li Jingyi.

Chapter 1130 - Do You Want That Tonight With Me ?

"Um. . , I can understand that." Li Jingyi nodded to Ye Chen, she believed that Ye Chen would definitely come to see her when he had the time.

"Husband, do you want that tonight?" Li Jingyi tried to offer Ye Chen to do Dual Cultivation together with her.

"Huh, you seriously want that tonight?" Ye Chen asked Li Jingyi, it was the first time Li Jingyi had taken an initiative like this, how could Ye Chen not be happy when he heard this.

Usually Ye Chen would take the initiative to do that Li Jingyi, but this time it seemed that Li Jingyi took the initiative to do that with Ye Chen.

"Of course, do you want it or not?" Li Jingyi asked if Ye Chen wanted to or not.

"Of course I want to, but wait a moment, I will finish setting up this Array" Ye Chen was excited, he would quickly finish this Array formation and accompany Li Jingyi until morning.

Li Jingyi smiled, she felt happy when she saw the enthusiasm shown by Ye Chen, it seems what Li Jingyi said made Ye Chen become excited and active in work.

If Li Jingyi promised Ye Chen something like this, then Ye Chen would definitely be passionate about doing various kinds of work.

With the enthusiasm given by Li Jingyi, Ye Chen quickly completed all the Array formations which were extremely difficult to learn, he finished much faster than Chu Yuechan estimated time.

After he finished, Ye Chen immediately took Li Jingyi into the room to enjoy the night with Li Jingyi.

"Master, he. . ." Chu Yuechan couldn't believe it when she saw Ye Chen complete all the Array formations she had given him without committing a single failure.

The words Li Jingyi had just said seemed to make Ye Chen show all his abilities.

"He immediately became excited when he listened to Li Jingyi invitation, it seemed that it was a way to make him want to do something he didn't want to." Chu Yuechan looked helpless when she found this, Chu Yuechan was speechless when she saw this.

"ah. . . , Oh. . ." a sweet moaning sound began to echo through the house, loud enough to be heard from several hundred meters away.

Luckily this house was of a large size, so the loud noise made by Li Jingyi wouldn't be able to leak out of this courtyard.

"Looks like the two of them have started having fun" Since Chu Yuechan had a connection with Ye Chen, Chu Yuechan could tell what Ye Chen as well as Li Jingyi were up to, the two of them had already started their war, it seemed that this would last for quite a while.

Chu Yuechan decided not to bother Ye Chen and Li Jingyi anymore, she went to do something useful inside the fairy gate, like tending medicinal plants or something that she could do.

.
.

In the current capital Mei Yueli had just woken up from her slumber, in one day Mei Yueli was constantly sleeping due to mental exhaustion after doing Dual Cultivation together with Ye Chen.

"My body feels so light" After waking up from sleep, Mei Yueli felt that her body had become very light and full of vitality, she was currently feeling very strong.

" this . . . "When Mei Yueli felt her cultivation, she found a huge increase in her cultivation.

Mei Yueli still couldn't believe the increase in her current strength, Mei Yueli herself had suffered enough when increasing her cultivation, it was quite hard for Mei Yueli to increase her current cultivation.

But now that Mei Yueli cultivation seemed to have increased significantly, this made Mei Yueli very, very happy.

Mei Yueli still didn't realize why she was like this, Mei Yueli was looking for the reason why she could reach this level.

"Mei Yueli started to look at herself in the mirror, she found that her skin became more beautiful and moist" This discovery again surprised Mei Yueli .

"Could it be because of what I did last night with Ye Chen?" Mei Yueli started to think that what had happened to her was because of the Dual Cultivation session she had with Ye Chen.

"It's not strange that all of Ye Chen's wives are beautiful and have high cultivation, apparently this is the reason." Mei Yueli finally realized why all of Ye Chen's wives looked beautiful and had high cultivation even though they were in a bad place like Earth, apparently this was the reason.

This was also the reason why Mu Xueying strength had gone up insanely, apparently it was because Mu Xueying did the same thing that Mei Yueli had just done.

Mei Yueli wanted to know what would happen if she often did Dual Cultivation together with Ye Chen, whether Mei Yueli strength and beauty would increase or not.

Mei Yueli wanted to try that thing later, whether it would work or not, plus Mei Yueli liked it together with Ye Chen, it was something that was very comfortable when loving each other with Ye Chen.

What happened last night really can't be erased from Mei Yueli mind, Ye Chen's extraordinary property can still be remembered by Mei Yueli

"Knock, knock, knock" Just when Mei Yueli was thinking about Ye Chen, suddenly from outside there is a knocking sound.

" who?" Mei Yueli immediately asked who was outside the room.

"It's me Xueying" from outside Mu Xueying said to Mei Yueli that this was her.

"Senior Sister Xueying is that you. . ." Mei Yueli was slightly surprised when she saw that it was Mu Xueying outside, Mei Yueli hurriedly took her clothes and started to put them on her body.

"May I come in?" Mu Xueying intended to enter the room, she wanted to ask Mei Yueli something.

"Wait a minute" Mei Yueli told Mu Xueying to wait for a while, she would clean up all the mess in this place.

Mei Yueli couldn't let Mu Xueying get suspicious, so she had to clean up this place so that Mu Xueying wouldn't suspect her relationship with Ye Chen.

After a while, Mei Yueli finally managed to clean up all the mess in her room, Mei Yueli had managed to tidy up this place very quickly.

After everything looked neat and tidy, Mei Yueli immediately went to open the door, opening the door for Mu Xueying who was outside.

" why are you so long ?" Mu Xueying immediately asked why Mei Yueli took so long to open the door for her.

"Sorry, I was changing clothes earlier." Mei Yueli found an excuse to answer Mu Xueying.

Mu Xueying didn't easily believe Mei Yueli reasoning, she felt something was trying to be hidden by Mei Yueli.

Mu Xueying had a strong instinct, so she could sense that Mei Yueli was trying to hide something from her.

"Senior Sister Xueying, what do you need right?" Mei Yueli immediately changed the subject, she asked what Mei Yueli needed from her.

"Have you seen Ye Chen?" Mu Xueying asked if Mei Yueli saw Ye Chen or not.

"Oh Ye Chen, he left this morning, he said that he will return to the Sect." Mei Yueli told Mu Xueying that Ye Chen had returned to the Nine Immortals Peak Sect.

"He's back? Why didn't I know about the matter?" Mu Xueying didn't expect that Ye Chen had returned to Nine Immortals Peak Sect.
