

Chapter 1131 - Relationship Was Quickly Discovered By Mu Xueying

"It's because Senior Sister is busy, so Ye Chen didn't tell you anything." Mei Yueli explained the reason Ye Chen didn't tell Mu Xueying this.

"So it's like that, then how is his condition, is he okay or not?" Mu Xueying asked about Ye Chen's condition, whether Ye Chen was fine or not.

"As for his condition, Ye Chen seems to have improved." Mei Yueli said that Ye Chen's condition had improved, after doing Dual Cultivation with Mei Yueli, Ye Chen's mood seemed to improve.

"It's good that he's getting better, I think he'll continue to be sad." Mu Xueying looked relieved when she heard that Ye Chen's condition had improved.

Now that Mu Xueying didn't have to worry about Ye Chen anymore, Mu Xueying originally thought of various ways to comfort Ye Chen, but she was confused about what to do.

Ye Chen was fine now, so there should be no need for Mu Xueying to do that anymore.

Mu Xueying looked at Mei Yueli, she found that today Mei Yueli looked a little different, she looked prettier and had healthier and more moisturized skin, this made Mu Xueying even more suspicious

"Yueli, why do you look a little different today?" Mu Xueying immediately asked why Mei Yueli looked a little different today, she felt Mei Yueli to be a slightly different woman than usual.

"W. . . What Do You Mean?" Mei Yueli seemed to stutter when she received a question like this from Mu Xueying.

It seems that Mu Xueying is starting to notice the changes that Mei Yueli has, Mei Yueli changes are indeed very obvious, this can clearly be seen by Mu Xueying who has also tasted Dual Cultivation with Ye Chen, this change is exactly the same as what happened to Mu Xueying in the past. .

"Your cultivation base has also increased very rapidly, what's going on?" One by one Mu Xueying began to reveal her findings on Mei Yueli body.

" that . . ." Mei Yueli was really numb, she didn't know how she would answer Mu Xueying question anymore, Mu Xueying suspicions grew more and more towards her.

"Give me your hand" Mu Xueying told Mei Yueli to extend her hand towards her.

Mei Yueli obediently extended her hand towards Mu Xueying, not daring to go against Mu Xueying orders.

Mu Xueying immediately grabbed Mei Yueli wrist, she wanted to confirm whether Mei Yueli was a pure virgin or not.

When Mu Xueying discovered this, she discovered that Mei Yueli was no longer a pure virgin, obviously someone had taken Mei Yueli first.

"Yueli, quickly answer me who is with you?" Mu Xueying sternly asked Mei Yueli about the person she was with.

"that . . ." Mei Yueli looked scared when she answered this, she really didn't know how to answer Mu Xueying question.

"Quickly tell me" Mu Xueying continued to press Mei Yueli to say what happened.

Due to the immense pressure from Mu Xueying, Mei Yueli had no choice but to tell Mu Xueying this matter, after all Mu Xueying had already done that with Ye Chen, so it was fine to tell Mu Xueying about this matter.

"Ye Chen" Mei Yueli told Mu Xueying that she did that with Ye Chen.

Mu Xueying didn't seem surprised when she heard this, Mu Xueying had already guessed this all along.

"Did he force you?" Mu Xueying asked if Ye Chen was the one who forced Mei Yueli to do that together with Ye Chen.

"No, I took the initiative to do that" Mei Yueli said that she was the one who took the initiative to do that.

"@!#&" Mu Xueying was speechless when she heard this, she couldn't believe that Mei Yueli would take the initiative first, wasn't this girl too brave to do something like that.

Mu Xueying had a hard time imagining a woman like Mei Yueli who was afraid of men taking the initiative to get Ye Chen to do such a thing.

"Sister Xueying please don't scold Ye Chen, he didn't do anything wrong" Mei Yueli tried to persuade Mu Xueying not to scold Ye Chen, Mei Yueli didn't want Ye Chen to be scolded by Mu Xueying for this matter.

"How can I scold Ye Chen, you are the first to take the initiative, so I should be the one scolding you" Mu Xueying said to Mei Yueli, in this situation Mu Xueying couldn't scold Ye Chen because from the start Mei Yueli had taken the initiative first.

Mei Yueli couldn't help but be silent as she listened to this, Mei Yueli looked like a little girl who had just made a big mistake.

"I'm sorry" Mei Yueli apologized to Mu Xueying, it seemed that she had made a pretty big mistake.

"You don't need to apologize, I know you definitely won't be able to resist the temptation of a man like Ye Chen." Mu Xueying could understand Mei Yueli, Mu Xueying could tell that Mei Yueli would definitely not be able to resist Ye Chen's temptation.

Ye Chen's ability was something extraordinarily great, it was not easy to resist Ye Chen temptation, even Mu Xueying herself could go wild when she did it together with Ye Chen.

Mei Yueli was relieved when she saw that Mu Xueying wasn't angry, it seemed that this time she could still survive this matter.

"Yueli, make sure not to let others know, otherwise you will be in big trouble." Mu Xueying warned Mei Yueli not to tell this matter to anyone else, otherwise Mei Yueli would definitely get into quite a bit of trouble within the Jade Lotus Peak.

Even now Mu Xueying still hides her relationship from anyone, within the Sect only Ning Xia and Mei Yueli know about this matter.

"I see, I will try to keep this matter a secret" Mei Yueli immediately nodded, she would keep this matter a secret from others.

"Good, then let's go back right now, there's nothing else we can do in this place." Mu Xueying took Mei Yueli back to the Sect, here they didn't have anything to do.

Mu Xueying had settled everything, so Mu Xueying decided to bring everyone from Jade Lotus Peak back to the Sect.

"Okay" Mei Yueli nodded, she also wanted to return to the Sect as soon as possible, she couldn't wait to meet Ye Chen again.

Since she couldn't expose the relationship she had with Ye Chen, Mei Yueli couldn't help but think of a way to meet Ye Chen.

Mu Xueying took everyone away, they headed straight for the Nine Immortals Peak Sect.

Mu Xueying didn't care that even though it was almost night, they had to return to the Jade Lotus Peak immediately, there were still many female disciples who had unfinished tasks, so they couldn't stay in the Immortal Sky Empire for a long time.

.

.

Early morning at Ye Chen's house.

Ye Chen started to get up from his bed, and in Ye Chen's arms was Li Jingyi who was still fast asleep, Li Jingyi looked very tired after having had a long battle with Ye Chen for almost all night, she just had time to a little sleep.

Seeing Li Jingyi still fast asleep, Ye Chen decided not to wake Li Jingyi, Ye Chen woke up slowly and started to cover Li Jingyi body with the blanket.

Today Ye Chen intended to return to the Sect, so Ye Chen immediately put on his outer court disciple clothes.

Chapter 1132 - Ask Fairy Zhen For Help

Before leaving, Ye Chen didn't forget to kiss Li Jingyi forehead who was currently sleeping very soundly.

"Husband, please don't go" when Ye Chen was about to leave this place, Li Jingyi subconsciously talked a little about Ye Chen, even in her sleep Li Jingyi still didn't want to let Ye Chen go.

Ye Chen smiled when he saw this, seeing this Ye Chen found it difficult to leave Li Jingyi.

Too bad Ye Chen had to leave, so Ye Chen couldn't stay with Li Jingyi.

Ye Chen took out some food from the fairy gate storage room, Ye Chen knew that Li Jingyi couldn't cook, so at least for the time being Li Jingyi could eat this food.

Ye Chen might have to find a maid for Li Jingyi, otherwise Ye Chen didn't know how Li Jingyi would take care of herself.

Ye Chen still thinks of Li Jingyi as a princess who can't be independent in doing all kinds of things, so it's not strange that Ye Chen wants to find a maid to serve Li Jingyi, and Ye Chen wants Li Jingyi not to work too hard.

After doing this, Ye Chen immediately headed over to the Nine Immortals Peak Sect, Ye Chen left without making a sound, this was done by Ye Chen so that Li Jingyi wouldn't wake up from her sleep.

Li Jingyi looked so exhausted, she didn't listen to Ye Chen's voice who had left this house.

Li Jingyi needed a long rest after a long battle, most likely for a while Li Jingyi would not be able to get out of bed.

.

After leaving his house, Ye Chen immediately rushed over from the Nine Immortals Peak Sect.

Because the distance was not too far, Ye Chen quickly arrived from the Nine Immortals Peak Sect, when he arrived from the Nine Immortals Peak Sect, Ye Chen immediately went to the medicine pavilion to start carrying out his plan.

Since Ye Chen previously had a bet with Song Ziyu to become popular, then Ye Chen had to start his own plan, Ye Chen didn't have much time, so Ye Chen had to be quick and responsive in starting his plan.

And Ye Chen's first target was the Medicine Pavilion, in this place Ye Chen was already quite famous for his achievements, so Ye Chen could easily approach the woman in the Medicine Pavilion.

Plus Ye Chen was acquainted with Fairy Zhen, so Ye Chen could easily make himself popular among women from the medicine pavilion.

"hehe, Song Ziyu, Let's see later" Ye Chen looked very excited when he thought about this, Ye Chen couldn't wait to start his action.

Finally Ye Chen began to show his wolf fangs, after Ye Chen showed his wolf fangs, then surely the woman in the outer court would not survive.

When he arrived at the medicine pavilion, Ye Chen immediately left through the back door, because it just so happened that Ye Chen already knew Fairy Zhen, so it didn't matter if Ye Chen went through the back door, no one would stop what Ye Chen was doing.

After entering through the back door, Ye Chen went straight to the special room used by Fairy Zhen, when Ye Chen peeked inside, Ye Chen found Fairy Zhen was currently busy arranging ingredients to concoct a pill.

This beautiful Milf was truly an Alchemist maniac, she could spend weeks just concocting a pill.

"ahem. . ." Ye Chen coughed lightly, himself trying to come up with a special way.

Fairy Zhen immediately turned around when she heard the sound of someone coughing behind her, when she turned around Fairy Zhen found Ye Chen already behind her.

"Ye Chen, you're already back from training?" Fairy Zhen smiled at Ye Chen, it could be seen that Fairy Zhen was very happy when she saw Ye Chen in front of her.

The reason Fairy Zhen was behaving like this was because of the advice given by Ye Chen, the advice about the ancient pill manual given by Ye Chen had been tried by Fairy Zhen, and the results were almost all successful.

Fairy Zhen now considered Ye Chen to be a very, very intelligent person, so it was not strange for Fairy Zhen to show this kind of attitude towards Ye Chen.

"Fairy Zhen, I have come to ask you for help" Ye Chen stepped towards Fairy Zhen, he immediately told Fairy Zhen the reason he came to this place.

"What do you want?" Fairy Zhen asked what Ye Chen wanted from her.

Ye Chen whispered what he wanted into Fairy Zhen's ear, he told Fairy Zhen about his plans.

"Are you sure you want to make a job like that?" Fairy Zhen asked Ye Chen, Fairy Zhen couldn't believe that Ye Chen would do such a job.

"So why, is this kind of thing forbidden?" Ye Chen asked Fairy Zhen.

Ye Chen wanted to know whether what he was doing was forbidden by the Sect or not.

"There's no prohibition against such a thing, but would the female student in the outer court want to buy your massage services?" Fairy Zhen asked Ye Chen.

Fairy Zhen's thinking was quite simple, Sect Points contribution was a hard thing to get, many disciples didn't want to use the contribution points they had for something useless like massage services.

"Hehehe, you've felt it yourself isn't how the skills I have. . . ." Ye Chen said to Fairy Zhen.

Fairy Zhen's face turned red when she heard this, Fairy Zhen still remembers the massage session that Ye Chen gave her, it was quite comfortable and very enjoyable, Fairy Zhen couldn't even forget it until now.

"Yes, I do have to admit that your skills are great, but every woman's taste is different, so I don't know if they will like it or not" Fairy Zhen informed that women's tastes were different, so she didn't know if this would work or not.

"Then why don't we try it, don't you have quite a lot of female disciples in this place" Ye Chen said to Fairy Zhen, Ye Chen immediately told Fairy about female disciples in this place.

"Do you want to use my female student for your experiment?" Fairy Zhen asked Ye Chen, Fairy Zhen didn't expect Ye Chen to do something like this, Ye Chen was too brave to do something like this.

"hehe, they can be useful in this plan of mine, so I will make them spread the news to the friends they have" Ye Chen said to Fairy Zhen.

Ye Chen intended to use the female disciples under Fairy Zhen's management to spread the word about him to her friends, that way Ye Chen didn't have to bother looking for women one by one, he just had to wait for them to come to him.

"You are very smart, I like your intelligence" Fairy Zhen smiled at Ye Chen, honestly she felt that Ye Chen was very smart.

"So what, do you want to help me or not?" Ye Chen asked if Fairy Zhen would help him or not.

"How can I refuse someone who has helped me solve a difficult problem that I have, come with me, we will meet them" Fairy Zhen said that if she agreed to Ye Chen's request, she would help Ye Chen in the bet issue with Song Ziyu.

Fairy Zhen could see Ye Chen's potential, so she believed in Ye Chen's abilities.

Chapter 1133 - Time Massage Session Female Disciples (1)

Fairy Zhen took Ye Chen to go meet the female students who work in this place, it just so happened that some of them were doing their job.

Fairy Zhen was looking for some female students who were free, she told them to go and see her in this time.

There were quickly dozens of women who came in front of Fairy Zhen, coincidentally these women were free from their duties.

"What did Fairy Zhen call us here for?" All the female disciples in this place wanted to know why Fairy Zhen called them like this.

"All of you have been working hard for a while, so I want to give you a present." Fairy Zhen told all the female students in front of her that she intended to give them gifts.

"Yay. . ." All the female disciples looked happy when they heard this, they were very excited when they heard this.

Everyone couldn't wait to get gifts from Fairy Zhen, they all started to wonder what Fairy Zhen would give them all.

"Fairy Zhen, what are you going to give us?" all the female disciples enthusiastically asked about the gifts that Fairy Zhen would give.

"Why don't you guys try to guess it" Fairy Zhen told everyone in this place to guess the gift she was going to give them.

Fairy Zhen intended to seduce this female disciple, she deliberately acted mysteriously in front of all the female disciples in front of her.

"Is it a Profound Crystal?" One of the female disciples tried to guess what Fairy Zhen would give her.

"No" Fairy Zhen shook her head, telling herself that it wasn't a gift she would give them all.

"Is that a pill".

"or the Contribution Points".

One by one the women in this place began to guess the gifts that Fairy Zhen would give.

Fairy Zhen shook her head again, telling all the female students that it was not the prize they would get.

All the female disciples again guessed, they were all trying to find out what Fairy Zhen would give.

Unfortunately all of their guesses were not correct, no one could guess this, this made all of their female disciples much more curious, they wanted to know what Fairy Zhen would give them.

Ye Chen just smiled when he saw Fairy Zhen who was trying to seduce the female students in this place, it was obvious that this beautiful Milf loved to tease the female students who worked in this place.

"Fairy Zhen, we have given up, why don't you tell you what you are going to give us" after everyone answered wrongly, finally they all gave up, they really couldn't think about what Fairy Zhen would give .

"Too bad, then I will tell you what I will give, this is what I will give to all of you" Fairy Zhen pointed at Ye Chen, what Fairy Zhen was doing was like showing that Ye Chen was the gift.

"Huh. . .?" all the women looked surprised when they listened to what Fairy Zhen was about to give them, they couldn't believe that Fairy Zhen intended to give them a gift like Ye Chen.

How would they divide their gifts like this, don't tell me that Ye Chen would give Ye Chen as their servant.

It seems Fairy Zhen's words were misinterpreted, they all thought that Fairy Zhen would give Ye Chen to them.

"Ahem. . ., Fairy Zhen, why don't you explain in more detail, don't make all these women misunderstood." Ye Chen immediately asked Fairy Zhen to explain to the female disciples who were in this place.

Ye Chen felt uncomfortable when he felt the gazes given by these women, Ye Chen could feel that these women thought of themselves as an item.

"Fufufufu, I'm sorry" Fairy Zhen laughed mischievously to everyone, she didn't expect that female students would misunderstand her words.

"I don't mean to give this man, he will give you a massage session that will make you feel comfortable and refreshed, so you can work harder and more harder" Fairy Zhen finally explained the truth to the female student in front of her.

"Oh" after getting an explanation from Fairy Zhen, finally the female students understand what happened, it turns out that Fairy Zhen's gift is a massage for them, this is a bit disappointing for the ladies.

Even though the women hoped to be given an attractive gift, they did not expect the gift to be something like this.

"Ye Chen, you can start, I will return to my room, if you need anything you can directly call me" Fairy Zhen said to Ye Chen.

Fairy Zhen will not be here to accompany Ye Chen, she will go to finish her work first, Fairy Zhen still has unfinished business, so she has to finish her work soon.

"Okay I understand, I'll start right away, I'll make sure to do a good job" Ye Chen said that he would do this seriously.

"All of you make sure to cooperate with Ye Chen, if you don't cooperate well, then I will give you a suspension" Fairy Zhen warned the female disciples to cooperate with Ye Chen, otherwise they will get Suspension and cannot work on the spot this for a while.

"Okay, you understand" the female disciples nodded to Fairy Zhen, they would try to cooperate as best as possible with Ye Chen.

"That's great, then I'll go first, enjoy your time, fufufu" Before leaving, Fairy Zhen didn't forget to laugh at all the female students in this place.

The female disciples were helpless when they saw this, they all seemed to be being toyed with by Fairy Zhen.

"Alright, let's get started" Ye Chen said to everyone to start their massage.

"Yes. ." All the female disciples looked unenthusiastic when they heard this, they didn't seem too interested in this matter.

Ye Chen wasn't angry about this, there would come a time when he changed the attitude these women had.

"So who wants to do this first?" Ye Chen asked who would come first.

"let me be first, let me be first" a woman said that she wanted to be the first to try it.

Ye Chen looked at the woman who volunteered, Ye Chen was no stranger to this woman, it was clear she was Lei a receptionist who accepted Ye Chen.

"Okay, let's go in" Ye Chen invited the female receptionist to come with him into the room, Ye Chen was given access to this small room by Fairy Zhen, he could use this room as he pleased.

The woman named Lei immediately followed Ye Chen, the two entered the room and disappeared in front of all the women.

"Why does Lei seem so enthusiastic about that man?" All the female students looked surprised at their friend's attitude, why their friend looked so enthusiastic about this matter.

"I don't know, maybe Lei knows that man" some female students guessed that the woman named Lei knew Ye Chen, that was the only reasonable reason why Lei looked so enthusiastic.

In the room.

"You can lie down on that bed." Ye Chen told Lei to lie down on the bed.

Lei obediently lay on the bed, she quickly lay down and waited for Ye Chen's massage.

Chapter 1134 - Time Massage Session Female Disciples (2)

"Before starting, I have a condition for you" Ye Chen said that he had a condition before starting the massage session.

"What are the conditions?" Lei immediately asked about the conditions he had to fulfill.

"After this, I want you to tell your friends outside this pavilion how you are feeling right now," Ye Chen said to Lei.

"What is it for?" Lei asked why Ye Chen wanted her to do that.

"Of course to start a business, you know that I sell services, so I want to make a contribution point" Ye Chen said to Lei.

Ye Chen told Lei what he wanted, he wanted to be popular while making a large amount of contribution points.

"Oh, I see, then I agree." Lei said that he agreed to Ye Chen's conditions.

"Good" Ye Chen was happy to see Lei could cooperate with him, this would make things easier for Ye Chen to do.

"Are you ready?" Ye Chen asked if Lei was ready for this massage session.

"Yes of course" Lei nodded to Ye Chen, she was ready at any moment.

"Oh, yes I will remind you this, you don't need to hold back, if you want to scream, then do it" before starting the massage session Ye Chen did not forget to warn Lei.

"Eh, what's wrong, is this going to hurt?" Lei asked Ye Chen, Lei still didn't understand why Ye Chen warned her about this, he really didn't understand why Ye Chen gave this warning.

"You will soon understand what I am saying" Ye Chen said that Lei would soon find out what he was saying.

Lei was starting to get confused by this, he thought Ye Chen was becoming more and more mysterious, this made Lei feel very confused about Ye Chen.

Ye Chen started his massage session for Lei, he started to extend his hand towards Lei's feet.

First Ye Chen was going to start a massage on Lei's feet, Lei often worked standing up, so she must have had some stiffness at times.

Even though Lei was a fairly strong cultivator, Lei would still experience fatigue if she continued to work like this for a long time, so Ye Chen intended to massage this part.

when Ye Chen's fingers started to touch Lei's feet, Lei felt a very comfortable feeling, this feeling was so comfortable that it made Lei's body feel happy.

"What is this?" Lei didn't know what was going on, why she suddenly felt a very comfortable and good feeling when Ye Chen touched her.

This feeling was too comfortable for Lei, Lei herself had probably never felt this kind of feeling in her life.

This feeling gradually became stronger, it was really too comfortable for the female receptionist.

"Oh. . ., Ah. . ., Ah. . .," this feeling was really very good, without realizing it, Lei started to let out her own moans because of the pleasure her body was getting.

Lei tried to cover up her voice from leaking out, too bad her voice kept leaking out loud.

Lei's body already really liked this feeling, her body was completely under Ye Chen's control.

Ye Chen smiled when he saw the reaction of the female receptionist, he felt proud to be able to make this woman excited and excited.

.
.

The female disciple outside began to listen to the moans and screams released by Lei, the groans emitted by the female receptionist seemed to be having further intercourse with her partner.

The female disciple who were here started to think about obscene things, they started to think about what was going on in the room.

The female disciples thoughts started to run wild, they started imagining what their friends were doing in the room, whether they had stepped in a further relationship or not, these thoughts kept popping up in the female disciples' minds.

"What happened in there, did they really do that?" one of the innocent female disciples asked their comrades who were in this place.

"Even fools would know what they were doing in there" said one female student to the other, this female student had had experience with her boyfriend in the past, so she naturally knew what happened when a woman made a sound like that.

The atmosphere in this place was starting to become noisy, all the female disciples in this place really couldn't believe what was happening, they couldn't think that the innocent looking Lei would do something like this.

The moans released by Lei became louder and louder, it could be seen that the inside was becoming more and more intense.

The faces of the female disciple outside turned red like Apple, they were thinking about the chaos that was going on in the room.

This female disciple had been thinking lewd things, even though nothing had happened inside, Ye Chen was only using his skills to repair Lei's body who was having a bit of trouble from working too hard.

"Your body is very stiff, you have to warm up often before going to work, you can practice your fighting skills for a while before doing work" Ye Chen told Lei about his body feeling stiff.

It's a pity that Lei is currently in a semi-conscious state, currently he only has a little bit of consciousness, the pleasure that Ye Chen's technique gives is too great to make Lei's mind go blank and he can't think clearly.

Ye Chen saw the expression the female receptionist showed, the female receptionist was currently making a lewd face wanting a man.

Ye Chen's skill was something that was difficult for women to fight, plus the ability of the Passion Goddess technique could make an indifferent woman like Mu Xueying become very excited.

Ye Chen himself still didn't dare to use the Passion Goddess technique to the fullest, he was afraid that the other side would lose control when Ye Chen used this.

Just look at the reaction that the female receptionist had, even though Ye Chen only used the ability of the Passion Goddess technique a little, the result was that the female receptionist was in this condition.

If Ye Chen used the Passion Goddess technique to its fullest, perhaps the female receptionist wouldn't last and immediately asked Ye Chen to do it herself.

"Ah. . ., yes there, even stronger" the moaning voice became louder and louder, this made people who listened would definitely misunderstand what was happening.

Ye Chen ignored this moan, he started to absorb the Yin Qi that this female receptionist had in front of him.

Although the Yin Qi that Ye Chen got was not much, it was still very useful for Ye Chen, if Ye Chen could absorb this from many women then it would be the same as Dual Cultivation with many women who were still virgins.

In addition, the speed of absorbing Yin Qi using the Passion Goddess technique was much faster and more efficient, so it was extremely useful.

After about 5 minutes, Ye Chen finally stopped, Ye Chen had already repaired the female receptionist's body muscles, he should now feel lighter and much more refreshed.

" Why stop ?" After Ye Chen stopped, Lei finally regained his consciousness, he asked why Ye Chen suddenly stopped like this.

"We're done, so now it's another turn" Ye Chen told Lei that the massage session was over, so now it was another turn to try it.

After all, Ye Chen had already finished absorbing Lei's Yin Qi, so there was no longer any point in continuing with this.

Chapter 1135 - Time Massage Session Female Disciples (3)

"But I want more" Lei told Ye Chen that she wanted more, the feelings that Ye Chen gave had made Lei feel addicted.

"Don't force your body, you should stop and try again in the next months" Ye Chen told Lei not to push herself, otherwise Lei would really fall for Ye Chen.

" Okay . ." Lei looks very obedient to Ye Chen, she is now starting to idolize Ye Chen.

Lei tried to get up from the bed, when her feet touched the floor, Lei felt her feet feel very soft and have no strength.

Lei now understood what Ye Chen meant by not pushing herself, if she insisted on continuing maybe Lei wouldn't be able to move her body.

Lei immediately fell down because he did not have the strength to stand up, seeing this Ye Chen swiftly helped Lei to stand up, Ye Chen did not let Lei fall to the floor.

"Erm. ." Lei groaned slightly when her body was touched by Ye Chen, his body was still too sensitive, this made Lei's body feel happy when Ye Chen touched it.

" are you okay ?" Ye Chen asked if Lei was fine or not.

"I'm fine, I just need a little rest" Lei told Ye Chen that she needed a little rest to recover.

"Then you can use the chair, let me take you" Ye Chen decided to lead Lei to the chair in the room.

Lei nodded, she really needed a little rest for a while to recover her body.

If Ye Chen had not been so kind and helped the female receptionist, Lei would most likely crawl out of this room, it would definitely be a very embarrassing thing for the staff working in the medicine pavilion to see.

After helping Lei sit down, Ye Chen immediately came out of this room to meet the female disciple who was outside.

"Click. . ." The female disciples outside immediately looked at Ye Chen, they all looked at Ye Chen with extremely sharp gazes.

"Where is Lei now?" One of the female disciples asked where Lei was right now, she wanted to know what Ye Chen had just done in there.

"She is currently resting inside." Ye Chen told these ladies that the female receptionist was resting inside.

"Hey pervert, what did you do to our comrades?" One of the women again asked what Ye Chen had just done to Lei.

"I just gave him a massage" Ye Chen said that he only gave a massage to Lei.

"Lies, how can massage make such a sound" Another woman couldn't believe what Ye Chen said.

Ye Chen smiled when he saw this, it seemed that these women had misunderstood what had just happened, the voices they were listening to made them misunderstand what Ye Chen and Lei were doing.

"Beautiful ladies, I'm not lying to you, if you don't believe you can give it a try." Ye Chen said to all the female disciples in front of him.

All the women were confused by this, they didn't know what to do at this time, they were all afraid to try it, they were afraid of Ye Chen doing something bad to them.

"Let me try it, I want to see what kind of ability you have that makes Lei scream like that" one of the women who seemed very brave came forward, this woman wanted to try what kind of ability Ye Chen had that made Lei become like that.

This woman already had experience with the opposite sex, so she wouldn't be easily defeated by Ye Chen.

"Then come in." Ye Chen told this woman to go inside.

This woman did not wait, she entered the room without hesitation, she seemed not afraid of what would happen to her in the future.

The female disciples outside could only watch the departure of Ye Chen and their companions, they didn't know what would happen later inside.

Whether they would hear something like that earlier or not, this would be a mystery that made them all curious.

women are creatures who are interested in something that can make them curious, they will do various ways to deal with things like this even if they have to be in trouble though.

When the female disciple entered, she saw that Lei was currently sitting on a chair, Lei was resting and closing his eyes peacefully.

The female disciple looked at Lei up and down, she didn't find any traces of abnormality on Lei's body, all of her clothes were still intact and there was nothing suspicious.

"They didn't do anything?" The female disciple couldn't believe that nothing had happened, had the two of them not done anything beyond face before?, Then how was the voice she heard outside, what made that sound, this is a very mysterious thing for the female disciple.

"Please lie down." Ye Chen told the female disciple in front of him to lie down.

"You didn't do something to Lei?" The female disciple asked if Ye Chen didn't do that with the female receptionist.

"I told you I didn't do that, if you don't believe you can ask her." Ye Chen asked the female disciple to ask Lei if he did something inappropriate or not.

The female disciple fell silent when she heard this, it seemed that from the start she had misunderstood what had happened.

"Then I want to give it a try, is your skill really that great to make him scream like that or not?" The female disciple immediately wanted to try Ye Chen's skill, she wanted to see what kind of skill Ye Chen had that could make Lei scream like that.

The female disciple started lying on the bed, wanting to try Ye Chen's massage skills.

Seeing this challenge, Ye Chen will show a little his abilities, Ye Chen will definitely make sure that this woman will get something that makes her unable to walk normally in the next few hours.

Ye Chen rubbed his hands together, he started a massage for this woman.

Just like before, Ye Chen started massaging from the feet, all women in this place are the same, they have problems with their feet, so Ye Chen will fix this problem.

"Oh. . ." The female disciple started to moan when Ye Chen's fingers touched her feet, there was a good and pleasant feeling that the female disciple felt.

"What is this?, it feels amazing, it's even more amazing than doing that. ." the female student began to compare this feeling with the feeling of the relationship she had with her ex-boyfriend, this was much more comfortable and enjoyable than doing that with her ex-boyfriend.

"This is amazing, you are so great, I will ascend to heaven" the female disciple shouted much more passionately than Lei, she screamed madly when she felt Ye Chen's massage.

This sound was so loud it woke Lei who was resting.

Lei immediately woke up and saw what really happened, when she woke up and opened her eyes, she found a very shocking sight.

This time he saw a scene that was quite shocking, she found that it was her comrade who had made a sound like this, plus the lewd expression she was making looked extremely embarrassing.

"Did I also make that kind of expression before?" Lei was starting to wonder if she was also making such lewd expressions, if so it would be a real shame.

Chapter 1136 - Time Massage Session Female Disciples (4)

Lei tried to cover her face, she felt embarrassed when he had to see a scene like this.

Although embarrassed by this matter, Lei tried to peek a little, she was curious about what happened to the female disciple in front of Ye Chen.

The female disciple is getting more and more crazier, the voice that is emitted is getting more and more seductive every time, this woman looks like she is being abused by a man.

"Master, make slaves even stronger. . ., ahhh . . ." This female disciple looked even more crazed, she was actually starting to think of Ye Chen as her master.

Ye Chen almost fell when he saw this, Ye Chen found this brave woman's attitude, it turned out that this woman was really very brave.

It seems that she has a hobby of doing things like this with her partner, when Ye Chen gave a stimulation this woman immediately showed her own nature in front of Ye Chen.

The Passion Goddess technique was an incredibly powerful technique, it could allow women to show their true nature.

For example, the woman in front of Ye Chen, it was clear that women were brave women who liked to be abused by a man.

"Looks like this is going to be interesting" Ye Chen felt that this would become more and more interesting, he couldn't wait to see the reactions of all the women he would meet later, it would definitely be very interesting when he saw the reactions of every woman that Ye Chen met later.

Besides Lei still observing what was currently happening, he still couldn't believe what he was seeing at this time, the colleague he had worked with all this time turned out to have this nature, this could not be imagined by Lei.

Just like before, Ye Chen gave a massage session for 5 minutes, after five minutes Ye Chen finally stopped.

"Wow, that was really great, I've never felt that kind of feeling in my life" The female disciple seemed to enjoy the massage session that Ye Chen gave, this was the most wonderful thing she had ever felt in her life.

"I hope after this you tell your friends outside about what's going on right now" Ye Chen said to the female disciple.

This brave female disciple was actually quite strong, she still had a bit of consciousness after feeling Ye Chen's massage technique.

"Okay, I'll do it, by the way do you have a girlfriend?, if you don't want to date me" this female disciple was very brave, she immediately asked Ye Chen to date her.

"I'm sorry, but I already have a wife. . ." Ye Chen with a smile refused this female disciple's invitation.

If Ye Chen nodded and agreed to this, Ye Chen didn't know how many women would do what this female disciple in front of him did.

"what a shame" the female disciple looked disappointed when she heard Ye Chen reject her.

"If you change your mind, you can look for me, I will always accept you" the female disciple didn't give up, she still insisted on expressing her feelings.

Ye Chen just smiled when he saw this, this woman was much braver than Ye Chen thought.

After Ye Chen's massage session was over, the female disciple immediately got off the bed, when the female disciple got off the bed, she felt her legs very soft, this made the female disciple stagger.

Seeing this, Lei immediately helped this woman, Lei couldn't possibly let her partner out under these circumstances.

Lei herself was feeling somewhat better, she was starting to walk normally, although Lei still felt a slight tingling feeling in her legs.

"Thank you very much" the female disciple thanked Lei, she thanked Lei for helping her up, if it wasn't for Lei's help, she would most likely fall to the floor.

"Let's go out" Lei asked the female disciple beside her to leave this place.

"um" the female disciple nodded, they had to get out of this room, otherwise people outside would definitely be suspicious of what happened.

"Let's go first" These two women simultaneously bid Ye Chen farewell, they both went out in a way to help each other.

Outside the room all the women were waiting to see what happened, this second voice was much more seductive and passionate than before, the minds of these women were running wild as they listened to a voice that was much more passionate.

Lei and the female disciple came out of the room, both of them looking very tired when they came out of the room.

"What happened in there?" Another female disciples who was outside immediately asked what was going on in the room.

"Of course we get massages" the brave female disciple said to all the girls in this place.

"Then why are you two making such a sound?" The female disciple outside immediately asked why the two of them were making such a sound.

Lei and the female disciple looked at each other, both of them already sensed what kind of ability Ye Chen had, so both of them already knew why they were both making such sounds.

"That's because the technique that this guy has is very comfortable, you all should try it, I assure you that you will all be addicted to it" the female disciple boldly told All female disciple how she felt, she told all the women the amazing feeling when her fingers crossed. Ye Chen's finger touched every inch of the skin on his body.

"Is that true?" all the women in this place still couldn't believe the authenticity of this matter, they couldn't believe that the sound they were hearing was the result of Ye Chen's massage.

"Of course, why would the two of us lie to you all, besides, there's no point for either of us to lie to you, right Lei" said the female disciple to all the girls in this place.

"um, what he said is true, Ye Chen's ability is really great you should give it a try, otherwise you might regret it" Lei agreed with what the female disciple said, Ye Chen's massage skills were very great, it was the most beautiful thing he had ever experienced.

All of the female disciples here looked at each other, seeing the reactions the two were showing, they didn't look like they were lying.

All the female disciples wanted to feel what kind of ability Ye Chen had, they wanted to try it first.

All the female disciples were currently scrambling to enter the room, they were scrambling for Ye Chen's incredible massage session.

Even though at first these women underestimated Ye Chen's abilities, they didn't expect that now they would be scrambling to be the first to experience Ye Chen's abilities.

Lei couldn't help but smile when he saw this, these women's battles were so cute.

at Ye Chen's house

Li Jingyi is currently going to Qiao Xin's place, she wants to immediately learn to cook from Qiao Xin, Li Jingyi looks very enthusiastic about this matter, Li Jingyi can't wait to learn cooking skills.

"Ding. . ." Li Jingyi rang Qiao Xin's doorbell, Li Jingyi waited for Qiao Xin's answer.

"a moment" from inside finally came Qiao Xin's voice, Qiao Xin rushed to open the entrance for Li Jingyi.

"Click. . ." Qiao Xin opened the door, she immediately saw Li Jingyi already at the door of her house.

Qiao Xin herself was currently wearing a nightgown that looked very sexy and transparent, her curves could be seen clearly from under this nightgown.

"Ye Jingyi, what's wrong?" Qiao Xin didn't seem embarrassed when she saw that this was Li Jingyi, after all both of them were women, so why should Qiao Xin be embarrassed.

Chapter 1137 - Ye Chen's Thing Is Something Like This

"I came here for yesterday" Li Jingyi immediately told the reason she came to this place.

"yesterday?" Qiao Xin looked confused as to what Li Jingyi meant, she didn't understand what Li Jingyi meant at the moment.

"I was talking about our conversation yesterday, yesterday you said you wanted to help me learn to cook" Li Jingyi said to Qiao Xin.

Li Jingyi was not angry when she saw that Qiao Xin didn't remember yesterday's conversation, Li Jingyi instead reminded Qiao Xin of the gist of the conversation they had yesterday.

"Oh yeah, I almost forgot about this, I'm sorry" Qiao Xin apologized to Li Jingyi, she almost forgot the promise she made last night.

"Come with me" Qiao Xin led Li Jingyi into her house.

Li Jingyi did not hesitate, he immediately followed Qiao Xin into the house.

Qiao Xin immediately took Li Jingyi to her kitchen, there would be a suitable place to teach Li Jingyi.

Li Jingyi was brought by Qiao Xin to the kitchen, Li Jingyi could see that Qiao Xin's kitchen looked nice, neat and very clean.

"So tell me, do you have experience cooking?" Qiao Xin asked Li Jingyi, before starting to teach Li Jingyi, Qiao Xin wanted to know how much ability Li Jingyi had.

"I have little experience, unfortunately my cooking taste is not good" Li Jingyi told Qiao Xin about her experience.

"Oh, I see, then we just need to refinish the skills you have, I'll get some cookbooks that I have." Qiao Xin went to a shelf where she kept some of the cookbooks she kept.

Li Jingyi patiently waited, he wanted to know what kind of recipe Qiao Xin would teach her.

"Ye Jingyi, come here" Qiao Xin called Li Jingyi, she showed her a recipe that Li Jingyi could try.

"What do you think, do you want to try it?" Qiao Xin asked if Li Jingyi wanted to try this recipe or not.

"Of course, it looks delicious." Li Jingyi said to Qiao Xin, what Qiao Xin was showing looked good, so Li Jingyi wanted to try it.

"Alright then let's get started." Qiao Xin invited Li Jingyi to glorify her, she took an apron for herself and Li Jingyi.

Qiao Xin immediately took the food ingredients in her Space Ring, quickly all the ingredients needed were already on the table.

This is the God Realm, so something like a refrigerator doesn't exist in this place, people store their food in the Space Ring they have, that way the food won't go stale even if it's stored for a very, very long time.

First Qiao Xin taught Li Jingyi how to recognize all the ingredients, Qiao Xin wanted Li Jingyi to be more familiar with all the ingredients so he wouldn't make mistakes in cooking.

Li Jingyi knowledge in this matter was small, that's why she made a very fatal mistake when making a dish, Li Jingyi took what she should have put in wrong.

With Qiao Xin's very clear directions, finally Li Jingyi very quickly understood everything.

Now that Li Jingyi knew where her fault lay, it turned out that he had been wrong in adding ingredients that made her dish taste bad.

Qiao Xin was a very good teacher, she easily helped Li Jingyi solve the problems he had.

"Thank you, now is the time to start" After receiving Qiao Xin's direction, Li Jingyi confidence rose, he was now confident that he could make something delicious.

Qiao Xin smiled when she saw Li Jingyi enthusiasm, with Li Jingyi enthusiasm, Qiao Xin was sure that Li Jingyi would succeed.

"Jingyi, you look very passionate about this." Qiao Xin could see Li Jingyi enthusiasm, Li Jingyi looked very excited about this matter.

"Of course, I can't wait to make something delicious." Li Jingyi told her that she couldn't wait to make something delicious for Ye Chen.

"Ye Chen is really lucky to have a wife like you who is so understanding," Qiao Xin said to Li Jingyi.

Qiao Xin felt that Ye Chen was very blessed, besides getting a beautiful woman like Li Jingyi, Ye Chen also got Li Jingyi affection, this was a very extraordinary thing for Qiao Xin.

"Thank you for the compliment" Li Jingyi was happy with Qiao Xin's compliment, she was also happy when Qiao Xin praised Ye Chen, she felt that she was the one who was being praised by Qiao Xin.

"Jingyi, if you use all your current feelings, I believe you can make something special for Ye Chen" Qiao Xin said to Li Jingyi, Qiao Xin explained to Li Jingyi to use her feelings and create a special dish.

"I will." Li Jingyi nodded, she would try to create something very, very special for Ye Chen.

"But I still doubt that I can do that" Li Jingyi said to Qiao Xin, Li Jingyi herself still doubted whether she could do that or not.

"fufufu, if you have any doubts why don't you just use this thing." Qiao Xin took a bottle and placed it on the table.

"What is it?" Li Jingyi was curious about the bottle that Qiao Xin had just taken out.

"This is a drug to increase passion, with this he will definitely feel your food will be the most special, and the night you two will be more passionate" said Qiao Xin to Li Jingyi.

Li Jingyi face turned slightly red when she found out what Qiao Xin had just brought out, Li Jingyi did not expect that Qiao Xin had something like this.

"I don't want to use it, I'm afraid my husband will become stronger because of it" Li Jingyi said to Qiao Xin.

Li Jingyi didn't want to use something like that on Ye Chen, she was afraid that Ye Chen would get out of control and be unable to handle it.

Even with strong medicinal looks, Li Jingyi had a hard time resisting Ye Chen's abilities which were above normal men.

"fufufu, why do you look scared like this, this is a good thing for men, with this Ye Chen will definitely be much stronger" said Qiao Xin while teasing Li Jingyi who was in front of her

"Qiao Xin, Ye Chen is a strong man, even without this he might be able to last for days" Li Jingyi said to Qiao Xin, Li Jingyi explained to Qiao Xin the strength that Ye Chen had.

"What !!!" Qiao Xin looked surprised when she heard this, it was the first time she had heard of a man this strong.

Hearing this Qiao Xin became more and more interested in Ye Chen and Li Jingyi, she wanted to know the relationship between the two.

"Hi Jingyi, I want to ask how big is Ye Chen object?" Qiao Xin asked Li Jingyi about Ye Chen's.

"Why are you asking something embarrassing like that?" Li Jingyi felt that the direction she was talking was getting more and more embarrassing.

"Come on, we're both woman, so why be shy?" Qiao Xin said to Li Jingyi.

Qiao Xin kept trying to persuade Li Jingyi to say it, no matter what happened Qiao Xin had to get an answer from Li Jingyi.

Due to Qiao Xin's coercion, Li Jingyi finally said it.

"Ye Chen's thing is something like this" Li Jingyi described Ye Chen's using her two hands.

Chapter 1138 - [Bonus]Li Jingyi's Unreasonable Request

Qiao Xin gaped when she saw Li Jingyi hand that was used to describe Ye Chen's, Qiao Xin couldn't believe that Ye Chen would have such a large capital.

"It seems I underestimated the man, apart from having sweet words, apparently he also has such a large capital, it's not strange that Ye Jingyi can be subdued like that" Qiao Xin now began to understand, this might be the reason why Li Jingyi was conquered by Ye Chen.

With such a big weapon, Qiao Xin was sure that there weren't many woman who could survive, plus Ye Chen had sweet words that could make a woman feel very sweet feelings.

Here Qiao Xin felt that way when she interacted with Ye Chen, Qiao Xin could feel that Ye Chen was a man who was very good at seducing women, her intuition told her about it.

"I didn't expect you to have such a strong man." Qiao Xin made an expression as if she couldn't believe what she was hearing right now.

"I didn't believe it at first either, but Ye Chen has things that are above normal men" Li Jingyi said with an innocent gentle smile.

"Above men?, your husband's property is not normal, I'm afraid that no one can match Ye Chen's" In her heart Qiao Xin cursed what Li Jingyi had just said, what Li Jingyi described was beyond expectations. Qiao Xin or any other woman out there could imagine.

Even if Li Jingyi told this matter to the women out there, Qiao Xin was sure that the reaction they would have would be exactly the same as the one she had right now.

"Qiao Xin, why aren't you embarrassed when you ask this question, do you have experience with this kind of thing?" Li Jingyi asked if Qiao Xin had any experience in couple relationships.

"I . . ." Qiao Xin seemed to stutter when Li Jingyi asked about this matter.

To be honest Qiao Xin had never done anything like this, Qiao Xin only had a lot of knowledge about this matter from acquaintances she had at work.

"Of course I have it, I'm much more experienced than you think" Qiao Xin couldn't help but lie to Li Jingyi, trying to keep her face in front of Li Jingyi.

If Li Jingyi knew that she was still a pure person, then Qiao Xin's reputation in Li Jingyi eyes would definitely decline.

"Really, then can you teach me a bit, I'm inexperienced with this matter" Seeing that Qiao Xin was quite experienced, Li Jingyi asked her to teach herself.

"_-_" Qiao Xin's face looked unsightly when she listened to what Li Jingyi said, Qiao Xin couldn't believe that Li Jingyi would ask her about such things.

Qiao Xin was completely inexperienced with this matter, she knew about this matter because she often chatted with the prostitutes she often met at work.

It should be noted that Qiao Xin is a fairly popular artist, she often plays musical instruments and sings in several big places in this city and outside this city.

Of course most were places where many prostitutes sold themselves, so Qiao Xin often met these kind of women and talked to them about this matter.

So it wasn't strange that Qiao Xin didn't want to be like this, she had often talked to very lewd women, this made Qiao Xin understand the world between men and women.

"Why, don't you want to teach me?" Li Jingyi again asked Qiao Xin, she wanted to know whether or not Qiao Xin would teach about this matter.

"How is it?" Qiao Xin was a little confused by this matter, she really didn't know whether she was capable of teaching Li Jingyi or not, she herself hadn't even found a partner to try it out herself.

"Please. ." Li Jingyi didn't give up, she tried to persuade Qiao Xin to teach her a little, who knows what Qiao Xin's teaching could make Li Jingyi beat Ye Chen at night.

Qiao Xin didn't feel good when she tried to reject Li Jingyi, this beautiful goddess was really hard for Qiao Xin to deal with.

"she's too innocent." Qiao Xin felt that Li Jingyi was too innocent, Li Jingyi innocence was something that Qiao Xin couldn't refuse.

"Okay, I'll teach you a bit, but don't tell anyone about this matter including Ye Chen." Qiao Xin promised Li Jingyi, she gave Li Jingyi a condition not to tell anyone about this matter.

Qiao Xin didn't want anyone else to know about this matter, she wasn't the brave woman Li Jingyi thought she was.

Qiao Xin herself didn't know why she could promise something like this, even though she didn't have any experience with this matter herself, so Qiao Xin was quite confused to resolve this matter.

Too bad Qiao Xin couldn't go back on her words anymore as she had promised Li Jingyi to teach her about the problems between men and women.

Qiao Xin was really dizzy, how could she be caught up in this matter, this was something Qiao Xin had never imagined.

Li Jingyi looks happy, she finally got a teacher who can make her strong in bed, Li Jingyi hopes she can make Ye Chen comfortable with her.

Qiao Xin and Li Jingyi continued their cooking lessons, under Qiao Xin's direct instruction, Li Jingyi skills began to develop very quickly.

.

Back to Ye Chen.

The current Ye Chen had finished giving massages to all the female disciples outside, it took a little longer than Ye Chen had expected.

Even though Ye Chen thought this would be over quickly, he didn't expect it to take so long.

Ye Chen didn't realize that the number of female disciples outside had increased, which made Ye Chen's job take quite a long time.

"Finally done" Ye Chen was happy that his work was finally done, now Ye Chen could leave this place.

Tomorrow Ye Chen just has to wait for the female disciple to come to him.

"I wonder what Jingyi is doing, I should go and see." Ye Chen was worried about Li Jingyi situation, it was not good for Ye Chen to leave Li Jingyi alone.

That's why Ye Chen wanted to see Li Jingyi current condition, whether Li Jingyi was okay or not.

Ye Chen slipped away from this place, Ye Chen quickly left the medicine pavilion.

Some time after Ye Chen's departure, Fairy Zhen finally went to see what had happened to the disciples who had gotten massages from Ye Chen.

Fairy Zhen could see that all of the disciples looked exhausted, they were completely defeated by Ye Chen's extremely formidable technique.

"Looks like Ye Chen has made them feel heavenly pleasure" Seeing this scene, Fairy Zhen could conclude that Ye Chen must have made all women feel the power of his massage technique.

"How are you guys enjoying this?" Fairy Zhen asked all the female disciples in front of her.

The female disciples immediately looked at Fairy Zhen, they did not expect that Fairy Zhen was already near them.

"Fairy Zhen, Ye Chen is really amazing, where did you get it from?" The female disciples immediately asked Fairy Zhen about Ye Chen, they were curious about Ye Chen's identity.

Chapter 1139 - Coincidentally Met Song Han

"You guys, he is an outer court disciple like you, if you want to find him I can help you, but then it might not be free like now, in the future you may have to pay some contribution points to him" Fairy Zhen said to all the women who is in this place.

"We all don't mind paying the contribution points we have, greetings we can feel that feeling again, you are willing to do anything" said all the women who were here to Fairy Zhen.

All the female disciples had completely liked Ye Chen's massage technique, they were already completely addicted to it.

Fairy Zhen couldn't help but shake her head when she saw this, to think that all these female disciples were already addicted to Ye Chen's skills.

Fairy Zhen had to praise Ye Chen, Ye Chen was really really fast, he was able to make the female disciples in this place to be in their current state.

"You guys should go back, it looks like you look tired and dirty" Fairy Zhen told the female disciples who were in this place to go back to their places, Fairy Zhen would give these women a leave.

Fairy Zhen knew that they must be dirty after tasting Ye Chen's massage, it would be a shame if they came out like this.

All the female disciples nodded, they immediately went back to where they were, they would immediately go to clean themselves a little dirty.

The female disciples couldn't wait to share their experiences with their peers around where they lived, this they did because they had previously promised Ye Chen to spread this information.

All the women thought that if they spread the news, then Ye Chen would be very happy, so they excitedly did this.

For them Ye Chen was now their idol, Ye Chen had made them feel something they had never felt in this life.

So it wouldn't hurt for them to help Ye Chen even if they weren't given anything in return, they were all doing this because they wanted to sincerely help Ye Chen.

"Fairy Zhen, before leaving, please tell me where Ye Chen lives." One of the students asked Fairy Zhen for Ye Chen's residence number.

"This is where Ye Chen lives." Fairy Zhen immediately gave the location where Ye Chen lived.

Fairy Zhen had already looked up some information about Ye Chen, so she naturally had Ye Chen's residential address.

All the female disciples started scrambling to get the address that belonged to Ye Chen, they all wanted to be the first to find out.

Fairy Zhen shook her head, she didn't know what else to say in this situation.

"Looks like these poor women have fallen for Ye Chen" Fairy Zhen felt that these women had fallen for Ye Chen, this could be felt by Fairy Zhen from the enthusiasm they had at the moment, it seemed that they had fallen into Ye Chen's palm .

"All of you are too noisy, get out of here quickly" Fairy Zhen felt dizzy with the actions of the female student in front of her, that's why Fairy Zhen immediately drove the female disciple who was in this place to leave the medicine pavilion immediately.

When Fairy Zhen was angry, all the female disciples were silent, they all looked frightened by Fairy Zhen's anger.

After all Fairy Zhen was still an Elder, an outer court disciple couldn't possibly dare to seek trouble with an elder like Fairy Zhen.

The girls left immediately, they decided to take a look at Ye Chen's address when they were outside, if they made any noise in this place, it would only trigger the anger of Fairy Zhen.

After all the women left, Fairy Zhen immediately headed towards the room where Ye Chen was.

"Ye Chen, are you in there?" Fairy Zhen entered the room, when Fairy Zhen entered the room she had not found Ye Chen's whereabouts.

"He's gone." Seeing Ye Chen not being in the room, Fairy Zhen immediately knew that Ye Chen had already left this place.

"He's gone, even though I wanted to tease him a little." Fairy Zhen looked disappointed when she saw Ye Chen had left this place, even though Fairy Zhen wanted to tease Ye Chen a little.

"Never mind, there's still time to do that." Fairy Zhen still had other time to do that, so she wasn't in too much of a hurry.

Since Ye Chen had already left, Fairy Zhen decided to return to her room, there was nothing Fairy Zhen could do about this matter.

.

.

After leaving the medicine pavilion, Ye Chen immediately left the Sect, and went to White Cloud City to buy some things for Li Jingyi.

Ye Chen looked around White Cloud city, this place was quite busy with several merchants selling various basic necessities and cultivation needs.

White Cloud city was located quite close to the Nine Immortals Peak Sect, so it wasn't surprising that there would be a lot of merchants here who would sell their goods.

Several Sect disciples were often seen on the street, it seemed like they were looking for entertainment or something they needed.

"Hey young man, is that you?" While Ye Chen was walking around, Ye Chen heard someone calling out to him.

Ye Chen immediately looked towards the origin of the sound, when Ye Chen found the origin of the sound, Ye Chen found an old man wearing a bamboo hat to cover his appearance.

"who?" because the old man was wearing a bamboo hat, Ye Chen could not clearly see who this man was.

"It's me Song Han, the person you saved that time." Song Han told Ye Chen who he was.

"Oh, you're the old man with the Gu from that time." After hearing Song Han's words, Ye Chen finally remembered who the old man in front of him was, this was the old man Ye Chen had previously saved.

Ye Chen did not expect that he would meet Song Han by chance like this.

"Hahaha, so you still remember this old man, this old man is very happy" Song Han was overjoyed to see Ye Chen still remember him.

"What are you doing in this place?" Ye Chen asked about what Song Han was doing in this place.

"Oh that, I was looking for some fresh air with my granddaughter" Song Han told Ye Chen that he was looking for some fresh air with his granddaughter.

"Oh I see" Ye Chen nodded, it turned out that Song Han was looking for some fresh air outside.

"Do you want to meet my granddaughter?" Song Han asked if Ye Chen wanted to meet his granddaughter or not.

"Looks like it's not necessary." Ye Chen immediately shook his head, this old man would definitely give him a marriage proposal like the last time they met.

"Come on, why did you refuse, this old man will introduce you to him" Song Han put his arm around Ye Chen, he tried to persuade Ye Chen to meet his granddaughter.

Ye Chen was a little helpless with this matter, this old man was too stubborn, this gave Ye Chen a little headache.

"Grandfather, so you are here, I have been looking for you everywhere" a female voice came from behind Ye Chen and Song Han.

Ye Chen listened to this voice carefully, for some reason this voice seemed very familiar to Ye Chen, Ye Chen had heard this voice before.

Ye Chen started to remember the voice he just heard, after remembering for a while, Ye Chen finally knew about this woman's voice.

Chapter 1140 - Song Ziyu Was Forced To Apologize To Ye Chen

Ye Chen looked back, when Ye Chen looked behind Ye Chen to find a figure that was completely familiar to him, this figure was definitely Song Ziyu.

Song Ziyu was currently wearing a bamboo hood to change her appearance.

Song Ziyu looked at Ye Chen, the eyes of the two looking at each other.

"Ye Chen, Song Ziyu" Ye Chen and Song Ziyu called each other, they both couldn't believe they would meet in a place like this.

When Ye Chen and Song Ziyu met the two of them staring at each other with hostile gazes, it was clear that both of them had some sort of personal grudge that couldn't be said.

"What are you doing here?" Song Ziyu asked what Ye Chen was doing in a place like this.

"I was taking a walk and looking at things that could catch my eye" Ye Chen said in a nonchalant tone as if he didn't want to answer Song Ziyu's questions.

Song Ziyu gritted her teeth as she listened to Ye Chen's indifferent words to her, this man was so annoying, he was clearly a natural enemy sent by the heavens for her.

"Do you two know each other?" Song Han asked Song Ziyu and Ye Chen, he wanted to know whether the two knew each other or not.

"A little, no. ." Ye Chen said that he knew Song Ziyu, while Song Ziyu herself refused that she knew Ye Chen.

Ye Chen immediately glared at Song Ziyu, this woman in front of him was so annoying.

Song Ziyu also looked at Ye Chen, the two of them glaring at each other.

Song Han took a deep breath when he saw Ye Chen and Song Ziyu interaction, it was clear that the two of them knew each other and had deep personal animosities.

Song Han knew very well his granddaughter, it was clear that Ye Chen and his granddaughter had a personal grudge, it could be seen clearly by Song Ziyu eyes.

"Old man, is this the granddaughter you told me back then?" Ye Chen asked Song Han who was standing at the side.

"Yes, she's the person I said ." Song Han didn't deny this, Song Han told Ye Chen that Song Ziyu was his granddaughter.

"Ye Chen, how can you call grandpa an old man?" Song Ziyu looked angry when she saw Ye Chen call Song Han an old man.

"Why, there's nothing wrong with calling him that" Ye Chen said to Song Ziyu.

Ye Chen didn't feel wrong when he called Song Han an old man, Ye Chen had no relationship with Song Han, so why did he have to call Song Han grandfather.

" You . . ." Song Ziyu pointed at Ye Chen, she couldn't believe that Ye Chen dared to answer her words.

Song Ziyu felt that Ye Chen was being too bold, Song Ziyu had to teach Ye Chen a lesson so he would know where she was.

Song Ziyu herself was a core disciple who had a high position, how could a core disciple like herself be bullied by Ye Chen, Song Ziyu would not allow that to happen.

"Ziyu, stops there" seeing Song Ziyu wanting to try to attack Ye Chen, Song Han immediately stopped her.

"Grandpa why did you stop me, I want to make a calculation with this man" Song Ziyu tried to break away from Song Han, Song Ziyu really wanted to teach Ye Chen a lesson.

"Ziyu, Ye Chen is the one who saved your grandfather from bandits and treated your grandfather wounds, you should be more polite to him." Song Han told Song Ziyu that Ye Chen was the one who saved him.

"What, how is that possible?" Song Ziyu couldn't believe that Ye Chen was the one who had saved her grandfather from criminals and the one who had healed her grandfather's wounds at the same time.

"Hahaha, you heard that you better apologize to me, otherwise you will be an unfilial son to your ancestors." Ye Chen put on a triumphant pose, this time he felt he had won over Song Ziyu.

Song Ziyu gritted her teeth, for some reason Ye Chen looked so annoying right now, she made Song Ziyu feel disgusted.

"Grandpa, how could that happen?" Song Ziyu couldn't believe what her grandfather said, she couldn't believe that Ye Chen was the one who had saved her grandfather.

A cowardly man like Ye Chen couldn't possibly have saved her grandfather who had an incurable wound for a long time.

"Ziyu, grandfather can't possibly be joking with you, Ye Chen is really the one who has helped me, so I beg you to take care of that attitude of yours" Song Han told Song Ziyu that Ye Chen was really the one who had helped him, if it wasn't for Ye Chen may be that Song Han's current fate is not suffering so much at the hands of criminals.

Song Ziyu was silent when she heard this, Song Ziyu still couldn't believe what Song Han said.

Song Ziyu had interacted with Ye Chen for a while now, so she knew what Ye Chen was like, this man was so cowardly, he didn't even dare to face the enemy, so how could Ye Chen save her grandfather from the hands of criminals, it was absolutely impossible Song Ziyu once thought.

"Grandpa, are you sure you are not mistaken, this person is a coward, he is even the first to run away when facing the enemy" Song Ziyu asked Song Han once, she tried to tell Song Han what it was like it's Ye Chen.

"Ziyu you better keep your attitude in front of Ye Chen, he is the one who saved your grandfather, so I hope you can apologize to him for what you just said" Song Han scolded at Song Ziyu, he told Song Ziyu to apologize to Ye Chen.

After all Ye Chen was the one who had saved him, how could his granddaughter insult the person who had saved her.

Song Han was really embarrassed by his granddaughter's attitude, even though he originally wanted to get Ye Chen into the Song family, Ye Chen's talent is something that is very rare,

Unfortunately now it might be very difficult to happen, attitude Song Ziyu was going too far, so perhaps Ye Chen had actually thought something bad about Song Ziyu.

Song Ziyu didn't expect that her grandfather would be so angry with her, this was the first time that Song Ziyu had been scolded like this by her grandfather.

Even though Song Han was someone who never scolded and always protected Song Ziyu when she made a mistake, this time Song Han really scolded Song Ziyu quite hard.

"It's all this ugly man's fault" in her heart Song Ziyu started cursing Ye Chen, she was really dissatisfied with Ye Chen.

"Ziyu what are you waiting for, quickly apologize to Ye Chen" Song Han again told Song Ziyu to apologize to Ye Chen, otherwise this would embarrass Song Han's face.

"Didn't you hear what your grandfather said, you should apologize to me immediately." Ye Chen was happy to see this, right now the face behind the veil must be unsightly.

Song Ziyu gritted her teeth, she was furious, if Song Han wasn't here, then Song Ziyu would definitely beat Ye Chen down.

"Ye Chen, I'm sorry." Song Ziyu finally apologized to Ye Chen, she still had to respect her grandfather who was by the side.

If Song Han wasn't by the side surely Song Ziyu wouldn't be willing to do something like this to Ye Chen.
