

A True God 1151

### **Chapter 1151 - The Plan To Kill Ye Chen**

Chu Yuechan wanted to help Li Jingyi find some suitable cultivation techniques for her, Chu Yuechan wanted Li Jingyi to become even stronger than she was now.

Chu Yuechan could see Li Jingyi potential, that's why Chu Yuechan wanted Li Jingyi to take advantage of her potential.

"um" Li Jingyi nodded, she didn't mind if Chu Yuechan came along with her.

Li Jingyi and Chu Yuechan immediately left this place, the two of them would go around this place and look for any pleasant things they could find.

Ye Chen saw the departure of the two beautiful goddesses, now he was alone with one of the four beautiful goddesses in the God Realm.

"Husband" from behind suddenly Nangong Xiang started hugging Ye Chen's body.

"Munyu. . ." Two extremely soft objects were currently pressing against Ye Chen's back.

"Oh. . ." Ye Chen felt an extremely intense sensation, he felt the sensation of two large soft bulges pressing against his back.

This sensation is very comfortable, it makes any man feel happy.

"Xiang, what's wrong?" Ye Chen asked what Nangong Xiang was doing now, he wanted to know what Nangong Xiang would do to him.

"Husband, do you want to do that with me?" Nangong Xiang whispered beside Ye Chen's ear, in a very soft and seductive voice Nangong Xiang invited Ye Chen to have husband and wife intercourse.

Nangong Xiang's voice was very seductive, it could make the bones of every man who heard it feel soft.

One of the four beautiful goddesses is indeed great, they can indeed easily make every man in the God Realm excited.

Ye Chen was a very, very normal young man, he naturally liked the invitation of a beautiful goddess like Nangong Xiang.

Moreover, Nangong Xiang was currently taking an initiative of her own, so how could Ye Chen resist this.

"My beautiful goddess, you actually dare to tease me, are you not afraid of me?" Ye Chen asked Nangong Xiang.

"This goddess is not afraid of you, I want to play with the one down here." Nangong Xiang's hand began to hold Ye Chen's younger brother.

When Nangong Xiang held Ye Chen's thing, Nangong Xiang found that Ye Chen's thing was already very excited, this discovery made Nangong Xiang happy, it seemed that her temptation had succeeded in making Ye Chen excited.

"Husband, the younger brother below is already like this, can't you stand me?" Nangong Xiang whispered to Ye Chen.

Nangong Xiang had started to be a very brave woman once, she now looked like a Succubus trying to seduce Ye Chen with unmatched abilities.

Women who had tasted the forbidden fruit were indeed different, they would be much more aggressive with the partner they liked, that also seemed to apply to Nangong Xiang.

The beautiful goddess adored in the God Realm this time around was teasing Ye Chen in a very seductive tone, if anyone were to see this scene, their eyeballs would definitely fall out of place.

Ye Chen was almost at his limit, he still couldn't believe that the usually beautiful and wise Goddess Nangong Xiang would act seductively on him like now, this was something that was very difficult for Ye Chen to endure.

Right now Ye Chen was quite excited, this was because previously Ye Chen was doing massages for the women in the medicine pavilion, the women in the medicine pavilion let out a sound that was enough to make Ye Chen a little excited, that's why Ye Chen had been holding back an uncomfortable feeling from earlier.

Now that Nangong Xiang was provoking himself, how could Ye Chen not be excited when he was provoked by a beautiful goddess like Nangong Xiang.

"You're being naughty, it seems that Husband has to teach you a lesson that you can't forget" Ye Chen said to Nangong Xiang, Ye Chen intended to teach a lesson that Nangong Xiang would not forget, that way.

"What are you waiting for, show your ability as a Man" Nangong Xiang said to Ye Chen.

Nangong Xiang seemed to be provoking Ye Chen, Nangong Xiang was a person who grew up in an environment noble Clan the God Realm, so it was not strange that Nangong Xiang had this kind of education to seduce the man who would be her future partner.

And this time Nangong Xiang used this thing to try to provoke a Monster like Ye Chen.

"My Succubus Goddess, I can't take it anymore" Ye Chen couldn't stand Nangong Xiang's temptation anymore, Ye Chen carried Nangong Xiang's body and immediately went to the Dual Cultivation room.

Ye Chen didn't care about anything else anymore, at this time Ye Chen wanted to do the beautiful goddess in his arms.

Nangong Xiang snuggled in Ye Chen's arms, she was embarrassed by Ye Chen who carried her like a princess, Nangong Xiang started to feel that he was returning to her former lost youth.

Ye Chen and Nangong Xiang walked into the Dual Cultivation room, both of them preparing to start their first round.

.

.

Currently in another place far away in White Cloud city there were two people currently meeting in a very dark place.

These two people were very suspicious, how could the two of them meet in a dark place like this place, why didn't the two of them meet in White Cloud city which was much lighter and more comfortable.

If one looked closely, the appearance of one of these people was familiar, it was clearly the Long Dou that Ye Chen had previously met at the Song Clan residence, meanwhile the person in front of the Long Dou was still quite mysterious.

"How, did you succeed?" asked the person with a mysterious appearance to Long Dou.

The mysterious man asked whether Long Dou had succeeded in carrying out his work or not, if he succeeded then he wanted the reward.

"I haven't succeeded, the person who previously interfered in our business came and made things difficult for me" Long Dou told that he failed, Ye Chen suddenly came and interfered with all his plans.

"You mean the one who destroyed my Gu Bug?" asked the mysterious man to Long Dou.

"Yes, I was talking about it, he visited today and thwarted the plans I had." Long Dou said to the mysterious man.

"I see, he's the reason you failed again." The mysterious man finally understood why Long Dou had failed again in seizing power from the Song Family.

"I want you to give me a Gu Bug that is much stronger and even more deadly." Long Dou asked for a Gu Bug that was much stronger and even more deadly.

"It's useless, as long as that man is still around, my Gu Bug is useless, you have to get rid of that person first, otherwise you won't be able to carry out your plan" the mysterious man told Long Dou to get rid of Ye Chen first. formerly.

"Then let me get rid of that person." Long Dou wanted to go and get rid of Ye Chen with his own hands.

"Don't do stupid things like that, you'd better ask a assassin for help, that way you won't be found or suspected" said the mysterious man to Long Dou.

The mysterious man told Long Dou to go and hire a great assassin to kill Ye Chen, that way he wouldn't be suspected as a suspect by the Song Family.

The mysterious person already estimated that Ye Chen was a great person, otherwise how could he easily detect the Gu Bug that he implanted in Song Han's body so easily.

Plus Ye Chen could easily get the Gu Bug out of Song Han's body without triggering an explosion, that was a really great thing to do.

### **Chapter 1152 - [Bonus ]Dual Cultivation With Goddess Nangong Xiang**

"Your idea is not bad either, I will hire a great assassin to kill that man, I believe everything will be handled very easily" Long Dou agreed with the mysterious man's suggestion, he would hire an assassin to kill Ye Chen.

"If you get rid of that person, you can call me, I will help you take care of the old geezer and the city lord for you" the mysterious man said to Long Dou to call himself if Ye Chen had been successfully removed.

"Alright, once I've gotten rid of that guy named Ye Chen, I'll come and see you." Long Dou nodded, now his main focus was on getting rid of Ye Chen.

Ye Chen who didn't want to get into trouble was suddenly dragged into this matter, this was a very troublesome thing for Ye Chen.

After the plan was made by Long Dou and the mysterious man separated, the two of them immediately left this place, before leaving the two did not forget to erase the traces, neither of them should be found by other people let alone people who have relations with the city lord.

.

.

Currently inside the Dual Cultivation room.

"Ah. . ., ah . . ., ah . . .," a very seductive moan filled the room, this voice was very soft and full of temptation, anyone would not be able to resist this kind of temptation.

Nangong Xiang was currently riding Ye Chen's body, she was moving up and down on Ye Chen's body while enjoying the feeling that Ye Chen's big and very long little brother gave.

" husband, This is so great, your little brother made me so messed up" Nangong Xiang said to Ye Chen that his big thing had messed up Nangong Xiang.

"My dear wife, you are also very comfortable inside, I feel sucked dry by her" Ye Chen also felt the same, he felt a very pleasant feeling from Nangong Xiang's honey cave.

Nangong Xiang is indeed worthy of the title of beautiful goddess, she has an extraordinary artifact, Ye Chen feels sucked dry by Nangong Xiang's.

"Pah. . ., pah. . ., pah. . .," the sound of the collision between the two skins sounded melodiously, this was a very pleasant sound to listen to.

Nangong Xiang's movements also seemed to be getting more and more aggressive, she was going crazy with the pleasure she was getting from Ye Chen.

The feeling of doing Dual Cultivation with Ye Chen was very pleasant, it was the most beautiful thing Nangong Xiang had ever experienced.

Ye Chen felt a very pleasant feeling every time his possession penetrated into Nangong Xiang's flower core, this feeling was extremely comfortable.

This comfortable feeling was very dangerous for Ye Chen, it could make Ye Chen lose very easily.

"I can't lose." As a man Ye Chen didn't want to lose, he had to be able to survive Nangong Xiang's attack.

Due to Nangong Xiang's position as the leader, Nangong Xiang was now in the attacking position, meanwhile Ye Chen was currently in the defensive position from Nangong Xiang's attack.

Nangong Xiang issued various attacks that were very dangerous for Ye Chen, she issued an attack that could possibly make Ye Chen lose at any time.

Ye Chen didn't want to lose so quickly to Nangong Xiang, he had to defend against Nangong Xiang's attack.

Ye Chen started to launch an attack on Nangong Xiang, Ye Chen started to play Nangong Xiang's two double peaks which were currently bouncing up and down.

"Husband, don't. . ." Nangong Xiang shouted when Ye Chen was indeed her, the feeling of amusement as well as comfort made Nangong Xiang unable to stand it.

This temptation was so great that Nangong Xiang had a hard time resisting Ye Chen's attack.

"Hehehe" Ye Chen chuckled when he saw this, he was overjoyed to see Nangong Xiang starting to feel his attack.

Nangong Xiang didn't want to lose here, she kept trying to put up a fight against Ye Chen.

1 hour quickly passed, up to now Ye Chen still hadn't lost, meanwhile Nangong Xiang had already lost about 7~9 times.

"Husband, don't you want to?" Nangong Xiang asked Ye Chen, she wanted to know if Ye Chen still didn't want to.

"I haven't done this yet, you have to fight even harder." Ye Chen said that he didn't want to yet, Ye Chen told Nangong Xiang to try harder.

Ye Chen had really gotten stronger since the last battle that Nangong Xiang and all the women had fought, this time Nangong Xiang had a hard time resisting Ye Chen's abilities.

Even Nangong Xiang's waist was numb from being too tired to move for a whole 1 hour.

Nangong Xiang didn't know how Li Jingyi would survive alone, she now felt the position of Li Jingyi fighting Ye Chen alone.

During this time Nangong Xiang had always received help when she was fighting Ye Chen, but now it was different, Nangong Xiang did not get any help when fighting Ye Chen, this was much more difficult than Nangong Xiang had imagined.

Ye Chen felt Nangong Xiang's movements slowing down more and more every time, it could be seen that Nangong Xiang was already getting tired from being on top.

Ye Chen immediately changed the position they had, this time it was Ye Chen's turn to make a move.

"Husband wait a moment" Nangong Xiang told Ye Chen to wait for a while, Nangong Xiang is currently still feeling exhausted and needs a little rest for a while.

There was no way that Ye Chen would let Nangong Xiang rest this easily, at this time Ye Chen couldn't stand it and immediately took Nangong Xiang hard.

"Ah. . ., no. . ." Nangong Xiang shouted as Ye Chen carried herself so hard, this fun was much more intense than before.

Since now Ye Chen was in the lead, Ye Chen easily attacked Nangong Xiang's weak point, this would make Nangong Xiang feel an indescribable feeling.

Nangong Xiang had really gone crazy from this pleasure and enjoyment, she was starting to get dizzy with this feeling.

Ye Chen was really great, Ye Chen easily made a beautiful goddess like Nangong Xiang be in this state.

"Well, husband more, please mess me up" after a while Nangong Xiang's resistance disappeared, she told Ye Chen to do herself even harder.

Ye Chen of course was happy to do so, he was excitedly doing Nangong Xiang who was in front of him.

Ye Chen did not forget to cultivate Yin and Yang together with Nangong Xiang to gain the benefits of Dual Cultivation,

Ye Chen and Nangong Xiang continuously fought long battles for dozen hour, both of them forgot about the time when doing Dual Cultivation together with Ye Chen.

After 1 day of Dual Cultivation in the Dual Cultivation Chamber, the two of them finally stopped.

Actually Ye Chen was still strong enough to continue, but Nangong Xiang was no longer able to continue this.

Nangong Xiang didn't know how he could endure Ye Chen's endless onslaught, she was currently extremely exhausted and wanted to rest for a while to recover.

Seeing that Nangong Xiang wanted to rest after a long battle, Ye Chen intended to go and see the state of Chu Yuechan and Li Jingyi, himself wanting to know what the two of them were doing at the moment.

"Husband, you accompany me here" when Ye Chen intended to leave this place, Nangong Xiang suddenly stopped Ye Chen, Nangong Xiang wanted Ye Chen to be here and accompany her.

Nangong Xiang wanted to spend time with Ye Chen, she didn't know when she could be alone with Ye Chen like this.

### **Chapter 1153 - Li Jingyi And Chu Yuechan's Talk**

Nangong Xiang knew very well that Ye Chen had many women, therefore it would probably be very difficult for Nangong Xiang to monopolize Ye Chen alone for herself.

So once in a while Nangong Xiang wanted to be with Ye Chen like this, she wanted Ye Chen to accompany her for the time being.

Seeing the beautiful goddess act spoiled like this, how could Ye Chen refuse her request, Ye Chen finally accompanied Nangong Xiang.

Ye Chen went back to sleep and hugged the beauty beside him.

Nangong Xiang was very happy when she saw Ye Chen willing to accompany her, finally Nangong Xiang was still able to be with Ye Chen for the time being.

Nangong Xiang hugged Ye Chen's body, she easily fell asleep in Ye Chen's arms which felt very comfortable.

The feeling of comfort that was given was extremely comfortable, it was so easy for Nangong Xiang to sleep because of this.

Seeing that Nangong Xiang had started to fall asleep, Ye Chen also started to close his eyes, himself accompanying Nangong Xiang to sleep in this place.

For the time being Ye Chen had to give up his intention of looking at Chu Yuechan and Li Jingyi.

Ye Chen started to cover Nangong Xiang's body, he fell asleep with the beautiful goddess in his arms.

.

.

Elsewhere within the fairy gate, Chu Yuechan as well as Li Jingyi were inside the pagoda where cultivation techniques were stored.

"Have you found anything that interests you?" Chu Yuechan asked if Li Jingyi had found anything of interest.

"Not yet, everything here is really great, I'm still confused about what to take" Li Jingyi said that she was still having a hard time finding a suitable technique for her to use.

"You can take whatever you want, here everything you are looking for is definitely there" Chu Yuechan said to Li Jingyi.

Chu Yuechan told Li Jingyi to take whatever she wanted, everything in this place was reserved for the women that Ye Chen owned.

"I didn't expect there to be something like this place." Li Jingyi still couldn't believe that there was something like this kind of place that held so many precious cultivation books like this.

"This is a collection of past cultivations, so it wouldn't be strange for you to be surprised by something like this," Chu Yuechan said to Li Jingyi.

Everything in this place was some legacy from the time of the gods, so it wasn't strange that everything in this place were extremely high rank techniques that were rarely found in the God Realm.

Li Jingyi nodded, she understood what Chu Yuechan meant at this time.

"May I ask you something?" Li Jingyi wanted to ask Chu Yuechan something.

"What do you want to ask me?" Chu Yuechan asked what Li Jingyi wanted to ask herself.

"Do you have anything that can beat Ye Chen on the bed?" Li Jingyi got straight to the point, she wanted to know if Ye Chen had anything that could make her beat Ye Chen in bed.

"Fufufufu, what a very interesting question, if there is something like that, why is the wife owned by master looking for a sister, they will probably monopolize master and won't let master look for other women out there, even you now probably won't have a chance to be with master" Chu Yuechan said very clearly.

"I see." Li Jingyi looked very disappointed when she heard this, she expected too much.

"If you want to make things easier, you can take that woman named Qiao Xin, she seems good enough to help you pack Ye Chen" Chu Yuechan said to Li Jingyi.

"Uh, you want me to drag her in the pool?" Li Jingyi was quite surprised by what Chu Yuechan said.

Chu Yuechan wanted Li Jingyi to drag Qiao Xin into the pool with her.

"Well, it's up to you, if you do have other candidates, you can get them to help you, I believe in you, you are a smart woman, so you can definitely do that easily" Chu Yuechan said to Li Jingyi.

Li Jingyi was a smart woman, so Ye Chen was sure that Li Jingyi could easily find Ye Chen a woman with her abilities.

From the start Li Jingyi was a smart woman, she could definitely solve a problem like this easily if she wanted to.

Li Jingyi started to think about what Chu Yuechan said, maybe Li Jingyi really should drag Qiao Xin into this matter.

To Li Jingyi, Qiao Xin was a mature woman with experience, with help from Qiao Xin, Li Jingyi burden would probably be reduced a lot.

"Okay, I might give it a try." Li Jingyi would give it a try, she would try to create an opportunity for Qiao Xin to get to know Ye Chen better, that way the two of them would definitely be together.

Li Jingyi knew Ye Chen very well, with Qiao Xin's star-like beauty, Li Jingyi was sure Ye Chen would very quickly become attracted to a woman like Qiao Xin who was so charming.

"Don't daydream too much, quickly choose what you want, do you want us to continue like this, it's been almost a day" Chu Yuechan said to Li Jingyi.

Chu Yuechan reminded Li Jingyi to immediately find a suitable technique for her, Chu Yuechan did not want to stay in this place accompanying Li Jingyi to choose a technique like this.

"Okay, I understand." Li Jingyi nodded, she would immediately choose something that she was interested in.

.

Back to Ye Chen and Nangong Xiang who were inside the Dual Cultivation room.

Not knowing how much time had passed by now, Ye Chen had absolutely no idea what time it was, he continued to accompany Nangong Xiang to sleep.

While Ye Chen was sleeping, Ye Chen felt that something was wrong with his, he felt that his lower half was warm and moist, in addition Ye Chen felt a very pleasant feeling from his lower body.

Feeling this strangeness, Ye Chen immediately opened his eyes, he wanted to know what was going on at this time.

When Ye Chen opened his eyes, Ye Chen found that part of his blanket had a big bulge.

"Slurp, jubo, jubo, jubo," Ye Chen listened to a familiar voice from inside the blanket.

Seeing this, Ye Chen immediately peeked into the blanket, while Ye Chen was doing this, Ye Chen saw Nangong Xiang who was hiding under the blanket while serving himself.

What Nangong Xiang was doing was so seductive, the Cherry lips she had made Ye Chen feel an unbearable feeling.

Nangong Xiang just smiled when she saw Ye Chen peek inside, she didn't want to give up this delicious breakfast in her lip.

Originally Nangong Xiang had woken up first, she felt that as soon as he woke up from sleep, Nangong Xiang started to stretch her body.

"This is very refreshing." Nangong Xiang felt very refreshed after waking up from her sleep, she felt that his strength had returned after sleeping for a long time.

Nangong Xiang saw Ye Chen who was beside her, until now Ye Chen was still beside her, all this time Ye Chen had been accompanying Nangong Xiang.

Nangong Xiang was very happy to see this, Ye Chen was the most understanding man in this life.

It was then that Nangong Xiang saw that under the blanket there was a large protrusion that needed serious handling.

Nangong Xiang who saw this couldn't bear it, that's why Nangong Xiang helped Ye Chen resolve this matter.

Nangong Xiang heard that it was not good to leave a man in this condition, it could injure the man.

Nangong Xiang got into the blanket, she started to help Ye Chen with her mouth.

Ye Chen didn't ask much, he enjoyed what Nangong Xiang did for him.

Ye Chen was happy to see Nangong Xiang willing to help him, this feeling made Ye Chen very happy.

Nangong Xiang's skills were very skilled, she seemed to have found some of the sensitive points that Ye Chen had.

Nangong Xiang had already learned a lot about how to do Dual Cultivation, which was why Nangong Xiang was worthy of being a veteran in this matter.

Ye Chen began to feel a very dangerous feeling, he began to feel that his solid defense was going to be broken through by Nangong Xiang.

Nangong Xiang was like a Succubus who wanted Ye Chen's life, it seemed that he wanted to horrify Ye Chen and suck all of Ye Chen's essence.

Ye Chen's essence is a treasure for women, it has many effects that can make all women gain eternal strength and beauty.

if this news spread, countless women would definitely try to blackmail Ye Chen with their charms.

Nangong Xiang sensed that Ye Chen was already showing signs of defeat, which was why she was aggressively attacking Ye Chen's strong defense.

Ye Chen could feel the impact of Nangong Xiang's attack, Ye Chen couldn't stand Nangong Xiang's attack anymore.

Ye Chen finally admitted his defeat, he shot his Yang Qi as a victory reward for Nangong Xiang.

"Um. . ." Nangong Xiang received a gift from Ye Chen, Ye Chen's gift was too much, this made Nangong Xiang find it difficult to accept it.

"Glup" With a little effort made by Nangong Xiang, Nangong Xiang finally managed to accept all the gifts that Ye Chen gave.

Nangong Xiang liked the gift she got, this was the best thing Nangong Xiang tasted.

"Puah. ." Nangong Xiang was happy with this victory, she finally won this battle.

After winning, Nangong Xiang decided to help Ye Chen clean up the rest of the mess, she cleaned up Ye Chen's with her tongue.

Ye Chen's property suddenly rose again, it seemed that Ye Chen still didn't want to lose.

"Wife, let's play one more round" Ye Chen said that he wanted to play one more round.

"Husband no, I can't stand it, ahhh. . ." Nangong Xiang said that she couldn't stand this, unfortunately Nangong Xiang was dragged into playing one more round.

The long battle resumed, the battlefield heated up again.

#### **Chapter 1154 - Information About Sun Xuanyin**

After a long battle, the storm finally subsided, the current Nangong Xiang began to wear her clothes to cover her body.

Nangong Xiang was afraid that Ye Chen would be tempted by the beauty of her body and would commit herself again, which was why Nangong Xiang decided to wear her own clothes.

Nangong Xiang was well aware of the charm that she currently possessed, with her current charm, a normal man would definitely not be able to be resisted by a man who saw her, moreover it was still a young man like Ye Chen who was full of strong vitality.

If Ye Chen wanted that again from her, then it could kill Nangong Xiang, Nangong Xiang could not stand Ye Chen's strength which was too strong.

Ye Chen was really something that was difficult for Nangong Xiang to understand, his strength was far above normal people.

"Husband, you are really teasing me, you said it once, but we did it many times" Nangong Xiang complained to Ye Chen, she complained to Ye Chen who lied to her.

Whereas previously Ye Chen had said it only once, she didn't expect Ye Chen to lie and do it many times with her.

"hehe, I'm sorry, Xiang you are too seductive, I can't stand it" Ye Chen apologized to Nangong Xiang, he really couldn't stand Nangong Xiang's beauty.

The sensation of touching Nangong Xiang's soft skin was really hard for Ye Chen to resist, Ye Chen finally couldn't stand it and lost control.

" Geez . . ." Nangong Xiang could only shake her head, she didn't get angry when she heard Ye Chen's praise, Ye Chen's praise made Nangong Xiang hard to anger.

How to persuade a woman to be angry is something that is easy, all you need to do is compliment her a few times and she will stop being angry with you.

This method was always done by Ye Chen, as a result Nangong Xiang did not get angry with Ye Chen, Nangong Xiang did not want to be angry with Ye Chen because of this matter.

"Xiang, you are one of the four beautiful goddesses in the God Realm, a man like me can't stand it." Ye Chen drew closer to Nangong Xiang and started to hug Nangong Xiang's snake waist.

"Husband, it seems that I am no longer one of the four beauties of the God Realm." Nangong Xiang said to Ye Chen.

Nangong Xiang said that she was no longer one of the four beauties of the God Realm.

" what do you mean?" Ye Chen immediately asked what Nangong Xiang meant at this time, why did she tell Ye Chen about this.

"I heard that someone has taken my place." Nangong Xiang said that someone had taken her place.

" Who is that ?" Ye Chen immediately asked who had taken Nangong Xiang's place, and how could he have taken Nangong Xiang's place.

"People also call her the Sun Goddess, I heard she is one of Sun Quan's daughters, if I'm not mistaken her name is Sun Xuanyin" Nangong Xiang said to Ye Chen.

" Who is that ?" Ye Chen had never known the woman called Sun Xuanyin that Nangong Xiang was talking about, in his memory he had never heard of this matter.

"It's not strange if you don't know about this matter, I'm also new to this matter myself, even when I was still in the Eternal Sun Star Realm I never knew that Sun Quan had a daughter named Sun Xuanyin, it seems she is still younger than Dongfang Xiu" Nangong Xiang said to Ye Chen.

Nangong Xiang estimated that Sun Xuanyin was very, very young, she must be so young that Nangong Xiang did not know of her whereabouts.

"How can she replace your position, is she really that beautiful?" Ye Chen asked Nangong Xiang.

Ye Chen wanted to know what this woman called Sun Xuanyin was like, how could she take the place of Nangong Xiang who was one of the four beautiful goddesses.

"Husband, the rumors that I heard, Sun Xuanyin is very beautiful and very charming, every man who sees her face will immediately go crazy and do anything for her, Even many young masters from Sects or Strong stars are willing to die to see her smile" said Nangong Xiang to Ye Chen.

Nangong Xiang told Ye Chen about the beauty possessed by this woman named Sun Xuanyin, this woman has a beauty that can make every male who sees her be fascinated and infatuated with her.

"Is she so beautiful that she can make every man go crazy when she sees her face?" Ye Chen was slightly surprised when he heard this, he became even more curious about what Nangong Xiang had just said.

"You, I was just talking about a beautiful woman and look at that reaction of yours." Nangong Xiang could easily see the changes that Ye Chen had, she quickly detected Ye Chen's changes.

Nangong Xiang already knew what kind of husband this was, he would definitely be excited when he heard of a beautiful woman or woman who could seduce him.

"Hehehe, I just want to know what she is like, nothing more" Ye Chen said to Nangong Xiang.

Ye Chen just wanted to know what kind of woman Nangong Xiang was talking about, he wanted to know a few details about this woman.

"Husband, you have to be careful, I can tell that this woman is very dangerous, she is probably more ambitious than Sun Quan, plus I heard that she likes to eat men without throwing up their bones" Nangong Xiang said to Ye Chen.

Nangong Xiang told Ye Chen that Sun Xuanyin was a very dangerous woman, so many men had fallen victim by her.

"Does she also have a Yin Yang cultivation technique like us?" Ye Chen asked Nangong Xiang.

If what Nangong Xiang said earlier was true, then it was very likely that this woman cultivated a Dual Cultivation technique that stole the opponent's Yang Qi.

That was the only plausible explanation that Ye Chen could accept.

"I also think that way too, she must have stolen a man's Yang Qi to become stronger, I'm very sure of that" Nangong Xiang agreed with what Ye Chen said, it might happen.

"Husband, you must be careful when you meet this Sun Xuanyin, I also just remembered that this woman is looking for someone with a body like you, if you are found, you will definitely be hunted by this woman, most likely the Eternal Sun Star Realm will help to catch you" Nangong Xiang said to Ye Chen.

"Why is he looking for my Ancient (Yang) Body?" Ye Chen wanted to know why Sun Xuanyin was looking for her body, why was this woman looking for her.

"Husband, you are something very special, you have extremely abnormal Yang Qi, a person like you is the best food for women cultivating Dual Cultivation, so I believe you are 100% targeted by her" said Nangong Xiang.

"I may have a chance to win against her, but I still doubt whether I can fight the cultivators who will support her in background".

The Eternal Sun Star Realm was a single entity with countless cultivators within it, while Ye Chen was alone, if Ye Chen clashed now, then he would not be difficult to win.

"If you meet her, you just run away, never come near her no matter what" Nangong Xiang said to Ye Chen.

### **Chapter 1155 - Warning From Nangong Xiang**

"How would I know it was her, I just never met her" Ye Chen said to Nangong Xiang.

Ye Chen had never met Sun Xuanyin, so how did Ye Chen know Sun Xuanyin appearance.

Nangong Xiang thought about what Ye Chen was thinking, she found it difficult to answer this question.

Nangong Xiang himself also still didn't know what Sun Xuanyin was like, Nangong Xiang had never seen what Sun Xuanyin was like.

"Husband, to be honest I don't have much information about this female goddess, all I know is that she must be wearing clothes like this." Nangong Xiang started to take out pictures of the clothes of people from the Eternal Sun Star Realm.

The people from the Eternal Sun Star Realm wore golden clothes, so if Ye Chen met a beautiful woman in an extremely majestic golden outfit, Nangong Xiang wanted Ye Chen to avoid her.

Ye Chen nodded, he would remember what Nangong Xiang had said about this danger.

Ye Chen wasn't afraid of Sun Xuanyin or the Eternal Sun Star Realm, he just didn't want to get into trouble for the time being.

Ye Chen's goal now was to save Dongfang Xiu, Ling Yin and Fu Lanling, after that Ye Chen would have time to deal with the Eternal Sun Star Realm which had made Nangong Xiang accept the injustice she is now.

"Oh yeah, there's still one more thing I want to tell you" Nangong Xiang said that there was still something else he wanted to say.

" what's that ?" Ye Chen asked what Nangong Xiang wanted to say, he needed information from Nangong Xiang.

"It's about the Flower of Life Seven Color." Nangong Xiang told Ye Chen about the Flower of Life Seven Color.

Ye Chen immediately became serious when he heard what Nangong Xiang said, he became interested in this conversation.

"What is it?, quickly tell me" Ye Chen wanted to know this information, he had to get this information.

"Husband, as you know, the Flower of Life Seven Color can be found in the Elf village, from the information I got the Elf village will open in less than a year".

"uh. . , why is it so much faster than before?" Ye Chen was shocked when he heard this, it was much faster than what Nangong Xiang had previously said.

"It seems I miscalculated in the past, now the information is very clear, in about 10 months Elf village will open, make sure you go there on time" Nangong Xiang told Ye Chen to leave on time, lest Ye Chen miss the chance to get the Flower of Life Seven Colors.

"I see, I can't seem to relax too much" After hearing this, Ye Chen couldn't relax, he would try to practice to improve his strength.

The fastest way to increase his cultivation is to absorb the Yin Qi of women and cultivate it for himself, so Ye Chen can become much stronger quickly.

Maybe the bet with Song Ziyu wasn't a bad thing, Ye Chen was able to become strong because of this.

Ye Chen would absorb the Essence belonging to the woman he touched, so Ye Chen would gain far greater benefits from Dual Cultivation with just one woman.

"That's the information I have, I won't bother you anymore, I hope you make good use of your time, for Dongfang Xiu matter, you can rest easy, I and the others will try to help you" Nangong Xiang said to Ye Chen.

"Thank you very much, you and the others are very understanding." Ye Chen was very, very grateful to all his wives who were willing to help him solve problems like this.

"You have helped us all many times, so this time let us also help you solve this problem." Nangong Xiang and the others wanted to help Ye Chen, they would try to give Ye Chen a little support.

They want to return the favor to Ye Chen who is always there for them wherever and whenever.

Before leaving this place Nangong Xiang kissed Ye Chen's lips, this kiss was only very brief, after giving a kiss Nangong Xiang immediately walked away from Ye Chen.

"Fight" Nangong Xiang became a glimmer of light and disappeared from the fairy gate, she had come out of the fairy gate with her will.

Ye Chen touched the part that Nangong Xiang kissed, he got a passionate kiss from Nangong Xiang.

"Alright, time to get serious" Ye Chen decided to be serious, he shouldn't be messing around and wasting his time.

Ye Chen returned to his main focus, he had to have the strength to enter the Elf village, Ye Chen didn't know what kind of rival would fight against him, if Ye Chen didn't have enough strength, then Ye Chen would be trampled by existing enemies.

So it wouldn't hurt if Ye Chen wanted to get stronger and stronger so he could get through everything with ease.

Ye Chen left the Dual Cultivation room, he went to see Li Jingyi and Chu Yuechan.

Right now Li Jingyi and Chu Yuechan were in the practice room, it was obvious that Chu Yuechan was trying to help Li Jingyi with a new attack skill that was much more powerful than the one Li Jingyi had previously.

"husband, master" when Ye Chen arrived, Chu Yuechan and Li Jingyi easily detected Ye Chen's presence.

"What are you guys doing?" Ye Chen asked what Chu Yuechan and Li Jingyi were doing.

"I'm trying to learn a new technique, meanwhile sister Yuechan is guiding me" Li Jingyi said to Ye Chen.

"So that's how it is, did you find something suitable for you?" Ye Chen asked if Li Jingyi had found something suitable for her or not.

Ye Chen didn't mind if Li Jingyi wanted to train, he wanted Li Jingyi to be able to take care of herself when Ye Chen wasn't by her side.

"I've found a technique that suits me, its name is **Ancient Water Glory Art**, it can be a ranged attack and healing technique" Li Jingyi said to Ye Chen.

Li Jingyi wanted to be a person who could heal everyone he loved, on the other hand Li Jingyi needed strong strength to fight against enemies who tried to do evil things.

That's why Li Jingyi took the **Ancient Water Glory Art**, this was all for the sake of Ye Chen and the other Ye Chen women.

**Ancient Water Glory** has various skills, the first is **Water Glory Wave**, this is a very powerful attack that can kill countless enemies with just one swipe.

In addition, there is **Water Glory Healing**, it can heal targets that are far away and within the outer radius, it is much more efficient than what Li Jingyi previously had.

There is still **Water Glory Purgation**, this is the most terrifying attack technique of the Ancient Water Glory Art, once hit, the soul will be seriously injured.

Besides that there is still **Ancient Water Glory domain**, this can make Li Jingyi immortal, when in Ancient Water Glory Li Jingyi body is like water, any attack will not hurt Li Jingyi, in addition to this Li Jingyi attack power will increase when in Ancient Water Glory domain.

"That looks very good." Ye Chen nodded, he was very satisfied with what Li Jingyi took.

What Li Jingyi took was very useful for everyone, it suited Li Jingyi special body and temperament.

"wife, I have to go back to the Sect, I might see you a little less often" Ye Chen said to Li Jingyi.

" Why ?" Li Jingyi asked why Ye Chen did this.

## **Chapter 1156 - First Customer Come**

Ye Chen explained why he said that, Ye Chen wanted to focus for a while.

"If you really want to focus for a while, then I can understand." Li Jingyi said that she could understand about this.

"Good, then I'll go first, you can continue your training" After getting Li Jingyi approval, Ye Chen left the fairy gate.

Li Jingyi saw Ye Chen's departure, she continued to look at the direction of Ye Chen's departure.

"Never mind, he's gone, you should be a little happy about this, you'll have some time to rest from him" Chu Yuechan teased Li Jingyi, she told Li Jingyi about Ye Chen being a little busy for a while.

"You are absolutely right, he will be very busy at all, I might be able to take a break from him" Li Jingyi replied to Chu Yuechan.

Currently Li Jingyi was happy and sad, on the other side, she was happy to be able to rest for a while, on the other hand she was a little lost because Ye Chen would rarely visit her.

"Let's continue the practice." Chu Yuechan invited Li Jingyi to continue their practice.

"Alright, let's continue." Li Jingyi nodded, she would try to master the **Ancient Water Glory Art**.

Li Jingyi and Chu Yuechan continued their training, Chu Yuechan guided Li Jingyi to quickly master the **Ancient Water Glory Art**.

After exiting the fairy gate, Ye Chen immediately headed over to the Nine Immortals Peak Sect, he wanted to know if anyone would come to see him or not.

Yesterday Ye Chen had already instructed the woman in the medicine pavilion to spread the news, so there should be several women who would come to see Ye Chen.

Ye Chen flew over from Nine Immortals Peak Sect, Ye Chen quickly arrived from Nine Immortals Peak Sect.

Ye Chen immediately went to his room, when Ye Chen arrived at his room, Ye Chen saw that there were several women waiting in line in front of Ye Chen's room.

These women came and tried what Ye Chen was capable of.

This number was less than Ye Chen expected, Ye Chen thought there would be a lot of people coming to his place.

"Yes, it doesn't matter, everything will be fine with time" Ye Chen knew that nothing was instant, everything needed a process, so he had to be more active so that women believed in his abilities.

"Hello everyone" Ye Chen approached and greeted the women in front of his room.

The women looked at Ye Chen, they all looked at Ye Chen with curious eyes.

"Is your name Ye Chen?" One of the women asked if this was Ye Chen or not.

This woman looked like the leader of this group, she seemed the most powerful and influential in this group.

"Of course, you are looking for the right person," Ye Chen said to all the women in front of him.

"It's good if it's you, then quickly show the abilities you have, I want to see what kind of abilities you have" one woman arrogantly said that she wanted to see what abilities Ye Chen had, she wanted to know what abilities he had. by Ye Chen was indeed as great as what her friend said.

Her friend always said that Ye Chen was great and had extraordinary massage skills which was why he wanted to give it a try.

"Of course, but usually 200 contribution points" Ye Chen said to the arrogant woman.

"What?, how do you want us to pay that much?" This woman did not expect that Ye Chen wanted them to pay 200 contribution points for each person.

200 contribution points was a great value for outer court female disciples, they had to complete a mission or some work if they wanted to get 200 contribution points.

So it wouldn't be strange if they didn't accept what Ye Chen had just said, 200 contribution points was extremely valuable and expensive for these people.

"That's the price I have, it's already very cheap," Ye Chen said to all the women in front of him.

Ye Chen said that his price was quite cheap, with just 200 contribution points one could get a lot of extraordinary benefits, they could even recover from their illness.

"Forget it, I and the others won't want to, let's all go" These women don't want to, they don't want to pay a lot for this.

Ye Chen shook his head, why is it so difficult to start work in a place like this, when Ye Chen's intentions are good to help the female disciples who are in this place.

Since they all didn't want to, they all decided to leave this place, everyone seemed disappointed with this, they had waited a long time but didn't get what they wanted.

"Hey. . , Hey . . , are you sure you want to leave, isn't every night your back is cold, if you continue to let it go it will make you crippled and unable to cultivate" when these women were about to leave, Ye Chen told one of the injured on her body.

One of these women immediately stopped when she heard what Ye Chen said, she immediately turned around and looked at Ye Chen.

"How did you know about it?" the woman with a tall appearance asked Ye Chen, she wanted to know how Ye Chen knew this.

"I am an expert in medicine, so I can find out what disease you have with just one look," Ye Chen said with a confident tone.

Ye Chen is very confident in his abilities, Ye Chen is very, very confident that he can cure the disease of a tall woman.

"Is that true?" the tall woman looked a little happy when she heard this, the tall woman already felt uncomfortable because of this problem, when she checked her body, the tall woman did not find any abnormalities in her body, that's why she was confused about what had happened to her.

"You don't believe him, maybe he is fooling you" said the arrogant woman to the tall woman who wanted to believe what Ye Chen had just said.

"But" The tall woman hesitated a little, she didn't know who to join in this matter, on the one side she believed in Ye Chen, on the other she couldn't refuse the words of the Arrogant woman.

"It's up to you if you don't believe it, the risk will be very fatal" Ye Chen said to the tall woman.

Tall women are increasingly confused by this, which one to follow now.

"swindler, you better not lie my friend, we won't pay you" said a very arrogant woman to Ye Chen.

Ye Chen just smiled hearing this, he had to be patient in dealing with this type of woman.

Ye Chen himself knew that most women in the God Realm were the arrogant type who had high self-esteem, so dealing with them was not easy.

If Ye Chen used brute force, then he would be the one to lose, the reputation that Ye Chen was trying to make would be lost if that happened.

It was better for Ye Chen to use a gentle approach first, that way Ye Chen could further enhance his reputation.

"I'm not a swindler, I can tell if you all are not okay, I will tell you the disease you are suffering from" Ye Chen began to say the illness each of these women suffered.

### **Chapter 1157 - [Bonus] handle First Customer**

When Ye Chen said that, all the women's eyes were only on Ye Chen, they were quite astonished by what Ye Chen said, they didn't expect that Ye Chen could know this matter in such detail.

All the women who were in this place had never told anyone about this matter, they all kept it under wraps, so there was no way anyone would know about the problems they had.

However this time they all listened to Ye Chen say this, this was something that the common sense of all the women in this place couldn't accept.

All the women looked at Ye Chen with stupid expressions, confused dumbfounded and in disbelief.

"How did you know about this?" All the women immediately asked Ye Chen, they couldn't believe Ye Chen could find their illness so easily.

"I told you that I have a way to help you solve this problem, if you want to leave then go ahead" Ye Chen said confidently.

After seeing the enthusiasm shown by these women, Ye Chen became very confident, these women would definitely not dare to leave this place.

All the women naturally didn't want to go, they had just found a cure for the illness they had, so they had to stay and tell Ye Chen to treat them all.

The most arrogant woman was dumbfounded when she saw the women in her group swarming Ye Chen like a bee that had found the most beautiful flower in this world.

"this man" The most arrogant woman began to reckon with Ye Chen, this man does have a bit of ability.

Ye Chen smiled at the woman who previously rejected him, now that she was alone, all her friends had ignored her.

"Then come with me" Ye Chen invited all the women around him to go to his room.

All the women nodded, they all went with Ye Chen, they were like a flock of ducks being herded by Ye Chen, after this they might come out with memories that are hard to erase from their memories.

Ye Chen chose one of the women in this place, he brought this woman inside.

" Come in . ." The woman that Ye Chen took was the tall woman Ye Chen spoke to for the first time, this woman deserved to be the first to receive her services.

the tall woman nodded, she followed Ye Chen into the room.

Ye Chen and the tall woman quickly entered the room, they both left the woman outside.

Ye Chen had already given an explanation for the women to wait outside, they had to stand in line if they wanted to be healed by Ye Chen.

A tall woman walked into Ye Chen's room, when she entered she saw that Ye Chen's room looked very beautiful, there were some things that she had never seen in this life.

"You can transfer points in front, I'm afraid you won't wake up later." Ye Chen told this woman that she could transfer points up front.

"Uh, why is that?" the tall woman asked Ye Chen, she wanted to know why Ye Chen said that.

"You'll find out later." Ye Chen said that the tall woman would know the reason when this was all over.

"Okay, I'll do it" the tall woman immediately took out her disciple token, she immediately transferred the contribution points she had to Ye Chen.

Ye Chen made sure that the contribution points entered correctly, after confirming that the contribution points were correct, then Ye Chen was ready to heal this woman.

"Please lie down." Ye Chen invited the tall woman to lie down.

With the instructions given by Ye Chen, the tall woman directly lay down on the bed.

Ye Chen immediately healed the sore spot , himself giving a massage to open this woman's multiple meridians.

"Oh. . ." the moment Ye Chen started to touch her body, the Tall woman immediately let out a groan that could make one misunderstand.

" what's this ?" The tall woman started to ask what happened to her, she felt a very comfortable feeling when Ye Chen touched her body.

This feeling was really very comfortable and very good, he had never felt this feeling in her life.

Ye Chen began to repair this woman's body, himself began to repair all the slightly blocked meridians.

The reason this woman had pain in her back was because of this, this was also what made this woman's face look a little pale.

The tall woman began to feel her body feel light and very fresh, she had not felt this feeling in a long time.

In addition, Ye Chen's massage was also very comfortable and extraordinary, she felt taken to heaven by this.

A few minutes passed very quickly, Ye Chen had already finished healing the tall woman, now that this woman's body is no longer strange, she is now completely fine.

"It's over" Ye Chen told the tall woman that the treatment was over, now she can go.

Unfortunately the tall woman still couldn't fully respond to Ye Chen's words, she still looked very tired from Ye Chen's massage.

After a while, the tall woman started to regain the strength she had.

This woman began to look at Ye Chen with a different look, the tall woman began to be amazed by Ye Chen's abilities, she really started to be attracted to Ye Chen.

"Ye Chen you have great abilities, it's not strange that my friends talk about you non-stop, now I understand what they went through" the tall woman praised Ye Chen.

"You praise me too much, please spread this to some of your friends too" Ye Chen said to the tall woman.

"Okay, I understand" the tall woman nodded, she would try to do what Ye Chen said.

"I'll go first" the tall woman decided to leave, herself with difficulty walking out of Ye Chen's room.

Ye Chen couldn't help but smile when he saw this, it seemed that this woman was much weaker than he thought.

The tall woman was no longer able to stand up, she felt her legs were weak, because of this, the tall woman finally decided to crawl.

The women outside were currently talking about Ye Chen, they all wanted to know if Ye Chen could indeed cure them or not.

While they were busy talking about Ye Chen, suddenly they saw a tall woman come out of the room, they all saw a tall woman come out of the room crawling.

of course This made all the women feel shocked, they all immediately wondered what was going on with the tall woman.

"What's wrong with you?" One of the women asked the tall woman, she wanted to know why the tall woman came out of the room like this.

"The man is really great, his skills are as our friend said, you should give it a try" the tall woman told the woman outside about her experience.

All the women looked at each other, it seemed like the rumors they heard were the truth, otherwise how could a tall woman be willing to give blessing a like this to all of them.

All the women started scrambling to try first, they all fought each other to determine who would enter Ye Chen's room first.

"All of you shut up, this time I'll give it a try" When all the women wanted to fight, they were all stopped by the woman who had previously behaved arrogantly with Ye Chen.

### **Chapter 1158 - Arrogant Woman Defeated By Ye Chen**

All the women who were fighting fell silent when they saw this, no one dared to protest as this woman spoke to all of them.

The most arrogant woman's name is An Ni, she is the most powerful and influential cultivator in this group of girls, it's just that her temperament is a little unruly and arrogant.

An Ni went straight into Ye Chen's room, she wanted to see Ye Chen's abilities and prove the tall woman's words.

"you . ." When An Ni walked in, Ye Chen saw her immediately, not expecting this Arrogant woman to be the next woman to enter his room.

"Why, I told you that I want to see what abilities you have" An Ni said to Ye Chen.

"Didn't you say earlier that you didn't want to pay me contribution points?" Ye Chen said to An Ni.

"I didn't say that" An Ni said to Ye Chen, An Ni tried to dodge this question, she didn't seem willing to discuss this matter.

"It's up to you, but you have to pay first before we start" Ye Chen said to An Ni.

Ye Chen will start it when this arrogant woman pays, before that he will not provide services for this woman.

"How could that be, you should have shown me your abilities first, otherwise how would you have me pay you" An Ni said to Ye Chen.

An Ni looked dissatisfied with this, she was very, very dissatisfied because Ye Chen told her to pay up front.

An Ni still didn't know that the previous woman was treated the same by Ye Chen, so she thought strange things about Ye Chen.

"If you don't want you can leave, it won't hurt me anyway," Ye Chen said to An Ni.

Ye Chen easily told An Ni to leave, after all outside there were still a lot of people queuing up for him.

An Ni gritted her teeth, it seemed that this man was deliberately looking for trouble with her.

"Alright" An Ni finally couldn't help but agree with Ye Chen, otherwise this man would definitely not want to treat herself.

"You'll see, if you don't have anything good, then I will definitely ask for compensation from you" An Ni said in her heart.

An Ni immediately transferred her 200 contribution points, after which she lay on the bed and waited for Ye Chen to show her abilities.

After confirming that this arrogant woman was willing to pay, then Ye Chen would immediately carry out the procedure as before.

"What are you waiting for, hurry up, don't make me wait." An Ni was like a big boss telling his men to do their job.

Ye Chen slightly raised his eyebrows when listening to what An Ni said, this arrogant woman was more annoying than all the female disciples that Ye Chen met.

"I will definitely make women feel the consequences for daring to be arrogant in front of me" Ye Chen said in his heart.

This arrogant woman just made a mistake, she had dared to seek trouble with Ye Chen, this would definitely make her unable to get out of this place easily.

Ye Chen was going to be serious this time, he started to loosen his fingers to massage An Ni's back.

Ye Chen's hands started to touch An Ni's back, when Ye Chen did this, An Ni started to feel a sting in his body.

"Ah. . ." Subconsciously, An Ni started to let out a groan.

"What is this, what happened to me?" An Ni started to look confused by what had happened to her, she didn't know why she felt this comfortable feeling.

This feeling was getting stronger and stronger, it made An Ni squirm like a hot snake.

Seeing this, Ye Chen immediately used his strength to restrain An Ni's body, Ye Chen didn't let An Ni squirm like this.

An Ni felt hot, her lower body also felt wet from this.

An Ni quickly reached the peak with just the touch of Ye Chen's hand, the touch of Ye Chen's hand made An Ni couldn't stand it and finally reached the peak of happiness.

It had only been a few seconds after Ye Chen had started it, to think that Ani would be like this in such a short time.

" stop . . . , stop . . . , stop . . . " An Ni told Ye Chen to stop right now, he couldn't stand the comfortable and good feeling he was getting right now.

Ye Chen didn't stop when he saw that this woman had left, he continued to massage every inch of An Ni's body in front of him.

An Ni started to go crazy because of this, she let out a very loud moan that echoed through the room.

Since this special's room was well designed, moan sound wouldn't leak out easily, so the women outside shouldn't have heard this too loudly.

A few minutes passed very quickly, after confirming that everything was in order, Ye Chen pulled his hand back.

"This woman's Yin Qi is pretty good too?" Ye Chen felt that this arrogant woman's Yin Qi was quite a lot, it was commensurate with this woman's arrogance.

An Ni was currently lying helplessly, she was so exhausted that it was difficult to move her fingers.

"It's over, don't you want to get up?" Ye Chen asked the arrogant woman.

An Ni looked at Ye Chen, after seeing Ye Chen's amazing ability, An Ni's gaze started to change, she started to look at Ye Chen with very strong interest.

"You are so great, how can you do this?" An Ni asked how could Ye Chen do something like this.

"It's because I'm special, so don't mess with me" Ye Chen said to An Ni.

"Um. . ." An Ni nodded, becoming very obedient to Ye Chen.

Ye Chen was really great, he managed to make an arrogant woman like An Ni become obedient like this in just a few minutes, this was an extraordinary thing.

This couldn't have happened if it wasn't Ye Chen, Ye Chen had such a terrifying technique that any woman would be unable to release herself away from him.

An Ni started to get off Ye Chen's bed, she couldn't stand up normally, that's why An Ni crawled with difficulty to get out of this room.

Ye Chen didn't bother to help, he knew that An Ni could still get out of this place.

After all, there were still friends outside who could still help him, so it didn't matter if Ye Chen didn't go help An Ni.

After a long struggle, An Ni was finally able to get out of Ye Chen's room.

When An Ni came out, all the women outside turned their gazes towards her.

Again, people who came out of Ye Chen's room like this, those who entered and left were made unable to stand normally.

All the women already knew the reason, the tall woman had told them all about this matter.

Ye Chen's massaging skill was so great, it could make their bodies feel weak and helpless, this was also what made An Ni crawl out of the room.

After An Ni came out of the room, the women started scrambling to get inside again, they all scrambled to be the first to enter.

### **Chapter 1159 - People Sent By Xiao Gang**

Ye Chen continued to do female customers who came, all the women quickly got the service of Ye Chen.

All the female disciples were very happy, they got a new experience that they never knew in this life.

Ye Chen's massage experience meant a lot to all of them, all of whom would never forget this in the lives they had.

More and more customers came, there were already a lot of female students gathered in this place.

Very quickly Ye Chen's place was filled with countless women, rumors very quickly spread among the female disciples.

All the curious female disciples immediately flocked to Ye Chen's place to try out Ye Chen's abilities for herself.

For the time being, Ye Chen was very busy, he had a lot of work to do.

Due to this demand Ye Chen won't be able to rest for the time being, Ye Chen will be busy absorbing the Yin Qi belonging to all these women.

Time flies very fast, in an instant, almost 3 weeks have passed, all the female disciples in the Sect are very familiar with Ye Chen, they all know Ye Chen with the nickname magic hand.

Because Ye Chen's popularity rose like crazy, Ye Chen became a new idol in the Sect, even though he didn't have a handsome appearance, Ye Chen could make the women in this place crazy about Ye Chen.

Ye Chen himself received enormous benefits from this matter, himself gaining strength increases and countless contribution points.

It could be said that Ye Chen's points were far more than all the disciples in the Nine Immortals Peak Sect, this was all the results he had obtained for 3 weeks.

Doing this is very easy to earn contribution points, it's even faster than looking for medicinal herbs out there.

Ye Chen's popularity naturally aroused the jealousy of the men in the Sect, they all felt jealous when many women talked about Ye Chen.

Even the women they wanted kept talking about Ye Chen's abilities which angered all the men.

Even men within the Sect forbade their girlfriends to get close to Ye Chen, they all didn't want their girlfriends to be infatuated with Ye Chen like other women in the Sect.

Ye Chen might be popular among the female disciples in the outer court, but Ye Chen was now the public enemy of the male disciples in the outer court.

Ye Chen didn't mind this, his goal was to help people, so there was no harm in Ye Chen doing this.

After all, Ye Chen didn't do anything outrageous to every woman he touched, he was just purely massaging these women because they had already paid for him.

Ye Chen was currently treating a woman who had a beautiful face, this woman was made to groan by Ye Chen's excellent hand skills.

"Where is the man named Ye Chen" when Ye Chen was treating women, suddenly there were several men who entered his room, these people forcibly barged into the room.

Seeing that someone was forcibly breaking through, Ye Chen immediately saw who these people were, Ye Chen wanted to know why these people had forcibly barged into the room he belonged to.

"What do you guys want to do?" Ye Chen asked what these people wanted from him.

"You have to come with us, our boss wants to meet you" one of the men told Ye Chen to come with them.

"Sorry, but I still have a lot of work to do, I can't come with you guys" Ye Chen told these people that he couldn't go along with these people.

"Do you dare to refuse us, don't you know our boss has told us to come to this place?" these people said to Ye Chen.

"I don't know your boss, what does your boss want from me anyway?" Ye Chen asked these people.

"Our boss's name is Xiao Gang, are you sure you don't want to come with us?" Ask this person to Ye Chen.

It turned out that these people were ordered by Xiao Gang who had been looking for trouble with Ye Chen.

This man had been turned into a eunuch by Ye Chen, so it was not strange that he was angry and wanted to take revenge on Ye Chen.

"I don't know that person" Ye Chen had already forgotten about Xiao Gang, a person like Xiao Gang was not worthy of Ye Chen's memory.

"You . ." These people pointed at Ye Chen, they couldn't believe that Ye Chen didn't know Xiao Gang who was quite an influential person in this outer court.

"You better go, I still have customers waiting for me" Ye Chen chased these people away, he couldn't stand to see these people interrupting his work.

"Let's stop wasting time, let's take him by force." The people that Xiao Gang had ordered couldn't take it anymore, they were going to force Ye Chen away from this place.

"Hey you guys, how dare you trespass our line, are you guys tired of living" just as these people were about to take Ye Chen away, suddenly the woman who was queuing outside stopped them.

All the women were annoyed when they saw a group of men coming and interfering with the business they had with Ye Chen.

Many women have queued for hours in this place just to get a taste of Ye Chen's abilities, but suddenly people come and intend to take Ye Chen away, how can they not be angry about this.

"All of you bitches, don't interfere with our business, otherwise I will beat you all up" Xiao Gang's men shouted at these women, they said that these women are bitches annoying.

The words of the messengers from Xiao Gang were very disturbing, it made the ladies in this place furious when they were called bitches by this group of men.

"How dare you say this to us, do you want to be beaten?" said one woman with a fairly high cultivation.

"All of you bitches, if you dare come forward. . ." one of the men answered the words of the woman with high cultivation, she told him to come forward.

"Boss," the subordinates behind patted their leader's shoulder.

"What's wrong?" asked the boss to the men behind him.

"Look around us" the men said to his boss to look around this place.

There is a radiant aura emitted by a woman who is in this place, the number of women in this place are thousands, if they are attacked by a woman this much, then they will not have resistance

disciple women who gather in this place already feel upset, they start marching forward, the people sent by Xiao Gang, thousands of female cultivators advancing at the same time, all of them are not afraid of this group.

The people sent by Xiao Gang immediately panicked when they saw this, they all looked panicked as all the women present in this place rushed towards them.

"Oh. ., Bam . . ., Domm. . .Pah . . ., Bam . . ., Domm. . .Pah . . .," thousands of attacks landed on the bodies of the people sent by Xiao Gang, these people had absolutely no resistance when fighting thousands of furious women.

they were all turned into ghastly appearances by the tens of thousands of women gathered in this place.

### **Chapter 1160 - Xiao Gang's People Left Battered**

these people's appearances became hard to spot because of this matter, they had all been battered by all the women who were Ye Chen's customers.

Since the Sect forbids killing, these people were still able to survive the rampage of such a terrifying woman.

These people didn't know that looking for trouble with women was such a terrible thing, they could all die if they made women angry like this.

Women are very dangerous creatures to offend, if they are angry they can do very crazy things, for example like now, the people that Xiao Gang sent to suffer the consequences for offending the thousands of women in this place.

After beating up the messengers from Xiao Gang, all the women immediately threw this man away from this place.

All the women looked very disgusted when they saw the faces of these men who had dared to insult all of them by using quite provocative words.

These guys were actually thrown quite a distance once by the horde of women, they all had no resistance when treated like this.

The women in this place don't care about the fate of people like them, the people from Xiao Gang are like trash in their eyes.

Ye Chen couldn't help but smile when he saw this, these women were really something that was difficult to provoke, if they were to be provoked then one could get into very serious trouble.

"Ye Chen, if anyone dares to bother you, tell us, we will help you deal with them all." These women promised to take care of anyone who had bad intentions towards Ye Chen.

"Thank you very much, you guys are very kind" Ye Chen could only thank these people, he was not comfortable with these people who had helped him solve this problem.

Actually Ye Chen could have solved this problem, but to think the female customers would be happy to take care of this matter for Ye Chen.

This way Ye Chen didn't have to bother to get his hands dirty just to take care of the previous people.

"Alright, let's continue, who's next" Ye Chen said to the woman outside.

"I . . . I . . . I . . . I . . ." The female disciples who were outside immediately raised their hands, they wanted to be the first to be picked up by Ye Chen.

Ye Chen smiled when he saw the enthusiasm shown by these women, he was also happy when he saw the enthusiasm they showed.

Ye Chen resumed his work of treating all these female disciples.

.  
.

Meanwhile.

The people sent by Xiao Gang started to rise from the ground, they were battered and bleeding everywhere.

No Sect disciples in the outer court dared to help them, they were afraid of getting into trouble if they helped Xiao Gang's men.

The women who had just dumped them were extremely arrogant and ruthless, the outer court disciples were afraid that they would be dragged down if they gave assistance to Xiao Gang's people, which was why they didn't help and decided to look on the side.

"Damn it, those bitches beat and throw us like this" The boss of this group was very angry, he was annoyed with the women who had dared to beat them up.

"Boss, it's also your fault, how can you challenge the female disciple earlier, if you didn't challenge our brand it wouldn't be like this" the subordinates complained to their boss who had provoked thousands of sleeping tigress.

"Shut up, you all are incompetent, how can you not put up a fight against those bitches just now" The group boss scolded his useless subordinates, they didn't even want to protect himself from the anger of the women.

"Boss, our number is only a few, while their number is very, very large, so how can we fight them" said one person.

"Stop complaining, let's go back and report this to the big boss, it seems we can't take that person" as long as there are those crazy women around, then we won't be able to win against them" the group boss understood that Ye Chen currently had strong support, which is why they will report this matter to Xiao Gang.

The group returned to where they were, limping and staggering back to where they were.

.

At Jade Lotus Peak.

Mei Yueli, Mu Nianci and Xia Qingyu were currently sitting together, they were all discussing something.

"Yueli, why don't we go and visit Ye Chen, I want to know what he's up to" Xia Qingyu told Mei Yueli that the two of them wanted to visit Ye Chen.

"You two want to visit him?" Mei Yueli asked Xia Qingyu again.

Xia Qingyu and Mu Nianci nodded, both of them had agreed to see Ye Chen's current state, they both wanted to know Ye Chen's current condition.

"But your current status is quite far, if your relationship is known then it will be a problem?" Mei Yueli said to Xia Qingyu and Mu Nianci.

"What do you mean?" asked Mu Nianci, Mu Nianci and Xia Qingyu didn't understand what Mei Yueli meant.

"The sect has its own rules for this matter, disciple relations are arranged to avoid clashes between outer court disciples, inner court disciples or core disciples" Mei Yueli said to Mu Nianci and Xia Qingyu.

"So that means core disciples can't have relationships with outer court and inner court disciples?" Xia Qingyu said to Mei Yueli.

"Yes, that's right." Mei Yueli nodded to Mu Nianci and Xia Qingyu.

"After all, you are also disciples of Jade Lotus Peak, I hope you don't stand out too much when close to Ye Chen or else this Jade Lotus Peak's reputation will be affected" Mei Yueli also didn't forget to warn Mu Nianci and Xia Qingyu about this matter.

Xia Qingyu and Mu Nianci looked at each other, neither of them knew that there was something like this, it meant that they couldn't expose their relationship in public anymore.

"But you don't need to worry, if we want to go see Ye Chen, we can disguise ourselves as outer court disciples" Mei Yueli came up with an idea to disguise herself as an outer court disciple to meet Ye Chen.

It just so happened that Mu Xueying and Lord Peak were busy, Mu Xueying was currently cultivating, while Lord Peak didn't know where she had gone.

"So how about it, do you want it or not?" Mei Yueli asked Mu Nianci and Xia Qingyu again, she wanting to know if they would do what she just said or not.

Mu Nianci and Xia Qingyu looked at each other, both nodded and agreed with what Mei Yueli said.

"We agree" Mu Nianci and Mei Yueli agreed, both agreed to do as Mei Yueli said.

"Okay, then let's change our clothes." Mei Yueli invited Xia Qingyu and Mu Nianci to change into the clothes they had with outer court disciples.

Even though the three of them changed into clothes belonging to outer court disciples, they still wore veils to cover their faces.

Mei Yueli, Mu Nianci and Xia Qingyu appearances looked very ordinary, even though they looked normal, the three of them still couldn't hide their beauty, their charms were still strong enough to make men look their way.

"Let's go" after hiding their identities, Mei Yueli immediately took Mu Nianci and Xia Qingyu to go to Ye Chen's place.

Mu Nianci and Xia Qingyu nodded, the two of them followed Mei Yueli to where Ye Chen was.
