

### **Chapter 1161 - Three Beautiful Women Visited Ye Chen**

Mei Yueli, Mu Nianci and Xia Qingyu immediately left the Jade Lotus Peak, they all sneaked away to where Ye Chen was.

Mei Yueli, Mu Nianci and Xia Qingyu quickly arrived in front of Ye Chen's residence, when they arrived in front of Ye Chen's residence, Mei Yueli, Mu Nianci and Xia Qingyu saw the countless crowd of women.

"What happened in this place?" Mei Yueli began to wonder what was going on in this place, why there were so many women from the outer court gathered in this place.

Various women, there are beautiful, Milf, seductive, charming, cute and many other types of women are found in this place.

"Are you sure this is where Ye Chen lives?" Xia Qingyu asked Mei Yueli, she wanted to know if this was where Ye Chen lived or not.

"Of course this is where Ye Chen lives, I used to meet Ye Chen at this place?" Mei Yueli said that this was where Ye Chen lived, Mei Yueli couldn't go wrong with something like this.

"Let's find out first what happened in this place." Mu Nianci wanted to find out what happened in this place, that way they would know what happened.

"You're absolutely right, we should find out what's going on in this place." Mei Yueli quickly agreed with what Mu Nianci said, they all had to find out what was going on.

The three immediately went downstairs, the three of them approached the woman who was in this place.

Mei Yueli, Mu Nianci and Xia Qingyu beauties were slightly conspicuous, this attracted the attention of the few women present in this place.

All of these women had never seen outer court disciples like Mei Yueli, Mu Nianci and Xia Qingyu, which was why they were a little curious about the identities of the three.

"Hello, what is going on in this place?" Mei Yueli immediately asked what happened in this place, she wanted to know what happened in this place.

"We are all waiting for our turn to experience Ye Chen's massage skills" she told Mei Yueli, Mu Nianci and Xia Qingyu about what they were doing here.

" what?" Mei Yueli was shocked when she heard this, she didn't know why this woman said this.

"Miss, can you tell us more clearly?" Xia Qingyu asked about what happened, she wanted to know more details.

This woman started to tell Mei Yueli, Mu Nianci and Xia Qingyu more clearly, herself clearly telling about the extraordinary Ye Chen.

Mei Yueli, Mu Nianci and Xia Qingyu looked at each other, it was clear that the women here were obsessed with Ye Chen.

"Thank you for the information." Xia Qingyu thanked this woman for the information.

"You're welcome" this woman nodded, she had no problem with this.

Mei Yueli, Mu Nianci and Xia Qingyu immediately walked away from the crowd of women waiting in line, they stood in a corner to watch what was happening.

"As I thought, he really got entangled with many women" Mu Nianci said to Mei Yueli and Xia Qingyu that Ye Chen was entangled with new girls again.

In addition to the large number of women, how will Ye Chen take care of this matter.

"He's like that, so I'm not surprised anymore." Xia Qingyu wasn't surprised when she saw this, she was already used to this matter.

"He really is so reckless, he did such a reckless thing." Mei Yueli also looked displeased with this, she was very dissatisfied with this matter.

It could be said that Mei Yueli was jealous when she saw women keep talking about Ye Chen, this made her a little annoyed to hear this.

Until now Mei Yueli had not told anyone about her relationship with Ye Chen except for Mu Xueying, which was why Xia Qingyu and Mu Nianci were still unaware that Mei Yueli had a relationship with Ye Chen.

"Let's go in and see what he's doing." Mu Nianci took Mei Yueli and Xia Qingyu inside, they had to see what Ye Chen was doing inside.

Mei Yueli and Xia Qingyu agreed with what Mu Xueying said, they had to find out what was going on in there.

Mei Yueli, Mu Nianci and Xia Qingyu sneaked into Ye Chen's place, the three of them started to sneak into Ye Chen's room.

Mu Nianci and Xia Qingyu were already skilled cultivators, both were very good at infiltrating or fighting, they had both received rigorous training in this matter.

So it shouldn't be difficult for the three to just sneak into Ye Chen's place.

Mei Yueli, Mu Nianci and Xia Qingyu sneaked into Ye Chen's place, the three of them were looking for a route to sneak into Ye Chen's place.

After a bit of effort, finally Mei Yueli, Mu Nianci and Xia Qingyu managed to sneak close to where Ye Chen lived, the three of them saw what Ye Chen was doing at this time.

As Mei Yueli, Mu Nianci and Xia Qingyu peeked inside, they saw and listened to the conversation between Ye Chen and the woman inside.

"Ye Chen, are you want to Become my cultivation partner?" The woman inside boldly confessed her feelings to Ye Chen, she wanted Ye Chen to be her partner in cultivation.

This woman clung tightly to Ye Chen, she used her well-developed body.

Author's note: you know what I mean here.

"This Vixen, how dare he tease Ye Chen like this" Mei Yueli looked a little dissatisfied when she saw and heard what this woman said, this woman was very brave, she shamelessly said this to Ye Chen.

Ye Chen couldn't help but smile when he saw this, he was used to the statements made by women who had become his customers.

"Miss, sorry but I have to refuse this, I can't do this with you" With soft words, Ye Chen refused to Vixen who was in front of him.

"Ah too bad, if you change your mind you can look for me, I will always accept you" The female Vixen didn't give up, she still insisted on getting Ye Chen.

After saying this this woman immediately left this place, the female Vixen walked unsteadily, it could be seen that she still felt a soft feeling on her legs.

"How long are you going to hide like that, come out now" After Vixen left this place, Ye Chen immediately ordered the person who was hiding to come out.

"We were caught" Mei Yueli said to Mu Nianci and Xia Qingyu that they were now caught by Ye Chen.

"Let's go out" Xia Qingyu took Mei Yueli and Mu Nianci out.

The three of them came out and appeared in front of Ye Chen, when Mei Yueli, Xia Qingyu and Mu Nianci came out, Ye Chen saw three beautiful female figures who were familiar to him.

The three of them looked beautiful with their distinctive features, they were like goddesses that had descended from the sky.

"I didn't expect that three beauties would secretly peek at me." Ye Chen didn't expect that three beauties like Mei Yueli, Xia Qingyu and Mu Nianci would visit him like this.

"Looks like you had fun in this place together with Vixen just now" Mei Yueli immediately gave a cold sniff at Ye Chen.

### **Chapter 1162 - Let Me Kiss You**

"Yes of course, it's very boring here, so I decided to find some entertainment" Ye Chen said to Mei Yueli.

Ye Chen didn't dodge this matter, he told Mei Yueli that he was deliberately doing this.

" you . . ." Mei Yueli pointed at Ye Chen, this man did this on purpose to her, Ye Chen was clearly trying to tease her.

"Ye Chen how are you, are you okay staying here?" Xia Qingyu asked the situation of Ye Chen.

In contrast to Mei Yueli, Xia Qingyu seemed much more relaxed, she looked very relaxed in response to what had happened earlier.

Xia Qingyu had no problem with this, she could already accept Ye Chen like this, Xia Qingyu understood Ye Chen's problem, that's why Xia Qingyu could easily accept this very easily.

"Qingyu dear, I'm fine, come here, let me kiss you" Ye Chen tried to get closer to Xia Qingyu, Ye Chen wanted to kiss Xia Qingyu who was in front of him.

"Big pervert stop" Xia Qingyu immediately stopped Ye Chen, she refused to do this in front of Mei Yueli and Mu Nianci.

"Come on, just one time, we haven't done this in a long time." Ye Chen forced Xia Qingyu, he kept forcing Xia Qingyu to agree to his request.

"no . . . ." Xia Qingyu refused, she was still unwilling to agree to Ye Chen's wish.

Xia Qingyu still didn't want to do something like this in public, it was really embarrassing to do something like this in public.

"Come on" Ye Chen kept whining like a child trying to get what he wanted.

Mu Nianci looked helpless when she saw this, meanwhile Mei Yueli smiled when she saw this.

Both of them are very funny, it's very entertaining to see them like this.

Xia Qingyu steadfastly refused this, she still insisted that she didn't want to do this.

Seeing this, Ye Chen had no choice but to give up, Xia Qingyu didn't seem willing to do this with him.

"Nianci, what if you just" failed to persuade Xia Qingyu, Ye Chen went to Mu Nianci side, he asked Mu Nianci for it.

" Why me ?" Mu Nianci looked confused when she got words like these from Ye Chen.

"Why?, didn't you promise that time?" Ye Chen said to Mu Nianci, Ye Chen told Mu Nianci about what happened that time.

In the past Mu Nianci had promised Ye Chen, that's why now Ye Chen was collecting the promise that Mu Nianci had.

Ye Chen walked closer to Mu Nianci, she started to take off her veil and kiss Mu Nianci.

Mu Nianci looked silent when Ye Chen did this, she had absolutely no resistance to this.

Ye Chen pecked Mu Nianci lips, the two kissed right in front of Mei Yueli and Xia Qingyu, Ye Chen didn't care about this matter, Mei Yueli and Xia Qingyu were already his women, so to be coy about this kind of matter.

Mei Yueli and Xia Qingyu were taken aback by what had happened, neither of them expected that Mu Nianci would not fight back when Ye Chen did this to her.

Even though Mu Nianci temperament is very cold and very difficult for men to approach, that's why it's not just any man who can approach Mu Nianci.

If a man approached, then Mu Nianci would immediately chase her away or would not even hesitate to kill them.

However this time was different, Mu Nianci did not put up a fight when Ye Chen treated himself like this.

Mu Nianci had already decided to follow Ye Chen in this life, that's why she dedicated her life to Ye Chen.

Cold women are the most loyal women when they get a partner, they will not turn to anyone after getting a partner for their life, Mu Nianci is one of them.

The room became silent as this happened, not the slightest sound could be heard in this place.

Everyone seemed to be still and unmoving, especially Mei Yueli and Xia Qingyu, both of whom were dumbfounded by the bold scene unfolding before their eyes.

Ye Chen continued to kiss Cherry's lips which were very delicious, Mu Nianci's cold lips were very refreshing to Ye Chen.

Ye Chen became more and more addicted to this feeling, it seemed that he was unwilling to let go of his possessions from Mu Nianci.

Ye Chen was a man who was very forthright in expressing his interest in women, he directly kissed and enjoyed Mu Nianci in front of him.

Mu Nianci herself began to like this feeling, the feeling that Ye Chen gave had made Mu Nianci feel very comfortable.

Ye Chen and Mu Nianci kissed for a few minutes, the two kissed passionately, even a cold woman like Mu Nianci would be like this when getting provoked by Ye Chen.

After a long time, Mei Yueli and Xia Qingyu finally came to their senses, the two immediately tried to separate Ye Chen and Mu Nianci who were kissing right in front of them.

"You two stop." Mei Yueli and Xia Qingyu worked together, both of them separating Ye Chen and Mu Nianci who were stuck together like glue.

Ye Chen currently refuses to let go of Mu Nianci, he still wants to continue kissing Mu Nianci who is in front of him.

With the efforts put in by Mei Yueli and Xia Qingyu, the two of them finally managed to release Ye Chen from Mu Nianci.

"Ye Chen, how did you bully Nianci?" Xia Qingyu was angry with Ye Chen for bullying Mu Nianci.

"Who bullied her, at all I didn't bully her, she herself did not put up any resistance, right my dear Nianci" Ye Chen said to Mu Nianci.

Mu Nianci turned her gaze away, it seemed that Mu Nianci was embarrassed to answer what Ye Chen asked.

"Ye Chen you better stop, there are a lot of women outside, if they were to peek inside, what would you do" Mei Yueli reminded Ye Chen to stop, outside there were many women who might be able to peek at what they were doing while this.

"hehe, I don't care, let them know that you guys are mine" Ye Chen said to all his women who were in this place.

Mei Yueli, Xia Qingyu and Mu Nianci immediately blushed when they heard this, Ye Chen very firmly admitted that the three of them belonged to him.

In their hearts, Mei Yueli, Xia Qingyu and Mu Nianci looked very happy about this, they had received a confession from Ye Chen.

"So, what are you guys doing in this place?" Ye Chen asked what Mei Yueli was doing, Xia Qingyu and Mu Nianci came here.

"We came to visit you, we just want to know your current condition, but after seeing this, maybe I won't worry about you anymore" Xia Qingyu said to Ye Chen.

Xia Qingyu informed Ye Chen of their arrival to this place, they came to see Ye Chen's current state.

"Is that all, don't you guys miss me?" Ye Chen asked Mei Yueli, Xia Qingyu and Mu Nianci.

"No . ." Mei Yueli, Xia Qingyu and Mu Nianci answered in unison that they didn't miss Ye Chen.

Ye Chen: "-\_-".

Ye Chen did not expect that he would get answers like this from Mei Yueli, Xia Qingyu and Mu Nianci.

### **Chapter 1163 - Mysterious Group Attacked Ye Chen's Place**

"You guys must be joking with me right, there's no way you won't miss me" Ye Chen said very confidently, Ye Chen was very confident, he was very confident that Mei Yueli, Mu Nianci and Xia Qingyu came here because they missed him.

"No." Mei Yueli, Mu Nianci and Xia Qingyu simultaneously said no, the three of them looked very unified when they said this.

"-\_- " Ye Chen was helpless anymore, they were all very compact, it seemed that they had planned this.

Mei Yueli, Mu Nianci and Xia Qingyu found it funny with Ye Chen's expression, Ye Chen's current expression was cute for the three of them to see.

"Ye Chen, why are you doing something like this?" Mei Yueli immediately asked why Ye Chen did something like this, why did Ye Chen bother selling his services.

"You yourself must have known about the bet with Song Ziyu back then, right?" Ye Chen replied to Mei Yueli.

Ye Chen told Mei Yueli about the bet with Song Ziyu, because of that bet Ye Chen was forced to do this.

"Oh, so it's because that time, you were very serious about this" Mei Yueli said to Ye Chen.

"How can I not be serious, if I lose I can become that annoying servant, that's why I have to win" Ye Chen couldn't lose, he had to win against Song Ziyu.

"Isn't it just a few more days before that, are you sure you can win?" Mei Yueli asked Ye Chen.

Ye Chen's time was running out, so Ye Chen should have gotten the confession from the female disciples in the outer court.

"Hahahaha, you don't have to worry about that matter, I'm already famous, if you ask the female disciples who are in this outer court, they must know me" Ye Chen said with absolute confidence.

Ye Chen was already very confident, he was very sure that the women in the outer court knew Ye Chen very well.

"Looks like Song Ziyu will be in trouble." Mei Yueli felt that if Song Ziyu was going to run into trouble, she would definitely be Ye Chen's servant for the time being.

Xia Qingyu and Mu Nianci didn't really understand the person Ye Chen and Mei Yueli were talking about, both of whom were still strangers to Song Ziyu.

During this time Xia Qingyu and Mu Nianci had been very busy with their closed-door training, which was why neither of them had the time to interact with the female disciples at Jade Lotus Peak.

"You two, how is your cultivation progress?" Ye Chen wanted to know the progress of Mu Nianci and Xia Qingyu, he wanted to know the significant developments experienced by the two.

"We've gotten stronger since last time, we're both currently at the intermediate stage of the Divine Nascent Realm." Mu Nianci and Xia Qingyu informed of the progress they had made.

" very fast ! ! !" Ye Chen was quite surprised when he heard this, he didn't expect that Mu Nianci and Xia Qingyu would develop so quickly.

"They are both extremely talented, they are geniuses that are rarely seen in this world." Mei Yueli explained to Ye Chen the reason why these two could become so powerful in just 2 months.

Under the abundant training and resources that Mu Xueying had given the two of them, Mu Nianci and Xia Qingyu naturally rose very quickly.

Plus Jade Lotus Peak was a place with rich pure Energy, so it was obvious that both of them could improve very quickly.

"I envy you two." Ye Chen was envious of Xia Qingyu and Mu Nianci, both of whom were able to quickly raise their cultivations.

This is very different from him who finds it difficult to increase the strength he has.

"Ye Chen isn't your cultivation already very high and much higher than what we currently have, how can you envy something like this" Mu Nianci said to Ye Chen.

Mu Nianci knew that Ye Chen's cultivation was extremely high, which was why Ye Chen didn't have to envy the two of them.

"Yes, you are right, I will train even harder" Ye Chen said that he wanted to train even harder so that he could reach even higher levels.

"boom. . ." Just as Ye Chen was talking to Mei Yueli, Xia Qingyu and Mu Nianci, suddenly there were several quite large explosions outside.

"What's going on outside?" Ye Chen immediately turned towards the door, he wanted to know what was going on outside.

"Let's see, I have a bad feeling about this" Xia Qingyu took Ye Chen and the others to see what was going on outside.

Ye Chen and all the women immediately went out, when Ye Chen went out and saw what happened, when the four went out, they found a very shocking scene, currently there are thousands of disciples fighting outside Ye Chen's room.

"What's going on here?" Ye Chen started to wonder what was going on in this place, why there were thousands of men and women fighting each other.

The battle was divided into two groups, the first group was the women who were waiting in line for their turn and the other group was still very mysterious.

"what's going on here" Ye Chen immediately asked what happened in this place to one of the women closest to him.

"We don't know what happened, these people suddenly came and attacked us" this woman told Ye Chen and the others that these people came and made trouble with all of them.

"Who are these people, why are they looking for trouble with me?" Ye Chen wanted to know the identity of these people, they had dared to seek trouble with him.

"Forget about that matter, we should help them too." Mei Yueli suggested to Ye Chen to help these desperate women.

The number of enemies was far greater than expected, this made the women here feel overwhelmed.

"All of you are here, I will take care of them, they have dared to mess in my place, that's why I will take care of them myself."

Ye Chen would deal with people who had dared to look for trouble at his place, let alone these people dared to attack his customers.

Ye Chen's customers were clueless, so they weren't worthy of being attacked like this.

The female disciples who were here came to get healing or just to feel Ye Chen's skills, they had nothing else but to do both.

Ye Chen immediately went to the battlefield, himself directly into the existing battlefield.

Mu Nianci, Mei Yueli and Xia Qingyu looked at Ye Chen who was advancing alone.

"Should we help him?" Mu Nianci asked Mei Yueli if it was necessary for the three of them to help Ye Chen.

"They're all just little ants, Ye Chen should be enough to deal with them, we'd better fight the people who come here." Mei Yueli suggested to help from afar, their help from afar would be very helpful for Ye Chen.

Mu Nianci, Xia Qingyu and Mei Yueli helped Ye Chen from afar, they helped the women who were struggling to fight off the people who attacked them.

Ye Chen entered the battlefield, and began to attack everyone in front of him.

"Bam. . ., Bomb . . ., Bam. . ., Bomb . . ., Bam. . ., Bomb . . .," easily all the attacking enemies were blown away by Ye Chen, Ye Chen was like a raging barbarian.

### **Chapter 1164 - Go Find Xiao Gang**

Mei Yueli, Mu Nianci and Xia Qingyu help the female disciples who are in danger or in urgency, the three of them use the strength they have to help the female disciples available.

With the help of Mei Yueli, Mu Nianci and Xia Qingyu strength the three of them quickly rescued all the women who were caught in a predicament.

With the power of fire and ice that they combine to attack the enemy, the three of them very easily defeat all existing enemies.

The female disciples at Jade Lotus Peak could indeed work together to unite their strength, they could combine their attack power to become even more powerful.

As long as there were disciples who each possessed the power of Ice and Fire, it was certain that they would be difficult to defeat.

In the distance, Ye Chen was currently raging, he attacked all the enemies in front of him indiscriminately, all the men in front of Ye Chen were hit by Ye Chen's attack and were blown away.

Ye Chen didn't need his strength to fight these people, he just needed his bare hands to deal with people like them.

With his bare hands, all the outer court disciples had a hard time battling Ye Chen, if Ye Chen used the strength he had, these people would have been exhausted.

"Damn, this person is so strong" All the enemies felt Ye Chen's immense strength, they were actually suppressed by Ye Chen.

"Wow that's so cool, I didn't expect Ye Chen to be this great." The female disciples in this place looked at Ye Chen with a gaze filled with passion.

Women in the Sect like strong male disciples, when they saw Ye Chen fighting alone against this many enemies, all the women were naturally attracted to Ye Chen

These women already idolized Ye Chen because of his ability, now they are more and more attracted to Ye Chen because of the combat ability he has looks very great.

The enemy had no resistance, in an instant, they had all been knocked out by Ye Chen.

In just a few minutes, the thousands of enemies that attacked his place were flattened by Ye Chen, this process was extremely fast, no one would believe that a single disciple defeated so many enemies alone.

The people who came to attack this place were not weak cultivators, they were strong cultivators who had been in the Sect for a long time and had trained themselves extremely well.

Unfortunately these cultivators were no match for Ye Chen, as a result they were all beaten up by Ye Chen.

Ye Chen didn't kill these people, he only beat these people to get a proper lesson for daring to interfere with his business.

"Who sent you to attack my place?" Ye Chen dragged one of the enemies, himself asked who was behind all this.

Ye Chen wanted to know the mastermind behind all this, he would find a calculation for this matter.

"It . . ., we were ordered by Xiao Gang" the man in Ye Chen's hand told about the person who had ordered them, they were all ordered by Xiao Gang to go and attack Ye Chen's place.

"Is your boss Xiao Gang?" Ye Chen asked the man in his hand.

"No, I'm not Xiao Gang's subordinate, I was actually threatened to get into this" the man in Ye Chen's hands told Ye Chen that he was threatened by Xiao Gang to attack this place.

Xiao Gang threatened the male disciples to attack Ye Chen's place, they were all threatened by Xiao Gang to attack Ye Chen's place.

"Where is Xiao Gang now?" Ye Chen asked where Xiao Gang was now, he had to make this man stop looking for trouble with him.

"Okay, I'll tell you where Xiao Gang is, but please let me go." This man promised to tell where Xiao Gang was, as long as Ye Chen was willing to let himself go he would tell where Xiao Gang was.

Ye Chen let go of this person, he wanted to know more details about the whereabouts of Xiao Gang.

This man told where Xiao Gang usually was, Xiao Gang was usually in a brothel in White Cloud city.

Ye Chen couldn't think that Xiao Gang would be in a brothel, whether the man could still play with the women who were there or not.

Last time Ye Chen had crippled the man, so he shouldn't be able to do that with women anymore.

"All of you go, I let you all go" Ye Chen told everyone to leave, Ye Chen didn't need anything more from these people.

These people were victims of Xiao Gang, so Ye Chen easily let them all go.

Ye Chen felt quite sorry for these people, they had all been forced to do what they didn't want to do.

"Ye Chen how, do you know who has been looking for trouble with you?" Mei Yueli, Mu Nianci and Xia Qingyu came over, they asked who had been looking for trouble with Ye Chen.

"This is the person who used to look for trouble with me when I was in the forest, it seems he wants to take revenge on me for what happened earlier" Ye Chen explained about the problem he had.

"Then what are you going to do now?" Xia Qingyu asked what Ye Chen would do now.

"I will deal with this problem, if it continues like this, he will continue to find trouble with me" Ye Chen told Xia Qingyu that he would go and solve this problem.

Ye Chen couldn't stand this, if he didn't solve this problem, then Xiao Gang would keep looking for trouble for him.

Xiao Gang possessed considerable power in this outer court, so it was not strange that he would continue to use this power to seek trouble with Ye Chen.

The people just now were an example, they all strictly obeyed Xiao Gang's orders to attack Ye Chen, that meant that Xiao Gang's power was so great that the disciples in the Sect were afraid of him.

"We will go with you" Xia Qingyu wanted to come with Ye Chen, she wanted to see who was the person who had been looking for trouble with Ye Chen.

"Are you sure, the place we are going to is a very dangerous place?" Ye Chen told Xia Qingyu that the place they were going to was a very dangerous place.

"Ye Chen don't underestimate us, we are not weak women who will be afraid of this" Mei Yueli told Ye Chen that they are not weak women who are afraid to go to dangerous places" Mei Yueli said very confidently, it seemed that Mei Yueli not afraid to go to dangerous places.

Mei Yueli still didn't know what Ye Chen just meant, if she knew what Ye Chen meant earlier, then maybe she would give up her intention.

"If you really insist, then you can come with me" Seeing Mei Yueli, Xia Qingyu and Mu Nianci insisting on going, Ye Chen couldn't stop the three of them.

"Let's go" Ye Chen took Mei Yueli, Xia Qingyu and Mu Nianci to where Xiao Gang was.

Mei Yueli, Xia Qingyu and Mu Nianci nodded, the three of them immediately followed Ye Chen to where Xiao Gang was.

"Ye Chen what about us?" Just as Ye Chen was about to leave, he heard the woman behind him ask him.

These ladies were still waiting for their turn, they were still waiting for their turn to experience Ye Chen's massage technique which was very well known among female disciples.

"I have a problem that I need to solve, I will continue it later" Ye Chen told all the women that he had important things to do.

## **Chapter 1165 - Meet Acquaintances In A Brothel**

"Please be careful, lest you get hurt" these women were worried about Ye Chen, they all didn't want Ye Chen to get hurt for looking for trouble with Xiao Gang.

"You all don't need to worry, I will definitely be fine" Ye Chen told everyone not to worry, he will definitely be fine.

"Let's go." Ye Chen took Mei Yueli, Xia Qingyu and Mu Nianci away.

The three immediately dashed off towards White Cloud City to find the whereabouts of Xiao Gang.

Ye Chen took these three beauties to find the whereabouts of the brothel that the man had previously told him about.

In White Cloud city there is only one biggest brothel, it's very obvious when looking at it from the sky.

"Probably there" Ye Chen told Mei Yueli, Xia Qingyu and Mu Nianci about the biggest brothel in White Cloud city.

"Isn't that a brothel?" Mei Yueli asked Ye Chen, Mei Yueli immediately realized that the place Ye Chen was pointing at was the biggest brothel in White Cloud city.

"The information I got that person is in that place, so we will go to that place" Ye Chen said to Mei Yueli.

This was the reason why Ye Chen didn't want Mei Yueli, Xia Qingyu and Mu Nianci to go with him, it was because their goal was inside the brothel in front of them.

Mei Yueli, Xia Qingyu and Mu Nianci blushed slightly when they heard this, they didn't expect that the dangerous place Ye Chen said was a brothel, if they had known they wouldn't have come here.

"So how about it, do you want to go outside or come in?" Ye Chen asked if they wanted to go outside or go inside together with him.

"We'll just go in with you" Xia Qingyu said that she would only go in with Ye Chen, it was a shame to stay outside the brothel.

After all, near the brothel there were bound to be many men who would tease them, it was better for them to go together with Ye Chen than to deal with these annoying people.

Seeing Mei Yueli, Xia Qingyu and Mu Nianci still wanting to leave, Ye Chen immediately took the three inside.

The moment Ye Chen walked inside, Ye Chen was immediately greeted warmly by the comfort women who worked in this place.

Ye Chen was immediately swarmed by the women who were in this place, they were teasing Ye Chen to fight over Ye Chen's resources.

The women in this place live with things like this, because of the economic demands, they decide to work like this in order to stay alive.

This world is a harsh place, they have to do this in order to survive.

Mei Yueli didn't like seeing this, she used her powers to intimidate these women.

With Mei Yueli' cultivation having increased quite a bit since Dual Cultivation with Ye Chen, Mei Yueli could easily intimidate all the women who tried to seduce Ye Chen.

All the women in the brothel became afraid of Mei Yueli, they saw Mei Yueli immense strength.

"Yueli, don't intimidate them." Ye Chen told Mei Yueli not to intimidate the women in this place.

"Alright" Mei Yueli nodded, she was no longer intimidating these women.

"Can you tell me the whereabouts of Xiao Gang, if you can tell me this, I will give you a small reward." Ye Chen took out a profound crystal.

The eyes of the comfort women who were in this place lit up when they saw this.

"Of course we can tell you whereabouts" this woman said that they could tell Ye Chen where Xiao Gang was.

Ye Chen was happy to hear this, it was quite easy to get information from the women who were here, Ye Chen only needed to take out a profound crystal and they immediately told Ye Chen the information about Xiao Gang.

Quickly Ye Chen had managed to get where Xiao Gang was, Xiao Gang was indeed at this place, currently he was on the top floor of the brothel enjoying the show.

After getting a clear goal, Ye Chen immediately went to find the whereabouts of Xiao Gang.

Ye Chen didn't forget to hire one of the women to show them the way and make their search easier.

The comfort woman happily guided Ye Chen's way, she carried Ye Chen, Mei Yueli, Xia Qingyu and Mu Nianci up to the top floor which was in this place.

As Ye Chen and the others went upstairs, they saw various women with very seductive appearances and filled with passion, they were using their charms to try to get prey.

Every time Ye Chen went up the floor, Ye Chen saw that the women on the top floor were getting more and more beautiful and seductive, it was like each floor had its own level, the higher the floor the eyes of the beauties on that level would also be more beautiful.

That means that the top floor will be the highest floor that contains the nicest and most beautiful women in this brothel.

"Turns out he has taste too" Ye Chen didn't expect Xiao Gang to have taste too, he liked the most beautiful woman in this brothel.

Unfortunately now that Xiao Gang couldn't enjoy this beautiful woman to his heart's content like before, he wouldn't be able to do anything like that anymore because he had bad thoughts towards the beautiful goddess Yue Ya.

Soon Ye Chen, Mei Yueli, Xia Qingyu and Mu Nianci reached the top floor, on this top floor there were a lot of rich people having fun with the women in this place.

As Ye Chen expected, the women upstairs were the best women in this brothel, they had very mature bodies and mature charms that could ensnare any man in front of them.

They were Vixen who would eat men when they were weak, they wouldn't let go of men after getting into the pomegranate skirt they had.

When Ye Chen, Mei Yueli, Xia Qingyu and Mu Nianci came in, no one noticed the arrival of Ye Chen and the others, they were all too engrossed in watching the performance that was going on to even notice Ye Chen's arrival, plus there was a sense of musical entertainment very comfortable to listen to.

A very good music sounded throughout the room, all male eyes were currently looking at the origin of this voice.

Ye Chen searched for the origin of this voice, this voice was quite unique and familiar to Ye Chen.

"Qiao Xin?" when Ye Chen found the source of the sound, Ye Chen found the existence of a beautiful neighbor beside his house, Qiao Xin was currently playing Zither to cheer everyone up in this place.

This time Qiao Xin was wearing very beautiful clothes, she looked very beautiful in these clothes, it was not strange that all the eyes of the men in this place were only on her.

Qiao Xin's beauty was on another level from the comfort women on the top floor, Qiao Xin looked much more seductive than the comfort women in this place.

"Ye Chen, you know her?" Xia Qingyu asked if Ye Chen knew the woman playing Zither.

"she is a neighbor who lives next to the house I just bought in White Cloud City." Ye Chen explained that she knew the woman who played on stage.

"No wonder you look surprised when you see it" Xia Qingyu guess was right, Ye Chen knew this beautiful woman.

## **Chapter 1166 - Gong Pee**

"You, what is she doing in this place?" Ye Chen immediately asked the comfort woman in front of him about Qiao Xin work at this place.

"Oh, you mean her, she works in this place, she is very popular among the men in the whole city, many men are trying to target her and make her a wife or concubine" She told Ye Chen about reason Qiao Xin in a place like this.

"I didn't expect that she would work in this place." Ye Chen still didn't expect that Qiao Xin would work in a place like this.

Ye Chen originally thought Qiao Xin was a woman who came from a high-class noble family, she didn't expect Qiao Xin to work in a place like this.

Ye Chen couldn't take this matter too much, after all it was the path chosen by Qiao Xin.

"Let's continue." Ye Chen took Mei Yueli, Xia Qingyu and Mu Nianci to go find Xiao Gang who was in this place.

Xiao Gang should be around this place, so Ye Chen wouldn't be hard to find him.

After a while Qiao Xin finally stopped playing her Zither, she lowered her head and saluted all the guests present in this place.

"applause, applause, applause" all the guests present in this place applauded Qiao Xin, they were all very happy with the performance that Qiao Xin had just put on.

"Miss Qiao, come accompany me. ."

"Miss Qiao, come with me tonight"

"Miss Qiao, I will give you a present."

One by one the men in this place began to invite Qiao Xin, they wanted to be with Qiao Xin even if only for a moment.

"Master, I already have an appointment, so I can't be with all of you." Qiao Xin refused the invitation of the men in this place, she politely refused all the men who wanted to go with her.

Qiao Xin already knew the purpose of the men in this place, they obviously wanted her splendid body and beauty.

Qiao Xin was quite beautiful, so many men in this city fell in love with her, it was not uncommon for someone to even give her a super big gift just to be able to spend a little time with her.

"Ye Chen?" When Qiao Xin looked into the distance, she found the figure of Ye Chen who was with several beautiful women who were wearing very simple clothes.

"These women are quite beautiful, they must be able to very easily attract the attention of the men in this place".

If all the men's focus wasn't on Qiao Xin, surely they would all be looking at Mei Yueli, Xia Qingyu and Mu Nianci who were around Ye Chen.

"What is he doing in a place like this, plus he brought three beauties with him?" Qiao Xin started to wonder in her mind about what Ye Chen was doing in this place.

Qiao Xin had to appreciate Ye Chen a little for bringing three extraordinary beauties along with her, this man's luck with women was much higher than Qiao Xin had expected.

Qiao Xin herself was surprised when she saw Ye Chen had a very beautiful wife like Li Jingyi, now she was again shown three beautiful women near Ye Chen.

"I want to know what he is doing" Qiao Xin wanted to know what Ye Chen was doing, that's why Qiao Xin wanted to find out what Ye Chen was doing.

"Sorry I have to go" Qiao Xin tried to get rid of these people, she got rid of the people who kept bothering her.

Qiao Xin didn't like them at all, these people were too annoying for her.

Ye Chen together with Mei Yueli, Xia Qingyu and Mu Nianci searched for Xiao Gang's whereabouts, with Ye Chen's memory, Ye Chen would definitely find Xiao Gang's whereabouts.

After a while, Ye Chen finally found the whereabouts of Xiao Gang, Xiao Gang is currently with several women around him, it can be seen that Xiao Gang is having fun with the women in this place.

Around Xiao Gang there were several strong-looking people, these were probably close acquaintances of Xiao Gang.

From the clothes they wore, these people seemed to be inner court disciples, they were much stronger than Xiao Gang.

"This person is still the same" Ye Chen felt that Xiao Gang was still the same as before, he still considered women as toys that he could treat as he pleased.

Ye Chen came closer to Xiao Gang, he immediately kicked the table in front of Xiao Gang.

Xiao Gang is shocked by what happened, he is not prepared for what just happened.

"Bastard, what are you doing?" Xiao Gang roared at Ye Chen, he was furious at Ye Chen for daring to interfere with his affairs.

"Hahaha, you're still arrogant even after losing your ability to be a man" Ye Chen said in a voice loud enough for everyone in this place to hear.

Everyone in this place immediately looked at Ye Chen, they all wanted to know what Ye Chen was referring to at this time.

Xiao Gang's face turned black when he heard what Ye Chen said.

Xiao Gang was currently filled with anger when he saw Ye Chen, Xiao Gang had been researching about Ye Chen for a long time, finally after searching for a long time, Xiao Gang finally found the whereabouts of the person who had dared to cripple him like he is now.

"Fucking man, I finally found you" Xiao Gang roared at Ye Chen.

"Hai Xiao Gang, who is this man who dares to harass us?, does he want to seek death with us?" one of the inner court disciples immediately asked Xiao Gang, they wanted to know who was the person who dared to slam the table they had.

"Big brother, he is the person I previously told you about, that time he dared to attack me." Xiao Gang told the inner court disciple that Ye Chen was the one who had attacked him while in the forest.

"So this is the person who attacked you, he looks really ugly" the outer court disciple said to Xiao Gang and Ye Chen.

This outer court disciple mocked Ye Chen's ugly appearance, this made the outer court disciple feel like throwing up.

The name of the man who mocked Ye Chen was Gong Pee, he was one of the outer court disciples who had quite a reputation, he had a large number of followers in the inner court, so it wasn't strange for this man to be so arrogant.

Ye Chen didn't really react to this, this person's words had no effect on Ye Chen, Ye Chen was used to listening to people's comments about him.

"Boss, the girl beside him is very beautiful." The outer court disciple told about the three beauties next to Ye Chen.

Gong Pee immediately looked at Mei Yueli, Xia Qingyu and Mu Nianci, when Gong Pee saw the three, his eyes immediately lit up, it was seen that Gong Pee was immediately attracted by the beauty possessed by Mei Yueli, Xia Qingyu and Mu Nianci.

Even though Mei Yueli, Xia Qingyu and Mu Nianci wore veils and ordinary clothes to cover their beauty, their beauty was still difficult to hide from the public eye.

They are beauties that are hard to find in this world, the man who can get them is the luckiest man in this world.

"Hahaha, they are beautiful, I didn't expect this man to bother to bring this beauty to me" Gong Pee looked happy to see this, he was happy to see the beauty possessed by Mei Yueli, Xia Qingyu and Mu Nianci,

#### **Chapter 1167 - Kick Out Gong Pee From Building**

"Who brought them for you, I came here to solve the problem with you" Ye Chen told Ye Chen that he came here to solve the problem with Xiao Gang.

"Hahaha" Gong Pee, Xiao Gang and the people in this place laughed when they heard this, they all laughed at what Ye Chen had just said.

Everyone in this place was well acquainted with Xiao Gang and Gong Pee's group, they were a dangerous group in this brothel, so it wasn't strange that they all laughed when they heard what Ye Chen had just said.

They all did not believe and underestimated what Ye Chen said, they underestimated and insulted what Ye Chen had just said.

"You want to find trouble with me, are you tired of living?" Gong Pee said to Ye Chen if he was tired of living in this world.

It was very rare for anyone to dare to go against Gong Pee, those who dared to go against Gong Pee would usually have very bad luck.

Gong Pee greatly underestimated Ye Chen who became an outer court disciple.

An outer court disciple like Ye Chen didn't enter his eyes, it was like an ant trying to find trouble with him.

Gong Pee only needed one finger to overcome Ye Chen, just one finger was enough to overcome an outer court disciple like Ye Chen.

"I should have said that to you" Ye Chen told that that was the purpose of him coming to this place, he came to tell Xiao Gang if he was tired of living because he dared to make trouble with him.

"Bastard" Gong Pee was so angry about this, he couldn't believe that anyone would dare say something like this to him.

Everyone in this place looked at Ye Chen with extreme pity, they felt sorry for Ye Chen who had provoked a person like Gong Pee.

Xiao Gang looks very happy when he sees this, he looks very happy when he sees Ye Chen provoke Gong Pee, this way Xiao Gang doesn't have to make Gong Pee help him.

Gong Pee will definitely kill Ye Chen, Xiao Gang is very sure of that.

As Gong Pee's brother, Xiao Gang knows very well how Gong Pee's character is, Gong Pee really doesn't like to see anyone who dares to oppose him, Gong Pee will definitely bulldoze anyone who dares to challenge him.

What Xiao Gang expected came true, Gong Pee started grabbing Ye Chen's collar with a very strong grip.

"I will kill you" Gong Pee used his fist to hit Ye Chen, he intended to hit Ye Chen with his fist.

"Bamm" Gong Pee's fist landed right on Ye Chen's face, this punch seemed so hard it made a very loud sound.

All the spectators who saw this felt sorry for Ye Chen, what just happened must have been very painful for Ye Chen.

Surprisingly, even though Ye Chen was hit very hard by Gong Pee, Ye Chen didn't bounce away, Ye Chen was still standing where he was.

This was quite strange, with the fighting power that Gong Pee had just unleashed, Ye Chen should have been blown away.

Mei Yueli, Xia Qingyu, Mu Nianci were confused by this, why did Ye Chen not fight back when he was hit by Gong Pee.

Ye Chen should have fought back when he was about to be hit by Gong Pee, that way Ye Chen would not be hit by Gong Pee's attack.

"Your attacks are so weak, haven't you eaten enough to have an attack like this?" Ye Chen said that Gong Pee's attacks were so weak that they weren't enough to make him sick.

"What !" Gong Pee was quite surprised when he listened to what Ye Chen said, unexpectedly in a situation like this Ye Chen still dared to insult him.

Everyone looked dumbfounded when they listened to what Ye Chen had to say, this man is either very stupid or indeed an idiot, he still dares to insult Gong Pee even after getting such a hard hit.

If they were in Ye Chen's position, they would most likely kneel down and directly apologize to Gong Pee.

Gong Pee is getting more and more angry about this, he cannot accept being insulted like this in front of so many people on this floor.

"Die you bastard" Gong Pee didn't play around anymore, he hit Ye Chen with his full strength.

A blue light appears in Gong Pee's hand, this shows that Gong Pee is very serious in fighting Ye Chen.

Ye Chen's second "Bamm" received an attack from Gong Pee, this second attack was much stronger than before.

Everyone closed their eyes, they were sorry to see Ye Chen who had been hit twice by Gong Pee.

People don't know what it's like to be hit twice in a row, it must be very painful.

Just like before, Gong Pee's punch was unable to blow Ye Chen away, Ye Chen still stood where he came from like a very sturdy statue.

The blow just now had no impact on Ye Chen at all, this person's cultivation was still not enough to injure Ye Chen.

Ye Chen finally started to extend his hand towards Gong Pee's wrist, Ye Chen grabbed onto Gong Pee's wrist which had hit him.

"cracked . . ., cracked . . ., cracked . . . ." When Ye Chen grabbed Gong Pee's wrist, there was a sound of bone cracking, it is estimated that Gong Pee's wrist bone started to crack when Ye Chen grabbed it.

"Argh. . ." Gong Pee screamed in pain as Ye Chen grabbed his wrist.

"Again your punch is very weak, are you sure you want to kill me with a weak attack like before?" Ye Chen said to Gong Pee.

Gong Pee couldn't answer Ye Chen's question, he was already in a lot of pain with what Ye Chen was doing at this time.

"crack" Ye Chen instantly broke Gong Pee's wrist, after breaking Gong Pee's wrist, Ye Chen hit Gong Pee right in the face very hard.

"Bam. . ." Ye Chen's punch hit Gong Pee's face right, Gong Pee immediately bounced and hit the barrier wall on the top floor.

The barrier wall was destroyed because of this, the damage caused by Ye Chen was unable to be resisted by this barrier wall on the top floor.

This makes Gong Pee fly away from this place, Gong Pee is flown out of the brothel building.

The room became very quiet, not the slightest sound could be heard around this place.

The jaws of the people in this place opened wide when they saw what had just happened, just now Ye Chen had blown away Gong Pee with just one punch, this made everyone unable to believe what had just happened.

Everyone in this place was very clear with Gong Pee's abilities, there was no way Gong Pee could be defeated by Ye Chen with just one hit, this was an impossible thing for them to imagine in their lives.

"Interesting" Qiao Xin saw what was happening in the shadows, she didn't expect that Ye Chen would become this great.

Qiao Xin felt that Ye Chen did have the ability, which was very interesting for Qiao Xin.

### **Chapter 1168 - [Bonus ]Gong Pee's Anger**

Qiao Xin became more and more interested in Ye Chen, she felt more and more curious about how strong Ye Chen was right now.

Li Jingyi was a strong woman, there was no way she would be attracted to a weak man, that meant Ye Chen must be hiding the strength he currently had.

Qiao Xin wanted to find out about it, her curiosity was very deep about this matter, Qiao Xin had never been like this, she had never been attracted to anyone until now.

There seemed to be a special magnet that made Qiao Xin feel attracted to find out the secrets that Ye Chen had.

During the past few weeks, Qiao Xin had spent the time she had with Li Jingyi, that's when Li Jingyi used various means to poison Qiao Xin's mind to become more and more attracted to Ye Chen.

This might be the reason why Qiao Xin was so attracted to Ye Chen, she was attracted to Ye Chen because of the poison that Li Jingyi gave her.

When she was with Li Jingyi, Qiao Xin always heard good things about Ye Chen, this made Qiao Xin become more and more interested in Ye Chen.

A good topic of conversation would get you interested in something you didn't want, it was one that made Qiao Xin very interested in Ye Chen.

"Bastard, how dare you attack my boss" Gong Pee's men finally reacted, they immediately attacked Ye Chen who was in front of them.

Ye Chen waved his hand, when Ye Chen waved his hand, these people were flown out of the brothel.

They all followed Gong Pee who was previously flown by Ye Chen, now in this place only Xiao Gang is left alone and has no friends to help him.

The people on this floor were more and more shocked by Ye Chen, they didn't know anymore whether the scene in front of them was just an illusion or reality, this was still a very difficult thing for most people who spent a good portion of their time to accept they have in this place.

People started to doubt about Ye Chen's identity, they started to wonder whether Ye Chen was an outer court disciple or not, how an outer court disciple could easily beat up an inner court disciple who was already quite veteran and had decent experience. many.

Ye Chen had gotten rid of the people who had previously bothered him, now Ye Chen could settle his business with Xiao Gang.

Ye Chen hit Xiao Gang to the ground, after dropping Xiao Gang to the floor, Ye Chen stepped on Xiao Gang's head with his shoe.

"Now you no longer have any supporters who can support you from me" Ye Chen said to Xiao Gang who was under his feet, he told Xiao Gang that he no longer had anyone who could support him from himself.

"Please forgive me" Xiao Gang tried to apologize to Ye Chen, he was so afraid of Ye Chen that he could kill himself at any moment.

"It's so easy for you to talk like that, after what you did in my place, you still dare to ask for mercy like you used to" Ye Chen said to Xiao Gang.

Ye Chen had given Xiao Gang a chance in the past, but this man still dared to make trouble with him.

If Ye Chen let him go again, Xiao Gang would definitely try to find trouble with him, the words this man had were unbearable.

"Please let me go, I promise I won't bother you anymore" Xiao Gang said that he wouldn't bother Ye Chen anymore.

"Shut up. . ." Ye Chen started to stomp on Xiao Gang with even more force, Xiao Gang's head sinking deeper into the floor.

Xiao Gang felt more and more pain, he felt a huge mountain was stepping on his head.

Ye Chen didn't care about this, his purpose in coming to this place was to make Xiao Gang angry and no longer look for trouble with him, if he used gentle methods to deal with Xiao Gang, then Xiao Gang would definitely come back to look for trouble with him.

A man like Xiao Gang doesn't need to be treated with kindness, the quickest way to deal with a man like this is to use violence like this, that way he won't dare to get into trouble with himself anymore.

"Help . . ." Xiao Gang tries to seek help from the people in this place, unfortunately the people in this place ignore Xiao Gang, they don't want to interfere with the current affairs.

Everyone looked very afraid of Ye Chen, they all no longer wanted to underestimate Ye Chen after seeing Ye Chen's ability to knock out Gong Pee and his men in just a few steps.

Ye Chen had hidden his abilities so well, this made his enemies underestimate him to become what he is today.

"Argghhhh" Xiao Gang kept screaming in pain, the pain was getting more and more severe, the force used by Ye Chen was getting bigger, Xiao Gang's head felt dizzy.

Xiao Gang's screams of pain continue to echo in this place, until now no one is willing to help Xiao Gang.

"So how, do you know where your place is?" Ye Chen said to Xiao Gang who was under his feet.

"Ancestor, please spare me, if you keep doing this to me, I will die" Xiao Gang pleaded with Ye Chen, he even cried and begged Ye Chen for mercy.

The extremely arrogant Xiao Gang was transformed into this kind of appearance, this was something that was difficult for most people in this place to accept.

These people don't know how terrible the suffering Xiao Gang is currently going through, Xiao Gang is experiencing something far more painful than a death.

Xiao Gang felt that this man was a demon, he was actually more cruel than Xiao Gang thought.

Xiao Gang didn't understand where Ye Chen's strength came from, Ye Chen was very strong and very abnormal, he was like a monster that had very strong power.

"Bastard, how dare you attack me like that" while Ye Chen was torturing Xiao Gang, Gong Pee suddenly reappeared on this floor with a tattered appearance, it was seen that Gong Pee was injured from Ye Chen's attack.

"Oh, so you can still rise from the attack just now, I thought you were dead" Ye Chen said to Gong Pee who had just returned to this place.

Gong Pee's face twitched when he heard this, he couldn't believe that he would be insulted like this by Ye Chen.

Gong Pee is very angry, he has never been angry until now.

Gong Pee was a respected man in the inner court, no one dared to insult or be disrespectful to him, Ye Chen was the first one to dare to act like this towards him.

"You despicable outer court disciple, this young master will make you pay for what you did" Gong Pee roared at Ye Chen, he was going to make Ye Chen pay for what he had done to him.

"All of you quickly help me fight this person, otherwise you will all get into serious trouble" Gong Pee orders everyone in this place to help him deal with Ye Chen, otherwise they will get serious trouble from Gong Pee.

### **Chapter 1169 - Ye Chen Vs Gong Pee**

Gong Pee had ordered everyone to help him overcome Ye Chen, this person was so arrogant that he could rule over everyone in this place.

Gong Pee gave a threat to these people against Ye Chen, if they didn't want to help him, then Gong Pee would make things difficult for all of them.

Everyone seemed speechless when they heard this, they didn't know what they should do at this point, whether they should obey Gong Pee's orders or not.

Everyone already knew Ye Chen's strength, Ye Chen's strength was quite great, so the chances of them winning would be hard to determine.

"Hahaha, look, no one wants to help you, they are all afraid to help you" Ye Chen said to Gong Pee who was in front of him.

Ye Chen found about this matter it very funny , Gong Pee looked ridiculous when he said this.

Gong Pee looks very annoyed with this matter, the people in this place seem unwilling to help himself against Ye Chen, this is very annoying for Gong Pee.

"Why are you guys like that, aren't you afraid that if I seek trouble with all of you, I will tell about this matter to my grandfather" Seeing everyone still unwilling to help himself, Gong Pee decides to use his grandfather's power to make everyone who is in this place to be afraid.

When Gong Pee talks about his grandfather, everyone in this place shows the fear they have, everyone looks very scared when Gong Pee says he will use his grandfather's power to deal with all of them.

"Alright, we will help you, but you have to let us enjoy the woman who is beside this man" everyone promised to help Gong Pee deal with Ye Chen.

They asked for conditions to help Gong Pee, they all wanted the woman who was beside Ye Chen.

"It's up to you" Gong Pee doesn't care about this matter, currently in Gong Pee's mind only wants to kill Ye Chen, for the matter of the beautiful woman beside Ye Chen, Gong Pee doesn't care anymore.

This is very strange, when Gong Pee made his first threat, no one wanted to help, but when Gong Pee made his second threat, it seemed that everyone wanted to help him.

What kind of identity does Gong Pee's grandfather actually have, why does everyone seem so afraid of this matter.

Everyone in this place is more afraid of Gong Pee's grandfather than Ye Chen, they all don't care if Ye Chen is strong, Ye Chen's strength is definitely not comparable to Gong Pee's grandfather.

Everyone in this place got up, they all started to look at Ye Chen who was in the middle of this room.

"Big brother, save me quickly" Xiao Gang asks Gong Pee to save himself, he can't stand this anymore.

"You just shut up, I'll kill him for you right away" Gong Pee told Xiao Gang to just stay there, soon he would kill Ye Chen.

"So you want to kill me, how interesting, I will make you regret for being born into this world" Ye Chen said to everyone in this place.

Now that everyone in this place had become his enemy, Ye Chen no longer needed to hold back against everyone in this place.

"Ye Chen, let us take care of these people, you focus on that man." Mei Yueli told Ye Chen to take care of Gong Pee, while she, Mu Nianci and Xia Qingyu would take care of the people in this place.

Mei Yueli, Mu Nianci and Xia Qingyu were annoyed with the perverts that were in this place, the three of them wanted to let these people know that the three of them weren't something to be easily bullied.

"Alright, I'll leave them all to you" Ye Chen nodded, he would hand them all over to Mei Yueli, Mu Nianci and Xia Qingyu.

Ye Chen believed in the abilities of Mei Yueli, Mu Nianci and Xia Qingyu, that's why he left this matter to the three.

"Let's go and fight them all" Mei Yueli invited Mu Nianci and Xia Qingyu to go and fight the people here, they had to make people pay for daring to have bad thoughts towards them.

"Sure, let's make them pay for daring to have bad thoughts against us" Xia Qingyu totally agreed with what Mei Yueli said, they had to make these people suffer the consequences for daring to have bad thoughts towards them.

Mei Yueli, Mu Nianci and Xia Qingyu went against everyone in this place, the three of them would make everyone in this place feel what it was like to be angry for having dared to harass the three of them.

Ye Chen turned his gaze to Gong Pee, now he only needed to focus on Gong Pee in front of him.

"Go forward" Ye Chen told Gong Pee to come forward and fight him.

"why should I go forward, you go and fight me" Gong Pee doesn't want to come forward, he tells Ye Chen to come forward and fight himself.

It can be seen that Gong Pee still has some fear when fighting Ye Chen, what happened just now made Gong Pee be very careful when fighting Ye Chen.

"If you don't want to go, let me go." Since Gong Pee didn't want to come forward, Ye Chen decided to come forward and approach him.

Ye Chen stepped on Xiao Gang even harder, Xiao Gang's body went deeper into the floor because of this, Xiao Gang wouldn't be able to get off the floor because of this.

After confirming that Xiao Gang was no longer able to move, Ye Chen immediately went towards Gong Pee, Ye Chen walked towards Gong Pee who was in front of him.

Gong Pee couldn't back down anymore, he had to fight Ye Chen who was approaching towards him.

"Feel this, **Wind Explosion Shoot**" Gong Pee started to make a huge wind in his hands, Gong Pee used this to shoot Ye Chen who was in front of him.

A very big and strong wind was heading towards Ye Chen, in a moment this wind was going to hit Ye Chen.

"Die you bastard, hahaha" Gong Pee looks very happy, he will immediately kill Ye Chen with his attack.

Gong Pee is very confident in his abilities, Gong Pee is sure that his attacks can kill Ye Chen.

Ye Chen stretched his hand forward, when Ye Chen stretched his hand forward, the **Wind Explosion Shoot** stopped in midair.

" what ! ! !" This makes Gong Pee feel shocked, Gong Pee doesn't know what happened just now, why his attacks can stop like that.

Ye Chen raised his hand, when Ye Chen did that, the **Wind Explosion Shoot** in front of him also started to rise, it was seen that Gong Pee's attack became very obedient to Ye Chen.

Gong Pee gawked when he saw what was happening in front of his eyes, he couldn't believe what was happening in front of his eyes right now.

The attacks that he launched were controlled by Ye Chen, this was something that Gong Pee's reasoning was very difficult to accept.

The power of the Sage God is indeed difficult for ordinary people to understand, they will not be able to believe in the ability of the Sage God to control the power of others.

### **Chapter 1170 - Gong Senye's Arrival**

While in Ye Chen's hands, the **Wind Explosion Shoot** became bigger and bigger, the **Wind Explosion Shoot** grew and became enormous, it was several times its original size.

Ye Chen had already added his own power to the **Wind Explosion Shoot**, which was why the **Wind Explosion Shoot** would be much stronger than before.

"So this is your attack, a little weak and not very good, here I return to you" Ye Chen threw back the attack he had in hand to the owner.

**Wind Explosion Shoot** shot towards Gong Pee, Wind Explosion Shoot aimed at Gong Pee's body which was right in front of him.

"No, No, No, No." Gong Pee immediately ran, he trying to dodge his own attack.

However, Gong Pee was a little late, he was a little too late to dodge the attacks that were aimed at him.

"Boom" an explosion of strong wind occurred, this explosion destroyed the buildings in this place, Gong Pee who was at the front must have suffered serious injuries from this explosion.

Ye Chen didn't really care whether Gong Pee was still alive or not, this person's matter was none of his business.

On the other side, Mei Yueli, Mu Nianci and Xia Qingyu were fighting against the people in this place.

**"One Thousand Lotus Flame, One Thousand Lotus Ice, One Thousand Lotus Ice"** Mei Yueli, Mu Nianci and Xia Qingyu used a technique that came from the Jade Lotus Peak.

There are so many fire and ice lotus flowers floating around this place, this lotus flower is very dangerous, if touched it will explode immediately.

This is an area attack that is very suitable for fighting large numbers of enemies, attacks can also be combined into something very dangerous.

Mei Yueli could already make a thousand fire lotus flowers, while Mu Nianci and Xia Qingyu could only make about five hundred.

Mu Nianci and Xia Qingyu were both beginners, so this was still tolerable, they were already good enough to be able to make five hundred lotus flowers, with their small cultivation base, this was already very good.

"Proceed . ." Mei Yueli, Mu Nianci and Xia Qingyu immediately moved the lotus flower that was there to attack the enemy in front of them.

Two thousand fire and ice lotus flowers shot towards the enemies around them.

"Bomb . . . , Bomb . . . , Bomb . . . , Bomb . . . , Bomb . . . ," Explosion after explosion occurred, all the lotus flowers in existence hit the enemies in this place.

Since the lotus flower has the elements of fire and ice, this makes the impact of the attacks that the three of them do much more damage.

Here Mei Yueli was the attacker, while Mu Nianci and Xia Qingyu acted as Support supporting Mei Yueli.

With Mei Yueli high strength, she easily crippled all the enemies in this place.

Mei Yueli didn't kill these people, she just wanted to cripple all of them who dared to have bad thoughts about her, Mu Nianci and Xia Qingyu.

The people who sided with Gong Pee began to be burned and frozen by the attacks launched by Mei Yueli, Mu Nianci and Xia Qingyu, they had no resistance to attack.

"Arghhh, Arghhh, Arghhh," screams of pain started, these people felt excruciating pain because of this.

Their bodies were hit by the Ice and Fire in succession, this made them all feel excruciating pain.

In just a matter of minutes, the dozens of people on this floor had already been knocked out by Mei Yueli, Mu Nianci and Xia Qingyu.

"It's done, this way they won't dare to have bad thoughts towards us" Mei Yueli was very satisfied with this, this way they all would no longer have bad thoughts for Mei Yueli, Mu Nianci and Xia Qingyu.

"Looks like Ye Chen is finished there too" Mu Nianci looked at Ye Chen, Ye Chen also seemed to have finished dealing with Gong Pee.

"They all seem strong" in the distance Qiao Xin saw the battle that was taking place, she started to analyze the strength possessed by Ye Chen, Mei Yueli, Mu Nianci and Xia Qingyu.

The four of them were so powerful, they only needed a short amount of time just to defeat everyone in this place.

Ye Chen walked over to Gong Pee who was already in a very pitiful condition, all his clothes were torn and hundreds of cuts appeared on his body, fresh blood was seeping out from the wounds on Gong Pee's body.

Gong Pee's attack is quite strong, this makes Gong Pee suffer very, very bad injuries.

"You interfere too much in this person's business, suffer the consequences" Ye Chen said to Gong Pee who was seriously injured, Ye Chen told Gong Pee that he had gone the wrong way when interfering in this matter.

Gong Pee did not answer Ye Chen's words, the pain in his body made Gong Pee unable to speak.

If the current Gong Pee could speak, he would definitely berate and insult Ye Chen for what happened.

Gong Pee had never been in this state in his life, this was the first time he had been in this state.

Gong Pee hopes that someone will help him in this situation.

"Bastard, what are you doing" when Gong Pee was in a desperate situation, suddenly someone came, this person came and attacked Ye Chen who was near Gong Pee.

Ye Chen was unprepared for the sudden attack, he was hit by this attack and took a few dozen steps back.

This attack was quite strong, it could make Ye Chen take a few steps back.

Ye Chen immediately saw who had dared to attack him suddenly like this, when Ye Chen saw the person who attacked him, he found someone familiar to him.

This was Gong Senye, the person Ye Chen had met the first time at the entrance examination to the Nine Immortals Peak Sect.

To think that Ye Chen would meet this annoying man again for the second time.

To be honest, Ye Chen was sick of having to meet this annoying old man again, Ye Chen didn't like this annoying old man.

Gong Senye came and saw the condition of Gong Pee, when Gong Senye saw the condition of Gong Pee, he found that Gong Pee had serious external injuries.

This wound was quite severe, it made Gong Senye feel very sad.

"Grandpa, you finally came to save me, that man wants to kill me" Gong Pee tells Gong Senye what Ye Chen wants to do to him.

"Don't worry, I will make him pay for what he did to you." Gong Senye said that he would make Ye Chen pay for what he did to Gong Pee.

Gong Senye looked at Ye Chen with a strong killing gaze, it could be seen that Gong Senye was furious with Ye Chen for what happened to Gong Pee.

"Brat, how dare you attack my grandson, do you want to die?" Gong Senye roared at Ye Chen, he looked very angry at Ye Chen who dared to attack Gong Pee.
