

A True God 1171

Chapter 1171 - Ye Chen Vs Gong Senye

A very strong pressure suddenly appeared, this strong pressure filled the entire floor in this brothel.

This pressure made everyone feel extremely oppressed once, Mu Nianci and Xia Qingyu felt this oppressive feeling, they both felt a feeling that made their bodies heavy and tremble.

Mei Yueli immediately helped the two, she used her power to dispel Gong Senye's pressure.

"Are you two okay?" Mei Yueli immediately asked about Mu Nianci and Xia Qingyu's condition, she wanted to know the current state of the two.

"We are fine, but Ye Chen" Xia Qingyu and Mu Nianci told that they were fine, they were both more worried about Ye Chen's condition.

"You two don't need to worry, Ye Chen will definitely be fine, I will help if the situation gets difficult" Mei Yueli said that Ye Chen would definitely be fine, Mei Yueli was very sure of that.

"This seems quite dangerous, do I need to help him?" Qiao Xin started to think about helping Ye Chen resolve this matter.

The person who had just arrived was at the fifth stage of the Divine Monarch Realm, it would be extremely difficult for Ye Chen to defeat him using his current cultivation.

The difference in strength between Ye Chen and Gong Senye was quite large, so it was difficult for Ye Chen to defeat Gong Senye.

With Gong Senye's current cultivation, Mei Yueli might be able to match him, Mei Yueli's current cultivation is at the fifth stage of Divine Monarch Realm, she has almost the same cultivation as Gong Senye.

"Brat, I will definitely make you regret being born in this world." Gong Senye said to Ye Chen that he would make Ye Chen regret having been born in this world.

Gong Senye was already very angry, Ye Chen had dared to provoke himself, this made Gong Senye anger even more intense.

At any time, Gong Senye could kill and attack Ye Chen if he wanted to.

On the other side, Ye Chen wasn't afraid of Gong Senye, he wasn't afraid of cultivators who had much higher cultivation than his current one.

Ye Chen had come face-to-face with a Flame Dragon who had a strength far higher than that of Gong Senye, that was why Ye Chen didn't flinch even when he came face-to-face with Gong Senye.

With his current strength, should Ye Chen have a chance to win against Gong Senye, Gong Senye would definitely be very easy for Ye Chen to deal with.

"Ye Chen you have to be careful, he has a cultivation level at the fifth realm of Divine monarch Realm." Mei Yueli warned Ye Chen about Gong Senye's strength, she told Ye Chen the strength that Gong Senye had.

"Okay, I understand." Ye Chen nodded, he would be careful when fighting Gong Senye.

Ye Chen let out the strength that he had, a large enough power came out of Ye Chen's body, it seemed that Ye Chen was already preparing to fight Gong Senye in front of him.

Since the other side is strong enough, Ye Chen can't play around, he must be serious in fighting Gong Senye, so Ye Chen can win against Gong Senye.

"You weakling, how dare you challenge this elder." Gong Senye only sneered when he saw Ye Chen's strength, for him Ye Chen was not a worthy opponent for him.

Gong Senye was quite confident in his strength, he could easily defeat Ye Chen with just one move.

Ye Chen saw a golden opportunity, Gong Senye underestimated him, this is the right time to attack him.

"Nine Shadow Step" Ye Chen used **Nine Shadow Step** to go to Gong Senye side, Ye Chen tried to trick Gong Senye by using **Nine Shadow Step**.

In just the blink of an eye, Ye Chen was already near Gong Senye, **"Breaking Meteor Blow"** Ye Chen launched a surprise attack for Gong Senye.

"Bam" Ye Chen's attack landed perfectly, it landed on Gong Senye chest.

Gong Senye was unprepared for Ye Chen's fast, fierce and very sudden attack, this attack could not be anticipated by Gong Senye.

It didn't stop there, Ye Chen again attacked Gong Senye, he launched dozens of attacks at once at Gong Senye.

"Bam, Bam, Bam, Bam, Bam, Bam, Bam, Bam," Dozens of **Breaking Meteor Blow** attacks hit Gong Senye body.

Gong Senye body was blown away by Ye Chen's barrage of attacks, Gong Senye himself didn't expect that Ye Chen's attack would be this strong, it was beyond his imagination.

Gong Senye took hundreds of steps back, in this attack Gong Senye's strength suffered a slight abrasion on his body.

"Hard enough" Ye Chen felt that Gong Senye's body was hard enough, this made Ye Chen's attacks not have much effect on him.

"You shameless, you dare to attack suddenly like that" Gong Senye said to Ye Chen who had attacked him all of a sudden.

"This is a battle, you must be ready at any time." Ye Chen said that Gong Senye had to be ready at any time, this was a battle, in battle all kinds of means were allowed.

"Then don't blame me" Gong Senye couldn't take it anymore, Ye Chen had made himself very angry.

Gong Senye headed straight for Ye Chen, he using his palm to attack Ye Chen.

Seeing the incoming attack, Ye Chen used his palm to counter the attack that came from Gong Senye.

"Boom. . . , boom. . . , boom. . . , boom. . ."An explosion occurred when Ye Chen's punch met Gong Senye palm.

Both attacks are equally strong, this makes a very strong impact due to the impact that occurs.

In this exchange, Ye Chen was still under Gong Senye, he was slightly defeated in the exchange of attacks with Gong Senye.

Gong Senye himself became more and more ferocious, his attacks getting stronger every time, this made Ye Chen have a hard time.

"This old man has the ability." Ye Chen realized that Gong Senye was quite capable.

Gong Senye is an elder in the outer court, of course Gong Senye has abilities that cannot be underestimated.

"What's wrong brat?, are you unable to fight me anymore" Gong Senye said to Ye Chen who was in front of him.

Gong Senye sneered at Ye Chen who was starting to get cornered, sooner or later this victory would obviously be his.

"Don't be happy just yet, this is just the beginning" Ye Chen said to Gong Senye that this is still the beginning.

Ye Chen hadn't taken out his secret weapon yet, if he took it all out, Ye Chen would definitely be able to fight this old man.

Ye Chen deliberately didn't let it all out, this was meant so that Gong Senye wouldn't be prepared for what was happening.

Ye Chen pretended to lose against Gong Senye, when there was a chance Ye Chen would put up a fight against Gong Senye.

"Never mind you give up, feel this ***Buddha Wind Palm***" Several giant wind palms appeared and attacked Ye Chen.

Ye Chen didn't dodge this attack, he used his hands to block all the attacks that were aimed at him.

Gong Senye smiled evilly when he saw this, this fellow was so stupid that he dared to parry his attacks with only his bare hands.

For Gong Senye, what Ye Chen is currently doing is tantamount to seeking death.

Chapter 1172 - Mu Xueying Came And Stop The Battle

"Bam" Gong Senye attack hit Ye Chen's body, this made a blast of wind around Ye Chen's body.

This blast of wind quickly filled the entire floor, this made the roof of the brothel building shattered and flew everywhere.

Gong Senye's strength was indeed strong, he didn't play around in the face of Ye Chen who was only an outer court disciple.

"Hahaha, feel that" Gong Senye looked very happy, he was very satisfied with what happened, surely the man who had dared to harm his grandson had died.

In the distance Gong Pee saw what happened to Ye Chen, he was very happy when he saw Ye Chen was hit by the attack just now.

Ye Chen must have died after being hit by his grandfather's attack, Gong Pee can guarantee this 100%.

Because this Floor had been blown apart by the strong wind, quite dense dust began to fill this room.

Gong Senye didn't care about the people in this place at all, to kill Ye Chen he was willing to inflame the useless people in this place.

After a while, finally the dust started to dissipate, a figure appeared behind this dust.

Gong Senye eyes widened when he saw this figure, he couldn't believe what he was seeing right now.

The figure he saw right now was Ye Chen, Ye Chen was standing where he was without even showing any signs of being injured or suffering an injury.

"What is this?" Gong Senye couldn't believe what he was seeing right now, what he was seeing right now was completely unreasonable.

How could Ye Chen still survive his attacks, this was quite difficult to explain even to Gong Senye.

"Ying'er come out" Ye Chen called Yin Ying'er to come out and help him.

The Divine Yin Yang Sword appeared in Ye Chen's right hand, Ye Chen started swinging the Divine Yin Yang Sword in his hand.

When Ye Chen slightly swung the Divine Yin Yang Sword in his hand, the wall on the floor was split into two parts, this showed how strong Ye Chen's strength was.

"Are you ready to lose?" Ye Chen said to Gong Senye who was in front of him.

The Divine Yin Yang Sword was Ye Chen's strongest weapon, so it was not surprising that Ye Chen became very confident after taking the Divine Yin Yang Sword.

"Bastard, you are so arrogant in front of this old man, I will definitely make you regret for daring to be so arrogant" Gong Senye roared at Ye Chen.

This was the umpteenth time that Gong Senye had been angered by Ye Chen, Ye Chen knew very well how to make an old man like Gong Senye angry.

Gong Senye body gave off a very strong profound wind, this profound wind enveloped Gong Senye body like a ball.

Strong winds began to appear around the brothel, this wind was so strong that it could blow anything that was around this place.

People with weak cultivation started to be thrown off, all of them had no resistance against the strong winds that Gong Senye gave off.

"You will definitely regret making this old man angry." Gong Senye pointed at Ye Chen, himself pointing at Ye Chen with anger.

"Stop wasting time with your useless bullshit, let's get this over with as soon as possible." Ye Chen was fed up with Gong Senye nonsense, he wanted to quickly resolve this matter.

"Gyaaaah. . ." Gong Senye is getting more and more out of control, his power is doing much more damage around this city.

Gong Senye made a sword from his profound wind, after which he advanced towards Ye Chen.

Ye Chen raised the Divine Yin Yang Sword, ready to fight Gong Senye.

Ye Chen didn't forget to use his Flame Vein to strengthen his strength.

"One God Slash" Ye Chen used the first move of **God Master One Sword** to counter Gong Senye attack.

"Die " Gong Senye and Ye Chen slashed at each other, the swords belonging to the two would soon meet.

When the attacks of the two meet, then a certain amount of damage will occur, both of them using the full power they have.

The Divine Yin Yang Sword and Gong Senye wind sword would meet, only inches until their swords met.

Just before the two swords met, a profound ice flower suddenly appeared in the middle of the road, this profound ice exploded right in front of the Divine Yin Yang Sword and the wind sword.

This made Ye Chen and Gong Senye retreat hundreds of steps back.

"What just happened?" Gong Senye started to wonder what had just happened, why his attack was hit by something so hard.

"You stop there" a woman descended from the sky, this woman was wearing white clothes as white as snow.

This woman is Mu Xueying, Mu Xueying came to this place to stop the fighting in this place.

Mu Xueying had already watched the battle that was taking place, she had already seen from the start what was happening in this place.

" you ?" Gong Senye asked Mu Xueying, he thought he had met Mu Xueying somewhere, but Gong Senye forgot where he met Mu Xueying.

"I am Mu Xueying, a core disciple of Jade Lotus Peak" Mu Xueying told Gong Senye who she was.

"What are you doing in this place?" Gong Senye asked what a core disciple like Mu Xueying was doing in this place.

"I came here to stop the fighting you guys are fighting, the fighting you are doing is destroying this city" Mu Xueying said to Gong Senye.

"You don't have to interfere in this matter, I have business to settle with this person, this person has dared to attack my grandson without any apparent reason." Gong Senye didn't like seeing Mu Xueying try to stop him, he didn't like it. like to be arranged by Mu Xueying.

"Your grandson is the one who started the battle first, so don't blame others in this case." Mu Xueying told Gong Senye that the person who started all this was Gong Pee.

If Gong Pee didn't start first, then Ye Chen would definitely not attack him, all this trouble started with Gong Pee.

"I don't care about that matter, I want to seek justice" Gong Senye said to Ye Chen.

Gong Senye doesn't care about who started this first, his grandson has already been injured, that's why he must seek justice for this matter.

"I hope you will leave, otherwise don't blame me for using violence" Mu Xueying told Gong Senye to leave this place.

"I won't leave until I solve this problem." Gong Senye refuses to leave this place, he will not leave until he succeeds in taking revenge for what happened to Gong Pee.

"Then don't blame me." Mu Xueying waved her hand at Gong Senye.

An ice mist appeared around Gong Senye body, this Ice mist instantly enveloped Gong Senye entire body, in a short time Gong Senye body instantly turned into an Ice sculpture.

This process was extremely fast, it only took a matter of seconds, Mu Xueying strength seemed to have increased a lot since the last time.

"Mu Xueying is too strong" Ye Chen muttered in his heart, Mu Xueying is so strong, she freezes the enemy in just seconds.

Even Gong Senye didn't have time to fight back and was immediately frozen by Mu Xueying.

Chapter 1173 - [Bonus]competition To Become Core Disciple

Mu Xueying waved her hand again, when Mu Xueying waved hers, the ice covering Gong Senye body disappeared.

"Plap. ." Gong Senye fell to the floor, he vomited a lot of blood from his mouth, the attack just now seriously injured Gong Senye body, Gong Senye internal organs were injured when he received Mu Xueying attack.

Even though Mu Xueying only used a small amount of her ability, it still had an extremely powerful effect, it caused a wound to Gong Senye, and this wound was not going to heal any time soon.

Gong Senye looked at Mu Xueying, he didn't expect that Mu Xueying would become this great.

Gong Senye had never heard of a core disciple possessing this strong power, he had seen it for the first time with his own eyes.

"You better go, don't make me kill you" Mu Xueying warned Gong Senye to leave this place immediately, otherwise Mu Xueying would kill him.

Gong Senye had no other choice, Mu Xueying was too strong, if she stayed in this place, it would be very dangerous for her.

Gong Senye took Gong Pee who was injured, he took Gong Pee away from this place.

After Gong Senye and Gong Pee left this place, Mu Xueying looked at Ye Chen who was beside her.

Mu Xueying reached out and started to pinch Ye Chen's ear quite hard.

"Ye Chen, you really made things very troublesome for me again, can't you do something that doesn't provoke a commotion like this" Mu Xueying immediately scolded Ye Chen, she felt dissatisfied because Ye Chen was always looking for trouble for herself.

This was the umpteenth time Ye Chen had caused trouble for himself, this made Mu Xueying very unhappy.

"I'm sorry, please let me go" Ye Chen tried to apologize to Mu Xueying, he was hurt by what Mu Xueying did.

Mu Xueying was still the same as before, when Ye Chen made trouble, Mu Xueying would teach him a lesson like this.

"Fufufu" Mei Yueli smiled when they saw what was happening to Ye Chen, they found it very funny.

Mu Xueying didn't care, she pulled Ye Chen's ear even harder, this was to prevent Ye Chen from causing any more trouble in the future.

Ye Chen kept begging Mu Xueying for mercy, he really hoped that Mu Xueying would let him go.

After a few minutes of doing this, Mu Xueying finally agreed to let Ye Chen go.

After releasing Ye Chen, Mu Xueying turned her attention to Mei Yueli, Mu Nianci and Xia Qingyu.

"So you guys sneaked away and met Ye Chen." This time it was Mei Yueli, Mu Nianci and Xia Qingyu turn to get a lecture from Mu Xueying.

Mei Yueli, Mu Nianci and Xia Qingyu lowered their heads, they had been guilty of going out without Mu Xueying permission.

"Sorry, we just want to meet Ye Chen only" Xia Qingyu and Mu Nianci said that they came out just to meet Ye Chen, both wanted to see Ye Chen's current condition.

Mu Xueying was helpless when she saw this, She could feel that Mu Nianci and Xia Qingyu were doing this because they both missed Ye Chen,

Mu Xueying herself couldn't bear to punish the two of them, she didn't feel comfortable scolding Xia Qingyu and Mu Nianci for this matter.

"You should go back, you still have unfinished practice." Mu Xueying told Mu Nianci and Xia Qingyu to return to Jade Lotus Peak, both of whom still had unfinished practice.

"Alright, we understand." Xia Qingyu and Mu Nianci nodded, the two of them would go and continue their unfinished practice.

"Yueli, you bring the two of them back, ensure their safety on the way." Mu Xueying told Mei Yueli to go and bring Xia Qingyu and Mu Nianci back to Jade Lotus Peak.

"Alright, I understand." Mei Yueli also nodded to Mu Xueying, she wasn't too brave to go against Mu Xueying.

Mei Yueli was well aware of Mu Xueying position, Mu Xueying had already become Ye Chen's woman, therefore Mu Xueying position was more senior than Mei Yueli.

So it was because of this that Mei Yueli did not dare to go against Mu Xueying request, she was afraid that Mu Xueying would not allow herself to be with Ye Chen.

Mei Yueli, Xia Qingyu and Mu Nianci immediately left this place, the three of them flying towards the direction of Jade Lotus Peak.

After Mei Yueli, Mu Nianci and Xia Qingyu left this place, now only Mu Xueying and Mu Nianci were left in this place.

"Ye Chen, it seems that your strength has increased quite a lot, you were even able to fighting an elder like Gong Senye" Mu Xueying said to Ye Chen.

"Of course, I've been training hard enough, so it's not strange that I can match that old man." Ye Chen told Mu Xueying that he had trained hard enough, that's why he could be on par with Gong Senye.

"Then you should be able to take the test to enter the core disciple ranks" Mu Xueying said to Ye Chen.

Mu Xueying wanted Ye Chen to take the exam to become a core disciple which was about to be held.

"you mean?" Ye Chen asked Mu Xueying, Ye Chen wanted to know what Mu Xueying meant to say to him.

"Ye Chen, in two months there will be a competition to become a core disciple, this is the moment that many people have been waiting for" Mu Xueying said to Ye Chen.

Countless disciples were waiting for this moment to enter the ranks of core disciples.

This moment comes once every 20 years, at this time hundreds of worthy disciples will be selected to enter the ranks of core disciples in the nine peaks.

There are several ways to become a core disciple, the first way is to contribute to the Sect, then one can become a core disciple.

The second way is with Lord Peak's approval, as long as Lord Peak agrees, then one can directly become a core disciple.

While the last way is the competition route, the competition is the youngest way to become a core disciple, Lord Peak will come and see for yourself the performance during the competition, if there is something that interests them, then Lord Peak will recruit them to become core disciples.

It was because of this that Mu Xueying wanted Ye Chen to enter this competition, with Ye Chen's ability, she should easily attract the attention of one of the Peak Lords.

"That's fine." Ye Chen nodded to Mu Xueying.

The resources in the outer court were so minimal, Ye Chen almost lacked the resources for his cultivation.

That's why Ye Chen was interested in what Mu Xueying had to say, perhaps becoming a core disciple would give him sufficient resources to increase his cultivation level.

"It's good if you agree, first you have to become an outer court disciple first to be able to enter this competition" Mu Xueying told Ye Chen to become an inner court disciple to be able to enter this competition.

"How to become an inner court disciple?" Ye Chen asked about how to become an inner court disciple.

"That's very easy, there is an exam you have to pass to become an inner court disciple, all you need to prepare is enough contribution points to pay the exam fees" Mu Xueying told Ye Chen about how to become an inner court disciple.

Chapter 1174 - A Date Request From Qiao Xin

"Just like that?, I didn't expect to become an inner court disciple like that." Ye Chen didn't expect that becoming an inner court disciple would be so easy.

"It's not as easy as you think, there are several stages you have to pass to pass, many outer court disciples have failed this test" Mu Xueying told Ye Chen that this test was not as easy as imagined.

"You don't have to worry, I will definitely be able to get through this very easily" Ye Chen told Mu Xueying that he would definitely be able to get through this very easily.

"It's good if you have confidence, I don't need to worry about you" Mu Xueying can rest easy, Ye Chen's confidence can make her believe that Ye Chen can pass this test easily.

"Ye Chen I have to go back first, I have a duty to guard the Jade Lotus Peak when Lord Peak is not around" Mu Xueying said to Ye Chen that she had to leave, Mu Xueying had also conveyed what she had to say to Ye Chen, now it's up to Ye When did Chen start the preparations for the matter they previously discussed.

Mu Xueying left this place, she went back to Jade Lotus Peak to complete her duty as the person in charge of Jade Lotus Peak.

Mu Xueying actually wanted to be with Ye Chen for a while, but Mu Xueying couldn't leave the task that Ning Xia had given her, so Mu Xueying couldn't help but come back soon.

Ye Chen waved his hand towards Mu Xueying, he felt that Mu Xueying softened a bit as she spoke to himself.

"very rarely she did not speak in such a cold and indifferent tone to me, this time she seemed a little gentler when she spoke to me" Ye Chen found a slight change in Mu Xueying.

It could be seen that Mu Xueying had started to soften while talking to Ye Chen, this was a great discovery for Ye Chen.

"Okay, I'll be back" Ye Chen decided to go back, he still had work to do.

"Ye Chen where are you going?" When Ye Chen wanted to leave this place, Qiao Xin suddenly stopped Ye Chen.

"Oh Qiao Xin, are you here? , I was just about to leave." Ye Chen smiled at Qiao Xin who had come and met him.

"Of course, I often work in this place, you want to leave after making a mess like this, you have to take responsibility for the mess you've made" Qiao Xin told Ye Chen that she had to take responsibility for what she had made.

"Responsible for what?" Ye Chen still didn't understand what Qiao Xin said, he wanted to know what Qiao Xin's responsibility meant.

"Look around yourself right now" Qiao Xin helplessly told Ye Chen to look at the situation around this place.

Ye Chen looked at the situation around him, when Ye Chen did this, he found that the area around this place was damaged by the actions of Gong Pee and Gong Senye.

"But I didn't do that, two people just did it" Ye Chen explained that he wasn't the one who did just now.

"Still you also contributed to what happened, so you have to make compensation, don't you feel sorry for the women in this place" Qiao Xin said to Ye Chen.

Qiao Xin wanted Ye Chen to make up for all the losses, so that this place could be restored to its original state.

Ye Chen raised his eyebrows, he didn't expect that he would have to make compensation for this matter, Ye Chen cursed Gong Pee and Gong Senye for making him pay for this, Ye Chen was very angry with the grandfather and grandson.

When Ye Chen wanted to compensate, Ye Chen discovered that if Xiao Gang was still in this place, he could use Xiao Gang to compensate for all material losses in this place.

Ye Chen walked towards Xiao Gang who was trying to crawl away from this place, Ye Chen used his hand to hold down one of Xiao Gang's legs.

"Where do you think you are going?" Ye Chen held Xiao Gang back, he asked where Xiao Gang was going.

Xiao Gang's face turned pale when he saw Ye Chen restrain his leg.

"Please let me go" Xiao Gang asked Ye Chen to let go, he was really scared of Ye Chen.

"I won't just let you go, you have to pay for all the damage done in this place" Ye Chen told Xiao Gang to pay for all the damage done to the brothel.

"Alright, I'll do it, so please let me go." Xiao Gang nodded, he would pay for the damage.

"Watch out if you break your promise" Ye Chen warned Xiao Gang not to break his promise, if Xiao Gang broke his promise, Ye Chen would return to look for Xiao Gang's whereabouts.

"Alright, he will pay for all the damage done, so there should be no problem for this" Ye Chen said to Qiao Xin.

"You are really bad" Qiao Xin said truthfully to Ye Chen, Ye Chen was really very mean.

"Hahaha, why do good to someone like him, he deserves this" Ye Chen laughed when he heard what Qiao Xin said to him.

"Want to take a walk with me in town?" Qiao Xin took Ye Chen for a walk around the city.

"Is this a date?" Ye Chen asked Qiao Xin who was in front of him.

Qiao Xin's face turned red when she heard this, it seemed that Qiao Xin felt embarrassed when she heard what Ye Chen said.

"It's just an ordinary walk nothing more" Qiao Xin tried to dodge this, she said that it was just an ordinary walk.

"Okay, I agree, it's not good to refuse a request from a beautiful woman like Miss Qiao Xin." Ye Chen didn't refuse this, he didn't mind going with Qiao Xin.

At the same time, Ye Chen wanted to ask Qiao Xin about Li Jingyi matter, whether Li Jingyi is okay or not.

Ye Chen and Qiao Xin came down from the brothel, both strolling around the city.

As Ye Chen and Qiao Xin were strolling around the city, she noticed that the people on the street were looking at the two of them with disapproving looks, especially the men in this place, they were all staring at Ye Chen with piercing gazes which is quite strong.

It wouldn't be strange if Ye Chen was being stared at by the men in this place, Qiao Xin was a woman who was quite popular with her singing as well as her musical instrument playing skills.

so when Qiao Xin went out with a foreign man, all the men who idolized Qiao Xin got angry and looked at Ye Chen with intense hostility.

"If I knew this, I wouldn't have left." Ye Chen couldn't help but sigh, if he knew about this matter, Ye Chen probably wouldn't want to go with Qiao Xin.

Everything had happened, there was nothing Ye Chen could do about this matter, all Ye Chen could do was put a thick wall on his face in order to survive all this.

"Ye Chen, where do you want to go?" Qiao Xin asked where Ye Chen wanted to go.

"I'm still unfamiliar with this city, so how about you lead the way for me" Ye Chen wanted Qiao Xin to lead the way.

Chapter 1175 - Go To The Park Square With Qiao Xin

"Alright then let me guide you to a good place." Qiao Xin agreed to lead the way, she started to wrap her arms around Ye Chen's.

"Boing. . ." Ye Chen felt a soft object touch his body, this felt very comfortable for Ye Chen.

Qiao Xin's was still quite large, this was enough to make every man who came into contact with it became overjoyed.

While Ye Chen was in an extremely happy state from touching Qiao Xin's soft object, Ye Chen felt an extremely powerful killing gaze around this place.

These gazes were so numerous, it seemed that all the men were looking at Ye Chen with red eyes, they all seemed eager to kill Ye Chen for daring to take a chance from Qiao Xin.

"Glup. . ." Ye Chen didn't expect that the situation would turn out like this, Qiao Xin was much more popular than Ye Chen could imagine, this made all the men in the city angry when Ye Chen was so close to Qiao Xin.

In addition, Ye Chen's arm pressed against Qiao Xin's beautiful and well-developed body, this made everyone feel extremely angry.

Everyone was so jealous of what happened, they were all jealous when they saw what was happening right in front of their eyes.

The one they love is very close to an unknown mysterious man, so how can they not be angry about this.

Qiao Xin didn't feel anything strange about this, she immediately took Ye Chen to a place suitable for young couples to spend time.

Qiao Xin wanted to know more about Ye Chen, she was curious about Ye Chen's identity.

Ye Chen was something extremely mysterious, this made Qiao Xin find it very difficult to find out what Ye Chen had.

Qiao Xin took Ye Chen to a park in the center of the city, here is a place that has a very beautiful view, there are also several couples who are making out while enjoying every shop that is along the road in this place.

"This is the most lively place in the city, I hope you like it." Qiao Xin told Ye Chen that this place was the most lively place in the city.

"It does look very lively here, it seems like a good place to take a walk" Ye Chen agreed with what Qiao Xin said, this place is very lively, it seems that this place is full of people who seek pleasure from busyness they have.

"Let's find some food and souvenirs here." Qiao Xin took Ye Chen to look for something in this place.

"Eh. ., who will pay for it?" Ye Chen said to Qiao Xin who was in front of him.

"Of course you are, you are a man, it is your duty to pay for something for women" Qiao Xin wanted Ye Chen to pay for all the things they were going to buy.

"-_- " Ye Chen felt that today he would be blackmailed by Qiao Xin, surely Qiao Xin would ask Ye Chen various things.

Ye Chen wasn't short on money, so he didn't really mind this too much, after all it wouldn't hurt to give a little gift to Qiao Xin who had accompanied Li Jingyi when Ye Chen wasn't with him.

Ye Chen and Qiao Xin started ordering some food for Qiao Xin, Qiao Xin started ordering food for Ye Chen and herself.

The name of the food in the God Realm still looked a little foreign to Ye Chen, Ye Chen was a little unfamiliar with all the food sold at the stalls on the side of the road.

Wherever Ye Chen and Qiao Xin went, Qiao Xin still attracted the attention of countless men, her beauty making every man unable to take her eyes off of Qiao Xin.

While everyone seemed to be ignoring Ye Chen, Ye Chen didn't enter their eyes at all as it was no match for the extremely beautiful Qiao Xin.

Even some people were annoyed when they saw Ye Chen being close to Qiao Xin, they all didn't accept it when Ye Chen was so close to a popular woman like Qiao Xin.

The situation was so chaotic, it was even worse than what Ye Chen had experienced when he was with Feng Xue, perhaps it was because of Ye Chen's ugly and unworthy appearance, this made everyone dislike seeing Ye Chen together with Qiao Xin.

Ye Chen himself doesn't really care about this, the talk of people like them is not worth listening to, Ye Chen prefers to be himself and doesn't listen to the words of people who Ye Chen doesn't even know.

"This is for you couples who are dating at this place" the stall owner gave the order ordered by Ye Chen, he didn't forget to tease Qiao Xin and Ye Chen who were dating.

Qiao Xin's face turned slightly red when she heard this, she didn't expect that the stall owner would misunderstand the two of them.

"We're not a couple, we're just taking a walk together," Qiao Xin told the stall owner.

"Isn't that the same, the point is that you two are dating, aren't you?" the stall owner said to Qiao Xin.

To the tavern owner Qiao Xin and Ye Chen seemed like lovers, the two of them seemed very close to each other.

Qiao Xin looked confused by what happened, she was very confused to answer what the stall owner said.

"Master, please don't tease my friend anymore." Ye Chen said to the tavern owner not to tease Qiao Xin anymore.

"Hahaha" The tavern owner just laughed as he listened to what Ye Chen said.

Ye Chen paid for the food they ordered, Ye Chen used his Profound Crystal to pay the shop owner.

"young master, this is too much, don't you have something small" the stall owner was surprised by what Ye Chen took out, what Ye Chen took out was too much, the shop owner didn't have anything to return the rest to Ye Chen.

"It's okay, you can keep it." Ye Chen thanked the stall owner to just keep it.

"Thank you very much" the shop owner was very grateful to Ye Chen, this has been the same as selling in this place for more than 2 months.

"Let's continue." Ye Chen invited Qiao Xin to continue to go around this place.

"um" Qiao Xin nodded, agreeing to continue their journey.

"What a nice man, it wouldn't be strange for him to get such a beautiful woman" After Ye Chen and Qiao Xin left, the stall owner said about his judgment to Ye Chen.

It wasn't strange that Ye Chen had managed to get a woman as beautiful as Qiao Xin with an ordinary and simple appearance, it turned out that she was a very kind person who was willing to give herself something like this.

The stall owner had been selling in this place for decades, it was the first time that someone so kind as Ye Chen had given him something like this.

"Ye Chen, wasn't that too much earlier?" Qiao Xin said to Ye Chen who paid for this small meal for the precious profound crystal.

"No problem, I'm not too short of money" Ye Chen said to Qiao Xin that he wasn't short of money.

"You look quite rich, maybe I'll ask you some after new clothes" Qiao Xin said to Ye Chen.

Chapter 1176 - Go To The Underwear Shop

Qiao Xin is just like most women, she likes good clothes to dress herself up.

women are like this, they like jewelry and luxury goods, not on earth or God Realm everything is the same.

"Okay, if you really want that, then I'll buy you" Ye Chen said that he promised to buy Qiao Xin an outfit.

"Really, Ye Chen, you are very kind." Qiao Xin was very happy when she heard this, Ye Chen was very kind.

Qiao Xin again clung very tightly to Ye Chen, the double peaks that had developed so well continued to suppress Ye Chen.

This gave Ye Chen its own damage, Ye Chen felt very excited about this.

Ye Chen hadn't done Dual Cultivation with a woman in a long time, plus every day Ye Chen had to go through difficult days with the woman he treated while doing massages.

When Qiao Xin provoked him, naturally Ye Chen felt very excited about this.

Ye Chen wanted to slightly touch it with his hands, the problem was that the other party was nowhere close to Li Jingyi, so Ye Chen couldn't do such a thing.

Ye Chen was very sad, even though Ye Chen really wanted to feel what Qiao Xin was like, it would definitely be very comfortable to touch.

Qiao Xin didn't let Ye Chen have time to imagine, she immediately dragged Ye Chen away to a clothing store near the city.

When Qiao Xin arrived in front of the clothing store, she found that hundreds of women had already entered the store.

"Eh, it's so crowded, it's not usually like this" Qiao Xin was confused by this, she didn't expect that the clothing store would be so crowded like this.

"Isn't it usually this busy?" Ye Chen asked Qiao Xin, she wanted to know if this shop usually wasn't as crowded as this.

"Usually it's crowded, but not like this" Qiao Xin told Ye Chen that it's usually busy, but not like this.

"Perhaps the owner is indeed having a discount, so the shop becomes crowded" Ye Chen thought positively, he estimated that the shop owner was putting up a discount so that the price of clothes became cheaper, this way he could attract more customers to come.

"You may be right, then let's go inside." Qiao Xin agreed with what Ye Chen said, this was the most likely thing to happen.

The two of them entered the shop, when they both entered, they saw a lot of people gathered in the same place, it looked like they were buying something.

"What are they holding, I have never seen it?" Qiao Xin was very curious about what these women were holding, she had never seen anything like this in her life.

Ye Chen saw what Qiao Xin was currently pointing at, when Ye Chen looked at it he found that this was a pretty good looking underwear.

"Has Yan Fei started distributing what I told her to do?" Ye Chen started to wonder if Yan Fei had already distributed what he had, what Yan Fei did was so fast.

Ye Chen himself hasn't contacted Yan Fei for a while, so he doesn't know how Yan Fei's work is progressing.

But after seeing this, Ye Chen was sure that Yan Fei had done very well.

A smart woman like Yan Fei can definitely do everything very easily and very quickly.

Ye Chen had high hopes for Yan Fei, it seems that what Ye Chen did was the right thing.

"Miss, what is it?" Qiao Xin asked the clothes shop assistant, she wanted to know what was being sold in this place.

"Miss Qiao, it's a new product, do you want to try it, recently it's very popular, it can make the wearer's body very light and carefree, plus it can make the passion even stronger at night" the shop assistant told Qiao Xin about a new product that the young and rich women in this city were fighting for.

Since Qiao Xin often came to this place, the shop assistant was already familiar with Qiao Xin, so it wasn't strange that she seemed very familiar with Qiao Xin.

"Really?, I just found out about this matter" Qiao Xin just found out about this matter, a few months ago she didn't want this kind of thing to happen.

"You can give it a try, it's getting a very good response." The shop assistant told Qiao Xin to go and give it a try, she would definitely like it very much.

"Okay, I'll give it a try" Qiao Xin's interest was getting higher, she became very interested in new things that she didn't know yet.

Ye Chen waited behind, he didn't want to get too close to these people, he would rather wait at a distance than have to jostle like that.

"Hi Miss, do you have a super big size for it?" Ye Chen asked the shop assistant, wanting to know if there was a size that might fit Li Jingyi in this place.

"What size?" The shop assistant asked what size Ye Chen wanted.

"Maybe it's around H or above," Ye Chen told the shop assistant the size he wanted.

"Young master, the size is too high, it seems that this shop doesn't exist, if you want it you can order it and wait for some time" the shop assistant said to Ye Chen.

"Too bad, then thanks for the information" Ye Chen was a little disappointed, it seems that this is still quite limited for its size, Ye Chen will immediately tell Yan Fei to make a suitable one for Li Jingyi, he also wants the best for Li Jingyi to wear.

While Qiao Xin was jostling for underwear, Ye Chen was very casually at the side, only having a glimpse of whether Qiao Xin had gotten what she wanted or not.

There were too many choices here and people were urging him, this made Qiao Xin unable to choose as she pleased.

After almost 2 hours, Qiao Xin finally got some underwear that made her feel interested.

"Ye Chen, I will go and try it first" Qiao Xin told Ye Chen that she would go and try it first.

Ye Chen nodded, he let Qiao Xin go and try it first.

Qiao Xin immediately went to the wardrobe, she immediately tried on the underwear she chose.

Ye Chen's interest was slightly piqued when Qiao Xin walked into the dressing room, the urge to peek inside was intense.

Ye Chen tried very hard to contain this feeling, but finally after a while, Ye Chen was defeated by the feeling in his heart.

"just a little is not a problem" Ye Chen felt that it was okay to do this, after all, no one would know that he did this.

"**God Eyes**" Ye Chen used **God Eyes** to look behind the booth, while Ye Chen used **God Eyes** Ye Chen saw the incredible scene in front of him.

Qiao Xin was currently starting to take off the clothes she had, when Qiao Xin did this, Qiao Xin looked very seductive, the moves she made seemed like she was tempting men to look at her.

This woman was born to be a Succubus, she made a very seductive move.

"This woman is very seductive" Ye Chen praised Qiao Xin, Qiao Xin was very seductive and seemed to stimulate him.

Chapter 1177 - Helping Qiao Xin Put On The Underwear

Ye Chen was tempted by this sight, he couldn't take his eyes off Qiao Xin.

Meanwhile inside the booth, Qiao Xin could feel someone watching him.

Qiao Xin immediately became wary of this, she looked around the place to make sure that there was nothing strange in this place.

When Qiao Xin looked around this place, Qiao Xin found that there was nothing around this place, everything seemed normal and nothing was wrong.

"Was it just my feeling?" Qiao Xin started to wonder if it was just her feelings just now.

"Never mind, I will continue." Qiao Xin ignored this matter, it seemed that this was just her feeling.

Qiao Xin tried again the underwear she took, Qiao Xin looked confused when she tried this.

This was a new thing for Qiao Xin, so it wasn't strange that Qiao Xin still didn't know how to use it.

From outside the booth, Ye Chen could see the awkwardness that Qiao Xin was showing, it seemed that Qiao Xin couldn't wear the underwear in her hands.

Qiao Xin didn't really know how to use this, she was still a stranger to this kind of thing.

That's why Qiao Xin intended to call the shop assistant and ask how to wear it.

Qiao Xin peeked out a little, she was looking for the shop assistants in this place, it's a shame the shop assistants in this place are busy helping other women to wear this.

"What should I do?" Qiao Xin looked confused as to what she should do at this point, she didn't know what to do with the underwear in her hands.

"Ye Chen" Qiao Xin suddenly called out to Ye Chen who was waiting for her in the corner.

" what is it ?" Ye Chen immediately asked why Qiao Xin called him.

"Can you call one of the shop assistants for me?" Qiao Xin asked Ye Chen to call one of the shop assistants for herself.

"What do you need, can't you use it?" Ye Chen asked Qiao Xin in front of him.

"How did you know about it?" Qiao Xin immediately asked Ye Chen, she was curious how Ye Chen knew about this matter.

"It can be seen from your face" Ye Chen said to Qiao Xin, Ye Chen couldn't possibly say that he used God Eyes to see Qiao Xin who was inside, Qiao Xin would be angry if she knew this.

"I see." Qiao Xin nodded, she now understood why Ye Chen knew about this matter.

"I can help you if you want" Ye Chen said to Qiao Xin who was in front of him.

"You know how to use this thing?" Qiao Xin asked very curiously.

"Of course, you know, I designed this" Ye Chen whispered to Qiao Xin, himself telling Qiao Xin about his little secret.

Qiao Xin was shocked when she heard this, she didn't expect that what was being sold in this place were Ye Chen's designs.

"Then can you help me?" Qiao Xin asked Ye Chen to help her.

"Of course, leave it to me." Ye Chen was very excited when he heard this, these were the words that everyone in this world had been waiting for.

Ye Chen didn't want to waste any more time, he immediately entered the booth where Qiao Xin was.

"Ye Chen, what are you doing?" Qiao Xin frantically tried to cover her half-naked body.

"Didn't you say that you needed help" Ye Chen said to Qiao Xin.

"That's not what I meant" Qiao Xin couldn't believe that Ye Chen would misunderstand what she was saying, even though Qiao Xin only asked Ye Chen to explain how to use this for herself, she didn't expect Ye Chen to even enter this room.

"Everything has happened, so let me help you." Ye Chen extended his hand towards Qiao Xin.

"No wait a minute" Qiao Xin tried to stop Ye Chen, unfortunately she was a little late, Ye Chen had already touched her body.

When Ye Chen touched his body, Qiao Xin felt a strange feeling in her body, Ye Chen's touch felt very comfortable and made Qiao Xin a little strange.

Qiao Xin's body was extremely soft, the feeling of touching her was simply amazing.

Qiao Xin deserved to be a star, she had very good capital to do so.

"Ye Chen, what did you do to me?" Qiao Xin asked Ye Chen, she felt that her body was getting weird.

"You don't have to worry, I will help you put on these underwear" Ye Chen said to Qiao Xin to relax, he would help her put on these underwear.

Ye Chen started to help Qiao Xin, he started to help Qiao Xin put the underwear on her body.

"Make sure you remember everything I did" Ye Chen whispered in Qiao Xin's ear, telling Qiao Xin to remember what I did.

Qiao Xin was a little confused, in the current situation, it was quite difficult to remember what Ye Chen said, Qiao Xin's mind was a little confused because of Ye Chen, she had never done anything like this with the opposite sex.

Despite working in a brothel, Qiao Xin just sat close to the customers who were there, she had never done anything further than that.

Qiao Xin might have seen adult scenes in brothels many times, but she had never tried to do that with men.

This time she was doing it with a man who was still the husband of her close friend, this was quite a hassle for Qiao Xin.

Qiao Xin tried to hold on, she couldn't lose her composure over this matter.

Ye Chen explained while helping Qiao Xin put on her underwear, Qiao Xin started trying to focus on listening to Ye Chen's explanation.

After a while, a very Sexy lace outfit was finally put on Qiao Xin's body, this looked very, very tempting to Ye Chen.

Qiao Xin started to look at herself in the mirror, she felt that this wasn't a bad thing to wear, plus it could indeed make Qiao Xin's body become very light, especially in the double peaks.

"What the shopkeeper said is true, it's amazing." Qiao Xin felt that this was extraordinary, she looked even more beautiful and seductive when wearing this.

Qiao Xin started to do some very seductive poses, she had even started to forget about Ye Chen because of this.

Ye Chen couldn't stand Qiao Xin's moves, this woman was born to seduce a man.

"Looks like she's teasing me on purpose, then I'll catch the bait in front of him" Ye Chen decided to catch Qiao Xin's bait.

Ye Chen couldn't possibly let go of the delicious food that was in front of him, it wasn't good to waste something like this.

Qiao Xin was a beautiful woman, it wasn't good to waste a beauty like Qiao Xin.

Ye Chen stretched out his hand from behind, he started to hug Qiao Xin who was behind his body.

"Oh. . ., what are you doing" Qiao Xin was shocked by what Ye Chen did, she was not ready for what Ye Chen did to her.

"Miss Qiao Xin you look very seductive" Ye Chen whispered in Qiao Xin's ear, he told Qiao Xin that she looks very seductive when wearing lace underwear.

Chapter 1178 - Qiao Xin Started To Fall Into Ye Chen's Evil Claw

Qiao Xin's face turned red when she listened to what Ye Chen said, what Ye Chen said made her heart beat faster than usual.

Qiao Xin herself didn't know why this could happen, every time this man said sweet words to her, Qiao Xin's heart would be happy and fond of this.

From the reaction she had, Qiao Xin had to admit that she was starting to like Ye Chen, Qiao Xin couldn't lie to her, this feeling came from her heart.

"Ye Chen you are so naughty, you already have such a beautiful wife, but still have time to seduce this old woman" Qiao Xin said to Ye Chen who was behind her.

Qiao Xin said to Ye Chen, Ye Chen has a beautiful wife like Li Jingyi, how can he still glance at a woman like her who is under Li Jingyi.

"You're also beautiful, you're too seductive and hot, that's what I'm attracted to" Ye Chen whispered in Qiao Xin's ear, Ye Chen told Qiao Xin that she looked very charming in his eyes.

Ye Chen's words made Qiao Xin's heart even more uneasy, this made Qiao Xin feel that she was being pulled closer and closer to Ye Chen.

" You. . ." Qiao Xin was no longer able to endure this anymore, her feelings were becoming more and more unbearable towards Ye Chen.

Qiao Xin held Ye Chen's face with her hands, she couldn't stand this young man behind her.

Even though he looks normal, Ye Chen can make her heart feel happy and calm, this makes Qiao Xin like Ye Chen.

What Li Jingyi said was true, Ye Chen had something special about him, he could make women close to him feel safe and very comfortable, it was not strange that Li Jingyi always boasted about this matter to Qiao Xin.

Ye Chen and Qiao Xin's faces suddenly met, the two of them started to approach and kiss.

Qiao Xin was the one who took the initiative first, she started kissing the lips of Ye Chen who was in front of her.

Qiao Xin might not have much experience in this matter, but Qiao Xin was knowledgeable about this kind of matter.

Qiao Xin even dared to teach Li Jingyi how to seduce men, how she didn't know how to seduce Ye Chen, Qiao Xin was very confident in her abilities, she used her abilities to kiss Ye Chen.

Ye Chen did not expect that Qiao Xin would take the initiative first, Qiao Xin was much more experienced than Ye Chen thought.

Although it was a bit of a problem at first, Qiao Xin was able to do passionate mature kisses, she was able to follow Ye Chen's skills.

"What kind of feeling is this, I didn't know kissing could be so delicious and fun like this" Qiao Xin didn't think that doing a kiss would be so delicious and so much fun, this made Qiao Xin addicted to this feeling.

The two kissed for 5 minutes, after 5 minutes passed, Ye Chen started to extend his hand towards Qiao Xin's well-developed double peaks, double peaks clad in lace clothing was something that could pique a man's interest, it was like inviting Ye Chen to touch it.

"Ye Chen doesn't. ." Qiao Xin immediately stopped Ye Chen, Qiao Xin immediately covered hers with her two hands, she still couldn't let Ye Chen touch her place.

"Dear, let me do it, I want to give it a little try." Ye Chen pleaded with Qiao Xin, he hoped that Qiao Xin would let herself touch the two double peaks that had developed so well.

Qiao Xin looked at Ye Chen, seeing Ye Chen pleading like that, how could Qiao Xin refuse him.

Qiao Xin finally put her hand away, she let Ye Chen do what he wanted to her.

Ye Chen was overjoyed when he saw this, Ye Chen's hand quickly touched Qiao Xin's.

"Ah. .." Qiao Xin made a very stimulating moaning sound, it was truly a sound that could make a man excited.

Ye Chen was a man, he naturally felt very excited when he heard Qiao Xin's voice.

Ye Chen's interest in Qiao Xin grew higher, he started to taste Qiao Xin's.

Qiao Xin's was surprisingly firm, soft and also had a very perfect shape, this was worthy of admiration for Ye Chen.

"Ye Chen don't be so rude, I can't stand it." Qiao Xin told Ye Chen to be gentler, this was too sensitive for Qiao Xin who never let a man touch her.

"Alright, I'll be more gentle" Ye Chen nodded to Qiao Xin, he did it even more gently so that Qiao Xin felt even more comfortable.

Qiao Xin was very happy about this, Ye Chen was very understanding with himself, Ye Chen really understood what Qiao Xin wanted.

Ye Chen was gentler, he began to circulate the Passion Goddess technique to increase the comfort that Qiao Xin felt.

"This Ye Chen is amazing." Qiao Xin was very happy about this, she was very happy with Ye Chen's touch that made her feel like she was in heaven.

" Do you like it?" Ye Chen whispered to Qiao Xin who was in his arms.

"Of course I like this" Qiao Xin honestly said that she liked this, Ye Chen's finger skill made her feel a feeling she couldn't describe.

"Ye Chen, kiss me again" Qiao Xin told Ye Chen to kiss her, Qiao Xin wanted to kiss Ye Chen for the second time.

Ye Chen happily granted Qiao Xin's request, he kissed Qiao Xin passionately.

Qiao Xin welcomed the kiss that came from Ye Chen, she was very happy to kiss Ye Chen.

Needless to say, Qiao Xin was already so addicted to doing this, after trying this, Qiao Xin couldn't possibly return to her previous life.

Qiao Xin started to rub her body against Ye Chen's body, this was meant to stimulate Ye Chen.

Qiao Xin became even more honest, she was now showing her true nature lewd and was extremely seductive.

Ye Chen couldn't stand what was in front of him, his was already very excited and poked Qiao Xin's body.

Qiao Xin felt a big, hard and hot object touching her body, without seeing it, Qiao Xin already knew what was touching her right now.

"Wow, Ye Chen really has a big weapon, Jingyi didn't lie to me" this discovery made Qiao Xin feel happy and surprised, she couldn't believe that Ye Chen had such a huge size that he was even above the average man in the world. this.

"How can a woman bear such a big burden?" Qiao Xin started to wonder how Li Jingyi could endure this kind of thing, it wasn't strange that Li Jingyi complained to her so often.

Qiao Xin herself didn't know if she could endure something like this, she doubted that she would be able to endure something as terrifying as Ye Chen's.

"He really has great capital, it's not strange that Jingyi wants to follow him, apparently this is the reason, even I was made like this by him" Qiao Xin blamed herself, she couldn't stand Ye Chen's temptation and fell into a hole that made her couldn't come back.

Qiao Xin only hoped that Li Jingyi would not find this out, otherwise how would Qiao Xin see Li Jingyi in the future.

Chapter 1179 - Sudden Attack Came

Everything had happened, Qiao Xin could no longer go back to how she was before, she could no longer get out of this trouble.

"I just hope Jingyi isn't angry because I did this." Qiao Xin could only hope that Li Jingyi wouldn't be angry with what she did with Ye Chen.

Qiao Xin stretched her hand down, she started to touch Ye Chen's thing that was still behind the cage.

Ye Chen's body slightly trembled when Qiao Xin touched him, what Qiao Xin did was too sudden, this made Ye Chen quite surprised.

Qiao Xin became even more daring, she showing that she was not a shy woman and dared to do this.

Qiao Xin started to hold Ye Chen object, when Qiao Xin did that, Qiao Xin discovered that Ye Chen's was much bigger than she imagined.

"It really is a monster." Qiao Xin felt that if Ye Chen's was a monster, a normal woman would definitely not defend against Ye Chen's monster.

"Ye Chen, are you excited because of me?" This time Qiao Xin whispered in Ye Chen's ear, she said while trying to tease Ye Chen.

Qiao Xin's words were the same as provoking Ye Chen, this woman was indeed worthy of being a young Succubus.

"You are still asking, whose fault is this really?" Ye Chen replied to Qiao Xin.

He was like this because of Qiao Xin, so Ye Chen hoped that Qiao Xin would be responsible for what had happened.

"I'm happy, I think I have the charm to make you like this" Qiao Xin was very happy to hear this, her charm was still great enough to make Ye Chen excited.

Qiao Xin started to look at the underwear on her body, what the shop assistant said was the truth, this could increase the passion of the person wearing it, Qiao Xin became even hotter and more seductive when wearing lace clothes like this.

The situation starts to get hotter, the two will soon enter even higher levels to achieve a real relationship.

"hey, are you still long, I've been waiting for a long time" when the two were about to enter a further path, from outside came a dissatisfied female voice.

It was obvious that this woman was very dissatisfied with having to wait a long time in front of the changing room.

Qiao Xin immediately realized that the two of them were in a public place, she was too carried away by Ye Chen's love to forget that they were currently in a public place.

Qiao Xin hurriedly pushed Ye Chen away, it wouldn't be good if he was found by someone outside.

Ye Chen was a little disappointed, even though the situation was very good just now, but even from the outside there were people who were disturbing them, this was very, very disappointing for him.

"Ye Chen let's go out" Qiao Xin took Ye Chen out, it wouldn't be good if the two of them were found like this.

"Okay" Ye Chen nodded, he will go out together with Qiao Xin, it's fine for Ye Chen to go out of this room.

Ye Chen used his ability to sneak out, with the ability that Ye Chen had, Ye Chen could easily sneak out without being noticed by others.

Qiao Xin was relieved when she saw Ye Chen go out, now she no longer needed to be afraid of being discovered by others.

Qiao Xin again continued to try on the underwear she had taken, she wanted to see if the other clothes fit her well.

After a while Qiao Xin tried everything, some suited her, while some didn't suit her.

After getting a few suitable for himself, Qiao Xin went out of the booth, intending to go and pay for everything she had chosen.

"Bitch, you're taking too long" outside was a woman with a pretty hot appearance and wearing very thick makeup, this woman complained to Qiao Xin who had been in the booth for too long.

"Is there a problem" Qiao Xin looked at this woman with a sharp gaze, Qiao Xin gave off a quite strong killing aura on this woman.

The woman in front of Qiao Xin immediately fell to the floor, she felt trembling when she saw Qiao Xin.

This woman did not expect that Qiao Xin could be so terrifying like this, just now she felt that Qiao Xin could kill her at any moment.

Qiao Xin left this arrogant woman, she immediately went to Ye Chen to redeem all the things she had taken.

Ye Chen paid for everything that Qiao Xin took, he paid for everything because he had promised Qiao Xin.

After buying clothes, Ye Chen and Qiao Xin left the shop, the situation became a little awkward when the two left the clothing store, it seemed that the two of them didn't start a conversation like before.

Previously Ye Chen and Qiao Xin were very close, now the two of them seemed to be far away, it seemed that both of them were a little reluctant to act like before.

What happened earlier still made the situation like this, Qiao Xin looked awkward with what had happened to her earlier.

"Xin, about the previous matter" after a long time, Ye Chen finally decided to start a conversation.

"Ye Chen looks like we can't make mistakes like before, I don't like Jingyi" Qiao Xin said that they shouldn't make mistakes like before, Qiao Xin felt bad for Li Jingyi.

"How can it be like that, I will still be responsible for what happened" Ye Chen held Qiao Xin's hand, he said that he would be responsible for what happened earlier.

Qiao Xin saw the seriousness that Ye Chen showed, this man was very serious, he really intended to take responsibility for what happened earlier.

"Then what about Jingyi, she will definitely be angry because of this" Qiao Xin asked about Li Jingyi, if Li Jingyi knew about this matter, then she would definitely be angry with Ye Chen.

Qiao Xin didn't want that to happen, it was better for her to give in than to anger Li Jingyi and most likely leave Ye Chen.

"You don't have to worry about it, I will persuade her" Ye Chen said that he would persuade Li Jingyi.

Qiao Xin couldn't believe Ye Chen was willing to do this to her, this man was a thing, he even dared to persuade Li Jingyi about a matter like this.

Qiao Xin had to admit that Ye Chen was a real gentleman, he didn't even run away from a big responsibility like this, it was quite rare for a man like Ye Chen to live in this world.

"So what?" Ye Chen asked Qiao Xin, wanting to hear Qiao Xin's answer.

"I . . ." Qiao Xin was still confused in answering Ye Chen's question, she looked very confused about the answer she should give.

Qiao Xin took a deep breath, she prepared to give her answer to Ye Chen, Qiao Xin hoped that Ye Chen would not be angry with this refusal.

"Watch out" Just as Qiao Xin was about to give Ye Chen an answer, Ye Chen suddenly hugged Qiao Xin's body and protected her from the incoming attack.

"Wushhh" An arrow shot towards Ye Chen and Qiao Xin, this arrow was extremely fast and possessed quite a terrifying power.

Because of this, Ye Chen and Qiao Xin rolled on the ground, protecting Qiao Xin from the sudden attack.

In the attack just now, Ye Chen suffered a slight wound on his arm, luckily this injury wasn't so severe that it didn't cause any serious injury.

"Ye Chen, are you okay?" Qiao Xin asked Ye Chen's condition, she immediately saw the wound on Ye Chen's arm.

Chapter 1180 - [Bonus] Beat Assassin

Qiao Xin looked really worried about Ye Chen, she was really worried about Ye Chen getting hurt protecting her.

Qiao Xin's heart ached when she saw this, she felt hurt when she saw Ye Chen had a wound to protect herself.

You don't need to worry, I'm fine." Ye Chen said to Qiao Xin that he was fine, he was fine and only had minor injuries.

"No, let me have a look, maybe there is poison or something" Qiao Xin was still worried about Ye Chen's injuries, she was worried that there was poison in the weapon.

"watch out, there is another attack coming" Ye Chen told Qiao Xin that another attack was coming their way.

Ye Chen again protected Qiao Xin from this attack, he again made Qiao Xin dodge the arrows that shot towards her.

"Damn it, who is this person" Ye Chen started to wonder who the person who was targeting him was, this person was so skilled that it was hard to find.

Ye Chen estimated that this was a highly trained Assassin, he was very good at hiding his whereabouts.

"God Eyes. . ." Ye Chen had no choice but to use his God Eyes to find out the whereabouts of the opponent.

Using God Eyes, Ye Chen finally found the person who had tried to kill him and Qiao Xin.

This person was wearing black clothes and a black mask covering his face.

"Found" Ye Chen finally found the person he was looking for, this person was trying to shoot arrows at Ye Chen, the target was Ye Chen or Qiao Xin.

"One Hundred Thousand Fire Swords" Ye Chen used the **One Hundred Thousand Fire Swords** to attack the person who was trying to kill him and Qiao Xin.

Thousands of fire swords instantly shot towards the enemy who was hiding.

Ye Chen doesn't care about this person's life, this person has tried to kill himself, that's why this person must be killed.

The assassin who was aiming for Ye Chen and Qiao Xin was so skilled, he immediately ran away when he saw Ye Chen know his location.

"Where are you going, I won't let you escape" Ye Chen couldn't just let this person run away, Ye Chen immediately pointed his fire sword at the Assassin who was trying to escape.

The position of the Assassin had already been caught by Ye Chen, he would not be able to escape from Ye Chen anymore.

Seeing that Ye Chen had surrounded him, the Assassin took out a knife that was behind his back, he deflected all the fire swords that were aiming at him.

" Clang . . , Clang . . , Clang . . , Clang . . "One by one the fire swords were destroyed by the Assassins.

"This person is strong" from a distance, Ye Chen can see what is happening, Ye Chen can estimate that this person is strong enough, he can even easily destroy Ye Chen's Hundred Thousand Fire Swords.

"I have to get closer" Ye Chen decided to get closer, he immediately went to the place where the Assassin was.

"Ye Chen wait a moment" Qiao Xin intended to stop Ye Chen, she didn't want Ye Chen to go and take a risk to fight the Assassins who were trying to kill the two of them.

Too bad Ye Chen didn't want to listen to Qiao Xin's words, Ye Chen immediately went towards the enemy who had tried to kill him.

"Ye Chen, Geez" Qiao Xin was helpless when she saw that Ye Chen was still leaving, in a situation like this Qiao Xin must immediately go and help Ye Chen, lest Ye Chen experience bad things because of this.

Qiao Xin followed Ye Chen, she immediately followed Ye Chen who had gone towards the Assassin.

Ye Chen was very fast, he had arrived right in front of the Assassin, after arriving in front of the Assassin, without thinking Ye Chen immediately attacked the person.

"Nine Shadow Step" Ye Chen used Nine Shadow Step to surprise the enemy, using Nine Shadow Step the enemy would definitely not see Ye Chen's movement.

Ye Chen appeared near the Assassin, himself directly using a sneak attack against this Assassin.

"Bam" by using his sneak attack, Ye Chen managed to land an attack right on the Assassin's body.

The assassin was instantly blown away by Ye Chen's sneak attack.

Currently Ye Chen did not hold back, Ye Chen used his full strength to attack the enemy in front of him.

Ye Chen knew that this enemy was formidable, that's why Ye Chen didn't want to hold back when fighting the enemy.

The assassin circled around for a while before landing back safely, it seemed that this fellow had a very agile movement that could keep himself from crashing into the ground.

The assassin looked at Ye Chen with a killing gaze that was quite strong, it seemed that he intended to kill Ye Chen.

"Ying'er" Ye Chen called out to Yin Ying'er, Ye Chen needed the Divine Yin Yang Sword to fight this guy.

Ye Chen and Assassin faced each other, both wary of each other.

The Assassin raised his knife, the Assassin used his strength to attack Ye Chen who was in front of him.

Ye Chen reflexively used the Divine Yin Yang Sword to parry the enemy's attack.

"Clang. . ." A loud crash occurred when the Divine Yin Yang Sword met the Assassin's blade.

The two of them both took dozens of steps back when the weapons they used met, it seemed that the two of them had comparable strength.

"This guy's blade is strong too, he can withstand the attacks of the Divine Yin Yang Sword that I have." Ye Chen had to admit that the Assassin in front of him had a fairly strong fighting weapon.

The assassin immediately looked at the knife in his hand, he could see that the knife in his hand was slightly cut, this proved that the Divine Yin Yang Sword almost cut the knife he had.

"This guy is a little troublesome, it's not like the one in the mission" Assassin cursed very loudly, he didn't expect that the target would be this strong, this was not the same as what was written in the mission he received.

"I'm not going to waste words on you, what exactly are your goals, me or Qiao Xin?" Ye Chen didn't want to beat around the bush on this matter, he immediately asked who this person was after.

"I'm after you two." Assassin told Ye Chen that he would not tell Ye Chen about this matter.

"I see, then there's no point in keeping me alive, it's better to kill you here." Ye Chen couldn't get any information from this Assassin, so there was no point in thinking about living people.

There is no point in keeping this person alive, this person wants to kill him, so why let a person like this live.

"Don't be so arrogant, **Knife Slaughter Wind**." The assassin attacked Ye Chen with several wind blades that were aimed directly at Ye Chen.

In order to overcome the Assassin in front of him, Ye Chen used the second move of God Master One Sword.

"**God Master Shadow Sword**" Ye Chen immediately drew his sword at the Assassin, when Ye Chen drew his sword, hundreds of slashes immediately appeared and destroyed the wind blades that were heading towards Ye Chen, this slash also hit the Assassin's body.

A portion of the Assassin's Body was cut off by this attack, this way the assassin could no longer fight against Ye Chen.

"what just happened" Assassin didn't know what had just happened, he didn't know about what had just happened to him.

What had previously happened was very fast, this made the Assassin not have time to respond to what had just happened.
