

Chapter 1181 - Wind Shadow

"Do you have any final words?" Ye Chen pointed the sword in his hand towards the Assassin's neck, Ye Chen really hated Assassins who tried to target him.

Ye Chen wouldn't bother asking about the identity of the Assassin, this person would definitely not tell about his identity even if Ye Chen forced him.

Assassins in the God Realm were much more secretive than those on earth, so getting information from them was an extremely, very difficult thing to do.

Even if this person was dying, he would definitely not be willing to say anything to Ye Chen.

"Just kill me" Assassin said to Ye Chen, he told Ye Chen to kill himself immediately.

"Well, if that's what you want, then I'll do it." Ye Chen raised his sword, he intended to kill the Assassin in front of him.

"Ye Chen" just as Ye Chen was about to kill the Assassin, he listened to Qiao Xin calling out to him from behind.

Hearing this, Ye Chen immediately gave up his intention, Ye Chen immediately turned to look at Qiao Xin.

Qiao Xin came over to Ye Chen, she immediately checked Ye Chen's current state.

"Thank goodness you're okay" Qiao Xin was relieved to see Ye Chen was fine, she was satisfied when she saw Ye Chen didn't suffer any injuries against the Assassins.

"I'm strong, so you don't have to worry about me." Ye Chen told Qiao Xin that he was a strong man, so Qiao Xin didn't have to worry about him.

"How can I not worry, you just fought a dangerous assassin" Qiao Xin said to Ye Chen.

Ye Chen had just fought a dangerous assassin, so it wasn't strange that Qiao Xin was very worried about Ye Chen's situation.

"Everything is done, so you don't have to worry anymore, that aside, what about the answer you gave earlier?" Ye Chen asked about the answer previously given by Qiao Xin, Ye Chen wanted to know what kind of answer Qiao Xin gave him.

Qiao Xin pondered for a while, thinking about the answer she would give Ye Chen.

"Okay, I agree, but you have to promise to keep this a secret from Jingyi" Qiao Xin nodded, agreeing to try to start a relationship with Ye Chen.

After the incident just now, Qiao Xin knew the feelings she had for Ye Chen, the feelings she had were very clear, she was worried that when Ye Chen was hurt to save her, it had already proven how much Qiao Xin felt for Ye Chen.

"Yes" Ye Chen was very happy about this, he had just started a relationship with Qiao Xin, this was a very happy thing for Ye Chen.

Qiao Xin smiled when she saw Ye Chen's reaction, Ye Chen's reaction was very cute, he was like a child who just got his favorite toy.

Ye Chen hugged Qiao Xin's body, he finally got a beautiful and hot woman like Qiao Xin, this is a pride for men.

"Ye Chen I'm coming back, do you want to come with me?" Qiao Xin asked Ye Chen, she wanted to take Ye Chen home.

"I don't think I'm going back first, I still have business in the Sect, maybe in a few days I'll be back, please tell Jingyi this" Ye Chen couldn't come back, he still had a few problems that needed to be resolved quickly, after that Ye Chen will come back and enjoy a few days together with Li Jingyi and Qiao Xin.

Ye Chen didn't want his time with his woman to be troubled because of this matter, he preferred to settle his own matters and after that lived with Li Jingyi for some time.

"Okay, I'll tell Jingyi this later." Qiao Xin nodded, she was going to pass this message on to Li Jingyi.

"Then I'll go first" Qiao Xin bid farewell to Ye Chen, before leaving Qiao Xin kissed Ye Chen's face, after which she immediately ran away leaving Ye Chen who looked as silent as a statue.

Ye Chen was holding the part that Qiao Xin had just kissed, this seductive woman knew enough how to seduce Ye Chen.

"Alright, I'll be back" Ye Chen decided to go back, soon it would be time to decide the bet that he had agreed with Song Ziyu, Ye Chen also had to take the test to enter the ranks of the inner court disciples, there were still a lot of things for Ye to finish.

Ye Chen flew over to the Nine Immortals Peak Sect, returning to his work which was fun to do.

Ye Chen left the Assassin's body, he didn't even bother to think about this person's circumstances.

.

.

Meanwhile Qiao Xin did not return to her home immediately, Qiao Xin went to a very deep and quite hidden place.

Qiao Xin walked into a unfortunately quite run-down old building in a corner not many people knew about.

Qiao Xin had already changed her appearance, herself wearing a black robe to hide her appearance.

When entering the building, inside the building it was very dark, there was only one candle which was a makeshift lighting.

"What do you need?" an old man asked Qiao Xin, he wanted to know what Qiao Xin needed.

"I want to meet your leader." Qiao Xin said to the man in front of her that she wanted to meet the person in charge of this place.

"The leader isn't around, you should get out of here immediately." The old man told Qiao Xin that the leader wasn't here.

After the old man said this, a knife appeared on the man's neck, with just one movement, this man's neck could instantly disappear.

"My patience has a limit, you better take me away right now." Qiao Xin told the man in front of her to immediately take herself to see the boss of this place.

"Alright" this person was scared when he saw Qiao Xin, Qiao Xin's killing and intimidating aura was so strong, it made one find it hard to breathe.

After getting the answer he wanted, Qiao Xin immediately took back her knife, Qiao Xin followed this man to the deepest part of the building.

This man escorted Qiao Xin to a dark room, this was a very dangerous place for a woman to live in.

Qiao Xin didn't think long, she went straight into the room.

When Qiao Xin entered, she saw that there was a man and a woman in this room.

The man inside instantly stiffened when Qiao Xin entered, while this woman seemed to give off an extremely powerful killing aura towards Qiao Xin.

Qiao Xin ignored this, she didn't care about women who had hostility towards her.

"What is the Wind Shadow Lady doing in a slum like this?" the man on the scene looked very respectful towards Qiao Xin, he looked very scared when he saw Qiao Xin.

It was quite strange when this man called Qiao Xin as Wind Shadow Lady, it seemed that this was a pseudonym belonging to Qiao Xin.

"I have a business I want to solve with you" Qiao Xin said to the man in front of her about the problem she wanted to solve.

"What business is that?" The man in this room asked what business Qiao Xin wanted.

"This is about your people, your people have dared to try to kill my people, so I hope you can settle this matter, don't let me destroy this slum" Qiao Xin said to the man in front of her.

It turned out that this place was the base of the Assassins who had been trying to target Ye Chen, Qiao Xin had come here to settle this matter with her own hands.

Qiao Xin wouldn't let Ye Chen get hurt, that's why she had to give a warning to the leader of the Assassins in this city.

Chapter 1182 - The Real Qiao Xin

"Wind Shadow Lady, please tell me who you are referring to, I don't know about the person you are referring to" the leader of this place immediately asked Qiao Xin, he had absolutely no idea who Qiao Xin was referring to at this time.

This place was filled with countless names, so the owner of this place had absolutely no idea who Qiao Xin was referring to.

"His name is Ye Chen, I hope you don't mess with him, otherwise don't blame me." Qiao Xin gave a stern warning to the owner of this place not to disturb the man named Ye Chen.

"Okay, I understand" the owner of this place understood, he would try to tell his subordinates not to accept missions related to Ye Chen.

"Good, then I'll go." Qiao Xin didn't want to stay in this place for long, she wanted to quickly leave a place that wasn't even worth living for.

"Wind Shadow, are you going to just leave?" The woman in this room said to Qiao Xin who was intending to leave this place.

"I'm not interested in staying in this place." Qiao Xin said that she had no interest in staying in this place any longer.

"You have started to change, you are no longer what you used to be" said the woman in the robe like Qiao Xin.

"Everyone changes, nothing lasts forever" Qiao Xin said to the woman sitting beside the owner of this place.

"Hahaha, that's really funny, let's see if you've changed or not." This woman drew her sword, and immediately charged towards Qiao Xin.

This woman's speed was quite fast, she was very fast in front of Qiao Xin, the sword in her hand was also ready to take Qiao Xin's life.

Qiao Xin raised the knife she was hiding, Qiao Xin used her knife to parry the enemy's attack.

"Clang. ." the two irons collided with each other quite violently, this made this fragile room vibrate and would shatter.

The owner of this place was so afraid of this, he immediately hid behind a chair to protect his life.

"You're still as strong and agile as you used to be," said the mysterious woman to Qiao Xin.

"Frozen Blood Eater, I don't want to get into trouble with you, you better let me go." Qiao Xin said to the woman in front of her to let herself go, Qiao Xin herself didn't want to deal with Frozen Blood Eater.

"I won't let you go just like that, you are a rival that I want to beat, as long as I don't beat you I won't be satisfied" Frozen Blood Eater said that he would not be satisfied before defeating Qiao Xin and stealing Qiao Xin's Assassin title.

It was true that Qiao Xin was an Assassin, she was called the Goddess Assassin who could kill anyone without ever failing, even Qiao Xin never left a trace while doing her job.

"I'm no longer interested in things like this, I just want to live a normal life and help people in need" Qiao Xin told Frozen Blood Eater that she was no longer interested in this dark world, now she just wants to live a normal life and help people who are in trouble.

"I can't accept that, how can you come out like this" Frozen Blood Eater couldn't accept what she was hearing, she couldn't accept it when she saw Qiao Xin who wanted to live a normal life and do work like a comfort woman who looked weak and unresponsive.

"I don't care, this life is much more comfortable than the dark dark world" Qiao Xin said to Frozen Blood Eater.

Assassin's world is a dark world, in this place you can't trust anyone, even if it's your own comrades, in this world you can only believe in yourself or you will be trapped by others.

It was because of this that Qiao Xin came out and had to live a normal life, with all that she had managed to gain Qiao Xin was able to live a peaceful life without anyone bothering her.

"Such a life is just a dream, the real you deserve to be in a dark world like this" Frozen Blood Eater said that Qiao Xin didn't deserve to live like that, it would be tantamount to wasting her talents.

"Shut up, I don't care about that" Qiao Xin didn't care about that, she didn't want to live like that anymore, she had started to become a normal woman, she didn't want to go back to how she was before.

"I will definitely bring you to your senses and return to your old self." Frozen Blood Eater said that she would make Qiao Xin return to her old self.

The Frozen Blood Eater started to use its power, Ice began to cover this place, in an instant this place became so cold that it completely turned into Ice.

Frozen Blood Eater intended to attack Qiao Xin, she wanted Qiao Xin to turn into a vicious and deadly old self.

Qiao Xin still looked calm even after the Frozen Blood Eater intended to attack her, to Qiao Xin the Frozen Blood Eater was not a threat to be wary of.

"**Frozen Bone Grave**" hundreds of Ice that resembled bones appeared in front of Qiao Xin, these Ice bones very quickly rushed towards Qiao Xin.

Qiao very casually waved her hand, a wind blade appeared and cut through all the Ice bones that were heading towards her.

"Damn, so strong" Frozen Blood Eater was helpless when she saw this, Qiao Xin was too strong, her attacks could easily be broken by Qiao Xin.

"Just give up, you're still not worthy to challenge me." Qiao Xin said to Frozen Blood Eater that she wasn't ready to fight against her yet.

"Don't underestimate me, I'm much stronger since the last time we met" Qiao Xin said that she had become stronger since the last time they met.

"Still you still haven't become worthy of me, just come back when you have the strength to fight me" Qiao Xin told Frozen Blood Eater to come back when she had enough strength.

"Wild, I will definitely win against" Frozen Blood Eater said that he could definitely win against Qiao Xin.

"Your wishful thinking is too high, let me tell you what kind of difference we have." Qiao Xin waved her hand again, as Qiao Xin waved hers the robe worn by the Frozen Blood Eater suddenly disappeared.

The appearance of the Frozen Blood Eater was finally exposed right in front of Qiao Xin.

This woman turns out to be beautiful, she has a goose egg face and a very tempting adult body, this woman wears clothes that are quite tight, this makes the charm of this woman very strong.

This woman looks very tempting, her appearance is much more beautiful and sexy than expected.

This woman can be compared to Qiao Xin, she even looks much bolder than Qiao Xin

"what?" Frozen Blood Eater was surprised to see that Qiao Xin could easily destroy the robes she had.

"I have given you a warning, next time your body might be torn to pieces." With a cold voice Qiao Xin tried to warn Frozen Blood Eater not to look for trouble with her anymore.

Frozen Blood Eater swallowed her saliva, she didn't expect Qiao Xin to show her abilities, if Qiao Xin was serious then she would definitely die on the spot.

Qiao Xin left this place, currently Frozen Blood Eater did not dare to stop Qiao Xin who had left this place.

Chapter 1183 - Betting Time With Song Ziyu Come

Now in this place left only the Frozen Blood Eater and the owner of this place.

"Finally that woman left, I thought I was going to die" The owner of this place was very relieved when he saw Qiao Xin leaving this place, the pressure that Qiao Xin gave off was terrifying.

The pressure that Qiao Xin had was so suffocating, it made the owner of this place feel like he was being held at by millions of invisible blades.

"Hey you, quickly provide information about the person that Wind Shadow previously talked about." Frozen Blood Eater told the owner of this place to tell her the information about Ye Chen.

"Do you want to kill me, you didn't listen to what that woman said, she said don't bother that person, otherwise this place will really be destroyed" said the owner of this place to Frozen Blood Eater.

"I don't care about it, you choose I kill you or you tell me this" Frozen Blood Eater said to the owner of this place.

The Frozen Blood Eater was blessed that she would also kill the owner of this place if she persisted in not revealing the information she wanted.

The owner of this place was afraid of the threat posed by the Frozen Blood Eater, the Frozen Blood Eater was a terrifying assassin, this woman was said to be able to dry a man into bones in a few seconds, so the owner of this place didn't want to take any risks.

"Okay, but remember not to involve me in this matter" The owner of this place told not to involve himself in this matter.

"You don't have to worry, I won't involve you in this matter, so please tell me the information about the man named Ye Chen." Frozen Blood Eater promised to keep this matter a secret.

The owner of this place started looking for information about Ye Chen that came from Long Dou, himself leaving the incomplete details to Frozen Blood Eater.

Frozen Blood Eater received quite a bit of information about Ye Chen, when Frozen Blood Eater saw information from Ye Chen, she saw that the person Qiao Xin was referring to was very young and extremely weak.

"He looks very ordinary, he also doesn't have great strength, what makes Wind Shadow so interested and willing to protect him?" Frozen Blood Eater started to wonder what made Qiao Xin attracted to Ye Chen, she thought Ye Chen was a very normal person.

"I will go and find out this information myself, this information is too little" Frozen Blood Eater decided to go and look for information, she would try to find information about Ye Chen.

After getting what she wanted, the Frozen Blood Eater immediately left this place.

"Finally the two women left" the owner of this place was relieved when he saw that Qiao Xin and Frozen Blood Eater had left, these two women were very dangerous, it was not good to provoke the two of them.

.

.

Ye Chen returned to the Sect, he resumed his work of massaging the female customers who had been waiting for him.

The female disciples were very persistent, they were all willing to wait for Ye Chen who had been away for a long time, their loyalty deserved to be given an appreciation.

That's why Ye Chen continued to serve all of them, Ye Chen could get a lot of contribution points from doing this light work.

A few days quickly passed, now was the decisive time for a bet with Song Ziyu.

The fateful day had arrived, Song Ziyu came to Ye Chen's doorstep, beside Song Ziyu was the figure of Mei Yueli who came to accompany her.

Song Ziyu wanted to knock on Ye Chen's door, just when Song Ziyu wanted to do that, suddenly the door opened by itself, Ye Chen's figure came out of the room.

"I've been waiting for you" Ye Chen said that he had been waiting for this day, finally this day has come, soon Song Ziyu will be Ye Chen's servant for 1 year.

Ye Chen couldn't wait to train Song Ziyu to be an obedient woman, a woman like this should be trained so as not to cause trouble for Ye Chen.

"This day has come, are you ready to lose and be my servant for the next 100 years" Song Ziyu said with great pride.

"Of course, let's see who wins." Ye Chen looked very calm, he didn't show any fear when talking about this matter.

Song Ziyu felt strange about this, why was Ye Chen not afraid of losing, this was very suspicious to Song Ziyu.

"You are so calm, are you ready to accept defeat?" Song Ziyu said to Ye Chen, Song Ziyu thought that Ye Chen was ready to lose.

"aren't you talking too much, why don't we get to the point, quickly let's settle this bet" Ye Chen didn't have time for this, after this Ye Chen wanted to go and register for the exam to become an inner court disciple.

"You're still as annoying as before, then let's start right away, Yueli you will be the judge" Song Ziyu told Mei Yueli to be the judge in this bet.

"Alright" Mei Yueli nodded to Song Ziyu, Mei Yueli looked at Ye Chen, she wanted to know if Ye Chen had guaranteed her victory or not.

Needless to say, Mei Yueli was currently on Ye Chen's side, so Mei Yueli wanted to help Ye Chen resolve this matter.

Ye Chen gave his thumbs up to Mei Yueli, Ye Chen told Mei Yueli that he was 100% sure that he would win.

Ye Chen, Mei Yueli and Song Ziyu finally went to ask the outer court female disciples.

When they wanted to ask questions, the female disciples came straight to Ye Chen, they all asked if Ye Chen had free time now, they wanted to take Ye Chen out for a walk in a quiet place or spend some time in their room.

Song Ziyu mouth immediately made an O when she saw this scene, she could hardly believe what she was seeing right now.

Ye Chen was swarmed by countless female disciples from the outer court, this female disciple even openly took Ye Chen to a deserted place to do more things.

"Sorry, but next time, I have important business" Ye Chen refused the invitation given by the female disciples who surrounded him, Ye Chen told them all that he was busy.

"Too bad, then another time" all the women obediently nodded, they all really listened to Ye Chen voice.

After that all the women left, they had to go to work and look for contribution points in order to stay alive in the Sect.

"Did you pay them to do this?" Song Ziyu couldn't believe what she was seeing right now, that's why Song Ziyu thought that they were paid by Ye Chen, otherwise how could they act like that.

"No way, I'm not that rich to pay them" Ye Chen said to Song Ziyu, Ye Chen couldn't do that, there was no point in Ye Chen doing that.

"Then let me choose the place, I want to see if you can still be like before or not." Song Ziyu wanted to be the one to lead the way, that way Ye Chen wouldn't be able to cheat.

Song Ziyu asked Ye Chen to go to several places, she wanted to see if Ye Chen could be like that at the place she chose.

Song Ziyu took Ye Chen to the medicine pavilion, here should be where women are the hardest for a man to approach.

Song Ziyu chose the wrong place, this place was Ye Chen's fan base, so they must all come and greet Ye Chen.

Chapter 1184 - Song Ziyu Lost And Became Ye Chen's Servant

"We'll see if you can shine in this place like before." Song Ziyu proudly said to Ye Chen, Song Ziyu was very sure that in this place Ye Chen would not be able to be like before.

"Ye Chen" a while after Song Ziyu finished her words, a group of women came to see them, this group of women immediately swarmed Ye Chen like bees that got their best flower.

Song Ziyu face turned black when she saw this, she couldn't believe what she was seeing right now, yet another group of women came and surrounded Ye Chen like bees that love their flowers.

Song Ziyu couldn't think anymore, how could this happen, she couldn't believe what was in front of her eyes right now, how could Ye Chen be so popular among the female outer court disciples.

These women showed their concern for Ye Chen, they all seemed to be very considerate of Ye Chen, they really idolized Ye Chen.

Ye Chen smiled at Song Ziyu, he already felt that this must be his victory.

Song Ziyu gritted her teeth, she looked very angry at Ye Chen, herself so angry that Ye Chen smiled like that.

"let's go" Song Ziyu took Ye Chen away, she still couldn't believe that Ye Chen was so popular like this.

"Where do you want to take Ye Chen?" the woman who was in this place asked where Song Ziyu would take Ye Chen to go.

"You don't need to know." Song Ziyu said that these people didn't need to know where she was going to take Ye Chen.

In her voice Song Ziyu used a strong profound pressure, this made the outer court disciples tremble in fear at Song Ziyu power.

"Don't intimidate them" Ye Chen asked Song Ziyu not to intimidate these women, they all had nothing to do with this.

"I'm sorry, she didn't mean to do that." Ye Chen apologized to the female disciples who had been bullied by Song Ziyu.

"It doesn't matter, if you have another time, you should visit this place." All the women didn't mind this, they hoped that Ye Chen would visit this place again.

Ye Chen nodded, if there was time he would go and visit this place.

After that, Ye Chen went along with Song Ziyu and Mei Yueli to another place, the three went to another place that had female disciples.

When going elsewhere, Ye Chen is still the same, he is still as popular as before, there are many women who come to Ye Chen by themselves.

Song Ziyu face grew darker, it seemed that Song Ziyu had given up on what was happening in front of her eyes, what happened was something Song Ziyu couldn't imagine, Ye Chen was really very popular among the female disciples in the outer court.

"So what, I'm the winner right?" Ye Chen said to Song Ziyu, Ye Chen was very happy, his hard work had won him over Song Ziyu.

"I will never accept this" Song Ziyu said that he would never accept this, Song Ziyu could not believe that he would lose to Ye Chen.

"What's wrong, are you unwilling to admit this?, I didn't expect that you would go back on your word" Ye Chen said to Song Ziyu.

"Ziyu, you've made a bet with an oath, you can't go back on this, otherwise you'll get into trouble" Mei Yueli reminded Song Ziyu not to break her promise.

"but . ." Song Ziyu couldn't accept this lose, there was no way for Song Ziyu to be Ye Chen's servant, it would be such a shame.

"This is only 1 year, it will be much faster than you think, it's better than getting the wrath of heaven" Mei Yueli said to Song Ziyu.

Here Mei Yueli was intervening, on the one hand she was helping Ye Chen and on the other she was helping Song Ziyu not to break her promise and get into even worse trouble.

Song Ziyu thought about what Mei Yueli said, what Mei Yueli said was indeed the truth, she couldn't go back on her words.

"unlucky . , why did I even do that in the first place" Song Ziyu cursed very loudly, she shouldn't have made an oath so that this matter wouldn't be long.

"So what, are you ready to be my servant?" Ye Chen said with a face full of victory.

Song Ziyu just gritted her teeth, Ye Chen's face was so annoying, Song Ziyu felt like she wanted to hit Ye Chen.

It's a shame that Song Ziyu couldn't do that, if Song Ziyu did that, it's certain that Song Ziyu would have a hard time.

"M M M Master. . ." With some difficulty, Song Ziyu finally addressed Ye Chen as master.

"This is so embarrassing, how am I going to take care of my face?" Song Ziyu was so embarrassed, she didn't expect to call an outer court disciple Master.

" Good. . ., Good . . ., call me like that, I am your master, you must obey all the words I say, hahahaha" Ye Chen laughed when he saw this, it was really nice to see an arrogant woman like Song Ziyu do something like this.

"Ye Chen don't laugh, do you want to be hit?" Song Ziyu grabbed Ye Chen's neck, she couldn't stand the humiliation he was getting.

"Ziyu, remember your current position" from the side, Mei Yueli tried to warn Song Ziyu, Mei Yueli reminded Song Ziyu that she was carrying out her duties, if Song Ziyu hit or injured Ye Chen, it would be the same as going against Ye Chen's orders.

"Yueli, this guy is so annoying, can't I just hit him once." Song Ziyu looked at Mei Yueli, she really wanted to hit Ye Chen.

"No way." Mei Yueli shook her head, Mei Yueli telling Song Ziyu that she couldn't do that.

" But. . ." Song Ziyu was so helpless, she was so angry, she was like a volcano that could erupt at any moment.

"You better let him go, he is your master for the next one year" Mei Yueli told Song Ziyu to let Ye Chen go.

Song Ziyu was a little reluctant to do this, but if she didn't do this, then she would get the wrath of heaven.

Ye Chen straightened the clothes he was wearing, Ye Chen patted his clothes which were previously gripped by Song Ziyu.

"Let's see, what should I do to you, should I make you serve me in the bathhouse, or should you warm my bed for the night." Ye Chen said in a not too loud voice.

Although Ye Chen's voice was not too loud, Song Ziyu could hear this, Song Ziyu was furious when she heard this.

"Yueli, look at this man, he really is shameless." Song Ziyu said to Mei Yueli.

"Ziyu, in the bet didn't you guys agree to carry out all the orders of the winning side, so he has the right to do anything to you" Mei Yueli said to Song Ziyu.

The stakes were very clear, the losing side had to obey every order from the winner, so even though Ye Chen's orders were quite strange and unreasonable, Song Ziyu couldn't refuse them.

"No, how can I say that" Song Ziyu couldn't believe that he agreed to it, he shouldn't have done that before, now Song Ziyu is very sorry.

Chapter 1185 - Started Giving Orders To Song Ziyu

"Hehehe, are you ready?" Ye Chen gave Song Ziyu an evil face, it seemed that Ye Chen really enjoyed this.

"You pervert, I won't do that." Song Ziyu didn't want to do that, she didn't want to do such a perverted thing with Ye Chen.

"You have no choice in that matter" Ye Chen said to Song Ziyu, Ye Chen held Song Ziyu's hand, he gave a Master and servant seal to Song Ziyu.

Song Ziyu had absolutely no idea what was going on, things were going so fast that she didn't even notice.

"What did you just do to me?" Song Ziyu asked what Ye Chen had just done to her.

"That is a sign of master and servant, during this one year you will be my servant, if you act impudent then you will experience unpleasant things" Ye Chen said to Song Ziyu.

Ye Chen had no choice, in order to overcome Song Ziyu disobedience, Ye Chen was forced to do this.

"you . . ., how can you do something like this to this young lady." Song Ziyu pointed at Ye Chen, she didn't expect that Ye Chen would do this to her.

"Here I won, so you have to do what I say" Ye Chen replied.

Ye Chen was the victor, he had the right to do what he had to do, if Song Ziyu was the victor, maybe he would also do this to Ye Chen.

"Yueli, why are you silent, quickly help me" Song Ziyu asked Mei Yueli who was beside her, she hoped that Mei Yueli would help her against Ye Chen.

"This is your problem, please don't drag me into your business." Mei Yueli refused to help Song Ziyu, she didn't want to help Song Ziyu in this complicated matter.

"-_- " Song Ziyu didn't expect that Mei Yueli wouldn't want to help her, now what should she do against Ye Chen.

Song Ziyu started to think against Ye Chen, by killing Ye Chen maybe all these problems would be resolved soon, then Song Ziyu would not have to worry about this matter anymore.

When Song Ziyu thought of an evil plan, she felt her body heat up and he became weak, Song Ziyu fell to the ground holding her chest which was a little sore..

"what happened to me?" Song Ziyu started to ask what happened to her, why he felt this uncomfortable feeling.

"You must be thinking something bad of me, a sign Master and servant will react when you think something bad of me" Ye Chen said to Song Ziyu.

Ye Chen told Song Ziyu about the sign he gave earlier, it would work when Song Ziyu thought bad thoughts about Ye Chen.

"what ! ! !" Song Ziyu looked very surprised when she heard this, she didn't expect that Ye Chen would use something like this against her.

"You shameless pervert" Song Ziyu was very angry with Ye Chen, she was very angry because Ye Chen did something like this to her.

"You're the one who forced me to do something like this, so you have to accept it" Ye Chen said to Song Ziyu.

Ye Chen wouldn't let Song Ziyu rebel, so he used this to keep Song Ziyu from rebelling against him.

Song Ziyu could only grit her teeth, now she wouldn't be able to resist or resist what Ye Chen ordered for the next 1 year.

"It seems that this is the beginning of my miserable life." Song Ziyu felt that this was the beginning of her miserable life.

Ye Chen felt satisfied when he saw Song Ziyu like this, this arrogant woman deserved something like this.

Ye Chen turned his attention to Mei Yueli, he smiled at Mei Yueli who was at the side.

Mei Yueli could only shake her head, she didn't expect Ye Chen to go this far.

Actually Mei Yueli felt sorry for Song Ziyu, but everything happened, Mei Yueli wouldn't be able to prevent, Mei Yueli could only hope that Song Ziyu could endure this for another year, then Song Ziyu wouldn't suffer too much.

"From now on I will call you Ziyu, if you are near me, you must answer this call" Ye Chen intended to start calling Song Ziyu by his real name, Ye Chen also ordered Song Ziyu to come when he called her.

"Okay, I understand." Song Ziyu nodded, she understood what Ye Chen said.

It's not that Song Ziyu wants to obey Ye Chen, the problem is that she can't refuse this, if Song Ziyu refuses Ye Chen's request, then she will definitely experience a feeling like before, where she becomes weak and helpless.

"Very good" Ye Chen nodded in satisfaction, it seems that Song Ziyu has started to become obedient, just a little practice is needed and he will become a bit obedient and no longer arrogant like he used to be.

"I will give you the first task to massage my shoulders, I just happen to be tired from heavy work" Ye Chen gave the first order to Song Ziyu, he wanted Song Ziyu to help massage his shoulders.

Song Ziyu actually didn't want to do this, but Song Ziyu had no other choice but to agree with Ye Chen's orders.

Song Ziyu went behind Ye Chen's body and started giving Ye Chen a little massage.

Song Ziyu was a young lady, she had never done menial work like this, she didn't know where to start to do this.

"Why did you stop?, hurry up" Seeing that Song Ziyu didn't start immediately, Ye Chen shouted and told Song Ziyu to start immediately.

"Okay, okay." Song Ziyu started, she started to massage Ye Chen's shoulders.

Ye Chen felt pain when receiving the services provided by Song Ziyu, Song Ziyu did this very rudely, it seemed that Song Ziyu did not do this with all his heart.

"Stop. . ." Ye Chen immediately told Song Ziyu to stop, he couldn't stand what Song Ziyu was doing.

"Have you never done this?" Ye Chen asked if Song Ziyu had never done a massage for other people, Song Ziyu skill were really bad.

"Who told you to give such an order, I have never done this." Song Ziyu said that she had never done this, so it was not surprising that Song Ziyu was very bad at this matter.

"-_-"" Ye Chen was speechless when he heard this, to think that Song Ziyu couldn't do something so easy like this.

Ye Chen couldn't help but have to teach Song Ziyu a bit, otherwise this woman would definitely not understand.

Ye Chen started to explain to Song Ziyu what had happened, with Ye Chen's explanation being very easy to understand, Song Ziyu quickly mastered the basic shoulder massage skill.

Now that Song Ziyu skills are getting better, it seems that Song Ziyu has become quite skilled at doing this.

Mei Yueli kept shaking her head, she couldn't think that Ye Chen would do this to Song Ziyu.

Song Ziyu must have been very upset when Ye Chen told her to do this, unfortunately she couldn't go against Ye Chen's orders.

"Very good, you learn fast, as this young master's servant you must be great at everything" Ye Chen said to Song Ziyu who was behind him.

Chapter 1186 - Code Breaker Organization Moves To Find Ye Chene

Ye Chen really enjoyed this, he was very happy with the service that Song Ziyu provided for him.

Time flew by very quickly, quickly 30 minutes passed as Song Ziyu served Ye Chen.

Song Ziyu felt her hands were sore, this was really, really annoying to do.

"Alright, stop" Ye Chen told Song Ziyu to stop, he was already satisfied with what Song Ziyu was doing.

"It's finally over." Song Ziyu felt extremely relieved when she saw that it was over.

"Alright, now the stiff part please." Ye Chen told Song Ziyu to massage his leg.

"What!, Ye Chen how dare you" Song Ziyu pointed at Ye Chen, she was very annoyed with what Ye Chen ordered.

"Shh, don't go against it if you don't want to get into trouble" Ye Chen told Song Ziyu not to go against his request, lest Song Ziyu get into trouble for daring to refuse his request.

Song Ziyu gritted her teeth, Song Ziyu tried to contain her anger, unfortunately this was very difficult to do, Ye Chen was so annoying, this made Song Ziyu lose her composure.

"Be patient, Be patient, calm yourself" Mei Yueli tried to calm Song Ziyu down, she wanted Song Ziyu to remain calm in the face of this problem.

"Yueli, how can I calm down when I face this problem, you know, this person is very, very annoying." Song Ziyu said that Ye Chen was very annoying.

"I know how you feel right now, but you have to stay calm, don't let your anger be controlled, make him comfortable, then he will let you go" Mei Yueli told Song Ziyu to be more careful, that way Song Ziyu wouldn't experience anything possible.

If Song Ziyu continues to provoke Ye Chen like this, then it is certain that Song Ziyu will not be released by Ye Chen, Mei Yueli knows Ye Chen very well, Ye Chen will definitely do this to Song Ziyu.

Song Ziyu tried to calm the anger she had, Song Ziyu started trying to stay calm in this kind of situation.

Song Ziyu finally listened to what Mei Yueli said, she followed Mei Yueli advice, so Song Ziyu could quickly get out of this problem.

Song Ziyu started to calm herself down, she started doing this with all her heart.

Song Ziyu tried to be nice to Ye Chen, she hoped that Ye Chen would get her out of this annoying problem.

Ye Chen enjoyed when Song Ziyu massaged his feet, this woman began to soften towards him.

After more than 1 hour, Ye Chen finally told Song Ziyu to stop, he was already satisfied with the work done by Song Ziyu.

"Alright, you can go, if I need you I will call you" Ye Chen said that Song Ziyu could leave this place.

"Yay. . ." Song Ziyu was so happy about this, that he was finally able to get away from Ye Chen.

Song Ziyu immediately left this place, she was afraid that Ye Chen would change his mind and wouldn't let go of herself like before.

Mei Yueli smiled when she saw this, Song Ziyu looked like a rabbit looking at a wolf, the wolf that Mei Yueli was referring to was Ye Chen, Ye Chen was a very terrible wolf to Song Ziyu.

"She finally left, now it's just the two of us." After Song Ziyu left this place, now only Ye Chen and Mei Yueli were left.

"Ye Chen aren't you cruel enough to her" Mei Yueli said to Ye Chen, Mei Yueli felt that Ye Chen was a little too much when it came to Song Ziyu.

"It's okay, let that woman know not to look for trouble with me." Ye Chen answered Mei Yueli question.

Ye Chen did this because he wanted Song Ziyu to no longer have trouble with him, so Ye Chen wouldn't bother with that woman.

Song Ziyu was really annoying, that's why Ye Chen did that.

"That's the nature of it, so you have to accept it" Mei Yueli said to Ye Chen.

Mei Yueli hoped that if Ye Chen could forgive Song Ziyu, then Song Ziyu would not suffer too much.

"I can understand it, but he is looking for trouble with me, how can I let her go, in this one year I will give her trouble" Ye Chen said with an evil smile.

Mei Yueli looks helpless, looks like Song Ziyu won't be able to escape so easily, she will definitely have a hard time for the next 1 year.

"Forget about that woman, wife, how about we have a little fun." Ye Chen suddenly hugged Mei Yueli who was in front of him.

"Ye Chen, what are you doing, we are still outside." Mei Yueli tried to stop Ye Chen, she didn't want to do something like this in such an open place.

"Then let's change the location" Ye Chen took Mei Yueli to another place, he decided to take Mei Yueli inside the Fairy Gate, there no one would disturb the two of them.

After hearing this, Mei Yueli finally calmed down, she immediately agreed to Ye Chen's request.

Mei Yueli herself didn't mind doing this, she really liked doing this with Ye Chen, this was the best thing Mei Yueli had ever experienced in her life.

Ye Chen brought Mei Yueli into the fairy gate, he brought Mei Yueli into the fairy gate for the first time.

"Huh?, where is this?" Mei Yueli started to wonder where they were now, everything happened so fast, Mei Yueli didn't know what was going on.

"We're in a place called the fairy gate, this is where all the women I have train in." Ye Chen told Mei Yueli what had happened.

"So this is a secret place that you belong to, I didn't expect that you would have a place like this" Mei Yueli was quite surprised to see Ye Chen owning a place like this, this was far beyond Mei Yueli imagination.

"Let's go to the Dual Cultivation Chamber, no one will bother us there." Ye Chen didn't waste any more time, he immediately led Mei Yueli into the Dual Cultivation Chamber,.

Mei Yueli could only follow Ye Chen, she had no other choice but to follow Ye Chen to the Dual Cultivation Chamber,.

.

Meanwhile in the Nine Immortals Peak Sect, currently the people of the Code Breaker organization are on an infiltration mission to find out the whereabouts of the person who has stolen their Solar Stone, they are in charge of finding out the whereabouts of the person who has stolen the Solar Stone.

These people had been in this place for almost a month, but until now they were still looking for Ye Chen's whereabouts.

"How, did you find evidence of who stole the Solar Stone that we have?" One of the people asked his partner if he had found the person who stole the Solar Stone they had.

"I've found some clues, soon we will definitely be able to find the person who has stolen our solar Stone mine," said the other partner.

The identities of these two people were Number 1124 and Number 1155, they were both assigned to locate Ye Chen's whereabouts.

Both of them disguised their identities as outer court disciples named Kung Pei and Kung Pan, their goal was very clear, namely to find the whereabouts of Ye Chen who brought the Solar Stone belonging to the Code Breaker organization.

Chapter 1187 - [Bonus] Geoling Bracelet

"Good, soon we can complete this mission, I can't stand being in a place like this, people are very suspicious of the two of us" Kung Pan couldn't stand being in this place, he didn't like being in a place like this, a place like this. this is not something that suits him.

"I also think the same thing, a place like this is not the right thing for me, in this place we can't move freely, there are people who start to suspect our movement" said Kung Pei to Kung Pan.

"Let's quickly solve this problem and come back, as long as we manage to find that person, then our task will be completed" said Kung Pan to Kung Pei.

"Yes." Kung Pei nodded, the two of them had to quickly find the whereabouts of the person who had taken the Solar Stone mine they had.

Back to Ye Chen and also Mei Yueli who was in the Dual Cultivation Chamber.

"Ahhhhhh. . ." There was a loud groan from inside the Dual Cultivation Chamber, this was because Ye Chen and Mei Yueli were in battle.

"Husband, this is great, more powerful, make me a mess" Mei Yueli felt an extremely great feeling, Mei Yueli told Ye Chen to make herself more mess than now.

"Alright, my beautiful wife, I will make you feel a much stronger and stronger feeling." Ye Chen nodded, He would give Mei Yueli a much stronger and more intense feeling than now.

Ye Chen started to increase his speed, he entered deeper into Mei Yueli core.

Mei Yueli screamed even louder, this feeling was so overwhelming that Mei Yueli head felt like it was floating in the seventh heaven.

Mei Yueli loved this feeling very much, she loved every move Ye Chen made, her body was shaking from this indescribable pleasure.

Mei Yueli was already very obedient to Ye Chen, she could no longer leave Ye Chen, Ye Chen had given herself the best feeling that was beyond comfortable.

30 minutes passed, Ye Chen finally took out his Essence towards Mei Yueli.

Mei Yueli received Ye Chen's Yang Qi Essence, her body felt extremely warm when it was filled with Ye Chen's extremely warm Essence.

"Husband, you're out so much again" Mei Yueli said that Ye Chen is a monster, Ye Chen can't be compared to normal men at all.

"Hahaha, you like this don't you?" Ye Chen said to Mei Yueli.

Mei Yueli couldn't refuse, she really liked this feeling, this was a very comfortable thing for Mei Yueli.

"I'm tired, I want to rest" Mei Yueli said that she was tired, she wanted to sleep for a while.

Ye Chen and Mei Yueli had already played a few rounds, so it wasn't surprising that Mei Yueli was already completely exhausted.

"Go to sleep" Ye Chen nodded, Ye Chen was satisfied, so he let go of Mei Yueli who looked very tired.

Mei Yueli closed her eyes, she quickly fell asleep on the comfortable and soft mattress.

Ye Chen did not accompany Mei Yueli to sleep, he started to put on his clothes again, Ye Chen left the Dual Cultivation Chamber.

"Looks like I have to find a good practice method to increase cultivation speed." Ye Chen wanted to find a suitable method to increase his cultivation.

Just doing Dual Cultivation was not enough, Ye Chen had to find another way to speed up his cultivation.

"Master" Just as Ye Chen left the Dual Cultivation Chamber, Chu Yuechan suddenly appeared in front of Ye Chen.

"You just startled me" Ye Chen said to Chu Yuechan who suddenly appeared in front of him.

Chu Yuechan smiled, she was happy to surprise Ye Chen like this, it was really fun to do.

"What is it?" Ye Chen asked why Chu Yuechan was looking for him like this.

"I came to give you a solution to what you were thinking about" Chu Yuechan told Ye Chen that she had come to give Ye Chen a solution to what he just thought.

"Is that true?" Ye Chen couldn't believe what he was listening to, unexpectedly Chu Yuechan immediately had a solution for Ye Chen.

"Of course" Chu Yuechan nodded, she told Ye Chen that she had a solution to Ye Chen's problem.

"Then what are you waiting for, quickly tell me" Ye Chen told Chu Yuechan to tell him the solution she had, Ye Chen wanted to hear Chu Yuechan solution to this problem.

"This is the solution to the problem you have." Chu Yuechan took out two bracelets.

"Huh?, what does this mean?" Ye Chen wanted to know what Chu Yuechan meant by giving him a bracelet.

Ye Chen was not a woman, so why did Chu Yuechan give himself a bracelet.

"Don't ask too many questions, you can use this on your arm." Chu Yuechan told Ye Chen to wear these two bracelets on Ye Chen arm.

"Alright" Ye Chen nodded, he wondered what Chu Yuechan was trying to do, what exactly was the bracelet that Chu Yuechan had given him.

Ye Chen took the bracelet that was in Chu Yuechan' hand, he started to use the bracelet on his arm.

When these two bracelets were attached, Ye Chen felt something wrong with his body, Ye Chen's body became very heavy, Ye Chen felt that he was currently lifting a very large mountain above his body.

Ye Chen fell to the ground, he still didn't know what had just happened to his body.

"Yuechan, what just happened?" Ye Chen immediately asked Chu Yuechan, he wanted to know what happened to him.

"Master, it is a Geoling Bracelet, when one wears it, one will feel a heavy burden on the body. The more Geoling Bracelets, the more burden you will bear." Chu Yuechan began to briefly explain about the bracelet that was just worn by Ye Chen.

"So that's how it is, it's only natural that my body becomes very heavy, apparently this is the reason" Ye Chen finally understood why his body could be so heavy, apparently this was the reason.

"Master, as long as you wear this thing for 1 day, you are already like training your body for 1 whole month, this will make your body very strong and great, besides this it will also speed up your training" Chu Yuechan said to Ye Chen.

"But this is heavy, can I not manage it?" Ye Chen asked Chu Yuechan, he wanted to know if this couldn't be adjusted to suit him.

"Unfortunately it's impossible, so you have to endure and try to adapt to it, if you have adapted and can move normally, then you can increase the weight again" Chu Yuechan took out the Geoling Bracelet again, herself taking out quite a number of Geoling Bracelets.

Ye Chen gaped when he saw the Geoling Bracelet that Chu Yuechan took out, if he used all of them at once, Ye Chen was sure that he wouldn't be able to move.

Just a couple was enough to make Ye Chen trouble, if he used them all at once, then Ye Chen didn't know what the consequences would be.

"You adapt first, I believe you can adapt very quickly" Chu Yuechan said to Ye Chen.

Chu Yuechan really believed in Ye Chen's abilities, so Chu Yuechan was sure that Ye Chen would quickly get used to this.

"I'll give it a try.." Ye Chen nodded, he would try to get used to this extra weight.

Chapter 1188 - Take The Exam To Be A Disciple T Of The Inner Court (1)

Ye Chen started to train using the Geoling Bracelet, Ye Chen used to walk around the practice room inside the fairy gate to get used to the weight he had.

Because it was too heavy, Ye Chen walked very slowly, Ye Chen seemed to be trying to get used to the weight on his body.

"It's quite exhausting too" Ye Chen realized that using the Geoling Bracelet would be very draining on his own, Ye Chen was currently in full power mode, all of his muscles tensed up from holding on to the enormous weight.

"Fight" in the distance, Chu Yuechan sat quietly drinking a cup of tea, encouraging Ye Chen to keep fighting while he was training himself.

"-_- " Ye Chen couldn't believe that Chu Yuechan would be so relaxed like that, she seemed to really enjoy watching Ye Chen being tormented.

Chu Yuechan was indeed very happy to see this, she was very happy to see Ye Chen who looked difficult when wearing the Geoling Bracelet.

"I will not give up" Ye Chen will not give up, he will try even harder to master the Geoling Bracelet.

Ye Chen strengthened his resolve, he continued to move forward, his goal was clear, he wanted to become stronger again and again.

Ye Chen believed that hard work would definitely not betray the results, so Ye Chen would try hard to get the most out of it.

Two days passed very quickly, Ye Chen is now getting used to using the Geoling Bracelet, Ye Chen can already run normally when using the Geoling Bracelet, this feels easier for him to do.

"husband" Mei Yueli came to Ye Chen side, she asking what Ye Chen was doing.

"Are you up already?" Ye Chen said to Mei Yueli who woke up from sleep.

"I've been awake for a long time, I've even gone around this place, I also found some powerful techniques for myself" Mei Yueli said to Ye Chen.

During Ye Chen training in this place, Mei Yueli went together with Chu Yuechan to the pagoda which is the place where all the techniques in the fairy gate are stored, in this place there are so many extraordinary techniques, Mei Yueli was very surprised when she saw the collection in This place .

It's not strange that all of the women that Ye Chen possesses have strong cultivation techniques, apparently this is the reason, they got the technique from the pagoda inside the leaving gate.

"I see, I'm glad you got what you wanted." Ye Chen was overjoyed when he saw Mei Yueli got what she wanted.

"let's go out" Mei Yueli invited Ye Chen to come out from inside the fairy gate, she wanted to return to Jade Lotus Peak to do her own task.

If Mei Yueli was away for too long, Mu Xueying would definitely be suspicious of her, Mei Yueli was too lazy to get scolded by Mu Xueying.

"Okay" Ye Chen nodded, he wrapped his arms around Mei Yueli waist, Ye Chen took Mei Yueli away from the fairy gate.

Ye Chen and Mei Yueli reappeared where they had originally entered the fairy gate.

"Husband, what are you going to do next?" Mei Yueli asked Ye Chen's plans for the next.

"I want to go and register for the examination to enter the inner court" Ye Chen told Mei Yueli his goal.

Ye Chen wanted to take the entrance exam to become an inner court disciple, he had promised Mu Xueying to enter the core disciple competition.

"Oh, so you're already going to the inner court, then let me take you to where the exam is located" Mei Yueli wanted to take Ye Chen to the place where the inner court disciple exam was.

"What a coincidence, I don't know the place where the exam is held" Coincidentally Ye Chen didn't know the place, so Ye Chen wanted Mei Yueli to take him to that place.

"Then follow me" Mei Yueli told Ye Chen to follow her, Mei Yueli would take Ye Chen to where the exam was.

Ye Chen followed Mei Yueli, the two of them flew towards the examination ground to become inner court disciples.

Mei Yueli speed was very fast, Ye Chen couldn't keep up with Mei Yueli speed.

"Husband, why are you so slow?" Mei Yueli asked why Ye Chen was flying so slow, Ye Chen's flying speed was like a snail.

"It's nothing, why don't we just relax a bit more, I want to be with you for a while" Ye Chen said to Mei Yueli.

Mei Yueli didn't know that Ye Chen was in strenuous training mode, so it wasn't strange that Ye Chen was flying very slowly.

The weight on his body made it difficult for Ye Chen to use his full speed, flying at this speed was already difficult enough for Ye Chen to do.

Mei Yueli heart was very sweet when she heard this, Ye Chen is very romantic, it's not strange that many women are willing to be with Ye Chen.

"Then let's fly slowly" Mei Yueli agreed, herself agreeing to fly at a very slow speed.

Since the two of them were flying at speeds that could be said to be slow, Ye Chen and Mei Yueli took quite a while before arriving at their destination.

"Husband, this is the place." Mei Yueli pointed at a large building in front of them, this is where the inner court disciple exam was conducted.

"So this is the place" Ye Chen looked at the building in front of him, this building looks quite ordinary, there is nothing special about it.

"Why is this place not crowded, only a few people are in this place?" Ye Chen asked why this place was quiet and less crowded.

"Not many people take the exam, that's because usually exams are very expensive, if you fail then all your contribution points will be forfeited, if you don't have proper preparation and confidence, then no stupid person will try it" said Mei Yueli to Ye Chen.

"I see." Ye Chen now understood why this place wasn't too crowded, apparently that was the reason.

"You can register at that place" Mei Yueli pointed at a man waiting at the entrance, the man was in charge of recording registration.

"Then I will go back first, Sister Xueying will look for me" Mei Yueli said that if she had to go back, Mu Xueying would look for her.

"Be careful" Ye Chen advised Mei Yueli to be more careful, he wanted Mei Yueli to be careful when returning to Jade Lotus Peak.

"Okay, you too, good luck with this exam" Mei Yueli wished Ye Chen success in this exam.

After bidding farewell, Mei Yueli returned to Jade Lotus Peak, while Ye Chen directly went to meet the person in charge of registration.

"Is there anything I can help you with?" The person in charge immediately asked if Ye Chen needed any help from him.

"I want to register for the exam, is it still possible to do it?" Ye Chen asked the man in front of him.

"Of course, the fee is 4,000 contribution points, please pay for it to take the exam" said the male disciple to Ye Chen.

"This is it" Ye Chen didn't think much, he directly transferred the contribution points he had.

The male student in charge of registration immediately received Ye Chen's contribution points, after making sure Ye Chen paid, he gave Ye Chen's participant number.

"Please come in and wait for your turn, later the elder will call you when the time comes" the male disciple said to Ye Chen to go inside and wait his turn.

Ye Chen received the participant number that he got, after getting the participant number, Ye Chen immediately entered the building.

Chapter 1189 - Take The Exam To Be A Disciple T Of The Inner Court (2)

Ye Chen opened the door to the room, when Ye Chen did this, Ye Chen found that in the room there were several people sitting on the wooden chairs provided in this place.

It looked like they were the same as Ye Chen, they were all waiting for their turn to be summoned.

When Ye Chen entered, only a few people looked at Ye Chen, while the rest were concentrating on mentally preparing themselves for this exam.

They couldn't be bothered with simple things, they had to concentrate on not failing this first test.

If they failed this first test, it was certain that they would lose the contribution points they had given.

Ye Chen walked in, looking for a seat while waiting for his turn.

"bang. . ., Hueee. . ." The door suddenly opened, there was a man who suddenly came out crying.

This man was crying, he had failed this first test, he had lost 4,000 which was very precious.

For Ye Chen 4,000 contribution points was not a big thing, but for an ordinary disciple this was something big, they had to accumulate this for several months to be able to get this much contribution points, so it was not strange for this man to cry.

Everyone panicked when they saw this, they all felt even more afraid of failing this first test.

This man came out of this room, he was still crying because he had lost the contribution points he had.

This man is very pitiful, he looks like he just broke up with his girlfriend.

For others this may not hurt, but for people who experience it themselves, it must be very, very painful.

"Next" from inside came a voice belonging to an old man, this voice wanted the next participant to enter.

The next participant immediately entered, he hastily entered the room.

"Hi, is this the first exam difficult?" Ye Chen asked the male disciple sitting beside him.

"The first test is a little difficult, this is a test to see how strong your strength is, if you can't control your strength well, then you will be declared a failure in this test" the male disciple began to explain to Ye Chen about the first test they are going to do.

"It doesn't look too difficult" Ye Chen started to think that this first test wouldn't be too difficult, it's just controlling the strength he has, Ye Chen is very confident in his strength, that's why Ye Chen dared to say that he was confident that he could pass easily.

"It's not as easy as you think, the threshold is very high, not many people are able to maintain the strength they have so they fail" said the male disciple to Ye Chen.

"Let's see, this is my first time in this place, I want to know how difficult this challenge is." Ye Chen was in this place for the first time, so he wanted to know how difficult this challenge was.

"So you are still a beginner, it's not strange, most beginners always underestimate this, after you try it you will know the difficulty of this test" said the male disciple on the side.

"How many times have you taken this test?" Ye Chen asked the male disciple beside him.

"2X, I have followed this 2X, I am very sure that I will be lucky in this third chance" the male disciple said very proudly, he was very confident that he could pass.

Ye Chen couldn't help but smile wryly when he saw this, how could anyone be so banged up when he failed a test.

Perhaps the man in front of Ye Chen was the only one who did this.

"next" from the inside came a voice again telling the next participant to enter.

"Eh. . ., where did the previous participant go?" Ye Chen wanted to know where the previous participant had gone.

"They will go directly to the next stage, if you can pass this test, you will be sent to an even deeper room, in this place there will be another test waiting for you" The male disciple said to Ye Chen.

"Oh, so it's like that" Ye Chen began to understand, he now understood a little about the rules in this exam.

After getting a little information about what he wanted, Ye Chen waited his turn, there were still several participants before Ye Chen.

30 minutes began to pass, during this time many disciples had failed including the man who previously explained about this exam.

Finally after 30 minutes, it was time for Ye Chen to try to pass the first test.

Ye Chen entered the room, when Ye Chen entered the room, Ye Chen found an old man waiting for him.

In front of this old man there is a transparent glass ball, this scene is like when you are in a fortune teller shop.

"Forward" this old man told Ye Chen to come forward himself to do the first test.

Ye Chen immediately stepped forward, as Ye Chen stepped forward there was not the slightest bit of hesitation in his heart.

"Put your hand on this glass ball, and start using the profound strength you have." The old man told Ye Chen to use the power he had on the glass ball.

"What do I have to do to pass?" Ye Chen asked what he had to do to pass the first exam.

"It is a very easy thing, all you need to do is keep this ball brightly lit for a set time, as long as you can do it, then you will pass" said the old man to Ye Chen.

This old man told Ye Chen what he had to do to pass this first test.

Ye Chen started to do as the old man instructed, Ye Chen started to use his Profound Energy.

As Ye Chen used his profound energy, the glass ball started to shine quite brightly.

"good, keep it up well" Elder told Ye Chen to keep this up.

Ye Chen understood, he would defend this as best he could.

"This is easier than I thought" Ye Chen felt that this was much easier than he imagined, Ye Chen was sure that he could get through this very easily.

Just when Ye Chen thought that the first test would be easy, suddenly the flame of the glass ball became slightly dim, showing that Ye Chen's profound energy was insufficient to ignite the glass ball.

Ye Chen immediately discovered this, when Ye Chen discovered this, he immediately increased the strength of his Profound Energy, when Ye Chen did this, the glass ball shone brightly again.

The elder saw what was happening, he kept an eye on what Ye Chen was doing, he would make an assessment of whether Ye Chen could pass or not.

Ye Chen regained his composure, he managed to stabilize the glass ball as before.

Ye Chen's excitement did not last long, at this time the glass ball dimmed a little.

Ye Chen finally understood what had happened, it seemed that the longer this glass ball took the more profound energy it needed to keep burning.

"Damn it, so you want to play with me, alright I'll give you all the profound energy I have." Ye Chen couldn't take it anymore, he opened his Water Vein, countless pure profound energy burst out of Ye Chen's body.

Ye Chen directly injected this thing in the glass ball in his hand.

When Ye Chen did this, the glass ball gave off a very bright light, the room was immediately covered by a very bright light.

"What happened?" The elder in front of Ye Chen was shocked when he saw this, he didn't know what was going on right now.

Chapter 1190 - [Bonus]take The Exam To Be A Disciple T Of The Inner Court (3)

Elder looked shocked and confused by what was going on, he had never seen anything like this in his life.

The light emitted more and more dazzling even almost made the vision of the two people turn white.

"Cracks" After a while, finally heard a crack from the glass ball.

The glass ball in Ye Chen's hand started to crack as it was unable to withstand the overflow of Ye Chen's profound energy.

Ye Chen didn't seem willing to stop, he used all the Profound Energy he had and injected it into the glass ball.

"Boom. . ." The glass ball finally exploded, it was no longer able to withstand the load that exceeded the measuring limit.

After the glass ball exploded, the room went back to how it was before, the Elder fell silent when he saw what had happened, he was still confused about what had just happened.

"Is this tool broken?" The elder was starting to think that the tool he was using was broken, otherwise how could this have happened.

"Looks like this device is indeed broken, so do I pass?" Ye Chen asked the Elder in front of him.

"Of course, you pass, quickly and go to the next stage." The elder told Ye Chen that he passed and was entitled to advance to the second level examination.

Ye Chen nodded, he immediately went to another room that was used for the second exam.

Elder was still scratching his head, he was confused about what just happened, what just happened was still confusing, until now he had never heard of a case like this when he worked in this place.

"What exactly made this thing destroyed, looks like I have to go to an artifact repairman to find out why this tool is broken" Elder will take this tool to a service center, that way he will know the reason why this tool can be damaged.

This elder still didn't know about the reason for the damage caused by Ye Chen, the Elder didn't expect that this tool had been tampered with by Ye Chen.

The reason Elder didn't suspect Ye Chen was because Elder thought that Ye Chen couldn't possibly damage this tool, not even himself could damage this tool, let alone an outer court disciple like Ye Chen, this was impossible.

"Since the tool is broken, it looks like my work will be finished early, then I'll just go and drink some hot tea." Elder wanted to enjoy tea and relax in his room.

It seemed that this Elder was very lazy, he was actually happy when the measuring device was destroyed by Ye Chen. LoL how a person like this becomes an Elder :).

.

.

Ye Chen entered another room, when Ye Chen entered another room, Ye Chen found an old man standing in front of a painting.

"Come here" The old man immediately waved his hand at Ye Chen, he ordered Ye Chen to come towards him.

Ye Chen stepped forward, standing right in front of the old man.

"My name is Bon Kairan, I will test you in this second test" This old man introduced himself to Ye Chen, the old man told Ye Chen about his name.

"Greetings Elder Bon" Ye Chen saluted Bon Kairan, himself doing something formal for a Sect disciple.

"Okay, I won't be long, your job is to guess how many golden fish are in the painting and show them to me" Bon Kairan told Ye Chen to guess the golden fish in the painting on the wall.

"Just like that?" Ye Chen didn't expect the second test to be like this.

"If you really have the ability, then show it to me." Elder Bon Kairan told Ye Chen to show the ability he had.

The second exam is much more difficult than the first exam, this level of difficulty is much deeper than before, many students do not pass this second exam.

Those who don't pass usually don't have proper abilities, so they can't guess the golden fish in the painting.

Ye Chen stepped in front of the painting, he began to observe the painting in front of him.

From a glance, Ye Chen didn't find any golden fish in this painting, he couldn't see this painting.

"Uh, where's the gold fish?" Ye Chen started to wonder where the golden fish was in the painting, at a glance there was no golden fish that Ye Chen could see.

"master, this painting is special, you should focus more and use your perception, what you seek you will get" Chu Yuechan spoke in Ye Chen's head, Chu Yuechan told Ye Chen to focus even more, that way Ye Chen would find fish the gold he was looking for.

"Okay" Ye Chen nodded, he increased his focus even further, when Ye Chen increased his focus, he found that the water image in the painting was moving, all the fish were swimming like a projection screen.

"Is that so" Ye Chen now understood, apparently this is the case, this painting is very special, this painting will move when Ye Chen uses his perception.

After knowing the purpose of this test, Ye Chen immediately started to count all the golden fish in the painting, Ye Chen started to count all the golden fish he could see.

"How much can you see, if you can't see it, then I suggest you give up" Bon Kairan said to Ye Chen, telling Ye Chen to give up if he couldn't count the golden fish in the painting.

"Shh, I'm counting." Ye Chen told Elder Bon Kairan to be quiet, he was counting the golden fish in the painting.

"_-"Bon Kairan couldn't believe what he was hearing, he couldn't believe he would be treated like this by an outer court disciple.

Bon Kairan didn't think about this at all, he could no longer think how Ye Chen dared to say this to an elder like Bon Kairan.

"We'll see how great your abilities are." Bon Kairan was curious about how great Ye Chen's abilities were, if this guy didn't have the abilities Bon Kairan would have kicked him out of here right away.

After a few minutes of searching, Ye Chen finally finished finding all the golden fish that were in the painting.

"Alright, I've found them all, there are nine in total" Ye Chen told Bon Kairan that golden fish there were nine in the painting.

"Huh?, are you sure about that?" Bon Kairan asked Ye Chen again, he gave a second chance to rethink his answer.

"I counted it right, there are nine in total." Ye Chen had counted it very correctly, the total he could see was nine.

"Then show me where you see it." Bon Kairan told Ye Chen to show him where the golden fish he managed to see.

Ye Chen started to show all the golden fish he found, Bon Kairan expression was even more shocked when he saw Ye Chen guessed everything very correctly.

"this person" Bon Kairan could hardly believe what he saw, Ye Chen's perception was far above his.

Bon Kairan himself had spent quite a long time in this place, but he could only find four golden fish, not to think that would an outer court disciple be able to find golden fish.

Bon Kairan knows that in this painting there are nine golden fish, but to find all of them is something that is very difficult to do.

Even a patriarch class wouldn't be able to do it.
