Chapter 1191 - Take The Exam To Be A Disciple T Of The Inner Court (4)

"That's great, I didn't expect you to guess everything right" Elder Bon Kairan praised Ye Chen's ability, Ye Chen's perception was beyond his reach.

"So did I pass?" Ye Chen asked if he passed or not.

"Tch, you certainly passed, you even graduated with the most perfect grades I've ever seen" Bon Kairan told Ye Chen that he passed.

Ye Chen's score was the highest, Ye Chen had succeeded beyond any imagination Bon Kairan could imagine, how could Bon Kairan say failed after seeing Ye Chen who had succeeded beyond his own imagination.

Ye Chen nodded, he immediately went to the next place for the third test.

"What a very interesting person, I didn't know that the Sect had such a great person." Bon Kairan didn't know that in this Sect there was such a great person as Ye Chen, he first saw someone who could guess the painting on the screen behind him.

Bon Kairan focused his gaze on the painting in front of him, trying to find the Golden Fish that Ye Chen said.

"Hi Kairan, what are you doing" When Bon Kairan was staring at the painting, suddenly the Elder who was in charge of the first exam came to this place.

"That's Xei Vale, you just startled me." Bon Kairan said to the Elder who startled him.

"So what are you doing?" Xei Vale asks what is Bon Kairan doing right now.

"I'm just looking at this painting" Bon Kairan said to Xei Vale

"you've spent a lot of your time looking at it, aren't you tired of looking at it?" Xei Vale asked Bon Kairan.

"I spent my life studying this, unfortunately I still can't learn everything in this painting" Bon Kairan sighed, he was very disappointed because he couldn't learn this.

"Hahaha, that is indeed very difficult, even the patriarch would definitely not be able to learn it, so no one in the Sect is capable of doing that" Xei Vale said to Bon Kairan.

This painting is something, even the patriarch cannot fully see the secret behind this painting.

"You're wrong, just now someone managed to guess everything in this painting," said Bon Kairan to Xei Vale.

"What?" Xei Vale was shocked when he heard this, he couldn't believe what he just heard.

Someone managed to guess all the Golden Fish in the painting, it was unbelievable.

" who is that ?" Xei Vale asked who managed to guess all the golden fish hidden in this painting.

"He is a participant who just arrived" Bon Kairan told Xei Vale about the participant who had just passed.

"Oh you mean that man with a strange appearance, he has also broken my measuring device" Xei Vale said to Bon Kairan.

"Really, I want to know the details" Bon Kairan asked Xei Vale, he wanted to know about the details that Xei Vale just said.

"Well, how about we discuss it over tea, it's rare that we can relax" Xei Vale invited Bon Kairan to drink tea, it's rare for the two of them to relax like now.

Bon Kairan nodded, agreeing with Xei Vale's suggestion, the two of them rarely had this kind of time in the lives they had.

.

.

By this time Ye Chen had arrived at the deepest room, this was where the final test was held.

"Oh, finally someone has come to this place, are you ready for the final test" Ye Chen was greeted again by an old man, this old man told Ye Chen that this was the last test.

"I am ready" Ye Chen told the elder that he was ready for the final test.

"It's good that you are ready, I will explain how you pass this test." The elder began to explain how to pass this test.

This test is very easy, all Ye Chen needs to do is enter a special place filled with Magical Beasts, in that place Ye Chen must find a randomly hidden key, as long as Ye Chen can take the key and get out safely, then it is certain that Ye Chen will pass.

"Do you understand?" Elder asked Ye Chen.

"Yes, I understand." Ye Chen said that he had understood, he had understood about the exam this time.

The test this time was to find an item, as long as Ye Chen managed to find the item and brought it out, then Ye Chen would pass.

Ye Chen felt that this was very easy, Ye Chen might be able to get through all of this very easily, Ye Chen's confidence was very high.

"Alright, that's the entrance, you have 1 hour, after 30 minutes you will be forcibly ejected, don't waste the time you have, you better leave immediately" Elder told Ye Chen not to waste time and immediately went inside.

Ye Chen completely agreed with Elder's words, he really shouldn't waste his time.

Ye Chen went straight into the door the Elder said, after Ye Chen entered, Ye Chen found that he was in a dark forest, not even a single ray of sunlight could penetrate into this forest.

Ye Chen looked around this place, when Ye Chen looked around this place, Ye Chen found that around this place there were a lot of magical beasts roaming around.

"I won't waste time fighting these magical beasts, I'd better go find the key the elder said " Ye Chen didn't want to waste the time he had to fight the magical beasts in this place, it's better Ye Chen focused on his goal.

"**God Eyes**" Ye Chen used **God Eyes** to find the whereabouts of the key.

Using **God Eyes**, Ye Chen could easily find the whereabouts of the key he was looking for.

"I found it" after searching for a few seconds, Ye Chen finally found the whereabouts of the key he was looking for.

The key that Ye Chen was looking for was inside a tree, meanwhile the tree was guarded by several Magical Beasts that looked enormous.

Ye Chen went closer, trying to get as close as possible to the item he was looking for.

"Hehehe, I have a way to take this thing" Ye Chen has his own way of taking it without the enemy knowing.

"**Perfect Steal**" Ye Chen used **Perfect Steal** to take the key that was in the tree, using **Perfect Steal**, the key that was in the tree immediately appeared in Ye Chen's hand.

"Hehehe, done, this is really easy" Ye Chen smiled, he felt that this was very easy to do.

After finding what he was looking for, Ye Chen only needed to go back and report his findings, then Ye Chen had already passed this test.

Ye Chen returned to where he first entered, after arriving at the starting place, Ye Chen immediately came out to the original world.

"So fast, have you given up already?" The elder asked Ye Chen, he wanted to know why Ye Chen came out so quickly, whether Ye Chen had given up so quickly.

"I have found what I was looking for." Ye Chen took out the key he had to find inside.

"What, how is that possible, it's only a few minutes" The elder couldn't believe what he was hearing right now, what he was listening to was like an impossible thing to do.

Chapter 1192 - Officially Became A Disciple Of The Inner Court

"Look at this, if you don't believe me." Ye Chen threw a key at Elder.

Elder received the key thrown by Ye Chen, when Elder received the key thrown by Ye Chen, he found that this was indeed the key to look for.

"This is great." Elder couldn't believe what he saw, Ye Chen had actually managed to find the key to look for.

Elder was rendered speechless when he saw this, Ye Chen was the fastest person Elder had ever seen, Ye Chen's speed was the most terrifying that Elder had ever seen while working in this place.

"Now can I get the mark of an inner court disciple?" Ye Chen asked if he could become an inner court disciple.

"Alright, I'll do the procedure right away." The elder said that he would carry out the necessary procedures to become an inner court disciple.

Ye Chen followed the Elder, himself finished everything to become an inner court disciple.

The procedure was very easy for Ye Chen to do, he just needed to get a new uniform and also a sign to become an inner court disciple.

Everything was going very fast, in just a few minutes the Elder had transferred all that had to be done, now Ye Chen had gotten the mark of becoming an inner court disciple as well as a new uniform.

"Congratulations on your graduation, now you can become an Inner Court disciple." The elder said that Ye Chen had already become an Inner Court disciple, he was now an Inner Court disciple officially.

"This is your room key, make sure you don't give it to anyone else to prevent theft." The elder told Ye Chen not to give this key to anyone else or something bad would happen.

"Okay, I understand, thanks for the instructions, I will go first" Ye Chen said goodbye, he immediately left this place.

"This disciple is indeed something, I don't know if he has high luck or indeed has the ability." The elder didn't know if Ye Chen's luck was very high or he had an ability.

This was a riddle for the Elder, he didn't know whether Ye Chen had the ability or not.

"Finally it's over, it took much longer than I expected" Ye Chen was very happy, it was all over, now he was very happy that he had succeeded in becoming an inner court disciple, now all he needed was to move all his belongings to his new room.

"I'll just leave this to my new servant." Ye Chen was lazy to move his own belongings, it was better to tell Song Ziyu to do this.

"Ziyu. . ." Ye Chen called out Song Ziyu name, a few minutes later Song Ziyu appeared in front of Ye Chen.

"what are you looking for me?" Song Ziyu asked Ye Chen, why did Ye Chen suddenly call him.

Song Ziyu was busy, she was practicing her strength, when Song Ziyu was doing that, Ye Chen suddenly came and disturbed her.

"I need your help with something" Ye Chen said that he needed help from Song Ziyu.

"What kind of help is that?" Song Ziyu asked what Ye Chen needed from her.

Song Ziyu didn't know what Ye Chen needed, Song Ziyu felt something bad about this matter.

"I want you to take the things in my old room and move them to a new place in the inner court." Ye Chen told Song Ziyu what he needed.

"Sigh, just like that, you bothering me over such a trivial matter, are you crazy?", Song Ziyu couldn't believe that Ye Chen was bothering her over a small matter like this.

"So you dare to refuse this request from your Master, fine, then let me. .." Ye Chen didn't continue his words, Ye Chen smiled evilly at Song Ziyu instead.

Song Ziyu saw Ye Chen's evil smile, Song Ziyu felt something bad was about to happen to her.

Song Ziyu still remembered Mei Yueli words, Mei Yueli telling her not to make trouble with Ye Chen, otherwise Ye Chen would definitely not let her go like before.

"Alright, alright, I'll do it." Song Ziyu had no choice but to agree with what Ye Chen said, she had no choice but to do as Ye Chen said.

"Very good, go quickly" Ye Chen nodded in satisfaction, it seemed that the threat he gave was very effective in making Song Ziyu obedient.

Helplessly Song Ziyu go to Ye Chen's place, she going to get Ye Chen's old Items.

After Song Ziyu left, Ye Chen immediately went to the inner court, the inner court was even deeper, so Ye Chen had to go deeper.

Ye Chen entered the entrance to the inner court, just like the outer court, the inner court was guarded by several people who were responsible for guarding in case any battle or bad things happened.

The guards in this place were also inner court disciples who worked to find some contribution points to their cultivation practice.

Ye Chen immediately went inside, himself setting his foot on the inner court.

"So this is the inner court, this place has pure Energy that is much richer than the outer court." Ye Chen could feel the considerable difference between the outer court and the inner court.

The Energy in this place is definitely richer than the Energy in the outer court.

It seems that the closer to the nine peaks, the pure energy will become richer, which means that in the place of Mu Xueying, Mu Nianci, Mei Yueli and Xia Qingyu, the pure energy in that place is much richer than the one in this place.

"Okay, then my next goal is to become a core disciple, which peak should I join?" Ye Chen started to wonder which peak he would choose next.

The time for the competition was not long, so Ye Chen had to choose which peak was good for him.

"I'll just ask Senior Xueying, she should know more about the conditions of each peak" Ye Chen intended to ask Mu Xueying, she should know more about this matter than himself.

"Where should I put the things you have?" Song Ziyu asked where she should put all of Ye Chen's belongings.

Song Ziyu was very fast, in an instant she had tidied up all of Ye Chen's belongings.

"Come with me" Ye Chen told Song Ziyu to come with him to the room he got.

Song Ziyu nodded, she could only follow Ye Chen, Song Ziyu didn't know where they were going, so Song Ziyu could only rely on Ye Chen to guide the way.

Ye Chen went to find his room, he relied on his abilities to find his room.

Luckily the inner court wasn't as large as the outer court, so Ye Chen could more easily find his room.

After searching together with Song Ziyu for a while, Ye Chen finally found his room.

"Is this the room I will be staying in?" Ye Chen saw a small building in front of his eyes, this building was only slightly bigger than the one Ye Chen had in the outer court.

Ye Chen thought that becoming an inner court disciple would get an upgrade in terms of rooms, but the reality was that this room was still the same as the one in the outer court.

"How long are you going to see like that, let's go inside.." Song Ziyu told Ye Chen to go inside himself wanting to finish this task as quickly as he could.

Chapter 1193 - Ye Chen, You Bastard

"Let's go inside" Ye Chen invited Song Ziyu to enter his room.

Ye Chen used the key given by the Elder, after using the key the door of the room finally opened.

When Ye Chen entered the room, Ye Chen found that the inside of this room was very dirty.

"Ziyu, clean everything." Ye Chen told Song Ziyu to clean everything, especially the dust that was in this place.

"Why should I ?" Song Ziyu immediately asked why she had to do this.

"You are my servant, it is your duty to do something like this." Ye Chen casually told Song Ziyu about the task he had.

"Grrr" Song Ziyu started to growl, it seemed that Song Ziyu really didn't like it when she was ordered like this by Ye Chen.

"Why don't you want to, then I will. . ." Ye Chen again threatened Song Ziyu who was in front of him.

"Fine, I'll do it." Song Ziyu gritted her teeth, she had no choice but to do this grunt work.

This is very funny, in her life Song Ziyu has never done anything like this, she always told servants or other people to do things like this.

Now that Song Ziyu was forced to do the cleaning by Ye Chen, this was simply inconceivable to Song Ziyu.

Song Ziyu started to do some cleaning, quickly brushing off the dust in this place.

Using the strength she had, Song Ziyu quickly cleaned up all the dust in this place.

"It's done" Song Ziyu reported to Ye Chen that he had finished doing the work that Ye Chen had told him to do.

Ye Chen was currently sitting outside enjoying the sun, enjoying his leisure time as Song Ziyu cleaned his room.

"You can start organizing the items I have and place them inside." Ye Chen told Song Ziyu to go and put his belongings inside.

"Alright" Song Ziyu smiled wryly at Ye Chen, obviously Song Ziyu wasn't satisfied with Ye Chen's orders.

Song Ziyu had never done this much work in her life, Ye Chen was the first person to have made herself do something like this.

Song Ziyu went back into the room, and began to organize the items that were owned by Ye Chen.

To be honest, Ye Chen's belongings were a little strange, Song Ziyu had rarely seen things like this in her life.

"This stuff looks pretty good, where did this guy get it from?" Song Ziyu started to wonder where Ye Chen had gotten things like this, this was still a question for Song Ziyu.

Song Ziyu started putting down Ye Chen's belongings, she started putting down all the things she wanted.

Song Ziyu didn't know what kind of taste Ye Chen had, so she didn't know what kind of taste Ye Chen had, Song Ziyu put it carelessly.

Song Ziyu really didn't know what kind of taste Ye Chen had, so Song Ziyu put this thing down the way he wanted.

"Alright done, time to report" Since it was over, it was time for Song Ziyu to report this to Ye Chen.

"Master, I'm done." Song Ziyu said to Ye Chen that she was done.

"Really, then let me see what kind of work you do." Ye Chen entered his room, wanting to see what kind of work Song Ziyu was doing.

"This is not interesting, arrange it again" Ye Chen said if it is not interesting, Ye Chen wants Song Ziyu to arrange it again.

"what ! ! !, how can you" Song Ziyu pointed at Ye Chen, she was very annoyed with Ye Chen playing with her.

"Just hurry up and work, otherwise you'll never go home" Ye Chen told Song Ziyu to quickly resolve this matter, lest Song Ziyu waste time on unimportant things like this.

Song Ziyu growled, trying to contain her anger, it's quite difficult being Song Ziyu right now, this stresses Song Ziyu a lot.

Ye Chen came out of the room, relaxing again outside the room, while waiting for Song Ziyu work.

Song Ziyu had no choice, she was forced to rearrange all the things in this place.

"wife, I'll be home later, let's have a party" Ye Chen contacted Li Jingyi via voice transmission, he told Li Jingyi that he would be back tonight.

Ye Chen had not seen his beautiful goddess for a long time, he wanted to meet Li Jingyi again.

"Husband, you finally want to go home, I will prepare a party for your arrival" Li Jingyi quickly replied to Ye Chen's voice transmission, she was going to prepare everything for Ye Chen's return.

Li Jingyi looked very excited when she heard this, she had been waiting for this news for a long time.

Ye Chen smiled when he heard Li Jingyi voice, he was very happy when he heard Li Jingyi voice.

"I'm looking forward to tonight" Ye Chen said that he was looking forward to tonight, he couldn't wait to come back.

Ye Chen turned his attention towards Song Ziyu, for the time being Ye Chen was going to play with Song Ziyu.

It was quite fun to play with Song Ziyu, Ye Chen loved seeing Song Ziyu angry face when she received orders from Ye Chen.

"I'm done" Song Ziyu told Ye Chen that she had finished rearranging Ye Chen's belongings.

"Reset, I don't like it" Ye Chen said to Song Ziyu, Ye Chen told Song Ziyu that he didn't like it, so he wanted Song Ziyu to rearrange it again for him.

"But you haven't seen it yet." Song Ziyu said that Ye Chen hadn't even seen it, how could Ye Chen say such a thing.

"if I say change then you have to change it" Ye Chen said to Song Ziyu who was at the side.

Steam started to come out from above Song Ziyu's head, it was obvious that Song Ziyu had started to get hot with Ye Chen's actions.

Ye Chen's original goal was to make Song Ziyu angry, when Song Ziyu was angry, Ye Chen really enjoyed this moment.

The current Song Ziyu couldn't fight Ye Chen, if only Song Ziyu could put up a fight, then Song Ziyu would start strangling Ye Chen's neck.

Song Ziyu returned to the room, closing the door very hard.

"Ye Chen, you bastard" Song Ziyu started to scream very loudly, she vented the resentment that was in her heart.

"Hehehe" From outside Ye Chen could still hear this, Ye Chen smiled when he heard this.

It's still early, there will be even more interesting things that Ye Chen can do for Song Ziyu.

.

.

Currently In Ye Chen's private house.

Li Jingyi was currently in the kitchen, preparing a meal to welcome Ye Chen's arrival.

Beside Qiao Xin helping Li Jingyi prepare everything, Qiao Xin helping Song Ziyu make food for tonight.

It just so happened that when Ye Chen gave Li Jingyi a voice transmission, Qiao Xin was in this place, so she knew what was going to happen tonight.

"Jingyi, you look very happy, do you miss that man?" Qiao Xin asked Li Jingyi.

"Of course, I haven't seen her in a long time, so I wanted to make something special for her" Li Jingyi said to Qiao Xin.

Chapter 1194 - Robber Trying To Plunder Beauty

"Is that so, you know a few days ago I met Ye Chen at the brothel" Qiao Xin told Li Jingyi that she met Ye Chen at the brothel.

"What is he doing in that place, is he looking for a woman in that place?" Li Jingyi was curious about what Qiao Xin said, she wanted to know why Ye Chen went to the brothel.

"So why if he is looking for women in a brothel, are you angry if this happens?" Qiao Xin asked Li Jingyi.

"Of course not, why should I be angry about it, if they really have the ability, they can try it" Li Jingyi said to Qiao Xin.

Li Jingyi wouldn't be angry about this matter, she even knew Ye Chen better than anyone, women like them definitely didn't have the ability to go against Ye Chen.

Li Jingyi herself even had a hard time dealing with Ye Chen's strength, let alone just a woman from a brothel who didn't have great strength, they would definitely not last long against Ye Chen.

"fufufu, your reaction is very funny" Qiao Xin smiled when she saw Li Jingyi reaction, Li Jingyi reaction was very funny, Qiao Xin really liked this.

"He's not looking for women, rather he's going to look for his enemies in the brothel" Qiao Xin said to Li Jingyi.

Qiao Xin told Li Jingyi that Ye Chen went to the brothel to meet his enemy.

"Is that so, I think he's looking for a woman in that place" Li Jingyi was relieved to hear this, he thought Ye Chen was indeed looking for a woman in such a place.

"Oh, yes, there are four beautiful women near Ye Chen, it seems they know Ye Chen and have a close relationship with Ye Chen." Before Li Jingyi could relax, Qiao Xin once again told Li Jingyi that Ye Chen had gone to a brothel with four beautiful women.

Here Qiao Xin was talking about Mu Xueying, Mei Yueli, Xia Qingyu as well as Mu Nianci.

"Who are they?" Li Jingyi asked Qiao Xin about the identities these women had.

Whether they were Ye Chen's wives or not, Li Jingyi was very curious about this.

"I thought they were outer court disciples like Ye Chen, from their clothes I'm sure they are outer court disciples, unfortunately they are wearing veils, so their appearance is a bit difficult to see" Qiao Xin said to Li Jingyi.

Qiao Xin didn't know who the woman beside Ye Chen was, she still didn't know the women who were near Ye Chen, they were very mysterious.

"But one of the women has very high cultivation, I'm very sure about that matter." Qiao Xin told Li Jingyi that one of the four women she met had a high cultivation.

"Husband is great, he has so many great acquaintances like that" Li Jingyi said that Ye Chen was great, he had many beautiful female acquaintances and had strong cultivation.

"Eh, why do you say that, aren't you jealous of this?" Qiao Xin felt very strange when she saw Li Jingyi reaction, Li Jingyi didn't look jealous at all when she heard something like this.

"So why, is there a problem with that?" Li Jingyi made a stupid expression, she didn't understand what Qiao Xin meant at this point.

"Forget it." Qiao Xin shook her head, she couldn't expect much when she saw Li Jingyi reaction.

"What is this, why is he reacting like that when he sees this?" Qiao Xin was speechless when she saw Li Jingyi reaction.

Li Jingyi reaction was really very abnormal, if this was a normal woman, they would definitely be furious when they heard this, but Li Jingyi was different, she wasn't angry at all even when she heard something like this.

Qiao Xin was more and more confused with Li Jingyi, she thought Li Jingyi was quite a strange woman.

"This beautiful goddess, what exactly is on her mind?" Qiao Xin tried to guess what was going on in Li Jingyi mind, Li Jingyi thoughts were too complicated for her to understand.

"Oh yes, Xin, how did you find out about this?" Li Jingyi asked how did Qiao Xin find out about something like this.

"it's because I happen to be working there" Qiao Xin said to Li Jingyi.

"Eh, you work in a place like that?" Li Jingyi didn't expect Qiao Xin to work in such a place.

"of course, otherwise how can I teach you something like that" Qiao Xin smiled at Li Jingyi, Qiao Xin was discussing the evening lessons that Li Jingyi often gave.

Li Jingyi smiled, now that Li Jingyi knew why Qiao Xin was so good at this matter, it turned out to be the reason.

"So that's how it is, I didn't expect that you would work in such a place." Li Jingyi did not expect that Qiao Xin would work in such a place.

"I have no choice, if it doesn't work who will give me the resources" Qiao Xin said helplessly.

"Eh, aren't you rich enough, you have such a big house?" Li Jingyi couldn't believe this, Qiao Xin had a big and nice house, how could Qiao Xin be such a poor woman.

"It . . ." Qiao Xin had a hard time answering this question, just now Qiao Xin was wrong in taking words.

"Argh. . ., Argh. . ., Argh. . . ." While Li Jingyi and Qiao Xin were talking, suddenly a scream came from outside.

This voice was quite loud, it could clearly be heard by Li Jingyi and Qiao Xin who had quite high cultivation.

"Jingyi, outside there are some people sneaking into this place" Qiao Xin immediately told Li Jingyi that there were several people sneaking into this place.

"I know." Li Jingyi also discovered this, she could sense that some people were forcibly barging into this house.

the moment people forcibly broke through the courtyard, the Array that Ye Chen set up began to react, this Array instantly attacked any intruders who tried to go deeper.

The array that Ye Chen set up was a high rank Array, people who entered would find it difficult to break through to this place, some of them had even fallen before they could enter the courtyard.

Li Jingyi and Qiao Xin immediately went outside, both of them saw what was happening.

When the two of them were outside, they found dozens of people carrying several sharp weapons and also having terrible appearances, it seemed that they were dangerous criminals.

"What are you doing in my house?" Li Jingyi asked what these people were doing in this place.

Everyone's eyes immediately lit up when they saw Li Jingyi and Qiao Xin, they had never seen a woman as beautiful as Li Jingyi and Qiao Xin.

Especially Li Jingyi, Li Jingyi capital is quite large, this attracts the eyes of men who see them.

"Wow, we really got the Jackpot, we found two beautiful women in the same house" The leader of this crowd looked at Li Jingyi and Qiao Xin, he looked very excited when he saw the two.

"Jingyi, it looks like they are robbers looking for loot in the rich district, don't waste time with them" Qiao Xin told Li Jingyi that these people were robbers.

Chapter 1195 - Looking For Trouble With The Wrong Woman

"Are there criminals around this place, I think there are guards guarding this place?" Li Jingyi asked Qiao Xin.

"There are indeed guards on duty in this place, I think they have all been defeated by these people" Qiao Xin said to Li Jingyi that it was possible that the guards had been defeated by the robbers.

"How can the guards lose to someone like this, aren't they too weak?" Li Jingyi asked Qiao Xin.

"Don't expect too much from them, they are not as strong as you think" Qiao Xin replied.

The guards in this place weren't very strong, they couldn't possibly win against robbers with this many weapons and groups.

Li Jingyi didn't expect the guards to be that weak, according to Li Jingyi the guards in the imperial palace were much better.

"You two come here quickly, otherwise we will hurt you" the leader of the robbers told Li Jingyi and Qiao Xin to come towards them.

"If you really have the ability, why don't you just come to this place?" Qiao Xin told these people to come to their place.

Qiao Xin knew that around Ye Chen and Li Jingyi house there was an extremely powerful Array, so robbers would not dare to enter this territory.

"damn it" The robber boss looked angry when he heard this, Qiao Xin's words were like an insult to him.

"All of you hurry in and catch the two women?" The robber boss ordered his men to rush in and arrest Li Jingyi and Qiao Xin, tonight he should be able to taste these two beauties rarely seen in the Sky Cloud Peak Star Realm.

"But boss, the guard here is so strong, our people even fainted right after going inside" one of the robbers told their boss about the powerful Array protecting this place.

"I don't care, hurry up and get the two women for me, otherwise you will lose the lives you have" The robber boss threatened all the men he had.

All the robbers were afraid of this, they were afraid of losing their lives when they refused orders from their bosses.

All the robbers charged forward, they all tried to break through the Array surrounding Ye Chen's house.

"Boom. ." When the robbers tried to break into Ye Chen's house, they were all attacked by various arrays of lightning, fire, rock, ice, and strong winds.

This caused the robbers to be flown away from this place, they were all unable to get close to Ye Chen's house.

Li Jingyi and Qiao Xin couldn't help but smile when they saw this, they laughed at the people who tried to enter this place.

"Damn it" The robber boss looked very angry when he saw what was happening, he thought what was happening right now was very annoying.

The minions he had were flown away so easily, how could the robber boss not be angry when he saw this.

"Quickly bring the prisoners we have." The boss of the robbers ordered his men to bring the prisoners they had caught.

Right now there were several beautiful women with good looks who were being tied up, they were all captured by these robbers for fun and also sold as slaves.

women with beautiful looks and good looks were brought in front of Li Jingyi and Qiao Xin.

"If you don't come, I will do bad things to these people." The robber boss said to Li Jingyi to get out of this house, otherwise he would do bad things to the women he held captive.

"Hahaha, it's so funny, they have nothing to do with us, so it's useless to use them to threaten us" Qiao Xin said to the Boss of the robbers.

Qiao Xin felt that these people were so stupid, they didn't use anything unreasonable to threaten her and Li Jingyi.

The robber boss gritted his teeth, he didn't expect Qiao Xin to say something like this in front of him.

"Damn, threats don't work on them, what should I do now" The boss robber looked confused by this, he didn't know how to get Li Jingyi and Qiao Xin out of their shelter anymore.

The array that Ye Chen set up was extremely powerful, these robbers wouldn't be able to penetrate it even if they used all their abilities.

"Xin, don't they look pitiful, how about we help them" Li Jingyi felt sorry for the women being held captive by the robbers, he wanted to save them.

"Are you sure, you don't even know them, so why are you helping them?" Qiao Xin said to Li Jingyi.

Li Jingyi didn't even know all of them, so why would Li Jingyi bother to help them?

"It's okay, they're all still neighbors with us, so it's okay if we help them." Li Jingyi said that she wanted to help a neighbor who was in trouble.

"It's up to you" Qiao Xin couldn't stop Li Jingyi, if Li Jingyi really wanted to do that, then Qiao Xin wouldn't stop her.

Li Jingyi stepped forward, heading towards the robbers in the distance.

The robbers at the front looked very happy when they saw Li Jingyi approaching, they looked very happy about this.

"Come here" the robbers were very happy with Li Jingyi arrival, they very well welcomed Li Jingyi arrival.

These people don't know who they're dealing with, they've all been looking for a problem with the wrong person.

Li Jingyi remained as usual, she used a gentle smile towards the robbers in front of him.

Li Jingyi knew that these people were evil, even though she knew that these people were evil and dangerous people, Li Jingyi still gave these people a smile as usual.

Li Jingyi was getting closer and closer, he was already a few meters away from the robbers.

Several robbers couldn't stand the sight of Li Jingyi beauty, they all immediately rushed forward towards Li Jingyi who was a few meters in front of them.

They all stretched out their hands towards Li Jingyi, it seemed that they all wanted to reach out to Li Jingyi who was in front of them.

Li Jingyi charm was something that no man could resist, Li Jingyi appearance was very beautiful, after being moistened by Ye Chen several times, Li Jingyi was now more and more beautiful.

It was hard for a normal man to resist this, Li Jingyi was like a jewel that fell from the sky, which made everyone want to have it.

Some of the robbers started to get so close they almost touched Li Jingyi body.

When they almost got Li Jingyi, they all felt something was wrong, they all couldn't reach Li Jingyi, they felt that their hands couldn't reach Li Jingyi.

"What happened to your hands?" The robber in the back informed the people who were trying to reach Li Jingyi.

By the time they came to their senses, they had all lost the hand they had.

"Argh. . . ." the people who lost their hands started screaming in such a panic that they didn't know what was happening.

They don't feel any pain when they lose their hands, they don't even notice this, it's all so fast that no one notices that their hands are missing.

The robbers immediately retreated, they tried to retreat from Li Jingyi, they were all afraid of this beautiful goddess.

"Why are you all retreating, don't you want to arrest me?" Li Jingyi asked all the robbers in front of him.

Chapter 1196 - Ye Chen Vs Robber Boss

Li Jingyi told these people to arrest her, unfortunately people were already afraid of Li Jingyi, they all felt that Li Jingyi was very strange.

This beautiful goddess was abnormal, they could sense that Li Jingyi was far more dangerous than they imagined.

"Why do you guys retreat, quickly arrest this woman" The boss of the robbers ordered his subordinates to go and arrest Li Jingyi.

"Boss, this woman is not normal, there seems to be something wrong with her" said one of the robbers to their Boss.

The robbers had seen Li Jingyi oddity, this woman might look gentle, but she was extremely dangerous.

"Jingyi is far more terrifying than I imagined, it seems she is something that cannot be angered" From a distance Qiao Xin saw what was happening, she felt that Li Jingyi was much stronger and more terrifying than she thought.

Behind this gentle face, it turns out that Li Jingyi can also be quite cruel, she can do such things to her enemies, even her enemies can't know what happened.

From the beginning Qiao Xin had expected that Li Jingyi was very strong, but Qiao Xin did not expect that Li Jingyi could become like this.

"Ye Chen, you find a woman like this, if she finds out about our relationship, maybe we will both be killed by her right away." Qiao Xin was getting more and more afraid of Li Jingyi, she was afraid that Li Jingyi would act impulsively if she found out that Qiao Xin and Ye Chen had a relationship.

From now on Qiao Xin had to be careful, she had to be able to keep this a secret so that Li Jingyi wouldn't know.

"I don't care, hurry up and catch this woman, you all have weapons, how can you not catch her" the robber boss said to his subordinates.

"The robbers looked at the weapons they were holding, they had weapons, so why are they all afraid of Li Jingyi.

"Let's attack" one of the robbers very boldly tried to get people to attack Li Jingyi.

Some people regained the confidence they had, they immediately rushed towards Li Jingyi.

There were about ten people advancing towards Li Jingyi, they raised their weapons to attack Li Jingyi.

These people attacked a beautiful goddess who was full of tenderness like Li Jingyi, if there was someone else in this place, they would definitely help Li Jingyi straight away.

Unfortunately there were no men in this place, so no one was willing to help Li Jingyi deal with these people.

Li Jingyi waved her hand, intending to immobilize these people by immobilizing their two legs.

That way these people would have no more resistance against Li Jingyi.

"Boom" just as Li Jingyi was about to paralyze these people, suddenly an explosion occurred.

This explosion swept away everyone who intended to attack Li Jingyi.

Li Jingyi immediately looked up at the sky, when Li Jingyi looked up at the sky, Li Jingyi found a very familiar figure to her.

"Husband" Li Jingyi called Ye Chen's name, she was very happy when he saw Ye Chen in this place.

"Ye Chen" Qiao Xin also muttered about the name that belonged to Ye Chen.

"Who dares to disturb my wife?" Ye Chen shouted at the people who dared to disturb Li Jingyi, Ye Chen looked dissatisfied when he saw Li Jingyi being bullied by these people.

The pressure that Ye Chen gave off was extremely heavy, it made everyone tremble with fear.

Ye Chen wasn't kidding, he was going to make the people who had bad intentions towards Li Jingyi pay for what they did.

"who are you?" The robber boss asked about Ye Chen's true identity, he wanted to know who Ye Chen really was.

"I am the owner of this house" Ye Chen said that he was the owner of this house.

"So you are the owner of this house, what a coincidence, quickly hand over the two women on the side. . ." before the robber boss could finish the words he had, Ye Chen kicked the robber boss in the face.

Ye Chen kicked the robber boss's face so hard, it must be very painful.

The boss robber was kicked a few kilometers away, before hitting someone's yard.

The courtyard of this house was immediately destroyed when it was hit by the robber boss.

The men of the robber boss could only be silent when they saw this, again they were presented with an unreasonable sight.

Ye Chen turned his attention towards the robber in front of him, he started swinging his fist at the enemy.

"BAM, BAM, BAM, BAM, BAM, BAM, BAM," Ye Chen landed hundreds of punches at the enemy, intending to cripple these people's cultivation bases.

Ye Chen originally wanted to eliminate these people, but on second thought, it was better to immobilize them so that they could experience the lives of normal people, that way they could know what it was like to be robbed and lose what they had.

Ye Chen hit everyone there, very quickly they were all knocked out by Ye Chen.

Ye Chen cleaned his hands, he had already done business with these people.

"Wife, are you okay" Ye Chen immediately went to Li Jingyi, he immediately went to see Li Jingyi condition.

"You don't have to worry, I'm fine, they won't be able to hurt me" Li Jingyi said to Ye Chen.

Li Jingyi had high-level healing skills, so Li Jingyi wouldn't be afraid of getting hurt when fighting the robbers.

"Thank God, you're safe, I'm happy to hear this" Ye Chen was very happy when he heard this, he was happy to hear this matter from Li Jingyi.

"wife, we haven't seen each other for a long time, I really miss you" Ye Chen hugged Li Jingyi, Ye Chen really missed his beautiful goddess.

" You are . ." Li Jingyi was overjoyed when she heard this, her little heart seemed to be overjoyed by Ye Chen's words.

"Ahem. . ." Qiao Xin suddenly came and interrupted the beautiful moment that Ye Chen and Qiao Xin had, she felt a little uneasy when she saw Ye Chen and Li Jingyi moment of togetherness, It's like Qiao Xin is being ostracized by the two.

"Oh, Xin, you're here too, apparently." Ye Chen had just realized that Qiao Xin was here too, he wasn't aware of Qiao Xin's existence.

"What do you mean here, don't you like me here?" Qiao Xin asked Ye Chen.

"no. . ., no . . ., how can I not like it when I see a beautiful woman like Miss Xin at my house" Ye Chen said to Qiao Xin.

Ye Chen tried to persuade Qiao Xin who looked angry with Ye Chen words, he tried to calm Qiao Xin to restrain her anger.

Qiao Xin was his woman, so Ye Chen had to treat Qiao Xin as best he could.

"Bastard" The boss robber suddenly came in front of Ye Chen, with a face full of blood, he appeared in front of Ye Chen with a big sword in his hand.

"That's fine, you're still alive after receiving the attack just now." Ye Chen praised this person's strength, he was still able to survive after getting attacked by Ye Chen.

"Don't underestimate me, I'm much stronger than you think" the boss robber told Ye Chen that he was much stronger than he looked.

"Really, then go ahead, show the strength you have.." Ye Chen told this person to come forward and show the strength he had in front of himself.

Chapter 1197 - Existence Has Been Discovered By The Enemy

"Gahhh" The boss robber started to release his profound strength, lightning began to envelop this person's body.

As lightning emerged from the body of the robber boss, the surroundings became extremely dark, black clouds began to fill the sky around this place.

"kid, I will make you regret for daring to make this old man angry." The robber boss said that he would make Ye Chen regret for making him angry.

In his heart, Ye Chen laughed when he heard what his enemy said, he laughed when he heard what this person said.

It seemed that Ye Chen had to let that person know who he was, otherwise how could he be called Ye Chen.

This person had dared to have bad thoughts on Li Jingyi and Qiao Xin, Ye Chen would definitely make this person battered.

The robber boss advanced towards Ye Chen, he stretched out his left hand and made a pose like a spear.

"**Split lightning spear**" the boss of the robber's hand began to be enveloped by a thunderbolt, this lightning looked very long and sharp like a spear that could pierce and split anything in front of it.

The robber boss aimed his attack at Ye Chen, aiming to split Ye Chen's body into two pieces.

Ye Chen also extended his hand, Ye Chen's wrist began to be covered by very thick ice.

Ye Chen intended to use this to fend off attacks coming from his enemy.

"Boom. . ." The robber boss and Ye Chen's attacks met, the moment these two attacks met, the ground that the two of them stepped on shook and started to crumble downwards.

A crater began to appear between the two, this crater was getting deeper and deeper, even the area around the two continued to widen and eroded inward.

Everyone nearby immediately retreated, they were trying to save themselves.

"Jingyi, hurry and save them." Qiao Xin invited Li Jingyi to save the captives who were near the battle.

Li Jingyi nodded, she along with Qiao Xin rushed to save those in need.

Meanwhile, Ye Chen and the robber boss continued to face off, the two of them still facing each other.

The two of them faced each other, they both showed the strength they possessed.

"Damn, that's tough." The boss robber sensed that Ye Chen's defense was extremely strong, making it difficult for him to break through.

"Is this only the best thing you can do" Ye Chen said to the robber boss.

"Damn it, I can still do better." The boss robber amplified his attack, the lightning that enveloped his hand became bigger and bigger.

Even though he had strengthened his attack, the raid boss still couldn't break through Ye Chen's Ice defense, he was still unable to do that.

"You are too weak, let me show you the strength I have." Ye Chen felt that this person was weak, he only had an arrogance.

"**Frost Nova**" Ye Chen's used **Frost Nova** to freeze the enemy in front of him, instantly the enemy in front of Ye Chen instantly turned into an Ice statue.

The robber boss froze in midair, he turned into an Ice statue that could no longer move.

"This is very easy." Ye Chen felt that this enemy was very easy.

"Husband, are you okay?" Li Jingyi immediately asked Ye Chen how he was, she wanted to know if Ye Chen was okay or not.

Li Jingyi wanted to know Ye Chen's condition, if Ye Chen had an injury, then Li Jingyi wanted to heal it.

"I'm fine, this person won't hurt me" Ye Chen said to Li Jingyi.

This robber boss wouldn't be able to hurt him, so Li Jingyi didn't have to worry about this matter.

"Wife, what actually happened, why did these people attack you?" Ye Chen asked why these people attacked this place.

"We don't know either, something like this never happened." Qiao Xin answered Ye Chen's question.

In this place almost never happened anything like this, it was the first time something like this happened in this place.

"what is it that made them attack this place, let's find out about it" Ye Chen wanted to find out the reason these people attacked this place.

Ye Chen freed the boss from the robbers, when Ye Chen released this person, he was shivering with cold.

"Why did you attack this place?" Ye Chen didn't want to waste his time, he immediately asked why this person attacked this place.

"That, I was ordered by someone to do this" the robber boss told Ye Chen that he was ordered by someone to attack this place.

"Who is that?" Ye Chen immediately asked who had ordered to attack this place, Ye Chen became more and more curious about this.

"I don't know about that matter, for sure the two of them look very strong and very mysterious" said the robber boss to Ye Chen.

Ye Chen raised his eyebrows, he started to think who it is, what do they want, are they looking for something in this place?

Ye Chen turned his attention towards Li Jingyi and Qiao Xin, could it be that this person was looking for one of the two?

Right now all Ye Chen could think of was that this person was looking for something in this place, otherwise why would he pay these people to attack all the houses in this place, there must be something.

"Is that all the information you have, the information is useless" Ye Chen said to the robber boss.

"I don't have anything else, please let me go." The robber boss told Ye Chen to let him go.

"Let go of you?, after what you tried to do to my wife, you want me to let you go?, you must be joking with me" Ye Chen said to the robber boss under his feet.

"Please, ancestor, please spare me, I won't dare look for trouble with you anymore." The robber boss said to Ye Chen.

"I won't believe the mouth of a villain like you, I'd rather just crush you" Ye Chen didn't believe the words of a villain, the words of a criminal definitely can't be trusted.

Ye Chen kicked the raid boss, himself using his full strength when doing this.

The robber boss was flown very far away by Ye Chen, he was flown out of the city towards the horizon.

.

.

Meanwhile in the distance, there were two people watching what was happening, these two people being Kung Pei and Kung Pan, both of whom were currently looking at Ye Chen who was in the distance.

"It seems that he is indeed the person we have been looking for." Kung Pei looked at Ye Chen, he could confirm that Ye Chen was the person they had been looking for all along.

"It seems the information I got is correct, the person we are looking for does live around this place," said Kung Pan to Kung Pei.

Kung Pan had obtained information about Ye Chen, after a long search, he finally found the person they had been looking for.

"I will immediately send this news to the higher-ups, they will be very happy," said Kung Pei to Kung Pan.

"Hurry up, let the organization know about this matter" Kung Pan ordered Kung Pei to immediately give this news to the Code Breaker organization.

It seems that Ye Chen has been found, the Code Breaker organization will start to look for trouble with Ye Chen and try to get the Solar Stone from Ye Chen's hands.

"let's go" Kung pan invites Kung Pei to leave, their mission is finished here.

Chapter 1198 - Invitation From A Beautiful Neighbor

both of them left this place to go back to the Code Breaker organization.

After expelling all the criminals, Ye Chen helped release the beautiful women who had been captured by the criminals.

The women who live around this place are quite beautiful, they have beautiful appearances, good bodies and also have charms that attract anyone who sees them.

"So the seller is right, the woman who lives in this place is really beautiful, I like this" in his heart Ye Chen said that he likes this, he likes to see this kind of beauty living around this place.

Although not as good as Li Jingyi and Qiao Xin, these women were still quite pleasant to look at.

When Ye Chen released these women, all the women thanked Ye Chen, they started to crowd around Ye Chen and started asking about Ye Chen.

Ye Chen's heroic actions were very touching, they liked a man like Ye Chen who was strong and could protect them.

"Jingyi, look, they have started showing their fangs towards Ye Chen, it seems they are all targeting Ye Chen" Qiao Xin said to Li Jingyi.

Qiao Xin told Li Jingyi about the women living around their house, it was obvious these women intended to get Ye Chen for themselves.

The average women in this place were rich women, they didn't need a man who was too handsome, what they needed was a strong man to protect them, so when Ye Chen showed his strength, they all immediately tried to approach Ye Chen.

"It doesn't matter, if they have the power they can join." Li Jingyi didn't mind this, if they had the ability to attract Ye Chen's attention, Li Jingyi invited them to join.

Qiao Xin gawked when she heard Li Jingyi words, she couldn't hope for Li Jingyi words.

Qiao Xin really doesn't understand Li Jingyi way of thinking, Li Jingyi way of thinking is very difficult for Qiao Xin to guess.

"Miss, please calm down" Ye Chen tried to calm the women who surrounded him, it seemed that these women were very difficult to deal with.

"Would you like to go to my place" several women started to boldly invite Ye Chen to go to their place, they all competed for Ye Chen.

"I have business, so I can't do that." Ye Chen refused the invitation of beautiful women to flock to him.

Ye Chen tried to make a subtle refusal, this was aimed not to disappoint these beauties.

"Too bad, then how about another time, I happen to live alone" These women didn't want to give up, they still insisted on inviting Ye Chen.

These women's invitations were very ambiguous, they invited Ye Chen words that could make people misunderstand, even a fool knows what women want when they say their house is empty and living alone, there must be something further going on in the world. between two people alone in the house.

"You guys, don't tease him like that, don't you see that he already has a wife?" Qiao Xin said to the women who were teasing Ye Chen.

Qiao Xin tried to help Ye Chen out of this situation, she helped Ye Chen to get out of this rather complicated situation.

"What's the matter, wouldn't having an extra woman or two make no difference" said the women who were near Ye Chen.

In the God Realm it was common for a man to have multiple wives, especially a man who was very strong, they usually had many mistresses outside the family.

"-_- " Qiao Xin didn't expect that these women would be so bold, they were all too bold to say this in front of Li Jingyi who was Ye Chen's wife.

Li Jingyi herself just smiled when she saw this, these women were so brave, they were even more brave than Qiao Xin.

After getting help from Qiao Xin, Ye Chen finally managed to rid himself of the beautiful Vixens who were teasing him.

After successfully exiting, Ye Chen immediately took Qiao Xin and Li Jingyi into the house.

"I'm so tired, dealing with those women is much more troublesome than I imagined" Qiao Xin put her head on the table, she felt very tired when facing Vixen who teased Ye Chen.

"Aren't they very good, they gave us a lot of rewards for what we have done" Li Jingyi said to Qiao Xin.

Li Jingyi was so happy with the neighbors they lived in, they gave Li Jingyi some gifts for what had just happened.

"You are" Qiao Xin was speechless, Li Jingyi was too relaxed about this matter.

"Jingyi can't be helped anymore, she really isn't afraid of her husband being stolen by the women just now" Qiao Xin couldn't think about this matter.

Li Jingyi wasn't afraid at all when she saw Ye Chen who they were trying to steal by Vixens, she didn't mind this at all.

"I'm going back home to take a shower" Qiao Xin said that she was going to take a shower first.

"Why do you have to go home, you can use the bathroom we have" Li Jingyi said to Qiao Xin.

Li Jingyi let Qiao Xin use her bathroom, instead of going all the way, it was better for Qiao Xin to use the bathroom in this house.

After all, the bathroom in this room was much bigger than Qiao Xin's. Qiao Xin would definitely be more comfortable in this place.

"That . . ." Qiao Xin didn't think that Li Jingyi would allow herself to use the bathroom in this place.

"You don't need to be so formal, just think of this as your own home" Li Jingyi said to Qiao Xin to think of the place as her own home.

"Okay, if you say so, I'll use your bathroom" After being persuaded by Li Jingyi, Qiao Xin finally agreed to use the bathroom.

Li Jingyi told Qiao Xin where the bathroom was in this house.

After knowing the location of the bathroom Qiao Xin immediately went to that place.

Now that only Ye Chen and Li Jingyi were left in this room, Ye Chen took this opportunity very well, he went behind Li Jingyi and started to hug Li Jingyi.

"Oh. . ., husband, what are you doing." Li Jingyi was shocked when she saw what Ye Chen did.

"What do you think I'm doing, I want to play with my wife" Ye Chen said to Li Jingyi.

"Husband, don't be naughty, I'm cooking, just tonight" Li Jingyi told Ye Chen not to be naughty, she was currently cooking, so Li Jingyi wanted Ye Chen not to do unreasonable things.

Ye Chen was helpless, it seemed he couldn't get it from Li Jingyi.

"Husband, you better wait, I'll call you when this is over" Li Jingyi told Ye Chen to wait outside the kitchen, when everything was over, Li Jingyi would call Ye Chen.

"Okay" Ye Chen agreed with Li Jingyi request, he already knew that Li Jingyi would give it at night, so Ye Chen couldn't force it.

Ye Chen left the kitchen and went around this place, he wanted to look around this place.

As Ye Chen was walking around, it just so happened that Ye Chen passed by the bathroom.

"Qiao Xin is in there, why don't I come with you" Ye Chen wanted to join the bathroom.

Ye Chen looked towards the kitchen where Li Jingyi was, it seemed that Li Jingyi would be busy, so it was fine if Ye Chen flirted a little with Qiao Xin.

Chapter 1199 - Qiao Xin In The Bathroom (1)

Ye Chen smiled evilly, he started to sneak into the bathroom, with the abilities that Ye Chen currently has, Ye Chen can easily sneak into the bathroom.

The bathroom in this house turned out to be an ancient bath that uses the pool as a place to soak and cleanse the body, the small pool in the room contains warm water, it can be seen from the steam released by the water.

Water vapor filled the entire room, this made Ye Chen's vision slightly blurry.

"This house is great, I didn't expect that the bath in this house is a hot spring" Ye Chen looked very satisfied, it seemed that he was not wrong when buying a house, this house is very great, this is the dream house that Ye Chen wanted.

This bathroom is quite large, it can accommodate tens of people at once.

Even though it wasn't as big as the one inside the fairy gate, at least the bathroom in this place could be said to be better than the one in Ye Chen's old villa.

Ye Chen started sneaking around this place, he started looking for Qiao Xin's whereabouts.

Ye Chen took advantage of several small rock mounds in this place, this place looks very natural, there are some rocks that decorate around the pond.

Ye Chen looked for a suitable place for himself, after finding a suitable hiding place, Ye Chen tried to find out where Qiao Xin was.

It just so happened that Qiao Xin was currently out of the warm water, she had just swam in this warm water.

Qiao Xin is currently wearing a white dress that is quite thin, when this outfit is wet, Qiao Xin's sexy body is very clearly visible, her long wet hair is currently loose, this makes Qiao Xin look even more seductive.

Ye Chen was excited when he saw this scene, he was very excited about what was in front of him.

The scene ahead was too tempting, this made little brother Ye Chen wake up.

"Qiao Xin is indeed very seductive, I like this kind of woman" Ye Chen likes a very seductive woman like Qiao Xin, every move of Qiao Xin can make Ye Chen feel hot.

"Who is there?" Qiao Xin immediately looked at the rock where Ye Chen was, it seemed that Qiao Xin had already found where Ye Chen was hiding.

"Damn I got caught" Ye Chen didn't expect that he would be caught so easily, Qiao Xin was much more alert than Ye Chen thought.

Qiao Xin was a great former assassin, it wasn't strange that Qiao Xin could easily find Ye Chen's whereabouts.

Plus Ye Chen was too conspicuous when he looked at Qiao Xin, this made it easier for Qiao Xin to find Ye Chen's whereabouts.

"You want to come out or I need to force you to come out" Qiao Xin said to Ye Chen who was hiding.

Ye Chen was currently silent, himself trying to hide his whereabouts from Qiao Xin.

Ye Chen started to think of a way, he should not be found by Qiao Xin.

"I'd better go inside fairy gate , that way, he won't find me." Ye Chen had an idea, he would go inside fairy fairy for a while.

Ye Chen rushed into the fairy gate, himself inside the fairy gate so as not to be found.

Seeing that the hiding person didn't want to come out, Qiao Xin was forced to act, Qiao Xin immediately went to the direction where Ye Chen was hiding.

"Where are you going to run? . ." when Qiao Xin went to look behind the rocks, Qiao Xin didn't find anyone, no one was hiding here.

"That's weird, is it just my feelings ?" Qiao Xin was confused by this, even though she had previously sensed someone was peeking at her, but when she went to take a look, Qiao Xin didn't find anyone else.

With a bit of confusion, Qiao Xin returned to the pool, she still didn't understand what had just happened, it was unusual for her to be wrong in responding to something like this.

"Maybe I'm too wary, there's no way anyone would sneak into this place." Qiao Xin might be too wary, there's no way Ye Chen would sneak into this place.

Most likely Ye Chen was currently making out together with Li Jingyi, this was the only thing Qiao Xin could think of.

"Huft" Qiao Xin sighed, she felt left alone again like before.

After feeling that the situation was safe, Ye Chen immediately walked out of the fairy gate, and peeked again at what Qiao Xin was doing.

When Ye Chen saw Qiao Xin, Ye Chen found something quite astonishing, Qiao Xin was currently comforting herself, she was touching her own body to get happiness.

"Ye Chen . . ." Qiao Xin started to mutter Ye Chen's name, she started to imagine the kisses and touches that had happened when she dated Ye Chen.

The feeling of doing so was a very beautiful thing for Qiao Xin, Qiao Xin longed for it again.

Qiao Xin wanted to kiss and spend time with Ye Chen, she wanted to do something more with Ye Chen.

Qiao Xin touched her own body, she started playing with her own body for fun.

Ye Chen kept watching from a distance, he saw what Qiao Xin was doing.

Ye Chen couldn't believe that Qiao Xin would do something like this, this woman must be so lonely to do something like this.

It seemed that Ye Chen had to help her, he couldn't let the woman he belonged to like this, he had to help Qiao Xin. :):):):):):):)

Ye Chen started to approach Qiao Xin, he started to hug Qiao Xin's body from behind.

Qiao Xin was quite surprised when she felt someone hugging her, Qiao Xin prepared to attack anyone who tried to hug her.

"Xin, are you looking for me?" Ye Chen whispered in Qiao Xin's ear, he asked if Qiao Xin was looking for him or not.

"Ye Chen, is that you?" After hearing the voice of the person hugging her, Qiao Xin finally realized that the person hugging her was Ye Chen.

"Of course it's me, who else can do this?" Ye Chen said to Qiao Xin.

Qiao Xin tried to turn around and look at Ye Chen, when Qiao Xin did that, Ye Chen was indeed behind her.

Ye Chen smiled at Qiao Xin, Ye Chen's smile was very calming, this made Qiao Xin feel at peace.

"Wait a minute" Qiao Xin immediately realized what was happening right now, she was just trying to comfort herself that meant Ye Chen saw what was happening.

Qiao Xin's face became very red, she felt so embarrassed by what had happened, she didn't expect that she would be seen doing something like this.

"Ye Chen, did you see what I did?" Qiao Xin asked Ye Chen.

"No, I didn't see anything." Ye Chen smiled and said that he didn't see anything.

"You are lying, you must have seen it" Qiao Xin said to Ye Chen who was behind her.

"Hehehe, fine, I won't lie, I did see what happened:" Ye Chen told Qiao Xin that he saw the scene just now.

Qiao Xin's face turned even redder when she heard this, her guess was right, Ye Chen had seen what happened.

It was really embarrassing when she showed things like that in front of the person she liked, Ye Chen must have thought badly of her.

Chapter 1200 - Qiao Xin In The Bathroom (2)

"My dear, I can't believe that you will become so lewd like this" Ye Chen whispered to Qiao Xin, he telling Qiao Xin that she was a very lewd woman .

Qiao Xin became even more embarrassed when she heard this, she was embarrassed by what Ye Chen said.

"Geez, why do I have to show something humiliating like that in front of Ye Chen, how am I going to deal with it?" Qiao Xin was getting confused by the situation, she was confused about how to handle this matter.

Qiao Xin started looking for a way to solve this problem, she had to be able to solve this problem.

After thinking for a while, Qiao Xin finally knew how to solve this problem.

Everything had already happened, so Qiao Xin could no longer go back to the way she was before, she had to act even bolder in front of Ye Chen and make herself look superior to Ye Chen.

Qiao Xin was very confident in her seductive abilities, Qiao Xin believed that she could seduce Ye Chen.

Qiao Xin immediately turned around, she hugged Ye Chen who was in front of her, Qiao Xin started to wrap her arms around Ye Chen's neck, she started to bring her face closer and kiss Ye Chen.

Ye Chen was slightly surprised by Qiao Xin's boldness, Qiao Xin was much braver than Ye Chen imagined.

Ye Chen couldn't possibly refuse this, he started to cooperate with Qiao Xin.

"Chu. . ." Qiao Xin and Ye Chen kissed each other, both of them kissing passionately, it was obvious that both of them were in their peak condition.

The two were entangled with each other for a few minutes, after a few minutes, the two finally parted ways.

"Ye Chen, don't you like a pervert like me?" Qiao Xin asked Ye Chen, Qiao Xin wanted to know whether or not Ye Chen liked her like this.

"I don't really care about things like that, I like you just the way you are" Ye Chen didn't really care about matters like this, he could accept Qiao Xin as she was.

Ye Chen liked more aggressive women, conquering aggressive women was something very fun to do.

"Really?, I'm happy with it." Qiao Xin was happy to hear this, she immediately hugged Ye Chen who was in front of her.

Qiao Xin was very happy with Ye Chen's words, Ye Chen's words were very touching, she really liked Ye Chen's words.

Ye Chen was able to accept Qiao Xin as she was, this made Qiao Xin feel a certain pleasure.

Previously, Qiao Xin was worried that Ye Chen would hate her like this, but apparently Ye Chen didn't hate her like this.

Women really like a man who can accept the shortcomings they have, this makes women feel comfortable around the man.

"Honey, I want you" Ye Chen said that he wanted Qiao Xin.

"Um" Qiao Xin nodded, she couldn't refuse Ye Chen's request.

After Ye Chen's words just now, Qiao Xin could no longer resist this, she had completely fallen for Ye Chen.

Ye Chen was the first person who managed to make Qiao Xin's heart feel as happy and comfortable as it is now.

Qiao Xin has been looking for someone who can accept her as she is?, now that Qiao Xin has found it, Qiao Xin doesn't want to let go of an opportunity that might not appear in her life again.

Qiao Xin apologized to Li Jingyi, she really couldn't leave Ye Chen, she couldn't leave Ye Chen anymore.

Ye Chen was happy when he heard this, Qiao Xin finally gave her what she wanted.

Ye Chen immediately held Qiao Xin, he began to taste Qiao Xin's double peak that was presented in front of his eyes.

It just so happened that Qiao Xin's two double peaks were in front of Ye Chen's eyes, if Ye Chen moved his face slightly, he would meet this delicate thing.

Ye Chen opened his mouth, he started to taste Qiao Xin's fresh Cherry buds.

"Oh. . . , do not . . ." Qiao Xin groaned, she felt something wrong when Ye Chen did this to her, there was a strange feeling when Ye Chen did this to her.

Ye Chen could feel that Qiao Xin's body started to tremble slightly, it seemed that Qiao Xin couldn't contain the feeling Ye Chen gave.

"This is delicious" Ye Chen felt that it was very delicious, he was very satisfied when he tasted Qiao Xin's tofu.

Qiao Xin let out a seductive moan, she couldn't contain her voice.

This feeling was unbearable, Qiao Xin found it difficult to resist Ye Chen's invasion.

Ye Chen's invasion was too strong, this made Qiao Xin unable to bear the feelings that Ye Chen gave her.

Ye Chen stretched out one hand of his to touch the other, Ye Chen started to play with this thing using his hand.

This double stimulation was so much fun, Qiao Xin was really made comfortable by it.

"Ye Chen, this is great, I like it" Qiao Xin told Ye Chen that she liked this feeling, This feeling was too pleasant for Qiao Xin.

"My dear, this is just the beginning, bigger things are about to happen" Ye Chen told Qiao Xin that even greater things were about to happen.

"I can't wait to do that" Qiao Xin couldn't wait to do that, she wanted to have fun with Ye Chen.

Qiao Xin had been alone for a long time, she needed someone to accompany her in this life.
