

A True God 1201

Chapter 1201 - Almost Discovered By Li Jingyi

"Ye Chen, hide quickly." Qiao Xin was in a panic, she hurriedly told Ye Chen to hide.

Due to being too panicked, Qiao Xin made a huge rippling sound, this immediately drew Li Jingyi's attention.

"Xin, what's going on in there, I'm going in." Li Jingyi said that he would go inside and see what Qiao Xin was doing.

Qiao Xin was terrified when she saw Li Jingyi want to go into the bathroom.

Qiao Xin hurriedly hid Ye Chen behind her body, this was all Qiao Xin could do to hide Ye Chen from being discovered by Li Jingyi.

"Sreek. . ." The bathroom door opened, Li Jingyi came in and saw what happened.

When Li Jingyi entered, she found that Qiao Xin was in the pool and washing her body.

"Jingyi, what's wrong, why did you go inside?" Qiao Xin asked why did Li Jingyi enter this place.

"I thought something happened to you" Li Jingyi said that she was afraid something might happen to Qiao Xin.

"It's impossible, I'm taking a bath, so how can something happen to me" Qiao Xin said to Li Jingyi.

Qiao Xin was currently trying to stay calm, she was trying to stay calm and not make Li Jingyi any more suspicious.

"Thank goodness, I thought you had a bad time" Li Jingyi said to Qiao Xin.

Li Jingyi was very grateful that Qiao Xin was okay, she was glad that Qiao Xin didn't have any problems or bad things.

"Thank you for worrying about me" Qiao Xin thanked Li Jingyi for worrying about her.

"Oh yeah, do you want to stay at my house tonight?" Li Jingyi asked if Qiao Xin could stay at this house tonight.

"Sorry, but I can't seem to do that, I have some work to do." Qiao Xin refused Li Jingyi request, her telling that she had a few problems to solve.

"Oh, what a shame" Li Jingyi was disappointed when she heard this, it seemed that Qiao Xin would not be able to stay at this house.

From behind Qiao Xin's body, Ye Chen listened to all the conversations that were going on, he didn't expect that Li Jingyi would invite Qiao Xin to stay at this house.

Ye Chen wanted to know what Li Jingyi plans were, why did Li Jingyi want Qiao Xin to stay at this house.

Ye Chen saw Qiao Xin's beautiful back, he couldn't stand it and wanted to continue playing with Qiao Xin.

Ye Chen stretched his hand forward, he started to touch Qiao Xin's double peak and forbidden part.

"Oh. . .!" Qiao Xin was very surprised by what Ye Chen did, Qiao Xin felt a sting when Ye Chen touched her.

"what is it ?" Li Jingyi immediately asked why Qiao Xin was screaming like that.

"It's nothing" Qiao Xin tried to remain calm when answering Li Jingyi, she tried to keep her appearance from being discovered by Li Jingyi.

"Ye Chen, what are you trying to do, stop quickly, the two of us will really be found." Qiao Xin said to Ye Chen who was behind her.

Qiao Xin didn't dare to use a loud voice, she used voice transmission to tell Ye Chen to stop right away.

Qiao Xin couldn't stand this stimulation, therefore Qiao Xin wanted Ye Chen to stop right now.

Qiao Xin felt that she would go crazy if Ye Chen continued to do this, this feeling was too comfortable and very hard for Qiao Xin to endure.

"Hehehe, you better focus on Jingyi, otherwise we'll both get caught." Ye Chen refused to stop, he told Qiao Xin to focus on Li Jingyi.

Ye Chen became more and more aggressive, he continued to tease Qiao Xin who was in front of him.

How could Qiao Xin focus when something like this happened, Qiao Xin's mind couldn't focus, this feeling was very good for Qiao Xin.

"Are you sure you're okay?, Your face looks a little red" Li Jingyi told Qiao Xin that her face was red.

" It. . ., maybe it's because I've been in this place for too long." Qiao Xin found a plausible reason to make Li Jingyi believe.

"So then, don't bathing too long, you have to get out as soon as possible." Li Jingyi told Qiao Xin to get out as soon as possible if she felt dizzy.

"Okay, I understand, I'll be out soon" Qiao Xin immediately nodded, she would soon get out of this place.

"Good, then I will go back first, if I stay here, then the food I cook will be scorched" Li Jingyi informed that she would return to the kitchen.

Li Jingyi couldn't leave the kitchen for a long time because she was cooking food.

If Li Jingyi stayed in this place any longer, then the food she made would definitely be scorched and unpalatable to eat.

Li Jingyi wanted to make good food for Ye Chen, that's why he couldn't mess with it.

Qiao Xin was relieved when Li Jingyi was about to leave this place, she finally felt relieved that Li Jingyi would soon leave this place.

"Oh yeah Xin, enjoy the time you have." Before leaving Li Jingyi told Qiao Xin to enjoy the time she had.

Li Jingyi gave Qiao Xin a smile, this smile looked very strange to Qiao Xin.

"Huh?, what just happened?" Qiao Xin was confused by Li Jingyi words, she felt that there was something wrong with Li Jingyi words.

"Ah. . ." Before Qiao Xin could think, Qiao Xin felt Ye Chen getting more and more mischievous.

"Ye Chen you bullied me" Qiao Xin said that Ye Chen had bullied her.

"Where I bullied you, I didn't do anything to you" Ye Chen smiled at Qiao Xin, he felt happy when he saw the pouting Qiao Xin.

Qiao Xin's pouting look was so cute, Ye Chen liked this.

Qiao Xin pouted at Ye Chen, she was annoyed with what Ye Chen had done to her.

"You're still laughing, we almost got caught by Jingyi" Qiao Xin was angry when she saw Ye Chen laughing.

Qiao Xin was scared to death when she was almost found by Li Jingyi, the feeling of being found was something that made Qiao Xin's heart beat very fast.

This was the first time Qiao Xin had experienced this kind of fear, even in the mission of killing Qiao Xin had never experienced anything like this.

"You don't have to worry like that, if Jingyi does find us, we just have to explain to her" Ye Chen told Qiao Xin if they were indeed found.

"You two are the same, I'm very annoyed" Qiao Xin was very annoyed when she heard this, Qiao Xin felt that Ye Chen and Li Jingyi were the same, both of them were equally difficult to understand.

"Hahaha" Ye Chen laughed again, he felt funny with Qiao Xin's reaction.

what happened just now was so much fun, the feeling of doing it was very comfortable.

"You still dare to laugh again, feel this" Qiao Xin was annoyed with Ye Chen, she started biting Ye Chen's shoulder.

Qiao Xin vented all her annoyance over what Ye Chen had done to her.

"Ah. . . , please my wife wants to kill me" Ye Chen tried to ask for help.

"Feel this, who told me to make me angry?" Qiao Xin sniffed coldly, she was finally satisfied as she vented her frustration.

Ye Chen and Qiao Xin immediately got up from the pool, both of them immediately dried their bodies.

Chapter 1202 - Dinner With Two Beautiful Women

Actually Ye Chen still wanted to continue what they were doing, but Qiao Xin refused to continue, Ye Chen couldn't persuade Qiao Xin, this made Ye Chen fail to get Qiao Xin.

Ye Chen was very relaxed about matters like this, he was very sure that he still had a chance to be with Qiao Xin.

All Ye Chen needs to do is be patient, with the patience he has, Ye Chen is sure he can get Qiao Xin.

Qiao Xin had already fallen in love with Ye Chen, it was only a matter of time to get Qiao Xin.

Qiao Xin came out of the bathroom, she immediately went to the empty room to change her appearance.

Seeing Qiao Xin leave, Ye Chen followed away from this place, himself went to see if the Array in this house was damaged or not.

Ye Chen had to ensure the safety of Li Jingyi, that's why Ye Chen had to check whether there was a problem or not, if there was a problem Ye Chen had to fix the problem so that nothing happened.

When Ye Chen did this, time passed very quickly, in an instant the day had become night.

Li Jingyi had finished preparing everything, now it was only a matter of calling Ye Chen and Qiao Xin to dinner.

Even though Qiao Xin refused to stay at this house, Qiao Xin had promised to join the dinner together, so this dinner would be filled with three people.

Li Jingyi has now changed into a white dress that looks beautiful, Li Jingyi beauty radiates very clearly when she wears this dress.

Qiao Xin had also changed into a dress, she was wearing a black dress which made Qiao Xin look more Sexy and seductive.

Li Jingyi used white, while Qiao Xin used black, this was a perfect combination.

On the other side, Ye Chen was wearing ordinary clothes, he looked very relaxed when facing the dinner in this time.

Ye Chen looked at Li Jingyi and Qiao Xin, tonight both of them looked very beautiful, this made Ye Chen quite excited when he saw the two beauties wearing nice clothes.

"Husband, let's celebrate dinner." Li Jingyi said to Ye Chen to celebrate dinner this time.

"Let's have a toast" Ye Chen invited Li Jingyi and Qiao Xin to toast and drink the wine that Qiao Xin had prepared.

The three of them toasted and drank the wine in the cup.

"Wow, this is so refreshing, where did you get it from?" Ye Chen asked where did Qiao Xin get this good wine from.

"I got this kind of thing from an auction" Qiao Xin told Ye Chen that she got this from an auction.

"Is this expensive?" Ye Chen asked whether this kind of wine was expensive or not.

"No it's not too expensive, you don't have to worry about it." Qiao Xin said that it wasn't too expensive, so Ye Chen didn't have to worry about the price.

"Oh yeah, I have good food for you too" Ye Chen told Li Jingyi and Qiao Xin that he had good food for both of them.

"what's that ?" Li Jingyi and Qiao Xin both asked what Ye Chen meant, both wanted to know what food Ye Chen was referring to.

"Look at this" from behind his palm, Ye Chen took out some fresh looking fruit.

"Isn't that a peach?" Qiao Xin looked at the fruit in Ye Chen's hand, the fruit in Ye Chen's hand was obviously just a peach.

"That's right, this is peach, this is delicious food I said." Ye Chen told Li Jingyi and Qiao Xin that this was the most delicious fruit in the world.

"What's good about it, you can find this in the market" Qiao Xin said that she could find fruit like this in the market.

"You won't know until you try it, why don't you try it and taste it yourself" Ye Chen told Qiao Xin to try the taste of Heavenly Peach that she had.

"Then let me peel it to eat." Li Jingyi volunteered to peel the Heavenly Peach in Ye Chen's hands.

"This is it" Ye Chen immediately gave Heavenly Peach to Li Jingyi, he wanted Li Jingyi to peel it so she could enjoy it as dessert.

While waiting for Li Jingyi to finish peeling Heavenly Peach, Ye Chen tried the food made by Li Jingyi.

"nice . . , the wife's skills are getting better." Ye Chen praised Li Jingyi work, Li Jingyi work was very good.

"Thank you, I'm glad you like it" Li Jingyi was very happy, the results of her efforts earned Ye Chen's praise.

"Your skills are just getting better, it seems I don't need to teach you anymore" Qiao Xin also praised Li Jingyi skill, now Li Jingyi skill are quite good.

"Don't be like that, I still want to learn more with you" Li Jingyi said that she still wanted to learn from Qiao Xin.

Qiao Xin was a good friend and teacher to Li Jingyi, Li Jingyi was very happy to be friends with Qiao Xin.

Ye Chen listened to the conversation that Li Jingyi and Qiao Xin had, it seemed the two had become very good friends.

"This is it" Li Jingyi finally finished peeling the Heavenly Peach, he placed and arranged the Heavenly Peach on a plate.

Qiao Xin took the piece of Heavenly Peach that was on the plate, Qiao Xin immediately put the piece of Heavenly Peach into her mouth.

As Qiao Xin did that, she felt the delicious taste of Heavenly Peach in her mouth.

"delicious . ." Qiao Xin admitted that it was very delicious, it was the first time she had eaten something this delicious.

Li Jingyi also tried it, he took one piece and started to bite it.

Li Jingyi felt that Heavenly Peach was delicious, this was very delicious for Li Jingyi tongue.

"Jingyi, this very delicious, this is the best food in the world." Qiao Xin asked Li Jingyi, she wanted to know Li Jingyi comment.

Qiao Xin herself had already admitted that this was indeed delicious, it was the best food in the world.

"probably not, there's still something better than this" Li Jingyi looked at Ye Chen with a smile, Li Jingyi was referring to Ye Chen's Yang Qi.

"Cough. ." Ye Chen faltered when he saw Li Jingyi gaze, Ye Chen naturally knew what Li Jingyi meant.

"Fufufufu" Li Jingyi smiled when she saw Ye Chen's reaction, Ye Chen's reaction was very funny.

"what's that ?" Qiao Xin was very curious about this, she was still confused about what Li Jingyi was talking about.

Qiao Xin still didn't understand what Li Jingyi meant, Qiao Xin had never tried it, so she wouldn't know about the matter Li Jingyi was talking about.

If any of Ye Chen's wives were in this place, they would already know what Li Jingyi was referring to by now, all of Ye Chen's women knew something tastier than Heavenly Peach.

"One day you will know about it" Li Jingyi said that one day Qiao Xin would definitely know about the matter.

"-__-" Again Qiao Xin was confused by Li Jingyi, Li Jingyi was a very complicated and difficult woman to understand, Qiao Xin didn't know the way of thinking of a beautiful goddess like Li Jingyi.

Chapter 1203 - Wife, Let's Fix Our Relationship (1)

The dinner went really well, Ye Chen, Li Jingyi, and Qiao Xin enjoyed this food with great joy, they really enjoyed being together at dinner.

After a while of enjoying this company, Qiao Xin was the first to leave.

"Both of you, enjoy the time you have." Qiao Xin told Ye Chen and Li Jingyi to enjoy the time they had.

After saying such things to Ye Chen and Li Jingyi, Qiao Xin immediately left Ye Chen's house.

Ye Chen and Li Jingyi were well aware of what Qiao Xin had just said, both Ye Chen and Li Jingyi were very aware of what Qiao Xin was saying.

"Xin is teasing us again" Li Jingyi said to Ye Chen.

"Is she really like that?" Ye Chen asked Li Jingyi.

"Yes, she is like that" Li Jingyi told Ye Chen that Qiao Xin was like that, sometimes Qiao Xin liked to tease Li Jingyi when they were alone.

"Looks like the two of you have gotten along very well, are you comfortable living with Qiao Xin when I'm not here?" Ye Chen asked Li Jingyi directly, Ye Chen wanted to know about Li Jingyi feelings when she was with Qiao Xin.

"Yes, I'm comfortable, Xin doesn't always stay at home, she often goes away, so we only have a little time to be together" Li Jingyi told Ye Chen that she wasn't with Qiao Xin often, Qiao Xin was mostly busy with her own business.

"So it's like that" Ye Chen understood, he knew the reason why Qiao Xin was rarely at home, it seemed that Qiao Xin went to sing in various places, to be precise, Qiao Xin's profession was like a super star who worked to entertain people.

"wife, it's late, how about we start repair our relationship" Ye Chen told Li Jingyi to mend their relationship.

Li Jingyi was of course aware of what Ye Chen was talking about, she was aware of what would happen next.

"Okay" Li Jingyi nodded, she had been waiting for this for a long time.

Li Jingyi had been training together with Qiao Xin for a long time, now was the time for Li Jingyi to show her abilities.

Ye Chen was very happy, he immediately took Li Jingyi to their room, There is a nest that is their love place.

Ye Chen ran very fast, in an instant Ye Chen had arrived at his room.

Once in the room, Ye Chen immediately laid Li Jingyi down on the bed, he started to take off Li Jingyi clothes.

"Wait a minute" when Ye Chen wanted to undress Li Jingyi, Li Jingyi suddenly stopped what Ye Chen was doing.

"what is it ?" Ye Chen asked why Li Jingyi stopped him, even though Ye Chen wanted to do it quickly.

"Let me do it myself" Li Jingyi told Ye Chen that she would do this .

Seeing that Li Jingyi wanted to do this, Ye Chen had no choice but to let Li Jingyi do it.

Li Jingyi started to take off some of her clothes, while doing this, Li Jingyi movements were very seductive, Li Jingyi looked like a Succubus trying to seductive Ye Chen.

"I didn't know Jingyi could do this" Ye Chen didn't know that Li Jingyi could do something like this, what Li Jingyi did was too HOT!!.

Li Jingyi learned this from Qiao Xin, Li Jingyi learned how to seduce Ye Chen slowly, this would make the relationship passionate.

Li Jingyi movements were too slow, this made Ye Chen impatient.

Ye Chen couldn't take it anymore, he immediately pounced on Li Jingyi who was in front of him.

"Oh. . ." Li Jingyi let out a slight scream as Ye Chen pounced on her.

"Husband, what are you doing?" Li Jingyi asked what Ye Chen was doing, even though Li Jingyi already knew what Ye Chen was doing, she just pretended not to know in front of Ye Chen, this was so that Ye Chen became more excited about herself.

Li Jingyi was starting to become a master at teasing Ye Chen, she already knew how to get Ye Chen excited.

"My beautiful goddess, you must have done this on purpose, you want to seduce your husband, right?" Ye Chen whispered to Li Jingyi, Ye Chen was already aware of what Li Jingyi was doing.

Li Jingyi didn't expect Ye Chen to have realized what she was trying to do, it seemed that Li Jingyi couldn't hide anything from Ye Chen.

"Are you aware?" Li Jingyi asked Ye Chen.

"Of course, wife where did you learn something like this, there must be someone who has taught you something like this?" Ye Chen asked where did Li Jingyi learn something like this, Li Jingyi must have learned something like this from someone.

"It seems I really can't hide something from my husband" Li Jingyi really couldn't hide anything from Ye Chen, Ye Chen could know something like this very easily.

"I am your husband, so I naturally know everything that all my beloved wives have." Ye Chen said that he must know everything that his beloved wife has.

"I learned things like this from Qiao Xin" Li Jingyi told Ye Chen that she learned things like this from Qiao Xin.

"Huh?, so it's like that, I didn't expect you to learn from her" Ye Chen didn't expect that Li Jingyi would learn this from Qiao Xin.

Even though Qiao Xin was still a virgin, how could she teach Li Jingyi something like this.

Ye Chen started to think back about Qiao Xin, Qiao Xin had an innate talent for flirting like a Succubus, so it wasn't strange that she could teach Li Jingyi things like this now.

"I think tonight will be more interesting" Ye Chen felt that tonight would be quite interesting, he might have even more fun with Li Jingyi.

Ye Chen stretched out his hand towards the two huge melons that were in front of his eyes, Li Jingyi was something, this made Ye Chen excited when he saw this.

Li Jingyi has a very good capital as a woman, this can attract the attention of anyone who sees it, plus Li Jingyi body is starting to look more mature after often Dual Cultivation with Ye Chen.

If it continued like this, then Li Jingyi would become a very seductive woman with a meek appearance, this was the ideal woman of all men in this world.

"emmm" Li Jingyi started to moan when Ye Chen played with his things, Ye Chen really likes to do this, he really likes Li Jingyi two melons, when Li Jingyi and Ye Chen do Dual Cultivation, Ye Chen always touches Li Jingyi, that because Li Jingyi was Ye Chen's favorite.

"Husband, you are rude as usual" Li Jingyi said that Ye Chen was rude as usual.

"It's because I haven't seen you in a long time, so I want to immerse myself in the tenderness of the wife." Ye Chen told Li Jingyi that he wanted to immerse himself in Li Jingyi two tender nesses.

Ye Chen had not seen Li Jingyi for a long time, of course Ye Chen really missed these two tender nesses.

Tonight Ye Chen wanted to take it slow, he would enjoy it to his heart's content.

"You" Li Jingyi turned her face away, Li Jingyi was happy that Ye Chen was still thinking about her.

Chapter 1204 - Wife, Let's Fix Our Relationship (2)

Li Jingyi herself also kept thinking about Ye Chen, she kept thinking about Ye Chen all the time.

Li Jingyi really liked Ye Chen, so when she wasn't with Ye Chen, Li Jingyi was very lonely and missed Ye Chen.

Li Jingyi started to take the initiative as well, she started to try to stimulate Ye Chen who had fully woken up from sleep.

Ye Chen's is fully awake, this thing is ready to do battle with Li Jingyi.

"This is already very hard" Li Jingyi thanked Ye Chen that the thing in her hands was already very hard.

"Whose fault is this?" Ye Chen said to Li Jingyi, it was all Li Jingyi fault, Li Jingyi teased Ye Chen too much, this made Ye Chen couldn't stand it and turned into the state he is now.

"fufufu, so that's how it is, I'm glad to hear this." Li Jingyi was very happy when she heard this, she was very happy that he could make Ye Chen excited like she is now.

Li Jingyi hands began to reach into Ye Chen's clothes, she was directly holding Ye Chen's big object.

Li Jingyi one hand was unable to hold this thing, so only a few parts were able to be grasped by Li Jingyi.

Li Jingyi really liked Ye Chen's thing, it was really great that Ye Chen's could make her feel the feeling of being on top of this world.

Li Jingyi hands moved up and down, she started to help deal with Ye Chen's big object.

Meanwhile Ye Chen started sucking on Li Jingyi two mature Cherry buds, Ye Chen enjoyed the best food he could get for tonight.

"Emm" Li Jingyi groaned slightly when Ye Chen did this, it felt so good, Li Jingyi felt her body hot and itchy.

Li Jingyi didn't want to lose to Ye Chen, she started to accelerate her movements, when Li Jingyi accelerated her movements, Ye Chen felt an extremely comfortable feeling.

To be honest Li Jingyi's movements were different from usual, Li Jingyi had already started to know some moves that could make Ye Chen feel comfortable.

Both comfort each other, both can work together to get even greater pleasure.

After a few minutes of helping each other, Ye Chen and Li Jingyi stopped, the two started hugging and kissing.

"Husband, this time I want to lead" Li Jingyi said that if he wanted to lead, Li Jingyi wanted to try to make Ye Chen happy with her abilities.

"Are you sure?" Ye Chen asked if Li Jingyi was so sure about this matter.

"Of course, I am very sure about this matter" Li Jingyi told Ye Chen that he was very sure of what he said.

"Then please, show your abilities." Ye Chen allowed Li Jingyi to take the lead, Ye Chen wanted to know how far Li Jingyi had progressed.

Ye Chen wanted to see how far Li Jingyi had progressed, whether Li Jingyi had really progressed or not.

Li Jingyi was happy when he got Ye Chen's approval, now was the time for Li Jingyi to show her abilities.

The first thing Li Jingyi did was to help release the object belonging to Ye Chen who was being confined.

A large and long object immediately entered Li Jingyi view.

"It's big as usual." Li Jingyi felt that Ye Chen's was very big, this was indeed the thing that Li Jingyi liked the most in this life.

Li Jingyi learned that this was one of men's weak points, the fastest way to defeat a man was to attack Ye Chen's weak point.

Li Jingyi stretched out her hand, she started to touch Ye Chen's thing, another hand started to stimulate Ye Chen's two ball sacks.

"Oh. . ." Ye Chen looked surprised by Li Jingyi attack, Li Jingyi attack was very sudden.

Li Jingyi smiled when she saw this, it seemed that this trick had worked for Ye Chen.

After finding something interesting, Li Jingyi started to use her mouth, Li Jingyi started to taste Ye Chen's big ball and played with it in her mouth.

Ye Chen's thing was played by Li Jingyi, this made Ye Chen's body tremble slightly because of the pleasure he felt from what Li Jingyi was doing.

Ye Chen tried to hold back this feeling, he tried to survive Li Jingyi onslaught.

Li Jingyi easily saw the changes made by Ye Chen, Ye Chen couldn't stand it when he did this.

This discovery made Li Jingyi even more confident, she was even more confident that tonight she would be able to win against Ye Chen.

"Chu. . ." Li Jingyi continued to play with these two balls, trying to be as gentle as possible so as not to hurt Ye Chen.

This thing is an important item, if it gets damaged, it will be dangerous for Ye Chen's future

That's why Li Jingyi tried to be careful not to make Ye Chen feel uncomfortable, Li Jingyi dedicated herself to making Ye Chen comfortable with herself.

Li Jingyi did this for about 10 minutes, seeing that this attack was not effective enough to make Ye Chen lose, Li Jingyi decided to use other means to defeat Ye Chen.

Li Jingyi used her ultimate weapon, she used two large melons to pinch Ye Chen's.

Even though Li Jingyi capital was already large, Li Jingyi was still unable to sink Ye Chen's thing.

Ye Chen's thing could still be seen despite being under the pressure of these two great double peaks.

Li Jingyi didn't allow this, she used her Cherry mouth to carry out a support attack.

Ye Chen's thing was attacked from all directions, this made Ye Chen feel threatened by Li Jingyi attacks from all directions.

Ye Chen felt himself immersed in the very soft thing in this world, he really enjoyed this feeling, plus the warm feeling from Li Jingyi Cherry Mouth made Ye Chen feel double pleasure.

Ye Chen did not expect that Li Jingyi would become more and more skilled since the last battle they had.

This time Li Jingyi had begun to be able to put up a fight against Ye Chen, where Li Jingyi couldn't do something like this in the past.

Ye Chen wondered what kind of ability Qiao Xin was, she was even able to teach Li Jingyi something like this.

Li Jingyi used her tongue to make Ye Chen's thing feel comfortable, Li Jingyi also used a very strong suction force to suck up Ye Chen's thing.

Ye Chen felt that he was being sucked in by a very powerful dimensional hole, it was like Li Jingyi wanted all of Ye Chen's little life.

Li Jingyi looked up and looked at Ye Chen, she saw Ye Chen smiling and enjoying what was going on, it was obvious that Ye Chen really liked what Li Jingyi was doing.

Since Ye Chen liked this, Li Jingyi decided to continue with this, he continued to carry out intense attacks on Ye Chen.

This was to make Ye Chen quickly admit defeat to Li Jingyi.

20 minutes quickly passed, Li Jingyi was already starting to feel tired when she gave Ye Chen continuous attacks, she was tired of serving Ye Chen's things.

Even though she had used the strategy she had learned from Qiao Xin, Li Jingyi was still having a hard time winning against Ye Chen, Ye Chen's defense was very difficult for Li Jingyi to break through.

"I can't take it anymore" Li Jingyi couldn't take it anymore, she needed Ye Chen to fill the void in her heart.

Chapter 1205 - [Bonus]Wife, Let's Fix Our Relationship (3)

Li Jingyi climbed onto Ye Chen's body, at this time Li Jingyi's body position was above Ye Chen's.

Li Jingyi raised her hips high, she started to position Ye Chen's big object.

After feeling that it was right, Li Jingyi started to go down and swallow Ye Chen's thing.

Li Jingyi did this using just one move, Li Jingyi was not a beginner, so she was already able to overcome the problems experienced by beginners.

If Li Jingyi was still a novice, Li Jingyi definitely wouldn't dare to do something like he is doing now, the chances of damage being done to Li Jingyi would be enormous.

"Ah, this is great." Li Jingyi felt a feeling that had been lost for a long time, finally after a long time, she felt this comfort again.

Li Jingyi body trembled slightly when she tried Ye Chen's thing, it was true that Ye Chen was very big, this made it difficult for Li Jingyi to bear it.

"Finally" Li Jingyi was overjoyed, she finally got what she wanted.

"Husband, I will definitely beat you, you'll see" Li Jingyi said that this time she would definitely beat Ye Chen.

Li Jingyi didn't want to admit her defeat, that's why Li Jingyi wanted to have a rematch with Ye Chen.

"wife, show me all the abilities you have, let me see everything" Ye Chen wanted LI Jingyi to show all the abilities she had.

"Just watch, I'll show you everything I have." Li Jingyi said to Ye Chen that she would bring out all the strength she had.

Ye Chen couldn't wait to hear this, he wanted to see what Li Jingyi abilities were like.

Li Jingyi finally started the action, Li Jingyi started to move and attacked Ye Chen.

Ye Chen felt a strong suction from Li Jingyi, it seemed that Li Jingyi had already started to use the abilities she had learned.

Li Jingyi movements also became very fast and skillful, she began to make very seductive moves.

From below Ye Chen could see Li Jingyi very seductive movements, Li Jingyi moved her hips very aggressively, this made Ye Chen's little brother feel very comfortable.

The walls of Li Jingyi honey cave were also extremely narrow, this made little brother Ye Chen feel like he was being sucked from the roots.

The two bouncing double peaks are magnificent, from below it becomes a very stunning sight.

Ye Chen felt like touching the two and starting to enjoy them, it must be really fun to do something like that.

Li Jingyi had already fully developed, Li Jingyi had already started to have her own skills.

Li Jingyi looked at Ye Chen, she gave a very seductive smile at Ye Chen, this smile was so beautiful, it made the hearts of anyone who saw her feel that Li Jingyi was a beautiful goddess who descended from the sky.

Li Jingyi really liked the feeling that Ye Chen gave, this feeling was very pleasant and very comfortable for Li Jingyi.

Li Jingyi started to become very lustful, she started to become even more aggressive in attacking Ye Chen.

Ye Chen began to feel pressured by what Li Jingyi was doing, Li Jingyi attack became very strong, Ye Chen had to be able to survive the onslaught of Li Jingyi attack which looked very aggressive.

Li Jingyi started to lower her head, she started to kiss Ye Chen who was under his body.

Ye Chen welcomed Li Jingyi kiss, the two of them started to kiss passionately and filled with love.

Li Jingyi didn't let Ye Chen relax, she constantly teased Ye Chen into getting excited and made her quickly admit defeat.

Ye Chen didn't realize this, he enjoyed what Li Jingyi did too much, what Li Jingyi did was something for Ye Chen to enjoy.

After kissing for a long time, Li Jingyi began to use other means to deal with Ye Chen, herself using her special weapon to attract Ye Chen's interest.

Ye Chen saw the Cherry buds that were now in front of his eyes, Ye Chen didn't think long and immediately caught on to this.

Ye Chen ate Li Jingyi's Cherry buds, he enjoyed this.

"Erm. . ." Li Jingyi tried to endure Ye Chen's comfortable feeling, she tried to defend herself from Ye Chen's attack.

"emmm, husband is too strong" Li Jingyi started to feel a sense of danger when Ye Chen showed his strength, just a little bit Ye Chen ate the Cherry Bud, Li Jingyi started to lose his strength.

Ye Chen didn't see the change that had happened to Li Jingyi, he was too focused on what was in front of his eyes, he kept sucking it as if he was trying to harvest milk from Li Jingyi.

Li Jingyi insisted on holding on, she tried her best to endure this endless fun.

More than 1 hour had passed, Li Jingyi was already starting to look difficult to sustain the attack he was currently launching.

Li Jingyi himself had reached the peak several times, but Li Jingyi still couldn't beat Ye Chen.

Even though he had reloaded several times, Li Jingyi still couldn't beat Ye Chen, Li Jingyi had already started to lose his confidence.

As Li Jingyi started to lose his confidence, Li Jingyi noticed that Ye Chen's thing was shaking slightly and getting louder.

Li Jingyi had been with Ye Chen several times, she knew that this was a sign when Ye Chen was about to erupt.

Li Jingyi didn't waste this golden opportunity, she started to speed up her moves.

"Husband, isn't this comfortable, do you like this?" Li Jingyi tried to seduce Ye Chen up by using her own words, this was so that Ye Chen wouldn't hold back his feelings any longer.

"Of course this is very fun, yours is very comfortable, I was sucked dry by it" Ye Chen said to Li Jingyi.

"Then let's do it together" Li Jingyi told Ye Chen to reach the top together.

After saying this, Li Jingyi became even faster, she used all the strength he had to launch a final attack on Ye Chen.

Li Jingyi hoped that in this attack, he would be able to defeat Ye Chen with this final blow.

Ye Chen really couldn't help the feeling in his body, he couldn't hold back the pleasure that Li Jingyi gave him.

"wife" Ye Chen hugged Li Jingyi body, he immediately shot all his Yang Qi for Li Jingyi.

"Oh. . ." Li Jingyi accepted all that Ye Chen had, she felt the warmth that Ye Chen gave her.

The warm feeling on her body was very comfortable, Li Jingyi really liked this feeling.

After she finished, Li Jingyi lay on Ye Chen's chest, Li Jingyi looked like she didn't have the strength to fight Ye Chen anymore.

Li Jingyi didn't expect that being the leader in Dual Cultivation would be so tiring, it was easier to let Ye Chen do it than her to take the lead.

Even though it was tiring, Li Jingyi still liked this feeling, she still liked this feeling, there was a certain satisfaction when Li Jingyi did this.

Just as Li Jingyi wanted to rest, she found that Ye Chen had lifted her body.

"Husband, what are you doing?" Li Jingyi immediately asked what Ye Chen had done to her.

"Wife, the night is still very long, so let's continue this matter" Ye Chen said to continue the battle with Li Jingyi.

Ye Chen was still not satisfied with doing this once, so she wanted to do this again.

"Oh. . ., wait a moment" Li Jingyi pleaded with Ye Chen, but it was too late, Ye Chen had already beaten the drums of the second war.

The battle continued, the two of them re-doing Dual Cultivation together.

Chapter 1206 - Contact Yan Fei

In the inner court, Gong Senye was looking at his grandson who still hadn't recovered after battling Ye Chen.

"Damn it, I will definitely seek reckoning with you" Gong Senye will definitely seek reckoning with Ye Chen, he will definitely make Ye Chen regret what he has done to Gong Pee.

"Grandpa, you must take revenge for what that person has done." Gong Pee asks Gong Senye to take revenge for what Ye Chen has done to him.

Gong Pee himself is estimated to take more than 3 months to recover, which means that Gong Pee will not be able to take part in the competition to become a core disciple which will take place soon, the time is even less than two months.

This competition is what all inner court disciples dream of, they will all try to enter and become a core disciple and be chosen by a Lord Peak.

It is a matter of pride to be able to become a core disciple in this way.

"You don't have to say it, I'll find a way to deal with him." Without Gong Pee telling him, Gong Senye would definitely try to find trouble with Ye Chen.

Gong Senye tried to find a way to deal with Ye Chen, ordinary means would not work against Ye Chen, this was because there was a strong woman like Mu Xueying who would help Ye Chen.

If Gong Senye used ordinary means, then he wouldn't be able to win against Ye Chen, so Gong Senye had to think of a way to trap Ye Chen.

"I have to find out what he is like, after finding out, I will come up with a plan." Gong Senye had to find out more in-depth information, so that he could find out Ye Chen's weakness.

Gong Senye immediately ordered someone to find out this information, Gong Senye knew who he could ask for information about Ye Chen.

.

At another place.

Qiao Xin went to a place, she was trying to get information about the district attack that happened this afternoon.

Qiao Xin felt something wrong with this, there must be someone involved in this matter.

That was why Qiao Xin wanted to get some information on who had ordered the raid bosses to raid their place.

Qiao Xin came to a fairly hidden underground place, this was a place that big people used to look for a bit of information.

"Hello, is there anything I can help you with?" a woman asked if Qiao Xin had anything she could help with.

"I want to find information" Qiao Xin said that she wanted to find information.

"What information do you want to find?" ask the receptionist.

Qiao Xin said her purpose of coming to this place, she told about the reason why she came to this place.

"Okay, I'll find information on that, you can come back in a few days" this woman told Qiao Xin to come back in a few days, she would find what Qiao Xin wanted.

This information couldn't be found right away, these people needed time to find the information Qiao Xin wanted.

"Good, if I will come back again" Qiao Xin nodded, she immediately left this place and disappeared under the dark sky.

.

.

Back to Ye Che and Li Jingyi.

The two of them were currently resting, it seemed that the two of them had finished their long battle for more than one night.

Li Jingyi herself felt very tired, she was really too tired to serve Ye Chen all night.

"husband, I want to know about what you did yesterday with Qiao Xin" Li Jingyi suddenly asked Ye Chen something.

" About what ?" Ye Chen asked what Li Jingyi meant at this time.

"It's about what happened yesterday when you were in the bathroom with Qiao Xin" Li Jingyi said that she wanted to know what Ye Chen and Qiao Xin were doing in the bathroom.

"So you know what happened?" Ye Chen said to Li Jingyi, Ye Chen did not expect that Li Jingyi would realize what happened when he and Qiao Xin were in the bathroom.

"Of course, I have a relationship with water, so I can tell that behind Qiao Xin's body is you" Li Jingyi said to Ye Chen.

Li Jingyi was very sensitive to water, so when Ye Chen and Qiao Xin were in the water, Li Jingyi could easily find out where Ye Chen was.

"So you found me long ago, then why didn't you expose this matter directly" Ye Chen asked why Li Jingyi didn't expose the matter right away, if Li Jingyi wanted to, he should be able to do that.

"I don't want to do that, if that happens, there will definitely be awkwardness between me and Qiao Xin" Li Jingyi told Ye Chen about the awkwardness that would happen if Li Jingyi exposed this matter.

Ye Chen completely agreed with what Li Jingyi said, if that were to happen, there would likely be some awkwardness between Li Jingyi and Qiao Xin.

"So where is your relationship?" Li Jingyi asked the extent of the relationship between Ye Chen and Qiao Xin.

"Hasn't progressed too far" Ye Chen informed that his relationship with Qiao Xin had not progressed too far.

"Too bad, even though I already gave you a chance" Qiao Xin said to Ye Chen.

Even though Qiao Xin had already given Ye Chen a chance, she didn't expect Ye Chen to let go of the opportunity she gave him.

"Oh, so everything that happened was your plan." Ye Chen finally realized that what happened earlier was Li Jingyi plan.

"Fufufu, of course, I was the one who planned it, I even purposely told Qiao Xin to use the bathroom in this house to get you interested and come inside" Li Jingyi told Ye Chen that all of this was her plan.

Li Jingyi knew very well about Ye Chen, Ye Chen would definitely be interested when he saw Qiao Xin taking a bath, that's why Ye Chen would definitely sneak in and peek at Qiao Xin.

Ye Chen didn't expect that what happened was Li Jingyi plan, he didn't expect that Li Jingyi would plan something like this.

"So you want me to get Qiao Xin" Ye Chen asked Li Jingyi who was on Ye Chen's chest.

"That's right, I want you to get it, it's very difficult to fight you alone, I need allies to pack you up" Li Jingyi said to Ye Chen to get Qiao Xin as soon as possible.

"If it's a request from the wife, then I will do it" Ye Chen said to Li Jingyi, actually even without being told by Li Jingyi, Ye Chen would still do it, Ye Chen had already made Qiao Xin his target.

"I'm tired, I want to rest." Li Jingyi wanted to rest, she slept next to Ye Chen.

Ye Chen saw that Li Jingyi was fully asleep, Ye Chen took the blanket and started to cover Li Jingyi body.

After covering Li Jingyi body, Ye Chen sat on the edge of the bed, himself started to take the long distance voice transmission stone to contact Yan Fei.

Ye Chen wanted to know the progress that Yan Fei had made, whether Yan Fei had already developed Ye Chen's business.

The sound transmission stone finally connected with the one in Yan Fei's hand.

"Master, you finally contacted me" Yan Fei looked very happy about this matter, after a long time Ye Chen finally contacted her.

Chapter 1207 - The Secret Land Left Behind By The Ancient Sect

"Why didn't you call me?" Ye Chen asked why Yan Fei never once contacted him about the news that happened to their business.

"It's because I'm afraid to disturb you, so I don't dare to call you" Yan Fei told Ye Chen the reason why he didn't contact Ye Chen.

"Well I understand your reasoning, but if something bad happens, you should contact me" Ye Chen now understood why Yan Fei never contacted him, apparently this woman was not comfortable when she wanted to contact Ye Chen.

"Fine, I understand, I will do as you say" Yan Fei understood, she would do as Ye Chen said.

When something bad happened to this business, Yan Fei would immediately contact Ye Chen.

Ye Chen listened to Yan Fei's pleasant voice, this woman has a strong charm, she knows how to make the other person comfortable and excited just from hearing the voice she has.

Yan Fei is the person in charge of the Golden King Auction House, so it's not strange that she has this kind of thing, plus this woman also has a charm that can make a person do what he wants.

"So how is the situation, is everything going?" Ye Chen asked Qiao Xin calmly about the business situation they were developing..

"Everything is going very well, sales are increasing very fast, everyone likes the items you design" Yan Fei told Ye Chen that people love the items.

"Very good" Ye Chen was happy to hear this, the original plan had already started, now Ye Chen didn't have to think about his finances.

Yan Fei began to explain in detail about the developments and progress that occurred, everything was growing very rapidly, even they were difficult to meet the enormous market needs.

The market of the Golden King Auction House was the entire God Realm with an enormous number of people, so it was very difficult to fulfill all the orders.

Ye Chen could understand that with this kind of problem, it would definitely be very difficult to meet the needs of the people in the God Realm realm.

All Ye Chen could do was to tell Yan Fei to do this slowly, lest Yan Fei be too rash and mess things up.

Yan Fei understood Ye Chen's warning, she would try her best to grow the business even bigger.

"Oh yeah, do you have any news that can interest me?" Ye Chen asked if Yan Fei had any news that Ye Chen could be interested in.

"You want some news, then let me tell you some interesting news" Yan Fei said that he would give some news that happened recently.

Yan Fei started to tell Ye Chen about the news that came from the Sky Cloud Peak Star Realm, he started to explain about the news that happened.

Most of the news was dominated by recovery and some were quiet about the crimes that took place around the empire.

"Wait a minute" Ye Chen immediately stopped the conversation that Yan Fei was having.

" Why?" Yan Fei asks why Ye Chen stopped herself, she hasn't finished reporting the news she has.

"I'm not really interested in the news that happens in the Sky Cloud Peak Star Realm, I want the news that happens in the entire God Realm." Ye Chen told Yan Fei that he wanted news from the God Realm.

"Oh I see. Well, I'll tell you the latest news I can get" Yan Fei said that she would give Ye Chen the latest news.

The first news that Yan Fei gave was the hottest news in the God Realm, this was news about the new goddess Sun Xuanyin who had just been appointed as one of the four beautiful goddesses in the God Realm who took the place of Nangong Xiang.

Sun Xuanyin had already attracted a great deal of attention from the talented geniuses in the God Realm, countless talented geniuses approached Sun Xuanyin because of her beauty and strong charm, these people even gave their all just to be able to see Sun Xuanyin.

"I heard that any man who sees her will immediately be fascinated and infatuated with Sun Xuanyin, so you have to be careful" Yan Fei told Ye Chen to be careful when meeting Sun Xuanyin.

"Why did you tell me this matter?" Ye Chen asked why Yan Fei told him this matter.

"It's because you are still a man, so you will definitely be charmed by the goddess Sun Xuanyin, I don't want you to fall and spend all your resources on a woman like that" Yan Fei was worried that Ye Chen would be like other men who spent everything they had to Sun Xuanyin.

Ye Chen scratched his head, he couldn't believe that this Sun Xuanyin would be so popular that she was able to make geniuses in the God Realm willing to give up everything they had.

Ye Chen began to remember with Nangong Xiang's warning, Ye Chen prayed not to meet this woman, it seems that this woman is indeed very dangerous.

"Can you give me a picture of this goddess Sun Xuanyin?" Ye Chen wanted to know if Yan Fei could give Ye Chen an idea of Sun Xuanyin.

"what for ?" Yan Fei immediately asked why Ye Chen wanted Sun Xuanyin image.

"This is just in case, I will avoid if I meet this woman" Ye Chen told Yan Fei that he wanted the figure of Sun Xuanyin to avoid when he met her.

"Sorry, but it's an impossible thing to do, it's very difficult to get a picture of the four beautiful goddesses in the God Realm, they are existences that are difficult to reach" Yan Fei said to Ye Chen.

Yan Fei couldn't do what Ye Chen wanted, he couldn't do what even geniuses from the great families of the God Realm couldn't do what Ye Chen asked.

Yan Fei didn't know that Ye Chen had already met 3 beautiful goddesses in the God Realm, and the three of them already had their own relationship with Ye Chen.

"I understand that" Ye Chen can understand, it seems that Yan Fei can't do that.

"Is there anything else?" Ye Chen asked if there was anything else that Yan Fei knew.

"There's one more thing, it's about the discovery of a mysterious land left by the ancient Sect" Yan Fei still has an interesting news for Ye Chen, she tells that there is a mysterious land that was just discovered by some people by accident.

"Where is it?, quickly explain to me more clearly" Ye Chen became more and more excited when he heard this, Ye Chen needed a strength increase, Ye Chen thought that this place might store a large resource.

"Why are you interested in this, you need to know that only someone under 500 years old can enter this place." Yan Fei told Ye Chen that only people under 500 years old could enter.

if someone over 500 years old entered, they would be directly forcefully expelled.

From the start Yan Fei thought that Ye Chen's age must be over tens of thousands of years, so she wouldn't be able to keep up with this kind of thing.

"-_- " Ye Chen didn't think that Yan Fei would think that he would become so old

"Never mind, quickly tell me, I want to know the details" Ye Chen didn't care about this, he just wanted Yan Fei to tell him about this matter.

Chapter 1208 - [Bonus]dangerous Trap For Ye Chen

"Alright, I will directly explain this information to you" Yan Fei promised to tell the information about the secret land that was found.

The place where the mysterious land left behind by the ancient sects exists is in the Thunder Rain Star Realm, this is the most noisy star in the God Realm, almost every part of it is shrouded in thick black clouds and also lightning that shrouds for an unknown time.

Even so, there were still quite a few people living in this place, they were all mostly cultivators who cultivated lightning, this was a suitable training ground for cultivators who cultivated lightning.

Yan Fei told location for Ye Chen, Yan Fei also told Ye Chen that the place would be open about 7 days from now.

there will likely be countless cultivators coming, especially cultivators who are under the age of 500, they will all be looking for lost treasures, surely the place left behind by the ancient sect has a lot of resources.

Ye Chen nodded, he started to remember what Yan Fei said.

The information from Yan Fei was very useful, Ye Chen still had plenty of time to go to that place.

"Thunder Rain Star Realm, I think I will go to that place" Ye Chen muttered in his heart, Ye Chen will go to that place and try his luck, who knows Ye Chen will succeed in getting the resources he wants..

"Thank you for the information you provided" Ye Chen thanked Yan Fei for the information, Yan Fei's information was very useful for Ye Chen.

"You're welcome" Yan Fei was happy to help Ye Chen, she was happy to be able to provide information to Ye Chen.

Yan Fei herself had gained a lot of benefits when she started following Ye Chen, starting from her strength and influence, if Yan Fei continued to follow Ye Chen, then in the future Yan Fei could get even greater benefits.

"Is there any other information?" Ye Chen asked if Yan Fei still had any other information that might be useful for Ye Chen.

Yan Fei told Ye Chen about some information regarding the power struggle that took place in the God Realm, she told Ye Chen about the news that might interest Ye Chen.

Ye Chen was less interested in this kind of thing, she was less interested in power struggles between the Star Realms.

Ye Chen hasn't reached that level yet, so Ye Chen doesn't want to think too much about this matter, what he wants now is to train his strength to become even stronger.

"Well, thanks for the information you have provided, it is quite useful for me" Ye Chen was satisfied with the information provided by Yan Fei, Ye Chen could easily understand the information provided by Yan Fei.

Yan Fei could only give such things to Ye Chen, she couldn't give any further information to Ye Chen.

"Oh yeah, I want you to make an underwear of this size" Before ending the conversation, Ye Chen wanted Yan Fei to make underwear for Li Jingyi.

"Huh?, isn't that size abnormal?" Yan Fei was quite surprised when she saw the size Ye Chen was talking about, the size Ye Chen was talking about was extremely abnormal.

"Never mind, don't ask too many questions, just make a large quantity quickly, make sure you make it with a sexy design and the best material, then send it to this address" Ye Chen told Yan Fei to make it and sent it to Li Jingyi.

"Okay, I understand" Yan Fei nodded, she will do what Ye Chen told her, it is not difficult for Yan Fei to do such an easy thing.

"Very good" Ye Chen nodded in satisfaction, he was really satisfied with the work done by Yan Fei, it seems that Ye Chen was not wrong when he chose Yan Fei to be his confidant.

Ye Chen ended the call with Yan Fei, he saw Li Jingyi sleeping beside him, Ye Chen couldn't stand seeing a beautiful goddess like Li Jingyi sleeping near him, Ye Chen decided to get under the covers and join Li Jingyi.

he slept together with Li Jingyi and enjoyed the rest of the day lazily with Li Jingyi.

Ye Chen accompanied Li Jingyi for 2 days, in these two days, Ye Chen accompanied Li Jingyi to go where he wanted, the two also made love to each other and enjoyed the peaceful life they had.

Li Jingyi was very happy about this, she was happy that Ye Chen was taking the time he had for herself.

Li Jingyi's longing for Ye Chen has been cured, she is very happy with what Ye Chen has done for him.

After accompanying Li Jingyi for a few days, Ye Chen decided to return to the Sect and start preparations, he would immediately go to the Thunder Rain Star Realm that Yan Fei said.

Ye Chen bid farewell to Li Jingyi, Ye Chen went straight to Nine Immortals Peak Sect.

In just a very short time, Ye Chen managed to get near the location of the inner court.

Ye Chen immediately went to his house, when Ye Chen arrived in front of his residence, suddenly there was a woman with clothes that almost fell off her body.

This woman went to Ye Chen, she went and hugged Ye Chen's body.

"young master help me" this woman acted to Ye Chen, she started to stick her body towards Ye Chen.

Ye Chen didn't know who this woman was, why did this woman suddenly hug herself and start acting strangely.

"Hey, where are you going?" Someone came up to Ye Chen and the mysterious woman, this man pointed his finger at Ye Chen.

Ye Chen looked at the man, wanting to know what problem the two of them had.

"What is this?" Ye Chen asked what happened, why did the situation of the two become like this.

"You quickly let go of that woman, she is mine" this man told Ye Chen that the woman who was hugging Ye Chen was his woman.

"Is what he said true?" Ye Chen saw the woman who was hugging him, Ye Chen wanted to know whether this man's words were true or not.

"Lie, he wants to rape me, so help me" the mysterious woman tells that this man wants to rape her.

"You better go and don't bother her." Ye Chen used his pressure, he told this man to go and leave this woman.

With the pressure that Ye Chen had, this man was immediately depressed, he looked very difficult to resist the pressure exerted by Ye Chen.

This man left, himself immediately away from Ye Chen and the mysterious woman.

Ye Chen felt that this was so easy, why didn't the man put up the slightest bit of resistance against Ye Chen.

"young master, thank you" The mysterious woman thanked Ye Chen for saving her.

"You're welcome, then go." Ye Chen told this woman to leave.

"young master, don't ignore me" The mysterious woman suddenly burst into tears, she started to hug Ye Chen's body, this woman seemed to be trying to make a lewd scene with Ye Chen.

Ye Chen immediately chased this woman away, he felt that this woman was very unreasonable and strange.

Ye Chen felt that this woman was very troublesome, so Ye Chen did not want to interfere with this woman.

Ye Chen left this woman, he immediately went into his room.

"You idiot" This woman said that Ye Chen was a stupid man, he was easily trapped by the trap she set.

Chapter 1209 - Be An Enemy Public In The Inner Court

Just now that mysterious woman used an imaging stone to immortalize what happened, this was the reason she was crying and making obscene gestures, this woman was apparently trying to frame Ye Chen as if Ye Chen was trying to rape her.

In the inner court, this woman was quite popular, so when news of this spread Ye Chen would become the enemy of both men and women within the Sect.

There would definitely be a lot of people looking for trouble with Ye Chen, Ye Chen would be the object of insults and bullying from the inner court disciples.

This woman immediately went to see Gong Senye, she was going to give the image she managed to Gong Senye,

Gong Senye intends to use this image to bring down Ye Chen, let Ye Chen become the enemy of the entire inner court, that way Gong Senye doesn't have to bother to deal with Ye Chen.

Gong Senye will let these women take care of Ye Chen, Gong Senye is sure Ye Chen will be humiliated by these women.

Gong Senye couldn't wait to see the exciting spectacle, he couldn't wait to see Ye Chen being bullied by the disciples in the inner court.

For sure there would be many inner court disciples looking for trouble with Ye Chen, Gong Senye was very sure about that matter.

.

Ye Chen himself didn't know that he had been framed by Gong Senye, Ye Chen was currently more focused on cultivating in his own room, Ye Chen didn't really care about trivial matters like now.

"I'd better go to the fairy gate and go back to training myself" Ye Chen will return to the fairy gate and train himself.

Ye Chen has already gotten used to using the Geoling Bracelet, he wants to increase the difficulty level of using the Geoling Bracelet.

Ye Chen wanted to increase the difficulty level to the second level, that way Ye Chen's physical ability would increase even more.

When Ye Chen leveled up, Ye Chen couldn't even stand up straight, Ye Chen looked like he was having a hard time standing up.

"Damn it, it's heavier than the first one." Ye Chen really felt that it was much heavier than the first, Ye Chen couldn't even stand up straight when wearing two pairs of Geoling Bracelets.

Ye Chen struggled to stand up, with Ye Chen's persistent effort, Ye Chen was finally able to stand up straight.

"Finally" Ye Chen was satisfied when he was able to stand up straight, now all he needed to do was try to walk forward.

Ye Chen took one light step, when Ye Chen did that, he seemed to take a thousand steps, it was very heavy.

"Come on . . ." Ye Chen continued to push himself, he used all the abilities he had to be able to resist the heavy power of the Geoling Bracelet.

With persistent and unyielding efforts, Ye Chen started to walk, himself walking slowly but surely.

Chu Yuechan saw Ye Chen's spirit, Ye Chen's enthusiasm was very great, this was a very big spirit.

"If you continue like that, you will become strong in the near future." Chu Yuechan felt that if Ye Chen continued like this, then Ye Chen would become strong in the near future.

This kind of spirit was needed, with this kind of spirit, Ye Chen would definitely become stronger very quickly.

The few days passed very quickly, Ye Chen had already started to get used to the weight that was on his body.

Although it was still a little difficult to walk fast, at least Ye Chen had gotten used to using two pairs of Geoling Bracelets.

"Time to go." Ye Chen decided to go to the Thunder Rain Star Realm to participate.

Ye Chen himself didn't know much about the Thunder Rain Star Realm, that's why he told Yan Fei to prepare a teleportation stone that would allow him to go to the Thunder Rain Star Realm.

Before that, Ye Chen wanted to go to the Sect hall, he wanted to see if there were some good items that could be exchanged for Ye Chen's contribution points.

The inner court has its own Sect Hall, here there must be some valuable items that can be exchanged for contribution points.

Ye Chen had a lot of contribution points, so he was a little confused about how to spend the contribution points he had.

Ye Chen came out of the fairy gate, himself came out of his room and immediately headed towards the Sect hall.

When Ye Chen came out of his room, Ye Chen saw several people staring at him with strange and hostile gazes.

Ye Chen himself didn't know why these people looked at him in this way, Ye Chen felt that he had never had a problem with these people.

Ye Chen decided to ignore these people, Ye Chen immediately went to the Sect hall to do his own business.

On the road Ye Chen felt the same way, the people in the outer court were very strange, why did they all stare at him in this way, this was quite unusual for Ye Chen.

the people in the inner court were much stranger than those in the outer court, they continued to stare at Ye Chen using extremely strange and unreasonable gazes.

Ye Chen continued to walk forward, he used everything he had to move forward.

Ye Chen tried to ignore these people, he didn't want to interfere with these people too much.

Ye Chen finally arrived at the Sect Hall, when Ye Chen arrived at the Sect Hall, he again felt some unpleasant gazes.

Ye Chen had already gotten used to this, so he had completely ignored these people.

Ye Chen went to see one of the receptionists, it just so happened that this place wasn't as busy as the ones in the outer court, so Ye Chen easily found someone who could help him.

"You pervert" when Ye Chen met the receptionist, he was immediately branded as a pervert by one of the women in charge.

Ye Chen himself didn't know what had happened, why was he immediately branded like this by the woman in front of him.

"What are you saying, we just met, how can someone be disrespectful at the first meeting" Ye Chen said to the woman in front of him, he didn't like the treatment of this woman.

Ye Chen first came to this place, how could anyone say this at his first meeting.

"It doesn't change that you are a pervert" the receptionist said that Ye Chen was a pervert, and that was the truth.

"Actually what's going on here, why do you say that?" Ye Chen was already starting to feel strange, he felt that something was wrong in this place.

"Hey, isn't this the pervert who bullied Tie Sangling" one of the men came up to Ye Chen, he said to Ye Chen who was in front of him.

"Tie Sangling, who else is it?" Ye Chen didn't know who this man was referring to, Ye Chen didn't remember meeting a person named Tie Sangling.

"Haha, are you joking with us, you don't know who Tie Sangling is, you really are trying to fool all of you" this man said to Ye Chen.

Tie Sangling was a woman who was quite popular among inner court disciples, it would be strange if Ye Chen didn't know a woman like Tie Sangling.

Ye Chen didn't know about the woman named Tie Sangling, he didn't feel that he had ever met a woman named Tie Sangling.

"Hahaha, are you kidding me?" Everyone laughed when they heard what Ye Chen said, they couldn't believe what Ye Chen just said.

Chapter 1210 - Do You Think We Can't Kick You Out Of This Place

"I really don't know the woman you mean, I don't know Tie Sangling at all." Ye Chen said that he didn't know the woman named Tie Sangling.

"This fellow is really shameless, he has obviously tried to bully and do bad things to Tie Sangling, yet he is still denying it" People started to be dissatisfied with what Ye Chen did, instead of apologizing Ye Chen instead acted as if he didn't know about Tie Sangling.

This made people even more dissatisfied with Ye Chen, they were dissatisfied that Ye Chen had evaded this matter.

Ye Chen did not avoid this matter, he felt that he was not at fault in this matter.

Whatever reason Ye Chen had, for these people Ye Chen was still at fault for what happened this time.

Ye Chen could no longer think about this matter, he didn't know why this kind of matter had happened.

Ye Chen was now a public enemy, he was the enemy of everyone in this place.

.

"It's better, I just ignore these people" Ye Chen decided to ignore these people, it's useless for Ye Chen to pay attention to what these people say.

"Hi, quickly give me a list of items that can be exchanged for contribution points." Ye Chen said to the receptionist to give himself a list of items that he could exchange using contribution points.

"Sorry, I don't want to serve a pervert like you" the receptionist refused Ye Chen's offer, he didn't want to serve Ye Chen.

"Are you sure, I will give you some gifts if you want to do that" Ye Chen said that he would give a reward if this woman wanted to help him.

"I don't want" the female receptionist told Ye Chen that she didn't want to do something like that, she didn't want to serve Ye Chen no matter what.

"Never mind, you better get out of this place, everyone won't accept you" Everyone started to chase Ye Chen away, they all wanted Ye Chen to leave this place.

"Do you really have the power to do that?" Ye Chen said to everyone in this place, he asked if they had the power to expel him from this place.

"Do you think we can't kick you out of this place, let us show you the strength we have, we will make you leave this place" These people started to surround Ye Chen, it seemed that they wanted to attack Ye Chen.

"Hey friends, do you want to start a fight, isn't that forbidden in the Sect?" Ye Chen said to the people in this place.

Ye Chen pretended that he was weak, this was so that these people would underestimate him.

"It's too late to say that, let's beat him up" these guys took their friends to beat Ye Chen.

the people who were here just watched, they all didn't want to go and help Ye Chen, he thought there was no point in helping Ye Chen.

Several people started hitting Ye Chen, they hit Ye Chen using all the attacks they had.

They all looked like they didn't care about the consequences they would suffer later, all they wanted was to keep hitting Ye Chen.

Ye Chen himself was just as silent as a statue when he was hit like this, Ye Chen didn't seem to feel anything when he was hit by these people.

Ye Chen didn't feel anything hitting these people like someone was poking Ye Chen.

"Hoammm. . ." Ye Chen was a little bored, he was bored because these people didn't have the strength to comfort him.

People kept hitting Ye Chen, they used all the strength they had to hit Ye Chen.

The people in this place were horrified when they saw the scene in front of them, they all felt sorry for Ye Chen being beaten like that.

Surprisingly Ye Chen didn't make a scream when he was hit by dozens of people, this was a very amazing thing.

"Haven't you all had breakfast yet?" Ye Chen asked everyone in this place, he felt that these people didn't have the strength to fight him.

everyone was stunned by what they saw, they all couldn't believe what they were seeing right now.

Ye Chen could actually speak very normally, he didn't seem to feel a thing even after receiving the hundreds of blows they delivered.

Ye Chen started to feel the benefits of increasing his strength, Ye Chen felt that his physical strength was getting stronger and stronger.

"What the hell is this guy?" Everyone couldn't believe what they saw, they all couldn't believe that Ye Chen could withstand their attack.

Ye Chen was tired of playing with these weaklings, Ye Chen waved his arm.

"Arggh" when Ye Chen did this, all the people who were ganging up on him were instantly blown away, they were all blown away by a huge force of wind, they hit the wall or table in this place.

The people who had attacked Ye Chen were currently injured, they were unable to stand up after receiving Ye Chen's attack.

The current Ye Chen still wasn't used to the weight of the Geoling Bracelet, so he decided not to fight these people using physical strength.

Ye Chen ignored these people, he started to head towards one of the receptionists in this place.

Since the previous receptionist had rejected Ye Chen, then it was useless for Ye Chen to talk to the woman.

The receptionists at this place were a little afraid of Ye Chen, they felt that Ye Chen was a very dangerous criminal.

"Hey, you . ." Ye Chen said to the female receptionist who was in front of him.

"Young master, what do you want?" This receptionist looked scared when she answered Ye Chen's question, she was afraid that Ye Chen would do something bad like he did to other people just now.

"Give me a list of items owned by the Sect Hall" Ye Chen told this woman to give me a list of items owned by the Sect Hall.

"Wait a minute" the receptionist hurriedly went and got a book for Ye Chen, he quickly took the item information book to Ye Chen.

The other receptionist took pity on this woman, she had to endure this kind of thing.

Ye Chen started to look at the items that could be exchanged, Ye Chen looked at all of them, he wanted to know if there was something he was interested in or not.

Again there was nothing that could interest Ye Chen, it just so happened that the rare medicinal herbs and pills were out of stock.

"Okay, I'll look for a weapon" Ye Chen decided to go and look for a weapon.

Ye Chen wanted to find a sword that was strong enough for himself to wield.

Ye Chen needed a new sword for disguise, he couldn't use the Divine Yin Yang Sword while disguised as a Mask Hero, that's why Ye Chen wanted to find a sword that was strong enough for him to use.

Ye Chen looked for a sword that had the most value, after searching for a while, Ye Chen found a sword that had a fairly high value.

Black Dragon Sword, 500,000 contribution points, the most expensive and best item in the Sect.

This was the best sword Ye Chen could find, no other sword could match the price of this sword.

"Alright, I'll take this" Ye Chen had already decided he would take this sword.

"I want this" Ye Chen said that he wanted the Black Dragon Sword.

The receptionist was quite surprised when she saw what Ye Chen chose, what Ye Chen chose was the most expensive item in this Sect hall.
