

Chapter 121 - Incident During The Concert

When Ye Chen and Liu Yue returned to their seats, Zhao Yanyan welcomed her "Yue sister's appearance was quite great" Zhao Yanyan praised Liu Yue's voice.

"Yanyan's younger sister thank you very much" Liu Yue was happy because Zhao Yanyan comforted herself, Liu Yue realized that her singing skills were poor.

Zhao Yanyan and Liu Yue laughed together, Ye Chen was glad the two women were able to accept each other's flaws, in this world there really wasn't a perfect person.

"Alright everyone, this will be the last song before the concert ends" Feng Xue announced that the concert would end soon.

some viewers were disappointed because the concert ended so quickly.

"Let's get started, Boom. . . . , Boommm. Boommm. "When Feng Xue was going to sing suddenly in front of the stage there was a pretty big explosion.

A few materials flew about the audience, the people in the VVIP chair most affected by flying material, Ye Chen immediately used his strength to hold these shards, so as not to hurt people.

The concert that was initially fun turned into a tense, people began to panic and scattered out of the building, the staff also quickly ejected Feng Xue down from the stage.

"Yanyan, Yue let's get out of here" Ye Chen immediately hugged the two women and left the building as quickly as possible.

Ye Chen brought Zhao Yanyan and Liu Yue up to the building next to the concert hall, from here Ye Chen could see everything clearly.

underneath people were also seen scattering trying to save themselves.

"Is this a terrorist attack?" Liu Yue suspected that this was a terrorist attack.

Ye Chen observed the situation below, "maybe this is the work of the kidnapper organization, just look over there" Ye Chen pointed to a corner in the distance.

Zhao Yanyan and Liu Yue immediately looked in the direction Ye Chen pointed.

in a corner there is a black container truck, there are some people who carry a sword on their backs guarding near the container truck.

Some women were brought into the black container truck, all the women who were carried had pretty pretty faces.

"Look at that, isn't that Feng Xue?" Zhao Yanyan pointed at Feng Xue who was being forcibly carried by several people, Feng Xue's mouth was covered by duct tape so that she could not scream.

Feng Xue tried to rebel unfortunately Feng Xue's strength was no match for these kidnapers.

"Some of them are cultivators" Ye Chen checked that some of the kidnapers were cultivators, moreover their strength was not weak even some had reached the beginning of the Earth Realm.

"Husband, lest these people have a relationship with the kidnapper who was trying to kidnap me" Zhao Yanyan realized that the clothes these people were wearing were almost the same as the kidnapers who tried to kidnap her at that time, fortunately at that time there was Ye Chen who help her.

"You might have a point" Ye Chen nodded at Zhao Yanyan.

"Yanyan you and Yue go home first, I will try to follow them, and see what these people want to do" Ye Chen took down Zhao Yanyan and Liu Yue from the building.

"Ye Xiu come out" Ye Chen called the nine-tailed fox to come out.

Ye Xiu appeared in front of Ye Chen "Yanyan you brought Ye Xiu with you just in case" because Ye Chen was worried about Zhao Yanyan and Liu Yue's condition so he called Ye Xiu to protect them.

Ye Xiu understood what Ye Chen was saying, she immediately jumped into the bag carried by Zhao Yanyan.

Because Ye Xiu Small's size easily entered into Zhao Yanyan's bag.

"careful husband" Liu Yue warned Ye Chen to be careful.

"I'll go first" Ye Chen flew and followed the container trucks belonging to the thieves.

The container truck drove away leaving the city, the route the container truck passed was the same as when Zhao Yanyan was kidnapped, Ye Chen continued to monitor from above the dark night sky.

After a while the truck finally stopped at a large broken warehouse in the middle of the forest, the thief came down and started to bring the women into the damaged warehouse.

Ye Chen went down to a tree and saw the activities of these people from afar, he used spirit Sensei to see how many people were around here.

After detecting Ye Chen discovered that there were hundreds of people under the damaged warehouse.

These people seemed to be the kidnapped women, seeing everyone entering the warehouse, it was time for Ye Chen to follow behind these people.

When Ye Chen slipped, he saw a familiar person behind a pile of boxes.

Luo Bing was currently watching the slave seller organization, after all this time Luo Bing had finally found their headquarters.

"Police Luo what are you doing here" Ye Chen patted Luo Bing's back.

"Kyaahh. . . . Luo Bing shouted in surprise.

"Who's there?" The kidnapers heard a voice from behind the box.

Ye Chen immediately covered Luo Bing's mouth by using his hand "shut up".

The kidnapers immediately walked to look behind the box, there was a rat coming out from behind the City "what's there" asked the other kidnapper.

"It's just a mouse, I think what, let's go back" The two kidnapers immediately entered the basement.

Luo Bing tried to release Ye Chen's hand from her mouth "Ye Chen why are you here? Luo Bing asked why Ye Chen was here.

"I came here trying to save Feng Xue and the women who had just been kidnapped," Ye Chen said.

"Here is dangerous, hurry up and go" Luo Bing warned Ye Chen to leave this place immediately, here Luo Bing could not guarantee Ye Chen's safety, she did not know that Ye Chen was a great cultivator

"You don't need to worry like this. I'm also a great martial arts expert." Ye Chen showed a bit of his Kungfu skills.

Luo Bing looked at Ye Chen with a look of disdain.

"How is my ability not bad right? "Ye Chen still makes strange martial arts movements.

"Bad boy, move aside. I don't have time to play with you," seeing Ye Chen still playing with Luo Bing didn't have time for him.

Luo Bing's main focus is to save prisoners and destroy this organization.

Luo Bing very quickly disappeared from Ye Chen's view "Luo Bing where are you?, Don't leave me alone here" Ye Chen shouted out Luo Bing's name, actually Ye Chen knew that Luo Bing was only hiding in the darkness on the side, Ye Chen was pretending pretending not to know.

Seeing Ye Chen suddenly scream, Luo Bing really wanted to knock him unconscious.

"Dodge" Ye Chen dodged Luo Bing's attack

"How is that possible" Luo Bing was very surprised to see Ye Chen avoiding her attack.

"That was almost there, fortunately I have trained my body's reflexes".

Luo Bing had detected Ye Chen's body many times, she did not feel that there was any strength in Ye Chen's body.

Luo Bing once again tried to attack Ye Chen, and Ye Chen could still avoid her attack.

"What kind of creature are you?" Luo Bing really did not understand the young man in front of her.

"You can't see that I'm human," Ye Chen answered Luo Bing's question.

Seeing Ye Chen not want to say it Luo Bing was angry "you should go home, if you insist to come I will not guarantee your safety" without regard to Ye Chen Luo Bing going down.

"Who else needs to be protected anyway" Ye Chen followed far behind Luo Bing.

Chapter 122 - Xiao Lulu

in the darkness of the silent hallway the sound of someone's footsteps could be heard, Ye Chen walked quite casually down this dark alley, he had decided to let Luo Bing take care of everything.

When he passed by there were countless human ice sculptures, inside this ice sculpture were the kidnapers that Luo Bing had frozen.

The people who had been frozen seemed unprepared while fighting, so Luo Bing easily defeated them all.

Ye Chen ignored this ice sculpture and continued forward, after passing through a long dark alley, he finally reached the end of this Hallway.

At the end of the hall is a very large room with adequate lighting

Here there are a lot of iron cages that are quite large in size, there are a lot of women who are locked up in iron cages.

The appearance of these women is very concerned, their hair is disheveled, the clothes they wear are all destroyed, everywhere and dirty, even the hands and feet of these women are in chains so they cannot move.

Ye Chen could see the light inside the women's eyelids was very gloomy, this showed what the kidnapers were treating these women.

Seeing this Ye Chen was very sorry, these kidnapers really treated these women who didn't know anything like animals.

On the other hand Luo Bing was fighting with 2 cultivators in the early stages of Earth Realm. Ye Chen saw Luo Bing having the upper hand

Luo Bing and the two cultivators exchanged a few palms, even though they had worked together. These two cultivators had quite a hard time fighting Luo Bing.

The two cultivators looked at each other then nodded, because they couldn't fight this woman they were forced to use other methods to deal with Luo Bing.

One of them took a powder from his pocket and intended to throw it at Luo Bing.

This is an Aphrodisiac powder to arouse women, these two cultivators are indeed shameless people.

Luo Bing didn't let that happen, she clicked her fingers and hundreds of Ice needles popped him over the ceiling then pounced towards the two Cultivators.

"Ahhhhh" The two cultivators who were in the early stages of the Earth Realm shouted in pain, their bodies began to feel cold and finally these two cultivators froze into ice sculptures.

the difference in several levels is indeed very influential in battle

Luo Bing nonchalantly walked past these two cultivators, she immediately used her power to destroy all the iron bars, the place where the women were in brackets.

Seeing someone come to help, all women look very excited.

Luo Bing looked at these women with pity, they had to experience inhuman things like this "all of you are now free" Luo Bing then cut the chains on the women's wrists and ankles.

The number of women kidnapped by people is quite a lot, this is even more than hundreds of people.

"Luo police are you a witch?" Ye Chen came to Luo Bing's side and asked quite curiously.

knowing that Ye Chen had seen her fight, Luo Bing did not want to hide anything and did not bother answering Ye Chen's question.

After the matter was resolved Luo Bing intended to erase Ye Chen's memory of this matter.

"Ye Chen, you bring these women up" Luo Bing wants Ye Chen to escort these women out of here, she herself intends to fight the Boss of the kidnapers.

"Eh. . . , why should I "Ye Chen also wants to know who the boss of these kidnapers is, after all, he still has a grudge for having dared to kidnap Zhao Yanyan.

"Hurry up and do it, or I'll make you a statue just like them" Luo Bing began to emit an aura of ice around his body to scare Ye Chen away.

"OK" Ye Chen then promised Luo Bing.

Seeing Ye Chen promise Luo Bing was quite satisfied, she immediately left and left the rest to Ye Chen.

The women immediately gathered around Ye Chen's side they were very excited together with the handsome Ye Chen "handsome please get us out of here" all the women who looked quite beautiful said spoiled to Ye Chen.

"Alright ladies, are you ready to get out of here", all the women nodded their heads very excited.

"Come here" Ye Chen pointed at the place where he entered here.

The women with great enthusiasm walked towards the dark corridor, Ye Chen intended to follow behind these women.

It turns out there is still one more woman who is currently curled up in a corner and holding her knees, Ye Chen could not see this woman's face because this woman buried her face in her knees.

"Hey, do you not want to get out of here?" Ye Chen approached and asked the woman huddled in the corner.

This woman looked up, she saw a man who was quite handsome "I have no place anymore in this city" this woman was desperate when answering Ye Chen's question.

Ye Chen was quite surprised at the cuteness of this woman, even though her appearance was quite chaotic, this woman still looked beautiful and cute.

With snow-white skin, a face like a doll and a long blond rabbit, this woman looks like a beautiful walking doll.

Someone who saw this woman, would want to immediately protect this cute woman.

Ye Chen saw that there was no fire in this cute girl "oh yeah, what's your name" Ye Chen first wanted to know the name of this girl so it was easier to communicate with her.

" that . . . , that . . . , my name is Xiao Luli. "Xiao Lulu was shy when she said her name.

Seeing this shy girl add to Xiao Lulu's cute appeal, Ye Chen increasingly wants to protect this woman "so Lulu, I'm Ye Chen, if you don't mind what if you stay with me" Ye Chen tried to persuade this girl to want to get out of the place this sad thing.

When Ye Chen said that there was a slight flash of spirit in Xiao Lulu's eyes, "that. . . , that . . . , will it not bother you? "Xiao Luli was even more ashamed when she looked at Ye Chen.

"Just calm down it won't bother me at all, let's get out of here" Ye Chen pulled Xiao Lulu's hand and walked towards the surface.

The cute Xiao Lulu just resignedly following Ye Chen to the surface.

On the other hand Luo Bing kept going forward, every time she met someone he would immediately freeze them. After walking quite far Luo Bing was on the altar, here were some women whose hands were on the chain, Feng Xue was included.

"Wow, wow, look who's here." Someone seated on a throne welcomed Luo Bing.

Middle-aged man seemed to have been waiting for the arrival of Luo Bing.

"Bao Man, finally you dare to appear too" Luo Bing also seems to know the identity of this middle-aged man.

"Hahaha, this old man didn't expect that the six-door organization only sent one person to catch this old man, they underestimated me" Bao Man laughed underestimating the six-door organization.

"Bao Man, I alone is enough to defeat you" Luo Bing immediately advanced and attacked Bao Man with the palm of Ice.

Bao Man did not stay silent, he used the first blow to welcome Luo Bing's attack.

"Boom. . . ."The collision between the two attacks was unavoidable, Luo Bing was defeated and retreated a few meters backwards.

"Hahaha, it seems like the old men overly overestimate you, today I will train you to be an obedient slave" Bao Man came forward and intends to fight with Luo Bing.

Chapter 123 - Weak Luo Bing

Luo Bing immediately avoided Bao Man's punch attack, Luo Bing knew she would not be able to win if fighting using Physical Power.

"Hahaha beautiful woman, where do you want to run to, you are destined to be my slave" Bao Man continued to attack Luo Bing without giving any mercy.

Bao Man is built above the 5th level of the Earth Realm, while Luo Bing is currently at the 4th stage of the Earth Realm, there is still a slight gap between the power of the two.

Bao Man's palm shot a lightning towards Luo Bing.

"Ice Barrier" Luo Bing immediately fended off the attack by using the Ice barrier.

"Explosion. . . , explosion. . . , explosion. . . , explosion. . . , explosion. . . , explosion. . . , "Bao Man's lightning exploded several times as it struck the Luo Bing barrier.

Because of this explosion, Luo Bing's barrier began to crack "Crakkk. . . , Crakkk. . . , Crakkk. . .

"Seeing the barrier can't hold any longer, Luo Bing was forced to pull herself back.

"Bamm. . . "Luo Bing's barrier is breaking down.

"Hehehe where your vanity went earlier" Bao Man chuckled at Luo Bing.

Luo Bing looked at Bao Man with a cold gaze, the temperature of the room began to fall, the women who were in the chain also shivered due to the drop in temperature in the room.

Seeing this Luo Bing pulled back her aura.

"Hahaha, what is the matter why you didn't show your true strength" Bao Man was satisfied seeing Luo Bing was helpless, everything had been calculated by Bao Man, Bao Man deliberately brought hostages to this place so that Luo Bing could not express her true abilities.

"You shameless guy" Luo Bing cursed Bao Man, if only there were no hostages around Luo Bing would have used her power without restraint.

Luo Bing had to guarantee the safety of the kidnapped women.

"I am indeed a shameless man, and this shameless man will soon train you to be an obedient slave" Bao Man was salivating when he saw the beauty of Luo Bing and Feng Xue.

In one night Bao Man get two extraordinary beauty, if sold Bao Man can get a fantastic profit.

"Don't be so arrogant" Luo Bing made an ice sword and rushed towards Bao Man.

Bao Man is very confident, he only uses his bare hands to face Luo Bing's desert.

"Slash, Eh" Bao Man's hand suddenly cut off, the part that was cut immediately froze into Ice.

"I told you not to be too arrogant" Luo Bing put a sword around Bao Man's neck

This time Luo Bing's ice sword has been strengthened dozens of times, so it is very sharp and can freeze someone when it is exposed, Luo Bing's deep energy is almost gone, to make this Ice sword Luo Bing has used 2/3 of the deep energy she has.

Bao Man holds the hand that has been cut off "I seem to underestimate you".

"Clank. . . , clank. . . , clank. . . , clank. . . "Bao Man's body is covered with a very strong lightning flow, thunder rages and destroys everything around Bao Man.

Luo Bing immediately retreated and headed towards the women in the "ice Barrier" Luo Bing made an Ice barrier so that no one would get hurt "

Bao Man's body began to turn into a little big, the skin also changed color to a luminous blue, blue lightning still enveloped Bao San this time the lightning is quite tame and can be controlled by Bao Man.

"I did not expect you to make me show my real body" Bao San's arms grew back.

"Tunder Hammer", Bao Man gathered strength in his hand, then Bao Man's hand struck the ground.

"Bang" When Bao Man's lightning hand hit the ground, immediately the ground around Bao Man was destroyed.

Luo Bing's barrier was almost destroyed because it was swept away by the power of Bao Man

The destructive power of the Tunder Hammer was indeed quite strong, if Bao Man had used this skill on Luo Bing's barrier, surely Luo Bing's barrier would have been destroyed instantly.

"Now you understand my real strength" this time Bai Man is very confident with the power he has at this time.

The situation has changed, Luo Bing's deep energy is also low, she won't be able to continue to fight with Bao Man for long.

"Let's finish" Luo Bing raised the ice sword and rushed towards Bao Man.

Bao Man's arms became bigger and more muscular, Bao Man used a punch to fight the Ice Luo Bing sword.

"Clank" This time the ice sword Luo Bing could not cut Bao Man's hand, Bao Man easily held the Luo Bing ice sword with his lightning arm.

"It's over" Bao Man's other hand hit Luo Bing.

"Bamm" Luo Bing who was currently hovering could not avoid Bao Man's attack, she tried to hold it with both hands.

Luo Bing crashed into the ground, the corner of Luo Bing's mouth was bleeding, she had held back so as not to vomit blood.

"Hahahaha, you're weak" Bao Man laughed and started to move towards Luo Bing.

On the surface, Ye Chen had now brought all the women out of the old warehouse, the women who were breathing free air were very happy.

"You all come here" Ye Chen called all the women to line up neatly in front of him, Xiao Lulu also entered into the inheritance.

After all the women gathered, he immediately made a barrier, this barrier can protect women from attacks by unwanted people.

now Ye Chen didn't need to worry about the safety of these women

Ye Chen intended to go back down again, he wanted to see Luo Bing's situation.

Xiao Lulu who saw Ye Chen reentering the warehouse tried to follow, Xiao Lulu banged on Ye Chen's Roadblock.

"oh ... sick," Xiao Lulu rubbed her head which was hurting from colliding with a barrier

Ordinary people couldn't see the barrier Ye Chen had made, they only felt that there was an invisible wall around.

Seeing Bao Man approaching Luo Bing trying to stand up with all the strength she had, Luo Bing was very angry because she was weak, if only she were stronger maybe at this time the situation would not be like this.

Luo Bing gripped her Ice sword, Luo Bing wouldn't give up until he died.

"Slash" Luo Bing slashed Bao Man's body with the sword, Luo Bing's sword was again stopped easily by Bao Man.

"You woman who doesn't know when to give up" Bao Man immediately broke Luo Bing's sword.

Now Luo Bing has no weapons to defend herself.

Bao Man put his hand close to Luo Bing's body, he couldn't wait to get Luo Bing to go to bed.

"Boss, the thing you asked for is finished." When Bao Man was very close to Luo Bing, someone suddenly called from behind.

Bao Man was a little dissatisfied seeing someone daring to disturb the good things he would do to Luo Bing.

Bao Man turned around and saw an old man in a professor's suit already standing behind Bao San "Professor Dong, what you said was right" heard the news from Professor Dong Bao Man looking very excited.

"Here you are, see for yourself" Bao Man took out a token the size of a palm and handed it to Bao Man.

Bao man took a token from professor Dong, "good, hehehehe" Bao Man laughed very satisfied.

Chapter 124 - God Token

"Boss, then where is the money you promised" Professor Dong collected the promise from Bao Man.

"Pay, this is your payment" Bao Man choked Professor Dong's neck.

"Boss, what do you want to do?" Professor Dong frantically tried to break away from Bao Man.

"Hahaha, you still ask what I want to do, of course kill you, to me now you are a useless item, Crakk. . . .

"Bao Man broke the professor's neck very easily.

Bao Man threw Professor Dong's body aside, he refocused on Luo Bing.

Luo Bing looked at Bao Man with even more disgust, this middle-aged man was really cruel and shameless.

"Hahaha, finally I will rule the world, with this god's token I will be the king of this world" Bao Man raised the token up high.

This token is a god's token, Bao Man got this token in a ruins when he was young, after years of research Bao Man finally knew the usefulness of this token.

Anyone who uses this token on his body, then he will get the same power as a god.

Unfortunately this token is broken and cannot be used, Bao Man employs the world's best scientists to repair this god token.

And finally waiting for his exposure to fruition, now he will have unequalled strength and long life.

"The world welcomes your new ruler" Bao Man put the god token on his chest, the god token began to merge with the body of Bao Man, Bao Man felt that a very terrible power flowed in his body.

"Hahahaha, so this is the power of a god, amazing" Bao Man floated into the sky, he felt his body began to change from before, this kind of strength was never imagined by Bao Man before.

Bao Man raised one finger, Bao Man's finger appeared in lightning flashes, he then raised his finger up and fired lightning at the ceiling.

"Bamm" a very powerful lightning bolt immediately destroyed the ceiling of the basement.

The hole that Bao Man made thought he had a meter, 25 meters.

Luo Bing was surprised to see the change in Bao Man's strength, with this power Bao Man would be a threat to the country as well as the World.

"Amazing, so this is the power of a god" Bao man looked at his hands in disbelief.

He had intended to test with a little strength, but it was unexpectedly the destructive power exceeded his expectations.

With this power, destroying a big city would be very easy.

"Beautiful woman why are you surprised, now whether your six-door organization can stop me" with the power of this god, Bao Man can destroy the entire six-door organization with one hand.

Seeing the power of Bao man Luo Bing could not say anything more, now Luo Bing was not a match for Bao Man.

Even if all the six-door organization's personnel were gathered, she was afraid that it was still not strong enough to fight Bao Man right now.

Ye Chen who felt a burst of force that was very strong, he immediately rushed to the origin of this explosion

This power was at least comparable to cultivators in stage 3 of the Overlord Realm.

When Ye Chen reached the place of origin of the explosion, he saw a monster-like human floating in the sky, with Bao Man's blue skin looking like an Electric monster.

"Ye Chen is useless, what are you doing here, you should go back to the city and report this to the police chief." Seeing Ye Chen's arrival Luo Bing immediately scolded him.

Luo Bing thought that Ye Chen had already taken the kidnapped woman away from this place, it was unexpected that Ye Chen would return to this place.

Ye Chen paid no heed to Luo Bing's words, he looked around, there were actually a few women who were taken hostage by this person.

Feng Xue and the other women had fainted due to fear.

"Who are you?" Bao Man who saw Ye Chen's arrival, immediately asked, Bao Man was quite interested in seeing an ordinary man who was not afraid after seeing him.

"I am Ye Chen, the hero who came to save the women you have kidnapped" Ye Chen said his name with a little appendage.

"So are you going to fight me?" Asked Bao Man in contempt.

"Of course, I will make you regret having been born in this world." Ye Chen wanted to immediately hit this person.

He no longer needed to hide the power of Luo Bing.

"Hahaha you are an interesting person, come forward" Bao Man is not angry he was entertained tonight with this new clown.

"Prepare yourself" Ye Chen advanced towards Bao Man.

"Ye Chen, you fool, you're not his opponent" Luo Bing tried to stop Ye Chen from attacking Bao Man, Bao Man who now only needed one finger to make Ye Chen disappear from this world.

Bao Man didn't use any defense at all, he instead puffed out his chest, opened up his defenses, so Ye Chen could easily attack him,

"Breaking meteor blow" Ye Chen landed a punch right on Bao Man's chest.

"Bamm. . ." Bao Man was flown a few miles, before finally hitting a hill.

The hill that was hit by Bao Man was destroyed instantly, finally Ye Chen had the opportunity to test the increase in strength, from having a dual cultivation relationship with Fu Lanling.

Seeing this Luo Bing's jaw almost fell, Luo Bing looked at Ye Chen with a look of disbelief, she rubbed his eyes to make sure this was reality.

"Damn, the boy turned out to be very strong" Ye Chen's breaking meteor blow attack seriously injured Bao Man's body, Bao Man's front bone shattered into pieces.

the god's token quickly restored Bao Man's body as before.

Bao Man rose from the ground to relax his muscles which had just been restored by the God Token.

"This is amazing" Bao Man did not believe that such a severe wound could easily be healed by a god token.

"Boy, I will take revenge for earlier" Bao Man jumped towards the direction Ye Chen was.

"Police Luo, why do you look at me like that, do I look like a ghost to you?" Ye Chen smirked at Luo Bing.

"How do you have that much strength?" Luo Bing could not believe that Ye Chen who looked so young had such great strength.

"Hehehe, it's a secret." Ye Chen did not intend to tell the origin of the power he gained.

"Boom" from the sky came down something very fast and hit the ground.

When the object came down the whole ground shook violently, dust flying everywhere.

Ye Chen waved his arm, all the dust on the broom flew by Ye Chen's hand shake.

The person who just came down turned out to be Bao Man, after getting attacked by him, this person really wasn't hurt at all.

Ye Chen was a little surprised to see Bao Man uninjured after receiving his breaking meteor blow attack at full strength.

"That was pretty good too" Bao Man pretended nothing happened to him.

Ye Chen created a barrier around Luo Bing and the women to protect them from the fight.

Ye Chen's body let out extremely hot flames, the temperature around this place immediately rose and became hot.

"This time I will not be halfway before, Yaghhh" Bao Man also did not want to lose to Ye Chen, a stronger lightning began to envelop Bao Man's body.

The battle of the deep aura of the two made the ground around here begin to tremble, even the once calm night sky was now rumbling, black clouds and lightning began to grab upon the sky.

The fight from cultivators at the Overlord Realm level was indeed extraordinary to the point that it could affect the area around them.

Clouds in the sky stretch for hundreds of kilometers, even the city a few tens of kilometers from here, also covered by thunder clouds.

Chapter 125 - Ye Chen VS Bao Man

On top of Ye Chen's villa there were several women standing on the balcony, Zhao Yanyan, Liu Yue and Fu Lanling all looking up at the sky.

"Lanling's sister is actually what is happening" while looking at the strange sky phenomenon, Zhao Yanyan asked Fu Lanling.

Liu Yue was also as curious as Zhao Yanyan, tonight's thunderclouds were not normal, even Liu Yue was trembling slightly as lightning struck the sky.

"It seems like a little husband is fighting with someone who is strong enough" Fu Lanling knows what this phenomenon is, usually this phenomenon arises when two cultivators with great strength fight.

"Will he be okay?" After hearing this, Liu Yue was worried about Ye Chen's condition.

"Lanling's sister, I'm so worried about Ye Chen, you should go there and help him" Zhao Yanyan asked Fu Lanling to help Ye Chen.

"You two don't need to worry, husband is a strong person, he can definitely win" Fu Lanling told the two women to trust Ye Chen.

Hearing Fu Lanling deeply trusting Ye Chen, Zhao Yanyan and Liu Yue looked at each other and nodded, they both decided to believe that nothing would happen to Ye Chen.

Unnoticed by Zhao Yanyan and Liu Yue, Fu Lanling sent her toy bird to watch over Ye Chen's condition, if something bad happened Fu Lanling would immediately help Ye Chen.

"Bamm. . . . , Bamm. . . . , Bamm. . . . , Bamm. . . . , Bamm. . . . "Over the sky Ye Chen and Bao Man exchanged blows, when Ye Chen and Bao Man's palms collided, the ground began to tremble.

Ye Chen lured Bao Man away from the city, so that there were no casualties from this fight.

The forest and hills around here were destroyed as a result of the battle between Ye Chen and Bao Man.

Luo Bing had never left her vision towards Ye Chen and Bao Man fighting, Luo Bing had never seen a cultivator who fought this hard.

"Not bad" Bao Man praised the strength of Ye Chen who was able to match his own strength after being united with the god's token.

"You're not too bad either" Ye Chen felt that Bao Man's strength was getting stronger and stronger.

Initially Ye Chen was able to suppress Bao Man in battle, but after a few minutes of fighting, suddenly Bao Man's strength increased and equaled him.

He could still feel that Bao Man's strength was getting more and more increasing, if Ye Chen did not immediately resolve this, he was afraid that Bao Man would become invincible.

"One hundred thousand fire swords" Ye Chen made a hundred swords in the sky.

After reaching the Overlord Realm stage, he was now able to make up to one hundred swords without needing to open the sage god of Fire Veins.

"Forward" one hundred blades of fire in the air rushed towards Bao Man.

"Tunder Hammer" Bao Man used this skill to face Ye Chen's hundred sword of fire.

Ye Chen's "Bangg" Flame sword was swept away by Bao Man's Tunder Hammer technique.

"Damn it" Ye Chen retreated several hundred meters to avoid Bao Man's attack.

"Why did you back down? Didn't you say that you wanted to make me regret having been born in this world, Hahaha" Bao Man laughed insulting at Ye Chen.

With the god token every second Bao Man becomes stronger, if this continues he will become invincible.

"Roar" Ye Chen opened the flame vein of the sage god, the strength inside Ye Chen's body exploded unstoppable.

Ye Chen returned to using the one hundred thousand fire Swords technique, this time there were a thousand swords floating above him.

"God Fire Sword" a thousand fire swords began to gather and come together to make a stronger sword.

with the power of a thousand swords merged into one, the power of the God Fire Sword was very strong, this was an advanced level of one hundred thousand fire swords.

"Feel this" God Fire Sword advanced towards Bao Man.

Bao Man makes a lightning barrier around him "slash" the barrier Bao Man is easily split into two by the God Fire Sword.

"What!!" Bao Man didn't expect that his defense would be easily destroyed by Ye Chen.

"Die" Ye Chen immediately cut Bao Man's body into two parts.

"Aagggghhh" Bao Man's body that has been cut suddenly reunited.

Ye Chen who saw this was very surprised, even Bao Man's wounds recovered very quickly.

"Hahaha, you are surprised, this is the ability of the god Token, I have become immortal and will not be able to die" Bao Man laughed showing off this power to Ye Chen.

Ye Chen looked at the tokens on Bao Man's chest "is that his weakness?" Ye Chen tried to attack the tokens on Bao Man's chest.

"Bamm" God Fire Sword Ye Chen could not destroy the god tokens in Bao Man's chest.

Seeing Ye Chen attacking his god token Bao Man was angry, a burst of stronger energy came out of Bao Man's body.

"How dare you" Bao Man absorbs lightning from the sky, Bao Man's strength continues and continues to increase very quickly.

In an instant Bao Man's strength matched Ye Chen who had opened the sage's Fire God Vein.

Ye Chen was in the mode of opening the sage god's flame vein, possessing a power equivalent to the seventh level Overlord Realm

"Let's finish our fight" Bao Man stretched out his hands, in the middle of his body the lightning energy that has considerable strength began to gather.

Land fragments begin to rise into the air, if the power of Bao Man is truly released, this can destroy a large city.

Ye Chen did not remain silent, he aimed the God Fire Sword at the night sky, the previously small sword began to swell up to hundreds of meters long.

The temperature around the God Fire Sword began to rise very high, even the trees around the God Fire Sword began to melt due to the heat being too high.

"Feel this Gigantic Tunderbolt" The lightning laser was aimed at Ye Chen.

"Fire" the God Fire Sword fired a Fire Laser at Bao Man.

"Booom."The collision of these two powerful techniques is inevitable, everything in a radius of a few miles from the center of the collision of these two techniques, vanished by this force.

Right now, Gigantic Tunderbolt Bao Man and God Fire Sword Ye Chen are fighting for strength.

"Give up and accept your rice" Bao Man added strength from Gigantic Tunder Bolt.

The flame laser from the God Fire Sword began to be pushed back by Bao Man.

"I will not lose to you", Ye Chen used all the profound energy he had to strengthen the God Fire Sword.

Bao Man Gigantic Tunderbolt gradually pushed back by Ye Chen's God Fire Sword.

Both of them do not want to budge, they both use all the power they have at the moment.

"I will definitely win, hyaaaaaggghhhh" Ye Chen kept pushing himself to the maximum extent.

"Bamm" God Fire Sword's laser flame finally destroyed the Gigantic Tunderbolt.

"Impossible how could I be defeated, I have gained strength equivalent to a god, Aaaaaarggggg" Bao Man shrieked when he was hit by the God Fire Sword's fire laser.

"Boom" a terrible explosion of fire occurred in the sky, this explosion even made a quarter of the land in this country shaken by the explosion of strength Ye Chen

A super large crater was formed, with an explosion as strong as that, Bao Man must have been burned to ash.

"Finally finished" Ye Chen was finally able to rest, this was the first time Ye Chen had fought with all the power he had.

Ye Chen's profound energy even left very little.

Chapter 126 - The Price To Pay For Strength

"Damn boy, that was quite painful" from the front of Ye Chen came the voice of Bao Man.

Ye Chen looked forward and saw that Bao Man was still alive, Bao Man's body was 60% destroyed and his skin turned black because it was burned by Ye Chen's Flame.

Little by little Bao Man's body began to regenerate again, in less than 30 seconds Bao Man returned to normal, when there were no signs of injury anymore on Bao Man's body.

Ye Chen was surprised that Bao Man could live after receiving an attack like that.

Ye Chen's strength stayed a little very difficult to fight with Bao Man.

Lightning began to envelop Bao Man's body, not only did his body recover, Bao Man's strength was also stronger.

Ye Chen put on a standby position, ready to fight with Bao Man,

"Hahaha, this time you will definitely. . ., cough cough "suddenly Bao Man who was previously strong and strong immediately knelt on the ground, the lightning that enveloped Bao Man's body also disappeared.

Bao Man's body began to wither and age, Bao Man's body is now dry like a corpse "what. . . the the. . . happen . . . to me "in a hoarse voice, Bao Man saw his body which turned very old and dry like a corpse.

The token on Bao Man's chest was released and rolled forward, it left a hole in Bao Man's chest.

Seeing Bao Man who had become weak and fragile Ye Chen loosened his guard.

Ye Chen approached Bao Man and took the god Token on the ground.

Bao Man still unbelievably saw his body aging and drying up.

"So this is a side effect that you get after getting that kind of strength" Ye Chen looked at the token in his hand in horror.

This god token could indeed give Bao Man extraordinary strength, Bao Man who was originally only in the fifth stage of the Earth Realm, after using this token his strength could even be comparable to Ye Chen's, but the price for that much power was his life.

"Give it back. . .object . . that . . . me, me. . want . . .my power . . ."Bao Bao crawls towards Ye Chen, he wants to take the god Token in Ye Chen's hands.

"You want this? Then catch it" Ye Chen threw the god's token very strongly towards the horizon, he didn't want to deal with things that could absorb someone's life.

Seeing Ye Chen throw the token into the sky, Bao Man crawled towards Ye Chen tossed the token.

"God token. . . Where are you . . ., return it. . . my power . . ."While crawling Bao Man to shout, it looks like Bao Man is going crazy, he is obsessed with being instantly strong with god tokens.

Ye Chen left Bao Man who went crazy, Ye Chen flew back to Luo Bing's place.

Luo Bing was still in the barrier with Feng Xue and several other women.

Ye Chen descended and removed the barrier he had created to protect Luo Bing.

Seeing Ye Chen return Luo Bing immediately asked "Ye Chen did you win? "

Ye Chen didn't answer Luo Bing's question, he walked over to Luo Bing.

Ye Chen stood in front of Luo Bing and smiled wickedly.

" What is wrong with you? "Seeing Ye Chen smile wickedly Luo Bing was a little scared.

Ye Chen raised Luo Bing and turned Luo Bing's body, in front of the strong Ye Chen, Luo Bing couldn't do anything and could only surrender.

"Ye Chen, what do you want to do to me?" Luo Bing did not understand what Ye Chen wanted to do.

"Pahhh" a reaping slap sounded, Ye Chen slapped Luo Bing's ass.

"Ah. . . ." Luo Bing screamed while being slapped by Ye Chen.

"Ye Chen, how dare you. . . ." Luo Bing was angry after being ass slapped by Ye Chen.

"Pah" Ye Chen slapped Luo Bing's ass again.

"This Luo policeman is retaliated for always looking for trouble with me, since the first time you arrested me I really wanted to do this to you" Ye Chen continued and continued to slap Luo Bing's cheek ass.

"Ye Chen I will kill you, ah. . . ." Ye Chen slapped Luo Bing's ass again.

Despite being punished like this Luo Bing still dared to say harshly to Ye Chen "little girl you still dare to kill me, Pah" the slap sounded again.

Luo Bing felt that her buttocks felt very hot "Ye Chen bastard quickly let go of me" Luo Bing asked Ye Chen to let go of her.

"Is that how you apologize to someone?" Ye Chen smiled wickedly at Luo Bing, time to discipline this woman.

Hearing this Luo Bing gritted her teeth "Big Brother Chen I was wrong, please let me go" with a pitiful face Luo Bing apologized.

"Well like that is better, remember if you dare to look for trouble and say this to your higher ups, next time the punishment will be more than this" after giving Ye Chen a warning and then releasing Luo Bing.

After releasing Luo Bing, holding both his ass that seemed to burn, Luo Bing glared at Ye Chen, he didn't dare to curse Ye Chen for fear Ye Chen would do something even crazier.

Luo Bing now knew Ye Chen was very strong, and she was not an opponent for Ye Chen.

Ye Chen went to see Feng Xue and other women, he saw the situation of all the women, after checking all the women, no one was hurt.

Feeling someone touched her body, Feng Xue opened her eyes, the first person she saw was Ye Chen.

"You're awake" Ye Chen said to Feng Xue who was lying on the ground.

"Ye Chen, why are you here?" Feng Xue immediately got up and empowered Ye Chen.

Feng Xue still felt his head dizzy. The last thing he remembered was the fight between Luo Bing and Bao Man which triggered powerful lightning, so Feng Xue was scared and fainted.

"I came here to save you" Ye Chen reached out to help Feng Xue stand up.

Feng Xue was touched when Ye Chen said he came here to help herself.

Even though this person is a bit annoying but he always helps when Feng Xue is in need.

Feng Xue looked at Ye Chen with a very gentle look, the atmosphere was quite good maybe something would have happened.

"Tsk" Luo Bing suddenly interrupted from the side.

Feng Xue immediately released her hand from Ye Chen, and her face turned red.

"Police Luo what's wrong with you" Ye Chen saw Luo Bing who looked dissatisfied standing at the side.

Luo Bing was quite upset to see a different treatment from Ye Chen, Luo Bing was also a beautiful woman, but why did Ye Chen treat her differently from Feng Xue.

"Nothing, let's get out." Luo Bing walked towards the women and woke them all up to get out of this place.

Ye Chen, Feng Xue, Luo Bing and the women walked together to the surface.

When it reached the surface there were already many policemen on guard around this place.

Some of these people were cultivators who were quite strong, as if they were members of the six-door organization.

Ye Chen didn't want to get too involved with the six-door organization, he slipped away from this place.

Chapter 127 - Top Brass At The Six Door Organization

"Miss Luo Bing, you are safe," members of the six-door organization approached Luo Bing.

"Yes, I survived, why are you here?" Luo Bing asked why the elite members of the six-door organization were here.

"We came here after receiving a report that there was very great fighting activity going on in this place, even the chairman also came to this place," Six Door Organization Member, gave details to Luo Bing.

"I see, where is the chairman? I want to meet him." Luo Bing asked where the chairman was.

"The chairman is in the west a few tens of miles from here, you can find him there," members of the six-door organization said the current chairman.

Luo Bing turned to look at Ye Chen, when he looked behind Ye Chen was already not there.

"Uh, where did he go?" Luo Bing found no trace of Ye Chen's whereabouts.

"Do you know where Ye Chen went" Luo Bing asked some of the women behind her.

Feng Xue also realized that Ye Chen had disappeared "we don't know" all the women behind Luo Bing answered in unison.

Because Ye Chen was not there Luo Bing went alone to meet with the higher-ups.

Within minutes Luo Bing arrived at the battlefield of Ye Chen and Bao Man, in this place Luo Bing saw a giant crater, several hills were destroyed and there was still a lot of damage that occurred in this place.

In the sky there were 3 people who were floating, two men and one woman wearing a full face mask, they were watching the former battlefield of Ye Chen and Bao Man from above.

These three people are Ji Te, Ao Wan, and Yan Fu, they are the top brass in the six-door organization.

These three people are at the Peak Sky Realm stage.

"This damage is very large, it seems like the person who just fought is at a very high stage." Ji Te spoke to the other two people.

"Maybe their power is in the ancient warrior Realm or Overlord Realm stage." Yan Fu tried to guess the strength of the person who had just fought in this place.

"Look there is someone's corpse" Ao Wan pointed to Bao Man's body that has withered like a corpse.

"Let's go down and see who it is" Ji Te invited Ao Wan and Yanfu to go see.

the head drops towards Bao Man's body.

"Strength, restore my strength" Bao Man continued to shout about strength.

"What happened to him?" Yan Fu saw that this person's body was as dry as a corpse.

Ji Te checked Bao Man's condition "This person's entire body is broken, I'm sure this person was a cultivator in the middle stage of the Earth Realm" After checking Bao Man Ji Te's situation began to conclude.

"We just bring him to be questioned, maybe he knows what is happening in this place" Ao Wan suggested to Ji Te to bring this person back to headquarters.

"Teacher, two elders, student Luo Bing salutes" Luo Bing came and saluted the teacher and 2 other elders.

Yan Fu is Luo Bing's teacher.

"Little Binger, what are you doing here?" Yan Fu wondered why Luo Bing was in this place.

Yan Fu remembers that Luo Bing went on a mission a few months ago.

"Teachers, elders, students here are in the task of destroying the slave seller organization, I didn't think the results would be like this" Luo Bing explained to these 3 people.

"So this is Bao Man, the most sought-after person in this country, it's only right that I feel like I've seen this person somewhere" Ao Wan now remembers who this man looked like was a corpse.

"Then, Binger, do you know who the person who just fought here" Yan Fu did not care about Bao Man, who she cared about was the strong master who had just fought in this place.

"The teacher who fought here, Bao Man, after taking a token Bao Man became very strong like a god, for whom the people who fought Bao Man this student did not know.

Because Ye Chen Luo Bing threatened to keep this matter a secret from the higher ups.

"Ah too bad, I'm very curious who the great master is" hearing Luo Bing Yan Fu's answer a little disappointed.

"Luo Bing, then where is the token you said earlier," because you can't find out the person who fought with Bao Man Ao Wan, where the token made Bao Man very strong.

"My elders don't know" Luo Bing did not know where the token was, Luo Bing guessed that the token was in Ye Chen's hands.

Next time Luo Bing will ask Ye Chen about this problem.

"Let's discuss the problem next time, first let's solve the problem here first, make sure no ordinary people know about this incident" Ji Te gave instructions to Ao Wan and Yan Fu.

Ao Wan and Yan Fu both nodded.

After giving orders Ji Te went to bring Bao Man's body to be traced, Ao Wan also had to go give orders to his subordinates.

Now only Luo Bing and Yan Fu are left.

"Binger is now just the two of us, you must know the people fighting here" Yan Fu suddenly said that to Luo Bing.

"Master, me. . . "What confused Luo Bing has to say, it's very difficult to hide something from this master.

"I have been with you since childhood, I know how you behave every day, so I know you were lying, you will not be able to hide this from me, now tell me who that person is," Yan Fu Asked Luo Bing.

In the face of Yan Fu Luo Bing's dominance was very depressed, Luo Bing sighed and hugged Yan Fu's adult body "teacher, that person is very cruel, he threatened me, he said if I dare talk about him he will do bad things to me" Luo Bing complained to his teacher .

If Ye Chen was here he would definitely be very surprised to see the usually arrogant female police officer turn out like this.

"Already" tell the teacher who it is "Yan Fu asked Luo Bing.

Luo Bing explained Ye Chen's details to Yan Fu.

"What do you say that person is still a teenager" Hear what is said by Luo Bing Yan Fu Almost do not believe, a teenager has this great power who will believe.

Yan Fu herself to reach this stage requires several decades, and even that good resources and talent is a genius.

"Binger, you are watching over that person, maybe he came from a large faction" the only explanation that was owned by Yan Fu Ye Chen was from a large faction.

Yan Fu also knew that as great as the power of a large faction, a large faction would not normally interfere in mortal people because of that, they were rarely seen in the mortal world.

Luo Bing nodded at Yan Fu.

"Let's go" Yan Fu Invites Luo Bing to go after Ao Wan.

For the time being, Yan Fu will keep Ye Chen a secret, he will make Luo Bing watch over Ye Chen and see what a person named Ye Chen looks like.

Ye Chen was currently flying back in the Villa, Ye Chen was very exhausted he wanted to immediately rest in the Villa with his wife.

When Ye Chen arrived at Zhao Yanyan Villa, Liu Yue and Fu Lanling welcomed Ye Chen.

All the women were happy that Ye Chen was fine, Ye Chen embraced the three women back to the room to sleep together.

Chapter 128 - Happy Life

Ye Chen was currently half awake, he felt his head lay in a very soft place.

When Ye Chen opened his eyes, he saw Fu Lanling's two large rabbits, Fu Lanling was currently hugging Ye Chen's head very tightly.

Ye Chen enjoyed his head sinking into the soft Fu Lanling rabbit.

It had already passed 2 days after the incident Ye Chen had fought with Bao Man, in the past few days Ye Chen felt his life was very calm and pleasant.

every day Ye Chen spent time together with Zhao Yanyan, Fu Lanling and Liu Yue inside the fairy gate.

Ye Chen and Fu Lanling trained Zhao Yanyan and Liu Yue to become stronger.

after practice was the happiest time for Ye Chen and the women, they would all do a Dual Cultivation.

Under Ye Chen's strength, Zhao Yanyan and Liu Yue groaned in the dual cultivation room, after the two asked for mercy, Ye Chen would let the two of them go.

Among the three women Fu Lanling was the most powerful when fighting in bed.

Fu Lanling can survive doing dual cultivation with Ye Chen for 4 ~ 5 hours.

Fu Lanling, who initially knew nothing about men and women, under the guidance of Ye Chen Fu Lanling became the perfect wife in bed.

Now Fu Lanling feels that if her world is colorful, this happiness has never been felt during his 200 years, she felt that 200 years of life was in vain, if Fu Lanling had met Ye Chen earlier, surely she would not have wasted- let's say 200 years of life.

Ye Chen tried to break away from Fu Lanling, when Ye Chen made a slight movement Fu Lanling immediately woke up.

"Good morning, little husband" while smiling beautifully, Fu Lanling gave a greeting to Ye Chen.

"Morning Linger" Ye Chen replied to Fu Lanling.

Zhao Yanyan and Liu Yue who were around them both woke up.

Zhao Yanyan and Liu Yue who just woke up looked very beautiful, the two women didn't wear anything on their bodies.

Under Ye Chen's moisturization, Zhao Yanyan and Liu Yue were even more beautiful and glamorous, even the strength of Zhao Yanyan and Liu Yue was increasing rapidly.

Zhao Yanyan was currently in stage 10 Spirit Profound Realm.

And for Liu Yue's strength was still below Zhao Yanyan which was the 6th level Spirit Profound Realm.

"Morning husband" while rubbing her eyes Zhao Yanyan and Liu Yue gave greetings good morning.

Under the allure of the three naked beauties, Ye Chen's libido rose again, morning was the time when men's passion peaked.

Seeing the pole under Ye Chen rising, Zhao Yanyan and Liu Yue were horrified, the two women were still exhausted after carrying out activities last night.

"Husband, we will go make breakfast first" Zhao Yanyan immediately pulled the blanket and came out of the dual cultivation room.

"Yanyan's younger sister let me help you" Liu Yue tried to follow behind Yanyan Zhao.

Liu Yue was also the same as Zhao Yanyan exhausted when fighting Ye Chen last night, Ye Chen's strength in that field was extraordinary, even she Zhao Yanyan and Fu Lanling working together were still unable to handle Ye Chen.

"Giggling", seeing her two female sisters flee Fu Lanling laughed.

"Little husband, it looks like you scared them" Fu Lanling smiled very beautiful.

Fu Lanling is currently using her very beautiful original appearance, the charm of Goddess Fu Lanling often makes Ye Chen confused.

"Wife, I want" Ye Chen pounced towards Fu Lanling.

"Ah, little husband do not" despite saying refuse, Fu Lanling did not fight.

With Fu Lanling's current strength it should be easy to fight if you don't want to.

Ignoring Fu Lanling's refusal, Ye Chen immediately put Fu Lanling's cherry in his mouth and began to chew it.

"You little, you're like a little baby" Fu Lanling hugged Ye Chen's head.

"Ah. . . . , little husband don't be too loud." Fu Lanling groaned as Ye Chen sucked both stories very strongly.

After a few minutes of playing with the big rabbit Fu Lanling, Fu Lanling could not take it anymore.

Fu Lanling immediately pushed Ye Chen's body into the soft bed and drove it "my husband can't take it anymore, I want your own" Fu Lanling took Ye Chen's big stick and put Ye Chen's big object into her honey cave.

Fu Lanling put both hands on Ye Chen's chest and started moving up and down, Fu Lanling really liked this position, because with this position she saw Ye Chen's face very clearly.

Ye Chen casually lay to enjoy Fu Lanling's work, Ye Chen's hand was holding Fu Lanling's big rabbit.

"Husband, yours is extraordinary, ah. . . ." Fu Lanling groaned very sassily.

Under the ability of the King's heart technique, Fu Lanling very quickly reached the peak.

Under the ability of the King's heart technique, Fu Lanling very quickly reached the peak.

In these few days Ye Chen had learned more in the king's heart technique, even now Ye Chen could easily make a woman reach the top.

The most amazing thing was Ye Chen could set his big, small and thick meat sticks.

Ye Chen's maximum size after learning this technique can reach 14 inches.

"Ah. . . I can't take it anymore "Fu Lanling reached the peak again, after reaching the peak Fu Lanling's body trembled and lay on top of Ye Chen's body.

Ye Chen couldn't stand the beauty of the goddess Fu Lanling, he laid Fu Lanling underneath.

Ye Chen laid Fu Lanling beneath him and began to put his possessions into Fu Lanling's honey cave.

"Ah. . . ,Ah. . . ,Ah. . . , "Because at Ye Chen's provocation again, Fu Lanling who had just reached the peak immediately moaned sassily again.

Obscene sounds continue to be heard in the dual cultivation room.

After several hours of morning exercise with Fu Lanling Ye Chen finally satisfied and let go of Fu Lanling.

Fu Lanling did not have strength in her body, she just lay down very lazily.

Ye Chen covered Fu Lanling's body with a blanket and kissed Fu Lanling's forehead, after that Ye Chen came out of the fairy gate.

As Ye Chen came out of the fairy gate, Zhao Yanyan and Liu Yue were preparing food in the kitchen

Some days , Zhao Yanyan and Liu Yue live in Ye Chen Villa, Zhao Yanyan made an excuse to Lin Rouxi that she was staying at a friend's house.

Ye Chen sneaked behind Zhao Yanyan and Liu Yue, Unnoticed by the two women Ye Chen was already behind Zhao Yanyan and Liu Yue who were cooking.

"Ahhh. . ." the two women shouted together as Ye Chen hugged them both from behind.

Ye Chen's hands began to be dishonest in the bodies of Zhao Yanyan and Liu Yue.

"Ye Chen, don't be naughty," Zhao Yanyan tapped Ye Chen's head using a cooking tool.

"Come on, what is the greeting when I hug my two beautiful wives?" Ye Chen still did not give up and hugged Zhao Yanyan and Liu Yue.

Seeing this Zhao Yanyan and Liu Yue shook their heads, Ye Chen's strength in that field was getting out of control, if it continued like this Zhao Yanyan, Liu Yue and Fu Lanling would die under Ye Chen's younger brother.

Zhao Yanyan and two other women had already discussed finding a new sister.

Zhao Yanyan intended to drag Lin Rouxi onto their ship, she was sure Rouxi's sister liked Ye Chen too.

Zhao Yanyan already had a plan to drag Lin Rouxi to their ship, Zhao Yanyan did not inform Ye Chen of this plan for surprise.

"Ding. . ." Suddenly the doorbell rang.

Chapter 129 - New Cute Maid

"Who is this morning to visit?" Ye Chen was not too happy when the good things he was about to do were bothered by this person.

"Husband, quickly see who it is, maybe an important person is looking for you" Liu Yue told Ye Chen to see who was in front.

Ye Chen let go of Zhao Yanyan and Liu Yue, he immediately went towards the villa entrance.

"Ding. . . , ding. . . , ding. . . , ding. . . " From the outside someone keeps ringing the bell repeatedly.

"Wait a minute" Ye Chen asked the people outside to wait a little.

When Ye Chen opened the door of the person outside, it was female police officer Luo Bing.

"Police Luo what do you want to come here" with dissatisfaction Ye Chen empowered what Luo Bing wanted early this morning.

"You still haven't turned rude to me" Luo Bing was not satisfied with Ye Chen's attitude like this.

"I came here to deliver this girl, she said she wants to stay with you, let's go out don't be embarrassed" Luo Bing shifted her body slightly, behind Luo Bing there was another woman who was beautiful and cute like a doll.

This woman is Xiao Lulu, Xiao Lulu now looks clean and beautiful, she is now wearing a Maid uniform, with long blond hair neatly combed.

Xiao Lulu was a little shy when meeting Ye Chen.

"Oh, so this is Lulu" Ye Chen remembered this girl, he did indeed promise a place to stay for this girl.

"Hello, big brother Chen" Xiao Lulu shyly greets Ye Chen.

"Ye Chen this girl from the village, when she went to the city and looked for a job she was tricked and ended up being kidnapped by slave sellers, I had given her the chance to return to her hometown, but

she refused, she said she didn't want to burden her life anymore. her aunt who is in the village, therefore Xiao Lulu wants to work in this city. "Luo Bing told the details of Xiao Lulu's life to Ye Chen.

Ye Chen now understood a bit of Xiao Lulu's background "You can stay here, and what if you work here, you have a skill right?" "Ye Chen asked Xiao Lulu's expertise.

Xiao Lulu nodded at Ye Chen, "that. . . I can cook, wash, clean, massage, care for the garden, etc. "Xiao Lulu talked about what she could.

"Good, you can work here, your salary every month is fifty thousand dollars." After hearing that Xiao Lulu could do it all, Ye Chen without much thought took it.

Hearing the salary mentioned by Ye Chen Xiao Lulu was very surprised.

"Wa, wa, wa," Xiao Lulu timidly calculated the total salary per year by using her fingers.

Seeing the behavior of Xiao Lulu Ye Chen smiled "so you want it or not? ".

"I want to" Xiao Lulu firmly wants this job.

"Alright, you may start working now" Ye Chen pulled Xiao Lulu's hand towards inside, Vila.

Luo Bing who was left alone was very angry "this person" Luo Bing gritted her teeth and joined the villa.

"Luo Bing police why did you enter without permission, I can report you" Ye Chen turned and threatened Luo Bing.

"I will catch you" Luo Bing's breasts fluctuated in anger, this is the first time a man has ignored her continuously.

If only Ye Chen wasn't stronger than her, Luo Bing wanted to always beat Ye Chen.

"Big brother Chen, don't fight with Bing's sister, she is a good person" Seeing the situation heats up Xiao Lulu tried to mediate between the two.

Luo Bing was very happy that Xiao Lulu was defending her.

"Lulu why did you defend the enemy camp, you should have defended your master, I will deduct your salary", Xiao Lulu who heard this immediately shut up, she didn't dare to speak anymore, Xiao Lulu was afraid that Ye Chen would cut her salary.

"You, how dare you poke Lulu, Lulu don't worry if she dares to bully you I will immediately catch her" Luo Bing was annoyed with Ye Chen.

"What's the matter with all of your fuss over there" Liu Yue and Zhao Yanyan came from the kitchen while carrying plates which contained breakfast.

Luo Bing was surprised to see Zhao Yanyan and Liu Yue who looked even more beautiful.

moreover the strength of both of them had reached the Spirit Profound Realm stage

Xiao Lulu was very impressed with these two beautiful women, she began to suspect the identities of the two beautiful women.

"Oh Luo Bing police why are you here?" Liu Yue asked Luo Bing, Liu Yue was quite familiar with Luo Bing, the female police officer who helped her arrest the thieves in her company.

"I'm here to deliver someone" Luo Bing answered Liu Yue's question.

"Who is that?" Liu Yue and Zhao Yanyan were curious about who Luo Bing was delivering.

Zhao Yanyan and Liu Yue then looked at the beautiful woman who was like a doll standing behind Ye Chen shyly.

"This is Xiao Lulu, from today he will work as a maid in this house" Ye Chen introduced Xiao Lulu to Zhao Yanyan and Liu Yue.

"Lulu, this is my wife Zhao Yanyan and Liu Yue"

Upon hearing that these two beautiful women were Ye Chen's wife Xiao Lulu was shocked, there was a slight loss in her heart.

"Hello, I'm Zhao Yanyan, nice to meet you" Zhao Yanyan welcomed Xiao Lulu warmly.

"I am Liu Yue, nice to meet you" Liu Yue also welcomed Xiao Lulu warmly.

"Madame, Lulu is happy to meet you" Xiao Lulu said with a slightly flushed face.

"You don't need to be too formal with us" Zhao Yanyan started thinking about dragging this cute girl into a brother to fight Ye Chen

"Tch, how old are you, how dare you say that the two of them are your wife" Luo Bing was not content to berate at the side.

"Shut up, you are an uninvited guest in this house," Ye Chen reminded Luo Bing.

"You" Luo Bing was angry while pointing at Ye Chen, every time she talked to Ye Chen it must be Luo Bing who always suffered losses.

"Husband never mind, let's go eat together, Luo police, you can also join if you want" Liu Yue kindly invited Liu Yue to join breakfast.

"Yue's wife, why did you bother inviting her, she certainly would not want to," Ye Chen invited all the ladies to the room to eat.

"Who said I didn't want to, I joined" Luo Bing also went to the dining room.

There is one more woman who joined the meal, she is Fu Lanling.

When she saw Fu Lanling Luo Bing getting more and more surprised, Fu Lanling looked like a goddess coming out of a painting.

While Xiao Lulu was just amazed at Fu Lanling's beauty.

Fu Lanling currently does not wear Nuwa rings, so the charm of the goddess Fu Lanling is not hidden.

Fu Lanling introduced herself to Xiao Lulu and Luo Bing.

Luo Bing now understood why Ye Chen's attitude towards her was indifferent, with a woman as beautiful as this how could she possibly be worthy of Ye Chen's eyes.

Everyone started eating food made by Zhao Yanyan and Fu Lanling.

"Ye Chen, I want to ask, is the god token in your hands?" Luo Bing asked Ye Chen about the issue of god tokens.

"I've thrown it towards the sea" if you want to find it you just look at the sea.

"How can you throw such an amazing object into the sea?" Luo Bing was angry because of Ye Chen's foolishness, how could he throw an object that could increase his strength thousands of times into the sea just like that.

"It's none of my business, I don't want to deal with things that can suck someone's life" Ye Chen said honestly even though the god token could indeed give that power only temporarily, after that life would be his payment.

"Forget" seeing Ye Chen's indifferent attitude Luo Bing was lazy to discuss the god Token, if it was indeed thrown into the sea there was nothing Luo Bing could do.

It is impossible for them to search the vast ocean several times the area of this country.

"Lulu, please peel this fruit" Ye Chen told Xiao Lulu to peel the peaches of heaven to eat for everyone.

Xiao Lulu got up from the chair and took a peach from Ye Chen

Chapter 130 - Childhood Enemies Meet

Xiao Lulu took a knife and began to peel the heavenly peaches, Xiao Lulu cut heaven peaches into small pieces, then she distributed them to everyone at the table.

Liu Yue and Fu Lanling were the most passionate when they were going to eat the peaches of heaven, they both loved this fruit very much.

Luo Bing also started to eat the heavenly peach in front of her, when Luo Bing put a piece in her mouth, she felt this fruit was very sweet and delicious, her body felt very comfortable when the heavenly peach entered her stomach.

Luo Bing had never tasted a better meal than this heavenly peach.

In a moment the peaches on Luo Bing's plate were gone, Luo Bing was still not satisfied, she wanted to eat more peaches.

"I want more" shamelessly Luo Bing asked Xiao Lulu for a piece of heavenly peaches.

Ye Chen immediately took all the pieces and put them on his plate.

"Ye Chen, don't be greedy, hurry up and give me a little." Luo Bing was not satisfied to see Ye Chen taking all the pieces of heavenly peaches.

"From the beginning it's mine so why should I share it with you" Ye Chen showed Luo Bing a piece of heavenly peaches

Luo Bing gritted her teeth, Luo Bing's face began to turn red with anger.

Zhao Yanyan who was next door suddenly stepped on Ye Chen's feet.

"Ouch, Yanyan what are you doing" Ye Chen asked why Zhao Yanyan suddenly stepped on his feet.

"Ye Chen don't be naughty fast for the fruit to the others" Zhao Yanyan felt sorry for Luo Bing, who Ye Chen continued to play around with.

Because of Zhao Yanyan's beloved request, Ye Chen took more heavenly peaches from the storage, then handed them to Xiao Lulu for peeling.

After peeling away all the heavenly peaches Xiao Lulu returned to her seat, she also began to eat pieces of heavenly peaches.

Xiao Lulu's reaction was the same as Luo Bing's, she was addicted to eating heavenly peaches.

After finishing breakfast Zhao Yanyan, Liu Yue and Xiao Lulu went to the kitchen to wash, Fu Lanling headed up to rest in the room.

Now only Luo Bing and Ye Chen were left in the dining room.

"Ye Chen yesterday the Yun family's representatives came to this city, it looks like they intend to find out who is the mastermind behind the killer Yun Hao" Luo Bing told that the Yun family began to move, they wanted to find out who was the mastermind behind Yun Hao's death.

"Then what does that have to do with me," Ye Chen said nonchalantly.

Seeing Ye Chen completely unconcerned, Luo Bing only sighed, Ye Chen's strength was indeed enough to destroy the Yun family, but if that happened there would definitely be a big storm in this country, Luo Bing didn't want that to happen.

"Ye Chen you should be careful with the Yun family, even though you are very strong, but they can still be a threat to you, take care of Xiao Lulu, I will go first" after giving a warning to Ye Chen Luo Bing to leave the villa

"Looks like this woman already knows I'm the culprit" Seeing the departure of Luo Bing Ye Chen muttered.

Now is the time to go to school, Ye Chen and Zhao Yanyan use a bugatti car, to go to school.

after arriving at the parking lot Ye Chen immediately parked the car and headed for class with Zhao Yanyan.

"Isn't this Yanyan" from behind Ye Chen and Zhao Yanyan sounded pretty sweet.

Zhao Yanyan was very familiar with this voice, she immediately turned around and saw the beauty standing in front of her.

This girl has beautiful long hair that has beautiful facial features and is graceful with a slim body, which makes this girl very striking is on the top of two mountains that have the size of the F Cup. Ye Chen felt that the size of this girl was slightly larger than that of Liu Yue who had fully developed.

Ye Chen wondered what size this girl had after fully developed.

"Mengyan" Zhao Yanyan wasn't too excited when she said the name of this girl.

This girl was Cheng Mengyan, one of four school flowers as well as Zhao Yanyan's childhood enemies.

"It turns out you are Yanyan, you look very changed now" Cheng Mengyan looked at Zhao Yanyan from the top down.

Cheng Mengyan was surprised to see that Zhao Yanyan looked so beautiful right now, it was fitting that Zhao Yanyan could be ranked first in the school interest list.

"Of course, we haven't seen each other in a long time." Zhao Yanyan was smiling while talking to Cheng Mengyan.

"Hahaha, you still don't like when you meet me" Seeing this, Cheng Mengyan wasn't angry but laughed.

"Oh yeah, Yanyan, who is the handsome man next to you?" Cheng Mengyan was very curious about the very handsome man beside Zhao Yanyan.

"He is Ye Chen, my boyfriend" Zhao Yanyan embraced Ye Chen's arm very tenderly.

upon hearing this there was a hint of a smirk at the corner of Cheng Meng's mouth.

"Hello, I'm Cheng Mengyan, nice to meet you." Cheng Mengyan smiled and reached out to Ye Chen.

"I'm Ye Chen, nice to meet you too" Ye Chen shook Cheng Mengyan's hand.

When Ye Chen shook Cheng Mengyan's hand, when he saw Cheng Mengyan's smile Ye Chen felt that something was sucking his soul.

"This girl?" Ye Chen said in his heart,

Cheng Mengyan put out a special charm technique to try to attract Ye Chen's soul to be crazy about her, unfortunately this charm is still far from that of the most powerful Fu Lanling in the world.

Seeing Ye Chen's ordinary expression, Cheng Mengyan felt strange, her charm never failed to fascinate men, but this time the man in front of her was completely unaffected.

Ye Chen began to pay close attention to Cheng Mengyan's body, apparently Cheng Mengyan was wearing a very high quality leather mask.

If Ye Chen hadn't observed it carefully he might not have known the existence of this leather mask.

"How long do you want to shake hands?" Zhao Yanyan yang

there are side talking with dissatisfaction

Cheng Mengyan immediately let go of her hand from Ye Chen "The school bell is almost ready to go back to my class" Cheng Mengyan said goodbye before leaving for her class.

Ye Chen saw Cheng Mengyan leave, saw Ye Chen never leave a glow in Cheng Mengyan's body, Zhao Yanyan who saw this looked annoyed, she nudged Ye Chen's body.

"Look at your wild nature out again, just see a beautiful woman you're immediately attracted to" with a dissatisfied tone Zhao Yanyan scolded Ye Chen.

"You misunderstood, I'm not like that" Ye Chen tried to explain to Zhao Yanyan.

"Then what did you say that before?" Zhao Yanyan puffed her cheek angrily at Ye Chen.

"Yanyan, your friend is also a cultivator? Ye Chen asked Zhao Yanyan.

"Eh, you mean Mengyan is a cultivator? "Zhao Yanyan could not believe what she had just been with from Ye Chen.

"Yes, the girl was a cultivator and her strength is only slightly weaker than you, what's more she has a charm technique that can bind a man" Ye Chen explained to Zhao Yanyan about Cheng Mengyan.
