

A True God 1211

Chapter 1211 - Get The Black Dragon Sword

"Are you sure, it's the most expensive item in this place" the receptionist said that what Ye Chen pointed at was the most expensive weapon.

"I'm not joking, quickly get it for me, you can directly deduct it from my contribution points." Ye Chen told the woman in front of him to deduct the contribution points for the Black Dragon Sword item.

The receptionist immediately received Ye Chen's disciple mark, when the receptionist saw the contents inside, he was very surprised by the number of numbers in Ye Chen's disciple mark.

"This man is very rich" the female receptionist just found out that Ye Chen is a rich man, he has a lot of contribution points in the student token that he has.

"How, can I buy it?" Ye Chen asked if he could buy the Black Dragon Sword or not.

"Of course, I'll be right back" the receptionist quickly finished everything, she cut off Ye Chen's contribution points and started to get the Black Dragon Sword that Ye Chen wanted.

Everyone felt strange with the attitude shown by the female receptionist, how the receptionist would take an item of high value.

.

They all couldn't believe this, why would this woman bother to do this, they all believed that Ye Chen would not be able to afford the Black Dragon Sword.

The Black Dragon Sword is a high value item, not everyone can afford it.

Ye Chen himself had already ignored these people, he didn't really care about these people.

Ye Chen just wanted to get things over with, after that Ye Chen would leave this place.

The receptionist came back with a very nice looking box, this box looks really nice with some dragon carvings on the sides of the box.

Ye Chen started to open the box, he checked the contents of the box.

When Ye Chen opened the box, Ye Chen found a black sword.

Ye Chen started to take the sword, Ye Chen made sure that this sword was suitable for him.

Ye Chen felt this sword, he felt that this sword was quite strong, plus Ye Chen really liked the shape of this sword.

"Alright, I'll take it" Ye Chen decided to take this thing.

"Alright, then I'll deduct it from your contribution points" the receptionist said that she would deduct this from Ye Chen's contribution points.

"This is it, I will give you a bonus of 5,000 contribution points" Ye Chen was satisfied with what this woman had done, that's why Ye Chen wanted to contribute points to this woman.

"Thank you very much" The female receptionist was overjoyed when she heard this, she was very happy to receive such a large amount of reward from Ye Chen.

All the receptionists were stunned upon seeing this, they all couldn't believe what they had just heard.

Ye Chen gave 5,000 contribution points for free, this was something the receptionist in this place couldn't imagine.

Some receptionists looked disappointed when they saw this, especially the receptionist who had rejected Ye Chen, she was very disappointed that she didn't get 5,000 contribution points from Ye Chen.

If she had known Ye Chen would contribute points as a reward, this woman would have served Ye Chen very well.

Ye Chen took his Black Dragon Sword, he immediately left this place, Ye Chen left everyone who was still shocked by what had just happened.

They all still couldn't believe the sight they saw, someone had bought the Black Dragon Sword, this was something that was hard for their minds to accept.

The price of the Black Dragon Sword was extremely high, even if they spent hundreds of years accumulating contribution points, they might not necessarily be able to buy the Black Dragon Sword.

And Ye Chen only needed a few words to buy the Black Dragon Sword, this was a difficult problem for all of them to accept with common sense.

.

.

Ye Chen left the Sect Hall, he started to think about what the people in the Sect Hall said.

"What happened in this place?" Ye Chen felt confused by what had happened.

"Master, it looks like someone is trying to find trouble with you." Chu Yuechan started to guess that someone was most likely looking for trouble with Ye Chen.

"Yeah, I've thought about that too, but who and how could he do that?" Ye Chen was still thinking who had trap him, Ye Chen had to find the person who had done this.

Ye Chen had already decided, he was going to look for a piece of evidence about the culprit who had done all this.

If the culprit could make everyone think Ye Chen was a pervert and evil, then this person must have used something that everyone in the Sect could see.

All Ye Chen needed to do was look for something related to this.

Ye Chen searched around this place, while Ye Chen was looking, he found a strange poster.

Seeing this finding, Ye Chen immediately came over and saw what was inside the poster.

When Ye Chen looked at what was in the poster, he found himself looking like he was bullying women.

"Isn't this the woman I met a few days ago?" Ye Chen still clearly remembered that this woman was the woman he met a few days ago.

Ye Chen saw more clearly, indeed in the poster, he seemed to be bullying and trying to do bad things to the woman named Tie Sangling.

"Oh, I see, now I understand what happened" Ye Chen finally understood what happened, it seemed that he had been framed by that woman, naturally Ye Chen felt something was wrong with the woman, apparently this was the reason.

"Master, what are you going to do next?" Chu Yuechan asked what Ye Chen would do, whether Ye Chen would immediately go and find the culprit or not.

"I want to do that, the problem is that I have to go to the Thunder Rain Star Realm." Ye Chen wanted to resolve this matter, but there were things much more important than this small matter, Ye Chen would solve the problem once he returned from the Thunder Rain Star Realm.

"I just agree with what you said, it's just a small matter, you better focus on the bigger problem, you better go to the Thunder Rain Star Realm and hunt for the treasures that are in that place" Chu Yuechan strongly agreed with the decision made by Ye Chen, the decision made by Ye Chen was excellent.

Ye Chen left the inner court, Ye Chen used the profound ark he had to head to the Golden King Auction House.

Ye Chen's goal was very clear, he went to meet Yan Fei and asked for a long distance teleportation stone to the Thunder Rain Star Realm.

Ye Chen didn't want to waste his time, so it was better for Ye Chen to use the teleportation stone to go to the Thunder Rain Star Realm, after all, it would be very dangerous if Ye Chen used Nangong Xiang's profound ark to travel long distances, surely it would be make noise.

In just a short time, Ye Chen arrived at the Golden King Auction House.

Ye Chen started using God Mask and changed his appearance, now Ye Chen is a Mask Hero.

Ye Chen hung the Black Dragon Sword on his back, the Black Dragon Sword really matched Ye Chen's appearance.

Chapter 1212 - Go To The Thunder Rain Star Realm

Ye Chen immediately went to look for Yan Fei's whereabouts, he used his abilities to find Yan Fei's whereabouts.

Ye Chen quickly found the whereabouts of Yan Fei, coincidentally Yan Fei was in his room, it seemed that Yan Fei was currently sorting some documents.

After finding the whereabouts of Yan Fei, Ye Chen immediately went to where Yan Fei was, he went to the room where Yan Fei was.

Yan Fei was currently very focused on sorting out important documents, these were the improvement reports of the business she was growing, some were also reports that came from the Golden King Auction House.

Yan Fei was still in charge of the Golden King Auction House, so Yan Fei still had the task of checking the financial statements of the Golden King Auction House.

Yan Fei took a sip of tea, she trying her best to remain calm as she faced the pile of unfinished reports.

"You seem to be very busy." While Yan Fei was focusing on reading the documents, a person she didn't expect suddenly appeared.

.

Yan Fei immediately saw who entered her room, she wanted to know who dared to forcibly sneak into her room.

"Master" Yan Fei saw Ye Chen's arrival, she immediately welcomed Ye Chen's arrival.

Ye Chen waved his hand, he told Yan Fei not to be too formal with him.

"So how, have you prepared what I said yesterday?" Ye Chen asked Yan Fei, he wanted to know if Yan Fei had prepared what he asked for.

Yan Fei started to take the items that Ye Chen asked for, she handed them over to Ye Chen.

Ye Chen received the items from Yan Fei, Ye Chen was very happy with the goods given by Yan Fei.

Yan Fei did very well, she had quickly prepared what Ye Chen needed.

"Very good" Ye Chen was very happy, he was very happy with what Yan Fei did.

"master, are you sure you want to go to that place?" Yan Fei asked Ye Chen again, she wanted to know if Ye Chen really wanted to go to that place.

That place should be quite dangerous, there will definitely be a lot of geniuses from high-class stars and top-grade Sects participating in.

"I just want to have fun, so there's no harm in going." Ye Chen said that he just wanted to have fun, so there was no harm in Ye Chen going.

Yan Fei doesn't understand Ye Chen's thoughts at all, he thinks Ye Chen's thoughts are very confusing.

Yan Fei already knew the strength of Ye Chen who was currently disguised as a Mask Hero, he had quite a lot of power, so there would be no problem if he participated in something like this.

"Oh, yes, I also want you to sell this for me, at least this can be a decent source of income." Ye Chen took dozens of boxes of Heavenly Peach, Ye Chen wanted Yan Fei to sell this for himself.

Ye Chen himself has a lot of Heavenly Peach, Ye Chen didn't know what to do with Heavenly Peach, Ye Chen and his wives can't possibly spend all the Heavenly Peach they have.

So Ye Chen had the idea of selling this thing, he could get a lot of financial gain from selling Heavenly Peach.

"This, is this the legendary Heavenly Peach?" Yan Fei was holding Heavenly Peach in her hands, from a glance Yan Fei could tell what Ye Chen had let out.

As a business, Yan Fei's knowledge is quite extensive, he can tell that what Ye Chen released is Heavenly Peach which is very rare.

"You are absolutely right, these are all Heavenly Peach" Ye Chen confirmed what Yan Fei said, these are all Heavenly Peach.

Yan Fei's hands trembled when she heard what Ye Chen said, Yan Fei was really made a fool of by Ye Chen's answer.

Heavenly Peach is the rarest and most sought after fruit by big clans, usually it is sought for big banquets, the price for Heavenly Peach can be said to be very high, not many people can afford to buy Heavenly Peach.

If all of these were auctioned off, Yan Fei could rest assured that Ye Chen could buy anything in the entire God Realm, even Ye Chen could buy everything in the Sky Cloud Peak Star Realm.

Yan Fei was starting to feel that this master was really getting more and more mysterious, how could this person so easily take out such large quantities of Heavenly Peach, this was truly an impossible thing for even someone with a strong influence in the God Realm to do.

Yan Fei became more and more interested in Ye Chen, he became interested in what Ye Chen could do.

Yan Fei started to guess about Ye Chen's identity, he wanted to know who was the man behind the mask.

"Can you sell it for me?" Ye Chen asked if Yan Fei could sell this thing for him.

"Of course, this is very easy to do" Yan Fei said that doing this is very easy to do, it is not difficult for Yan Fei to do this.

"Alright, I'll go" Ye Chen decided to leave immediately, Ye Chen better move quickly and get some information before entering the secret land left behind by the ancient Sect.

Ye Chen disappeared from Yan Fei's room, Ye Chen disappeared without being noticed by Yan Fei.

"Interesting" Yan Fei felt that Mask Hero was getting more and more interesting, this man was full of surprises and mystery.

Women are creatures who like surprises and mysterious things, it's not strange that Yan Fei started to be attracted to Ye Chen.

"He's really not like the men I met, he doesn't even want to glance at me" Yan Fei felt that Ye Chen was a strange man, even he didn't want to glance at Yan Fei

Yan Fei started to question whether her charm was lacking so that made herself unattractive in front of Ye Chen.

"In the future I have to look even better." Yan Fei felt that she had to change her appearance a bit, she had to be more dazzling and prettier in order to attract Ye Chen's attention.

.

.

After leaving Yan Fei's private room, Ye Chen immediately looked for a quiet place away from the crowd.

"Alright, time to go." Ye Chen broke the teleportation stone, a portal instantly appeared in front of Ye Chen's eyes.

Ye Chen entered the portal, as soon as Ye Chen entered the portal, the portal immediately disappeared.

Ye Chen traveled in the dimensional pit, he saw a very familiar sight to himself.

After a while Ye Chen came out of the dimensional hole and came to a dark and gloomy place, lightning flashed all around this place, the rumbling sound of thunder could continue to sound throughout this place.

In the vast expanse of sky, Ye Chen could only see very dense black clouds, all places were covered by extremely dense black clouds.

"So this is the Thunder Rain Star Realm" Ye Chen finally arrived at the Thunder Rain Star Realm, just as Yan Fei said, this place is filled with dark clouds and thunder that keeps on striking.

With this condition, Ye Chen doubted that anyone could live in a place like this, this place was filled with gloom that made it uncomfortable to live in this place.

Chapter 1213 - [Bonus]accidentally Met An Acquaintance

"where am I right now?" Ye Chen started to wonder where he was right now.

The teleportation stone had taken him to a random place, so Ye Chen didn't know where he was.

Ye Chen took out the map given by Yan Fei, he started to look at the map and memorized all the areas in the map that had been given by Yan Fei.

Ye Chen could easily memorize the map in his hand.

"Alright, my current location is here, so all I need to do is fly towards the east." After confirming his location, Ye Chen only needed to go east, the location of the mysterious land discovery was in the east.

Ye Chen immediately flew towards the east, himself immediately flew to the place that Yan Fei had marked.

The map and information provided by Yan Fei was very useful, Ye Chen could easily find the place where the mysterious land was.

.

.

Ye Chen flew at a relatively slow speed, this was because he was carrying a heavy weight on his body, this made Ye Chen unable to fly at his original speed.

Ye Chen himself was very calm, he was very sure that he would get to that place.

Ye Chen observe each area there, he did not find any signs of human life in this place, which can be found by Ye Chen is only Magical Beast and also some plants that can survive in extreme weather.

With conditions like this, not strange that in this place it was quite rare for humans to be found, if Ye Chen was a resident of this place, Ye Chen might also not want to live in a gloomy place filled with thunder that continued to rumble non-stop.

Because there are no signs of life around this place, Ye Chen's journey has been very smooth, Ye Chen has not met any obstacles on this journey.

If it continued like this, Ye Chen would definitely be able to get to that place quickly.

The Thunder Rain Star Realm wasn't a very large star like the Sky Cloud Peak Star Realm, so the journey to the destination would be extremely fast.

Ye Chen continued to advance towards the horizon, himself flying relying on the navigation on the map in his hand, Ye Chen had nothing else to do but follow the directions on the map.

Around this place there was only vast land and mountains that stretched far away, so there was nothing special that Ye Chen could see.

In the map in Ye Chen's hand, there were only a few cities that Ye Chen could see, it just so happened that there was a city not far from the place where the secret land left behind by the ancient Sect was located.

Most likely in this place will be a stopover for people who participate in the event.

"Okay, I'll go to this city to find information" Ye Chen had already decided, he would go to the city to look for information.

Ye Chen was very sure that in this city there would be useful information, Ye Chen could stay in this city for a while.

Ye Chen tried to hurry, himself tried to go to that place, if it was too late, Ye Chen would most likely not get an inn.

From the information Ye Chen had obtained, there would be a lot of people participating, so it was likely that the inn would be full of groups from various places in the God Realm.

Even though Ye Chen had used his full speed, Ye Chen was still flying very slowly, he couldn't fly fast because of the heavy weight pressing on him.

.

.

Ye Chen flew for several hours, after flying for several hours, Ye Chen finally arrived at his destination.

In front of his eyes, Ye Chen saw that there was a city that was quite large in size, it was estimated that this city could accommodate hundreds of thousands of people or more.

In this city there is a fairly large barrier, this barrier is made to protect the city from being struck by lightning that does not stop.

"It looks like this town looks normal" from a distance Ye Chen could see that this city looked very normal, there were a lot of people roaming the streets and there were many merchants selling around this place.

This situation could almost be found in normal cities that Ye Chen saw often.

The items they were selling were quite strange, maybe this was due to the limited items they could find in a place where every day was filled with black clouds and no sun.

Ye Chen approached this city, himself directly entered the city, after entering the city, Ye Chen started to tour this place to get a little information.

He went around this place to seek information from merchants and people he met.

People here are quite greedy with resources, they try to get some resources for an information.

Ye Chen didn't really like this, Ye Chen ended up using a bit of his strength to get information.

It could be said that Ye Chen was doing an intimidation to get information, Ye Chen was doing this because he needed information, plus these people were not friendly towards him at all.

It's a shame that Ye Chen's information was so scant, the information that Yan Fei gave was even better than what these people gave.

"Hey Ye Chen, is that you?" While Ye Chen was wandering around this place, he heard a quite pleasant female voice.

from a distance Ye Chen could tell who this woman was, Ye Chen didn't expect that he would meet acquaintances in a strange place like this.

A young woman came over to Ye Chen, this young woman was wearing a bamboo hat with a cloth used to hide her appearance.

Although this woman's appearance was very secretive, Ye Chen could tell the identity of this woman, this woman was Xing Mei, the annoying girl who ran away from her home.

"What is this strange girl doing in a place like this?" Ye Chen started to wonder what Xing Mei was doing in a place like this.

Xing Mei came to Ye Chen, now she was right in front of Ye Chen.

Xing Mei started to sniff the smell on Ye Chen's body, she tried to recognize the smell that was on Ye Chen's body.

"You must be Ye Chen" After trying to confirm by smell, Xing Mei finally believed that this man with the mask was Ye Chen.

"Damn, are you a dog?" Ye Chen couldn't believe that Xing Mei could find her whereabouts just by using something like this, this was something that Ye Chen had a hard time believing.

"Sorry, maybe you have the wrong person" Ye Chen tried to avoid Xing Mei, he didn't want to get into trouble from Xing Mei, to be honest this woman was very troublesome, that's why Ye Chen was lazy to serve her.

"You're lying, you must be Ye Chen, I can't misrecognize people." Xing Mei couldn't believe that if it wasn't Ye Chen, she couldn't possibly be wrong in recognizing people.

Xing Mei was absolutely sure that the man in front of her was Ye Chen, she couldn't be mistaken if the man in front of her was Ye Chen who had an Ancient (Yang) Body.

Plus Xing Mei was very familiar with Ye Chen's scent, she couldn't be wrong in judging this.

Xing Mei had slept together with Ye Chen many times, so she was familiar with Ye Chen's smell.

Chapter 1214 - Information About Groups To Watch Out For

"You must be wrong in recognizing people, I don't know you at all" Ye Chen kept trying to get rid of Xing Mei, himself trying his best to get rid of this annoying girl.

"I can't believe it, you must be Ye Chen, quickly take off your mask" Xing Mei couldn't believe it, she was very sure that it was Ye Chen.

Xing Mei stretched out her hand towards the God Mask that Ye Chen was wearing, she tried to take the God Mask.

As Xing Mei did this, Ye Chen suddenly backed away, he trying to avoid Xing Mei.

Xing Mei only grabbed the empty air, she couldn't reach the God Mask that was on Ye Chen's face.

Xing Mei was quite surprised by Ye Chen's increase in strength, she didn't expect that Ye Chen would become so strong in the near future.

Even though the current Ye Chen still hasn't shown all the strength he has, the current Ye Chen has only shown Xing Mei a bit of his ability.

Xing Mei didn't want to give up, she tried to catch Ye Chen again..

This time Xing Mei's movements became faster, she hugged Ye Chen who was in front of her.

This time, Ye Chen couldn't dodge, he didn't have enough speed to dodge Xing Mei's attack.

If only Ye Chen had not used the Geoling Bracelet, perhaps Ye Chen could have avoided the attack that came from Xing Mei.

Xing Mei managed to hug Ye Chen, when Xing Mei hugged Ye Chen, she felt a very familiar feeling.

"You are obviously Ye Chen, do you still dare to lie to me?" Xing Mei was sure that if this was Ye Chen, Ye Chen would not be able to deceive Xing Mei with her disguise.

Ye Chen looked helpless, this bad girl was still the same as before, she was still as stubborn as ever.

Honestly, Ye Chen was lazy to deal with Xing Mei, this woman always gave himself a pretty bad headache.

"Alright, I'll confess" Ye Chen had no choice but to admit that he was Ye Chen, otherwise this girl would definitely continue to annoy Ye Chen.

"Hehehe, I thought so, I can't possibly recognize people wrongly." Xing Mei looked very satisfied when she saw Ye Chen willing to admit that it was her.

"What are you doing in this place?" Ye Chen asked about what Xing Mei was doing in this place.

"I was out for a walk, I happened to find something interesting, so I decided to participate in the search for the ancient Sect's heritage." Xing Mei told Ye Chen that she was here to participate in the search for the ancient Sect's ruins.

"I didn't expect that you would know about this kind of thing." Ye Chen didn't expect that Xing Mei would participate in this event.

"Do you have any information for me?" Ye Chen asked Xing Mei, he wanted the information that Xing Mei had.

"Of course, but before that you have to come with me" Xing Mei pulled Ye Chen, Xing Mei wanted Ye Chen to follow her.

"Where are you taking me?" Ye Chen wanted to know where Xing Mei would take him.

"Just come with me" Xing Mei told Ye Chen not to ask too many questions and follow her.

Ye Chen had no choice but to follow Xing Mei, Ye Chen followed Xing Mei to a large ancient building that had several floors.

On the billboard was written Thunder inn, it looks like this place is an inn.

"Come in" Xing Mei invited Ye Chen in, after entering Xing Mei looked for an empty seat on the first floor.

The first floor consists of places to eat, in this place there are lots of people eating or just enjoying the time they have while waiting for the search to open.

Ye Chen looked around this place, Ye Chen found that the people around this place were very powerful, some of them on the same level as Song Ziyu.

These people are still very young, they are all under 500 years old, with their age, they can already be said to be a genius.

"These people are strong, they seem to be from high ranking stars." Ye Chen could immediately guess the identity of these people.

"Are you familiar with these people?" Ye Chen directly asked Xing Mei, Ye Chen wanted to know if Xing Mei knew about the identity of these people.

"Just a few, mostly I don't know them." Xing Mei said that she only knew some of the people in this place.

Information from these people was minimal, so Xing Mei didn't know much about them.

"You don't need to worry, even though I don't know these people, I know some strong people who are in this place." Even though Xing Mei didn't know all the groups that were in the inn, Xing Mei still knew about some groups with considerable strength in this place.

"The first rank is the Shin Clan, they are the strongest group you can find in this place, their strength can be said to be quite strong and the largest among the other groups" Xing Mei immediately explained to Ye Chen about the shocked group in this place.

"Clan Shin is from a place called Flame Spirit Dawn Star Realm, it is one of the top rank stars" Xing Mei told that Clan Shin is from a place called Flame Spirit Dawn Star Realm.

"The second group is Heavenly Spear kingdom, this is a group with prince members and some powerful warriors, they are also from the top rank stars, I myself forgot where they came from" Xing Mei said uncertainly.

"The third group is Frozen Cloud Ice Sect, everyone in this group is female, they didn't appear in this place, so they are in their rooms" Xing Mei continued to speak.

"The fourth group is the Poison Viper Sect, they are the most dangerous group, they are terrible poison masters, no one wants to get close to them" Xing Mei told Ye Chen about a group of poison experts, they were the most dangerous and make everyone alert.

"The fifth group is the Black Thorn Sect, this group is also quite strong, they have several people who have strong magical beast pets, although the individual strength is not strong, the Magical Beast they have is very strong" Xing Mei said to Ye Chen.

Ye Chen nodded, he began to remember everything that Xing Mei said, it seemed that every group that came had a strength to be reckoned with.

"Then do you know who the woman wearing the mask is over there?" Ye Chen asked about the woman sitting alone while wearing a plain mask.

This woman was very conspicuous, this made Ye Chen slightly attracted to this woman.

Ye Chen felt that this woman was strong and dangerous, her instincts told this.

Xing Mei looked at the direction where Ye Chen was pointing, for some reason she didn't know that this woman was in this place.

"I don't know, she seems new, her appearance is also strange." Xing Mei said that she didn't know who the woman Ye Chen was pointing at.

"But she has a very good body shape" Xing Mei saw that this woman looked very sexy, she really had a hot body that could make anyone who saw her excited.

Too bad this woman is wearing a mask, so everyone can't see what this woman's face looks like, some people can only see the beautiful body that the mysterious woman has.

Chapter 1215 - Mysterious Woman With Strong Charm

"I know that" Ye Chen also knew what Xing Mei meant, this woman does look very Sexy and hot, she is the most seductive woman Ye Chen has ever seen, her charm can make any man feel excited just from looking at her.

Too bad Ye Chen couldn't see what kind of face this woman had, if Ye Chen could see what kind of face this woman had, it would be really great.

"look, she's looking at you" Xing Mei told Ye Chen that this mysterious woman was looking at them.

Ye Chen's eyes and this woman's eyes met, the two looked at each other greeting each other, when this woman looked at Ye Chen, this woman's eyelids suddenly lit up.

As Ye Chen stared at the mysterious woman's eyelids, Ye Chen found himself a little confused, his soul felt like it was being sucked in by something very strong.

This woman looked so enchanting and alluring, Ye Chen felt very confused as to how this could happen.

Ye Chen wanted to go forward and reach the mysterious woman wearing the mask, when Ye Chen wanted to do that, he started to feel something strange, why did he suddenly lose control of himself, Ye Chen had never felt like this.

Ye Chen actually knew that something was wrong with him, but Ye Chen couldn't fight this, it was like an absolute order that Ye Chen couldn't refuse..

Ye Chen was almost completely controlled by this woman.

"Master wake up, lest you be defeated by this woman's Charm" just as Ye Chen was about to be controlled by the mysterious woman, Chu Yuechan suddenly spoke and tried to wake up Ye Chen .

As soon as Ye Chen came to his senses, he was trying to strengthen his thoughts.

"This woman is dangerous" Ye Chen realized that this woman was very dangerous, this woman was really very dangerous because she had such a strong Charm.

This was Ye Chen's first time meeting a woman who possessed such a strong Charm.

Even this was much stronger than Xue Suyin, Ye Chen started to wonder who this woman was, why did she have such a strong Charm.

"What happened to you?" Xing Mei saw Ye Chen's change, she immediately asked why Ye Chen made such a change.

"Xing Mei, this woman is very dangerous, she has a very strong charm." Ye Chen told Xing Mei that this woman was very dangerous, Ye Chen himself was almost trapped in this woman's Charm.

Xing Mei looked back at the mysterious woman, she didn't expect that this woman would have such a strong Charm.

As Xing Mei remembers, Ye Chen was a cultivator who possessed a powerful Dual Cultivation technique, how could he be almost controlled by this woman, this was something quite strange to Xing Mei.

The mysterious woman looked at Ye Chen, this was the first time that there was someone who could easily escape the influence of her Charm.

"Who is this man, how can he release my Charm" the mysterious woman began to wonder Ye Chen's identity, Ye Chen was the first person to release his Charm so quickly.

"Interesting, I think I will play with this person" the mysterious woman wanted to play with Ye Chen, she wanted to play with Ye Chen who had a strong mind.

This woman thought all men were boring because no one could fight her Charm, so when Ye Chen could fight this mysterious woman's Charm, the mysterious woman wanted to try playing with Ye Chen.

Ye Chen didn't know that this mysterious woman wanted to start with him, Ye Chen didn't want to bother himself, he wouldn't look for trouble with this woman, Ye Chen had better keep a little distance from this woman.

"I want to know the information of the hidden territory that we will enter later, do you know this information" Ye Chen turned his gaze towards Xing Mei.

Ye Chen tried to ignore the mysterious woman staring at him, it was better for Ye Chen to try not to be too flashy.

"The place we are going to is called the ruins of the heavenly thunder valley sect, this is the place that we will enter later." Xing Mei told Ye Chen that they were going to enter a place called the ruins of the heavenly thunder valley sect.

The name of the sect found is Heavenly Thunder Valley Sect, this is a fairly powerful past sect, which will definitely have a lot of inheritance to be obtained from this place.

"Oh, so the name of the place we are going to is called the heavenly thunder valley sect." Ye Chen now knows the name of the abandoned sect.

"Do you know the treasures or relics that were found?" Ye Chen asked Xing Mei if anyone had managed to get hold of the treasures within the ruins of the Heavenly Thunder Valley Sect.

"I heard that someone has already obtained treasures on the outside, while the inside is still closed and waiting for a while to open." Xing Mei explained that there were already several people who had obtained treasures on the outside, while the inside was still untouched by anyone.

"Oh, so the place is divided into several parts, then we will get a lot of treasures in that place" Ye Chen did not expect that this ruin would be divided into several parts, that means that the deeper it goes, there will be a lot of treasures waiting for him.

"It won't be as easy as you think, you have to fight with all of them, so you must prepare to fight against them all." Xing Mei said this slowly, Xing Mei didn't let others know about this matter.

Xing Mei told Ye Chen that the journey this time would not be smooth, Ye Chen would have to battle against people of high ranking stars to be able to get hold of the treasures stored in the ruins of the Heavenly Thunder Valley Sect.

"I already know about the matter, it can be said that everyone is our enemy" Ye Chen understood very well what Xing Mei said, it meant that everyone in this place was an enemy.

Each group is an enemy, so they all have to compete for the resources that exist in the ruins of the Heavenly Thunder Valley Sect.

"You are right, but if you make an ally, then this can make things easier for us." Xing Mei suggested to Ye Chen to make an ally.

"I don't believe in these people, you alone are enough to help me" Ye Chen didn't believe in these people, he only needed Xing Mei to help him deal with this information.

It seemed that Xing Mei could be of use, so Ye Chen would take Xing Mei along with her.

"You're joking with me ?, just the two of us won't be enough, you see there are more of them" Xing Mei couldn't believe what Ye Chen said, Ye Chen was so unreasonable.

Xing Mei herself wanted to find allies to go inside, she could use ally to get inside safely.

If it was just the two of them with Ye Chen, Xing Mei was afraid that they would die when exploring ruins of the Heavenly Thunder Valley Sect.

Xing Mei still didn't know what was in that place, if something bad happened, then what should she do, Xing Mei was still very easy, she didn't want to die because of something like this.

"You don't worry, believe in my abilities" Ye Chen told Xing Mei to believe in him, Ye Chen was very sure that he could steal first from everyone in this place.

Ye Chen intended to make all the treasures in that place his own.

Chapter 1216 - Younan Group Trying To Find Trouble With Ye Chen

"I started to have a bad feeling when you said this." Xing Mei felt something bad when she heard this.

Xing Mei felt something dangerous when Ye Chen said this, Xing Mei knew that Ye Chen intended to take everything for himself.

If that were to happen, Ye Chen would definitely draw the anger of the people in this place.

It's quite scary to imagine the two of them being enemies of these hundreds of people, plus outside there are still people who will follow this event.

"Please don't do anything weird." Xing Mei asked Ye Chen not to do anything weird, otherwise their safety could be threatened.

"You don't need to be afraid as long as I'm around, everything will be fine" Ye Chen reminded Xing Mei again about her abilities, as long as she was around everything would be fine.

Ye Chen looked very confident in his abilities, he could definitely beat these people..

The reason Ye Chen could be so confident was because Ye Chen had yet to find someone that made him feel afraid.

Ye Chen and Xing Mei continued to talk, the two of them drawing up a plan that they would use.

As Ye Chen and Xing Mei talked about this, the place became more and more crowded, there were countless people flocking to this place, they all booked a place to stay for the next few days.

In this city, this is the single largest inn, so it's not strange that everyone wants to occupy this place.

Plus this was also a gathering place for strong cultivators who would be participating, so all news would be quickly known if it was in this place.

It was a good thing that Xing Mei had already rented a room for the two of them, so Ye Chen needed to worry about this matter.

Ye Chen listened to the conversations of the groups around him, Ye Chen tried to dig up information from these people.

"You two go quickly, we want your seats" While Ye Chen and Xing Mei were sitting down, suddenly a group of people came who wanted the table that was owned by Ye Chen.

The group that kicked Ye Chen out consisted of 5 people who looked quite fierce.

"You just find another place, we're busy." Xing Mei Refusing to give them the seat she had, Xing Mei was still busy eating and chatting with Ye Chen.

Honestly Xing Mei didn't like these people, these people looked rude and had no morals.

"Don't you see that all the tables and seats are full, we want yours" the group leader told Ye Chen to give the table to himself.

The leader of this group is Vi Gerji, he is the leader and the most powerful person in the group.

"So what? , you should just stand in the corner." Xing Mei told these people to stand in the corner.

Xing Mei didn't want to give up the table they had, so she threw these people out of here.

"You want to find trouble with us, don't you know who we are" Vi Gerji said to Xing Mei.

Vi Gerji doesn't seem to like Xing Mei, this woman is really annoying.

The screams that came from Vi Gerji caught the attention of many people in this place, everyone saw what was happening, the noise made them curious and saw what was happening.

"I don't know and I don't want to know." Xing Mei said that if she didn't want to know about these people, it was useless for her to know about these people.

Vi Gerji was angry when she saw Xing Mei's indifferent attitude, she felt that Xing Mei was an arrogant and ignorant woman.

"We are Younan's group, if you don't want to get into trouble quickly leave" Vi Gerji told who he was, he told Mei Yueli the identity they had.

"I've never heard of it." Xing Mei said that she had never heard of this kind of thing, Xing Mei didn't even know what the Younan group was.

The faces of Vi Gerji and the members of Younan's group darkened, they didn't expect that Xing Mei would not give face even after finding out who they were.

This angered the whole group, they all wanted to make a calculation with Xing Mei.

"Bang" Vi Gerji pounded on the table that was used by Ye Chen and Xing Mei, he started to let out his anger.

Everyone continued to observe what was happening, they all liked this kind of battle, even some large groups started betting about who would get the table.

Ye Chen was still very relaxed, he was still very relaxed even after this man slammed his desk hard.

"What are you doing, do you want to find trouble with us?" Xing Mei looked dissatisfied with what this Younan group was doing.

"That's what we wanted all along" Vi Gerji said that was what they wanted to do, they wanted to find trouble with Ye Chen and Xing Mei.

"Don't mess with us, you can make both of you regret it." Xing Mei told these people not to make trouble with her and Ye Chen, otherwise they would get into trouble.

"Hahaha, you and your strange partner want to threaten us?, How funny." Vi Gerji laughed when he heard this matter, he laughed when he heard what Xing Mei had to say.

To Younan's group, Ye Chen and Xing Mei were just trash, the two of them would not be able to beat them.

"Don't underestimate us, my comrades will destroy you guys" Xing Mei said not to mess around otherwise Ye Chen would destroy the five of them.

"Hahaha" Vi Gerji laughed when she heard this, Xing Mei's joke was so funny, she couldn't stop laughing when she heard this.

"This weirdo wants to beat us up?, look at this" Vi Gerji started to take a glass, she poured agar over Ye Chen's head.

This scene was visible to everyone, everyone in the place could see that Vi Gerji was trying to insult Ye Chen.

Xing Mei was shocked by what Vi Gerji did, this man actually treated Ye Chen like this.

"This man will definitely not have a good ending" Xing Mei thought that this man would not have a good ending.

Xing Mei didn't know why Ye Chen didn't put up a fight, usually Ye Chen would fight back when being bullied by others, but this time he didn't put up a fight.

"Look, even he can't avoid this, you said he wants to beat us, Hahaha" Vi Gerji laughed at Ye Chen again, he was happy to laugh at Ye Chen.

In this case, neither group is willing to help Ye Chen, they are all unwilling to interfere in the matters of the battle of the ants.

In the eyes of a powerful group like Clan shin, Heavenly Spear Kingdom, Frozen Cloud Sect, Poison Viper Sect, Black Thorn Sect.

Ye Chen, Xing Mei and Younan's group were just like little ants making for an interesting spectacle.

They all didn't think of Ye Chen as a suitable rival for all of them, whereas Ye Chen was the most dangerous participant in this place.

"Why doesn't he fight back?, when I was hoping to get an interesting spectacle" the mysterious woman was quite disappointed when she saw Ye Chen not put up a fight, even though she hoped to get an interesting spectacle and also something great from Ye Chen.

"You guys" Xing Mei pointed at Vi Gerji and her group, Xing Mei looked dissatisfied when she saw them doing this to Ye Chen.

"What, you also want to be hit" Vi Gerji was not satisfied, he intended to hit Xing Mei, he intended to hit Xing Mei who was in front of him.

Chapter 1217 - Just Need A Few Steps

The moment Vi Gerji tried to hit Xing Mei, Ye Chen immediately used his hands to block Vi Gerji's blow.

"Friends, you better go and don't disturb us both" Ye Chen warned Vi Gerji and all the comrades he had to leave this place immediately.

"What did you say?" Vi Gerji looked angry when he listened to what Ye Chen just said, what Ye Chen said made Vi Gerji feel annoyed and dissatisfied.

This strange man with the mask had dared to drive Vi Gerji away, how could Vi Gerji not be angry when he heard this.

"I warned you, don't make me angry" Ye Chen warned this person again, he told this person not to anger himself.

"hahaha, you are as funny as the woman beside you, are you two clowns" Vi Gerji said that Ye Chen and Xing Mei are both funny, they are very similar, they both can make Vi Gerji laugh.

The people near Vi Gerji laughed too, they laughed at what Ye Chen had just said.

Meanwhile the other group just smiled, they continued to observe the spectacle that was going on, for these people, everything that happened was very enjoyable, they were very happy with this kind of spectacle, it could fill their boredom..

Ye Chen knew that these people would not be able to be driven away, it seemed that Ye Chen would have to use a little violence to drive these people away.

Actually Ye Chen didn't want to show his strength so quickly, but Ye Chen had no choice, he had to show a little bit of his ability to chase these people away.

"Bam. . ." without saying a word Ye Chen directly hit Vi Gerji who was in front of him.

Vi Gerji was immediately flown by Ye Chen, he was easily flown out of this place.

Ye Chen's punch was strong enough, it should be enough to knock him out.

The people behind Vi Gerji didn't have time to react, they still didn't understand what had just happened.

The people in this place also kept staring at Ye Chen they couldn't believe Ye Chen only needed one strike to defeat Vi Gerji.

"Damn, how dare you attack our boss, we will kill you" Younan's group was angry when they saw Ye Chen hit Vi Gerji, they wanted to take revenge on Ye Chen who had dared to hit Vi Gerji.

"Bam. . . , Bam . . . , Bam . . . , Bam . . ." Before they could attack Ye Chen, Ye Chen had already kicked these people.

Ye Chen's kick felt very heavy, it was like a mountain hitting these people's chests.

These people were kicked out of the inn, in just a few seconds Ye Chen had gotten rid of the annoying people, now no one bothered him.

"That's okay" The mysterious woman continued to observe Ye Chen's battle, she felt that Ye Chen had quite a strong power.

Although this is still far from the standard expected by the mysterious woman wearing the mask.

Ye Chen sat back in his chair, he continued the conversation with Xing Mei.

Xing Mei couldn't help but shake her head, Ye Chen just now was too domineering, he easily got rid of everyone who had dared to disturb the two of them.

"Ye . . . :Xing Mei wanted to mention Ye Chen's name, when Xing Mei wanted to do that, Ye Chen had her mouth shut.

"We're both in disguise, so don't call me by my real name" Ye Chen warned Xing Mei not to call herself by her real name, otherwise trouble would definitely come to them.

Xing Mei nodded to Ye Chen, she understood what Ye Chen was trying to do.

Ye Chen didn't want to expose his identity, otherwise in the future there would definitely be a lot of trouble for the two of them.

If he and Ye Chen got all the treasures in the ruins of the Heavenly Thunder Valley Sect, then they would definitely become enemies of those who entered, so it was best for both of them to keep their identities a secret, so that they would be safe in case something bad happened.

Ye Chen finished discussing this matter with Xing Mei, he and Xing Mei had already agreed to work together to find information.

After what happened just now, everyone didn't dare to underestimate Ye Chen, they started to know that Ye Chen had quite a bit of strength, so they had to be on guard against or against Ye Chen.

"Miss, young master Shin wants to meet you, please come with me." A moment later someone came to Ye Chen and Xing Mei, this man told Xing Mei that the young master of the Shin Clan wanted to see her.

Xing Mei immediately looked at the Shin Clan group, she saw a handsome young master waving at her.

"What does he want from me?" Xing Mei became curious as to what someone like young master Shin wanted.

"I don't know, you should go, he's waiting for you." Ye Chen didn't know what the young master of the Shin Clan wanted from someone like Xing Mei.

Ye Chen wasn't the worm that was in the stomach of the young master of the Shin Clan, so he didn't know what he wanted from Xing Mei.

"Alright, I'll go and see him." Xing Mei nodded, she was about to go to the young master of the Shin Clan and ask what he wanted.

"I will go" Xing Mei told the envoy from young master Shin that she was going to meet their young master.

"Thank you, please come with me." This man ordered Xing Mei to come with him to meet the young master of the Shin Clan.

After Xing Mei left, Ye Chen now lived alone, he had no opponents to speak to.

"May I sit here?" When Ye Chen was alone, a very soft, melodious and charming voice entered Ye Chen's ear.

This voice was too strong, Ye Chen felt that the bones in his body could melt when he heard this kind of melodious voice.

suddenly a mysterious woman came to Ye Chen, this woman directly sat in front of Ye Chen.

Everyone also listened to this voice, they all seemed to be hypnotized and started to look at the mysterious woman.

Honestly, this woman's voice is really something, she can make all the men in this place bewildered just from hearing her voice.

All the men in this place started to try to guess this woman's appearance, they all wanted to know what the appearance of the woman who had a voice like a goddess that could hypnotize anyone who heard it.

Ye Chen was a little speechless when he saw this, Ye Chen didn't know whether he should reject this mysterious woman or not.

To be honest, Ye Chen didn't want to get too involved with this woman, he felt that this woman was very troublesome and dangerous.

Unfortunately expelling this woman was not a good thing, if Ye Chen did that, Ye Chen would most likely be expelled from this place.

This woman was already able to control all the men in this place, just from her one word Ye Chen could become a public enemy.

Ye Chen didn't want to make unnecessary enemies, there was no point in making enemies because this mysterious woman

"please just sit in this place, there are still seats empty" Ye Chen allowed this woman to sit in front of him, Ye Chen tried to act casual only when in front of this woman.

The mysterious woman in front of him was too seductive, Ye Chen could feel the heat just from looking at this woman.

Chapter 1218 - Talk To Mysterious Woman

"Keep calm" Ye Chen tried to calm himself down, Ye Chen tried his best to defend against this woman's Charm.

The mysterious woman saw Ye Chen, she began to observe whether Ye Chen would be affected by her charm.

It should be at this distance that it was impossible for one to hold back the Charm that he possessed, it was impossible for a normal young man to endure.

The mysterious woman knew that Ye Chen was a young man, otherwise Ye Chen would have been involved in something like this, so all she could conclude was that Ye Chen was under 500 years old.

It is quite rare for a young man to attract the attention he has, for this mysterious woman a young man is something that is less than satisfactory, she prefers someone who is mature than a young man.

However, this time it was a little different, she was a little attracted to Ye Chen, this was because Ye Chen could resist the charm she had.

If Ye Chen had not resisted the charm of this mysterious woman, it was very likely that the mysterious woman would not be attracted to Ye Chen.

"Miss, what do you want from me?" Ye Chen asked what she wanted mysterious woman sitting in front of him..

The mysterious woman was again shocked when she saw Ye Chen was not affected by her Charm, again Ye Chen made himself wrong, Ye Chen was not affected by his Charm.

The mysterious woman is getting more and more interested, she wants to know what makes Ye Chen able to hold the Charm that she has.

"I'm a little interested in you" the mysterious woman said that she was interested in Ye Chen.

Since the first time she met Ye Chen, the mysterious woman had been attracted to Ye Chen, there was a special power that made her feel attracted to Ye Chen.

The mysterious woman had never felt this way from the men she met, Ye Chen was the first man to give her this kind of feeling.

"Huh?, what do you mean?" Ye Chen didn't understand why a mysterious woman would be attracted to him, even though Ye Chen was trying to stay as far away from this woman as possible.

"I'm interested in you, how about we ally for a while" the mysterious woman said that she wanted to ally with Ye Chen.

This woman's voice is getting more melodious and full of charm that is very seductive, it is very difficult to resist a strong temptation like this.

If it wasn't Ye Chen, they would have nodded immediately when they received a request from the mysterious woman.

The mysterious woman strengthened her Charm, she couldn't believe that her Charm didn't work on Ye Chen.

"Sorry, as you can see, I already have someone so I have to refuse your offer." Ye Chen firmly refused the request from the mysterious woman, Ye Chen felt that this woman had other intentions.

Ye Chen himself didn't know what this woman wanted, this woman definitely wanted something from Ye Chen.

The mysterious woman fell silent when she saw Ye Chen who rejected her, the mysterious woman really couldn't use her charms to attract Ye Chen's interest.

"Is he still a man or not, why doesn't he show interest in me?" The mysterious woman was increasingly confused whether Ye Chen was a man or not, why did Ye Chen not have any interest in her at all.

Even though he had used everything he had, he was still unable to attract Ye Chen's attention.

This was an insult to her, the mysterious woman had never felt anything like this in her life.

Ye Chen being the first man to show no interest in her, this was something very strange.

The mysterious woman is very confident in her charms, even though she wears a mask, she is very confident that she can attract a man by using her perfect body.

"Should I show my full strength and show my true face" The mysterious woman wanted to show all she had to fight Ye Chen, she was sure she could beat this man if she showed all the strength she had.

"But there are so many people here, I can't expose myself too soon" the mysterious woman didn't want to expose herself too quickly, that's why she couldn't do that in public.

Ye Chen became curious about the woman in front of him, Ye Chen was curious about the appearance this woman had.

Wanting to see what kind of appearance this woman had, Ye Chen decided to use God Eyes to see what this woman looked like.

When Ye Chen did this, Ye Chen could see behind the mask that this woman was wearing.

The mask that the mysterious woman wears is an extremely powerful artifact, no one can remove it except the owner, plus it's very difficult to peek behind this mask.

Despite using a powerful mask, still Ye Chen's God Eyes could easily penetrate into the mask worn by the mysterious woman.

Now Ye Chen could see firsthand the face this woman had.

When Ye Chen saw this woman's face, Ye Chen was shocked by the beauty of this woman, this woman's face was so perfect, she had a very perfect beauty.

"Too beautiful and perfect, who is this woman?" Ye Chen couldn't believe that the mysterious woman's face would become so beautiful, this was something that was beyond his expectations.

This woman is indeed very beautiful, the beauty possessed by this woman is able to hypnotize anyone who sees it.

If Ye Chen had never met a peerless beauty like the women he had, Ye Chen might have been fooled by this mysterious woman's beauty.

"Why are you looking at me like that, is there something wrong?" the mysterious woman asks if there is something wrong with her.

"Nothing" Ye Chen hastily pulled back the God Eyes of the mysterious woman, trying not to be too conspicuous in front of the mysterious woman.

Don't let this woman find out what she just did.

"Too bad you rejected me, then What's your name?" This woman was not angry after being rejected by Ye Chen, instead she asked what Ye Chen's name was.

"You can call me Mask Hero" Ye Chen told this woman about his pseudonym.

Ye Chen was not so stupid as to give his real name to a woman who was mysterious and had a strong threat to him, Ye Chen preferred to hide what he had.

"That's just your pseudonym, right?, I'm getting more and more curious about your real name." The mysterious woman is getting more and more curious about Ye Chen's real name, she likes something mysterious.

"Of course, I'm not that stupid to reveal who I am." Ye Chen nodded to this woman, him telling that he would not expose his name.

Beneath her mask the mysterious woman smiled wryly, this man was so direct, he didn't seem to want to hide anything from herself.

This made the mysterious woman even more curious about Ye Chen, she was very curious about Ye Chen who seemed to be trying to act mysterious.

"yourself, What's your name ?" Ye Chen asked what the name of the mysterious woman in front of him was.

"My name is Feng Xuanyin" the mysterious woman told Ye Chen her own name.

Ye Chen looked at Feng Xuanyin, he felt that this was not the real name that this woman had.

It seemed that this woman was trying to keep herself a secret, Ye Chen would be able to find out the name this woman had.

Chapter 1219 - Make Feng Xuanyin Weak

"Beautiful name, just like the person" Ye Chen said that Feng Xuanyin had a name as beautiful as the person.

"You haven't even seen me yet, but you can already conclude something like that." Feng Xuanyin said to Ye Chen that Ye Chen had not seen her true appearance.

"I believe you must be beautiful" Ye Chen said that Feng Xuanyin was a beautiful woman, Ye Chen could not deny the beauty that Feng Xuanyin possessed.

"fufufu, so you're starting to guess, do you need me to show it to you?" Feng Xuanyin said that she wanted to show her appearance to Ye Chen.

Feng Xuanyin was sure that her appearance would take Ye Chen by surprise.

"That's not necessary, I've seen it" Ye Chen said to Feng Xuanyin that he had seen his true appearance, so Ye Chen already knew what Feng Xuanyin looked like.

Ye Chen had already recognized Feng Xuanyin's beauty, this woman could indeed be categorized within the highest goddess level in the God Realm.

.

"-_-'" Feng Xuanyin didn't know since when Ye Chen had known this, she didn't recall showing her true appearance to others.

"How did you know this?" Feng Xuanyin was curious about the methods used by Ye Chen, she was curious about how Ye Chen knew her appearance.

"It's a secret, there's a special method to do it." Ye Chen refused to tell Feng Xuanyin about his own method, he didn't let Feng Xuanyin know the method used by Ye Chen.

"this man" Feng Xuanyin started to feel annoyed with Ye Chen, Ye Chen kept acting mysterious, this irritated Feng Xuanyin.

The more Ye Chen became mysterious, Feng Xuanyin felt that she needed to reveal what Ye Chen had.

Otherwise, Feng Xuanyin's heart would not be at ease, Feng Xuanyin had already gotten what she wanted from a young age, so she never missed out on something she wanted.

"The charm I used is useless, so what should I do now?" Feng Xuanyin looked confused as to what she should do.

Charm was useless against Ye Chen, so she couldn't use it to deceive Ye Chen.

"Since Charm is useless why don't I use the direct approach" Since the usual approach failed to Ye Chen, Feng Xuanyin decided to use the direct approach.

Feng Xuanyin extended her hand towards Ye Chen, when Feng Xuanyin did this, Ye Chen immediately retreated backwards, himself dodging Feng Xuanyin's hand.

"This man?" Feng Xuanyin couldn't believe it when she saw Ye Chen dodging her, this was the first time someone had evaded when Feng Xuanyin took the initiative.

Feng Xuanyin was starting to get irritated by this, this man must have been deliberately avoiding her, otherwise how could Ye Chen have avoided her.

Feng Xuanyin tried again, this time Feng Xuanyin used her full speed.

Seeing Feng Xuanyin touch him again, Ye Chen used an invisible barrier.

This barrier made Feng Xuanyin's hand stop for a while.

Feng Xuanyin smiled when she saw this, this barrier couldn't possibly stop her, Feng Xuanyin's hand easily broke through the barrier set up by Ye Chen.

"what! !!" Ye Chen was quite surprised when he saw Feng Xuanyin easily break his barrier, this woman possessed quite a bit of strength.

At this distance, Ye Chen couldn't dodge, he couldn't avoid Feng Xuanyin's hand.

Feng Xuanyin's hand touched Ye Chen's hand, a hand that was very, very gently touched Ye Chen's hand.

Ye Chen did not remain silent when he saw this, Ye Chen used the Passion Goddess technique to protect himself.

"It's over, now you will do as I say." Feng Xuanyin felt very happy that her Charm effect should be stronger when she made direct contact with Ye Chen.

While making direct contact with Ye Chen, Feng Xuanyin felt something wrong with her, she felt her power suddenly disappear and her body became hot.

"What happened to me?" Feng Xuanyin was starting to become worried about the changes that had occurred to her, she had never felt anything like this in her life.

Her strength suddenly disappeared and she felt a limp all over her body, Feng Xuanyin felt powerless in her body.

"Miss Feng Xuanyin, what happened to you" Ye Chen started pretending to be worried about Feng Xuanyin, trying to act like he wasn't the culprit.

"What have you done to me?" Feng Xuanyin asked what Ye Chen had done to her.

Feng Xuanyin knew that this had to be Ye Chen's doing, otherwise there was no way she would be in this condition.

"What is Miss Feng Xuanyin saying, I didn't do anything to you" Ye Chen acted stupidly, acting as if he didn't understand what was going on.

Feng Xuanyin gritted her teeth, this man was really really weird, why did he become like this when he touched her.

Even though Feng Xuanyin had already cultivated a high-level Dual Cultivation technique, how could she not be able to withstand Ye Chen's strength.

The Passion Goddess technique is a very powerful Dual Cultivation technique, even if Feng Xuanyin had a high Dual Cultivation skill, she would not be able to win against the Passion Goddess technique.

"You" Feng Xuanyin couldn't believe that Ye Chen would act stupid like this, it was clear that Ye Chen was the culprit, Feng Xuanyin was very sure of this.

"What's going on here?" Just when Ye Chen was fighting with Feng Xuanyin, Xing Mei suddenly came.

"what happened?" Ye Chen asked what happened to Xing Mei, what did young master Shin want from Xing Mei.

"That person said that he invited us to join forces." Xing Mei told Ye Chen that young master Shin asked them to join forces.

"I see." Ye Chen now understood that the young master of the Shin Clan called Xing Mei, apparently his goal was to make an alliance with Xing Mei.

"Do we need to accept it or not?" Xing Mei asked if they needed to accept this or not.

"Why not, we can accept this" Ye Chen said that he would accept this.

"uh. . ., didn't you say earlier that you don't want to join forces with other people?" Xing Mei was confused when she heard what Ye Chen said, whereas previously Ye Chen didn't want to ally with others, but now why does he want to ally with the Shin Clan

"don't ask too many questions" Ye Chen told Xing Mei not to ask too many questions.

Ye Chen had his own reasons for doing this, he decided to make an ally with the Shin Clan so as not to be disturbed by Feng Xuanyin.

Ye Chen sensed that Feng Xuanyin would definitely do something to him, so it was better to make allies so as not to get into trouble for the time being.

"Well, if that's what you want, then I'll tell him about this matter." Seeing Ye Chen change his mind so quickly, Xing Mei was about to tell the young Shin Clan master that they had agreed to join.

"Miss Feng Xuanyin, do you need help leaving?" Ye Chen happily offered to help Ye Chen.

" Do not touch me . ." Feng Xuanyin rejected Ye Chen's offer, she started to become wary of Ye Chen.

Feng Xuanyin didn't know what method Ye Chen used, she didn't know what else Ye Chen could do to her.

Today Feng Xuanyin made a huge mistake, she underestimated this man in front of her too much.

Chapter 1220 - [Bonus]enter Into A Room Filled With Beautiful Women Who Are Changing Clothes

If only Feng Xuanyin had not underestimated Ye Chen, perhaps the outcome would not have been like this.

"If you don't want my help, I'll go first." Ye Chen finally had the chance to leave Feng Xuanyin, Ye Chen used this opportunity to leave this place.

Without waiting for Feng Xuanyin's answer, Ye Chen immediately left this place, he went straight to the place where their room was.

Ye Chen already knew the room Xing Mei had rented, so Ye Chen didn't have to wait for Xing Mei to go to that place.

Feng Xuanyin could only watch Ye Chen leave, she didn't have the power to stop Ye Chen.

Everyone looked at Feng Xuanyin, they were wondering what had just happened to Ye Chen and Feng Xuanyin.

After a while Feng Xuanyin got her powers back.

.

"I'll be back" Feng Xuanyin decided to go back, in this place there was nothing to interest her anymore.

Feng Xuanyin left this place, heading towards her own room.

All men's eyes were on Feng Xuanyin, wherever this woman went, she could definitely attract the attention of countless men.

Even though Feng Xuanyin was still wearing a mask to cover her face, if Feng Xuanyin exposed this, surely all the men in this place could be subdued very easily.

Unfortunately Feng Xuanyin didn't do this, she had come to this place to obtain something of value, so she had to be able to obtain it.

Within the ruins of the Heavenly Thunder Valley Sect there was something good, so it was because of this that Feng Xuanyin came to this place, she needed this thing to increase her strength.

Feng Xuanyin had to focus on this first, for the matter of this man named Mask Hero, Feng Xuanyin only thought of him as a toy for the time being.

Feng Xuanyin was very confident in her abilities, she could easily knock out all the participants.

So getting the things he wants will be a very easy thing to do.

Xing Mei herself still had to have some conversations with the young master of the Shin Clan, so she would remain in this place for the time being.

The young master of the Shin Clan was unwilling to let Xing Mei go, it seemed that this young master was interested in Xing Mei.

Xing Mei could only act as if she felt comfortable around the young master of the Shin Clan, when in reality she was too lazy to be with this man.

Ye Chen went upstairs, immediately went to find the room Xing Mei said.

The room that Xing Mei got had the number 22, so it was around this floor.

"Number 22" Ye Chen started looking for the room Xing Mei said, Ye Chen quickly found the room Xing Mei said.

"This is it" Ye Chen didn't think much, he went straight into the room.

When Ye Chen entered the room, Ye Chen found that in this room there were several women who were changing their clothes.

The women that Ye Chen saw had pretty faces and cold faces that made them look hard to approach, they all had flawless white skin.

It could be said that these women were very beautiful, they possessed beauty that was quite rare to find.

Everyone was silent, both Ye Chen and the women in this place were silent, they didn't say anything when they saw this, it was obvious that they had not responded to what had just happened.

"Am I in the wrong room?" Ye Chen started asking if he was in the wrong room, even though Ye Chen was sure that he wasn't in the wrong room.

Ye Chen looked at the number above the entrance, it was clear that this was room number 22 that Xing Mei had said, but how could there be several beautiful women in this place changing clothes.

"Ahhh. . ." after a moment of silence, the women finally started to react, they all immediately rushed to cover the body they had, they hastily tried to cover the body they had from Ye Chen.

"Master, your luck is always high, you're caught in an impossible scene again." Chu Yuechan giggled, as if she couldn't believe Ye Chen's luck.

Ye Chen's luck is too high, not every man can get a rare sight like this.

Ye Chen himself also didn't expect that he would be in a situation like this, Ye Chen couldn't think that he would enter a room full of women.

After they finished covering their bodies, they all immediately took the weapons they had.

This woman's weapon turned out to be a shawl, they all used the shawl to attack Ye Chen.

Ye Chen stretched out his hand to hold all the scarves that belonged to these women.

"Beautiful ladies, please calm down." Ye Chen tried to defuse the situation, he tried to defuse the situation that seemed chaotic.

"what are you saying, you pervert" these women couldn't calm down, they couldn't calm down when they saw Ye Chen who had seen the naked body they had.

How could they be about when they found out there was a man who had seen their naked bodies, this was something these women couldn't do.

The room temperature in this place started to drop drastically, these women started to use the power they had.

It seemed that the women in this place wanted to start a battle with Ye Chen.

Ye Chen had seen something he was not allowed to see, so these women intended to get rid of Ye Chen.

"Please wait a moment, you guys have entered my room, so you should be in the wrong." Seeing the situation becoming chaotic, Ye Chen had no choice but to act immediately.

"What do you mean, this is our room, how can you come up with such an unreasonable excuse" The women were angry when they heard Ye Chen's excuse.

It was clear that Ye Chen's reasoning was very unreasonable, this reasoning was very unreasonable considering that this was impossible.

"May I know what is your room number?" Ye Chen immediately asked how many room numbers the ladies in front of him had.

All the women in this room looked at each other, they didn't know whether they should say this or not to Ye Chen.

"Our room number is 23" one of the women told Ye Chen the room number they got.

This woman was the most beautiful of this group of women, she looked very very cold.

Even the voice possessed by this woman felt piercing into the body of the person who heard it.

For Ye Chen had often encountered women like this, so he was used to women who had a cold temper.

This woman's name is Xue Muer, she is the leader of the women in this room.

"Too bad, this is room number 22, so you all are clearly in the wrong room" Ye Chen told Xue Muer that she was in the wrong room.

It wasn't Ye Chen's fault from the start, it was obvious that this group of women had taken the wrong room.

Hearing Ye Chen's words, all the women looked back at each other, they didn't know whether what Ye Chen said was the truth or not.

"I'll see" Xue Muer decided to go and take a look, she was curious whether what Ye Chen said was the truth or a lie.
