

### **Chapter 1221 - Wait, Who Is This Woman?**

Xue Muer immediately looked outside, she saw the number of the room they were occupying, when Xue Muer came out, she found that this room number was indeed 22, this was definitely not the room they ordered.

"Sister Muer, how?" Other girls started asking, they wanted to know if what Ye Chen said was true or not.

"what he said is the truth" Xue Muer told all her colleagues that what Ye Chen said was the truth.

"no way" all women do not believe this, they all do not believe that they entered the wrong room, this is a fatal mistake that they did.

"Even though we are wrong, but he has seen us, we must not let him go." These cold women refused to let Ye Chen go.

Ye Chen had seen them all, so they would not let Ye Chen off the hook just like that.

"You guys are right, we can't let this person off the hook." Xue Muer totally agreed with what her friends said, she couldn't let Ye Chen off the hook..

If this thing were to spread, they would definitely become the subject of ridicule within the Frozen Cloud Sect.

That's why they had to take care of Ye Chen, they couldn't just let this thing out.

"So you guys still want to find trouble with me, then don't blame me" Seeing the beautiful women who wanted to continue fighting, Ye Chen had no choice but to fight back.

If Ye Chen didn't put up a fight against these people, he wouldn't be able to get out of this trouble.

Ye Chen extended his hand towards Xue Muer, he immediately grabbed Xue Muer who was beside him.

With just Ye Chen's one hand, he was able to restrain Xue Muer.

Seeing Ye Chen restrain her body, Xue Muer immediately tried to free herself from Ye Chen, Xue Muer started to use all her strength to break away from Ye Chen.

Unfortunately even though he had used up all his strength, he still couldn't get away from Ye Chen.

"So strong" Xue Muer felt that Ye Chen was very strong, she couldn't believe that Ye Chen's strength had become so strong.

"If you move, I will do something to her" Ye Chen said that he would do something bad to Xue Muer.

The women from Frozen Cloud Sect immediately stopped, they all immediately stopped attacking Ye Chen, They were afraid that Ye Chen would do something bad to Xue Muer.

"You guys quickly attack him, don't listen to what this guy has to say" Xue Muer told all the women to attack Ye Chen and ignore him.

"Sister Muer, we can't do that" all the women didn't want to attack Ye Chen, they were all afraid that Ye Chen would do something bad to Xue Muer.

"You guys" Xue Muer was moved when she listened to what her friends had to say, they were very understanding towards her.

All of the female disciples sent to this place were the most powerful talents in the Frozen Cloud Sect, they were all the most shining young talents in the Frozen Cloud Sect.

So it wasn't strange that they were all beautiful and had cold temperaments that were difficult for normal people to approach.

"It's very touching, but I won't let you go just because of this, you have dared to offend me, so I will take this woman as a hostage" Ye Chen felt what they were doing was quite touching, but unfortunately he had already started, now he can't just back away.

"Pervert, let go of our friend quickly" the woman from Frozen Cloud Sect asked Ye Chen to release Xue Muer.

"You better leave us quickly, otherwise I will." Ye Chen slightly tightened his arm, Ye Chen looking like he was hurting Xue Muer.

"Sister Muer" women from Frozen Cloud Sect immediately panicked, they were very worried about Xue Muer's condition.

"do not . . . , care . . . , I . . ." Xue Muer found it very difficult to speak.

Xue Muer felt that something was wrong here, she didn't feel any pain, but she couldn't speak normally.

Ye Chen himself didn't want to hurt this woman, it wasn't good for a man to attack a weak woman like Xue Muer.

After all, Xue Muer was a good woman, so Ye Chen didn't want to hurt this woman.

"If you don't go then" Ye Chen again warned everyone from Frozen Cloud Sect to leave, otherwise he would do bad things to Xue Muer.

"Alright, we will go, but please don't do anything bad to Sister Muer." The women from Frozen Cloud Sect promised to leave, but they wanted Ye Chen not to hurt Xue Muer.

"You don't have to worry about that, I will return this woman before the event starts." Ye Chen promised the female disciple of the Frozen Cloud Sect that he would release Xue Muer before the ruins of the heavenly thunder valley sect opened.

"You all don't need to worry, if he does something bad to me, I will fight back." Xue Muer said that she would definitely be fine, so they all didn't have to worry about her.

The women from Frozen Cloud Sect nodded, they all left this place, Now in this room only Ye Chen and Xue Muer are left.

Ye Chen took a special rope from the fairy gate storage room, he started to tie Xue Muer's hands so as not to put up a fight.

After doing that, Ye Chen immediately lay down on the bed in the room, Ye Chen lay down while breathing in the fresh air in this room.

Since this room had just been occupied by women from the Frozen Cloud Sect, this room had become fragrant, Ye Chen really liked this fragrant room.

"Finally done" Ye Chen felt very calm, he felt very relaxed.

Facing Feng Xuanyin already gave Ye Chen a headache, that woman was truly a very troublesome thing.

When Ye Chen wanted to relax, Ye Chen saw that Xue Muer was looking at him with an unsatisfactory look.

"You better not look at me like that, don't make me dissatisfied" Ye Chen gave a warning to Xue Muer to stop looking at herself with that look, Xue Muer didn't like the look Ye Chen gave her.

Xue Muer just sniffed coldly, she still didn't like this mysterious man.

"click. "The door was suddenly opened, Xing Mei entered this room.

"I can't believe you left me like that, you really are heartless." Xing Mei complained to Ye Chen, herself complaining that Ye Chen had left herself alone with the Shin Clan.

Xing Mei really had a headache when dealing with the Shin Clan, she felt that the young master of the Shin Clan was unreasonable.

"Never mind, don't complain too much." Ye Chen told Xing Mei not to complain too much.

Xing Mei pouted when she heard this, Ye Chen had used her for his purposes.

"Wait, who is this woman?" Xing Mei immediately asked about Xue Muer who was in this room.

"I don't know either, but she dared to sneak into our room." Ye Chen himself didn't know the name of Xue Muer, who knew Xue Muer and the female disciple from Frozen Cloud Sect had sneaked into their room.

### **Chapter 1222 - Teach A Lesson For Xue Muer**

"Who are you saying to break through by force, I didn't do that" Xue Muer said that she didn't break through this room by force.

"Then what did you call it before?" Ye Chen directly asked about what happened earlier, it was clear that Xue Muer and the female disciples from Frozen Cloud Sect had barged into his room.

" that . . .,We only made a slight mistake and entered the wrong room." Xue Muer said that if they entered the wrong room, they had no intention of breaking through.

"Isn't that the same, you and all your friends barged into your room, so don't protest too much" Ye Chen said to Xing Mei.

"what really happened, please explain to me" Xing Mei asked about what happened.

She wanted to know what had happened, Xing Mei still didn't understand what had happened...

Ye Chen started to explain to Xing Mei about what happened, himself explaining the origin of his problems with Xue Muer.

After getting a brief explanation from Ye Chen, Xing Mei finally found out why Ye Chen was holding this woman, it turned out that this woman had entered their room and did something bad to Ye Chen.

"How funny, how can you have the wrong room like that" Xing Mei felt that Xue Muer was so funny, how could she go wrong in taking a room.

"Hempp" Xue Muer snorted coldly, she was very cold towards Xing Mei.

"What's with that attitude of yours?" Xing Mei looked angry when she faced Xue Muer, this woman had dared to ignore her.

Even though Xing Mei had been kind to this woman, but what happened, this woman actually returned her with a cold attitude like now.

"Never mind, don't mind her." Ye Chen told Xing Mei to ignore Xue Muer.

"But she's really annoying." Xing Mei said that Xue Muer was really annoying.

"I also know that this woman is quite annoying" Ye Chen agreed with Xing Mei, he felt that Xue Muer was a annoying woman.

"Then how about we start teaching this woman a lesson." Xing Mei had a bad idea, she said to teach Xing Mei a lesson.

" what's that?" Ye Chen immediately asked what kind of idea Xing Mei had.

Xing Mei started to whisper the ideas she had, herself telling Ye Chen what they should do.

Ye Chen's eyes lit up when he heard this, Xing Mei's idea wasn't bad, this would definitely make Xue Muer lose face.

Ye Chen started to show an evil smile to Xue Muer, Xue Muer felt goosebumps when she saw Ye Chen's evil smile, Xue Muer somehow felt something bad was going to happen.

"You are ready for the show" Ye Chen said to Xue Muer who was sitting in the distance.

" what a show ?" Xue Muer immediately asked what Ye Chen wanted to do, what kind of show would Ye Chen put on him.

"You just shut up and see" Ye Chen said to Xue Muer to shut up and see what would happen.

Ye Chen started to silence Xue Muer, he used a special tool to make Xue Muer unable to speak or send voice transmissions to her friends in the next room.

"Let's do it" Ye Chen invited Xing Mei to carry out the plan they had agreed on.

Xing Mei nodded, she began to make preparations for a show.

"Master, please don't do that, I can't stand it." Xing Mei started to scream in a fairly loud and loud voice, even Xing Mei's voice was exactly the same as Xue Muer's.

Xue Muer's eyes widened when she saw what Xing Mei was doing, Xing Mei imitated her voice and made a sound that could make people misunderstand.

"Quick stop, what are you trying to do" Xue Muer tried to stop Xing Mei, Xue Muer didn't want this misunderstanding to happen.

Too bad, Xue Muer couldn't get her words out, Xue Muer felt that her words were stuck in her throat and didn't want to come out.

"Ah. . ., more deeply, your behavior is very strong." Xing Mei continued to chant passionate words, Xing Mei's words really made people around the room misunderstood.

Ye Chen continued to observe from the side, he was really very satisfied when he saw what Xing Mei was doing, what Xing Mei was doing was great, Xing Mei was very talented at performing plays like this.

"Xing Mei is indeed very talented, it seems that this talent will be very useful if she can use it well" Ye Chen felt that Xing Mei's talent was quite great, if Xing Mei could use this, she would definitely be able to trick the enemy she had.

"Bang! ! !" Moments later the female disciple from Frozen Cloud broke into Ye Chen's room.

"Pervert, what did you do to Sister Muer?" all the women were angry with Ye Chen, how could Ye Chen bully Xue Muer.

When the women from the Frozen Ice Sect entered, they were all taken aback by the scene before their eyes.

The scene before their eyes was very different from what they had imagined so far.

Ye Chen slept in the bed, while Xing Mei sat beside Ye Chen, and finally Xue Muer sat in the corner while.

"huh?" All the women looked very confused by what was happening, what was happening in this place was very different from the image they had.

They thought that Ye Chen was bullying Xue Muer, they didn't expect Ye Chen to do anything to Xue Muer.

"You guys barged in again, do you want to find trouble with me?" Ye Chen said to all the women from Frozen Cloud Sect,

"But the voice just now? "All of the female disciples from the Frozen Cloud Sect looked confused by what had just happened, they were all confused by what had happened in this place.

It was clear that the voice they had just heard was Xue Muer's desperate scream, how could nothing happen to Xue Muer.

Xue Muer looked fine, nothing bad happened to her.

"What sound?, I didn't hear it, did I?" Ye Chen said to Xing Mei who was beside him.

"That's right, we haven't heard any strange noises here, after all, my friend and I haven't done anything to her." Xing Mei said that she didn't do anything to Xue Muer.

The women from the Frozen Cloud Sect were even more confused, they all looked very confused by what had happened.

What happened was so unreasonable, it was obvious that they all listened to Xue Muer's voice, but how come nothing happened in this room.

"You guys better go, you guys are really annoying" Ye Chen told all these women to leave, they all bothered him.

The women from the Frozen Cloud Sect had no other choice, they all immediately returned and left this room.

"Giggle. . ., isn't that funny." Xing Mei felt amusing about what had just happened, seeing the expressions on the women from the Frozen Cloud Sect was very pleasing.

Ye Chen removed his tool from Xue Muer, when Ye Chen did this, Xue Muer should be able to speak normally.

"You two are very dangerous and cunning." Xue Muer said that Ye Chen and Xing Mei were very cunning.

"It's all because of you being cold and indifferent, if you still dare to do that again, I will make sure that you don't get anything easy." Xing Mei told Xue Muer to change her attitude.

### **Chapter 1223 - Feng Xuanyin's Cunning Plan**

If not then Xing Mei would have continued to seduce the woman from the Frozen Cloud Sect.

"Please stop teasing them." Xue Muer finally softened up a bit, telling Xing Mei not to tease the women from the Frozen Cloud Sect.

"You have to ask more sincerely." Xing Mei didn't want to let Xue Muer go so easily, she asked Xue Muer to plead even more sincerely.

"Please don't do something like that again." Xue Muer asked Xing Mei not to do things like before...

Even though she tried hard enough, Xue Muer was still cold, it was very difficult to melt the Ice in her heart, a cold woman would remain a cold woman until someone could melt her heart.

Xing Mei looked at Ye Chen, wanting to know what opinion Ye Chen had.

Ye Chen himself nodded, he left this matter to Xing Mei, let Xing Mei decide for this matter.

"Alright, since you said that, I won't do that again." Seeing Xue Muer's slight sincerity, Xing Mei finally agreed to let Xue Muer go.

Xue Muer was relieved when she heard this, she could rest easy when Xing Mei promised not to do anything bad to her.

"Oh yeah, what's your name?" Xing Mei still didn't know what Xue Muer's name was, she wanted to know the name of the woman who would be their captive for the time being.

"My name is Xue Muer" Xue Muer told Ye Chen and Xing Mei her own name.

"You are from the Frozen Cloud Sect right?" Xing Mei asked Xue Muer.

"Yes, I am indeed from the Frozen Cloud Sect." Xue Muer confirmed that she was from the Frozen Cloud Sect.

"How could someone from Frozen Cloud Sect be wrong to enter someone else's room, I didn't expect it to be." Xing Mei couldn't believe that Xue Muer and all the women from Frozen Cloud Sect would enter the wrong room that she had booked.

"That's because we're in a hurry." Xue Muer told Xing Mei that they were all in a hurry and didn't see the room they were in, as a result they became what they are now.

"So it's like that" Xing Mei felt that it was a very funny thing, it seemed from the start this was the fault of the Frozen Cloud Sect.

"Alright, I will cultivate, you guys better calm down a bit" Ye Chen told Xing Mei and Xue Muer to calm down a bit, he would go and cultivate.

"Erm, we long time no see, let's cultivate together" Xing Mei looked excited when she heard this, she immediately went to hug Ye Chen to cultivate together with Ye Chen.

Xing Mei really needed Ye Chen's Ancient (Yang) Body, so she rushed over and hugged Ye Chen.

Ye Chen didn't stop Xing Mei, he let Xing Mei do what she wanted.

After all, Ye Chen also benefited when Xing Mei hugged him, so it didn't matter if Xing Mei hugged him & cultivating with himself.

Xue Muer saw Xing Mei and Ye Chen's intimate actions, she didn't really like being shown this kind of thing.

Even though she didn't like things like this, Xue Muer couldn't leave this place, so Xue Muer could only close her eyes and start ignoring this matter for a while.

.

.

At another place.

Feng Xuanyin is currently looking outside, looking straight at the ruins of the Heavenly Thunder Valley Sect.

Feng Xuanyin couldn't wait to enter the ruins of the Heavenly Thunder Valley Sect and retrieve the most precious thing she wanted.

"Miss" while Feng Xuanyin was staring outside, suddenly a beautiful woman came up to Feng Xuanyin.

"how?" Feng Xuanyin asked how the investigation she had ordered was.

"Report, the ruins of the Heavenly Thunder Valley Sect will open in about 40 hours, if you want then we can go first and steal the start from the others."

This woman reported what was going to happen, herself reported about the ruins of the Heavenly Thunder Valley Sect that would open in another 40 hours.

"I don't need to do such things, I will let them pave the way for me, I don't want to bother looking for risks" Feng Xuanyin didn't want to steal the start, she intended to let those people do what they wanted, by once Feng Xuanyin didn't bother to act.

"Miss is very wise, to use these weak people for her purposes, it is a great thing." The maidservant felt that Feng Xuanyin was very intelligent, she intended to use everyone to pave the way to the core part of the ruins of the Heavenly Thunder Valley Sect.

"Of course, otherwise how did I get to this stage?" Feng Xuanyin said that she was able to reach this stage thanks to using weak people.

For Feng Xuanyin, weak people were a stepping stone that allowed him to reach the pinnacle of this world.

"Ru, please take a look at the man called Mask Hero." Feng Xuanyin told her maid to keep an eye on Ye Chen.

"Why do you want to keep an eye on this man, do you need me to kidnap him and bring him right in front of you?" The woman named Ru knew Feng Xuanyin very well, so she immediately took the initiative to go and kidnap Ye Chen.

"Don't do it, he's a toy I'm interested in, I'll take care of it myself, all you need is to go and watch his every move, if you need to find out who this guy is" Feng Xuanyin told to go and watch Ye Chen, Ye Chen is one of the toys she could be interested in, so Feng Xuanyin wanted to play with Ye Chen alone.

she wouldn't let her servants make things difficult for Ye Chen, she would do it for Ye Chen.

"Okay, I understand" the woman named Ru said that she would do as Feng Xuanyin said.

"Oh yes, I want to know about the young master of the Shin Clan, what kind of character does he have?" Feng Xuanyin asked the woman named Ru about the young master of the Shin Clan.

"If I'm not mistaken, the young master of the Shin Clan is a person who likes innocent-looking beauties," the woman Ru told Feng Xuanyin about the young master of the Shin Clan.

"What's his name?" Feng Xuanyin asked the name of the young master of the Shin Clan.

"The name of the young master of the Shin Clan is Shin Ba, he is someone who has a fairly strong power and influence in the Shin Clan, he is also the strongest candidate to become the leader of the Shin Clan in the future.

"So it's like that" looks like I should change my appearance a bit and start approaching him." Feng Xuanyin intended to change her appearance and started to approach the young master of the Shin Clan.

"Miss, why would you want to do that?" the woman named Ru wanted to know why Feng Xuanyin wanted to do that, why she would even bother getting close to a young master from the Shin Clan who would not even benefit her.

"I have my own plans for that." Feng Xuanyin had her own plans for that.

Feng Xuanyin intended to approach Shin Ba and join the alliance, she wanted to keep an eye on Ye Chen from a close distance, that way she could play with the toys she was interested in.

"I can't wait to see what kind of excitement will come next." Feng Xuanyin couldn't wait to see the excitement that would come, she couldn't wait for the excitement that would come when she entered the ruins of the Heavenly Thunder Valley Sect.

### **Chapter 1224 - Go To The Ruins Of The Heavenly Thunder Valley Sect**

"Quickly do as I have instructed you." Feng Xuanyin told her loyal servant to do as she wished.

Feng Xuanyin wanted her loyal servant to keep an eye on Ye Chen and report on Ye Chen's situation, so that Feng Xuanyin would know Ye Chen's moves and what he would do.

"Okay, I'll move soon" The woman named Ru agreed to act immediately, she would immediately go and watch every move made by Ye Chen.

"One more thing, you must go and pass on the information you just got, make sure everyone knows that the ruins of the heavenly thunder valley sect will not be in 40 hours, make sure they all know about this matter" Feng Xuanyin also ordered to spread the information At this time, she wanted everyone to know that the Heavenly Thunder Valley Sect's ruins would open in 40 hours.

If everyone knew, then they would all enter simultaneously so entering the core was not a problem for Feng Xuanyin.

Ru woman nodded again, she immediately left and carried out Feng Xuanyin's orders.

"Alright, time to change appearances." Feng Xuanyin intended to change clothes, she intended to change clothes and started to approach Shin Ba, she intended to join Ye Chen and disguise herself until she arrived at the deepest core of the ruins of the heavenly thunder valley sect...

The Shin Clan was the strongest group participating in this event, so it should be very easy for them to get to the core.

All Feng Xuanyin needed to do was follow them all, that way she could reach the core safely and unimpeded.

Feng Xuanyin didn't care if they all died, as long as her goal was achieved, then it was more than enough.

This woman was far more cunning and smarter than anyone could imagine, fortunately Ye Chen took the initiative to get away from Feng Xuanyin, otherwise she would probably be taken advantage of by Feng Xuanyin.

Feng Xuanyin immediately went into action, she couldn't delay any longer.

Meanwhile Ye Chen and Xing Mei were focused on the cultivation they had, both of them were immersed in the cultivation they had.

Xue Muer herself was the same, she was also immersed in her own cultivation.

Xue Muer couldn't be bothered, besides she couldn't escape from this place, so Xue Muer could only cultivate in this place.

Time flew by quickly, Xing Mei finally felt satisfied after absorbing the strength in Ye Chen's body, now it was time for her to go and find the latest information.

Xing Mei went downstairs, herself immediately went downstairs to look for the latest information.

When Xing Mei went downstairs, she found a new piece of information that was very useful for her.

Xing Mei discovered that the ruins of the Heavenly Thunder Valley Sect would be opening up soon.

Hearing this, Xing Mei immediately went to her room, she had to immediately tell Ye Chen about this matter.

Don't let them miss this opportunity, it will be very disappointing if they miss this opportunity.

"Ye Chen, the Heavenly Thunder Valley Sect's will soon open. We better get ready immediately." Xing Mei told Ye Chen that they had to prepare immediately.

Hearing this Ye Chen immediately opened his eyes.

"So it's time, well, let's get ready." Ye Chen couldn't wait any longer, he couldn't wait to get the treasures in the ruins of the Heavenly Thunder Valley Sect.

"what are you going to do with Xue Muer?" Xing Mei asked what they would do to Xue Muer.

"we will let her go, there is no point in keeping this woman" Ye Chen intends to let Xue Muer go, it is useless for Ye Chen to keep Xue Muer.

Ye Chen and Xing Mei had to go to the ruins of the heavenly thunder valley sect, so there was no way they would take Xue Muer with them.

Let Xue Muer go together with the woman from the Frozen Cloud Sect, she will be useful when together with the woman from the Frozen Cloud Sect.

Ye Chen began to untie Xue Muer's bonds, quickly all the bonds in Xue Muer's body had been released by Ye Chen.

"Now you can go back to the Frozen Cloud Sect's group." Ye Chen told Xue Muer to return to his group.

"Are you sure you'll just forget about me, later I can repay you" Xue Muer said to Ye Chen.

Xue Muer would not forget what happened earlier, she still had an unresolved grudge with Ye Chen.

"If you have the strength, come to me, I will definitely fight you" Ye Chen was not afraid of Xue Muer, he welcomed if Xue Muer wanted to fight him.

"Just watch out later" Xue Muer told Ye Chen to be careful, he would definitely come back again.

After saying that Xue Muer immediately left Ye Chen and Xing Mei's room, she immediately left this place.

"Hmm, he still dares to threaten you, looks like last night's lesson wasn't enough to piss him off." Xing Mei was dissatisfied when she saw Xue Muer who was still not fed up either.

Xing Mei felt the need to teach Xue Muer an even bigger lesson.

"Never mind, don't overdo it, after all we might not see her again." Ye Chen told Xing Mei not to overreact to Xue Muer, they would most likely not meet again after the ruins of the Heavenly Thunder Valley Sect ended.

"Yeah, you're absolutely right" Xing Mei totally agreed with what Ye Chen said, what Ye Chen said was the truth, they might not see Xue Muer again after this incident was over.

"Let's go to the ruins of the heavenly thunder valley sect." Ye Chen took Xing Mei to go to the ruins of the heavenly thunder valley sect.

"now?" Xing Mei asked Ye Chen, Xing Mei didn't expect Ye Chen to want to leave right now, even though there was still a lot of time left.

"Just come with me" Ye Chen told Xing Mei to come with him.

Xing Mei helplessly when she was dragged by Ye Chen left this room and went downstairs.

Ye Chen had his own reasons for doing this, he felt that someone was watching their movements from a distance.

Ye Chen himself couldn't find the exact whereabouts of this person, this person must be so great that he could hide himself from Ye Chen.

Ye Chen could conclude that this person was someone great, otherwise how could he easily hide his existence from Ye Chen.

Ye Chen did not know exactly what purpose this woman had, Ye Chen could definitely conclude that this woman was observing what she and Xing Mei were doing.

That's why Ye Chen decided to immediately leave this place, Ye Chen most disliked seeing his every move being watched by someone like this.

Ye Chen always did everything well and neatly, he didn't let anyone know about his plans.

"This man is gone, I must report this to Miss immediately." Seeing Ye Chen and Xing Mei leave, the woman named Ru immediately reported this to Feng Xuanyin, she had to tell Feng Xuanyin that Ye Chen had already left her room and rushed over to her room. to the ruins of the heavenly thunder valley sect.

Ye Chen took Xing Mei to the place where the ruins of the Heavenly Thunder Valley Sect were, when Ye Chen arrived, he found that there were already a lot of people gathered in this place.

### **Chapter 1225 - All Groups Have Gathered**

Everyone arrives early, they don't want to miss important moments in their life, arrive earlier than late and regret this for the rest of their lives.

"I didn't expect this place to be so crowded, it seems that everyone was prepared earlier." Xing Mei didn't expect that everyone was ready, it was faster than Xing Mei could have imagined.

"That's because they don't want to miss the opportunity to be first, in this case, who enters first, then they will get more treasures" Ye Chen said to Xing Mei.

The working principle in this world is very simple, whoever goes in first, they will get a higher chance to get better treasures than the others.

"Yes, I understand what you mean" Xing Mei understood what Ye Chen meant, she knew exactly what Ye Chen meant.

"Let's find a good place, we should be able to find a good place to observe all kinds of situations." Ye Chen took Xing Mei to go find a suitable place to conduct an observation, they should be prepared in case the seal opens.

Xing Mei followed behind Ye Chen, she was very confident about what Ye Chen said...

Ye Chen and Xing Mei found a good place to make an observation, both of them had managed to find a suitable place to look in all directions.

"Very good, this is a very good place." Ye Chen said to Xing Mei that this place was a very suitable place to observe in all directions.

"Look, the group from the Poison Viper Sect is coming." Xing Mei pointed at the group from the Poison Viper Sect, they all started to come to this place.

When the group from the Poison Viper Sect came, everyone immediately gave them a way, all the cultivators who weren't in this place didn't want to get too close to the group from the Poison Viper Sect.

They were all afraid of being exposed to the poison without them realizing it, therefore they all immediately gave way and started to move away from the group of people from the Poison Viper Sect.

The Poison Viper Sect consisted of 5 men and 2 women, so the total members of the Poison Viper Sect were 7 people.

In the Poison Viper Sect there were two people with the highest cultivation, one male and one female.

The male cultivator's name was Chun Xiao and the female cultivator's name was Chun Lin, both of which were extremely dangerous poison masters, one had to be careful around them.

Since the Poison Viper Sect was an extremely dangerous group, no one wanted to join or make allies with the Poison Viper Sect, they all didn't want to take risks when together with the people from the Poison Viper Sect.

The Poison Viper Sect's group arrived near the Heavenly Thunder Valley Sect's seal, they would be the first to enter.

When the Poison Viper Sect did this, no one dared to protest, no fool would seek unnecessary trouble with the Poison Viper Sect.

After the Poison Viper Sect group, the second group to come was the Frozen Cloud Sect group.

Xue Muer and all the ladies came to this place, when Xue Muer and the female disciples from Frozen Cloud Sect came, this caught the attention of everyone present in this place, they looked straight at the arrival of Xue Muer and the group from Frozen Cloud Sect.

All the women from the Frozen Cloud Sect group were wearing a bamboo hat to cover their appearance, they were wearing a bamboo shawl hat like Xing Mei who was beside Ye Chen.

Just like before, all the cultivators paved the way for the group from the Frozen Cloud Sect.

The group from the Frozen Cloud Sect were now near the entrance.

The third group that came was the group from the Black Thorns Sect, this group came using mid to high rank Magical Beasts, this naturally caused quite a bit of commotion, everyone was very envious of the Black Thorn Sect group who had strong pets who obeyed their every command. want.

There was a man riding a lightning wolf who was a high rank Magical Beast, he seemed to be the most powerful, his name was Tu Tiyun.

The Black Thorn Sect's group immediately rushed forward, they were now on par with the Poison Viper Sect as well as the Frozen Cloud Sect.

Three of the five strongest groups have arrived, now only two are waiting for the Heavenly Spear Kingdom and the Shin Clan.

Everyone was waiting for the arrival of these two powerful groups, they all wanted to see the two most powerful groups, the Heavenly Spear Kingdom and the Shin Clan.

After a while of waiting, finally a group of people with high ranking combat armor came to this place, they were carrying a spear behind their back.

These people were naturally the Heavenly Spear Kingdom group, the arrival of this group was filled with a powerful domineering aura.

It seems that they want to show who is in power in this place.

"Looks quite domineering." Ye Chen said to Xing Mei who was beside him.

"They are indeed quite domineering, it seems they intend to show their strength to all the participants in this place" Xing Mei completely agreed with what Ye Chen said, they all agreed when Ye Chen said that these people intend to dominate all people in this place.

"Who are the three strongest people there?" Ye Chen immediately asked about the three strongest people who looked the most domineering.

The three of them are twin princes, if I not mistaken they are Xi Zhun, Xi Ghun, and, Xi Khun, they are the most outstanding young talents and are under 500 years old, it seems that this is the reason why the Heavenly Spear Kingdom sent the three of them to this place. this" Xing Mei explained to Ye Chen.

Xing Mei used the information she got to tell Ye Chen the information about the three.

Ye Chen nodded, he would remember the names of these three people, the three of them deserve to be taken into account.

The group from the Heavenly Spear Kingdom had arrived, now only the Shin Clan had arrived.

All the participants and cultivators were waiting for the arrival of the Shin Clan, they wanted to know what the Shin Clan was like, whether they were far more domineering or not.

The arrival of the Heavenly Spear realm group was very domineering, it could be said that they were the most powerful group with complete dominance over the others.

When people were talking about the Shin Clan, suddenly a group from the Shin Clan came, they all came in a normal way, they didn't show their power or dominance.

Shin Ba didn't want to be too flashy, he wouldn't be so stupid as to show their fighting strength to the enemy.

Ye Chen saw the arrival of the Shin Clan, when Ye Chen saw the arrival of the Shin Clan group, he saw a familiar figure within the Shin Clan group.

"Why is she in the Shin Clan group?" Ye Chen started to wonder why Feng Xuanyin was in the Shin Clan group.

"Does this woman also intend to join the Shin Clan to get close to me?" Ye Chen started to think about the possibility of Feng Xuanyin joining the Shin Clan group, it was most likely that she joined because of Ye Chen.

"Looks like I have to change my plans a bit" Ye Chen felt that he had to change his plans a bit, this was all because Feng Xuanyin, this beautiful and seductive woman had ruined Ye Chen's plans.

### **Chapter 1226: Seal Begins to Break**

"Let's change our plan" Ye Chen told Xing Mei to change the plan they agreed on at the start.

"change?, why so suddenly?" Xing Mei began to wonder why Ye Chen suddenly changed the plan they had agreed upon, even though the plan they had made was already very good.

"That's because that woman is following us again." Ye Chen told Xing Mei that Feng Xuanyin kept interfering with their plans, which was why Ye Chen didn't like this very much.

"That's right, that woman is really annoying, she seems to be very interested in you." Xing Mei told Feng Xuanyin that she was interested in Ye Chen.

"Didn't, I tell you, this woman is dangerous, so I have to keep my distance from her." Ye Chen again told Xing Mei that Feng Xuanyin was a very dangerous woman, so Ye Chen had to keep his distance from her.

"Doesn't she look different from before?" Xing Mei detected that Feng Xuanyin was different from before.

"It seems so" Ye Chen could of course see the changes made by Feng Xuanyin, it seemed that Feng Xuanyin Became a little innocent than before, she easily changed her appearance and looked like an innocent woman who had never been tainted by the filth of this world.

If Ye Chen had not faced Feng Xuanyin, perhaps Ye Chen would have believed this, but after seeing and interacting with Feng Xuanyin, Ye Chen knew that this woman must be very experienced, there must have been many men who fell into Feng Xuanyin's pomegranate skirt.

Ye Chen didn't understand why Feng Xuanyin changed her appearance to this, he didn't know why Feng Xuanyin did this, it was still a mystery.

"let's go and meet the Shin Clan" Ye Chen invited Xing Mei to go see the Shin Clan.

After all, Ye Chen had already promised an alliance with the Shin Clan, so he had to go and meet the Shin Clan.

Ye Chen was actually reluctant After seeing Feng Xuanyin in the Shin Clan group, but everything had happened, Ye Chen had to go and meet the people from the Shin Clan.

Not only was Ye Chen reluctant to meet Shin Clan members, Xing Mei herself was also reluctant to meet Shin Clan members.

the reason is very simple, Shin Ba is very annoying to Xing Mei, this man is always trying to get close to Xing Mei and try to get Xing Mei.

Xing Mei had already realized why Shin Ba had invited her to join, the young master of the Shin Clan actually wanted her.

Unfortunately Xing Mei had no interest in the young master of the Shin Clan, she was very disinterested in this man, Xing Mei still liked Ye Chen more than Shin Ba.

Ye Chen and Xing Mei got off from their current place, both of them went over to Shin Ba and the Shin Clan group.

"Miss Zhao, you come too" Seeing Xing Mei's arrival, Shin Ba immediately greeted with a warm smile.

"Zhao.. ?" Ye Chen was confused by Shin Ba's words, he didn't know who this man was referring to.

"Shhh" Xing Mei immediately nudged Ye Chen in the stomach, telling Ye Chen not to expose her identity.

Xing Mei was currently hiding from the people her father sent, so she had to change her name so that no one else would know.

If Xing Mei had used her real name, then she would definitely be very easy to find and bring back, so Xing Mei had no choice but to use a pseudonym.

Ye Chen immediately understood what Xing Mei wanted, Ye Chen knew very well that Xing Mei used a fake name to hide her whereabouts.

"My friend and I came according to the agreement" Xing Mei said that she came according to the agreement.

"Please, we welcome you wholeheartedly" Shin Ba said that they would all welcome Xing Mei with all their heart.

"Mask Hero, looks like we meet again" Feng Xuanyin stepped towards Ye Chen, she walked very gracefully, Feng Xuanyin's tone was also very pleasant to listen to.

Feng Xuanyin's voice immediately caught the attention of everyone in this place, they all looked at Feng Xuanyin whose voice was so good that it even made one's body melt.

This voice could even be said to be above Feng Xue's level, this voice had its own ecstasy for those who heard it.

Ye Chen started to think that if Feng Xuanyin used this voice while on the bed, it would definitely be something extraordinary.

"Miss Feng, I'm glad you're okay, I thought something bad happened to you in yesterday" Ye Chen said to Feng Xuanyin.

Behind her mask, Feng Xuanyin's face was twitching, she didn't expect that Ye Chen would discuss something as embarrassing as yesterday.

Yesterday Feng Xuanyin was defeated by Ye Chen, it was a very embarrassing thing for Feng Xuanyin.

Feng Xuanyin never knew what defeat was, she had never known defeat, in her life Feng Xuanyin had always been a winner, so she had never known a loss.

that was why Feng Xuanyin had to take revenge for such a painful defeat.

"I'm fine, yesterday my wound recurred, so please accept it." Feng Xuanyin looked for a reasonable excuse not to lose face.

"Miss Feng, you don't have to worry, we will definitely protect your safety." Everyone in the Shin Clan group said that they would protect the safety of Feng Xuanyin.

Feng Xuanyin had already hypnotized all these people with her Charm, so everyone would definitely be anxious and always think of her.

"Thank you very much, I am pleased with your kindness." Feng Xuanyin said that she was very pleased with the kindness shown by all the members of the Shin Clan group.

Feng Xuanyin increasingly looked like a weak, innocent, and needy woman with a protection.

Ye Chen was a little fed up with the change that Feng Xuanyin had shown, this woman acted like an innocent and unadulterated filth in this world.

"well. . "Everyone in the group cheered when they heard Feng Xuanyin's words, they all felt happy just from the praise given by Feng Xuanyin.

Even though she had not yet used her true appearance, Feng Xuanyin could easily move the hearts of all the men in the group, if Feng Xuanyin were to use her true face, then all men in this world would surely bow under her feet.

"I see." Ye Chen couldn't help but smile when he heard this, Ye Chen couldn't show his dissatisfaction or else, he would become the object of hatred from all the men gathered in this place.

Feng Xuanyin already controlled the hearts of all the men in this place, if Feng Xuanyin wanted to, she could definitely get everyone to attack Ye Chen.

Luckily Feng Xuanyin didn't do that, she used her Charm for other purposes, this was to smooth everything that would happen in the future.

"Look, the seal is starting to crack!" one of the participants shouted and started pointing at a crack.

Hearing this, all the cultivators' eyes immediately turned to where the seal was, it was true that at this time there was a small crack visible in the middle of the seal.

"Looks like it's about to start, everyone get ready." Chun Xiao and Chun Lin ordered the people from the Poison Viper Sect to get ready.

"We must also prepare" Xue Muer also told the female disciples of the Frozen Ice Sect to be prepared in case the seal was broken.

"Prepare all your pets, we must be the fastest" Tu Tiyun also ordered all members of the Black Thorn Sect to get ready, they must be the first to arrive at the core and retrieve the treasures in that place.

### **Chapter 1227: full of obstacles and full of traps**

"Raise your spears, we must also prepare for battle and be the first group to reach the core." Xi Zhun, Xi Ghun, and Xi Khun simultaneously gave an order, they all wanted all the troops they had to prepare themselves for the battle. fight.

"All of you also get ready, we will rush forward when the seal is opened" Shin Ba also didn't want to lose, he told everyone to get ready, they all had to get to the core and be the first to monopolize the available resources.

"Okay" all the members of the Shin Clan nodded, they would all do as Shin Ba told them to.

The other groups also started to prepare, they all prepared themselves to go inside and test their fate and luck.

They knew that they would not be able to compete with powers such as = Shin Clan, Heavenly Spear Empire, Frozen Cloud Sect, Poison Viper Sect, and also the Black Thorn Sect, which was why these people were aiming for the treasures that lay on the outermost edge.

They all hoped that they got something good that they could use to cultivate, they didn't care if they got Artifacts, Pills, cultivation techniques or medicinal herbs, as long as they didn't return home empty handed.

"Cracks. . . , Cracks. . . , Cracks. . . ," the cracks that occur are getting bigger, these cracks continue to move wider, it seems that the seal in this place will soon be broken.

All the groups immediately prepared themselves, everyone seemed very excited about this, they were all looking forward to doing a massive search.

Ye Chen also made extraordinary preparations, he made several clones to help himself collect the treasures in the ruins of the Heavenly Thunder Valley Sect.

Ye Chen will change his plans, he will use his clone to loot all the treasures that are in the ruins of the heavenly thunder valley sect.

Ye Chen originally wanted to use the Clone to deceive the people from the Shin Clan and go alone to retrieve the treasure, unfortunately there was Feng Xuanyin around him, so this was impossible for Ye Chen to do.

Instead Ye Chen used the Clone he had to take the treasures outside, meanwhile Ye Chen would go after the Shin Clan and enter the core.

That way Ye Chen could monopolize all the treasures in the ruins of the Heavenly Thunder Valley Sect, he couldn't wait to see what kind of harvest he would get.

Ye Chen wasn't too worried about the Clone he made being defeated by someone, Ye Chen was sure that the cultivators in this place wouldn't be too capable of defeating the Clone he made.

"Clank.. ." After a while, the seal that locked this place finally collapsed, everyone immediately flocked into the Heavenly Thunder Valley Sect.

Shin Clan, Heavenly Spear kingdom, Frozen Cloud Sect, Poison Viper Sect being the first group to enter, they very quickly entered and monopolized the road.

Ye Chen and Xing Mei followed behind the Shin Clan, they both let the Shin Clan pave the way for the two.

The Shin Clan group immediately charged forward, all of them instantly breaking through all the obstacles that were in front of them.

For a group of this size, the obstacles in this place were not a problem, they were able to get past this with excellent cooperation.

Even though there had to be some injured in this incident, they were still able to overcome all the obstacles.

Maybe the Hurdles at the beginning won't be difficult, but once you get inside the Hurdles it becomes even more difficult than before.

There are traps that are extremely terrifying and capable of killing the cultivators in their group.

Even the Shin Clan themselves found it difficult to get past the obstacles and traps placed in this place.

It seemed that all the traps were activated before the Sect was abandoned, so anyone who tried to enter had to pass through all the obstacles and traps that had been provided.

As an ancient sect, the heavenly thunder valley sect has traps that are quite difficult to detect, it is very difficult to detect all the traps that are very neatly hidden and placed in very precise places.

Ye Chen himself used his God Eyes to look for any traps, with Ye Chen's God Eyes knowing where the traps were in the way.

Ye Chen himself didn't expose his strength too much. He didn't let the Shin Clan group know about the God Eyes abilities that he possessed.

If Shin Ba and the Shin Clan knew about the power he possessed, then it would definitely be something very troublesome.

Plus there was still Feng Xuanyin who was extremely troublesome, this woman was so troublesome, she would definitely be even more intrigued when she found out Ye Chen had the power to penetrate all things.

"Keep coming with me" Ye Chen told Xing Mei to keep following him, lest Xing Mei get into trouble for taking wrong steps.

"You don't have to worry, I can take care of myself." Xing Mei confidently said that she could take care of herself.

Xing Mei was no longer a child, so she could protect herself from all the traps in this place.

Xing Mei stepped aside, without Xing Mei knowing there was a trap placed where Xing Mei was.

"Watch out" Seeing Xing Mei suddenly stepping towards the trap, Ye Chen immediately stopped Xing Mei, he didn't let Xing Mei go into the trap.

Unfortunately Ye Chen was a little late, Xing Mei had already stepped on the lever of the trap.

Moments after Xing Mei stepped on the trap lever, several holes suddenly appeared in the wall.

From within this hole appeared hundreds of thunderbolts that shot towards Ye Chen and Xing Mei and several people who were near the two.

Ye Chen immediately protected Xing Mei from the lightning strike, he used all his abilities to dodge all the lightning.

Because Ye Chen's body has ballast, so the movement that Ye Chen can do is very limited, Ye Chen must use all the strength he has to dodge all the attacks that come.

"Whosh.. ., Whoosh.. ., Whoosh.. ." Ye Chen dodged all the attacks, himself dodged all the attacks that were coming his way.

With Ye Chen's effort and persistence, Ye Chen finally managed to dodge the incoming attack.

"um, thanks" Xing Mei thanked Ye Chen for helping her, if Ye Chen didn't act fast, Xing Mei would definitely get injured.

"I told you to be more careful, why don't you listen to this" Ye Chen immediately scolded Xing Mei, he didn't want Xing Mei to be careless and hurt him.

Xing Mei was still lucky, several people from the Shin Clan had to be injured due to not being able to dodge the lightning strike too suddenly.

"Sorry, I'll be more careful." Xing Mei apologized sincerely, she would no longer be so reckless as before.

"Good" Ye Chen was very satisfied with Xing Mei's answer, he was satisfied with Xing Mei's answer.

"Are you guys okay?" Shin Ba asked about the condition of his people who were injured by the trap just now.

"It's just a minor injury, we're fine" these people said that they were fine and only had minor injuries.

The injuries suffered by these people couldn't be said to be light, their hands were blistered from resisting the attack just now, if they didn't use their hands, their bodies would definitely be damaged by the lightning.

### **Chapter 1228: strife begins**

"This is a healing pill for you." Seeing this, Ye Chen immediately went and gave a healing pill to the injured people.

This was all Xing Mei's fault, so Ye Chen had to take responsibility for what happened.

"You don't need to be like that, everyone I have is fine." Shin Ba said that everyone he had was fine, so Ye Chen didn't need to give it away.

"It's okay, it's my friend's fault, so I hope you can forgive what just happened." Ye Chen insisted on giving healing pills to the injured people.

Seeing this, the injured people took the pills given by Ye Chen, they immediately ate the pills.

After eating the pill, they all immediately recovered, all the burns they had instantly healed.

Some people were quite surprised when they saw this, they didn't expect that Ye Chen would give such a high quality pill to the injured people.

Everyone from the Shin Clan didn't know who this Ye Chen was, how could he give such quality pills so easily so easily.

Feng Xuanyin saw this, she also didn't expect that Ye Chen could easily give something like that to a stranger.

"Looks like he has quite a bit of background, otherwise how would he be able to take pills of such high quality and purity." Feng Xuanyin began to suspect that Ye Chen's background was quite strong.

Feng Xuanyin still had no information about Ye Chen, information about Ye Chen was still very minimal.

This made Feng Xuanyin even more curious about Ye Chen, she should be able to find out who the person behind the mask was.

After the injured people healed, they all immediately went on their way, their target was the deepest part of the Heavenly Thunder Valley Sect, so they had to move forward.

Just walking a few meters, they all met with other powerful group members, at this time all groups stopped to have a way.

Right now right before their eyes, There were 10 different doors which were entrances to the deeper parts, everyone seemed to be confused as to which path they would take.

It seems that the makers of this place deliberately put these ten doors, they want to mislead everyone who enters this place.

"About where is the right path" Shin Ba and everyone started to think where is the right path, if they have the wrong way, then they will not get to the core.

Ye Chen again used his God Eyes, he was looking for the fastest way to the deepest part of this place.

Ye Chen checked every door, he checked every door in this place.

After confirming everything, Ye Chen could tell that door number 5 was the easiest and fastest entrance that could lead them to the deepest part, while door 7 was the longest and most dangerous door, there were a lot of extremely dangerous traps that waiting for whoever enters it.

"So which one are we going to take?" Shin Ba asked all the members present, he wanted to know their opinion about the door they should take.

"how about number 7, it looks the most convincing" one person said that they must have number seven, the entrance at gate number 7 looks the most promising when compared to the others.

"I don't agree with that, the gate at the seventh gate looks very dangerous." Ye Chen said that the entrance at the seventh gate was very dangerous, so they should avoid this as much as possible.

"Who are you to say that?" The person who previously looked dissatisfied with Ye Chen, didn't like what Ye Chen said.

this man looked much more arrogant than Shin Ba, he looked very arrogant when he talked to Ye Chen.

Ye Chen didn't feel like he had done anything bad to this man, but this man didn't seem to like what Ye Chen said.

"I'm here to give a suggestion, if you don't want to listen, then you don't have to listen to it." Ye Chen said indifferently.

Ye Chen himself had been kind enough to warn everyone about the dangers and threats they would face, unfortunately this person returned Ye Chen's kindness with insults.

"We don't need advice from you" this man said that if he didn't need advice from Ye Chen, the Shin Clan group would move according to their will.

They didn't like being ruled by strangers like Ye Chen, the Shin Clan's pride was extremely high, so if anyone tried to do this, surely everyone from the Shin Clan would be furious.

"If you don't need it, then don't be angry with me, I don't like it when I see people yelling at me like that" Ye Chen said that he didn't like being treated like this.

Ye Chen was actually reluctant to be with the Shin Clan, he would rather go alone than with the Shin Clan.

But Ye Chen had made a promise, so Ye Chen had no choice but to come along with these people.

"So why don't you like it?" this man stepped forward, himself pointing at Ye Chen with a gaze filled with hostility.

"I really don't like it, what is it?" Ye Chen didn't back down when he got this challenge.

Ye Chen didn't need to hide his strength, otherwise he would definitely be bullied by these people.

"I see, you dare to challenge me, aren't you afraid of getting my wrath?" This man threatened Ye Chen by using his power and influence.

"Hahaha, afraid of you, I've never been afraid of you" Ye Chen said that he would never be afraid when he went against the Shin Clan.

The atmosphere became less pleasant, Ye Chen and the man from the Shin Clan started glaring at each other, they both looked like they wanted to fight and show who was the strongest.

"That's great, fight, I like entertainment." Feng Xuanyin was very happy when she saw this, she liked free entertainment the most.

Feng Xuanyin herself wasn't afraid that the group would be destroyed, she had joined because she was attracted to Ye Chen, so other than that she wouldn't care about anything.

"Shin Hun, stop right now." Shin Ba immediately stopped this battle, he didn't want this group to get into a fight over a trivial matter like this.

It's just a matter of determining the path, so why waste their time and energy.

Shin Ba himself did not like Ye Chen, this man dared to challenge members of his Shin Clan.

If it wasn't for Xing Mei who was beside Ye Chen, it was very likely that Shin Ba would have kicked Ye Chen out a long time ago.

"Young master, forgive me" Shin Hun apologized to Shin Ba, himself apologizing for being too careless.

"Miss Zhao, please forgive my subordinate's rudeness" Shin Ba apologized to Xing Mei, for what had just happened.

This man was very clear, he would rather apologize to Xing Mei than apologize to Ye Chen.

Xing Mei looked at Ye Chen, wanting to know what Ye Chen thought about this matter.

Xing Mei did not expect that the young master of the Shin Clan would apologize to her, she should have apologized to Ye Chen.

"You should apologize to this friend of mine." Xing Mei said that the young master of the Shin Clan should apologize to Ye Chen.

Shin Ba just smiled wryly when he heard this, Shin Ba didn't expect that Xing Mei would care so much for Ye Chen.

### **Chapter 1229 - Choose A Safe Entrance**

To be honest, Shin Ba didn't like something like this, he didn't like it when he saw Xing Mei being so considerate of Ye Chen.

"Young master Shin, you better apologize to Mr. Mask Hero, he is only giving an opinion that he has, so please don't be so rude" Feng Xuanyin suddenly spoke, she suddenly went and helped Ye Chen.

Feng Xuanyin showed more concern for Ye Chen, this made some people feel dissatisfied with Ye Chen.

"This woman must have done this on purpose" Ye Chen thought that Feng Xuanyin must have done this on purpose, she wanted to make Ye Chen an enemy of the Shin Clan group.

This woman is full of great deceit, she can easily set the mood of everyone in the group.

Shin Ba was even more dissatisfied when he saw Feng Xuanyin being so considerate of Ye Chen, the two women he was looking at gave Ye Chen more attention, as young master Shin, how could he endure something like this.

How someone like Shin Ba was defeated by someone like Ye Chen, Shin Ba was always the object of admiration by every woman he met, so he didn't like it when he saw someone more popular than him.

.

"Young master, someone is trying to enter door number seven." Shin Hun said that someone was trying to enter the door they were after.

Shin Ba immediately looked towards entrance number seven, it was true that a group was trying to enter that door.

"Don't let them get to the door." Shin Ba immediately gave orders to everyone to stop people trying to steal the start of this group.

No matter what, the Shin Clan must be first, they must not allow another group to take over the position they have.

"Okay" Shin Hun nodded, he immediately left along with several members of the Shin Clan.

They went to stop people from entering the seventh entrance.

"stop" Shin Hun immediately stopped the people who were trying to enter the entrance they were aiming for.

"Why did you stop us?" these people asked why they were stopped by Shin Hun.

"All of you are forbidden to approach this door, this is a special door for the Shin Clan." Shin Hun said that this door had not been ordered by the Shin Clan, so they could not use this.

"How can it be like this?" Cultivators were displeased with this, how could the Shin Clan be so greedy and not let themselves in.

"There are still 9 doors here, you should go and find another door" Shin Hun say that there are still nine doors here, so this person can still use the other door.

"how can it be like that" this person did not want to do that, he believed that this was a good door.

"I don't care, get out of here quickly" Shin Hun immediately used the strength he had to drive this person away, he didn't play around when he did this.

"Arghh" The extraneous cultivator was easily pushed away by Shin Hun.

Ye Chen could only shake his head, it seemed that the Shin Clan had already begun to show what they were like.

Ye Chen thought that the Shin Clan was a friendly group, but they were quite greedy and wanted to be the first to obtain the treasures of the Heavenly Thunder Valley Sect.

"let's go in" Shin Ba invites everyone in the group to go to door number 7, everyone has agreed to choose door number 7, so everyone goes in there.

"What should we do ?" Xing Mei asked what they should do now, whether they needed to leave or not.

"We don't need to go after them, it's the wrong way in, we'd better go and find something safer." Ye Chen didn't want to go with the Shin Clan group, he didn't want to get into any unwanted trouble.

Ye Chen didn't want to get into trouble because of other people's selfishness, he preferred to use other paths instead of joining the Shin Clan.

"Alright, then let's go." Xing Mei decided to go with Ye Chen, she trusted Ye Chen more than the Shin Clan people.

Ye Chen led Xing Mei to door number five, this door did look the worst among all the doors, so not many people glanced at this door.

Shin Clan members didn't care if Ye Chen left, there was no significant difference when Ye Chen left their group, the Shin Clan would still be fine even without Ye Chen and Xing Mei.

The Shin Clan had many people willing to ally with them, so even if Ye Chen left, it would not interfere with the strength they had.

After all, Ye Chen was too bold with Shin Ba, this made all the members of the Shin Clan feel dissatisfied with what had happened, so it didn't matter if Ye Chen and Xing Mei decided to leave.

"Miss Zhao, are you sure you don't want to come with us?" Shin Ba asked if Xing Mei didn't want to go with them to an easier path.

It was better for Xing Mei to go with them, because they had strong strength, so Xing Mei's salvation would be possible if she continued to be with Shin.

"No, I'm not interested in that." Xing Mei immediately rejected Shin Ba's offer, she didn't want to join a group that intimidated others and wanted to win herself.

It was better for Xing Mei to be with Ye Chen, she could get some treasures and share them alone.

If Xing Mei was with the Shin Clan, Xing Mei was afraid that she would not get the treasure from the Shin Clan.

"You two will definitely regret making a decision like this." Shin Hun suddenly came, he told Ye Chen and Xing Mei that both of them would definitely regret their decision.

"I will never regret the decision I made, after all in this world you are not only the strongest" Ye Chen said that the Shin Clan is not the strongest group, there are still stronger than the Shin Clan.

For example, Ye Chen, if Ye Chen wanted to, he could easily defeat the Shin Clan.

"You" Shin Hun was dissatisfied when he heard Ye Chen's insults, he felt that Ye Chen greatly insulted the strength of the Shin Clan.

"stop now" Shin Ba stopped Shin Hun who was trying to attack Ye Chen and Xing Mei.

"If that's the decision you have, then do it." Shin Ba could accept what had happened, he was very calm when facing problems like this.

"Let's go" Ye Chen took Xing Mei away, if they continued to stay in this place, they would most likely continue like this, the members of the Shin Clan didn't seem to like Ye Chen's existence.

Ye Chen and Xing Mei went to door number five, while the Shin Clan went to door number 7 which was the most dangerous and deadliest door.

The two of them split up and took a different route, because of different opinions, Ye Chen and the Shin Clan became enemies.

Ye Chen walked into door number five, it just so happened that this was a door that not many people glanced at.

Upon entering, Ye Chen and Xing Mei were greeted by a dark passage.

Looking at the dark passage, Ye Chen used his profound fire as a lighting light.

The dark alley immediately brightened when it got light from Ye Chen's fire.

"Are you sure this is the right way?" Xing Mei asked Ye Chen, for some reason the passage here was so scary.

### **Chapter 1230 - Feng Xuanyin Followed Ye Chen And Xing Mei**

"You don't need to worry, I have confirmed many times that this is the fastest way, we will definitely be the first to reach the exit" Ye Chen said to Xing Mei.

Ye Chen tried to convince Xing Mei that this path was the easiest and there were no obstacles around this place.

Xing Mei just nodded, she could only let Ye Chen lead the way for her.

Ye Chen and Xing Mei continued to walk forward, until now, neither of them encountered a trap or obstacle blocking their path.

Everything was so smooth, what Ye Chen said was the truth, this was the safest path they could take.

"Soon we will arrive at the exit. When we arrive at the exit, we will be greeted by some hidden treasures" Ye Chen told Xing Mei that they would be greeted by some treasures after exiting this passage.

"Is that true?, Then let's hurry." Xing Mei was excited when she heard this, she immediately invited Ye Chen to come forward...

Ye Chen smiled when he saw the enthusiasm shown by Xing Mei, he felt that the enthusiasm displayed by Xing Mei was very funny.

"You two look very excited, may I join?" suddenly from behind came a very melodious voice, this voice was full of charm that was very difficult to resist.

Ye Chen and Xing Mei immediately looked back, when the two looked behind them they both saw Feng Xuanyin was already behind them.

"Since when?" Ye Chen was completely unaware that they were being followed by Feng Xuanyin, he was completely unaware of this woman's existence.

Xing Mei was the same, she didn't feel the presence of Feng Xuanyin, it was like Feng Xuanyin could not be detected.

"What's wrong with you guys, are you seeing a ghost?" Feng Xuanyin said to Ye Chen and Xing Mei, she was happy with the reaction that Ye Chen and Xing Mei showed.

"Why are you always following us, don't you have anything else to do?" Ye Chen was dissatisfied when he saw Feng Xuanyin who was always following him, this made Ye Chen feel dissatisfied.

"Fufufu, I'm interested in you two, so I want to join." Feng Xuanyin was still giving the same reason, she said again that she wanted to join Ye Chen.

"We don't welcome you, you should just leave." Xing Mei said that she didn't welcome Feng Xuanyin's arrival, so Xing Mei wanted Feng Xuanyin to leave them.

"How evil, are you guys really going to leave a woman like me alone?" Feng Xuanyin started acting as a weak and helpless woman.

"-\_-"" Ye Chen and Xing Mei couldn't believe what they were seeing at this moment.

Ye Chen and Xing Mei would not believe what Feng Xuanyin said, they both firmly believed that Feng Xuanyin was much stronger and far more dangerous than she appeared on the surface.

"What should we do?" Xing Mei asked what they should do, it seemed that it would be very difficult to get rid of Feng Xuanyin.

"I don't know, this woman is difficult to get rid of, so I don't know what to do." Ye Chen said that Feng Xuanyin was a very troublesome woman, it was very difficult for Ye Chen to get rid of Feng Xuanyin.

"So you mean we can only let this woman follow us?" Xing Mei asked Ye Chen.

"That is indeed the only option" Ye Chen said that it was indeed the only option they had for now.

"It's up to you, but don't let her steal the treasures that I have." Xing Mei thanked Ye Chen for not letting Feng Xuanyin steal the treasures they got.

"You don't have to worry about that matter, I firmly believe that she won't do that, if she ever does, I will stop her" Ye Chen promised Xing Mei that he would stop Feng Xuanyin if it came to that. happen.

"Alright" Xing Mei nodded, she could leave this matter to Ye Chen.

Xing Mei knew that Ye Chen was a woman's natural enemy, so no woman could win against Ye Chen.

That should still apply to Feng Xuanyin, as long as it's a woman she definitely won't be able to beat Ye Chen.

"Alright, you can come with us, but make sure you don't become a burden to us." Xing Mei finally allowed Feng Xuanyin, she told Feng Xuanyin that she could come along.

"Very good." Feng Xuanyin changed her mood very quickly, Feng Xuanyin seemed happy when she heard this news.

"Let's go." Ye Chen led Xing Mei and Feng Xuanyin to the front.

Feng Xuanyin and Xing Mei followed behind Ye Chen, the three of them walking down a fairly long mysterious passage.

Even though the fifth door was the shortest door to the inside, so Ye Chen couldn't imagine how long everyone else took the door apart from the one they took.

Feng Xuanyin was quite surprised to find that this journey had been extremely smooth, with almost no traps or obstacles blocking the path in front of them.

"Look, that's the way out." Xing Mei pointed towards the distance there was a light in the distance.

"Let's hurry, let's go." Ye Chen didn't waste any time, he immediately took Xing Mei to the direction of the exit.

Feng Xuanyin could only follow behind the two, she also wanted to know if they had reached the very depths or not.

Feng Xuanyin couldn't wait to get the item she wanted, Feng Xuanyin had to be able to get the item she was after.

Ye Chen, Xing Mei and Feng Xuanyin finally came out, after they exited the dark passage, they were all greeted by a rather large hall.

"Empty huh?" Xing Mei was surprised when she found that the hall was empty, there were only statues and walls around the hall.

"Where's the treasure you said?" Xing Mei immediately asked Ye Chen about the treasure he had previously entered, there was no way Ye Chen would lie to her.

"Mr. Mask hero where is the treasure you mean did you guess wrong?" Feng Xuanyin asked Ye Chen.

Feng Xuanyin was curious about this matter, she wanted to know what treasure Ye Chen was referring to.

Ye Chen didn't say anything when he received questions from Xing Mei and Feng Xuanyin.

Ye Chen stepped forward, knelt down and started tapping the floor beneath his feet.

Xing Mei and Feng Xuanyin were confused by what Ye Chen was doing, both of them were very curious about what Ye Chen was doing.

Ye Chen was currently looking for the entrance to the warehouse hidden under this hall, he was looking for the entrance to the bottom.

"finally found" after a while, Ye Chen finally found the entrance leading to the lower floor.

Ye Chen immediately hit the floor in front of him, when Ye Chen did that, the floor in front of him suddenly cracked.

Xing Mei and Feng Xuanyin immediately approached, they both wanted to know what was going on.

"Let's go in" Ye Chen invited Xing Mei to enter this hole.

"Go inside?, are you sure it's safe?" Xing Mei was curious whether this was safe or not.

"You don't have to worry, it's very safe, come with me quickly." Ye Chen told Xing Mei to come with him downstairs.
