

A True God 1231

### **Chapter 1231 - [Bonus ]meet The Poison Viper Sect Group**

without waiting for a reply from Xing Mei, Ye Chen immediately entered the hole.

"Wait" Xing Mei tried to stop Ye Chen, unfortunately she couldn't stop Ye Chen.

"If you don't come in, I'll take everything." Feng Xuanyin also entered the hole, before entering, Feng Xuanyin also didn't forget to tell Xing Mei that she would take all the treasures.

Xing Mei wasn't happy about this, she couldn't let Feng Xuanyin take the treasure she had.

Xing Mei dared herself, Xing Mei jumped into the hole in front of her.

This hole turned out to be quite deep, it took Xing Mei some time to get to the bottom.

After a while, Xing Mei finally reached the bottom, when Xing Mei reached the bottom, she saw some treasures scattered around this place.

.

Xing Mei got down, she immediately checked the treasures scattered around this place.

After Xing Mei took a closer look, Xing Mei discovered that this was a Profound Crystal and several piles of books scattered around this place.

There were also several Tier 7 and 8 artifacts scattered around this place.

Ye Chen looked at everything around this place, he took everything that attracted him.

"I don't think this is the deepest part." Feng Xuanyin said that this place wasn't the deepest part, it was impossible for the deep to only contain very few items.

"Of course, we haven't arrived at the interior yet, we still have a long way to go." Ye Chen told Feng Xuanyin that their journey was still very long, in fact they were not even half way through the deepest part of the Heavenly Thunder Valley Sect.

"So it's still a long way off." Feng Xuanyin was a little disappointed when she heard this, it seemed that she was in too much of a hurry.

Ye Chen and Xing Mei immediately gathered all the things in this place, they both put everything into the storage they had.

On the other hand, Feng Xuanyin just kept quiet while observing what Ye Chen and Xing Mei were doing.

To be honest, this kind of thing was of little use to Feng Xuanyin, so it wouldn't be strange for Feng Xuanyin to simply not join the gathering of treasures in this place.

"Isn't this woman weird, why doesn't she collect treasures in this place?" Xing Mei started to whisper to Ye Chen, she felt that Feng Xuanyin was very strange.

"It's possible that she isn't interested in this kind of thing, I'm guessing that she is aiming for something on the inside" Ye Chen estimated that if Feng Xuanyin wasn't interested in this kind of thing, this girl must be after something more valuable than this.

"What do you think she's find?" Xing Mei wanted to know what Feng Xuanyin was after.

"I don't know, I'm not a worm in her stomach, so I don't know what she's thinking." Ye Chen didn't know about this, Ye Chen himself was not a worm in Feng Xuanyin's stomach.

"Let's collect everything, it's good if the woman is not interested in the treasure in front of us" Ye Chen said to Xing Mei to quickly collect everything for themselves.

Feng Xuanyin had no interest in this, so there was no point in sharing with this woman.

In the blink of an eye, Ye Chen and Xing Mei had already cleaned up everything in this place, they didn't leave any treasures in this place.

The book that Ye Chen and Xing Mei took was a lightning cultivation technique, because Ye Chen had not obtained the inheritance of lightning, so Ye Chen would temporarily keep these things to himself, who knows in the future these things could be of use to Ye Chen.

"Are you guys done, then let's continue our journey." Feng Xuanyin led Ye Chen and Xing Mei to continue their journey.

"Okay" Ye Chen nodded, there was nothing in this place anymore, so they must immediately continue their journey to the inner part of the Heavenly Thunder Valley Sect.

Ye Chen, Xing Mei and Feng Xuanyin headed towards the entrance, they intended to rise to the surface.

Just as Ye Chen, Xing Mei and Feng Xuanyin were about to go up, they found that there were quite a few people descending down.

This naturally made Ye Chen and Xing Mei wary, while Feng Xuanyin looked very calm when she saw this scene.

The people who had just descended were a group from the Poison Viper Sect, Chun Xiao and Chun Lin looked at Ye Chen, Xing Mei and Feng Xuanyin, they looked dissatisfied when they saw that there were other people in this place.

"Looks like we've been overtaken by these three." Chun Xiao didn't expect that they would be overtaken by Ye Chen.

"we should kill them and take the treasures they have" Chun Lin said to Chun Xiao who is her older brother, this woman doesn't want to waste time, it's better to kill Ye Chen, Xing Mei and Feng Xuanyin and then take everything they have .

The Poison Viper Sect was the most vicious group, whenever they encountered a cultivator, they would instantly kill and plunder the treasures they had.

"Alright, everyone get ready we will kill them" Chun Xiao agreed with his younger sister's suggestion, he decided to directly kill Ye Chen, Xing Mei and Feng Xuanyin.

Chun Xiao didn't like to throw words at someone, he preferred to use brute force to deal with other people.

"What the hell are these people, they want to kill for no reason" Xing Mei was displeased as she listened to the conversation that the Poison Viper Sect group had in front of them.

"They are the Poison Sect, so it's not strange that they are cruel and heartless, otherwise they would probably join the Poison Sect." Ye Chen was used to dealing with people from the Poison Sect, most of the people from the Poison Sect were bad people.

"They are coming" Xing Mei gave a warning to Ye Chen, she told Ye Chen that people from the Poison Viper Sect came to this place.

"Let me help." Feng Xuanyin intended to help, herself feeling bored and wanting to play with the funny toy from the Poison Viper Sect.

If the people from the Poison Viper Sect heard of this, they would definitely fall to the ground, the Poison Viper Sect was a Sect that was feared for its most dangerous poison ability, what would happen if a dangerous person like them was considered a funny toy by Feng Xuanyin.

"Is it okay to let her help?" Xing Mei asked Ye Chen, would it be okay if Feng Xuanyin helped them.

"No problem, let her help." Ye Chen didn't mind this, most importantly they had to go and defeat the people from the Poison Viper Sect.

"get ready" Ye Chen told Xing Mei to get ready, they had to battle with a group of 7 people from the Poison Viper Sect.

"One hundred thousand poisonous scorpion" Chun Xiao's mouth began to open very wide, Chun Xiao's stomach began to expand as if there was something inside, a few moments later from Chun Xiao's mouth came out hundreds of thousands of small scorpions.

"How disgusting" Xing Mei was disgusted when she saw what happened, she was disgusted when she saw something like that come out of Chun Xiao's mouth.

It wasn't just Chun Xiao who did this, Chun Lin and the members of the Poison Viper Sect started removing the various poisonous insects they had.

Xing Mei looked even more disgusted when she had to fight with a disgusting insect like this.

"You two go ahead, I will support from behind" Xing Mei did not want to come forward, she intended to support Ye Chen and Feng Xuanyin from behind.

### **Chapter 1232 - Feng Xuanyin Shows Her Strength**

Ye Chen looked helpless when he heard that Xing Mei didn't want to join the battle on the front line, it seemed that she was afraid of fighting these insects.

Ye Chen could understand this, everyone had their own fears, it seemed that Xing Mei was afraid of the small poisonous insects that belonged to the enemy in front.

In an instant, the whole place was filled with insects that were released by the Poison Viper Sect, these insects were innumerable, this was an unreasonable amount.

If a normal human were to see an incident like this, Ye Chen could be sure that they would instantly faint on the spot, there was no way a normal person could endure this sight.

All the poisonous insects started heading towards Ye Chen and Feng Xuanyin, these insects started to shoot poison at Ye Chen and Feng Xuanyin.

Ye Chen flicked his finger, when Ye Chen flicked his finger, profound flames instantly appeared and formed a huge wall that blocked the insects from advancing forward.

Even the poison that was fired was unable to penetrate this fire defense.

Ye Chen stretched his hand forward, when Ye Chen did that, the fire wall began to crumble and charged forward, the fire wall turned into a fire wave that swept away everything in its path...

All the insects were very quickly swept away by the waves of fire, in an instant the place was clean again as before.

"What ! !" Chun Xiao and Chun Lin were shocked when they saw this scene, they couldn't believe that Ye Chen had destroyed all the insects they had in just seconds.

"Just like that wants to kill me, are you guys joking with me?" Ye Chen said to Chun Xiao, Chun Lin and the people from Poison Viper Sect who were in shock.

"Bastard, don't be arrogant, we will definitely kill you and make you our insect food" Chun Lin said to Ye Chen who was in front of her, this woman's mouth is really very venomous.

Too bad, a woman shouldn't say something like this." Ye Chen was very regretful when he heard Chun Lin's words, this woman was too venomous, she even wanted to kill and throw Ye Chen as food for the insects she cultivated.

"Bastard" Chun Lin shouted at Ye Chen, she was not happy with what Ye Chen just said.

"Calm down" Chun Xiao told Chun Lin to calm down a bit, they shouldn't lose their mind in a situation like this.

"But he's really annoying" Chun Lin thanks Chun Xiao that Ye Chen is really annoying.

"I also know about the matter, but we must not be so rash, this person is quite strong" said Chun Xiao to Chun Lin.

Chun Xiao began to consider Ye Chen's strength, he considered that Ye Chen had a decent strength against the group they had.

"Go ahead, and quickly finish this battle" Ye Chen told the people from the Poison Viper Sect to come forward, Ye Chen wanted to finish this battle immediately.

"Looks like we have to be serious against this guy." Chun Xiao felt that he had to be serious when fighting Ye Chen.

Everyone from the Poison Viper Sect agreed with what Chun Xiao said they should all mean it when fighting Ye Chen.

Chun Xiao waved his arm, when Chun Xiao did this, several projectiles flew straight towards Ye Chen.

An extremely poisonous projectile very quickly shot towards Ye Chen, this projectile was extremely fast, it could pierce through any obstacle it crossed.

Ye Chen drew the Black Dragon Sword that was on his back, Ye Chen used the Black Dragon Sword to block all the projectiles that were aimed at him.

"Clang. . ., Clang. . ., Clang. . ., Clang. . ., Clang. . .," with the sword skills he had, Ye Chen parried all the projectiles fired by Chun Xiao.

Chun Xiao gritted his teeth when he saw all the projectiles he fired were blocked by Ye Chen.

"Not working, then feel this" Chun Lin threw a ball at Ye Chen.

This ball exploded and emitted a poisonous gas, this poisonous gas was very dangerous, once someone inhaled this, their body would feel a lot of pain.

No matter how strong the cultivator was, they would still feel pain when they inhaled this poison.

The poisonous smoke was getting closer and closer to Ye Chen, seeing this, Ye Chen threw his hand away, a very strong wind instantly flew the poisonous gas towards the people from the Poison Viper Sect.

The people from the Poison Viper Sect were not prepared for this, they were unprepared when they saw the poisonous gas heading towards them.

The Poison Viper Sect held their breath, they looked calm when dealing with the powerful poison released by Chun Lin.

These people were experts in poison, so they naturally knew very well how to fight poison.

The poison that Chun Lin had just released was a strong poison, so some people could still feel its effects if they inhaled this gas.

Usually poison cultivators had to continue to forge their bodies if they wanted to be immune to poison, if their bodies were weak and forced to fight against top grade poison like the one Chun Lin had just used, then it would be tantamount to looking for trouble.

"You are too kind to them" Feng Xuanyin was not happy when she saw Ye Chen who was too kind, Ye Chen should have ended all this as soon as possible.

"why such a hurry?" Ye Chen said to Feng Xuanyin, Ye Chen didn't understand why Feng Xuanyin was in such a hurry.

I don't want someone to get ahead of us, we'd better end it all and hurry away." Feng Xuanyin didn't want to wait, she didn't have time to wait in this place.

Feng Xuanyin had to go to this section immediately, lest she be caught by someone else.

Feng Xuanyin began to advance forward, herself advancing towards the people from the Poison Viper Sect.

"Bitch, what do you want?" Chun Lin directly said to Feng Xuanyin who was in front of her.

"Bitch?" Feng Xuanyin was displeased when she heard that someone addressed her like this, as a goddess who was worshiped by many man, how could she allow anyone to called her in this way.

Feng Xuanyin gave off a very strong killing aura, it seemed that Feng Xuanyin was really angry with Chun Lin's words.

Ye Chen was quite surprised by the killing aura possessed by Feng Xuanyin.

Ye Chen knew that Feng Xuanyin must have been not happy, she must have been not happy with the people from the Poison Viper Sect.

"Sun Wave Ball" Feng Xuanyin's finger started to form a small version of the sun.

This sun emits a very terrible heat wave.

The moment this little sun ball appeared, the temperature in this room rose insanely, the floors and walls even started to melt when they received such extreme temperatures.

This temperature was indeed high, which was why Ye Chen went to Xing Mei's side and started protecting Xing Mei.

Ye Chen himself did not feel this temperature, he was not affected by the high temperature that enveloped this place.

" What is this?" Chun Xiao, Chun Lin and the people from the Poison Viper Sect felt an extremely hot temperature, their clothes starting to melt when they received the temperature.

"Get ready, I will send you to a better place." Feng Xuanyin told the people from the Poison Viper Sect to prepare to accept death.

no one should live after insulting him with inappropriate words.

There was no way they would be able to withstand Feng Xuanyin's attack.

Feng Xuanyin threw the Sun Wave Ball in her hands towards the people from the Poison Viper Sect.

The little sun drew near to the people from the Poison Viper Sect, as this little sun approached, Chun Xiao, Chin Lin and the people from the Poison Viper Sect felt their bodies melt.

This heat was too high for the people from the Poison Viper Sect, it made their bodies feel like they were being burned on top of an extremely hot object.

As the small version of the sun approached, the bodies belonging to the people from the Poison Viper Sect began to melt, their bodies completely melted by the extremely high heat.

" what. . .! ! !" the people from the Poison Viper Sect couldn't react, they couldn't react when they saw their bodies melted by the heat from the Sun Wave Ball.

As the Sun Wave Ball hovered above the heads of the Poison Viper Sect group, everyone's bodies completely evaporated into thin air, not a single trace or trace was left behind.

"Isn't she too strong?" Xing Mei was shocked when she saw Feng Xuanyin's power, Feng Xuanyin completely eliminated people from the Poison Viper Sect in just a matter of seconds.

"She is indeed quite strong" Ye Chen agreed with what Xing Mei said, Feng Xuanyin was indeed strong and extremely terrifying, she killed enemies with just one finger.

Ye Chen's guess turned out to be right, Feng Xuanyin was a very strong woman, she hid quite a lot of strength.

It seemed that Feng Xuanyin was a worthy enemy for Ye Chen, this woman probably had comparable strength to Ye Chen.

The Poison Viper Sect's group had completely disappeared from this world, they didn't leave the slightest trace of being annihilated by Feng Xuanyin.

"In the next life make sure not to anger a beautiful woman" Feng Xuanyin said to the Chun Lin who she had just disappeared, this woman had provoked the anger of Feng Xuanyin.

### **Chapter 1233 - Feng Xuanyin Has A Very Rich Yin Qi**

Feng Xuanyin originally only wanted to cripple these people, but when she listened to Chun Lin's words, Feng Xuanyin was slightly displeased and finally decided to eliminate them all.

Feng Xuanyin was at least happy that someone was interfering with her mod, anyone who dared to interfere with her mod would have very dire consequences.

"Let's continue our journey." Feng Xuanyin invited Ye Chen and Xing Mei to continue the journey.

"Alright" Ye Chen nodded, agreeing to continue on his way.

"Looks like I can use this woman" After seeing Feng Xuanyin's strength, Ye Chen was sure that if he could use this woman's power to reach the deepest part, with Feng Xuanyin's help, everything would go smoothly...

Ye Chen, Xing Mei and Feng Xuanyin rose to the surface, the three of them left the dungeon they had vacated.

After the previous incident, Xing Mei started to hug Ye Chen's arm, Xing Mei felt a dangerous feeling from Feng Xuanyin, that's why she needed Ye Chen's protection.

In this state Xing Mei could only rely on Ye Chen, she hoped that Ye Chen could protect her.

Quickly Ye Chen, Xing Mei and Feng Xue rose to the surface, When Ye Chen, Xing Mei and Feng Xuanyin went up, they saw that there were several people, which started to arrive at this place.

The ten doors all lead to this place, so it wouldn't be strange for all groups and cultivators to gather in this place.

Ye Chen looked at the cultivators who had gathered in this place, he could see that they all had minor injuries or heavy injuries on their bodies.

These people weren't as lucky as Ye Chen, they all had to face countless obstacles just to get to this place.

Some even lost their members while on the way to this place.

Ye Chen looked around, he had not found the existence of the Shin Clan group, most likely this group had problems or might even have been wiped out when choosing the door with the highest difficulty level.

The participants who entered began to rest, they tried to recover their strength after passing the test of life and death.

Ye Chen stepped forward, as they advanced forward, they found that there were five doors waiting for them.

These five doors are still the same as before, there are obstacles that are far more deadly than before.

These five doors are still not open, there is a special seal that seals the door so it can't be opened.

Ye Chen tried to break the door seal, when Ye Chen tried, he was immediately repelled by the seal.

"Indestructible" Ye Chen couldn't break this seal, the seal on the door was too strong.

"Let me try it." Feng Xuanyin wanted to give it a try, she wanted to break the seal right away.

When Feng Xuanyin used her ability to break the seal, she was immediately repelled and sent flying backwards, even though Feng Xuanyin's condition was even worse than Ye Chen's.

Seeing Feng Xuanyin who was flying because of being repelled by the Seal, Ye Chen immediately tried to catch Feng Xuanyin, Ye Chen couldn't possibly let Feng Xuanyin fall to the floor.

Ye Chen didn't like seeing women in this state, so Ye Chen decided to arrest Feng Xuanyin.

Ye Chen caught Feng Xuanyin, he carried Feng Xuanyin like a princess.

Feng Xuanyin didn't expect that Ye Chen would catch her in this way.

It was the second time Feng Xuanyin came into contact with Ye Chen, this time the two of them did not use Charm when they came into direct contact.

"This" Feng Xuanyin found something very interesting, she found that Ye Chen's Yang Qi was extremely rich.

Feng Xuanyin first discovered this, she did not expect that Ye Chen had such pure and rich Yang Qi, this number was far greater than all the men Feng Xuanyin had met.

Feng Xuanyin did not expect that Ye Chen had such a pure and rich Yang Qi, this was something that made Feng Xuanyin even more attracted to Ye Chen.

Feng Xuanyin was attracted to Ye Chen's Yang Qi, if he harvested Ye Chen's Yang Qi, then Feng Xuanyin would definitely break through to a very high level.

Not only was Feng Xuanyin shocked, at this moment Ye Chen was also shocked when he saw that Feng Xuanyin's Yin Qi was extremely rich and pure.

Feng Xuanyin's Yin Qi was the greatest that Ye Chen had ever encountered, Ye Chen had first met a woman with such strong Yin Qi as Feng Xuanyin.

"Master, this woman has very rich Yin Qi, this will be a good thing for you." Chu Yuechan finally let out her words, she told Ye Chen that this woman had very pure Yin Qi.

"Yes, I know that" Ye Chen also knew what Chu Yuechan was referring to, Feng Xuanyin did have a very pure and rich Yin Qi.

If Ye Chen could get this, then Ye Chen would definitely reach an even higher stage than he is now.

Ye Chen and Feng Xuanyin currently had the same thought, both of them wanted to take the Yang Qi and Yin Qi that they each needed.

Ye Chen and Feng Xuanyin stared at each other, both of them having evil thoughts over the other party.

"How long are you two looking at each other like that?" Xing Mei finally interrupted the momentum of the two.

Ye Chen woke up when he heard Xing Mei's words, he almost did something bad to Feng Xuanyin.

Ye Chen hastily put Feng Xuanyin on the ground, he felt something bad if he continued to touch Feng Xuanyin.

Feng Xuanyin licked her lips, she became more and more attracted to Ye Chen, maybe after all this she could eat Ye Chen.

"It seems that this barrier is the same as the one outside." Ye Chen said that this barrier was the same as the one at the entrance.

"You are absolutely right, it is very powerful, it is difficult to break this seal, it seems we have no choice but to wait" Feng Xuanyin agreed with what Ye Chen said, it seems quite difficult to break this seal.

All they could do was wait for this seal to self-destruct.

Even with Feng Xuanyin's cultivation she still couldn't break the seal.

"Then there is nothing we can do about it, we can only wait patiently" Ye Chen had no other choice but to wait for the Seal to self-destruct.

"So we can only stay here for a while?" Xing Mei asked Ye Chen.

"That's right, we can only wait." Ye Chen said that they could only wait.

"Master, this seal will weaken in another 24 hours, so you just wait patiently while recovering the strength you have to break the seal" Chu Yuechan told Ye Chen that the Seal on the door would weaken in another 24 hours, so it should be Ye Chen didn't need to worry too much about this matter.

"Okay I understand" Ye Chen nodded, now all he could do was wait.

Ye Chen took Xing Mei to a corner, they could only wait until the seal on the door opened by itself.

Feng Xuanyin went along with Ye Chen, herself following behind Ye Chen.

After Ye Chen left, there were several people who tried to break the seal, they all tried to break the seal.

When these people tried, they all bounced away, the sealing power too strong and turned against anyone who tried to destroy it.

Even Ye Chen and Feng Xuanyin who possessed high cultivation were not able to destroy it, let alone only weak people like this, it was obvious that they would not be able to break the seal.

### **Chapter 1234 - I'm Just A Weak Traveler**

"Why do you keep following us?" Xing Mei asked Feng Xuanyin who was always following her and Ye Chen.

To be honest, Xing Mei didn't really like Feng Xuanyin, she felt a threat when she was with Feng Xuanyin.

Xing Mei could sense that Feng Xuanyin was not a good woman, which was why she disliked being around Feng Xuanyin.

Plus the previous incident let Xing Mei know that Feng Xuanyin was much stronger than her and it was very dangerous to be around a woman like this.

"Why?, aren't we colleague?" Feng Xuanyin said to Xing Mei.

"Um. . ." Xing Mei was speechless when she heard this, to think that Feng Xuanyin would think of herself and Ye Chen as colleague.

.

"Can't you do something to him?" Xing Mei told Ye Chen to do something to Feng Xuanyin, she didn't like Feng Xuanyin.

"What can I do, she didn't do anything bad to us, so I can't get rid of her" Ye Chen said frankly, he couldn't drive Feng Xuanyin away, there was no strong enough reason to drive Feng Xuanyin away .

Plus Ye Chen still needed help from Feng Xuanyin to make this journey easier.

Xing Mei pouted as she listened to what Ye Chen said, to be honest Xing Mei hoped that Feng Xuanyin would go and not disturb her and Ye Chen.

Ye Chen, Xing Mei, and Feng Xuanyin went to the corner, the three of them went to the corner which became the best place to wait.

A few minutes later, the black thorn sect group came, this group looked not in good shape, it was obvious that this group had just gone through a storm so big that it made the people in it look very exhausted.

The Black Thorn Sect group started to rest, they tried to recover the strength and cultivation they had.

After a journey full of dangers and obstacles it wouldn't be strange if they recovered the strength they had, otherwise they would definitely not be able to continue on this journey.

A while later the group from Frozen Cloud Sect finally arrived, they came in a state of clothing that was slightly scuffed and torn in several places.

Xue Muer must have had a bad time, she had a bad experience when she passed through the door full of obstacles and some traps that made them feel difficult.

Xue Muer took the women from Frozen Cloud Sect to go rest they had to recover the strength they had.

All the participants experienced the same thing, they were exhausted after passing through the difficult trial door, they had to rest to recover the strength they had.

The group from the Heavenly Spear Kingdom finally arrived, they looked to be in excellent condition, not a single scratch could be found on their bodies.

The group from the Heavenly Spear Kingdom used the best equipment, they were extremely well prepared to face any kind of terrain, so it wouldn't be strange if they could pass all the traps and obstacles.

The Heavenly Spear Kingdom group was fortunate enough, their journey might be quite long, they also rarely encountered obstacles that caused them trouble.

The Heavenly Spear Kingdom group didn't rest like the others, they immediately headed towards the sealed door.

They began to observe the seal that was inside the door, after observing for some time, they finally knew what they should do.

"Let's join forces and break this seal!" Xi Zhun invites everyone to join forces to break the seal.

Everyone nodded, they raised their spears and prepared to attack the seal.

Everyone immediately saw what was happening, they all wanted to know if the group from the Heavenly Spear realm could break the seal on the door.

A domineering aura came out and began to envelop the Heavenly Spear realm group.

"They really are very well-trained and domineering." Ye Chen had to admit that the Heavenly Spear Kingdom's group was a very well-trained group, even their breathing rhythms matched each other's breathing.

"It's not easy to join the ranks of the Heavenly Spear Kingdom's army, so it's not surprising that they can work out a good partnership." Feng Xuanyin explained to Ye Chen that these people were chosen and selected very strictly, so it wasn't strange that they could be very compatible with each other.

Ye Chen nodded, he had already guessed this, it must be very difficult to get into the group of the Heavenly Spear realm.

"We'll see if they can break the seal." Ye Chen wanted to know if the group from the Heavenly Spear Kingdom could break the seal or not.

"You expect too much from them." Feng Xuanyin said that Ye Chen had too much hope, it was impossible for them to break this seal.

"Bang, Bang, Bang, Bang, Bang, Bang" a series of attacks rained down on the seal on the door and made a very loud sound.

"Boom" an explosion occurred, this explosion blew away the people of the Heavenly Spear Kingdom.

The people in this place could only shake their heads, even a group like the Heavenly Spear Kingdom couldn't break the seal.

If a powerful group like the Heavenly Spear Kingdom couldn't break the seal, how could a group like theirs break the seal, this was a very difficult thing for them to imagine.

The group from the Heavenly Spear Kingdom didn't just give up, they tried again, they wanted not to lose face to the Heavenly Spear Kingdom.

The group from the Heavenly Spear Kingdom kept trying, unfortunately no matter how hard they tried, they were unable to break the seal.

"They are so persistent, they don't know when to give up" Ye Chen said helplessly.

Ye Chen just shook his head, these people are just wasting the time they have, it's obvious that they won't be able to break the seal.

"They are like that, so you don't need to care too much about them." Feng Xuanyin said not to care too much about these people, there was no point in caring about these people.

"You are right, they have nothing to do with us, so why bother caring about them?" Ye Chen completely agreed with what Feng Xuanyin said, there was no point in caring about these people.

"Forget it, them, why don't we talk about you, I'm getting more and more curious about you" Feng Xuanyin drew closer to Ye Chen, she leaned towards Ye Chen.

Two extremely well-developed mountain peaks once touched Ye Chen's body and started to make Ye Chen's body feel hot.

Needless to say, Feng Xuanyin's capital was quite large, it was enough to make every man in this world submit to her.

Ye Chen tried to calm himself, this Succubus was really something very troublesome, he kept on teasing Ye Chen using the capital he had.

Ye Chen was a normal man, how could he not be excited when he saw Feng Xuanyin teasing him in this way.

Besides that Ye Chen already knew what kind of beauty Feng Xuanyin possessed, men could definitely be fooled and beguiled when they saw this woman's beauty.

"I'm just a weak traveler, so why would someone like Young Lady Feng want to know such a thing?" Ye Chen said to Feng Xuanyin.

Ye Chen didn't want to tell Feng Xuanyin anything, he kept his secret.

Feng Xuanyin became more and more curious about Ye Chen, this man was increasingly acting mysterious in front of her.

Feng Xuanyin felt that Ye Chen was a person shrouded in thick fog, this man was very mysterious and difficult to guess, even Feng Xuanyin could not guess who Ye Chen was.

"Come on, tell me a little about you." Feng Xuanyin didn't attack, she continued to force Ye Chen to speak about herself.

### **Chapter 1235 - Shin Clan Group Is In Pathetic Condition**

Feng Xuanyin used the finger she had to stimulate Ye Chen, Feng Xuanyin's finger was on Ye Chen's chest, this finger started to stimulate Ye Chen.

Feng Xuanyin's movements were really very skillful, Feng Xuanyin very easily stimulated Ye Chen's body.

Ye Chen didn't expect that Feng Xuanyin would stimulate the body that he had, this woman possessed an extremely formidable ability.

Feng Xuanyin started to show her abilities, she used her abilities to stimulate Ye Chen.

Feng Xuanyin was so confident in her abilities, there was no way a normal man would survive from this.

"Hey, don't tease him" seeing Ye Chen who was constantly teased by Feng Xuanyin, Xing Mei decided to help Ye Chen.

Xing Mei didn't want Ye Chen to be taken by Vixen like Feng Xuanyin, which was why Xing Mei immediately stopped Feng Xuanyin.

"Little girl, what do you need with me, I want to do adult business with Mr... Mask Hero, so you don't interfere." Feng Xuanyin was displeased when she saw Xing Mei interfering with the business she had with Ye Chen,

Feng Xuanyin wanted to find out about Ye Chen, she would not calm down before she could get information about Ye Chen.

"You" Xing Mei did not expect that Feng Xuanyin would say that she was just a child, this made Xing Mei feel displeased.

"Please don't do that" Ye Chen put away Feng Xuanyin's finger, he didn't want to be controlled by Feng Xuanyin.

This woman possessed a formidable Dual Cultivation technique, it was very difficult to resist the temptations made by Feng Xuanyin.

Feng Xuanyin was again taken aback by Ye Chen, again Ye Chen could easily break away from his skills.

"You are really something, I ask if you are a man or eunuch" Feng Xuanyin started to wonder whether Ye Chen was a man or not, there was no way a man would stand this kind of temptation.

Ye Chen didn't know what Feng Xuanyin was thinking, if Ye Chen knew what this woman was thinking, he would definitely be furious.

Feng Xuanyin didn't give up, she kept trying to get close to Ye Chen, on the other hand Xing Mei tried to prevent Feng Xuanyin from trying to get close to Ye Chen.

"Hey look, isn't that the Shin Clan group" when Xing Mei and Feng Xuanyin were arguing about Ye Chen, they listened to the commotion.

This naturally caught the attention of Ye Chen, Xing Mei and Feng Xuanyin, the three of them looking at the few people who had just arrived at this place.

The people who had just arrived were Shin Ba, Shin Hun and several people from the Shin Clan or allies from the Shin Clan.

Their appearance was very chaotic, their bodies were covered with wounds, their clothes were torn and covered in blood, their hair was disheveled and their eyes were red like blood.

It seemed that they had just gone through something extremely terrifying, otherwise how would their appearance be like this.

"what happened to them" Xing Mei started to wonder what happened to these people, why the Shin Clan's performance was so bad.

"Looks like they're having a bad time, even the number of their group members has been reduced by almost half." Feng Xuanyin estimated that the Shin Clan had a bad experience, otherwise how would their appearance be like this.

"They deserve it, I warned them, but they won't listen" Ye Chen looked very happy when he saw Shin Hun's appearance, all the complaints he had instantly disappeared when he saw Shin Hun's very bad appearance.

Feng Xuanyin looked at Ye Chen, she was very curious as to how Ye Chen could know something like this, she even knew that the path that the Shin Clan had taken was extremely dangerous, while the path that Ye Chen had chosen was so safe.

"I'll go and see them" Ye Chen couldn't wait to go and see the Shin Clan, he wanted to see how the Shin Clan would react when he met him in good condition.

Seeing Ye Chen go to see the Shin Clan, Xing Mei and Feng Xuanyin went along with Ye Chen, the two went together with Ye Chen to meet the Shin Clan group that had just arrived.

"Oh, looks like the young master of the Shin Clan is in a predicament." Ye Chen came to Shin Hun's side, himself directly said to Shin Hun who was in tatters.

"you, how are you fine" Shin Hun looked at Ye Chen who was very healthy once, Ye Chen looked very healthy and fine.

this is clearly very different from what happened to his group, his group experienced something very terrible.

"Of course I'm fine, I'm not a fool who would take a dangerous path" Ye Chen said to Shun Hun.

Ye Chen's words provoked the anger of the Shin Clan group, they were not satisfied with what Ye Chen said.

"You said we were stupid" said Shin Ba to Ye Chen who was in front of him, Shin Ba could no longer stay silent while listening to what Ye Chen had to say.

"I didn't say like you, you said it yourself" Ye Chen said to Shin Ba.

Shin Ba's face darkened when he heard this, Shin Ba felt that someone was throwing dirt at his face.

"Looks like you're looking to die" Shin Hun couldn't stand it anymore, he immediately went to attack Ye Chen.

"Bam" Shin Hun launched a powerful attack at Ye Chen, it hit Ye Chen in the chest.

Ye Chen didn't back down at all after receiving Shin Hun's attack, he just stood still like a very sturdy statue.

Ye Chen's body had already become extremely strong, Shin Hun's attacks weren't enough to injure Ye Chen.

Ye Chen stretched his legs forward, when Ye Chen did that, Ye Chen immediately kicked Shin Hun quite hard.

As a result, Shin Hun was flown by Ye Chen and hit the wall in this place.

The commotion that ensued instantly got everyone's attention, everyone saw the battle that was going on between Ye Chen and the Shin Clan.

"cough . . ." Shin Hun coughed up blood, he was kicked by Ye Chen so hard that his chest felt tight and hurt

"watch out for you" Shin Hun cursed Ye Chen, he didn't expect to be defeated by Ye Chen in this way.

"You dare attack me, how will I stay silent after someone attacks me" Ye Chen said to Shin Hun who was lying weakly on the ground.

Shin Hun was very angry with Ye Chen's words, he was very angry at Ye Chen's very annoying words.

Seeing this, the Shin Clan group intends to come forward, they all want to make calculations with Ye Chen.

"Stop" Shin Ba told everyone to stop, he told all the Shin Clan members not to attack Ye Chen.

The conditions they currently have are not good, if they were to force against Ye Chen, then they would definitely not get a good ending.

"What's the matter, don't you want to attack me?" Ye Chen said to the Shin Clan members.

Ye Chen really hoped that the Shin Clan would attack him, so that he could start a battle with the Shin Clan.

"do you only dare to go against us under these conditions" said Shin Ba to Ye Chen.

"Even if you guys are in top shape, I will definitely fight back when anyone dares to challenge me" Ye Chen firmly said to Shin Ba, he wasn't afraid even if the Shin Clan was in top shape.

### **Chapter 1236 - Diamond Dawn Formation**

"If you really have the ability, you are free to come to me, I will welcome your challenge." Ye Chen said in a voice full of domination, this is an open challenge for the Shin Clan.

The members of the Shin Clan group felt hot when they listened to Ye Chen's words, they couldn't believe that someone would dare to blatantly challenge the Shin Clan.

After saying that to Shin Ba and the members of the Shin Clan, Ye Chen immediately left them, returning himself to a corner to wait.

"You finally started to show your strength." Feng Xuanyin smiled slightly when she saw Ye Chen's dominance, she liked to see Ye Chen's dominance.

.

Xing Mei mocked Shin Ba, she used her tongue to mock Shin Ba, after doing so Xing Mei left with Ye Chen.

"Just watch out, I will definitely pay for what happened" Shin Ba said that he would definitely make Ye Chen pay for what he had done.

Shin Ba took the rest of his group to go and find a shelter and recuperate, their wounds must be treated as soon as possible.

"That person is so stupid, even though he had a chance to win against the Shin Clan, but he threw that opportunity away." Tu Tiyun thought Ye Chen was an idiot, even though he had a chance to win against the Shin Clan, but he missed the chance instead.

If it was Tu Tiyun, he would immediately use this opportunity to destroy the Shin Clan.

"It's quite the act of a knight who doesn't attack a defenseless enemy" Xi Gun of the Heavenly Spear Kingdom praised Ye Chen, what Ye Chen did was a very good attitude.

He didn't attack a defenseless person, this was the attitude of a soldier.

"hmmm" Xue Muer just sniffed coldly when she saw what happened, Ye Chen had challenged the Shin Clan, surely he would get into trouble.

Some people in this place thought Ye Chen was an idiot trying to make trouble with the Shin Clan, looking for trouble with the Shin Clan was tantamount to seeking death.

If they were Ye Chen, they would definitely take advantage of this opportunity to fight the Shin Clan, if until the Shin Clan recovered then it was certain that Ye Chen would have no chance of winning.

Ye Chen didn't really care what these people had to say, he could beat the Shin Clan even if they were in top condition, so it didn't matter if he let go of the Shin Clan for a while.

Ye Chen gave the Shin Clan a chance to repent, if the Shin Clan didn't take advantage of the opportunity given by Ye Chen and kept looking for trouble, then Ye Chen would definitely kill them all.

Everyone keeps trying to break the seal on the door, all groups work together to break the seal on the door.

Heavenly Spear Kingdom, Black Thorn Sect, Frozen Cloud Sect worked together to break the seal, the three of them decided to work together to break the seal on the door.

Despite working together, the three were still unable to break the seal, the three groups were driven away by the seal.

Heavenly Spear's Kingdom group, Black Thorn Sect, Frozen Cloud Sect didn't give up, they continued to try their best to destroy the Seal.

Ye Chen himself only looked from the side, he had no intention of helping.

"It's best to just cultivate, there's no point in seeing this kind of performance." Ye Chen decided to cultivate, nothing good when he saw the performances of the Heavenly Spear Kingdom, Black Thorn Sect, Frozen Cloud Sect.

No matter what these three groups did, the result would be the same, they wouldn't be able to break the seal.

Though they just need to wait, but they are actually doing useless things in this way.

Some people started to look towards Ye Chen, Xing Mei and Feng Xuanyin, they started to berate Ye Chen, Xing Mei and Feng Xuanyin for not helping them break the seal.

these people looked dissatisfied when they saw Ye Chen standing still while they all worked together to destroy the Seal.

Everyone works together in order to continue the journey, they must be able to break the seal in order to get into the deeper parts.

It was because of this that people didn't like seeing Ye Chen sitting around and doing nothing while everyone else was working.

"rubbish . ."

"Those three are useless"

"Trash is still trash"

One by one people said inappropriate words to Ye Chen, they couldn't stand Ye Chen who just stood there and didn't want to help solve this problem.

"Are you going to let them insult you like this?" Feng Xuanyin asked Ye Chen, she wanted to know Ye Chen's opinion on this matter.

"Let them do what they want, it's their right, we'll just stay silent until the time is right to act." Ye Chen said that he would just sit back and wait for the right time to act.

Now was not the time to start, he had to be even more patient and wait for the seal to weaken.

Time continues to pass already 23 hours of time has passed, until now no one has been able to break the seal.

Some people have already started to give up, they have given up on breaking the very powerful seal once.

"All of you step aside, let us handle this matter." Shin Hun ordered everyone to step aside, this time it was the Shin Clan who would break the seal.

After a long time, the Shin Clan finally recovered the strength they had, they were already at 80% of their original state.

With their current condition, they were confident that they could break the seal.

Everyone step aside, they let the Shin Clan try to break the seal.

"Take a good look at the strength we have." Shin Hun confidently said that they could break the seal.

Everyone looked on seriously, they wanted to see if the Shin Clan could indeed break this seal or not.

For 23 hours all the groups have been working together and looking for a solution, but until now they still haven't been able to break the seal.

The seal is too strong, even the combined strength of everyone is unable to break the seal.

"quickly make formation" Shin Ba ordered the members of the Shin Clan to make a formation.

The Shin Clan members immediately make a formation, they immediately make a formation that looked extremely powerful.

"Isn't this the Shin Clan's famous diamond dawn formation?" Xi Zhun quickly knew what formation the Shin Clan members used, this was the Shin Clan's famous diamond dawn formation, it was quite a powerful attacking formation.

"Will the Shin Clan be able to break the seal with this formation?" Xi Khun wanted to know if the Shin Clan was able to break the seal with the formation they used.

"We'll see." Xi Ghun wanted to see how powerful the Shin Clan's diamond dawn formation was, whether it was really strong or just bullsh\*t.

Shin Ba and the people from the Shin Clan started to create a formation like diamond , they started to transfer the power they had to Shin Ba who was at the front.

Shin Ba body is currently filled with enormous power, this power is very large if used it will have a fairly large destructive power.

The power in Shin Ba's body is getting bigger and bigger, the aura and pressure of this power is truly extraordinary.

"Quickly run." Seeing that the Shin Clan wanted to use a strong attack, a few people with weak cultivations immediately ran away, meanwhile the group with strong cultivation set up a layered barrier to protect themselves from the impact of the attack.

### **Chapter 1237 - Ye Chen Broke The Door Seal (1)**

the strength in Shin Ba's body is getting stronger, it looks like the preparations they are doing will soon be finished.

Shin Ba condensed all the strength that had accumulated in his body into a scorching fire light.

"shoot . . ." This scorching firelight was fired towards the currently sealed door.

Everyone focused the gazes they had on the Shin Clan, everyone was in awe of what the Shin Clan had done.

Needless to say, the strength of the Shin Clan was so strong, they should be able to break this seal easily.

"Boom" An enormous explosion occurred, this explosion was strong enough to make the place tremble slightly.

"great . . ." everyone started cheering, they were all happy when they saw the Shin Clan that was able to make this place tremble.

That means the seal should have been shattered, with such a strong force, there's no way the seal could last, it must have been shattered by this force.

"Stupid" Ye Chen said in a very loud voice, he said that the Shin Clan is a very stupid person.

The Shin Clan would definitely get into trouble because of this, they were too stupid to attack with such power.

The seal would reflect the power exerted by the attacker, meaning that the Shin Clan would be in great trouble.

Hearing this, everyone looked at Ye Chen, they all looked at Ye Chen with their eyes burning red.

How can someone who has been silent all this time saying something like that, that is something that is completely inappropriate to say.

"Arghhh" Before people could berate Ye Chen, a scream rang out.

The Shin Clan members were flung far away, they seemed to have been hit by a very powerful attack.

All the members of the Shin Clan coughed up blood, all of them looking very much in pain from the attack just now.

What Ye Chen said became the truth, the Shin Clan suffered injuries from what they did.

Shin Ba hastily took a potion to recuperate, this time the injuries they suffered were much more severe than before.

Shin Ba was afraid that this wound would kill them, so he hurriedly took a high-grade potion to restore himself and all the members of the Shin Clan.

Shin Ba himself didn't want to issue something like this if the situation wasn't sudden, but the situation was really very dangerous, that's why Shin Ba had no choice but to use this.

The Shin Clan had been forced to use the items they had, now they didn't have any healing items that could help them recover quickly.

Everyone was extremely disappointed and distraught when they saw this, they were extremely disappointed that not even the Shin Clan could break the seal.

If the combined power of the Shin Clan couldn't break the seal, then how were they supposed to get through all of this, there was no way their journey would stop at this place.

Everyone had put in quite a lot of effort to get to this place, they had gone through various obstacles to get to this place, unfortunately they had to be stopped by the seal.

"Master, it is time." Chu Yuechan said to Ye Chen that it was time.

"So it's about time" Ye Chen muttered under his breath, now was the time for himself to break the seal.

Ye Chen got up from his cultivation, immediately went to the place where the sealed door was.

"Where do you want to go?" Feng Xuanyin asked where Ye Chen was going.

"Obviously not, it's time to break the seal" Ye Chen said that it was time to break the seal.

"Are you sure you can do that?" Feng Xuanyin asked Ye Chen, wanting to know if Ye Chen could do such a thing.

"You watch and see." Ye Chen said to Feng Xuanyin to have a look and see what he was going to do.

"I can't wait to see it." Feng Xuanyin couldn't wait to see if Ye Chen could break the seal.

Xing Mei was also curious about this, she wanted to know if Ye Chen could break the seal.

Feng Xuanyin alone who had high enough strength was unable to break the seal, so whether Ye Chen could break the seal or not.

What Ye Chen did was very conspicuous, after such a long time, this person is finally willing to make a move.

The people in this place thought that Ye Chen was a useless cultivator because he didn't want to help them break the seal.

"Get out of the way, I will break the seal" Ye Chen told everyone to step aside, now it was his turn to try.

"You just came and acted arrogant, do you think you can break the seal that even the Shin Clan can't break" One of the cultivators immediately said to Ye Chen, This cultivator said that Ye Chen would not be able to break the seal.

"I haven't tried it yet, so how do you know I can't?" Ye Chen said to the cultivator who had insulted him.

"Even without trying it, we believe that you won't be able to do it, everyone has worked together for a long time, but we still can't break the seal, so how can you alone say that" said all the cultivators in the area. this place to Ye Chen.

All of the cultivators here had cooperated for nearly 24 hours, but they still couldn't break the seal on the door, so everyone was in complete despair.

"Isn't it because you guys are so weak that you can't destroy that thing" Ye Chen said to everyone in this place.

Everyone was angered by Ye Chen's words, they really didn't expect that Ye Chen would say something like this to everyone in this place.

What Ye Chen said was like a challenge to everyone in this place.

"You want a beating" People had already started to lose their temper, they wanted to fight and fight Ye Chen.

"stop" Xi Zhun of the Heavenly Spear realm immediately stopped everyone who was willing to fight Ye Chen.

"Why stop us, we have business with him" said the cultivators to Xi Zhun.

"Let him try it first" Xi Zhun wanted Ye Chen to try it first, who knows Ye Chen would be able to break this seal.

"No need, he definitely won't be able to do this" All the cultivators were already unsure that Ye Chen was able to break the seal.

"No problem let him try it first, if he can't, you can do whatever you want" Xi Zhun wanted Ye Chen to try it first, if Ye Chen really couldn't do that, then they could all do whatever they wanted on Ye Chen.

"Alright, since the prince of the Heavenly Spear Kingdom said so, then we will let him go." Seeing Xi Zhun say such a thing, everyone had no choice but to agree with what Xi Zhun said.

"Good" Xi Zhun nodded in satisfaction, he was satisfied with everyone's answers.

"You can try it" Xi Zhun told Ye Chen that he could go and give it a try.

Ye Chen nodded, he was quite satisfied when he saw the hospitality shown by Xi Zhun who was one of the princes of the Heavenly Spear Kingdom.

Ye Chen stepped forward, he observed the seal in front of him, Ye Chen started to take a deep breath, it seemed that he was preparing to make an attack to break the seal.

Everyone in the hall focused on Ye Chen, they all wanted to see what kind of ability Ye Chen had.

### **Chapter 1238 - [Bonus ]Ye Chen Broke The Door Seal (2)**

They all wanted to see if Ye Chen had strength like the arrogance that this fellow had.

Ye Chen began to gather the strength he had, he gathered strength in the palm of his hand.

"crush" Ye Chen used his palm to pat the seal on the door.

"Click" A very small voice was heard, this was in stark contrast to the attacks previously carried out by the Shin Clan.

Everyone in the hall was silent when they saw what happened, their minds were still confused by what Ye Chen had just done, what Ye Chen did was like playing with them.

The hall became very quiet, not the slightest sound could be heard in the hall.

Xi Zhun couldn't help but slap his forehead when he saw what was happening, Xi Zhun thought something good would happen, he didn't expect this to happen.

It seemed that Xi Zhun had too much hope in Ye Chen, this man was completely unreliable...

"Bastard, are you playing with us?" All the cultivators in this place were furious with Ye Chen, they couldn't believe that Ye Chen was just playing games with them.

They had expected to see something interesting, but what they saw was Ye Chen patting the barrier very lightly, this really made everyone feel very irritated.

Apart from being arrogant and rude this man had no ability, which was why everyone wanted to beat up Ye Chen and vent their frustration.

Shin Ba and Shin Hun smiled when they both saw what happened to Ye Chen, what happened to Ye Chen made everyone from the Shin Clan feel happy.

The people of the Shin Clan felt happy when they saw Ye Chen being humiliated to what he was now.

"This man is really very weak, he has no strength, why don't we just kill him for daring to peek at us" The female disciple from Frozen Cloud Sect thought the same thing as everyone else in this place, she thought that Ye Chen is a weak person.

"Don't think he's weak, he must be hiding the strength he has." Xue Muer told her friends that Ye Chen was not a weak person.

If Ye Chen was really a weak person, he would have killed Ye Chen even the first time he met Ye Chen.

At that time Xue Muer really couldn't get away from Ye Chen, she clearly felt that Ye Chen's strength was so strong that it made her powerless.

"Shh, you all are too noisy" Ye Chen told all the cultivators in this place not to be noisy.

"bastard" Everyone was getting angry with Ye Chen, they were all really angry with Ye Chen.

Everyone in this place was poised to beat Ye Chen down, they all had to teach Ye Chen a proper lesson.

"cracked . ." Just as everyone wanted to teach Ye Chen a lesson, they all heard a cracking sound.

Everyone immediately stopped, they all immediately went to find the source of the cracking sound they had just heard.

The Shin Clan, Heavenly Spear Kingdom, Frozen Cloud Sect and Black Thorn Sect searched for the existence of this crack, most likely this was another path leading to the interior.

Everyone immediately looked at the walls around the hall, they were all looking for the crack that had just been heard.

People didn't realize that the cracking sound they had just heard was a seal starting to break, they still didn't realize this.

"What are you looking at, don't you see that what is broken is the seal in front of me" Ye Chen said to everyone who was looking for the source of the sound.

Everyone in this place looked at the seal in front of Ye Chen, they saw that the seal was starting to crack and widen.

Everyone's eyes and jaws widened when they saw this impossible scene, they all couldn't believe that Ye Chen could break the seal just by patting it.

"Impossible, how is that possible?"

"How can this trash do this?"

One by one the people who previously insulted Ye Chen couldn't believe what they were seeing now, they couldn't believe that Ye Chen could break the seal.

Some people even slap themselves to prove that what they saw was not a dream or a hallucination.

"Cracked . . . . , Cracked . . . . , Cracked . . . . , Cracked . . . . ," the crack in the seal is getting wider, the seal is about to break.

"Clank. . ." The seal completely shattered into pieces, the seal broke into shards and disappeared into the air no.

"hey. . . , it was completely shattered." Everyone looked shocked when they saw the seal completely shattered.

Everyone in the hall was silent, they still couldn't process what just happened, they were confused by Ye Chen.

They started to wonder how strong Ye Chen really was, he only needed one tap to break the seal.

Which is something that is impossible for everyone in this place to do.

Everyone has tried to combine the strength they have, unfortunately even though they have combined the strength they have, they still can't break the seal, but Ye Chen, he is different, he only uses one light clap to break the seal, this is really a very difficult and can not be trusted.

"It's open, let's go quickly." Tu Tiyun was the first to come to his senses, he invited all his members to enter.

After Tu Tiyun, one by one people came to their senses, they immediately chose one of the five doors in this place.

Everyone passed by Ye Chen, they all didn't dare to bother with Ye Chen anymore, the strength that Ye Chen displayed was shocking to everyone in this place.

Ye Chen was bypassed by everyone in this place, he was very easily passed by everyone in this place.

"Let's go." Xing Mei took Ye Chen away, they also had to come forward.

"There's no need to rush, let's just let them pave the way for us." Ye Chen said to Xing Mei, telling Xing Mei to relax in dealing with problems.

Feng Xuanyin who wanted to come forward immediately stopped, she didn't know what Ye Chen had just said.

"What do you mean?" Feng Xuanyin asked about what Ye Chen just meant, she was quite curious about what Ye Chen just meant.

"The front is very dangerous, so let's just let them pave the way for me." Ye Chen was not that good, he knew that the front was very dangerous, so Ye Chen would let those people pave the way for him.

"So it's like that" Feng Xuanyin and Xing Mei finally understood what Ye Chen wanted, Ye Chen actually wanted to let those people pave the way for him.

Ye Chen, Feng Xuanyin and Xing Mei were silent in front of the door, they were waiting for the right time to go inside.

Inside the hall now only Ye Chen, Feng Xuanyin and Xing Mei were left, everyone had already entered and was facing many obstacles and trials in order to reach the deepest part.

"Okay, let's go in" After some time passed, Ye Chen decided to go inside, he chose one of the doors where there were a lot of people.

That way Ye Chen could rest assured that the place would be clean, people would have already cleared the way for Ye Chen's group.

### **Chapter 1239 - A Precious Treasure That Can Increase Strength**

Ye Chen, along with Xing Mei and Feng Xuanyin started to enter the second door, according to Ye Chen this door was the best and easiest for them to pass through.

Ye Chen started the journey very leisurely, he didn't appear to be in a hurry on this trip.

On this trip, Ye Chen met several dead people, they seemed to be in pretty bad shape.

"Looks like a lot of casualties have already started." After seeing this, Ye Chen could tell that there had been a lot of casualties.

"This place is very dangerous, why are there so many traps in this place?" Xing Mei started to ask why this place was filled with traps, what exactly was hidden in this place.

"Most likely there is something that Heavenly Thunder Valley Sect's predecessors are trying to protect, they must have made this thing to prevent people from entering their place" Ye Chen said uncertainly

"Ye Chen himself doesn't know what's inside, himself I wonder what the Heavenly Thunder Valley Sect is protecting.

"We won't know until we get to the deepest part, so let's continue our journey." Feng Xuanyin invited Ye Chen to continue the journey, they must not lose to the people in this place...

"You're in too much of a hurry, do you know something?" Ye Chen felt that Feng Xuanyin was in too much of a hurry, she looked like she was aiming for something very important and precious.

"Know what ?, I don't know anything at all" Feng Xuanyin told Ye Chen if she do not know anything.

Feng Xuanyin didn't want to share the information she had with Ye Chen, so she tried to hide the item she was after.

Feng Xuanyin's behavior grew even more suspicious, Ye Chen firmly believed that this woman was hiding something.

"What do you think she's aim?" Ye Chen started to ask what Feng Xuanyin was aiming for.

"She is aiming for an item that can quickly increase one's cultivation." Chu Yuechan answered Ye Chen's question, Chu Yuechan told Ye Chen that Feng Xuanyin was aiming for something that could increase strength very quickly.

" what's that?" Ye Chen wanted to know the full details of what Chu Yuechan said, Ye Chen was very sure that Chu Yuechan knew what Feng Xuanyin was after.

"If you really want to know the answer, you should go to the deepest part, there you will know the answer to your question." Chu Yuechan refused to tell Ye Chen what was hidden inside.

Chu Yuechan only knew that deep within were hidden treasures that were extremely precious to a cultivator like Ye Chen and Feng Xuanyin.

"You're just making me more curious, tell me if there's an interesting item inside." Ye Chen asked Chu Yuechan, he wanted to know if there was an interesting item in there or not.

"Of course there is, you should be able to get it, don't let this woman get the item." Chu Yuechan nodded, she told Ye Chen that there were a lot of very valuable items in there.

Ye Chen became excited when he heard this, it seemed that this trip would bring him a lot of benefits.

Ye Chen was happy that he took part in events like this, this way Ye Chen could get a lot of benefits for him.

Ye Chen, Xing Mei and Feng Xuanyin continued their journey, the three of them continuing their journey to the deeper parts.

On this journey, Xing Mei and Feng Xuanyin saw countless people who had died because of being trapped or torn apart by the monsters in this place, all of whom looked familiar to Ye Chen, most of these people were people who had dared to insult abilities owned by Ye Chen.

"Looks like these are the people who have insulted you before." Xing Mei remembered very clearly that they were the ones who had insulted Ye Chen earlier.

"Yes, I remember, it seems they had quite a bad luck" Ye Chen still remembered these people, he was not at all upset or angry with these people, he considered what the people who insulted him said to be dog barking.

There's no point in listening to the ramblings of people who don't even have the strength to protect themselves.

"Watch out for some magical beasts ahead." Feng Xuanyin warned Ye Chen and Xing Mei about several monsters approaching them.

Ye Chen and Xing Mei sensed that several monsters were approaching, judging by the sound of footsteps alone, there should be quite a number of them.

A few moments later from the distance appeared several large lizards, these lizards shot towards Ye Chen.

This lizard has large fangs and very strong poison, plus this lizard has a very strong tail that can be a weapon to cut his opponent.

"Lizard Stone" Xing Mei's instantly knew what was approaching towards them.

"Just a few lizards, it won't be difficult to fight them." Ye Chen said that it wouldn't be difficult.

"Lizard Stones have a strong physique, it will be difficult to break through their skin defenses." Feng Xuanyin told Ye Chen about the Lizard Stone which had a fairly strong physique.

"So what, I'll cut them all down" Ye Chen didn't care if the Lizard Stone had strong skin and great physical strength, he could definitely crush them with his sword skills.

Ye Chen used the Black Dragon Sword he had, Ye Chen immediately entered into the Dao of the sword mode.

The Lizard Stone charged at Ye Chen, they used their powerful tails and fangs to attack Ye Chen's

"Slash" with a very light slash, Ye Chen cut the body of the Lizard Stone that was heading towards them, the Lizard Stone had not even had time to attack.

With great ease, Ye Chen cut the Lizard Stone's body, the Lizard Stone's hard body didn't have any resistance at all when facing Ye Chen's slash.

"Great" Xing Mei didn't expect that Ye Chen would defeat the Lizard Stone in just a few steps, this was a truly extraordinary thing for Xing Mei to see.

Xing Mei didn't expect that Ye Chen would show such great improvement when he hadn't seen each other for several months, Ye Chen's strength was definitely above Xing Mei's imagination.

Ye Chen went to see the Lizard Stone he had killed, Ye Chen tried to find something worth taking.

Lizard Stone has a strong body skin, this skin can be used as a pretty good defensive Armor.

Ye Chen decided to keep this thing, in case someone might need it one day.

Ye Chen was a person who didn't waste anything valuable, as long as it could be useful, then Ye Chen would keep it to himself.

Feng Xuanyin and Xing Mei had no interest in dirty things like this, so the two of them let Ye Chen handle this matter alone.

After taking the skin from the Lizard Stone, Ye Chen continued on his journey together with Feng Xuanyin and Xing Mei.

The journey this time was a little challenging, the three of them had to go through several traps and obstacles on the way.

As of now the conditions of Ye Chen, Feng Xuanyin and Xing Mei were fine, the three of them were in good shape and they had not the least bit of abrasions.

This is of course thanks to Ye Chen, Ye Chen guides them to the right path, this makes the journey easy to pass.

"Master, there is an acquaintance in front who is having a bit of trouble." Chu Yuechan told Ye Chen that there was an acquaintance in front.

"Let's see who" Ye Chen wanted to know who Chu Yuechan was referring to, he wanted to see who was in trouble.

#### **Chapter 1240 - Helping The Woman From The Frozen Cloud Sect**

Ye Chen along with Xing Mei and Feng Xuanyin stepped forward, in front of them saw several women who were battling a worm monsters that had quite a lot of strength.

It was seen that these women were trapped in the threads made by the worm monsters.

This is a group from Frozen Cloud Sect, they are in trouble against the worm monsters in this place

"It seems they are in trouble" Ye Chen saw that Xue Muer was in trouble, it seemed he had to help them.

"Are you going to help them?" Xing Mei asked Ye Chen.

"Of course, there's no way I would let a beautiful woman get into trouble" Ye Chen said to Xing Mei.

Ye Chen couldn't possibly let these beauties into trouble, he had to go and help them all.

"Girls, do you guys need help?" Ye Chen asked the women from the Frozen Cloud Sect, wanting to know if they needed help or not.

.

"We don't need your help, we can handle this on our own." Xue Muer refused Ye Chen's help, she didn't want Ye Chen to help her.

"Oh, what a shame, but I wanted to help you Girls." Ye Chen was a little disappointed when Xue Muer chased him away, even though he had very good intentions.

Since Xue Muer didn't need any help from Ye Chen, Ye Chen decided to just look from the side.

The worm monsters saw the arrival of Ye Chen, they immediately attacked Ye Chen who was near them.

Ye Chen used his fist to fight worm monsters, Ye Chen easily smashed the caterpillar monster's body into pieces.

This made the worm monster feel scared, they immediately retreated and didn't dare attack Ye Chen.

The worm monsters decided to attack Xue Muer and the female disciple from the Frozen Cloud Sect, they decided to attack and capture them all.

"Ah. . ."A Moments later Xue Muer and the woman from the Frozen Cloud Sect were captured, they were all captured and tied up using the strong thread that the Worm had.

All the women from the Frozen Ice Sect were helpless, they were all caught by the strings that made them unable to move anymore.

After successfully capturing the women from the Frozen Ice Sect, the worm monsters opened their jaws, they intended to eat the women from the Frozen Ice Sect.

"Are you sure you don't need help?" Ye Chen asked all the women from the Frozen Cloud Sect, he wanted to know if they really didn't need his help.

"Please help us" Xue Muer had no choice but to agree with Ye Chen's help, she agreed to Ye Chen's help.

"You should ask better, I don't like your tone of voice" Ye Chen said that he didn't like Xue Muer's method of speaking, Xue Muer was not sincere when asking Ye Chen for help.

"What are you saying, you don't see that our situation is already in a bad state quickly help us" One of the female disciples from Frozen Cloud Sect said to Ye Chen that she wanted Ye Chen to help you.

"Whatever, if you don't want to then it's fine, I'm not the one who needs it after all," said Ye Chen indifferently.

If Ye Chen didn't get the sincerity of the women from the Frozen Cloud Sect, then Ye Chen would not help them.

The jaws of the worm monsters are getting closer, these jaws are very scary and disgusting.

"Ah no, help me" the female disciples from Frozen Cloud Sect asked for help, they didn't want to die in this place.

"Master, please save us" Xue Muer finally softened, she asked Ye Chen to help them.

"Very good, that's what I need" Seeing Xue Muer asking softly, Ye Chen decided to help them out of this situation.

Ye Chen took out his Black Dragon Sword, directly cutting the threads that bound the female disciple of the Frozen Cloud Sect.

The female disciples of the Frozen Cloud Sect were finally released, they were freed from the trap that the worm monsters had.

After freeing the prisoner, Ye Chen swung his sword to kill the cworm monsters.

Ye Chen slashed and destroyed the worm monsters that were in this place, the worm monsters had absolutely no resistance against Ye Chen, they were all very quickly exterminated by Ye Chen.

"He's so powerful" the female disciples from Frozen Cloud Sect were shocked when they saw Ye Chen's strength, they didn't expect Ye Chen to easily defeat all the monsters in just seconds.

"I told you before, this man is strong" Xue Muer said to all her friends that Ye Chen was a strong man, he could easily defeat a Monster that even they had a hard time fighting against.

After defeating all the monsters, Ye Chen sheathed his sword, himself headed towards Xue Muer and the woman from the Frozen Cloud Sect.

"Are you okay?" Ye Chen asked the situation of Xue Muer and the woman from the Frozen Cloud Sect.

"We are fine." Xue Muer said that they were fine.

Ye Chen was happy to hear that they were fine, it seemed that Ye Chen saved them in time, otherwise they would most likely have been eaten by the caterpillar monster.

"Then let's go first, thanks for helping" Xue Muer said goodbye, she had to continue on her way.

"let's go" Without waiting for Ye Chen's answer, Xue Muer invited all her group members to go on their way.

"uh. . , just like that?" Ye Chen didn't expect that Xue Muer and the female disciples from Frozen Cloud Sect would leave so soon, these ladies were too cold.

Xing Mei didn't like the attitude of Xue Muer and her group, it seemed that the previous lesson had not given any deterrent effect to Xue Muer.

"Looks like they ignored you, you shouldn't have helped them and let them be eaten by monsters" Feng Xuanyin came to Ye Chen's side, she laughed at Ye Chen who had been treated like this by the women from Frozen Cloud Sect.

"It doesn't matter, there's nothing wrong with helping beautiful women." Ye Chen immediately went against Feng Xuanyin's words, he had no problem with this, as long as he could help the beautiful women of the Frozen Cloud Sect, then it was fine.

"What the hell, why are you so good with them, and not with me?" Feng Xuanyin felt irritated when she heard this.

Feng Xuanyin felt that she was far above all the women from the Frozen Cloud Sect, but Ye Chen's treatment was completely different.

Feng Xuanyin knew that Ye Chen's attitude was slightly different towards her, it was obvious that Ye Chen had a crush on the women from the Frozen Cloud Sect.

"You are very strong, so why are you complaining like that, you can protect yourself" Ye Chen said to Feng Xuanyin.

Feng Xuanyin was a strong woman, so she shouldn't need any help from Ye Chen.

"Who said I am a strong woman, I am a weak woman" Feng Xuanyin said that she was weak and needed Ye Chen's protection.

"Who would believe that after seeing you destroy a group from the Poison Viper Sect" Ye Chen would not believe Feng Xuanyin's words.

How could someone who could easily kill everyone from the Poison Viper Sect be such a weak woman.

"\_-" Feng Xuanyin was helpless, it seemed that she could no longer pretend to be a weak woman and wanted to be protected.

"Let's continue our journey" Ye Chen took Feng Xuanyin and Xing Mei on a journey, they had to try to get to where the treasure was stored.
