

A True God 1241

Chapter 1241 - [Bonus]separated From The Group

Ye Chen, Xing Mei and Feng Xuanyin resumed their journey, when they flew to the front, they found that the passage had turned into a bush.

"What's with this place?" Xing Mei immediately found something odd when the walls were replaced by very thick bushes, She feeling a little strange when she saw this scene.

"We are entering the labyrinth" Ye Chen told Xing Mei that they were currently entering the labyrinth.

Ye Chen has already discovered this, this part is indeed the most troublesome, it will be a little difficult to get out of this place.

"Wait a minute, how can this be a labyrinth?" Why do you have this place if there is a labyrinth?" Xing Mei asked Ye Chen.

.

"Every door you take is a labyrinth, so don't blame me," Ye Chen said to Xing Mei.

It can be said that of the five existing doors, there is only one way out of the same.

Of the five entrances, they are all a labyrinth, this labyrinth connects all the existing doors, so in this place, they will meet every existing group.

"I see, that means we have to find a way out in this place." Feng Xuanyin finally realized what Ye Chen meant, she understood that everyone had to go through this labyrinth to reach the exit.

"That's right, it's not easy, you guys have to be careful" Ye Chen told everyone to be careful.

"What's so hard about this, we just need to burn the bushes, then we'll know where the exit is." Feng Xuanyin came up with an idea, herself using fire to burn the bushes that surrounded them.

Feng Xuanyin snapped her fingers, Feng Xuanyin prepared to destroy the bushes around this place.

"Don't do that" Ye Chen tried to stop Feng Xuanyin, he wanted Feng Xuanyin not to do such a thing.

Too bad Ye Chen was a little late, he was already late and Feng Xuanyin had already started burning the bushes.

As Feng Xuanyin burned the bushes, suddenly, several long and large roots began to shoot out from within the bushes, these roots instantly grasping Feng Xuanyin's body.

"damn how dare you" Feng Xuanyin used her power to burn the roots that caught her body.

The roots that caught Feng Xuanyin's body instantly burned into a puff of smoke.

After Feng Xuanyin destroyed the roots on her body, more roots headed towards Feng Xuanyin, all these roots went to attack Feng Xuanyin, Ye Chen and Xing Mei.

Ye Chen, Feng Xuanyin and Xing Mei tried to fight back, they attacked the roots trying to catch them.

The roots of the bushes were easily crushed and cut by Ye Chen.

Even though it was cut by Ye Chen, these roots still kept coming.

"damn this is endless" Ye Chen felt that the roots that attacked them were endless.

The number of roots attacking more and more, this overwhelmed Ye Chen.

"Let's run away" Ye Chen had no choice but to run away, if it continued like this, they would very quickly be suppressed by the roots that grew more and more as time went on.

Xing Mei and Feng Xue completely agreed with what Ye Chen had said, they had to leave this place as soon as possible.

Ye Chen, Xing Mei and Feng Xuanyin flew, the three of them tried to escape from the roots that were in this place.

Ye Chen used his full speed to catch up with Xing Mei and Feng Xuanyin, even though he was at full speed, Ye Chen still couldn't catch up.

"Damn, I'm too slow" Ye Chen felt that if he was too slow, if he continued like this, he would hinder the two of them.

The speed of the roots in this place is quite fast, they very quickly catch up with Ye Chen.

"They are getting closer, it seems that I have to put up a fight" Seeing the roots getting closer, Ye Chen had no choice but to put up a fight.

Unbeknownst to Feng Xuanyin and Xing Mei, Ye Chen stopped, he decided to fight the roots that were in this place.

Ye Chen raised the Black Dragon Sword, himself using the Black Dragon Sword against all the roots.

"Feel this" Ye Chen attacked all the roots that were heading towards him.

Xing Mei and Feng Xuanyin continued to advance forward, neither of them were aware that Ye Chen had stopped suddenly.

"Uh, where did he go?" After a while Xing Mei realized that Ye Chen was gone.

"Yes, where did Mr. Mask Hero go?" Feng Xuanyin also realized that she was no longer behind them.

"In this place, I can't use spirit sense." Feng Xuanyin finally realized that she couldn't use her spirit sense.

So it wasn't strange that the two of them were unconscious when Ye Chen disappeared.

"We should go back and look for him" Xing Mei suggested to Feng Xuanyin to go back and look for Ye Chen.

"Fine, I agree, after all without him it would be very difficult to get out of this place." Feng Xuanyin totally agreed with what Xing Mei said, without Ye Chen it would be very difficult to leave this confusing labyrinth.

The two decided to turn around and look for Ye Chen.

Xing Mei and Feng Xuanyin walked down the dark alley full of bushes for a long time, but the two of them did not find any whereabouts from Ye Chen.

"We've gone far enough, why don't we meet him?" Xing Mei felt strange, even though they had walked quite a distance, but they found no whereabouts or signs of Ye Chen's whereabouts.

"This is indeed strange, it seems that the path we are taking is different from before." Feng Xuanyin discovered that the path they were on was different from before.

"Don't tell me this place is moving." Xing Mei finally concluded that the labyrinth passages could move.

"That's likely the case." Feng Xuanyin also thought the same thing, most likely the passage in this place moved and changed the route they had previously walked.

"So now all we can do is advance forward." Xing Mei said to Feng Xuanyin, it seemed that they could only advance forward.

"We can only go forward, otherwise we will be trapped in this place." Feng Xuanyin ordered to continue forward, otherwise they would still be stuck in this place.

Retreating was impossible for them to do, so right now all they could do was advance forward.

Xing Mei and Feng Xuanyin could only step forward, Xing Mei was actually uncomfortable when she had to be with Feng Xuanyin, but she had no choice but to work together to get out of this matter.

.

.

Meanwhile where Ye Chen was, Ye Chen continued to battle against the roots that kept coming like there was no end.

Ye Chen can only keep swinging his sword, while Ye Chen can practice the strength he has.

After time passed, suddenly the roots retreated and returned to the bushes.

"Uh, why did they back off?" Ye Chen started to wonder why the roots retreated all of a sudden.

"It seems that they have completed the task, it seems that Feng Xuanyin and Xing Mei are far away from you." Chu Yuechan said to Ye Chen that Root just now tried to separate Ye Chen from Xing Mei and Feng Xuanyin.

Chapter 1242 - Chu Ning'er

"I see, then I have to look for the two of them." Ye Chen finally realized that the roots just now were just stalling for his time, actually their only goal was to separate Ye Chen from the group.

Ye Chen used God Eyes to search for Xing Mei's whereabouts, when Ye Chen used God Eyes, he found that there were only bushes in front of him.

"Damn, what happened, why is this different from before" Ye Chen couldn't see anything, it seemed that there was a great power blocking him.

"There seems to be a great power blocking your path, that means you won't be able to use your God Eyes and Spirit Senses as well," Chu Yuechan said to Ye Chen.

"Now I have nothing to rely on anymore, it seems I have to use the instincts I have." Now Ye Chen couldn't use the God Eyes that he relied on the most in this situation, so Ye Chen couldn't see the right path.

This became more and more difficult, it seemed that Ye Chen could only go on ahead and find a way out.

Ye Chen hoped that Xing Mei would be fine, otherwise Ye Chen didn't know what to do.

Ye Chen continued to advance forward, relying on his instincts to find a way out of this place.

Ye Chen's journey was not easy, he had met several Magical Beasts which were quite troublesome, plus this place was too strange and could make Ye Chen feel confused.

Ye Chen continued to advance forward, himself past all the obstacles and traps that were in front of him.

This was indeed very troublesome, but Ye Chen couldn't complain because he was already trapped in this place.

Time quickly flew by, almost 5 days had passed since Ye Chen entered the labyrinth.

"Wait, haven't I been through this place hundreds of times?" Ye Chen finally realized that he was just circling around this place, during these 5 days, Ye Chen didn't make any progress, he just circled around in this place.

The maze this time had made Ye Chen feel very dizzy, he was really confused to get out of this place.

"master, you look like you have a lot on your mind, are you okay?" Chu Yuechan said to Ye Chen who seemed to have a lot on his mind as he kept going in circles for a few days.

"What do you think, this place is really annoying, I have been made to wander around and find no way out" Ye Chen told Chu Yuechan that he was fed up of being made to circle around this place.

"I'll give you a hint, someone controls this place, so you should be able to find the whereabouts" Chu Yuechan told Ye Chen that someone controlled this place.

"what ! !,how is that possible, is there someone alive in this place?" Ye Chen couldn't believe what Chu Yuechan said, he couldn't believe that this place was controlled by something

"I can only faintly sense this existence, so I can't really confirm if it's a spirit or something I don't know" Chu Yuechan said that he didn't know what kind of being that controlled this place was.

"Okay, I'll look for it" Ye Chen decided to find out what Chu Yuechan said.

He had to find the whereabouts of the individual who controlled this place.

Ye Chen continued to advance forward, he started to get very serious when looking for the whereabouts of the person who controlled this place.

Just as Ye Chen was seriously searching for the whereabouts of the individual controlling this place, he discovered that there were two people in front of him.

For the first time in 5 days, Ye Chen met someone.

"looks familiar" Ye Chen felt familiar with the person in front of him.

The person in front of Ye Chen was Tu Tiyun, he was currently riding his Magical Beast while bullying a little girl.

This little girl cried when being bullied by Ye Chen, it seemed that it was Tu Tiyun who had made this girl cry.

"You . . ." Ye Chen and Tu Tiyun stared at each other, neither of them had any contact, so both of them felt foreign to each other.

"What are you doing here?" Tu Tiyun asked what Ye Chen was doing.

"Shouldn't I be the one asking about this matter, what are you doing in this place while bullying the little girl" Ye Chen returned the question from Tu Tiyun.

"This is none of your business, you should mind your own business." Tu Tiyun said to Ye Chen.

"Of course it's my business, I won't let you" said Ye Chen.

"Damn it, you are really very annoying, feel this" Tu Tiyun was annoyed when he saw Ye Chen who had dared to return his words, he was most annoyed when he saw someone answering himself in an unpleasant tone.

"What, you want to fight with me, come forward" Ye Chen told Tu Tiyun to come forward, he was not afraid of Tu Tiyun.

"You seek death" Tu Tiyun was very annoyed, he ordered his Magical Beast to go and kill Ye Chen.

Ye Chen stretched out his hand, he only needed one hand to take care of Tu Tiyun's pet lightning wolf.

"Roar. . ." The lightning wolf was slammed by Ye Chen, this lightning wolf howled in pain when it was slammed by Ye Chen very hard.

Tu Tiyun who was on his mount immediately fell, he bounced several meters before crashing into the bushes.

"Damn it" Tu Tiyun didn't expect that Ye Chen would become so powerful, Ye Chen even only needed one hand to take care of his lightning wolf.

"Is this all you can do?" Ye Chen asked Tu Tiyun, Ye Chen felt that Tu Tiyun was very weak, the Magical Beast that he had could not match Ye Chen at all.

"Damn you watch" Tu Tiyun didn't attack Ye Chen, he preferred to run away from this place.

With his mount which was a lightning wolf, Tu Tiyun very quickly left this place, himself leaving like a cat that was trampled on by its tail.

"He ran away" Ye Chen saw Tu Tiyun who ran away, this man was not what he imagined.

Ye Chen turned his attention to the little girl who was crying, he didn't know why a little girl had entered such a very dangerous place.

"Little girl, are you okay?" Ye Chen asked about the little girl's condition, he wanted to know if this little girl was okay.

The little girl looked up, herself looking at Ye Chen who was in front of her.

"Where's the scary big brother just now?" This little girl asked where the scary big brother was.

"He's gone, I kicked him out." Ye Chen told this little girl that he had driven this person away from this place.

"Really" the little girl was overjoyed when she heard this, she hurriedly took a look and confirmed what Ye Chen said was the truth.

"Wow, big brother is really great for being able to chase away that person" This girl said that Ye Chen was a very great person, Ye Chen could drive away Tu Tiyun who was scary for little girls.

"What's your name?" Ye Chen asked what this little girl's name was, he wanted to know about this little girl's name.

"My name is Chu Ning'er" the little girl told Ye Chen her name.

"Then what are you doing in this place?" Ye Chen asked Chu Ning'er about what this girl was doing in this place.

"Why am I here, of course because I live in this place" Chu Ning'er said to Ye Chen.

Chapter 1243 - Yin & Yang Core Tree

"Huh, living in this place, what do you mean?" Ye Chen felt that he had misheard what this little girl had just said.

"I live in this place, is there really something wrong?" Chu Ning'er asked Ye Chen.

"Of course something is wrong, how can you live in a place like this." Ye Chen didn't know how Chu Ning'er lived in such a pitiful place.

"That's because I'm the guardian of this place." Chu Ning'er told Ye Chen that she was guarding this place.

"guardian?, you guardian in this place?" Ye Chen asked Chu Ning'er.

"um" Chu Ning'er nodded to Ye Chen, confirming what she just said.

Ye Chen started to think, how could a girl like this live in a place like this...

After thinking for a while, Ye Chen finally thought about this little girl.

"Yuechan, is this girl you were referring to just now?" Ye Chen asked Chu Yuechan.

Ye Chen asked if this girl was the one controlling this place.

"Most likely, she is a bit special" Chu Yuechan said to Ye Chen.

Chu Yuechan confirmed what Ye Chen said, only that he still vaguely guessed this little girl.

"That's great, then I'll ask her to show me the way." Ye Chen would ask Chu Ning'er to show him the way.

"Ning'er, can you show me the way?" Ye Chen asked if Chu Ning'er would show him the way to go.

"Of course, but it's not free." Chu Ning'er told Ye Chen that it wasn't free.

"what do you want?" Ye Chen asked Chu Ning'er.

"What does big brother have?" Chu Ning'er asked Ye Chen.

"Would you like some candy?" Ye Chen offered Chu Ning'er fruit candy, who knows Chu Ning'er might like this.

"Candy?, what is it?" Chu Ning'er asked what Ye Chen just said, she asked what Ye Chen meant.

"This is what I mean." Ye Chen took out a lollipop and showed it to Chu Ning'er.

Chu Ning'er's eyes lit up when she saw what Ye Chen had just released.

"Big brother let me try it" Chu Ning'er immediately grabbed the lollipop in Ye Chen's hand, Chu Ning'er did this at such a fast speed that Ye Chen didn't have time to react.

"What was that just now?" Ye Chen didn't know what just happened, he didn't know what just happened, how could Chu Ning'er move so fast.

Chu Ning'er had already started to lick the lollipop in her hand, she started to try what kind of thing Ye Chen just took out.

"It's pretty good." Chu Ning'er liked this quite a bit, she thought it tasted pretty good.

"You like it?" Ye Chen asked Chu Ning'er.

"Of course it tastes pretty good." Chu Ning'er nodded, herself saying that it tasted pretty good.

"Good if you like it, so can you show me the way?" Ye Chen wanted Chu Ning'er to show him the way.

"Alright, come with me." Chu Ning'er finally agreed to show Ye Chen the way, she told Ye Chen to follow her.

Ye Chen followed Chu Ning'er, he firmly believed that Chu Ning'er would guide him.

Chu Ning'er led the way while eating the lollipop, she was very happy with the thing that Ye Chen gave her.

"Big brother what are you doing?" Chu Ning'er asked what Ye Chen was doing in this place.

"I'm lost and don't know the way out" Ye Chen told Chu Ning'er that he was lost and didn't know the way out.

"It's really difficult here, not many people can escape after entering this place." Chu Ning'er nodded, herself telling Ye Chen that not many people could escape after entering this place.

"Do you know why that happened?" Ye Chen asked Chu Ning'er.

Ye Chen wanted to know the reason why Chu Ning'er said something like this, exactly what was hidden in this place.

"Big brother will know about it soon" Chu Ning'er informed that Ye Chen would soon find out about this matter.

Chu Ning'er suddenly took Ye Chen to a strange place, in this place there is a very large tree, Ye Chen is like a pebble in front of this tree.

"what's this?" Ye Chen started to wonder what kind of tree was this in front of him.

"Isn't this the Yin & Yang core tree?" Chu Yuechan immediately realized that this was the Yin & Yang core tree.

"Yin & Yang Core Tree, what is it?, please explain to me" Ye Chen wanted Chu Yuechan to explain about Yin & Yang Core Tree to himself.

"The Yin & Yang core tree is a very precious tree, this tree has a strong source of Yin & Yang, there is also a fruit called Yin & Yang Life Fruit, this fruit can make cultivators who use it gain extraordinary power" Chu Yuechan explained to Ye Chen about the Yin & Yang Core Tree.

"Wow, how great is that?" Ye Chen couldn't believe that the Yin & Yang Core Tree would become that great.

"You better come close and absorb the Yin around this tree, this will definitely help you" Chu Yuechan told Ye Chen to go and absorb the Yin around the Yin & Yang Core tree.

"Okay, I'll do it" After knowing this, Ye Chen immediately rushed to the tree, himself sat cross-legged and began to absorb the Yin around this place.

Ye Chen was quite surprised when he started cultivating the Passion Goddess technique, Ye Chen found that the Yin Qi in this place was very rich.

This amount was something extraordinary, it could allow Ye Chen to make a huge profit.

Ye Chen began to sink into his cultivation, he focused on cultivating the Yin Qi around this place.

"Little girl come in." Chu Yuechan told Chu Ning'er to enter the fairy gate.

"Big sister, what do you need from me?" Chu Ning'er asked Chu Yuechan, it seemed that Chu Ning'er had already noticed Chu Yuechan who was in Ye Chen's body.

"I want to discuss something with you, so quickly come and see me" Chu Yuechan said to Chu Ning'er.

"Why not a beautiful big sister come out" said Chu Ning'er to Chu Yuechan.

"I can't do that, so hurry in now." Chu Yuechan used her dominance to make Chu Ning'er enter the fairy gate.

"Alright" Chu Ning'er disappeared from this world and entered the fairy gate.

Chu Ning'er entered the fairy gate, she entered the fairy gate and looked at Chu Yuechan who was in front of her.

"Wow, big sister is very beautiful." Chu Ning'er said that Chu Yuechan was very beautiful.

"Stop messing with me, quickly show me your true form." Chu Yuechan told Chu Ning'er to show her true form.

"Looks like I can't hide anything from beautiful big sister." Chu Ning'er's body began to be enveloped by light, after a while Chu Ning'er's appearance changed.

Chu Ning'er changed from a girl to a mature woman who had an extremely beautiful appearance and was full of charm.

Behind his back was the exact same affection that Chu Yuechan had.

"So sister, what do you need from me?" Chu Ning'er's tone changed, she no longer sounded like a weak little girl.

"That's good, I didn't expect to see a fairy race in a place like this." Chu Yuechan didn't expect that she would see her own race in this place.

Chapter 1244 - Information From Chu Ning'er

"It's not strange that you think that way, the fairy race is very rare in the God Realm, so there isn't much of us left," Chu Ning'er said to Chu Yuechan.

"You, What are you doing in this place, are you in this place to guard the Yin & Yang core tree?" Chu Yuechan asked Chu Ning'er.

"I am here to take care of this tree, if I am far away then I will lose the strength that I have" Chu Ning'er said to Chu Yuechan.

Chu Ning'er stayed and took care of this place, she spent the time she had to stay and take care of this Yin & Yang Core Tree.

"Aren't you tired of living in such a slum?" Chu Yuechan asked Chu Ning'er.

"To be honest I'm bored, but if I stay away from the Yin & Yang core tree, my strength becomes weak" Chu Ning'er said to Chu Yuechan.

Chu Ning'er could not go far from this tree, otherwise her strength would be very weak.

"So you were forced to live in a slum like this" Chu Yuechan said to Chu Ning'er...

Chu Ning'er nodded, she was forced to stay in this place, otherwise Chu Ning'er would not be able to survive in this world.

"I envy you, you have such an extraordinary private place, if only I had one like yours" Chu Ning'er envied Chu Yuechan who had a fairy gate, this place was much better than the slums she lived in .

"Hehehe, if you are envious how about you just stay in this place?" Chu Yuechan said to Chu Ning'er.

"Living in this place?, you mean I have to acknowledge that man as master?" Chu Ning'er said to Chu Yuechan.

"Of course, otherwise how could I let you stay in this place" Chu Yuechan said to Chu Ning'er.

Chu Yuechan was willing to accept Chu Ning'er, but on the condition that she had to go and make Ye Chen her master, otherwise Chu Yuechan would not let Chu Ning'er stay in this place.

"How can that be, I am a fairy, a normal man would not be worthy of being my master" Chu Ning'er said to Chu Yuechan.

The fairy race was a race that had extremely high self-esteem, they would not acknowledge someone weaker than themselves as master.

"Is that so, do you think I followed him for no reason?" Chu Yuechan said to Chu Ning'er.

"You mean?" Chu Ning'er asked Chu Yuechan, Chu Ning'er wanted to know what Chu Yuechan meant.

"My master is the greatest person, he has many secrets in his body, in this world you probably won't find one like him" Chu Yuechan said to Chu Ning'er.

Chu Yuechan started to boast about Ye Chen in front of Chu Ning'er herself telling Chu Ning'er that Ye Chen had many things that no one else had.

"What is it that makes it so special?" Chu Ning'er asked what made Chu Yuechan admire Ye Chen so much.

Chu Ning'er was still licking the lollipop in her hand, she still looked very relaxed when talking about this.

"That's because he has the inheritance of the most powerful true god" Chu Yuechan said to Chu Ning'er.

"what ! ! !" Chu Ning'er was startled when she heard this, she couldn't believe what she had just heard from Chu Yuechan.

"You must be bragging to me, how could that be?" Chu Ning'er couldn't believe what Chu Yuechan said.

This is a very difficult thing to say, it is clear that this is an impossible thing.

The inheritance of a true God is something precious, it must be very difficult to obtain it.

"Why would I lie to you, after all, there is no benefit for me to lie to you?" Chu Yuechan said that there was no use in lying to her, this was absolutely no benefit for Chu Yuechan.

Chu Ning'er saw the seriousness shown by Chu Yuechan, it seemed that Chu Yuechan was really serious about this matter.

Chu Ning'er did feel something from Ye Chen, perhaps this was because of the true god inheritance that Ye Chen had.

"Is that so, then I will take care of him first, if he is suitable I might agree to your terms" Chu Ning'er said that she would see how great Ye Chen was, otherwise Chu Ning'er would not want to admit Ye Chen.

"It's up to you" Chu Yuechan is okay with this, let Chu Ning'er see Ye Chen for a while.

"So what true God does he have?" Chu Ning'er asked what kind of inheritance did Ye Chen have, she wanted to know more about this.

"Didn't I tell you that my master inherited the inheritance of the strongest god" Chu Yuechan said to Chu Ning'er.

"The strongest true god?, is it the Sage God?" Chu Ning'er remembered the strongest true god in the past who was the most difficult to defeat.

"Of course" Chu Yuechan nodded to Chu Ning'er, herself telling Chu Ning'er about a matter that was quite secret.

"Is it okay to tell me this matter?" Chu Ning'er said to Chu Yuechan.

"Of course not, you can't leave this place after all, so there's no problem telling this matter" Chu Yuechan said to Chu Ning'er.

"umm, how cruel, how can you say that" Chu Ning'er looked sad when she heard this, she was really saddened by Chu Yuechan words.

"Stop acting in front of me, I hate it." Chu Yuechan told Chu Ning'er not to act in front of him.

"Oh yes, in this place there is an inheritance from the Sage God." Chu Ning'er told Chu Yuechan that in the Heavenly Thunder Valley Sect there is a relic of the Sage God.

" what's that ?" Chu Yuechan asked Chu Ning'er, Chu Yuechan wanted to know the details of Chu Ning'er's words.

"If I'm not mistaken, it's a crystal, it's the crystal that makes all the stars in this place filled with lightning," said Chu Ning'er.

"Where is it now?" Chu Yuechan asked where it was now, he would tell this to Ye Chen.

"It is placed in a small world that is in the deepest part, there is also a place where the treasures of the Sect are kept" Chu Ning'er said to Chu Yuechan.

"So it's like that, then I will tell master about this matter." Chu Yuechan would tell Ye Chen about the matter.

"Oh yeah, one more thing, the guards in that place are very strong, so it won't be easy to obtain" Chu Ning'er said to Chu Yuechan.

Chu Ning'er provided very valuable information, information from Chu Ning'er was very useful.

"Why are you giving this information to me?" Chu Yuechan was a little suspicious of Chu Ning'er giving this information to her.

"That's because I want to see what kind of person you are proud of, I want to know and see what kind of performance he can put on" Chu Ning'er said to Chu Yuechan.

Chu Ning'er's goal is to see Ye Chen's ability, Chu Ning'er wants to see how Ye Chen is dealing with a dangerous situation.

"So that's your goal." Chu Yuechan understood, Chu Ning'er actually wanted to test Ye Chen's abilities.

"Okay, that's all we're talking about, why don't you take me to go around this place, I want to see the future house I will live in." Chu Ning'er wanted to go around the fairy gate, she wanted to see what the fairy gate looked like. owned by Chu Yuechan.

"Then come with me, I'll show you around." Chu Yuechan agreed to take Chu Ning'er on a tour.

Chapter 1245 - Yin & Yang Fruit Of Life

Ye Chen continued to absorb Yin from the Yin & Yang core tree, Ye Chen had been cultivating in this place for a few days, in these few days Ye Chen had a tremendous increase in strength, Ye Chen had broken through to the highest level of the Divine Tribulation Realm .

Ye Chen opened his eyes, now he has reached the tenth level of the Divine Tribulation Realm.

"I've already reached the tenth level of the Divine Tribulation Realm, now I only need one more step." Ye Chen was very happy with this increase in strength, he increased several levels at once while absorbing the Yin from this tree.

The Yin of the Yin & Yang core tree had already accumulated for hundreds of thousands of years, so it was not surprising that when Ye Chen used it, Ye Chen could increase his strength to this level.

"Master, don't be in a hurry, you are not able to endure the Divine Tribulation yet, so don't be in a hurry, you must prepare everything thoroughly, or you will be turned into dust by the Divine Tribulation." Chu Yuechan hurriedly stopped Ye Chen, Chu Yuechan didn't Ye Chen was too hasty in breaking through to the Divine Rebirth Realm.

all cultivators who were going to break through to the Divine Rebirth Realm had to go through a tribulation, they had to receive a thunderbolt from heaven to become an even higher being.

The path to becoming a god is a very, very difficult path, many cultivators fail to do so.

Most cultivators who fail upon ascension to the Divine Rebirth Realm, they will become permanently disabled and the worst possibility is death.

There have been many geniuses from various eras who had to give up their dreams for not being able to endure the heavenly tribulation.

"Okay I understand" Ye Chen understood, he would not rush to break through.

"Good. . ." Chu Yuechan was happy that Ye Chen was willing to listen to her.

Chu Yuechan was afraid that if Ye Chen failed at this stage, if that was the case, then it would be very serious.

The more genius a person was then they would have to endure a heavenly tribulation that was far more terrifying than most normal people, so someone like Ye Chen would definitely encounter something extremely terrifying once.

Chu Yuechan couldn't think how Ye Chen would face the heavenly lightning later, how much heavenly lightning Ye Chen would have to endure.

With Ye Chen's Sage God inheritance, it would definitely not be as simple as imagined, which was why Chu Yuechan didn't want Ye Chen to be rash and rush.

"Yuechan, does everyone have to go through heavenly tribulation to become stronger?" Ye Chen asked Chu Yuechan.

"Not really, there are some people with pure divine bloodlines who don't need to experience heavenly tribulation, those who can guard bloodlines don't need to experience this" Chu Yuechan said.

"How do they do that?" Ye Chen asked Chu Yuechan, Ye Chen wanted to know how to keep their blood pure.

"Each god has a special method to do this, this method will not be revealed to outsiders" Chu Yuechan said to Ye Chen.

This method is very secretive, outsiders can't possibly know about this method, if they did know about it, they would definitely be hunted down and killed so they wouldn't leak it.

"Then who are the people who have a pure bloodline?" Ye Chen asked Chu Yuechan, Ye Chen wanted to know who was the person who didn't need to do that.

"Examples are Dongfang Xiu and also Yue Ya, they both still have extremely pure blood, so neither of them need to go through heavenly tribulation" Chu Yuechan said to Ye Chen.

Chu Yuechan set an example for Ye Chen, she telling Ye Chen that Dongfang Xiu and Yue Ya were examples who did not need to experience heavenly tribulation.

"So the two of them don't need to experience heavenly tribulation" Ye Chen didn't expect that Yue Ya and Dongfang Xiu would be such a special person.

"There are also ways to reduce the impact of Heavenly Tribulation, but that requires a lot of resources, usually only rich families can afford to do this." Chu Yuechan said to Ye Chen.

Ye Chen nodded, apparently there is a method that can reduce the impact of the heavenly tribulation, it seems that Ye Chen must use this in order to escape the heavenly tribulation.

When Ye Chen asked about this matter, Chu Yuechan happily answered Ye Chen's question, he told Ye Chen about the ingredients and how to use this method.

"Your big brother is awake?" Chu Ning'er came over to Ye Chen, at this time Chu Ning'er was using the appearance of a little girl to approach Ye Chen.

"Where have you been?" Ye Chen asked where Chu Ning'er had been all this time.

"I was walking around this place, really bored waiting for you to cultivate" Chu Ning'er said to Ye Chen.

Chu Ning'er went around together with Chu Yuechan, she was having fun inside the fairy gate together with Chu Yuechan.

Chu Ning'er didn't want to tell Ye Chen about this matter, so she just told her that she was going around.

"Ning'er can you take me to find my friend?" Ye Chen asked Chu Ning'er to help him find Xing Mei.

"Of course, but it's not free." Chu Ning'er was of course willing to help Ye Chen, but with some reward from Ye Chen.

"Would you like some more candy?" Ye Chen asked Chu Ning'er.

"Of course, I like sweets." Chu Ning'er nodded, she liked the sweets that Ye Chen gave her.

Ye Chen took out a lot of lollipops, giving them all to Chu Ning'er.

Chu Ning'er's eyes lit up when she saw the lollipop in Ye Chen's hand, she immediately took all the candy that was in Ye Chen's hand.

"Big brother is very kind, thank you very much" Chu Ning'er thanked Ye Chen, she was grateful for Ye Chen's kindness.

"Come on, come with me." Chu Ning'er took Ye Chen to find Xing Mei's whereabouts, Chu Ning'er could make Ye Chen find Xing Mei's whereabouts.

Ye Chen didn't think much, he went and followed Chu Ning'er, let Chu Ning'er lead the way for him.

When Ye Chen was about to leave this place, suddenly a branch from the Yin & Yang core tree fell down and was in front of Ye Chen, this branch blocked the path that Ye Chen was about to walk.

" what?" Ye Chen didn't understand why the Yin & Yang core tree stopped him.

In front of Ye Chen suddenly appeared a fruit, this fruit is the fruit that comes from the Yin & Yang core tree.

"Big brother seems like the Yin & Yang Core tree gave you the Yin & Yang Life Fruit, you should take it" Chu Ning'er told Ye Chen that the Yin & Yang Core tree gave Ye Chen the Yin & Yang Life Fruit.

"Oh, I see" Ye Chen now understood what had happened, Ye Chen took the Yin & Yang Life Fruit, he plucked the fruit.

After Ye Chen picked the Yin & Yang Life Fruit, the tree branch returned to the top, and stopped blocking Ye Chen's path.

"Interesting, even the Yin & Yang core tree gave him the Yin & Yang Life Fruit." Chu Ning'er was surprised by this, it was rare for the Yin & Yang core tree to give her own fruit to someone.

As long as Chu Ning'er was guarding this tree, she had only seen this scene a few times, all those who received the gifts from the Yin & Yang core tree were people with bright futures.

So it was very likely that Ye Chen would have a very bright future, he could definitely become a great person.

Chapter 1246 - Nine Heaven Pure Yin Body

"Come on, let's go." Ye Chen asked Chu Ning'er to leave this place, he wanted to leave this place immediately and look for Xing Mei's whereabouts.

"Okay" Chu Ning'er nodded, she asked Ye Chen to leave this place.

Chu Ning'er guided Ye Chen, she seemed to be very familiar with the routes in this place.

"Big brother, in front of you is a person who has faint strength." Chu Ning'er told Ye Chen that in front of her was someone with extremely strong strength.

"Really, then I have to be a little wary." After hearing Chu Ning'er's warning, Ye Chen immediately became very alert, he became very wary of the person Chu Ning'er was referring to.

what Chu Ning'er said became the truth, Ye Chen started to see someone in front of him.

.

Ye Chen increased his vigilance, he had to stay alert if this person attacked him suddenly.

Finally Ye Chen could see the person in front of him, the person in front of him was no stranger to Ye Chen, this was Feng Xuanyin.

"Feng Xuanyin, is that you?" Ye Chen called out to Feng Xuanyin, he wanted to make sure that this was really Feng Xuanyin.

"Master Mask Hero, is that you?" Feng Xuanyin answered Ye Chen, she went closer to Ye Chen.

"Where's my friend?" Ye Chen asked where Xing Mei was, should Xing Mei be with Feng Xuanyin.

"I don't know where she is now, I separated from her a few days ago" Feng Xuanyin informed that she had separated from Xing Mei a few days ago.

"Is that so" Ye Chen became more and more worried about Xing Mei's safety, he hoped that Xing Mei would be fine and not experience anything bad.

"Have you been alone all this time?" Feng Xuanyin asked Ye Chen.

" alone?" Ye Chen felt strange about the question asked by Feng Xuanyin, obviously he was currently with Chu Ning'er.

"Master, she will not be able to see the whereabouts of Chu Ning'er, Chu Ning'er is only showing herself to you." Chu Yuechan told Ye Chen that Feng Xuanyin would not be able to see Chu Ning'er.

"So this woman won't be able to see Ning'er's whereabouts".

It would not be strange if Feng Xuanyin thought of himself as alone, it turned out that Chu Ning'er did not reveal herself to Feng Xuanyin.

"How strange, why is Chu Ning'er only showing herself to me and not showing herself to Feng Xuanyin?" Ye Chen felt very strange about this, why did Chu Ning'er not want to show herself to Feng Xuanyin, what actually happened.

"Chu Ning'er most likely sensed the danger from this woman, that's why she didn't want to show herself." Chu Yuechan concluded that Chu Ning'er didn't want to reveal herself for some reason.

"Yes, this woman is indeed a little dangerous." Ye Chen strongly agreed with Chu Ning'er, Feng Xuanyin was indeed a little dangerous.

"Why are you silent?" Feng Xuanyin asked why Ye Chen was silent and did not answer himself.

"no problem, let's go and find my friend a way out of this place" Ye Chen took Feng Xuanyin to go find Xing Mei.

"Alright, let's go." Feng Xuanyin nodded, willing herself to go together with Ye Chen.

Feng Xuanyin was already very happy when she met Ye Chen, she was already very hungry and needed someone with pure Yang Qi like Ye Chen.

"I think I will eat it" Feng Xuanyin said in her heart, she wanted to eat Ye Chen immediately.

Ye Chen felt something bad, for some reason he got a little goosebumps when he was near Feng Xuanyin.

"What the hell is this woman, why is her gaze like that?" Ye Chen began to sense Feng Xuanyin's intent, Feng Xuanyin's gaze was like a hungry wolf.

"Fufufu, looks like something interesting is going to happen." Chu Ning'er sensed something interesting, she couldn't wait for the show to take place.

Chu Ning'er purposely guided Ye Chen to where Feng Xuanyin was, she wanted to see how Ye Chen handled this woman.

Chu Ning'er wanted to see Ye Chen's performance when facing Feng Xuanyin.

Ye Chen and Feng Xuanyin went through the labyrinth, the two walking side by side.

Feng Xuanyin started trying to approach Ye Chen, herself approaching Ye Chen who was next to her.

"Hey, why are you sticking like that?" Ye Chen started to ask why Feng Xuanyin was so attached to him.

" why, you know I'm afraid to be here, as a man you have to protect me" Feng Xuanyin started to act like a weak girl who needed to be protected by Ye Chen.

"You are not a weak girl who needs protection from me" Ye Chen said to Feng Xuanyin.

Ye Chen knew that Feng Xuanyin was a strong woman who didn't need her protection.

"Why are you so cruel to a beautiful woman like me, you in this world no one has ever refused to be close to me" Feng Xuanyin said to Ye Chen.

"Not really, you can count me as the only person who rejected you" Ye Chen said nonchalantly.

Ye Chen was forced to act like this, otherwise Feng Xuanyin would definitely not let him go.

Feng Xuanyin paused as she listened to what Ye Chen had just said to her.

"Geez, you are the most troublesome man I have ever met, are you actually normal or not?" Feng Xuanyin couldn't stand Ye Chen's attitude anymore, this man was really unapproachable.

"Of course I'm still normal, what kind of man do you think I am?" Ye Chen said to Feng Xuanyin.

Ye Chen immediately refuted Feng Xuanyin's words, Ye Chen was still a normal man who liked a beautiful woman.

"Really?, then let's see if your words are true or not" Feng Xuanyin was going to prove what Ye Chen had just said.

Feng Xuanyin started to take off the mask that was on her face, when Feng Xuanyin took off the mask that was on her face, an extremely beautiful, gentle and charming figure appeared in Ye Chen's eyes. men who saw it felt crazy and excited.

"This woman is too beautiful and seductive" Even after seeing Feng Xuanyin, it was still a temptation that Ye Chen could not easily resist, even Ye Chen had a hard time fighting Feng Xuanyin's strong charm.

Feng Xuanyin's smile was too strong, Ye Chen felt a strong pressure in his heart.

"why are you turning your face away, are you embarrassed, funny thing" Feng Xuanyin felt proud when she saw Ye Chen who turned her face away, it seemed that Ye Chen was embarrassed when he looked at Feng Xuanyin.

After being with Ye Chen for so long, Feng Xuanyin was finally able to make Ye Chen's attitude change slightly.

"Looks like it's working, time to tease him" Seeing that this method worked, Feng Xuanyin decided to start teasing Ye Chen.

Feng Xuanyin needed Ye Chen's Yang Qi, Ye Chen's Yang Qi was like food to a cultivator like Feng Xuanyin.

"Master, this woman is the owner of the Nine Heaven Pure Yin Body, it is only natural that she has a very rich Yin Qi," Chu Yuechan said to Ye Chen.

Chu Yuechan, finally got to know Feng Xuanyin's body, after Feng Xuanyin took off her mask, the barrier around Feng Xuanyin's body disappeared and allowed Chu Yuechan to see Feng Xuanyin's special body.

Chapter 1247 - The Irresistible Temptation Of A Goddess (1)

"Wow, she has such a rare body." Chu Ning'er was also shocked when she saw Feng Xuanyin's Nine Heaven Pure Yin Body.

This special body is as rare as Ye Chen's, it is not strange that Chu Ning'er feels a strong feeling, it turns out that this woman has a good capital.

"It's not strange that this woman keeps trying to get close to you, it turns out that she is after the Yang Qi you have." Chu Yuechan told Ye Chen that Feng Xuanyin was eyeing Him.

"What does she really need from the pure Yang Qi that I have?" Ye Chen asked Chu Yuechan.

"That, she needs Yang Qi to awaken her body, if I'm not mistaken she still hasn't fully awakened the Nine Heavens Pure Yin Body, so she needs an enormous amount of Yang Qi." Chu Yuechan explained this to Ye Chen.

"You are one of his favorite things, so she will definitely try to eat you." Chu Yuechan told Ye Chen that Feng Xuanyin would try to eat Ye Chen...

"Then I have to fight her" After hearing this, Ye Chen had no choice but to fight, he couldn't let Feng Xuanyin do whatever she wanted to him.

"That's right, you have to fight back, you have to get this woman's Yin Qi." Chu Yuechan agreed with what Ye Chen said, Ye Chen had to get the Yin Qi that belonged to Feng Xuanyin.

Ye Chen almost fell down after hearing what Chu Yuechan said, even though that was not Ye Chen's intention.

"That's not what I meant" Ye Chen said that was not what he wanted.

"Then what?, are you going to throw her away, don't do that, you'd better take advantage of the situation and make this woman a good reserve resource for the future" Chu Yuechan said to Ye Chen.

Chu Yuechan wanted Ye Chen to make the most of Feng Xuanyin, lest Ye Chen waste the golden opportunity to meet the owner of the Nine Heaven Pure Yin Body.

The owner of the Nine Heaven Pure Yin Body was something of a rarity, so Ye Chen would likely only run into this thing once, so Chu Yuechan wanted Ye Chen to make the most of this opportunity.

Ye Chen understood what Chu Yuechan meant, Chu Yuechan wanted Ye Chen to form a relationship with Feng Xuanyin, making a relationship with Feng Xuanyin would allow Ye Chen to benefit in the future.

"Master, just let her try your taste, I'm very sure that he will like it." Chu Yuechan used seductive words to Ye Chen, it seemed that Chu Yuechan was trying to tempt Ye Chen into getting excited.

Ye Chen was in a bad state, he was teased by both Chu Yuechan and Feng Xuanyin.

"Why are you being so quiet like this?" Feng Xuanyin drew closer to Ye Chen, she started to rub her double peak on Ye Chen.

Ye Chen could feel something extremely soft and supple, the shape that Feng Xuanyin possessed was absolutely perfect, this made Ye Chen find it very difficult to resist this temptation.

"Would you like to do it with me?" Feng Xuanyin whispered in Ye Chen's ear, herself blowing Ye Chen's ear.

What Feng Xuanyin did was simply too tempting and extremely difficult to resist, Ye Chen really couldn't stand something like this.

Feng Xuanyin was indeed very seductive in her skills, something that was extremely difficult for even a veteran like Ye Chen to fight.

Feng Xuanyin was very clever in choosing the words she spoke, Feng Xuanyin's words were something that every man in this world dreamed of.

Plus Feng Xuanyin used her Charm to confuse Ye Chen, that way it would be easier for her to prey on Ye Chen.

"Do what, I'm a good man, so I won't be tempted" Ye Chen tried to resist the temptation from Feng Xuanyin, himself trying his best to resist this temptation.

"Is it true what you said, then what is below?" Feng Xuanyin held Ye Chen's thing which was already very hard, she provoked Ye Chen with a hand that was as soft as a lotus flower.

Ye Chen groaned when Feng Xuanyin suddenly did this to him, this woman was truly a Succubus goddess who didn't let go of her prey once she opened her wings.

Even though Ye Chen tried to resist, his body couldn't lie, Ye Chen was already excited because of what Feng Xuanyin had done.

"That's huge." Feng Xuanyin said in her heart, she found that Ye Chen had a large amount of capital.

Apart from possessing extremely pure Yin Qi, it turned out that Ye Chen also had treasures like this, if Feng Xuanyin didn't hold it in her own hands, she wouldn't know that Ye Chen had something like this.

Feng Xuanyin became even more excited, she felt hot and aroused after seeing Ye Chen possess something big, strong and long.

"Just give up and start fighting, don't lose" Chu Yuechan continued to speak in Ye Chen's ear, telling Ye Chen not to lose to Feng Xuanyin.

Chu Ning'er was in a corner, herself slightly away from Ye Chen and Feng Xuanyin, Chu Ning'er made room for Ye Chen and Feng Xuanyin to battle.

Chu Ning'er wanted to see Ye Chen's battle, she wanted to see if Ye Chen could overcome Feng Xuanyin or not.

If Ye Chen couldn't even overcome this Succubus goddess, then Ye Chen wouldn't be worthy of Chu Ning'er.

"fufufu, looks more and more interesting" Chu Ning'er watched while eating the lollipop that Ye Chen gave her, she couldn't wait to see Ye Chen's performance, could Ye Chen survive a Succubus goddess like Feng Xuanyin who was so tempting.

Feng Xuanyin continued to use her hand skills to make Ye Chen feel a very pleasant feeling, Ye Chen was really made comfortable by Feng Xuanyin's skill which was quite skilled.

Needless to say, Feng Xuanyin's skills were excellent, she was truly very skilled and knew how to make a man excited.

"You don't need to hold it anymore, come on say you want to me" Feng Xuanyin whispered in Ye Chen's ear, she wanted an answer from Ye Chen.

Feng Xuanyin wanted to subdue Ye Chen, which was why she wanted Ye Chen to be honest with herself.

Feng Xuanyin was truly a predator, she would not be satisfied before making a man fall and kneel under her pomegranate skirt.

"No, I don't want that" Ye Chen said that he didn't want that, Ye Chen didn't want to give up on Feng Xuanyin, he didn't want to lose to this woman.

"You are so stubborn, then let me show you something that will make you give up" Feng Xuanyin will definitely make Ye Chen give up on her, Feng Xuanyin will make Ye Chen powerless by using the skills she has.

Feng Xuanyin immediately reached into the place where Ye Chen's younger brother was locked up.

"It really is a monster" Feng Xuanyin muttered in her heart, she didn't expect that Ye Chen's would be so big.

Even Feng Xue's one hand was unable to withstand Ye Chen's huge thing that had gone completely berserk.

Feng Xuanyin licked her lips, what Feng Xuanyin was doing was very sexy, this made Ye Chen even more excited.

Feng Xuanyin couldn't take it anymore, she took out Ye Chen's thing that was currently locked up.

Chapter 1248 - The Irresistible Temptation Of A Goddess (2)

"Geez, I actually found a treasure in a remote place like this." Feng Xuanyin actually got a treasure in this place, she really really liked Ye Chen's treasure.

Feng Xuanyin started stroking Ye Chen's thing, she saw this as the best toy in this world.

What Feng Xuanyin did made Ye Chen very comfortable, the methods and techniques used by Feng Xuanyin made Ye Chen's thing feel comfortable.

"This is really too harsh, do you really like being treated like this by a beautiful goddess like me?" Feng Xuanyin asked Ye Chen.

Feng Xuanyin kept trying to tease Ye Chen, she used her best skills to make Ye Chen surrender to her.

"Not really" Ye Chen still refused to lose to Feng Xuanyin, he would not take this defeat for granted.

"You really can't be honest, looks like I have to train you to be even more honest" Feng Xuanyin would definitely make Ye Chen honest with his feelings.

.

Feng Xuanyin was a goddess that was adored, so she had to be able to make a lowly man like Ye Chen kneel under her pomegranate skirt.

Feng Xuanyin was currently betting on her reputation, she should be able to defeat Ye Chen with her Dual Cultivation technique.

Feng Xuanyin began to increase the intensity of her movements, herself starting to make little brother feel incomparable pleasure.

Ye Chen could feel that Feng Xuanyin's movements were becoming more and more ferocious, little by little Ye Chen's defense was starting to be shaken by Feng Xuanyin's attacks.

Feng Xuanyin's attack was extremely fatal, this woman possessed abilities above the average of a veteran woman.

Normal men would definitely not last long when faced with the attacks inflicted by Feng Xuanyin, they would definitely give up and kneel under Feng Xuanyin's abilities.

"How are you going to give up?" Feng Xuanyin asked Ye Chen again, wanting to know whether Ye Chen had given up or not.

Feng Xuanyin was very confident in her abilities, she was sure that Ye Chen would immediately succumb to her attacks.

It wouldn't be long before Ye Chen would lose to her and become her loyal dog.

Feng Xuanyin will definitely train Ye Chen very well, with Ye Chen's capital, Feng Xuanyin is very confident that she will be the luckiest woman with Ye Chen's possessions.

Ye Chen did not speak, he tried to resist the invasion from Feng Xuanyin, Ye Chen tried to strengthen his defenses so as not to shake when faced with Feng Xuanyin.

Feng Xuanyin had indeed become a very strong and terrifying woman, she had very skilled techniques, plus Feng Xuanyin had an extremely powerful charm.

This charm could match the charm possessed by Fu Lanling, the difference was that Feng Xuanyin could use this charm very well.

If only Fu Lanling could use her innate charm, then Fu Lanling would definitely be able to confuse every man and adore her.

Unfortunately, Fu Lanling didn't want to do that and preferred to keep herself closed so that not many men would fall victim to her goddess charm.

Feng Xuanyin helped Ye Chen for almost 10 minutes, until now Ye Chen had not shown any signs of defeat.

Feng Xuanyin was quite surprised by this, Ye Chen's endurance was extremely strong, even with the abilities that Feng Xuanyin had used, he was still unable to defeat Ye Chen.

"This thing is very strong, besides this monster, it also has a very strong endurance." Besides Ye Chen's largeness, it also has strong endurance, this is something every goddess in this God Realm dreams of.

Feng Xuanyin became more and more fierce in fighting Ye Chen, she brought out her best ability to face Ye Chen.

Ye Chen only saw what Feng Xuanyin was doing, he saw the abilities this woman had.

As time passed, Feng Xuanyin still couldn't break down the defense that Ye Chen had put up.

"This man, how strong is he really?" Feng Xuanyin started to wonder how strong Ye Chen's strength was, Feng Xuanyin's hands were already getting tired.

"Is that all you have, with that kind of ability, you want to challenge me?" Ye Chen said to Feng Xuanyin.

Ye Chen had already regained his confidence, so it was not surprising that Ye Chen was very brave in going against Feng Xuanyin.

Ye Chen had already gotten used to Feng Xuanyin's attacks, so Ye Chen was confident that he could defend against Feng Xuanyin.

"That's interesting, so you decided to challenge this princess, fine, then I'll be serious." Feng Xuanyin really took Ye Chen's challenge very seriously, she couldn't lose to Ye Chen.

Feng Xuanyin started to take off the clothes she was wearing, her beautiful and perfect body was now being shown to Ye Chen.

Feng Xuanyin's body was brimming with perfection, every portion of her body fit perfectly, not a single point was missing or too much.

Feng Xuanyin was indeed very brave, this woman had no shame in exposing something like this.

This temptation is so heavy, not many people are able to resist this kind of temptation, even Ye Chen might have to have trouble with this.

"How, do you want to touch it?" Feng Xuanyin asked Ye Chen, Feng Xuanyin started to get closer to Ye Chen, herself using two very large and seductive double peaks to make Ye Chen excited.

Ye Chen tried to avert his gaze, but he was still unable to take his eyes off the beautiful treasure in front of him.

"You told me to, so don't blame me" Ye Chen couldn't stand Feng Xuanyin's constant teasing, there was a limit for a man to resist a temptation from a beautiful goddess like Feng Xuanyin.

Ye Chen started to extend his hand towards Feng Xuanyin's double peak, he started to knead these two double peaks like cookie dough.

"Erm. ." Feng Xuanyin groaned, herself letting out a very soft voice filled with strong temptation.

Feng Xuanyin's voice was very comfortable to listen to, the sound of moaning alone could make a man so excited that he became the state he is in now.

"What is this, why is he so skilled?" Feng Xuanyin started to feel a comfortable feeling when Ye Chen touched her, this comfortable feeling was something that Feng Xuanyin was very, very hard to resist.

Feng Xuanyin tried to defend against Ye Chen's attack, but what she did was completely useless, Ye Chen's fingers were extremely skilled and made Feng Xuanyin go crazy.

Ye Chen finally got an opportunity to put up a fight, so he wasn't going to let this opportunity slip away.

Ye Chen used the Passion Goddess technique, he wanted to defeat the arrogant Feng Xuanyin and wanted to make himself a pet.

"Damn, I can't endure." Feng Xuanyin felt an extremely comfortable feeling, she had never felt such a comfortable feeling in her life.

Ye Chen was the first person who could make Feng Xuanyin feel so comfortable that it made Feng Xuanyin lose her sanity.

Ye Chen became more and more daring, he went down and explored the forbidden place which was very beautiful and beautiful.

"Emmm" Feng Xuanyin kept moaning, she felt a wonderful feeling from Ye Chen's hand, her mind drifted and her body became very relaxed.

Chapter 1249 - The Irresistible Temptation Of A Goddess (3)

Ye Chen began to feel the forbidden area in his hand, when Ye Chen felt using his hand, he found that Feng Xuanyin's forbidden area was very clean.

"Is this woman a white tiger?, it's not strange that her lust is so great" This discovery made Ye Chen even more interested, he didn't expect to meet the same person as Dongfang Xiu.

It was not strange that Feng Xuanyin had great lust, apparently this was the reason.

"Time to get serious" Ye Chen decided to get serious, he used all his abilities to fight Feng Xuanyin.

Ye Chen had to show his capacity as a Womanizer, otherwise he wasn't worthy of being called Ye Chen.

Feng Xuanyin started to sink into the comfort that Ye Chen gave her, she started to feel an extremely comfortable and extraordinarily comfortable feeling.

Feng Xuanyin's body began to become very weak, all the strength in her body began to dissipate, her mind was currently only with Ye Chen, she wanted to do fun things together with Ye Chen.

"Yeah that's great, you're really great" Feng Xuanyin started praising Ye Chen's skills, she really enjoyed every move Ye Chen made...

"Do you like this?" Ye Chen asked Feng Xuanyin, Ye Chen was curious about Feng Xuanyin's feelings.

"Of course I like this, it's very comfortable." Feng Xuanyin said that she liked this, this feeling was very comfortable.

Originally Feng Xuanyin wanted to tame Ye Chen, not expecting that she would be the one Ye Chen tamed.

Feng Xuanyin was very honest about the feelings she had, it seemed that Feng Xuanyin was enjoying these feelings.

Feng Xuanyin had been searching for this feeling for so long, she had finally found someone who could make herself comfortable and enjoy the happiness of a woman.

Under Ye Chen's technique, Feng Xuanyin made a very lewd face, Feng Xuanyin's lewd face could arouse any man who saw her.

Ye Chen looked at Feng Xuanyin who had started to lose consciousness of hers, it seemed that she had succeeded in making this Succubus goddess suffer the consequences for daring to tease her.

Ye Chen started to make very good use of this opportunity, he started to absorb Feng Xuanyin's pure Yin Qi for himself.

Feng Xuanyin didn't realize what Ye Chen was doing, she was too focused on this endless pleasure.

"More, make me more comfortable" Feng Xuanyin told Ye Chen to make himself feel even more comfortable, he wanted to feel the comfort that Ye Chen gave him.

"Alright, I will grant your wish." Ye Chen said that he would grant Feng Xuanyin's wish.

Ye Chen became fiercer than before, himself using his full skill to deal with Feng Xuanyin.

Feng Xuanyin began to feel the peak of happiness, Feng Xuanyin first felt this feeling, this feeling was very comfortable.

Ye Chen didn't stop even after Feng Xuanyin gave up, he continued to tease Feng Xuanyin who was in the most sensitive state

"ummm. . ., ahhhh . . ., Uhhh . . ." Feng Xuanyin was again made to groan by Ye Chen, this voice was very stimulating for Ye Chen.

Ye Chen was already starting to get impatient with this, Feng Xuanyin was so seductive that it made Ye Chen feel excited.

Even little brother has been so tough once, that it has become so big.

Feng Xuanyin's hand was still holding Ye Chen's big thing, she started to play with Ye Chen's thing.

Feng Xuanyin saw that Ye Chen's thing was getting bigger and bigger, she couldn't stand it anymore when she saw the treasure in her hand.

"I can't stand it anymore, let me try it" Feng Xuanyin was completely impatient, she knelt down and started to try Ye Chen's big thing.

Feng Xuanyin used her Cherry mouth to eat this very precious treasure, Feng Xuanyin's little Cherry mouth easily swallowed everything with just one try.

"Uhh. . ." Ye Chen felt a very pleasant feeling, this sudden feeling was very good.

Feng Xuanyin did this all of a sudden, so Ye Chen didn't have time to react and put up a fight, his thing was surrounded by Feng Xuanyin's highly trained army.

Feng Xuanyin used her skills to please Ye Chen's big thing.

"This is delicious, this is the best." Feng Xuanyin said that Ye Chen's was the best, she really liked Ye Chen's big thing.

Feng Xuanyin became even more daring, using her tongue to trap Ye Chen and not letting him off the hook.

Feng Xuanyin entangled Ye Chen's with all his might, Ye Chen felt that he had fallen into a hole that had a very strong suction power.

Feng Xuanyin's hand started to stimulate Ye Chen, she used her hand to stimulate Ye Chen's body.

It could be said that Feng Xuanyin began to put all her might into devouring Ye Chen.

Ye Chen started to feel a dangerous feeling, Feng Xuanyin's skill was extremely powerful, it was too strong for Ye Chen to endure.

"This sh*t is too strong, this woman is truly a Succubus eating men without vomiting their bones" Ye Chen cursed in his heart, Feng Xuanyin's skills were too hard to resist.

Ye Chen was a veteran with considerable experience, if Ye Chen's position were replaced by a normal man, they would have been sucked dry by Feng Xuanyin.

Feng Xuanyin didn't care about Ye Chen anymore, she really enjoyed doing this for Ye Chen, Ye Chen's property was a treasure that made her go crazy.

Feng Xuanyin used her dual peaks to squeeze Ye Chen, this woman knew very well how to make Ye Chen feel good.

Since Ye Chen's thing was extremely powerful, Feng Xuanyin could play with this thing while sucking it in.

Feng Xuanyin continued to suck as hard as she could, she wanted to absorb and start to absorb Ye Chen's Yang Qi.

Ye Chen tried to defend against Feng Xuanyin's onslaught, unfortunately Ye Chen couldn't hold out for a long time, he was only able to survive for 20 minutes of Feng Xuanyin's consecutive attacks.

"slurp." the voice Feng Xuanyin made was extremely lewd , she looked like a starving and thirsty woman.

"Sh*t I can't take this anymore" Ye Chen couldn't hold it in anymore, he was being pushed back by Feng Xuanyin's heavy attack.

Feng Xuanyin had exhausted all her abilities to deal with Ye Chen, this was the first time Feng Xuanyin had been forced to do something like this.

Ye Chen was a strong man, if Feng Xuanyin didn't bring out all of her abilities, how could Feng Xuanyin be able to force Ye Chen to this stage.

Ye Chen had already reached his limit, he was already on the brink.

"Damn it, then feel this" Ye Chen couldn't take it anymore, he held onto Feng Xuanyin's hair which felt very soft.

Apart from having a smooth and soft body, Feng Xuanyin's hair also felt extremely soft, just holding it was a very pleasant feeling.

"Um. ." Feng Xuanyin was very surprised by what Ye Chen had done, Ye Chen had pushed his large object into the interior of Feng Xuanyin.

Ye Chen's was too big, it was heavy enough for Feng Xuanyin to bear.

"shoot . . ., Byurrr . . ." Ye Chen took out the pure Yang Qi Essence that he had stored up for days, himself giving it all to Feng Xuanyin.

Feng Xuanyin was shocked by Ye Chen's Yang Qi Essence, it was extremely pure, it was extremely pure Yang Qi which was hard to find.

Chapter 1250 - [Bonus]Feng Xuanyin's True Identity

Feng Xuanyin happily accepted Ye Chen's Essence, she started trying to taste Ye Chen's Essence.

"This" Feng Xuanyin was surprised again, she felt that Ye Chen's Essence was very delicious and possessed a truly rich Yang Qi quality.

"Glup" Feng Xuanyin's started to absorb Ye Chen's Yang Qi, she didn't let a single drop escape.

"It's bad that I'm getting addicted." Feng Xuanyin had a bad feeling from this, she felt that she was getting addicted to it.

Ye Chen's Yang Qi was too strong and difficult for Feng Xuanyin to withstand, Feng Xuanyin had been intoxicated by this.

"It's so pure, it's even purer than one with a pure Yang innate body." Feng Xuanyin could feel that Ye Chen's Yang Qi was much purer than she could imagine.

"Don't tell me it's the real him..." Feng Xuanyin started to guess that Ye Chen was the one she had been looking for, she was sure that Ye Chen was the one she had been looking for.

Feng Xuanyin immediately grabbed Ye Chen's wrist, trying to determine whether Ye Chen was really the person he had been looking for or not.

Ye Chen was not aware of what Feng Xuanyin was doing, he was currently lowering his guard.

"I didn't expect to meet an Ancient (Yang) Body like you, it seems to be my luck" Feng Xuanyin said in a seductive tone filled with pleasure, it was obvious that Feng Xuanyin was happy to see Ye Chen was the one with the special body she was looking for so far.

Ye Chen felt strange when he heard this, why did Feng Xuanyin say that she was looking for the owner of the Ancient (Yang) Body.

"Wait a minute, don't tell me this woman is." Ye Chen began to realize who Feng Xuanyin was.

Feng Xuanyin possessed an extraordinary beauty that was extremely difficult to find, this woman also possessed an extremely powerful charm that a normal man could not possibly withstand.

The only person who had it all was Goddess Sun Xuanyin, she was the only woman in this world who matched Feng Xuanyin's criteria.

Ye Chen became wary, his initial guess turned out to be correct, this woman was extremely dangerous.

"Master, I just realized this too, this woman must be Sun Xuanyin" Chu Yuechan said to Ye Chen.

Chu Yuechan was absolutely certain that this woman was Sun Xuanyin, she was the only woman with a beauty and charm that was difficult for even Ye Chen to fight.

"Are you Goddess Sun Xuanyin?" Ye Chen asked Feng Xuanyin who was in front of him.

"Oh, so I've been found out, I didn't expect you to guess my identity so quickly." Feng Xuanyin said to Ye Chen who was in front of her.

Feng Xuanyin's tone started to change slightly, Feng Xuanyin started to show dominance when she spoke to Ye Chen.

"No wonder, it's not strange that you are so beautiful," Ye Chen said to Feng Xuanyin.

"I will not hide this anymore, I am indeed Sun Xuanyin Eternal Sun Star Realm, now that you know me, are you willing to serve me" Sun Xuanyin said to Ye Chen.

Sun Xuanyin made an offer to Ye Chen, she wanted Ye Chen to be hers and be loyal to her.

"Sorry, but I'm not interested in that, I still have people I like, I won't leave them just because of you" Ye Chen immediately rejected Sun Xuanyin, he didn't want to get involved with this troublesome woman.

Ye Chen still didn't expect that he would meet Sun Xuanyin in a place like this, he didn't know if it was fate or just a coincidence.

Even though Ye Chen had hoped not to meet Sun Xuanyin, he ended up having to meet this woman.

"Do you think you have anything to refuse this goddess's request?, You should know your place," said Sun Xuanyin to Ye Chen.

"I don't like being ordered around like that" Ye Chen said to Sun Xuanyin.

"Let's see if you really have a chance to fight this goddess, I won't let you off the hook, I've been looking for the Ancient (Yang) Body for a long time, how could I let you go and refuse like this" Sun Xuanyin didn't want to let go Ye Chen, she didn't want to give up what she had been looking for all this time.

As long as Sun Xuanyin ate Ye Chen, her body would definitely be fully awakened and her cultivation would increase at an extremely fast rate.

Sun Xuanyin would definitely become a cultivator who stood at the pinnacle of this world, she firmly believed in that.

"Sorry, but I won't let that happen." Ye Chen said that he wouldn't let that happen.

Ye Chen took advantage of a very important moment, he directly touched Sun Xuanyin in front of him, Ye Chen used the Passion Goddess technique to make Sun Xuanyin helpless.

Sun Xuanyin was still a little weak from what had just happened, so she didn't have the strength to resist the invasion.

"Damn it, why is this happening again?" Sun Xuanyin felt strange about her body, why did she again feel that strength was disappearing from her body.

"What did you do to me?" Sun Xuanyin asked about what Ye Chen had done to her.

"I didn't do anything, it's just that I let you know that I'm not something easy to tame" Ye Chen said to Sun Xuanyin in front of him.

"You'll see, I'll definitely make you regret for daring to do this." Sun Xuanyin said that Ye Chen would definitely regret having dared to go against her.

"Do you think this is all I can do to you?" Ye Chen said to Sun Xuanyin, Ye Chen showed an evil smile, he was going to do something to Sun Xuanyin.

"What do you want to do to me?" Sun Xuanyin immediately asked what Ye Chen was going to do.

"Guess what I'm going to do to you," Ye Chen said to Sun Xuanyin.

"You, don't tell me you want to." Sun Xuanyin had already begun to guess what Ye Chen would do to her.

"That's right, I will give you the slave seal, that way I won't have to worry if you want to do something to me" Ye Chen said that he would give Sun Xuanyin the slave seal.

That way Sun Xuanyin wouldn't be able to do anything bad to Ye Chen, this was the only way to deal with Sun Xuanyin, a woman like Sun Xuanyin was something that was very difficult to tame, so Ye Chen couldn't help but have to use some means to deal with Sun Xuanyin.

"Just dream, this goddess won't want to be your slave." Sun Xuanyin said that she didn't want to be Ye Chen's slave.

"Do you think you have the power to resist me, look at you now, you don't have the power, if I do something, you won't be able to resist it" Ye Chen said to Sun Xuanyin.

"Who says I can't refuse that?" Sun Xuanyin took something from under her clothes, herself using something she took out from under her clothes.

"We will definitely meet again, then I will confirm that you will be my loyal person." Sun Xuanyin broke the item in her hand.

Sun Xuanyin's body was enveloped by a pillar of fire, a few moments later Sun Xuanyin's body disappeared from Ye Chen's sight.

"Damn it, she ran away" Ye Chen was dissatisfied when he saw Sun Xuanyin who had run away, that woman would become an enormous threat in the future.
