

A True God 1251

### **Chapter 1251 - Came To Save Xing Mei**

"He's already gone, it looks like it will be difficult to find her" Chu Yuechan said to Ye Chen.

Sun Xuanyin had fled, so it would be very difficult for Ye Chen to find Sun Xuanyin's whereabouts.

"She's already gone, so there's nothing we can do, I'd better focus on finding Xing Mei's whereabouts." Ye Chen would focus on finding Xing Mei's whereabouts, currently Ye Chen's main focus is on finding Xing Mei's whereabouts.

"You should just look for Xing Mei, I hope she doesn't have a bad time" Chu Yuechan totally agreed with what Ye Chen said, Ye Chen had better focus on finding Xing Mei.

"Ning'er" Ye Chen called out to Chu Ning'er, he didn't know where Chu Ning'er had gone.

"I'm here." Chu Ning'er appeared behind Ye Chen, herself appearing with a face full of happiness.

"Where have you been?" Ye Chen asked where did Chu Ning'er go...

"I went around when big brother was playing alone with beautiful sister just now" Chu Ning'er said to Ye Chen.

Chu Ning'er was very honest, she was very honest when she said what Ye Chen and Sun Xuanyin had just done,

Ye Chen held his head, he did not expect that Chu Ning'er would see what he and Sun had done. Xuanyin.

Ye Chen was too careless, he exposed something that Chu Ning'er shouldn't have seen.

"Never mind" Ye Chen didn't need to think about this, everything had already happened so there was nothing to hide anymore.

"Please take me to where Xing Mei is." Ye Chen told Chu Ning'er to lead him to where Xing Mei was.

"Okay, come with me, don't procrastinate anymore." Chu Ning'er told Ye Chen to quickly follow her.

"Okay" Ye Chen nodded, he immediately followed Chu Ning'er to where Xing Mei was.

From Chu Ning'er's words, it seemed that Xing Mei was in trouble, so Ye Chen had to quickly go and find Xing Mei's whereabouts.

Chu Ning'er led Ye Chen to go to Xing Mei's place, when Ye Chen arrived at Xing Mei's place, Ye Chen found that Xing Mei was currently surrounded by several people.

"Who bullied her?" Ye Chen immediately went and saw who had dared to bully Xing Mei, he had to teach these people a lesson for bullying Xing Mei.

After Ye Chen approached, Ye Chen discovered that the people who had bullied Xing Mei were people from the Shin Clan, They all surrounded Xing Mei who had been cornered.

"Give up and surrender yourself to us, lest we do something even more terrible to you" Shin Hun told Xing Mei to surrender to them, otherwise they would do something cruel.

"I will not surrender to you, all of you hurry up and leave me" Xing Mei did not want to give up, she still resisted even though she was cornered to this state.

Xing Mei's current position wasn't great, so it wasn't strange that she had a hard time being surrounded by people from the Shin Clan.

"Then don't blame us for having to attack you, you all quickly cripple her" Shin Hun ordered his subordinates to go and attack Xing Mei.

"Okay" all of Shin Hun's subordinates nodded, they all immediately rushed towards Xing Mei.

"Don't underestimate me." Xing Mei started to use her power.

"Thunder Judgment Arrow" Xing Mei made thousands of arrows from the lightning, she immediately shot all her arrows at the Shin Clan.

"Dodge" Shin Hun told everyone to dodge, it would be very bad if they received an attack from Xing Mei.

"Boom" There were hundreds of explosions due to Xing Mei's attack, the entire place around this place was damaged by Xing Mei's attack.

"Feel it." Xing Mei was very satisfied when she saw what had happened, she was very satisfied with what had happened to the people who had attacked her.

"Flame Dawn of Ball " before Xing Mei could feel happy, suddenly appeared several attacks aimed at her.

"Bad" Xing Mei instantly blocked all of these attacks using a barrier.

"Boom" Xing Mei was showered with several powerful attacks, these attacks made Xing Mei's defenses begin to waver.

"It's terrible, if it's like this then" Xing Mei felt a sense of danger, the barrier she created was unable to withstand the continuous attacks launched by the people from the Shin Clan.

"crack." what Xing Mei feared would happen, she saw that her barrier was about to break.

The Shin Clan was truly unforgiving, they attacked Xing Mei with the full strength they had.

"What should I do now?" Xing Mei started to think of a way to get out of this situation, she had to find a way out or else she would be defeated by the people from the Shin Clan.

"How dare you bully my comrades" While Xing Mei was in a confused state, Xing Mei listened to the voice of someone who was familiar to her.

Xing Mei immediately looked towards the source of this sound, when Xing Mei looked towards the source of the sound, she found that Ye Chen was behind her.

Ye Chen waved his arm, with just one flick, everyone from the Shin Clan was blown away.

"Ye Chen, you finally came to pick me up." Xing Mei looked very happy when she saw Ye Chen come looking for her.

"Hey, Hey, don't hug me like that" Ye Chen pushed Xing Mei away, what Xing Mei did was very embarrassing.

"How evil, how can you kick me out like that after what you did, Sob. . ., sob. . . ." Xing Mei started acting, she acted as if she was being bullied by Ye Chen.

"Don't misunderstand, you bad girl!" Ye Chen told Xing Mei to stop, what Xing Mei did could cause a misunderstanding.

"I like to tease you" Xing Mei said to Ye Chen, Xing Mei likes to tease Ye Chen, so it doesn't matter if she teases Ye Chen.

"Don't you know our current situation, so stop playing around" Ye Chen said to Xing Mei.

"I certainly know our current situation, you are already here, so we should have won." Xing Mei was confident in Ye Chen, as long as Ye Chen was in this place, Shin Hun and the members of the Shin Clan would definitely be crushed.

"This girl, if I knew this, I wouldn't have saved her." Xing Mei was annoying sometimes, this woman often made Ye Chen's head feel dizzy.

"damn how dare you interfere with our business" Shin Hun felt very angry when Ye Chen interfered with his business with Xing Mei.

"Looks like you've recovered from the attack I launched earlier" Ye Chen said to Shin Hun who was in front of him.

Ye Chen mentioned about Shin Hun's wound that he had inflicted.

"Damn it, this time I will definitely kill you" Shin Hun said that he would definitely kill Ye Chen and take revenge for the insults done by Ye Chen.

"hahaha, are you sure you can do that, you should know that this place will be your resting place" Ye Chen started to release his power, when Ye Chen used his power, strong winds blew around this place.

This wind was so strong that it almost blew away the bodies of Shin Hun and the Shin Clan members.

"Sky wind law" from Ye Chen's body came out a very strong wind, this wind blew away the people of the Shin Clan.

The people of the Shin Clan felt something very strong hit their bodies, the inner bodies of the Shin Clan shattered when hit by the strong wind.

### **Chapter 1252 - Hey Pervert Girl, What Are You Really Thinking?**

"cough" Shin Hun and everyone else from the Shin Clan were seriously injured, they all coughed up blood very painfully.

Everyone's internal organs were already badly injured, so they were already in a very serious condition.

"What was that just now?" Shin Hun didn't know what just happened, what happened just now was too fast for him.

Shin Hun could only feel something very strong hitting him, after that he felt that his body was in a lot of pain and it was very difficult to move.

When Shin Hun came to his senses, he found that his body was badly injured and very difficult to heal.

Ye Chen didn't expect that his attack would instantly defeat everyone to such an extent, everyone was immediately dying and would die.

"Is this the only ability you have, with abilities like this, you are very brave in challenging me, aren't you ashamed" Ye Chen said to Shin Hun and the members of the Shin Clan who were already badly injured.

"Bastard, we definitely won't. . . just let you off the hook, the Shin Clan will definitely . . . Keep going. . . hunt you" said Shin Hun to Ye Chen.

Despite his poor condition, Shin Hun still managed to threaten Ye Chen.

"Hahaha, do you think I will be afraid of such childish threats, I am not afraid of it" Ye Chen said to Shin Hun.

Ye Chen has never been afraid, the world of cultivators is a cruel world, if you have the power then you will definitely be killed by the other party.

Ye Chen would not be kind to his enemy, if he was too kind to the enemy, then they would definitely take revenge on him.

Shin Hun was furious when he heard this, he was furious with Ye Chen's provoking words.

Shin Hun current state is not good, so his mood also affects his health.

"Cough. . ." Shin Hun again vomited a lot of blood, after losing a lot of blood, Shin Hun finally fell unconscious and died on the spot.

The other members of the Shin Clan had also begun to fall from one another, they all died from grievous injuries.

"Ye Chen, you killed them all?" Xing Mei said in a slightly panicked tone.

"So what?" Ye Chen asked Feng Xuanyin, Ye Chen didn't need a reason to kill Shin Hun and the Shin Clan members, these people always tried to kill him.

"You will be in trouble if the Shin Clan finds out about this" Xing Mei said to Ye Chen.

Xing Mei told Ye Chen that she would get in trouble if she killed a member of the Shin Clan.

"I don't care about this, they want to kill me, so why should I be kind to them?" Ye Chen didn't want to be kind to an enemy who wanted to kill him.

After all, even if Ye Chen didn't kill the Shin Clan, the Shin Clan would still seek Ye Chen's whereabouts for offending them.

Xing Mei could only shake her head, it seemed that she couldn't do anything about this matter.

"Big sister, you don't need to worry, big brother is very strong, so he can't possibly be afraid of that Shin Clan you speak of." Chu Ning'er suddenly spoke, Chu Ning'er is currently helping Ye Chen.

"Uh, who are you?" Xing Mei was surprised when she saw that there was a little girl in this place.

"I am Chu Ning'er, I am guarding this place." Chu Ning'er told Xing Mei about herself.

"You are the one guarding this place?" Xing Mei was not expect when she heard this, she didn't expect that Chu Ning'er would be the one guarding this labyrinth.

"what she said was the truth, she also led me to your place" Ye Chen started to explain what happened to Xing Mei.

"So it's like that" Xing Mei finally understood, it turned out that this little girl was the one guarding this place.

"Then can you get us out of this place?" Xing Mei immediately asked Chu Ning'er, she wanted Chu Ning'er to guide them towards the exit.

"Of course but it's not free." Chu Ning'er said again that her services were not free.

"Then what do you want?" Xing Mei immediately asked what Chu Ning'er wanted.

"I like what big brother gave me" Chu Ning'er said that she liked what Ye Chen gave.

"What exactly did Ye Chen give you?" Xing Mei wanted to know what Ye Chen gave Chu Ning'er.

"He gave me something very big." Chu Ning'er told Xing Mei what Ye Chen had given her.

Xing Mei's face turned red when she listened to what Chu Ning'er had just said, even though she was still innocent, Xing Mei naturally understood what Chu Ning'er meant.

Xing Mei looked at Ye Chen, she didn't expect that this man would not let a little girl like Chu Ning'er go.

"Ye Chen you are really a pervert, you didn't even let go of a cute girl like Chu Ning'er, I will definitely tell this to Yanyan and the others" Xing Mei started to judge Ye Chen.

"what do you mean, I didn't do anything" Ye Chen said to Xing Mei.

Ye Chen didn't understand Xing Mei at all, why did he suddenly say that Ye Chen was a pervert.

"You still dare to dodge, you didn't hear what little Ning'er just said" Xing Mei said dissatisfied.

Xing Mei was dissatisfied when Ye Chen tried to dodge this responsibility, she had to teach a lesson to a man like Ye Chen.

"Oh you mean lollipop, I did give it as a gift, do you want it too?" Ye Chen took out some lollipops that were still left in his storage room, there were also some snacks from the earth that were still in the fairy gate storage.

"Eh. . ." Xing Mei was shocked when she heard what Ye Chen had just said.

"Is what he said true, he gave you candy?" Xing Mei asked Chu Yuechan.

"Yeah I just remembered, the name is lollipop" Chu Ning'er said to Xing Mei.

"Uhh. . ." Xing Mei's mind immediately became confused when she listened to what Chu Ning'er had just said, it seemed that from the beginning she had misunderstood Chu Ning'er's words.

"Hey pervert girl, what are you really thinking?" Ye Chen asked what Xing Mei was thinking.

"I didn't do that" Xing Mei covered her face, somehow this was very embarrassing.

Ye Chen and Chu Ning'er smiled, both of them found it funny when they saw Chu Ning'er who had just lost face.

Chu Ning'er must have done this on purpose, this little girl must have done this on purpose to tease Xing Mei.

"Let's find a way out, Ning'er please help us" Ye Chen told Chu Ning'er to help them out of the confusing labyrinth.

"Okay" Chu Ning'er nodded, she would guide Ye Chen and Xing Mei to leave this place.

With the help of Chu Ning'er, Ye Chen and Xing Mei were finally able to get out of the very confusing labyrinth, after they came out, they were now in a very large place.

"It looks like this is a training area or something..." Ye Chen saw that this place was an area used for training.

### **Chapter 1253 - The Past Story Of The Heavenly Thunder Valley Sect**

"Look, there are some buildings there." Xing Mei told Ye Chen that there were buildings around this place.

"Yes, there are several buildings around this place, it seems that this is the building used by the people of the Heavenly Thunder Valley Sect." Ye Chen said that this building is most likely a place that was used in the past by the disciples of the Heavenly Thunder Valley Sect.

"Let's see what's in there, most likely there are some hidden treasures" Xing Mei invited Ye Chen, she invited Ye Chen to go and have a look inside the building.

"Come on, I'm also curious about what's in there." Ye Chen was also curious about what was in there, he wanted to know what was inside these buildings.

Ye Chen and Xing Mei tried to enter the building, both of them headed towards a multi-storey building that looked quite large.

This building looks very ancient, it must have been abandoned for hundreds of thousands or even millions of years, so it's not surprising that this building looks really bad.

Ye Chen and Xing Mei went to open the door, when they opened the door they were shown a very large shelf, this shelf was filled with tons of books and scrolls.

"Is this a place where all cultivation techniques are stored?" Seeing that the whole place was filled with books, Ye Chen could conclude that this place was a room where all cultivation techniques were stored.

"So many, are all of these cultivation techniques?" Xing Mei was amazed by all the cultivation techniques stored in this place, there were so many.

This building consists of many floors, so from bottom to top there are various cultivation techniques.

Each technique should be categorized into several levels, each higher floor should have a much stronger cultivation technique.

"Let's take a look for a while" Ye Chen wanted to look around this place, who knows there is something valuable around this place.

Ye Chen and Xing Mei went around, as this room was quite spacious, both of them needed some time to wander around this place.

Ye Chen started to look around this place, when Ye Chen looked around this place, Ye Chen found that around this place there was some information about the Heavenly Thunder Valley Sect.

"This is interesting, I should study this" Ye Chen decided to study the information in this place.

Ye Chen wanted to know more about the history of the Heavenly Thunder Valley Sect, why did this Sect come to be like this.

"Big brother what are you studying?" Chu Ning'er appeared in front of Ye Chen, she asked what Ye Chen was studying.

"I'm studying the information about the Heavenly Thunder Valley Sect, I want to know the reason why this Sect was destroyed and abandoned." Ye Chen told Chu Ning'er what he was doing.

"For that matter, I can tell you, I can tell you the reason why this Sect was abandoned and abandoned like this." Chu Ning'er said that she could help explain what caused this Sect to be abandoned.

"Then can you tell me about this?" Ye Chen wanted Chu Ning'er to tell this matter to himself.

Chu Ning'er started to tell the story of the past about the Heavenly Thunder Valley Sect, in the past the Heavenly Thunder Valley Sect was a fairly powerful Sect, although not the strongest in the God Realm, they still had enormous influence.

The Heavenly Thunder Valley Sect has quite a lot of power, this is because they cultivate Profound Lightning.

One day a person from the Heavenly Thunder Valley Sect perfected a weapon that was at Legend Tier, that was the beginning of the destruction of this Sect.

Many cultivators from all over the world came and tried to seize the treasure, they all wanted to get the treasure at Legend Tier.

It just so happened that this weapon had just been made, so it still didn't recognize its master, therefore all cultivators were vying for this weapon.

The Heavenly Thunder Valley Sect is unwilling to give up the treasures they have worked so hard to create, which is why it has caused a great deal of discontent from the great powers of the God Realm.

Finally a big battle was unavoidable, everyone fought for the treasure until the Sect activated the Ancient indestructible seal.

"Oh, so that was the beginning of the destruction of this Sect." Ye Chen now understood why this Sect was destroyed, apparently that was the reason.

To think that the Heavenly Thunder Valley Sect would be destroyed by a Legend Tier weapon.

"Besides that, there is something else, namely the issue of the inheritance of the Sage God being hidden by the Patriarch of the Heavenly Thunder Valley Sect," Chu Ning'er said to Ye Chen.

Chu Ning'er told Ye Chen that it was the Sage God's heritage in this place.

"Is it a crystal?" Ye Chen asked Chu Ning'er, Ye Chen looked very excited when he heard this, if what Chu Ning'er said was true, then that would be very good.

"If I remember correctly, it is indeed a purple crystal." Chu Ning'er began to think for a moment, if she did not remember correctly, it was indeed a purple crystal.

"Very good, then it must be exactly what I was looking for." Ye Chen was very excited when he heard this, it seemed that it was indeed the thing he had been looking for all along.

It seemed that this trip was a stroke of luck, Ye Chen was able to find a fragment of the Sage God inheritance that he had.

"Then where is it now?" Ye Chen asked where the inheritance of the Sage God was, he was curious about this inheritance.

"It was under us, before it was destroyed, the Sect Patriarch had sealed it underground for some reason along with some treasures belonging to this Sect" Chu Ning'er said to Ye Chen.

"Special reason, what kind of special reason is that?" Ye Chen asked about the special reason that Chu Ning'er had just said.

"That blue crystal gives off an enormous amount of power, it is that power that caused the entire Thunder Rain Star Realm to be enveloped by endless lightning." Chu Ning'er told the reason why it was sealed deep underground, it was because if it was in surface, then it would wreak havoc on everyone living in the Thunder Rain Star Realm.

"Master, it seems that this time is a bit different than before, you better be careful and not be rash" Chu Yuechan said to Ye Chen.

Chu Yuechan wanted Ye Chen not to be rash, she felt that it would not be easy to obtain the inheritance from the Sage God.

"I'll be careful, from what I caught, it looks like it's really dangerous." Ye Chen also understood this matter, from Chu Ning'er's explanation this would definitely be very dangerous.

"Then can you take me downstairs?" Ye Chen wanted Feng Xuanyin to escort herself to the bottom.

"If you want to go downstairs, you can use the secret door at the top of this place, at the top of this place there is a door that can get you to the bottom easily and safely." Chu Ning'er told Ye Chen to use the secret door at the top of this place.

"So I have to go up to get to the bottom of this place" Ye Chen couldn't help but think about this, how could someone think of putting a secret door on the top floor, this person must be on purpose so that no one finds the legacy left behind.

### **Chapter 1254 - Task To Catch The Key**

"Xing Mei, let's go upstairs." Ye Chen invited Xing Mei to go upstairs.

"Are you done with what is in this place?" Xing Mei asked Ye Chen.

"I'm done with what's here, so let's see what's on the next floor" Ye Chen said that he was done with the business in this place, now Ye Chen had to go to the top floor.

"Then you go first, I will be in this place, it looks like there is something fun here" Xing Mei wanted to stay in this place, Xing Mei happened to find something good and made herself feel very happy.

"Alright, then I'll go, be careful, don't let you get into trouble" Ye Chen told Xing Mei to be careful not to run into a problem.

"Don't worry, I will definitely be fine." Xing Mei said that she would be fine, so Ye Chen didn't have to worry about her.

In this place no one could do anything bad to Xing Mei, so Ye Chen didn't have to worry about the safety of Xing Mei.

"I'll go first" Ye Chen said that he would go first.

Ye Chen will let Xing Mei be in this place, here it will be safer for Xing Mei.

Ye Chen didn't know what he was going to face in the future, so it was better for him to be alone so as not to cause too much trouble.

Ye Chen immediately climbed the stairs to the top floor, when Ye Chen was about to go up to the second floor, he found that on the second floor there was a Array that he had to pass to get to the second floor.

If one wanted to break through this Array, then one had to have sufficient strength, otherwise one would be repelled outright.

"So it's like that, you must have enough strength to break through this." Ye Chen just found out about this matter.

"You are absolutely right, this is for a disciple to be diligent in his practice, the stronger the disciple is, the more cultivation techniques one can learn" Chu Ning'er explained to Ye Chen.

"Then I'll just have to go through this." Ye Chen only had to pass through this Array.

Ye Chen leaned his body forward, when Ye Chen did this, he felt a force trying to block Ye Chen.

It was a pity that the strength of this Array was so weak that it was unable to withstand Ye Chen.

Ye Chen easily passed through this Array, he easily crossed the Array to the second floor.

"Okay, this is easy, just go to the next floor" After breaking through the Array to the second floor, Ye Chen decided to go straight to the third floor.

Ye Chen arrived in front of the third floor Array, himself directly breaking through the Array on the third floor.

The third Array looked stronger than before, it contained quite a bit of power.

Even though it was strong, it was still not enough to restrain Ye Chen, Ye Chen could still easily break through this Array.

After breaking through several Array that were on each floor, Ye Chen finally arrived at the highest level, at this level the most powerful Array was located.

"Are you ready to break through this last Array?" Chu Ning'er asked Ye Chen, she wanted to know if Ye Chen had prepared himself to break through the strongest barrier in this place.

The final Array is the most powerful, only special people can break through level this.

Those who deserve to enter this place are only geniuses among geniuses.

Ye Chen started to stretch his hand forward, when Ye Chen stretched his hand forward, when Ye Chen did this, he felt a very strong resistance.

Ye Chen could feel that this barrier was trying to drive Ye Chen away.

"Pretty strong too" Ye Chen could feel that this Array was quite strong too, it seemed that Ye Chen had to be serious if he wanted to get past this Array.

Ye Chen took a very deep breath, he began to circulate all the Profound Energy in his body.

An extremely powerful aura enveloped Ye Chen's body, this aura cracked the floor beneath Ye Chen.

"Oh, you show your strength." Chu Ning'er saw Ye Chen showing his strength, even though he was at the tenth stage of the Divine Tribulation Realm, Ye Chen actually possessed extremely strong strength.

"Ye Chen's strength is at least equal to that of a cultivator at the Divine Monarch Realm stage, if one were to underestimate Ye Chen, they would definitely end up having a very bad time.

After expending all the strength he had, Ye Chen walked forward, the Array in front of Ye Chen began to ripple like water, it seemed that this Array was starting to be shifted by Ye Chen's strength.

A huge crack appeared in front of Ye Chen, Ye Chen walked over and started to pass through this gap.

Finally Ye Chen had arrived at the highest floor in this building.

"So where is the path leading to the bottom?" Ye Chen asked where the path to the bottom was from.

"Why are you in such a hurry, why don't you take a look at the collections in this place, everything in this place is a high-level cultivation technique in the Heavenly Thunder Valley Sect," Chu Ning'er said to Ye Chen.

"I'm not interested in that, I need the inheritance from the Sage God more." Ye Chen said that he needed the inheritance from the Sage God more.

"Yes, I can understand, you must have a large collection." Chu Ning'er understood why Ye Chen had no interest in the cultivation techniques or manuals stored in this place, it seemed that Ye Chen had much more powerful ones than the ones in this place.

"I'm not a cultivator who cultivates lightning, so everything in this place is still not very useful to me." Ye Chen said that everything in this place is still not very useful.

Wait until Ye Chen gets the inheritance from the Sage God, that's when everything will come in handy for Ye Chen.

"You have to find the key yourself, the key must be hiding around this place." Chu Ning'er told Ye Chen to look for the key.

"Is the key alive?" Ye Chen asked Chu Ning'er, from Chu Ning'er's words just now, he described that this key could move from this place.

"It's not life, rather it has a mechanism to escape when it's about to be picked up" Chu Ning'er said to Ye Chen.

Chu Ning'er explained that Ye Chen had to find the key that was currently hiding, then Ye Chen could go to the bottom.

"Okay, thanks for the explanation." Ye Chen now had to go and look for the key.

"God Eyes" Ye Chen used God Eyes to survey the area around this place, using God Eyes Ye Chen was sure to find the key.

"found" in just a very short time, Ye Chen was finally able to find the whereabouts of the key that Chu Ning'er meant.

Ye Chen didn't waste his chance, he immediately went to get the key.

As Ye Chen approached, the lock suddenly moved and shot out at a very fast speed.

"Too fast" Ye Chen didn't expect that the key he was aiming for could fly at such a fast speed.

"Didn't I tell you before, it has a mechanism that will run away when someone approaches it" Chu Ning'er said to Ye Chen.

Chu Ning'er made it clear that the key would escape as soon as it detected someone.

### **Chapter 1255 - Treasure Storehouse Of The Heavenly Thunder Valley Sect**

"Then what I need to do is be faster than the key" Ye Chen came up with an idea, he should be faster than the key, that way he could catch the key.

"It won't be as easy as you think, it will be very difficult to do, the faster you are, the faster the lock will be" Chu Ning'er said to Ye Chen.

"If we don't try we won't find out, let me try it first" Ye Chen wanted to try it first, at least Ye Chen wanted to try his way of catching the key.

Ye Chen started to take a step forward, he used his full speed to catch the key in front of him.

With Using his full speed, Ye Chen instantly disappeared and shot into a faint shadow.

Ye Chen darted to where the key was hiding, when Ye Chen came over to him, Ye Chen found that the key was gone again, it seemed that this key was avoiding Ye Chen.

"Where are you going, I won't let you escape" Ye Chen immediately chased after the key, with full speed Ye Chen tried everything he could.

The chase is unavoidable, Ye Chen is currently circling in pursuit of the key.

If ordinary people saw this, they would immediately think that what happened was really funny.

"fufufufu, it looks like he's having a hard time" Chu Ning'er laughed when she saw Ye Chen who seemed to be having a hard time catching the Key.

Chu Ning'er could actually help Ye Chen, unfortunately she didn't want to do that, she wanted to see if Ye Chen could solve this problem or not.

Ye Chen kept chasing the key, this key kept running away from Ye Chen.

This key was much faster than him, which was why Ye Chen couldn't possibly catch this key.

"Master, you should just let go of the Geoling Bracelet that you have." Chu Yuechan suggested to Ye Chen to let go of the Geoling Bracelet that he had.

Let Ye Chen feel the changes that occur when he doesn't use the Geoling Bracelet.

"Okay, I'll give it a try." Ye Chen said that he was going to try to remove the Geoling Bracelet, hoping to catch the key in front of him.

Ye Chen took off the Geoling Bracelet that was on his arm, when Ye Chen did this, Ye Chen felt that his body became very light, Ye Chen had never felt his body this light.

"This is very light, my body really feels very light." Ye Chen started jumping up and down, he felt that his body had become very light, Ye Chen felt that all the weight in his body had disappeared.

"Alright, time to counterattack" Ye Chen started preparing to counterattack, this time he should be able to catch the key to open the door leading to the bottom.

Ye Chen took a stance, after taking a stance, Ye Chen immediately dashed forward at a much faster speed than before.

Ye Chen's speed this time was tens of times faster than before, now Ye Chen could run at his full speed.

"Oh" Chu Ning'er was surprised by Ye Chen's speed increase, Ye Chen's speed increased many times after removing the Geoling Bracelet.

With Ye Chen's speed this time, Ye Chen finally started to get close to the key he was after.

Ye Chen stretched his hand forward, he immediately reached for the key in front of him.

Ye Chen immediately grasped the key that he had obtained, Ye Chen did not let this key slip away.

Chu Ning'er was quite surprised by this, she didn't expect Ye Chen to settle this so easily.

"I've got it, what should I do now?" Ye Chen immediately asked what he should do now.

Chu Ning'er still hadn't recovered from the shock she had, she was still shocked by what Ye Chen had just done.

"Ning'er?" Seeing Chu Ning'er who still didn't answer himself, Ye Chen again asked

"Come with me." Chu Ning'er finally woke up from her shock, she immediately told Ye Chen to follow her to the place where Ye Chen had to use the key.

Ye Chen followed Chu Ning'er towards a wall.

"This is it, quickly enter the key you have obtained." Chu Ning'er told Ye Chen to enter the key that he had obtained.

"Where is the hole?" Ye Chen asked where the hole for inserting the key was in his hand.

"What hole, you just stick it" Chu Ning'er told Ye Chen to stick the key to the wall.

"Oh" Ye Chen now understands, it seems that the key in the past is not the same as the one on earth.

Ye Chen did as Chu Ning'er just told him to put the key in his hand against the wall.

When the key stuck to the wall, a rune began to appear, and formed a rectangle, after which the wall in front of Ye Chen opened and made a door.

"Is this the way down?" In front of Ye Chen was a staircase that led to the lower floor.

"Yes, here are the stairs leading to the lower floor, hurry up, don't waste your time anymore." Chu Ning'er told Ye Chen not to waste any more time.

Ye Chen immediately went down the stairs, the stairs are very long, it looks like it will take quite a while to get to the very bottom.

Ye Chen needed about 10 minutes to get to the very bottom of the Heavenly Thunder Valley Sect.

After reaching the bottom, Ye Chen saw a very wide cave, around this place there were a lot of human skeletons scattered about, most likely this place was a witness to the battlefield in the past.

There were also some artifacts, pills, profound crystals, and some treasures scattered around this place.

These are all items that have a high value to use, Ye Chen was very happy.

"this feeling" When Ye Chen got here, he felt that something was calling him.

When Ye Chen felt this feeling, Ye Chen could tell that this must be one of the inheritances left by the Sage God.

Ye Chen immediately looked for the source of where this thing came from, when Ye Chen looked for the source of this thing, Ye Chen found that this thing was held by a skeleton sitting in the middle of this cave.

The surroundings of this person were enveloped by extremely powerful profound lightning, this profound lightning created a pillar that pierced upwards.

Ye Chen finally found what he was looking for, he immediately rushed over and took the lightning inheritance left by the Sage God.

"Wait a minute" Chu Ning'er tried to stop Ye Chen, unfortunately Chu Ning'er didn't have time to do that, Ye Chen was already approaching towards the skeleton holding the lightning crystal.

As Ye Chen approached, the skeletons suddenly started to move, this naturally shocked Ye Chen greatly.

"What happened?" Ye Chen wanted to know what happened, why this skeleton suddenly came to life.

The skeleton actually started to move, he looked like he had a human-like life.

"Who dares to enter the treasure storehouse of the Heavenly Thunder Valley Sect, I will definitely kill them." This skeleton said that he would kill anyone who dared to steal anything from the treasure storehouse of the Heavenly Thunder Valley Sect.

"He can also talk..." Ye Chen didn't expect that this skeleton would speak like a human.

### **Chapter 1256 - Cursed Treasure**

"He is the remnant of an abandoned soul, it seems that he left his soul to guard this place" Chu Yuechan said to Ye Chen.

"Is this remnant soul strong?" Ye Chen asked Chu Yuechan, Ye Chen wanted to know how strong this remnant soul in front of him was.

"His strength will not be as strong as when he was alive, even so this man is still very strong." Chu Yuechan explained that the strength of this skeleton would not be as strong as when he was alive.

"Then what is his current cultivation level?" Ye Chen asked what the cultivation level of the skeleton in front of him was.

"Let me judge, it's most likely at the Divine Preceptor Realm stage." Chu Yuechan said to Ye Chen.

"\_-" Although not as strong as in the past, still this is still quite difficult for Ye Chen to deal with.

"I think this will be the most difficult battle." Ye Chen felt that this would be the most difficult battle he had ever experienced.

"maybe this will be the most difficult, take a look around you" Chu Yuechan told Ye Chen to look around this place.

" So what?" Ye Chen wanted to know why Chu Yuechan said that, when Ye Chen turned his head to the side he found that many skeletons had started to rise.

"What! !!" Ye Chen was quite surprised when he saw this, Ye Chen did not expect that one by one the skeletons began to rise.

"Damn it, I'm surrounded" Ye Chen was surrounded, now he won't be able to leave this place.

"Now what are you going to do?" Chu Yuechan asked what Ye Chen was going to do.

"Looks like I have no other choice but to fight." Ye Chen had no choice but to fight, he needed the lightning crystal that was in the hands of the skeleton in front of him.

"You must use all the strength you have, otherwise you will not win" Chu Yuechan told Ye Chen to use all the strength he had.

Otherwise, Ye Chen would not be able to win or live, all these skeletons were extremely terrifying, they had a very strong aura of hatred.

"I will use my full strength, otherwise I can lose in this place" Ye Chen understood what Ye Chen said

"kill . . . , kill . . . kill . . . kill . . . kill . . ." The skeletons in this place said that they were going to kill Ye Chen.

All the skeletons went straight towards Ye Chen, they immediately went to attack Ye Chen using their strength.

Ye Chen felt a danger approaching towards him, sensed the approaching danger, Ye Chen had to quickly get away from this attack.

"boom" The skeleton attacked Ye Chen, himself using his full strength to attack Ye Chen.

"Strong enough, if I had been hit earlier, it would have been very dangerous." Ye Chen was happy that he could dodge, if Ye Chen didn't dodge in time, something bad would happen to Ye Chen.

Ye Chen started to unleash his own power, himself using the Heavenly Silver Flame to fight the enemy.

Silver colored flames enveloped Ye Chen's body, this fire was so hot that it could burn anything near Ye Chen.

In addition to using Heavenly Silver Flame, Ye Chen also used his Ice and Wind power, three different elements currently enveloping Ye Chen's entire body.

"All of you have forced me to use my full strength, now let's fight." Ye Chen said to the enemy in front of him.

"Kill. . . , Kill . . . , kill . . . , kill . . . ," these skeletons didn't listen to what Ye Chen said at all, they only had the lust to kill.

"It seems useless to talk to them, then let's settle this in a man's way" Ye Chen stepped forward, himself directly fighting against all the skeletons that had been resurrected.

this time Ye Chen had used all the strength he had, the power in Ye Chen's body churned like a wave filled with power.

"Boom. ."Ye Chen fought with all the skeletons, he used all his techniques to fight all the skeletons in this place.

"One Hundred Thousand Fire Swords, Frost Age Frost Nova, DESOLATE PALMS, Nine Shadow Steps, God Fire Sword" Ye Chen used everything he had.

"Boom. . ., Boom . . ., Boom . . ., Boom . . .," Ye Chen had used all the attacks he had against all the enemies.

The battlefield became very chaotic once, Ye Chen fought with all the skeletons in this place.

Explosions and chaos everywhere the battle this time was really fierce.

"They're strong." Ye Chen saw that his attacks were blocked by several enemies, it seemed that some of the skeletons had extremely high cultivations.

"Looks like I have to use Heavenly Armor " Seeing such a powerful enemy, Ye Chen had to use Heavenly Armor.

Ye Chen closed his eyes, he immediately used the Heavenly Armor that was on his body, the golden colored armor covered Ye Chen's entire body.

Ye Chen's entire body was now covered in a dazzling golden Amor.

When Ye Chen used the Heavenly Armor, these skeletons immediately walked away, they all looked scared by the light emitted by the Heavenly Armor.

"I see, they are afraid of light." Ye Chen saw a very good opportunity, he saw an opportunity to defeat the enemy.

Skeletons possessed an overwhelming element of darkness and hatred, so it wasn't strange that they would be afraid of the pure light of the Heavenly Armor.

Ye Chen flapped the wings on his back, he started to inject profound energy into the wings on his back, the wings of light began to shine very brightly and enveloped the entire place.

"Argh, no. . ., all the skeletons in this place screamed in pain, it seemed that they were unable to withstand the light from the Heavenly Armor.

"Please stop, Please stop, Please stop," the skeletons in this place roared and asked Ye Chen to stop.

If it continues like this, then they will be crushed by the power of Please stop.

Ye Chen couldn't possibly stop halfway, he had to consume a lot of Profound Energy to use this, so he couldn't possibly stop after nearly defeating the enemy.

"Big brother please stop" Chu Ning'er told Ye Chen to stop right now.

" what is it?" Ye Chen wanted to know why Chu Ning'er told him to stop.

"You better let them go, they're just doing their job to guard the treasures in this place" Chu Ning'er said to Ye Chen.

"But I want treasures in this place" Ye Chen said that he wanted treasures in this place.

"Even if you get it, you won't be able to use it." Chu Ning'er informed that Ye Chen would not be able to use the treasures stored in this place.

"I can't use it, what does that mean?" Ye Chen wanted to know what Chu Ning'er had just said.

"The treasures in this place have been cursed, so you won't be able to use them, if you insist on using them, it will cause you a lot of trouble." Chu Ning'er began to explain in great detail, herself informing that the treasures in this place had been cursed with forbidden curse.

Whoever used the treasures in this place, then it would wreak havoc.

"Yuechan, what does Ning'er mean, explain more clearly to me." Ye Chen asked Chu Yuechan about what Chu Ning'er said.

Ye Chen didn't know that a treasure had a curse, Ye Chen thought it only existed in ancient dramas or stories.

### **Chapter 1257 - Obtain The Sage God's Lightning Inheritance**

"It is a forbidden seal technique which is extremely dangerous, if one were to use an item that was cursed, then it is certain that their body would suffer something bad." Chu Yuechan explained to Ye Chen about the curse Chu Ning'er was referring to.

"What kind of effect can it have?" Ye Chen wanted to know what kind of effect it could have.

"There are so many effects that can happen, you can hurt your body or stop your cultivation, you turn into a cripple and there are so many effects that can happen" Chu Yuechan said to Ye Chen.

"Why didn't I know there was something like this?" Ye Chen never knew that there was something like this.

"This is a completely forbidden technique, usually to use a curse requires the sacrifice of a lot of people, so not many people can use something like this.

"Don't tell me that they used all Sect members to do this" After hearing this, Ye Chen could conclude that this curse most likely used all Sect members as sacrifices.

"That's probably the case." Chu Yuechan agreed with what Ye Chen thought, that's probably what happened.

"Then can't you do something about this matter?" Ye Chen asked if Chu Yuechan couldn't do something about this matter.

"It's very difficult, it's not easy to get rid of something like that, even I can't do that myself" Chu Yuechan said.

the cursed seal was something very complicated at all, it couldn't be broken easily by someone.

"So you can't even do something about it." Ye Chen was a little disappointed when he heard this, if Chu Yuechan couldn't do anything, then it would be very difficult for Ye Chen.

"You better let them go and just listen to Chu Ning'er's words." Chu Yuechan told Ye Chen to do as Chu Ning'er said.

"Alright, if you have the same thoughts as Ning'er then I will let them go" Ye Chen agreed to let go of this skeleton.

Ye Chen retract deep energy that he had, after Ye Chen retract deep energy that he had,dazzling light vanished.

After the light disappeared the skeletons now became silent and no longer attacked Ye Chen.

Chu Ning'er stepped forward, she was going to talk to the rest of the souls of the people who were waiting for the treasures that were in this place.

"Everyone please listen to me, he came here to take what is rightfully his, so I hope you will give him what is rightfully his" Chu Ning'er said to all the skeletons in front of her.

"what's that?" The strongest skeleton asked Chu Ning'er, he wanted to know what Chu Ning'er meant.

To think that the skeletons were able to answer Chu Ning'er's question, they still had extremely high levels of consciousness.

"That is the crystal in your hand." Chu Ning'er said that Ye Chen wanted the crystal in his hand.

"Why does he want this treasure?" The skeleton asked Chu Ning'er, the skeleton wanted to know the reason why Ye Chen wanted the thing in his hands.

"He is the owner of that thing, I hope you hand it over." Chu Ning'er informed that the lightning crystal should belong to Ye Chen.

"If indeed he is the owner, then this will react immediately" said the skeleton to Chu Ning'er.

"Big brother why don't you come over and give it a try, if the item has any attachment to you, then it will be yours." Chu Ning'er told Ye Chen to come forward.

"Alright, I'll do it" Ye Chen nodded, he would go forward and start taking his lightning crystal.

This was the legacy of the Sage God, so this was something that was left to Ye Chen.

Ye Chen drew near again, as Ye Chen approached, the lightning crystal started to show a bit of a strange reaction.

The lightning crystal left the body of the skeleton and instantly shot towards Ye Chen, this crystal turned into light and entered Ye Chen's body.

The moment the lightning crystal entered his body, Ye Chen felt an enormous power, he felt a new power in his body.

Lightning began to envelop Ye Chen's body, extremely powerful lightning began to envelop Ye Chen's entire body.

Ye Chen began to feel that his body contained a very strong lightning power, this power was so very strong that it made Ye Chen feel that he had an enormous increase in speed and strength.

"This is amazing." Ye Chen felt that this was very extraordinary, the power of lightning gave an extremely fast increase in strength and speed.

Ye Chen stretched his hand forward, he created a ball of lightning in his hand, the ball of lightning easily created in Ye Chen's hand.

"Finally I have obtained four inheritances" Ye Chen was happy that he had already obtained 4 of the 8 inheritances belonging to the Sage God, now only half of it was left.

"You are indeed the owner of that thing" the skeleton said to Ye Chen.

"Many thanks for taking care of this thing for me" Ye Chen said to the skeleton.

Ye Chen might not know the name of this senior in front of him, but he knew that this senior was quite good.

"Alright, you can go, all the treasures in this place have been cursed by the ancestors, so you won't be able to get them" Skeleton told Ye Chen that the things in this place were cursed and couldn't be taken.

"Thank you for the warning from senior." Ye Chen was grateful for the warning given by this senior in front of him.

"If you want treasures go to this place, you will find very good treasures" Seeing Ye Chen who really didn't want treasures in this place, the skeleton gave the location where very good treasures were hidden.

Ye Chen received the map, Ye Chen looked at the map, this is the map of the heavenly thunder valley sect, all the locations in the heavenly thunder valley sect are in this place.

Ye Chen saw a marked place, it seemed to be the location where the Legend Tier weapons were.

"Okay, then I will go first" Ye Chen said that he would go first.

All the skeletons returned to their respective places, they fell silent and turned into inanimate skeletons.

Ye Chen was relieved when he saw this, it seemed like a big battle could be avoided, if Ye Chen fought with all of them, then it would definitely be very difficult.

"Big brother, congratulations on what you got." Chu Ning'er congratulated Ye Chen on obtaining the inheritance from the Sage God.

"This is all thanks to you, so thank you very much" Ye Chen thanked Chu Ning'er, he was able to get this crystal because of Chu Ning'er.

Ye Chen stroked Chu Ning'er, he was very happy when he stroked Chu Ning'er's head.

"hehehehe" Chu Ning'er smiled, pleased with the current treatment Ye Chen was giving her.

"Then let's go upstairs." Ye Chen invited Chu Ning'er to go upstairs.

He had to go to the place that the senior had just told him.

"Let's go, I don't really like living in this place." Chu Ning'er said that she didn't like living in this place.

Ye Chen and Chu Ning'er rose to the surface, both of them headed towards the room where the top ranked techniques were stored.

Ye Chen wanted to see if there was a cultivation or fighting technique he could be interested in.

### **Chapter 1258 - Fighting Sun Xuanyin (1)**

Ye Chen's cultivation technique that intrigued him.

For example, this Lord Thunder Wave was a item that Ye Chen was attracted to.

Lord Thunder Wave is a technique that can emit lightning in a very wide radius, this lightning is able to make all enemies around him be struck by lightning.

"Looks like it's pretty good I'll go and study it" Ye Chen decided to go and study this.

Besides Ye Chen, he still has Sage God's innate techniques, namely God Thunder Armor, God's Judgment Lightning and the strongest is God Slayer Lightning Shot.

Moreover, Ye Chen had opened his lightning vein, now he could use his lightning vein.

From the information he received, when Ye Chen used this, Ye Chen could gain immense power, but in return he would not be able to use his Profound Energy for a while.

This skill can only be used once, if you use it twice, the user's body will be damaged.

This was a technique that was both very powerful and extremely sensitive, after using it, Ye Chen would not be able to use his profound energy.

"This is pretty good." Ye Chen felt that the lightning inheritance became the strongest, with this Ye Chen had a huge increase in strength.

"Alright, I'll start studying this" Ye Chen decided to start studying this, he might stay in this place for a while.

.

.

Meanwhile elsewhere, by this time Sun Xuanyin had already made it through the labyrinth and arrived at the training grounds.

"Finally I made it out too." Sun Xuanyin finally arrived, she needed a lot of effort to get to this place.

"Has he reached this place yet?" Sun Xuanyin started to wonder if Ye Chen had arrived at this place, most likely he should have arrived here first.

"I can't be late, I must succeed in obtaining the treasure." Sun Xuanyin must not be late, lest she fail to obtain a Legend Tier item.

Sun Xuanyin already knew that in this place there was a Legend Tier item, she had already obtained information from other people who had participated in this quest.

Sun Xuanyin took out something, this was a special item that could lead her to the place where the treasures of the Heavenly Thunder Valley Sect were kept.

Sun Xuanyin used the item, after using the item, Sun Xuanyin finally found the direction where the Legend Tier weapon was.

Sun Xuanyin didn't waste any more time, she had to be the first to obtain the weapon.

After Sun Xuanyin, there were several people who came out, these people were from Heavenly Spear Kingdom, Shin Clan, Frozen Cloud Sect, Black Thorn Sect.

They have also successfully passed the labyrinth and arrived at the Heavenly Thunder Valley Sect.

These people started to go around, they were trying to find treasures around this place.

People are starting to come to this place, they will immediately fight over the thing that is in the Heavenly Thunder Valley Sect.

This place is bound to be chaotic, people will show their true nature and will even kill each other to get what they want.

.

.

While Ye Chen was still in his own comprehension, he was trying to comprehend the technique of the Sage God.

Since this skill was a technique of the Sage God, Ye Chen could very easily learn the technique.

Ye Chen didn't take long to learn the techniques possessed by the Sage God.

"Good, done, now is the time to go" After learning everything, Ye Chen decided to go and take the treasure.

"big brother Your is done?" Chu Ning'er was quite surprised when Ye Chen had finished learning the technique he had just taken, what Ye Chen did was really fast.

"I'm done, so let's go." Ye Chen told that he was done, that's why Ye Chen asked Chu Ning'er to leave this place.

Chu Ning'er's guess was right, Ye Chen had already finished studying everything, this was something that Chu Ning'er was very surprised at.

"It seems that his innate talent is very good." Chu Ning'er felt that Ye Chen's innate talent was very high, this allowed Ye Chen to learn everything easily.

"Come on" Ye Chen took Chu Ning'er away, he asked Chu Ning'er to leave this place.

"Okay, let's go." Chu Ning'er agreed, she would follow Ye Chen wherever he went.

Chu Ning'er clearly became interested in Ye Chen, that's why she just kept going and following Ye Chen.

Ye Chen and Chu Ning'er went downstairs, both of whom immediately searched for Xing Mei's whereabouts.

It just so happened that Xing Mei was currently on the fifth floor, she was currently looking around this place looking for something good.

"Xing Mei, it's time to go and retrieve the treasure." Ye Chen invited Xing Mei to go and get a treasure.

"Oh, Ye Chen, you just surprised me." Chu Ning'er was quite surprised when she saw Ye Chen, she was shocked when she saw Ye Chen who was already behind her.

"What did you just say?, treasure?, have you found anything yet?" Xing Mei asked Ye Chen.

"Of course, I've already found the location of the treasure, so let's go and retrieve it." Ye Chen took out the map that senior gave him.

"Oh a map, let me have a look." Xing Mei looked excited when she saw this, she was very happy when Ye Chen brought this out.

Ye Chen gave the map to Xing Mei, he showed the map he got.

Xing Mei looked at the map that Ye Chen had managed to obtain, it was clear that Ye Chen had found something very, very good.

"Then what are we waiting for, let's go." Xing Mei invited Ye Chen to leave, she wanted to immediately see the treasure that Ye Chen meant.

"Didn't I invite you earlier?" Ye Chen looked helpless when he hear what Xing Mei had said.

"Come on, let's go." Xing Mei took Ye Chen and Chu Ning'er to where the treasure was, she couldn't wait to see the whereabouts of the treasure.

When Ye Chen, Xing Mei and Chu Ning'er descended, they found several people who started to ascend to this place, these people seemed to be looking for techniques or information that was in this place.

Ye Chen ignored these people, his main goal was to go find the treasures of the Heavenly Thunder Valley Sect that could be used.

This treasure is in the main building in this place, this building is the largest place in the Heavenly Thunder Valley Sect .

"Come on in." Ye Chen invited Xing Mei and Chu Ning'er to go inside.

"Big brother seems to have someone inside." Chu Ning'er suddenly said that there was already someone inside.

" Who?" Ye Chen immediately asked who was in there, he wanted to know who had preceded him.

"This is the beautiful sister you play with." Chu Ning'er told Ye Chen that this was the beautiful older sister who previously played in the bushes with Ye Chen.

Ye Chen's face darkened after hearing what Chu Ning'er said, he didn't expect this woman to arrive earlier than him.

Sun Xuanyin was a strong woman, so it would be very troublesome to deal with this woman.

Plus Sun Xuanyin must have been very wary of Ye Chen, so he wouldn't be as careless as before.

### **Chapter 1259 - Fighting Sun Xuanyin (2)**

"Yuechan, I want to know Sun Xuanyin's current cultivation level." Ye Chen asked Sun Xuanyin's cultivation level, he wanted to know Sun Xuanyin's level.

"If you want to know this woman is at the Divine Overlord Realm stage, so if you really do battle against her, then I can confirm that you have a 0% chance of winning." Chu Yuechan told Ye Chen that Sun Xuanyin had the power of the Divine Overlord Realm.

"puftt" Ye Chen coughed as he listened to what Chu Yuechan said, he didn't expect that Sun Xuanyin would become that strong.

"Isn't she too strong" Ye Chen said to Chu Yuechan.

"She is indeed strong, which is why you might not win if you fight against her" Chu Yuechan said to Ye Chen.

Chu Yuechan was sure that Ye Chen would not be able to win against Sun Xuanyin, that was an extremely difficult thing for Ye Chen to do.

"But I still can't let it go." Even though he didn't have a chance to win, Ye Chen still couldn't let Sun Xuanyin go just like that, to get the treasure.

If he let Sun Xuanyin get the treasure, then it would be a loss for Ye Chen.

"so are you going to keep fighting her?" Chu Yuechan asked Ye Chen.

"Of course" Ye Chen said that if he was going to keep fighting Sun Xuanyin, he couldn't let this woman get a good treasure.

"I'm going in." Ye Chen decided to go inside, he would definitely try to find a way to win over Sun Xuanyin.

Ye Chen, Xing Mei and Chu Ning'er went inside, the three of them headed straight for the place where the treasures were kept.

When the three arrived at the treasure place, the three of them had already seen Sun Xuanyin currently holding a beautiful shawl in her hands.

This weapon looked extremely powerful, it seemed like it was a high rank artifact.

"Ning'er, is that the weapon you're referring to?" Ye Chen asked Chu Ning'er.

"Yes, it's the Legend Tier weapon I meant." Chu Ning'er informed that it was the Legend Tier weapon she meant.

"Big brother, it seems that woman has managed to obtain the weapon, the name of the weapon is the White Goddess Scarf." Chu Ning'er told Ye Chen about the weapon that Sun Xuanyin had obtained.

"Tch, why is this woman always first?" Ye Chen was a little annoyed when he saw that Sun Xuanyin had obtained the treasure from him.

Ye Chen arrived a little later than Sun Xuanyin, now that the White Goddess Scarf was in Sun Xuanyin's hands, it would be a little difficult to get it back.

Sun Xuanyin began to try the White Goddess Scarf in her hands, she began to try to control the White Goddess Scarf in her hands.

The White Goddess Scarf began to extend and destroy the wall in front, with great ease, the White Goddess Scarf flattened the wall in front of Sun Xuanyin.

The entire building in this place trembled as Sun Xuanyin slightly waved the White Goddess Scarf, it immediately collapsed with just a single blow from the White Goddess Scarf.

"Come with me quickly" Ye Chen immediately took Xing Mei and Chu Ning'er who were beside him, Ye Chen took these two women away from this place.

Ye Chen, Xing Mei and Chu Ning'er made it out safely, the three of them made it out safe and unharmed.

"This woman is really crazy" Ye Chen said in his heart.

Sun Xuanyin was really crazy, she tried a high rank weapon inside a building, it naturally caused a solid building to instantly crumble into ruins.

"Oh, look who this is, this is the cute servant I have." Sun Xuanyin said to Ye Chen who was in front of her.

Sun Xuanyin was happy that she had met Ye Chen again, Sun Xuanyin was finally able to take revenge for what Ye Chen had done earlier.

"This world is really too small, I have yet to meet an annoying woman like you," Ye Chen replied to Sun Xuanyin.

"Who are you calling annoying, you are not worthy to say such a thing to me" Sun Xuanyin said to Ye Chen.

Sun Xuanyin looked displeased as she listened to Ye Chen calling herself a bitch.

"To me you are an annoying woman, so I don't like you" Ye Chen said to Sun Xuanyin.

"You ruthless man, after doing that to me, you dare to throw me away" Sun Xuanyin said in a sad tone, anyone who heard it would surely feel sorry for Sun Xuanyin.

"I don't care about that" Ye Chen said that he didn't care what Sun Xuanyin said.

"You are such an annoying man, I think I should practice speaking better to this goddess." Sun Xuanyin was already starting to lose her temper, she was really starting to feel irritated towards Ye Chen.

Sun Xuanyin began to swing the White Goddess Scarf towards Ye Chen, Xing Mei and Chu Ning'er.

"Quickly dodge" Ye Chen told everyone to dodge, and went as far as possible.

"Boom" A huge explosion occurred when the White Goddess Scarf touched the floor that Ye Chen stepped on.

The previously flat floor had now been turned into an enormous pit.

The power of the White Goddess Scarf was clearly so strong that it could destroy the floor very easily.

"What is this?" Everyone around this place started to gather, they immediately went to see the commotion that just happened.

The noise was so loud that everyone who was exploring the building could see what was happening.

When everyone arrived, they all saw Sun Xuanyin who was facing Ye Chen.

Everyone felt strange when they saw this, from the very beginning everyone thought that Ye Chen and Sun Xuanyin were comrades, how could they face each other like that.

"What are you doing?" Xing Mei was angry with Sun Xuanyin, Sun Xuanyin almost killed herself and Ye Chen.

If Xing Mei and Ye Chen didn't dodge, then they would definitely be crushed by the attack just now.

"Little girl you better shut up and see, this is an adult's business, you don't have to interfere with my business with Mask Hero" Sun Xuanyin told Xing Mei to be quiet, she didn't like someone meddling in her personal affairs with Ye Chen.

"You better not say that, this woman is the goddess of the Eternal Sun Star Realm." Ye Chen told Xing Mei about Sun Xuanyin's identity.

"what ! ! !" Xing Mei looked surprised when she heard this, she didn't expect that the Sun Xuanyin who had been with them all this time was the goddess of the Eternal Sun Star Realm.

"Isn't this bad, she is a genius who is said to be in the realm of the Divine Overlord Realm" Xing Mei said to Ye Chen.

Xing Mei looked panicked when she found out about this, it would be very dire if they fought Sun Xuanyin who was a genius who had reached the realm of the Divine Overlord Realm at such a young age.

"we have no other choice, this woman will definitely not let us escape" Ye Chen had no choice but to fight, Sun Xuanyin definitely wouldn't let herself escape.

"Are you sure you can win?" Xing Mei wasn't sure Ye Chen could win, Sun Xuanyin was very strong, with Ye Chen's current strength, it was impossible for Ye Chen to win against Sun Xuanyin.

"We won't know until we try..." Ye Chen said that they wouldn't know until we tried.

### **Chapter 1260 - Fighting Sun Xuanyin (3)**

Ye Chen took the Black Dragon Sword in his hand, he preparing to battle Sun Xuanyin.

"Are you sure you want to fight against me, this time I will not be so kind and give you a chance to win" Sun Xuanyin said to Ye Chen.

Sun Xuanyin wouldn't be as careless as before, she wouldn't let Ye Chen touch her like before.

Sun Xuanyin already knew Ye Chen's abilities, this man was able to make a woman lose strength for quite some time, plus this could make women excited.

this was something so dangerous that even Sun Xuanyin did not have the strength to resist it.

"Of course, I will definitely beat you" Ye Chen said that he would definitely beat Sun Xuanyin.

"Fufufu, very interesting" then show me your strength." Sun Xuanyin laughed herself wanting to see Ye Chen's strength.

"The two of them are going to battle." Everyone saw something interesting, finally Sun Xuanyin and Ye Chen were going to fight, this was something really extraordinary to see.

They couldn't wait to see who would be the victor, whether Ye Chen would be the victor or instead Sun Xuanyin would be the victor.

Ye Chen and Sun Xuanyin looked at each other, both of them were silent and unwilling to start the match.

"Why are you silent, didn't you just say you wanted to fight me?" Sun Xuanyin asked Ye Chen.

"Why should I go forward, you should be the one going up and fighting me" Ye Chen didn't want to go forward, he didn't want to take the risk to go first.

"If you don't want to come forward, let me come to you." Seeing that Ye Chen didn't want to come forward, it was Sun Xuanyin who came to Ye Chen.

After hearing this, Ye Chen smiled evilly, waiting for the right time to put up a fight against Sun Xuanyin.

Sun Xuanyin immediately stopped, she didn't go to Ye Chen's direction, Sun Xuanyin saw Ye Chen's evil smile, it was clear that this man was planning something bad against her.

"Why did you stop, don't you dare attack?" Seeing Sun Xuanyin suddenly stop, Ye Chen again provoked Sun Xuanyin, hoping that this woman would attack him.

"I'm not that stupid to fall into your trap." Sun Xuanyin realized that Ye Chen wanted to frame her, Sun Xuanyin knew that this man wasn't as simple as she seemed, so she had to be careful when fighting Ye Chen.

Sun Xuanyin still didn't know Ye Chen's strength for certain, Ye Chen was now using the Reideran Pendant necklace to hide his strength.

Ye Chen deliberately hid his strength, it was done so that Sun Xuanyin would be careful when fighting against him.

"Oh, so you're scared, I didn't expect that Goddess Sun would be afraid of a commoner like me, hahaha, so funny." Ye Chen laughed when he saw Sun Xuanyin who was afraid of him, he laughed at Sun Xuanyin to make her angry.

"This person" Sun Xuanyin was actually very angry with what Ye Chen said, this man was really annoying.

"I'll just attack him from a distance." Sun Xuanyin came up with an idea to attack Ye Chen from a distance, that way Ye Chen wouldn't have a chance to get close to her.

Flames began to emanate from Sun Xuanyin's body, these flames were so intense that it made everyone feel extremely hot.

"What is this, it's so strong!" Everyone immediately left, they couldn't stand the heat that Sun Xuanyin gave off.

The heat near Sun Xuanyin was truly so overwhelming that not many people could withstand the intense heat at all.

"How, isn't it hot" said Sun Xuanyin to Ye Chen, Sun Xuanyin was sure that Ye Chen would feel hot just from his aura.

" what ?" Ye Chen's tone seemed very relaxed, he was very relaxed in the face of Sun Xuanyin's attack.

"-\_- " Sun Xuanyin didn't expect that Ye Chen would just react like that, this was definitely different from Sun Xuanyin's shadow.

Even though Sun Xuanyin imagined that Ye Chen would beg to her, unexpectedly Ye Chen looked normal even after receiving his power.

"Alright, you're the one who forced me to do this." Sun Xuanyin added to the strength she possessed, an extremely powerful profound flame emanating from Sun Xuanyin's body.

The flames grew hotter and hotter, and even some of the objects around Sun Xuanyin melted due to the enormous temperature.

All cultivators immediately went to save themselves, all of them would not be able to withstand the power of a person at the Divine Overlord Realm stage.

If they didn't move away, then they would definitely be turned into smoke by Sun Xuanyin.

Sun Xuanyin didn't care about the fate of the people in this place, she just wanted to teach Ye Chen a lesson.

"Is that all?" Ye Chen asked Sun Xuanyin, he didn't even feel anything from Sun Xuanyin's strength.

Sun Xuanyin was dumbfounded when she saw Ye Chen who was able to withstand the high temperature that she had.

"Damn it" Sun Xuanyin was already really pissed off, this man really wasn't normal.

"Has he really been hiding his true strength?" Sun Xuanyin started to wonder if Ye Chen had started to hide his true strength.

Otherwise how could Ye Chen withstand Sun Xuanyin's full strength.

"I will try to attack him." Sun Xuanyin decided to go attack Ye Chen.

Sun Xuanyin began to make several fist-sized sun balls from the pure flames she possessed.

"Are you ready to feel the pain?" Sun Xuanyin said to Ye Chen.

Sun Xuanyin would not kill Ye Chen, she would only cripple Ye Chen and bring Ye Chen along with her.

If he killed Ye Chen, it would be a huge loss for Sun Xuanyin, which was why Sun Xuanyin would not kill Ye Chen.

Sun Xuanyin shot all the small sun balls towards Ye Chen.

"Boom. . . , boom. . . , boom. . . , boom. . ." Several large-scale explosions occurred, these explosions made the Heavenly Thunder Valley Sect tremble.

All of the current cultivators had taken cover, all of them avoiding Sun Xuanyin's rampage.

All the cultivators in this place did not expect that Sun Xuanyin would become this strong, besides having a sexy and seductive body, it turns out that this woman also has enormous strength.

"Ye Chen. . ." In the distance, Xing Mei started to call Ye Chen's name, she was worried about Ye Chen's condition.

"Don't worry, he will definitely be fine." Chu Ning'er told Xing Mei that Ye Chen would be fine.

There was no way a person with the inheritance of the Sage God would die so easily, it would disgrace the name of the Sage God.

Previously, Xing Mei had been taken away by Chu Ning'er, Chu Ning'er immediately took Xing Mei away from Ye Chen.

Chu Ning'er didn't want Xing Mei to go and interfere with Ye Chen and Sun Xuanyin battle.

Dense smoke enveloped the place where Ye Chen was standing, this smoke was so thick that it was hard to see the presence of people inside.

Sun Xuanyin was still extremely vigilant, she would not let Ye Chen get close to her.

As long as Sun Xuanyin did not approach Ye Chen, then it was certain that Sun Xuanyin would win this match.

Little by little the smoke began to dissipate, a figure stood behind the smoke.

"Impossible, he didn't avoid it?" Sun Xuanyin looked surprised when she saw Ye Chen didn't dodge from her attack, Ye Chen was very brave to resist Sun Xuanyin's attack.
