

A True God 1261

#### **Chapter 1261 - Fighting Sun Xuanyin (4)**

Everyone also looked surprised when they saw Ye Chen who managed to withstand the attack from Sun Xuanyin.

If previously the people who received were them, they would definitely be instantly turned into smoke.

"Both of them are very strong, who exactly are they?" One of the female disciples from the Frozen Cloud Sect started to ask who Ye Chen and Sun Xuanyin really were, why they were so strong.

"Their identities are very mysterious, I can conclude that they are both equally strong" Xue Muer said to all her friends.

Xue Muer only knew that Ye Chen and Sun Xuanyin had mysterious backgrounds, it was very difficult to find out which backgrounds they had.

"How did you survive my attack?" Sun Xuanyin asked Ye Chen, it was obvious that Sun Xuanyin still didn't believe that Ye Chen could withstand his attack.

"Why not, in this world nothing is impossible" Ye Chen said that in this world nothing is impossible.

"So my guess is correct, you are hiding your true strength" Seeing Ye Chen unwilling to admit, Sun Xuanyin could only guess.

"Well, who knows." Ye Chen only smiled when he heard Sun Xuanyin's words.

"Looks like I won't be able to mess with you, then I have to be more serious" Sun Xuanyin couldn't play around anymore, if she messed with Ye Chen, then she wouldn't be able to catch Ye Chen.

"Then I will also show a little strength that I have" Ye Chen said that he would show the strength that he had.

Lightning began to envelop his body, Ye Chen's body was now covered by lightning that was extremely strong and full of anger.

"Eh?, isn't he a fire user like me, how can he use lightning?" Sun Xuanyin was slightly confused by what had happened.

Sun Xuanyin began to analyze what happened, after a while, Sun Xuanyin finally knew that Ye Chen was a special person who could cultivate two elements at once.

"Oh, I see, you are a person with two elements, quite rare, I didn't expect you to be that great." Sun Xuanyin finally understood what had happened.

"Whatever you want to say, but this battle will end soon, if I can touch you, I can't wait to make Sun Goddess a slave" Ye Chen said to Sun Xuanyin.

This time Ye Chen would definitely make Sun Xuanyin his slave, otherwise there would be trouble in the future.

Ye Chen knew that he would not be able to defeat Sun Xuanyin using his own strength, Ye Chen's chance of doing so was 0%, therefore Ye Chen could only use this method.

"It won't be as easy as you think." Sun Xuanyin would not allow that to happen, she would not allow Ye Chen to do such a thing to her.

Sun Xuanyin had already taken precautions, which was why she was absolutely certain that Sun Xuanyin would definitely not be caught by Ye Chen.

"We'll see." Ye Chen didn't want to waste any words on Sun Xuanyin, that's why Ye Chen had to immediately execute his strategy.

"Nine Shadow Step", Ye Chen used the Nine Shadow Step to go to the side of Sun Xuanyin.

By using the Nine Shadow Steps plus the profound lightning, Ye Chen could unleash an even faster speed.

"It's over" Ye Chen stretched out his hand towards Sun Xuanyin, preparing to touch Sun Xuanyin.

When Ye Chen was only inches away from Sun Xuanyin, Ye Chen discovered that Sun Xuanyin's body had turned into red colored particles.

Ye Chen only reached for empty air, Ye Chen immediately looked around, himself looking for Sun Xuanyin's whereabouts.

Ye Chen finally found Sun Xuanyin who was currently several hundred meters behind in front of him.

"It's just like that, that speed is still far from mine." Sun Xuanyin laughed when she saw Ye Chen's extremely slow speed, Sun Xuanyin obviously could easily dodge this kind of thing.

"He's so fast" Ye Chen didn't expect that Sun Xuanyin would be so fast, even with the Nine Shadow Steps and the boost from the profound lightning, Ye Chen was still far from keeping up with Sun Xuanyin's speed.

Ye Chen didn't give up, he used his profound wind to increase his speed.

Ye Chen now could only rely on speed to be able to win over Sun Xuanyin.

Sun Xuanyin was not aware that Ye Chen had just used his wind power, Ye Chen's wind power was faint and hard to see.

Ye Chen again tried to get closer to Sun Xuanyin, this time Ye Chen's speed was much faster than before.

Ye Chen stretched out his hand, trying to catch Sun Xuanyin in front of him.

Sun Xuanyin did not let Ye Chen succeed, this time Sun Xuanyin's movements also became much faster.

"This woman is still holding herself back" Ye Chen knew that Sun Xuanyin was still holding back, she still hadn't shown her full speed.

"Never mind, you won't succeed, you should try to distract her." Chu Yuechan told Ye Chen to go and distract from Sun Xuanyin, otherwise Ye Chen wouldn't be able to win over Sun Xuanyin.

"Then I'll distract her" Ye Chen would turn his attention away from Sun Xuanyin, at this rate he would not win against Sun Xuanyin.

"One Hundred Thousand Fire Swords" Ye Chen made thousands of fire swords, he intended to use this to outwit Sun Xuanyin.

"Oh. . ." Sun Xuanyin just said oh well, Sun Xuanyin looked normal when she saw this.

Ye Chen moved the fire sword, himself directly aiming for Sun Xuanyin.

Sun Xuanyin did not dodge this attack, she simply waved her hand to repel the fiery sword that was aiming at her.

With a single wave of her hand, Sun Xuanyin shattered all the fire swords in existence.

"it didn't work" Ye Chen felt disappointed when he saw this, this woman actually repelled her attacks with great ease.

"Is that all you can do?" Sun Xuanyin started to regain her confidence, she was now convinced that Ye Chen's cultivation was still below his.

"Goddess Sun is really great, I didn't expect my attack to be parried so easily" Ye Chen didn't show any signs of fear, he tried to remain calm and relaxed when facing Sun Xuanyin.

If Ye Chen were to expose his weakness in front of Sun Xuanyin, this woman would definitely attack Ye Chen indiscriminately.

Seeing the calmness that Ye Chen has, Sun Xuanyin still doesn't dare to underestimate Ye Chen, this man is still too mysterious, Sun Xuanyin still doesn't know the level of strength that Ye Chen possesses, Ye Chen is really too vague to know.

"Let's think" Ye Chen started to think of a way to win against Sun Xuanyin, he had to think of a way to win against Sun Xuanyin.

"Feel this" as Ye Chen slightly lowered his guard, Sun Xuanyin immediately attacked Ye Chen with the White Goddess Scarf.

"damn" Ye Chen immediately dodged, it would be dangerous if he received an attack from the White Goddess Scarf.

"boom" The huge hole was formed again by Sun Xuanyin's attack, if Ye Chen didn't dodge, Ye Chen would have been seriously injured.

"I may not be afraid of Sun Xuanyin's profound attacks, but the White Goddess Scarf is too powerful and terrifying, if I get hit by it then it will all be over" Ye Chen thought of Sun Xuanyin.

### **Chapter 1262 - Using Lightning Vein**

The White Goddess Scarf was something that was quite dangerous once, if it got hit, it would be something very dangerous.

Ye Chen had to find a way to deal with this, otherwise he wouldn't be able to win against Sun Xuanyin.

Sun Xuanyin looked at Ye Chen who was avoiding the White Goddess Scarf, it seemed that Ye Chen was afraid of the White Goddess Scarf.

"I see, he's afraid of this" After learning this, Sun Xuanyin finally had a way to beat Ye Chen.

Sun Xuanyin again attacked Ye Chen with the White Goddess Scarf, this time Sun Xuanyin tried not to miss deeply on Ye Chen.

Ye Chen dodged again, unfortunately this time the speed of the White Goddess Scarf was much faster than before, this made Ye Chen unable to dodge it.

Ye Chen's "boom" flew when he received the White Goddess Scarf, Ye Chen flew several kilometers when he received the White Goddess Scarf.

"Damn it hurts" Ye Chen felt a fairly heavy pain from the attack just now, if Ye Chen didn't use the Heavenly Armor on his body, then Ye Chen would definitely be seriously injured.

"Surprisingly, you were able to withstand the attack just now." Sun Xuanyin was a little surprised to see that Ye Chen was able to withstand the attack she had, it seemed Sun Xuanyin was too soft in the attack just now.

To be honest, Sun Xuanyin still wasn't serious about attacking Ye Chen, if Sun Xuanyin was really serious about fighting Ye Chen, Ye Chen would have been dead from the first attack she had.

"how can you fight with a high grade weapon artifact, that's totally unfair" Ye Chen complained to Sun Xuanyin who was using a High Tier weapon against Him.

"I don't care, if you really have someone better than me, you can take it out too." Sun Xuanyin didn't care about Ye Chen's complaints, as long as he could catch Ye Chen, Sun Xuanyin would do anything.

"This bitch" Ye Chen was a little irritated by Sun Xuanyin's reply, this woman was really too arrogant and arrogant, she used all kinds of means to get Ye Chen.

"You better give up and come with me, I'm still kind enough to give you a chance" Sun Xuanyin was still kind enough to give Ye Chen a chance to give up and come along with her.

"Hahaha, do you think I'm stupid to go with you?, if I go with you, then it's tantamount to suicide." Ye Chen is not stupid, how could he want to go with Sun Xuanyin, he will definitely get bad things if he goes with a woman like Sun Xuanyin.

"You rejected me again, if it was a normal guy, they would definitely agree to come with me right away" Sun Xuanyin said to Ye Chen.

Ye Chen was completely different from the men Sun Xuanyin had met, Ye Chen was completely disinterested even after getting an invitation from one of the four beautiful goddesses in the God Realm.

As a beautiful woman full of mature charm, Sun Xuanyin was the object of worship of all kinds of men in the God Realm, all of whom came from extremely powerful backgrounds and immense influence.

They used various means just to be able to meet Sun Xuanyin and chat with themselves.

Unfortunately Sun Xuanyin wasn't interested in this, for Sun Xuanyin these people were just stepping stones for her that she could use at any time.

And this time Sun Xuanyin met Ye Chen who was the owner of the body she had been looking for, but this man had always rejected her.

"I have many beautiful women who are much better and prettier than you, so there's no way I would choose you and leave them" Ye Chen said that he would not be so stupid as to choose Sun Xuanyin and leave his beloved wife.

"Like that?" There was a glint in Sun Xuanyin's eyes, it was obvious that Sun Xuanyin didn't like it when Ye Chen compared herself to other women.

Women are very strange creatures, they don't like it when a man compares them to other women who are much more beautiful.

Ye Chen felt a terrible pressure, Sun Xuanyin began to emit a powerful killing aura towards Ye Chen.

"What happened, why did his attitude suddenly change?" Ye Chen didn't understand why Sun Xuanyin's attitude suddenly bore.

"That's because you compare her to other women, it seems she doesn't like it, as one of the recognized goddesses in the God Realm there's no way she would be compared to other women." Chu Yuechan concluded that Sun Xuanyin didn't like being compared to other women .

"So she's angry about it" Ye Chen now understood why Sun Xuanyin looked so angry, it seemed that this woman didn't like it when she saw someone much prettier than her.

"This woman is too selfish" Ye Chen could feel that Sun Xuanyin was a very selfish woman, this woman only wanted to win and could not be controlled by anyone.

"I will end this soon, I will make sure that it will be very painful" Sun Xuanyin would not hold back anymore, she would teach Ye Chen a lesson so that this man would not dare mention other women in front of him.

"Master, looks like she will be really serious in fighting you, you better use all the aces on your ladder, otherwise you won't be able to win" Chu Yuechan told Ye Chen to use them all, otherwise Ye Chen would definitely suffer a terrible fate tragically in front of Sun Xuanyin.

Chu Yuechan could confirm that Sun Xuanyin would mean it, previously Sun Xuanyin was just playing with Ye Chen.

Sun Xuanyin began to distribute her profound energy into the White Goddess Scarf, when Sun Xuanyin did this, the White Goddess Scarf began to emit extremely hot flames.

It seemed that Sun Xuanyin had combined her profound flames with the White Goddess Scarf, making the White Goddess Scarf even more dangerous.

Sun Xuanyin snapped her fingers, when Sun Xuanyin did this, Ye Chen was instantly blown away and smashed into a building smashing into pieces.

"cough" Ye Chen coughed up blood, he didn't know what had just happened, everything was so fast, he didn't even see what Sun Xuanyin had just done.

"Master, this is the power of the Divine Overlord Realm." Chu Yuechan explained that this was the power of the Divine Overlord Realm.

"So this is the power of the Divine Overlord Realm, I am no match for this power." Now that Ye Chen had understood the power of the Divine Overlord Realm, he was nothing compared to Sun Xuanyin who was at the Divine Overlord Realm stage.

"Looks like I have no other choice" Ye Chen had no other choice but to use the ace he just got.

The trump card that Ye Chen had just obtained was the Lightning Vein of the Sage God, when Ye Chen used this, Ye Chen could get an enormous increase in strength, but after that Ye Chen would not be able to use his power for a while.

Ye Chen had no other choice, it was better for him to gamble than to lose at the hands of Sun Xuanyin.

Ye Chen opened his lightning vein, when Ye Chen did that, an enormous power immediately exploded in Ye Chen's body.

"This" Ye Chen was surprised when he saw that his strength had increased so rapidly, this increase was even greater than Ye Chen's Fire Vein.

Ye Chen's body gave off a tremendous amount of power, this made the entire Heavenly Thunder Valley Sect shake.

### **Chapter 1263 - [Bonus ]get It All Out**

Sun Xuanyin looked at Ye Chen, this man had brought out his strength.

"Looks like it's going to be an interesting battle." Sun Xuanyin hoped that Ye Chen wouldn't let her down.

"God Thunder Armor" Ye Chen's was instantly enveloped by countless lightning bolts.

Ye Chen felt that his strength, speed and defense increased when using the God Thunder Armor.

"Master, this shouldn't last long, you better end this as soon as possible." Chu Yuechan told Ye Chen that it wouldn't last long, so Ye Chen should end this as soon as possible.

"I already understand that, I have to end this immediately" Ye Chen also understands, he must end everything as soon as possible.

With Ye Chen's current strength, Ye Chen still couldn't win against Sun Xuanyin if he fought using his own strength, so Ye Chen could only rely on the Passion Goddess technique to ensnare Sun Xuanyin.

Ye Chen went to Sun Xuanyin's side, using his extremely fast speed to get closer to Sun Xuanyin.

"this ?" Sun Xuanyin was slightly surprised by Ye Chen's speed, Ye Chen's speed was very fast, it was hundreds of times faster than before.

"It's bad that he's getting close." Sun Xuanyin started to become very wary when she saw Ye Chen approaching her, she couldn't let Ye Chen touch her or something bad would happen to her.

"I won't let you do that." Sun Xuanyin wouldn't let Ye Chen do what he wanted.

Sun Xuanyin used the White Goddess Scarf to attack Ye Chen, this time attacking Ye Chen with an even stronger attack.

Sun Xuanyin knew that Ye Chen's strength had definitely increased, so he decided not to play any more games against Ye Chen.

Ye Chen dodged Sun Xuanyin's attack, this time he was able to dodge Sun Xuanyin's attack.

The lightning veins were extremely formidable, this actually made Ye Chen's speed even stronger.

Ye Chen didn't know what if he combined this thing with the wind vein, it would definitely be much faster.

Ye Chen drew closer to Sun Xuanyin, he only needed one touch to win.

Seeing Ye Chen's fast speed, Sun Xuanyin hurriedly retreated as far as possible, she must not be touched by Ye Chen.

Ye Chen didn't let Sun Xuanyin escape, he continued to chase after Sun Xuanyin who was trying to escape.

"Boom. . ., boom. . ., boom. . ., boom. . . ." Ye Chen and Sun Xuanyin launched attacks at each other, Ye Chen intended to stop Sun Xuanyin from escaping, while Sun Xuanyin stopped Ye Chen from getting close.

"They're both very fast, my eyes can't keep up with their speed" Xi Zhun said that he couldn't keep up with the speed of Ye Chen and Sun Xuanyin.

"They are both fast, but that woman is even faster." Xi Ghun agreed that they were both fast, but Ye Chen still couldn't catch up with Sun Xuanyin.

"That woman is very strong, I wonder where she came from" Xi Khun was more curious about Sun Xuanyin, that woman was very strong, plus she was still under 500 years old, so this woman must be an extraordinary genius.

Xi Khun had never heard of anyone possessing this kind of power in the top ranking stars, which was why Xi Khun wanted to know who this woman was.

"It's possible that she comes from a great power, otherwise how could she have such power." Xi Ghun estimated that Sun Xuanyin was from a high ranking star.

"The mysterious man is no less great, he dares to challenge that woman, if it was me, I definitely wouldn't dare" Xi Ghun was more interested in Ye Chen, the man was very brave to challenge someone like Sun Xuanyin.

"We'll see who will win, I can confirm that the winner is that woman" Xi Khun could confirm that the winner was Sun Xuanyin, the difference in strength they had was quite large.

"Let's see, this is an interesting spectacle" Xi Ghun was also curious about who would be the victor, he couldn't wait to see the final outcome of the battle.

Back in the battle Ye Chen and Sun Xuanyin

Ye Chen was still trying to catch up to Sun Xuanyin, this woman actually kept running away and launched several attacks towards Ye Chen, this made Ye Chen feel difficult to approach her.

"Come catch me if you can" Sun Xuanyin teased Ye Chen, this woman was trying to make Ye Chen chase after her.

"Damn it, she made me fun of" Ye Chen was dissatisfied with Sun Xuanyin's outburst, this woman tried to provoke Ye Chen.

"If it continues like this, then I will lose." If it continued like this, then it was certain that Ye Chen would lose.

Ye Chen couldn't use the lightning vein for a long period of time, Ye Chen's time was very thin.

"Alright, I have no other choice." Ye Chen had no choice but to use the Wind Vein, himself using the Wind Vein to speed up his movement.

This time Ye Chen used two Veins at once, his body would definitely have an impact when Ye Chen used two Veins at the same time.

Ye Chen's speed increased again, this time Ye Chen started to catch up with Sun Xuanyin.

"He can still go even faster." Sun Xuanyin didn't expect that Ye Chen could still go any faster, this man was truly a monster.

With Ye Chen's speed, Sun Xuanyin started to get pressed, it became difficult for her to avoid Ye Chen.

"I won't let you run, now accept your fate" Ye Chen wouldn't let Sun Xuanyin escape.

"If it continues like this I will be defeated by this man, I must not lose" Sun Xuanyin must not lose to Ye Chen, she must be able to win against Ye Chen.

Sun Xuanyin released a profound energy of hers, Xuanyin's body instantly radiated an extremely high heat, this heat melting everything around it.

"Uh, it's so hot" Everyone started to feel the temperature rising very sharply, they all felt like they were on fire.

Even though everyone was already a considerable distance away from Sun Xuanyin, they still felt an extremely high heat.

"We have to go away again" everyone turned away again, they all went to a corner to avoid Sun Xuanyin's tantrum.

Sun Xuanyin was serious, she used all her strength to block the approaching Ye Chen.

Ye Chen was forced back by Sun Xuanyin's profound energy, Sun Xuanyin's strength was big enough for Ye Chen to bear.

Ye Chen might not have a problem with the temperature, but Sun Xuanyin's strength was still enough to drive him away.

"Sun Core Flame Destruction" behind Sun Xuanyin's body appeared a very large fireball, this fireball emitting an extremely intense heat.

Anyone close to Sun Xuanyin would definitely evaporate immediately, this heat was something that ordinary people could not endure.

Ye Chen looked at the floor under his feet, the floor under Ye Chen's feet started to melt by the heat from the fireball that was behind Sun Xuanyin.

It was obvious that it was much hotter than before, if Ye Chen didn't have the inheritance of the Sage God, he would probably have scalded or even evaporated.

"I admit that you are a great person, but still, you are still not worthy of fighting me..." Sun Xuanyin said that Ye Chen was still not worthy to fight against him.

### **Chapter 1264 - Ye Chen In A Hopeless Situation**

"No more wasting words, let's end this as soon as possible." Ye Chen was fed up when he said to Sun Xuanyin, he wanted to end this as soon as possible.

Ye Chen's time is running out, he must quickly end this battle.

Sun Xuanyin had already bought Ye Chen too long, if it continued like this, then Ye Chen would definitely lose at the hands of this evil woman.

Ye Chen advanced towards Sun Xuanyin, immediately aiming for Sun Xuanyin who was in front of him.

"You are too rash to feel this." Sun Xuanyin controlled the Sun Core Flame Destruction to attack Ye Chen.

Ye Chen stretched his hand forward, intending to destroy the Sun Core Flame Destruction that was behind Sun Xuanyin.

Ye Chen easily controlled the Sun Core Flame Destruction, Ye Chen instantly canceled Sun Core Flame Destruction that belonged to Sun Xuanyin.

"What just happened?" Sun Xuanyin immediately looked back, she saw that the technique she was using had suddenly disappeared.

Sun Xuanyin did not understand what was happening, she was confused by what had happened.

"This is your loss." Ye Chen took this opportunity very well, he was now in front of Sun Xuanyin.

Ye Chen stretched out his hand and directly touched Sun Xuanyin's body, with a touch of Ye Chen, Ye Chen would be the victor.

Sun Xuanyin didn't have time to dodge, she ended up being touched by Ye Chen.

"No!" Sun Xuanyin shouted, showing that Sun Xuanyin did not accept this defeat.

"I finally won" Ye Chen smiled, it seemed that he was the winner, after using everything he had, Ye Chen finally won this match.

Ye Chen was naturally happy to have won over Sun Xuanyin, he was finally able to defeat someone who was several level away from him.

"fufufu, so funny, do you think you've won" before Ye Chen could be happy, the Sun Xuanyin that was in Ye Chen's hands turned into fire and disappeared from Ye Chen's sight.

"Did you think I would be easily caught by you?" Sun Xuanyin appeared a few meters behind Ye Chen.

What Ye Chen had just touched was just a substitute shadow that Sun Xuanyin had.

"I was fooled again" Ye Chen was again fooled by Sun Xuanyin, what he caught was only a substitute shadow made by Sun Xuanyin.

Ye Chen still had time, which was why Ye Chen headed towards Sun Xuanyin.

As Ye Chen approached towards Sun Xuanyin, Ye Chen found that his strength had disappeared.

Ye Chen finally fell to the ground because his strength had disappeared.

"Am I running out of time?" Ye Chen didn't expect that he was running out of time, it seems that the lightning vein can only be used for a short period of time.

"What happened, are you unable to fight anymore?" Sun Xuanyin laughed at Ye Chen, she felt very happy when Ye Chen was already helpless.

"Shut up, I can still fight" Ye Chen can still fight, even though he doesn't have profound strength, Ye Chen still has physical strength that he can use to fight.

"You really don't know your limits, you have no strength left and still want to challenge this goddess, know your place." Sun Xuanyin waved her hand, with just one light wave, Sun Xuanyin easily knocked Ye Chen down.

Without any profound energy in his body, Ye Chen was completely helpless against Sun Xuanyin, he did not have the strength to fight Sun Xuanyin.

"This doesn't work, I don't have the strength to fight" Ye Chen already didn't have the strength to fight Sun Xuanyin, this woman was too strong for the Ye Chen who now didn't have the strength to fight back.

Sun Xuanyin came to Ye Chen, seeing Ye Chen who was already weak and helpless, Sun Xuanyin finally dared to approach Ye Chen.

Sun Xuanyin started to stomp on Ye Chen's body, Ye Chen had no resistance when he was stepped on by Sun Xuanyin.

"Look, you are already weak like this, do you now have a chance to fight me" Sun Xuanyin said to Ye Chen who was under her feet.

Ye Chen didn't speak anymore, he just kept quiet and listened to Sun Xuanyin talking to him.

Even though he didn't speak to Sun Xuanyin, Ye Chen looked at Sun Xuanyin with a very intense look of hostility, it was clear that Ye Chen hated this woman.

"Don't look at me like that, this goddess will soon become your master, so you should show me a more respectful and admiring gaze." Sun Xuanyin said that she would become Ye Chen's master, so Ye Chen should respect her.

"Who would want to become a slave to a woman like you?" Ye Chen said that he would not want to become a slave to a woman like Sun Xuanyin.

"You are already in the grip of the evil hand that I have, so you can no longer escape from your destiny" said Sun Xuanyin to Ye Chen.

Sun Xuanyin had already obtained Ye Chen, so Ye Chen would no longer be able to escape from his destiny to become Sun Xuanyin's servant.

Ye Chen really didn't want to be a servant of this woman, that would definitely be something unpleasant to do.

"After coming back, I will definitely train you to be even more obedient" Sun Xuanyin would train Ye Chen to be even more obedient to her, so Ye Chen would be kind to Sun Xuanyin.

Sun Xuanyin had already started preparing to give Ye Chen the slave seal, Sun Xuanyin's seal was a high rank seal, once it was used, it would be very difficult to remove the Seal.

Ye Chen looked at Sun Xuanyin, he couldn't do anything when he saw Sun Xuanyin want to give the slave seal.

"does it just end here?" Ye Chen was so desperate, he simply couldn't resist what Sun Xuanyin was about to do.

After Sun Xuanyin gave him the slave seal, then Ye Chen's freedom would be lost, Ye Chen would not be able to refuse all orders from Sun Xuanyin and would become a puppet of this woman.

Ye Chen started to remember the faces of Zhao Yanyan, Liu Yue, Fu Lanling, Su Mengxin, Lin Rouxi, Xiao Lulu, Mu Lanyin, Qing Chen, Su Yuya Cheng Mengyan, Feng Xue, Nanhua Caiyi, Zhang Shiyun, Xue Suyin, Ye Xiu, Xia Qingyu, Mu Nianci, Li Jingyi, Qiao Xin, Ling Yin, Nangong Xiang, Dongfang Xiu.

Ye Chen felt guilty that he had to lose in front of Sun Xuanyin, Ye Chen didn't know if he would still be able to meet all of them.

Ye Chen felt that he would lose them all, this was something that was extremely painful for Ye Chen.

Ye Chen now couldn't even protect himself, so how could he protect all the women he had.

"Are you ready, my slave?" Sun Xuanyin smiled, she would immediately give Ye Chen the slave seal, after which Ye Chen would be hers.

Sun Xuanyin really enjoyed this moment, she was very happy when she managed to get Ye Chen, now her goal of becoming the strongest cultivator was about to be achieved.

Sun Xuanyin would definitely make the entire God Realm submit to her, this was Sun Xuanyin's ideal.

"rumble . . .,rumble . . .,rumble . . .,rumble . . .," Just as Sun Xuanyin was celebrating her victory, she felt that this place began to shake, a thick cloud appeared and enveloped the ceiling around the Heavenly Thunder Valley Sect.

"What is . . ." Before Sun Xuanyin could finish her words, Sun Xuanyin was already blown away by an invisible force.

This power was so immense and powerful, Sun Xuanyin was so easily driven away.

### **Chapter 1265 - Heavenly Tribulation (1)**

Meanwhile in the distance.

Xing Mei tried to go save Ye Chen, she couldn't see Ye Chen being treated like this by Sun Xuanyin.

"Where are you going?" Chu Ning'er asked where Xing Mei wanted to go.

"Of course to save Ye Chen" Xing Mei said that she wanted to go and save Ye Chen.

"If you go, then you will definitely die, that woman will definitely kill you" Chu Ning'er told Xing Mei that Sun Xuanyin would definitely kill her if she approached.

"I don't care, if I let him, he will suffer a lot." Xing Mei didn't care about this, she just wanted to save Ye Chen from Sun Xuanyin's evil hands.

"You" Xing Mei's answer was very firm, this made Chu Ning'er's heart move.

"Okay, then I will also help you." Chu Ning'er decided to help Ye Chen, she couldn't see Ye Chen being controlled by Sun Xuanyin.

If it was until Sun Xuanyin controlled Ye Chen, then there would definitely be a lot of trouble that would arise.

Ye Chen was a person who had the inheritance of the Sage God, as long as one could control Ye Chen, then it would be tantamount to them controlling an extremely powerful weapon, so Chu Ning'er must not allow this to happen.

"Rumble. . ., rumble . . ., rumble . . ., rumble . . . . .," just as Xing Mei and Chu Ning'er were about to go help Ye Chen, both of them saw that a strong roar suddenly sounded, the whole place shook when this roar appeared.

Everyone immediately found out what was the cause of all this, they wanted to know what happened to this place.

When everyone went to find out, they found that very dark clouds had begun to appear on the ceiling.

Even though they were currently inside the valley, so no clouds should be able to enter this place.

These clouds contained an extremely terrifying power, everyone in this place trembled when they felt the power emitted by these clouds.

"This phenomenon?, don't tell me that he will pass through the heavenly tribulation." Everyone immediately knew this kind of phenomenon, this was a phenomenon that occurred when one was about to break through to the realm of the Divine Rebirth Realm.

"He is still at the peak realm of the Divine Tribulation Realm." Xue Muer was shocked when she found out about Ye Chen's cultivation base.

It wasn't only Xue Muer who was shocked when they saw the realm that Ye Chen had, everyone present was also shocked when they saw the realm that belonged to Ye Chen.

They had just seen a fierce battle fought by Ye Chen and Sun Xuanyin, they thought that Ye Chen's realm was even higher, not to think that Ye Chen's realm was still at the peak level of the Divine Tribulation Realm.

"he will pass through the heavenly tribulation, how is that possible?" Sun Xuanyin couldn't believe this.

Just now he had a bit of a hard time fighting Ye Chen, to think that this man's strength was so far below him.

Sun Xuanyin couldn't believe that someone with a cultivation at the pinnacle of the Divine Tribulation Realm would give herself such trouble, this was something a genius like Sun Xuanyin could not imagine.

Sun Xuanyin did not approach, she could not interfere and interfere for now.

If Sun Xuanyin interfered, it would endanger Ye Chen, Sun Xuanyin didn't want to lose a fine furnace like Ye Chen, so she could only let Ye Chen go for a while.

Sun Xuanyin was a little worried about Ye Chen's condition, failing which would be the same as destroying Sun Xuanyin's ideals.

Clouds began to circle above Ye Chen's body, lightning and thunderous roars began to boom.

The entire audience watched closely what was going to happen, they were all curious how many rounds Ye Chen could take.

This kind of thing was a rare sight that one rarely saw, usually people who would break through looking for a quiet and peaceful place, so not many people were able to see this kind of scene.

Most people in this place guessed that Ye Chen could pass 1 to 2 rounds, most people in this place could only pass 1 to two rounds.

The more loops a person can go through, the better the future they can have.

So it wasn't strange that everyone started guessing how many laps Ye Chen could go through.

Each round was not easy to go through, the heavenly lightning was something extremely powerful, if one was unable to withstand it, one would instantly be burned to ashes.

Countless people had already suffered from this heavenly lightning, even a talented genius would never escape death if he dared to challenge the heavenly lightning.

Lightning began to swirl above Ye Chen's head, this heavenly lightning was ready to strike Ye Chen.

Everyone focused their gazes, they wanted to see how strong Ye Chen could endure, whether this man could endure or be crushed to ashes by the heavenly lightning instead.

"Rumble. . ." the clouds began to emit an even louder Rumble, this sound could terrify any mortal and run.

For people who had already passed through heavenly tribulation, they would have known what heavenly lightning was like, this was something extremely terrifying and could not be resisted.

"boom" The first bolt of lightning fell on Ye Chen's body, this made a fairly strong impact for those who were close to Ye Chen.

Luckily everyone was away, so they would be safe and wouldn't have to worry about being affected by the heavenly lightning.

After the first round, it seems that the lightning still hasn't dissipated, so that means there's still a second round to go.

The second round was still continuing the heavenly lightning began to charge power to shoot towards Ye Chen.

The strength this time will not be like the first round, this power will definitely become much stronger than in the first round.

"Boom. . , boom . . ." This time several hits occurred, it made a much stronger impact than before.

"Did he make it through the second round or was he burned to ashes?" people started to guess whether Ye Chen could survive or not.

People still remembered that Ye Chen had been injured before, so receiving the heavenly lightning in an injured state would be extremely difficult.

Everyone looked up at the sky, they all saw that the lightning had not yet dissipated.

The heavenly lightning became more and more rumbling and seemed to be getting more and more furious towards Ye Chen.

"Don't tell me he's going through three rounds." Everyone became noisy when they saw this.

It was quite rare for someone to be able to withstand three rounds of lightning, only a few people who would be a top rank King Realm could withstand three rounds of heavenly lightning.

"Looks like a new genius will be born." Xi Ghun said that a new genius would be born.

"If I'm not mistaken royal grandfather is one of the people who passed the three rounds, look at him now, he became a very powerful powerhouse and became a pillar of the Heavenly Spear kingdom" Xi Zhun completely agreed with what Xi Ghun said, definitely a man this would be a great genius.

"We'll see if he survives or not, otherwise it will be a waste" Xi Khun said to see if Ye Chen could survive the third round or not.

The third round is something that is difficult to fight, the chances of success are very small.

"Rumble . . . , rumble . . . , rumble . . . , rumble . . . ." An extremely loud rumble occurred, this time hundreds of thousands of thunderbolts of heavenly lightning began to gather and prepare to hit Ye Chen.

### **Chapter 1266 - Heavenly Tribulation (2)**

"Boom . . . , Boom . . . , Boom . . . , Boom . . . ." The third round of lightning struck Ye Chen's body, this made an extremely powerful impact.

An extremely bright light enveloped around Ye Chen's body, making it extremely difficult for one to see what had happened to Ye Chen.

The people here were very lucky that they were able to see a scene like this, so they looked at this with very focused gazes.

They all wanted to know if Ye Chen could survive this third round, whether he died or survived and became a genius.

"Rumble" As everyone saw whether Ye Chen was still alive or not, they again heard a loud rumble.

People immediately looked up to the sky to see that the heavenly lightning was becoming more and more terrifying, the heavenly lightning seemed to be raging and furious.

"What! ! !, is this a sign of the fourth round?, oh my god" Everyone looked in deep shock when they saw that the fourth round was about to start.

All of them had never seen the fourth round in their lives, even in this God Realm there were only a few people in history who had passed this fourth round, most of them experiencing a tragic fate or death.

"Wow, this is really the fourth round, am I not dreaming?" The female disciple from the Frozen Cloud Sect couldn't believe that she would see someone who passed the fourth round of heavenly tribulation.

"This man, what kind of creature is he actually?" Xue Muer started to wonder what kind of creature Ye Chen was.

This man was so mysterious, even Xue Muer couldn't understand how this man could enter the fourth round of the heavenly round.

"Will he be okay?" Xing Mei was very worried about what happened to Ye Chen, she was worried that something bad would happen to Ye Chen.

"Don't worry, nothing will happen to him." Chu Ning'er said that Ye Chen would definitely be fine, nothing would happen to Ye Chen, Chu Ning'er was very sure about this matter.

Chu Ning'er was very confident that Ye Chen would be fine, he was the heir of the Sage God, so nothing should happen to Ye Chen.

Sun Xuanyin saw what was happening, she didn't expect that Ye Chen would pass four rounds, this was really far from her imagination.

"Pretty good, if he can get past this, he will be a worthy person to be my soldier" Sun Xuanyin would be happy if Ye Chen could get past this, if Ye Chen could get past this, then it would be a good thing for Sun Xuanyin.

"Boom . . . , Boom . . . , Boom . . . , Boom . . . ." Several thunderbolts began to hit Ye Chen's body, Ye Chen's body was bombarded by the heavenly lightning.

This time the impact of the heavenly lightning was truly terrifying, the entire Heavenly Thunder Valley Sect began to tremble as if it was about to collapse.

Even the walls and ceilings began to crack and shatter by the raging heavenly lightning.

Seeing the collapse of the Heavenly Thunder Valley Sect, everyone immediately went to save themselves, they immediately left to avoid this.

If they stayed in this situation, it was certain that they would be buried in this place, so they had to move to save themselves.

The heavenly lightning was extremely destructive, the Array created by the Sect founder to the point of being shattered by the rampage of the heavenly lightning.

Because the powerful array has been destroyed, now people of all ages can enter the heavenly thunder valley sect, and everyone can freely enter the heavenly thunder valley sect.

Everyone took this opportunity to leave the Heavenly Thunder Valley Sect, they all didn't care about the treasures in the Heavenly Thunder Valley Sect, their safety was far more important than the treasures of this place.

Heavenly lightning began to strike everything in the Heavenly Thunder Valley Sect, so all objects and buildings fell victim to the rage of the Heavenly Lightning.

Even Sun Xuanyin who had a high cultivation was forced to leave so as not to be enraged by the heavenly lightning.

This fourth round lasted quite a while, it lasted about 30 seconds.

If it was an ordinary person, they would have really suffered a terrible fate, or even been burned to ashes.

After the fourth round ended, the heavenly lightning began to calm down and the clouds began to thin out a bit.

"Finally it's over, I wonder if he survived or not" Everyone was relieved that this was over, they all wanted to know if Ye Chen was still alive or dead.

Everyone didn't care about the outcome, they were already feeling happy to see the fourth round of heavenly tribulation, this was an experience they would never forget.

Ye Chen's body was currently still covered in remnants of the heavenly lightning, so it wasn't strange that everyone still couldn't see Ye Chen's condition.

"Boom" while everyone was waiting for the result to happen, they heard a very, very loud explosion.

After the explosion, the sky suddenly turned red like blood, the black clouds disappeared and were replaced with red clouds that looked extremely terrifying.

"what happened?" everyone was confused about what was happening, they were all ignorant of what was going on in the Thunder Rain Star Realm.

These red clouds not only appeared in the Thunder Rain Star Realm, these clouds appeared in every corner of this God Realm, it could be said that these red clouds filled all corners of the God Realm.

Everyone from all over the God Realm saw this strange phenomenon, some thought that an invasion demon was trying to invade the God Realm.

" this ?" Mu Xuanyin, Xia Qingyu, Mei Yueli, and Mu Nianci immediately exited the Jade Lotus Peak, all of them seeing the strange phenomenon that was taking place.

Not only Mu Xuanyin, Xia Qingyu, Mei Yueli, and Mu Nianci, almost everyone also came out, from core disciples, inner court disciples and court disciples out to see what was going on.

They were all curious about the phenomenon of red clouds that adorned the sky.

Elsewhere to be exact in the Blue Moon God Star Realm.

Yue Ya was currently looking at the sky which was starting to turn a red color.

" what happened?" Yue Ya started to wonder what was going on, she was curious about what was going on around the Blue Moon God Star Realm.

"Moon goddess something strange happened" a woman came to Yue Ya, this woman informed that something strange was happening.

"Are we under attack?" Yue Ya directly asked if they were currently under attack.

"No we are not under attack, right now the entire God Realm is suddenly envelope by red clouds, nowhere is this red cloud spared" the woman told Yue Ya about what had happened.

"Is that so" Yue Ya now understood that this wasn't an attack, she wondered why this phenomenon had appeared in the entire God Realm.

An extremely loud roar resounded throughout the God Realm.

"This, heavenly lightning" Yue Ya could conclude that this was heavenly lightning, only this thunderbolt could make a powerhouse like Yue Ya feel threatened.

This divine lightning was in red color, this was definitely a very strange thing.

"If I remember correctly, in the ancestral memory there is also information about this kind of phenomenon, this phenomenon occurs when someone is passing through the fifth round of heavenly tribulation" Yue Ya said.

Yue Ye had the memories of the ancestors of the leader of the Blue Moon God Star Realm, so it was not strange that Yue Ya knew of this strange phenomenon.

### **Chapter 1267 - Heavenly Tribulation (3)**

"You mean there is someone who is going through the fifth round of heavenly tribulation" the woman asked Yue Ya.

"Yes, that's a possibility that is currently the case, in history there was only one person who could do this once, that person was a very extraordinary genius, unfortunately he had to be defeated by the heavenly lightning and died on the spot" Yue Ya said to the woman which is in front of it.

Yue Ya explained that this phenomenon happened long ago, there was a genius who was able to trigger the fifth round and had to die because of this.

"Vei, you go and find out the source of this as soon as possible" Yue Ya told the woman in front of her to go and find out the source of this power.

"Alright, I will immediately go and find out the source of all this" Vei Very quickly left, she will immediately go to find out the source of all this trouble.

Yue Ya looked up at the sky in the headdress palace, for the first time the sky in this place turned red like this.

"Rare sight, I wonder who is passing through the fifth round of heavenly tribulation, what kind of person is that" Yue Ya was very curious about this, she wanted to know who could anger the heavens to this extent.

Yue Ya believed only a great genius was capable of this, the more genius a person was, the more difficult the heavenly tribulation they would go through.

"Ye Chen, what are you doing now?" Yue Ya wanted to know what Ye Chen was doing, she had not seen Ye Chen for a long time.

Yue Ya wanted to meet her little man, unfortunately Yue Ya couldn't do that for a while, there were many eyes still watching Yue Ya, if Yue Ya insisted on seeing Ye Chen, she would drag Ye Chen into trouble.

So for the time being Yue Ya couldn't go and see Ye Chen.

.

.

In the Sacred Heaven Star Realm.

Dongfang Xiu looked up at the sky, the red sky phenomenon also enveloped the entire Sacred Heaven Star Realm.

"Xun, what happened?" Dongfang Xiu asked Gu Xun what happened.

"Young lady, I don't know what's going on right now, but the entire God Realm is going through the same thing, right now the source of all this is still being investigated." Gu Xun said that he didn't know what was going on, so Gu Xun didn't say anything could give Dongfang Xiu the information she wanted.

"So it's still unknown." Dongfang Xiu nodded, she wanted to know what made things like this.

Dongfang Xiu couldn't help but sigh, now that she was under house arrest, so Dongfang Xiu would no longer be able to leave this place and find out what was going on.

Dongfang Xiu was also curious about this, she also wanted to know what caused this strange phenomenon.

.  
.

In the Eternal Sun Star Realm.

There was a middle-aged man in golden imperial attire who was sitting on a throne, This man looked up at the sky of the Eternal Sun Star Realm which was now covered in red clouds and raging lightning, This man was Sun Quan, he was the king of the Eternal Sun Star Realm. .

"All of you quickly go and find out the origin of this, quickly find it and report to me" Sun Quan ordered all his men to go and search for the origin of this phenomenon, Sun Quan must be able to find the existence of the origin of this thing.

Just like Yue Ya, Sun Quan also knew what had happened, he knew that this was the fifth round of heavenly tribulation, this was a very rare thing to see.

Sun Quan wanted to recruit this person into the Eternal Sun Star Realm if he managed to survive.

Sun Quan believed that this person must be a great person, it was evident that he could trigger the fifth round of heavenly tribulation, which was extremely difficult for geniuses from all over the God Realm to do.

.  
.

In the Immortal Profound Sea Realm, when the ruler of the Immortal Profound Sea Realm saw a phenomenon in the sky, the name of the ruler of the Immortal Profound Sea Realm was Hai Wan.

"This phenomenon, this hasn't happened in a long time, it looks like someone managed to trigger the fifth round of heavenly tribulation." Hai Wan already knew what had happened, so he immediately ordered to find out what had happened.

Four of the five great powers of the God Realm had already started moving to find the source of this problem, they had all sent powerhouses to find out the exact location of this matter.

Heavenly Lightning was very powerful, for a time, cultivators would not be able to leave easily, they could be hit by heavenly lightning if they were rash.

.  
.

In a palace floating in space.

This was a very special palace, not many people were allowed to set foot in this place freely, even if it was a powerful cultivator like Sun Quan, Yue Ya or Hai Wan.

This is a special place that belongs to Saintess Shui Yixian, it is in the Heaven Light Palace.

Heaven Light Palace was the cleanest and brightest place in the God Realm, this place was filled with golden light so no darkness or clouds could penetrate into this place.

However this time was different, red clouds adorned the entire place, this made the light of the Heaven Light Palace dim.

"What's going on here?" a very beautiful woman immediately saw the strange thing that happened, she saw the sky suddenly became shrouded by red clouds.

This beautiful woman is Zhao Yanyan, after practicing together with Shui Yixian for a time, Zhao Yanyan has started to show quite a bit of change, Zhao Yanyan temperament has started to change since the last time, plus her beauty is getting more and more extraordinary.

"Yanyan, looks like your little husband made something big again" Shui Yixian said to Zhao Yanyan, Shui Yixian's tone was still flat and emotionless, in this world only a few could surprise Shui Yixian.

Shui Yixian had the ability to see into the future, so she already knew who this was.

She knew that this was Ye Chen's doing, he was the only person capable of making such an amazing thing.

"Is this my husband's doing?" Zhao Yanyan did not expect that this was Ye Chen's doing.

"Looks like he's going through heavenly tribulation" Nangong Xiang said that Ye Chen was going through heavenly tribulation.

"Will he be okay?" Zhao Yanyan was a little worried about Ye Chen's condition, whether Ye Chen could get through.

"You don't have to worry, this kind of lightning shouldn't be enough to kill him." Shui Yixian told that heavenly lightning would most likely not be able to destroy Ye Chen.

"That person is very tenacious, I believe he can survive all this." Nangong Xiang agreed with what Shui Yixian said, he was very confident that Ye Chen could survive all of this.

"Alright, I will believe sister Yixian's words" Zhao Yanyan will believe Shui Yixian's words.

Zhao Yanyan called Shui Yixian sister, for some reason Shui Yixian asked Zhao Yanyan to call her sister instead of master.

Zhao Yanyan didn't know Shui Yixian's thoughts, Shui Yixian's thoughts were far more complicated than hers, Shui Yixian's thoughts were clearly on another level that Zhao Yanyan had not yet reached.

"Rumble, Rumble, Rumble " the thunder roared even more horribly, it seemed like the fifth round was about to begin.

**Chapter 1268 - [Bonus ]heavenly Tribulation (4)**

Everyone in the God Realm came out to see a rare sight that probably only happened once in their lives, so they saw a rare sight that happened.

They witnessed something they had never seen, it was likely that new history in the God Realm would be engraved.

Returning to where Ye Chen was currently, the heavenly lightning had already finished gathering the strength he had, now it was time to hit Ye Chen.

"Boom . . . , Boom . . . , Boom . . . , Boom . . . , Boom . . . , Boom . . ." The red colored heavenly lightning continued to hit Ye Chen's body.

Ye Chen's body was struck by the blood-red lightning, this lightning continued to strike non-stop.

To the people who were in the vicinity of this place, this scene was so terrifying, they were all shaken by the heavenly lightning that had a terrifying aura.

"Is there anyone who can survive after receiving that?" Some people thought that no one could survive this attack, this time the Divine Lightning was extremely terrifying, even the fourth round was nothing compared to this.

The heavenly thunder valley sect has now been destroyed, there is no way the heavenly thunder valley sect can withstand the roar of the heavenly thunder so very strong.

People are lucky because they are gone, otherwise they will definitely be destroyed along with the Heavenly Thunder Valley Sect.

After a while, the heavenly thunderbolt subsided slightly, indicating that the fifth round was over.

Everyone was so amazed by this, they saw a sight they would never forget in their lives.

Just when people thought that the heavenly lightning was over, suddenly the heavenly lightning struck Ye Chen again.

"Boom . . . , Boom . . . , Boom . . . , Boom . . . , Boom . . . , Boom . . . , Boom . . . , Boom . . . , Boom . . . , Boom . . . , Boom . . ." Heavenly lightning continued to fall around Ye Chen's body, this time there was no pause like before.

Everyone didn't understand what was going on, they all couldn't help but stare at this scene.

This scene was very difficult to describe in words so they had absolutely no idea what was going on right now, their knowledge was still not at this stage.

"How many rounds can this guy actually go through?" Sun Xuanyin was truly speechless when she saw the heavenly tribulation Ye Chen had gone through, this was something that even Sun Xuanyin could not explain.

Heaven is really angry, the world has been darkened by this, under the power of heaven, all mortals will surely tremble.

As the heavenly lightning grew stronger and uncontrollable, everyone went away, they evacuated themselves.

If it continues like this, the Thunder Rain Star Realm will definitely be destroyed, this planet will not be able to withstand the anger of the heavens.

Strong shaking occurred everywhere, this caused enormous volcanic activity, the Thunder Rain Star Realm is now completely unfit for habitation, everyone has already left this place and is looking for an even safer shelter, if they stay in place this then it was certain that they would be destroyed.

For alone the population of the Thunder Rain Star Realm was quite small, so evacuating people was an extremely easy thing to do.

The heavenly lightning became more and more intense, it was extremely powerful and extremely terrifying.

Even people who were at the peak of the Divine Overlord Realm would be instantly crushed if they dared to approach Ye Chen.

At this moment, Ye Chen felt that his body had changed slightly, an extremely powerful force had begun to change the structure of his body.

Even the True God Body Technique has also started to rise to a higher level, now that the True God Body Technique has advanced to the fifth level, Ye Chen's body should be much stronger.

Ye Chen was now like being reborn, Ye Chen's body and soul had now become much stronger than before.

Ye Chen passed the eighth round, in this eighth round Ye Chen was struck by countless lightnings, even everything in this place was destroyed by the lightning.

After the eighth round was completed, the heavenly lightning stopped, the red clouds began to change color to a very dense black cloud, the color of the lightning had also changed color to white.

"Rumble . . ." As the lightning began to let out a roar, everyone in the God Realm felt fear in their souls, everyone in the God Realm could feel a terrifying power.

Even cultivators like Sun Quan, Yue Ya, Hai Wan, and Shui Yixian felt an extremely powerful force, it was a power that could crush them with just one touch.

"What other phenomena?" Everyone in the God Realm really doesn't know what phenomenon is happening, this is definitely far more terrifying than the red lightning.

Everyone could feel the fear in their bodies, some even trembled when they felt the heavenly thunder above their heads.

They felt that the sky was about to collapse when they saw the heavenly lightning above their heads

People started to try to get into the house or underground hiding place, they were all frightened by this white heavenly lightning.

Even major powers like major Sects or Clans used the power of high-ranked Arrays to protect themselves.

Heaven has truly shown all its full power in destroying Ye Chen, this is the ninth round of heavenly tribulation, the person who can accept this is a person who defies the laws of this world.

Ye Chen was one of those people who could defy the laws of the world, until now he really couldn't be harmed by the heavenly lightning.

This made the heavens use their full power to punish Ye Chen, the full power of the heavens was no joke even a god would be crushed when triggering this.

What happened was so amazing, everyone who saw it was shocked by what happened.

People already don't know how many rounds have passed, they've stopped counting for things like this.

The ninth round has already started, it will be explosions and destruction everywhere, no one can stop this.

"Boom. . . , Boom . . . , Boom . . . , Boom . . . .," Millions of thunderbolts hit Ye Chen, this made an extremely bright light and explosion.

"Argh. . "Xing Mei and everyone near this place were blown away, they were all blown away by the power of the heavenly lightning.

Even though Xing Mei and everyone else were already a great distance away, they could still feel the impact of heavenly lightning

Chu Ning'er waving her hand, creating a barrier against the might of the heavenly lightning.

Chu Ning'er was still very kind-hearted, herself setting up a barrier to protect Xing Mei and the people around this place.

If Chu Ning'er is not kind, then it can be confirmed that they are killed or drifting off into the faraway space.

"Cracks. . ." It was a pity that the barrier created by Chu Ning'er began to crack and was unable to withstand the impact of the heavenly lightning.

"So powerful" Chu Ning'er did not expect that the heavenly lightning would be so powerful even at this distance.

Her barrier was not even able to withstand this white heavenly lightning.

The heavenly lightning began to expand, it began to consume a quarter of the Thunder Rain Star Realm.

Everyone near this place became panicked, they were confused as to where they should run to to save themselves.

### **Chapter 1269 - Rematch With Sun Xuanyin**

"Correct, if it continues like this then" the barrier created by Chu Ning'er began to crack due to being unable to withstand the power of the heavenly lightning, if it continued like this then it would be extremely dangerous for Xing Mei and everyone near this place.

Chu Ning'er used all of her strength to resist the impact of the heavenly lightning, herself using everything she had left to strengthen the barrier so it wouldn't be crushed by the heavenly lightning.

Chu Ning'er strengthened the barrier she created, the barrier that Chu Ning'er created was now even thicker than before.

"Crack" even though it had become thicker than before, still the barrier was still unable to withstand the impact of the heavenly lightning, the barrier cracked again.

"Damn I can't stand this anymore." Chu Ning'er was already unable to endure, she was already starting to feel that she was running out of strength to withstand the extremely powerful heavenly lightning.

"cracked . . ., cracked . . ., cracked . . ., cracked . . ., cracked . . . ." The cracks started to widen even more, Chu Ning'er's barrier was about to shatter.

At the moment when the barrier created by Chu Ning'er was shattered, the heavenly lightning suddenly disappeared.

"Fortunately" Chu Ning'er felt relieved when she saw the heavenly lightning that had disappeared, this way they all survived the rage of the heavenly lightning.

Everyone focused their attention on Ye Chen, currently around Ye Chen was still enveloped by a faint lightning, so people didn't know if Ye Chen was still alive or dead.

Little by little the lightning began to fade, Ye Chen's figure began to appear very clearly in front of everyone's eyes.

Everyone gawked when they saw Ye Chen who managed to survive the heavenly lightning strike.

This was an absolutely amazing thing, Ye Chen had endured all rounds of heavenly lightning, this was something that was extremely difficult for everyone's mind to accept.

Ye Chen's condition looks very good, it can be seen that all of Ye Chen's clothes are still intact and not a single wound is visible, Ye Chen's skin and body look more alive, Ye Chen is really different from the past.

Ye Chen opened his eyelids, at this time there was a flash of lightning in Ye Chen's eyelids, Ye Chen's body was currently filled with an extremely immense power.

Ye Chen immediately turned his attention towards Sun Xuanyin who was in the distance, now was the time for revenge.

Ye Chen disappeared from where he was standing, Ye Chen went straight to where Sun Xuanyin was.

"Disappearing" Sun Xuanyin didn't see where Ye Chen was, she really didn't see where Ye Chen had gone.

"What are you looking for, I am behind you" Ye Chen said that he was behind Sun Xuanyin.

"What . . ., how is that possible." Sun Xuanyin didn't realize that Ye Chen was already behind her, now Ye Chen's speed was really beyond her imagination.

Sun Xuanyin directly attacked Ye Chen with the White Goddess Scarf, the White Goddess Scarf shot towards Ye Chen at an incredible speed.

Ye Chen didn't dodge the White Goddess Scarf's attack at all, he stretched his hand forward to catch the White Goddess Scarf.

With just one hand, Ye Chen managed to restrain the White Goddess Scarf, the White Goddess Scarf had no resistance when it was in Ye Chen's hands.

"How could it be?" Sun Xuanyin couldn't believe it when Ye Chen held back the White Goddess Scarf that he had, this was a very unreasonable thing for Sun Xuanyin.

Even though the power of the White Goddess Scarf was terrifying, Ye Chen shouldn't have dared to hold the White Goddess Scarf with his bare hands.

Ye Chen pulled the White Goddess Scarf, he tried to take the White Goddess Scarf from Sun Xuanyin's hands.

Sun Xuanyin didn't let Ye Chen succeed, she tried to restrain the White Goddess Scarf from being taken by Ye Chen.

"Scram" Ye Chen shot his lightning bolt towards Sun Xuanyin, a lightning arrow shot straight towards Sun Xuanyin.

Sun Xuanyin swiftly dodged Ye Chen's attack, Ye Chen's attack this time was so fast, it was almost too late for Sun Xuanyin to dodge it.

"Boom. ." a huge lightning pillar appeared behind Sun Xuanyin, the lightning pillar destroyed everything around him.

"Impossible." Sun Xuanyin couldn't believe it when she saw the power that Ye Chen had just displayed, if she had been hit by the attack just now, Sun Xuanyin would have been seriously injured immediately.

A hole tens of thousands of kilometers in size appeared, this hole so deep that it was difficult to see the bottom.

Ye Chen only threw a small bolt of lightning, not expecting the damage to be this strong.

"Give me back what is mine." Ye Chen tried to forcefully snatch the White Goddess Scarf from Sun Xuanyin's hands, he wanted the White Goddess Scarf that Sun Xuanyin had stolen from him.

"I will never give this to you." Sun Xuanyin said that she would never give Ye Chen the White Goddess Scarf.

There was no way that Sun Xuanyin would be willing to give Ye Chen the precious White Goddess Scarf, it was hers, no one should have it.

"Then you should go." Ye Chen started to gather lightning in his palm, white lightning started to gather in Ye Chen's palm.

Sun Xuanyin felt a dangerous feeling from this attack, Sun Xuanyin felt that this attack would be extremely dangerous.

Sun Xuanyin currently had two choices, either she defended herself to defend the White Goddess Scarf, or Sun Xuanyin released the White Goddess Scarf and dodged this attack.

"Damn it" Sun Xuanyin had no choice but to dodge, it would be very dangerous if Sun Xuanyin were to be hit by this attack.

Sun Xuanyin took off the White Goddess Scarf, she immediately moved away from Ye Chen.

Ye Chen shot the lightning in his hand, the lightning streaked towards the horizon and passed through Sun Xuanyin's body.

"Boom" a very strong explosion occurred, this explosion swept away some of the rocks and debris in outer space.

If the attack just now hit the Thunder Rain Star Realm, the Thunder Rain Star Realm would definitely be destroyed.

"How did he become this strong?" Sun Xuanyin started to feel threatened by Ye Chen, Ye Chen's strength started to become abnormal.

Sun Xuanyin didn't expect that After being hit by the heavenly lightning, Ye Chen's strength had become so powerful, the improvement was so extraordinary.

"I have to fight him seriously, otherwise I'll have a bad time." Sun Xuanyin decided to be serious, she had to fight Ye Chen with her full strength.

"Sun Flame Madness" Sun Xuanyin's body exploded with an enormous fiery power, this fire swelled and engulfed everything in its proximity.

This fire looks so out of control, it attacks in all directions as if it assumes everything is an enemy.

"Let's devour him." Sun Xuanyin told Sun Flame Madness to devour Ye Chen.

Ye Chen snapped his fingers, a small lightning bolt appeared in Ye Chen's palm, Ye Chen directly directed this lightning towards Sun Flame Madness.

"Boom", Sun Flame Madness was easily crushed by the lightning thrown by Ye Chen.

"How is this possible?" Sun Xuanyin couldn't believe that Sun Flame Madness was so easily destroyed by Ye Chen.

"Now it's your turn to be destroyed." Ye Chen said that it was Sun Xuanyin's turn to be destroyed.

"Don't underestimate me, I'm not easy to beat." Sun Xuanyin couldn't accept herself being defeated in this way, she would definitely bring Ye Chen home with her.

In order to bring Ye Chen home with herself... Sun Xuanyin really had to use the full strength she had, Sun Xuanyin had to use the trump card that was on the back of her arm.

### **Chapter 1270 - Farewell Gift To Sun Xuanyin**

"Eternal Sun God Domain" Sun Xuanyin finally used her domain technique to defeat Ye Chen, this was the only way for her to defeat Ye Chen.

Just as Sun Xuanyin was using the Eternal Sun God Domain, suddenly an enormous sun appeared.

The size of this sun was even several times larger than the Thunder Rain Star Realm, the sun began to emit a tremendous heat.

It started to burn everything in the Thunder Rain Star Realm, the water and plants in the Thunder Rain Star Realm started to evaporate, everything completely evaporated due to the extremely high temperature.

This temperature was so high that half of the Thunder Rain Star Realm had dried up, almost half of the Thunder Rain Star Realm had dried up and become a desert, the heat of the sun was extremely high.

Ye Chen saw the sun in front of him, not expecting that Sun Xuanyin would use this kind of power against Ye Chen.

Ye Chen saw the Eternal Sun God Domain summoned by Sun Xuanyin, this level was almost the same as Yue Ya's domain.

"You are now in my domain, so your life and death are in my hands." Sun Xuanyin told Ye Chen that Ye Chen's life and death were now in his hands.

Just a snap of a finger, then Ye Chen would be burned to ashes by the sun that was above their heads.

"Is this all you can do?" Ye Chen asked Sun Xuanyin.

Ye Chen was not afraid at all when he heard the threat from Sun Xuanyin, the threat from Sun Xuanyin did not scare Ye Chen.

With the remaining power of the Divine Lightning in Ye Chen's body, Ye Chen was very confident when facing Sun Xuanyin, Ye Chen believed that he could win against Sun Xuanyin.

"You are such an arrogant man, you have no idea how terrifying this Eternal Sun God Domain of mine is," said Sun Xuanyin to Ye Chen.

Sun Xuanyin told Ye Chen that his Eternal Sun God Domain was so powerful, Ye Chen couldn't possibly withstand his attacks.

"I think it's just a small fire, something like that can't hurt me." Ye Chen told that the Eternal Sun God Domain wouldn't scare Ye Chen.

"You are so annoying, then let me show you the power of the Eternal Sun God Domain." Sun Xuanyin gritted her teeth, showing that Sun Xuanyin was already really angry with Ye Chen.

Sun Xuanyin raised one hand of hers up, as Sun Xuanyin did this, an extremely terrifying solar storm began to lash the Thunder Rain Star Realm.

When the solar storm began to blow, the ground in the Thunder Rain Star Realm began to turn into molten lava, the temperature in the Thunder Rain Star Realm rose so high, the cultivators in this place would definitely melt from this scorching heat.

Luckily everyone had been evacuated away, so this place should have been clean, if anyone was still surviving in this place, they would most likely have been turned into molten lava by this extremely high heat.

Ye Chen remained standing where he was, it was obvious that the solar storm was unable to move Ye Chen.

Seeing Ye Chen who was still fine, Sun Xuanyin decided to increase her own strength, the solar storm became more and more intense, a portion of the ground in the Thunder Rain Star Realm began to crumble and crack by this attack.

Ye Chen stretched out his hand, in his hand Ye Chen made a lightning spear.

Ye Chen threw this spear towards the core of the Eternal Sun God Domain.

The lightning spear shot out at an extremely fast speed towards the sun, this spear pierced through the sun created by Sun Xuanyin.

"cracked . . ." As the lightning spear pierced through the Eternal Sun God Domain, the core of the Eternal Sun God Domain began to crack and shatter into several pieces.

" cough . . ." Sun Xuanyin coughed up blood, herself getting internal injuries from Ye Chen destroying the Eternal Sun God Domain that she had brought out.

"Damn it" Sun Xuanyin cursed very loudly, Ye Chen was very strong, her current self was absolutely no match for Ye Chen.

"I need to quickly escape from this place and head back" Seeing that she couldn't beat Ye Chen, Sun Xuanyin decided to flee to the Eternal Sun Star Realm.

Sun Xuanyin opened the portal to the Eternal Sun Star Realm, the portal to the Eternal Sun Star Realm began to open in front of Sun Xuanyin.

"Where are you going to run to?" Ye Chen wasn't going to let Sun Xuanyin run away just like that.

"If you really have the courage, then come after me." Sun Xuanyin told Ye Chen to go and chase after her.

Ye Chen couldn't possibly let Sun Xuanyin go, so Ye Chen decided to go after Sun Xuanyin.

As Ye Chen was in front of the portal leading to the Eternal Sun Star Realm, Ye Chen finally realized what Sun Xuanyin wanted.

This woman wanted to lure herself to follow her to the Eternal Sun Star Realm, if Ye Chen left, then she would definitely be in even more trouble.

There was only a small amount of heavenly lightning left in Ye Chen's body, if Ye Chen went to the Eternal Sun Star Realm, then he would definitely not be able to defend against the powerhouses owned by the Eternal Sun Star Realm.

"Do you think I'm stupid? I'll give you a farewell gift." Ye Chen wasn't stupid, he was going to give Sun Xuanyin a farewell gift.

Ye Chen used all the power of the heavenly lightning that was in his body, Ye Chen only left a small amount for later.

Ye Chen made a lightning spear that was dozens of times larger than the one he had previously used to destroy the Eternal Sun God Domain.

Ye Chen threw this spear into the portal leading to the Eternal Sun Star Realm, after throwing it, Ye Chen instantly destroyed the portal.

Ye Chen didn't care whether the attack just now would kill Sun Xuanyin or not, as long as it could cause damage to the Eternal Sun Star Realm, then it would be a very good thing for Ye Chen.

After doing this, Ye Chen immediately went to find the whereabouts of Xing Mei and Chu Ning'er.

Ye Chen quickly discovered the whereabouts of Xing Mei and Chu Ning'er.

"Let's get out of here" Ye Chen asked Xing Mei to leave this place, if they continued here, then there would definitely be a lot of people coming towards them.

"um" Xing Mei quickly agreed, agreeing to leave this place immediately.

"Big brother what about me?" Chu Ning'er asked Ye Chen.

"Don't you live in this place?" Ye Chen asked Chu Ning'er who was in front of him.

Chu Ning'er is a guardian of the Heavenly Thunder Valley Sect, so she should be staying at this place.

"You have destroyed the Heavenly Thunder Valley Sect as well as the Yin & Yang Core Tree, so now I have no home to return to, that's why I will come with you." Chu Ning'er said that she would go with Ye Chen.

"Are you sure you want to come with me?" Ye Chen asked Chu Ning'er again.

"Yes." Chu Ning'er nodded to Ye Chen, she had already decided to come along with Ye Chen.

Chu Ning'er no longer had a Yin & Yang core tree, so now she could only rely on Ye Chen's fairy gate.

"Master, she can stay inside the fairy gate with me..." Chu Yuechan said that Chu Ning'er could stay with her inside the fairy gate.
