

A True God 1271

Chapter 1271 - Destroying Half Of The Eternal Sun Star Realm

"Well if it's okay she can come along." Seeing that Chu Yuechan was okay with this, then Ye Chen could allow Chu Ning'er to come along with them.

"Thank you very much, big brother is very kind." Chu Ning'er was so happy about this, she immediately hugged Ye Chen who was in front of her.

"Let's go" Ye Chen asked Xing Mei and Chu Ning'er to leave this place, they must leave this place as soon as possible.

Ye Chen left while eliminating any traces of his own, he did not let others follow him or seek trouble with him.

Ye Chen guessed that someone would melt his existence, so Ye Chen decided to leave this place as soon as possible.

The battle between Ye Chen and Sun Xuanyin was very conspicuous, it was certain that if Ye Chen's location was found, there would definitely be many people who were curious and came to this place.

.

Meanwhile in the Eternal Sun Star Realm.

Sun Xuanyin went straight into the palace, she immediately went to hide from Ye Chen.

If Ye Chen really chased after her, then Ye Chen would definitely follow her into the palace, that's when Sun Xuanyin would order all the guards of the Eternal Sun Star Realm to catch Ye Chen.

Sun Xuanyin had already sensed a trace of Ye Chen's strength, so she was sure that Ye Chen would definitely be after her.

Sun Xuanyin had provoked Ye Chen from the start, so she believed that Ye Chen would chase after her.

Too bad Ye Chen wasn't as stupid as Sun Xuanyin thought, Ye Chen couldn't be that stupid to go and chase Sun Xuanyin into the Eternal Sun Star Realm.

The Eternal Sun Star Realm was a difficult place for Ye Chen to handle, here was Sun Xuanyin's base, so Sun Xuanyin would definitely benefit from dealing with Ye Chen.

"Goddess Sun, why are you in such a hurry?" The guard immediately asked why Sun Xuanyin was in such a hurry.

The guards immediately knew that this was Sun Xuanyin, so they saluted and asked why Sun Xuanyin had become like this.

All the guards were outside to secure the situation after what happened earlier, even some high ranking Arrays were activated in anticipation of anything bad that might happen.

"Don't ask too many questions, be prepared, someone will come and attack." Sun Xuanyin said that someone would come to attack them.

"What!!!, who dares to attack the Eternal Sun Star Realm, we will definitely destroy it!" The guards immediately asked who dared to attack the Eternal Sun Star Realm, it was tantamount to them seeking a death.

"Don't ask too many questions, you guys quickly detain him for me" Sun Xuanyin ordered the guards to hold Ye Chen for herself.

Sun Xuanyin went deeper, she immediately went to find someone with a high cultivation to deal with Ye Chen.

The current Ye Chen was so terrifying that even Sun Xuanyin couldn't handle it, so she needed someone to deal with Ye Chen.

After receiving Sun Xuanyin's warning, the guards outside became extremely alert, waiting for the enemy to attack.

All the guards locked their attention to the portal into which Sun Xuanyin had exited, they were already preparing to attack anyone who dared to seek trouble with Sun Xuanyin.

Moments later, all the guards saw a white light streaking at a fairly fast speed towards them.

Seeing this, everyone immediately set up a defensive formation to prepare for this attack.

As the white light drew near, everyone felt an extremely overwhelming power.

"This is an attack" The guard finally realized that this was an attack.

Quickly set up a defensive formation" the head guard immediately ordered a defensive formation.

All the guards immediately moved, they all immediately set up a defensive formation just in case.

In the vicinity of the Eternal Sun Star Realm was a powerful ancient defensive Array, so this Array should be sufficient to withstand any attacks that tried to invade the Eternal Sun Star Realm.

If indeed the Array couldn't withstand this attack, then there were still defenses from the guards around this place, so this attack should be anticipated very easily.

The celestial lightning spear was approaching at an incomparably fast speed, it pierced through all of the Array's defenses with great ease.

There wasn't a single Array capable of holding back or impeding this spear.

Seeing that the spear could pierce through all of the ancient Arrays, all the guards immediately used all the strength they had to resist the spear.

Unfortunately what they were doing was in vain, the heavenly lightning spear couldn't be stopped by anything.

"boom" the heavenly lightning spear hit the Eternal Sun Star Realm and made an enormous explosion.

This massive explosion enveloped half of the Eternal Sun Star Realm, creating an enormous lightning pillar.

"Ahhh" Sun Xuanyin was blown away by this huge explosion, she was tossed about like a broken kite.

Thick dust and smoke enveloped the Eternal Sun Star Realm palace, some parts of the Eternal Sun Star Realm palace had already turned into scattered rubble.

Countless guards from the Eternal Sun Star Realm were destroyed by the attack just now, Ye Chen's attack had left the entire Eternal Sun Star Realm in a state of tatters.

Sun Xuanyin came out from behind the ruins, Sun Xuanyin's appearance was in tatters, it seemed that Sun Xuanyin had suffered injuries from the attack just now.

Sun Xuanyin looked around, when Sun Xuanyin looked around this place, Sun Xuanyin found that the palace had been destroyed and turned into rubble.

"What is this?" Sun Xuanyin couldn't believe what she was seeing, this scene Sun Xuanyin could never have imagined.

The Eternal Sun Star Realm's Palace was something extremely powerful, so it should be extremely difficult to destroy this palace.

However, the attack just now so easily shattered the Eternal Sun Star Realm, this was an absolute nonsense.

"What's going on here?" Sun Quan appeared from a distance, he saw what had just happened to the Eternal Sun Star Realm.

It just so happened that Sun Quan and some of the great elders weren't in the palace, they had all just gone to search for the origin of the heavenly lightning.

When Sun Quan and all the great elders left, they felt a strong vibration from the Eternal Sun Star Realm, they knew that if something happened in the Eternal Sun Star Realm, that's why they immediately returned.

When they returned, they all discovered that part of the Eternal Sun Star Realm had been destroyed and damaged, this was a sight that no one in this world could believe.

The Eternal Sun Star Realm was destroyed by someone, if this news were to spread, then it would be something of a disgrace.

"Royal father" Sun Xuanyin immediately said to Sun Quan who was in front of her.

"Xuanyin, what happened in this place, who has been able to destroy this place?" Sun Quan asked who could do this.

"That" Sun Xuanyin began to explain what had happened to Sun Quan, telling Sun Quan who had done this.

"So you were there then." Sun Quan did not expect that Sun Xuanyin would be there when the Divine Tribulation took place.

"Of course, I even fought that man, that man is very strange and has very strong strength." Sun Xuanyin said that she had fought the man.

"stupid, why do you have to fight, don't you just need to use your beauty to lure the guy so he will come with you voluntarily" Sun Quan scolded Sun Xuanyin, Sun Xuanyin should have lured Ye Chen so Ye Chen came of his own accord.

"Royal father, that man isn't normal, he's not interested in me at all." Sun Xuanyin told that Ye Chen didn't glance at her, he was completely different from any man Sun Xuanyin had met.

"So that's your excuse." After getting Sun Xuanyin's excuse, Sun Quan now understood why Sun Xuanyin didn't captivate Ye Chen with her beauty.

"It seems that this person is not interested in beauty, so what attracts him?" Sun Quan started to think what Ye Chen was attracted to, he had to find out.

After seeing what happened to the Eternal Sun Star Realm, Sun Quan decided that if he had to get Ye Chen, this man was worthy of being one of the Eternal Sun Star Realm's people.

The Eternal Sun Star Realm only accepts strong and ambitious people, in this place the weak are not allowed to stay.

Chapter 1272 - All The Big Powers Are Looking For Ye Chen

"Then you go and heal the wounds you have, the next problem let me take care of it" Sun Quan said that he would take care of the next problem.

"Okay, I see." Sun Xuanyin saluted Sun Quan and the great elder, immediately leaving to heal her wounds.

"Sun Teng, what do you think?" Sun Quan asked the man beside him, wanting to know Sun Teng's opinion.

"From what I can see, this matter is quite troublesome, it seems that the person called by Xuanyin has very strong strength after crossing the heavenly tribulation, so it will be very difficult to take him by force, plus Sun Xuanyin can't even persuade him" said Sun Teng to Sun Quan.

If even Sun Xuanyin couldn't persuade this person, then there was nothing they could do, they would have to find another way to do this.

"what you say is true, looks like we should send some people to investigate this matter first, we have to find out who this person is and what are his weaknesses, then we can deal with this person" Sun Quan didn't want to rush into making a decision, therefore Sun Quan wanted to know what Ye Chen was like.

"We send the best people we have to look for this person's whereabouts, after that we can discuss how to take care of him" Sun Teng thought the same as Sun Quan, they must first find out about Ye Chen's problem, after learning about Ye Chen's problem Chen, they can start making moves on Ye Chen.

"Then let's go to the place that Xuanyin said before, I want to see for myself whether what Xuanyin said is true." Sun Quan wanted to see for himself the place where Sun Xuanyin said what Sun Xuanyin said was true or not. .

.

In the Thunder Rain Star Realm.

When many cultivators from all over the God Realm started to come to this place, news of Ye Chen having successfully passed the ninth level of the Divine Tribulation quickly spread throughout the God Realm.

So it wouldn't be strange for cultivators with extremely high cultivation to gather in this place, they all wanted to see if the news was real or not.

It's just that Ye Chen had already left this place, so he wouldn't be stuck with strong cultivators who kept coming.

There were many powerful cultivators who came, for example Yue Ya and Hai Wan, these two top ranked God Realm King came directly to the Thunder Rain Star Realm.

It was extremely rare for one to see two God Realm Kings ranked in the same place, this was an extremely rare sight for even a strong individual in the God Realm to see.

"Moon Goddess, I didn't expect that you would come here alone." Hai Wan didn't expect that Yue Ya would come to this place alone, it was rare for Yue Ya to appear in front of other people.

"Sea king Hai Wan, I also didn't expect that you would leave your Domain, it's been a very long time since I've seen your whereabouts" Yue Ya said to Hai Wan.

Yue Ya hadn't seen the sea king Hai Wan in a long time, Hai Wan hadn't appeared in public like this in a very long time.

"Hahaha, this old man is very old, soon this old man will probably retire" Hai Wan said that he is very old, so hurry up or he will retire soon.

Among the five God Realm King, Hai Wan was the oldest, he was also the most experienced senior among all the God Realm King.

"Sea king, you can, you are still very strong at such a young age, so don't be humble in front of this junior" Yue Ya said to Hai Wan.

Yue Ya knew that Hai Wan was trying to be humble in front of her, this sea king really liked to be humble in front of everyone.

Hai Wan was still a powerful cultivator, even though he was no longer young, he was still the most influential person in the Immortal Profound Sea Realm.

"I am nothing compared to a junior who just broke through the ninth level of the Divine Tribulation, the one who can do this will definitely have a very bright future" Hai Wan said to Yue Ya.

Hai Wan seemed to be very interested in people who had successfully passed through a high rank heavenly tribulation, this kind of person was probably the only one in the entire God Realm.

"Too bad that person has fled so quickly, it is very difficult to find any trace of him" Yue Ya was disappointed that Ye Chen had already left, so she couldn't meet Ye Chen.

"He is very smart, he immediately left this place, it proves that he already knew that what happened would invite many great powers" ??Hai Wan said that Ye Chen was a very smart person, Ye Chen had predicted that this place would be became crowded because of him, so he quickly left this place and erased all traces.

"He's really smart, I'm curious about him"" Yue Ya became curious, she wanted to know who this person was.

Yue Ya didn't think this was Ye Chen at all, she didn't think that the person who was just here was Ye Chen.

"Sea king, nice to talk to you, I will go" Yue Ya said that she was going, she wanted to find another clue that might lead him to discover the whereabouts of the mysterious person called the Mask Hero.

Yue Ya didn't really have a good relationship with Hai Wan, so she wasn't very familiar with this old man.

Hai Wan just nodded to Yue Ya, to be honest Hai Wan just wanted to have a little talk with the Moon Goddess who was rumored to have started to regain her power.

In these few months, Yue Ya had returned to power within the Blue Moon God Star Realm, he had already begun to become the God Realm King that ruled over the Blue Moon God Star Realm.

It wouldn't be long before Yue Ya completely conquered everyone from the Blue Moon God Star Realm and became the true God Realm King .

"Then I should also go find out the whereabouts of this person." Hai Wan also did the same with Yue Ya, she started to send her people to look for Ye Chen's whereabouts.

The Thunder Rain Star Realm became more and more crowded, countless powerful cultivators constantly flocking to this place for various purposes.

Some just wanted to take a look or some even wanted to try to find traces of Ye Chen.

Even the head of the Shin Clan had also come to this place, they immediately went to look for the whereabouts of Shin Ba and the Shin Clan members who were sent here a few days ago.

Shin Ba was a precious person to the Shin Clan, so it wasn't strange that the Shin Clan would come to look for Shin Ba's whereabouts.

Shin Ba was currently living alone, all the members of the Shin Clan had been killed leaving only himself badly injured.

The head of the Shin Clan immediately went to check on Shin Ba's condition, he found that Shin Ba was in a very bad condition.

"Shin Ba what happened?" The head of the Shin Clan immediately asked what happened, he wanted to know what happened to Shin Ba.

"Father please save me" Seeing the Shin Clan members who came, Shin Ba immediately asked for help.

Shin Ba's father is Shin Yong he is a fairly strong cultivator and is on the list of the 50,000 strongest people in the entire God Realm.

Shin Yong immediately ordered people to treat Shin Ba's wounds.

After a while, Shin Ba's wounds were finally completely healed.

"What happened to you?" Shin Yong asked what happened to Shin Ba.

Shin Ba started to explain what happened to him, he explained everything he had experienced so far.

Shin Ba even recounted the oppression that Ye Chen had done against them.

"Damn it, how dare that person do that to you, I will definitely kill him" Shin Yong looks very angry when he finds out this news.

"Clan head, please calm yourself down, you should be able to calm down." The people from Shin Clan tried to calm Shin Yong not to do anything that could get them into trouble.

"But that person has dared to harm our Shin Clan members" Shin Yong didn't like Ye Chen who had injured the Shin Clan.

"Clan head, the person we are talking about is one who has crossed the ninth level of heaven tribulation, he must be a strong person" one of the Shin Clan members said to Shin Yong.

This person reminded Shin Yong that Ye Chen was a great person and was being sought by many great powers, he was a person who had a very bright future.

"Then what's your suggestion?" Shin Yong asked about the advice his subordinates had.

"How about we send an best assassin to look for that person's whereabouts, it's not too late to do that." this person suggested sending assassins to crush Ye Chen.

"You're right, if he grows any longer, then he will definitely become a threat to the Shin Clan, then let's kill him before it's too late." Shin Yong agreed with the advice given by his subordinates, this suggestion was very good.

"Then you immediately handle this matter, make sure this is all done secretly, lest anyone else find out about this" Shin Yong ordered to carry out this plan neatly and without being caught by anyone.

"Okay, I will immediately do what you ask" Shin Clan members nodded, he would immediately do as Shin Yong ordered.

Shin Yong brought Shin Ba with himself, Shin Yong would bring Shin Ba back to the Shin Clan for the recovery process.

Chapter 1273 - Yu Ting Has Been Released

On earth today.

Several months have passed since the terrible tragedy, people have started to build the civilization they have, now everyone has started to get to know the cultivation world.

The earth has begun to recover and is starting to become a natural place like ancient times, this makes the pure energy on earth better and better.

People start hand in hand to start a new life, they all start a new better life and try to live a long life.

.

in above the sky there is someone who is looking at the earth, this person looks at the earth with a very strange look.

This person was wearing a black dress that was very closed, her figure was very difficult for anyone to see.

Despite not knowing the figure of this person, from the curves of her body this person was most likely a woman.

"Interestingly, in a remote place like this, there is an Array created by someone extremely powerful." The woman in black looked at the earth which was currently enveloped by a barrier created by Shui Yixian.

This array aims to anticipate bad people who try to do bad things to the people of earth.

On earth there were countless important people and families of Ye Chen's women, so it would not be strange for Shui Yixian to set up an Array to protect this place from evil people from the God Realm.

"Interesting, I want to know what is protected on this remote planet" This woman wants to know what is protected on a remote planet that is not inhabited by many people.

This woman sneaked into the Array created by Shui Yixian, she easily slipped into the earth.

The Shui Yixian barrier would only activate if someone had malicious intent, as long as this woman didn't do anything malicious, then she wouldn't trigger the Array formation.

This woman started to go to observe what was going on, she saw that this planet was very bad, the people in this place were very weak.

Even with the little strength she had now, this woman could kill them all very easily.

This woman began to fly above the surface of the sky, she began to observe the earth from above.

"This planet is so weak, I wonder what would make someone strong set up an Array to protect this place?" This woman started to wonder about what made Shui Yixian create a barrier in this place, she didn't think there was anything special about this place.

This woman didn't give up, she still went to have a look around this place.

When this woman walked around the country where Ye Chen lived, she found a very strong hatred, this hatred was so strong that it made this woman feel it from a distance.

"This hate is very strong, I want to know who has this kind of hatred" this woman was curious about people who had such strong hatred, in her life she had never seen hatred this strong.

This woman was not a good woman, this woman came from a Heretical Sect in the God Realm, they cultivated forbidden techniques that were neither allowed to be used nor forbidden to use, their existence even being the enemy of all powers in the God Realm.

"I have to see for myself, maybe I can take it as a seed that can become a great weapon for the Sect" This woman wants to see if the owner of this hatred is worthy, if it is, then she will take it as a seed and train it as best as possible.

This woman went towards the source of this very strong hatred, she didn't think long and went to a mountain quite far from the city.

Needless to say, this place was the place where Mu Lanyin sealed Yu Ting in an eternal Ice that would never be able to search for her.

It could be said that Yu Ting would be trapped in this place for the rest of her life and no one would be able to save her.

"so this strong hatred is from this woman" The woman in black looked at Yu Ting, she could feel the hatred that Yu Ting had was intense. very strong.

"I'm curious what makes this woman have such strong hatred" The mysterious woman was very curious about Yu Ting's hatred, this feeling of hatred was really very strong.

The woman in black approached, she began to hold onto the Ice that sealed Yu Ting's body.

"This is the power of the Ice Phoenix." This woman could tell right away that the Ice that sealed Yu Ting's body was the power of the Ice Phoenix.

"It seems that the person who had locked her up was someone with a very good background." This woman guessed that the person who had imprisoned Yu Ting was someone with a very, very good background.

The woman in black began to use her power, this woman's palm began to emit something black, it instantly devoured the Ice that was shackled to Yu Ting's body.

"Crack. . ." The ice that was shackled to Yu Ting shattered, Yu Ting happened to the ground and started coughing, the woman in black clothes had managed to break the ice that sealed Yu Ting's body.

"cough. . ., cough. . ., cough. . . ." Yu Ting coughed and shivered with cold, being in the Ice for a long time was extremely cold.

The woman in black waved her hand, she easily warmed Yu Ting's body.

"Who are you?" The freed Yu Ting looked still in a daze, she didn't know who this woman in front of her.

This woman looked very mysterious and very strong, Yu Ting felt a great threat from this woman.

"You don't need to know the name I have, do you want to come with me?" This woman refused to tell Yu Ting her name, she didn't want to tell anyone about her identity.

"So why should I come with you?" Yu Ting asked the woman in black.

"Of course it's because I'm interested in you" this woman said that she was attracted to Yu Ting.

"Attracted to me, what attracted you to me?" Yu Ting wanted to know why this woman was attracted to her.

"That's because of the hatred you have, that kind of hatred is very strong, I'm interested in that thing you have" the woman in black said to Yu Ting.

Yu Ting had no idea what this woman was referring to, this woman was extremely mysterious.

"You must have someone you hate?" asked the woman in black to Yu Ting.

"Of course" Yu Ting nodded, she naturally had hatred towards someone, namely Ye Chen and Ye Chen's women.

"Then come with me, I can give you the power to take revenge for everything that happened to you, I can make you a very strong person" the woman in black said to Yu Ting.

Yu Ting had some doubts about what this woman had to say, for some reason this woman seemed very dangerous and related to something bad.

"Do you really want to stay in this place forever, you know the person who sealed you in this place will definitely come, so if you don't come with me, then you will be confined in this place for the rest of your life" this woman told Yu Ting that Mu Lanyin must have realized that her eternal Ice had been destroyed.

"Alright, I'll come with you" Upon hearing what this woman in front of her said, Yu Ting immediately agreed to come along.

She didn't want to spend the rest of her life in this dark place, she wanted to leave this place and take revenge on Ye Chen and all the Ye Chen women who had locked her up.

Chapter 1274 - They Both Have Run Away

"Good girl then I want you to swear an oath to submit to the Vengeance Fate Sect." This woman told Yu Ting to submit to the Vengeance Fate Sect.

"I, Yu Ting will submit to the Vengeance Fate Sect and will become a part of it" Yu Ting readily agreed to enter the Vengeance Fate Sect.

"Good job, here's your gift" This woman liked Yu Ting, she immediately gave a gift to Yu Ting.

Yu Ting received a ring from this woman, it was very beautiful and had a very strange engraving.

' wear it" The woman in black told Yu Ting to wear the ring she had given her.

Yu Ting started to put the ring on her finger, when Yu Ting started to put the ring on, Yu Ting started to feel a force entering her body.

She felt the power of hatred within her continue to grow and become stronger

"this?" Yu Ting didn't expect something like this to happen, she felt her strength creeping up.

"It's a special item, the stronger the hatred you have, the stronger your strength will be" The woman in black explained to Yu Ting about the ring she had just given her.

This was a special Ring that could turn hatred into power, so the more hatred Yu Ting had, the more power she would gain.

"This is great" Yu Ting felt that this was a very great thing, she did not expect that this woman would give her something great.

"With this I will definitely be able to take revenge on them" with the help of this woman, Yu Ting might be able to take revenge on Ye Chen and all the women who belonged to Ye Chen, she was very confident that she could take revenge on the people who had made her life become as it is now.

"Master, what is your name?" Yu Ting asked what the name of the woman in front of her was, she didn't know the name of the woman in front of her.

"My name is Fu Chou" this woman told Yu Ting her name, she told Yu Ting her own name.

"So master's name is Fu Chou" Yu Ting now knew the name of the person who saved her, Yu Ting was very grateful to Fu Chou who saved her.

"You don't need to thank me, if you want to thank me, become stronger and be useful to Vengeance Fate Sect." Fu Chou didn't need Yu Ting's gratitude, he just wanted Yu Ting to be of use to Vengeance Fate Sect.

"Alright, this disciple understands" Yu Ting nodded, she would try to be someone useful to Vengeance Fate Sect, then Yu Ting would gain the power to take revenge on Ye Chen.

"Then let's go" Fu Chou invited Yu Ting to leave this place.

"Okay" Yu Ting nodded, she obeyed the orders given by Fu Chou to her.

"Stop right there" when Yu Ting and Fu Chou were about to leave this place, suddenly three people came to this place.

The people who came were Zhao Yanyan, Nangong Xiang as well as Mu Lanyin.

The three of them came to this place to stop Fu Chou who wanted to take Yu Ting away from this place.

"You two are not allowed to leave this place." Nangong Xiang said that Fu Chou and Yu Ting were not allowed to leave this place.

"Oh, you guys arrived sooner than I thought, it seems you have the ability" Fu Chou said to Zhao Yanyan, Nangong Xiang and Mu Lanyin who had already arrived at this place.

"Who are you, why did you release her?" Zhao Yanyan asked Fu Chou, she was curious about the identity of the woman who had freed Yu Ting.

"Little girl you don't need to know about the identity I have, you won't know who I am after all" said Fu Chou to Zhao Yanyan.

"If you don't want to be honest with us, then you won't be able to leave this place." Zhao Yanyan said that Fu Chou wouldn't be able to leave this place.

"With just the three of you, do you think you can stop me" Fu Chou released her power, purple power began to cover Fu Chou's body.

"This feeling, don't tell me it's a forbidden technique, are you from a forbidden sect or a cult?" Nangong Xiang immediately realized that this woman was using a forbidden technique that was no longer allowed by cultivators in the God Realm.

"Who knows" Fu Chou did not tell Nangong Xiang where she came from.

"Then I will force you to speak" Seeing that Fu Chou was unwilling to speak, Nangong Xiang decided to force him to speak.

"Yanyan, Lanyin, you two stay behind, let me take care of this woman, this woman is strong and not your opponent" Nangong Xiang told Zhao Yanyan and Mu Lanyin that she would take care of Fu Chou.

"Fine, we will leave this matter to you." Zhao Yanyan nodded to Nangong Xiang, she knew that Fu Chou was a strong woman and not easy to deal with, so let Nangong Xiang take care of it.

Around Nangong Xiang's body began to appear Heavenly Golden Flame, when the Heavenly Golden Flame appeared, the temperature in this place began to rise quite high.

The Heavenly Golden Flame was extremely hot, this made Cave this begin to search by an extremely high heat pressure.

"Sister Xiang, please don't overdo it and damage the earth." Zhao Yanyan reminded Nangong Xiang not to overdo it and damage the earth they live on.

"You don't have to worry, I will control my strength very well." Nangong Xiang told Zhao Yanyan not to worry, she would control her power so as not to damage the earth.

"This power, don't tell me it's Heavenly Flame." Fu Chou finally realized that Nangong Xiang had a Heavenly Flame in her body, so it wasn't strange that she felt a strong pressure from this flame.

"It's too late to apologize to us" Nangong Xiang informed that it was too late for Fu Chou to apologize to them.

"In this life, I have never asked forgiveness or mercy from anyone, even if it was you" Fu Chou said that she had never asked for mercy from anyone, she did not need pity from anyone

"it seems that there is no choice but to fight" Nangong Xiang felt that Fu Chou was a very arrogant woman, this woman did not seem to have a fear of Nangong Xiang.

Nangong Xiang and Fu Chou started exchanging blows, their palms intertwined with each other.

"Boom" a powerful explosion occurred when Nangong Xiang's palm collided with Fu Chou.

This explosion destroyed the mountains and the surrounding area.

Great earthquakes can be felt by everyone in this world, this makes everyone on earth feel afraid because of the big earthquake that occurred.

A very thick dust flew around this place, the mountains in this place had already been razed to the ground.

Even though Nangong Xiang had restrained herself quite well, it was unexpected that the damage was still so enormous.

A few moments later the dust started to dissipate, when the dust disappeared the figures of Fu Chou and Yu Ting were no longer here.

"They both have run away" Nangong Xiang realized that Fu Chou had run away with Yu Ting.

"Sister Xiang, how are they?, did they manage to escape?" Mu Lanyin asked if Yu Ting had managed to escape from this place.

"The two of them have already fled, they left without leaving a trace" Nangong Xiang informed that Fu Chou and Yu Ting had run away.

Chapter 1275 - Become A Threat In The Future

"So the two of them took this opportunity to escape from this place." Mu Lanyin said in a low voice, she was thinking about where Fu Chou and Yu Ting had gone.

"That woman is from a heretical sect, it will be very difficult to trace the whereabouts of the two of them" Nangong Xiang informed that it would be very difficult to find the whereabouts of Fu Chou and Yu Ting.

Heretical sects always move quietly and quietly, they are very good at hiding themselves and covering their tracks.

"That woman has gone with someone very dangerous once, this will be a dangerous thing for all of us" Zhao Yanyan was worried about the future, Yu Ting would definitely take revenge for what happened.

Zhao Yanyan knew Yu Ting very well, this woman hated Ye Chen so much, she would definitely do something bad to Ye Chen again.

"Is it necessary for us to put up a present for this woman?" Mu Lanyin came up with an idea to put a bounty on the person who caught Yu Ting.

"That woman has joined a heretical sect, so she is already on the wanted list, so even if we don't do that, she will definitely still be wanted in the God Realm" Nangong Xiang said to Ye Chen.

Heretic sects were common enemies in the God Realm, they were enemies of everyone in the God Realm, so when Yu Ting decided to join, it was the same as Yu Ting becoming a public enemy.

"I heard that people from heretical sects are very good at changing their appearance and identity, so I'm afraid that it will be very difficult for us to find her." Zhao Yanyan said that it would be difficult for them to find Yu Ting.

Heretical sects are very skilled at disguises, that's why their existence is so hard to find and eradicate, if they were easy to find, they would have long since been wiped out of the God Realm.

"From now on we have to be more careful, don't let our guard down and get ourselves attacked" Mu Lanyin completely agreed with what Zhao Yanyan said, she strongly agreed that Yu Ting would definitely come at any time and in an appearance they didn't expect. .

"Do you need to tell husband about this matter?" Nangong Xiang asked if it was necessary to tell Ye Chen about this matter.

"This doesn't seem necessary, don't bother the husband with this kind of problem, let him focus on finding medicine for Ling Yin and Lanling" Zhao Yanyan said to Nangong Xiang.

Zhao Yanyan didn't want to bother Ye Chen with a small matter like this, so she wouldn't tell Ye Chen that Yu Ting was free.

"But that woman will definitely find away the trouble with husband." Mu Lanyin said to Zhao Yanyan.

Mu Lanyin was afraid that Yu Ting would find trouble with Ye Chen, that woman was a little crazy and had a very strong grudge.

"Husband can definitely handle it, believe me?" Zhao Yanyan said that Ye Chen would be able to overcome Yu Ting very easily, Zhao Yanyan was very confident in Ye Chen's abilities.

Mu Lanyin and Nangong Xiang nodded, the two of them also starting to believe what Zhao Yanyan had just said.

"Then let's go back." Zhao Yanyan took Nangong Xiang and Mu Lanyin back.

"Let's go." Nangong Xiang and Mu Lanyin nodded, the three immediately returned to Heaven Light Palace.

.

.

Meanwhile Fu Chou and Yu Ting were currently leaving the earth, both of them went to avoid Nangong Xiang.

"Master, are you all right?" Yu Ting asked Fu Chou's condition.

Fu Chou was currently injured, his hand was bleeding profusely and the burn marks were quite severe.

"It's okay, this is just an ordinary wound, that woman is much stronger than I imagined" said Fu Chou with full of curses and curses.

Fu Chou did not expect that Nangong Xiang's strength would be so strong, in the exchange just now Fu Chou suffered a very sad defeat, this made Fu Chou's hand suffer a fairly severe injury.

"Is that woman really that strong?" Yu Ting did not expect that Nangong Xiang would become so strong, if Nangong Xiang was so strong then how would he deal with Ye Chen and the women that Ye Chen had.

"That woman is indeed strong, but in the future you can definitely beat that woman, all you need to do is keep practicing" Seeing Yu Ting dispirited after learning about Nangong Xiang's strength, Fu Chou immediately tried to encourage Yu Ting to train and become even stronger.

"Can I be stronger than that woman?" Yu Ting asked if he could be stronger than Nangong Xiang.

"Of course, as long as you have a strong hatred and desire for revenge, I believe you will become a great person, you have great innate talent, don't waste it," said Fu Chou to Yu Ting.

"Well I understand, I will do my best, I will definitely be able to make them feel the consequences" After getting a few words of encouragement, Yu Ting regained his confidence, Yu Ting believed that she could definitely surpass Nangong Xiang.

"Let's go to Vengeance Fate Sect, I will teach you how to become one of us" Fu Chou took Yu Ting to go to Vengeance Fate Sect, where Fu Chou would teach Yu Ting how to become a member of a cult.

There Yu Ting will be equipped with various kinds of knowledge so that he can continue to get along with the community even though they are a fugitive.

"um" Yu Ting nodded, she wanted to learn more from Fu Chou, she wanted to become much stronger so she could step on everyone who was against her.

Fu Chou and Yu Ting disappeared, both of them went to a hidden place that was very difficult to find.

.

Back to Ye Chen.

Several days had passed since the big incident that occurred, right now Ye Chen was stabilizing the power of his who had just breakthrough to the Divine Rebirth Realm.

Ye Chen opened his eyes, Ye Chen finally finished stabilizing his breakthrough.

Ye Chen stretched out his hand, he began to create a white profound lightning that had characteristics similar to heavenly lightning.

"It seems that I have tamed the rest of the heavenly lightning in my body" Ye Chen has successfully tamed the heavenly lightning in his body, now Ye Chen can use the strongest lightning in this world.

Even though this is heavenly lightning, its power will not be as strong as the one that hit Ye Chen's body, Ye Chen is still not able to make the heavenly lightning as strong and powerful as that time.

Even though it still wasn't able to harness the strongest heavenly lightning, it could still be quite a powerful weapon when compared to profound lightning.

Ye Chen erased the heavenly lightning in his hand, himself searching for the whereabouts of Xing Mei.

Ye Chen looked around, when Ye Chen looked around, Ye Chen found that Xing Mei was not around this place.

"Where did that girl go?" Ye Chen wanted to know where Xing Mei had gone.

"Master, Xing Mei has already left, before leaving she left a letter for you." Chu Yuechan told Ye Chen that Xing Mei had already left this place.

"where did it go?" Ye Chen wanted to know where Xing Mei had gone.

"I don't know, why don't you just read the letter." Chu Yuechan told Ye Chen to read the letter Xing Mei had given him.

Ye Chen took the letter left by Xing Mei, he started to read the letter left by Xing Mei.

Chapter 1276 - Search Poster Of Ye Chen

Within this letter was a handwritten note written by Xing Mei.

"Ye Chen I have to go, my father's people have recently been seen around this place, so I was forced to run away, see you later, greetings beautiful Xing Mei" this was the content of the letter Xing Mei had written for Ye Chen .

"That bad girl is still being sought." Ye Chen could only shake his head, Xing Mei was still being searched for by her father.

"Never mind, she has also left, I should also return" Since Xing Mei had already left this place, Ye Chen had to return to the Sky Cloud Peak Star Realm.

Ye Chen came out of his hiding place, Ye Chen just happened to be looking for a fairly secluded place to hide from people who might be looking for him.

Ye Chen kept the God Mask and also his Black Dragon Sword, it seems that for the time being Ye Chen can't use these two things because it will cause trouble for Ye Chen.

Ye Chen took the long distance teleportation stone, he had already decided to return to the Sky Cloud Peak Star Realm.

Ye Chen broke the long distance teleportation stone, when Ye Chen did that, a dimensional hole appeared in front of Ye Chen, Ye Chen went straight into the hole.

A while later Ye Chen finally arrived at the Sky Cloud Peak Star Realm.

"Time to return to the Nine Immortals Peak Sect." After arriving at the Sky Cloud Peak Star Realm, Ye Chen decided to head straight for the Nine Immortals Peak Sect.

Ye Chen flew at a very fast speed, he went straight to the Nine Immortals Peak Sect.

After some time of flying, Ye Chen finally arrived at the Nine Immortals Peak Sect.

"It's finally here." Ye Chen was relieved that he had arrived at the Nine Immortals Peak Sect.

Ye Chen went to the inner court, when he went to the inner court, Ye Chen found people's eyes that did not like him.

"Look at this pervert finally daring to come out".

"Don't get close to him, this man is an animal".

"Bastard trash. . .".

One by one people started insulting Ye Chen, they all thought of Ye Chen as useless trash.

It seemed that the events of the past few weeks were still quite hot, which was why Ye Chen was still considered a pervert by the people in this place.

"It seems that I have to settle this matter" Ye Chen had to settle this matter, it was about his good name.

Even though Ye Chen didn't really care about the ridicule these people made, Ye Chen still couldn't let them continue to spread and defame him.

"Tonight I will solve this problem" Ye Chen decided to settle this matter at night, tonight Ye Chen will take care of Gong Senye who has dared to frame him, to make his good name like this.

Now Ye Chen's strength was much stronger than before, so he should be able to deal with Gong Senye and Tie Sangling who had trapped him.

The two of them had to suffer the consequences because they had dared to frame Ye Chen.

Ye Chen walked around the inner court, when Ye Chen walked around the inner court, Ye Chen found something very interesting, around the Sect there were a lot of announcements that made Ye Chen interested.

Ye Chen approached to make sure what he saw wasn't wrong, when Ye Chen got closer he found that the poster in this announcement was him.

"Looking for a man with these characteristics, those who find him will be given a big reward" This poster reads the search for Ye Chen wearing a God Mask.

This poster was published by many great powers in the God Realm, they all seemed to be looking for Ye Chen's whereabouts.

"I don't think I'll be able to use the Mask Hero identity that I have" for the time being, Ye Chen won't be able to use his Mask Hero identity, he won't be able to do that because he's wanted by so many great powers who want him.

Ye Chen had to be even more careful, he had to be careful not to be discovered by the big powers, if found there might be unwanted trouble.

In the entire God Realm, everyone was searching for the whereabouts of the Mask Hero, everyone was looking for traces of the whereabouts of the Mask Hero, they hoped to find the whereabouts of the Mask Hero and receive a huge amount of rewards.

The rewards were very tempting, so it wasn't strange that so many people were interested in this, they were all looking for Ye Chen's whereabouts just for a reward.

"At least no one still knows my identity." Even though Ye Chen was being searched for, at least no one still knew about the Mask Hero's true identity, so Ye Chen was still quite safe.

When Ye Chen left the bulletin board, he decided to return to his room.

Ye Chen would wait for nightfall, that's why Ye Chen would be in his room until nightfall.

"Ziyu" Ye Chen called out to Song Ziyu, it had been a long time since Ye Chen had done anything bad to Song Ziyu.

" what is it?" a while later, Song Ziyu appeared near Ye Chen, Song Ziyu looked displeased when she saw Ye Chen calling her.

Even though in the past few weeks, Song Ziyu had lived a very, very peaceful life, Song Ziyu felt very at peace when he saw Ye Chen leaving the Sect.

Ye Chen turned towards Song Ziyu, himself start cornering Song Ziyu against the wall.

"what are you doing?" Song Ziyu immediately panicked after seeing Ye Chen's bold attitude.

Ye Chen brought his face closer to Song Ziyu, Ye Chen started to whisper something to Song Ziyu.

"It's only been a few weeks of not seeing each other, and you're already starting to be bold with me, aren't you afraid I'll do something bad to you?" Ye Chen whispered in Song Ziyu's ear.

Song Ziyu's face immediately turned red when she listened to what Ye Chen said, for some reason Ye Chen became very brave towards her.

"You don't mess with me, if you dare mess with me then I will. ." Song Ziyu did not continue any further words.

Song Ziyu tried to threaten Ye Chen, she wouldn't let Ye Chen do anything bad to her.

"What are you going to do to me?" Ye Chen asked Song Ziyu again, he wanted to know what Song Ziyu could do to him.

"If you dare, I will hit you" Song Ziyu said that she would hit Ye Chen.

"Really, then I want to see if you can do that." Ye Chen wanted to see if Song Ziyu was really capable of that or not.

"You asked for it, don't blame me for being rude" Seeing Ye Chen trying to challenge her, Song Ziyu was about to hit Ye Chen.

Song Ziyu started to reach out her hand to hit Ye Chen.

Just as Song Ziyu was about to hit Ye Chen, Ye Chen hand was stop Song Ziyu hand.

Song Ziyu couldn't believe that Ye Chen stopped his attack so easily.

"You want to hit me with this soft hand, it won't work" Ye Chen said to Song Ziyu.

Ye Chen started playing with Song Ziyu's hand, Song Ziyu's hand was soft enough to hold.

Song Ziyu's consciousness still hadn't returned, she was still confused about what had happened.

"Let go of me" Song Ziyu directly fought Ye Chen, Song Ziyu tried to fight Ye Chen who was harassing him.

Chapter 1277 - [Bonus]make Song Ziyu More Obedient

"I won't let you go" Ye Chen refused to let go of Song Ziyu.

"You are a very bad person, how can you do something like this to me" Song Ziyu said that Ye Chen was a very bad person.

"I am indeed a bad person, so you should get used to this bad person" Ye Chen said to Song Ziyu.

Ye Chen continued to tease Song Ziyu, he used various ways to confuse Song Ziyu.

Song Ziyu started to get confused, for some reason Ye Chen had become so bold in teasing her.

In addition, Song Ziyu felt that Ye Chen had changed a little, there was a special charm that Song Ziyu felt from Ye Chen.

Song Ziyu's heart and pulse were beating very fast, she was very nervous when she was so close to Ye Chen.

Song Ziyu had never been in a situation like this before, so it wasn't strange that Song Ziyu had a hard time facing Ye Chen's temptation.

For a virgin like Song Ziyu, Ye Chen's temptation was something that was extremely difficult to resist, she couldn't resist the temptation of a master like Ye Chen.

"Ziyu, I want something from you" Ye Chen said that he wanted something from Song Ziyu, Ye Chen's words contained a charm that made Song Ziyu feel confused.

" what do you want from me?" Song Ziyu started to panic when she heard what Ye Chen had just said.

" I want you . . ." Ye Chen said to Song Ziyu.

Song Ziyu's mind became so confused, Song Ziyu started to think that Ye Chen wanted to do something bad to her.

"What should I do?, should I refuse his request or not?" Song Ziyu was very confused, her mind was very confused.

Ye Chen's charm became more and more intense, this made Song Ziyu's heart and mind into chaos.

"Massage me" Ye Chen continued his unfinished words.

"Huh?" Song Ziyu was taken aback, the image in her head instantly shattered when she listened to what Ye Chen said.

Even though Song Ziyu had imagined a very romantic imagination, she didn't expect that Ye Chen would immediately destroy Song Ziyu's imagination.

"Come on quickly help me, don't delay anymore" Ye Chen told Song Ziyu to massage himself, today Ye Chen wanted to laze around while waiting for the night to come.

Song Ziyu's face had become extremely dark, it was unknown what Song Ziyu was currently thinking.

"Why are you just silent, quickly do as I tell you" Ye Chen told Song Ziyu to do as he told.

"Ye Chen! ! !" Song Ziyu was so furious, she went and pounced on Ye Chen who was in front of her.

Honestly, Song Ziyu was annoyed with the way Ye Chen joked with her, this guy was really annoying.

"hey, why are you attacking me, I am your master, you are such a naughty and disobedient servant" Ye Chen tried to stop Song Ziyu from trying to bite him, this woman is really really crazy.

Ye Chen tried to free himself from Song Ziyu, after a while, Ye Chen finally managed to break free from Song Ziyu.

"gerrr" Song Ziyu was still growling at Ye Chen, she was still not happy with what Ye Chen had just done to her.

"Fortunately I'm strong, otherwise I would have been bitten by this woman to death" Ye Chen was grateful that his body was very strong, so he didn't get injured from Song Ziyu.

"Are you a dog, how can you bite someone like that" Ye Chen said to Song Ziyu.

"Who are you calling a dog, you pervert?" Song Ziyu started to mock Ye Chen, Song Ziyu didn't accept Ye Chen's word as a dog.

Debate was inevitable, Ye Chen mocked Song Ziyu, meanwhile Song Ziyu mocked Ye Chen.

"You are my servant, you better have to keep your attitude a little, lest the heavens be angry because you dared to go against me" Seeing Song Ziyu getting bolder towards him, Ye Chen had no choice but to use the oath that Song Ziyu used to say.

"I don't care about that anymore, do you think you can bind me with just an oath?" Song Ziyu no longer cared about the oath she took, this woman no longer cared about what she said that time.

"Are you sure?" Ye Chen asked Song Ziyu who had dared to underestimate the issue of the bet they had agreed on.

"Of course" Song Ziyu didn't care about this matter anymore, she was tired of being the servant of a man like Ye Chen.

"Rumble. . ." When Song Ziyu said this, suddenly there was a very loud roar of thunder, this made Song Ziyu's body shiver with fear.

"See it looks like the heavens are angry with you, you have dared to challenge it" Ye Chen said to Song Ziyu who was in front of him.

"no. . ., no. . ., I was just joking." Song Ziyu looked scared by what had just happened, that's why she tried to apologize.

Song Ziyu didn't expect the heavens to be this angry, she really was too careless to want to break the vow she had made with Ye Chen.

"So do you still dare to go against my orders?" Ye Chen asked Song Ziyu.

"Master, I dare not go against your orders." Song Ziyu suddenly turned into a girl who was very obedient to Ye Chen's words.

Ye Chen seemed to show a triumphant smile, he had managed to frighten Song Ziyu and didn't dare to fight him.

"big brother, You is really so mean, you bullied her" Chu Ning'er said to Ye Chen.

Chu Ning'er did not expect that Ye Chen would bully Song Ziyu into such a fright.

"Well, this woman doesn't want to obey me after all, so I decided to punish her a bit" Ye Chen said to Chu Ning'er.

Ye Chen deliberately did this so that Song Ziyu would be even more obedient towards him, so this woman would not dare to fight Ye Chen anymore.

"I feel a little sorry for that woman for meeting big brother." Chu Ning'er felt pity when she saw Song Ziyu who had met a man like Ye Chen.

Song Ziyu really got into trouble because she had met a man like Ye Chen.

"Then hurry up and do what I told you to do." Ye Chen told Song Ziyu to do what he had previously ordered.

"Alright" Song Ziyu had no choice but to nod, she had no other choice but to agree with what Ye Chen ordered.

Song Ziyu started massaging Ye Chen's shoulders, she started doing menial jobs that she never did.

"Yes, that's great, it's great to have a servant like you" Ye Chen said that he was very happy to have a servant like Song Ziyu.

Song Ziyu actually didn't like what Ye Chen said, too bad Song Ziyu couldn't fight Ye Chen, he had no choice but to obey Ye Chen's words.

Time flies very fast, in these few hours Song Ziyu rendered her own service to Ye Chen.

Song Ziyu's hands were already sore, she had actually been forced to do this for a long time.

"Master, may I rest?" Song Ziyu asked if he could rest for a while.

"Okay you can rest for a while, after that you will come with me to go somewhere" Ye Chen allowed Song Ziyu to rest for a while.

Chapter 1278 - Recording The Intimate Relationship Between Gong Senye And Tie Sangling

"Where are we going?" Song Ziyu asked where they were going.

"We're going somewhere to do something interesting." Ye Chen told Song Ziyu that the two of them were going to do something interesting.

Song Ziyu became very curious about what Ye Chen would do, in her opinion, Ye Chen was becoming more and more mysterious.

Song Ziyu rested for a while, after Song Ziyu had enough rest, Ye Chen immediately invited Song Ziyu to go to the place where Gong Senye lived.

Ye Chen was about to start running his own stunt, Ye Chen couldn't wait to embarrass Gong Senye in public.

Gong Senye is an elder of the outer court, so currently Gong Senye is in the outer court.

Ye Chen brought Song Ziyu along with him, both of them disguised their appearances so that others wouldn't notice.

With Ye Chen's ability, Ye Chen could very easily find Gong Senye's whereabouts.

"We've arrived." Ye Chen told Song Ziyu that they had arrived at their destination.

"Wait, isn't this the territory of the elder in charge of the outer court?" Song Ziyu asked Ye Chen.

Song Ziyu of course knew that the vicinity of this place was the territory where the elders of the outer court resided.

"We are going to deal with an elder who has dared to frame me, so I want to settle matters with him" Ye Chen said to Song Ziyu.

Ye Chen finally told Song Ziyu what he was going to do.

"Are you crazy, you want to find trouble with an elder?" Song Ziyu said that Ye Chen had gone mad, how could Ye Chen dare to get into trouble with an elder.

"What if he is an elder, I don't care if he is an elder, he has dared to do bad things about me, so I will take revenge for what happened" Ye Chen didn't care about Gong Senye's identity, he would definitely revenge for the defamation of this old man.

"Come with me quickly, don't ask too many questions, you just follow what I say, you are my servant" Ye Chen told Song Ziyu to follow him.

Song Ziyu did not expect that she would be dragged into this matter.

Ye Chen and Song Ziyu started to sneak towards Gong Senye's residence, Ye Chen and Song Ziyu started sneaking around Gong Senye's residence.

Ye Chen started to peek inside Gong Senye's residence, when Ye Chen peeked inside Gong Senye's residence, Ye Chen found that Tie Sangling was currently inside Gong Senye's residence.

It seemed that the two of them were currently discussing something very important.

"Looks like my guess is right, the two have colluded." Ye Chen was now completely convinced that the person who had framed him was Gong Senye, this old man had made himself a public enemy of everyone in the inner court.

This way Ye Chen no longer needed to look for other evidence, he had already found what he was looking for, now it was just a matter of executing both of them.

"Elder Gong, I have done what you wanted, so I hope you give me the gift you promised me." Tie Sangling said that she wanted the gift that Gong Senye had promised.

"Hahaha, you've done really well, that person will sooner or later suffer from being the enemy of everyone in the inner court." Gong Senye was very happy with the work Tie Sangling was doing, Tie Sangling's work was very satisfying.

Tie Sangling smiled as she listened to Gong Senye's praise, she couldn't wait to be rewarded for what she had done.

"Okay, here's your reward." Gong Senye took out a pouch from his Space Ring, showing it to Tie Sangling.

Tie Sangling's eyes immediately lit up when she saw what Gong Senye, Tie Sangling had given her very happy with this.

Tie Sangling got a great reward for doing such an easy job, so it wasn't strange that Tie Sangling was overjoyed.

Tie Sangling stretched out her hand in front of her, looking like she wanted to take a gift from Gong Senye.

Just as Tie Sangling was about to take a gift from Gong Senye, Gong Senye suddenly withdrew his hand.

"Elder Gong, what does this mean?" Tie Sangling immediately asked what Gong Senye was doing.

Why did Gong Senye take back the gift he gave Tie Sangling.

"I have added some items to this bag, so you have to do something for me." Gong Senye informed that he had added a bonus for Tie Sangling, so Gong Senye wanted Tie Sangling to give him additional services.

Tie Sangling was not an innocent woman, she naturally knew what Gong Senye meant.

Tie Sangling had a relationship with that good Elder in the outer court, this gave Tie Sangling access to enormous resources.

This made Tie Sangling great and appear dazzling among the male disciples in the outer court.

Tie Sangling started to take off her clothes, now she only wears underwear which looks very sexy and very seductive.

Ever since Yan Fei introduced underwear, all women started to wear underwear, they felt the benefits of wearing underwear for their beauty.

"What is she doing?" Song Ziyu stuttered when she saw the naked Tie Sangling right in front of Gong Senye.

This was quite shocking for a virgin like Song Ziyu, so it was not surprising that Song Ziyu looked surprised when she saw this scene.

"Shhh" Ye Chen immediately told Song Ziyu to be quiet, otherwise the two would definitely be caught.

Song Ziyu immediately nodded to Ye Chen, she would try not to make any more noise.

Ye Chen looked at the scene in front of her, seeing this, Ye Chen had a very brilliant idea.

"Hehehe, just watch out for the two of you, you two will definitely suffer the consequences." Ye Chen already had a very, very good idea, he would embarrass Gong Senye and Tie Sangling.

Ye Chen took the imaging stone and started recording what Gong Senye and Tie Sangling were doing.

Song Ziyu saw what Ye Chen was doing, this man was trying to capture the momentum that Gong Senye and Tie Sangling were doing.

Song Ziyu turned his attention towards Gong Senye and Tie Sangling who had already started the battle.

At first Song Ziyu felt that this was a little disgusting, but after a while Song Ziyu got used to what was in front of her.

"Oh, little bitch, your skills are really great, it's not strange that many elders talk about your abilities." Gong Senye looked very excited about what Tie Sangling did, what Tie Sangling did felt really good.

"Really, then do you want to give me more gifts?" Tie Sangling asked Gong Senye.

Tie Sangling smiled when she saw Gong Senye who had given up under her pomegranate skirt, it was so easy to subdue an old man like Gong Senye.

"No problem, I will give you more." Gong Senye said that he would give Tie Sangling more gifts.

Tie Sangling was overjoyed when she heard this, Tie Sangling immediately got excited and started an even more aggressive move.

Tie Sangling hoped that he would get more gifts from Gong Senye so that his cultivation would be much more advanced

Chapter 1279 - Visiting Beautiful Woman Place At Night

Gong Senye and Tie Sangling continued their relationship, both of them still didn't know that someone was currently perpetuating what they were doing.

Ye Chen tried to find a good angle to take in this scene in front of him, himself using skills to bring this scene to life.

"They're both really ridiculous." Ye Chen smiled when he saw what Gong Senye and Tie Sangling were doing, both of them looked very ridiculous.

From what Ye Chen could see, Gong Senye couldn't match Tie Sangling's abilities, Ye Chen could see that Gong Senye was having a hard time keeping up with Tie Sangling's abilities

Tie Sangling was indeed worthy of being an idol who was quite popular among the inner court disciples, this woman did have quite a lot of capital and seductive skills.

Even someone like Gong Senye could be easily fooled by Tie Sangling.

.

"Alright, that's enough." After a while of recording, Ye Chen decided to stop, he had already obtained something that could destroy Gong Senye and Tie Sangling.

"Let's get out of here" Ye Chen immediately asked Song Ziyu to leave this place, the business in this place was finished, Ye Chen had already got what he wanted.

Actually Ye Chen wanted to immediately use action against Gong Senye and Tie Sangling, but the situation was suddenly out of his control, which was why Ye Chen had obtained something that could destroy Gong Senye.

Instead of beating up Gong Senye and Tie Sangling, Ye Chen would rather embarrass the two of them, so both of them would lose face in public.

"Um. . ." Song Ziyu nodded, she felt relieved when she saw Ye Chen who asked her to leave this place.

Honestly Song Ziyu felt her body heat up when she saw what happened, the scene in front of her was too hot that made Song Ziyu's mind run wild.

Luckily Song Ziyu was able to withstand this well, otherwise she would have lost face in front of Ye Chen.

Ye Chen and Song Ziyu immediately left the residence of Gong Senye, both looking for a good place to talk.

"Ziyu, I want you to double this thing for me." Ye Chen told Song Ziyu to duplicate what was inside the imaging stone.

"Ye Chen, what are you planning?" Song Ziyu asked what Ye Chen was trying to plan.

"Moreover, of course I want to spread this matter." Ye Chen said that he wanted to spread what Gong Senye and Tie Sangling did.

"Are you sure you want to do that, it would be something really big?" Song Ziyu asked Ye Chen.

Song Ziyu told Ye Chen to rethink what would happen, if this thing were to spread, then it would be something out of the ordinary, there would definitely be many elders involved in this matter.

"You don't need to think about the matter, you just need to do what I tell you, for the rest I will take care of it myself" Ye Chen said that Song Ziyu only needed to do as he asked, for the rest, Ye Chen would take care of it himself.

"It's fine if you insist on doing that, but remember carefully, don't drag me into this." Song Ziyu didn't want to get involved in this matter, this matter was very troublesome.

"Don't worry, I won't involve you in this matter." Ye Chen said that he would not involve Song Ziyu in this matter.

This is Ye Chen's business with Gong Senye, so Ye Chen will not involve Song Ziyu in his affairs.

"Good, you promised, I will do as you tell" Seeing Ye Chen had promised not to drag herself, Song Ziyu would do what Ye Chen told her to do.

Song Ziyu left this place, she was going to do what Ye Chen had ordered.

"Now what will I do" Ye Chen didn't know what to do at this moment, he felt a little bored and needed a little entertainment.

"Is there no entertainment in this place?" Ye Chen began to wonder if around this place there was no entertainment that could make Ye Chen's heart feel happy.

"Master, why don't you meet Fairy Zhen, that woman lives around this place" Chu Yuechan told Ye Chen that Fairy Zhen lived around this place.

"Does that beautiful Milf live around this place, what a coincidence, then will visit" Hearing this, Ye Chen regained his spirit, he didn't mind meeting Fairy Zhen.

It might be rude to visit tonight, but Ye Chen knew Fairy Zhen very well, so Fairy Zhen shouldn't mind Ye Chen visiting at night.

Note: O reader what you are thinking right now (?° ?? ?°).

Ye Chen immediately rushed to Fairy Zhen's place, he very quickly arrived in front of Fairy Zhen's room.

Fairy Zhen's room was no different from the one owned by other Elders, it's just that Fairy Zhen's place looked tidier and more lively, there were a lot of medicinal plants in Fairy Zhen's yard.

"This woman, no matter where she is, she still likes to grow medicinal plants." Ye Chen didn't expect that the beautiful Milf would love medicinal herbs so much.

Ye Chen started to peek into Fairy Zhen's room, when Ye Chen peeked into Fairy Zhen's room, Ye Chen found that Fairy Zhen was currently cultivating in his room.

"Looks like she's busy." Seeing Fairy Zhen peacefully cultivating, Ye Chen felt uncomfortable because he wanted to disturb her.

"who is that?" Fairy Zhen realized that someone had sneaked into her room, she could faintly sense Ye Chen's presence.

Ye Chen was a little surprised when he saw Fairy Zhen was able to find her whereabouts, this woman turned out to have quite strong instincts.

"It's me" Ye Chen showed himself in front of Fairy Zhen, Ye Chen smiled at Fairy Zhen.

"Ye Chen, what are you doing in this place?" Fairy Zhen immediately asked what Ye Chen was doing in this place.

"I just want to visit beautiful sister" Ye Chen said that he just wanted to visit and meet Fairy Zhen.

Fairy Zhen's face was slightly red when Ye Chen called herself Fairy Zhen, she was flattered when Ye Chen addressed her in this way.

"Ahem, please don't be shy anymore, you are already very popular now, so why are you meeting this old woman" Fairy Zhen said with a slightly dissatisfied tone.

"Beautiful sister, how can you say that, you are still a very beautiful person, no one will believe that you are an old woman" Ye Chen said that Fairy Zhen is a beautiful woman, no one would believe that Fairy Zhen is an old woman.

Fairy Zhen's heart was sweet when she heard this, Ye Chen could still praise herself in a situation like this.

"Ye Chen, I am not a little girl like a medicine pavilion disciple" Fairy Zhen said to Ye Chen.

At work, Fairy Zhen always listened to the female students who were always talking about Ye Chen, they were all always talking about things related to Ye Chen.

Ye Chen seemed to have driven all the women into a frenzy, to the point that they idolized Ye Chen so much.

"What's wrong, is Fairy Zhen jealous to see me stealing a disciple at your place?" Ye Chen said to Fairy Zhen.

Chapter 1280 - I Might Just Kidnap You

"Who's jealous, I don't care even if you kidnap them" Fairy Zhen said that she wouldn't be jealous even if Ye Chen kidnapped all the female disciples in the medicine pavilion.

"Really, then I don't kidnap the little girls, I might just kidnap you" Ye Chen said to Fairy Zhen.

Ye Chen tells that he intends to kidnap Fairy Zhen, he prefers to kidnap Fairy Zhen because she is a beautiful woman and full of charm that can charm men.

"You dare do that to me?" said Fairy Zhen while pointing at Ye Chen.

"Do you think I wouldn't dare to do that to you" Ye Chen drew closer to Fairy Zhen, now the distance between the two was so close that they could see each other very clearly.

"Ye Chen, what are you doing?" Fairy Zhen asked what Ye Chen was doing, right now Ye Chen was really too close to her.

"What am I doing?" Ye Chen pretended not to know what Fairy Zhen meant.

"That, you are too close to me" Fairy Zhen made it clear what she meant, Ye Chen was really very close to her, this made Fairy Zhen feel very embarrassed.

"Where is near?" Ye Chen asked Fairy Zhen who was in front of him.

Ye Chen seemed to be enjoying himself very much when he teased Fairy Zhen, doing this was really very fun to do.

Fairy Zhen finally realized what Ye Chen was up to, this little guy was clearly trying to tease her.

"Do you think I'm easy to bully, just watch I will definitely make you regret it" Fairy Zhen didn't like being bullied by Ye Chen, now was the time for her to take revenge on Ye Chen who always teased her.

"Are you sure you dare to do something like that to me, I am an elder, if you dare to do that to me, you will get a punishment" Fairy Zhen started to play her finger on Ye Chen's chest, it seemed that Fairy Zhen was trying to scare Ye Chen using the status she had.

In the sect the relationship between elders and inner and outer court disciples was forbidden, so this was absolutely not allowed, otherwise it would result in a punishment from the Sect.

"I'm not afraid of small things like that, solving it will be very easy to do" Ye Chen said that he was not afraid of this problem.

The current Ye Chen already had a relationship with a core disciple, so why would he be afraid of having a relationship with an Elder like Fairy Zhen.

"You" Fairy Zhen didn't expect that Ye Chen would be so brave, this man didn't have the slightest bit of fear in his heart.

"What should I do?" Fairy Zhen tried to find a way to deal with Ye Chen, if it continues like this, then Fairy Zhen will continue to be bullied by Ye Chen.

Fairy Zhen didn't want to keep losing to Ye Chen, she would tease Ye Chen with her skills and experience.

"You brat, you dare to tease this old woman, are you not afraid of being eaten by this old woman?" Fairy Zhen stretched out her hand towards Ye Chen, Fairy Zhen started to act boldly and teased Ye Chen.

What Fairy Zhen was currently doing, reminded Ye Chen when he first met Fairy Zhen, at that time this woman also acted coquettishly and teased him.

"If beautiful big sister has the ability, why don't you do it for this little brother" Ye Chen said to Fairy Zhen.

Ye Chen didn't flinch at all when facing the counterattack that Fairy Zhen was trying to do, instead he challenged Fairy Zhen to do what she said earlier.

"I have no choice, I have to do it." Fairy Zhen had come this far, she couldn't come back after coming this far.

Fairy Zhen pulled Ye Chen's clothes, she immediately threw Ye Chen onto her bed.

Ye Chen didn't fight back at all when Fairy Zhen tried to do something to him, Ye Chen knew that Fairy Zhen wouldn't do anything bad to him.

After throwing Ye Chen on the bed, Fairy Zhen immediately occupied Ye Chen's body.

"Did you believe what I said?" Fairy Zhen asked Ye Chen, it seems that Fairy Zhen is now quite domineering, this woman dominates Ye Chen very well.

Fairy Zhen was actually embarrassed when she had to do this, it was very embarrassing to do, but she had no choice but to do this.

"I didn't think that Fairy Zhen would be so brave to do this to a student like me, what would happen if this news spread" Ye Chen said to Fairy Zhen.

"-_- " Fairy Zhen face became darkened when she listened to what Ye Chen just said, this man is very annoying, this makes Fairy Zhen's blood rise.

"You really are a very annoying little man, I will teach you a small lesson" Fairy Zhen will teach Ye Chen a lesson, that way Ye Chen will not dare to look for trouble with her.

Fairy Zhen took a rope from her Space Ring, this was a special rope used to catch a criminal, Fairy Zhen intended to use this to bind Ye Chen not to fight back.

Ye Chen's body was tied with a rope, this made Ye Chen's body very difficult to move.

"Beautiful big sister, what do you want to do?" Ye Chen asked what Fairy Zhen wanted to do.

"What do you think I did to you" Fairy Zhen made a face full of triumph, she finally managed to scare Ye Chen.

"Beautiful sister, please let me go, I was just joking with you" Ye Chen tried to ask Fairy Zhen, he wanted Fairy Zhen to let him go.

"No, I won't let you go" Fairy Zhen said that she wouldn't let Ye Chen go.

Fairy Zhen stretched out her hand towards Ye Chen's shirt, Fairy Zhen started to untie Ye Chen's upper shirt.

"what is this woman trying to do, she is so brave" Ye Chen did not expect that Fairy Zhen would be so brave

"Shut up" Fairy Zhen told Ye Chen to be quiet and not fight back.

Ye Chen could only stay silent and see what Fairy Zhen would do, he was very curious about what Fairy Zhen would do.

After taking off Ye Chen's clothes, Fairy Zhen started to extend her hand towards Ye Chen's muscular chest.

"Your body is very good, it seems that you train this very well" Fairy Zhen started to play her fingers on Ye Chen's chest, she admired the capital that Ye Chen had.

"Of course, I have trained my body very well." Ye Chen said that he had trained his body very well, so it was not surprising that Ye Chen had very, very strong muscles.

"So that's how it happened, very interesting" Fairy Zhen looked very interested in this, she continued to play her fingers around Ye Chen's chest.

Ye Chen looked at Fairy Zhen, he saw that Fairy Zhen was very interested in this matter, Ye Chen sensed that Fairy Zhen had a strange fetish, Ye Chen could see it from Fairy Zhen's eyes.
