

A True God 1281

### **Chapter 1281 - Fairy Zhen Touched Ye Chen's Thing**

"Last time you touched my body during a massage session, now it's my turn to do that" Fairy Zhen said that she wanted to touch Ye Chen's body, this was in return for having Ye Chen touched her with lewd gestures.

Fairy Zhen's fingers started to touch Ye Chen's body, she started to touch Ye Chen's various places.

Ye Chen didn't expect that Fairy Zhen would tease him in this way, what Fairy Zhen did started to stimulate Ye Chen.

"How, does this feel comfortable?" Fairy Zhen asked if what she was doing felt very comfortable or not.

"what do you think?" Ye Chen smiled at Fairy Zhen, he quite liked what Fairy Zhen did.

"I can't believe that you don't feel comfortable" Fairy Zhen couldn't believe what Ye Chen said, what she did must have made Ye Chen excited.

Fairy Zhen continued to tease Ye Chen with her abilities.

"So how did you get aroused?" Fairy Zhen asked if Ye Chen had started to get aroused or not.

This time Fairy Zhen really teased Ye Chen with all her might, she didn't hold back when teasing Ye Chen.

Fairy Zhen's goal was to make Ye Chen excited, after that Fairy Zhen would immediately leave Ye Chen, so this man would definitely be confused and feel uncomfortable.

Ye Chen didn't speak as he continued to stare at the beauty of Fairy Zhen's body in front of him.

When Ye Chen saw the beauty of Fairy Zhen's body that looked very hot, he felt a little excited.

Ye Chen felt that he wanted to try playing with Fairy Zhen, it would definitely be fun if he could play with Fairy Zhen.

Fairy Zhen started to feel something hard under her body, this thing felt very hard and solid.

"What's this?" Fairy Zhen looked very curious about the thing under her body, she wanted to know what Ye Chen was keeping under there.

Fairy Zhen stretched her hand down, she started to hold Ye Chen's big object with her hand.

"Beautiful sister ,That ! !" Ye Chen tried to stop what Fairy Zhen was doing, too bad Ye Chen was so late.

Fairy Zhen had already touched Ye Chen's big object, she started to hold Ye Chen's big object with her hands.

When Fairy Zhen held this, Fairy Zhen found that it felt like a pretty big stick, Fairy Zhen felt that she knew what it was.

after thinking for a while Fairy Zhen finally realized what she was holding and reaching for, This is definitely something belonging to a man

"ahh" Fairy Zhen immediately got up from Ye Chen's body, she immediately went away from Ye Chen's body.

"Ye Chen, you are really a pervert, why would you bring out such a thing" Fairy Zhen scolded Ye Chen for having made herself touch something so embarrassing.

"Beautiful sister, it's not all my fault, you held it yourself, so I didn't do anything" Ye Chen smiled wryly at Fairy Zhen, somehow he became a villain in this situation.

Even though Ye Chen didn't do anything, his body was even tied up, so how could he be the wrong person.

Fairy Zhen was silent when she heard what Ye Chen said, what Ye Chen said was a truth that Fairy Zhen was very hard to refute.

Due to what just happened, The situation became awkward, both Ye Chen and Fairy Zhen were both silent and didn't make a sound.

Fairy Zhen didn't know how to start the conversation, on the other hand Ye Chen felt bad about what had just happened.

"Beautiful sister, I'm sorry." After going through the awkwardness for quite a while, Ye Chen finally took the initiative to apologize to Fairy Zhen.

Ye Chen was a man, as a man Ye Chen had to take the initiative before a woman.

"Okay, I will forgive you, but on one condition" Fairy Zhen said that she was willing to forgive Ye Chen, but Fairy Zhen had a condition that Ye Chen had to fulfill.

" what's that ?" Ye Chen asked what he had to do to get Fairy Zhen's forgiveness.

"the day after tomorrow, you have to come with me" Fairy Zhen wanted Ye Chen to come with her.

" Follow where?" Ye Chen immediately asked where Fairy Zhen wanted to take her.

"don't ask too much, you don't need to ask much, if you don't want to, then I won't forgive you" Fairy Zhen told Ye Chen not to ask too much

"alright, I agree" Ye Chen had no choice but to agree to the conditions given by Fairy Zhen, according to him the conditions given by Fairy Zhen are quite easy to do.

Ye Chen chatted with Fairy Zhen, he had a casual chat with Fairy Zhen.

The topic of Ye Chen and Fairy Zhen's conversation was about Alchemist, the two of them looked very familiar when they were talking about Alchemist.

"It's getting late, I'm leaving" Since it was getting dark, Ye Chen had to return to his residence immediately.

"You must remember your promise" before Ye Chen leaving her place, Fairy Zhen didn't forget to remind Ye Chen about the promise that Ye Chen had previously agreed.

"I see, is that how you want me to accompany you?" Ye Chen said in a slightly mocking tone.

"Ye Chen" Fairy Zhen wasn't too happy when she listened to what Ye Chen said, it meant that she liked being with Ye Chen.

"Hahahaha, see you soon" Ye Chen immediately left Fairy Zhen's place, he immediately left to avoid Fairy Zhen's anger.

Ye Chen ran very fast, in an instant Ye Chen had disappeared from this place.

"You little brat, he still dares to tease this old woman" Fairy Zhen smiled slightly when she saw Ye Chen's cuteness, what Ye Chen showed made Fairy Zhen's heart feel happy.

Fairy Zhen saw the hand she used to hold Ye Chen's younger brother, Fairy Zhen could still feel the sensation when she touched Ye Chen's very large object.

"Isn't that very big" Fairy Zhen thought of Ye Chen's capital, she felt that Ye Chen's capital felt so big that her hands had a hard time holding it.

Fairy Zhen started to think of lewd things that would have happened if she hadn't kicked Ye Chen out before, if Fairy Zhen had not kicked Ye Chen out, maybe they would have gone even further.

Fairy Zhen's face started to turn red like an apple, she felt very embarrassed when she thought of what she had previously experienced with Ye Chen.

"Geez, how come I can think of such things and be so lewd" Fairy Zhen cursed herself for suddenly thinking irrational things.

Ye Chen was just a disciple, how could Fairy Zhen think such irrational things about Ye Chen.

After feeling Ye Chen's massaging skills, Fairy Zhen did have good feelings for Ye Chen, but she didn't dare to do this because of their status, so Fairy Zhen buried her feelings deep.

"Never mind, I'd better just sleep" Fairy Zhen decided to sleep, her mind was quite chaotic at the moment, this made Fairy Zhen unable to continue cultivating.

Too bad Fairy Zhen's wish might not come true, tonight will be a long night for Fairy Zhen, she won't be able to sleep and keep thinking about what she just went through with Ye Chen.

Ye Chen returned to the inner court, he would wait for the results of the work done by Song Ziyu.

### **Chapter 1282 - [Bonus ]scandal Quickly Spread**

the next morning very quickly came, Song Ziyu came to Ye Chen carrying a bag.

"This is the order you want" Song Ziyu told Ye Chen that she had successfully completed all the orders that Ye Chen wanted.

Ye Chen opened his eyes, he looked at Song Ziyu who was currently in front of his eyes.

"Very good work" Ye Chen praised Song Ziyu's work, Song Ziyu's work was very fast.

Now all Ye Chen needs to do is spread all this and let everyone in court know about this issue.

Ye Chen couldn't wait to see the faces of Gong Senye and also Tie Sangling, faces like what they would show when they saw this spread among the outside court students.

"My job is done, can I go?" Song Ziyu asks if she can leave this place.

"Okay, you can go" Ye Chen said that if Song Ziyu could leave this place, Song Ziyu had done her job very well.

Song Ziyu looked very happy when she listened to what Ye Chen said, Song Ziyu immediately left Ye Chen's residence.

After Song Ziyu left, Ye Chen took a robe and mask, he himself will start spreading the problem.

Coincidentally it was still very early in the morning, so still no one came out of their residence.

Ye Chen will take this opportunity very well, he will spread everything very neatly and not be noticed by anyone.

Ye Chen left his room, he began to spread the imaging stones in various important places in the outer court.

Ye Chen moved very, very fast, he was like a shadow that was very difficult to see.

Moments later Ye Chen finally finished his work, now just need to wait for the results.

While waiting for the result, Ye Chen left the outer court, making sure that no one would suspect that this was an act of his own.

.  
.

Moments later the male and female disciples in the inner court came out, they performed their usual royal activities.

As they were about to leave, they all found something very, very interesting along the way, they found there were a lot of imagery rocks along the way that were in the outer court.

This of course piqued the interest of everyone who saw it, people began to take and see the contents that were in this imagery stone.

"Ahhh . . . ., kyahhhh... .. great" an indecent image appeared in front of the person who took the imaging stone.

When they all looked into the imaging rock, they were all shocked.

"what is this ?" everyone seemed shocked when they saw what was in the rock imaging what they saw was really a very, very hard thing to accept.

The reason everyone finds it hard to accept this, is because the person in the picture is Tie Sangling who is an idol for the inner court disciples.

So it is not strange that they are all surprised when they see what is in the imaging stone.

The people who were most surprised were the fans of Tie Sangling, they all really looked confused after seeing this.

The woman they had been worshiping all this time, turned out to be someone like this, she even played with an old man like Gong Senye.

All the fans of Tie Sangling feel that if they have been deceived, Tie Sangling is not at all as good as they expected.

This news will definitely spread very quickly, this news will spread very quickly to all corners of Nine Immortals Peak Sect.

"Damn what happened" Tie Sangling shouted in her room, she was currently holding the imaging stone that was inside of herself and Gong Senye.

Tie Sangling was quite shocked when she saw this, she felt a mixed feeling when she saw the contents in the imaging stone.

"Damn, who is the person who has done this" Tie Sangling began to wonder who is the person who has dared to do this to her and Gong Senye, this person has really spread about the secret that Tie Sangling has.

Because of this incident, Tie Sangling will definitely lose her reputation, from now on no one will want to praise and worship Tie Sangling.

Tie Sangling started to get stressed because of this problem, she looked confused with this problem.

"Knock. . ." Suddenly outside the room there was a loud knock.

"Tie Sangling you are inside, hurry out" Someone was outside, this person immediately told Tie Sangling to come out right now.

"Who?" Tie Sangling immediately asked who was outside her room.

"This is us from the law enforcement department." People outside told Tie Sangling who they were.

"Why are you here?" Tie Sangling looked frightened when he heard that there were people outside from the Sect law enforcement department.

"We're here to take you for questioning" outsiders tell why they're here.

"I don't want to go with you" Tie Sangling said that he didn't want to go with these people.

"You have no choice, hurry up and join us," people from the law enforcement department said, adding that Tie Sangling had no choice but to join them.

"I don't want to" Tie Sangling still refused, he really didn't want to go with these people.

Seeing that Tie Sangling did not want to go with them, these people had no choice but to bring Tie Sangling by force.

"Bang" they immediately broke down the door of Tie Sangling's room, after breaking down the door of Tie Sangling's room, these people immediately went and arrested Tie Sangling.

"No, quickly release me" Tie Sangling told people from the law enforcement department to release him.

"You shut up and just come with us" the people from the law enforcement department told Tie Sangling not to fight and come with them.

The people from the law enforcement department were strong enough, Tie Sangling had absolutely no resistance when she was arrested.

Tie Sangling could only give up when she was taken away by people from the law enforcement department.

Tie Sangling is currently being taken to the law enforcement department, it just so happens that Gong Senye is also in this place, Gong Senye has been taken first by people from the law enforcement department.

"Elder Gong" Tie Sangling was happy when she saw Elder Gong was in this place, Tie Sangling felt safe when she saw Elder Gong was in this place.

"Pah ! !" when Tie Sangling approached Gong Senye, Gong Senye immediately slapped Tie Sangling's face.

"Little bitch, how can you trap me" Gong Senye looked very angry at Tie Sangling, he was angry because Tie Sangling had trapped him,

"stupid old man, who trapped you , you must have trapped me, now you have to be responsible for what what you have done "Tie Sangling did not accept the slap done by Gong Senye, she was not at all happy with the slap done by Gong Senye.

Tie Sangling no longer cares about his relationship with this old man, now Tie Sangling already considers Gong Senye as her enemy.

Last night the two were still partners in the same ship, but now the two were divided and standing on each other's side.

"You two don't make a fuss, you will get questions and punishment for what you have done" the person in charge of this place told Tie Sangling and Gong Senye not to make a fuss, both have now become suspects, so both will get a sentence.

### **Chapter 1283 - Gong Senye Starts Plotting Revenge**

because of the insistence of the person in charge of this place, Gong Senye and Tie Sangling finally agreed to make peace.

even though they want to make peace, they both feel annoyed and don't like each other's, both of them look very annoyed with each other who has trapped themselves.

"Do you two know the mistake you have made?" An old man came over, he said to Gong Senye and Tie Sangling.

The person who came was the leader of the law enforcement department, his name was Luo Cangsen.

"Elder Luo" Gong Senye and Tie Sangling immediately paid their respects to Luo Cangsen.

Luo Cangseng's status was quite special, this man was almost on par with a Peak Lord, so it wasn't strange that Gong Senye and Tie Sangling had great respect for Luo Cangseng.

"Elder Luo, it looks like we were framed by someone." Gong Senye said that they had been framed by someone.

"Leaving that aside, from the start you two made a mistake and broke the rules so you are still wrong." Luo Cangseng immediately dismissed the defense that Gong Senye was trying to make, from the beginning Gong Senye and Tie Sangling had made a mistake.

Gong Senye was silent as he listened to what Luo Cangseng said, he had no words to answer what Luo Cangseng just said.

"Elder Luo, please help me seek justice. I have been framed by this old man." Tie Sangling tried to persuade Luo Cangseng to help them seek justice.

"You little bitch, what are you saying, you are the one who teased me, how dare you say that" Gong Senye looked very angry when he listened to what Tie Sangling said, this woman is really a leech, she doesn't hesitate do something like this to an elder like Gong Senye.

"I speak the truth, if you don't force me, how will I do that?" Tie Sangling tried to find the truth.

"What an ignorant woman" Gong Senye tried to beat Tie Sangling in front of him, this woman had made Gong Senye feel very angry.

Tie Sangling closed her eyes, waiting for Gong Senye's blow.

"Stop right there" Luo Cangseng immediately stopped Gong Senye, he didn't let Gong Senye do anything violent to Tie Sangling.

Gong Senye immediately stopped on the spot, the power from Luo Cangseng instantly stopped Gong Senye's body.

"Sorry for my rudeness" Gong Senye apologized to Luo Cangseng, after apologizing Gong Senye returned to his seat.

After Gong Senye calmed down, Luo Cangseng again asked a few questions for Gong Senye and Tie Sangling, he wanting more clarity from both of them.

After experiencing countless questions, the two finally admitted what had happened, both of them were still hiding some important information from Luo Cangseng.

"Do you know who recorded what you were doing?" Luo Cangseng asked if Tie Sangling and Gong Senye knew who had recorded the two.

Gong Senye and Tie Sangling had absolutely no idea who the person who had filmed them was, neither of them knew at all who the person who had recorded the two was.

"Is it possible for us to be free from this trouble?" Gong Senye asked if it was possible for the two of them to be free from this trouble.

"That's very difficult to do, what you did has spread beyond the Sect, this will affect the reputation of this Sect, so I have no choice but to punish the two of you" Luo Cangseeng said that he couldn't help Gong Senye.

This matter was much bigger than expected, it had spread so far that it affected the reputation of the Sect.

Gong Senye and Tie Sangling fell silent as they listened to what Luo Cangseeng had to say, it seemed that they would not be able to escape this punishment.

"Gong Senye, you will be suspended as an elder for the time being." Luo Cangseeng informed that Gong Senye would be suspended for the time being.

"Okay, I understand." Gong Senye nodded, he accepted this punishment gracefully.

Gong Senye knew that he would not be able to avoid this problem, so he had no choice but to give in.

"Meanwhile, you will be punished" Luo Cangseeng turned his attention to Tie Sangling, Luo Cangseeng told Tie Sangling that she was going to get a punishment.

"How can that be, it's not fair" Tie Sangling immediately protested when she listened to what Luo Cangseeng said, she didn't accept being punished alone.

"You're just a disciple, so keep your attitude." Luo Cangseeng immediately scolded Tie Sangling, Gong Senye told Tie Sangling to find out where she was.

"Still I don't accept this." Tie Sangling said that she couldn't accept this.

"I don't care if you don't accept this, you guys take her to the punishment room." Luo Cangseeng ordered the disciple in charge to bring Tie Sangling over.

"Okay" The closest disciple immediately grabbed Tie Sangling, he immediately took Tie Sangling away to the place of punishment.

" No . . . , I don't want to." Tie Sangling tried to put up a fight not to be taken away.

It was a pity that Tie Sangling's strength was still so weak, so this woman was very quickly taken away from this place.

Now in this room only Gong Senye and Luo Cangseeng remained.

"Gong Senye, you really have done something very dangerous, who exactly have you provoked to make something crazy like this?" Luo Cangseeng immediately asked who the person Gong Senye was provoking.

"He's just a disciple, there's no way he could do something like this" Luo Cangseeng told about the only enemy he had recently made.

"Just a disciple, wouldn't that be easy to deal with?" Luo Cangseeng asked Gong Senye.

"This isn't easy, behind him is a core disciple with a high status, so it won't be easy to beat him," Gong Senye said to Luo Cangseeng.

"I don't care what excuses you have, you better solve your problems quickly, what you did has affected the reputation of the Sect, if the Patriarch is angry, he will really punish you" Luo Cangsheng told Gong Senye to immediately resolve this matter, if no then the Sect Patriarch will step in.

"I see." Gong Senye of course understood what Luo Cangsheng meant.

"okay" after getting a satisfactory answer from Gong Senye, Luo Cangsheng immediately left this place, Luo Cangsheng had to go and take care of something important.

"BAM, bastard ! ! !" Gong Senye hit the table really hard, he was really very angry with what happened to him.

"That person must be the culprit, I will immediately make a calculation with him" Gong Senye had already guessed the culprit who framed him, Gong Senye would definitely solve this problem soon.

Gong Senye left this place, he would plan a strategy against Ye Chen.

.

.

"hachi ! ! , it seems that someone is talking about me" Ye Chen rubbed his nose, he felt that someone was talking about him.

Ye Chen was currently in a tavern in White Cloud city, he was currently enjoying the peaceful time he had while watching the conversations of the people around him.

The news about Gong Senye and Tie Sangling had spread so fast that even the people of White Cloud City had heard of this.

Ye Chen was satisfied with what had happened, now that the two of them would be in quite a bit of trouble, Gong Senye and Tie Sangling must be in big trouble for what they had done.

### **Chapter 1284 - Frozen Blood Eater Meets Ye Chen**

Now let the two of them suffer the consequences for daring to challenge Ye Chen, Gong Senye and Tie Sangling would definitely be extremely embarrassed after this incident.

"May I sit here?" someone suddenly stood in front of Ye Chen.

Ye Chen looked up to find out who the person in front of him was, when Ye Chen looked up, Ye Chen found that in front of him was a Sexy woman who looked very hot.

This woman's appearance is quite hot, this woman is full of charm that can make a man excited.

"Of course, please have a seat." Ye Chen naturally allowed this woman to sit in front of him, there was no way that Ye Chen would refuse a beautiful woman with a hot appearance.

"Thank you very much" a beautiful and hot woman sat in front of Ye Chen, this woman smiled gently at Ye Chen.

"So what's your name?" This beautiful woman asked Ye Chen's name, this woman's voice looked very seductive, this voice seemed like she was asking Ye Chen to go to bed.

"Don't mince words with me, just tell me why you came to see me" Ye Chen asked this woman's needs, he wanted to know the needs of this woman.

"How rude, how can you say that to a beautiful woman like me?" The beautiful woman looked displeased when she saw Ye Chen being so rude to her.

"Auntie, don't be silly with me, I already know who you are" Ye Chen said to the beautiful woman in front of him.

"Your said, aunt ?" The beautiful woman started to give off an extremely terrifying aura, it was seen that beautiful women did not like it when they saw Ye Chen calling herself aunty.

Ye Chen saw the reaction of the beautiful woman, it was seen that the reaction of the beautiful woman was very angry with what she said.

This woman has a very terrible aura, it is very clear that this woman is something very dangerous.

"You're older than me, so it's fine if I call you aunty right?" Ye Chen said to the beautiful woman in front of his eyes.

"Are you really tired of living?" a beautiful woman smiled at Ye Chen, this smile could make anyone who saw it shudder.

"Life is a gift, so there's no way I can get tired of living" Ye Chen said to the beautiful woman in front of him.

The beautiful woman saw Ye Chen's reaction, this man was very calm even when she gave off a very strong killing aura.

If this was a normal person, they would have immediately freaked out when they saw the murderous aura that the beautiful woman in front of Ye Chen had

"so what's your purpose in coming to see me, I know you must be an Assassin" Ye Chen said to the beautiful woman in front of him, Ye Chen could already guess the identity of the beautiful woman in front of him.

"How did you know I was an Assassin?" The beautiful woman looked surprised when she saw Ye Chen who knew her identity.

The beautiful woman felt that her disguise was very good, so Ye Chen shouldn't know who she was.

"You hide projectiles and poison under your clothes, of course it's very easy to see" Ye Chen said to the beautiful woman in front of him.

Ye Chen had already used God Eyes to investigate this woman, when Ye Chen used God Eyes, Ye Chen discovered that this woman was hiding projectiles and some poison in her body.

The beautiful woman gaped as she listened to what Ye Chen said, what Ye Chen said had completely exposed all of her identities.

"So you guessed about the identity I have, I didn't expect it" The beautiful woman didn't expect that Ye Chen had guessed the identity she had.

"Don't underestimate me, I'm not a fool, so who sent you?" Ye Chen asked who had sent this woman to him.

"You are wrong, no one sent me, I came to this place because I wanted to meet you, I am attracted to you" This woman told Ye Chen that she was attracted to Ye Chen.

"Attracted to me?, what attracted you to me?" Ye Chen asked what attracted this woman to him.

"I'm attracted to you, shouldn't a beautiful woman like me be attracted to you?" The beautiful woman asked Ye Chen.

"Of course you can, you have a very nice body, of course I like it." Ye Chen looked at the beautiful woman's body in front of him, this woman's body was indeed very seductive.

"Are you really interested in this body?" The beautiful woman began to slightly show Ye Chen her curves, this woman deliberately showed off and teased Ye Chen.

"I'm a normal man, of course I like it" Ye Chen said to a beautiful woman.

The beautiful woman smiled when she heard what Ye Chen said

"Then you want come with me" The beautiful woman invited Ye Chen to come with her.

"Follow where?" Ye Chen immediately asked where the beautiful woman wanted to take him to.

"Go & open a room" the beautiful woman said to Ye Chen.

Ye Chen raised his eyebrows when he listened to what this woman said, this woman is very brave, she immediately invited Ye Chen to open a room.

Fools will know what happens when a man and a woman open a room, something must happen when two people open a room.

Ye Chen was still cautious, this woman in front of him was an assassin, so he had to be careful when dealing with hot and beautiful women.

Despite being wary of this woman, Ye Chen couldn't possibly refuse an invitation like this, it was rare for Ye Chen to come across something like this.

Plus Ye Chen wanted to know what this woman wanted to do, he wanted to see what this beautiful Assassin would do.

"Alright, let's go." Ye Chen agreed to go and opened a room.

" what?" This time it was the beautiful woman's turn to be surprised, she didn't expect Ye Chen to agree to her invitation, even though from the beginning she just wanted to joke and tease Ye Chen.

"I was just joking, so don't take this too seriously" the beautiful woman said that she was just joking with Ye Chen.

"I don't care if you were just joking before, come with me" Ye Chen pulled a beautiful woman, he invited a beautiful woman to open a room.

"Wait a minute" the beautiful woman tried to stop Ye Chen, unfortunately Ye Chen pulled herself so hard that he couldn't resist.

"So strong" the beautiful woman couldn't believe Ye Chen's strength, Ye Chen's strength was very strong.

A beautiful woman arrived able to fight Ye Chen, she was dragged by Ye Chen towards the inn around this place.

"Wait a minute, why do I even look like someone who is obedient to him, even though my purpose in coming here is to tease him and make him obey me" Frozen Blood Eater did not expect that she would be treated like this by Ye Chen, this was clearly completely different from her plans.

The beautiful and sexy woman that Ye Chen dragged was Frozen Blood Eater, she was the woman Qiao Xin had met and fought with Qiao Xin.

Ye Chen dragged the Frozen Blood Eater into the room, after arriving in the room, Ye Chen immediately threw the Frozen Blood Eater into the bed.

The Frozen Blood Eater sensed something was wrong, for some reason its power had suddenly disappeared for no reason.

#### **Chapter 1285 - [Bonus ]Hu Yinan**

"What happened to me?" The Frozen Blood Eater began to wonder what had happened to her, her power suddenly disappearing for no apparent reason.

"What's wrong? do you feel uncomfortable?" Ye Chen immediately asked whether Frozen Blood Eater was comfortable or not.

"What have you done to me?" Frozen Blood Eater asked what Ye Chen had done to her.

"What have I done? I didn't do anything to you at all" Ye Chen said that he didn't do anything to the Frozen Blood Eater.

"You're lying, you must have done something to me?" Frozen Blood Eater didn't believe what Ye Chen said, Ye Chen must have done something to her.

Ye Chen only smiled as he listened to what Frozen Blood Eater had to say, this woman looked cute when she was helpless.

"Never mind, forget about it, I want to know more about you, why don't you tell me who you are" Ye Chen gave a question to Frozen Blood Eater.

"I won't tell you" Frozen Blood Eater refused to tell Ye Chen who she was.

"Then I have no choice but to do this" Seeing that Frozen Blood Eater didn't want to speak the truth, Ye Chen had to make this woman speak for herself.

Ye Chen started to extend his hand towards the Frozen Blood Eater, he started to extend his hand towards the Frozen Blood Eater's body.

"what are you trying to do to me, stop right now" Frozen Blood Eater tried to stop Ye Chen, but she didn't have the strength to stop Ye Chen at all.

Ye Chen touched the Frozen Blood Eater's body, himself using his skills to stimulate the Frozen Blood Eater's body.

"Her body is very beautiful, it is very tempting," Ye Chen thought about the Frozen Blood Eater's body, the Frozen Blood Eater's body is very tempting and very beautiful, this is a ripe fruit that looks very delicious.

"Emm" Frozen Blood Eater started to groan when she was touched by Ye Chen, she felt an extremely comfortable feeling.

"What is this brat doing, why does it taste so good?" The Frozen Blood Eater began to wonder why he could feel such an extremely comfortable feeling from Ye Chen's touch.

The Frozen Blood Eater had never felt this comfortable feeling, it was so comfortable it made her head spin.

"Beautiful lady, would you like to tell me your name?" Ye Chen asked the Frozen Blood Eater again, wanting to know the name of the Frozen Blood Eater.

"No, I won't tell you who I am" Frozen Blood Eater refused to tell Ye Chen about herself.

The Frozen Blood Eater still insisted on not telling Ye Chen about herself.

Frozen Blood Eater's consciousness remained, so it wasn't strange that Frozen Blood Eater refused to tell Ye Chen.

Frozen Blood Eater was an Assassin, so it wasn't strange that Frozen Blood Eater could withstand Ye Chen's abilities.

"I think I need to be more serious" Seeing the Frozen Blood Eater who was still able to fight back, Ye Chen decided to be more serious.

Ye Chen used the Passion Goddess technique, he would weaken the Frozen Blood Eater with the Passion Goddess technique.

When Ye Chen started to use the Passion Goddess technique, the Frozen Blood Eater started to show strange symptoms, it could be seen that the Frozen Blood Eater started to become very excited and excited.

"Ah. . ., stop, this is too strong." Frozen Blood Eater had no resistance, this woman had no resistance to Ye Chen.

The Frozen Blood Eater's consciousness became weaker and weaker, he began to be overcome by an overwhelming pleasure.

At this moment in the Frozen Blood Eater's head, there was only pleasure, she was starting to be subdued by the skills possessed by Ye Chen.

"more, please do more" Frozen Blood Eater finally asked Ye Chen to be stronger, she wanted Ye Chen to make him feel comfortable.

"No, I'll just stop here." Seeing that the Frozen Blood Eater had started to show signs of being excited, Ye Chen immediately stopped and moved away from the Frozen Blood Eater's body.

Frozen Blood Eater felt an empty feeling when Ye Chen left, this empty feeling was extremely uncomfortable for her.

The Frozen Blood Eater started to get closer to Ye Chen, she started trying to tempt Ye Chen into continuing what she was doing before.

"Why did you stop, please continue what you were doing before," Frozen Blood Eater told Ye Chen to continue what she was doing before.

"No, I don't want to." Ye Chen turned his face away, telling himself that he didn't want to do that.

Right now Ye Chen was trying to be indifferent to the Frozen Blood Eater, that way the Frozen Blood Eater would continue to plead with him.

"Please help me, if you do that, I will do whatever you want" The Frozen Blood Eater really couldn't take it anymore, that's why he promised to do anything as long as Ye Chen wanted to help her.

"Are you sure about what you said?" Ye Chen asked, he wanted confirmation and oath from Frozen Blood Eater.

"I swear to do whatever you want, so help me," Frozen Blood Eater said that she promised to do whatever Ye Chen wanted.

Ye Chen smiled as he listened to this, finally, Frozen Blood Eater had completely surrendered to him.

"Then I want to know who you are, and your purpose." Ye Chen said that he wanted to know about Frozen Blood Eater and his purpose in coming to Ye Chen.

"My name is Hu Yinan, I'm also known as Frozen Blood Eater, I told you before, I came because I'm interested in you," Hu Yinan told about herself and her purpose in coming to see Ye Chen.

"What attracted you to me?" Ye Chen wanted to know what attracted Hu Yinan to him.

"I'm attracted to you because you are very much cared for by Wind Shadow, or rather I'm jealous of you," Hu Yinan said to Ye Chen.

Hu Yinan was very jealous when she saw that Wind Shadow cared about Ye Chen so much, she didn't like it.

"Who is Wind Shadow?" Ye Chen didn't know the person Hu Yinan had just spoken of, he didn't know who the Wind Shadow Hu Yinan had just talked about.

"So she still hasn't told you, it seems she doesn't want to tell you about it." Hu Yinan giggled when she found out that Qiao Xin hadn't told Ye Chen her identity yet.

"Don't act mysterious with me, quickly tell me who you mean" Ye Chen was curious as to who Hu Yinan meant.

"If you want to know this, then you should be able to beat me," Hu Yinan said to Ye Chen.

"Don't blame me, I will make you talk" Seeing Hu Yinan who was still trying to hide a secret from Ye Chen, Ye Chen was forced to dig deeper into Hu Yinan's information.

Ye Chen toppled Hu Yinan, he immediately disarmed Hu Yinan, Ye Chen threw away the projectiles and poison that had stored Hu Yinan, he wasn't that stupid as to let things like this continue in Hu Yinan's body.

Hu Yinan didn't put up any resistance at all when Ye Chen disarmed all the weapons in her body, she let Ye Chen do that.

Hu Yinan already starting to like the feeling that is given by Ye Chen, so it's no surprise that Hu Yinan lets Ye Chen do whatever he wants.

### **Chapter 1286 - Get A New Slave**

After removing everything on Hu Yinan's body, Ye Chen immediately took off all the clothes Hu Yinan was wearing, Ye Chen did make things easier.

Hu Yinan's body was so sexy, it made Ye Chen feel excited just looking at it.

Ye Chen stretched out his hand towards Hu Yinan's double peak which looked very tempting, he started to touch and play with Hu Yinan's two double peaks.

"Ah. . ., over there!" Hu Yinan immediately shouted when she felt Ye Chen's touch, Hu Yinan looked very happy when Ye Chen touched her.

Ye Chen started to play these two double peaks like dough, Ye Chen used his fingers to make Hu Yinan feel the pleasure of being a woman.

"This is very good" Ye Chen liked the sensation of the thing he was holding, what Ye Chen was holding was very good.

Hu Yinan was an extraordinary assassin, she had a very good capital, Hu Yinan must have used this to attract the prey he wanted to kill.

"Do you like mine?" Hu Yinan asked Ye Chen, Hu Yinan wanted to know what Ye Chen thought of her.

The current Hu Yinan was so honest, she asked Ye Chen what he thought of her.

"Of course this is very good, are you using this thing to catch your prey," Ye Chen said to Hu Yinan who was in front of him, Ye Chen did not forget to tighten his grip a little.

"Erm. . ., no really, I don't let people touch this so easily." Hu Yinan told that he didn't let anyone touch this so easily, he didn't allow his target to do such a thing.

Hu Yinan was an assassin, she must not let her target lead her, otherwise, Hu Yinan could become an easy target for her enemy.

"Then why did you make me touch it?" Ye Chen asked why Hu Yinan allowed himself to touch this.

"It's because you are different, you can make me feel very comfortable." Hu Yinan told the reason why she allowed Ye Chen to touch her.

"So that's the reason, then I won't hesitate anymore" Hearing the reason given by Hu Yinan, Ye Chen will not hesitate to enjoy Hu Yinan's beauty.

Ye Chen started to be more daring, he sucked Hu Yinan's flower bud which looked very delicious, Ye Chen enjoyed this very leisurely.

"Ummm. . . ." Hu Yinan groaned in a voice that grew louder and looked sexy, this made this room very lively.

What Ye Chen did was too good for Hu Yinan, Hu Yinan was instantly made to the top by Ye Chen's skill.

When she reached the peak, Hu Yinan's body trembled, it seemed that Hu Yinan was getting immense pleasure from what was happening.

"That's enough, I can't take it anymore" Hu Yinan was already quite tired after reaching the peak, this fun was too much.

This was the first time Hu Yinan had felt such intense pleasure that her body was so weak and limp.

"What are you saying, this is just the beginning, let's enjoy our time" Ye Chen didn't let Hu Yinan off the hook, he would make this woman obey him.

Ye Chen could see Hu Yinan's potential, so it was fine to train this beauty to be obedient to him.

"Ah, don't spare me please." Hu Yinan tried to ask for mercy from Ye Chen, she looked very desperate when she saw Ye Chen who kept on teasing her who was already quite exhausted.

Ye Chen didn't care about Hu Yinan's pleas, he continued to play Hu Yinan's Sexy body.

Ye Chen played with all parts of Hu Yinan's body, enjoying Hu Yinan's beautiful body.

Ye Chen started to extend his hand towards Hu Yinan's secret garden, he started to explore Hu Yinan's secret plant.

Hu Yinan's secret garden looks very beautiful, this woman takes very good care of her property.

"Uhhhh. . ." Hu Yinan Immediately reached the peak again when Ye Chen started touching her private parts, Hu Yinan really couldn't stand what Ye Chen was doing.

"No . . ., no . . ." Hu Yinan tried to endure the immense pleasure, she tried to suppress a feeling of incomparable comfort.

"ahhhh, I can't hold on" Hu Yinan was completely defeated by Ye Chen, she had already reached the peak several times in just a few minutes.

After reaching the peak several times, Hu Yinan fainted, this woman was already unable to withstand Ye Chen's extremely aggressive attack.

"Finally, this woman has been completely conquered." Ye Chen felt very proud when he saw that Hu Yinan had completely defeated him.

Now Hu Yinan would not be able to endure and get any pleasure apart from Ye Chen.

"Master, you should use the Servant Love Contract just in case, don't let this woman defect." Chu Yuechan told Ye Chen to use the Servant Love Contract on Hu Yinan so that this woman would not defect to him.

"That's a pretty good idea, I can make her obey me." Ye Chen agreed with Chu Yuechan's suggestion.

Hu Yinan would be of great help to Ye Chen, Ye Chen could ask her to do some work for himself.

Ye Chen stretched his hand towards Hu Yinan's stomach, he started to touch and give Hu Yinan's Servant Love Contract.

Hu Yinan didn't put up any resistance at all when this happened, this woman had completely lost to Ye Chen.

"Erm" Hu Yinan started to moan when Ye Chen gave herself a Servant Love Contract, Hu Yinan felt a strange feeling when Ye Chen gave herself a Servant Love Contract.

A moment later the Servant Love Contract was formed, right now Hu Yinan would not be able to do anything to Ye Chen, otherwise, she would feel hot and excited.

"Fufufufu, Master, looks like you got a new Servant as a bed warmer" Chu Yuechan giggled when she saw Ye Chen who managed to get a new maid.

"You've always been the same" Ye Chen was helpless when he heard what Chu Yuechan had just said, this woman liked it when she saw Ye Chen who got a new maid who was beautiful and quite sexy.

"It's okay I like to see you get a beautiful woman," Chu Yuechan said to Ye Chen.

Chu Yuechan liked it when she saw Ye Chen get a beautiful woman, that way the fairy gate would become more and more powerful.

"Where is Ning'er now?" Chu Yuechan asked where Chu Ning'er was now, he wanted to know where the little girl had gone.

"She is doing some work inside the fairy gate," Chu Yuechan told Ye Chen that Chu Ning'er was working on something inside the fairy gate.

"Is she causing trouble for you?" Ye Chen asked if Chu Ning'er was causing trouble for Chu Yuechan

"No, she didn't cause trouble for me, on the contrary, she was quite helpful to me." Chu Yuechan told her that Chu Ning'er helped her take care of the exit gate.

"That's good news." Ye Chen was happy that Chu Ning'er could help Chu Yuechan, it seemed that the choice to let Chu Ning'er stay was the very right thing.

"Ummm" Hu Yinan flew over, herself slightly dazed when she just woke up from fainting.

"What happened to me?" Hu Yinan asked what happened, Hu Yinan is currently feeling very confused.

## Chapter 1287 - Hu Yinan Became Very Obedient

"You're awake, are you okay?" Ye Chen asked about Hu Yinan's condition, Ye Chen wanted to know Hu Yinan's condition.

"you?" Hu Yinan finally started to remember what had happened, before she did that and was defeated by Ye Chen.

Hu Yinan felt that he was Crazy, even though at first Hu Yinan wanted to conquer Ye Chen, she didn't expect that she was the one Ye Chen conquered.

Hu Yinan began to be confused, at this time in her mind there was only Ye Chen, what Ye Chen had done was completely embedded in her soul.

"You are evil," Hu Yinan said that Ye Chen was very evil, Ye Chen had made herself fall in love with this man.

"What a bad thing, weren't you the one who asked me to do that?" Ye Chen said to Hu Yinan.

Hu Yinan's face turned red when she heard this before she had asked Ye Chen so passionately.

Hu Yinan didn't expect that such a shameful thing would come one day, he asked his target something irrational.

This had never happened to Hu Yinan, Hu Yinan had never done anything like this to anyone.

Ye Chen stretched his hand towards Huface Yinan's, he saw Hu Yinan's beautiful face.

"From now on you are mine, you must obey all my orders," Ye Chen said to Hu Yinan that she had to obey himself.

"Why should I do that, I don't want to do that" Hu Yinan immediately rejected what Ye Chen said, she didn't want to obey anyone.

"Are you sure you don't want to do that?" Ye Chen asked Hu Yinan.

"No, I will not obey you," Hu Yinan said that she would not obey what Ye Chen said.

When Hu Yinan said that he would not obey Ye Chen, suddenly the Servant Love Contract started to activate and Hu Yinan's body felt hot and strange.

"uh, what happened" Hu Yinan again felt an uncomfortable feeling in her body, this feeling made Hu Yinan feel helpless.

"Too bad" Ye Chen smiled when she saw Ye Chen's rejection.

"What have you done to me?" Hu Yinan immediately asked what Ye Chen had done to her.

"You know I have given you a Servant Love Contract, if you mess with me, then you will feel uncomfortable feelings in your body that can drive you crazy" Ye Chen finally told the truth to Hu Yinan, Ye Chen told that he had already given Hu Yinan a slave contract.

Luckily Ye Chen listened to Chu Yuechan's advice, so he was able to control Hu Yinan very easily.

"You are a monster" Hu Yinan looked dissatisfied as she listened to what Ye Chen had just said.

"I told you if you become mine, you won't be able to leave me" Ye Chen touched Hu Yinan again, he told Hu Yinan that she wouldn't be able to escape.

Hu Yinan's heart suddenly skipped a beat when she listened to what Ye Chen said, her current self couldn't go against Ye Chen's words.

Hu Yinan's heart and body have been obtained by Ye Chen, plus Ye Chen used a Servant Love Contract on Hu Yinan, now Hu Yinan really can't leave Ye Chen.

"So from the start I was played on the palm of your hand" Hu Yinan did not expect that he had already played on Ye Chen's palm.

"Don't talk like that, I did it because I'm interested in you?" Ye Chen said that he did this because he was attracted to Hu Yinan.

Hu Yinan's face turned red when she listened to Ye Chen's seduction, she became weak with this kind of thing.

Even though Hu Yinan was not easily softened by the sweet words of a man, but now Ye Chen's words could easily make Hu Yinan both embarrassed and happy.

"You said you were an Assassin right?" Ye Chen asked again about Hu Yinan's identity.

"Yes, I am indeed an Assassin," Hu Yinan said that he was indeed a very dangerous Assassin.

No prey could escape after meeting Hu Yinan, these women could prey on a man without spitting out their bones.

"Then I want you to find out something for me," Ye Chen told that he wanted Hu Yinan to find something for him.

"What do you need, as long as I can find it, I will look for it for us," Hu Yinan asked what Ye Chen was looking for, she wanted to know what Ye Chen needed.

"I want you to find someone for me, recently it was someone who harmed me," Ye Chen said that recently someone was harming him, so Ye Chen wanted Hu Yinan to help him find this person.

"Okay, then let me look for it for you, but first, I want a reward for doing that." Hu Yinan said that she would do as Ye Chen said, but before that, Hu Yinan wanted a gift from Ye Chen.

Hu Yinan again joked with Ye Chen, this time she wanted to tease Ye Chen a little.

"Then let me give you a present." Ye Chen pushed Hu Yinan back into the design.

"Wait, young master, I was just joking." Hu Yinan tried to stop Ye Chen, she couldn't stand what Ye Chen was doing at least.

Hu Yinan was very sorry when she teased Ye Chen, Hu Yinan got into trouble every time she wanted to tease Ye Chen.

"Oh. . . , no. . . ." Hu Yinan's screams and moans echoed in the room again, It was seen that Ye Chen was again teaching Hu Yinan a lesson.

Hu Yinan's moans lingered for a while, Hu Yinan was rendered helpless by Ye Chen's skills, very easily Hu Yinan was made to reach the top many times by Ye Chen.

More than half an hour had passed since Ye Chen had started teasing Hu Yinan, right now Hu Yinan was lying limp.

"How, do you want to accept my request?" Ye Chen asked Hu Yinan again, he was curious about Hu Yinan's answer.

"Alright, I'll do as the young master says." Hu Yinan was now very obedient, she didn't have the slightest bit of resistance against Ye Chen.

"Very good, then I leave this matter to you" Ye Chen was very satisfied with the answer given by Hu Yinan, the answer given by Hu Yinan was very good.

"Then I'll go first," Ye Chen said that he would go first, he would leave all these matters to Hu Yinan.

"Okay" Hu Yinan nodded, she would do her best.

Hu Yinan was extremely exhausted, so it wasn't strange that she couldn't get out of bed, Ye Chen's hand skills had made her body and mental mind experience the best feeling in the world.

Ye Chen left Hu Yinan, Ye Chen was very sure that Hu Yinan could take very good care of herself.

Ye Chen left the inn to return to the inner court, he intended to see what the situation in the Sect was like, what kind of chaos had occurred in the Sect because of Ye Chen's actions.

When Ye Chen wanted to return to the Sect, Ye Chen discovered that someone was following him.

"Who are these people" Ye Chen started to ask who was following him, Ye Chen felt the threat from these people.

### **Chapter 1288 - Against Kung Pei And Kung Pan**

"I should go and find out these people" Ye Chen intended to go and find out the identity of these people, he was quite curious about the identity of these people.

Ye Chen decided to lure the people following him to a deserted place, Ye Chen intended to find the two of them in deserted place.

The city center was too conspicuous, so it would be very difficult if Ye Chen wanted to deal with them, plus these people would not show themselves in front of Ye Chen.

Ye Chen went to a seemingly deserted area, he wanted to expose the two by going to a place that was desolate from human eyes.

After Ye Chen arrived at a deserted place, finally the person who followed Ye Chen was willing to come out.

Ye Chen saw that there were two people wearing robes, these two people were trying to hide from Ye Chen.

"Who are you guys?" Ye Chen immediately asked about the identity of the two people in front of him.

"You don't need to know who we are, we came here to take the Solar Stone in your hands." The two people said that they came to take the Solar Stone in Ye Chen's hand.

"What do you need the Solar Stone I have for?" Ye Chen asked what these two people needed the Solar Stone that he had.

"That's right, the Solar Stone is indeed in your hands, then we have been looking for the right person," said one of the two people to Ye Chen.

Ye Chen started to raise his eyebrows, it seemed that these two people were from the Code Breaker organization.

"So you two are from the Code Breaker organization, that's interesting." Ye Chen immediately exposed the identities that the two of them had.

These two people were Kung Pei and Kung Pan, the two of them went to kill and took the Solar Stone that was in Ye Chen's hands.

"So you already know who we are, that's good, then you can't live anymore" Kung Pei and Kung Pan didn't care about what happened, both of them intended to kill Ye Chen and immediately took the Solar Stone that was in Ye Chen's hand.

"Do you have the ability to do that?" Ye Chen asked Kung Pei and Kung Pan who were in front of him.

"Never underestimate the people of the Code Breaker organization, we are all trained people," Kung Pei said to Ye Chen.

It was obvious that Kung Pei didn't accept it at all when he was ridiculed by Ye Chen.

"Then go ahead, I want to see what kind of strength the people sent by the Code Breaker organization to capture me," Ye Chen told Kung Pei and Kung Pan to come forward, he wanted to see what kind of strength these two people were.

"Let's kill him, this person made me angry" Kung Pei was angry with Ye Chen, it seemed that Kung Pei wanted to kill Ye Chen.

"Let's finish this and come back soon we will get a promotion after killing and taking the Solar Stone that he has" Kung Pan was very agreeable when Kung Pei asked himself to kill Ye Chen.

After Kung Pei and Kung Pan managed to kill Ye Chen, then both of them would get a huge promotion boost, that way the two of them could get more benefits for their survival.

Kung Pei and Kung Pan advanced towards Ye Chen, both of them immediately rushed towards Ye Chen.

The moves made by Kung Pei and Kung Pan look very harmonious, it can be seen that the two of them practiced together to reach this stage.

Kung Pei and Kung Pan stretched out their arms in front of them, from the palms of both of them came a deep wind that was like a sword.

Kung Pei and Kung Pan intended to attack Ye Chen using this double attack.

"chopping wind slash" Kung Pei and Kung Pan slashed towards Ye Chen, they slashed crosswise.

"slash" chopping wind slash hitting Ye Chen's body, Kung Pei and Kung Pan can confirm that.

"Done, taste it." "Kung Pei and Kung Pan were very proud, they both had managed to kill Ye Chen in just a few moves.

"Hoam, is that all you can do?" Ye Chen yawned when he saw the attacks made by Kung Pei and Kung Pan, the attacks made by the two were very weak.

"what! ! ! how is that possible, even though we have already slashed it!" Kung Pei and Kung Pan couldn't believe it when they saw Ye Chen who was still alive after receiving their slash.

"Alright, now it's my turn, prepare yourselves" After seeing the pitiful strength of Kung Pei and Kung Pan, Ye Chen decided to end this battle as soon as he could.

Ye Chen disappeared from his original place, he immediately appeared in front of Kung Pei and Kung Pan.

Kung Pei and Kung Pan looked surprised when they saw Ye Chen was already in front of them, Ye Chen's speed was really very fast.

"Die" Ye Chen launched two punches towards Kung Pan and Kung Pei's chest, a punch that was strong enough to directly hit the bodies of Kung Pei and Kung Pan.

Kung Pei and Kung Pan didn't have the time to fight back at all, both of them were easily blown away by Ye Chen's punch.

Kung Pei and Kung Pan flew quite a distance, both hitting the ground very hard.

Ye Chen's attack instantly killed the two, both of them died on the spot by Ye Chen's attack.

"Master, why did you immediately kill them, don't you need information from them?" Chu Yuechan asked Ye Chen.

"No need, they're just small people, so they shouldn't know anything." After seeing Kung Pei and Kung Pan's strength, Ye Chen could tell that these two were just minor characters who weren't worthy of being guarded at all.

Ye Chen would only be wasting time dealing with the two of them, so it was better to just kill the two and settle this matter.

Ye Chen began to search the bodies of Kung Pei and Kung Pan, himself looking for some useful information for himself.

While Ye Chen was looking for some information, Ye Chen found something interesting, he found an underground map that looked very complicated.

"Looks like this is the map of their base." Ye Chen managed to find the map array of the headquarters of the organization Code Breaker, this was a good find.

"I will keep it for a while, it will be very useful in the future" Ye Chen will keep this map, in the future it will be very useful if Ye Chen goes to the headquarters of the Code Breaker organization.

After getting what he wanted, Ye Chen immediately removed any traces of Kung Pei and Kung Pan.

After Ye Chen did that, Ye Chen immediately went back to the inner court.

Ye Chen will be a little careful, it seems that the Code Breaker organization has started to look at him when Ye Chen reaches the inner court, Ye Chen found that this place looks a lot more lively.

People started gossiping about the hot news that happened in the morning, everyone in the Sect already knew what Tie Sangling was like, everyone didn't expect that the Tie Sangling they respected would become such a woman.

After the incident of Tie Sangling, People started to stop to pay attention to Ye Chen, they all didn't have time to pay attention to a small character like Ye Chen.

Even though Ye Chen had shown what Tie Sangling was like to the public, Ye Chen's reputation was still bad, he was still branded as a pervert by several female disciples and female disciples in the inner court.

#### **Chapter 1289 - Go Accompany Fairy Zhen**

Ye Chen didn't mind this, sooner or later everything would be fine, he too soon became a core disciple, these people would not dare insult Ye Chen when they found out Ye Chen was a core disciple.

Ye Chen returned to his room, he intended to cultivate and wait for tomorrow to come, Ye Chen couldn't wait to go with Fairy Zhen.

Time flies very quickly, tomorrow morning comes very quickly.

"Knock" while Ye Chen was immersed in cultivation, someone outside knocked on his door.

Ye Chen immediately opened his eyes, he immediately went to see who was outside.

When Ye Chen opened the door, Ye Chen found Fairy Zhen's figure currently outside his room, Fairy Zhen currently looked much more beautiful than usual.

It was obvious that today Fairy Zhen was very well dressed.

"Wow, beautiful sister today looks really pretty" Ye Chen complimented Fairy Zhen.

"Today I look beautiful, huh, that means usually I'm not pretty," said Fairy Zhen dissatisfied.

Fairy Zhen misunderstood the words Ye Chen had just said.

"No it's not like that, usually big sister is pretty, but this time big sister looks much more beautiful," Ye Chen said to Fairy Zhen.

Ye Chen immediately tried to persuade Fairy Zhen, he didn't let Fairy Zhen be angry with him.

Fairy Zhen's heart started to melt when she listened to what Ye Chen said.

Ye Chen's words were indeed poison for a woman, even someone like Fairy Zhen could be easily melted by Ye Chen's words.

"Beautiful sister, did you intentionally dress up like this for this little brother today?" Ye Chen asked Fairy Zhen, she wanted to know if Fairy Zhen did this for Ye Chen.

"You're too neurotic, I didn't do this to you" Fairy Zhen immediately denied that she did this to Ye Chen, she didn't do this to Ye Chen.

"Then why do you dress up so beautifully and neatly, where do you want to go?" Ye Chen asked Fairy Zhen.

"Come with me, you will know where we are going," Fairy Zhen said that Ye Chen would know where they were going.

Fairy Zhen dragged Ye Chen out of his room, she dragged Ye Chen away from the Sect,

Ye Chen really couldn't understand where Fairy Zhen would take her.

"Where are we going?" Ye Chen asked again where they were going.

"We are going to a special meeting which is quite far from this place," Fairy Zhen told Ye Chen that they were going to special meeting.

"What kind of meeting is that?" Ye Chen wanted to know the details about the meeting they were going to attend.

"This is a meeting organized by the Alchemist Association in Sky Cloud Peak Star Realm." Fairy Zhen told Ye Chen that They were going to the Alchemist Association meeting.

"Wait a minute, why did you take me to such a place?" Ye Chen asked why Fairy Zhen had brought herself to such a place.

"That's because I want you to pretend to be my disciple for a while," Fairy Zhen told her purpose in bringing Ye Chen away with her.

"Oh now I understand what happened, so you want me to pretend to be your disciple for a while" Ye Chen now started to understand why Fairy Zhen forced herself to come along with him.

This woman planned this a long time ago, she intended to seek help from Ye Chen.

"What's with that reaction of yours, don't you want to help me solve this problem?" Fairy Zhen looked very dissatisfied when she listened to what Ye Chen said.

"Of course I want to do that for you, but I want a reward for doing that," Ye Chen said that he was willing to do that but on one condition.

"What gift do you want from me?" Fairy Zhen immediately asked what gift Ye Chen wanted.

"I want a kiss from you," Ye Chen told Ye Chen that he wanted a kiss from Fairy Zhen.

"Huh? Are you kidding me?" Fairy Zhen looked dumbfounded when she listened to what Ye Chen said.

"No, I'm not joking with you," Ye Chen told that he wasn't joking with Fairy Zhen.

"I won't do that" Fairy Zhen said that she wouldn't do that.

"Then I won't do what you want either, I should just go back to my room," Ye Chen said that he wanted to go back and didn't want to continue this journey.

"Wait a minute" seeing Ye Chen who wanted to go back, Fairy Zhen immediately stopped him.

"what's wrong? have you changed your mind?" Ye Chen asked Fairy Zhen.

"Yes, I changed my mind, I will do what you want," Fairy Zhen said that she changed her mind.

"Do you promise to do that?" Ye Chen asked Fairy Zhen.

Ye Chen didn't easily believe what Fairy Zhen said, that's why he wanted to make sure that Fairy Zhen wouldn't lie to him.

"I promise, I will not lie to you," Fairy Zhen told Ye Chen that she would not lie to Ye Chen.

"This is just a kiss, so there won't be anything bad about this matter," Fairy Zhen said in her heart, herself that there would be no problem with something like this.

This was just a kiss, so there would be no problem if Fairy Zhen did this for Ye Chen.

"Well, if you agree, then I will be happy to do what you want" Seeing Fairy Zhen agree with what she wanted, Ye Chen felt very happy.

"Then let's go right now." Ye Chen invited Fairy Zhen to leave right now.

Ye Chen was excited, it was obvious that Ye Chen was currently in a cheerful state.

Fairy Zhen couldn't help but smile when she saw this, Ye Chen was very mischievous.

"Oh my gosh, how come I meet this little devil" Fairy Zhen shook her head, how could she meet a little devil like Ye Chen, she always lost at Ye Chen's hands.

for only Ye Chen was a genius in the Alchemist realm, so Fairy Zhen could still put up with this matter.

Fairy Zhen guided Ye Chen to the place where the Alchemist meeting was being held, coincidentally this meeting was a bit far from the Sect, so it took a while before they arrived at the scene.

After flying for several hours, Ye Chen and Fairy Zhen finally arrived at the Alchemist

meeting place. The meeting place was very crowded, there were a lot of people gathered in this place.

Ye Chen saw that there were a lot of medicinal herbs here, bottles of pills, Cauldrons, and several manual copies of pill recipes for sale

.

"It's very crowded here" Ye Chen didn't expect this place to be so crowded.

"Of course, people from all over the Sky Cloud Peak Star Realm come, so it's not surprising that this place will be very lively and bustling." Fairy Zhen told Ye Chen that everyone from all over the Sky Cloud Peak Star Realm came.

In addition, there were several that most likely came from outside the Sky Cloud Peak Star Realm.

"It's too crowded, there's no way it's just a meeting" Ye Chen started to feel something wrong, it couldn't be if it was just an ordinary meeting.

### **Chapter 1290 - I'm Not That Stupid**

"This isn't an ordinary gathering, you could say it's an Alchemist festival." Fairy Zhen told Ye Chen that this wasn't a gathering, it was a festival held every few hundred years.

"So, everything you said earlier was a lie?" Ye Chen asked Fairy Zhen.

"No, I'm telling the truth, I want you to pretend to be my disciple in front of the seniors in this place." Fairy Zhen wasn't lying, she wanted Ye Chen to be her disciple for a while.

Ye Chen understood, it seemed that he had to pretend to be a disciple of Fairy Zhen.

"Let's go around for a bit" Fairy Zhen invited Ye Chen to go around for a bit.

"Come on, I wonder what's in this place." Ye Chen was curious about what was in this place, and Ye Chen could find some pretty valuable medicinal herbs or pills.

"Okay, let's go" Fairy Zhen agreed, she didn't mind wandering around this place.

"Yuechan, if there is something good, please tell me," Ye Chen told Chu Yuechan to tell him if there was something good.

"Don't worry, I'll tell you if there's something good." Chu Yue Chan immediately agreed with Ye Chen's request, he would immediately tell Ye Chen if he found something good.

Ye Chen and Fairy Zhen started to walk around this place, both of them looked around this place to find something great.

"Ye Chen, look at the snow-white spirit grass." Fairy Zhen pointed to one of the stalls selling a snow-white spirit grass.

"Where?" Ye Chen was curious, he asked where the stall selling snow-white spirit grass was.

"Over there" Fairy Zhen made it clear where she saw the snow-white spirit grass.

"So there" Ye Chen finally saw the place where the snow-white spirit grass was.

"Then let's see, maybe we can buy it" Ye Chen took Fairy Zhen to go and take a look at the snow-white spirit grass, Who knows the two of them can buy this grass.

Ye Chen and Fairy Zhen approached, both of them drew closer towards where the vendor's stall was.

"sir, how much is the snow-white spirit grass?" Fairy Zhen immediately asked how much the snow-white spirit grass was.

"The price is 300 Divine Red Profound Crystals," the seller told the price of the snow-white spirit grass.

The price of the item for cultivation is indeed very expensive, this item is

"very expensive, isn't the market price for 150 Divine Red Profound Crystals?" Fairy Zhen complained while listening to the price set by the seller.

This price was completely unreasonable, it was too high for a snow-white spirit grass.

"If you don't want to buy it, then you can leave this place, I don't need a buyer like you," the seller said that he didn't need a buyer like Fairy Zhen.

Fairy Zhen was a little dissatisfied as she listened to what the seller had to say.

"Ye Chen let's go," Fairy Zhen asked Ye Chen to leave this place, it seems this seller is not good.

The seller sneered when he saw Fairy Zhen intending to leave this place, he didn't need someone who didn't have money.

"why to rush, let's bid first," Ye Chen told Fairy Zhen not to be too hasty.

"But he sells at a high price," Fairy Zhen said to Ye Chen.

Fairy Zhen didn't want Ye Chen to deal with a rogue seller who raised the price to almost 2 times the highest price at the auction.

"let's try to bind it," Ye Chen said to Fairy Zhen to bid it first.

Fairy Zhen was confused by what Ye Chen was doing, why would Ye Chen want to do business with this kind of person.

"sir, can you give me a small discount on the snow-white spirit grass?" Ye Chen asked if he could get a discount on the purchase of the snow-white spirit grass.

"Sorry, but I will not give you such a thing," The seller said that he would not do such a thing.

"Ye Chen, this person doesn't want to sell him at a sane price, we should just leave" Fairy Zhen tried to persuade Ye Chen to leave this place, this seller was troubled.

Ye Chen only smiled as he listened to what Fairy Zhen had to say.

"Then I'll buy it, but I want some of these items in addition" Ye Chen took some medicinal herbs that were cheap.

The seller saw what Ye Chen took, all the plants that Ye Chen took were plants whose prices were very low.

"Okay, I agree" the seller agreed, he was going to sell the snow-white spirit grass to Ye Chen.

The seller looks very happy with Ye Chen's stupidity, the seller feels very lucky because today he got someone as stupid as Ye Chen.

Ye Chen immediately paid the price, took out 300 Divine Red Profound Crystals, and handed them over to the seller.

The seller happily accepted the Divine Red Profound Crystal that Ye Chen had brought out, it was obvious that the seller's face was very happy when Ye Chen brought this out.

"Ye Chen, don't do that" Fairy Zhen tried to stop Ye Chen, she tried to stop Ye Chen who wanted to make a transaction.

Ye Chen stopped when he heard what Fairy Zhen said.

"why?" Ye Chen asked Fairy Zhen.

"You don't need to buy such an expensive thing," Fairy Zhen told Ye Chen not to buy snow-white spirit grass.

"It's okay, I intend to buy this for you," Ye Chen said that he gave this to Fairy Zhen.

Fairy Zhen looked surprised when she listened to what Ye Chen said, Fairy Zhen, did not expect that Ye Chen intended to buy this for her.

"Here, give it to me quickly." Ye Chen told the seller to give him the snow-white spirit grass.

"This is it" the seller immediately handed the snow-white spirit grass to Ye Chen, he didn't want Ye Chen to change his mind and didn't buy it.

Ye Chen received the snow-white spirit grass from the seller, after getting the snow-white spirit grass, Ye Chen immediately took away the surprised-looking Fairy Zhen.

Fairy Zhen was still dumbfounded by what Ye Chen had done, she still looked very surprised by what Ye Chen had done.

After a while, Fairy Zhen finally regained her consciousness.

"Ye Chen, how can you buy something that expensive just for me" Fairy Zhen immediately scolded Ye Chen, herself scolding Ye Chen for buying something so expensive.

This is not good for Ye Chen at all, Fairy Zhen doesn't like to see Ye Chen being tricked by naughty sellers who want to get more profit.

"Shhh" Ye Chen tried to tell Fairy Zhen to be quiet, Ye Chen's hand was on Fairy Zhen's soft lips.

Fairy Zhen didn't expect that Ye Chen would shut himself up, this man was so unreasonable.

"I'm not that stupid to buy something so expensive." Ye Chen said that he wasn't that stupid to buy something that was very, very expensive.

"Then why did you buy that snow-white spirit grass?" Fairy Zhen asked why Ye Chen kept buying snow-white spirit grass even though he already knew that snow-white spirit grass was quite expensive.

"Hahaha, it's because of this." Ye Chen picked up one of the plants he randomly picked up.

"Isn't it just a purple bud flower?" Fairy Zhen looked at the medicinal plant in Ye Chen's hand, what was in Ye Chen's hand was just a purple flower bud that could be easily found in the market.
