

A True God 1291

Chapter 1291 - How About You Become My Lover Then I Will Give This To You

"No, you're wrong." Ye Chen told Fairy Zhen that this wasn't a purple bud flower.

"If it's not a purple flower bud, then what is it?" Fairy Zhen directly asked what medicinal plant Ye Chen had in his hands.

"These are flowers from the underworld which are very young." Ye Chen told Fairy Zhen that these were flowers from the underworld.

" what ?" Fairy Zhen was shocked when she listened to what Ye Chen had just said.

flowers from the underworld are very rare flowers, these flowers are very difficult to find, the price of these flowers is also very expensive.

flowers from the underworld could be used to make a pill that could increase one's cultivation by several levels at once, one could say that this was a very, very rare ingredient.

"Shhh," Ye Chen told Fairy Zhen to be quiet, he didn't want anyone to know about this matter.

flowers from the underworld were expensive medicinal plants, so there would be a lot of people looking for them.

Fairy Zhen immediately shut her mouth tightly, she understood the reason why Ye Chen told her to be quiet.

"Are you sure about that matter?" Fairy Zhen asked Ye Chen, Fairy Zhen wanted to know if what Ye Chen said was the truth.

"I can't be wrong, I've learned about this in the book," Ye Chen said to Fairy Zhen.

Ye Chen's knowledge in the Alchemist field was quite high, so it was not surprising that he could tell that these were flowers from the underworld.

Ye Chen also confirmed this to Chu Yuechan, Chu Yuechan also said that these are flowers from the underworld.

"That's great" Fairy Zhen looked happy when she found out this truth.

Fairy Zhen was very interested in medicinal plants, so it wasn't strange that she looked very excited when Ye Chen got flowers from the underworld.

"Are you going to give it to me?" Fairy Zhen asked if Ye Chen would give it to her.

"No, I will not give this, you will get snow-white spirit grass" Ye Chen will not give flowers from the underworld to Fairy Zhen, he will keep this thing until he grows up.

"You are so stingy," Fairy Zhen said that Ye Chen was a stingy person.

"Hahaha" Ye Chen just laughed when he listened to what Fairy Zhen had to say.

Fairy Zhen looked cute as she pouted at Ye Chen, it was a very rare sight to see an Elder frown like this.

"Alright, I will give you this, but on one condition," Ye Chen said to Fairy Zhen.

"What is it?" Fairy Zhen's mood immediately returned, she immediately asked what Ye Chen wanted.

"How about you become my lover then I will give this to you," Ye Chen told Fairy Zhen who was in front of him.

Fairy Zhen's face immediately blushed when she heard what Ye Chen wanted, Ye Chen was very brave, this man openly proposed to her in public.

"I won't do that" Fairy Zhen immediately looked away, telling herself that she wouldn't do such a thing.

"Hahahaha" Ye Chen laughed again when he saw Fairy Zhen's reaction, Fairy Zhen's reaction was very funny, Ye Chen liked Fairy Zhen's reaction.

Fairy Zhen looked at Ye Chen, herself pouting when she saw Ye Chen laughing like that, this man was teasing her again.

"You just watch you" Fairy Zhen walked towards Ye Chen, she reached out to catch Ye Chen who was in front of her.

"miss" Ye Chen immediately dodged Fairy Zhen's attack, Ye Chen didn't forget to mock Fairy Zhen.

"Watch out, if I can catch you, I will hit you," Fairy Zhen said that she would catch and beat Ye Chen.

"Then why don't you start doing it," Ye Chen told Fairy Zhen to start chasing him.

Fairy Zhen started to go to catch Ye Chen, meanwhile, Ye Chen started to run away from Fairy Zhen.

The two of them were playing catch up in the crowd, it seemed that Fairy Zhen enjoyed this.

Fairy Zhen had never felt closeness like this, she had never done anything very, very close to a man, Ye Chen was the first person to look very close to her.

Ye Chen and Fairy Zhen spent the time they had around this place, both of them seemed to be having fun around this place.

Fairy Zhen bought quite a lot of supplies of medicinal plants or medicinal ingredients available in this place, she tried to use her money to buy everything in this place.

For there to be Ye Chen around this place, so it was Ye Chen who gave his all for Fairy Zhen,

Ye Chen was not a stingy person, he would of course be happy to give what Fairy Zhen liked.

Fairy Zhen didn't hesitate when Ye Chen paid for everything she wanted, after all, Ye Chen had already earned quite a lot of flowers from the underworld, so it didn't matter if Fairy Zhen spent Ye Chen's Profound Crystal.

"Ye Chen, let's go to the meeting." Fairy Zhen took Ye Chen to the meeting, where great Alchemists from all over the Sky Cloud Peak Star Realm gathered.

There were also some acquaintances that Fairy Zhen had, whether they were unexpected acquaintances or direct acquaintances due to Sect assignments.

Ye Chen and Fairy Zhen arrived at a building at the very end, this building was guarded by a lot of people, not just anyone could enter this building.

This is where the top Alchemists of the Sky Cloud Peak Star Realm are, it can be said that this is a branch of the Alchemist Association.

"Ye Chen, make sure you act as my disciple for a while, you must address me properly" Fairy Zhen warned Ye Chen to do her duty well.

"Okay my beautiful master" Ye Chen said to Fairy Zhen, Ye Chen didn't forget to joke with Fairy Zhen. Fairy Zhen almost fell when she listened to what Ye Chen said.

"Don't add anything weird?" Fairy Zhen told Ye Chen not to add anything weird when calling herself.

"Why I'm just saying what's on my mind," Ye Chen said to Fairy Zhen.

"Don't do that, please don't ever do anything as that" Fairy Zhen said to Ye Chen.

"Okay, I understand." Ye Chen understood, he would be more serious in doing that.

"let's go in" Fairy Zhen led Ye Chen inside.

"Come on" Ye Chen nodded to Fairy Zhen.

Fairy Zhen led Ye Chen inside, the two of them went towards the front door.

"Stop for a moment" Just as Fairy Zhen and Ye Chen were about to enter, both of them were stopped by the guards.

"Please take out the badge you have." The guard told Fairy Zhen to take out the badge she had.

"This is my badge" Fairy Zhen took out the badge she had, she showed her badge.

The guards saw Fairy Zhen's badge, both of them could see Fairy Zhen's badge was a rank 5 badge, a rank 5 badge was quite high for a Sky Cloud Peak Star Realm class.

"Please come in" the two guards invited Fairy Zhen to come inside.

Fairy Zhen nodded, she went inside.

"You stop, you also have to show your badge..." When Ye Chen wanted to enter, he was asked about the badge he had.

Chapter 1292 - Go Get A Alchemist Badge

"What badge, I don't have it," Ye Chen said that he didn't have the badge that the guard said.

"Sorry, but without a badge, you won't be able to go inside." The guard told Ye Chen that he wouldn't be able to go inside without a badge.

"He doesn't need a badge, he is my disciple." Fairy Zhen came to help Ye Chen, she told the two guards that Ye Chen was her disciple.

"Sorry miss, but today is a bit special, if you want to enter, you need a Tier two badge or above" The guard informed Fairy Zhen that there was a new rule.

"Is it like that" Fairy Zhen just found out about this matter, she didn't expect that this would happen.

Fairy Zhen didn't know what to do, even though she wanted to take Ye Chen inside, but since Ye Chen didn't have a badge, she wouldn't be able to enter.

"Sorry, but you have to wait outside," the guard told Ye Chen to wait outside.

"How is that possible, I want to go inside," Ye Chen said that he wanted to go inside.

"If you want a badge, then you have to get it first," the guard told Ye Chen to go and get the badge first.

" the method?" Ye Chen asked the guard in front of him.

"Why don't you just ask your master, let her tell you how to get the badge" The two guards looked very reluctant when they wanted to answer Ye Chen's question, both of them seemed unwilling to answer Ye Chen's question.

Ye Chen was a little dissatisfied when he saw the attitude of the guards, the attitude of the guards did not respect Ye Chen at all.

"Master, how do you get the badge?" Ye Chen asked how to get a badge similar to that of Fairy Zhen.

"You have to take the exam first to get this" Fairy Zhen told Ye Chen how to get a badge like hers.

"Then let's go and take the exam, I want to get one too. That way I can enter." Ye Chen told Fairy Zhen that he wanted one too.

" but . . ." Fairy Zhen hesitated slightly when she heard this from Ye Chen.

"Hahaha" the guard laughed when he heard this. The two seemed to be laughing at what Ye Chen said.

"Why are you two laughing, is something wrong?" Ye Chen asked the two guards guarding the entrance.

"That's because what you said was so funny, you should know that the meeting will be in less than 1 hour, so you won't be able to attend this event," the guard said to Ye Chen.

The guard told Ye Chen that the meeting was about to start, Ye Chen would not have time to get his Alchemist badge.

"We won't know until we try it," Ye Chen said that they wouldn't know this before trying it.

"We don't believe it" the guards didn't believe what Ye Chen said at all, neither of them believed that Ye Chen could get the badge in less than an hour.

It should be noted that the exam to get the Alchemist badge takes a long time, even a genius takes quite a long time to clear this exam.

"We'll see." Ye Chen told the two guards to see what he would do.

"Master, let's go now, I want to get one too" Ye Chen invited Fairy Zhen to go and get one too.

"Okay, let me take you," Fairy Zhen said that she wanted to go and escort Ye Chen, she wanted to take Ye Chen to get the Alchemist badge.

The two guards laughed again when they saw Ye Chen and Fairy Zhen leave, both guards thought that Ye Chen was a fool and boasted too much.

Both of them had worked in the Alchemist association for a very long time, so they knew how difficult it was to earn an Alchemist badge.

Ye Chen and Fairy Zhen went to a place where they could get badges, They went to another building not far from the meeting place.

"Is this the place?" Ye Chen asked Fairy Zhen.

"Yes, this is the place, let's go in." Fairy Zhen immediately invited Ye Chen in, she was going to enroll Ye Chen into the exam to get the Alchemist badge.

Fairy Zhen had registered Ye Chen, now Ye Chen just needed to directly take the exam to get his badge.

"Ye Chen, come with me quickly, you will be tested" a young woman came, she told Ye Chen to come along with her.

"I'm Ye Chen" Ye Chen immediately waved his hand, he told the woman that it was Ye Chen. The woman nodded, she told Ye Chen to come with her.

Fairy Zhen didn't come with Ye Chen, she would see Ye Chen's performance from behind the curtain.

Ye Chen was led into a room, in this room, several people were also trying to get their badges.

"So, what level badge do you want to get?" this woman directly asked Ye Chen.

"I want a tier-three badge," Ye Chen told this woman that he wanted to get a tier-three badge.

Since the minimum requirement to enter was two, then Ye Chen had to get to at least the tier-three badge

"Okay, then I will prepare everything for you, you will be tested by an assigned person" This woman explained the rules of the test to Ye Chen.

Ye Chen nodded, he understood this woman's explanation.

This woman started to give materials to Ye Chen, she prepared some materials for Ye Chen to use.

Everyone only has one chance, so if they fail, they have to try again next year.

"Hello everyone, I am Ma Jong, I will be in charge of keeping an eye on you, Grandmaster is currently attending to something quite important, so I will take his place" an old man appeared, this old man informed Ye Chen and everyone else who is in this place.

"Okay, I'm not going to say any further, in front of you there are some ingredients that have been prepared depending on the level of difficulty you take, all you need to do is make some pills with the

ingredients that are in front of you, if you fail once then you will be immediately expelled and try again in the next few years, are you ready?" Ma Jong told everyone about the rules in this exam.

"We are ready," everyone said that they were ready.

"Then you can start, you have 8 hours to make the pill" Ma Jong invited all participants to start.

Ye Chen quickly saw what pill he was about to make, he read the scroll that was placed near the medicinal ingredients.

"Awakening Qi Pill, super absorb Yin Qi Pill" Ye Chen saw the two pills he had to concoct, these two pills were the top-ranked pills in Tier 5.

It wasn't strange that the guards mocked Ye Chen, apparently getting the badge wasn't as easy as Ye imagined. Chen.

If Ye Chen made these pills one by one, then it would take quite a bit of time, even if Ye Chen used all the abilities he had, it would most likely still take more than 1 hour.

Ye Chen started to think, he started to think of a way to deal with this.

After thinking for a while, Ye Chen finally had a pretty crazy idea to do.

Ye Chen started to prepare his Cauldron, himself preparing to start making a pill.

Chapter 1293 - Alchemist Test

All the participants around Ye Chen started to make pills, they all started to light up the Cauldron they had.

The participants started to focus on the Cauldron they had, they couldn't be bothered by what was happening to other people.

Everyone is in their world, it can be seen that the participants don't care about the people around them.

This wasn't a competition, so it wasn't strange that the participants were focused on themselves, they all wanted to pass this simple test to get the badge they wanted.

Fairy Zhen was currently looking from above, she saw what had happened to Ye Chen and the participants who were in this place.

Around Fairy Zhen several people had purposely come to see what was going on, these people had deliberately come to see how one got the Alchemist badge.

Since there was currently a very lively festival going on, it wouldn't be strange for these people to take advantage of this to see things they rarely saw, everyone wanted to know how the rookies got their badges.

The Alchemist Badge was something quite special, it was a badge that could be used in all the Alchemist Associations scattered throughout the God Realm.

It could be said that once someone obtained this badge, they could easily go in and out and make transactions in all the Alchemist associations in this entire God Realm.

Of course, there was a special limit to each badge level, the higher the badge the greater the chance of accessing the top-ranking medicinal ingredients and pills available in the Alchemist Association.

"What is he doing?" Fairy Zhen asked what Ye Chen was doing, she was curious about what Ye Chen was doing.

Unlike the other participants, Ye Chen immediately put all his materials into the Cauldron, of course, was very strange for an Alchemist like Fairy Zhen.

Several people also noticed what Ye Chen was doing, it seemed that they were also as confused as Fairy Zhen.

Even though they weren't all Alchemists, but they certainly knew the basics of Alchemist, indiscriminately inserting ingredients would destroy the pill-making process.

Ye Chen didn't care about the stares everyone had, he went straight to work on refining all the ingredients that had been added.

Ye Chen didn't refine the ingredients one by one, he just refined all the ingredients at the same time.

This is quite difficult for an Alchemist to do, it takes a very, very strong mental mind to be able to do this.

One small mistake occurs, then everything will immediately turn to ashes and will not be used again.

"Hi young man, what are you doing now" Ma Jong came to Ye Chen, he wanted to know what Ye Chen was doing.

Ma Jong is a supervisor, so he keeps an eye on everyone in this place, so it is not strange that Ma Jong sees Ye Chen's strange behavior.

"I am refining the ingredients" Ye Chen answered Ma Jong's question.

Ye Chen was very relaxed, it was obvious that Ye Chen could refine all the medicinal ingredients while talking to Ma Jong.

"Then why did you put all the ingredients together?" Ma Jong asked why Ye Chen put all the ingredients together like that.

"I want to refine everything," Ye Chen told Ma Jong that he wanted to refine all the ingredients.

"Are you crazy?" Ma Jong felt that Ye Chen was a very crazy person, how could Ye Chen do such an unreasonable thing.

"Don't talk too much, you'll see what happens next." Ye Chen told Ma Jong to see what happened.

Ma Jong was silent when he listened to what Ye Chen said, he was quite surprised by what Ye Chen said.

Ma Jong is an experienced Alchemist, he was silenced by a child-like Ye Chen, this is an insult to Ma Jong.

"Just watch you will fail," Ma Jong said that Ye Chen would fail in this.

"It's up to you," Ye Chen said to Ma Jong who was in front of him.

Ma Jong almost fell when he heard what Ye Chen said, He didn't expect that Ye Chen would say something like that to him.

"We'll see." For now, Ma Jong will let Ye Chen do what he can, when Ye Chen fails to make pills, then Ma Jong will immediately kick this brat out from this place.

The other participants started refining and refining the ingredients they had, they were very focused on making pills.

"Boom" suddenly there was an explosion during the process of refining the ingredients, it could be seen that there were participants who had failed in making pills.

"get out right now" Ma Jong immediately chased away the participants who had failed to get out of this place.

"Sir, please give me one more chance," this participant asked Ma Jong to give himself a second chance.

"There is no second chance, you have to repeat this next year," Ma Jong tells that he will not give a second chance to anyone.

"But" The contestant is still pleading, he wants Ma Jong to give him a second chance.

"Didn't you hear, get out of here quickly" Ma Jong ordered the disobedient participants to get out immediately, Ma Jong even kicked the person out of this place immediately.

The participant was kicked out of this place by Ma Jong, he was kicked quite hard by Ma Jong.

"Listen carefully, you only have one chance, so don't ever waste the opportunity you have, otherwise you will be forcibly expelled like that person earlier," Ma Jong told all the participants in this place for more information in this test failure is intolerable.

Ma Jong's words made all the participants feel a little nervous, they all started to get nervous after listening to what Ma Jong said.

"Boom" again, there was someone who failed while concocting pills, this person was immediately ordered out by Ma Jong.

"Boom. . . , boom. . . , boom. . . , boom. . . , boom. . . "The more people who fail this test, they all fail and destroy the materials they have.

Some of the participants thought that the test they were going through was very difficult, this was because they got random pill prescriptions given to them by the Alchemist Association.

While all the participants were still confused about concocting the pills, Ye Chen had almost finished and was now at the final stage.

Now Ye Chen only needed to fuse the Essence from the material he had refined, Ye Chen had to be careful when doing this, if he were to mistakenly fuse the Essence from the material he had refined, it would be an immediate failure.

"Wow, he uses a very complicated method of concocting pills." Chu Ning'er praised Ye Chen for being able to use such a complicated method to concoct pills.

"I was also a little surprised when I saw what Master did, he is an incomprehensible monster." Chu Yuechan also thought the same thing as Chu Ning'er herself being shocked by Ye Chen's crazy methods.

Chu Yuechan and Chu Ning'er had been watching what Ye Chen was doing, at first, the two of them argued when they found out Ye Chen's crazy idea, but in the end, they were both shocked by Ye Chen's crazy method.

Chapter 1294 - Make A Bet With Ma Jong

Concocting two pills in one Cauldron was a very, very difficult thing to do, it was a very complicated thing to do, so it was not strange that Chu Yuechan and Chu Ning'er were shocked when they saw what Ye Chen had done.

Fairy Zhen was also currently keeping an eye on Ye Chen, she was really keeping an eye on what Ye Chen was doing.

To outsiders, what Ye Chen did was stupid and unreasonable, but Fairy Zhen had little faith in Ye Chen's abilities.

Fairy Zhen felt that Ye Chen was a mysterious and great person, her instincts told her that Ye Chen was a person with great talent.

Ye Chen had already started to fuse all the ingredients he had refined himself, the final process would soon be completed and the victor would soon be seen.

"Boom" explosion occurred in the waiting for Ye Chen, this explosion was slightly louder than the others.

Ma Jong has been waiting for this momentum, he can finally drive this little bastard out of this place.

"You get out of this place right now, don't ever show your face in this place again" Ma Jong immediately chased Ye Chen away, he didn't hesitate to tell Ye Chen not to show his face in this place again.

"Why should I leave?" Ye Chen asked why Ma Jong told him to get out of this place.

"Why?, it's because you failed" Ma Jong shouted at Ye Chen, he told Ye Chen the reason why he pushed Ye Chen away.

"How do you know I failed and didn't succeed?" Ye Chen asked Ma Jong.

"Obviously you failed, but you still dodged it, you bastard" Ma Jong said to Ye Chen.

Ma Jong was very sure that Ye Chen had failed in concocting pills, so it would not be strange if Ma Jong kicked Ye Chen out without checking Ye Chen's results.

Plus Ye Chen seemed to be really fast at making a pill, so it wouldn't be strange for Ma Jong to think Ye Chen had failed.

"What if I manage to make a pill" Ye Chen said to Ma Jong.

"No way, you can't possibly succeed" Ma Jong couldn't believe that Ye Chen had succeeded.

Ye Chen had put all the ingredients together, while the pills that Ye Chen had made were predetermined, if Ye Chen wanted to pass and get the Alchemist badge.

Ye Chen's bickering has caused quite a stir, it's interesting to ask everyone in this place.

"Why don't you take a look first" Fairy Zhen finally got down from the audience, she came and started helping Ye Chen in solving this problem.

Ma Jong looked at Fairy Zhen, he saw a beautiful woman who was helping Ye Chen against him.

"That's not necessary, the results are clear, he has failed at making pills, I can guarantee that" Ma Jong said to Fairy Zhen.

Ma Jong didn't want to listen to Fairy Zhen's words, he went against Fairy Zhen's words.

Fairy Zhen raised her eyebrows, it was obvious that Ma Jong had a personal grudge against Ye Chen, this man didn't want to listen to Fairy Zhen's advice at all.

"How about this, let's just make a bet, if I succeed in making the requested pill, then I want you to eat all the ingredients of the participants who have failed in concocting the pill" Ye Chen said to Ma Jong who was in front of him.

"Okay, I agree, but if you fail, then you crawl 1,000,000 times around this place while saying that I'm an idiot" said Ma Jong to Ye Chen.

"Agreed, let everyone here bear witness to what you just said" Ye Chen quickly agreed, he didn't mind the bet Ma Jong wanted.

"Then quickly open it and show me the pills you have made" Ma Jong said to Ye Chen.

"Take a good look" Ye Chen said to Ma Jong to have a good look at what he made.

Ye Chen flicked his finger, when Ye Chen snapped his finger, an extremely alluring pill scent started to fill this place.

Ma Jong's face starts to turn black when he smells this smell, it's clear that this is the smell of the finished Pil.

"No way, he couldn't have succeeded" Ma Jong couldn't believe what he was seeing at this time.

"It must be a random pill that he managed to make" Ma Jong started trying to convince himself, Ma Jong started to think that Ye Chen had made a random pill.

"Take a good look" Ye Chen started to take the Awakening Qi Pill, the super absorb Yin Qi Pill that he had made, he lifted the pill up high.

When Ye Chen lifted the Awakening Qi Pill, the super absorb Yin Qi Pill, everyone could see the pill in Ye Chen's hand.

"What is it, he made two pills at the same time, is that even possible?" Everyone became noisy, they all started to get rowdy when they saw the results Ye Chen had.

Everyone in this place was a cultivator, so they naturally still knew a little about the basics of concocting a medicine.

So it wouldn't be strange for them to get into an uproar when they saw what Ye Chen was up to.

Right now Fairy Zhen's mouth was open like an O, it seemed that Fairy Zhen was surprised by Ye Chen's feat.

"That's so amazing, how can he do such a thing" Fairy Zhen wanted to know the method used by Ye Chen, she really wanted to know the method used by Ye Chen to make this amazing thing.

"Impossible, how is that possible" Ma Jong looked very surprised when he saw what was in Ye Chen's hand, he clearly saw that in Ye Chen's hand was an Awakening Qi Pill, a super absorb Yin Qi Pill.

"Look, I managed to make Awakening Qi Pill, super absorb Yin Qi Pill, so you have to fulfill the bet you made." Ye Chen smiled triumphantly, he had won against Ma Jong.

"No . . ." Ma Jong still doesn't believe in his defeat, he doesn't believe in what Ye Chen did, what Ye Chen did was something that was very, very difficult and impossible to do.

"What's the matter, haven't you agreed with our bet, everyone in this place can be a witness" Ye Chen said to Ma Jong.

"You must have committed a fraud" said Ma Jong while pointing at Ye Chen.

Ma Jong still couldn't accept this defeat, so he said that Ye Chen had committed a fraud.

"What kind of cheating, do you have evidence that I have committed a fraud?" Ye Chen asked Ma Jong.

"that . . ." Ma Jong was silent when he listened to what Ye Chen said, it seemed that Ma Jong was speechless.

Ma Jong didn't have any evidence that Ye Chen had made a mistake, he didn't see Ye Chen doing anything strange and unreasonable.

"I still can't believe it, I will investigate this matter" Ma Jong said that he would investigate this matter.

"I don't have time for such things, let's finish this so I can get my badge" Ye Chen said to Ma Jong.

Ye Chen didn't have extra time to deal with Ma Jong, he wanted the Alchemist badge as soon as possible.

Chapter 1295 - Eat Crap

"You dare to challenge me, don't you know who I am," said Ma Jong to Ye Chen.

Ma Jong looked very angry with Ye Chen, he was really angry that Ye Chen dared to challenge him.

"You should know who I am," Ma Jong said that Ye Chen was very arrogant and didn't know who he was.

"You are just a substitute, so don't be so arrogant," Ye Chen said to Ma Jong.

Ma Jong is just a substitute for Grandmaster who is currently attending an important event, this old man is too unreasonable when it comes to being a substitute.

"what he said is true, you are only a substitute for Grandmaster, so you should know yourself and act a little reasonable, plus you have to make a bet that you previously agreed" Fairy Zhen helped Ye Chen, she helped Ye Chen to overcome injustice.

Ma Jong was the one who was wrong and lost the bet, this man didn't want to admit his mistake even after knowing that he had been defeated by Ye Chen.

"Here I have the power, so you two have no right to fight me," Ma Jong said to Ye Chen and Fairy Zhen.

Ma Jong is very proud to say that he is the one who has the power in this place, so the two have no right to challenge him.

All the spectators and participants shook their heads, this old man was completely shameless, he could still be arrogant even after being defeated by Ye Chen.

The audience could only be silent, they all couldn't interfere in matters between Alchemists,

An alchemist was a top-level profession that was respected by normal cultivators, it was not good for a cultivator to offend an Alchemist.

"Who said that you have power in this place?" A hoarse voice suddenly said to the arrogant Ma Jong.

Ma Jong's body trembled when he heard the voice that had just criticized him, Ma Jong immediately turned around and looked behind him.

When Ma Jong looked behind him, Ma Jong saw an old man with a long beard standing behind him.

This man was wearing an alchemist robe that looked very good, plus there was a tier six Alchemist badge on his chest.

It should be noted, within the Alchemist Association in the Sky Cloud Peak Star Realm, there are only a few people who have the rank six badge, these people are masters and have extremely rich experience in the Alchemist field

"that person" everyone immediately became rowdy when they saw who had just appeared in this place.

Everyone of course knew who the old man in front of them was, everyone didn't expect that the old man was here with them.

"Master Gou, what are you doing in this place, didn't you say you were going to an important meeting." Ma Jong looked a little scared when he spoke to the old man who had just arrived.

This old man was Gou Teng, he was an elder of the Alchemist Association that existed in the Sky Cloud Peak Star Realm.

Gou Teng is the one who should be in charge of supervising this test, he is the Grandmaster Ma Jong previously talked about.

"There is still a little time until the meeting starts, so I took the time to see the work you did, but the results" Gou Teng sighed when he talked about the work Ma Jong did.

"Master Gou, please forgive me" Gou Teng apologizes to Gou Teng, Ma Jong looks pitiful when dealing with Gou Teng

"Ma Jong, I have given you a very simple task, but it seems that you cannot carry out this task, I guess. - What should I do to you?" Gou Teng said to Ma Jong who was in front of him, it seemed that Gou Teng was angry with Ma Jong.

Ma Jong is breaking out in cold sweat, it is very clear that Ma Jong is very afraid of getting punishment from Gou Teng.

Ye Chen has a bad idea, he looks at Gou Teng who is currently scolding Ma Jong, Ye Chen can see that this old man has quite a high position, so Ma Jong is afraid of him.

"Ma Jong, quickly fulfill our bet, don't let you break your promise with the bet we agreed on," Ye Chen said to Ma Jong, Ye Chen told Ma Jong to agree on what they had agreed.

"You" Ma Jong pointed at Ye Chen, this man is very annoying.

"He's right, you have to do as you agreed." Gou Teng told Ma Jong to agree on what they had made, lest the reputation of the Alchemist Association be tarnished by what Ma Jong did.

Ma Jong's face darkened when he heard Gou Teng helping Ye Chen, it was clear that Ma Jong was not happy with this.

"But" Ma Jong still had time to dodge, he said that he didn't want to do that.

"Do you prefer to be expelled from this place or do you prefer to fulfill the bet you have made" Gou Teng gave Ma Jong two choices, these two choices were very clear.

Ma Jong gritted his teeth, it seemed he had no choice but to do as Gou Teng ordered,

Ma Jong went to the Cauldron belonging to the failed contestant, he started eating all the charred ingredients and failed.

Everyone saw what Ma Jong did, this is a very very interesting spectacle and they are rarely watched.

Ma Jong's face is now full of discomfort, he was forced to eat something unusual and it tasted really bad.

Ma Jong spent it all, himself spent it all in front of Ye Chen and Gou Teng.

"Grrrrrr" after Ma Jong finished eating all the failed ingredients, Ma Jong started to feel his stomach hurt, it seems Ma Jong is getting side effects from eating the failed ingredients in the process.

Usually, the side effect is an upset stomach, this is normal when a person takes a failed pill.

"Damn" Ma Jong immediately left, he immediately went to solve the problem of his sick stomach.

everyone laughed when they saw Ma Jong walking unsteadily, this person is very entertaining.

Ye Chen was satisfied with this, he had taught Ma Jong a proper lesson.

"Hello Master Gou, long time no see," Fairy Zhen said to Ma Jong who was in front of her, Fairy Zhen looked very respectful towards Gou Teng.

"Fairy Zhen, long time no see, how are you, is your work in Nine Immortals Peak Sect okay?" Gou Teng smiled at Fairy Zhen, it was obvious that Gou Teng was very friendly towards Fairy Zhen.

"everything is fine, my work is going very smoothly" Fairy Zhen informed that her work was very smooth, so there is no problem with this.

"Good, by the way, is this talented young man one of the disciples of the Nine Immortals Peak Sect?" Gou Teng asks about Ye Chen, he wants to know about Ye Chen.

"He is my disciple, I brought him here to get the Alchemist badge to enter the meeting" Fairy Zhen started to introduce Ye Chen to Gou Teng.

"So it's like that, you found a very, very good disciple." Gou Teng nodded, he had now started to know that Ye Chen was Fairy Zhen's disciple.

"Thank you for the compliment" Fairy Zhen was grateful for the compliment given by Gou Teng, she was very happy with the compliment given by Gou Teng.

Chapter 1296 - Finally Get The Alchemist Badge

"Ye Chen, introduce, this is Master Gou Teng, he is one of the most powerful Alchemist in the Alchemist Association in Sky Cloud Peak Star Realm" Fairy Zhen started to tell Ye Chen about Gou Teng.

"Greetings master Gou" Ye Chen greeted Gou Teng who was in front of him, this was something formal for Ye Chen.

"hahaha, don't call me that, when compared to what you just did, this old man is nothing," Gou Teng said to Ye Chen.

Gou Teng looked very low profile, he even humbled himself in front of Ye Chen.

"No, how can this junior be superior to you, this junior is only a beginner in Alchemist" Ye Chen said that he was only a beginner, so he was not worthy to be compared with Gou Teng.

"hahaha, what a very interesting young man" Gou Teng looks quite fond of Ye Chen, Ye Chen is very humble.

"Fairy Zhen, have you gotten the sixth-tier badge yet?" Gou Teng asks if Fairy Zhen has got the 6th tier Alchemist badge

Fairy Zhen wasn't confident yet when she took the sixth tier test to earn a badge.

"Too bad, even though Mao Chao just got the sixth tier Alchemist badge," said Gou Teng to Fairy Zhen.

Fairy Zhen's smile immediately disappeared as she listened to what Gou Teng had just said.

"So that guy already got the sixth-tier Alchemist badge?" Fairy Zhen said in a slightly dissatisfied tone.

Ye Chen and Gou Teng of course immediately noticed the changes that Fairy Zhen had gone through.

"Master Gou, why did she suddenly get angry when you brought up this matter?" Ye Chen asked Gou Teng.

"Listen carefully, this is quite a long story, Mao Chao is Fairy Zhen's chaser, I heard he chased Fairy Zhen since he was a very young age, unfortunately, he was rejected by Fairy Zhen, one day Fairy Zhen set a limit, if Mao Chao can get a rank six-badge, then he deserves to chase Fairy Zhen" Gou Teng whispered in a very low tone of voice.

Gou Teng didn't want Fairy Zhen to know about this matter, so Gou Teng decided to tell Ye Chen in a very low voice.

"So it's like that" Ye Chen now understood, he understood why Fairy Zhen immediately changed her face when she heard this.

"Please be careful when discussing this matter with your master, don't get angry because of this" Gou Teng told Ye Chen to be careful in discussing matters.

"Fine, I see." Ye Chen nodded, he would try not to mention this matter.

"Good then this is your badge, I will go first, you settle your problem with her" Gou Teng gave the badge to Ye Chen, after giving the badge, Gou Teng left this place.

Gou Teng doesn't want to get involved in this matter, it can be seen that Fairy Zhen is angry when she mentions Mao Chao's problem.

Gou Teng wanted to talk to Ye Chen a bit, he wanted to know the method used by Ye Chen to make two pills in one Cauldron.

Gou Teng still had another chance to talk to Ye Chen, so it was fine to miss one.

Ye Chen received the Alchemist badge from Gou Teng, he saw a third-tier badge bearing his name.

"This is great, then let's go to the meeting." Ye Chen invited Fairy Zhen to go and attend the meeting.

Fairy Zhen seemed speechless, it seemed that Fairy Zhen didn't respond when Ye Chen spoke to her.

Fairy Zhen seemed to be in her world, right now Fairy Zhen put on an angry face when no one knew what Fairy Zhen was thinking.

"Fairy Zhen" Ye Chen tried to wake up Fairy Zhen, he tried to wake up Fairy Zhen who was looking dazed.

Too bad Fairy Zhen still didn't respond, this woman was daydreaming of something.

Ye Chen had no choice but to pinch Fairy Zhen's cheek, he pinched Fairy Zhen's soft face.

"What are you doing?" Fairy Zhen immediately asked what Ye Chen was doing.

"Don't just daydream, let's go" Ye Chen told Fairy Zhen to leave this place.

"Where did Master Gou go?" Fairy Zhen just realized that Gou Teng is no longer in this place.

"He's gone, we also have to go our task is done," Ye Chen said to Fairy Zhen.

Ye Chen told Fairy Zhen that they had to go immediately to the place where the meeting was being held.

"Then let's go" Fairy Zhen very quickly agreed with what Ye Chen said, she quickly led Ye Chen to go to the place where the meeting was being held.

When Ye Chen arrived at the meeting place, it just so happened that the two guards were currently chatting very casually, both of them looking very engrossed in chatting.

As Ye Chen and Fairy Zhen approached, the two guards instantly detected the arrival of the two.

"Did you fail to get your Alchemist badge, hahaha, that's funny" the two guards started to mock Ye Chen, it seemed that both of them thought Ye Chen didn't manage to get the Alchemist badge.

Ye Chen looked very calm when he listened to the ridicule and insults made by the guards in front of him.

"You better prepare to lick your spit, take a good look at this" Ye Chen put on his badge.

The two guards gawked when they both saw Ye Chen who was wearing the third rank Alchemist badge.

"How is that possible?" The guards really couldn't believe what they saw, they couldn't believe that Ye Chen had gotten a badge in less than an hour.

"You better get out of the way, I'm going through" Ye Chen immediately chased the two guards who were blocking his path, he chased them away for being so annoying.

The guards now didn't have the authority to stop Ye Chen, they didn't have the authority to stop Ye Chen who had a tier-three Alchemist badge.

"Puchi. . ." Fairy Zhen smiled when she saw this, she couldn't help but smile when she saw Ye Chen bullying the two guards.

Ye Chen and Fairy Zhen immediately entered the building, when Ye Chen and Fairy Zhen entered the building, they both saw that there were hundreds of people in this place.

They were all Alchemists who had come from all over the Sky Cloud Peak Star Realm.

Everyone wore the Alchemist badge they had, most of the Alchemists in this place were ranked third and second.

They were all students brought by their teacher to attend this event.

"Ye Chen, let's find a suitable place for both of us," Fairy Zhen asked Ye Chen to find a suitable place for the two of them.

"It looks fine over there" Ye Chen pointed to a space in the distance, there were quite a few people there, so Ye Chen and Fairy Zhen could sit there very comfortably.

Fairy Zhen nodded, the two of them immediately went to a place that was quite minimal with people.

"So what is the purpose of this meeting?" Ye Chen asked Fairy Zhen the purpose of this meeting.

"The purpose of this meeting is to discuss the development of Alchemy in the Sky Cloud Peak Star Realm, usually there will be an exchange of information between each other" Fairy Zhen said to Ye Chen.

Fairy Zhen explained to Ye Chen calmly the purpose of this meeting.

"Is that all?" Ye Chen asked Fairy Zhen, Ye Chen couldn't believe that this meeting was just like that.

Chapter 1297 - Mao Chao

"Of course there are other things that will happen, usually people in this place will compare the strengths of their disciples, that's why I invite you to pretend to be my disciple," Fairy Zhen said to Ye Chen.

Fairy Zhen finally explained her true intentions and goals to Ye Chen, Fairy Zhen brought Ye Chen to increase her reputation when dealing with Alchemists who were at level five.

"I knew it, it wouldn't be as easy as I thought." Ye Chen had already guessed about this matter, he had already guessed that this would happen to him.

"You promised, so you have to fulfill the promise you made," Fairy Zhen said that Ye Chen had to fulfill the promise he made, Fairy Zhen didn't want Ye Chen to run away from his responsibilities.

"Okay, okay, I understand." Ye Chen understood this, he had to help Fairy Zhen solve the problem.

"Good if you understand" Fairy Zhen was happy when she heard Ye Chen's answer.

Ye Chen and Fairy Zhen were discussing this meeting, Ye Chen wanted to know more details about Fairy Zhen's experience.

"Fairy Zhen, we haven't seen each other in a long time" while Ye Chen and Fairy Zhen were discussing they were approached by three quite strangers.

One of the three wore the sixth-tier Alchemist badge.

Fairy Zhen looked displeased when she saw the person who had just arrived, she looked displeased when she saw this person's arrival.

"Mao Chao what are you doing in this place" Fairy Zhen immediately said sarcastically to the man in front of her.

This man was the Mao Chao that Gou Teng previously said, he was the one who chased after Fairy Zhen.

"Your tone is still rough as usual, it is you," Mao Chao said to Fairy Zhen.

Mao Chao seemed to be very used to this, Mao Chao seemed used to Fairy Zhen's words.

"Hmpp" Fairy Zhen sniffed coldly when she heard Mao Chao's words.

"Fairy Zhen, take a good look, I have now reached the sixth level, so I should be able to catch up with you," Mao Chao said to Fairy Zhen.

Mao Chao looked extremely proud when he showed his possession of the sixth-tier Alchemist badge.

"Sorry but I already have someone I like," Fairy Zhen said to Mao Chao.

Fairy Zhen told Mao Chao that she had someone she liked.

"what?" Mao Chao looked very surprised when he listened to what Fairy Zhen had to say.

Mao Chao looked in deep shock as he listened to what Fairy Zhen had to say.

"Master! !" the two people behind Mao Chao immediately went to help Mao Chao who looked like he was about to fall.

"It's okay, I'm fine." Mao Chao told his two disciples that he was fine.

Mao Chao looked at Fairy Zhen with a very sharp gaze, it seemed that he was trying to find out the truth of what Fairy Zhen had previously said.

"I don't believe you have a crush, I don't believe in that" Mao Chao said that he didn't believe what Fairy Zhen said.

Mao Chao had never listened to rumors about this matter, so it was not surprising that he did not believe what Fairy Zhen had to say.

"It's up to you if you don't believe it." Fairy Zhen didn't mind if Mao Chao didn't believe her words.

"If what you say is true, then where is he now?" Mao Chao asked where the man Fairy Zhen was referring to.

"That" Fairy Zhen looked at Ye Chen, she looked at Ye Chen with a strange look.

Ye Chen didn't understand why Fairy Zhen was looking at him with that look, he didn't understand why Fairy Zhen was suddenly staring at him.

"I won't tell about this matter," Fairy Zhen told that she wouldn't tell Mao Chao about the person she likes

"So then I won't care if you have someone you like, I'll keep chasing you," Mao Chao told if he doesn't care about this matter and will continue to chase Fairy Zhen.

"You" Fairy Zhen pointed at Mao Chao, this man was so annoying, this man never gave up on him.

"I don't care about that, I will make sure that you become mine," Mao Chao said that he would not let Fairy Zhen go, he would make sure that Fairy Zhen would become his wife.

"Old man, don't you have any work to do other than bother us?" Ye Chen started to speak to Mao Chao, himself driving Mao Chao away from this place.

Ye Chen didn't really like Mao Chao's way of bullying Fairy Zhen, this man was trying to bully Fairy Zhen.

"Hey kid, what do you know about this matter, you should mind your own business," Mao Chao told Ye Chen to mind his own business.

"This is also my business, you should know that she is the Master, so I must protect her when she is bullied by a bad man like you," Ye Chen told Mao Chao that he would not stay silent with this matter.

"Hahaha, so you are the disciple, then you will be calling me Master, " Mao Chao said to Ye Chen.

"Hahaha, who wants to call an ugly person like you a teacher, I won't want to do that" Ye Chen said that he wouldn't want to call Mao Chao a teacher.

" What did you say?" Mao Chao looked very angry when he heard what Ye Chen said, he was very angry when he heard Ye Chen insult him.

Keep in mind that Mao Chao is quite a handsome man, he has many female pursuers of various ages and circles.

These women chased after Mao Chao because of Mao Chao's status as a high-level Alchemist, if they were with Mao Chao then their lives would be guaranteed.

"I said you are ugly and have an evil heart that is not good, plus it seems that you have weak bodily functions," Ye Chen said to Mao Chao, Ye Chen was not half-hearted in insulting Mao Chao.

"You" Mao Chao pointed at Ye Chen, he didn't expect that Ye Chen would reveal his secret in front of Fairy Zhen who was the woman he liked.

"You look at your appearance, are you not ashamed to insult our Master with such an appearance," said one of Mao Chao's disciples to Ye Chen.

Mao Chao's disciple alluded to Ye Chen's ugly appearance, Ye Chen's appearance could be said to be strange and ugly.

Mao Chao praised his disciple who was very smart and willing to help him, Mao Chao felt very lucky because he got the disciple.

"What's wrong with my appearance, is there a problem with my appearance?" Ye Chen asked the disciple of Mao Chao.

"You look so ugly and ugly, aren't your parents ashamed to have a child-like you?" Mao Chao's disciple said to Ye Chen.

The disciple that Mao Chao raised had a very bitter mouth, if ordinary people met him, they would lose against someone like this.

"It doesn't matter if I look ugly, the most important thing is that I can be with a beautiful woman, right master" Ye Chen stretched his hand towards Fairy Zhen's plate, Himself started to act intimately with Fairy Zhen.

Mao Chao and his two disciples were immediately dumbfounded when they saw what Ye Chen did, what Ye Chen did was very brave.

Ye Chen hugged the beautiful Fairy Zhen right in front of Mao Chao, this was certainly very surprising for Mao Chao.

Chapter 1298 - [Bonus]challenge From Mao Chao

Not only was Mao Chao surprised by this, Fairy Zhen who was in Ye Chen's arms also looked very surprised when she saw Ye Chen hugging herself in front of Mao Chao.

According to Fairy Zhen, Ye Chen was very brave, Ye Chen had hugged herself right in front of Mao Chao who was chasing after her.

It just so happened that Fairy Zhen was unable to drive Ye Chen away from her, if Fairy Zhen did that, then she would embarrass Ye Chen.

Fairy Zhen didn't want that to happen, so Fairy Zhen had to let Ye Chen hug her.

Ye Chen was extremely intelligent, this man had been looking for an opportunity within the narrowness, he had managed to benefit from what had happened between Fairy Zhen and Mao Chao.

"You . . . , quickly let her go, how can you hug her like that?" said Mao Chao in a snapping tone of voice.

It could be seen that Mao Chao was extremely jealous of what Ye Chen had done to Fairy Zhen.

"Who the hell are you, you don't have the right to control me, even my master doesn't mind small things like this" Ye Chen said to Mao Chao.

Ye Chen showed an evil face to Mao Chao, he did this to make Mao Chao's mentality drop.

"Damn it" Mao Chao couldn't stand what Ye Chen did, he really couldn't stand what Ye Chen did to Fairy Zhen.

From Mao Chao's body came out a very powerful profound flame, Mao Chao's profound flame was purple, which was very different from the profound fire that most people had.

Ye Chen saw the profound fire that Mao Chao had, he could sense that it was the profound fire that came from a high-rank Magical Beast.

The fire that Mao Chao gave off was indeed a Magical Beast's profound flame, it seemed that this man had stolen the Magical Beast's Profound Flame core.

What Mao Chao did cause a huge commotion, everyone present immediately looked at Mao Chao and Ye Chen, they all saw what happened.

"Mao Chao, what are you trying to do?" Fairy Zhen asked what Mao Chao was doing.

"I will destroy this brat." Mao Chao told Fairy Zhen that he wanted to destroy Ye Chen.

"How dare you say that who told you to do that to my disciple" Fairy Zhen looked displeased with what Mao Chao had just said, she didn't want Mao Chao to do anything bad to Ye Chen.

"I don't care about this, today the brat must die" Mao Chao didn't care anymore about Fairy Zhen's request, he had a grudge against Ye Chen who had dared to hug his future wife.

"I won't let that happen," Fairy Zhen told that she wouldn't let Mao Chao do anything bad to Ye Chen.

"Hahaha, you want to destroy me? it's very funny" Ye Chen laughed when he saw Mao Chao who wanted to destroy Ye Chen.

To be honest Mao Chao's strength was very low, it seemed he was too focused on Alchemy which made him never cultivate.

With Mao Chao's weak strength, Ye Chen's confidence became very high, Ye Chen was very confident that he could fight Mao Chao and win against this man.

"Stop right there" when both sides were about to do battle, Gou Teng came, Gou Teng immediately stopped the battle that was going to be fought by Ye Chen and Mao Chao.

"Gou Teng, why did you stop me?" Mao Chao looked displeased when he saw Gou Teng stopping him.

Currently, Gou Teng and Mao Chao were Alchemists of the same level, so it was not surprising that Mao Chao addressed Gou Teng without an honorific title.

"Mao Chao doesn't be so arrogant just because you are now an Alchemist at the sixth Tier" Gou Teng warned Mao Chao that he should not be arrogant just because he had become an Alchemist at the sixth Tier.

"You and I are now the same, so don't think that I will think of you as a superior person," said Mao Chao to Gou Teng.

Mao Chao didn't care what Gou Teng said at all, he felt very proud of who he was now.

Gou Teng couldn't help but shake his head when he saw Mao Chao's demeanor, this man only got more arrogant after reaching the top.

"Mao Chao, this is an important meeting, so don't make an unnecessary fuss, if you want to fight, you can wait for the Alchemy competition which will be held after this." Gou Teng warned Mao Chao not to make a fuss and wait to settle matters in the future competition later.

"That's right, there will be a competition later, I want to see if your disciple dares to fight these two disciples of mine" Mao Chao remembers that later there will be a competition that will occur, Mao Chao intends to challenge Ye Chen using his two disciples.

"Of course I dare, why not" Ye Chen immediately answered the challenge given by Mao Chao, Ye Chen was not at all afraid of the challenging given by Mao Chao.

"Then if you lose to my two disciples, I want you to leave Fairy Zhen," Mao Chao told Ye Chen to leave Fairy Zhen if he lost to his two students.

"No problem, I can do that, but if your two disciples lose, you should just leave and never come to see my Master again," Ye Chen said to Mao Chao.

"Agreed" Mao Chao very quickly agreed with what Ye Chen said.

Mao Chao was very confident in his disciple's abilities, so it was not surprising that Mao Chao was very confident that he could win against Ye Chen.

Mao Chao will make his two disciples beat Ye Chen, he will make sure Ye Chen is humiliated by his two disciples.

"let's go" Mao Chao invited his two disciples to leave Ye Chen and Fairy Zhen's side.

"Ye Chen do you know what you have done?" Fairy Zhen asked Ye Chen.

Fairy Zhen was angry with Ye Chen's decision, Ye Chen's decision was very reckless.

"Of course I know what I'm doing." Ye Chen said that he knew what he was doing.

"If you know, then why did you do that, you should know that Mao Chao's disciples are very great Alchemists, they are very difficult opponents to deal with," Fairy Zhen said to Ye Chen.

"They don't look great, so you don't have to worry about this matter, after all, I did this for you, I don't want you to be bothered by it anymore," Ye Chen said to Fairy Zhen.

Fairy Zhen was touched by Ye Chen's words, Ye Chen's words were very touching, Ye Chen wanted to protect Fairy Zhen and Mao Chao, this touched Fairy Zhen's, little heart.

"Master Gou, I want to know the level of Mao Chao's disciple." Ye Chen wanted to know the level of Mao Chao's two disciples.

"Mao Chao's two disciples are named Fai Tui and Kun Paen, if I'm not mistaken, both of them are in the fourth Tier, besides Fai Tui is also almost Tier 5" Gou Teng told about the identity of the two disciples of Mao Chao.

Chapter 1299 - Learn New Alchemy Skills

"Oh I see, so both of them are above me" Ye Chen muttered in a slightly low voice.

"Both are above you, it looks like it will be an unequal match," said Gou Teng to Ye Chen.

Gou Teng felt that this match was extremely unbalanced, both of them were on different levels, so this would be very difficult for Ye Chen.

"It's not a big problem, I can handle it," Ye Chen said that he could handle this.

"You have very, very good self-confidence, I like it" Gou Teng was satisfied with Ye Chen's confidence.

"Then enjoy the time you have, I will go," Gou Teng said that if he had to go, Gou Teng wanted to give a welcome to everyone in this place.

"Ye Chen" Fairy Zhen called out Ye Chen's name.

" what is it?" Ye Chen asked what Fairy Zhen needed.

"How long are you going to hug me like this?" Fairy Zhen said to Ye Chen who was still hugging her waist.

From earlier, Ye Chen didn't let go of Fairy Zhen, Ye Chen was still hugging Fairy Zhen's waist.

Fairy Zhen's dish was very comfortable, so it was not surprising that Ye Chen was very interested in this.

"Oh, I'm sorry" Ye Chen apologized to Fairy Zhen, he didn't realize that he was still hugging Fairy Zhen.

"Hmmp" Fairy Zhen sniffed coldly at Ye Chen, it seemed that Fairy Zhen seemed dissatisfied with what Ye Chen had done.

After the incident just now, the situation became awkward, Ye Chen and Fairy Zhen were unwilling to start their conversation.

"Applause" someone claps, this indicates that the event is about to start.

"Hello everyone, welcome to the meeting that we regularly hold, I'm glad that we are still given a long life to be able to meet at this event." An old man appeared, this old man looked much older than Gou Teng.

"Who else is it?" Ye Chen immediately asked Fairy Zhen about the man who was giving a greeting to everyone in this place.

"He is Mo Linbei, he is the head of the Alchemist association in the Sky Cloud Peak Star Realm, it can be said that he is the number one person in this Alchemist association" Fairy Zhen explained to Ye Chen about the identity of this old man.

"So he is the most powerful person in this place" Ye Chen nodded, he now knew who this man in front of him was.

"I won't talk much in front of you, I will let the genius Mao Chao speak and impart knowledge to all of you in this place," Mo Linbei said that if he wasn't going to give a speech, he would let Mao Chao do it.

Mao Chao immediately came forward, he immediately went and gave a few words to everyone present in this place.

Mao Chao gave a very, very long speech, it was quite boring when Ye Chen was told to listen to what this person had to say.

On the other side, everyone looked very happy when they saw what was happening, they all listened to the long speech delivered by Mao Chao.

Mao Chao was like an idol to the Alchemists in this place, he had truly become a person who greatly inspired everyone.

After long hours, Mao Chao finally finished his speech, Mao Chao finished his speech and got off the stage.

"Alright, that's all Mao Chao's few words, now you can discuss what you want, one more thing, the Alchemist competition for the younger generation will be held tomorrow, I hope you elders prepare your disciples in good condition, of course, there will be a prize for the winner." Mo Linbei told everyone that the competition would be held tomorrow.

Everyone looked very excited when they heard this, the young talent started to get excited when they heard there would be a prize for the winner.

After saying such a thing Mo Linbei stepped off the stage, she went back and discussed with the people present in this place.

"Ye Chen, let's go" Fairy Zhen took Ye Chen away from this place.

Since the competition would be held tomorrow, there was no point for Fairy Zhen and Ye Chen to continue in this place.

"Come on" Ye Chen very quickly agreed to Fairy Zhen's invitation, he and Fairy Zhen immediately looked for an inn that they could use at night.

Ye Chen and Fairy Zhen had a little trouble when they wanted to find a place to stay, all the inns around this place were already booked by everyone.

After searching for some time, Ye Chen and Fairy Zhen finally found one place that was still empty.

Since there was only one place left Ye Chen and Fairy Zhen had no choice but to share the same room.

"Is it okay if we share the same room?" Ye Chen asked Fairy Zhen.

"No problem, this is the only place that is still vacant, so we have no choice but to accept this" Fairy Zhen said to Ye Chen.

"I will go out first, you can rest for tomorrow's competition, don't lose to Mao Chao's two disciples," Fairy Zhen told Ye Chen not to lose to Mao Chao's two disciples.

"Don't worry, I will win against these two, after all, it's about your reputation right?" Ye Chen said to Fairy Zhen.

Fairy Zhen continues to be touched by what Ye Chen is doing, Ye Chen's words are very touching.

"I'll go first," Fairy Zhen said that she would go out.

"Okay" Ye Chen nodded, he will guard this place until Fairy Zhen returns.

Fairy Zhen came out of the inn, she went to do something important.

Ye Chen immediately went to the bed provided in this place, immediately sat down cross-legged, and started practicing alchemy.

Ye Chen had to practice his Alchemy skills a bit, this was to prepare for tomorrow's competition.

"Yuechan, please take out all the collections of Alchemy skills that are inside the fairy gates." Ye Chen told Chu Yuechan to take out all of the collections of Alchemy that were inside the fairy gates.

"Do you want to learn everything?" Chu Yuechan asked Ye Chen.

"Of course, I want to learn everything, so bring out all the best techniques and methods available" Ye Chen wanted Fairy Zhen to put everything she had, Ye Chen would start learning everything.

"Okay, I see." Chu Yuechan understood, she immediately took out everything she had.

Several piles of books and scrolls appeared in front of Ye Chen, Ye Chen immediately picked up and studied everything.

Ye Chen sank deep enough, he studied everything in the book that Chu Yuechan had just released.

.

.

Meanwhile.

Fairy Zhen is currently heading into the Alchemist Association, she wants to buy some materials for the medicinal pavilion's needs.

Fairy Zhen deliberately didn't invite Ye Chen, she didn't want Ye Chen to pay for this, so she decided to settle this business personally.

Fairy Zhen handed over all the materials she needed to the receptionist in charge.

The receptionist immediately went and returned all the materials Fairy Zhen needed.

"Fairy Zhen, you are here, I've been looking for you everywhere" Mao Chao came over to Fairy Zhen.

Chapter 1300 - Fairy Zhen Under The Influence Of Aphrodisiac (1)

"Mao Chao are you not tired of always following me like this?" Fairy Zhen started to feel uncomfortable when she saw that Mao Chao always followed her wherever she went.

To be honest, what Mao Chao did was very much a nod to Fairy Zhen, Fairy Zhen didn't like what Mao Chao did at all.

"Come on, don't be like that, aren't we quite close acquaintances, are you interested in the ancient Manual I'm studying?" Mao Chao said to Fairy Zhen that he was studying an unsolved ancient manual.

"What kind of pill manual have you managed to find?" when Mao Chao talked about this, Fairy Zhen was immediately intrigued, she was immediately intrigued when she heard Mao Chao talk about the ancient Manual Pill.

"If you are curious about the matter, why don't you come with me, I will show you what I found, it will make you very interested," Mao Chao told Fairy Zhen to come with him, so Fairy Zhen could see for herself what which he found.

Fairy Zhen was a little hesitant when she heard this, she was a little hesitant when it came to following Mao Chao.

However, Fairy Zhen felt that she was very curious about what Mao Chao had just said.

"What's wrong, don't you want to see it, then I won't force you," Mao Chao said that he wouldn't force Fairy Zhen to come with him.

"Okay, I'll go see what kind of ancient manual you have, I'm really curious about what you have" Fairy Zhen was very curious about this, so it wasn't strange that she wanted to come along with Mao Chao.

"Very good, then come with me." Mao Chao looked very happy when he saw Fairy Zhen willing to come with him.

There was a smile of satisfaction when Mao Chao saw Fairy Zhen willing to voluntarily come along with him.

After Fairy Zhen received all her orders, Fairy Zhen immediately left with Mao Chao.

Fairy Zhen and Mao Chao went to a place that had been prepared by Mao Chao, both of them went straight into a room that was quite closed and a little dark.

When Fairy Zhen entered this room, she could smell a very strong incense smell, this incense smell filled the entire room.

"Where's the ancient manual you said?" Fairy Zhen immediately asked where is the ancient Manual that Mao Chao said.

"Hehehe, I'm just lying to you, my goal is to bring you to this place because I want to eat you," Mao Chao said that he said that he wanted to eat Mao Chao.

"what ! ! !" Fairy Zhen was shocked when she heard what Mao Chao said, she did not expect that Mao Chao framed her.

Fairy Zhen was starting to feel a little dizzy, her head was starting to feel confused.

"This" Fairy Zhen could feel her body change, she looked at Mao Chao who was in front of her, Mao Chao smiled evilly at Fairy Zhen.

Fairy Zhen finally realized the smell that was in this room, Fairy Zhen just realized that this was the smell of the Aphrodisiac medicine that had been spread into this room.

"You will no longer be able to run from me, soon you will be mine" Mao Chao smiled at Fairy Zhen, it was obvious that Mao Chao was very happy about this.

Mao Chao bumped into Fairy Zhen's body, Mao Chao trying to push Fairy Zhen away.

Fairy Zhen was dropped to the ground, Mao Chao was now hugging Fairy Zhen's body in front of him.

Fairy Zhen tried to rebel, herself tried to rebel against Mao Chao.

Fairy Zhen tried to kick Mao Chao's younger brother, Fairy Zhen immediately used her full strength to do just that.

"Arghhh" Mao Chao immediately screamed in pain, it was obvious that Mao Chao was in very, very bad pain.

Mao Chao immediately grabbed his young brother, he held onto the one that Fairy Zhen had just kicked.

"I have to leave this place immediately" Fairy Zhen had to leave this place immediately, otherwise something bad would happen.

Fairy Zhen immediately left this place, she used all the strength she had to leave this place.

"Damn where are you going" Mao Chao shouted at Fairy Zhen who had already left this place.

Mao Chao was still in excruciating pain, it was very difficult for Mao Chao to catch up to Fairy Zhen.

"Damn it" Mao Chao screamed in pain, he was screaming in pain from Fairy Zhen's attack.

Not only was he unable to protect Fairy Zhen, but Mao Chao also had to suffer the pain of Fairy Zhen's kick.

Mao Chao curled up on the ground, trying to endure the pain he was experiencing.

.

.

Fairy Zhen left this place, she left with a body that was already very weak and helpless.

"I have to go back soon, otherwise it will be more dangerous" Fairy Zhen must return quickly, otherwise her consciousness will soon disappear.

If Fairy Zhen lost her consciousness, then it would be a very chaotic thing.

Fairy Zhen could be abused by other people she met on the street.

Fairy Zhen walked with a bit of a stagger, she had a lot of trouble walking.

.

.

Ye Chen was currently very focused on learning the alchemical techniques that Chu Yuechan had given him, he was currently immersed in learning all the ancient skills that were extremely difficult to obtain.

While Ye Chen was studying, Ye Chen found that his heart was a little uncomfortable, he felt an uncomfortable feeling in his heart.

"How strange, why can't my heart calm down?" Ye Chen felt that his heart couldn't be as calm as usual, there was excessive anxiety and worry in his heart.

Ye Chen couldn't study in this state, he couldn't possibly learn anything in an unsettled state of heart.

Ye Chen put all the books he was studying, Ye Chen immediately left this room.

Ye Chen took a walk to get some fresh air, Ye Chen felt that he needed some fresh air to calm his feelings.

Ye Chen flew around this place, walking around while finding a beautiful place to calm his heart.

Just as Ye Chen was strolling through the crowd, someone bumped into Ye Chen by accident.

Ye Chen immediately saw the person who bumped into him, when Ye Chen saw the other party, Ye Chen discovered that the other party was Fairy Zhen.

Fairy Zhen's appearance was a little strange, her face looked extremely red, plus her breathing seemed very fast as if she had just been chased by a deadly monster.

"Fairy Zhen is that you" Ye Chen tried to help Fairy Zhen who was in front of him.

When Ye Chen was about to help Fairy Zhen, Ye Chen found that Fairy Zhen immediately hugged him.

"You, this is very uncomfortable please help me," Fairy Zhen told Ye Chen to help herself.

Fairy Zhen was completely unaware that the person in front of her was Ye Chen, she was already in complete control of the Aphrodisiac used by Mao Chao.

The aphrodisiac used by Mao Chao looked so powerful, Fairy Zhen had completely lost control of her mind and body.

" What kind of help?" Ye Chen was still not aware of what had happened to Fairy Zhen.

"help me, do me," Fairy Zhen said very words lewd.

Ye Chen was surprised by the courage that Fairy Zhen spoke, Fairy Zhen was very brave in saying provocative words
