

A True God 1301

### **Chapter 1301 - Fairy Zhen Under The Influence Of Aphrodisiac (2)**

Seeing Fairy Zhen's strangeness, Ye Chen immediately saw Fairy Zhen's condition was like, when Ye Chen saw Fairy Zhen's condition, Ye Chen found that Fairy Zhen was currently under the influence of drugs.

"What happened, why did he become like this, who did this to her?" Ye Chen started to wonder in his mind, he wanted to know who had done this to Fairy Zhen.

"Master, you should take care of him first, it seems his condition is getting worse, the medicine in her body looks quite strong, I'm afraid something bad will happen to him," Chu Yuechan told Ye Chen that Fairy Zhen's condition seemed to be getting worse, if it continued like this, then Fairy Zhen will experience worse things than this.

"I understand about that too" Ye Chen also understood what Chu Yuechan meant, he had to do something to Fairy Zhen immediately.

Ye Chen directly brought Fairy Zhen back to the inn they had rented.

Right now Ye Chen couldn't talk to Fairy Zhen, so he didn't know who had given Fairy Zhen the Aphrodisiac.

It would take Ye Chen a very long time if he searched for the whereabouts of the person who had done this to Fairy Zhen, so Ye Chen could only use his means to save Fairy Zhen.

Ye Chen carried the unconscious Fairy Zhen, currently, Fairy Zhen was constantly writhing in Ye Chen's arms.

It was obvious that Fairy Zhen was like a hot caterpillar, she looked very uncomfortable and needed someone to heal her.

Ye Chen tried to lay Fairy Zhen's body on the bed, when Ye Chen wanted to do this, Fairy Zhen seemed to be holding Ye Chen tightly using her two arms.

Fairy Zhen didn't want Ye Chen to walk away from her, Fairy Zhen didn't let Ye Chen go and embraced Ye Chen using her two arms.

"Please don't go, help me overcome this discomfort" Fairy Zhen tried to ask Ye Chen for help, Fairy Zhen's voice was very soft, this made Ye Chen feel excited.

Fairy Zhen now looks very beautiful, she is very tempting, plus Milf's body which has developed very well is very tempting to eat.

A young man like Ye Chen couldn't possibly put up with this beautiful thing in front of him.

"Well, it's time to help her" Ye Chen immediately took off Fairy Zhen's clothes, Ye Chen granted Fairy Zhen's request that he wanted her to help solve this problem.

Ye Chen untied Fairy Zhen's belt, when Ye Chen did this, Fairy Zhen's beautiful body was presented in front of Ye Chen.

Ye Chen admired the beautiful work in front of him, this masterpiece was truly amazing.

Ye Chen licked his tongue, he liked Fairy Zhen's mature body.

"This is truly a blessing from the heavens." Ye Chen felt that this was a blessing bestowed upon him by the heavens.

"Come on, hurry up, do it." Fairy Zhen really couldn't stand this torture anymore, she told Ye Chen to immediately help her overcome this very uncomfortable void.

"Don't worry, I will help you right away." Ye Chen told Fairy Zhen that he would help her.

Ye Chen stretched his hand towards Fairy Zhen's body, he will try to help Fairy Zhen in detoxifying the aphrodisiac in Fairy Zhen's body.

Ye Chen will try to satisfy Fairy Zhen's desire so that he can weaken the Aphrodisiac.

"Ah. . . , yes . . ." Fairy Zhen started to moan when she felt the touch of Ye Chen's hand which was very pleasant, this feeling was greatly missed by Fairy Zhen.

Honestly, Fairy Zhen always missed Ye Chen's feeling of touch, this kind of feeling haunted Fairy Zhen every night.

Fairy Zhen always dreamed of doing lewd things with Ye Chen, this made Fairy Zhen feel very embarrassed because she dreamed of doing reckless things with a man who was much younger than her.

That's why Fairy Zhen never discussed this matter with anyone, even Fairy Zhen buried this matter in her mind so that no one would know about it.

Now that Fairy Zhen had regained the comfort that Ye Chen gave her, she was naturally very satisfied.

"Very good, please be stronger" Fairy Zhen seemed to like this, she felt that the uncomfortable feeling was starting to be replaced by the comfortable feeling that Ye Chen gave.

Fairy Zhen's voice was very seductive, it made Ye Chen feel the heat all over his body.

Ye Chen saw Fairy Zhen's reaction, it seemed that what Ye Chan had done had worked.

Ye Chen started to get more serious, he used all the strength he had to please Fairy Zhen.

"ahhhh. . ." After a while receiving Ye Chen's attack, Fairy Zhen has finally reached the pinnacle of ultimate happiness, she has tasted what the pleasures of this world are like.

"Does this work?" Ye Chen wanted to see if what he was doing worked or not, he wanted to see Fairy Zhen's reaction.

"umm," Fairy Zhen opened her eyes, Fairy Zhen got up from the bed, and started to pounce on Ye Chen who was in front of her.

"I want you, quickly give it to me," Fairy Zhen said that she wanted Ye Chen, from her eyes alone it could be ascertained that Fairy Zhen intended to eat Ye Chen.

Fairy Zhen began to disarm all of Ye Chen's Armor, she disarmed everything so that only Ye Chen's big gun remained.

"Fairy Zhen wait a moment" Ye Chen tried to stop Fairy Zhen, unfortunately, Fairy Zhen's movement was very fast, all the clothes on Ye Chen's body had already been stripped by Fairy Zhen.

"Um. . ., it's huge." Fairy Zhen saw Ye Chen's huge weapon, she didn't expect that Ye Chen would have such a huge and long weapon.

Fairy Zhen really couldn't stand it when she saw Ye Chen's enormous size, she wanted to immediately use this to get rid of the uncomfortable feeling in her body.

Fairy Zhen wasn't a young woman who didn't know anything about love, Fairy Zhen of course knew the basics of the relationship between a boy and a girl.

So Fairy Zhen already knew what she had to do now, Fairy Zhen rode Ye Chen's body, she immediately started a battle with Ye Chen.

"Ummm" Fairy Zhen groaned, she felt very intense pain on her part.

Fairy Zhen was still the first time, so it wasn't strange that she got sick trying on Ye Chen's abnormally sized thing.

Ye Chen didn't expect Fairy Zhen to be so aggressive, Fairy Zhen started the battle without waiting for Ye Chen's preparation.

Because the effect of the Aphrodisiac is quite strong, the pain quickly disappears, the feeling of pain is immediately replaced by a very comfortable feeling.

"I will start, prepare yourself" Fairy Zhen looked delirious, she said to Ye Chen that she would start.

Fairy Zhen started to move up and down, she used her honey cave to soften Ye Chen's weapon.

"amazing, it's so tight and warm" Ye Chen felt a comfortable feeling, he was being squeezed by Fairy Zhen.

Ye Chen couldn't believe that Fairy Zhen would have this kind of skill, this woman had extraordinary innate skills, she had the capital that could please Ye Chen.

### **Chapter 1302 - Fairy Zhen Under The Influence Of Aphrodisiac (3)**

"This is great I like it, your thing is very rough and very hard," Fairy Zhen said that Ye Chen's was very pleasant, he liked this.

Fairy Zhen was so wild, it was quite different from the usual Fairy Zhen.

The aphrodisiac of Mao Chao is indeed very powerful, it can make any woman go wild when she inhales it.

"Ah. . ." Fairy Zhen's moans echoed in this room, moaning this was very comfortable to listen to.

Ye Chen initially became passive and accepted Fairy Zhen's attack, but after a while, Ye Chen decided to counterattack on Fairy Zhen.

Himself pushing Fairy Zhen and starting to take control, Ye Chen did Fairy Zhen with all the strength he had.

"Beautiful sister, you will be mine, do you want more?" Ye Chen wanted to conquer this Beautiful Milf, he wanted to make Fairy Zhen her Love.

"Yes, I want more, please do it harder, make me a mess" Fairy Zhen answered Ye Chen's question, she wanted Ye Chen to become a strong man.

Ye Chen became even more excited when he heard what Fairy Zhen had to say, he used his weapon which was at full power to penetrate Fairy Zhen's flower core.

"Um. . ." Fairy Zhen immediately felt that her body felt so full, Ye Chen's had ventured too far to penetrate a part that no one in this world had ever touched.

Fairy Zhen's stomach slightly bulged, Ye Chen's thing was too big for Fairy Zhen's body to hold.

Ye Chen lowered his head, he started sucking Fairy Zhen's two Cherry buds which looked very delicious to eat.

"Ah. . .don't stay there." Fairy Zhen groaned when Ye Chen did this, she felt double comfort when Ye Chen did this to her.

Ye Chen's skills were excellent, so it wasn't surprising that he was able to give Fairy Zhen great comfort.

Ye Chen tried to use his power to get Fairy Zhen's pleasure, he used all his abilities to please Fairy Zhen.

Ye Chen wanted to subdue Fairy Zhen and make her his wife, so Ye Chen should be able to carve himself in Fairy Zhen's memory.

Ye Chen and Fairy Zhen had a fairly long battle, Fairy Zhen right now was like a ship bobbing in the middle of a turbulent sea.

Fairy Zhen had already obtained satisfaction several times, she couldn't remember how many times Ye Chen had beaten her body.

Ye Chen did not forget to help Fairy Zhen in doing Dual Cultivation, everything was done by Ye Chen, meanwhile, Fairy Zhen was only passive in accepting what Ye Chen gave.

After a long battle for several hours, Ye Chen had finally reached his limit, himself giving all of his accumulated Yang Qi essences to Fairy Zhen.

"splur." Yang Qi Ye Chen was given by Fairy Zhen, Yang Qi Ye Chen made Fairy Zhen's body feel warm and filled with tremendous power.

Fairy Zhen's stomach was full, it was bloated until it looked like a pregnant woman.

"It's finally over" Ye Chen was relieved that it was all over, Ye Chen enjoyed doing it together with Fairy Zhen.

Ye Chen looked at Fairy Zhen who was beside him, when Ye Chen looked at Fairy Zhen, Ye Chen found that Fairy Zhen was sleeping very soundly.

All the aphrodisiacs in Fairy Zhen's body had been eliminated by Ye Chen, now Fairy Zhen is in a safe condition.

Ye Chen slept hugging Fairy Zhen, he slept hugging the beautiful Milf in front of him.

.

.

At the headquarters of the organization Code Breaker, there was currently someone reporting something to Li Gun.

"So the person who stole the Solar Stone has been found, that's great, then immediately find our best person to catch him" Li Gun looked very happy when he heard this news, in the end, these people did a very good job, they very useful for Li Gun.

"He's just a disciple, so there's no need to send someone strong to kill him," Number 2 told Li Gun not to send someone strong, they just need to send a few small people to kill Ye Chen.

"Yeah, maybe you're right, it would be very conspicuous if we sent the best person we have." Li Gun agreed with Number 2, they didn't need to send anyone to snatch the Solar Stone from a disciple's hands.

"Send some people with slightly higher cultivation, have them kill this person and bring the Solar Stone back, do this very well, don't make a mistake." Li Gun gave an order to send some people with fairly high cultivation, he wanted these people to deal with Ye Chen.

"Okay, I understand" this man nodded, he immediately went to do as Li Gun ordered.

"Number 2, how are our preparations, is everything done?" Li Gun asked Number 2, Li Gun wanted to know if the preparations were complete.

"Preparations will take a few more months, after all the preparations are complete we can start our attack again," Number 2 told Li Gun that preparations would take a few more months.

"Can't it be faster?" Li Gun asked if the preparations couldn't be accelerated anymore, he wanted to kill Li Kun immediately.

"We must not be rash like before, this time we must muster a much greater force than before, plus the Nine Immortals Peak Sect is still around, we must destroy the Nine Immortals Peak Sect before destroying the Immortal Sky Empire," Number 2 said to Li Gun.

"If that's the case then I have no choice but to be patient, then I'll go for closed-door training," Li Gun said that he would do closed-door training while waiting for all the preparations to finish.

Li Gun left this place, now in this place, only a few people were sitting in a row.

"Number 1 is in such a hurry, he wants to take down the King Realm immediately," Number 2 said to everyone in this place.

"Let him do what he wants, let's just focus on our goal," Number 3 said to Number 2, they better let Li Gun do what he wants.

They would focus on their desired goal, their goal was much bigger than usurping the throne from the King Realm.

"You're right, we better focus on our goals, we should focus on our own goals", the Immortal Sky Empire is just a stepping stone, want to spread their wings further and become one of the feared forces in God Realm.

Li Gun was currently only thinking about revenge, he had even forgotten their original goal which was much higher than just destroying the Immortal Sky Empire, so Number 2 and Number 3 started planning future strategies.

This is for the sake of the future of the Code Breaker organization, they must do this for the survival and pride of Code Breaker.

.

.

Back to where Ye Chen and Fairy Zhen were.

"Ahhhhhh" Fairy Zhen screamed very loudly, Fairy Zhen's scream was so loud it filled the room.

"What's wrong" Ye Chen immediately woke up when he heard the screams coming from Fairy Zhen, Ye Chen wanted to know why Fairy Zhen was screaming like that.

"Ye Chen, what have you done to me?" Fairy Zhen asked what Ye Chen had done to her.

### **Chapter 1303 - Screams In The Morning**

"What did I do, after what you did to me, you even ask like that, how evil woman" Ye Chen pretended to be sad in front of Fairy Zhen, himself pretended to be sad in front of Fairy Zhen as if he was the victim.

Fairy Zhen became very confused when she listened to what Ye Chen said, she seemed very confused by what Ye Chen said.

Even though she was the one who suffered a loss, but why did Ye Chen look as if he was the victim.

"Ye Chen, what happened, quickly explain to me?" Fairy Zhen immediately grabbed Ye Chen's collar, she immediately asked Ye Chen what happened.

"Calm down first and let me go," Ye Chen told Fairy Zhen to calm down and let go.

"I won't let you go until you tell what happened" Fairy Zhen won't let Ye Chen go before Ye Chen tells her what happened.

"Okay, okay, I'll tell you what happened" after being forced by Fairy Zhen, Ye Chen finally wanted to tell Fairy Zhen what happened.

Ye Chen immediately explained everything to Fairy Zhen, he immediately explained what happened to Fairy Zhen, from start to finish.

Ye Chen didn't hide what happened, he was honest about what happened.

Fairy Zhen's head was immediately dizzy when she listened to Ye Chen's explanation, Fairy Zhen didn't expect that she would do that together with Ye Chen she took the initiative to do that.

Fairy Zhen looked very embarrassed, she was very, very embarrassed when she listened to what Ye Chen said, Ye Chen's story had made her feel very, very embarrassed.

Fairy Zhen didn't expect that she would be so lewd, she was very embarrassed for showing such lewd things in front of Ye Chen.

Fairy Zhen didn't know what else to say, everything had happened, so she couldn't prevent what had happened.

"Ye Chen, you should forget what happened," Fairy Zhen told Ye Chen to forget what happened, Fairy Zhen didn't want Ye Chen to remember such a shameful thing.

"There's no way I can forget what happened, I can't forget what happened," Ye Chen told that he would never forget what happened.

"I don't care about it, what I want is for you to forget about this" Fairy Zhen threatened Ye Chen, she used a little bluff to bully Ye Chen.

"I'm not afraid of your bluff," Ye Chen told Fairy Zhen that he wasn't afraid of Fairy Zhen's bluff at all.

"Ye Chen, why are you so annoying, quickly forget what happened" Fairy Zhen pulled Ye Chen's collar again, she started pulling Ye Chen's collar.

Ye Chen could only surrender when he was treated like this by Fairy Zhen, he couldn't do anything after being treated like this by Fairy Zhen.

"How can I forget what happened, when you are showing everything to me now," Ye Chen said to Fairy Zhen who was still pulling her collar.

Hearing this Fairy Zhen immediately looked down, when Fairy Zhen looked down, Fairy Zhen found that the blanket on her body had disappeared, all of her belongings were now clearly visible to Ye Chen.

"Kyah. . ., Noooooo . . . ." Fairy Zhen immediately took her blanket, she hurriedly covered what she had.

"You saw it?" Fairy Zhen asked Ye Chen who was in front of her.

Fairy Zhen was a very strange woman, she still had time to ask Ye Chen about what happened.

"No, I didn't see it." Ye Chen pretended that he didn't see what was just before his eyes.

"You lied," Fairy Zhen said in a pitiful tone.

Ye Chen's lie had been very obvious, Ye Chen lied to Fairy Zhen about this matter.

Fairy Zhen looked very sad, she looked like she had just been mistreated by Ye Chen and looked very pitiful.

"Calm down, I will be responsible for what I do," Ye Chen said that he would be responsible, there was no way Ye Chen would run away from this responsibility.

Fairy Zhen was a beautiful flower, there was no way Ye Chen would just walk away after doing something bad to Fairy Zhen.

"Who needs responsibility from you, I don't need that at all" Fairy Zhen said that she didn't need responsibility from Ye Chen.

"Huh, why don't you want to?" Ye Chen asked with a little surprise, Ye Chen was quite surprised the answer Ye Chen gave, he was quite surprised by the answer Ye Chen gave him.

"You are still small, how will you be responsible" Fairy Zhen said to Ye Chen.

To Fairy Zhen Ye Chen was still a child, he was still a child and probably didn't know anything about a serious relationship.

Fairy Zhen still didn't know that Ye Chen had many wives, if he knew about this, Fairy Zhen would think again about this matter.

"Who are you calling small, I'm a big boy, you better take your words back," Ye Chen said to Fairy Zhen.

Ye Chen didn't like it when he listened to Fairy Zhen think of himself as small, as a veteran, how could Ye Chen allow someone to think of himself as small.

"You are small so don't argue with it" Fairy Zhen looked displeased as she looked up at Ye Chen who was trying to refute her words.

"Then take a good look at this" Ye Chen showed his capital as a man.

Fairy Zhen immediately showed great surprise when she saw Ye Chen showing his weapon.

"It's too big" In her brain, Fairy Zhen said that Ye Chen has a very large capital, Ye Chen has a very, very large weapon.

Fairy Zhen started to swallow her saliva, it was obvious that Fairy Zhen was in great shock.

"Is this what messed with me last night?" Fairy Zhen didn't expect that Ye Chen would use this to mess with her, she was really surprised to be messed up by something big, long, and looked very strong.

Fairy Zhen couldn't even think how she could survive the invasion of this huge thing, she couldn't even imagine herself last night.

Seeing the reaction shown by Fairy Zhen, Ye Chen looked very very proud, Ye Chen looked very very proud because he was able to make the beautiful Milf mesmerized by his own.

"Ye Chen, You pervert, get rid of that thing quickly" After a moment of shock, Fairy Zhen finally regained her senses, she immediately told Ye Chen to get rid of hers from before her.

Fairy Zhen's mind became lewd when she saw Ye Chen's, so Fairy Zhen couldn't stand it and told Ye Chen to get rid of it.

"Do you believe that I am not a small person?" Ye Chen said proudly.

"Yes, I believe, so quickly hide it, otherwise I will cut it" Fairy Zhen threatened Ye Chen, she couldn't stand Ye Chen's.

"Beautiful sister, don't talk like that, if this is broken who will satisfy you," Ye Chen said to Fairy Zhen who wanted to cut off Ye Chen's.

This was Ye Chen's precious item, if it was damaged then it would be a bad thing for Ye Chen.

"Then quickly get rid of it right now," Fairy Zhen told Ye Chen to get rid it right now, Fairy Zhen couldn't stand what Ye Chen was doing.

#### **Chapter 1304 - Beautiful Sister Wife, Let Me Hug You**

Ye Chen put away his belongings, he removed his belongings from in front of Fairy Zhen.

Ye Chen started to wear his clothes in front of Fairy Zhen, Ye Chen very quickly put on all his clothes, quickly all the clothes that Ye Chen had been already put on.

After Ye Chen put away hers, Fairy Zhen was finally willing to look at Ye Chen.

"So who did this to you?" Ye Chen asked Fairy Zhen about last night's incident, he wanted to know about the person who did this to Fairy Zhen.

"I remember last night, I was with Mao Chao, he was the one who set me up," Fairy Zhen told Ye Chen who had framed her.

"How can you go together with that person, aren't you enemies?" Ye Chen asked Fairy Zhen, Ye Chen couldn't understand Fairy Zhen, why would Fairy Zhen want to go with a man like Mao Chao.

"It is because. . ." Fairy Zhen seemed unwilling to answer Ye Chen's question, she seemed afraid to answer Ye Chen's question.

The reason Fairy Zhen went with Mao Chao was so ridiculous, Ye Chen would be furious when he found out about this.

"Why are you hesitating, quickly tell me, don't tell me you are" Ye Chen started to suspect that Fairy Zhen had something to do with Mao Chao.

"no. . ., no. . ., I didn't do anything like that, I was framed by an ancient manual, so I went with him and ended up being trapped in a room filled with aphrodisiacs," Fairy Zhen said to Ye Chen.

After Ye Chen's insistence, Fairy Zhen was finally willing to admit what had happened, herself admitting what had happened to her all this time.

"How could you be deceived by such a small thing" Ye Chen did not expect that Fairy Zhen would be conned because of a small matter like this, this woman is truly a maniac in Alchemist.

"It can't be helped, he knows that I like it, so I'm easily deceived by him," Fairy Zhen said to Ye Chen.

Fairy Zhen was a person who loved alchemy, so it was not surprising that Fairy Zhen could be easily fooled by Mao Chao.

"Next time you should be a little more careful in what you do" Ye Chen warned Fairy Zhen to be more careful in doing things, lest Fairy Zhen is in this situation.

"Who the hell are you to manage me?" Fairy Zhen said to Ye Chen.

"Hehehe, of course, I'm your husband," Ye Chen said to Fairy Zhen, Ye Chen was very proud to say that he was Fairy Zhen's husband.

"You are too hoping too much," Fairy Zhen said to Ye Chen, Fairy Zhen turned her face away from hers, she turned her face away from Ye Chen.

Ye Chen smiled when he saw Fairy Zhen's reaction, Fairy Zhen's reaction was very good.

"Let's get ready to attend the competition" Ye Chen invited Fairy Zhen to get ready to attend the competition.

"I almost forgot about that matter" Fairy Zhen had almost forgotten that this was a very important day, today there would be a competition going on.

"You go out first, I want to dress up," Fairy Zhen told Ye Chen to leave this place, she intended to change clothes and makeup her messed up appearance because of the battle with Ye Chen.

"Why should you be ashamed of me, I have seen everything," Ye Chen said to Fairy Zhen, Ye Chen told that he had seen everything.

"Ye Chen, you. ..." Fairy Zhen hit Ye Chen's head, she took her anger out on Ye Chen.

"Ouch . ." Ye Chen was hit pretty hard by Fairy Zhen, Fairy Zhen didn't play around when she did that.

"You want to go or want a few more punches" Fairy Zhen threatened Ye Chen, intending to hit Ye Chen who was very lewd.

"Okay. . ., okay I will go, wife, your blanket is back off," Ye Chen told Fairy Zhen that the blanket came back off.

"Ye Chen! ! !" Fairy Zhen shouted Ye Chen's name, she looked very angry with what Ye Chen said.

"Hahaha" Ye Chen smiled as he came out, he liked to tease Fairy Zhen in front of him.

Fairy Zhen was so messed up, how could she not win over a young man like Ye Chen.

Fairy Zhen did not take a blanket to cover her body, Fairy Zhen took a very large size glass from her storage room.

Fairy Zhen started to look at her body in the mirror, Fairy Zhen could see that her body had some marks left by Ye Chen's mischief.

"he is very rude" Fairy Zhen felt that Ye Chen was very rude, Ye Chen left some marks in last night's battle.

Plus her part was swollen by Ye Chen's unreasonable size.

Fairy Zhen saw her, Fairy Zhen felt a big change in her.

Fairy Zhen saw that her body now looked prettier and moister, Fairy Zhen's appearance also looked very beautiful and radiant.

She now looked like a beautiful fairy who could make any man drunk when she saw him.

"what's this ?" Fairy Zhen was shocked when she saw this, she was shocked by the significant changes that had occurred in just one night.

in her heart, Fairy Zhen started to wonder what happened to her, Fairy Zhen wanted to know what happened to her.

"Is it because of last night?" Fairy Zhen started to think about what happened last night with Ye Chen, that was most likely what made her like this.

Fairy Zhen still doesn't know the exact answer about this matter, for sure Fairy Zhen is satisfied with what happened to her.

Fairy Zhen smiled very beautifully, she was happy with what had happened to her body.

Fairy Zhen started to dress up and fix her current appearance which looked quite bad, Fairy Zhen combed her hair, styled her hair, and started to clean her body which was sweaty because of what happened last night.

Fairy Zhen would take a little while to dress up and groom herself.

.

.

Meanwhile, outside Ye Chen was waiting very patiently, Ye Chen was waiting for Fairy Zhen very very patiently.

Ye Chen was used to waiting for a woman to dress up, so he could understand what Fairy Zhen was doing.

After waiting for at least 30 minutes, Fairy Zhen finally came out of her room, Fairy Zhen had recovered her appearance, now Fairy Zhen looked very beautiful and full of irresistible mature charm.

Ye Chen glared at Fairy Zhen, now Fairy Zhen looks even more beautiful.

"Why are you dumbfounded?" Fairy Zhen asked why Ye Chen looked dumbfounded like that.

"wife, you are very beautiful, let me hug you" Ye Chen praised Fairy Zhen, he praised Fairy Zhen who looked very beautiful.

"Ye Chen stop, what are you doing" Fairy Zhen stopped what Ye Chen was trying to do, she tried to stop Ye Chen with the strength she had.

With Fairy Zhen's current cultivation, Fairy Zhen easily pushed Ye Chen away.

Ye Chen was easily pushed away by Fairy Zhen's strength and hit the wall.

This entire building shook when Ye Chen was pushed away by Fairy Zhen.

Fairy Zhen looked surprised by her strength, she just realized that her strength had increased.

**Chapter 1305 - [Bonus ]attend The Competition**

"My strength" Fairy Zhen looked very surprised when she saw that her strength had increased quite a lot.

Previously, Fairy Zhen had not felt the increase in her strength, so it was not surprising that Fairy Zhen was surprised by the increase in her strength.

"Ye Chen are you okay?" Fairy Zhen looked at Ye Chen who was in front of her, she looked surprised when she looked at Ye Chen who was lying on the floor.

Fairy Zhen drew closer to Ye Chen, she checked Ye Chen's condition, whether Ye Chen was okay or not.

When Fairy Zhen confirmed Ye Chen's condition, Fairy Zhen found out that Ye Chen was unconscious.

"Did I push him hard?" Fairy Zhen was afraid that she had pushed Ye Chen hard enough, it must have hurt Ye Chen.

Fairy Zhen used various ways to wake Ye Chen, she used several ways to wake Ye Chen.

Unfortunately, after using several ways to wake Ye Chen, Fairy Zhen found that she couldn't wake Ye Chen

"Ye Chen wake up, don't scare me" Fairy Zhen looked worried about Ye Chen, she was worried that something might happen to Ye Chen.

From the start, this was Fairy Zhen's fault, Fairy Zhen felt very guilty when she saw Ye Chen who was in this situation.

Fairy Zhen started to look desperate when she saw what happened to Ye Chen, Fairy Zhen blamed herself for doing bad things to Ye Chen.

"Umm" Ye Chen opened his eyes slightly, he started to look at Fairy Zhen who looked sad.

"Why do you look sad" Ye Chen said to Fairy Zhen who was hugging her body.

Fairy Zhen immediately looked at Ye Chen, she looked happy when she saw Ye Chen was fine.

"Ye Chen" Fairy Zhen looked at Ye Chen, she hugged Ye Chen with joy.

Fairy Zhen had never felt this kind of excessive worry, this was the first time Fairy Zhen had experienced worrying about someone to such a degree.

Fairy Zhen probably started to know how she felt for Ye Chen, she knew that she probably already had feelings for Ye Chen.

Ye Chen didn't want to get up, he enjoyed being in Fairy Zhen's arms, especially since his head was currently between Fairy Zhen's double peaks, Ye Chen could bury his face between Fairy Zhen's double peaks.

"Are you going to let me hug you?" Ye Chen asked Fairy Zhen.

"Of course" Fairy Zhen very quickly agreed to Ye Chen's request, she wanted to make amends for what she had done.

Ye Chen was quite happy when he heard Fairy Zhen's answer, after hearing Fairy Zhen's answer, Ye Chen tried to be bolder in asking Fairy Zhen.

"Then will you be my wife?" Ye Chen asked Fairy Zhen who was in front of him.

"Um" Fairy Zhen nodded, she answered Ye Chen without much thought.

Ye Chen looked very happy when he heard this, he was very happy when he heard what Fairy Zhen had to say.

Fairy Zhen had received it, this was very, very good news for Ye Chen.

"Then may I kiss you?" Ye Chen became bolder, he asked for something much bolder than before.

"Um. . ." Fairy Zhen just nodded, she nodded at Ye Chen's strange and unreasonable request.

Fairy Zhen was starting to feel something was wrong, she was starting to feel that something was a little off in this place.

After thinking for a while, Fairy Zhen finally figured out what was wrong.

Fairy Zhen finally realized that Ye Chen was playing with her, this man must be pretending to be hurt.

Fairy Zhen immediately pushed Ye Chen away from her, after that Fairy Zhen immediately went away from Ye Chen.

"aw. . ." Ye Chan's head hit the floor, he hit the floor when Fairy Zhen pushed him away.

"wife, what are you doing?" Ye Chen asked what Fairy Zhen was doing, why did Fairy Zhen suddenly push herself away.

Ye Chen, don't pretend anymore, I know what you are doing, you must be faking with me" Fairy Zhen said to Ye Chen.

Fairy Zhen already knew Ye Chen's known meaning, so she wouldn't be fooled again by Ye Chen's method.

"So I got caught, too bad" Ye Chen was disappointed when he saw Fairy Zhen who already knew her intentions and goals, he was disappointed because the charade he was doing was exposed so easily by Fairy Zhen.

"Let's go quickly, if we don't hurry, we'll both be late." Fairy Zhen took Ye Chen away, if they continued to be in this place, they might be late for the competition.

Fairy Zhen didn't want to lose to Mao Chao's two disciples, she wanted Ye Chen to win this battle so that Mao Chao would no longer approach her.

"Alright let's go" Ye Chen immediately got up from the floor, he immediately grabbed Fairy Zhen's hand and started to take her to go to where the competition was.

Fairy Zhen didn't fight back at all when Ye Chen held her hand, she let Ye Chen do this.

This was Fairy Zhen's first time holding hands with Ye Chen intimately, so she enjoyed the moment.

Ye Chen and Fairy Zhen went to the place where the competition was being held.

The two of them arrived at a fairly large stadium, in this stadium already gathered millions of people who were going to watch the Alchemist match.

"Is this the place where the competition will be held?" Ye Chen looked around, he saw that this place was very, very big.

"This is indeed the place, it seems that everyone has gathered to see the upcoming match," Fairy Zhen said to Ye Chen.

Fairy Zhen told Ye Chen that everyone had gathered to see the match between talented young Alchemists, they all couldn't wait to see the younger generations battle in making a pill.

"Isn't this too crowded?" Ye Chen didn't expect that it would become so crowded at all, millions of people came to see the alchemy match held by the Alchemist Association.

"Don't complain anymore, you better prepare for the match, lest you lose to the two disciples of Mao Chao" Fairy Zhen told Ye Chen not to lose the match.

"Okay, I understand but don't forget about my reward later," Ye Chen said to Fairy Zhen.

Ye Chen reminded Fairy Zhen about the prize she would get if she won.

"You" Fairy Zhen pointed at Ye Chen, intending to hit Ye Chen again for teasing him.

Seeing the angry Fairy Zhen, Ye Chen immediately went to the place where the participants gathered, he went to escape the anger of Fairy Zhen.

"Why would I be stuck with a bad boy like this?" Fairy Zhen could only shake her head, why did she have to be stuck with a man like Ye Chen.

Fairy Zhen decided to go to her place, she would monitor the match remotely along with the master Alchemists.

Meanwhile, Ye Chen registered himself, he had to register himself in the competition.

"This is your number, please find a table with the same number as yours." The committee didn't make it difficult for Ye Chen at all, they easily gave Ye Chen a place.

Ye Chen had the Alchemist badge at the third level, so he had the right to take part in this event.

After getting the participant's serial number, Ye Chen immediately went to see the whereabouts of his table.

### **Chapter 1306 - Alchemist Competition Begins**

Ye Chen went to the center of the stadium, it just so happened that in the middle of the stadium there was a fairly large stage, on this stage, there were hundreds of tables lined up very neatly.

Ye Chen went and looked for the whereabouts of his table, a hint is given by the committee, Ye Chen finally arrived in front of his desk.

Ye Chen looked at the participants around him, there were already several participants gathered around this place, they were all standing in front of the table and waiting for the competition to start.

There were not as many participants who attended, so some vacant places were not filled.

Ye Chen saw the whereabouts of Fai Tui and Kun Paen, he wanted to know the whereabouts of these two.

After searching for a while, Ye Chen finally found the whereabouts of Fai Tui and Kun Paen, both of whom were at the very center and would most likely be very conspicuous.

"It seems that this is all arranged." Ye Chen estimated that if this was all arranged, otherwise how could the two be placed in the middle, it would be very conspicuous.

Ye Chen couldn't expect much about this matter, Mao Chao was a high-ranking Alchemist, so it wouldn't be strange if he could keep Fai Tui and Kun Paen at the very front.

Ye Chen wasn't too fussy about this matter, there was no point in fussing over this.

This was just a place, so why get a place that was too conspicuous, Ye Chen preferred to get a place that was not too conspicuous because it would make it easier for him.

"all participants, are you already," a beautiful and sexy woman said to all the participants in this place, this woman's voice is very very comfortable to listen to.

Ye Chen felt familiar when he listened to this woman's voice, Ye Chen decided to take a look at the owner of this voice.

When Ye Chen saw the direction of this voice, he found a very beautiful and sexy woman, this woman was naturally Yan Fei, she was currently the host of this competition.

"What is this woman doing in a place like this?" Ye Chen started to ask what Yan Fei was doing in this place.

Yan Fei was an important guest who was invited by the Alchemist Association to see this match, the Golden King Auction House was the best partner the Alchemist Association had, so it wouldn't be strange that Yan Fei would be invited to a big event held by the Alchemist Association.

"Wow, it's Miss Yan Fei" Everyone looked very surprised when they saw Yan Fei was in this place, they were blown away by the beauty that Yan Fei possessed.

Yan Fei was indeed quite famous, he had countless pursuers and admirers in the entire Sky Cloud Peak Star Realm, so it wasn't strange that many people were excited when they saw Yan Fei was in this place.

Everyone stared at Yan Fei, they were all completely mesmerized by the Charm that Yan Fei had.

"This woman" Yan Fei used her Charm to amaze everyone, this woman's Charm had only gotten stronger since their last meeting.

As Ye Chen was staring at the beautiful and Sexy Yan Fei, Ye Chen could feel a gaze of hatred that was quite strong.

Ye Chen immediately turned to look at the origin of this gaze, when Ye Chen saw origin of this gaze, Ye Chen found that Fairy Zhen was staring at him with a terrifying aura.

"Looks like this woman is jealous" Ye Chen could sense that Fairy Zhen was jealous when she saw Ye Chen staring at Yan Fei.

Ye Chen was happy when he saw this, it seems that Fairy Zhen really fell in love with him, if not then why should Fairy Zhen be jealous when he looks at Yan Fei.

Ye Chen ignored Fairy Zhen's dissatisfied gaze, he continued to observe what Yan Fei was doing.

"This man" Fairy Zhen looked very dissatisfied when she saw Ye Chen who was constantly observing Yan Fei, she was very displeased with this.

Fairy Zhen didn't know where this hatred came from, she hated what Ye Chen was doing right now.

Fairy Zhen didn't realize that she was currently jealous when Ye Chen looked at Yan Fei.

Yan Fei looked at the participants in front of her, she surveyed all the participants in front of him.

When Yan Fei surveyed all the participants, Yan Fei found the presence of Ye Chen, she felt a familiar feeling from Ye Chen.

"Have I ever met him?" Yan Fei started to remember when she had met Ye Chen, she started to remember whether she had met Ye Chen or not.

After trying to think back, Yan Fei didn't remember that she had ever met Ye Chen, so Yan Fei was curious as to where this feeling came from.

Ye Chen smiled at Yan Fei who was currently looking at him, it could be said that Ye Chen was using this smile to greet Yan Fei.

Yan Fei smiled back at Ye Chen, smiled, and waved her hand at Ye Chen.

Yan Fei did this without herself knowing it, she did this according to her heart's desire.

On the other side, Fairy Zhen started to burn with anger, it seemed that Fairy Zhen was jealous when she saw what Ye Chen and Yan Fei were doing.

The other Alchemists started to move away from Fairy Zhen's side, they drifted away when they felt the killing intent from Fairy Zhen.

Everyone didn't know why Fairy Zhen could be like this, they all didn't know why Fairy Zhen let out such a fit of very strong anger.

"Alright everyone, this match will start soon, you guys get ready at your respective tables," Yan Fei told all the participants to get ready because the match was about to start.

The participants immediately got ready, they were all ready for the challenge that Ye Chen would give.

"The first match was very easy, did you see the stone in front of your eyes?" Yan Fei told all the participants to look at the stone in front of them.

All participants looked at the stone in front of them, indeed in front of them, there was a stone the size of a baseball.

"This stone is a special stone, if you can refine it well, then it will change color, the better the ability you have, the better the color produced" Yan Fei explained to all the participants in this place.

Most of the participants already knew this type of stone, so they were not surprised when they saw this.

The color of the first level is green, the color of the second level is blue, the color of the third level is orange, the color of the fourth level is purple, the color of the fifth level is red and the color of the highest level is gold" said Yan Fei to all the participants.

Even though some people already knew about this, Yan Fei still explained to everyone, it was most likely that some people still didn't know about this.

"I'm sure that half of you will be eliminated in this round, so do your best," Yan Fei told all participants to do their best because half of the participants will advance to the next round.

All of the participants became tense when they heard this, they all seemed very tense when they listened to what Yan Fei had to say.

Half of them would be eliminated, so they had a 50% chance of advancing to the next round.

#### **Chapter 1307 - A Temptation That Is Difficult For The Participants To Resist**

"Is there a question before I start this match?" Yan Fei asked if all the participants had a question before the match started.

All the participants shook their heads, they didn't have a question to ask.

Yan Fei nodded when he saw that none of the participants asked any more questions, he already understood that all the participants had understood what they had to do.

"Okay, you have 1 hour to refine the stones you have, after 1 hour, you have to collect all the results you get" Yan Fei told that all participants only had 1 hour to do the match that was in the first round, after 1 hour, then the match will end, and all participants must collect the results they got.

"The hourglass will move soon, ready, ready to start" Yan Fei started the match in the first round, herself giving a signal to everyone in this place.

All participants immediately moved and began to smooth the stones they had, they used the Cauldron that had been prepared in front of them.

In this first round, all participants are given a Cauldron, this is to be fair to all participants who take part in this first round.

Participants put stones into the Cauldron, they insert stones and start lighting the Cauldron with their deep fire.

Smoke began to rise from each Cauldron owned by all participants, they all began to smooth the stone to get the best results.

While all the participants had already started their work, Ye Chen quite casually started to check the Cauldron he had before doing his work.

Ye Chen wanted to learn what kind of Cauldron the Alchemist Association gave him.

After observing for a while, Ye Chen understood that the quality of this Cauldron was quite inferior to his own.

"not bad Ye Chen felt that the Cauldron he got wasn't too bad, it could still be used to refine stones.

After checking the Cauldron, Ye Chen began to observe the stone he was going to refine, Ye Chen temporarily observed the stone he was going to refine.

What Ye Chen did was quite conspicuous, the senior Alchemists began to wonder why Ye Chen didn't start right away like the other participants.

"Fairy Zhen, if I'm not mistaken he is your student right?, what do you think he is doing?" The Alchemists in this place started asking Fairy Zhen, they wanted to know what Ye Chen was trying to do.

Fairy Zhen now looked prettier and more seductive, so it wasn't strange for senior Alchemists to try to get close to Fairy Zhen.

"How do I know, why don't you ask that person" Fairy Zhen replied in a nonchalant tone, it seemed that Fairy Zhen was in a bad mood.

The senior Alchemists didn't ask any questions, they didn't expect to get this kind of answer from Fairy Zhen.

"Fairy Zhen, look at your student looking confused, don't you teach about small things like this?" Mao Chao asked Fairy Zhen.

Mao Chao finally spoke to Fairy Zhen, he said to Fairy Zhen while insulting Ye Chen who hadn't even started yet.

"Are you saying, you want to find trouble with me?" Fairy Zhen said to Mao Chao.

Fairy Zhen's tone was cold when she spoke to Mao Chao, Fairy Zhen felt hatred and disgust when she saw Mao Chao.

Mao Chao was speechless when he heard this, Fairy Zhen seemed to really hate herself.

"damn" Mao Chao cursed very loudly, Fairy Zhen now hates her.

Last night Mao Chao's plan completely failed, if only Mao Chao succeeded, then now Fairy Zhen was already his .

Today Mao Chao saw the changes that had happened to Fairy Zhen, Mao Chao could feel that Fairy Zhen was very beautiful, Mao Chao wanted more and more to have Fairy Zhen.

"You better get lost right now, you're really annoying" Fairy Zhen told Mao Chao to get out, she didn't like seeing Mao Chao's presence.

"Fairy Zhen, you just wait, I will definitely expel your disciple, after that you will definitely beg me" Mao Chao said to Fairy Zhen.

Mao Chao and Ye Chen still had an unfinished bet, as long as his disciple could win over Ye Chen, then Mao Chao would be able to expel Ye Chen from Fairy Zhen.

"You won't be able to do that, I guarantee that you won't win" Fairy Zhen said that Mao Chao wouldn't be able to win, he could guarantee this.

"We'll see, who will be the loser and who will be the winner" Mao Chao said to Fairy Zhen, he looked very confident with his victory.

Mao Chao firmly believed that Ye Chen would not be able to defeat his two disciples, so victory would definitely be within Mao Chao's grasp.

After saying that to Fairy Zhen, Mao Chao immediately left, himself away from Fairy Zhen.

Fairy Zhen didn't notice Mao Chao's departure at all, it was obvious that Fairy Zhen didn't care about Mao Chao.

Fairy Zhen focused on Ye Chen, she noticed what Ye Chen was doing.

After more than 20 minutes, Ye Chen finally started to put stones into the Cauldron, himself starting to refine materials like the others.

Ye Chen was quite far behind the other participants, he was almost 20 minutes behind the other participants.

With this speed, Ye Chen should be quite far behind the other participants in this place.

All participants are currently focused on themselves, they are very focused on the work they are doing.

Yan Fei got down from her place, she started to see what the participants on the podium were doing.

As Yan Fei approached, all the participants started to lose the focus they had, this beautiful and Charming woman was really too seductive and messed up the thoughts they had.

Yan Fei did this on purpose, she did this on orders from Mo Linbei, Mo Linbei wanted Yan Fei to disrupt the concentration of the participants in this place.

with a beautiful, Glamorous face, Yan Fei easily confuses the young talents in this place, she is like a demon trying to confuse all participants into getting into the wrong path.

Some of the participants couldn't stand the sight of Yan Fei's beauty, they lost their composure and shattered the contents inside their Cauldron.

"Boom" several explosions started to occur, some of the participants seemed to fail due to being distracted by Yan Fei.

Yan Fei only smiled when she saw what happened, Yan Fei smiled when she saw the participants who failed because of her.

Yan Fei looks very proud of the beauty that she has, with the beauty that she has, Yan Fei makes the participants fail because of her actions.

The audience started cheering when they saw this, they all supported what Yan Fei did.

The first round of competition wouldn't be fun to watch without a drama, they all love it when they see the big drama happening.

And Yan Fei has just started a big drama, this woman is like a female Demon trying to annoy the participants in completing their tasks.

The other participants started to get scared by this, they tried to focus their eyes on the Cauldron they had.

Yan Fei wouldn't let the participants run away, he would make sure they all had a hard time getting through this first round.

Yan Fei began to approach some of the participants, he began to talk to the participants in this place.

The participants became extremely tensed by this, they all looked tensed when they saw what was happening, they couldn't calm down when they came face to face with a beautiful woman like Yan Fei.

#### **Chapter 1308 - Yan Fei Who Wants To Try To Tease Ye Chen**

All the participants started to feel tense when they were approached by a beautiful woman like Yan Fei, they all seemed unable to focus when being approached by Yan Fei.

Yan Fei tried to ask the participants who were in this place, she asked some questions to the participants who were in this place.

Yan Fei's words are very comfortable to listen to, this can confuse anyone who hears them.

The mentally weak participants were unable to endure and ended up feeling tension and confusion in their hearts.

This destroys his concentration, when his concentration breaks, it is certain that they will not focus on the furnace they have.

Gou Teng shook his head when he saw what happened, Gou Teng could only shake his head when he saw what happened.

Gou Teng could understand what kind of hardships competing young men had to face, they all must have had a hard time battling Yan Fei's overly powerful Temptation.

The younger generation are reckless people, they will have a hard time when they have to face the extremely tempting Yan Fei, all of them will most likely run into trouble with this.

It just so happened that most of the participants were men, there were only a few women who took part in this competition.

The women looked very relaxed when they faced Yan Fei, they were all much more relaxed than the men who were struggling against Yan Fei's charms.

Yan Fei kept going around, she started to mess with everyone in this place.

After messing with several people, Yan Fei finally came to Ye Chen's place, it seemed that Yan Fei wanted to mess with Ye Chen.

"Hello, what is your name?" Yan Fei asked Ye Chen, she asked Ye Chen in a tone that was quite pleasant to listen to.

"My name is Ye Chen, do you have any business with me?" Ye Chen answered Yan Fei's question, he answered Yan Fei's question without any problems.

Ye Chen looked different from most of the participants, Ye Chen was very relaxed in dealing with Yan Fei, he didn't seem tempted by Yan Fei at all.

Yan Fei was slightly surprised when she saw Ye Chen who was completely unaffected by her, this was very strange.

Yan Fei has a pretty strong charm, not many people can withstand her charms, especially those who are young men, who can't possibly stand up against Yan Fei face to face.

"So your name is Ye Chen, how is it? are you doing well in your work?" Yan Fei didn't give up, he tried to approach Ye Chen with a gentle approach.

Yan Fei is someone who can make opponents go wrong, that's what makes her a great person in conducting a transaction or business.

"Everything went very smoothly, maybe it will be over soon," Ye Chen told that he would be finished soon.

Ye Chen was still the same as before, it was obvious that Ye Chen was very relaxed when talking to Yan Fei.

Yan Fei was even more disbelieving by what Ye Chen had done, she couldn't believe that Ye Chen could withstand his charms.

"Looks like he's quite difficult to deal with." Yan Fei sensed that Ye Chen was very difficult to deal with, this man had quite a strong mentality.

Yan Fei felt that he should be more serious when facing Ye Chen, she should be able to confuse Ye Chen with her charm.

"Is that so, are you okay, do you have any challenges in doing this, do you want me to accompany you to this place?" Yan Fei tried to give more attention to Ye Chen, she wanted to make Ye Chen feel that she had a high interest.

"So Miss Yan wants to accompany me in this place? It doesn't matter if Miss Yan Fei wants to do that, then I won't be able to stop you," Ye Chen said to Yan Fei.

Ye Chen allowed Yan Fei to accompany him, such a beautiful woman would accompany Ye Chen, how could Ye Chen refuse this.

"fufufufu" Yan Fei couldn't help but smile when she saw the answer given by Ye Chen, Ye Chen didn't have the slightest nervousness or anxiety when having a conversation with someone like Yan Fei.

"This person is completely different from the others, does he not have any interest in me? does this person have an abnormality?" Yan Fei started to feel that Ye Chen had no interest in her, so it was not strange that Yan Fei thought Ye Chen had an abnormality.

If Ye Chen knew what was in Yan Fei's mind, then Ye Chen would fall, Yan Fei thought that of Ye Chen.

Yan Fei didn't want to give up, he continued to stay close to Ye Chen and tried to annoy him, even though she had used various means and methods, Yan Fei still couldn't mess with Ye Chen.

Yan Fei wasn't Ye Chen's opponent, he couldn't afford to confuse Ye Chen.

"That woman, why is she bothering and teasing Ye Chen, does she have any bad intentions towards Ye Chen" In the audience, Fairy Zhen saw what Yan Fei did, she didn't like what Yan Fei did to Ye Chen.

Fairy Zhen wanted to stop Yan Fei from teasing Ye Chen, she didn't want to see this woman keep teasing Ye Chen like that.

"Fairy Zhen, please don't do anything unreasonable." Just as Fairy Zhen was about to move, she was stopped by Gou Teng.

"Master Gou, why did you stop me?" Fairy Zhen asked why Gou Teng stopped her.

"That's because you can't interfere with the match, this was already designed by Mo Linbei, so you just have to look at it and observe from here, let your disciple solve the problem himself," said Gou Teng to Fairy Zhen.

Gou Teng gives an explanation to Fairy Zhen, Gou Teng doesn't want Fairy Zhen to be too rash and do something bad.

"Okay, I understand" after getting some explanations from Gou Teng, finally Fairy Zhen was willing to compromise.

Fairy Zhen could only look at Yan Fei who continued to flirt and be close to Ye Chen, even though Fairy Zhen was not happy about this, Fairy Zhen couldn't do anything about this matter.

Ye Chen and Yan Fei were currently chatting lightly while refining the stone, Ye Chen still had time to chat with Yan Fei, this was certainly a shock to everyone in this place, especially the old Alchemists who were in this place.

They knew that doing refining while chatting with other people was something that was extremely, very difficult to do.

The other participants were very happy with what Ye Chen had done, they seemed happy that they were able to escape the snares of a female demon-like Yan Fei.

Yan Fei really couldn't do anything to Ye Chen, instead, it was Yan Fei who was confused by Ye Chen's sweet words.

Yan Fei looked at the other participants, she could see that they were very happy when she was with Ye Chen.

"I won't let you go" Unable to disturb Ye Chen, Yan Fei decided to go and disturb the other participants.

"Ye Chen, big sister will go first, enjoy your time" Yan Fei bid farewell to Ye Chen, Yan Fei's words could make people misunderstand their relationship.

### **Chapter 1309 - Finish When Time Is Running Out**

After Yan Fei said that to Ye Chen, all the male eyes in this place immediately turned to Ye Chen, it was obvious that all the male viewers didn't like When Yan Fei became very intimate with Ye Chen, it seemed that they were all jealous when they saw Yan Fei took great care of Ye Chen.

Ye Chen very quickly became a public enemy, he became disliked by the male audience present in this place.

"This woman is terrible, looks like I have to teach her a lesson" Ye Chen felt that if he needed to teach Yan Fei a lesson, he should teach Yan Fei a lesson who had dared to make himself a public enemy.

Ye Chen couldn't use his identity as a Mask Hero, Ye Chen had no choice but to meet Yan Fei with his current identity.

The match is ongoing, currently, all participants are trying their best to complete this challenge.

Nearly 1/4 of the entrants have been eliminated due to their failure, so only of the entrants are still active in this venue.

Only ten minutes left, all participants have almost finished refining the stones they have.

After a while, there was finally someone who had completed refining to the third level.

The audience started cheering and applauding when they saw this, finally, after a long wait, the results are starting to come out.

The audience had been waiting for this, it was the most enjoyable moment they could see.

The spectators wanted to see if the person they were supporting could win the match in the first half, they would all know this soon enough.

One by one the participants started to finish, they started to finish and took out stones from the Cauldron.

Most of the participants in this place could only refine up to the third level, while some could only refine up to the first and second levels.

"Those of you who can refine up to the third level or are orange will pass, while those who can't you will fail," Yan Fei told all the participants who had finished.

Some of the participants were happy and sad at the same time, those who were happy because they had managed to qualify, while those who were sad because they had to fail in the first round.

The participants who passed became more and more, the number of participants who had not finished was only a few people.

Fai Tui and Kun Paen looked almost done, the results of the two were eagerly awaited by the audience in this place, they all wanted to see the results obtained by these two people who were geniuses in this competition.

After a while, within the stage only Ye Chen, Fai Tui, and Kun Paen remained, the three currently still haven't finished refining their stones.

There were only three minutes left, the time was getting less and less, they had to get their results out soon or the time would run out.

When time runs out, then they are the same as experiencing a defeat.

Kun Paen had run out of time, he had no choice but to take out the stone he had refined.

Kun Paen snapped his fingers, when Kun Paen snapped his fingers, a light shot out from within his Cauldron.

A purple light shot out from within the Cauldron and appeared before the eyes of all the spectators present in this place.

"It's almost the fifth level." The Alchemists in this place were impressed by the results that Kun Paen had obtained, Kun Paen's results were very good, if Kun Paen was given a little more time, it would be the fifth level.

Hearing this comment, the audience and participants in this venue understood how great Kun Paen was, they all understood that Kun Paen had managed to get very, very good results.

"Applause" the audience started to applaud, they all applauded when they saw the success that Kun Paen had made.

Kun Paen was very happy with the results he got, he was very happy because he managed to get results like this.

"Boom" a few moments later, the audience again listened to an explosion, when the audience watched, they saw that Fai Tui had also finished.

A red light appeared from within Fai Tui's Cauldron.

Everyone in the audience was dumbfounded when they all saw what was happening, it seemed that everyone seemed very shocked by what had happened.

"He has succeeded in refining the stone to the fifth level" the audience and Alchemists were amazed by what had happened, they were amazed by the results Fai Tui had obtained.

Fai Tui's results were truly extraordinary, this made Fai Tui the lead among all the participants present in this place.

The audience kept praising Kun Paen and Fai Tui, all of them praising the abilities of these two.

These two were truly the best Alchemists, they were both truly geniuses.

Mao Chao was very happy when he saw this, he was happy when he saw Fai Tui and Kun Paen being praised by all the spectators in this place.

In this way Mao Chao's reputation would soar even higher, he would get credit for educating such extremely talented students as Kun Paen and Fai Tui.

The Alchemists in this place started to congratulate Mao Chao, they all congratulated Mao Chao for the results Fai Tui had obtained.

Mao Chao looked at Ye Chen, he sneered when he saw Ye Chen who hadn't even finished until now.

"Fairy Zhen, it seems that you have a student who is stupid and talks a lot," Mao Chao said in a quite loud voice, this must be heard by Fairy Zhen who is in the distance.

Fairy Zhen could hear very clearly what Mao Chao said, Fairy Zhen was not angry when she heard this.

Right now Fairy Zhen can only believe in Ye Chen, she can only believe in Ye Chen's abilities.

Fairy Zhen knows Ye Chen's abilities, she knows very well what Ye Chen is like, Fairy Zhen is very sure that Ye Chen can succeed in passing this first round.

Time was getting less and less, there was only less than 1 minute left until the time was up.

All of the audience had already forgotten about Ye Chen, they were all currently looking towards Fai Tui and Kun Paen who had managed to get the best results.

In this place only Yan Fei and Fairy Zhen were observing Ye Chen, both of them wanted to see if Ye Chen succeeded or not.

Yan Fei didn't know why she cared about Ye Chen so much, Ye Chen seemed to give her a mysterious feeling.

Time was running out with 30 seconds remaining, until now Ye Chen still hadn't finished either.

At this rate, it was certain that Ye Chen would be the only participant to fail due to running out of time.

"10,9,8,7,6,5,4,3,2. . . ." time is running backward, the first half will soon be over.

Before time ran out, Ye Chen snapped his fingers, a dazzling light flashed from inside Ye Chen's Cauldron.

This light was quite dazzling, it caught the eyes of every spectator present in this place, the eyes of the audience now looked to where Ye Chen was.

" this . . . "All the Alchemists said in amazement, they saw something truly extraordinary.

All the spectators watched with focused gazes, they didn't blink when they saw what was happening.

Fairy Zhen and Yan Fei smiled when they saw Ye Chen succeed, Ye Chen made these two beautiful women very, very worried.

## **Chapter 1310 - First Win For Ye Chen**

Fairy Zhen and Yan Fei were very worried about what happened to Ye Chen, both were worried that Ye Chen would fail in the first round.

Yan Fei herself was confused by what had happened to her, why she could be so worried about a man she just met, this was very, very strange for Yan Fei.

Yan Fei had never done anything like this, she had never worried about anyone until now.

"There's no way I'm attracted to this young man named Ye Chen." Yan Fei tried to shake her head, there's no way she would do such a thing.

After the light disappeared, all the spectators in this place began to see something extraordinary, they all saw that Ye Chen's stone was golden, this was the highest level of refining stone.

Not only was the audience confused by this, but the seniors in this place also doubted that Ye Chen had managed to refine the stone to the highest degree.

The highest level was not an easy thing to do, even a Grandmaster like Mo Linbei would find it difficult to do something like this.

Refining a stone to a high level requires great effort, many people can't refine it to this level, if they insist on refining it to the highest level, then it is very likely that the stone will be crushed instead.

"Look at this carefully" Ye Chen showed his results to everyone in this place, especially to his enemies Fai Tui and Kun Paen.

"Isn't that just orange?" Fai Tui didn't accept it, he said that Ye Chen's results were far below him.

"Are you blind, it's gold in color" Ye Chen said to Fai Tui who was trying to silence him.

"I can't believe that you can get the gold color" Kun Paen helped Fai Tui, Kun Paen said that he didn't believe Ye Chen could get the gold color.

"Is it orange or gold?" Everyone started to get confused by this, they were all confused after hearing what Fai Tui said

"Gou Teng, Mao Chao, you two come with me quickly" Mo Linbei took Gou Teng and Mao Chao closer and saw the results obtained by Ye Chen.

Gou Teng and Mao Chao nodded, they agreed to confirm Ye Chen's results.

Whether Ye Chen got gold results or just orange, three Alchemist masters stepped in to see Ye Chen's results, they saw Ye Chen's results.

Mo Linbei, Gou Teng, and Mao Chao came down and looked directly at Ye Chen's place, they all saw for themselves what Ye Chen had achieved.

"May I see the results you got?" Mo Linbei asked for the stone that Ye Chen had pulverized.

"This is it" Ye Chen gave his stone to Mo Linbei, Ye Chen did this because Mo Linbei looked very polite when he asked from Ye Chen.

Mo Linbei immediately saw the stone that Ye Chen had refined, she saw very clearly the stone in hand.

"It's really genuine, it's very pure." Mo Linbei could feel that the stone in her hand was extremely pure.

"Wow" All the Alchemists were shocked when they heard what Mo Linbei said, this was something that all the Alchemists in this place could hardly believe.

All the Alchemists in this place started to guess whether Ye Chen could really do such a thing or was it pure luck.

Doing something like this wasn't easy, even those with experience would find it hard to get results like Ye Chen.

"I don't believe it, give it to me quickly" Mao Chao didn't believe what Mo Linbei said, he immediately went and grabbed the stone that was in Mo Linbei's hand.

Mao Chao started to examine the stone that Ye Chen was grinding, when Mao Chao did this, Mao Chao found something quite shocking, he could see that what Mo Linbei said was the truth.

"Damn it, how did this person get this kind of result, this is a very hard result to get" Mao Chao gritted his teeth, it was obvious that Mao Chao was angry with the results he got.

At first Mao Chao really underestimated Ye Chen, he thought that Ye Chen would not be able to fight his two disciples, not to think that this man had the ability to do that.

"Looks like I have to meddle in this matter a little." Mao Chao wanted to interfere in this competition, he had to make Ye Chen lose, so that this man could leave Fairy Zhen's side.

Honestly Mao Chao didn't like Ye Chen at all, he really hated Ye Chen because Ye Chen seemed to be very, very close to Fairy Zhen.

If Mao Chao knew that Ye Chen and Fairy Zhen had made a relationship because of what he did last night, Mao Chao would definitely be very angry with Ye Chen.

"This is really great" Gou Teng praised Ye Chen, he praised Ye Chen for his success in getting perfect results.

"Senior I was just lucky" Ye Chen said to Gou Teng, Ye Chen was very humble, he was very humble to Gou Teng.

"Hahaha" Gou Teng just smiled when he heard what Ye Chen said.

"That's right, you are just lucky" Mao Chao immediately confirmed what Ye Chen said, he said that Ye Chen was just lucky.

Ye Chen only sneered when he heard what Mao Chao said, it seemed that Mao Chao still didn't accept his victory.

"Alright, the winner of this first round is Ye Chen." Yan Fei came, herself telling the audience that the winner was Ye Chen.

"Little brother congratulations on your achievement, I didn't expect that you would be so great" said Yan Fei to Ye Chen.

Yan Fei congratulated Ye Chen, this woman did not forget to give Ye Chen a little coquettish wink.

The audience was made jealous by Yan Fei's special treatment of Ye Chen, they were very jealous because Ye Chen got a special treatment from Yan Fei.

Ye Chen couldn't help but smile when he saw what Yan Fei was doing, this woman really likes to make things difficult.

no one congratulated Ye Chen, they all seemed unwilling to congratulate Ye Chen.

The treatment that Ye Chen received was clearly different from that of Fai Tui and Kun Paen, Ye Chen seemed alienated.

"Everyone, you all have 2 hours to rest, after this the second half will start soon, for the audience please enjoy the entertainment" said Yan Fei to everyone.

Yan Fei gave the participants 2 hours, they could use this time to rest for a while.

"Oh, so there's a break, that's great." Ye Chen seemed happy that there was time to rest, now he could do what he wanted.

Ye Chen went towards Yan Fei, he gave a small letter to Yan Fei.

Yan Fei of course realized what Ye Chen had given her, Ye Chen gave himself a small letter.

Yan Fei didn't read it right away, she put the letter into her mountain crevice.

What Yan Fei did was really something tempting, Ye Chen of course saw what Yan Fei did.

Yan Fei was quite curious about what Ye Chen had given her, she would see what Ye Chen had given her.

After giving the letter, Ye Chen immediately went to Fairy Zhen who was in the audience.
