

### Chapter 131 - We Are A Genuine Couple

Zhao Yanyan did not think that Cheng Mengyan, who he had known for a long time, was also a cultivator, it was appropriate that Zhao Yanyan often lost when fighting in all matters with Cheng Mengyan, apparently from the beginning the two were not on the same level.

"One more thing, Cheng Mengyan used a leather mask to hide her appearance, so her current appearance is fake." Ye Chen tells us that Cheng Mengyan has been wearing a fake appearance all this time.

"I see." Zhao Yanyan came to know more about Cheng Mengyan, now the two of them are cultivators, Zhao Yanyan will not be defeated if one day he has to compete with Cheng Mengyan again.

"Let's go to class" Ye Chen invited Zhao Yanyan to go to class.

At this time in the hallway of Cheng Mengyan's school walking casually, there was a hint of a smile on Cheng Mengyan's lips "interesting man, I can't wait to steal it from Yanyan", from the first time Cheng Mengyan really stole everything from Zhao Yanyan, from the start of attention, the goods that like Zhao Yanyan, etc.

This time Cheng Mengyan targeted Ye Chen, Cheng Mengyan was eagerly awaiting the expression of what Zhao Yanyan would make, when his boyfriend bowed under her pomegranate skirt.

Cheng Mengyan is famous for playing with many of the men at this school, therefore many men are hurt by Cheng Mengyan.

Cheng Mengyan disappeared to class A.

The school went on as usual, when Ye Chen's class would always sleep in the classroom, no teacher or student would dare to wake Ye Chen.

Some students were afraid of Ye Chen, because they saw Ye Chen easily defeating Sen Tu tyrants in this school.

"Sleepers wake up" Zhao Yanyan woke Ye Chen.

"What time is it now? Ye Chen yawned as he asked Zhao Yanyan.

"It's almost evening, let's go home" Zhao Yanyan was helpless to see Ye Chen sleep all day.

"Well let's go home" Ye Chen got up from his seat and prepared to go home together with Zhao Yanyan.

"Ringing. . . . ."Ye Chen's cellphone suddenly rang.

The person who called was Lin Rouxi, Ye Chen picked up a call from Lin Rouxi.

"Teacher Lin, what's up? "Ye Chen immediately asked what Lin Rouxi wanted.

"Ye Chen can you come to my office now, there's something I want to ask you for help", it turns out that Lin Rouxi wanted to ask for help from him.

"Ok, I'll be there soon" after that Ye Chen ended the call.

"Ye Chen, who is that?" Zhao Yanyan wanted to know who was the person who just called Ye Chen.

"This is Teacher Lin, she said that he needed my help".

"Oh, so that's Rouxi's sister, what are you waiting for, hurry up and go there" Zhao Yanyan pushed Ye Chen to immediately go to Lin Rouxi's room.

" How about you ? "Asked Ye Chen.

"I will wait for you in the parking lot" After saying that, Zhao Yanyan went towards the parking lot.

Seeing Zhao Yanyan leave, Ye Chen also had to go towards Lin Rouxi's room.

When he reached the front of the teacher Lin Rouxi's room, there was a man in fashionable clothes and carrying a floral arrangement standing in front of the teacher Lin Rouxi's door.

If I remember correctly this man was named Hu Jun, this man was the one who wanted to be matched with Lin Rouxi, Ye Chen asked why Hu Jun was in this place.

"Lin Rouxi I know you are inside, hurry up and come out, I want to give you a present" Hu Jun continued to knock on the door of Lin Rouxi's room.

"Hey, what are you doing here? While clutching Hu Jun's shoulder, Ye Chen asked Hu Jun.

"Oh, so it's true that you are a student at this school, it seems like what my little brother said is true" Hu Jun looked at Ye Chen with contemptuous eyes.

"Yes, I am a student at this school, so what? "Seeing this guy insulting himself Ye Chen didn't really like it.

"Ye Chen you finally came too" Lin Rouxi who heard Ye Chen coming immediately opened the door and went to Ye Chen's side.

Lin Rouxi felt unsatisfied and continued to be bothered by Hu Jun.

"You two want to when you pretend to be a couple, I already know that you are not a real couple, my brother told me that your girlfriend named Zhao Yanyan" Hu Jun apparently knew Ye Chen was only pretending to be dating Lin Rouxi.

Ye Chen didn't know where Hu Jun knew that he and Lin Rouxi were only pretending to be dating.

"Hu Jun what are you saying, Ye Chen and I are indeed dating" Lin Rouxi tried to refute Hu Jun's words.

"Hahaha, Lin Rouxi wants to how long you will lie, this person is just a poor student who was even abandoned by his girlfriend, what is so special about him" Hu Jun bad-mouthed Ye Chen in front of Lin Rouxi.

"Don't bad mouth Ye Chen in front of me" Lin Rouxi was angry when Hu Jun insulted Ye Chen.

Ye Chen slightly raised his eyebrows, this person's first name was Hu, as Ye Chen recalled, Yu Ting's boyfriend was also named Hu, maybe the two of them were brothers? Ye Chen had guessed the identity of the person who had told Hu Jun.

"We really are a couple," Ye Chen told Hu Jun.

"Huh, then what about your girlfriend named Zhao Yanyan, are you going to throw it away? Hu Jun questioned Ye Chen.

"Of course not, both of them are my valuable women, I won't throw them away" Ye Chen embraced Lin Rouxi.

Lin Rouxi's face was already like an apple, for some reason Lin Rouxi was happy when Ye Chen said that.

"Huh, you're kidding how there are women who want to share love with the poor, you must be joking, you poor person" Hu Jun insulted Ye Chen with poor words.

"You don't believe? , let me prove it "Ye Chen brought Lin Rouxi's body closer and then kissed Lin Rouxi's cherry lips.

Lin Rouxi was very surprised when Ye Chen suddenly kissed her lips, this was the first time Lin Rouxi had done an adult kiss on the opposite sex.

"Damn it" Hu Jun who saw this immediately threw a bouquet of flowers that he brought, Hu Jun immediately left this place very upset.

Hu Jun couldn't stand seeing these two people making out.

Lin Rouxi was completely immersed in Ye Chen's kiss, Lin Rouxi had never felt this pleasant sensation before.

Lin Rouxi felt a hard object piercing his peru, he was curious about what this was and touched it slightly, after knowing what this object was, he hurriedly regained consciousness and broke away from Ye Chen.

Lin Rouxi knew what object just pierced her stomach "Ye Chen thanks for helping me this time, I'm leaving first" Lin Rouxi immediately ran away from Ye Chen.

Lin Rouxi was very embarrassed when she saw Ye Chen.

Seeing teacher Lin Rouxi run away like seeing a ghost, Ye Chen smiled, it seemed like Lin Rouxi did not reject him.

After completing the business Ye Chen went to the parking lot, he looked for the figure of Zhao Yanyan.

Zhao Yanyan was currently waiting on a bench sitting under a tree.

In front of Zhao Yanyan there were two people, one man and one woman.

This is Yu Ting and Hu Ji, these two people are talking to Zhao Yanyan.

Ye Chen wanted to know what Yu Ting and Hu Ji wanted from Zhao Yanyan.

Ye Chen walked towards Zhao Yanyan

## Chapter 132 - A Little Showing Off

As Ye Chen approached he heard Zhao Yanyan and Yu Ting's conversation.

"I heard your boyfriend Ye Chen is currently dating the most beautiful teacher Lin Rouxi, have you been thrown away by him" With a smile laughed at Yu Ting in contempt of Zhao Yanyan.

Yu Ting came to Zhao Yanyan to add fire so that Ye Chen broke up with Zhao Yanyan, Yu Ting didn't like seeing Ye Chen get a better woman than him.

"What's the problem, teacher Lin Rouxi I already consider as my own sister, if we become a brother, that would be amazing" Zhao Yanyan was not angry because Yu Ting's provocation, Zhao Yanyan was a smart woman, she knew what Yu Ting meant to tell this, it was intended that she and Ye Chen would be enemies.

Unfortunately Yu Ting didn't know Zhao Yanyan at all, from Zhao Yanyan instead wanted to make Lin Rouxi become Ye Chen's woman.

"What's the matter with you, how can you not be angry when you find out the person you like is close to other women" because the plan didn't work Yu Ting got angry at Zhao Yanyan.

Upon hearing this, Zhao Yanyan only smiled and did not want to answer Yu Ting's words.

On Yu Ting's side, Hu Ji was salivating at Zhao Yanyan's goddess appearance.

"Zhao Yanyan why don't you forget that poor man and just be my woman" Hu Ji shamelessly asked Zhao Yanyan to be his woman.

"You are brave enough to also tease other people's women" Ye Chen who heard this was not satisfied, he grabbed Hu Ji's collar and lifted him up into the air.

"What are you doing? Quickly put me down" in the air Hu Ji tried to rebel.

Hu Ji's efforts to rebel were in vain, with Ye Chen's strength it was impossible for him to escape from Ye Chen's grasp.

"Ye Chen, quickly put him down" Yu Ting who was beside tried to help Hu Ji.

"Alright, if that's what you want," Ye Chen threw Hu Ji at the trash can near them.

Hu Ji Go straight into the dirty and rotten trash can.

Ye Chen could not stand this brother and younger brother, who always tried to disrupt his life.

"Hu Ji" Yu Ting immediately ran to the trash to see the state of Hu Ji.

With the help of Yu Ting Hu Ji out of the trash, Hu Ji's entire body was full of dirt and foul smelling.

Yu Ting who was near Hu Ji could not stand the smell in Hu Ji's body.

People who haven't gone home immediately see what's happening, people look at Hu Ji with great pity.

"How dare you" Hu Ji did not accept and rushed to take a piece of wood beside him to hit Ye Chen.

"Bamm. . . . , "Hu Ji is back flying into the trash.

Obviously Hu Ji was not Ye Chen's opponent

"Ye Chen, how dare you do this to my boyfriend" Yu Ting was angry at Ye Chen for hitting Hu Ji.

"Then what do you want, seeing me beaten by him, do you think I'm a fool?" Ye Chen got angry at Yu Ting.

Yu Ting didn't expect Ye Chen to be very brave, usually Ye Chen would rather go and not fight, but this time it was different Ye Chen suddenly used violence which made Yu Ting a little scared.

"Yanyan, let's go" Ye Chen took Zhao Yanyan's hand and headed for the car that belonged to him.

Seeing where Ye Chen went Yu Ting looked with contempt look "Ye Chen you still use ancient items like that in an era like this" Yu Ting insulted Ye Chen.

"What do you mean by antiquity? "Ye Chen doesn't understand what the meaning of the word Yu Ting is.

"Are you stupid, you still use that ugly bicycle to go to school" Yu Ting pointed to the bicycle next to Ye Chen's car.

Ye Chen also saw what Yu Ting was pointing at, a bicycle that was almost similar to Ye Chen's past.

There was an evil smile on Ye Chen's face, "Indeed, what's the problem, mine is much better than what your boyfriend has." Ye Chen tried to brag about his car.

Yu Ting misunderstood Ye Chen's words, she thought Ye Chen was bragging about that ugly bicycle.

Hu Ji came back out of the trash, this time Hu Ji felt pain in his chest due to Ye Chen's punch.

Hu Ji also heard what Yu Ting said, he added fire to it "You dare to compare that ugly bicycle with the car I have, I can buy thousands of bikes like that with a car that I have. "Seeing that it is impossible to win against Ye Chen with strength Hu Ji chose to retaliate by embarrassing poor Ye Chen, so everyone knows.

"Hahaha, you're kidding, even a dozen cars that you own won't be able to buy what I have," Ye Chen said laughing at these two clowns.

"You" Yu Ting pointed at the shameless Ye Chen.

"Yanyan, let's go, let the two clowns entertain others." Ye Chen and Zhao Yanyan went to the luxury car next to the bicycle.

When Ye Chen pressed the key to open the car, everyone was immediately surprised, even Yu Ting and Hu Ji were also surprised to see Ye Chen open a limited edition luxury car.

The female students looked at this with starry eyes, seeing a very expensive luxury car they became interested in approaching Ye Chen.

Even some girls who are crazy about money start making plans to get close to Ye Chen, girls like they don't care even though they are having an affair / underground other people.

Ye Chen immediately started the fierce car engine and flaunted it to everyone, after which Ye Chen left school

People began to whisper and look at Hu Ji with pity.

Hu Jin and Yu Ting's faces were dark, Hu Ji really became a clown this time, he and Yu Ting intended to embarrass Ye Chen but the results became like this.

"Pahh. . . "Hu Ji slapped Yu Ting to vent his frustration" You little bitch, really embarrassed me in public  
"This is all Yu Ting's fault when talking, which made Hu Ji join in.

Yu Ting felt his cheek hurt "me. . . , me. . . "she tried to explain, unfortunately, she had no reason to explain it to Hu Ji.

Without waiting for Yu Tung, Hu Ji left this place, he wanted to go home immediately and clean his dirty and smelly body

"Brother Hu Wait" Yu Ting catch up with Hu Ji.

"The two of them have never been frustrated looking for problems with you" Zhao Yanyan was quite tired of seeing the behavior of Yu Ting and Hu Ji

"They both don't like to see us happy" Ye Chen reached out to get ready to touch Zhao Yanyan's body.

Zhao Yanyan slapped Ye Chen's hand, then scolded him "focus on driving".

"Well my queen" because Zhao Yanyan refused, Ye Chen refocused driving.

"Oh yeah, how did those two know that you and Rouxi's sister pretended to be dating" Zhao Yanyan wanted to know how Yu Ting and Hu Ji knew Ye Chen was pretending to be dating Lin Rouxi.

"Oh that" Ye Chen explained in detail to Zhao Yanyan.

### **Chapter 133 - Visit Company**

"Hu Ji's older brother is the pursuer of Rouxi's sister" Zhao Yanyan just found out about this news.

"I just guessed it" Ye Chen didn't know whether they really were siblings, he just deduced from what happened today.

Zhao Yanyan nodded at Ye Chen.

Ye Chen and Zhao Yanyan arrived in front of the villa, Ye Chen first parked his car and got off together with Zhao Yanyan.

When both of them entered the villa, the villa looked very shiny, this was different from the situation when Ye Chen left it this morning.

"Brother Chen, Yanyan sister, you're home" wearing a mask and carrying clean tools Xiao Lulu is cleaning this place.

"We Go Home" Ye Chen and Zhao Yanyan answered in unison.

Ye Chen walked to the sofa and lay on it, Zhao Yanyan went upstairs to change clothes.

"Where is Liu Yue and Fu Lanling?" Ye Chen asked Xiao Lulu about Liu Yue and Fu Lanling's whereabouts.

"They are in the backyard" Xiao Lulu immediately told Liu Yue and Fu Lanling's whereabouts.

Ye Chen wanted to see what Liu Yue and Fu Lanling were doing in the backyard.

When Ye Chen reached the backyard both of them were practicing fighting.

Liu Yue continued to attack Fu Lanling using her palms.

Fu Lanling casually parried all of Liu Yue's attacks.

"Your movements are still too slow and easy to guess, you have to be even faster" Fu Lanling gave directions to Liu Yue.

"Fine" Liu Yue nodded at Fu Lanling

When Ye Chen came, the two immediately stopped practicing, and looked at Ye Chen.

"Little husband, you're home", Fu Lanling was the first to greet Ye Chen.

"Yes, I'm going home" Ye Chen approached the two women.

Ye Chen brought the two women to a place of rest.

"Husband, have you checked your company?" Liu Yue asked whether Ye Chen had seen the company he founded.

"Not yet, I always forget to see how things are there" Ye Chen actually also wanted to see what his company was like, until now he only knew the development of the company from Liu Yue.

Ye Chen accompanied the two women for 30 minutes, after which Liu Yue and Fu Lanling entered the fairy gate to continue training.

this time he went to his company to see for himself how his company worked.

When arriving in front of the company, a lot of people are applying for jobs.

In a short time, Xiannu's company became a very large company, even the company was still having difficulty meeting the demands of the enormous world market.

That's why Xiannu's company recruits a lot of employees to hire.

Ye Chen immediately entered and looked around here, he wanted to know where Ceo's room was.

"Ah you're here, come quickly follow me" suddenly a woman came and pulled Ye Chen's hand.

Ye Chen did not know why this woman suddenly pulled himself up.

This woman brought Ye Chen to a room, in this room there were about 9 people with bodies that were no worse than Ye Chen.

in front of everyone there was a 200 kg barbell.

looking at wherever they all seemed to be trained warriors, Ye Chen did not understand why this woman brought him to this place.

"Mr. Long is all here, you can start the test" the woman who dragged Ye Chen told the supervisor to start the test.

"Huh" Ye Chen didn't think that he would be dragged into a place like this.

The superintendent of this exam was Long Zen, he was a retired former soldier who had retired, even though not a Long Zen power cultivator could not be underestimated.

"You all have 5 minutes, to lift this barbell over your head 30 times, anyone who doesn't get 30 times will immediately fail," Long Zen supervisor explained the rules of the game.

Everyone was surprised to hear this, lifting weights 200 kg as much as 30x is impossible, especially if the time is only 5 minutes.

"Before I start, does anyone want to ask" Long Zen gave an opportunity to all participants to ask.

"May I not take this test, I want to resign" Ye Chen raised his hand and told the supervisor of Long Zen, if he resigned.

Ye Chen didn't come here for this

"You coward, you even gave up before trying" Long Zen said Ye Chen was a coward.

"Who is a coward, let me show you real strength" Feeling provoked by being a coward, Ye Chen decided to take this test.

"It's good that's just a man" Long Zen managed to make Ye Chen excited.

"Everyone take their positions", the 9 people next to Ye Chen immediately grabbed their respective Barbells.

Ye Chen was the only person who was still casually standing in his place.

"Aren't you going to take the position" Long Zen who saw Ye Chen still standing calmly, Long Zen questioned.

"No need to care about me, you can start" for him this is a child's toy, it's better to see the performances of the people who are next to him.

Seeing that Ye Chen didn't care, Long Zen immediately began his test, "Starting" 5 minutes started to start backwards.

By using both hands Everyone immediately lifted a barbell that weighed 200 kg, some people struggled to lift a 200kg barbell above their heads.

"4 minutes before it ends" after a minute of walking, there are some whose muscles have been spasmed and their bodies start to shake because they are no longer able to lift such heavy weights.

"3 minutes before the time is over" some have given up and put the barbell back on the floor.

"2 minutes before the time is over" people who try to force one by one and fall to the floor.

The medical staff who were next door immediately helped them.

"1 minute before ending" there were only 2 people who managed to lift the dumbbell dead 30 x, the remaining 7 others failed

their body and muscles are very tired and very difficult to lift this barbell.

For these 4 minutes Ye Chen only watched these people struggle from the side.

Seeing it all over Ye Chen began to act, he began to relax his muscles first.

People who had failed to look at Ye Chen with disparaging views.

"You guys look carefully" Ye Chen used his left hand to grip the barbell, it seemed like Ye Chen intended to lift the barbell with one hand.

Seeing what Ye Chen wanted to do everyone waited and wanted to laugh at him.

Ye Chen easily raised a 200 kg barbell into the air.

Seeing what Ye Chen, Long Zen and all the people in this room were doing were astonished.

"1, 2, 3, 4, 5, 10, 20, 30" Ye Chen very quickly completed 30x lifting weights.

seeing Ye Chen easily lifting weights with one hand, the jaws of everyone who was here almost fell to the floor

There was no sound heard in this place, even those who from the beginning wanted to laugh at Ye Chen in silence.

"Bamm. . . ."Ye Chen dropped the barbell on the floor to show that this is real.

"Beep. . . ."The test mark ended, everyone immediately woke up because of this sound, people started rubbing their eyes, not believing what they just saw.

"Did I graduate? Ye Chen's innocent face asked Long Zen.

### **Chapter 134 - Passed The Bodyguard Test**

"Yes, you passed" Long Zen said in a stuttering voice.

Long Zen had seen this scene once when he was still in the army, at that time the first troops in this country were also able to do things like this, the difference was the burden they were carrying several times heavier than this.

Dragon army units are the most powerful troops in the army, their strength is still the most powerful in the whole country.

It is said that 1 member of the dragon army can defeat 10 battalions of special warriors like himself.

That's why Long Zen was surprised to see Ye Chen can lift a 200kg barbell very easily.

Long Zen began to suspect that Ye Chen was a former member of the dragon army.

"Alright we will proceed to the second test" Long Zen brought to 3 people who passed different spatial training.

In the room this time there were several bags filled with sand.

Ye Chen and the two others wondered what he wanted to do with this sandbag.

"Everyone take one bag," Long Zen told the three to take the sand bag on the floor.

Ye Chen and two other participants took a sand bag, this sand bag at least weighs around 75 kg.

Long Zen took a cloth and then covered Ye Chen's eyes and the other two participants with it.

"Your job is to protect these bags like protecting your employer, be sure not to let these bags fall or get shot by rubber bullets that I will shoot" Long Bai gave instructions on how the second test would be carried out.

The purpose of this test is to look at the instincts of all the preachers, they must be able to guess the direction of the bullet without having to look.

This test is the most difficult test, even trained soldiers will find it difficult to do so.

This is also one request from Ceo, Ceo wants a strong bodyguard to protect herself from things that are not desirable.

Long Zen appointed three people to fire rubber bullets, these people were in separate places so that the direction of the bullet's arrival was difficult to guess.

"Bamm. . ." one of the people started shooting at the target the other participant.

"Ouch" when the rubber bullets hit the body, the person next to Ye Chen shouted, even though the result of rubber bullets would hurt if hit in the body.

"Bamm. . ."The rain of bullets started coming towards Ye Chen and the other 2 participants.

Ye Chen easily dodged all the rubber bullets coming towards him, seeing Ye Chen could easily avoid all the bullets with his eyes closed, Long Zen was even more amazed.

After one minute the test finally ended, two other participants failed, the sand bag they prevented from falling while trying to avoid the rubber bullet that was shot.

Now the only participant left is Ye Chen.

"Well, because you are the only person left, the last test will be different." Initially the last test was to fight for the first position, unfortunately the only successful participants were one person, so there were no opponents competing for Ye Chen.

Long Zen called a dozen people to become opponents of Ye Chen "You will fight them one by one, if you can defeat 6 of these 12 people then you will be accepted" Long Zen explained to Ye Chen.

"One by one is too long, you can make them all advance together." Ye Chen very casually challenged everyone.

These twelve people who heard were provoked by Ye Chen's words, they couldn't wait to beat Ye Chen.

"Are you sure these people are very strong?" Long Zen warned Ye Chen.

These people are not employees in this place, they are Long Zen seniors in the army, the strength of these 12 people cannot be underestimated.

"Yes, I'm sure, let's just start" Ye Chen wanted to immediately end this game.

Long Zen pointed to a special room to fight, Ye Chen and the twelve people entered the room to fight.

On the top floor of this building there is a beautiful woman with a cold expression staring at the monitor, this woman is looking at the recruitment of a bodyguard.

Over the past few days this beautiful woman has seen many people who fail while undergoing tests, these people don't fit the criteria she wants.

This beautiful woman continued to stare at Ye Chen with icy eyes.

In just one minute, Ye Chen came out of the room.

"Eh, very quickly, are you done?" Long Zen did not expect Ye Chen to get out of the room very quickly.

"Yes, I'm done, they are all very kind because they want to yield to me, then where next?" Ye Chen asked where he had to go now.

"Really" Long Zen could not believe that his seniors would yield when fighting.

Long Zen called the woman who dragged Ye Chen here, the woman who dragged Ye Chen immediately brought Ye Chen out of this room.

Long Zen was very curious about what was happening inside, why the seniors still hadn't come out yet.

Long Zen went to the door and made a slight opening, when the gap was opened the 12 people who had entered inside with Ye Chen were already lying on the floor.

"Ouch" They all groaned in pain, Long Zen had expected this to happen, he immediately called in some medical personnel to deal with the injured.

"Who exactly is that person, he is very strong" Long Zen muttered about Ye Chen.

Ye Chen was taken by this woman to a dressing room, "wear this shirt." Ye Chen was given a black coat to wear.

Ye Chen accepted the clothes from this woman and went to the dressing room.

after wearing Ye Chen's black suit out of the dressing room, Ye Chen who was wearing a black suit was very handsome, someone would definitely think Ye Chen was a rich young master, or a handsome Ceo.

The woman who brought Ye Chen also saw Ye Chen with sparkling eyes, in this woman's mind Ye Chen was not only strong but also very handsome.

"Sir, come with me to go to the CEO's office, she wants to meet you" This woman invited Ye Chen to go to Ceo.

Ye Chen was very curious as to what Ceo's face was, Liu Yue once said that the CEO she chose was quite beautiful "yes please take me there" Ye Chen told this woman to lead the way.

When walking in the hallway of the office, many eyes looked towards Ye Chen, especially the girls who were in this office, they had never left her vision of Ye Chen.

"Wow, how handsome, who exactly is he?"

"He looks like the prince I dreamed of"

"I have to ask for information from the handsome man"

The women in this office were very enthusiastic, some of them even gave a signal in the form of a wink to Ye Chen.

Ye Chen smiled at these women, because the other side was friendly Ye Chen also had to be friendly.

After walking for a long time Ye Chen finally arrived in front of Ceo's room.

"This is Ceo's room, she is waiting for you inside, excuse me first" This woman was reluctant to leave Ye Chen, but because of this woman's job she had no other choice.

### **Chapter 135 - Xia Qingyu Is A Woman With A Pure Yin Body**

"Knock. . . , tap. . . , tap. . ."Ye Chen knocked on the door of Ceo's room.

"Entering" from inside came a pretty cool female voice allowing Ye Chen to enter.

After getting the answer Ye Chen went inside.

Inside Ye Chen saw a very beautiful woman with a perfect lean body and a beautiful face, there was a hint of coldness in this woman's expression, blue eyes added a colder impression to this beautiful woman.

This beautiful woman looked at Ye Chen from the top down, from beginning to end this woman's face did not change, she only looked at Ye Chen with a cold gaze.

This type of cold was different from Luo Bing, this woman's coldness made a wall that made it difficult for others to get close to her.

What surprised Ye Chen the most was that the Yin Yin that was expelled from this woman's body was very pure.

"Does this woman have a pure Yin body?" Ye Chen murmured.

"Wow master, you met a woman with a pure Yin body, your luck with a woman is very high" Chu Yuechan praised Ye Chen's luck.

Ye Chen's guess turned out to be true that this woman had a Pure Yin body, the distinction of a pure Yin body and an ordinary virgin was extraordinary.

Even the female Yin released by this woman was comparable to touching dozens of women simultaneously, if doing dual cultivation with this woman, Ye Chen did not know what the effect would be.

"Master, you should try to get closer to this woman, after that bring this woman to bed" Chu Yuechan said in a very seductive voice.

Gu Xuan once said to himself, as much as possible Ye Chen should get a woman with a pure Yin body so that ancient (Yang) body problems can be overcome a little more easily.

This time seeing a woman with a pure Yin body in front of him, Ye Chen would not miss an opportunity like this.

Ye Chen looked at this woman from the top down with a look of desire.

Seeing Ye Chen's beautiful, cold woman's gaze not like it, this beautiful woman looked at Ye Chen even cooler.

"Come and fill out this personal data," the beautiful woman asked Ye Chen to fill in the work contract data.

Ye Chen approached and sat facing this cold, beautiful woman.

The name of this beautiful woman is Xia Qingyu, she is 23 years old, graduated from a leading university in the world.

Xia Qingyu received a lot of applications from various companies to become CEO, unfortunately all rejected by her, because most people just want to beautify her property.

Ceo's position was only a cover for getting closer to Xia Qingyu.

Xia Qingyu offered Ye Chen the registration form, she did not know that the person in front of her was the owner of this company.

Ye Chen began to think of a way to get close to this beautiful woman, if he claimed this company boss this woman would definitely change her attitude, and that would be difficult to approach without a special reason, Ye Chen began to think being a bodyguard was not bad to be a reason to get closer with this woman.

"May I ask what kind of work is this?" Ye Chen doesn't quite know yet what kind of bodyguard job Xia Qingyu wants.

"Your work is quite easy, you only need to escort me when I am outside, meeting with clients or there are problems outside the office" Xia Qingyu replied indifferently.

Ye Chen nodded, this work was very easy to do, he filled out all the forms and handed them to Xia Qingyu.

Xia Qingyu read the form Ye Chen had filled in, "My name is Xia Qingyu, from today you officially work here, your annual salary is 200 thousand dollars, that's not including the annual bonus" Xia Qingyu said.

Ye Chen didn't care about the salary he would get, he was the owner of this company, the goal Ye Chen only wanted to be close to was this woman.

"In an hour we will go to meet a client, make sure you don't mess it up, you may go" Xia Qingyu kicked Ye Chen out of this room.

This woman was so arrogant, Ye Chen left this room.

In the office a lot of beautiful women can be seen all over this place, they wear white-collar dresses with a little make-up to look more beautiful.

When Ye Chen passed by a few female workers immediately gathered around him.

"Handsome, do you have time after this, let's eat and drink".

"Handsome do you have time on holiday, I want to invite you out on a date".

"Handsome may I ask for your contact number"

Adult women are different from women who are still attending school, women here are very aggressive, they shamelessly want to be close to him.

Being surrounded by beautiful women made Ye Chen happy, Ye Chen talked with some of these women.

After getting tired, Ye Chen said that he wanted to resign.

The women reluctantly let Ye Chen go, Ye Chen looked for a quiet place to rest.

Because there was still 30 minutes left, Ye Chen entered the fairy gate to see the women.

Ye Chen disappeared into particles and entered the fairy gate.

At the moment Zhao Yanyan and Liu Yue were running several hundred rounds, the weaknesses of Zhao Yanyan and Liu Yue were in their physical bodies, which was why Zhao Yanyan and Liu Yue had to practice increasing their physical strength.

Ye Chen was very interested in seeing the two large rabbits of Liu Yue up and down, among all the women belonging to Liu Yue was the biggest, the size of Liu Yue at this time was the F Cup in a moment maybe Liu Yue could touch the G Cup, when Liu Yue ran both milk it will bounce very erotic.

Zhao Yanyan and Liu Yue just realized that Ye Chen was watching from the side, the two women immediately stopped running

"Ye Chen, what are you doing here, I'm with you going to the company for inspection," Zhao Yanyan asked.

"Everything did not go according to plan, I instead became a bodyguard in my own company," Ye Chen said to the two women.

"Bodyguard?" Asked Liu Yue and Zhao Yanyan.

Ye Chen began to explain what had happened, Liu Yue and Zhao Yanyan listened carefully to Ye Chen's story.

"Looks like my choice isn't wrong" Liu Yue smiled at Ye Chen.

Liu Yue also did not expect Xia Qingyu to have the appearance of a Pure Yin body.

"The problem is that woman is difficult to approach, she is too cold to me" Ye Chen recalled Xia Qingyu's attitude towards him.

"You don't need to worry, I'm sure that sooner or later he will fall in love with you" Zhao Yanyan encouraged Ye Chen.

This was the first time Ye Chen had tried to pursue a beauty that was cold and difficult to conquer.

Ye Chen spent time with Zhao Yanyan and Liu Yue before returning to Xiannu's company.

Now it was time to go together with Xia Qingyu, downstairs Xia Qingyu was waiting for Ye Chen's arrival.

Xia Qingyu was angry that Ye Chen would be a little late, she couldn't do anything because she didn't have Ye Chen's contact information.

Finally Ye Chen appeared from inside the elevator, Ye Chen hurried towards Xia Qingyu.

"You're late" Xia Qingyu scolded Ye Chen again.

"Sorry Ceo Xia, I was in the toilet earlier" Ye Chen was looking for Xia Qingyu not to be angry.

"I don't care about your reasons, this is the key for you to drive" Xia Qingyu threw the key at Ye Chen and got into the car.

Seeing Xia Qingyu's attitude, Ye Chen shook his head, he also entered the driver's seat.

### **Chapter 136 - Jun Moxi**

"Where are we going?" Ye Chen asked Xia Qingyu where to meet.

"Go to the Red Star building" Xia Qingyu told Ye Chen to go to the Red Star building.

Red Star building is a place that provides entertainment facilities with a very luxurious.

Ye Chen drove to the Red Star building, in the awkward atmosphere from beginning to end no one spoke, Xia Qingyu continued to read a document for review.

Xia Qingyu looked very serious while working, she seemed like he could not be bothered by anyone.

Within a few minutes Ye Chen finally arrived at the Red Star building, here a lot of people were coming in and out of the building.

The average person in and out is an office worker, they come here to release stress by drinking with friends, eating together or singing karaoke.

Xia Qingyu and Ye Chen then went up to the top floor.

The top floor is the VVIP room, the price of this room is the most expensive in this place.

Xia Qingyu and Ye Chen entered room number 5, after both of them entered, in nature there was a young man who was around 23 years old sitting while waiting for the arrival of Xia Qingyu, behind stood five guards in black suits complete with sunglasses.

Seeing Xia Qingyu coming, this young man immediately rose up and welcomed Xia Qingyu "Qingyu finally you came too, I have been waiting for you for a long time" This young man looks pretentiously familiar with Xia Qingyu.

"Jun Moxi, call me Xia Qingyu, even though we are friends in the campus, I am not that close to you" Xia Qingyu was not satisfied with the call given by Jun Moxi.

This young man is Jun Moxi, he is a wealthy businessman, in this city Jun's family has a fairly large wealth, at least it can enter the top 5 of the richest people in this city.

Hearing this Jun Moxi was not angry, he still smiled at Xia Qingyu, Jun Moxi was already accustomed to Xia Qingyu's indifferent and cold attitude.

For Jun Moxi to conquer women like this is a challenge for him.

"Please sit" Jun Moxi told Xia Qingyu to sit.

Ye Chen who was beside Xia Qingyu also sat down, seeing the bodyguard sitting with Xia Qingyu Jun Moxi feeling displeased.

"You lowly bodyguard, who told you to sit there" Jun Moxi's attitude towards Ye Chen was different from his attitude for Xia Qingyu.

"What are you? , the bodyguard must stay close to his boss so that he can easily protect him "Ye Chen is back against Jun Moxi's words.

"You brave lowly bodyguards to fight this young master, I will give you time to apologize or you will end up quite miserably" in this city only a few people dare to offend Jun Moxi, those who offend Jun Moxi mostly end up tragically enough .

"Ye Chen you should apologize to him" Xia Qingyu did not help Ye Chen, she instead told Ye Chen to apologize to Jun Moxi.

Xia Qingyu knows how the character of Jun Moxi, in the past while still on campus, was a lot of men chasing after Xia Qingyu, unfortunately everything was driven out by Jun Moxi.

Some people who try to fight Jun Moxi have to lie in hospital for months because they are beaten by Jun Moxi's mercenaries

That is the behavior of Jun Moxi abroad, in this city Jun Moxi is definitely more arrogant because it is the domain of his family

It's better not to look for unnecessary problems with Jun Moxi.

"I don't want to, anyway I didn't feel wrong from the start" Ye Chen refused to apologize to Jun Moxi, he already thought that cooperation with Jun Moxi was not sincere, what Jun Moxi wanted was a cover to be able to get close to Xia Qingyu.

"Good, all of you, hit this guy until he is half-dead" The five big men who stood behind Jun Moxi immediately went to Ye Chen.

"Bamm. . . ., bamm. . . ., bamm. . . !, bamm. . . !, bamm. . . !" In just seconds Ye Chen knocked these five people to the floor

Jun Moxi who saw this gawked, he had no idea that Ye Chen's skills were this great.

Ye Chen choked Jun Moxi's neck and lifted him up into the air.

"How dare you. . . . you. . . . . fast. . . . take it off. . . . I "Jun Moxi is having a hard time talking because Ye Chen's neck is strangled very hard.

"Ye Chen what are you doing quickly put him down" Xia Qingyu who saw this immediately told Ye Chen to release Jun Moxi.

The arrival of Xia Qingyu here because of a business agreement, if this fails because of this problem, the chief director Liu Yue will definitely be angry with her.

Liu Yue had not told Xia Qingyu that the owner of the company was Ye Chen, the decision of the company was not Liu Yue who took it but Ye Chen.

Because Ye Chen did not like this person, Ye Chen decided that he no longer needed to work with Jun Moxi's company.

"Alright" Ye Chen threw Jun Moxi back into the chair, Ye Chen sat back on Xia Qingyu's side, and acted like nothing had happened.

Xia Qingyu wanted to scold Ye Chen with a thousand words, the Ceo career that he had just gotten was almost destroyed by Ye Chen.

Jun Moxi held his neck which was hurting because of being choked by Ye Chen, Jun Moxi looked at Ye Chen with a hostile look.

"Jun Moxi I apologize for what my bodyguard did, after returning I will teach him a lesson" Xia Qingyu felt regret and apologized to Jun Moxi.

"Qingyu you should fire this person, he does not deserve to be your bodyguard" Jun Moxi really does not like this man.

"What did you say" Ye Chen was swollen and intended to teach Jun Moxi a lesson.

"Ye Chen stopped" Xia Qingyu stopped Ye Chen's actions with her arm.

Because it was stopped by Xia Qingyu, Ye Chen sat back down.

"Let's go back to business" Xia Qingyu intends to discuss cooperation business.

"Business cooperation, you don't even look sincere in doing business with our company, you see my five bodyguards and I beaten up by your people, I want a compensation before doing business" Jun Moxi came up with a great idea to be close to Xia Qingyu.

"Then what compensation do you want," Xia Qingyu asked.

"How about dating for 1 day with me, you won't refuse it right" Jun Moxi finally showed his real face.

This person was really not interested in working with Ye Chen's company, he was only interested in Xia Qingyu's beauty.

"I can't do that, mention any other compensation" Xia Qingyu's tone of voice was very cold, she looked dissatisfied with the requirements just mentioned by Jun Moxi.

"Hahaha, Qingyu, I'm just kidding, don't take it too seriously" seeing Xia Qingyu was angry Jun Moxi had to step back and find an excuse

" Compensation terms are very easy, I want to hit this person " , Because of failing to get close to Xia Qingyu, Jun Moxi was eager to get revenge on Ye Chen.

### **Chapter 137 - Predecessor**

"Why are you asking for my approval, if you have the ability you can hit him" Xia Qingyu is getting annoyed because the conditions proposed by Jun Moxi are getting weirder.

Ye Chen's job was only to escort him alone, Xia Qingyu did not have the authority to make Ye Chen willing to be beaten by Jun Moxi.

"So you want to fight?" Ye Chen went and hit Jun Moxi.

This time Xia Qingyu did not stop Ye Chen "Bamm. . . . , Bamm. . . . , "Jun Moxi's eyes changed to Panda's eyes.

Jun Moxi gritted his teeth, this was the first time Jun Moxi had been battered by someone.

Seeing Jun Moxi not speak The meeting ended in a deadlock, Under the table Jun Moxi's hand holding a cellphone was contacting someone to come here and teach Ye Chen a lesson.

A few minutes later someone kicked the entrance, more than 50 people walked into the room.

These 50 people carry weapons in their hands "Jun brother, where is the person you want to teach a lesson" the man with red hair asked Jun Moxi.

"Finally you come, hurry up and beat this guy, he dares to make me like this" with eyes like a panda Jun Moxi pointed at Ye Chen.

Seeing the situation become chaotic Xia Qingyu was afraid, all of this was wrong by the person next to her, if only Ye Chen had obeyed all of this would not have happened.

"You all quickly hit him" the man with red hair gave orders to the people behind him.

Ye Chen straightened his clothes and welcomed these 50 people, with extremely fast movements Ye Chen hit 50 of these people flying in all directions.

The situation in this room became chaotic, 50 people carrying weapons were defeated very easily by just one person.

Jun Moxi was afraid to see this, he could not believe the ability of Xia Qingyu's bodyguards to be very competent, even 50 people with weapons could be defeated in just seconds.

Hearing chaos in room 5 several security officers immediately rushed there.

When they arrived they were all shocked by the sight of 50 people scattered on the floor with several bruises all over their bodies.

Hearing the battle report, the owner of this place immediately rushed to room No. 5.

"Who dares to wreak havoc at my place" The owner of this place turned out to be Ai Lang Bos. The red wolf gang, behind Ai Lang, there were several members of the red wolf gang who escorted him.

Seeing who was in the room Ai Lang immediately ran towards Ye Chen.

"Forerunner" Ai Lang saluted Ye Chen, Ai Lang still remembered the scene where Ye Chen defeated a hundred people

that he belonged to, moreover this person didn't work when he was shot by a firearm, when Ai Lang thought about this his body trembled a little because of fear.

Ye Chen saw the person who saluted him, Ye Chen couldn't remember what this person's name was.

" Who are you ? "Ye Chen asked Ai Lang's name.

"This little guy is Ai Lang, the boss of the red wolf" Seeing Ye Chen forget himself Ai Lang was not discouraged.

In the eyes of someone as strong as Ye Chen, Ai Lang was nothing to him.

Jun Moxi and the red-haired man were surprised to see Ai Lang's attitude towards Ye Chen, they had never seen Ai Lang the boss of the red wolf gang who had such great respect for someone like this.

What's more Ai Lang called this person the predecessor, this made Jun Moxi and the red-haired man more surprised.

"Oh so you are Ai Lang" Ye Chen nodded his head.

"What are you predecessors doing here? "Very respectfully Ai Lang asked why Ye Chen was in his place.

"I'm taking my Ceo to do business, I didn't expect these two people to look for trouble with me" Ye Chen looked at Jun Moxi and the red-haired man.

Ai Lang turned his eyes towards Jun Moxi and the red-haired man.

"Jun Moxi, Dong Zuo how dare you cause trouble at my place, beat up these two people and drag them in front of their predecessors to apologize" Ai Lang told all his men to capture Jun Moxi and Dong Zuo and drag him forward to Ye Chen to apologize.

Hearing what Ai Lang said, Jun Moxi and Dong Zuo's body shuddered, a dozen people went towards them and beat them both.

After being battered, Ai Lang's child brought Jun Moxi and Dong Zuo in front of Ye Chen and told them to kneel.

"Quickly apologize to the predecessor" Ai Lang told the two men to apologize to Ye Chen.

"predecessor please forgive me" Jun Moxi was the first person to apologize, then followed by Dong Zuo who also apologized to Ye Chen.

Even though Jun Moxi is strong, he can't possibly offend the Red Wolf Gang, both of them are in a different world, if Jun Moxi looks for trouble he might be killed by Ai Lang.

Jun Moxi didn't expect that, bodyguard Xia Qingyu knew Ai Lang, moreover Ai Lang had great respect for Ye Chen

"What do you want to do with these two predecessors?" Ai Lang asked what to do with Jun Moxi and Dong Zuo.

"Wait a minute" Ye Chen went to the side of Xia Qingyu.

"Ceo Xia, which document of agreement do you have?" Ye Chen asked Xia Qingyu for a document, Xia Qingyu submitted the cooperation agreement for Ye Chen.

Ye Chen looked at the contents of the document that had been made by Xia Qingyu.

Ye Chen asked Ai Lang's men to slightly change the contents in this document, Ai Lang's men deftly finished everything.

"If you want to leave, you have to sign this," Ye Chen handed the document agreement to Jun Moxi to be signed immediately.

Because being forced by Ai Lang helplessly Jun Moxi signed this document, Jun Moxi hasn't even read the document he signed.

"Ceo Xia, this is the document of his cooperation" Ye Chen gave the document back to Xia Qingyu.

Xia Qingyu received the agreement document from Ye Chen, she wanted to see what was changed by Ye Chen in the agreement document.

When Xia Qingyu read the cooperation contract, she was even more surprised, everything in this agreement only benefited the Xiannu company.

"Let's go back," Ye Chen invited Xia Qingyu back to the company.

Xia Qingyu followed Ye Chen, from the beginning to the end she felt he was only an assistant to Ye Chen.

After exchanging contact information Ye Chen said goodbye "Ai Lang thank you for your cooperation" Ye Chen left with Xia Qingyu.

"No matter the predecessor" Ai Lang saluted Ye Chen.

After Ye Chen disappeared Ai Lang finally felt relieved.

He saw Jun Moxi on the floor "you let them go" Ai Lang told his men to release Jun Moxi and Dong Zuo.

"Ai Lang why are you so afraid of him, this is not like you that I know" Jun Moxi did not dare to be angry at Ai Lang, he instead asked why Ai Lang was so afraid of the bodyguard Xia Qingyu.

Dong Zuo also has the same question as Jun Moxi.

"You two are very chaotic, do you know that person is very strong, even bullets can't hurt him" Ai Lang told how strong Ye Chen was to Jun Moxi.

Jun Moxi and Dong Zuo were both surprised that they couldn't believe that the person had been immune to bullets, whether that person was a superman could be immune from bullets.

"I will go, you guys take care of your own problems," Ai Lang left this room.

Jun Moxi also had to go, today he really suffered a huge loss, Jun Moxi had to make excuses when explaining everything to his father, maybe his father would be angry if he knew about this problem.

Dong Zuo took all his men away from this place.

### **Chapter 138 - Meet Li Qingzhu**

Ye Chen brought Xia Qingyu back to the company.

In the car Xia Qingyu looked at Ye Chen curiously, she wanted to know who Ye Chen really was, this person was able to make the owner of the Red Star Building fear him.

The situation was still the same as before, Xia Qingyu did not want to speak in the slightest to Ye Chen.

Ye Chen was more focused on absorbing Xia Qingyu's virgin Yin.

Ye Chen and Qingyue finally arrived at the company.

"I want to ask for your contact information just in case something happens" Xia Qingyu asked for Ye Chen's contact information.

Ye Chen gave his contact information to Xia Qingyu.

"Your task is finished, you may leave now" After exchanging contact information, Xia Qingyu immediately went back to her room.

Ye Chen was a little disappointed to see that Xia Qingyu was quite difficult to approach.

Because his visit to the company to see it was over, Ye Chen left the company.

Starting from this morning Ye Chen felt that he was being watched by someone, Ye Chen saw the person watching him was a cultivator, unfortunately his level was very low, this person was only in the initial stages of Spirit Profound Realm.

Ye Chen remembered Luo Bing's words this morning, Yun's family must have sent someone to investigate Yun Hao's death, it seemed like this person's target was him.

Ye Chen deliberately did not expose this person's existence, he wanted to see what this person would do to him.

Ye Chen acted like a normal person, he kept walking to his villa. On the way, it happened that Ye Chen passed by Aunt Chen's food stall, Ye Chen had just stopped by here, it hadn't been here for a long time.

Aunt Chen's stall is more crowded than before, there are many buyers lining up here.

Ye Chen approached and ordered something, it just so happened that the person who was receiving the order turned around in the Other direction, Ye Chen felt familiar with this girl

"I want to order something" Ye Chen ordered food to this girl,

Hearing someone order, this girl turned towards Ye Chen, when this girl turned around she smiled at Ye Chen.

this woman is Li Qingzu, it turns out that Li Qingzu works part time at this place.

"Sir, what do you want to order?" Li Qingzu immediately ordered Ye Chen's order.

"I want to order 50 goat skewers and a drink," Ye Chen told Li Qingzu's order.

"We will make your order" Li Qingzu felt she had met this young man, but she forgot where she had met with Ye Chen.

After ordering food, Ye Chen waited patiently on the chair.

In a corner there was a person who was watching Ye Chen's movements, this was Yun Gu's elder, the person who was told by Yun Pojun to find the person who had killed Yun Hao.

after receiving a report from Li Hun, Yun Gu watched Ye Chen's movements, so far Yun Gu still had not found evidence that Ye Chen was the culprit of Yun Hao's killer.

Because he long ago found the person who killed Yun Hao, Yun Pojun always scolded him.

"Sir, this is your order", after a few minutes Li Qingzu delivered Ye Chen's order.

Li Qingzu prepared to put Ye Chen's order on the table.

"Li Qingzu, you're here," several people approached Aunt Chen's shop, these people were looking for Li Qingzu.

"Li Qingzu quickly repays your father's debt" this person shouted in front of Li Qingzu.

"Mr. Ji, please give me time, I promise that in a few days I will pay off my father's debt." Li Qingzu's body trembled while trying to talk to this man.

"I've given you plenty of time, so now quickly pay all your debt, if you can't pay it, then you have to pay it with your body" Ji Kong looked at Li Qingzu's body passionately.

"Now I don't have money," Li Qingzu stuttered, saying to Ji Kong.

"It's none of my business, what I want is payment from you" Ji Kong slapped the plate in the hands of Li Qingzu.

The plates hit Ye Chen's body, Ye Chen's suit was now full of sauce stains.

Seeing this, Li Qingzu took a tissue and tried to clean Ye Chen's body and clothes.

Unfortunately the sauce stain was too much, Li Qingzu could not clean it.

Ye Chen who didn't know anything was suddenly dragged into this matter, he stood up from his seat and stood in front of Ji Kong.

"What do you want? "With an innocent look Ji Kong glared at Ye Chen.

" What do you want? , of course giving you lessons, Bamm. . . . Ye Chen hit Ji Kong.

Ye Chen hit Ji Kong right in the mouth, almost half of Ji Kong's teeth fell out.

Blood dripped from the mouth of Ji Kong, seeing this fight almost all visitors in this place were interested, there was rarely a free spectacle like this.

"What are you doing quickly kill him" Seeing his bodyguard just keep quiet, Ji Kong scolded them all.

the four Ji Kong guards just realized, they all rushed towards Ye Chen, these people didn't hesitate to use a sharp knife to fight Ye Chen.

"Watch out" Li Qingzu shouted in panic as these people pulled out a sharp knife to deal with Ye Chen.

all the buyers did not dare to interfere, some of them tried to contact the police to come here immediately.

Seeing those people coming towards him Ye Chen used his feet to kick the chest of these four people

"Bamm. . , Bammm. . . . , Bamm. . , Bammm. . . "Four consecutive kicks flew to these four people.

The people who had just been kicked by Ye Chen all grabbed their chests and groaned in pain.

Ye Chen was angry because he was bothered when he wanted to eat quietly, people like Ji Kong kept coming to him to look for problems that made him very disgusted.

"Li Qingzu, watch out for you" Seeing his men carrying sharp weapons were defeated easily, Ji Kong decided to run away from this place, before running away Ji Kong gave a warning to Li Qingzu.

seeing Ji Kong running Ye Chen took a knife from the ground, he threw it a sharp knife at Ji Kong who was running.

"Ouch" Ji Kong immediately fell to the ground, he felt a cold object stabbed into his thigh, when he looked back there was a knife stuck in his thigh.

In the corner of Yun Gu who saw this raised his eyebrows, Yun Gu saw how Ye Chen threw the knife very expertly.

This was impossible for ordinary people to do, Yun Gu began to suspect that Ye Chen was the one who killed Yun Hao.

"I will report this to the head of the family" Yun Gu stopped watching Ye Chen and left this place.

After being satisfied giving lessons to Ji Kong, Ye Chen intends to go home to clean himself.

"Master, you are alright" Li Qingzu anxiously arrived at Ye Chen's side.

"I'm fine" Ye Chen said while trying to clean his dirty self.

"Sir, how about you go to my place to clean yourself", seeing Ye Chen who was dirty because of her mistake, Li Qingzu made up her mind to make up for it by washing Ye Chen's suit.

"That will trouble you" Ye Chen was not comfortable bothering Li Qingzu.

"It will not bother me at all, Wait a minute I will ask aunt Chen on leave" Li Qingzu went to aunt Chen to ask for leave early.

### **Chapter 139 - Ambiguous Situation In The Bathroom**

After getting permission to leave early, Li Qingzu invited Ye Chen to go to her house.

"Oh yeah, what's your name?" Li Qingzu asked Ye Chen.

"I'm Ye Chen, then what is your name?" Ye Chen actually knew, but he pretended not to know Li Qingzu.

"I'm Li Qingzu, nice to meet you," Li Qingzu smiled at Ye Chen.

"Hemm Li Qingzu, it seems I have heard that name, are you one of the school's flower in Hexing?" Ye Chen wanted to confirm whether this woman really was Li Qingzu who was a school flower.

"How do you know, do you also go to school there?" Li Qingzu did not expect that Ye Chen knew about her.

"Yes, I also went to school there, I was in the second know" Ye Chen did not understand where this woman looked cold ?, from the beginning to meet Li Qingzu was quite friendly to him.

"Oh, so you're a junior, I'm currently in my third year" Li Qingzu called Ye Chen, a junior.

Hearing this Ye Chen smiled "Speaking of the rumors I heard you were quite cold to everyone, but what I saw you were not like that" Ye Chen was curious about this.

"Actually I was forced to be cold in school so that I was not bothered by other people, every day there were always lots of men who wanted to be close to me, they used various ways to get close to me, so I changed my attitude to everyone and started chasing everyone out. the person who tries to be close to me "what Li Qingzu wants is only to study quietly while at school, she wants to graduate with good grades and get a decent job.

"So that's what happened" Ye Chen nodded at Li Qingzu

Li Qingzu's house was not too far from Aunt Chen's stall, within a few minutes Ye Chen arrived at Li Qingzu's home.

Li Qingzu's house is just an ordinary house with a size of 6x10 meters "let's go in" Li Qingzu invited Ye Chen into her house.

In Li Qingzu's house it looks very simple, there are only chairs, tables and television, it looks very simple.

"Get your clothes off, I will wash them" Li Qingzu asked Ye Chen to undress so she could wash them.

Ye Chen thoughtlessly took off his clothes, when Ye Chen had taken off the upper part of Li Qingzu's face flushed, Ye Chen's perfect muscles were clearly visible in front of Li Qingzu.

This was the first time Li Qingzu saw a man's body this close.

she is so stupid to tell a man to undress in front of her.

She should have told Ye Chen to undress in the bathroom.

Seeing Ye Chen intend to take off the bottom of the pants, Li Qingzu immediately stopped him "Ye Chen wait, you should take it off in the bathroom".

Li Qingzu escorted Ye Chen to the bathroom in the back.

With the part of the naked bag Ye Chen followed behind Li Qingzu.

After arriving Ye Chen went into the bathroom and took off all his clothes and handed them to Li Qingzu for washing.

Because Li Qingzu did not have a washing machine, she had to wash it manually.

in the ceiling of the bedroom Ye Chen saw his pants and bra being dried, these underwear were dominated by black and dark purple, this was a very sexy color.

It seems like Li Qingzu likes to wear underwear that are brave enough.

Li Qingzu, who was washing Ye Chen's clothes, suddenly remembered something, this morning she was drying her underwear and bra in the bathroom.

If Ye Chen saw that it would be very chaotic, Li Qingzu really liked to wear sexy underwear, there was a special pleasure when wearing sexy underwear.

she immediately put down Ye Chen's laundry and rushed to the bathroom.

Without much thought Li Qingzu opened the bathroom door, Ye Chen happened to not lock the bathroom door, so Li Qingzu could enter.

Li Qingzu immediately saw Ye Chen's naked body, Li Qingzu's gaze dropped down and saw a large man's meat stick.

Li Qingzu was surprised to see that Ye Chen's object was very large, moreover it was still not fully erect.

Ye Chen saw Li Qingzu enter in surprise as he immediately covered his younger brother.

"Li Qingzu, what are you doing?" Ye Chen asked for Li Qingzu's explanation.

"Me. . . , me. . . ." Li Qingzu did not know how to expose this to Ye Chen, instead she saw her own underwear hanging from the ceiling.

"It's over, he must have seen it, now he will think that I'm an open woman." Li Qingzu was very embarrassed, her face turned red like an apple.

Li Qingzu closed her eyes and ran to try to get the underwear, she was hanging from the ceiling.

"Li Qingzu, what are you doing?" Ye Chen asked for Li Qingzu's explanation.

"Me. . . , me. . . ." Li Qingzu did not know how to expose this to Ye Chen, instead he saw his own underwear hanging from the ceiling.

"It's over, he must have seen it, now he will think that I'm an open woman." Li Qingzu was very embarrassed, her face turned red like an apple.

Li Qingzu closed his eyes and ran to try to get the underwear he was hanging from the ceiling.

Because Li Qingzu's slippery floor suddenly slipped "ahh. . ." she naturally screamed.

Li Qingzu crashed into Ye Chen, Ye Chen who was not ready also fell with Li Qingzu.

Li Qingzu was currently lying down riding Ye Chen's body, moreover her body was hugged by Ye Chen.

Li Qingzu could feel the warmth of Ye Chen's arms, this was the first time Li Qingzu felt this kind of comfort.

"You're fine," Ye Chen asked Li Qingzu's state.

Hearing Ye Chen's words, Li Qingzu immediately woke up, she tried to get up from Ye Chen's body.

When Li Qingzu stood up, she suddenly touched Ye Chen's younger brother.

Li Qingzu felt touched something hot, out of curiosity Li Qingzu tried to squeeze it, when squeezed by Li Qingzu this thing got bigger and harder.

"Arggg" Ye Chen moaned in pleasure because his possessions were touched by Li Qingzu.

Li Qingzu immediately realized that what was held belonged to Ye Chen.

The current situation became ambiguous, because it was too ashamed that Li Qingzu could not think clearly.

"How long will you hold it" Ye Chen couldn't stand it when his younger brother was held by the beautiful Li Qingzu.

The fire in Ye Chen's body began to rise, if it continued like this then something bad would happen.

"Li Qingzu regained consciousness and immediately stood up, she took the underwear that was hanging on the ceiling and immediately ran away from the bathroom.

Ye Chen, who was still hard downstairs, was left alone in the bathroom.

After a while Ye Chen had finished bathing and came out of the bathroom, Ye Chen was wearing the clothes that had been prepared by Li Qingzu, Li Qingzu had prepared the clothes of his late father for Ye Chen.

Li Qingzu has now also finished washing Ye Chen's clothes and drying them, because they do not have a dryer at home, they have to be dried manually to dry.

Li Qingzu did not know what to say at this time, she felt confused to start a conversation.

## **Chapter 140 - Li Qingzu's Mother**

"Qingzu you're home" from the door a woman called out.

A middle-aged woman enters this house, this woman is at least 40 ~ 41 years old, some of her hair has started to turn white.

"Mother, you are back" Li Qingzu immediately welcomed her mother's return.

Li Qingzu's mother named Xu Mui, she worked in a factory nearby, Xu Mui's monthly salary was only 1000 dollars, it was only enough to eat herself and Li Qingzu for 1 month.

That's why mother and daughter have difficulty paying debts to Ji Kong.

"Qingzu, you're not spelling today, why did you go home earlier?" Xu Mui asked Li Qingzu why she had come home earlier than usual.

"Actually, Ji Kong was looking for me and made a fuss, that's why I went home earlier" Li Qingzu explained to her mother what happened today.

"are you okay?" Xu Mui was worried about his daughter's situation.

"No, I'm fine," said Li Qingzu to make her mother stop worrying.

"Eh, Qingzu who is this?" Seeing a man in her house there was a slight dissatisfaction in the tone of Xu Mui's voice, this young man was very handsome, Xu Mui began to ask who this young man was and what his relationship with her daughter was.

Xu Mui strictly forbids her daughter from dating, it will hinder the learning process of Li Qingzu, Li Qingzu is currently in the 3rd year soon she will face an exam, she should not be bothered with things like dating.

If Li Qingzu's grades are bad then her future will also be bleak, that's why Xu Mui forbids Li Qingzu from dating at a young age.

Seeing his mother misunderstood Li Qingzu immediately explained "mother, he is my junior at the school name Ye Chen, coincidentally he also helped me expel Ji Kong who was collecting debt".

After listening to his daughter's explanation, Xu Mui began to understand who this young man was, apparently this young man was her daughter's savior.

"Hello, my name is Xu Mui, I am Li Qingzu's mother, thank you for saving my daughter." Xu Mui thanked Ye Chen.

"It doesn't matter to Aunt Xu, after all, that person was the first to look for trouble for me, so I had to answer it" Ye Chen very politely said to Xu Mui.

"You are a good and polite young person" Xu Mui gave praise to Ye Chen.

Li Qingzu on the other hand was still embarrassed when he faced Ye Chen, the ambiguous thing in the bathroom still occurred to her.

"Well, Ye Chen, how about you have dinner here, even though this is a reward for saving Qingzu" Xu Mui invited Ye Chen to have dinner at this house.

"Thank you aunty, I hope I did not bother you" Ye Chen did not reject the kindness of aunt Xu Mui.

"You just wait I will cook delicious food for you two", Xu Mui entered the small kitchen and started cooking.

Li Qingzu let Ye Chen watch TV, while she herself took a book from the room and began to study in the living room.

"You are very active in learning, do you have aspirations as a teacher" Ye Chen said a little joking.

"How do you know if you can read other people's minds?" Li Qingzu was a little surprised that Ye Chen could know the ideals that he wanted to achieve.

"Hehehe, of course, I can even see the future, you want to try? "The situation has begun to return to the norm, Li Qingzu is no longer ashamed to speak to Ye Chen.

"Is it true?" Li Qingzu is a bit interested in this matter.

Seeing the innocence of Li Qingzu Ye Chen smiled "then put out your palm" Ye Chen told Li Qingzu to stretch out her palm.

Li Qingzu obediently held out her smooth palm.

Ye Chen just remembered that this soft hand that had held his younger brother,

Ye Chen began to touch the smooth palm of Li Qingzu's "I predict in the future you will live happily with a handsome and strong husband, you will live for a very long time with that person" Ye Chen finished predicting Li Qingzu

"You teased me, didn't the man you said refer to yourself" Li Qingzu said with a smile.

Seeing Li Qingzu who smiled so beautiful.

in her heart Li Qingzu was very happy, this was the first time she had joked with a man.

Ye Chen smiled, he just wanted to tease Li Qingzu a little more cheerfully.

After a while Xu Mui came with a few dishes, all the dishes made by Aunt Xu Mui were only vegetables, Aunt Xu Mui did not have money to buy meat, that's why every day they ate food like this.

"Our food is not very fancy, I hope you like it" Xu Mui apologized because she could not provide proper food to Ye Chen.

"No problem, I like this kind of cooking." Because Ye Chen had gotten used to living a difficult life in the past, he didn't mind eating food like this.

, Li Qingzu had also put down textbooks and joined together to eat together. The three of them began eating the food that was on the table.

"Ye Chen, what are your parents doing right now?" Xu Mui wanted to know a little about Ye Chen.

"Auntie, since childhood I did not have parents, I was treated by grandfather when I was a child, now grandfather has died, so I decided to live in this city" Ye Chen was a little sad when he remembered his grandfather who had died.

"Oh sorry, aunt did not mean" to see Ye Chen like that, Xu Mui apologized, Xu Mui did not think that Ye Chen's life was quite pathetic.

Li Qingzu was also quite sorry for Ye Chen's past life.

"No problem, now I have a happy life with a new family that I have" Ye Chen is now happy with the life he has now.

Li Qingzu and Xu Mui both nodded.

After eating Xu Mui cleaned the dishes that were on the table.

"Bamm. . . , bamm. . . , bamm. . . , bamm. . . "Outside someone banged on the door very loudly.

"Prostitute Xu Mui, hurry up and get out right now" outside someone shouted at Xu Mui very loudly.

Xu Mui who heard this voice immediately shuddered, Xu Mui was very familiar with the voice.

"Mother, why is he here?" Li Qingzu, who was also afraid, asked her mother.

"I don't know, let's see" Xu Mui came to the door.

"Bamm. . . , bamm. . . , bamm. . . , bamm. . . "Outside the person was still banging on the door very strongly.

With a little fear Xu Mui opened the door.

Outside there was a middle-aged man with a very chaotic appearance standing in front of the door, this person carrying a bottle of alcohol in his hand.

"Whore Xu Mui, why did you take so long to open the door?" This man shouted angrily at Xu Mui.

"Hu Tian, why did you come here again, are you not satisfied to destroy our lives" Xu Mui trembled slightly in anger at Hu Tian.

Hu Tian is Li Qingzu's stepfather, 10 years ago Xu Mui married Hu Tian, at that time their lives were still very beautiful. But now Hu Tian often asks money to Xu Mui and Li Qingzu to get drunk and gamble.
