

A True God 1311

### Chapter 1311 - Mao Chao's Evil Plan

"Master, I managed to win" Ye Chen came to Fairy Zhen, Ye Chen shared the happy news with Fairy Zhen.

"You don't need to say that, I have seen it too," Fairy Zhen said in a sarcastic tone, it was obvious that Fairy Zhen was in a bad mood.

"What happened to you, are you on your period?" Ye Chen said to Fairy Zhen, seeing Fairy Zhen's bad mood, Ye Chen still had time to joke with Fairy Zhen.

"I'm not on my period, it's best not to do weird things like that" Fairy Zhen told Ye Chen not to do anything weird.

"It's strange why isn't this normal for . . . um . ." before Ye Chen could finish his words, Fairy Zhen had already stuffed Ye Chen's mouth with her hands.

Fairy Zhen already knew what Ye Chen was going to say, so she shut Ye Chen's mouth not to say such embarrassing words in front of everyone in this place.

"Don't mention it in this place?" Fairy Zhen told Ye Chen not to say anything intimate word in this place, if anyone misunderstood this, then it would be quite a big problem.

Ye Chen tried to get rid of Fairy Zhen's hand, after getting rid of Fairy Zhen's hand, Ye Chen spoke to Fairy Zhen.

"What's wrong, are you still embarrassed by what happened?" Ye Chen asked Fairy Zhen who was in front of him.

"Of course, so don't do it again," Fairy Zhen told that she was very embarrassed by what Ye Chen said, so Fairy Zhen hoped that Ye Chen would not say this in public.

"I promise not to say this, but I want a kiss from you," Ye Chen said to Fairy Zhen, Ye Chen had a condition that Fairy Zhen had to fulfill, so Ye Chen would be quiet and no longer discuss this matter.

Fairy Zhen gritted her teeth, this man was so mean, she didn't let go.

"Alright, I agree to do what you want," Fairy Zhen said that she agreed with Ye Chen's request.

Ye Chen smiled when he heard this, he was very satisfied that Fairy Zhen accepted his request.

Ye Chen intends to hug Fairy Zhen in front of him, he intends to kiss Fairy Zhen in front of him.

"Ye Chen not now, we'll wait when everything is finished" Fairy Zhen stopped Ye Chen again, she told Ye Chen not to rush into doing this, she will do this after everything is over.

"Ah too bad, then I'll get a double reward after all this is over," Ye Chen asked Fairy Zhen.

"Um" Fairy Zhen nodded, she would give Ye Chen a double reward.

"You better rest for a while, the second match will start soon," Fairy Zhen told Ye Chen to rest and wait for the second round to start.

"Okay, I understand, then I will go first," Ye Chen said that he would go first.

Ye Chen intends to go and see Yan Fei, there is something he needs to talk to Yan Fei about a problem.

Fairy Zhen nodded to Ye Chen, she was not suspicious at all of Ye Chen who wanted to go see Yan Fei.

.  
.

Elsewhere, Mao Chao and his two disciples were currently discussing something important.

"How did you lose to that naughty brat?" Mao Chao was furious when he saw his two disciples lose to Ye Chen, this was a disgrace that was very, very embarrassing for Mao Chao.

"Master, this time that person is just lucky, next time we will win this match," Fai Tui said that they would win the next match.

"I don't care what excuses you have, still you have lost 1 point to that brat," Mao Chao said to his two students.

Kun Paen and Fai Tui fell silent as they listened to the angry Mao Chao, both of whom could only lower their heads for having committed such a fatal mistake.

"This time I will help both of you, make sure you win this match if you still lose to that brat, then I will not spare you," Mao Chao said to Fai Tui and Kun Paen.

Mao Chao still gave Kun Paen and Fai Tui a second chance, this time, he would help Kun Paen and Fai Tui against Ye Chen.

"Master, what exactly are you planning?" Kun Pen and Fai Tui were very, very curious about what Mao Chao was planning.

"You two don't need to know the plan I have, your job is only to compete with all your heart and get first place, do you two understand?" said Mao Chao to Fai Tui and Mao Chao.

"Yes, we understand." Fai Tui and Kun Paen nodded, they understood what they had to do.

"Good, then you two may go." After telling the matter, Mao Chao allowed the two of them to leave.

"Thank you very much" Fai Tui and Kun Paen thanked Mao Chao, both of them left this place.

"Ye Chen, just watch out for you, I will knock you out in this second round." Mao Chao would get rid of Ye Chen from this match, he would make Ye Chen feel defeated.

Mao Chao was very cunning, he wanted to cheat on Ye Chen.

.  
.

Ye Chen was currently going out of the stadium, himself going to a quiet corner to await the arrival of Yan Fei.

Ye Chen could only wait for Yan Fei in this place, he hoped that Yan Fei would go and meet him.

Ye Chen waited for quite a long time until now Ye Chen still didn't see any sign of Yan Fei coming to see him.

"That woman, just watch out if she doesn't come to see me" Ye Chen cursed very loudly, he cursed Yan Fei who until this moment had not come to see him.

Honestly, Ye Chen was tired of waiting for Yan Fei, he couldn't stand being asked to wait for a long time.

"Hello little brother, have you been waiting for me?" a very pleasant voice sounded along with a beautiful woman who was approaching Ye Chen.

This beautiful woman is of course Yan Fei, Yan Fei came according to her promise to Ye Chen.

"You've finally come, I've been waiting for you for a long time," Ye Chen said in a slightly dissatisfied tone.

"I'm having a hard time getting away from the men in there, they keep swarming me," Yan Fei said to Ye Chen.

Yan Fei had her reasons when she was late when came to see Ye Chen, the reason Yan Fei was late was that she was surrounded by men who wanted to ask her out.

"It seems that it is very difficult to become a beautiful woman like you," Ye Chen said to Yan Fei who was in front of him.

"Of course, big sister is very pretty, so it wouldn't be strange for this big sister to be the object of greedy men," said Yan Fei with a smile filled with tenderness.

Yan Fei seemed to like what Ye Chen said, she liked Ye Chen's praise.

Yan Fei smiled for a while, before returning to his serious face.

"So, little brother, what does this letter mean?" Yan Fei took out the letter she received from Ye Chen, Yan Fei wanted to hear Ye Chen's explanation calmly in this letter.

### **Chapter 1312 - Punish Yan Fei**

"What do you think made me call you to come to this place?" Ye Chen asked back to Yan Fei, he asked back to Yan Fei who was in front of him.

"Does little brother want to propose to this older sister?" Yan Fei answered Ye Chen's question, she said that Ye Chen might want to propose to her.

"Aren't you overly confident about the matter?" Ye Chen replied to Yan Fei.

"Then what made you want to meet me?" Yan Fei wanted to know the reason Ye Chen wanted to meet her.

Ye Chen didn't immediately answer Yan Fei's question, Ye Chen stepped towards Yan Fei, he was now very close to Yan Fei.

"little brother, You is too close" Yan Fei said that Ye Chen was very close, he was too close to herself.

For some reason this time Yan Fei was very embarrassed when she was approached by Ye Chen, she was very embarrassed when she was approached by Ye Chen.

Ye Chen didn't care what Yan Fei said, he put his lips close to Yan Fei's ear

"Is that how you call your master" Ye Chen whispered to Yan Fei who was in front of him.

"what do you mean?" Yan Fei asked what Ye Chen meant at this time, she was very curious about what Ye Chen had just said.

"So you haven't realized yet." Ye Chen shook his head, it seemed that Yan Fei still didn't realize who he was.

Ye Chen could understand why Yan Fei hadn't realized him yet, surely Yan Fei didn't think that Ye Chen was the Mask Hero who had been Ye Chen's master.

Yan Fei was still confused by Ye Chen's words, why did Ye Chen think of himself as a master.

"Yan Fei, how is the development of your Sun Flame Bird art?" Ye Chen asked about the development of Yan Fei's Sun Flame Bird.

"What a coincidence that I have mastered the Sun Flame Bird art." Yan Fei reflexively answered Ye Chen's question.

"Eh. . ." Yan Fei started to feel something was wrong, how could Ye Chen find out about this.

No one should know about this except her and the Mask Hero who had given her the Sun Flame Bird art.

"You are" Yan Fei pointed at Ye Chen, she had already started to guess the identity of Ye Chen.

Ye Chen smiled when he saw Yan Fei's surprised reaction, it seemed that he had managed to surprise Yan Fei.

"Is this really you?" Yan Fei still couldn't believe what she saw, she still couldn't believe that this was the Mask Hero she was following.

"What's wrong?, do you not believe who I am?, do I look weird with my appearance now?" Ye Chen asked Yan Fei.

"No, it's not like that, it's just that you are so young, I can't believe it's you." Yan Fei was a little hard to believe what she saw, Yan Fei still couldn't believe that Mask Hero was still such a young person.

Even Ye Chen's age was much lower than Yan Fei herself, how could Yan Fei not be surprised when she found out about this.

Before coming here, Yan Fei had seen Ye Chen's biodata, Yan Fei had searched for information before meet Ye Chen, Yan Fei was a very cautious woman, so it wouldn't be strange if she would find out something about the person she was talking to.

Even after finding out about Ye Chen, Yan Fei still didn't expect that Ye Chen's true identity would be so shocking to her.

"Am I too young for you?" Ye Chen said to Yan Fei who was in front of him.

"Of course, I thought you were an experienced old man, to think you were just a boy who just grew up" Yan Fei said to Ye Chen.

Ye Chen smiled at Yan Fei, he smiled when he listened to Yan Fei who considered himself to be young and inexperienced.

"Don't ever underestimate me because I'm young, I'm also experienced in some important matters that are far above you" Ye Chen started to extend his hand behind Yan Fei's body, he used his hand to touch Yan Fei's beautiful buttocks.

Yan Fei was quite surprised by Ye Chen's courage, he was not prepared for what Ye Chen did.

"It seems that you have finally shown what you are like" Yan Fei said to Ye Chen, After a long time Ye Chen showed what he was like.

Yan Fei thought that Ye Chen had no interest in her, but now he thought about this matter again.

"You are a beautiful, intelligent and seductive woman, how could I not be interested in that" Ye Chen said to Yan Fei.

Yan Fei is a smart and seductive woman, of course she likes Yan Fei.

"Fufufu, really, you finally said that" Yan Fei smiled when she heard this, she was very happy when she heard Ye Chen's praise.

"But before that, I want to punish you for the trouble you caused me earlier." Ye Chen said that he would punish Yan Fei for giving himself trouble.

"What is the problem?" Yan Fei was confused about what Ye Chen meant, she was still not aware of the trouble she had previously caused Ye Chen.

"So you still don't understand, I think you are a smart woman" Ye Chen said to Yan Fei who was in front of him.

"What are you saying, quickly explain to me" Yan Fei wanted Ye Chen to explain to herself about the matter she was referring to.

"It's about what you did, you have made me a public enemy in public" Ye Chen said to Yan Fei.

Ye Chen told Yan Fei that he explained the reason why he wanted to punish Yan Fei.

"Fufufu, just like that, I thought what" Yan Fei smiled and laughed when she heard Ye Chen's reasoning, Ye Chen's reasoning was very funny.

"So you think this is a joke, then let me tell you who I am." Seeing that Yan Fei didn't take this matter into account, Ye Chen had to let Yan Fei know who he was.

Ye Chen used a bit of his ability to tease Yan Fei, he patted Yan Fei's beautiful buttocks which looked very plump.

"Ah. . ." Yan Fei screamed as Ye Chen patted her buttocks, Yan Fei could feel a pleasant feeling from this.

"Little brother Ye Chen, you are very naughty." Yan Fei said that Ye Chen was very naughty.

"You still dare to think of me as a younger brother, then let me teach you a little lesson as your master." Ye Chen decided to teach Yan Fei a little lesson.

He kept on slapping Yan Fei's beautiful ass, the feeling of doing this was very pleasing to Ye Chen.

It wasn't just Ye Chen who was enjoying this, Yan Fei seemed to be enjoying this feeling.

"What is this, why am I even enjoying this?" Yan Fei was confused with herself, how could she even enjoy being punished by Ye Chen.

"Little brother, please stop, don't do this to me" Yan Fei tried to apologize to Ye Chen, she hoped that Ye Chen would let her go.

"You still dare to call me that, it seems I have to teach you more lessons" Seeing that Yan Fei still dared to call him that way, Ye Chen decided to punish Yan Fei even more cruelly.

He started using his skills to drive Yan Fei crazy, this was meant to make Yan Fei obey him.

### **Chapter 1313 - Playing Behind Fairy Zhen**

Ye Chen squeezed and slapped Yan Fei's buttocks, he continued to violently stimulate Yan Fei.

Yan Fei can't fight Ye Chen, this pleasure is very overwhelming, this is the first time Yan Fei has felt this kind of feeling.

"Do you want more?" Ye Chen asked Yan Fei, he wanted to know if Yan Fei wanted more from him.

Yan Fei was a little confused when she got a question from Ye Chen, Yan Fei didn't know how to answer Ye Chen's question.

Yan Fei had mixed feelings, on the one hand, she didn't want to be considered a pervert, while on the other hand, Ye Chen didn't want Ye Chen to stop doing this to her, every touch of Ye Chen meant a lot to Yan Fei.

"You don't want to answer it, then do I need to stop right now?" Ye Chen asked Yan Fei again.

Since there was no answer from Yan Fei, Ye Chen decided to just stop.

This would make Yan Fei extremely uncomfortable with what was happening.

"No, don't stop" Yan Fei begged Ye Chen not to stop, she didn't want Ye Chen to stop.

Ye Chen smiled when he got the answer from Yan Fei, this was indeed the answer Ye Chen wanted.

After getting the answer he wanted, it was time for Ye Chen to show his abilities, now was the time for Ye Chen to conquer Yan Fei.

Ye Chen became bolder, he stretched out his hand towards Yan Fei's dual peaks, Ye Chen started kneading and massaging Yan Fei's two double peaks.

From the beginning Ye Chen was quite interested in the two things in his hands, he was attracted because these two double peaks looked very tempting, these things seemed to be alive, and called Ye Chen to touch them.

"Ah. . , no, it's too amazing." Yan Fei groaned in a coquettish voice that was very comfortable to listen to, this voice filled with passion that made everyone feel very excited.

Yan Fei was the first time to let a man touch her like this, Ye Chen was the first person to be able to enjoy a beautiful flower-like Yan Fei.

Yan Fei is a woman who has many pursuers, if Yan Fei opened a vacancy for a man, the queue would be very long, hundreds of thousands of kilometers.

"She has a pretty good body" Ye Chen had to commend Yan Fei's prospects, this woman has good capital to become an idol, it's not strange that she can make a young man hot with just a little seduction.

"Ummm" Yan Fei's face became red, her breath seemed to be very fast, this showed that Yan Fei was very excited.

Yan Fei's lust is already at its peak, she can't help but feel this pleasant feeling, it's too comfortable and so delicious, it's hard to contain this comfortable feeling.

"Master, this is great, how can you have this kind of ability," Yan Fei asked Ye Chen, the feeling that Ye Chen gave was indeed extraordinary.

"I am a person who has rich experience, so you will definitely as this" Ye Chen replied to Yan Fei, Ye Chen told Yan Fei that he would like this.

Even though Yan Fei would most likely never forget this, he would never be able to forget what had happened this time.

Yan Fei indeed wouldn't be able to forget this, she probably wouldn't be able to forget what had happened to her right now.

This feeling is very comfortable, Yan Fei likes this feeling, plus her head is starting to go blank from the overwhelming pleasure.

"Master, kiss me," Yan Fei asked Ye Chen to kiss her, Yan Fei's request was very, very bold.

Yan Fei brought out her true nature, her current self wanted to be overpowered by a strong man like Ye Chen.

Yan Fei wanted to feel the feeling of kissing, she wanted to feel what the pleasure of kissing was like.

"Of course, I will grant your wish." Ye Chen said that he would grant Yan Fei's wish.

Ye Chen kissed Yan Fei's Cherry lips, both Ye Chen and Yan Fei's lips met, when their lips met, Yan Fei started to feel a pleasantly soft feeling.

Yan Fei gave her first kiss to Ye Chen, Yan Fei let Ye Chen take her first kiss.

After getting Yan Fei's first kiss, Ye Chen became bolder, he put his tongue in Yan Fei's mouth.

"Um" Yan Fei was quite shocked by what happened, she couldn't believe what she was seeing right now.

It was the first time Yan Fei kissed like this, so it wasn't strange that Yan Fei was still quite surprised.

"This feeling, why is it so fun?" Yan Fei was confused about what was going on, she was confused when she felt this feeling.

At first, Yan Fei acted passively, but after receiving stimulation from Ye Chen, Yan Fei became active and started kissing Ye Chen passionately.

Yan Fei still has a little knowledge in this matter, so she can still keep up with Ye Chen's skills.

The two of them continued to kiss in a fairly open place, if one were to come, they would be able to see what Ye Chen and Yan Fei were doing.

Yan Fei didn't care if they were in a very open place, she just wanted to get more pleasure from Ye Chen.

"Master, it looks like someone is coming, you better hide" When Ye Chen and Yan Fei were immersed in the sweetness of the kiss, Chu Yuechan suddenly warned Ye Chen that someone was coming.

Ye Chen became wary of the warning given by Chu Yuechan, Ye Chen immediately took Yan Fei away towards the bushes that happened to be around this place.

Ye Chen and Yan Fei got into the bushes, both of them were hiding in the bushes.

Yan Fei didn't understand why Ye Chen had suddenly pulled herself away, even though she was enjoying what was happening.

"Master, what happened?" Yan Fei asked Ye Chen about what happened, why did the two of them have to hide like this.

"shut up," Ye Chen told Yan Fei to be quiet, he wanted Yan Fei to be quiet and not make a sound.

A while later someone came to Ye Chen's place, this person was Fairy Zhen.

"Where did that brat go?" Fairy Zhen is currently looking for Ye Chen, she is looking for Ye Chen's whereabouts.

Fairy Zhen has her reasons for looking for Ye Chen, she wants to explain specifically about the match that will take place in the second round, it's a shame Fairy Zhen couldn't find Ye Chen's whereabouts.

Fairy Zhen currently didn't know that Ye Chen was hiding in the bushes behind her, plus Ye Chen was currently hiding with a beautiful woman like Yan Fei.

If Fairy Zhen found out about this matter, Ye Chen could be sure that Fairy Zhen would be furious.

Current Yan Fei couldn't stand the itching and discomfort in her body, she currently needed Ye Chen to deal with this problem.

Yan Fei acted boldly, she started to reach out her hand to stimulate Ye Chen, plus she used her lips to lick Ye Chen's neck.

"Erm. . "Ye Chen didn't expect that Yan Fei would attack him in a situation like this, this woman is looking for an opportunity in a dangerous situation like this.

The current Ye Chen couldn't stop Yan Fei, if he used his strength to stop Yan Fei, then it was certain that his location would be found by Fairy Zhen.

### **Chapter 1314 - Almost Found By Yan Fei**

Yan Fei doesn't care if Fairy Zhen is near them, all she wants right now is to get satisfaction from Ye Chen, Yan Fei also wants to make Ye Chen happy with her skills.

Ye Chen didn't expect that Yan Fei would be so good at teasing him, this woman had an innate skill to seduce Ye Chen.

Ye Chen couldn't withstand Yan Fei's attack, he decided to leave and continue playing with Yan Fei.

Ye Chen didn't care if he was found by Fairy Zhen, to be honest doing something like this felt very good to do.

The sensation will be found to make the passion much higher, this makes what he does together with Yan Fei even more interesting and feels very enjoyable.

Ye Chen again extended his hand to Yan Fei's body, he started to stimulate Yan Fei's body.

"Emmm" Yan Fei groaned again when she was touched by Ye Chen, Yan Fei couldn't help her voice leaking out.

"Don't be loud, we'll get caught" Ye Chen immediately told Yan Fei not to be noisy, if they were noisy, they would most likely be noticed by Fairy Zhen.

"Um" Yan Fei nodded, she would try her best not to make a sound, even though it might be difficult to do, Yan Fei still had confidence that she could do this.

After getting Yan Fei's approval, Ye Chen finally restarted what he had been postponing, Ye Chen tried to do this slowly, he didn't want Yan Fei to make a loud noise near Fairy Zhen.

Fairy Zhen still hadn't left, she was still standing around this place looking for Ye Chen's whereabouts.

Yan Fei's face became even redder, he had tried very hard to defend against Ye Chen's attack, Yan Fei even used his hands to suppress the voice he had.

The excitement became crazier, this made Yan Fei want to scream as loudly as possible, unfortunately, the current situation was not supportive for Yan Fei.

"Master, go slower," Yan Fei told Ye Chen to slow down, even more, he couldn't endure it like this.

"You just endure it, she will leave this place soon," Ye Chen told Yan Fei to hold this for a bit longer, Ye Chen believed that Fairy Zhen would soon leave this place.

Fairy Zhen didn't find Ye Chen's whereabouts, so she should have left this place immediately.

Too bad Fairy Zhen didn't leave this place right away, Fairy Zhen was still sitting here waiting for something.

"AHHHH! !!" Yan Fei couldn't stand the feeling in her body anymore, Yan Fei screamed and started to make quite loud noises.

Yan Fei's voice just now was quite loud, for sure Fairy Zhen could hear this voice very, very clearly.

"Who is it?" Fairy Zhen immediately looked in the direction where Ye Chen and Yan Fei were, she began to be wary of the bushes behind her.

"It seems we have been found" Ye Chen began to feel something urgently, Fairy Zhen seemed to have started to know where he and Yan Fei were.

If these two women met, something untoward would happen, for sure a big war would ensue when Fairy Zhen discovered the whereabouts of Ye Chen and Yan Fei who were hiding in the bushes.

Ye Chen started to think hard, he started to think about how he could solve all this.

Knowing there was no answer, Fairy Zhen seemed to have to figure this out herself.

Fairy Zhen approached the bushes, she started to approach the place where Ye Chen and Yan Fei were hiding.

Ye Chen and Yan Fei were both tense when they saw Fairy Zhen that was getting closer, both of them looked tense when they saw Fairy Zhen who was getting closer towards them.

Fairy Zhen stretched out her hand, she was preparing to make bushes in front of her.

Fairy Zhen's hand is getting closer, it looks like Ye Chen and Yan Fei will soon be found by Fairy Zhen.

"Fairy Zhen, you are here" when Fairy Zhen was about to make bushes, she found that someone was looking for her.

Fairy Zhen immediately gave up her intention to look behind the bushes.

"What is it?" Fairy Zhen immediately asked what the person looking for her needed.

"That, Master Gou Teng is looking for you, he needs you for something" this man shyly said to Fairy Zhen.

This man was a little embarrassed when he met a beautiful woman like Fairy Zhen, so it wasn't strange that he looked shy with Fairy Zhen.

"What's wrong with him looking for me?" Fairy Zhen immediately asked why Gou Teng was looking for her.

"I don't know about that matter, I was only ordered to look for you," this man said to Fairy Zhen.

"Then I'll be there soon" Fairy Zhen promised that she would immediately go to the place where Gou Teng is.

"Thank you very much, then I will go first" After getting the answer from Fairy Zhen, this man decided to return to where he was.

After the departure of the man sent by Mao Chao, Fairy Zhen again tried to open the bushes in front of her.

"Who are you?..." when Fairy Zhen opened the bushes and peeked into them, Fairy Zhen found that behind the bushes it was empty.

"empty?" Fairy Zhen didn't expect that there was no one behind the bushes.

"Was I just hallucinating?" Fairy Zhen looked very confused by what was happening, before she had clearly heard voices from behind the bushes, but now she didn't find anyone in this place.

Fairy Zhen also couldn't find anyone else around this place, so she should just be hallucinating.

"I'd better go back and go see Master Gou" since there's nothing in this place, Fairy Zhen decided to leave this place and go see Gou Teng.

"Huff, she's gone." Ye Chen felt relieved when he saw Fairy Zhen who had already left this place.

Ye Chen had previously led Yan Fei away from behind the bushes, the two of them were currently hiding behind a tree not far from where they were previously.

Ye Chen was very lucky that Fairy Zhen didn't check any further, if Fairy Zhen checked further, it was very likely that Ye Chen and Yan Fei would be found.

Ye Chen looked at Yan Fei who was in his arms, currently Yan Fei was asleep in Ye Chen's arms.

Just as Yan Fei reached the peak, after reaching the peak of happiness, Yan Fei suddenly fainted in Ye Chen's arms.

The excitement just now could not be held back by Yan Fei, this made Yan Fei faint from the overwhelming pleasure.

"Looks like she's completely fallen" After seeing Yan Fei like this, Ye Chen was very, very sure that Yan Fei had already fallen.

Sooner or later Yan Fei will definitely be hers, she won't be able to leave Ye Chen anymore.

Ye Chen tried to wake up Yan Fei, he tried to wake up Yan Fei who was unconscious.

After a while of trying to wake Yan Fei up, Ye Chen was finally able to wake up Yan Fei.

"Uhhh. . ., what happened?" After waking up from fainting, Yan Fei was still confused about what had happened, she seemed very confused about what had just happened to her.

"Are you awake, how are you feeling?" Ye Chen asked how Yan Fei was feeling, did she feel good or not.

### **Chapter 1315 - The Second Half Begins**

"Have you forgotten what just happened?" Ye Chen asked Yan Fei who was in his arms.

Yan Fei started to remember what happened, after a while of remembering, Yan Fei finally knew what had happened to her.

"You are so mean, how can you do something like that to me" Yan Fei complained to Ye Chen, Ye Chen had done something very bad to her.

"I told you that if I punished you, would you still dare to fight me again?" Ye Chen asked Yan Fei.

"Fool, how could I dare to go against you," Yan Fei said that she would no longer dare to fight Ye Chen.

"Hehehehe" Ye Chen looked satisfied with the answer given by Yan Fei, Yan Fei's answer was very clear, Yan Fei will not dare to fight Ye Chen anymore.

"Quickly tidy up your clothes, we are going back to the stadium," Ye Chen told Yan Fei to tidy up her clothes.

"Okay" Yan Fei nodded, she started to tidy up her messy clothes.

Yan Fei didn't take long to tidy up her clothes, in just a short time Yan Fei had already tidied up her clothes like before.

Yan Fei looked back to her previous appearance, she returned to being a dignified beautiful woman.

"Little brother, it's a good thing I brought a change of clothes, otherwise it would be embarrassing." Yan Fei was very lucky that he brought a change of clothes.

Otherwise, it would be extremely uncomfortable for Yan Fei, it was because Yan Fei's bottom was completely wet because of what Ye Chen did.

"Hahaha, aren't you a dealer in underwear, so you must have a lot of that" Ye Chen laughed when he heard this, it was very funny when he heard what Yan Fei did.

"You're making fun of me aren't you?" Yan Fei pinched Ye Chen's waist, she was pouting because Ye Chen was mocking her.

"Let's go" Ye Chen took Yan Fei away, they had to leave immediately, the next round was about to start.

"Come on" Yan Fei nodded, she immediately went and embraced Ye Chen's arm, Yan Fei started to become very intimate with Ye Chen, from now on Yan Fei has considered Ye Chen as a man.

Ye Chen and Yan Fei returned to the stadium, both returned in time, the second match was about to start.

"I'll go first," Ye Chen said that he had to go first.

"Be careful, don't lose" Yan Fei told Ye Chen to be careful.

"Don't worry, I can't lose." Ye Chen said that he couldn't lose.

"I hope what you say is true" Yan Fei could only hope that what Ye Chen said was the truth.

Ye Chen left Yan Fei, he immediately went to the Stadium stage along with the other participants.

Yan Fei herself went to the audience, she would see Ye Chen's performance.

Yan Fei was curious about the result that Ye Chen had, whether Ye Chen could win or not in this matter.

Yan Fei herself still couldn't believe that she was following someone much younger than herself, this was something that Yan Fei had never imagined.

"I became curious about him" Yan Fei became more and more curious about Ye Chen, she was curious about Ye Chen, she wanted to know more about Ye Chen.

Ye Chen always gave Yan Fei a surprise, so it was not surprising that Yan Fei was very interested in Ye Chen.

Women are strange creatures, they are always attracted to something mysterious and beyond their reach, which makes them very difficult for men to understand.

.

.

Ye Chen went to his desk, waiting for the second round to begin.

All the participants who managed to qualify had also gathered at this place, they couldn't wait to start the second match.

"Hello young talent, this time I will be the judge in this second round" Gou Teng appears and tells all the participants that he will be the one in charge of this second round.

"eh. . . .! !!" all the audience were disappointed when they didn't see Yan Fei, they looked disappointed because they couldn't see Yan Fei who was hosting the show for everyone.

Even though they prefer Yan Fei to be the judge and host for everyone, they think Yan Fei is more pleasing to the eye than Gou Teng.

Gou Teng could only shake his head, he looked helpless when he saw the disappointment shown by the audience.

Gou Teng himself could not do much about this matter, after all, he was currently only taking the place of Yan Fei who was not feeling well.

Yan Fei was still weak because of what Ye Chen had just done to her body, so she decided to back off and give this position to someone else who would accept this.

"Okay I will tell all of you about this second round of the competition" to overcome the awkwardness that happened, Gou Teng decided to start this second round, Gou Teng started to explain to all the participants in this place what they should do in the second round.

They will compete to make the same pill, the person who finishes making the pill first will advance to the final round.

In this round there are only 15 quotas, so all participants have to fight and compete to get into the top 15.

In this place there were only less than 50 participants left, so 2/3 of them would be eliminated.

All the participants became tense as they listened to the announcement given by Gou Teng, they started to become more and more anxious that they would fail and not succeed in getting one of the 15 available quotas.

"Are there any questions?" Gou Teng asked all the participants, he wanted to know if there was a question to ask.

"Will the quality of the pills be judged?" One of the participants asked whether the quality of their pills would be assessed or not.

"As long as it is in the consumption category, it will be considered pass" Gou Teng answered a question from one of the participants.

This round was aimed at seeing the speed of an Alchemist in concocting a pill, so for the quality to be tolerable, as long as it was edible, it would be fine.

All the participants were distracting, so all they had to do was concentrate on speed to concoct a pill.

"Alright, let's start, here there is no time limit, once the quota is full, then the second round will end," Gou Teng tells all the participants if there is no time for the second round, they will race against other participants in this place.

"Start" Gou Teng started the second round with a signal, after Gou Teng gave a signal, all participants immediately saw what kind of pill they should make.

All the participants in this place got the same pill prescription, so there would be no difference between one participant and another.

Ye Chen started to look at the Cauldron he got, Ye Chen's Cauldron seemed to be different from before.

"Has my Cauldron been changed?" Ye Chen started to think that his Cauldron had been replaced with another.

Ye Chen wanted to confirm this, he checked the Cauldron he got.

When Ye Chen checked his Cauldron, he found that this Cauldron was damaged quite badly, there were several cracks in the Cauldron.

This Cauldron is very bad, this Cauldron looks like it's broken and it's impossible to use it.

### **Chapter 1316 - Get A Broken Cauldron**

"This Cauldron is already unfit for use, how could they give you something like that" Chu Yuechan grumbled when she saw Ye Chen who got a very, very ugly Cauldron.

The Cauldron that Ye Chen obtained was extremely unfit for use, this broken Cauldron couldn't possibly be used to make a pill.

"I don't know, but it's most likely that someone has exchanged it for this broken Cauldron." Ye Chen thought of the greatest possibility that his Cauldron had been exchanged for a broken one.

There must be someone on purpose to do this to Ye Chen.

Ye Chen started to think about the person who was most likely to do this, after thinking for a while, Ye Chen finally knew who was most likely to do this.

Ye Chen looked at Mao Chao who was in the audience, he looked at the person who might have the power to do this.

When Ye Chen looked at Mao Chao, Mao Chao gave an evil smile towards Ye Chen, it was obvious that Mao Chao was very happy when he saw Ye Chen having trouble.

Ye Chen smiled when he saw this, now he knew who had done this to him.

"Do you think you can stop me with something like this?" Ye Chen couldn't be stopped because of this, things like this wouldn't stop Ye Chen from winning this competition.

"Master, can you concoct a pill with such a terrible Cauldron like this?" Chu Yuechan wanted to know if Ye Chen was able to concoct a pill using an ugly Cauldron like this.

"I'm not sure about it, but I'll try it first." Ye Chen wasn't sure if he could do that, he would try it first.

With the Cauldron being so badly damaged, Ye Chen might only be able to use it a few times, and even then Ye Chen had to be careful not to destroy the Cauldron.

Ye Chen took a deep breath, he prepared to concoct pills, this time Ye Chen wouldn't be able to play around anymore, this was because Ye Chen got a very bad and fragile Cauldron, if normal people got this thing, they would destroy it when using Fire their depth.

Ye Chen's Profound Flame Mastery was excellent, this was because Ye Chen was the inheritor of the Sage God, so Ye Chen's Profound Flame Mastery was above average.

Mao Chao smiled when he saw that Ye Chen had not started yet, he looked very happy when he saw Ye Chen who was having a hard time getting the Cauldron which was very, very bad.

"Feel it, who told you to dare to be arrogant in front of me" Mao Chao laughed in his heart with great satisfaction, he looked very happy when he saw what happened to Ye Chen.

Mao Chao was very well aware of the Cauldron that Ye Chen had obtained, this is a flawed Cauldron that will soon be destroyed, even if it is slightly hit by a large force, the Cauldron will certainly be destroyed.

Mao Chao couldn't wait to see Ye Chen destroy the Cauldron, it would be a splendid sight to behold.

Ye Chen had already started refining, fortunately, it wasn't a high-ranking material, so Ye Chen didn't need to use too much of his strength.

All of the participants were currently seriously concocting pills, this time they were all concocting pills without a glitch like what happened in the first round.

Among all the Cauldrons in the arena, it seemed that Ye Chen's Cauldron was the most unstable, Ye Chen's Cauldron shook several times as if it wanted to explode.

"What happened, why does Ye Chen's Cauldron seem so unstable?" Fairy Zhen began to realize that Ye Chen's Cauldron looked very unstable, it seemed that Ye Chen's Cauldron was about to explode.

"Little brother's Cauldron doesn't look good, is he okay?" Yan Fei also said while looking at Ye Chen's Cauldron.

"Eh, you, why are you here" Fairy Zhen just realized that Yan Fei was currently sitting beside her.

"What's the problem if I'm in this place?" Yan Fei asked Fairy Zhen who was beside her.

"Of course there is no problem, you can just sit in that place," Fairy Zhen said to Yan Fei who was beside her.

Fairy Zhen's tone seemed indifferent, it seemed that Fairy Zhen didn't like Yan Fei.

Yan Fei feels strange towards Fairy Zhen, somehow Yan Fei can feel a little hostility from Fairy Zhen.

"Why do you call Ye Chen Little brother, what is your relationship with Ye Chen?" Fairy Zhen asked about the relationship that Yan Fei and Ye Chen had, she wanted to know the relationship that Yan Fei had with Ye Chen.

Fairy Zhen already sensed that Yan Fei was calling Ye Chen quite intimately, it was obvious that the two had a relationship behind her.

"What is my relationship, we are just acquaintances nothing more," said Yan Fei to Fairy Zhen.

"So you're just acquaintances" Fairy Zhen was relieved when she heard this, it seemed that she was thinking too much about this matter.

Fairy Zhen thought that Yan Fei had a relationship with Ye Chen, so it wouldn't be strange for her to behave badly in front of Yan Fei.

"For now we are still acquaintances, but I believe in the future something good could happen," said Yan Fei again to Fairy Zhen.

Yan Fei is very naughty at all, she teased Fairy Zhen very badly, Fairy Zhen will be furious when she hears this.

What Yan Fei did had indeed succeeded in angering Fairy Zhen, Fairy Zhen seemed displeased with what Yan Fei said.

"You can't do that with her," Fairy Zhen told Yan Fei that she couldn't do that with Ye Chen.

"So why is there a problem if I do that, after all, he is a talented young Alchemist, so it doesn't matter if I approach him," Yan Fei said to Fairy Zhen.

"I won't let you get it" Fairy Zhen will protect Ye Chen from Yan Fei, she won't let Yan Fei get Ye Chen.

"Who are you?" Yan Fei asks who is Fairy Zhen, why did she forbid Yan Fei from approaching Ye Chen.

"I . . ." Fairy Zhen looked doubtful when she answered Yan Fei's question, it seemed that she was hesitant in admitting her relationship with Ye Chen.

"What's wrong, why are you silent like a vegetable chicken, don't you have a reason" Yan Fei continued to corner Fairy Zhen.

"I am Ye Chen's master, so I have the right to do that" Fairy Zhen told Yan Fei that she had a right to forbid this matter.

"So you are the master, then in the future, I might have to call you master as well," said Yan Fei jokingly.

Yan Fei seemed to enjoy teasing Fairy Zhen, it was quite funny when she teased someone like Fairy Zhen.

Fairy Zhen was the type of woman who was serious when it came to anything important in her life, so when Fairy Zhen heard this, it seemed that Fairy Zhen was very jealous of Yan Fei.

"I definitely won't let you do that, Ye Chen will never be with you" Fairy Zhen said that she would not let Ye Chen go with Yan Fei.

"Do you have the ability to do that?" said Yan Fei to Fairy Zhen.

Yan Fei doesn't back down when she gets a challenge from Fairy Zhen, Yan Fei goes forward when she gets a challenge from Fairy Zhen.

### **Chapter 1317 - Almost Failed**

The situation seemed to be starting to become less conducive between Fairy Zhen and Yan Fei, these two women looked like they could erupt at any moment.

People tried to stay away from Yan Fei and Fairy Zhen, they stayed away so as not to get involved in the deadly battle that would ensue between Fairy Zhen and Yan Fei.

Everyone had a bad feeling when they tried to get close to Fairy Zhen and Yan Fei, they could all be dragged into difficult troubles.

"Hemp" Yan Fei and Fairy Zhen simultaneously sniffed coldly at each other, it was obvious that they were enemies.

Back to Ye Chen, Ye Chan looked very serious in making a pill, he looked very serious, if Ye Chen made a small mistake, then the result was very fatal, Ye Chen's Cauldron might be destroyed when Ye Chen made a mistake.

Ye Chen's speed in concocting pills was quite slow, Ye Chen couldn't be too fast in concocting a pill, if Ye Chen was too fast, it would make the Cauldron unstable and the probability of exploding much higher.

Ye Chen currently wanted to train himself, he hoped to improve when faced with difficult situations in concocting a pill.

"Sh\*t, why didn't it explode" Mao Chao bit his finger, he was extremely annoyed that Ye Chen's Cauldron didn't explode.

Ye Chen's Cauldron should have exploded, there was no way one could make a pill inside a Cauldron that was broken and cracked everywhere, not even Mao Chao himself would be sure he could do such a thing.

"Hurry up and explode." Mao Chao kept praying for Ye Chen's Cauldron to explode quickly so that Ye Chen would be eliminated in this competition.

Time quickly passed, some of the participants had almost finished concocting the pills they had.

"Done" Fai Tui snapped his fingers, pills flew directly from inside his Cauldron.

Fai Tui became the first person to complete this challenge, he became the fastest person among all the participants in this place.

"Clap . . ." the audience applauded when they saw this, as everyone expected, Fai Tui had indeed been the first to complete this challenge.

In second place was Kun Paen, he had also successfully finished concocting pills, Kun Paen was a bit slower than Fai Tui, even though it was like that Kun Paen could still get second place.

It was again Mao Chao's disciple who took the lead, these two people were truly geniuses.

Mao Chao was extremely proud of this matter, he was proud of the results Fai Tui and Kun Paen had achieved, both of whom had done their job very well.

After Fai Tui and Kun Paen finished concocting the pills, one by one the participants started to finish concocting their pills.

The number of quotas became less and less due to this, the participants who had not finished panicked when they found out about this.

The audience was very curious about Ye Chen who previously got the best score, they wanted to know why Ye Chen still hadn't finished while Fai Tui and Kun Paen had already finished first.

Many spectators had placed their hopes on Ye Chen, they even bet for Ye Chen's victory in this second round.

Unfortunately, their hopes would be in vain, it looked like they had to lose money because Ye Chen couldn't even enter the top 10.

"Huuuuuu" the onlookers started screaming towards Ye Chen, they all shouted at Ye Chen who failed to make them any money.

Ye Chen didn't care about the insults and exclamations made by the audience, all Ye Chen had to think about was winning this match.

Ye Chen didn't care if he wasn't able to get first place, the most important thing was that Ye Chen could enter the top fifteen.

The quota is getting smaller and smaller, with only 1 place left.

All participants used all the strength they had to get the last place, they should be able to get the last place.

"Ye Chen why are you taking so long" Fairy Zhen and Yan Fei were both worried about Ye Chen, both of them seemed very worried about what happened to Ye Chen.

Right now there was only one place left, it was a battle of dozens of people for one place.

"Looks like you don't have the ability, the first round is just luck for you" Fai Tui started mocking Ye Chen, himself mocking Ye Chen for not having any ability in alchemy.

Ye Chen tried not to respond to Fai Tui, there would be a time to fight against the extremely arrogant disciple of Mao Chao.

Now that Ye Chen only needed to focus on his goals, Ye Chen must not allow himself to lose in this place.

The current Ye Chen had reached the end of refining, now all Ye Chen needed to do was to make a pill using the Essence of the refined material.

"Boom. . ." In this process, Ye Chen's Cauldron began to vibrate, it seemed that this process was extremely dangerous. Just a little mistake could cause Ye Chen to fail and crash.

Ye Chen had to use all the abilities he had, Ye Chen used all the abilities he had to be able to complete this process, it would be an achievement in itself when Ye Chen could make a pill using the broken Cauldron.

"boom" Another explosion occurred inside Ye Chen's Cauldron, smoke began to billow from within Ye Chen's Cauldron.

" finally . . . , hahaha" Mao Chao smiled when he saw this, Mao Chao guessed that Ye Chen made a mistake and exploded his pill.

Yan Fei and Fairy Zhen grew tenser when they saw what was happening, both of them seemed to be getting tenser and tenser due to the black smoke coming out from inside Ye Chen's Cauldron.

Ye Chen snapped his fingers, he took out a pill that was inside the Cauldron.

When Ye Chen took out the pill he had made, all the spectators could finally see that the pill Ye Chen had made looked good, there was not the slightest flaw in the pill.

"That's how it's possible" Mao Chao couldn't believe what he saw, he couldn't believe that Ye Chen had managed to make a pill using a Cauldron which was very, very ugly.

"He succeeded" Yan Fei and Fairy Zhen looked overjoyed when they saw Ye Chen succeed, both of them looked very familiar when they saw Ye Chen who had succeeded in making a pill.

"Eh" Yan Fei and Fairy Zhen looked surprised when they both saw the closeness that occurred, they both immediately separated and returned to their respective selves.

Whereas just now they all seemed very close when they saw Ye Chen who had succeeded, but now the two of them seemed to be a cat and mouse who didn't get along.

"Alright, the match is over, all of you who haven't succeeded is declared failed" Gou Teng informed that the match was over, all participants who had not finished were declared failed.

All participants who had not finished immediately stopped, they all stopped because they knew that they had failed in this second round.

All the participants who failed to get off the stage, all looked sad because they failed.

Now only 15 participants still survive to reach the final round.

"Congratulations to all of you who have made it to this stage, I'm happy with this" Gou Teng gave congratulations to everyone in this place, he gave congratulations to the 15 participants who made it to the last round.

"The last round will be a very, very tough one, so make sure your condition is good, so you are given a moment to rest and recover your power," Gou Teng said that all participants were given a short break.

### **Chapter 1318 - [Bonus ]the Fight Between Fairy Zhen And Yan Fei**

"Alright, all of you may go." Gou Teng invited all the participants to go and recover their profound Energy and thoughts.

All participants nodded, they all immediately left to recover their strength for the next round.

Just like what Gou Teng just said, the next round will be a very tough battle, they all have to bring out all their abilities, otherwise, they won't get the first place that everyone in this place is aiming for.

All participants returned, they would all rest to recover their strength for the next round.

The next round will be a very, very long battle, this will be different from the previous match which lasted very short.

Ye Chen returned to Fairy Zhen's side, when Ye Chen returned, Ye Chen found Fairy Zhen and Yan Fei sitting next to each other.

"Oh my, this must be quite a troublesome thing", Ye Chen could feel that this would be a very, very troublesome matter, Ye Chen was sure that there would be a dispute between these two women.

From afar, Ye Chen could feel an unpleasant air around Yan Fei and Fairy Zhen, so Ye Chen already knew that both of them had their problems when he wasn't here.

"The worst will be the rush" Ye Chen had no choice but to move forward, he would face the worst that could happen to him.

"Hello, you two" Ye Chen greeted Yan Fei and Fairy Zhen who were sitting next to each other.

"Ye Chen, little brother" Yan Fei and Fairy Zhen simultaneously called out Ye Chen's name.

As the two of them did this, they both seemed to be looking at each other.

"What's the problem with you, why do you always imitate me?" Fairy Zhen asked Yan Fei's problem, why did Yan Fei always imitate what she did.

"Who is imitating you, I am giving a speech for the success of Ye Chen's younger brother" Yan Fei immediately refuted what Fairy Zhen said, he told that he did not imitate what Fairy Zhen did.

"You're trying to make excuses, it's obvious that you're trying to imitate me, just admit what you're doing," Fairy Zhen told Yan Fei to admit what she had done.

"I already told you that I don't imitate you, so how many times do I have to tell you," Yan Fei said to Fairy Zhen.

Yan Fei still denies that he imitates Fairy Zhen, Yan Fei does not imitate Fairy Zhen at all, he has no intention of imitating Fairy Zhen.

Yan Fei and Fairy Zhen made a fuss again, both of them seemed unwilling to give in to each other.

Fairy Zhen and Yan Fei are women with quite a high self-esteem, they both have quite a high self-esteem, So it's not strange that they don't want to give in to each other.

"You two, please talk a little bit, we can talk about this matter well." Ye Chen tried to lighten the mood, himself trying to lighten the currently hot atmosphere.

"You shut up" Yan Fei and Fairy Zhen told Ye Chen to be quiet, they were busy arguing.

"-\_- " Ye Chen didn't expect that he would get an answer like this from Yan Fei and Fairy Zhen.

"Fufufufu, a master, looks like you have a headache." Chu Yuechan started giggling when she saw the debate that was going on, it was very rare for Chu Yuechan to see this kind of condition.

"Looks like the two of them don't get along." Ye Chen said in a helpless tone, it was obvious that Ye Chen and Fairy Zhen didn't get along with each other.

Ye Chen had to quickly find a way to resolve this matter, he couldn't let things like this drag on.

Ye Chen appreciated Fairy Zhen and Yan Fei, he only hoped that they could get along and not be enemies.

"Come on you two please don't make a fuss about a small matter like this" Ye Chen told Fairy Zhen and Yan Fei not to make a fuss over this small matter.

"What a small matter, it is quite a big problem" Fairy Zhen and Yan Fei in unison answered Ye Chen.

Even though Yan Fei and Fairy Zhen are enemies, it seems that the two of them are very very united in the matter of

"What kind of problem are you guys facing, quickly tell me," Ye Chen told Yan Fei and Fairy Zhen to say what happened.

"It's a girl's problem you don't need to know about this matter," Yan Fei and Fairy Zhen told Ye Chen that there was no need to know about this matter.

"-\_- " Ye Chen was confused about what happened, he was really confused about what happened to Fairy Zhen and Yan Fei.

"Master, it seems that the two of them are arguing about you, they both seem jealous of each other." Chu Yuechan said to Ye Chen, Chu Yuechan tried to help Ye Chen in resolving this matter.

"Those two are very troublesome." Ye Chen felt that Fairy Zhen and Yan Fei were very, very troublesome.

"Ye Chen, little brother" just as the debate became heated, Fairy Zhen and Yan Fei suddenly called out to Ye Chen.

" what is it?" Ye Chen immediately asked Fairy Zhen and Yan Fei, he wanted to know why they called him.

"Between the two of us, who is better," Fairy Zhen and Yan Fei asked Ye Chen, both of them wanted to know who was better between the two of them.

"Why are you asking about it?" Ye Chen asked why the two were asking about this matter.

This matter is very very sensitive, if Ye Chen is too one-sided, then it will be a very dangerous thing, Ye Chen might become an enemy between Fairy Zhen and Yan Fei,

Ye Chen doesn't want that to happen, he liked Fairy Zhen and Yan Fei, so he wouldn't let either one feel the best.

"We just want to know, so quickly tell us," Fairy Zhen and Yan Fei told Ye Chen to tell them this matter.

" that . . ., I think you two are both good, I like you both the way you are." Ye Chen found a good answer, this won't hurt either party.

"What does this mean?" Fairy Zhen didn't accept it when Ye Chen said this, she didn't accept it when she heard what Ye Chen said.

Even though Fairy Zhen hoped that Ye Chen would help her, but what happened was the opposite, Ye Chen said that they were both good, Fairy Zhen thought Ye Chen was too greedy.

"Come on, you two are beautiful women, so don't fight, can't you get along with her?" Ye Chen asked Fairy Zhen.

"No" Fairy Zhen immediately answered Ye Chen, telling her that she couldn't get along with Yan Fei.

"Little brother, I wanted to get along with her, but from the start, he seemed unfriendly to me." Yan Fei said to Ye Chen in a sad tone.

Yan Fei is a smart woman, of course, she knows how to make a man feel comfortable with her.

Yan Fei deliberately became a submissive woman so that Ye Chen would pay more attention to her than Fairy Zhen.

"What do you mean, weren't you the one who started this?" Fairy Zhen said in a dissatisfied tone.

"When did I start, weren't you the one who started this?" Yan Fei replied to what Yan Fei said, she didn't feel that she had started this from the beginning.

Yan Fei and Fairy Zhen were fighting again, the two of them were fighting like little kids fighting over the best toy they had.

### **Chapter 1319 - Calms Fairy Zhen's Heart**

Ye Chen started to get very dizzy when he saw the endless battle between Yan Fei and Fairy Zhen, he looked dizzy seeing these two women fighting each other and causing a commotion.

"Already the two of you please stop, you two are both good, so I beg you two not to fight over this small matter, to me you both are the same" Ye Chen put his arm around Yan Fei and Fairy Zhen, he tried to calm them down so they wouldn't be fighting over a problem like this.

"What do you mean, you want both of you?" Fairy Zhen asked Ye Chen who was beside her.

"Right, does little brother want the two of us, so greedy?" Yan Fei giggled when she saw Ye Chen wanting her and Fairy.

"if it's okay then that's what I want," Ye Chen said to Fairy Zhen and Yan Fei.

"I won't let that happen," Fairy Zhen told that she wouldn't let that happen.

"I don't mind as long as she can cooperate." On the one hand, Yan Fei was willing to cooperate with Ye Chen.

Yan Fei didn't want to argue about this matter, Yan Fei knew where she belonged, so she wouldn't demand more from Ye Chen.

From the beginning Yan Fei had taken the initiative to follow Ye Chen, so Yan Fei had to be able to accept everything Ye Chen wanted.

Ye Chen was very happy with the answer given by Yan Fei, the answer given by Yan Fei was very very good for Ye Chen, Ye Chen was very happy with the answer given by Yan Fei.

Yan Fei is a good woman, she is willing to cooperate with Ye Chen on this matter.

Fairy Zhen started to raise her eyebrows when she listened to what Yan Fei said, this woman was trying to snatch Ye Chen away from her.

Fairy Zhen had to think of a way to prevent Yan Fei from snatching Ye Chen from her hands, she didn't want Ye Chen to be snatched away from her.

"See, she wants to cooperate, why don't you cooperate, it will be a good thing if you want to cooperate like her" Ye Chen made Yan Fei an example so that Fairy Zhen would understand, that way maybe Fairy Zhen would change a little and willing to be gentler towards Ye Chen.

Ye Chen can only hope that Fairy Zhen can cooperate, then Ye Chen can hug the two beauties in his arms.

"Dream, I won't do that" Fairy Zhen told him that she wouldn't do such a thing, Fairy Zhen couldn't accept this.

Fairy Zhen left this place, it was obvious that Fairy Zhen was annoyed with Ye Chen's behavior.

"Master, it seems that he is angry, is it okay for you" after Fairy Zhen left, Yan Fei dared to call Ye Chen as master.

"It doesn't matter, sooner or later she should be able to accept this matter, otherwise how could she be my woman," Ye Chen said to Yan Fei.

"You plotted bad things against your master, it was very evil" Yan Fei didn't expect that Ye Chen had bad thoughts towards Fairy Zhen.

"Do you have a problem with that?" Ye Chen asked Yan Fei.

"No . . . , no . . ." Yan Fei immediately said that he didn't have a problem with this.

"It's good if you don't have problems, I want you to help me to completely get Fairy Zhen, are you capable of doing that," Ye Chen asked Yan Fei.

"I will try to help you" Yan Fei will try to help Ye Chen, he will try to help Ye Chen in solving this problem.

"Good, I hope you do well" Ye Chen was very satisfied with Yan Fei's answer, this woman is very understanding, it's not wrong if Ye Chen chose her.

Ye Chen discussed something together with Yan Fei, their topic was related to business and the latest information that Yan Fei had.

Besides that, Ye Chen also told Yan Fei to change Fairy Zhen's mind.

Yan Fei understands Ye Chen's wish, she will try to make it happen.

Ye Chen wasn't too hasty in chasing Fairy Zhen, he would give Fairy Zhen time to calm down, this woman was still in a very high emotional state.

Fairy Zhen went to a quiet place, herself trying to calm herself from the problems that occurred.

"Why did I become like this" Fairy Zhen started to wonder why she could be like this, she felt that this was not her real self.

Fairy Zhen was too angry when she saw Ye Chen who was close to this woman, this feeling was very uncomfortable for Fairy Zhen.

"What should I do?" Fairy Zhen asked what she should do in this situation.

While Fairy Zhen was thinking about this, Fairy Zhen found that someone was hugging her from behind.

Fairy Zhen's body trembled slightly when she was hugged by someone, Fairy Zhen intended to drive this person away.

"what are you thinking?" Ye Chen asked what Fairy Zhen was thinking at the moment.

Hearing that this was Ye Chen's voice, Fairy Zhen didn't go and chased away the person who was hugging her.

"Ye Chen why are you here, why don't you stick with that Vixen of yours," Fairy Zhen said sarcastically.

"What do you mean, do you know that you are my real Vixen," Ye Chen said to Fairy Zhen.

Ye Chen explained that Fairy Zhen was a tempting Vixen, now Fairy Zhen was too tempting for her.

"Who will believe your words?" Fairy Zhen said that she would not believe Ye Chen's words.

"If you don't believe me I will prove it to you," Ye Chen said that she would prove it to Fairy Zhen.

Ye Chen's fingers started to move to Fairy Zhen's body, he started to stimulate Fairy Zhen.

"Ye Chen, what are you doing?" Fairy Zhen frantically asked Ye Chen, she started to panic when she saw Ye Chen who started attacking her.

"I am proving that you are mine," Ye Chen said to Fairy Zhen.

"There's no need to quickly let me go, ah. . ." Fairy Zhen told Ye Chen to let her go, she couldn't stand Ye Chen's technique.

Fairy Zhen knew very well what kind of abilities Ye Chen had, this man would make herself lose in just a few seconds.

"So do you believe what I said?" Ye Chen asked Fairy Zhen.

"Yes, I believe what you say" Fairy Zhen believed what Ye Chen said.

"Good, then I have a present for you," Ye Chen said that he had a present for Fairy Zhen.

"What gift is that?" Fairy Zhen asked Ye Chen, Fairy Zhen seemed curious about the gift Ye Chen wanted to give.

"wife, close your eyes," Ye Chen told Fairy Zhen to close her eyes.

Fairy Zhen obediently closed her eyes, wanting to know what Ye Chen had given her.

Ye Chen took out a ring from his storage room, this ring was one of the jewels that all of Ye Chen's wives had, so Ye Chen wanted to give one to Fairy Zhen.

Ye Chen took Fairy Zhen's hand, he inserted the ring into one of Fairy Zhen's fingers.

### **Chapter 1320 - What Happened To You**

"Now you can open your eyes" Ye Chen allowed Fairy Zhen to open her eyes.

After getting approval from Ye Chen, Fairy Zhen finally started to open her eyes.

When Fairy Zhen opened her eyes, Fairy Zhen found that on her finger was a ring that looked very, very beautiful.

"Ye Chen, This . . .?" Fairy Zhen looked very surprised when she saw this, she seemed surprised by the ring in her hand.

"This is a gift for you," Ye Chen told Fairy Zhen that this was a gift he prepared for Fairy Zhen.

"This is very beautiful" Fairy Zhen felt that this ring was very beautiful, she seemed to like the gift from Ye Chen.

"It is the Heavenly Goddess Diamond, it is the most beautiful jewel in the entire God Realm, you must like it," Ye Chen said to Fairy Zhen.

Ye Chen started to explain about the jewelry he gave Fairy Zhen, Ye Chen told that this was the best jewel in God Realm.

"You gave something as valuable as this to me?" Fairy Zhen still couldn't believe it when she saw Ye Chen giving her something very, very precious.

"Of course, this is for my beautiful woman," Ye Chen told that he gave this to Fairy Zhen who was very beautiful.

Fairy Zhen was very touched by what Ye Chen did, her anger immediately disappeared when she saw Ye Chen giving a very beautiful gift.

"Ye Chen, thank you very much, you are very kind." Fairy Zhen thanked Ye Chen for giving herself something good like this.

"Ye Chen, why don't you call me husband," Ye Chen said to Fairy Zhen, Ye Chen started demanding to Fairy Zhen, he wanted Fairy Zhen to call himself a husband.

Fairy Zhen looked shy when she listened to Ye Chen's request, it was quite embarrassing to call Ye Chen by that name.

"He already gave me something good and took the first time from you, so it doesn't matter if I call him a little bit intimately" Fairy Zhen started to soften, she started to soften her heart for Ye Chen.

" that . . . , husband . . ." With a little difficulty, Fairy Zhen finally called Ye Chen a very, very intimate name.

This time Fairy Zhen did this from the heart, there was no compulsion when Fairy Zhen said this to Ye Chen.

Ye Chen felt proud when he heard this, he immediately hugged Fairy Zhen who was in front of him, Fairy Zhen was now in Ye Chen's arms.

Fairy Zhen felt a warm feeling from Ye Chen, her first time feeling this kind of feeling from a man.

It just so happened that Ye Chen was a tall man, so Ye Chen's height was still above Fairy Zhen.

The two hugged for a long time, after feeling satisfied, Fairy Zhen slightly pushed Ye Chen away.

"Husband, we must not be too flashy, if we are too conspicuous, then we will be discovered by the Sect," Fairy Zhen told Ye Chen not to be too flashy in their relationship.

"So that means you accept this relationship?" Ye Chen asked Fairy Zhen.

"I didn't say that I accepted this relationship," Fairy Zhen said that she had not accepted this relationship.

"What does this mean, quickly explain to me?" Ye Chen asked what Fairy Zhen was talking about.

"If you behave well, then maybe I will consider this matter," Fairy Zhen said to Ye Chen.

Fairy Zhen will judge the performance of Ye Chen, if Ye Chen performs well, then Fairy Zhen will.

"-\_- " Ye Chen was dizzy when he heard this, Fairy Zhen was very complicated to understand.

"Fufufu, it seems that among all the women she is the most troublesome." Chu Yuechan giggled when she saw what was happening, it seemed that Chu Yuechan was enjoying when Fairy Zhen made things difficult for Ye Chen.

"Is that so, then it's fine, it's quiet here, I can do what I want right?" Ye Chen said to Fairy Zhen.

Ye Chen was still Ye Chen, he was a smart man, so Ye Chen quickly found a solution in Fairy Zhen's words.

"wait a moment. . ., this is an open place so" Fairy Zhen tried to stop Ye Chen, she didn't want Ye Chen to do something out in the open like this.

"You don't have to worry, let's find a very quiet place, there we can do what we want," Ye Chen said to Fairy Zhen.

Ye Chen tried to persuade Fairy Zhen, he wanted to take Fairy Zhen to a quiet place.

"But the next match is about to start, so you should rest." Fairy Zhen was still trying to find a reasonable reason to leave Ye Chen, she was trying to find an excuse to get Ye Chen to let her go.

"You don't have to worry about that matter, I'll get excited after getting the rations, so let's go." Ye Chen pulled Fairy Zhen forcibly, the two of them headed towards a very quiet place.

Fairy Zhen had a hard time coming up with an excuse, she died when she faced Ye Chen.

It can be said that Ye Chen is a very smart man, he is very difficult to fight even by Fairy Zhen, plus Ye Chen is not shy at all when he discusses a relationship with the opposite sex, this is something, not just any man can do it.

Fairy Zhen was taken to such a place, the two of them started to do some fun things in a quiet place away from anyone.

In a quiet and closed place, there was the sound of a woman's sigh which was very seductive, this voice could make anyone who heard it feel a strong attraction.

Just now Ye Chen was playing with Yan Fei, now it was Fairy Zhen's turn to be played by Ye Chen.

.

.

Time quickly passed, the next round of matches was about to start, the spectators had already started placing bets for the next round.

The audience began to put more expectations on Fai Tui and Kun Paen, they were both the best candidates would be the winner, meanwhile, no one placed a bet on Ye Chen, this was because of the previous incident that made everyone at a loss.

Yan Fei took advantage of this opportunity very well, she used all the money available to bet as well.

Yan Fei believed that Ye Chen could win this match and be the best among all the participants in this place.

"By the way where did he go" Yan Fei started to wonder where Ye Chen was going at this time, she was curious where Ye Chen had gone and disappeared, even though the match was about to start, but Ye Chen still hadn't come, if it continued like this, then Ye Chen would be forcefully expelled for her delay.

Yan Fei doesn't know that Ye Chen is with Fairy Zhen, they are both doing fun things in a quiet place:).

After waiting for a while, Ye Chen finally appeared, he immediately returned to the arena to continue the match that would determine who the winner would be.

Ye Chen must not lose, he will drive Mao Chao away from Fairy Zhen, Ye Chen will not let a man like Mao Chao come and disturb Fairy Zhen.

Yan Fei was relieved when she saw Ye Chen coming, it seemed that this time she would not lose any money.

After a while, Fairy Zhen also came, Fairy Zhen walked with a bit of a limp.

Fairy Zhen went to the side of her seat which happened to be not far from Yan Fei.

"What happened to you" as Fairy Zhen approached, Yan Fei immediately asked what happened to Fairy Zhen.
