

### Chapter 1331 - Chu Yuechan Explained To Fairy Zhen

"Okay, I'll do it." For the sake of Ye Chen's request, Chu Yuechan would help explain the situation to Fairy Zhen.

Fairy Zhen was currently still nagging Ye Chen, she kept nagging Ye Chen for doing such a strange thing.

When Fairy Zhen was nagging Ye Chen, she was suddenly teleported by Ye Chen into the fairy gate, Ye Chen brought Yan Fei and Fairy Zhen into the fairy gate, Ye Chen can now bring a foreign woman into the fairy gate, a higher level possessed by Ye Chen was enough to do just that.

"Eh. . ." Fairy Zhen looked surprised when she saw the scene around her that had changed drastically.

"Where are we?" Fairy Zhen looked confused, she didn't know where she was right now.

"Yuechan" Ye Chen called out to Chu Yuechan, he hoped that Chu Yuechan would help him.

"Hello. . ." Chu Yuechan immediately appeared near Ye Chen, Chu Yuechan appeared very suddenly and was very difficult to track down.

"Who is she, she is so beautiful?" Fairy Zhen was a little surprised when she saw

Fairy Zhen seemed very surprised when she saw a beautiful woman like Chu Yuechan.

She couldn't believe that a beauty like this existed in this world, Chu Yuechan looked like she wasn't from this world.

Fairy Zhen wanted to know who this beautiful woman was, she wanted to know who this beautiful woman was standing in front of her.

"Who are you?" Fairy Zhen asked who the real Chu Yuechan was, she wanted to know who Chu Yuechan was.

"My name is Chu Yuechan, I am the guardian of this place," Chu Yuechan told Fairy Zhen that she was the guardian of this place.

"What exactly is this place?" Fairy Zhen immediately asked what place this was.

"Come with me, I will explain everything to you," Chu Yuechan told Fairy Zhen to follow her, she would explain everything to Fairy Zhen.

"Wait a minute" Fairy Zhen tried to refuse Chu Yuechan, unfortunately, Chu Yuechan took Fairy Zhen by force.

In the face of Chu Yuechan's immense strength, Fairy Zhen had no resistance.

Fairy Zhen was taken away by Chu Yuechan, while leaving Fairy Zhen didn't forget to look in the direction where Ye Chen and Yan Fei were.

"little brother, This is very uncomfortable please help me" Yan Fei kept screaming that she was not comfortable, Yan Fei could feel a very uncomfortable feeling in her body.

"Don't worry, I'll save you right away." Ye Chen said that he would immediately save Yan Fei.

Ye Chen was no longer wasting his time, he immediately went to the Dual Cultivation room, where Ye Chen would help Yan Fei resolve this matter.

Ye Chen carried Yan Fei's body, he immediately went to the Dual Cultivation room, Ye Chen and Yan Fei entered the Dual Cultivation room.

Meanwhile, Chu Yuechan was currently taking Fairy Zhen along with herself, Chu Yuechan was taking Fairy Zhen away to a peaceful place so that they could easily talk to each other.

"So what do you want to tell me?" Fairy Zhen asked what Chu Yuechan wanted to say to her.

"Didn't you want to know about Ye Chen before, was it not so?" Chu Yuechan said to Fairy Zhen.

Chu Yuechan reminded Fairy Zhen of the question she previously asked Ye Chen.

"You mean the reason Ye Chen wants to have Yan Fei," Fairy Zhen said to Chu Yuechan who was in front of her.

"That's right, that's what I wanted to discuss with you." Chu Yuechan informed that that was what she wanted to discuss with Fairy Zhen.

"Then please explain to me," Fairy Zhen told Chu Yuechan to explain everything to herself.

"Leave it to me, I will explain everything to you" Chu Yuechan started to explain everything to Fairy Zhen, she started to explain everything to Fairy Zhen.

Chu Yuechan explained the special condition that Ye Chen had, and what would happen to Ye Chen because of the body Ancient (Yang) Body owned by Ye Chen.

"Eh, does he have something like that?" Fairy Zhen was quite surprised when she heard this, she was quite surprised to find out Ye Chen had an Ancient (Yang) Body.

"Of course, now you know how special my master is, so you should be able to accept what happened," Chu Yuechan said to Fairy Zhen.

Chu Yuechan wanted Fairy Zhen to accept this, otherwise, it would end up getting Ye Chen into trouble.

" But . ." Fairy Zhen still hesitated, she still doubted whether she would allow something like this to happen.

"Why are you hesitating like that, don't you love Ye Chen and want to let him die just like that?" Chu Yuechan asked Fairy Zhen.

Chu Yuechan told Fairy Zhen to think about when Ye Chen died because of Yang Qi's excess, if that happened it would be very sad.

Fairy Zhen felt her heart stir when she listened to what Chu Yuechan said, she felt sad when she heard what Chu Yuechan said.

"No, I don't want that to happen," Fairy Zhen told her that she didn't want that to happen.

Fairy Zhen loved Ye Chen, how could Fairy Zhen let anything bad happen to Ye Chen.

"Then do you still want to monopolize it for yourself?" Chu Yuechan asked Fairy Zhen.

"I . . ." Fairy Zhen seemed to have a hard time when she had to answer Chu Yuechan's questions, it was obvious that Fairy Zhen had problems answering questions from Chu Yuechan.

"Why are you hesitating, you must answer it very clearly." Chu Yuechan told Fairy Zhen to answer and without any hesitation.

Fairy Zhen steeled her heart, she had to make a choice, otherwise, she would regret this for the rest of her life.

"Then I won't monopolize him." Fairy Zhen told Chu Yuechan that she would not monopolize Ye Chen.

"Very good, that's a very good answer" Chu Yuechan was pleased with the answer given by Fairy Zhen, Fairy Zhen's answer was very, very good.

"Then let's go, I will explain this place to you" Chu Yuechan intended to take Fairy Zhen around this place, all Fairy Zhen to know what a fairy gate looks like.

"But what about Ye Chen and Yan Fei?" Fairy Zhen asked Chu Yuechan.

Fairy Zhen still wanted to know what would happen to Ye Chen and Yan Fei,

"You don't have to worry about that matter, they will be fine, so you don't have to worry like that" Chu Yuechan informed that Ye Chen and Yan Fei would be alright, there's nothing to worry about from the two of them.

"Let's go" Chu Yuechan took Fairy Zhen to tour around this place.

"Okay" Fairy Zhen nodded, she would believe what Chu Yuechan said.

.  
.

Inside the Dual Cultivation room.

Ye Chen laid Yan Fei's body on the bed very large size, after doing so Ye Chen immediately took off the clothes that Yan Fei had.

With the skills possessed by Ye Chen, Ye Chen can very easily take off the clothes that are owned by Yan Fei, now Yan Fei is naked in front of Ye Chen.

Yan Fei's body was very beautiful, this body was so seductive that it made Ye Chen feel excited just from looking at it.

"She deserves the title Vixen, she is too seductive" Ye Chen believed that Yan Fei was worthy of the title Vixen, this woman was too seductive to the point that it made Ye Chen very excited.

### **Chapter 1332 - [Bonus ] I Have To Show My Skills As A Mature Wife**

"Alright, let's start" Ye Chen decided to start, he decided to eat Yan Fei.

Yan Fei was like a delicious fruit that looked very tempting to Ye Chen, Ye Chen had already started to feel an immense passion from this.

Ye Chen started to touch Yan Fei's body, he finally touched Yan Fei's body directly, it felt much more pleasant when he did this.

"Ummm. . ." Yan Fei's voice started to leak out, Yan Fei's voice was very comfortable to listen to.

Yan Fei has a very good capital in terms of voice, if Yan Fei decides to become a singer, maybe she will have a lot of fans like Feng Xue.

Yan Fei reminds Ye Chen Of Feng Xue, Ye Chen wants to know what Feng Xue is doing right now with his other women.

Ye Chen immediately shook his head, how could he think of another woman when he was with Yan Fei, it would be something very impolite.

"I have to focus on Yan Fei" Ye Chen had to focus on Yan Fei, he shouldn't think about strange things like before.

Now that Yan Fei was in front of him, Ye Chen had to keep thinking about Yan Fei, after all, she was a very beautiful woman.

Ye Chen started to continue what he was doing, Ye Chen touched and held all parts of Yan Fei's body, Ye Chen stroked Yan Fei's body like he was holding a silk cloth that was very good in this world.

Ye Chen's every touch was extremely exquisite, Yan Fei could feel a very comfortable feeling from Ye Chen's touch.

"Little brother, I need you," Yan Fei said that she needed Ye Chen,

Yan Fei was currently feeling a very uncomfortable feeling, she felt a very uncomfortable feeling because of the poison effect she had suffered so far.

The poison that Yan Fei suffered was quite strong, it made Yan Fei's passion to be so high that it made her body hot and itchy.

Yan Fei could feel that there were countless insects on her body, she could feel tingling all over her body.

Ye Chen started to get excited when he saw Yan Fei who was full of passion, Yan Fei was very good at making a young man like Ye Chen very excited.

Ye Chen didn't want to waste his time, he started to use all the abilities he had to make Yan Fei feel a very comfortable feeling.

"haah. . ." Yan Fei felt very comfortable, this feeling was much more pleasant than before.

Ye Chen was dissatisfied, he kept on teasing Yan Fei, even Ye Chen didn't hesitate to play all of Yan Fei's body parts.

Yan Fei could only surrender to what Ye Chen did, it was obvious that Yan Fei didn't fight against Ye Chen.

"ah. ." After a while, Yan Fei finally reached the peak, she already couldn't resist the comfort that Ye Chen gave her.

Ye Chen was currently using his full strength, even a veteran wouldn't be able to win against Ye Chen, so how could someone like Yan Fei survive the onslaught of Ye Chen's attacks.

"Humph. ." Yan Fei's breath became faster and faster, he seemed to be getting exhausted by the immense pleasure.

"Fei, are you ready?" Ye Chen whispered in Yan Fei's ear, he said if Yan Fei was ready for the next event.

"Do whatever you want, big sister is completely yours?" Yan Fei said that she was now dedicating her life to Ye Chen, so Ye Chen had the right to do whatever she wanted.

Ye Chen smiled when he heard this, Yan Fei was very honest with what was in her heart.

Ye Chen couldn't wait to get Yan Fei, he took out his weapon.

He immediately aimed his weapon at Yan Fei's gate which was still tightly closed.

Yan Fei at this time was still confused, she didn't see how powerful Ye Chen's big thing was, if she saw this, Yan Fei would be very surprised and afraid of what Ye Chen had.

Ye Chen's size was extremely abnormal, so women would find it hard to resist Ye Chen's attack.

Ye Chen didn't do the main event right away, he teased Yan Fei by playing around her honey cave.

Yan Fei is very uncomfortable with this, what Ye Chen is doing is very uncomfortable for her.

"Little brother please don't tease me anymore, I need you," Yan Fei said that she needed Ye Chen.

"What do you need, I don't understand," Ye Chen said that he didn't understand what Yan Fei needed.

"You are mean" Yan Fei was annoyed when Ye Chen played with her, even though at this moment Yan Fei needed Ye Chen.

"If you don't tell me then I won't know," Ye Chen said that he wouldn't know until Yan Fei told him what she wanted.

"Little brother, I want yours, please do me." Yan Fei asked Ye Chen in a voice filled with temptation.

Ye Chen felt a heat in his body, it seemed that he could no longer contain the flames inside his body.

Ye Chen used his item to break through the last defense that Yan Fei had.

" Ouch . . ." Yan Fei screamed in pain when Ye Chen's one barged in, it was extremely painful.

Even Yan Fei who was under the influence of the aphrodisiac felt the excruciating pain of Ye Chen's huge thing.

"Are you okay?" Ye Chen didn't move, he asked about Yan Fei's condition.

"I'm fine, so don't worry, just carry on, I'm very uncomfortable." Yan Fei told Ye Chen that she was fine, so Ye Chen didn't have to worry about her.

Even though Yan Fei said that to Ye Chen, Ye Chen was still worried about Yan Fei's condition, he was worried about Yan Fei's current condition, so Ye Chen decided to let Yan Fei get used to him.

After Yan Fei got used to him a bit, Ye Chen finally started the action, Ye Chen started to move and started Dual Cultivation with Yan Fei.

"Oh. . ." Yan Fei's moan leaked out, Yan Fei was already unable to contain her voice.

The pleasure that Yan Fei got was so immense, Yan Fei felt her head go blank from this pleasure.

Even now Yan Fei was already unable to think clearly by Ye Chen's attack.

Ye Chen used all the abilities he had, so it wouldn't be strange for Yan Fei to be in this state.

"It's amazing," Yan Fei said that it was amazing, she felt like she was in heaven by this kind of pleasure.

"Do you like this feeling?" Ye Chen asked Yan Fei, he was very happy when he saw the lewd face that Yan Fei showed him.

Ye Chen's spirit became even bigger, Ye Chen used his big thing to mess up Yan Fei.

Ye Chen's is very big, Yan Fei's stomach is slightly lifted because Ye Chen's thing is too big.

Even this thing had penetrated the deepest part of Yan Fei's possession.

Yan Fei didn't expect that doing this would be so much fun, she couldn't believe she was getting this kind of feeling of pleasure by doing this with Ye Chen.

Honestly, this feeling was very pleasant, Yan Fei enjoyed doing this with Ye Chen.

Even if Yan Fei wasn't under the influence of the aphrodisiac, then she would feel happy when doing Dual Cultivation with Ye Chen.

Inside the Dual Cultivation room, Yan Fei's voice echoed so loudly, Yan Fei could only keep singing when she received an attack from Ye Chen.

"no . . ." Yan Fei was again defeated by Ye Chen, she was again defeated by Ye Chen's attack which was too strong.

Ye Chen had already found Yan Fei's weak point, so he could easily defeat Yan Fei.

"Husband, don't stay there" Yan Fei was completely defeated by Ye Chen, she was unable to withstand Ye Chen's attack, Ye Chen attacked her weak point, so how could Yan Fei survive Ye Chen's attack.

Ye Chen immediately stopped when he received a request from Yan Fei.

"Why did you stop?" Yan Fei asked Ye Chen who suddenly stopped, even though Yan Fei was having the most fun time.

"Weren't you the one who told me to stop?" Ye Chen said to Yan Fei.

Ye Chen just wanted to tease Yan Fei, so he stopped when Yan Fei was at a critical level.

"Please don't stop," Yan Fei asked Ye Chen to continue, this feeling was very uncomfortable for Yan Fei.

"You have to ask better," Ye Chen told Yan Fei to ask him better.

"Husband, please continue, I need a husband" Yan Fei used a provocative tone to make Ye Chen want to continue what they were previously doing.

"Well if you say like that, prepare yourself," Ye Chen told Yan Fei to prepare herself, Ye Chen will completely conquer Yan Fei's body and heart.

"Pah. . ." Ye Chen continued, he resumed their battle.

"Haah" Yan Fei started to regain her feelings, this feeling was extremely comfortable for Yan Fei.

Ye Chen and Yan Fei continued to do this for almost 3 hours, Yan Fei's stamina had already started to weaken after 3 hours of fighting.

Ye Chen's ability is very strong, Ye Chen can last for 3 hours against Yan Fei.

After 3 hours, Ye Chen finally ended it, he gave all his Yang Qi essence to Yan Fei, after that Ye Chen helped Yan Fei in cultivating the Yang Qi that he gave.

Yan Fei's consciousness had started to weaken, she had started to weaken because of Ye Chen's attack which was too strong and deadly.

This made Yan Fei feel the most comfortable and pleasant feeling in her life.

" huff. . ." Yan Fei's consciousness started to return, it seemed like the poison effect had started to weaken after getting help from Ye Chen.

"Little brother you are so rude, you are a very powerful little monster" Yan Fei started to complain about Ye Chen's powerful abilities, she was overwhelmed with Ye Chen.

"Don't you like doing that, I remember well that you shouted with joy when I did that" Ye Chen said to Yan Fei.

"It's really fun." Yan Fei didn't dodge what Ye Chen said, doing so was fun.

"Do you still want to continue?" Ye Chen still wants from Yan Fei, she still wants to do beautiful women like Yan Fei.

"Stop, I will die if you continue with that" Yan Fei immediately told Ye Chen to stop, she felt that she would die if she continued to do that.

Ye Chen's was extremely abnormal, so Yan Fei had a hard time surviving such a thing.

"Come on, before you were under the aphrodisiac influence, now I want to do it with you directly, I want to feel doing it with you while you are in consciousness," Ye Chen tells Yan Fei that he wants to do it again with Yan Fei.

Yan Fei was in a predicament, she didn't know how to refuse Ye Chen, she really couldn't refuse Ye Chen's request.

Ye Chen was already a person she liked, so Yan Fei couldn't refuse a request from the person she liked.

"Okay, but you have to slow down, don't be so violent, I can't stand it" Yan Fei finally agreed to Ye Chen's request, he too had been addicted to doing it together with Ye Chen.

"Hahaha, what if it was you who asked for more strength, should I refuse it?" Ye Chen said jokingly.

"hate. . , just watch out for you . . "Yan Fei started to get up from the bed, herself riding on Ye Chen's body.

"Then let me take the lead, I have to show my skills as a mature wife" Yan Fei announced that she would show her abilities in front of Ye Chen.

Ye Chen just smiled when he heard this, he let Yan Fei do what she wanted.

the two started fighting again, this time Yan Fei became the active party in attacking Ye Chen.

### **Chapter 1333 - Yan Fei And Fairy Zhen Take A Bath Together**

After doing Dual Cultivation for a long time, Yan Fei and Ye Chen finally fell asleep, the two resting while hugging each other.

Because of Yan Fei's request, Ye Chen accompanied Yan Fei to sleep, he hugged Yan Fei who was very exhausted because of what he had just done together with Ye Chen.

Yan Fei was exhausted, she was really tired from having to serve Ye Chen for so many hours.

Yan Fei had never felt tired like this in her life, this was the first time that Yan Fei had felt such extreme exhaustion.

"Ummm. ." Yan Fei was the first to open her eyes, when Yan Fei opened hers, Yan Fei found herself sleeping in Ye Chen's arms.

Yan Fei got up from Ye Chen's arms, she started to remember what she did together with Ye Chen.

"Last night was so crazy, I kept doing that together with Ye Chen" When Yan Fei recalled the madness last night, Yan Fei felt so embarrassed, she did something very embarrassing together with Ye Chen.

Plus Yan Fei seemed to enjoy what happened last night.

"He has driven me crazy" Yan Fei can still feel Ye Chen's inside of her, last night Ye Chen had driven her crazy.

Even though last night was crazy, Yan Fei seemed to enjoy it, she enjoyed what she did with Ye Chen, what she did with Ye Chen was a very fun thing.

Yan Fei started to move, she wanted to leave the bed.

When Yan Fei was about to leave the bed, she found that the bottoms of her legs felt very weak and very weak, this made Yan Fei unable to stand up normally.

"it still hurts" Yan Fei could feel that it still hurt, Ye Chen didn't have any mercy on Yan Fei at all.

This thing can't be blamed on Ye Chen, it's because last night Yan Fei also looked crazy, she pushed Ye Chen, this made Ye Chen very rude.

Vixen is still Vixen, even though she asks to be gentle, her every move makes a man excited and want to do something very rude.

With a little effort put in by Yan Fei, Yan Fei was finally able to stand up and walk in slow motion, Yan Fei intended to go outside and get some fresh air outside.

Yan Fei tried not to make a big noise, Yan Fei didn't want to wake up the sleeping Ye Chen.

Yan Fei finally came out of the Dual Cultivation room, she looked confused when she was outside the room.

"What place is this?" Yan Fei started to wonder what place she was visiting, this place seemed very foreign to Yan Fei.

Yan Fei is well acquainted with the Sky Cloud Peak Star Realm, she knows almost every corner of the Sky Cloud Peak Star Realm, Yan Fei can tell that she is not currently in the Sky Cloud Peak Star Realm.

"So you're awake, did you enjoy what happened last night?" When Yan Fei had just come out of the Dual Cultivation Room, Yan Fei was greeted by someone.

Yan Fei immediately went to see who was waiting for her, when Yan Fei saw the person, Yan Fei found that the person who greeted her was Fairy Zhen.

"Why are you in this place?" Yan Fei immediately asked what Fairy Zhen was doing in this place.

"What a very funny question, Ye Chen has brought me to this place," Fairy Zhen told me that Ye Chen had brought her to this place.

Fairy Zhen was already Ye Chen's woman, so she could stay in this place as she pleased.

Yan Fei has also become Ye Chen's woman, so Yan Fei can also stay in this place forever.

"So how did you enjoy it?" Fairy Zhen asked Yan Fei.

"Of course, I really enjoyed it, doing so was very fun, now I have become a younger brother's woman," Fairy Zhen said very honestly, Yan Fei told Fairy Zhen that she has now become Ye Chen's woman.

"You're a little slower than me, so you should call me big sister," Fairy Zhen told Yan Fei to call herself big sister.

"Huh?, you've also done that with husband" Yan Fei was surprised when she heard what Fairy Zhen just said, she didn't expect that Fairy Zhen had done that from Ye Chen.

"Of course, I'm ahead of you," Fairy Zhen told that she was ahead of Yan Fei, so now Fairy Zhen can be said to be more senior than Yan Fei.

"Wait, aren't you Master and disciple?" Yan Fei asked Fairy Zhen.

Yan Fei had just remembered that Fairy Zhen and Ye Chen were master and disciple, that kind of relationship was not accepted in God Realm.

On earth, such a relationship might be commonplace, but in the God Realm, it was still unacceptable to most people.

"He only pretends to be my disciple, so I have no relationship with him," Fairy Zhen told that she had no relationship with master and disciple with Ye Chen, Fairy Zhen, and Ye Chen were just pretending.

"So it's like that, it's only right that you don't let me get close to younger brother, apparently that's the reason" Yan Fei now began to understand why Yan Fei didn't allow herself to be close to Ye Chen, apparently that was the reason.

"At first I didn't allow you, but it seems that it's already impossible, you've already done that with husband, so I can't do anything anymore," Fairy Zhen said to Ye Chen.

Ye Chen and Yan Fei had already done that, so there was no point for Fairy Zhen to be angry about this matter anymore.

Fairy Zhen had already received a very clear explanation from Chu Yuechan, so she could accept what was currently happening.

"Looks like from now on we will be sisters close," said Yan Fei to Fairy Zhen.

Yan Fei and Fairy Zhen were about to become sisters close, both of whom were now Ye Chen's women.

Fairy Zhen nodded, looks like they will become sisters in the future

"come with me" Fairy Zhen invites Yan Fei to go somewhere.

"Where are we going?" Yan Fei asked where Fairy Zhen was going to take her.

"You don't need to ask much and come with me," Fairy Zhen told Yan Fei to come along with her.

"Okay" Yan Fei nodded, he followed behind Fairy Zhen.

Fairy Zhen invites Yan Fei to go to a bath that is available inside the fairy gate, the two will talk about the problems and stories they have.

Fairy Zhen wanted to know how many relationships Yan Fei had with Ye Chen, she wanted to know about this matter.

Fairy Zhen and Yan Fei took a bath, both of them took a bath and started to clean themselves in the pool which had water that felt very refreshing, all the fatigue in Yan Fei's body immediately disappeared when she entered this pool.

"This is amazing, what exactly is this place?" Yan Fei was surprised by this pool, this was the most beautiful bath that Yan Fei had ever tasted.

"Yan Fei, may I ask you something?" Fairy Zhen wanted to ask Yan Fei something.

"What do you want to ask?" Yan Fei asked what Fairy Zhen wanted to ask.

"I wonder when was the first time you were together with husband," Fairy Zhen asked when was the first time Yan Fei met Ye Chen.

"Oh, about that matter, I met him about 2 months ago, at that time he was in the capital wearing someone else's identity," Yan Fei told Fairy Zhen about the first time she met Ye Chen.

"Another identity?" Fairy Zhen was a little curious when she heard this, she wanted to know what Yan Fei meant.

Yan Fei started to explain what she meant, Yan Fei told Fairy Zhen about Ye Chen at that time.

"Oh, so it's like that" after getting an explanation from Yan Fei, finally Fairy Zhen knew what the two first met.

"You, when did you first meet husband?" This time it was Yan Fei's turn to ask Fairy Zhen, Yan Fei asked the beginning of the meeting with Ye Chen.

Fairy Zhen told her first meeting with Ye Chen when she was at the Sect hall, it was Fairy Zhen's first meeting with Ye Chen.

At that time Ye Chen teased herself and touched her heart, maybe that's when Fairy Zhen became interested in Ye Chen.

Yan Fei is very interested in Fairy Zhen's story, he is quite interested in the story Fairy Zhen told her.

the two of them started to share their experiences, they exchanged their experiences with Ye Chen, without them knowing they became very close.

Yan Fei and Fairy Zhen spent quite a long time in the bath, after they were satisfied, they finally came out and put on the clothes that Yan Fei had provided.

"You have a lot of underwear" Fairy Zhen saw the clothes owned by Yan Fei, there were a lot of them.

"hehe, these are all from my collection, you can take them if you want, the size might fit you," Yan Fei tells Fairy Zhen to take what she has.

Yan Fei has a lot of clothes of various sizes, all of them look very good and make Yan Fei's appearance even more glamorous.

Fairy Zhen took one of Yan Fei's clothes, she took the clothes that fit her.

When Fairy Zhen took the clothes owned by Yan Fei, Fairy Zhen became more beautiful, it was obvious that Fairy Zhen became even more charming when wearing the clothes owned by Yan Fei.

If Ye Chen saw this, he would get very excited, maybe he would pounce on Yan Fei and Fairy Zhen.

### **Chapter 1334 - Pervert, What Are You Thinking**

After finishing dressing up, Yan Fei and Fairy Zhen came out from the bath, both of them returned to the Dual Cultivation chamber to see Ye Chen's current condition.

When Yan Fei and Fairy Zhen entered the Dual Cultivation chamber, they both saw that Ye Chen was currently lying lazily on the bed.

"Where have you two been from?" Ye Chen asked where did Fairy Zhen and Yan Fei go.

"We just went to the bathhouse," Yan Fei told Ye Chen that they had just come from the bath.

"So that's how it is, it's only right that you feel very fragrant, it turns out that you just took a shower. . . , sniff . . . , sniff . . . Ye Chen smelled Yan Fei and Fairy Zhen's scent from afar, Ye Chen enjoyed Yan Fei and Fairy Zhen's scent.

Yan Fei and Fairy Zhen have different body odors, even though they both have different body odors, both of them still smell very good.

"Why are you still on the bed, hurry up and get down right now" Fairy Zhen told Ye Chen to get off the bed immediately.

"I was waiting for both of you, why don't you two go up now" Ye Chen invited Yan Fei and Fairy Zhen to get on the bed.

Fairy Zhen and Yan Fei of course knew what Ye Chen wanted, for some reason Ye Chen's enthusiasm seemed endless.

"Pervert, what are you thinking" Fairy Zhen threw something at Ye Chen, herself very annoyed with Ye Chen's attitude.

This man just got Yan Fei, now he wants to play with both of them at once, Fairy Zhen Ye Chen thinks that he is very greedy.

Ye Chen rubbed his head which had just been hit by a hard object thrown by Fairy Zhen.

"Wife, do you want to kill this husband of yours?" Ye Chen complained to Fairy Zhen who wanted to kill herself.

"Let it go, I don't care, you should die so that there are no more victims," said Fairy Zhen in a sarcastic tone.

"Come on, don't say things like that, if I wasn't around you would be very lonely." Ye Chen said to Fairy Zhen that he would be lonely without Ye Chen by his side.

"who will be lonely without you" Fairy Zhen immediately refuted what Ye Chen said.

Ye Chen couldn't help but smile awkwardly when he heard this, it seemed Fairy Zhen couldn't have joked around.

"Ye Chen quickly get down right now" Fairy Zhen told Ye Chen to get off the bed.

"Okay, okay." Ye Chen finally agreed to compromise, he got off the bed.

"Ah. . ." the moment Ye Chen got off the bed, Yan Fei and Fairy Zhen shouted.

"You what are you doing, quickly cover it up," Yan Fei and Fairy Zhen told Ye Chen to cover him.

Right now Ye Chen still hasn't put on his clothes, so it's not strange for Yan Fei and Fairy Zhen to scream, they can see Ye Chen's very clearly.

"Why are you shy like that, haven't you guys tried it before?" Ye Chen said to Yan Fei and Fairy Zhen.

"Stupid, it's still embarrassing, so quickly cover your body" Fairy Zhen was still embarrassed when she saw this, she was still embarrassed when she saw Ye Chen's.

"Wow that's huge, was it last night that messed with me" in her mind, Yan Fei looked surprised at what Ye Chen had, she was surprised when he saw Ye Chen had such a powerful weapon.

It was not strange that Yan Fei had no resistance to Ye Chen this was the reason.

"Okay" Ye Chen took his clothes, he immediately put on his clothes.

Ye Chen quickly put on the clothes he had, now Ye Chen had returned to his poor-looking appearance.

"Let's go out" Ye Chen took Yan Fei and Fairy Zhen out of the Dual Cultivation room, Ye Chen wanted to get some fresh air.

Fairy Zhen and Yan Fei nodded, both of them followed Ye Chen out of the Dual Cultivation chamber.

After leaving the Dual Cultivation chamber, Ye Chen walked around with Fairy Zhen and Yan Fei, enjoying the time he had to strengthen the relationship the three of them had.

Ye Chen wished that he could be close to Fairy Zhen and Yan Fei, that way he could play a game night with the two of them.

Fairy Zhen didn't know what Ye Chen was thinking, if Fairy Zhen knew what Ye Chen was thinking, Fairy Zhen, would be very angry with Ye Chen.

Honestly, Fairy Zhen is still not used to this problem, she is not used to having this kind of triangular relationship, so Fairy Zhen is still trying to get used to it.

Ye Chen spent time with Yan Fei and Fairy Zhen for a while, after feeling satisfied to be inside the fairy gate, Yan Fei and Fairy Zhen took Ye Chen out.

Fairy Zhen and Yan Fei still have work to do, both of them are busy people, especially Yan Fei who takes care of Ye Chen's business, so they have to get out of the fairy gate.

"Husband, sister, I'm going, I have to finish my work" Yan Fei was the first to say goodbye, she had to leave to finish his piled-up work.

"Are you okay when you go alone?" Ye Chen asked Yan Fei, Ye Chen was still worried about Yan Fei's condition.

"I'm fully recovered, so you don't have to worry about me." Yan Fei told Ye Chen that she had recovered, so Ye Chen didn't have to worry about her.

"Okay, but be careful," Ye Chen told Yan Fei to stay careful so as not to experience anything bad.

"Okay, I'll do it" Yan Fei will be careful, he will be careful when she comes back.

Before leaving Yan Fei approached Ye Chen, she started to give Ye Chen a farewell kiss.

Yan Fei kissed Ye Chen's lips, the two started to have a passionate, mature kiss.

Fairy Zhen looked very surprised when she saw what Yan Fei did, this Vixen kissed Ye Chen right in front of her.

Yan Fei and Fairy Zhen kissed for a while, after feeling satisfied, Yan Fei immediately left this place.

"Husband, see you later," Yan Fei said goodbye and left this place.

Ye Chen didn't expect that Yan Fei would do such a bold thing.

"Ye Chen! ! !" Ye Chen felt a strong killing aura beside him, when Ye Chen looked at Ye Chen's side he found that Fairy Zhen gave off a terrifying aura.

"Eh. . ." Ye Chen didn't expect Fairy Zhen to be angry about it, it seems she was jealous of what just happened.

"Wife calms down," Ye Chen told Fairy Zhen to calm down, he didn't want Fairy Zhen to lose her mind because of this matter.

" what . . ." Fairy Zhen answered Ye Chen in a rude tone, she seemed dissatisfied.

Seeing this situation, Ye Chen couldn't help but persuade Fairy Zhen, he persuaded Fairy Zhen in his way.

Ye Chen drew closer to Fairy Zhen, he immediately kissed Fairy Zhen who was nearby.

Fairy Zhen's eyes opened wide when she saw Ye Chen kissing her, Fairy Zhen was very surprised by what Ye Chen did.

What Ye Chen did was very fast, Fairy Zhen didn't have a chance to dodge Ye Chen's attack.

Fairy Zhen couldn't resist when Ye Chen kissed her, it seemed that Fairy Zhen was weak against this kind of thing.

### **Chapter 1335 - Decided To Train With Li Jingyi**

Fairy Zhen could only accept what Ye Chen did, she accepted Ye Chen's kiss.

The two of them kissed for a long time, Ye Chen and Fairy Zhen kissed for approximately 10 minutes before Fairy Zhen pleaded with Ye Chen because she ran out of oxygen.

"Ye Chen, you are very mean" Fairy Zhen complained to Ye Chen, she thought Ye Chen was very evil.

"I just want to kiss my wife, is there something wrong with that?" Ye Chen asked Fairy Zhen.

"Who is your wife, I didn't say that I became your wife" Fairy Zhen refused to admit that she was Ye Chen's wife.

"hehe, you are so dishonest with your own heart" Ye Chen was helpless it seemed Fairy Zhen was still dishonest with her own heart.

"It's up to me" Fairy Zhen didn't care, she did what she wanted.

"Alright, let's go back" Fairy Zhen invited Ye Chen to return to Sect, Fairy Zhen still had work to do.

"Come on, I also have to train to improve my strength, I want to become a core disciple," Ye Chen told that he would come back and practice to increase his strength.

Ye Chen's strength had already increased when he got Fairy Zhen and Yan Fei's Yin Qi, so Ye Chen just needed to stabilize his strength.

"You want to become a core disciple?" Fairy Zhen did not expect that Ye Chen wanted to become a core disciple.

"Of course, that way I can be with you" Ye Chen said that he wanted to become a core disciple so that he could be with Fairy Zhen.

"Oh. . ." Fairy Zhen was quite touched when she listened to what Ye Chen said, apparently Ye Chen wanted to become a core disciple because of him.

Fairy Zhen's anger and jealousy disappeared instantly, now she knew that Ye Chen's heart was still there.

"Then let's go back" Fairy Zhen invited Ye Chen to come back.

Ye Chen and Fairy Zhen flew back towards the Sect, both of them flew back towards the direction of the Nine Immortals Peak Sect.

On the way Ye Chen teased Fairy Zhen, he teased Fairy Zhen to overcome boredom on the way.

Fairy Zhen was embarrassed by what Ye Chen did, she was embarrassed by what Ye Chen did.

Fairy Zhen could only resist Ye Chen's temptation, if she responded to this, Ye Chen would do bad things to her.

Fairy Zhen already understood a bit about Ye Chen from Chu Yuechan, Ye Chen was a person of great power, if Fairy Zhen provoked Ye Chen, she would do something to Fairy Zhen.

Most likely Ye Chen would ask Fairy Zhen that again, if that happened then they would not return to the Sect.

Fairy Zhen and Ye Chen arrived near the Nine Immortals Peak Sect, finally, Fairy Zhen was able to resist Ye Chen's temptation while on the way.

"Ye Chen I'll be back," Fairy Zhen said that if she was going back, she had to do her previous work which was still pending.

"Okay" Ye Chen understood, he let Fairy Zhen go to do her job as a Sect elder.

Fairy Zhen returned to the medicine pavilion, returning to take care of the pending work.

Fairy Zhen waved her hand, Fairy Zhen left Ye Chen alone.

Now that Ye Chen was alone again, Fairy Zhen had already left him.

"It would be very boring if I practice alone, I should train with Jingyi instead." Ye Chen felt bored when he practiced alone, so he decided to train together with Li Jingyi.

At least Ye Chen wouldn't be bored when he trained together with Li Jingyi.

Ye Chen had also not visited his beloved wife in a long time, so he had to make time to visit Li Jingyi so he wouldn't be lonely.

Ye Chen went to his house which was in White Cloud City, in just a few moments, Ye Chen had arrived in front of his house.

Ye Chen immediately went to look for Li Jingyi's whereabouts, he used his Spirit Sense to find Li Jingyi's whereabouts.

Ye Chen quickly found Li Jingyi, it just so happened that Li Jingyi was with Qiao Xin, the two of them were playing a song.

Qiao Xin played her flute, while Li Jingyi sang a song that sounded quite beautiful.

The two of them looked very harmonious when playing musical instruments, this made Ye Chen feel surprised by what the two of them were doing.

From a distance Ye Chen listened and observed what Li Jingyi and Qiao Xin were doing, Ye Chen liked what Li Jingyi and Qiao Xin were playing.

"Who's there?" Qiao Xin instantly discovered Ye Chen's presence, Qiao Xin's instincts were much sharper than the average cultivator.

"Oh damn, I was found again, even though I hid very well" Ye Chen did not expect that he could still be found by Qiao Xin, even though Ye Chen had hidden very well.

Qiao Xin was too great, her instincts were so sharp that she could spot the whereabouts of Ye Chen who was hiding.

"Do you want to come out, or do you have to force yourself out?" Qiao Xin told this person to come out, otherwise, she would force him out.

Since his location was already found, Ye Chen had no choice but to come out and show himself before Qiao Xin and Li Jingyi.

"Ye Chen, husband" Qiao Xin and Li Jingyi immediately called Ye Chen, they both didn't expect it to be Ye Chen.

Li Jingyi was the first to go to hug Ye Chen, she was quite homesick when she met Ye Chen.

"Husband, you haven't seen me in a long time, do you have a problem?" Li Jingyi asked Ye Chen, she wanted to know why Ye Chen rarely saw her.

"I have a little problem, so I can't see you, please forgive me" Ye Chen apologized to Li Jingyi, he apologized for not being able to visit Li Jingyi every time.

"Um. . . , you don't need to apologize, I know you are quite busy, so I can understand it." Li Jingyi could understand that Ye Chen was very busy.

"Thank you very much" Ye Chen thanked Li Jingyi for forgiving him.

On the back of Qiao Xin watching Ye Chen and Li Jingyi's affectionate relationship, Qiao Xin felt bad when she interrupted Li Jingyi and Qiao Xin's moment.

Qiao Xin knew her current position, so she didn't demand much from Ye Chen, Qiao Xin could understand what had happened to Ye Chen and Li Jingyi.

"What are you guys doing?" Ye Chen asked what Li Jingyi and Qiao Xin were doing.

"We are spending our free time singing and playing music, you know Xin is very good at playing the flute, I like that," Li Jingyi told what she was doing with Qiao Xin.

"Oh, I see . . ." Ye Chen nodded, Ye Chen agreed with what Li Jingyi said, Qiao Xin's flute playing was very comfortable to listen to.

"Jingyi, you praise me too much, I'm not that great," Qiao Xin said that she wasn't as great as Li Jingyi said.

"Don't humble yourself like that" Li Jingyi said not to lower herself.

"Husband, are you going to stay here for a long time?" Li Jingyi asked if he would stay in this place for a long time or not.

"I happen to be staying for a long time, I intend to train with you," Ye Chen said that he wanted to train with Li Jingyi.

#### **Chapter 1336 - Ning Xia's Secret Place (1)**

"That's great." Li Jingyi looked very happy when she heard this, Li Jingyi was very happy that Ye Chen would be staying in this place for a long time.

"I'm happy with it too," Ye Chen said that he was also happy with the matter.

"Husband, you should take a shower, you seem a little dirty." Li Jingyi told Ye Chen to take a shower, Ye Chen is currently looking a little dirty.

"Oh." Previously Ye Chen was forcibly dragged by Yan Fei and Fairy Zhen, this made Ye Chen not have time to take a bath inside the fairy gate.

"I think so, I'll take a shower first," Ye Chen said that he would take a shower first.

"I will prepare food for you," Li Jingyi said that he would prepare food for Ye Chen.

Ye Chen went to the bathroom, he was going to clean himself up, time to clean up a bit.

"He seems fine, you don't have to worry too much about him," Qiao Xin told Li Jingyi that Ye Chen was fine.

"Are you sure that he is being targeted by bad people?" Li Jingyi asked Qiao Xin again, whether the information given by Qiao Xin was true or not.

"That should be true, even the person who is targeting Ye Chen is the largest and most dangerous forbidden organization in the Sky Cloud Peak Star Realm." Qiao Xin explained that there was a force that was targeting Ye Chen.

Qiao Xin told Li Jingyi because Li Jingyi was her best friend, so she shared this information with Li Jingyi.

Qiao Xin knew that Li Jingyi was quite strong, so Li Jingyi should be able to take care of Ye Chen with the ability he had.

"If that's the case, then I have to act, I can't let her experience anything bad" Li Jingyi will try to help Ye Chen, she will help Ye Chen in solving the problem.

"I will also help you" Qiao Xin will also help Li Jingyi, Qiao Xin will solve this problem.

Qiao Xin couldn't let Ye Chen be targeted by such a dangerous enemy, she had to protect Ye Chen from behind the scenes so that Ye Chen would be okay.

Qiao Xin and Li Jingyi still thought Ye Chen was quite weak and needed protection, both of them were super protective of Ye Chen.

"Come in. ." Li Jingyi took Qiao Xin inside, she wanted to invite Qiao Xin to be with them.

"No, I still have work." Qiao Xin refused Li Jingyi's request.

Qiao Xin still remembered the last incident in the bathroom when she was with Ye Chen, it was very embarrassing, Qiao Xin still remembered that incident very clearly.

"It's fine if you say so, if you have free time you can come anytime." Li Jingyi said that Qiao Xin could come at any time.

"Okay, I understand, see you later." Qiao Xin said goodbye, she left this house.

Li Jingyi could only wave her hand at Qiao Xin, Li Jingyi started to feel that Qiao Xin was avoiding Ye Chen.

"Never mind, there will be another time." Li Jingyi felt that there was another time, maybe next time Li Jingyi could make things better.

Li Jingyi went inside, she went inside to start cooking food for Ye Chen.

.

.

At another place.

In a barren land that was out of reach of people, there was an underground palace hidden underground, within this palace was the figure of a quite beautiful woman who wore a veil that covered her face.

While beside the woman there was a maidservant who was combing the hair for the beautiful woman.

"Miss, why do you always look so gloomy, did something happen," the waitress asked the beautiful woman, the maid wanted to know why beautiful women have always been moody since coming to this place.

"I recently lost the hair ornament that I had, it was the only legacy from my family," the beautiful woman told the reason why she looked sad.

This beautiful woman was Ning Xia, she was the master of Jade Lotus Peak, somehow Ning Xia who became the master Jade Lotus Peak was in this arid and uninhabited place.

"Didn't you find that?" the maid asked if Ning Xia couldn't find the jewelry.

"No, I've been looking for it for a few weeks, unfortunately, I still can't find it, I've given up on not finding it" Ning Xia had become his hair jewelry that Ye Chen found.

Ning Xia had searched the entire forest looking for it, unfortunately, all of Ning Xia's efforts were fruitless, Ning Xia couldn't find the whereabouts of her hair jewelry at all.

"Who would dare to take what belongs to Miss, doesn't she know that it is something very, very valuable," the maid muttered to Ning Xia.

"I don't know who dared to take it, but if I find it, I will do bad things to him" Ning Xia will beat up the person who dared to take her jewelry, she will not let that person go just like that.

Ye Chen who was taking a shower started to shudder, he felt that something bad was about to happen to him.

The maid nodded, agreeing with what Ning Xia said, this person must suffer the consequences for daring to take Ning Xia's property.

"I hope Miss finds her quickly." The maid hoped that Ning Xia would quickly find the person who had taken her hair jewelry.

"Um," Ning Xia nodded, hoping to quickly find what she had lost.

"How was the recent report, have there been any discoveries about the person who destroyed our Phoenix Clan?" Ning Xia asked about the progress of the enemy information.

"Sorry miss but people still haven't made any progress" the maid informed us that they still haven't made any progress.

"I see" Ning Xia was quite disappointed, she hoped to quickly find her enemy so that it would be easier to take revenge.

Ning Xia had searched for enemy information, but until now Ning Xia had yet to find any information about her enemy.

The Phoenix Clan's enemies were so formidable, they did so so cleanly that Ning Xia's people couldn't find any information about them.

"Miss don't need to worry, we can find them, I'm sure of that." The maid told them that they would be able to find the enemy who had made the Phoenix Clan like this.

"I hope it happens soon, we've lived here for a long time" Ning Xia hoped that it would happen quickly, they had been in this place for a long time, they had to get their revenge and get out of this hell.

If Ning Xia and the rest of the Phoenix Clan were to leave this place, the enemy would surely come suddenly like before, Ning Xia didn't want that to happen again, so she decided to take the Phoenix Clan to hide in this very gloomy place.

The maid nodded, she also hoped that they could get out of this situation.

The maidservant had followed Ning Xia since she was very young, so she could naturally understand the feelings Ning Xia had.

"Gather everyone now, I want to start a meeting with all of them," Ning Xia told the maid to gather everyone.

"Miss, what do you want?" the maid asked why Ning Xia wanted to gather everyone there.

"There's something I want to talk to all of them about" Ning Xia announced that she wanted to talk to everyone about something, if it continued like this they would be here forever, so they had better change their strategy and tactics.

### **Chapter 1337 - Ning Xia's Secret Place (2)**

"Okay, I will gather everyone soon" Maid understands, she will go to gather everyone.

The maid said goodbye, she would call everyone outside and inside this place.

Ning Xia was left alone, she began to change clothes and put on a female emperor robe decorated with a Fire and Ice Phoenix.

Ning Xia's appearance changed instantly, there was an air of nobility and glamor when Ning Xia wore the female emperor's robes.

Ning Xia was still wearing a veil to hide her face, Ning Xia didn't let anyone else see her face except for the future husband.

Ning Xia herself didn't know if she would ever be able to meet such a person, right now her Phoenix Clan was on the brink of an abyss, and didn't know when they would be able to get out of this place.

After finishing changing clothes, Ning Xia immediately went to the central hall of this palace, Ning Xia walked with elegance and was full of domination.

Within the hall there were already hundreds of people currently waiting within the hall, they were all remnants of the Phoenix who had managed to survive.

This number could be said to be small when compared to the Phoenix Clan in the past, the Phoenix Clan in the past was much larger than it is today.

"Our respects to the princess" everyone paid their respects to Ning Xia, they all respected Ning Xia very much.

"Raise your heads," Ning Xia told everyone to raise their heads.

With the order given by Ning Xia, everyone started to raise their heads.

Ning Xia looked around, she was doing an absence for everyone in this place.

While Ning Xia was taking everyone's attendance in this place, she discovered that someone was absent.

"Where is the great elder at this time?" Ning Xia asked the whereabouts of the great elder, why he wasn't present at this important event.

"Princess, the great elder has gone to the northern region, to be precise he is in the Abyss Tower region, so we can't summon him to this place" one of the subordinates informed that the great elder was in the Abyss Tower.

"So he's still in the Abyss Tower, did something happen to him?" Ning Xia asked if something happened to the big elder.

"We don't know, we haven't received any news from him" the subordinates informed that they still haven't received any news from the great elder.

"Forget it, I'll look for him later." Ning Xia told him to forget about this matter, he would find the great elder when he had time.

"Do you know the reason I summoned you to this place?" Ning Xia asked if they all knew the reason they were gathered in this place.

Everyone looked at each other, they all didn't know why they were gathered in this place.

"I gathered you guys to discuss an important matter, we haven't made any progress lately, so we will change our strategy and start a new plan," Ning Xia told everyone in this place.

"Princess, just say what you want to do, we will all follow the princess, isn't that right?" said one of the subordinates to Ning Xia

"That's right" Everyone nodded in unison, they all believed in Ning Xia's abilities.

Among all the people present in this place, Ning Xia was the most powerful person, so it was not surprising that Ning Xia was highly respected by everyone in this place.

Ning Xia nodded with satisfaction, she was very satisfied with everyone's answers.

Ning Xia started to discuss their plans, they would take their search efforts even more seriously, that way they could get the information they wanted.

Everyone agreed with what Ning Xia had ordered, they all agreed because it was something very good.

The people in this place had their grudges, their relatives and loved ones had been killed, so it wasn't strange that they were eager to find out who had attacked the Phoenix Clan.

"Okay, the conversation ends here, I'll go to do something, I hope you all do your job well".

After the discussion is over, everyone is invited to leave this place.

Everyone left this place, they all had to go back to their jobs.

Ning Xia herself has a problem in the Nine Immortals Peak Sect, there will soon be recruitment for core disciples, as a Peak Lord, Ning Xia must attend the event, if she is absent then it will be a problem.

Ning Xia disappeared and turned into fire, no one knew where Ning Xia had disappeared to, now the hall is very quiet, no one lives in this place.

Returning to Ye Chen, Ye Chen had just finished taking a bath, after he finished bathing Ye Chen was called by Li Jingyi to eat.

Ye Chen and Li Jingyi ate together, they enjoyed this meal very romantically.

"Where did Qiao Xin go?" Ye Chen asked where did Qiao Xin go, why was Qiao Xin not there.

"She said he had work, so she left." Li Jingyi told Ye Chen that Qiao Xin was busy.

"Oh. . ." Ye Chen nodded like Qiao Xin had important work.

Ye Chen started to wonder why Qiao Xin was avoiding him, it seemed that Qiao Xin was still embarrassed by what happened when they took a bath together.

It was likely that Qiao Xin was embarrassed to be found by Li Jingyi, so Qiao Xin decided to leave this place.

"Husband, where have you gone, why don't you tell me where you are going," Li Jingyi asked about Ye Chen's adventure, Li Jingyi wanted to hear Ye Chen's adventure.

"Let me tell you about my experience." Ye Chen started to tell his experience while adventuring in the Thunder Rain Star Realm.

Ye Chen explained this story in quite detail to Li Jingyi, Li Jingyi happily listened the story Ye Chen said.

Li Jingyi looked interested in Ye Chen's story, Li Jingyi admired Ye Chen's story.

"Sun Xuanyin, isn't she one of the four goddesses, I can't believe you'll meet her, it seems like the luck that husband has is enormous" Li Jingyi giggled as he listened to Ye Chen meet one of the four beautiful goddesses like Sun Xuanyin.

According to Li Jingyi, Ye Chen's luck was extraordinary, this chance was only 1:100,000,000,000,000 to happen.

"Wife, don't laugh at me, you should know that I almost died at the hands of that woman." Ye Chen said that he almost died at the hands of Sun Xuanyin.

"I don't believe in that, even if he has great strength, I believe that husband can still win, you have tremendous power in that regard" Li Jingyi shared her opinion on Ye Chen.

Li Jingyi knew very well how great Ye Chen was in that field, even if it was Sun Xuanyin, he would not be able to win over Ye Chen.

"hehe, do you want to give it a try?" Ye Chen seemed pleased with Li Jingyi's compliment, he was very satisfied with being praised by his own woman in that field.

"Don't you want to train with me?" Li Jingyi reminded Ye Chen about practice.

"Oh yeah, you're right, we should start training, I want to see how great you've been recent." Ye Chen wanted to know Li Jingyi's recent progress, he wanted to test Li Jingyi's strength.

"Then let's go inside the fairy gate" Li Jingyi led Ye Chen to enter the fairy gate.

Ye Chen and Li Jingyi went inside the fairy gate to train together.

### **Chapter 1338 - Registration (1)**

"Bam. . . , Pa . . . , clang . . . , boom. . . Ye Chen and Li Jingyi are currently training inside the fairy gate, in the past few weeks the two have spent their time inside the fairy gate.

Both of them spent their time practicing and doing Dual Cultivation, Ye Chen and Li Jingyi enjoyed the company they did together with Li Jingyi.

As long as Ye Chen was inside the fairy gate, Ye Chen didn't find any whereabouts from Zhao Yanyan and the others, it seemed that Zhao Yanyan and his woman rarely visited the fairy gate, they might have a busy life that made them unable to go inside the fairy gate.

Back to Ye Chen and Li Jingyi's training, currently, Ye Chen and Li Jingyi were fighting each other, both of them were training with great seriousness.

Ye Chen himself was quite surprised when he saw Li Jingyi's ability, Li Jingyi was better than Ye Chen imagined.

To be honest, Li Jingyi's ability was comparable to Ye Chen's, Li Jingyi also seemed very skilled in battle.

Even though Li Jingyi had extraordinary healing abilities, plus now that Li Jingyi had quite a strong fighting ability, this combination would put Li Jingyi's opponent in trouble.

Even Ye Chen had a little trouble when he faced Li Jingyi, Ye Chen had to use various means to defeat Li Jingyi.

It seemed that Ye Chen's decision to train with Li Jingyi was the right one, Li Jingyi deserved to be Ye Chen's sparring match.

"wife, let's stop here" after a while, Ye Chen invited Li Jingyi to stop.

"Okay" Li Jingyi nodded, she went to rest together with Ye Chen.

"Husband, are you going?" Li Jingyi asked Ye Chen.

Li Jingyi knew that today Ye Chen would take part in the competition to become a core disciple

"Of course, I have to go" Ye Chen replied to Li Jingyi.

This was an event that was eagerly awaited by everyone in the inner court, so Ye Chen should not miss this opportunity, Ye Chen had to make the best of this opportunity.

Ye Chen had already made a promise to Fairy Zhen, so Ye Chen should be able to become a core disciple.

"Will it belong?" Li Jingyi asked Ye Chen, Li Jingyi wanted to know whether this time Ye Chen would be gone for a long time or not.

"Probably not, I'll be staying in Nine Immortals Peak Sect for a while, so if I have some spare time, I'll visit you often." Ye Chen informed that he wouldn't belong.

"That's good you promised" Li Jingyi was happy about this, Li Jingyi was happy that Ye Chen cared about her so much.

"Then I'll go first" Ye Chen had to go first, he couldn't be late.

"Um. . ." Li Jingyi nodded, she waved her hand at Ye Chen.

Ye Chen also waved his hand to Li Jingyi, A moments later Ye Chen turned into a glimmer of light and disappeared from the fairy gate.

"Humph. . ." Li Jingyi couldn't help but sigh, this time together was very short, Li Jingyi felt like continuing to live this cycle of time.

Li Jingyi knew that this was impossible, time would keep ticking, so Li Jingyi wouldn't be able to do anything about it.

Li Jingyi went to the lake inside the Fairy gate, this was Li Jingyi's favorite place, for the time being, Li Jingyi would be in this place admiring the beauty here.

In the past few days Li Jingyi had always been with Ye Chen, unfortunately, Ye Chen was gone now, so Li Jingyi could only see this scene by herself.

.  
.

After exiting the fairy gate, Ye Chen immediately went to the Nine Immortals Peak Sect, Ye Chen directly went to the registration area to enter the competition.

When Ye Chen arrived at the registration area, Ye Chen found that there were already a lot of people gathered here, they all registered to be able to take part in this event.

"Looks like it's going to be very slow." Seeing this crowd, Ye Chen sensed that this was going to be something long.

Ye Chen had no choice but to wait and line up like the others, Ye Chen didn't like breaking through the queue it was an impolite thing to do.

"Hey guys, do you also want to enter this competition?" An inner court disciple asked Ye Chen.

"Yes, of course, I want to enter this competition," Ye Chen said that he wanted to enter the competition to become a core disciple.

"What a coincidence, I also intend to enter this competition," this man said that he intended to take part in this competition.

"Then we will both be participants," Ye Chen said to this man.

"My name is Jeng Bimle, what's your name yourself?" Jeng Bimle asked about the name that Ye Chen had.

"My name is Ye Chen," Ye Chen told Jeng Bimle his name

"Ye Chen, did you know about the great people who took part in this competition?" asked Jeng Bimle.

"I don't know" Ye Chen shook his head, he didn't know the great people that Jeng Bimle was referring to.

"Look at the rock, there are some people with the greatest abilities who are participating, they all graduated with the best grades.

Jeng Bimle told Ye Chen to look at the scores stone in front.

Ye Chen looked at the stone pointed by Jeng Bimle, when Ye Chen looked at the direction Jeng Bimle pointed, he found a stone with a name engraved on it.

Rank 1 Tu Bei

Rank 2 Luo Kan

Rank 3 Yu Nan

Rank 4 Zhen Pou

Rank 5 Zhou Mu

Rank 6 Mao Renqi

Rank 7 Xin Rimmu

Rank 8 Lu Kimze

Rank 9 Si Thou

Rank 10 Wei Zhou

This is the current strongest disciple list, they get a high rank when registering.

"Are they great?" Ye Chen asked Jeng Bimle.

"Stupid, they are all elite people who cannot be offended, you better avoid when you meet them," Jeng Bimle told Ye Chen to avoid these people.

"So why should I avoid them?" Ye Chen asked Jeng Bimle.

"That's because they are elite, if you meet them, you definitely won't have bad luck." Jeng Bimle told Ye Chen calmly what could happen.

"Hahaha," Ye Chen just smiled when he listened to what Jeng Bimle said, what Jeng Bimle said was very funny.

With Ye Chen's current ability, he was not afraid of anyone, Ye Chen alone was enough to fight all the disciples in the inner court.

Jeng Bimle doesn't understand Ye Chen, this man is very strange and unreasonable.

"Friend, thanks for the warning you gave, I will remember this" Ye Chen said that he would remember this.

Ye Chen asked Jeng Bimle a few things, Ye Chen wanted to know a little bit of information from Jeng Bimle, Ye Chen wanted to know what they had to deal with.

Jeng Bimle was happy to tell Ye Chen about the information he had, Jeng Bimle told him the valuable information he had.

He patiently explained everything to Ye Chen, it seemed that Jeng Bimle was not a stingy person with information.

Jeng Bimle was probably the only person willing to talk to Ye Chen, the others seemed to ignore Ye Chen and didn't want to get too close to Ye Chen.

### **Chapter 1339 - Registration (2)**

After a long wait, it was finally Jeng Bimle's turn.

"Okay friend, I'll go first," Jeng Bimle said that he would go first.

Ye Chen nodded, he wanted to see if Jeng Bimle had the ability or not.

Jeng Bimle started taking the exam and passed very easily, it seems that Jeng Bimle's ability is quite great, he can pass very easily.

Jeng Bimle passed and entered the competition, Jeng Bimle looked very happy because he was able to qualify and enter this competition.

After waiting for a long time, it was finally Ye Chen's turn to register.

"I came to register." Ye Chen informed that he had come here to register.

"Just start, you have to check your strength," the staff told Ye Chen to check his strength.

Ye Chen already understood, Ye Chen already understood what he had to do for now.

All Ye Chen has to do is test the strength he has, as long as Ye Chen's strength is at the threshold, then Ye Chen is considered a pass.

The required strength score is 10,000, as long as Ye Chen can pass this score, then Ye Chen can be considered to be on the list of participants.

Ye Chen began to hold his breath deeply, concentrating on getting good grades.

"Don't waste time, hurry up, there are still a lot of people waiting." The staff told Ye Chen to finish this quickly, there were still a lot of participants signed up for this event.

Ye Chen didn't answer the staff's words, Ye Chen was focused on his thoughts.

"Pow. ." Ye Chen hit the power gauge, when Ye Chen did that, a score appeared which made people confused.

Ye Chen's score looks very strange, Ye Chen's score is 10,001, everyone doesn't know if Ye Chen is really lucky or this is Ye Chen's strength.

"Did I pass?" Ye Chen asked if he passed this registration.

The staff was still confused about what happened, he was confused when he saw the results that Ye Chen had obtained.

The staff had never seen anything like this, he had never seen someone hit a score of 10,001 like Ye Chen.

"You pass, you can join the other participants." The staff told Ye Chen that he could join the other participants.

Ye Chen immediately joined the other participants, himself waiting for the competition to start along with the other participants.

In this place there were a lot of people who had been waiting, it was estimated that they had all been waiting for a long time.

"Hey, come here" Jeng Bimle pulled Ye Chen, this person pulled Ye Chen who was nearby.

"What is it?" Ye Chen asked Jeng Bimle, he wanted to know why Jeng Bimle pulled himself up like that.

"Since you are new, let me tell you about the elites who entered the top ten." Jeng Bimle intended to tell Ye Chen about the elites in this place.

First starting from Wei Zhou he was a man with a large build and a frightening stature, Wei Zhou himself was a cultivator who was at the peak stage of the Divine Tribulation Realm, so he was already worthy of being a core disciple.

Second is Si Thou, he is a man with a serious appearance, Si Thou hides his strength, even though he hides his strength, but rumors say that he is at the peak stage of Divine Tribulation Realm.

The third is Lu Kimze, he is a person who seems very calm, in such crowded conditions Lu Kimze can cultivate calmly his strength is also estimated to be at the peak stage of the Divine Tribulation Realm.

Fourth is Xin Rimmu, she is a tall girl who is quite beautiful and has a slightly domineering aura.

Fifth is Mao Renqi, he is a young man who has a handsome face like royalty, currently, Mao Renqi is being approached by many girls in the inner court, it seems he is the idol of the women in the inner court.

Sixth was Zhou Mu, she was a woman with a rather cold demeanor, it could be seen from her expression and cold aura that approaching her might be a difficult thing to do.

Seventh there is Zhen Pou, this person looks very cheerful, he seems to be able to cheer up anyone in this place.

The eighth was Yu Nan, she was a beautiful girl who looked very spoiled and arrogant, to her ordinary people were just useless trash.

Yu Nan could be said to be one of the beauties that existed in the inner court, Yu Nan was as popular as Tie Sangling, after Tie Sangling wasn't around, now that Yu Nan monopolized everything, she became the only woman that the inner court admired.

"listen buddy, Yu Nan is my target, so don't mess with her." Jeng Bimle told Ye Chen that Yu Nan was the woman he was after.

"Hahaha, man, it seems you have good taste too, but he seems difficult to approach," Ye Chen said to Jeng Bimle.

From afar, Ye Chen could estimate what this woman was like, it would be very difficult to approach a woman like this.

"I don't care about the problem, what I want is to get it, so I will not give up," Jeng Bimle told that he would not give up, Jeng Bimle would get his target.

"Good luck," Ye Chen told Jeng Bimle to wish him luck with Yu Nan, Jeng Bimle must have struggled to get Yu Nan.

"Thank you very much, I will succeed," Jeng Bimle said that he would succeed, he would succeed in getting the woman he wanted.

"Why don't you continue what you were talking about earlier?" Ye Chen told Jeng Bimle to continue the previous conversation.

"Okay, I will continue" Jeng Bimle will continue the previously delayed conversation.

"Next is Luo Kan, he is the strongest in the inner court, some say he is already in the early stages of Divine Rebirth Realm"

Jeng Bimle told Ye Chen that Luo Kan is a very strong cultivator who is in the inner court, he is a monster most feared in the inner court.

"Hmm, looks like he's strong." Ye Chen sensed that this man called Luo Kan was quite strong.

"He is indeed strong, you should run when he sees him," Jeng Bimle told Ye Chen to leave if he met Luo Kan.

Ye Chen only smiled when he received a warning from Jeng Bimle, he found it funny when he had to run away from someone like Luo Kan.

"And the last one is the genius Tu Bei, he is a genius that is liked by everyone, I heard that on the first day of entering the Sect, he has broken the record of the old Sect genius, that makes him liked by all the elders in the Sect, he even gets the best treatment within the Sect and be respected by everyone within the Sect," Jeng Bimle told Ye Chen to calm down the current Sect genius.

"Is it him that time?" Ye Chen started to think that this was the person who had taken away his achievements.

Ye Chen didn't expect that this person would benefit so much from taking away his achievements.

"Master, this person has dared to steal your stage, are you going to let it stay like that?" Chu Yuechan asked Ye Chen.

"It doesn't matter, as long as he doesn't do anything bad, then I won't fight against him..." Ye Chen told him that he wouldn't bother with this small matter.

## Chapter 1340 - [Bonus] Elimination Starts

Ye Chen wouldn't be angry just because of a small matter like this, a matter like this wouldn't affect Ye Chen.

It's too much to be angry over a small matter like this, just let Tu Bei get this, let him enjoy what he has right now.

Ye Chen was already satisfied with what he had now, so Ye Chen had no intention of snatching what Tu Bei had.

When Ye Chen and Jeng Bimle were talking about Tu Bei, Tu Bei turned to Ye Chen, Tu Bei immediately looked at Ye Chen with a look of intense hostility.

Ye Chen didn't know why Tu Bei looked at him with such a look, Ye Chen didn't remember that he had any enmity with Tu Bei.

"Master, this person is looking at you with an unpleasant look, you better do something about it." Chu Yuechan said to Ye Chen to do something to Tu Bei, Chu Yuechan didn't like this man.

"What's wrong with this person?" Ye Chen started to wonder what happened to Tu Bei, why did Tu Bei look so strange.

"So this is the person master said" Tu Bei already knew Ye Chen from Gong Senye, he already knew that Ye Chen was the one who had gotten his master into such a complicated matter.

Ye Chen Still didn't know that Tu Bei was one of Gong Senye's disciples, if Ye Chen found out about this Ye Chen might change his mind and make Tu Bei his enemy.

"Hi, why does he seem to be looking at you with that look?" Jeng Bimle wanted to know why Tu Bei was looking at Ye Chen with that look.

"How do I know, why don't you ask him?" Ye Chen told Jeng Bimle to ask Tu Bei.

"How could I dare to do that" Jeng Bimle couldn't possibly dare to do that, he didn't dare to do such crazy things.

"Then let it be, we better ignore it," Ye Chen told Jeng Bimle to ignore Tu Bei.

Jeng Bimle nodded maybe that was the best thing they could do at the moment.

Ye Chen and Jeng Bimle waited very patiently for the competition, both of them were patient because they knew that they had to be patient in waiting for the competition to start.

After waiting for a while for the competition to finally start, an elder came and told everyone to gather in the middle.

"Hello everyone, I am the elder who will be responsible for all of you, my name is Li Minh" Li Minh introduced himself to everyone in this place.

"Greetings Elder Li." Everyone saluted Li Minh.

Ye Chen also paid tribute to the old man named Li Minho, Ye Chen didn't know who the old man was, he just did what everyone around him did.

"Well as a person in charge, I will tell the rules of the game to everyone in this place," Li Minho said that he would tell the rules of the game to all the participants in this place.

The rules of the game are very simple, everyone has to find a flag in a designated place, each flag has its points, as long as they collect a large number of flags, then they will be able to move on to the next round.

There are a total of four flags that will be spread at the location, the first is the red flag with 1 point, then the blue flag with 10 points. Next the green flag with 100 points and finally the gold flag with 1,000 points.

The red flag is the easiest flag to find in all terrains, while the blue flag is a little rarer, and the green flag is very rarely found, and finally, the gold flag is a flag that is very difficult to find, it is placed in a dangerous place and difficult to find.

All participants have the right to find their own or snatch the flag from the hands of other participants, all methods are allowed in this preliminary round.

All the flags were already scattered on the battlefield and waiting to be found by everyone in this place.

In the preliminary round, a total of 2,048 participants will be drawn, so among all the participants in this place, 90% more will be eliminated.

All the participants had predicted this, they were all ready with the risks they had to take.

"Oh yes, I have to tell you a very important piece of information, we are going to the wild, so if you die then you will die," Li Minho told everyone about the risks they had to take to enter this preliminary round.

"For those who don't feel brave, please step down now, you still have a chance to do that" Li Minho invited people who wanted to quit, he was still kind enough to remind this matter.

Sect wouldn't want to take responsibility for this matter, so participants who didn't have the guts had to back off.

Among the tens of thousands of participants present in this place, there were only about a hundred people who withdrew, while others advanced and did not back down from this challenge.

"It's good that no one has withdrawn, you all have 3 days, make good use of your time." After seeing that no one had withdrawn, Li Minho could start the preliminary round.

All participants are given a basket bag on their back, which they can all use to store the flags they have earned.

Participants are prohibited from keeping the flag in the Space Ring, if they do so, the flag will immediately explode and disappear.

"For all the participants, I wish the best for all of you" Li Minho wished the best for all the participants in this place.

After Li Minho did that, suddenly under everyone's body appeared a teleportation Array, everyone was instantly enveloped by a very dazzling light, everyone was immediately transported to another place.

Everyone had been transported to the place where the preliminaries were being held.

Ye Chen was also transported to the place where the preliminaries were being held.

When Ye Chen's gaze returned, Ye Chen saw several towering trees right in front of his eyes.

Ye Chen immediately looked around, he saw everything around him.

"Hmm, so this is the place, quite spacious." Ye Chen felt that this place was quite spacious, this place was very suitable to be used to accommodate tens of thousands of people.

Here Ye Chen would rarely meet other people, so everyone could rest easy in looking for the flag.

"Master, are you going to take all the flags right away?" Chu Yuechan asked Ye Chen what he wanted Ye Chen to do.

"Hmm, I will immediately try to find a flag with high points." Ye Chen intended to look for a flag with high points, it was useless for Ye Chen to look for small points.

Ye Chen had God Eyes, so this would be a very easy thing to do.

Ye Chen used his God Eyes, he immediately found out and marked all the flag locations with the highest points.

"Good I'm done, time to harvest everything" Ye Chen had already finished marking the locations of all the flags that were near him, now Ye Chen just needed to take them all.

Ye Chen rushed to grab all the flags, he took all the flags that were near him.

Ye Chen was lucky that there was no one around him, so Ye Chen could freely take everything for himself.
