

Chapter 1351 - Results That Make People Surprised

Yu Nan still looked shocked by what had happened, she was shocked when she saw Jeng Bimle get such extraordinary results.

"If I had known this earlier, I wouldn't have run away so quickly" If Yu Nan knew that Jeng Bimle would have this result, Yu Nan probably wouldn't have left Jeng Bimle, at least she could have stayed a little longer to earn more points.

Too bad everything has happened, Yu Nan won't be able to turn back time, everything has happened and can't be repeated.

"What the hell" All the participants did not believe in the results obtained by Jeng Bimle, they did not believe that Jeng Bimle managed to get results that were far above elite students in the inner court.

Jeng Bimle made a triumphant pose, he felt proud when he got a very good result.

this was the highest achievement that Jeng Bimle had attained, he had never achieved this in his life.

"Hmm, there is a participant who got very good results." Li Minho looked at Jeng Bimle, he saw for the first time someone who managed to get good results.

People started talking about Jeng Bimle, they all wanted to know who Jeng Bimle was, how did he get that many contribution points.

After Jeng Bimle, now it was Ye Chen's turn, Ye Chen stepped forward and started to count the points he got.

"he definitely won't get much" as Ye Chen advanced, Tu Bei started to make fun of Ye Chen, he didn't forget to humiliate Ye Chen in front of all the participants present.

Tu Bei could see that Ye Chen's basket was filled with red flags, these were the flags that had the least value, so it wouldn't be strange for Tu Bei to start making fun of Ye Chen.

Tu Bei may not have a grudge against Ye Chen, but Tu Bei has been given a will by Gong Senye to do bad things to Ye Chen.

For Tu Bei to not meet Ye Chen in the preliminaries, if he met Ye Chen, Tu Bei would break Ye Chen's legs and arms.

Unfortunately, Ye Chen was too lucky, in these 3 days, Ye Chen had never met Tu Bei.

Since Tu Bei couldn't beat Ye Chen, in the end, Tu Bei had no choice but to humiliate Ye Chen in front of everyone in this place.

Because the person who spoke was Tu Bei, everyone immediately looked at Ye Chen, they all immediately looked at Ye Chen, they looked at Ye Chen with disdain.

Tu Bei's reputation was enormous, he could easily humiliate Ye Chen in front of everyone present in this place.

Tu Bei was the most pampered person in the Sect, so it wouldn't be strange for everyone to pay attention to Tu Bei, that way they could all benefit when Tu Bei had already gained strength and a stable footing in the Sect.

"What was that sound just now, was that the sound of a dog barking at me just now?" Ye Chen ignored what Tu Bei said, Ye Chen also didn't forget to make fun of Tu Bei by calling him a dog.

"Bastard, how dare you compare me to a dog" Tu Bei was annoyed when he heard Ye Chen think of himself as a dog.

"Who said that, you said that, you are a dog," Ye Chen said while clarifying what Tu Bei had just said.

Tu Bei's face turned black when he listened to Ye Chen's words, Tu Bei had fallen into the trap of Ye Chen's words, it made Tu Bei's face embarrassed.

Tu Bei intended to go and make calculations with Ye Chen, he couldn't accept being treated like this by Ye Chen.

When Tu Bei wanted to fight Ye Chen, some of the disciples who were close tried to restrain Tu Bei, they didn't want Tu Bei to be provoked by Ye Chen's words so that Tu Bei would create a mess in this place.

Luckily there were acquaintances from Tu Bei around this place, otherwise, Tu Bei would attack Ye Chen.

From afar Li Minho only saw what Ye Chen and Tu Bei were doing, he shook his head when he saw what had just happened.

"Reckless brat, he is very brave in going against someone like Tu Bei who has a very big reputation." Li Minho felt that Ye Chen was very reckless, Ye Chen challenged the genius disciples protected by the Sect, Li Minho was afraid that Ye Chen would get in trouble in the future. future later.

"Please count" Ye Chen gave the basket to the Staff, Ye Chen wanted to know what score he got.

"stop, you don't have to count them." Tu Bei told the staff not to count Ye Chen's results.

Tu Bei is now back, he can control his previous anger.

" you don't have to listen to this idiot, hurry up and do your job." Ye Chen told him not to listen to Tu Bei's words.

" You. . ." Tu Bei pointed at Ye Chen, it seemed that Tu Bei was not happy with Ye Chen's words.

How could his genius self be humiliated by Ye Chen, this was an insult to Tu Bei.

Even though Tu Bei had just recovered, he didn't expect Ye Chen to have made Tu Bei feel angry again.

The staff started to take Ye Chen's basket and counted the score that Ye Chen got, when the Staff finished counting the top, The staff seemed to tremble when they saw the 3 golden flags that Ye Chen had hidden under the red flags, Ye Chen's number of flags was far more than ever he sees in this life.

The staff took more time when he counted Ye Chen's, this was a very tough job to do.

"Participants Ye Chen got 15,140 points" The staff read out Ye Chen's results, these results were read out loud so everyone could hear them.

The place became quiet, everyone fell silent as they listened to what the staff had just done.

People were silent as they listened to Ye Chen's results, Ye Chen's results exceeded the expectations of everyone in this place.

Even someone like Li Minho was surprised when he heard Ye Chen's results, Li Minho couldn't believe what he just heard.

Ye Chen's results were so unreasonable, how could he earn so much in just 3 days.

"How is that possible?" Tu Bei was the first to break the silence, himself breaking the silence that lasted for a long time.

Tu Bei couldn't believe that Ye Chen had managed to get so many points, this was something that Tu Bei couldn't believe.

"Do you have a problem with it?" Ye Chen said to Tu Bei.

Ye Chen was pleased with Tu Bei's expression, he was very happy because he could see Tu Bei's surprised expression.

"He must have miscalculated." Tu Bei was sure that if the staff miscalculated, there was no way Ye Chen would get such a high score.

"I'm not wrong in counting, just look at he has three gold flags in his basket" The staff pointed out that Ye Chen got 3 gold flags in his basket.

" what ! ! !" The public was again shocked by this announcement, they still couldn't believe that Ye Chen had gotten 3 gold flags.

Chapter 1352 - Is There Any Rule About That

"How could he do such a thing?" People began to wonder how Ye Chen got the gold flag, whereas gold flags were very difficult to obtain.

People here even struggle to get a green flag, they have to risk their lives just to get a green flag.

"Are you cheating?" Tu Bei couldn't believe Ye Chen's results, Tu Bei couldn't believe Ye Chen's results.

The results obtained by Ye Chen had slapped the face of Tu Bei who was currently considered a genius within the Sect.

If Tu Bei lost his face, then it was certain that Tu Bei would lose his reputation.

"Cheating, how can I cheat in this matter?" YE Chen asked Tu Bei.

" that . . ." Tu Bei was a little confused when he was asked this way by Ye Chen, Tu Bei couldn't think of Ye Chen's way of cheating.

"Why are you silent, don't you know how I cheated, then where did your argument come from?" Ye Chen cornered Tu Bei, himself cornered Tu Bei, this made Tu Bei panic and couldn't think with a cool head.

Ye Chen was very good at speaking, so it wasn't strange that Tu Bei couldn't win when he talked to Ye Chen.

"Bastard, you tried to dodge it, I can't believe you are such a shameless person" Out of urgency, Tu Bei had no choice but to use any excuse to confront Ye Chen.

Ye Chen just smiled as he listened to what Tu Bei said, what Tu Bei said was very funny, Ye Chen saw that Tu Bei didn't have a solid reason to accuse him.

"Is he cheating, how can he get so many things" People also started to suspect Ye Chen's results, they were all suspicious of Ye Chen's very high results, this was very unreasonable.

"I'm with him, so I can tell if he's not cheating" Seeing his friend being accused like that by everyone, Jeng Bimle decided to help Ye Chen in dealing with this matter.

"Your results are equally unreasonable, have the two of you conspired to commit a fraud" Jeng Bimle's results were the same as Ye Chen's, this man's results were also as unreasonable as Ye Chen's, so people suspected that the two of them had conspired.

"You guys" Jeng Bimle didn't expect that he would also be appreciated by everyone in this place, these people were suspicious of the results that he and Ye Chen got.

"Never mind, you don't need to explain, the more you try to explain, the more they won't believe what you're saying," Ye Chen told Jeng Bimle not to explain anymore if they continued to explain, then they would be considered swindlers by these people.

Ye Chen is well acquainted with someone's temperament, the more you explain, the more they won't believe your words even if your words are the truth.

Jeng Bimle nodded, agreeing with what Ye Chen said, it seemed that it would be pointless to explain this matter to all of them.

"If you have evidence, why don't you report it, you all have the right to report if you have evidence of the fraud that I did." Ye Chen said that everyone is free to report himself for the fraud that occurred.

Everyone was silent as they listened to what Ye Chen had to say, they all had no valid evidence to accuse Ye Chen of, from the start everything was just an unfounded accusation.

"Elder Li Minh, why are you just keeping quiet?" Tu Bei said to Elder Li Minh, who had remained silent until now.

"What do you need?" Li Minh asked Tu Bei what he needed.

"Please help with this matter." Tu Bei asked Li Minh to help solve this problem.

"Okay, I'll help you." Li Minh came down himself currently appearing in front of Ye Chen.

Tu Bei was very happy about this, having the elder around, should be enough to reveal everything.

"Ye Chen, that's your name." Li Minh asked Ye Chen who was in front of him.

"Of course, that's my name." Ye Chen nodded, telling Li Minh his name.

"Is it true what people say that you are cheating?" Li Minhó asked Ye Chen.

"Of course not," Ye Chen said that he had not committed fraud.

"Then how did you get so many flags?" Li Minhó asked Ye Chen.

"Of course by hunting and searching, I can indeed fake the flag that I got," Ye Chen said to Li Minhó, Ye Chen answered this very firmly, there was no hesitation in answering someone like Elder Li Minhó.

"How can you hunt while finding flags like that?" Li Minhó asked how Ye Chen had gotten so many flags in such a short time.

"I just keep looking, is there a problem with that, you know that there are no rules in this preliminary round, so you have no right to say I cheated," Ye Chen told that he wasn't cheating, from the start Li Minhó never said that there are rules in this preliminary round.

"You are right from the start there are no rules in this preliminary round, you may go" Li Minhó couldn't win against Ye Chen, Li Minhó knew that Ye Chen was very smart, he couldn't win over Ye Chen in tongue-tight.

from the start there were no rules, everything was allowed in the preliminary round, so there was no such thing as cheating in this preliminary round.

Everyone looked in disbelief when they saw Li Minhó releasing Ye Chen, they all couldn't believe that Ye Chen would be released so easily.

"How can you let it go so easily?" Tu Bei asked Li Minhó, he started to question what Li Minhó was doing.

"From the start, there were no rules in this match, the rules were clear that it was not allowed to put a flag inside the Space Ring, so he didn't go against the rules." Li Minhó told Tu Bei that Ye Chen had not cheated.

Tu Bei could only grit his teeth as he listened to what Li Minhó said, there seemed to be no way to deal with Ye Chen.

"If you want to find trouble, you should wait for the fighting competition, you can fight as you please," Li Minhó told Tu Bei to wait first, there will be a next round where each participant will face each other.

"Alright elder I understand" Tu Bei understood, it seemed that Tu Bei had no choice but to be a little patient and wait for the next competition to start.

that was the only way Tu Bei could use it, otherwise, Tu Bei wouldn't be able to take revenge on Ye Chen.

Ye Chen smiled at Tu Bei, this time he was able to win over this person, Ye Chen looked very satisfied when he saw Tu Bei's reaction which looked very angry, he was satisfied that he could make Tu Bei become emotional and lose control.

Not only did Tu Bei have a dissatisfied expression, but some of the participants in this place were also dissatisfied with Li Minhó's results, they couldn't believe that Li Minhó would let Ye Chen go so easily.

It's the same as they lose their face in public, they are all ashamed of themselves.

Chapter 1353 - Gong Senye Is Dissatisfied With Tu Bei's Results

"Friend, that was amazing earlier, you have silenced them like chickens about to be slaughtered" Jeng Bimle praised Ye Chen, he praised Ye Chen for making everyone embarrassed and speechless, they all had no words against Ye Chen.

"hehe, they are stupid for challenging me, from the start we didn't do anything wrong so no one can beat me," Ye Chen thought that everyone looked very stupid, from the start no one could beat him because Ye Chen was right.

"Hehehe, I have been with you for a while, I know that you are a great person" After being with Ye Chen for a while, Jeng Bimle knew that Ye Chen was a very great person, Ye Chen was a strong person even more than that. inner court elite disciple, he is a dark horse in black scene.

"Hehehe" Ye Chen laughed when he heard what Jeng Bimle said.

Everyone here looked at Ye Chen with disgruntled looks, they were not happy when they saw Ye Chen laughing while belittling them all.

Some people already knew Ye Chen, they still remembered Ye Chen at the time when the scandal with Tie Sangling broke out, they didn't expect that this man would be so great at speaking, no one could win even if it was an elder.

Judging continues, there is a change in the qualifiers in this match, but Ye Chen and Jeng Bimle still lead at the top, no one can beat the score they got.

A few moments later, the final result has been determined. 2048 participants who have passed have been determined, now those who pass will immediately enter the competition and compete until they reach the top.

While participants who did not qualify had to leave, they were needed again in this place.

"I congratulate everyone who has entered the competition, now you will enter the main event where you will compete with each other to reach the top, later the top rulers will gather who will see your performance, as long as you do good things. , you might be recruited." Li Minho told everyone who had successfully passed to enter the martial arts competition.

everyone was happy when they heard this, they were all happy that they had the opportunity to enter the ranks of core disciples, thus their status would be even higher.

"Okay, then let's randomize the number of participants that you will get, it will determine the enemy you will face in the arena," Li Minho said that they will choose a number 1 ~ 2048, this will be the serial number used by participants to fight with other participants.

"The person who was the leader in the previous match will be the first to vote," Li Minho told Ye Chen to be the first to pick the numbers.

"Okay" Ye Chen stepped forward, he began to pull a ball that was in a very large box.

Ye Chen took the ball at random, he didn't care about the number he would get later.

Ye Chen took one and saw the number he got to 2048, Ye Chen hit the last number.

"Okay, your number is 2048, so you just have to wait for the enemy to pair with you," Li Minhó told to wait for the enemy to be paired with Ye Chen.

" Well. . ." Ye Chen nodded, he left carrying the ball he just got.

"Okay, next" Li Minhó told Jeng Bimle to come forward and draw a number.

Jeng Bimle was very confident going forward, he pulled the ball that was in the box, Jeng Bimle pulled one and saw the number he got.

"Number 100" Jeng Bimle got number 100, in the match he might be ahead of Ye Chen.

After Jeng Bimle, one by one the participants began to draw numbers, they all quickly got the participants's number in the competition later.

"Did you guys get the numbers?" Li Minhó asked everyone in this place, he wanted to know if they all got the participants's number.

All participants nodded, they already got the serial number for later.

"Good, then you can go back and recover yourselves, Sect will send the roster and match schedule to your rooms." Li Minhó told everyone to go back and recover, Li Minhó knew that everyone was tired from this preliminary round.

Everyone nodded, one by one began to leave this place.

"Ye Chen, what do you want to do?" Jeng Bimle asked what Ye Chen wanted to do.

"Nothing, I want to rest, I'm a little tired from staying up late for 3 days" Ye Chen wanted to rest, he wanted to enjoy the relaxing time Li Minhó gave him.

"I see, then I won't bother you." Seeing Ye Chen who wanted to rest, Jeng Bimle decided not to disturb Ye Chen.

Since Jeng Bimle couldn't bother Ye Chen, then Jeng Bimle would try to get close to Yu Nan, after what happened earlier Jeng Bimle's trust became very high.

"Ye Chen, I will go first, enjoy your free time." Jeng Bimle waved his hand towards Ye Chen, he immediately went after Yu Nan who had already left this place.

"Okay, I'll go back to my room" Ye Chen had to go back to his room, Ye Chen wanted to enjoy the free time he had.

3 days in the forest exhausted Ye Chen, it seemed that Ye Chen should take a break and enjoy his free time.

Ye Chen had not enjoyed his free time in a long time, at least Ye Chen could laze around as he pleased.

.

Elsewhere in the inner court, currently, Gong Senye and Tu Bei were sitting and chatting.

"So how did it go?" Gong Senye asked how Tu Bei's results were, whether Tu Bei's results were good or not.

"I got the fourth place" Tu Bei announced that he got the fourth place.

"What . . ." Gong Senye banged on the table, it was obvious that Tu Bei's answer made Gong Senye very dissatisfied.

Tu Bei had predicted this outcome, he had already predicted that this outcome would happen.

"How did you get the fourth place?" Gong Senye started to question Tu Bei, how did a genius like Tu Bei get fourth place.

"It's because of someone, I have lost the golden flag that was the key to my victory," Tu Bei told Gong Senye about the reason why he could lose.

"Who is that?" Gong Senye wants to know who Tu Bei is referring to, how could someone snatch the flag from Tu Bei's body.

"I don't know about that, that person took the flag without me knowing, but there was only Mao Renqi in that place, meanwhile he also lost the golden flag" Tu Bei still didn't realize that Ye Chen had taken his flag, he still didn't realize that the golden flag that Ye Chen got was what he had.

"Who is that?" Gong Senye becomes curious about the person who stole Tu Bei's golden flag.

"Then who get the first place?" Gong Senye asked who got the first place in this preliminary round.

"that. . ., he is Ye Chen." Tu Bei informed that the person who got the gold flag was Ye Chen.

"Ye Chen, it's that person again" Gong Senye got even angrier when he heard the name Ye Chen, Gong Senye hated this man named Ye Chen the most.

Chapter 1354 - Want To Continue?

"Why don't you kill him when you have the chance?" Gong Senye asked Tu Bei.

"Master, I'm sorry, the problem is that I didn't meet that person in the preliminary round, so I couldn't kill or break both of his legs." Tu Bei informed that he didn't meet Ye Chen, if Tu Bei met Ye Chen, it would be he had already attacked Ye Chen.

"That person is very lucky, if only he met you" Gong Senye felt that Ye Chen was very lucky, if Ye Chen met Tu Bei, he would definitely get a misfortune.

"Yes, he is very lucky, if he had met me, he would have already finished." Tu Bei completely agreed with what Gong Senye said, if Ye Chen had met him, Ye Chen would have had a very bad ending. .

"You must be able to take him down, lest he destroy our plans." Gong Senye told Tu Bei to destroy Ye Chen, lest Ye Chen destroy their plans.

If Ye Chen were to destroy their plan, it would be a very troublesome matter.

Gong Senye has their own plans, Gong Senye wants Tu Bei to get the best results in this competition, that way Tu Bei can get a very good place, at least Tu Bei should be able to become a direct disciple of the Patriarch, then Gong Senye will get enormous benefit.

"Master doesn't have to worry about that matter, I will definitely succeed." Tu Bei said that he would definitely succeed in getting first place, Tu Bei was very confident in his abilities.

Tu Bei still hadn't shown all the abilities he had, he still kept his full strength for later.

Tu Bei had obtained abundant resources from the Sect, this allowed Tu Bei to gain an enormous increase in strength.

Without these resources, Tu Bei could not be at this level, this was an impossible thing for Tu Bei to do.

"Okay, you can rest, I'm sure you're very tired." Gong Senye told Tu Bei to rest and recover his strength, so that Tu Bei could gain strength to fight the enemies that stood in his way to become the strongest cultivator in the world. the entire Sky Cloud Peak Star Realm.

"Okay, thank you very much" Tu Bei thanked Gong Senye, he went to rest in his room.

"I hope you don't disappoint me." Gong Senye hoped that Tu Bei would not disappoint him.

"Ye Chen, this person is getting in my way again, I have to do something to take care of him." Gong Senye had to do something to take care of Ye Chen, he couldn't let Ye Chen continue like this.

For Gong Senye Ye Chen was a pest that had to be removed immediately, this pest had made Gong Senye feel so uncomfortable that he had to get rid of Ye Chen.

Gong Senye started to think of a way he could use to get rid of Ye Chen, he had to find a powerful way to get rid of Ye Chen.

.

.

Meanwhile, Ye Chen returned to his own room, intending to enjoy the day very well.

Ye Chen opened his room, when Ye Chen opened his room, he was surprised by the figure of a woman in his room.

"wife, what are you doing at my place?" Ye Chen asked what Mei Yueli was doing in his place.

"I was just visiting, I haven't seen you in a long time, where have you been?" Mei Yueli said in a dissatisfied tone, it seemed that Mei Yueli was dissatisfied because Ye Chen had been missing for weeks.

"Hahaha, I have business to attend to, so I'm sorry." Ye Chen said that he had business, so he couldn't stay in the Sect.

"What's the matter?, why don't you tell me?" Mei Yueli wanted Ye Chen to tell her the story he had.

"Okay" Ye Chen told Mei Yueli about what he had been through these past few weeks.

Mei Yueli listened to Ye Chen's story, she listened carefully to what Ye Chen had experienced.

"You go to the ancient ruins, why don't you take me, I also want to come and help" Mei Yueli complained that Ye Chen didn't invite her, even though Mei Yueli quite liked hunting for treasures in ancient ruins.

"I thought you were busy, so I didn't bother you" Ye Chen said to Mei Yueli.

"Hmph. . ." Mei Yueli sniffed coldly, she didn't like the answer Ye Chen gave.

Ye Chen couldn't help but shake his head, it seemed that he had just made Mei Yueli angry and dissatisfied.

"Wife, come on, don't be so angry, I didn't mean to do that." Ye Chen persuaded Mei Yueli, he persuaded Mei Yueli to forgive him.

Mei Yueli still looked angry and dissatisfied, it was a little difficult to persuade Mei Yueli who was like this.

Seeing Mei Yueli who was hard to persuade, Ye Chen hugged Mei Yueli's body.

"What are you doing?" Mei Yueli immediately asked what Ye Chen was doing.

"What's more, of course hugging you" Ye Chen told that he had come to hug Ye Chen.

"Let me go" Mei Yueli tried to rebel, she tried to get away from Ye Chen.

Unfortunately Ye Chen didn't let Mei Yueli let go of her, Mei Yueli locked in Ye Chen's arms.

After a while Mei Yueli finally fell silent, Mei Yueli knew that she couldn't tear herself away from Ye Chen.

"So what do you want next?" Mei Yueli asked what Ye Chen would do to her.

"Here, let me kiss you" Ye Chen slightly opened the veil that was worn by Mei Yueli, Ye Chen brought his face closer to Mei Yueli's lips, he immediately pecked Mei Yueli's lips and started to crush them.

Mei Yueli accepted what Ye Chen did, she began to cooperate with Ye Chen in this kiss.

The two of them started a very deep kiss, their tongues entangled with each other.

"Chu. . ., Chu. . ., Chu. . ., Chu. . ., Chu. . ." Mei Yueli became very greedy, she became very greedy when kissing Ye Chen.

Mei Yueli had to admit that doing this was very comfortable, Mei Yueli really liked this feeling.

Mei Yueli felt happy when she was around Ye Chen, Ye Chen could always make herself feel very comfortable.

Mei Yueli was so addicted to this, she probably couldn't be the way she used to be anymore.

After a while of passionate kissing, Mei Yueli finally pushed Ye Chen, Mei Yueli looked out of breath when kissing for a long time with Ye Chen.

"Want to continue?" Ye Chen asked Mei Yueli who was in front of him.

"Um. . . ." With a flushed face, Mei Yueli announced that she wanted to continue having fun with Ye Chen.

Ye Chen pushed Mei Yueli's body, he immediately took off all the clothes on Mei Yueli's body, even Ye Chen also took off the veil on Mei Yueli's face.

"It's so beautiful" Ye Chen saw Mei Yueli's beautiful face, Mei Yueli's pretty face was getting prettier since the last time Ye Chen saw her.

Mei Yueli blushed as she listened to Ye Chen's praise, this felt really embarrassing.

" knock. . . ., you're in there, right?" suddenly someone knocked on Ye Chen's door.

Chapter 1355 - Information About The Nine Peaks

Ye Chen and Mei Yueli immediately stopped, they looked towards the entrance.

"Ye Chen quickly let go of me, there is elder sister Xueying" Mei Yueli hurriedly told Ye Chen to let her go, Mei Yueli already knew who was outside the room.

Seeing Mu Xueying outside the room, Ye Chen had no choice but to let go of Mei Yueli, he let go of Mei Yueli who was under his body.

Mei Yueli hurriedly put on her clothes, Mei Yueli immediately put them all back on her body.

A few moments later Mei Yueli finally put her clothes back on, now Mei Yueli was like before.

" it's finished?" Ye Chen asked Mei Yueli.

"Um" Mei Yueli nodded, she had finished putting her clothes back on and tidying up her appearance.

"Then I'll open it right away" After Mei Yueli finished putting on her clothes, Ye Chen opened the door for Mu Xueying.

"Why did you take so long?" Mu Xueying asked Ye Chen, Mu Xueying wanted to know why Ye Chen took so long to open the door.

"Sorry, I'm busy" Ye Chen made an excuse, he told Mu Xueying that he was busy.

Mu Xueying didn't know what was keeping Ye Chen busy, Mu Xueying slightly peeked inside to see what was going on.

When Mu Xueying looked inside, Mu Xueying found the whereabouts of Mei Yueli.

"Yueli, why are you in this place?" Mu Xueying asked why Mei Yueli was in Ye Chen's room.

"That, I happened to be visiting Ye Chen to tell what happened to Qingyu and Nianci" Mei Yueli also made up an excuse to trick Mu Xueying, she didn't want Mu Xueying to be misunderstood by what she was doing.

Mei Yueli was still embarrassed when she got caught by Mu Xueying, so she didn't want to be honest about what had happened.

"So it's like that" Mu Xueying understood, it seemed that Mei Yueli had come to inform Ye Chen.

Mu Xueying looked Mei Yueli up and down, Mu Xueying seemed to be looking for something in Mei Yueli's body.

Mei Yueli just lowered her face, Mei Yueli looked embarrassed when Mu Xueying looked suspiciously at her.

"Why outside, let's go in" Ye Chen invited Mu Xueying to go inside, not comfortable talking outside like this.

"Alright." Mu Xueying nodded and entered Ye Chen's room.

Mu Xueying sat beside Mei Yueli, until now Mu Xueying was still looking at Mei Yueli with a slightly strange look.

"So why did you come to this place?" Ye Chen asked why Mu Xueying had come to see him.

"I came to ask about the results you got in the preliminaries, did you manage to enter the competition," Mu Xueying told Ye Chen about her reason for coming to this place, Mu Xueying came to find out if Ye Chen entered the competition.

"What do you think?" Ye Chen asked Mu Xueying back, he wanted to know Mu Xueying's.

"Ye Chen, don't mess with me, quickly tell me the results you got," Mu Xueying asked Ye Chen, she wanted to know the results Ye Chen got.

"Of course I enter." Ye Chen said if he managed to enter there was no way Ye Chen would lose in a child's game like this.

"I see, that's great." Mu Xueying looked relieved when she heard this, it seemed that she was too worried that Ye Chen would not escape.

"Ye Chen, you are taking part in the competition, do you want to become a core disciple?" Mei Yueli asked Ye Chen, she wanted to know if Ye Chen wanted to become a core disciple.

"Of course, I want to become a core disciple." Ye Chen said that he wanted to become a core disciple.

"Wow, that's great then going to see your match." Mei Yueli said that she would see Ye Chen's match.

"I might take Qingyu and Nianci with me." Mei Yueli wanted to take Xia Qingyu and Mu Nianci with her.

"Is that okay?" Mei Yueli asked Mu Xueying she wanted to know if she could take Xia Qingyu and Mu Nianci with her.

"Of course you can, Lord Peak has also returned, so tomorrow he will be there." Mu Xueying informed that Ning Xia would also be there to have a look, in case a young talent could enter along with the Jade Lotus Peak.

"Oh, so Lord Peak is back, it's not strange that you took the time to come." Ye Chen now understood why Mu Xueying could take the time to come, apparently Mu Xueying had some free time.

"I happened to be not busy, so I came to visit you to see if you're causing trouble again or not, I can't take my eyes off you, you always make senseless things and cause trouble" Mu Xueying explained why she came to see Ye Chen.

Mu Xueying was very dishonest with herself, even though her purpose in coming here was to see Ye Chen, it seemed that Mu Xueying missed Ye Chen.

Mu Xueying couldn't possibly say this, she still had the face not to say it in front of Ye Chen.

"Then you can stay and chat around this place, at least have friends to deal with boredom." Ye Chen said to tell Mu Xueying to stay in this place for a while.

"Um. . ." Mu Xueying nodded, she would be with Mei Yueli in this place.

Mu Xueying didn't leave Ye Chen and Mei Yueli alone, she knew something would happen if these two were left alone.

Mu Xueying seemed to have found a clue as to what had happened, she saw that Mei Yueli's clothes were wrinkled, something must have happened before she was here.

because it happened that Mu Xueying was in this place, Ye Chen asked about the competition and Lord Peak who was in the Nine Immortals Peak Sect.

Mu Xueying explained about the peaks and peak masters that existed in the Nine Immortals Peak Sect.

The first rank is the Cloud Sky peak. This is the strongest peak in the Nine Immortals Peak Sect, it is the most powerful force in the Nine Immortals Peak Sect.

Second was the Redemption Spear Peak, this was a peak filled with extremely formidable lightning masters, they were all experts in close combat.

Then there is the flying sword peak, this is the peak that is exclusively for flying sword users, this peak is quite strong with extraordinary flying sword control abilities.

Fourth is the Black Rose Peak, this is a Sect that contains thorny women, it is not easy to deal with all of them, they are women who are not easy to bully because of their arrogant nature and like to use a man for their benefit.

fifth was the dewdrop peak, this peak got the fifth position because their strength was quite strong.

Sixth is the blooming life peak , even Fairy Zhen is also one of the origins of this peak.

Seventh is the one hundred thousand weapon peak, this is the peak devoted to weapons experts and weapons makers.

the eighth is Double Pair Peak this is the peak for couples who train together, everyone in this place has their partner.

And the ninth is Jade Lotus Peak, as it is known it is filled with beautiful women who can spoil the eye, unfortunately, the number of core disciples in Jade Lotus Peak is so few that it is difficult to compete with other peaks, it is not strange that Jade Lotus Peak is in last place in the rankings... terms of combat power.

Chapter 1356 - Fairy Gate Lvl 25

Despite being outnumbered, Jade Lotus Peak was still considered a paradise for the males in the inner court, it was a place where beautiful disciples gathered, many would even queue just to see the beautiful female of Jade Lotus Peak.

"So that's how, I will remember it" Ye Chen would remember what Mu Xueying said, he would remember the name of every peak Mu Xueying said.

"Then which one is the best for me to take?" Ye Chen asked which one he should take.

"It's up to you, I think any place suits you." Mu Xueying said that all places would suit Ye Chen.

Ye Chen had everything that Lord Peak needed, so Mu Xueying was confident that Ye Chen could fit into any peak.

"Is that so, then can I join the Jade Lotus Peak, that way I can get close to sister seniors?" Ye Chen said that he wanted to enter the Jade Lotus Peak.

"Looks like it would be impossible, even Peak Lord wouldn't accept you," Mu Xueying told Ye Chen that Ning Xia would not accept Ye Chen.

"Can you not do something about this matter?" Ye Chen asked if Mu Xueying couldn't do something about this matter.

"Sister Xueying, look at him, s=he has already started to show her fangs, looks like he has bad intentions towards the woman at Jade Lotus Peak" Mei Yueli interrupted the conversation that Ye Chen and Mu Xueying were having.

"Come on, don't you feel sorry for me being left alone?" Ye Chen started to put on a pitiful face, he felt sad because he was left alone when everyone was at Jade Lotus Peak.

" no . . ." Mei Yueli and Mu Xueying replied very in unison, they both told that they didn't feel sorry for Ye Chen.

"-_- " Ye Chen didn't expect that he would get this kind of answer from Mei Yueli and Mu Xueying, it seemed that he really couldn't join the Jade Lotus Peak.

"You can just look for other alternatives, after all, you can still meet your woman even if you are at a different peak" Mei Yueli tried to comfort Ye Chen not to be sad about this matter.

"It seems I have no choice." Ye Chen seemed to have no choice but to find a peak that would accept him.

Ye Chen, Mei Yueli, and Mu Xueying chatted casually, it seemed that Mu Xueying was easier to talk to than usual.

Mu Xueying answered all of Ye Chen's questions, she was no longer shy since the embarrassing incident that had happened to her.

"Well looks like we have to go back, we won't bother you anymore, you can rest and recover strength for the competition later" Seeing that it was getting dark, Mu Xueying invited Mei Yueli to leave this place, Mu Xueying would let Ye Chen rest to recover to be in prime condition.

Mu Xueying did not forget to ask Mei Yueli to leave this place, if she kept Mei Yueli in this place, then things would happen.

Mei Yueli couldn't do much, she was dragged by Mu Xueying away from this place.

Mei Yueli could only apologize to Ye Chen because she couldn't do that with Ye Chen.

Ye Chen could understand what Mei Yueli was feeling, Ye Chen could only wave his hand towards Mei Yueli and Mu Xueying who left this place.

After Mei Yueli and Mu Xueying left, Ye Chen was now alone in this room.

"Big brother Ye Chen, how about we play, Ying'er said that she wants to play" Just as Ye Chen was about to lie down, Ye Chen heard Chu Ning'er's voice suddenly say in Ye Chen's head.

"What are you playing?" Ye Chen answered Chu Ning'er, he wanted to know what Chu Ning'er wanted to play.

"Just go inside the fairy gate, and let's play with us." Chu Ning'er told Ye Chen to go inside the fairy gate and play with her.

"Alright" Ye Chen agreed to go and accompany Chu Ning'er and Yin Ying'er to play, at least this could overcome the boredom Ye Chen was currently experiencing.

Ye Chen entered the fairy gate, he accompanied Chu Ning'er and Yin Ying'er to play inside the fairy gate.

Ye Chen played together with Chu Ning'er and Yin Ying'er for a long time, this was Ye Chen's first time seeing Yin Ying'er who was so active at all.

Usually, Yin Ying'er would sleep all day, unexpectedly she would play together with Chu Ning'er and become so active.

It seems that Ye Chen was not wrong when he brought Chu Ning'er into the fairy gate, Chu Ning'er could be a good friend to Yin Ying'er.

Ye Chen started to see the status of the fairy gate, he started to see the improvement he had gotten so far.

Lvl: 25

Name: Ye Chen

Age: 20 Years Old

Strength: 3rd level Divine Rebirth Realm

Special body: Ancient (Yang) Body.

Inheritance: Sage God, Azure Dragon, Heavenly Silver Flame.

Artifact: Reidran Pendant necklace

Heavenly Armor

Divine Yin Yang Sword

Black Dragon Sword

God Mask

Women: Zhao Yanyan, Liu Yue, Fu Lanling, Su Mengxin, Lin Rouxi, Xiao Lulu, Mu Lanyin, Qing Chen, Cheng Mengyan, Su Yuya, Feng Xue, Nanhua Caiyi, Zhang Shiyun, Xue Suyin, Li Qingzu, Nangong Xiang, Mu Xueying, Li Jingyi, Mei Yueli, Fairy Zhen, Yan Fei and many more.

Ye Chen's level was already at level 25, this was much higher than Ye Chen could imagine.

"Eh, where did I get this many experience points from?" Ye Chen started to wonder where he got the experience points from, these were much higher than what Ye Chen had before.

Even though in the God Realm Ye Chen only got 4 women, why did he get so many upgrades?

"It's because everyone has fought so hard" Chu Yuechan came and approached Ye Chen, he told Ye Chen that all of Ye Chen's women had fought hard to become stronger, so Ye Chen got more levels.

"I see, I didn't expect that Yanyan and the others would fight so hard." Ye Chen was happy when he heard this, just as Zhao Yanyan and the others worked so hard.

"Then let's see what we get here" Ye Chen liked this, he wanted to know the reward he would get from upgrading the fairy gate, he should get something good from the upgrade.

When Ye Chen looked at his gifts, Ye Chen found that most of the gifts were status upgrades that were inside the fairy gate, there were only a few items that were given out in return.

"Why is the prize getting stingy?" Ye Chen complained to Chu Yuechan because the reward he was getting was less and less.

"fufufu, don't complain, it's a good gift with it you can be much faster in training," Chu Yuechan told Ye Chen not to complain anymore, Ye Chen's gift had gotten better since last time, even this time the item Ye got Chen will be of great use to Ye Chen.

Even though he didn't get anything of interest, Ye Chen still got some artifacts and a technique that he might be able to use, these artifacts and techniques would be very useful in fighting against his enemies.

so Ye Chen shouldn't complain too much to Chu Yuechan because the reward isn't that great.

Chapter 1357 - Try Strength With Chu Yuechan

Ye Chen got an artifact called Lightspeed shoes and also a Hollow Point Belt.

"Each of these two things has a good effect, Lightspeed shoes have the effect of increasing basic speed, while the Hollow Point Belt will increase physical strength as well.

"Yeah, it's not bad." Ye Chen felt that it wasn't bad, Ye Chen could feel that this was a very good thing for him to use.

Ye Chen hurriedly put on his Lightspeed shoes and also his Hollow Point Belt, when Ye Chen wore this, Ye Chen didn't feel any difference.

"weird nothing happened" Ye Chen sensed that nothing had happened, this was.

"Why don't you try running first?" Chu Yuechan told Ye Chen to train and try out his new strength.

"Okay, I'll give it a try." Ye Chen nodded, he would try what Chu Yuechan said.

Ye Chen tried to run at his full speed.

When Ye Chen ran, Ye Chen found something very amazing, Ye Chen's speed became very fast, Ye Chen was amazed by this.

"So fast" Ye Chen didn't expect it to be so fast, he couldn't believe that he could be this fast.

Ye Chen's speed became extremely fast, it was several times faster than Ye Chen's speed.

After trying his speed, Ye Chen didn't forget to try his physical strength, Ye Chen hit the ground beneath him.

"Master, wait a moment" Chu Yuechan tried to stop Ye Chen, he stopped Ye Chen who wanted to destroy this place,

If Ye Chen were to destroy this place, then Chu Yuechan would have trouble repairing it.

"Boom" A large enough impact occurred, this impact caused the ground inside the fairy gate to lift.

Chu Ning'er and Yin Ying'er were blown away by the impact of Ye Chen's attack.

"Ugh. ., what happened ?" Chu Ning'er was shocked by what happened, she started to find out what happened.

"Ying'er are you okay?" Chu Ning'er searched for the whereabouts of Yin Ying'er, herself looking for the whereabouts of the missing Yin Ying'er.

"Yeah, I'm fine, what happened?" Yin Ying'er asked what happened, why suddenly there was such a strong earthquake that I don't know.

"I don't know, look over there" Chu Ning'er told Yin Ying'er to look where Ye Chen and Chu Yuechan were.

"Master, didn't I tell you to stop?" Chu Yuechan was angry with Ye Chen, even though Chu Yuechan had told Ye Chen to stop.

"Hehehe, I'm sorry" Ye Chen apologized, himself apologizing to Chu Yuechan for causing such a mess.

Ye Chen didn't expect his physical strength to become this strong, if Ye Chen continued to train his physical strength, then he would no longer have to be afraid when he used Lightning Vein.

Ye Chen might be able to fight without even using the Lightning Veins, he could fight using the strength he had.

"This is quite great." Ye Chen was happy when he got these two artifacts, these two artifacts were truly extraordinary, they increased Ye Chen's strength significantly.

"Of course, how can the gifts from the fairy gates be so ordinary?" Chu Yuechan said to Ye Chen.

Ye Chen just smiled when he heard this, he smiled with great satisfaction when he heard this.

"This is amazing, I want to see if the technique I got will be better" Ye Chen couldn't wait to see the technique he got, he wanted to see what kind of technique he got.

Ye Chen saw the technique he got when Ye Chen saw it, Ye Chen found a book called Invisible Body Art.

Invisible Body Art is a technique that can make you invisible, plus the user's presence will be very difficult to find

"Wow, this looks cool." After studying a bit of the technique book he got, Ye Chen was very happy, now Ye Chen has an invisible technique.

With Ye Chen's Invisible Body Art being able to go anywhere without being noticed by others, this was something quite extraordinary.

Ye Chen couldn't wait to learn this, he couldn't wait to learn the Invisible Body Art.

Ye Chen took another look at what he had found, he found that as the practice room was being placed more and more, plus the 2nd-floor pagoda used to store techniques was already open, powerful techniques were waiting to be learned.

Some Arrays and places have also been upgraded, this makes the Fairy Gate a much nicer place.

In addition to the pure energy in this place becoming richer, it was already no worse than the one in the Nine Immortals Peak Sect.

There was one more thing that made Ye Chen quite excited, Ye Chen saw that now he could bring foreign women into the fairy gate, even though there were certain restrictions on the places they could visit.

It was like a trial that one could only see a little about the fairy gate.

"This is very good" Ye Chen felt that this was very good, Ye Chen liked it when he saw what he got.

"Yuechan, let's play, I will try to catch you," Ye Chen said that he wanted to catch Chu Yuechan, Ye Chen had never been able to catch this beautiful fairy, so now Ye Chen wanted to try to catch Chu Yuechan.

Ye Chen wanted to see if he could catch Chu Yuechan with his Lightspeed shoes.

If he really could do that, then it would be a huge improvement.

"Okay, let's give it a try." Chu Yuechan didn't mind, she didn't mind being Ye Chen's opponent.

"Good, then get ready," Ye Chen told Chu Yuechan to get ready, he was about to start capturing Chu Yuechan.

Ye Chen advanced, he used his current highest speed to catch Chu Yuechan who was in front of him.

Chu Yuechan just smiled when she saw what Ye Chen was trying to do.

Just as Ye Chen was about to catch Chu Yuechan who was in front of him, suddenly Chu Yuechan's figure disappeared and was replaced by empty air.

Ye Chen couldn't believe it when he saw Chu Yuechan who had disappeared, Chu Yuechan seemed much faster than before.

"How is that possible, I won't definitely catch her" Ye Chen didn't want to give up, he turned around and looked for Chu Yuechan's figure, after finding Chu Yuechan's figure, Ye Chen immediately went to Chu Yuechan's place.

"fufufu" Chu Yuechan giggled, she left and avoided Ye Chen.

"Damn it, why didn't it hit?" Ye Chen cursed very loudly, why couldn't he catch Chu Yuechan.

"Master, you are not fast enough." Chu Yuechan informed that Ye Chen was not fast enough.

"Just watch, I will catch you" Ye Chen opened his Wind Vein, Ye Chen's speed increased when he opened his Wind Vein.

Ye Chen also took off the Geoling Bracelet that was on his arm, this way Ye Chen's movements could be faster.

In the preliminaries, Ye Chen was still wearing the Geoling Bracelets, so it wasn't strange that Ye Chen was exhausted from traveling while wearing several Geoling Bracelets on his arms.

"When Ye Chen took off the Geoling Bracelet, Ye Chen felt that his body was as light as cotton, he felt agile when he took off the Geoling Bracelet.

Ye Chen began to feel the benefits of using the Geoling Bracelet, he began to feel the benefits of practicing using the Geoling Bracelet.

"So master, is getting serious, then I have to be more serious." Seeing Ye Chen who had used everything up, Chu Yuechan would be more serious.

"It's too late, this time I will catch you," Ye Chen said that this time he would catch Chu Yuechan.

Chapter 1358 - Learn Invisible Body Art

Ye Chen kept trying to catch up and catch Chu Yuechan, he used various means to catch Chu Yuechan, it's a shame that everything Ye Chen didn't work out, Ye Chen still couldn't catch Chu Yuechan.

"she's really fast" Ye Chen started to pant, he had already reached the limit in using his Wind Veins, if he continued, Ye Chen would faint from exhaustion.

"Are you tired?" Chu Yuechan asked Ye Chen who was holding his chest.

"Enough, it seems I can't afford it anymore," Ye Chen said that he was no longer able to continue this match.

Ye Chen was already quite exhausted from chasing after the extremely fast Chu Yuechan, even Chu Yuechan's speed was much faster than the speed of light.

"It seems that the duration of opening the Veins is increasing, even so, you still can't maximize your Sage God inheritance, the time limit you have is still quite short." Chu Yuechan gave her assessment of Ye Chen, her telling that Ye Chen still couldn't take advantage of the inheritance Sage God vein, it can be seen from the duration that Ye Chen can do, the duration that Ye Chen has is still quite a bit.

"I also know about this, it seems that when my strength gets stronger, the duration will also increase." Ye Chen also realized that he was still unable to utilize the Sage God's inheritance in his body, this made Ye Chen still unable to display the true power of a Sage God.

"It seems that you have to look for the remaining inheritance from the Sage God, you have already obtained 50%, now there is only 50% left before you fully obtain the full inheritance.

"How to find it, I don't have a clue for that matter, I can only wait patiently," Ye Chen told that doing so would be very difficult to do.

"Hmmm" Chu Yuechan was also confused when faced with this, she also couldn't do something this very difficult.

This is tantamount to searching for a golden needle in a vast desert.

"Looks like there's no choice but to wait and take advantage of my luck, I believe if it's fate then I can collect all the inheritance from the Sage God," Ye Chen said to Chu Yuechan.

Chu Yuechan nodded to Ye Chen, it seemed that was the only way Ye Chen could do it.

"Then I will go back and learn the Invisible Body Art." Ye Chen had to leave now, he still had things to do, Ye Chen still had a schedule to compete.

Chu Yuechan nodded to Ye Chen, after bidding farewell to Chu Ning'er and Yin Ying'er, Ye Chen left the fairy gate.

"I have to clean up this mess." Chu Yuechan had to clean up the mess that Ye Chen had made, She had to clean up the mess that Ye Chen had caused.

"Ning'er you have to help me." Chu Yuechan asked Chu Ning'er for help in cleaning up this place.

"Why me, can't you do this alone?" Chu Ning'er refused to help Chu Yuechan, she was still playing with Yin Ying'er.

Chu Ning'er liked to have friends, she had been alone for a long time, so it wasn't strange that she liked it when she found a place like Yin Ying'er.

"You can continue after this, help me first." Chu Yuechan insisted, herself even showing the dominance she had.

Seeing the dominance displayed by Chu Yuechan, Chu Ning'er had no choice but to agree, in terms of strength Chu Yuechan was still above Chu Ning'er, so it would not be strange for Chu Ning'er to obey Chu Yuechan.

"That's great." Chu Yuechan was satisfied with the answer Chu Ning'er gave.

Chu Ning'er changed to her adult form, while inside the fairy gate Chu Ning'er could change her adult form, unfortunately, Chu Ning'er still didn't show this to Ye Chen.

If Chu Ning'er showed this to Ye Chen, Ye Chen would be very surprised when he saw Chu Ning'er in such a mature appearance.

Chu Yuechan and Chu Ning'er worked together, the two worked together to repair the damage, with the cooperation of Chu Yuechan and Chu Ning'er, the fairy gate was finally quickly restored.

After finishing cleaning up, Chu Ning'er went back to lazing around with Yin Ying'er, while Chu Yuechan went off somewhere.

.
.

After exiting the fairy gate, Ye Chen directly studied the Invisible Body Art.

When Ye Chen had just studied the Invisible Body Art, Ye Chen discovered something even more amazing, it turned out that the Invisible Body Art was able to make Ye Chen's body penetrated by all objects, which means that all attacks will not work against Ye Chen.

Although this is good, it has a cooldown to use repeatedly, it can only be used every 6 seconds, as long as Ye Chen's cooldown is still able to be attacked by enemies.

"This is still good enough to use." Ye Chen felt that this was still good enough, with this Ye Chen no longer needed to be afraid of enemy attacks.

Ye Chen didn't even need to dodge, all attacks would directly pass through Ye Chen's body when using this technique.

Except for Cooldown's weakness, Invisible Body Art will probably be the most perfect technique, unfortunately, in this world nothing is perfect, surely everything has its drawbacks.

Ye Chen began to sink into understanding, it didn't feel like hours had passed, Ye Chen was also almost done learning everything, even Ye Chen had started to try a little Invisible Body Art.

When Ye Chen used the Invisible Body Art, Ye Chen could see that his body was invisible, even Ye Chen couldn't see his figure in the mirror.

The first attempt was successful, now is the time to test whether it is true that he can penetrate objects.

Ye Chen started to pick up an object that was in this room, when Ye Chen grabbed it, Ye Chen found that it couldn't be grasped by Ye Chen.

Ye Chen tried it several times, too bad he still couldn't hold it.

"Oh, I see, now I understand" Ye Chen now understood, if Ye Chen activated the object's translucent body, then he would not be able to hold or attack the enemy, all of Ye Chen's attacks would be translucent.

"There are still many weaknesses of the Invisible Body Art" Ye Chen felt that there were still many weaknesses of the Invisible Body Art, even so, it would still be very useful in the fight against the enemy, it could be used by Ye Chen to avoid the enemy's attacks.

This could be a backup card for Ye Chen to dodge the enemy's powerful attacks.

" knock . . ." Just as Ye Chen was doing a trial using the Invisible Body Art, Ye Chen heard a knock at the door.

Seeing this, Ye Chen immediately rushed over and opened the door for that person.

"Participant Ye Chen, this is your match schedule" a student delivered the match schedule for Ye Chen.

"Thank you very much" Ye Chen thanked, he thanked the person who sent the schedule for him.

This person nodded, after which he went to deliver the match schedule to the other participants.

Ye Chen saw his match schedule, here it can be seen that he will compete at the end with participant number 1232.

"I want to know who will be my opponent later" Ye Chen is quite curious about the person who will be his opponent, whether he is strong or not. only standard inner court disciples.

To know about this matter, Ye Chen could only wait for tomorrow to see the opponent he would fight.

Chapter 1359 - Lord Peak's Arrival

After getting his schedule, Ye Chen went back to training, he had to practice his abilities.

Even though he knew that it would be easy, that was not an excuse for Ye Chen to be lazy.

Time passed, the next day arrived, Ye Chen prepared to go to the place where the competition was being held.

The competition was held in front of the nine peaks, it just so happened that there was a very large field that could accommodate everyone in the Sect.

There were already many people gathered here who wanted to see the competition taking place, from the outer court disciples, the inner court disciples and even core disciples who also came.

All come for the same purpose, they want to see the battle for its own satisfaction.

Plus they were curious about the figure of Tu Bei who was predicted to be the new genius within the Sect, so it wouldn't be strange for everyone to come to see this new genius.

It could be said that Tu Bei was the star of the show, everyone was looking forward to Tu Bei's match.

"It's very crowded" Ye Chen saw that this place was very crowded, it was even more crowded than any festival that Ye Chen had ever seen in his life.

Ye Chen looked around, he saw that there were currently 50 arena scattered around this place, this arena that would be a battle ground for every participant.

"There are only 50 arena, that means the match will take turns." Seeing this Ye Chen immediately knew that the match would be rotating, it seemed that they would take turns to use the arena of the arena.

"Ye Chen, is it you" while Ye Chen was walking around, Ye Chen was approached by the beautiful women in the outer court, he was approached by countless women who had not seen Ye Chen's existence for a long time.

Honestly these ladies missed Ye Chen quite a bit, they all missed Ye Chen doing massage sessions for everyone in the outer court.

Immediately Ye Chen was surrounded by countless women of different ages and appearances.

"Ye Chen, where have you been, are you no longer doing that?"

"Ye Chen, are you still doing massage sessions, I want to try it again.

"Ye Chen, I miss you, why did you disappear and make us feel sad.

One by one the noble ladies asked Ye Chen, they all asked why Ye Chen left them.

Ye Chen couldn't help but smile at all the women that surrounded him, it seemed that these women had missed him quite a bit.

"Ladies, I'm sorry, but I've stopped doing that, for the time being I want to focus on cultivating, I hope you all understand" Ye Chen told all the women that he wanted to focus on practicing.

"Ah. . ., what a shame." All the women looked disappointed when they listened to Ye Chen's answer, they were all disappointed that Ye Chen could no longer give them a pleasant massage session.

Even so, these women weren't angry with Ye Chen, they really admired Ye Chen, so they could understand what Ye Chen wanted.

Ye Chen casually chatted with the women around him, they all chatted while laughing cheerfully.

"Look, it looks like Ye Chen is there." Xia Qingyu pointed in the direction where Ye Chen was, coincidentally Xia Qingyu, Mu Nianci and Mei Yueli also came to see the match.

Mei Yueli had previously promised to take Xia Qingyu and Mu Nianci along with her, so it wouldn't be strange for the three of them to come together.

Due to their status of being disciples of the Jade Lotus Peak, Xia Qingyu, Mu Nianci and Mei Yueli could not approach and speak to Ye Chen, there were too many eyes looking at them, so it was not a good thing for them.

That's why Xia Qingyu Mu Nianci and Mei Yueli could only see Ye Chen from a distance.

"Looks like he's having fun with the ladies over there." Mei Yueli looked at Ye Chen with a dissatisfied look, she was dissatisfied when she saw Ye Chen being swarmed by the ladies from the outer court.

"Looks like he's become very popular among the female disciples, he's starting to show his character," Mu Nianci said to Xia Qingyu and Mei Yueli.

Xia Qingyu and Mei Yueli nodded at each other, they both agreed with what Mu Nianci said.

Xia Qingyu, Mei Yueli and Mu Nianci can only let Ye Chen, they let Ye Chen because they can't get close to Ye Chen, if Xia Qingyu.

More and more people are coming to this place, even the elders don't want to be left behind and share in witnessing this.

This was a fun event to watch, so it wouldn't be strange that even an elder would take the time to look into this.

The place is getting more and more crowded, it is starting to get crowded and crowded, this crowd is truly incredible, it is likely that millions of people are gathered in this place.

After some time, finally Lord Peak appeared one by one, they descended from each peak and sat on the highest seat that had been prepared for them.

When Lord Peak appeared, the atmosphere became very calm, the dominance possessed by Lord Peak made everyone amazed.

"So they are Lord Peak, quite strong." Ye Chen looked at all the Peak Lords above, they looked strong.

Even though they were strong, Ye Chen could estimate that they were still weaker than Sun Xuanyin, Ye Chen could sense that Sun Xuanyin was much stronger than all of these Peak Lords.

"Eh. . ., why are there only 8, less than one." Ye Chen saw that only 8 Peak Lords came, there should still be 1 more.

"It's possible that person is late." Ye Chen estimated that the last Peak Lord was late.

After the arrival of the eight Peak Lords Gong Senye and Tu Bei also came, when the two of them came, they made the audience look at them, all the audience saw the person who was said to be a genius who would surpass Luo Tian.

All eyes were on Gong Senye and Tu Bei, even Lord Peak was also looking at Tu Bei, they were trying to see if Tu Bei was worthy of being a candidate to become a disciple of the Patriarch.

Needless to say, all of the Peak Lords wanted to put Tu Bei into their place, that way they would benefit in the future.

Gong Senye and Tu Bei were happy when they became stars, he was happy to have found someone like Tu Bei.

"These two idiots" Ye Chen couldn't help but sneer when he saw the arrival of Gong Senye and Tu Bei, these two liars were not worthy of being the main star.

Gong Senye finally saw Ye Chen, when Gong Senye looked at Ye Chen, Gong Senye found that Ye Chen was pointing his middle finger at Ye Chen.

"bastard" Gong Senye's cursed very loudly, he was annoyed when he saw Ye Chen's challenge.

If only there was no one in this place right now, Gong Senye might have attacked and beaten Ye Chen.

Unfortunately the situation is not favorable, he must not look ugly in public, this will affect his future.

Gong Senye can only ignore Ye Chen, he will ignore Ye Chen for the time being, let this person be happy first, then Gong Senye will definitely get rid of this person.

Gong Senye and Tu Bei went to their seats, coincidentally the Sect had already prepared a seat for Gong Senye and Tu Bei.

This treatment was really something unfair, even Ye Chen who got first place had to stand together with the other participants.

Chapter 1360 - Ning Xia And Mu Xueying Arrival

After the arrival of Gong Senye and Tu Bei, several participants also came, they all came and paid their respects to the elders and the great people who were in this place.

Quickly, all the participants gathered 2048 participants gathered, all of them had been waiting for the battle round to start.

Just as the participants gathered, two beautiful women appeared who descended from the Jade Lotus Peak, one of them was Mu Xueying and the other was a beautiful woman with a fine appearance.

All eyes immediately saw the arrival of these two beauties, they all saw the arrival of the two beauties who had just arrived at this place.

These two beauties were too flashy, they both made the young men rowdy, the young men admired the beauty that had just arrived, they were all captivated by the beauty that the two women who had just arrived had.

Ye Chen saw the arrival of Mu Xueying and the beautiful woman in front of Mu Xueying, this female figure was familiar to Ye Chen, this woman should be the woman Ye Chen met while in the pond that time.

Ye Chen still clearly remembers the woman he peeked at by accident, it was an accident when Ye Chen met this woman

"Wait a minute, don't tell me she is the Peak Lord of Jade Lotus Peak" Ye Chen started to guess the identity of the woman in front of Mu Xueying.

"It seems that he is indeed a Peak Lord, her strength is also very high." Chu Yuechan could feel that Ning Xia was stronger than all the Peak Lords in this place.

With Ning Xia's current strength, she should be the strongest among all the Peak Lords in this place.

"Hopefully she doesn't suspect me." Ye Chen prayed that Ning Xia wouldn't find him.

"There's no way you'll be found, after all he didn't see you" Chu Yuechan said with a chuckle.

Chu Yuechan found it funny when she saw Ye Chen who was afraid of being found by Ning Xia, even though Ning Xia had never met or knew Ye Chen from the start.

"Hopefully" Ye Chen could only pray that his whereabouts wouldn't be detected by Ning Xia at all.

Ning Xia descended on her seat, herself sitting beside Lord Peak who had already appeared.

Meanwhile Mu Xueying was standing beside Ning Xia, Mu Xueying's figure was very conspicuous, Mu Xueying was being stared at by countless eyes.

Seeing this, Mu Xueying started to put up a cold wall of hers, herself giving off her cold aura to make those who stared at her feel goosebumps because of the coldness emitted by Mu Xueying.

"she is beautiful but cold" Everyone started talking about Mu Xueying, this woman seemed very cold to others.

Meanwhile Ning Xia looked indifferent to what was happening, it was like Ning Xia didn't care about people staring at her.

"Oh who is this, looks like our goddess is finally willing to go down the mountain" One of the Peak Lords from Flying Sword Peak, if I'm not mistaken the name of this man is Yun Yang, he is the best flying sword master in this Sect, sword control ability Yun Yang's flying was the best.

Yun Yang was currently trying to strike up a conversation with Ning Xia, he wanted to try to approach Ning Xia who was indifferent and cold to outsiders.

Ning Xia could be said to be a beautiful woman within the Sect, so it was not surprising that she had many secret admirers.

"This is because of an order from the Patriarch, otherwise I wouldn't want to do that." Ning Xia answered question Yun Yang Nonchalantly.

Ning Xia herself was not very interested in this matter, if not for this being her responsibility, she would probably have left this matter to Mu Xueying.

It was a pity that this task could not be delegated, so Ning Xia could only come and see for herself.

While Ning Xia was looking for some women to join Jade Lotus Peak, the female disciples in Jade Lotus Peak were getting smaller due to the infrequent recruitment.

"Ahahaha, I see." Yun Yang couldn't help but laugh as he listened to what Ning Xia had to say, Ning Xia was still cold and indifferent, it was hard to approach her.

The other Peak Lords only smiled when they saw Yun Yang's awkwardness, they could only laugh at Yun Yang trying to annoy Ning Xia.

Ning Xia ignored Yun Yang and the other Peak Lords, looking at all the participants below.

Ning Xia nodded as she looked at the participants below, some of whom had very good foundations.

After seeing all the participants, Ning Xia looked at Tu Bei, from what she heard this was the Genius who had gotten the most results in the history of the Sect.

Ning Xia looked at Tu Bei up and down, Ning Xia didn't feel anything special about Tu Bei, Ning Xia felt a little strange, why would a person who was considered a Genius look normal, there was no way Ning Xia's judgment would be wrong.

Ning Xia looked at Mu Xueying who was beside her, Mu Xueying seemed to be very focused on seeing a man below.

Seeing the strangeness shown by Mu Xueying, Ning Xia followed in the direction of Mu Xueying's gaze.

When Ning Xia followed Mu Xueying's gaze, she found a young man with an awkward looking appearance below, this young man entering the circle of participants meant that he was also one of the participants in this competition.

"This man, is he the Ye Chen that Xueying told about?" Ning Xia said that this was the Ye Chen that Mu Xueying had told her about.

Ning Xia looked at Ye Chen from top to bottom, herself looking at Ye Chen from top to bottom.

Ning Xia felt an extraordinary feeling from Ye Chen, for some reason she felt that Ye Chen was able to dominate her Phoenix inheritance, the Phoenix inheritance in Ning Xia's body was slightly turbulent when she met Ye Chen.

"This strange feeling?" Ning Xia started to wonder why she could feel this strange feeling, why a disciple like Ye Chen could give her such a strange feeling.

Ning Xia saw that Ye Chen's cultivation power was not very strong, even Ye Chen was below the other participants in this place.

"Hmmm" Ning Xia became curious about Ye Chen, Ning Xia was curious with a strange feeling when she looked at Ye Chen.

Ye Chen could feel that Mu Xueying and Ning Xia were both looking at him, Ye Chen didn't know why they were both staring at him at the same time like this.

A few moments later Luo Tian came, himself came to attend this competition event.

The moment Luo Tian came, everyone in the Sect looked at Luo Tian, especially all the good ladies in the outer court, the inner court even the core disciples looked towards Luo Tian's arrival.

In fact, almost all of the Peak Lords welcomed the arrival of Luo Tian who was a direct disciple of the Patriarch of the Nine Immortals Peak Sect.

Luo Tian's influence within the Sect was still far above Tu Bei's, so it wasn't strange that he was being treated much better than Tu Bei's.

Tu Bei was envious of Luo Tian's treatment, Tu Bei hoped that one day he could receive the same treatment as Luo Tian, it would be a great thing.

Luo Tian paid his respects to all Peak Lords, after paying his respects, he went to Mu Xueying's side.
