Chapter 1371 - Quarter Final

while many people were also displeased when they saw this, they all felt displeased when they saw Ye Chen come this far.

As the match continues, the remaining 16 participants will now battle it out again for a ticket to the quarter-finals.

It just so happened that Ye Chen had a fairly easy opponent this time, so Ye Chen was able to end the match quickly.

As well as the rest of the elite disciples of the inner court, they had finished their battle and won this match very easily.

Next Match

Luo Kan Vs Si Thou

Yu Nan Vs Zhen Pou

Tu Bei Vs Zhou Mu

Ye Chen Vs Mao Renqi

This is a match filled with great people, it will definitely be something great for everyone in this place to watch.

"All of you have entered the quarter-finals, I congratulate you all" Li Minho congratulated all the participants who reached this stage, this is the stage that everyone has been waiting for the most.

Here they would face an opponent who was far stronger than they had ever fought, this would also determine who would be the most powerful disciple in the inner court.

"All of you have time to rest and recover your strength, I know that you are tired from the endless competition." Li Minho gave all the participants time to rest, after which they would continue the match.

"Thank you" All the participants thanked Li Minho, they all will make very good use of this time to recover themselves.

Some spectators go to do something, they will go to do good.

"Ye Chen, congratulations" Jeng Bimle congratulated Ye Chen, he congratulated Ye Chen for making it this far.

" what is it?" Ye Chen asked Jeng Bimle, why was Jeng Bimle bothering him.

"I want to tell you something important." Jeng Bimle said that he wanted to tell Ye Chen something important.

" what's that?" Ye Chen asked what Jeng Bimle wanted to talk about, he wanted to know what Jeng Bimle wanted to talk about.

"You know that in the quarter-finals there will be a bet to determine the winner of this competition." Jeng Bimle told Ye Chen that there would be a bet that many people participated in.

"Oh, I see, it's not strange that there are so many people who immediately leave this place, apparently that's the reason" Ye Chen now understood why so many people left this place, apparently that was the reason, they all intended to make a bet.

"Don't you want to come?" Jeng Bimle asked Ye Chen if Ye Chen didn't want to take part in this bet.

"Are participants allowed to do that?" Ye Chen asked Jeng Bimle.

"Participants are only allowed to bet on themselves, so it's legal," said Jeng Bimle to Ye Chen.

Jeng Bimle informed that participants can bet on themselves, what they shouldn't be is that they bet on other people.

"Okay, then I'll go" Ye Chen said that if he was going, Ye Chen would use all the contribution points he had to join the bet.

"Very good." Jeng Bimle was so happy when he heard this, he finally had a friend to gamble with.

Ye Chen and Jeng Bimle left, the two of them went to the betting place, Ye Chen put in his million contribution points, Ye Chen did not hesitate when he did this.

Many people started whispering when they saw Ye Chen was in this place, they whispered and started to sneer at Ye Chen.

"Let's go" After depositing the bet, it was time for Ye Chen to leave, Ye Chen didn't like the stares of the people in this place.

"Come on." Jeng Bimle nodded, after collecting the contribution points for the bet, they could relax and wait for the result.

Jeng Bimle can only hope that his choice will win the match and become number 1.

Ye Chen returned to the waiting area of the participants, he waited patiently for the match to start.

"Hey bro, you better give up, otherwise I can't guarantee whether you will survive or not, maybe even your face will be worse than now" Mao Renqi suddenly said to Ye Chen, he threatened Ye Chen to give up early .

Mao Renqi also didn't forget to look down on Ye Chen, this man said that Ye Chen was ugly and might after this match become ugly after being hit or crushed by Mao Renqi.

To be honest Mao Renqi didn't really like Ye Chen, he didn't really like it when he saw Ye Chen who looked much more popular than himself, for Mao Renqi to see Ye Chen who was popular was very annoying.

"Don't talk too much and take care of your own problems." Ye Chen told Mao Renqi to be quiet, he didn't want to listen to Mao Renqi's ramblings.

"Damn it, I was kind enough to warn you, you better be careful" Mao Renqi was kind enough to remind Ye Chen, in the match later Mao Renqi wouldn't be so kind against Ye Chen.

Ye Chen didn't pay much attention to this person's chatter, he focused on himself.

After the recovery time runs out, the first round match between Luo Kan Vs Si Thou begins.

All the spectators who had previously left had returned, they were all looking forward to seeing the match between Luo Kan Vs Si Thou.

To be honest most people in this place bet on Luo Kan and Tu Bei, those two were the two people who had the most chances of winning.

So it wasn't strange that everyone was betting on Luo Kan and Tu Bei.

Since this has already entered the quarter-finals, all Peak Lords are watching this match closely, they will judge whether these eight participants are worthy.

Luo Kan and Si Thou entered the arena, the two of them facing each other.

"Are you guys ready?" Li Minhó asked the two contestants whether they were ready or not.

"Ready" Luo Kan and Si Thou said that they were ready, Li Minhó was free to start this match at any time.

"Then start" Li Minhó told the two to start this match.

Luo Kan and Si Thou started the match, Si Thou took his sword and started attacking Luo Kan.

Luo Kan raised his hand, Luo Kan's hand turned into a wind sword.

Luo Kan used this wind sword to attack Si Thou who was in front of him.

" Clang . . . , Clang . . . , Clang," the friction between Si Thou's sword and Luo Kan's wind sword was unavoidable.

Both of them attack each other to be able to bring each other down.

"Wow, that's great." All the audience looked happy when they saw the battle that was taking place between Luo Kan and Si Thou, they were all excited when they saw the battle fought by Luo Kan Vs Si Thou.

Even the existing Peak Lords had to admit the battle between Luo Kan and Si Thou.

"Let's beat him" The supporter told Luo Kan to immediately defeat Si Thou, that way their contribution could be saved.

Luo Kan attacked even more aggressively, he attacked the enemy more aggressively and ruthlessly.

Si Thou had to be repulsed by Luo Kan's fierce and aggressive attack.

"Thunder Thrust Sword" Si Thou's sword started to emit lightning, Si Thou pushed his sword to pierce Luo Kan's body.

Luo Kan received Si Thou's attack, he used his wind sword to block Si Thou's attack.

Chapter 1372 - Ye Chen Vs Mao Renqi (1)

"Boom" an explosion occurred when the two attacks met, currently Si Thou's sword was shattered by the exchange just now.

Seeing his sword broken, Si Thou immediately retreated and protected himself from Luo Kan's attack.

Unfortunately Luo Kan didn't let Si Thou escape, Luo Kan stepped forward and stabbed Si Thou's body.

Luo Kan's hand pierced Si Thou's body, Si Thou knelt on the ground and started coughing up blood.

"yes" some people started cheering when they saw what was happening, the audience really enjoyed Luo Kan's battle. Luo Kan's battle was extremely rough and vicious, this was what the audience liked.

Si Thou tried to stand back up, too bad he didn't have the strength to stand up again.

"Are you giving up?" Li Minho asked Si Thou, he wanted to know if Si Thou had given up from this match.

"I can still" Si Thou did not want to give up, he tried to hold on any longer.

"pow" saw Si Thou who was still persistent and didn't want to give up, Luo Kan again attacked Si Thou, he used his full strength to make Si Thou feel the consequences for not wanting to give in.

Si Thou became battered when he was bombarded with blows by Luo Kan, he was heavily injured by Si Thou's attack.

After getting a few additional attacks from Luo Kan, Si Thou's consciousness disappeared, he fell down and was unconscious.

"Stop" seeing Si Thou was unconscious, Li Minho immediately ended the match.

"The winner is participant Luo Kan" Li Minho announced that the winner of this match was Luo Kan.

After getting what he wanted, Luo Kan left Si Thou, he immediately left the battle arena.

"Call the medic" Li Minho ordered to call the medic to treat Si Thou's wound.

Si Thou's wound looks very severe, if not treated immediately it will become very dangerous.

The medics came and took Si Thou's body, they took Si Thou's body to the treatment place.

"Pretty aggressive, he's quite good." Several Peak Lords began to consider Luo Kan, Luo Kan's strength was indeed worthy and very good.

"Stop dreaming, he is mine" Shin Pi told another Peak Lord that he wanted Luo right.

"Old man, why are you so greedy, can't you share a bit with us?" Yun Yang said to Shin Pi with great dissatisfaction.

"complain to your heart's content, I won't let a seed like this escape." Shin Pi wouldn't let a good seed like Luo Kan get away with it, he wouldn't let that happen.

Yun Yang could only grit his teeth, completely dissatisfied with Shin Pi's answer .

although dissatisfied with Shin Pi's answer, Yun Yang did not put up a fight, he knew that he was not Shin Pi's opponent .

Shin Pi was a strong person, he was above the strength of Yun Yang and the rest of the Peak Lords.

.
.

The match continued, now it's Yu Nan Vs Zhen Pou's turn, the battle done by Yu Nan Vs Zhen Pou is quite good too, Yu Nan can beat Zhen Pou with a little little trick she has.

Honestly Yu Nan is a smart woman, she has tactics when fighting, this makes Yu Nan's victory easier.

Next is Tu Bei Vs Zhou Mu, Tu Bei used his wind power to crush Zhou Mu, Zhou Mu had to give up her defeat at this place, Zhou Mu didn't want to offend Tu Bei because it would be bad for her long term life.

Tu Bei got an easy victory, almost all the participants in this place were afraid of Tu Bei which made them give victory to Tu Bei very easily.

And the last one is Ye Chen Vs Mao Renqi, this is the battle that some people have been waiting for.

Will Mao Renqi be able to stop Ye Chen's path or not, or is it the genius Tu Bei who will stop his path.

Ye Chen and Mao Renqi walked into the arena, the two standing opposite each other.

"Mao Renqi don't lose." The female disciple from the inner court began to lend her own support to Mao Renqi.

"hahaha, thank you very much" Mao Renqi waved his hand to the women who supported him, he didn't forget to give a sweet blow of love to all his supporters.

"Kyah. . . ." all the women from the inner court screamed when they saw the pose that Mao Renqi had.

Meanwhile Ye Chen's supporters could only cheer up slowly, they were currently being bullied by the power possessed by Mao Renqi's supporters, so they couldn't freely support Ye Chen.

The difference in strength between an inner court disciple and an outer court disciple was indeed vast, so they had no chance of winning against an inner court disciple.

"Xueying, do you think he will still win?" Ning Xia asked Mu Xueying who was beside her, wanting to know if Ye Chen could still go ahead and fight the genius Tu Bei.

"Of course, I believe he can definitely win." Mu Xueying replied in a determined tone.

"What is the approximate percentage of victory?" Ning Xia asked what percentage of Ye Chen's win rate was against Mao Renqi.

"100%" Mu Xueying replied that Ye Chen's win rate was 100%.

"Mu Xueying, you seem very confident that he can win, are you really that sure of him?" Mo Chiyi asked Mu Xueying.

It just so happened that Mo Chiyi was near Mu Xueying and Ning Xia, so she could hear what Mu Xueying and Ning Xia were talking about.

"Of course, I'm pretty sure that if he wins, his opponent doesn't look too great." Mu Xueying said that Ye Chen's opponent wasn't that great, so Ye Chen should have an easy win.

"Fufufu, very interesting, then I want to see what the results of the analysis you said earlier will be." Mo Chiyi laughed, he wanted to see if what Mu Xueying said came true or not.

.

.

"Are you guys ready?" Li Minhao asked, he was about to start this match.

Ye Chen and Mao Renqi both nodded, both of them already very prepared to fight each other.

"Then start" Li Minhao started this match, after Li Minhao started the match, this match had officially started.

"Earlier I was kind enough to warn you, this time I will not warn you again, be prepared" Mao Renqi immediately stepped forward, his body enveloped by a very strong wind.

This seemed to be the Armor and capable of increasing Mao Renqi's speed.

Seeing Mao Renqi who was about to attack him, Ye Chen released his own power, a huge fire aura instantly appeared around Ye Chen.

Mao Renqi didn't seem to care when he saw Ye Chen's flames, he stepped forward and broke through to attack Ye Chen.

" Boom" explosion after explosion occurred, Ye Chen and Mao Renqi attacked each other.

"Let's beat him." This time the battle seemed much more lively, Ye Chen and Mao Renqi unleashed their abilities to knock each other down.

Mao Renqi stretched out his palm forward, Mao Renqi's palm was enveloped by the wind.

"Feel this, Wind Giant Palm." Mao Renqi shot a huge gust of wind towards Ye Chen.

A sizable palm appeared and headed towards where Ye Chen was.

Ye Chen was silent when he saw the arrival of this palm, he did not put up any resistance or defense when Mao Renqi's attack came towards him.

"You die!" Mao Renqi shouted very loudly, he intended to make Ye Chen feel the consequences for daring to challenge him.

Chapter 1373 - Ye Chen Vs Mao Renqi (2)

"Boom" A strong explosion of wind occurred, this explosion covered the arena with very dense dust.

"Yes, it worked, I managed to hit it." Mao Renqi looked very happy when he managed to hit Ye Chen.

"It's over" hearing what Mao Renqi said, everyone thought that this battle was over.

Everyone felt that this battle was going on very quickly, this battle ended very quickly, this was different from what people imagined.

"Oi, oi, why are you happy too soon, the fight is still continuing." When Mao Renqi was celebrating his victory, from behind the dust Ye Chen said to Mao Renqi.

Mao Renqi's expression immediately changed when he saw Ye Chen who was still alive, even though Mao Renqi firmly believed that Ye Chen was hit by his attack and there was no way he could survive.

"How did you survive?" Mao Renqi immediately asked how Ye Chen had survived the attack just now.

"Who knows" Ye Chen didn't bother answering Mao Renqi's question, he didn't want to answer Mao Renqi's question.

"Bastard, watch out for you" Mao Renqi was very dissatisfied with Ye Chen's answer, he was dissatisfied when Ye Chen didn't want to give an answer to his question.

Mao Renqi immediately went towards Ye Chen, he again attacked Ye Chen who was in front of him.

Ye Chen didn't stay still, he immediately attacked Mao Renqi who was in front of him with his fist.

"Pow" Mao Renqi's face was hit by Ye Chen, Mao Renqi had to bounce and hit the ground with great pain.

"sh*t, This hurts" Mao Renqi cursed very loudly, Ye Chen's punch was painful for him.

"Be prepared, I will make your face unrecognizable again." Ye Chen would definitely make Mao Renqi's face difficult to recognize, Ye Chen would make this man feel the consequences for daring to challenge him.

Ye Chen reversed the words Mao Renqi had previously said to him, this time Ye Chen would definitely make Mao Renqi's face crumble.

"Bastard, I will kill you" Mao Renqi was already furious with what had happened, he was furious and started attacking Ye Chen at full speed.

Mao Renqi took out his weapon in the form of a sword that looked sharp and dangerous.

Mao Renqi aimed for Ye Chen's face, he intended to slash Ye Chen's face with the sword in his hand.

Ye Chen stretched out his hand, holding Mao Renqi's sword.

Ye Chen easily blocked the sword that was trying to Mao Renqi stab at him.

Seeing the sword in his hand being held back by Ye Chen, Mao Renqi tried to stab even harder, his goal was to make this sword hit Ye Chen.

Ye Chen began to tightly grip the sword in his hand, when Ye Chen did that, the sword in his hand started to crack.

"Cracks . . ." The sword started to crack and shattered into pieces by Ye Chen's hand.

"What ! ! !" Mao Renqi really couldn't believe that Ye Chen could destroy his sword with his bare hands, this was an unbelievable thing.

Mao Renqi's Sword was a Tier 6 Artifact, so it was already an Artifact that was strong enough for an inner court disciple class.

But in Ye Chen's hand, his sword was just like a piece of rotten wood that was crushed just by squeezing it.

Ye Chen took this opportunity to hit Mao Renqi, Ye Chen again landed a few punches on Mao Renqi's face.

Mao Renqi's face was already completely battered, he now looked extremely ugly, his entire face was almost beyond recognition.

Even Mao Renqi's supporters felt very sorry for what happened to Mao Renqi.

"How evil!" Mao Renqi's supporters shouted at Ye Chen, they felt Ye Chen was too mean to a handsome man like Mao Renqi.

Ye Chen didn't care about the ravings of these women, Ye Chen didn't really care about all of them supporting Mao Renqi.

Ye Chen only wanted to reply to what had previously Mao Renqi said, Ye Chen would make Mao Renqi's face crumble like what had previously Mao Renqi said.

"Come on Ye Chen, beat him!" Mei Yueli started to get excited, she told Ye Chen to quickly defeat Mao Renqi.

Mao Renqi seemed to have been hit mentally, so this was a good time to beat Mao Renqi.

Mao Renqi hurriedly retreated, he could no longer relax too much when facing Ye Chen.

"Alright, you are the one who forced you to use this, prepare to die." Mao Renqi intended to use his strongest attack, he would defeat Ye Chen with this attack.

Mao Renqi started to give off a strong pressure, he used all the strength in his body to use this thing.

When Mao Renqi did this, the whole place immediately turned windy, the whole place was enveloped by a very strong gale.

Even the sky was starting to turn so dark that it felt like night.

"I will make you regret it!" Mao Renqi shouted in a very loud voice, he was already like a madman.

Several hurricanes appeared, a total of five hurricanes appeared in the arena, these typhoons had extremely strong suction power, some outer court disciples were drawn in by the typhoon created by Mao Renqi.

Seeing this, Lord Peak immediately put up a stronger barrier around the arena, the initial barrier was too small to withstand a long and large typhoon.

"Ye Chen, prepare to die, Five typhoons." Mao Renqi, directing the five typhoons towards Ye Chen, the five typhoons rushed towards Ye Chen.

This hurricane displaces all items or objects in front of it, everything turns into small pieces when it enters the hurricane, even humans will be directly crushed and chopped by this wind.

"Watch out!" Xia Qingyu subconsciously shouted, she worried that Ye Chen would be run over by the typhoon.

Ye Chen's body was run over by the hurricane, his body was now inside the hurricane's vortex.

the five hurricanes began to coalesce into one, this made the hurricane even bigger and stronger, its power far more destructive than before.

"Pretty good" Shin Pi nodded when he saw the strength that Mao Renqi had, Mao Renqi's strength was quite worthy to be reckoned with.

"Looks like he's in trouble." Mo Chiyi felt that if Ye Chen was in a big enough trouble, he must have run into some trouble from being in a typhoon.

Mo Chiyi saw Mu Xueying's reaction, Mu Xueying's reaction was normal when she saw what happened to Ye Chen.

"Looks like he doesn't care about this person" Mo Chiyi could see that Mu Xueying didn't care about Ye Chen, Mu Xueying didn't seem to have anything to do with Ye Chen.

"I guess it's the end for him" Luo Tian could already confirm that this was the end for Ye Chen, with that much power, it must be really hard to endure.

"We'll see." Mu Xueying told Luo Tian to see what would happen.

Luo Tian was confused by Mu Xueying, why did Mu Xueying always help Ye Chen when Luo Tian insulted him, this was a big question mark for Luo Tian.

The hurricane lasted only a few moments, it took an enormous amount of Profound Energy to sustain the hurricane.

"damn. It was exhausting." Mao Renqi felt exhausted when he used the attack just now, the attack just now drained his profound energy.

"Tap. . ., Tap . . ., Tap . . .," as Mao Renqi was celebrating his victory, he listened to the footsteps in front of him.

"Impossible..." Mao Renqi couldn't believe it when he heard these footsteps.

Chapter 1374 - Give Punishment To Mao Renqi

Mao Renqi immediately looked forward, when Mao Renqi looked up, he found Ye Chen walking out from behind the dust.

Ye Chen walked in with a very fresh and good appearance, there was not the slightest sign of injury on his clothes or body.

This was of course quite a shock to Mao Renqi, Mao Renqi did not believe that Ye Chen could survive such an attack unharmed.

All the spectators were also confused by this, they all didn't know how Ye Chen could survive such a deadly attack, they all even started to wonder about the methods used by Ye Chen to survive the strong typhoon.

"Hahaha, that's interesting, how can he survive such an attack without getting hurt, that's a very interesting thing." Yun Yang was really interested in Ye Chen's method, he was curious about Ye Chen's method of surviving the attack.

"It seems he used a special method, otherwise how could he survive" Ru Maan agreed with what Yun Yang said, Ye Chen must have used a Special method to get past the attack just now.

"Whatever it is, it's quite extraordinary." Zhu Tenmu felt that what Ye Chen had done was truly amazing, what Ye Chen had done was something that no one could do.

"Hmm, he can endure, looks like this little fellow has some ability." Ning Xia started to see that Ye Chen did have an ability, it wasn't strange that Mu Xueying was able to fall for this person.

Ning Xia felt that Ye Chen was still hiding something from her, Ning Xia was a little curious about what Ye Chen was hiding.

Ning Xia had never felt such curiosity until now, she was really curious about Ye Chen.

Ye Chen stepped forward and approached Mao Renqi, he lifted Mao Renqi's collar and started to slap very hard.

"Pah. . ." A very crisp slap sounded in the ears of everyone in this place, they could all feel what the pain of Ye Chen's slap was like.

"You said that you wanted to kill me, is that true?" Ye Chen asked Mao Renqi who was in his hands.

"Yes, I want to kill you" Mao Renqi said that he wanted to kill Ye Chen, he felt annoyed and disgusted with Ye Chen.

"Pah. ." Ye Chen slapped Mao Renqi again, the slap this time was much harder than before.

"How dare you bastard. . ., Pa . . ." Before Mao Renqi could finish her words, she was slapped by Ye Chen again, she again received a very hard slap from Ye Chen.

Mao Renqi's cheeks now hurt so much, Ye Chen's slap was strong enough to knock out a tooth and also a few bones in Mao Renqi's face, this made Mao Renqi's appearance change.

"You, Papa. . ., Damn. . . ." every time Mao Renqi spoke, Ye Chen slapped Mao Renqi's face, he slapped Mao Renqi's face until it swelled up and exceeded the pig's ass, fresh blood oozed out from Ye Chen's slap wound.

People started to feel sorry for Mao Renqi, some of Mao Renqi's fans weren't even strong when they saw what happened.

Mao Renqi's condition was very deplorable, in Ye Chen's hands he looked very pathetic, Mao Renqi was in the worst state of his life.

Mao Renqi himself could not believe that one day he would be in this condition, this condition was very embarrassing for someone like Mao Renqi.

"Who told you to speak, I didn't tell you to speak, so shut up" Ye Chen told Mao Renqi for him unless he asked.

If only Mao Renqi had not challenged Ye Chen from the start, perhaps he would not be in his current state.

Mao Renqi nodded, in Ye Chen's hands, he couldn't do anything.

Mao Renqi had exhausted all his Profound Energy from using the technique just now, now Mao Renqi was nothing more than a pig ready to be slaughtered.

"I ask again if you still dare to destroy my face" Ye Chen asked Mao Renqi who was in front of him.

"no . . ., I don't dare." Mao Renqi said that he didn't dare to do that, he already didn't dare to do that to Ye Chen.

If now Mao Renqi dared to displease Ye Chen then the consequences would be extremely dangerous.

"I don't see how serious you are." Ye Chen could tell that Mao Renqi wasn't serious, so Ye Chen slapped Mao Renqi again.

Mao Renqi's consciousness had almost disappeared due to Ye Chen's continuous attacks, to be honest this made Mao Renqi feel that she was in hell.

"I give up" Mao Renqi was unable to endure this humiliation, he finally gave up instead of continuing to feel Ye Chen's torment.

"participant Ye Chen, that's enough, your opponent has given up" Li Minho told Ye Chen to let go of Mao Renqi, Mao Renqi had given up and couldn't continue anymore

"you're lucky" Ye Chen threw Mao Renqi's body, Mao Renqi was thrown a few meters by Ye Chen.

Mao Renqi could no longer stand up, so the medics came and took Mao Renqi's body away from this place.

Li Minho looked at Ye Chen, he saw that Ye Chen was terrible when he was angry, it didn't seem good to offend Ye Chen if he didn't want to be like Mao Renqi.

"The winner is contestant Ye Chen." Li Minho announced Ye Chen's victory.

Because Ye Chen victory, the semi-finals will be held, this semifinal will bring together Luo Kan Vs Yu Nan, and the second match is Tu Bei Vs Ye Chen.

This time Ye Chen would meet the genius Tu Bei, whether Ye Chen would be able to win or end up tragically at Tu Bei's hands.

"Finally this is my chance, I will definitely regret it" This was the moment Tu Bei had been waiting for, Tu Bei couldn't wait to battle Ye Chen to break Ye Chen's legs and arms.

Tu Bei would definitely make the person who had humiliated Gong Senye suffer the consequences.

" Good. . ., good . . ., that's a good spirit." Gong Senye looked happy when he saw Tu Bei's spirit, it seemed that Ye Chen would suffer at Tu Bei's hands.

The first match was Luo Kan Vs Yu Nan, when this match took place Jeng Bimle immediately went and supported Yu Nan.

"Let's go, don't lose" Jeng Bimle supported Yu Nan, he gave his support so that Yu Nan did not lose this match.

Yu Nan only glanced at Jeng Bimle for a moment, after that, Yu Nan focused on Luo Kan who was in front of him.

"I won't be kind even if you're a girl, so if you can't afford it, just give up now." Luo Kan gave a warning to Yu Nan.

Luo Kan would not be so kind even if the opponent was a woman, he would definitely injure Yu Nan with his own hands if it was necessary.

"I don't need pity from you" Yu Nan said that she didn't need pity from Luo Kan.

"Then I won't hold back" Luo Kan won't hold back, he will fight with all his might.

" are you ready ?" Li Minho asked Yu Nan and Luo Kan.

Yu Nan and Luo Kan nodded, they were ready to battle against each other.

"Then start" Li Minho started the match between Yu Nan Vs Luo Kan.

Chapter 1375 - Luo Kan Vs Yu Nan

The battle started, Yu Nan became the first to attack Luo Kan.

Luo Kan defended, himself resisting Yu Nan's attack.

Clashes are unavoidable, both of them fight each other to get a victory.

Yu Nan launched several attacks towards Luo Kan, while Luo Kan held back and occasionally countered attacks from Yu Nan.

"Let's go, beat & fight" Luo Kan and Yu Nan's supporters cheered each other, they supported their heroes.

"Feel this" Yu Nan continued to launch endless attacks towards Luo Kan, Yu Nan wanted to urge Luo Kan.

Even though Yu Nan's original intention was to push Luo Kan down, Luo Kan still seemed quite relaxed when facing Yu Nan's attack.

Luo Kan didn't seem depressed when he faced Yu Nan's attack.

"Is this the best thing you can do?" Luo Kan said to Yu Nan.

Luo Kan said that Yu Nan's abilities were mediocre, Yu Nan's abilities were not attractive to Luo Kan at all.

"I'm just getting started." Yu Nan said that she had only just started this, so this could still be said to be a warm-up.

Yu Nan didn't want to appear weak in front of Luo Kan, so she decided to bully Luo Kan a little with her abilities.

"Bam" Luo Kan shot wind towards Yu Nan, Yu Nan was forced to retreat when she faced this attack.

"Oh" Yu Nan cursed very loudly, Luo Kan's attack was very powerful, just one attack made an impact on Yu Nan's body.

Luo Kan didn't stop there, Luo Kan took out his wind sword.

Luo Kan's hand was covered by the wind blade, he rushed towards Yu Nan and started to counterattack against Yu Nan.

"Clang . . ." the two of them collided with each other, in this case Luo Kan seemed more domineering with the fighting ability he had.

"bad. . ." Yu Nan was getting more and more pressured by Luo Kan's attack, she began to struggle against Luo Kan's attack.

"Die Bitch" Luo Kan told Yu Nan to die, he swung his attacks at Yu Nan faster and more aggressively.

The pressed Yu Nan immediately retreated, she retreated and protected herself from Luo Kan's attack.

"I won't be able to win if I fight at close range" Yu Nan knew that he wouldn't be able to win if she fought at close range, so Yu Nan decided to fight from a distance.

"Shadow Circle Slash" knowing that he couldn't win if she fought at close range, Yu Nan decided to fight from a distance.

Several wind shadows appeared, these wind shadows directly charged towards Luo Kan.

This wind shadow was just a trick, Yu Nan was actually hiding in one of these shadows and waiting for an opportunity to attack Luo Kan.

Luo Kan closed his eyes, he tried to feel the movement of Yu Nan, he knew that Yu Nan was using eye illusion, so Luo Kan could only use his hearing to find the real Yu Nan's location.

Using his excellent hearing, Luo Kan began to be able to tell where Yu Nan's attack was coming from.

The direction of Yu Nan's attack would be from behind, so Luo Kan had to prepare himself to withstand this attack.

"slash" Luo Kan slashed towards Yu Nan, himself slashes towards Yu Nan who was in the distance.

Yu Nan didn't expect that she would be found by Luo Kan, even though Yu Nan had kept her distance a little further, but she was still found by Luo Kan.

Yu Nan had no other choice against the attack coming from Luo Kan.

"slash" Yu Nan also slashed towards Luo Kan, the two wind slashes approaching each other and about to collide.

"boom" A wind blast occurs when the two attacks collide with each other, these two attacks create a fairly large wind blast.

Yu Nan had to retreat when he felt this powerful blast of wind.

"he attack power is also strong, if I were to hit it, it would be very dangerous." Yu Nan started to feel the danger by Luo Kan's power, Luo Kan's power was above her.

After discovering the whereabouts of Yu Nan, Luo Kan immediately went and attacked Yu Nan.

"she has found me" Yu Nan was getting desperate, Luo Kan started to find her whereabouts.

Yu Nan tried to retreat and avoid the arrival of Luo Kan.

"Let's not lose." Jeng Bimle continued to provide his support for Yu Nan, he wished the best for Yu Nan.

It's a shame that Jeng Bimle's support didn't do much for Yu Nan, Yu Nan was still being pushed back by Luo Kan's attack.

Even Yu Nan's position was getting worse and worse, she was pushed back by Luo Kan's aggressive attacks.

"Oh. . ." Yu Nan shouted, being hit by Luo Kan's wind sword, her left arm was heavily injured by this attack.

Fresh blood began to drip from the wound suffered by Yu Nan, Yu Nan immediately tried to cover the wound so it wouldn't get worse.

After Yu Nan did something, finally the blood could stop dripping from the wound.

"Let's end this, Hand Cannon Bullet." Luo Kan intended to end this battle, he wanted to end this battle with one hit.

Yu Nan knew what Luo Kan was going to do, this attack was very dangerous, if Yu Nan were to be hit by this, it would be very dangerous for her.

"Swirl Slash" Yu Nan tried to use a long range slash round to counter this attack.

Yu Nan hoped that he would be able to defeat this attack using this method.

A wind bullet was shot by Luo Tian towards Yu Nan, the wind bullet shot towards Yu Nan at an incomparably fast speed.

Up ahead were several rounds of slashes of wind that were launched by Yu Nan, rounds of slashes of wind tried to block the path of Luo Kan's attack.

Unfortunately the wind bullet shot and pierced through everything, it couldn't be stopped by anything.

"Ah" Yu Nan was hit by Luo Kan's attack, a very strong wind sand blast hit Yu Nan's body.

"what happened" people wanted to know the outcome of this battle, they wanted to know whether or not Yu Nan was able to survive Luo Kan's Hand Cannon Bullet attack.

The attack this time looked different from before, the damage from the Hand Cannon Bullet was much stronger, it seemed that Luo Kan had already increased his strength when launching this attack.

Among all the people present in this place, Jeng Bimle was the one who was most worried about Yu Nan's safety, he was worried about Yu Nan's safety.

"Looks like it's over" All Peak Lords had already guessed that when it was over, the attack just now must have been extremely fatal to Yu Nan.

The dense dust began to subside, as the dense dust began to subside, people began to be able to see what had happened to Yu Nan.

Yu Nan was currently lying on the floor unconscious, her body covered in countless cuts, even her clothes were torn apart by Luo Kan's attack.

Li Minho came and saw Yu Nan's condition, when he saw Yu Nan's condition, Li Minho could tell that Yu Nan's condition was really bad.

"Medics, quickly take care of her" Li Minho ordered the medics to immediately treat Yu Nan's wounds, if left unchecked then Yu Nan could experience worse things such as disability.

Chapter 1376 - The Battle You've Been Waiting For

The medics immediately came to take Yu Nan away from this place, Yu Nan had to get treatment as soon as possible.

"How dare he do that" Jeng Bimle looked angry when he saw what happened to Yu Nan, Jeng Bimle was furious when he saw what happened to Yu Nan.

"Calm down" Ye Chen immediately came over to Jeng Bimle, Ye Chen told Jeng Bimle to calm down a bit and not be too rash in doing things.

"Ye Chen let me go, let me settle things with him" Jeng Bimle told Ye Chen to let go of himself, Jeng Bimle intended to settle this matter with Luo Kan.

Ye Chen didn't know where Jeng Bimle's courage came from, Jeng Bimle dared to fight someone much more powerful when he found out that the person he loved was injured.

Ye Chen had to praise this, not many people dared to do something like this, only certain people dared to do something like what Jeng Bimle did.

"This is not a suitable place to do that. If you do that in this place, you will get in trouble." Ye Chen tried to persuade Jeng Bimle to calm down even more.

The current conditions did not allow Jeng Bimle to fight Luo Kan, Jeng Bimle would actually get into trouble if he did something like that.

"I don't care" Jeng Bimle didn't care, he didn't care about the consequences he had to face.

Seeing Jeng Bimle who was still stubborn, Ye Chen tried to find a way to deal with this.

"Instead of you going against Luo Kan, why don't you just go and see how Yu Nan is, maybe he needs something important" Ye Chen reminded Jeng Bimle about Yu Nan's situation.

When Ye Chen reminded him of this, Jeng Bimle finally calmed down, trying to calm himself down.

Jeng Bimle remembered that Yu Nan might be in a dangerous condition, so Jeng Bimle might have to try to see how things were, maybe Yu Nan might need some help.

Without waiting for Ye Chen, Jeng Bimle immediately went to where the medicine was.

"Hey" Ye Chen tried to stop Jeng Bimle, but unfortunately he had already left too soon.

Even though Ye Chen wanted to give something that might be of use to Jeng Bimle, but it seemed that Jeng Bimle didn't need that.

"Master, it seems that you don't need to do that, I think he is a person who comes from a good background, he has some things on his body that have great value" Chu Yuechan said to Ye Chen.

Chu Yuechan could tell that Jeng Bimle was a rich person, it seemed that he came from an influential family.

"Then I don't need to help him anymore" Hearing what Chu Yuechan said, Ye Chen probably didn't need to help Jeng Bimle in this matter.

"master, you should just focus on the battle, you're going to fight Genius Tu Bei, fufufu" Chu Yuechan giggled as she said this, Chu Yuechan couldn't wait to see how a genius like Tu Bei fought Ye Chen.

"He's just an ordinary person, so it shouldn't be difficult." Ye Chen felt that fighting Tu Bei wasn't a difficult thing to do, it was an extremely easy thing to do.

"fufufu, still I want to see this genius Tu Bei, is he really a genius or can only use the influence you have created" Chu Yuechan said to Ye Chen.

"We'll see" Ye Chen told Chu Yuechan to take a look, he would soon be fighting Tu Bei.

"Call for contestants Ye Chen and Tu Bei, please enter the arena" was finally the call for a fight between Ye Chen and Tu Bei.

"Well it's time for me to go fight" Seeing this Ye Chen decided to go into the arena.

It just so happened that Tu Bei also came and entered the arena, Ye Chen and Tu Bei were now facing each other.

"I've been waiting for this moment for a long time." Tu Bei said that he had been waiting for this moment for a very long time, he had been waiting for the moment when he fought Ye Chen.

"Honestly, I don't really like meeting you so soon, but since it's about time I have no other choice," Ye Chen said helplessly.

"Today is the worst day of your life, I will make you feel death and shame that you will never imagine in your life" said Tu Bei to Ye Chen.

"You look very lustful, is this an order from that damn master you worship" Ye Chen said with a slightly disdainful tone.

"How dare you insult him like that, just watch out." Tu Bei didn't like seeing Ye Chen insult Gong Senye, he would definitely make Ye Chen regret the words he just said.

"You masters and disciples are the same, you are both shameless and cunning" Ye Chen said to Tu Bei.

"Bastard just look at you" Tu Bei started to be provoked by Ye Chen's words, he started to be provoked by Ye Chen's provoking words.

"Come on, beat that loser, you are a genius, beat him with just one hit" The audience who hated Ye Chen started shouting towards Tu Bei, they wanted Tu Bei to beat Ye Chen with one hit.

"You don't have to worry, I'll do just that." Tu Bei definitely wouldn't disappoint everyone, he would definitely beat Ye Chen with one move.

Tu Bei firmly believed that he could defeat Ye Chen with a single attack, Tu Bei would immediately use the strongest attack he had against Ye Chen.

"Stop, don't noisy anymore, settle your sparring in battle" Li Minho told Ye Chen and Tu Bei to stop, they could solve the problems they had in battle.

"This referee is right, let's settle this in a Duel, the loser and winner will be decided in this duel" Tu Bei said to Ye Chen.

"Okay, who's afraid, I've never been afraid of you" Ye Chen said that he was never afraid of fighting Tu Bei.

"Do you think Ye Chen will lose in just one move?" Ru Maan asked Yun Yang.

"I don't know, Ye Chen has fast speed and good dodging skills, but his opponent is quite heavy, I'm afraid if Tu Bei really means it, then it might happen."

"Last time he scored very high in the entrance examination, I think he still hasn't shown his true ability", Yun Yang was not sure about this, from beginning to end Yun Yang and other Peak Lords still didn't see Tu Bei's incredible strength.

So everyone guessed that Tu Bei might still be hiding his true strength.

"I don't agree with your opinion, I thought it might end quickly and be won by Tu Bei." Shin Pi was very sure that Tu Bei would win this match very quickly.

"That's not certain, the match hasn't started yet, the conclusion can't be drawn yet." Zhu Tenmu spoke, he said that the match had not yet started, so the winner of this match had not yet been determined.

"That need not be said, I believe the winner will be Tu Bei, he is a rare genius." Mo Chiyi was more supportive of Tu Bei, she firmly believed that Tu Bei could easily win over Ye Chen.

All Peak Lords had their own opinion, they had their own choice of judging someone.

"Who do you think will win" from beside Ning Xia saw the debates that all Lords Peak, this was quite rare among Peak Lords, it seemed that this battle would be the one that everyone was waiting for the most.

Chapter 1377 - One Step To End The Battle

"Tian in your opinion, who will win next?" Shin Pi asked Luo Tian, ??he wanted to know what opinion Luo Tian had on this matter.

"I think the winner will be Tu Bei, he looks very confident when facing Ye Chen" Luo Tian said that the winner was Tu Bei.

Luo Tian had to admit that Tu Bei did have an ability, so it wouldn't be strange for him to choose Tu Bei over Ye Chen.

Plus Luo Tian didn't like Ye Chen, so he said something like this.

"Hehehe, look, even Luo Tian said that the winner is Tu Bei." Shin Pi looked happy when he heard this, it seemed that his and Luo Tian's thoughts were the same thing.

"Want to bet with me on this matter" In a nonchalant tone, Mu Xueying invited Luo Tian to make a bet with her.

Luo Tian and All Peak Lords were shocked when they heard this, they all looked shocked when they listened to what Mu Xueying had just said.

"Xueying, what are you saying?" Luo Tian couldn't help but smile as he listened to what Mu Xueying just said.

"I said I want to bet with you on this match." Mu Xueying said that she wanted to bet on the upcoming match.

She wanted to bet on the match between Ye Chen and Luo Kan.

"What kind of bet do you want?" Luo Tian asked about the bet Mu Xueying wanted.

"I will hold Ye Chen, and you hold Tu Bei, if I Ye Chen win then you never bother me again" said Mu Xueying to Luo Tian.

Mu Xueying told what kind of bet she wanted, this could also be a good thing for Mu Xueying, with this Mu Xueying might be able to get rid of Luo Tian.

"If I win then what do I get?" Luo Tian asked what he would get if he won this match.

"It's up to you, what do you want?" Mu Xueying asked what Luo Tian wanted.

"hehehe, then I want you" Luo Tian said that he wanted Mu Xueying, he didn't mind betting if he could get Mu Xueying.

This was a very rare thing in Luo Tian's life, so Luo Tian wanted to use this to get Mu Xueying.

Luo Tian was very confident that Tu Bei would win over Ye Chen, so it was not surprising that Luo Tian was very confident in this matter.

"Okay, I agree" Mu Xueying agreed with what Luo Tian said, Mu Xueying was also very confident in Ye Chen's ability.

Ye Chen never let herself down, so Mu Xueying entrusted this matter to Ye Chen.

Mu Xueying took this opportunity to get rid of Luo Tian, ??it was a very rare opportunity to get rid of this man.

If Ye Chen could win against Tu Bei, then Luo Tian would disappear from Mu Xueying's life. this was Mu, Xueying's greatest hope of getting rid of Luo Tian.

"Very good, let all Peak Lords be witnesses" Luo Tian was happy about this, finally the bet between Mu Xueying and Luo Tian was agreed, all Peak Lords in this place would be witnesses.

"Xueying, what do you want to do?" Ning Xia asked what Mu Xueying wanted, why would she want to make a bet with Luo Tian.

"Master, I just want to get rid of him" Mu Xueying said that she only wanted to get rid of Luo Tian, ??her goal was to get rid of Luo Tian from this life.

To be honest Mu Xueying was quite fed up with Luo Tian, ??that's why Mu Xueying wanted to get Luo Tian out of her life.

"Do you really believe he can win, his opponent is a genius like Tu Bei, this will be very difficult" Ning Xia said that Ye Chen might have a hard time fighting Tu Bei.

"Master, don't worry, I have great confidence in him, he can definitely do something that most people can't." Mu Xueying was very confident in Ye Chen, she was sure that Ye Chen could win over Tu Bei.

"Yes, if you say that, then I won't stop you" Seeing Mu Xueying say that, Ning Xia will not stop her anymore.

"Thank you very much" Mu Xueying thanked Ning Xia, she was very grateful to Ning Xia who was very understanding of her.

Back in the arena, Ye Chen and Tu Bei were about to start their match, most of the people in this place supported Tu Bei.

It was because they had bet on Tu Bei, so they all wanted Tu Bei to be able to win over Ye Chen.

"Are you guys ready?" Li Minho asked Ye Chen and Tu Bei, he wanted to know if both of them were ready to start this match.

"We are ready" Ye Chen and Tu Bei were ready, they were both ready to fight.

"Then start" Li Minho told Ye Chen and Tu Bei to have a match, this match has officially started.

"Ye Chen, die." Tu Bei was the first to come forward, he immediately rushed forward and attacked Ye Chen who was in front of him.

"Boom" when Tu Bei wanted to attack Ye Chen, suddenly a very large and destructive explosion occurred, the entire arena and audience seats shook when this explosion occurred.

After the explosion occurred the entire arena was covered by a very thick dust, this made everyone unable to see what was happening.

"cough . . .,cough . . .,cough . . .," some of the onlookers started coughing as they were covered in the dense dust.

"what really happened" people started asking what happened, they couldn't see what was happening in the battle.

The explosion just now was so fast, everyone had no idea what had just happened in the battle.

A few moments later the dust began to thin, everyone began to be able to see what was happening inside the arena.

Within the arena they saw a figure, this figure more and more visible as time went on.

"Huh this?" everyone looked shocked when they saw what was happening inside the arena, their eyes bulged and their jaws opened when they saw what was currently happening inside the arena.

Right now in the arena Ye Chen was holding Tu Bei's head, Ye Chen had just smashed Tu Bei's head into the ground as hard as he could, this made Tu Bei's head bleed and crack because of what Ye Chen did.

Even Tu Bei's consciousness had already disappeared when Ye Chen banged his head so hard.

The explosion that occurred turned out to be a collision between Tu Bei's head and the floor, it made a very big vibration.

The entire stadium fell silent when they saw what was happening, they were all speechless when they saw this scene.

It seemed their brains still couldn't respond to what had just happened.

Ye Chen lifted Tu Bei's head and body, Ye Chen threw Tu Bei away from him.

Tu Bei was like a piece of trash that Ye Chen threw away, Tu Bei's body seemed to be lifeless.

"thumbs. ., thumps . ., thumps . . ." The sound of Tu Bei's body being thrown by Ye Chen was very clear, this was because everyone in the stadium was silent.

"This is too easy" Ye Chen felt that it was too easy to do, just one move was enough to make the genius in everyone's mind collapse.

Even Tu Bei's injuries were very heavy, it could be seen from the amount of blood that came out.

Chapter 1378 - Sneak Attack From Gong Senye

The person who was the most surprised by this result was Gong Senye, he was really very shocked when he saw what happened to

"why don't you immediately announce the winner, what are you waiting for?" Ye Chen said to Li Minh who was currently dumbfounded by what had just happened, it was obvious that Li Minh was also quite surprised by what had just happened.

"Ehmm" After listening to Ye Chen's words, Li Minh finally regained his senses.

He immediately went to see Tu Bei's condition, whether Tu Bei could still continue or not.

Li Minh drew closer to Tu Bei, when he did this, Li Minh saw that Tu Bei's injuries were quite severe, there was serious bleeding in his brain, it seemed that Ye Chen's hit was very hard.

"The winner is Ye Chen." After confirming that Tu Bei was unable to continue the fight, Li Minh immediately announced the outcome of the match.

"Eh. .! ! ! !!" Everyone screamed as they listened to the results of this match, this match lasted only a few seconds, the genius Tu Bei who was highly respected and respected by the people was defeated with just one move.

Who would believe this, it was really hard to believe something like this, this was something that most people in this place would find hard to believe.

Even though Tu Bei was the strongest candidate who would definitely win in this competition, even everyone believed that Tu Bei could defeat Ye Chen with just one strike.

however, reality was truly extremely cruel, he actually lost by just one step to Ye Chen, this was the exact opposite of what everyone in this place thought.

"Wow, that was such an amazing surprise, I couldn't believe it turned out like that." Yun Yang was quite surprised when he saw what happened, it seemed that Ye Chen had hidden his strength to this degree from the start.

Honestly, Ye Chen's strength was enough to astonish everyone, he was able to defeat Tu Bei in just one move, this was beyond the expectations of everyone in this place.

"Too strong, only one strike to end a genius, he hides his strength very well" Zhu Tenmu praised Ye Chen, he thought Ye Chen was pretty good at hiding his strength.

"What the hell" Ru Maan and Mo Chiyi couldn't believe what they saw, they couldn't believe that the match would end like that.

Ye Chen finished off the enemy with just one step, this was quite difficult in reason.

Meanwhile Shin Pi and Luo Tian were making unsightly expressions, both of them looked like they had just embarrassed themselves when they praised Tu Bei.

The person they had just praised was defeated by Ye Chen in just one move, this was naturally extremely embarrassing for Shin Pi and Luo Tian.

Especially Luo Tian, ??Luo Tian looked very devastated by what had just happened, even though he had already made a bet with Mu Xueying, he didn't expect that he would actually lose this bet.

Luo Tian's defeat was pitiful, Luo Tian's master had to lose even before starting the battle.

"Bastard" Luo Tian looked displeased with Tu Bei, he wanted to beat and kill Tu Bei, how could Tu Bei lose, this made him fail to get Mu Xueying.

Ning Xia looked at Ye Chen, she continued to observe Ye Chen from a distance, Ning Xia felt that Ye Chen was still hiding his true strength, Ning Xia even started to ask how strong Ye Chen really was.

Ning Xia saw Mu Xueying's reaction, she saw Mu Xueying who really believed in Ye Chen's abilities.

Behind her veil, Ning Xia was currently making a smile, the corners of her lips slightly lifted, this kind of scene was rare, not many people saw Ning Xia's smile.

"What the hell, how could he do something like that" Song Ziyu was shocked by what Ye Chen had just done, how could Ye Chen win with just one strike.

"I told you he won't lose, why do you still not believe what I say" Mei Yueli said with great pride, she was proud when she saw the man she had could do such amazing things.

Xia Qingyu and Mu Nianci also felt proud when they saw what happened, there was a certain pride when they saw Ye Chen's victory.

"Impossible how this happened" Gong Senye immediately went towards Tu Bei's body, Gong Senye still couldn't believe that Tu Bei lost in just one move.

Even though Gong Senye's hopes were very high, unfortunately that hope had to be shattered at this stage.

Plus this was witnessed by so many people, this was the most humiliating thing in Tu Bei's life.

Gong Senye saw Tu Bei's condition, when Gong Senye found out Tu Bei's condition, he found that Tu Bei's condition was not fine, Tu Bei was injured quite badly by Ye Chen's attack.

"Brat, how dare you injure him like this" Gong Senye said to Ye Chen.

"I didn't do it on purpose, maybe he's just too weak because he can't withstand a single attack of mine" Ye Chen said to Gong Senye.

This was a battle, how could Ye Chen fight with such gentleness against the enemy.

"Don't you know who his identity is?" Gong Senye said to Ye Chen.

Gong Senye started to mention the identity of Tu Bei who was a rare genius.

"Do you think I care about it, I don't care about such matters, in battle there is no such thing as identity, if you have the ability then prove it, don't just hide behind an identity that won't even save you from battle" Ye Chen said to Gong Senye.

To be honest, Ye Chen didn't care about Tu Bei's identity from the start, he didn't care about Tu Bei's identity at all.

"You" Gong Senye pointed at Ye Chen, he didn't expect to get this kind of answer from Ye Chen.

Ye Chen's words were very short, clear and concise, they already represented all the questions Gong Senye had asked him.

After answering Gong Senye's question, Ye Chen turned around and intended to leave this place.

"Bastard" just as Ye Chen was about to leave this place, Gong Senye suddenly attacked him from behind.

It was quite surprising when someone like Gong Senye intended to attack Ye Chen from behind.

"It's bad" seeing Gong Senye intending to attack Ye Chen, Mu Xueying immediately went to stop Gong Senye, unfortunately Mu Xueying's distance was too far, it might not have time to stop Gong Senye's attack.

Li Minho who was nearby was also unprepared, he probably didn't have the time because Gong Senye was already so close.

"die . . ." Gong Senye attacked Ye Chen from behind, he used his full strength to attack Ye Chen.

"Bam. . . ." Ye Chen was attacked by Gong Senye, himself was attacked by Gong Senye with full strength.

Ye Chen wasn't prepared for this either, he received a sneak attack from Gong Senye.

Ye Chen's attack sent himself thrust forward and hit the barrier wall of the battle arena.

everyone looked very shocked when they saw what happened, they didn't expect that Gong Senye would attack Ye Chen.

Chapter 1379 - Let's Solve Our Problem

"How can you do that" Some people who supported Ye Chen started to curse what Gong Senye did, they all didn't like what Gong Senye did to Ye Chen.

"What you have done is a violation" Li Minho said to Gong Senye who was nearby, what Gong Senye did was a serious offense.

"I don't care, he irritates me" Gong Senye didn't care what Li Minho said, he didn't care about Ye Chen's life or death at all.

"How can you do such a shameless thing" Mu Xueying got down, herself said to Gong Senye who had done something bad to Ye Chen.

"You again, you again, too bad you are late this time" Gong Senye was disgusted when he saw Mu Xueying in this place, this woman wanted to try to protect Ye Chen from her.

Unfortunately Mu Xueying was late, she was one step ahead in killing Ye Chen.

Several men looked at Mu Xueying, they seemed to have a hard time turning their eyes to Mu Xueying, Mu Xueying's charm was indeed very difficult to resist.

"You have done something very bad, are you not ashamed of it?" Mu Xueying said to Gong Senye.

Mu Xueying's tone grew colder, it seemed that Mu Xueying really didn't like what Gong Senye was doing.

"I am an elder, that outer court disciple has dared to challenge me, so let him suffer the consequences" Gong Senye said to Mu Xueying.

Gong Senye had a pretty good reason to defend himself, this left Mu Xueying speechless.

"This fellow is so shameless" in her heart Mu Xueying already thought of Gong Senye as shameless.

Mu Xueying really wanted to make Gong Senye disappear, this kind of person was not needed in the Sect.

The debate between Mu Xueying and Gong Senye naturally attracted the attention of countless people, even Lord Peak wanted to see what would happen next.

Whether Mu Xueying would fight Gong Senye or not, they wanted to know Mu Xueying's strength after a long absence.

"Why are you looking at me like that, do you want to fight against me?" Gong Senye asked Mu Xueying.

Seeing Mu Xueying's unpleasant gaze, Gong Senye decided to challenge Mu Xueying, she would settle this matter with Mu Xueying.

"Do you dare to fight against me?" Mu Xueying asked Gong Senye.

Mu Xueying did not back down when she was challenged by Gong Senye, Mu Xueying stepped forward and faced Gong Senye's challenge.

"Xueying, you don't have to waste your energy, just leave this matter to me." Luo Tian came and stopped Mu Xueying, he told Mu Xueying to leave this matter to him.

"You don't need to interfere, this is my problem, you should leave because you have already lost the bet to me." Mu Xueying told Luo Tian to leave herself, Luo Tian had to admit the bet for his loss.

Luo Tian's face darkened when he was pushed away by Mu Xueying, it seemed that Luo Tian still couldn't accept his defeat.

"damn" The in his heart Luo Tian cursed towards Tu Bei, if it wasn't for Tu Bei maybe Luo Tian wouldn't be in this situation.

"Lord Ning, are you not going to stop it?" Mo Chiyi asked Ning Xia.

"I don't think it's necessary, he can do what he wants" Ning Xia said that she would not stop Mu Xueying from doing what she wanted, there was no obligation for Ning Xia to stop what Mu Xueying wanted.

This was a private matter from Mu Xueying, so Ning Xia wouldn't interfere too much if it wasn't really necessary.

"Then the battle will probably be unavoidable." Hearing what Ning Xia said, Mo Chiyi was sure that the battle would be unavoidable.

Ning Xia and Gong Senye faced each other, it seemed that this battle would be unavoidable.

"Oh damn, that was so sudden." When Mu Xueying and Gong Senye were about to fight, Ye Chen suddenly came out from behind the barrier.

Ye Chen patted his clothes which were currently quite dusty from what had just happened.

Because of the impending battle between Mu Xueying and Gong Senye, everyone almost forgot the existence of Ye Chen who was just attacked by Gong Senye, they didn't remember whether Ye Chen was okay or not.

Now they could see that Ye Chen's condition was really very good, Ye Chen seemed to be in very good shape.

"he survived that sneak attack" almost all of the audience couldn't believe what they saw, Ye Chen managed to survive Gong Senye's attack.

"How is that possible, what kind of person is he actually?" Mo Chiyi was completely speechless when she saw Ye Chen come out in good health.

Whereas the attack just now would have been enough to make a person at the intermediate stage of the Divine Tribulation Realm die on the spot.

"His physical strength is truly beyond imagination, it seems that he trains his physical strength very hard" As a former war veteran, Zhu Tenmu could see that Ye Chen's physical strength was very strong, otherwise how could he resist Gong's sneak attack Senye.

"Oh, so he has strong physical strength, that seems to be the reason why he was able to survive Gong Senye's attack" Yun Yang quite agreed with what Zhu Tenmu said, most likely the reason Ye Chen was able to survive was because he had physical strength which is above the average person.

"Xueying, what kind of person are you bringing, why is he so strong?" Ning Xia was even more shocked when she saw Ye Chen who was able to withstand Gong Senye's attack.

To be honest, Ye Chen's strength had really impressed Ning Xia, Ye Chen had already impressed Ning Xia several times.

"How did this happen?" Gong Senye couldn't believe it when he saw Ye Chen who was able to withstand the attack just now.

"What's wrong? Are you surprised that I didn't die?" Ye Chen said to Gong Senye who was in front of him.

From the expression on Gong Senye, Ye Chen could immediately tell that Gong Senye was very disappointed when he saw Ye Chen who was still alive until now.

Gong Senye must have been very disappointed when he saw Ye Chen who was still alive after being hit by his attack.

"Bastard, why don't you just die" Gong Senye shouted at Ye Chen, he wanted Ye Chen to die.

"Oh, so you want me to die, sorry but it will be very difficult to happen, you better prepare yourself, I will make you regret it" Ye Chen will not die, he will definitely make Gong Senye regret for daring to look for a problem with him.

"Ye Chen, you" Mu Xueying said to Ye Chen who was intending to fight Xueying.

"You just leave this to me, it's my business with him" Ye Chen said to Mu Xueying to leave this matter to him.

This is Ye Chen and Gong Senye's problem, so Ye Chen will solve this problem with Gong Senye, Ye Chen can't let this matter continue, he must solve this problem.

Ye Chen can no longer let this matter continue, he must immediately resolve this matter, this matter had to be resolved as soon as possible so that Ye Chen's life would be calmer.

Chapter 1380 - Battle Against Gong Senye

"You want to fight with me without his help, are you joking with me?" Gong Senye smiled as he listened to Ye Chen wanting to fight with him, this was the most ridiculous joke Gong Senye had ever heard.

"What's wrong, are you afraid to fight against me? If you are afraid, just tell me" Ye Chen said to Gong Senye who was in front of him.

"Huh, scared, do you think this old man is afraid of a snotty brat like you?" Gong Senye said that he wasn't afraid to face Ye Chen, how could someone like Gong Senye be afraid of someone like Ye Chen.

"Then let's fight and finish this, I can't wait to finish this thing" Ye Chen invited Gong Senye to fight, he couldn't wait to finish this match.

Ye Chen's words were enough to make everyone present feel shocked, they were all shocked because Ye Chen was so bold in opposing Gong Senye who was an Elder of the outer court.

This was quite unreasonable for the people in this place to think, to be honest Ye Chen against Gong Senye was an impossible thing to happen.

"An outer court disciple dares to challenge an elder, this is a rare thing, this can be said to be suicide" Shin Pi said while insinuating what Ye Chen had done.

"That's true, even though he is strong, but there is still a limit to challenging an elder who is old and has rich experience" Ru Maan completely agreed with what Shin Pi said, he agreed that what Ye Chen did was the same as suicide.

"But he has courage, that's a good point for him." Zhu Tenmu praised Ye Chen's courage, even though Ye Chen had a very small chance of winning, he still dared to challenge Gong Senye, it was a very good point according to Zhu Tenmu. .

"I totally agree with Lord Peak Zhu, he has courage, so that's very good" Yun Yang completely agrees with what Zhu Tenmu said, Ye Chen still has courage, that is a good point for Ye Chen.

"Still, the result of this battle is in sight, the winner is clear if the battle takes place." Mo Chiyi could already guess who would win in this match.

The result must have been obvious considering the comparison in strength between Ye Chen and Gong Senye was quite far.

"Not necessarily, we'll see, I think from beginning to end he still hasn't shown all his strength" Ning Xia finally spoke up, after being silent for a long time, Ning Xia finally spoke and gave her opinion on Ye Chen.

"Lord Peak Ning actually said that, it's quite rare." Several Peak Lords looked surprised when they heard Ning Xia's opinion.

Ning Xia who rarely spoke finally spoke up, this was a very rare momentum to see.

"Then let's see if what you say is true." Mo Chiyi told Mu Xueying to see the battle, let the battle decide which opinion was the most correct and correct.

.

.

Back to Ye Chen.

"Ye Chen, what are you saying" Mu Xueying said to Ye Chen, Mu Xueying didn't want Ye Chen to do that, doing that was a dangerous thing to do.

"Don't worry, I'll sort this out on my own." Ye Chen told Mu Xueying that he would sort this out on his own.

"But he's not your opponent." Mu Xueying reminded Ye Chen that Gong Senye wasn't an opponent to take lightly.

"He's just a useless old man, so this will be over soon" Ye Chen said that it would be over quickly.

"What did you say?" Gong Senye was angry when he heard what Ye Chen said, Ye Chen called Gong Senye a useless old man, how could Gong Senye not be angry when he listened to what Ye Chen said.

Gong Senye started to emit a huge amount of Profound Energy, a very strong wind started to appear around this place.

"That time you were lucky because I wasn't serious, this time I will be serious in fighting you" Gong Senye said that he will be very serious in fighting Ye Chen, this time Gong Senye will not hold back anymore.

"Yuechan, what is this person's cultivation level?" Ye Chen asked what cultivation level Gong Senye had.

"Looks like this person is at the eighth level of the Divine Monarch Realm." Chu Yuechan told Ye Chen that Gong Senye was at the eighth stage of the Divine Monarch Realm.
