

A True God 1391

### **Chapter 1391 - [Bonus ]Sparing Against Ning Xia**

"He's not surprised at all by my strength, that means he already knows this." Seeing that Ye Chen wasn't surprised by Ning Xia's strength, Ning Xia could confirm that Ye Chen would definitely know about this.

"As expected of Lord Peak Ning, you also have dual elements like me" Ye Chen clapped when he saw Ning Xia had dual elements.

"Has Xueying told you about this matter?" Ning Xia asked Ye Chen.

"Of course, before coming to this place, Mu Xueying already told me that you are special, I didn't expect to sit next to you" Ye Chen said to Ning Xia.

Ning Xia nodded, she saw that Ye Chen already knew her very well.

"Ye Chen, I want to see what ability you have, why don't you show it to me" Ning Xia told Ye Chen to show his ability to himself.

"Sure, let's go to the training ground" Ye Chen took Ning Xia to the training ground, he would show to Ning Xia.

Ye Chen knew that Ning Xia was very kind, so Ning Xia shouldn't have done anything bad to Ye Chen.

"There is also a training ground here" Ning Xia asked Ye Chen.

"Of course there is, I built it at the bottom" Ye Chen told that he had indeed made a practice room at the bottom.

"Then let's go." Hearing this, Ning Xia immediately took Ye Chen to the training ground, she wanted to see for herself the training room that Ye Chen had built.

Ye Chen stood up and guided Ning Xia down, he took Ning Xia to the bottom of the building, there was a very large practice room.

Ye Chen and Ning Xia quickly arrived at the training ground section, both of whom entered the practice room.

"Not bad." Ning Xia saw a large and quite spacious room, she was quite amazed that Ye Chen could make something like this under the Jade Lotus Peak.

This job must be really hard to do, Ning Xia is curious about this matter, she doesn't know how Ye Chen made something like this in one night, it's quite difficult to explain.

How can in just 1 night make a place with complete and amazing facilities.

"Let me show my ability" Ye Chen said that he would show his ability.

Ye Chen started to show some of the fire and Ice abilities that he had, he showed the abilities that he had.

"That's pretty good, but I know you are still hiding something from me, I will be your opponent and see everything you have" Ning Xia said that she would be Ye Chen's opponent.

"Lord Peak Ning, how can I win against you, you are so much stronger" Ye Chen complained, how could he possibly win against Ning Xia who was much stronger than him.

"I will restrain myself" Ning Xia said that she would restrain herself.

Ye Chen was still a little hesitant, even though Ning Xia was holding back, Ye Chen would still have a hard time fighting Ning Xia.

"Master, this is a good opportunity, let's get him a little interested in you, I think he's quite interested in you." Chu Yuechan told Ye Chen to accept Ning Xia's offer, this was a pretty good time for Ye Chen, Ye Chen had to show his abilities in order to Ning Xia was getting more and more attracted to Ye Chen.

For Chu Yuechan, the fastest way to get a woman like Ning Xia was to get her interested in what Ye Chen had.

"I don't think it will be easy, this woman may be a bit like Xueying, although she is still quite gentle with me" Ye Chen felt that Ning Xia was almost like Mu Xueying, this woman was even calmer than Mu Xueying, Ye Chen had a hard time guessing what was going on this woman thought.

"Be yourself" Chu Yuechan told Ye Chen to be his usual self.

"Okay, I understand" Ye Chen will try to fight against Ning Xia, he also wants to know the strength of Ning Xia.

"If I win, I want an extra prize" Ye Chen wanted a prize if he won.

"Additional reward, fine I agree with the matter, but as for the promise I previously said, it will become invalid if you lose" Ning Xia didn't think long about this matter, she was sure Ye Chen wouldn't be able to win against her.

"Agreed" Ye Chen very quickly agreed with what Ning Xia had said.

He would get an extra gift from Ning Xia, Ye Chen was thinking about what he would ask Ning Xia, Ye Chen would think this through as best he could.

Ning Xia and Ye Chen headed towards the center of the practice room, the two of them facing each other.

"Are you ready?" Ning Xia asked Ye Chen if he was ready or not.

"I'm ready" Ye Chen said that he was ready, he was ready to fight Ning Xia.

Ye Chen immediately charged forward, himself immediately charged forward and attacked Ning Xia at full speed.

Ning Xia didn't react at all, she didn't have any anticipation when she saw Ye Chen's moves.

"Breaking Meteor Blow" Ye Chen's made an attack towards Ning Xia.

Ning Xia used one finger of hers, she used one finger to block Ye Chen's attack.

"Boom" Ye Chen's powerful attack was blocked with just one finger by Ning Xia.

Seeing his attack being blocked by Ning Xia, Ye Chen immediately retreated as fast as he could.

"too strong" Ye Chen felt that Ning Xia was too strong, Ye Chen attacks had no effect on Ning Xia at all.

"Continue" Ning Xia told Ye Chen to continue this practice.

Ye Chen continued his battle with Ning Xia, himself using his Ice and Fire against Ning Xia.

Just as Ye Chen started to use his Ice and Fire abilities, Ning Xia started to get a little serious, Ning Xia snapped her fingers a few fire lotus flowers and Ice appeared around Ning Xia.

Ye Chen didn't back down, he continued to attack Ning Xia.

"Boom. . ., Boom. . ., Boom. . ., Boom. . ., Boom. . ." Explosions and collisions occurred, Ye Chen and Ning Xia's attacks met and created a rather powerful explosion.

Luckily this room was strong enough and had been designed to withstand a very strong attack, so the attack just now wasn't strong enough to destroy this place.

Ye Chen retreated, the impact of the explosion caused Ye Chen to retreat several tens of meters.

"Is he holding back or not?" Ye Chen was confused whether Ning Xia was holding back or not, Ning Xia's attack power was very strong.

"Master, it seems that you should be more serious in fighting him." Chu Yuechan told Ye Chen to be more serious in fighting Ning Xia.

"It seems I have no other choice, I have to win" Ye Chen had no other choice, Ye Chen had to be serious in order to win from Ning Xia.

"Have you given up?" Ning Xia asked Ye Chen, she wanted to know if Ye Chen had given up.

"Lord Peak Ning, the battle has just begun, you better prepare yourself." Ye Chen told Ning Xia that the battle had only just begun.

"So you still don't mean it, then show me everything you have." Ning Xia told Ye Chen to show her everything he had.

"according to your request" according to Ning Xia's request, Ye Chen will start to show his strength.

Ye Chen started to put all his strength into fighting Ning Xia, Ye Chen would try to beat Ning Xia using all his strength.

### **Chapter 1392 - Pushing Ning Xia To The Floor**

Ye Chen tried his best to fight Ning Xia, he used as many ways as he could to beat Ning Xia.

Too bad what Ye Chen did had no effect on Ning Xia, what Ye Chen did didn't affect Ning Xia at all.

"Are you done?" Ning Xia asked Ye Chen, Ning Xia wanted to know if Ye Chen had given up or not.

"I can't beat her, if I continue like this I will lose, I have to be more plan" Ye Chen knew that he would not be able to beat Ning Xia. In this way, Ye Chen had to be more serious in order to beat Ning Xia.

Ye Chen was forced to use his Heavenly Flame against Ning Xia.

Silver colored flames started to come out and enveloped Ye Chen's body, Ye Chen's body was completely covered by the Heavenly Silver Flame.

"This" Ning Xia was startled when she saw what was happening, when Ning Xia took a closer look, Ning Xia discovered that what was in front of her was not Ice, it was a Silver colored flame.

"This flame, don't tell me it's a Heavenly Flame." From the glow alone, Ning Xia could tell that it was a Heavenly Flame.

Heavenly Flame was the only one able to match or even exceed Ning Xia's inheritance from the Phoenix.

"I can't believe that he has a Heavenly Flame on his body" Ning Xia still couldn't believe that Ye Chen had a Heavenly Flame on his body, what Ye Chen had was something that was extremely precious.

Ning Xia was grateful that she had pulled Ye Chen to her side, what Ye Chen had was something truly amazing, Ning Xia had never met such a great talent that had something like Ye Chen.

"Lord Peak Ning, get ready" Ye Chen told Ning Xia to get ready, Ye Chen would soon be fighting using his Heavenly Silver Flame.

Seeing the approaching Heavenly Silver Flame, Ning Xia immediately left and dodged it, retreating as fast as she could.

Ye Chen didn't let that happen, he chased after Ning Xia using Heavenly Silver Flame.

Ning Xia made an Ice defense, she made an Ice defense to fend off Ye Chen's attack.

Unfortunately the Heavenly Silver Flame was starting to eat away at the Ice Shield made by Ning Xia.

"It's strong enough." Ning Xia saw that the Heavenly Silver Flame was strong enough, it could make Ning Xia's Ice Shield become like this.

Ning Xia started to use her Ice thread, she used her Ice thread to catch Ye Chen.

Ye Chen's eyes were extremely sharp, he could immediately tell that several Ice threads were approaching towards him.

Ye Chen immediately reached out and stopped the Ice thread that was heading towards him.

"Eh" Ning Xia was slightly confused by what Ye Chen was doing, her Ice thread suddenly stopped in place when it was about to catch Ye Chen.

Ning Xia had tried to move or control the Ice thread forward, too bad what Ning Xia did didn't work at all, her thread didn't want to come forward.

In the last seconds Ye Chen had managed to stop Ning Xia's attack, it saved Ye Chen.

If Ye Chen had not stopped Ning Xia's attack earlier, then Ye Chen would have been caught by Ning Xia.

Seeing that her attack couldn't hit Ye Chen, Ning Xia tried to withdraw her attack, the Ice thread instantly disappeared into thin air.

"Ye Chen, where did you get a Heavenly Flame from?" Ning Xia asked where did the Heavenly Flame in Ye Chen's body come from.

"I got it from an acquaintance" Ye Chen said that he got the Heavenly Flame from an acquaintance.

"Oh, is that person strong?" Ning Xia was very curious as to who the person who gave the thing to Ye Chen was.

"she is indeed strong, even she comes from a very powerful place that normal people cannot imagine" Ye Chen said to Ning Xia.

Ye Chen didn't want to go into great detail with Ning Xia, he didn't want Ning Xia to know about his relationship with Dongfang Xiu, that would put Ning Xia in a bad situation, so let Ye Chen keep this to himself.

"So it's like that, alright I won't ask any further" Seeing Ye Chen not wanting to tell any further, Ning Xia wouldn't force him.

"Let's go ahead and finish this" Ning Xia said to continue the battle, it was time to end it all.

"So you want to end it all, well let's end it all, I will win this match" Ye Chen looked very confident in winning this match.

"Too confident" Ning Xia said in her heart that Ye Chen was overconfident, but Ning Xia would definitely win this battle.

Ye Chen opened his Sage God Vein, Ye Chen intended to use the Vein to end the battle.

Without using the Sage God's Veins, it would be extremely difficult for Ye Chen to defeat Ning Xia.

Ye Chen opened the Veins of fire and wind at the same time, he would gain a lot of strength and speed increases at the same time.

Ning Xia was not aware of the changes that had occurred to Ye Chen, she was completely unaware that Ye Chen had changed and become a little stronger than before.

Ning Xia snapped her fingers, hundreds of beautiful ice lotus flower petals appeared beside Ning Xia, Ning Xia didn't think much and attacked Ye Chen using all the lotus flowers available.

Ye Chen didn't show any signs of evading at all, he was waiting for an opportunity that could make him turn things around.

Ye Chen used Heavenly Silver Flame to fend off Ning Xia's attack.

"Boom" Several large explosions occurred, this huge explosion covered the entire place with a very thick vapor, this vapor was the result of the Ice Lotus colliding with the Heavenly Silver Flame.

Ning Xia was trying to find the whereabouts of Ye Chen, she was trying to find the whereabouts of the invisible Ye Chen.

Ye Chen suddenly appeared in front of Ning Xia, Ye Chen's appearance was quite shocking to Ning Xia.

Ning Xia couldn't react at all to Ye Chen's sudden arrival, as a result Ning Xia was pushed by Ye Chen to the floor.

Now that Ye Chen was holding Ning Xia under his body, Ning Xia was completely unable to move when being held down by Ye Chen.

Ye Chen and Ning Xia were extremely close, they were only inches apart.

Plus Ye Chen could see Ning Xia's beautiful face from the side and feel the softness of Ning Xia's skin and body.

Honestly, Ye Chen and Ning Xia's position was quite ambiguous, the position of the two was quite ambiguous because Ye Chen pounced on Ning Xia like a prey to be eaten.

Ning Xia blushed slightly, she couldn't believe that Ye Chen would pounce on her like this.

Plus Ye Chen was holding several parts of his body, this felt very embarrassing for Ning Xia.

The atmosphere became silent for a long time, neither Ye Chen and Ning Xia were willing to start a conversation.

"Ye Chen, let me go quickly" Ning Xia told Ye Chen to let go of herself.

The current Ning Xia was still very calm, she showed no shame when faced with an ambiguous and embarrassing situation like this.

Although Ning Xia was a little embarrassed in her heart, Ning Xia was able to hide it very well.

"I won't leave until Lord Peak Ning admits defeat..." Ye Chen said that he wouldn't leave before Ning Xia admitted her defeat.

### **Chapter 1393 - Celebration Party With Beautiful Women**

Ye Chen put a force on Ning Xia, if other people knew what Ye Chen had done, they would definitely be shocked.

Ning Xia was a strong figure, not many people dared to challenge Ning Xia, not even the Patriarch would dare to do something like this to Ning Xia.

Perhaps only Ye Chen would dare to do something like this to Ning Xia, he was the one who dared threaten Ning Xia to her current state.

Ning Xia was helpless, it seemed the only way for her to escape Ye Chen was to give up.

"Okay, I give up" Ning Xia said if she gave in, Ning Xia would rather give in than to be in this condition.

Ye Chen scratched his head, this was much easier than he imagined, but Ye Chen thought that Ning Xia would put up a fight against him.

But it turned out that Ning Xia didn't put up a fight against Ye Chen at all.

"Since Ning Xia didn't put up a fight, Ye Chen had to let Ning Xia go, he let go of Ning Xia in front of him very easily.

Ning Xia immediately got up from the floor, she immediately tidied up all the clothes that were crumpled because of Ye Chen.

"Ye Chen let's go upstairs" Ning Xia didn't say much, she took Ye Chen upstairs to do something.

Ye Chen followed Ning Xia, Ye Chen had absolutely no idea what Ning Xia was thinking, Ning Xia was quite difficult to understand, Ye Chen couldn't understand Ning Xia in front of him.

Ning Xia led Ye Chen upstairs, when they reached the top, there were already many female disciples from Jade Lotus Peak gathered in front of the entrance.

Even Mei Yueli, Mu Nianci, Xia Qingyu and Song Ziyu were also in this place, it seemed that all the women had been gathered in this place by Mu Xueying.

Ning Xia stepped forward, she stepped forward and wanted to tell everyone in front of her.

"Greetings Lord Peak" everyone gave a greeting to Ning Xia, they all gave a greeting to Ning Xia.

Ning Xia nodded, she accepted the mistakes made by the female disciples gathered by Mu Xueying.

"Do you know why I Called you all here?" Ning Xia asked all the women in front of her.

"Yes, we already know" all the women already knew why Ning Xia had gathered them all.

"It's good if you guys know, I won't mince words anymore, from now on you will stay and train in this place, you should get along more with Ye Chen, do you understand" Ning Xia gave an announcement to all the female disciples present at the venue.

All the female disciples were silent, they didn't seem to dare to object to this matter.

If they were to refuse Ning Xia's orders, then they would definitely be punished.

"Okay, we understand" Everyone nodded, they all understood and would do as Ning Xia ordered.

"Very good, then you can choose a room in this place, you can also use all the facilities in this place" Ning Xia said to all the women in front of her.

All the women nodded, they seemed pleased with the announcement that Ning Xia had just said.

"Alright, that's all I want to say, you may go." Ning Xia had finished conveying what she needed, now everyone may leave this place.

All the women immediately went inside, they immediately went and chose the room they would occupy, they chose a suitable room and room for them to live in.

Ye Chen just smiled when he saw what was happening, it seemed that his plan had worked, now that all the women within the Jade Lotus Peak had moved here, Ye Chen could now obtain a large supply of Yin Qi.

Everything was planned by Ye Chen very carefully, Ye Chen had planned this all very carefully and very neatly.

Ye Chen purposely set up an Array that improved the circulation of Profound Energy for the better, this was meant for this place to be glimpsed by the woman from the Jade Lotus Peak.

At first Ye Chen thought that this plan would proceed slowly, but thanks to Ning Xia's help, now this place was full.

For Ye Chen who is a person in need of Yin Qi, pure women like them are very precious, the Yin Qi air that these women have is very helpful for Ye Chen.

If Ye Chen could do Dual Cultivation with them, then that would be even better, it could increase Ye Chen's strength quickly and more efficiently for Ye Chen.

"Ye Chen, it won't be a problem for you if they all stay in this place" Ning Xia said to Ye Chen.

"Of course it doesn't matter, I'm happy with this." Ye Chen said that he was happy with what Ning Xia did.

"Alright, this is your Jade Lotus Peak disciple mark." Ning Xia gave the Jade Lotus Peak core disciple mark to Ye Chen, from now on Ye Chen has officially become a Jade Lotus Peak disciple.

"Thank you very much" Ye Chen thanked, himself received a Jade with his name written on it.

core disciple mark is indeed much better, it is carved and shaped very well.

"For the time being I can't give you a uniform, so you can wait. for a while" Ning Xia couldn't give Ye Chen a uniform, she didn't have a men's uniform.

So Ye Chen had to be patient and wait until his uniform was ready, and for that Ye Chen could only wear his own.

Ye Chen nodded, himself don't mind this.

"Then I will hand over those who live here, don't do anything bad to them" Ning Xia reminded Ye Chen not to do anything bad to the women who are in this place.

"I will try my best" Ye Chen said that he would try his best to do so.

"Xueying, I leave everything to you, keep an eye on him, I will do it. n something important" Ning Xia said that she was going to do something important, she left the complete control of this place to Mu Xueying.

"Okay, I will do my best." Mu Xueying nodded lightly, she would do her best in Ning Xia's absence.

After that Ning Xia left Jade Lotus Peak, no one knew where Ning Xia had gone.

"Sister Xueying, where did she go?" Ye Chen asked where did Ning Xia go, why did Ning Xia like to go so much.

"I don't know, recently Master has been too busy, she often leaves the Sect." Mu Xueying herself didn't know why Ning Xia left the Sect so often, she still didn't really know why Ning Xia left the Sect.

"Oh, so it's like that, it seems that she has a problem." Ye Chen felt that Ning Xia must have a problem, otherwise how would she often go and leave the Sect.

"Come in" Mu Xueying invited Ye Chen in, she would start watching Ye Chen, Mu Xueying was afraid that something would happen when she left Ye Chen alone.

Now all the women lived in this place, so Mu Xueying had to make sure that Ye Chen didn't peek at the women who were in this place.

Mu Xueying didn't know that Ye Chen had God Eyes, if Ye Chen wanted he could peek at all the women in this place.

Ye Chen entered, he followed Mu Xueying inside. It just so happened that Mu Xueying lived next to Ye Chen, she would keep an eye on Ye Chen so as not to cause trouble.

On the other side of Ye Chen's room were Mei Yueli, Xia Qingyu and Mu Nianci, only these three women were willing to live next door to Ye Chen.

Because now that all the women lived in this place, the atmosphere of the building became quite lively, Ye Chen met women several times along the way.

Even though some people's attitude was still cold, Ye Chen still smiled at Ye Chen.

"Ye Chen, how about we have a party." Mei Yueli came along with Xia Qingyu and Mu Nianci, Mei Yueli proposed to throw a party for Ye Chen.

Now that Ye Chen had completely become a disciple of the Jade Lotus Peak, So Mei Yueli took Ye Chen to celebrate this.

Mei Yueli still couldn't believe that Ye Chen could enter the Jade Lotus Peak, it was quite hard to believe this.

"Come on, let's have a party upstairs, it has a nice view, let me cook for you..." Ye Chen agreed with Mei Yueli's request, there's no harm in celebrating this.

### **Chapter 1394 - Mei Yueli Came To The Door At Night (1)**

"That's a good idea, let's go." Xia Qingyu didn't mind celebrating this together with Ye Chen, to be honest Xia Qingyu needed to relax a bit.

As someone who came from a modern city, cultivating was certainly a tough thing to do, especially since the pressure Mu Xueying put on Xia Qingyu was quite harsh.

"Then let's go." Xia Qingyu took Ye Chen, Xia Qingyu and Mu Nianci to the rooftop.

"You guys go away" Mu Xueying told Ye Chen, Mei Yueli, Xia Qingyu and Mu Nianci to leave, she was going back to her room.

"Where are you going, come with us" Ye Chen didn't let Mu Xueying off just like that, he dragged Mu Xueying along with them.

Mu Xueying didn't seem to put up a fight when she was pulled by Ye Chen, she was enjoying Ye Chen's touch instead.

Ye Chen, Mu Xueying, Mei Yueli, Xia Qingyu and Mu Nianci had already reached the rooftop, they started setting the table for the feast.

Ye Chen started to take out some fresh meat from the fairy gate storage room, himself started to cook everything.

Here Mu Xueying and Mu Nianci stuttered a bit, both of them rarely did something like a celebration party welcoming someone, so they both seemed to stutter in this kind of thing.

Seeing that Mu Xueying and Mu Nianci were slightly stuttering when starting the preparations, Mei Yueli came and helped them, she directed what to do in the celebration party.

With Mei Yueli's direction, everything was quickly resolved, now it's time to cook.

The cooking part was left to Ye Chen, he was the only one with the best abilities in this place.

Meanwhile Mu Xueying, Mu Nianci, Mei Yueli and Xia Qingyu waited while peeling some fruit they could eat for dessert.

Ye Chen burned quite a bit of meat, himself using the selected ingredients at his disposal to make perfect meat for the four beauties who were waiting for him.

Ye Chen couldn't disappoint Mu Xueying, Mu Nianci, Mei Yueli and Xia Qingyu, he had to show the best he could to make these four beauties happy.

That way their love for Ye Chen would probably be even greater.

While Ye Chen was grilling meat, the women downstairs started to smell a fragrant aroma, they could smell something that tasted very delicious.

Since this thing tasted so delicious to everyone, everyone decided to go towards the source of the delicious scent they were feeling.

As a result, all the women were led to the roof, when they went up to the roof, they saw the presence of Ye Chen, Mu Xueying, Mu Nianci, Xia Qingyu and Mei Yueli who were on the roof.

"What are you guys doing in this place?" Several women immediately asked what Ye Chen, Mu Xueying, Mu Nianci, Xia Qingyu and Mei Yueli were doing in a place like this.

"We are welcoming Ye Chen." Mei Yueli said that they were welcoming Ye Chen.

"Eh, even Senior Sister Mu is here too" Everyone was shocked when they saw Mu Xueying was in this place, they didn't expect that Mu Xueying would be in this place to party together with Ye Chen, Mu Nianci, Xia Qingyu and Mei Yueli .

"I'm here to watch over them so they don't cause a mess" Mu Xueying told herself that she was here so that Ye Chen and the others wouldn't cause a mess.

Mu Xueying was great, she could very quickly come up with an excuse to convince everyone what had happened.

"Oh, I see." All the women nodded, they all believed what Mu Xueying said.

"That's it, that's where the delicious aroma comes from." One of the women pointed at Ye Chen who was burning meat.

All the women looked at Ye Chen, they all saw that Ye Chen was grilling some meat, from afar they could see that it looked very tasty.

"Want to join" Mei Yueli invited everyone to join the party, the more the better.

"Of course", all women don't mind this, they have no problem joining things like this.

The female disciples within the Jade Lotus Peak rarely ate good food, they only relied on a dry ration for their food.

Everyone is too busy practicing, they don't have time to make a meal.

Plus most of the women in this place are from good places, so not many of them can afford to cook.

All the women sat down, they were all waiting for the food prepared by Ye Chen to finish.

There were quite a number of students attending the welcoming party, this was more than half of the number of women in the building.

These women started chatting, they talked about the topic of their cultivation, they discussed the increase in strength they had managed to achieve.

From beside Ye Chen listening carefully to what these women were talking about, he saw that the woman in red was much more active than the woman in white.

Jade Lotus Peak was divided into 2 sides, one was a fire user with a high-spirited temper and the other was an Ice user with a cold temper and difficult to approach.

After seeing this, Ye Chen understood more and more what he had to do, Ye Chen prepared his own plan to deal with all the women in this place.

Ye Chen quickly served the meat to everyone, some women didn't eat the meat right away, they kept it to eat later.

Right now they were all wearing veils, it would be very difficult to eat a meal while wearing a veil.

Everyone is enjoying their time, they are chatting and doing what they like.

Time flew by very quickly, everyone left and went back to cultivating in their rooms, they couldn't wait to try Ye Chen's cooking.

"Finally done, let's go back" after everything was done, it was time for them to return and start cultivating.

"Um" Mei Yueli, Xia Qingyu and Mu Nianci agreed with what Ye Chen said, it was time for them to return.

Ye Chen, Mei Yueli, Xia Qingyu and Mu Nianci went downstairs, they all went downstairs and returned to their rooms.

While Mu Xueying was still on the roof, she looked daydreaming about something.

Mu Xueying was daydreaming about what had happened today, today seemed so different from the ordinary day that Mu Xueying had always lived, Ye Chen had completely changed her life and even the lives of all the women from Jade Lotus Peak had changed as well.

Honestly, Mu Xueying felt that her feelings for Ye Chen were hard to get rid of, she found it hard to let go of her feelings for Ye Chen.

Ye Chen was the first man to get to him, the memory of that was kept on to Mu Xueying, the more Mu Xueying tried to dodge, the stronger it became.

Mu Xueying looked up at the sky, herself enjoying this scene alone in the quiet night.

.

.

Meanwhile in Ye Chen's room, Ye Chen was preparing to cultivate, time to cultivate and increase his strength.

" knock . . "Just as Ye Chen was about to cultivate, someone knocked on Ye Chen's door.

Ye Chen stopped, he turned around and saw who was knocking on the door of his room.

Ye Chen opened the door and saw who was outside, when Ye Chen opened the door he found that outside was Mei Yueli wearing a sexy looking nightgown of hers.

### **Chapter 1395 - Mei Yueli Came To The Door At Night (2)**

"Wife, what do you do at night in that kind of clothes?" Ye Chen asked what Mei Yueli was doing in this kind of clothes on a quiet night.

"Stupid, I did this for you" Mei Yueli said that she was doing this for Ye Chen, she purposely wore this thing for Ye Chen.

"Really, I can't believe it, Yueli did something embarrassing like this" Ye Chen smiled when he heard what Mei Yueli said.

Mei Yueli's face turned red, she felt like a pervert when she heard what Ye Chen said.

"Hahaha" Ye Chen smiled when he saw Mei Yueli's reaction, Mei Yueli's reaction was very funny.

"You" Mei Yueli pointed at Ye Chen, Ye Chen actually only wanted to tease herself.

"Quickly let me in, it's a shame to be in this place." Mei Yueli forced her way in.

"Please my queen" Ye Chen invited Mei Yueli to come inside, how could Ye Chen release such delicious prey as Mei Yueli, it was something that Ye Chen couldn't do.

Mei Yueli went inside, after Mei Yueli went inside Ye Chen tried to lock the door.

When Ye Chen wanted to lock the door, Ye Chen was immediately pounced on by Mei Yueli, Mei Yueli immediately kissed Ye Chen.

Mei Yueli looked like a starving tigress, she looked so hungry she wanted to eat Ye Chen right away.

Ye Chen saw that Mei Yueli was very aggressive, it seemed that Mei Yueli really couldn't take it anymore.

Seeing Mei Yueli who was very excited, Ye Chen was also excited, Ye Chen carried Mei Yueli and threw her on the bed.

Ye Chen also went up and immediately hugged Mei Yueli's beautiful carcass who seemed to really enjoy hugging Mei Yueli.

"Wife, you look very sexy tonight, you may have to use this if we are together" Ye Chen complimented Mei Yueli, Mei Yueli's clothes looked very sexy and seductive.

This made Ye Chen very excited, Ye Chen felt like immediately doing Mei Yueli on the bed.

"From now on we will live together, I will use this for you" Mei Yueli said that she would use this for Ye Chen, she didn't mind wearing this to make Ye Chen happy and excited.

When Mei Yueli saw Ye Chen's gaze towards her, Mei Yueli felt happy, she felt very happy when she saw Ye Chen who was looking at her passionately.

There was a certain pleasure in being stared at by the person she liked, it was something that Mei Yueli couldn't explain.

"Oh really, I didn't expect that the innocent Yueli would be like this, where Yueli used to be afraid of men" Ye Chen said to Mei Yueli.

" husband, You is evil, how can you mock me?" Mei Yueli complained to Ye Chen who was mocking her.

"Hahaha" Ye Chen just laughed when he heard what Mei Yueli said, it was really fun to tease Mei Yueli.

Ye Chen started to extend his hand towards Mei Yueli's double peak, he started to play with Mei Yueli's double peak that was in front of him.

"ahhh. . ." Mei Yueli groaned, the touch of Ye Chen's fingers was very ticklish, this made Mei Yueli feel very excited and at the same time very happy.

"Wife, it seems that it has grown a bit from the last time, am I right?" Ye Chen felt a slight change in Mei Yueli, he felt that Mei Yueli's double peak had become bigger than last time.

"I don't know, maybe it's because you play it a lot" Mei Yueli didn't know, but what Ye Chen said was true, recently Mei Yueli found that her body seems to be growing more and more, Mei Yueli is becoming more mature and more seductive .

Everyone must have seen the changes in Mei Yueli, even Mei Yueli's friends also saw the changes in Mei Yueli.

Some female friends asked the secret that Mei Yueli had, they wanted to know the secret of Mei Yueli who became more beautiful and had a beautiful body.

Every woman dreams of having a beautiful body and beauty, they all want to look as beautiful as possible.

This is Jade Lotus Peak, in this place there are countless beautiful women of various ages, they all practice and become more beautiful thanks to the techniques in Jade Lotus Peak.

So when they saw Mei Yueli who seemed to be getting more and more beautiful, they were all curious and wanted to know the secret of Mei Yueli.

Mei Yueli didn't tell her secret, she didn't want to tell her secret to anyone.

There was no way for Mei Yueli to tell her embarrassing secret to others, it would be a very embarrassing thing for Mei Yueli.

"Then let me massage it, maybe it will be bigger" Ye Chen started to massage Mei Yueli's double peak.

"Oh no, husband. . ." Mei Yueli started to squirm, the pleasure she was getting was very beautiful, she really liked this kind of feeling.

Mei Yueli's voice was very good, this made Ye Chen very excited.

Mei Yueli in this appearance was very sexy, Ye Chen was naturally excited when he saw Mei Yueli in this appearance.

Ye Chen continued to play Mei Yueli's double peak, he seemed to be enjoying this together with Mei Yueli.

Ye Chen already felt the heat, he took off his shirt and threw it aside.

Ye Chen's muscular and perfect body was now seen in front of Mei Yueli, Mei Yueli who saw him looked very excited.

"It's very strong and sturdy" Mei Yueli stretched out her hand, she touched Ye Chen's body which was quite sturdy, Ye Chen's body was very different from hers, Ye Chen's body was very firm and hard, this was different from her body which felt soft to the touch.

"If you want strong and sturdy, then you can touch this." Ye Chen guided Mei Yueli's hand downwards.

As Ye Chen guided Mei Yueli down, Mei Yueli felt a large, hard and hot object.

Mei Yueli of course knew what this was, it definitely belonged to Ye Chen who had been messing with her all this time.

"Geez, it's also getting bigger." Mei Yueli sensed that Ye Chen's was huge, it was probably much bigger since the last time they had Dual Cultivation.

Mei Yueli wasn't too afraid of Ye Chen's anymore, she seemed to have gotten used to Ye Chen's big and strong one.

"What is it, why are you silent like that?" Ye Chen asked why Mei Yueli was silent like that.

"No, it's just that it's getting bigger." Mei Yueli said that Ye Chen's seemed to be getting bigger.

"Wouldn't the bigger the better for you" Ye Chen said to Mei Yueli.

Mei Yueli was embarrassed when she heard this, Mei Yueli had to admit that what Ye Chen said was the truth.

"You are" Mei Yueli was a little angry, she squeezed Ye Chen's quite firmly.

"Ouch . . ." Ye Chen shouted when he saw his own being squeezed by Mei Yueli, Mei Yueli's strength was strong enough to hurt Ye Chen's little brother.

"Oh. . ., sorry I didn't mean to." Mei Yueli immediately apologized, just now she was too impulsive.

"wife, how can you do such a thing, what if this is broken, won't it be a problem for your sister in the future" Ye Chen said while complaining to Mei Yueli.

"I'm sorry, does it hurt?" Mei Yueli looked very guilty, trying to ease Ye Chen's pain.

#### **Chapter 1396 - Mu Xueying Looked From Outside**

"Of course it hurts" Ye Chen said that what Mei Yueli did hurt his.

"Then let me help you" Mei Yueli took the initiative to help Ye Chen, she would help reduce Ye Chen's pain.

Mei Yueli took off the veil that was on her face, she started to kiss Ye Chen's big thing.

When Mei Yueli kissed Ye Chen's younger brother, Ye Chen felt a comfortable feeling, he could feel Mei Yueli's sincerity and affection.

Mei Yueli continued to pamper Ye Chen's big thing, she used her hands and cheeks to comfort Ye Chen.

Honestly, Ye Chen didn't know how Mei Yueli knew something like this, what was certain was that what Mei Yueli was doing felt very comfortable for Ye Chen.

"Husband, how about it, does it feel better?" Mei Yueli asked Ye Chen, she wanted to know what Ye Chen thought about what she was doing.

This was the first time Mei Yueli had done something like this, before she had only given word of mouth to Ye Chen, but now Mei Yueli seemed to be giving everything she could to Ye Chen's little brother.

"Yes, this is better, please continue." Ye Chen told Mei Yueli to continue what she was doing, what Mei Yueli was doing was very comfortable.

Seeing that Ye Chen was comfortable with what she was doing, Mei Yueli took the initiative to continue and gave Ye Chen pleasure.

Honestly, Mei Yueli liked to do this, she wanted Ye Chen's Essence which tasted very delicious, it was the best thing that Mei Yueli had ever tasted.

"Chu. . ." Mei Yueli kept kissing Ye Chen's big thing, she kept stimulating Ye Chen using all her abilities.

Although Mei Yueli's movements were still a little unskillful, but it still felt very comfortable for Ye Chen, he was very happy about this.

Mei Yueli looked up at Ye Chen, she smiled at Ye Chen, Mei Yueli's smile was full of flowers, she really liked helping Ye Chen solve this problem.

Ye Chen looked at Mei Yueli, when Ye Chen looked at Mei Yueli, Ye Chen saw Mei Yueli's red crystal eyes, for some reason this was very tempting for Ye Chen.

Ye Chen became more and more excited, his thing growing bigger when he saw the lewd Mei Yueli.

Mei Yueli started to open her mouth, she swallowed Ye Chen's big thing.

After playing for quite a while Ye Chen still didn't show any signs of losing, so Mei Yueli had to use other means to beat Ye Chen.

And this was the only way for Mei Yueli to defeat Ye Chen, she would defeat Ye Chen with her mouth, after which Mei Yueli would harvest Ye Chen's Yang Qi Essence.

Ye Chen's essence was something useful to Mei Yueli, it had so many Effects that Mei Yueli wanted it.

Actually Ye Chen's Essence was something very precious, if women found out, then it would be a war to fight over Ye Chen.

In God Realm strength is above all else, Ye Chen's Essence can provide many benefits to women, of course they will go and harvest Ye Chen's Essence for the strength and beauty they possess.

Mei Yueli started to suck and eat Ye Chen's big thing, she started to enjoy Ye Chen's big thing.

Mei Yueli stimulated Ye Chen by using her tongue, she used her tongue to stimulate and make Ye Chen feel comfortable.

"Oh, this is fun" Ye Chen was satisfied, Mei Yueli was becoming more and more skilled, if Mei Yueli was trained any further, then Mei Yueli would definitely become a very talented woman in bed.

"Slurp. ., jubo, jubo" Mei Yueli became more and more aggressive, she gave a very heavy resistance to Ye Chen.

Ye Chen was very happy about this, he enjoyed what Mei Yueli did.

.

.

Meanwhile upstairs Mu Xueying had finished contemplating, she intended to return to her own room.

Mu Xueying didn't get what she needed, so Mu Xueying intended to return to her room.

Mu Xueying only took a moment to arrive in front of her room, in just a moment Mu Xueying had arrived at her room.

When Mu Xueying was about to enter her room, Mu Xueying looked at Ye Chen's room.

Mu Xueying wanted to see what Ye Chen was doing at night like this.

If maybe Mu Xueying wanted to talk to Ye Chen about something, Mu Xueying wanted to talk to Ye Chen about something important.

Mu Xueying opened the door of Ye Chen's room, Mu Xueying did this very slowly, it didn't make a sound at all.

Mu Xueying didn't want to disturb Ye Chen, who knows whether Ye Chen is currently cultivating or sleeping.

Mu Xueying just opened a little bit, at that moment Mu Xueying heard a strange voice from inside.

As a cultivator, Mu Xueying's hearing sensitivity was unquestionable, she could hear a strange sound coming from within Ye Chen's room.

After hearing this voice, Mu Xueying's curiosity grew stronger, Mei Yueli became curious about what was going on in there.

Mu Xueying dared to peek inside, when she peeked into the room, Mu Xueying saw a very shocking sight.

Inside Mu Xueying saw a woman who was serving Ye Chen.

Mu Xueying couldn't clearly see who the woman was, she felt quite strange when she saw the figure of a woman wearing Sexy clothes.

Mu Xueying continued to observe the woman, herself closely observing who this woman was.

After observing for a while, Mu Xueying finally knew who the woman Ye Chen was with.

"Yueli" Mu Xueying finally realized that the woman who was with Ye Chen was Mei Yueli, Mu Xueying didn't expect that Mei Yueli would wear such a sexy outfit.

It was quite difficult for Mu Xueying to imagine, the innocent Mei Yueli actually did something like this under Ye Chen's instructions.

Mu Xueying actually wanted to leave this place, she didn't want to interfere with what Ye Chen and Mei Yueli were doing.

Mu Xueying already knew about the relationship between the two, but she didn't expect that Mei Yueli would be so quickly turned into this by Ye Chen.

Mu Xueying intended to leave this place, but when Mu Xueying wanted to leave this place, Mu Xueying found that she couldn't leave this place.

The sight in front of her attracted Mu Xueying especially Ye Chen's large object which was currently being served by Mei Yueli.

Mu Xueying began to imagine that if she were in Mei Yueli's position, the feeling that doing so would be a lot of fun to do.

Mu Xueying started to imagine the night she was with Ye Chen, honestly Mu Xueying missed the time when she was with Ye Chen, she really wanted to repeat what happened.

When Mu Xueying saw what was happening in front of her eyes, Mu Xueying became so excited, she started to get wet just from seeing what happened between Ye Chen and Mu Xueying.

"I can't take it anymore." In her heart, Mu Xueying screamed very loudly, she felt that she couldn't stand this feeling anymore.

"bang" the door was forcefully opened by Mu Xueying, Ye Chen and Mei Yueli who were inside were shocked when they heard the door being forcefully opened by someone.

### **Chapter 1397 - Mu Xueying Join Night Battle**

Ye Chen and Mei Yueli looked shocked when they saw that someone was forcibly entering, Mei Yueli immediately stopped what she was doing and looked towards the entrance.

As Ye Chen and Mei Yueli looked towards the entrance, they saw the presence of Mu Xueying.

This made Mei Yueli feel anxious and panicked when she was found by Mu Xueying, plus Mei Yueli was found while doing fun things with Ye Chen.

"Sister Xueying, This. . . ." Mei Yueli tried to explain what happened, herself confusedly tried to explain what happened to Mu Xueying.

Mu Xueying didn't say anything, she went in and locked the door, this was done so that outsiders wouldn't come inside.

Without saying anything, Mu Xueying walked over to Ye Chen and Mei Yueli.

Mei Yueli panicked when she saw Mu Xueying approaching towards her, her heart beat very fast when she saw Mu Xueying getting closer.

Ye Chen was also worried that when Mu Xueying approached, it seemed that there would be a big problem when Mu Xueying was in this place.

Ye Chen was really too careless, Ye Chen forgot to lock the door before doing Dual Cultivation, This made Mu Xueying easily enter this room.

"Damn, what should I do" Ye Chen tried to find a way to solve this problem, he should be able to solve this problem.

If Ye Chen couldn't resolve this matter, then it would be a very troublesome thing.

Mu Xueying had already arrived in front of Ye Chen, she looked at Ye Chen with a strange look.

"Sister Xueying, I can explain this" Mei Yueli tried to explain to Mu Xueying, she wanted to explain what happened to Mu Xueying.

Mu Xueying immediately stopped what Mei Yueli wanted to do, she didn't want any explanation from Mei Yueli.

Mei Yueli couldn't help but surrender when she saw this, it seemed that it was all over.

Mu Xueying suddenly knelt down, she extended her hand towards Ye Chen's large object.

Ye Chen and Mei Yueli were both shocked when they saw this, they were shocked to see what Mu Xueying did.

"Senior Sister Xueying ?" Ye Chen asked Mu Xueying, why did Mu Xueying do something like this.

"Shut up and don't ask too many questions." Mu Xueying immediately told Ye Chen to be quiet, she forbade Ye Chen to ask her too many questions.

Ye Chen could only keep his words back down his throat.

Mu Xueying started to use her finger to touch Ye Chen's, she started up and down movement on Ye Chen's thing.

"Oh. . ." Ye Chen was completely shocked by what Mu Xueying did, he couldn't believe that Mu Xueying would do something like that to him.

Mu Xueying was using her hands to help Ye Chen, this was naturally hard for Ye Chen to believe.

Mu Xueying who was usually indifferent and didn't care about matters between men and women took the initiative first, this naturally came as a complete shock to Ye Chen.

Besides Mei Yueli was also surprised by what Mu Xueying did, she didn't expect that Mu Xueying would help Ye Chen by using her hand.

Mei Yueli didn't dare to disturb Mu Xueying, she just watched from the side what Mu Xueying did to Ye Chen.

"This smell, it's been a long time." When Mu Xueying smelled Ye Chen's scent, she felt very excited, it had been a long time since Mu Xueying had felt that smell that made her head feel crazy.

Every time Mu Xueying saw Ye Chen's, she would feel crazy, Mu Xueying was ashamed of herself, how could she be such a pervert when she was with Ye Chen.

Mu Xueying's nature was indeed aggressive, she was very aggressive and active when doing Dual Cultivation together with Ye Chen, that was the only time when Mu Xueying took off her indifferent mask.

Mu Xueying took off her veil, Mu Xueying's beautiful face was now clearly visible in front of Ye Chen.

Ye Chen saw Mu Xueying's beautiful face, how Mu Xueying became more and more beautiful, she had only become more beautiful since the last time Ye Chen saw Mu Xueying's face.

The moment Ye Chen saw Mu Xueying's beautiful face, he felt very excited, he felt a great passion in his body.

Ye Chen felt that he wanted Mu Xueying in front of him.

Mu Xueying felt Ye Chen's fiery gaze on her, this made Mu Xueying feel a little embarrassed.

Ye Chen's passionate gaze made Mu Xueying feel very excited, Mu Xueying returned her focus to the object in her hands, she wanted to feel the feeling like that night.

Mu Xueying lowered her head and started to taste Ye Chen's large object.

"Oh. . ." Ye Chen groaned, he felt a very comfortable feeling from Mu Xueying.

Ye Chen felt that he was dreaming, the cold and indifferent Mu Xueying actually gave a word of mouth to him, this was still something Ye Chen could hardly believe.

Mu Xueying started sucking Ye Chen's property very aggressively, it was obvious that Mu Xueying wanted to steal Ye Chen's Soul.

Ye Chen couldn't stand what Mu Xueying was doing, Mu Xueying's feelings and techniques were so skillful, Ye Chen didn't know that Mu Xueying would be so good at this.

Mu Xueying used her tongue so skillfully, it was like she was sucking Ye Chen into an endless pit.

"Where did she learn this , he seems so skilled" in his heart, Ye Chen started to ask where Mu Xueying learn this ability , Mu Xueying ability be said to be extraordinary, it was like the skills that Zhao Yanyan and others Ye Chen's wife.

Ye Chen couldn't stand what Mu Xueying gave him, he grabbed Mu Xueying's beautiful hair and accelerated Mu Xueying's movements.

Surprisingly Mu Xueying didn't fight back, she didn't fight back at all when Ye Chen did such a rude thing to her.

"This" Mei Yueli was quite dumbfounded when she saw the very aggressive Mu Xueying, honestly Mei Yueli had never seen Mu Xueying like this.

Plus Mu Xueying looked much more professional than herself, this was quite a shock to Mei Yueli.

Mei Yueli could only watch what Mu Xueying was doing, she watched while comforting herself.

Mu Xueying continued to help Ye Chen by using her mouth, after about 20 minutes of Mu Xueying struggling, Ye Chen finally showed signs of giving up under his control.

Mu Xueying didn't miss a golden opportunity to beat Ye Chen, she used this opportunity to beat Ye Chen.

Mu Xueying accelerated her movement, herself speeding up to beat Ye Chen.

Onslaught of attacks that emanated by Mu Xueying very hard, this makes it difficult to Ye Chen Xueying against Mu.

If it continued like this, then Ye Chen's defeat was only a matter of time.

Honestly, Ye Chen didn't believe that Mu Xueying's ability would be so strong, Mu Xueying became a very, very worthy opponent for Ye Chen.

Ye Chen was currently trying his best to survive, himself trying his best to survive his defeat.

Even though he tried his best to endure, Ye Chen still couldn't help this feeling, he couldn't help the feeling that Mu Xueying gave him.

### **Chapter 1398 - Ye Chen, Mu Xueying & Mei Yueli (1)**

Ye Chen had to accept that he had been defeated by Mu Xueying, Ye Chen acknowledged Mu Xueying's skill.

Ye Chen restrained Mu Xueying, he took out his Yang Qi Essence and gave it to Mu Xueying.

Mu Xueying happily accepted Ye Chen's Yang Qi Essence, she absorbed all of Ye Chen's Yang Qi Essence.

Mu Xueying had Queen Heart Silk like all Ye Chen women, naturally she could cultivate pure Yang Qi very well.

"Glup, Glup, Glup, Glup," Mu Xueying continued to swallow Ye Chen's Yang Qi Essence, not letting a single drop go to waste.

"Wow" Ye Chen felt very relieved, this feeling was really very pleasant, Mu Xueying's service was the best thing that Ye Chen had ever felt.

Ye Chen obtained a service from a beautiful Goddess like Mu Xueying, how could he not feel happy about this.

As a Special Exquisite Goddess Body, Mu Xueying was a very rare beauty, Mu Xueying's beauty was something that a man could not ignore.

Mu Xueying cleaned Ye Chen's, after she finished cleaning Ye Chen's, Mu Xueying got up and started to take off her clothes.

Ye Chen was again taken aback by what Mu Xueying did, what Mu Xueying did was something that was hard for Ye Chen to accept.

Ye Chen felt very confused about what had happened, why did Mu Xueying become like this, what made Mu Xueying so excited, did she get hit by An Aphrodisiac and become lustful like she is now.

Ye Chen checked Mu Xueying's condition, he wanted to know the reason why Mu Xueying became like this.

When Ye Chen checked Mu Xueying's condition, he didn't find that there was nothing odd about Mu Xueying, Mu Xueying didn't show any signs of being affected by an aphrodisiac.

"Ye Chen, am I beautiful?" Mu Xueying asked. herself asking if she was beautiful or not.

"Of course you are beautiful, why are you still asking about it?" Ye Chen of course said that Mu Xueying was beautiful, how could Ye Chen dare to say that Mu Xueying was not beautiful.

Mu Xueying's indifferent and cold beauty was something, Ye Chen naturally had to admit this.

"Then why are you silent, are you not interested in me?" Mu Xueying asked Ye Chen.

Mu Xueying wished Ye Chen to be more active, she wanted Ye Chen to be more active when doing Dual Cultivation with her.

Ye Chen naturally understood what Mu Xueying wanted, he understood that Mu Xueying was inviting him.

As a true man, how could Ye Chen possibly back down from Mu Xueying's invitation, he had to step up and face Mu Xueying.

All the doubts in Ye Chen's heart were now gone, he reached out and started pulling Mu Xueying towards him.

Mu Xueying did not put up a fight, she let Ye Chen do whatever he wanted.

Last time Ye Chen was unconscious, so Mu Xueying who was very active, now was different from that time, Ye Chen was currently in a conscious state, So Mu Xueying wanted Ye Chen to be more active and carry out herself.

Ye Chen touched Mu Xueying's body, he started to touch and feel Mu Xueying's body.

Mu Xueying's body looked very soft and very comfortable to touch, Mu Xueying had a very beautiful body.

Especially Mu Xueying's dual peak, it looked so perfect and so tight, Ye Chen really liked it when he saw this.

Cherry buds still look so fresh, it looks like the best food in the world.

Ye Chen couldn't stand what was in front of his eyes, he couldn't stand it when he saw what was in front of his eyes.

To be honest, Mu Xueying's double peak was very seductive, the size and everything was perfect, Mu Xueying's double peak seemed to invite Ye Chen to touch it.

Ye Chen touched Mu Xueying's dual peak, he started to feel what Mu Xueying's dual peak was like.

When Ye Chen touched Mu Xueying's double peak, he felt that it was very soft and supple, it was very pleasant to the touch.

"Erm. . ." Mu Xueying started to moan, she felt a very comfortable feeling when Ye Chen touched her.

Honestly, Mu Xueying liked this feeling, it was really very comfortable and pleasant.

"Ye Chen, more" Mu Xueying told Ye Chen to do more, she wanted more comfort from Ye Chen.

"Is this comfortable?" Ye Chen asked Mu Xueying, he wanted Mu Xueying's opinion.

Ye Chen still didn't understand Mu Xueying, so he asked if Mu Xueying was comfortable with what she was doing.

"It's comfortable." Mu Xueying replied that it was very comfortable.

This was Ye Chen's first time seeing Mu Xueying in this state, Mu Xueying in this state was very honest.

Mu Xueying was very honest, she said the feeling she was feeling right now.

Seeing Mu Xueying being so honest with herself, Ye Chen became more and more daring, he was getting bolder in touching Mu Xueying.

Ye Chen even started sucking Mu Xueying's Cherry buds, he enjoyed and sucked Mu Xueying's Cherry bud.

"Ah. . ." Mu Xueying groaned, she let out a very seductive voice, this voice made anyone who listened to be very excited.

"Slurp. . ." Ye Chen was enjoying this, he still couldn't believe that he could enjoy a beauty like Mu Xueying.

"Ye Chen, let's do it." The two played for a while, after a long time Mu Xueying finally asked Ye Chen to do Dual Cultivation.

"Of course" Ye Chen immediately laid down Mu Xueying's body, he immediately raised his weapon and prepared to break into Mu Xueying's gate.

Ye Chen can't wait to get Mu Xueying's first time, he will get his first time from a beautiful goddess like Mu Xueying, of course this is a satisfaction in itself.

Ye Chen finally used his weapon, he directly barged into Mu Xueying's defense.

Mu Xueying did not put up a fight, she knew that it would be futile to put up a fight.

Ye Chen's big thing went into Mu Xueying's Honey Cave, it entered Mu Xueying's body.

Mu Xueying's was quite narrow, this gave Ye Chen a bit of resistance.

Inside Mu Xueying was extremely cool, it was also so deep that it could contain Ye Chen's.

Ye Chen looked down, when Ye Chen looked down, he didn't see any traces of blood on lower.

Ye Chen felt strange about this, is Mu Xueying no longer innocent, This is quite a burden on Ye Chen's mind.

"Sister Xueying, may I ask you something?" Ye Chen asked Mu Xueying.

" what?" Mu Xueying could still answer questions from Ye Chen, she still had the awareness to answer questions from Ye Chen.

"Is this not your first time?" Ye Chen asked Mu Xueying, Himself asking if this wasn't Mu Xueying's first.

"Of course, why are you still asking?" Mu Xueying looked displeased as she listened to Ye Chen's question.

Ye Chen could sense that Mu Xueying looked displeased with his question, it seemed that Mu Xueying didn't like what she just asked.

"Sister Xueying, I'm sorry, I won't ask again about it." Ye Chen said that he would not ask again about this matter.

Mu Xueying just looked away, she didn't seem to accept Ye Chen's apology.

### **Chapter 1399 - Ye Chen, Mu Xueying & Mei Yueli (2)**

Ye Chen knew that it was not good to mention this matter, so it was not surprising that Mu Xueying would be annoyed when Ye Chen brought up this matter.

"Baby, I'm really sorry, I know what I said earlier was unpleasant, from now on I won't mention it again, from now on you are completely mine" Ye Chen said to Mu Xueying.

Ye Chen tried to persuade Mu Xueying, he persuaded Mu Xueying to forgive him.

"Puchi. . ." beside Mei Yueli laughed, she laughed as she listened to what Ye Chen said.

"Husband, you are so cute, you are the first to take Sister Xueying, how can you not know this matter" Mei Yueli said to Ye Chen.

Mei Yueli told that Ye Chen was the one who had taken Mu Xueying's first time, how could Ye Chen apologize and say something like that.

"When?" Ye Chen had absolutely no recollection of when he did Dual Cultivation with Mu Xueying, he had no recollection of ever doing that.

"Do you still remember when you fought the Demon?" Mei Yueli said to Ye Chen.

"Of course" Ye Chen of course still remembered, that time he was saved by Nangong Xiang and Li Qingzu.

"Sister Xueying also helped you." Mei Yueli said that Mu Xueying also helped heal Ye Chen.

If it wasn't for Mu Xueying, perhaps Ye Chen would not have been able to be saved.

"Is that true?" Ye Chen couldn't believe what Mei Yueli said, he looked at Mu Xueying who was below him.

Mu Xueying turned her head back, she looked embarrassed when she saw Ye Chen's loving gaze towards her.

"So it's like that, I didn't expect Sister Xueying to be my woman for so long, why didn't I know about the matter" Ye Chen said to Mu Xueying who was in front of him.

Mu Xueying didn't answer, she looked embarrassed to answer why she hid this matter from Ye Chen.

"So you don't want to talk, then let me make you talk." Seeing Mu Xueying who just kept quiet, Ye Chen would make Mu Xueying speak the truth.

Ye Chen knew how to get Mu Xueying to speak the truth, he would make Mu Xueying honest with her feelings.

Ye Chen started the battle, himself going even deeper to ruffle Mu Xueying.

"Ah. . ." Mu Xueying was not prepared for Ye Chen's sudden attack, she was not prepared for this attack.

Mu Xueying got more pleasure than Ye Chen, she was very happy with the feelings that Ye Chen gave.

It had been a long time for Mu Xueying to feel this kind of feeling, now she was finally able to feel this feeling for the second time.

Honestly, this feeling was very comfortable, Mu Xueying felt that she was being sent flying to the seventh level of heaven.

"Ye Chen more stronger" Mu Xueying told Ye Chen to do even harder, Mu Xueying liked Ye Chen's aggressiveness.

"Why don't you start calling me husband" Ye Chen said to Mu Xueying to call himself husband.

"No, that's embarrassing." Mu Xueying felt embarrassed when she had to call Ye Chen husband.

"If you don't want to, then I will stop." Seeing Mu Xueying who didn't want to admit Ye Chen, then Ye Chen would stop right now.

"No, don't stop." Mu Xueying didn't want Ye Chen to stop halfway, she just felt a sense of comfort from Ye Chen.

"Then why don't you start it?" Ye Chen told Mu Xueying to start calling himself husband.

Seeing Ye Chen who kept pushing herself, Mu Xueying had no choice but to do as Ye Chen wanted.

"Husband, please don't make tease of me anymore" Mu Xueying told Ye Chen to continue and stop mocking her, this was really embarrassing.

Mu Xueying didn't expect that doing this with the unconscious Ye Chen would be so embarrassing, her heart felt both happy and embarrassed for Ye Chen.

Ye Chen seemed very pleased with Mu Xueying's words, this pretty indifferent goddess was finally willing to admit herself.

"I will definitely make my goddess wife feel comfortable." Ye Chen said that he would make Mu Xueying feel the most comfortable feeling, now that Mu Xueying had become his, Ye Chen would engrave his feelings for Mu Xueying.

Ye Chen started to move very fast, he started to get rough and excited when he did the beautiful Mu Xueying.

Mu Xueying's sweet moans echoed throughout this room, Mu Xueying really took out everything she had.

She really liked what happened, Dual Cultivation with Ye Chen was the best, nothing could beat the feeling she got from Ye Chen.

Ye Chen and Mu Xueying fused for more than 2 hours, Ye Chen really really enjoyed Mu Xueying's extremely Reliable ability.

Mu Xueying couldn't take it anymore, she was completely rendered helpless by Ye Chen's extremely strong ability.

Ye Chen had already filled Mu Xueying several times, this made Mu Xueying's flower core full, she really couldn't hold back Ye Chen's immense Yang Qi Essence anymore.

"Yueli, come here" Mu Xueying told Mei Yueli to come closer, she wanted to give something to Mei Yueli.

Mei Yueli started to get closer, herself getting closer to where Mu Xueying was.

Mu Xueying touched Mei Yueli's forehead, she gave Mei Yueli a little knowledge about Dual Cultivation, this was so that Mei Yueli could help her in dealing with Ye Chen.

Honestly a conscious Ye Chen was very hard to fight against, this was different when Ye Chen was unconscious.

Ye Chen had discovered Mu Xueying's weak point, so Ye Chen could easily defeat Mu Xueying and make Mu Xueying feel helpless.

"Yueli, quickly learn it." Mu Xueying told Mei Yueli to study what she gave.

"Okay" Mei Yueli nodded, she would study what Mu Xueying gave her.

While Mei Yueli was learning the Queen Heart Silk and other Dual Cultivation skills, Mu Xueying would hold off on Ye Chen for as long as possible.

1 hour quickly passed, Mu Xueying was already in a very exhausted state, she needed a short rest to recover her strength.

"Husband, please spare me." Mu Xueying couldn't take it anymore, she asked Ye Chen to spare herself.

"I still want to continue" Ye Chen said that he still wanted to continue, Ye Chen was addicted to Mu Xueying.

"You can do it with Yueli, she seems to be waiting for you" Mu Xueying asked Ye Chen to look at Mei Yueli, Mei Yueli had been waiting for her turn.

Ye Chen looked at Mei Yueli, he almost forgot that Mei Yueli was at the side and waited for her turn.

Ye Chen let go of Mu Xueying, he let Mu Xueying rest.

After being released by Ye Chen, Mu Xueying was finally able to rest for a while

"I'm sorry, I almost forgot about you" Ye Chen truly apologized to Mei Yueli.

"It's okay" Mu Xueying was fine, from the very beginning she didn't want to interfere with the meeting between Mu Xueying and Ye Chen, she gave Mu Xueying and Ye Chen time to enjoy their love.

"I will make up for the mistakes I have made" Ye Chen said that he would make up for the mistakes he had made.

Ye Chen immediately grabbed Mei Yueli's waist and brought her closer to him.

When Ye Chen did that, Ye Chen found that Mei Yueli was already wet enough, which meant that Ye Chen could start right away.

"Wife, you look excited" Ye Chen said to Mei Yueli who was in front of him.

"It's because of you, you made me like this" Mei Yueli said that this was Ye Chen's fault.

"Hehehe" Ye Chen just smiled when he heard what Mei Yueli said, Ye Chen immediately went and put his own in Mei Yueli.

"It's so full" Mei Yueli felt herself being full of Ye Chen's, this feeling was very pleasant.

"It's just started" Ye Chen said that it was just the beginning, Ye Chen started moving at a constant speed towards Mei Yueli, he was also quite aggressive towards Mei Yueli.

"Emm" Mei Yueli's moans now echoed, the whole room was now filled with the groans of Mei Yueli.

Ye Chen continued to do Mei Yueli, the current Mei Yueli was different from before, she seemed to have started to become very skilled thanks to the knowledge given by Mu Xueying.

Tonight Ye Chen had great pleasure from Mu Xueying and Mei Yueli, both of whom had become Succubus who could satisfy Ye Chen.

"It's very comfortable, husband, you is great." Mei Yueli also enjoyed Ye Chen's pleasure, she also enjoyed spending time with Ye Chen.

"Then let's work together to have more fun." Ye Chen invited Mei Yueli to cooperate and have more fun.

"Okay, I will listen to husband" Mei Yueli will listen to what Ye Chen has to say, they will work together to have more fun.

Time passed without Ye Chen and Mei Yueli noticing, they were both too engrossed in their own worlds.

After getting enough rest, Mu Xueying finally joined the battle, herself joining the battle with Mei Yueli.

Mu Xueying and Mei Yueli worked together, they both tried their best to serve Ye Chen.

Ye Chen was like a king, now that two beauties were kneeling under his feet and serving him, how could Ye Chen not be happy about this.

Ye Chen satisfied Mu Xueying and Mei Yueli at the same time, this time both of them had a great pleasure that they would never forget.

Ye Chen, Mu Xueying and Mei Yueli be lost into love, they didn't realize that it had been several days since they had entered this room.

The three have forgotten the time, they just want to be together and do this together with their loved ones.

#### **Chapter 1400 - Have To Find Resources For Xia Qingyu And Mu Nianci**

After several days of long madness, finally Ye Chen, Mu Xueying and Mei Yueli could rest in peace.

The three of them rested quietly and enjoyed their time together.

Mu Xueying and Mei Yueli both hugged Ye Chen, both of them seemed to really enjoy being with Ye Chen.

Mu Xueying was no longer like before who had run away after Dual Cultivation together with Ye Chen, now Mu Xueying was able to accept her destiny to be with Ye Chen and enjoy this life.

Mu Xueying had already gotten the answer to what she had been thinking all along, it was better to be honest than to have to lie to hold back the feelings in her heart.

The three of them really enjoyed the time they had, they all looked very happy.

After resting for a while, Ye Chen woke up, he woke up and saw Mu Xueying and Mei Yueli, currently both sleeping on his chest, both using Ye Chen's chest as a pillow.

It didn't seem like a dream, when he saw Mu Xueying and Mei Yueli around him, Ye Chen understood that what happened wasn't a dream.

The moment Ye Chen made a move, Mu Xueying instantly woke up from her sleep.

Mu Xueying was a very alert cultivator, so even a small movement could wake her from sleep.

On the other hand Mei Yueli seemed to be enjoying her sleep, she looked very exhausted from being dragged into the long battle together with Ye Chen and Mu Xueying.

"I thought someone had come in, it was you." Mu Xueying thought that someone had come in here, if that happened it would definitely be a dangerous thing for them.

"You don't have to worry about that matter, this place is equipped with a very complex lock, so it's not easy to break into here." Ye Chen said that it was not easy for outsiders to break into this place.

"I see." Mu Xueying understood, it seemed that she was too worried about this matter.

"how are you dear?" Ye Chen asked how things were from Mu Xueying at the moment.

"You can still ask like, after what you did to me" Mu Xueying said in a complaining tone.

To be honest, Mu Xueying felt a pain in her waist, plus her legs felt weak and slightly hurt when she moved.

Even though she was in pain, Mu Xueying felt that her body had become refreshed, she seemed to have enormous energy in her body.

In addition, Mu Xueying's beauty radiated even more after receiving Ye Chen's natural moisturizer.

"Didn't you say to be more rude yourself, should I repeat what you said last night" Ye Chen said to Mu Xueying.

Mu Xueying's face blushed when she listened to what Ye Chen said, Mu Xueying felt embarrassed when she listened to what Ye Chen had just said about her.

Honestly Mu Xueying had shown her true self in front of Ye Chen, now there was nothing to hide from Ye Chen.

"You are so mean for making fun of me" Mu Xueying protested at Ye Chen who was mocking her.

"Hahahaha" Ye Chen laughed when he saw Mu Xueying's appearance, this Mu Xueying looked really cute.

In this world perhaps only Ye Chen had ever seen Mu Xueying's appearance, he was the only person capable of making Mu Xueying exhibit this kind of figure.

"Husband, have you touched Xia Qingyu and Mu Nianci?" Mu Xueying asked Ye Chen, she wanting to know if Ye Chen had touched Mu Nianci and Xia Qingyu.

Mu Xueying was no longer embarrassed when she called Ye Chen intimately, she could call Ye Chen like a husband.

"Not yet, why?" Ye Chen asked Mu Xueying, why did Mu Xueying suddenly ask about this matter.

"no, it's just that I hope you don't do that to the two of them, they are both still in the development stage, wait until they are fully worthy" Mu Xueying forbade Ye Chen not to touch Xia Qingyu and Mu Nianci, both are still in good development .

"I understand, but what if I want that?" Ye Chen asked Mu Xueying.

"Let me bear it" Mu Xueying said to Ye Chen, Mu Xueying said earnestly, she was guarding the future of Xia Qingyu and Mu Nianci, Mu Xueying was sure that both of them would become strong and great cultivators.

"Then let's continue." Ye Chen touched Mu Xueying, he invited Mu Xueying to continue Dual Cultivation.

"Are you a monster, how do you still have the spirit and energy to do that?" Mu Xueying was really afraid of Ye Chen, Ye Chen's abilities were so far away, Mu Xueying and Mei Yueli were unable to keep up with the abilities possessed by Ye Chen.

"I am indeed a monster, and this monster wants to eat you" Ye Chen said to Mu Xueying.

Ye Chen wanted to try again with Mu Xueying, it was really fun doing Dual Cultivation with Mu Xueying.

"No, this is enough" Mu Xueying immediately refused Ye Chen's request, if Mu Xueying continued to obey Ye Chen's orders, it would be dangerous for her safety.

Honestly Ye Chen was a great man, he was able to overcome Mu Xueying and Mei Yueli at the same time, it was impossible for every man in this world to do.

It wasn't strange that Zhao Yanyan and Ye Chen's wife were having a hard time, to be honest this was something that was extremely difficult for Mu Xueying, if Mei Yueli wasn't around, Mu Xueying probably wouldn't have been able to last that long.

"Hahaha, look at your reaction, I was just joking" Ye Chen said that he was only joking with Mu Xueying, Ye Chen knew his limits.

Mu Xueying looked helpless, it seemed that she was still unable to keep up with Ye Chen's way of speaking.

"Husband, you have to find resources for Mu Nianci and Xia Qingyu, they really need qualified resources to get strong quickly." Mu Xueying told Ye Chen to find decent resources for Mu Nianci and Xia Qingyu.

"Are the resources in Jade Lotus Peak not enough for them?" Ye Chen asked if the resources at Jade Lotus Peak were still not enough for Mu Nianci and Mu Xueying.

"The resources at Jade Lotus Peak might be good, but it's still not enough" Mu Xueying said to Ye Chen.

"Then where can I get the fastest resources?" Ye Chen asked Mu Xueying.

"The fastest way to get resources is in the Points Contribution Hall, the problem is that it will require a very large amount of contribution points, it is difficult to make up for it" Mu Xueying told Ye Chen about the fastest way to get resources.

"I just remembered that I still have an unresolved bet." Ye Chen remembered that he had made a bet, so Ye Chen should have earned a lot of contribution points.

"I'll go" Ye Chen decided to go and take his contribution points.

"You have to watch out for Lord Peak who wants to target you" Mu Xueying told Ye Chen to be careful.

Honestly, Mu Xueying was still a little sore, in the back, so Mu Xueying couldn't go and help Ye Chen.

"Don't worry, your husband won't be kidnapped by others, I can take care of myself." Ye Chen said that he could take care of himself, so Mu Xueying didn't have to worry too much.

Ye Chen put on his clothes and out of the room, he went straight down from Jade Lotus Peak.

Mu Xueying could only watch Ye Chen leave, she decided to rest and recover her still not fully recovered body.
