

A True God 1401

Chapter 1401 - Ye Chen Vs Luo Kan

Mu Xueying looked at Mei Yueli who was next to her, Mu Xueying decided to go back to rest together with Mei Yueli.

.

.

Ye Chen descended from Jade Lotus Peak, himself descended and looked for Jeng Bimle's whereabouts, Ye Chen wanted to know how the betting progress was going.

Ye Chen searched for Jeng Bimle's whereabouts, in just a short time Ye Chen had found Jeng Bimle's whereabouts.

Ye Chen immediately went and met Jeng Bimle, he went to look for Jeng Bimle.

When Ye Chen discovered the whereabouts of Jeng Bimle, Ye Chen discovered that Jeng Bimle was currently with Yu Nan.

Yu Nan is currently still in a wheelchair, meanwhile Jeng Bimle is pushing him for a walk.

It seemed that their relationship had improved a lot since the last time, the two of them now seemed very close.

Ye Chen was not too surprised by this matter, he knew that Jeng Bimle would be able to persuade Yu Nan easily.

Ye Chen came down, he went and met Jeng Bimle and Yu Nan, when Ye Chen arrived, Jeng Bimle immediately welcomed the arrival of Ye Chen.

"Friend, what are you doing?" Jeng Bimle asked Ye Chen, it had been a few days since Jeng Bimle had not seen Ye Chen.

"I came here to know the bet at that time" Ye Chen asked about the bet at that time, he wanted to know the result.

"Friend, the bet has not been settled, at that time the battle stopped suddenly, so the winner of the match has not yet been determined." Jeng Bimle informed that the final match result had not yet been determined.

"Is that so, too bad." Ye Chen felt disappointed when he heard this, even though he was hoping to get his contribution points.

"Friend, you don't need to worry, currently Luo Kan is waiting to fight with you, as long as you can win, then you will be the victor" Jeng Bimle told Ye Chen about Luo Kan still waiting to fight Ye Chen.

"So he's still waiting to fight me, then I'll go and see him." Ye Chen desperately needed contribution points, so Ye Chen immediately wanted to defeat Luo Kan.

"Then let me take you" Jeng Bimle said that he wanted to take Ye Chen to the battlefield.

"Okay" Ye Chen didn't mind, he invited Jeng Bimle to lead the way for him.

"Yu Nan, do you want to come along?" Jeng Bimle invited Yu Nan to come with him.

"Of course" Yu Nan nodded, she wanted to come along with Ye Chen and Jeng Bimle.

Yu Nan also wanted to see the battle between Ye Chen and Luo Kan, Yu Nan wanted to see the destruction of Luo Kan which had left him seriously injured as she is now.

Yu Nan had already heard the story about Ye Chen and Luo Kan, so she already knew what Ye Chen was like.

"Okay, let's go" Jeng Bimle immediately took Ye Chen away, the three of them went to meet Luo Kan.

Ye Chen, Jeng Bimle and Yu Nan finally arrived at the battle ground, there was Luo Kan sitting cross-legged.

There were also several people here, they were waiting for the upcoming battle between Ye Chen and Luo Kan.

In these few days Luo Kan was waiting for Ye Chen's arrival, Luo Kan was waiting for Ye Chen's arrival to continue the pending battle.

When Luo Kan sensed Ye Chen's arrival, he immediately opened his eyes.

"You've finally come too" Luo Kan said to Ye Chen, Luo Kan had waited long enough to battle Ye Chen, this battle would determine who was the strongest between him and Ye Chen.

Ye Chen was the one who had defeated Tu Bei who was a genius, as long as Luo Kan could defeat Ye Chen, then his reputation would definitely rise instantly, thus he could gain countless benefits.

"There is someone who wants to challenge me, how could I not come" Ye Chen said to Luo Kan.

Ye Chen was not a coward, he would naturally fight against Luo Kan to get what he wanted.

"It's good that you are brave, then let's start the battle." Luo Kan immediately called Li Minho's elder, Li Minho's elder who would be the judge for this match.

Li Minho quickly came, he came to the meeting place of Ye Chen and Luo Kan.

"So the two of you are already here, it's good then let's start the battle" Li Minho immediately wanted to start the battle, the previous battle had to be determined the winner, so Li Minho could give the prize.

By now Ye Chen had become a core disciple, so the gifts given by Li Minho would not be of much use to Ye Chen.

Even so, there were additional gifts that might be of use to Ye Chen.

News of Ye Chen and Luo Kan's battle very quickly spread, the place was very quickly filled with spectators who mostly placed bets on Luo Kan.

"Come on, start the battle and defeat him" Luo Kan's supporters started cheering, they all supported Luo Kan to be able to win against Ye Chen.

Most of the people who came to this place were disciples of the inner court, so everyone still disliked Ye Chen.

Ye Chen and Luo Kan prepared themselves, the two of them were fighting for who was the best in the outer court.

"Damn, start" Li Minho immediately started the match between Ye Chen and Luo Kan, the match between Ye Chen and Luo Kan officially started.

After the official match started, Luo Kan immediately charged towards Ye Chen, directly attacking Ye Chen with his wind sword.

"Feel this" Luo Kan slashed at Ye Chen who was in front of him, he used all his strength to slash at Ye Chen.

Just as Luo Kan was about to slash Ye Chen's body, Ye Chen reached out and restrained Luo Kan's wind sword.

Ye Chen easily caught Luo Kan's wind sword, he crushed this wind sword with one grip.

Luo Kan was surprised by Ye Chen's strength, Ye Chen's strength was enormous.

Even though Luo Kan had just broken through, in fact his attack was easily parried by Ye Chen.

"Is that all you can do?" Ye Chen asked Luo Kan who was in front of him.

"I still have many ways to deal with you" Luo Kan said that he still had many ways to deal with Ye Chen.

"Then show me, I want to see your way." Ye Chen said that he wanted to see Luo Kan's way of dealing with him.

"Hand Cannon" Luo Kan shot a ball of wind towards Ye Chen, a wind ball of quite a size headed toward Ye Chen.

This wind ball is different from usual, its power is definitely much stronger than usual.

Luo Kan didn't just shoot one wind ball, he shot several wind balls towards Ye Chen.

Ye Chen only needed to extend his hand, he controlled Luo Kan's attack and turned it towards Luo Kan.

" what?" Luo Kan was quite shocked when he saw what was happening, his attack turned around and aimed at him.

"Did he just deflect the attack" Everyone speculated that Ye Chen had just deflected Luo Kan's attack, they didn't even notice that Ye Chen had just controlled Luo Kan's attack.

Luo Kan had no chance to dodge, he could only block his own attack with a defense.

"Boom. . . ." Several large explosions occurred where Luo Kan was standing, these wind blasts caused quite a commotion.

Chapter 1402 - Luo Kan Lost

Some people with low cultivation were forced to retreat, they were unable to withstand the explosive force that occurred.

After the explosion occurred, everyone looked at Luo Kan, now where Luo Kan was covered by some sand which made people's vision a little blurry.

A moment later the sand around Luo Kan started to be blown away by the wind, the sand disappeared and revealed Luo Kan's tattered figure.

From the outside one could tell that Luo Kan had suffered quite a serious injury, he had suffered quite a serious injury from his own attack.

"how did he deflect my attack" Luo Kan started to grumble, he was confused by Ye Chen who could deflect his attack.

"It seems that I underestimated him too much, I have to use the hidden abilities that I have." Luo Kan had no choice but to use his hidden abilities, it was the only way to defeat Ye Chen.

Luo Kan Closed his eyes, his hand came forward and he opened his middle finger and index finger.

Luo Kan chanted an incantation, he cast a spell that sounded a little strange.

Ye Chen saw Luo Kan, Ye Chen could feel that something big was about to happen, he could see that from Luo Kan's aura, it seemed that Luo Kan intended to use something big.

Massive amounts of profound energy started oozing out of Luo Kan's body, this was followed by the sky turning pitch black.

Plus a very big wind blows, this makes the atmosphere very gripping.

"This" Everyone immediately took cover, they all knew that something very big was going to happen.

"Let's take cover" Jeng Bimle invited Yu Nan to take cover, it would be dangerous if they stayed in this place.

"Um. . ." Yu Nan nodded, she agreed with Jeng Bimle's suggestion that she wanted to find a place to take refuge from the dangers caused by Ye Chen and Luo Kan's battle.

Yu Nan looked at Luo Kan, she didn't expect that Luo Kan was still hiding his strength when against herself, it seemed that Luo Kan only used a little of his strength.

"It's not strange that he dared to challenge Ye Chen, so he also hid his true strength." Yu Nan now understood why Luo Kan still dared to fight against Ye Chen, it turned out that Luo Kan was also hiding great strength.

Li Minho looked up at the sky, he looked up at the sky which had become dark.

"I didn't think he could master this" Li Minho didn't expect that Luo Kan could master this technique, it was a high-level technique that couldn't be used by just anyone.

The risk of using this technique is also very high, this can make the user suffer an injury.

"The name of this technique is A Thousand Wind Prison Formation", this could be said to be a forbidden technique that could be used when absolutely desperate.

A wind wall began to descend, this wind dome began to descend and enveloped the battle arena.

Ye Chen looked around, all exits were closed, now he would no longer be able to get out of this place unless Ye Chen could defeat Luo Kan.

"Now that you're in my prison, you won't come out unless you lose at my hands" Luo Kan said that Ye Chen wouldn't be able to get out unless he lost at his hands.

"Who wants to lose at your hand, I don't want to lose at your hand" Ye Chen said that he didn't want to lose to Luo Kan.

"Too bad, but it can't be helped, feel this" Luo Kan shot several needles made of wind at Ye Chen.

Ye Chen's body was now being bombarded by tens of millions of indistinct wind needles.

These wind needles attacked Ye Chen, all of them aimed at Ye Chen's body.

When the wind needle hit his body, Ye Chen showed no reaction, it seemed that Ye Chen was not affected by Luo Kan's attack.

Luo Kan continued to attack Ye Chen, before Ye Chen lost he would not stop attacking Ye Chen.

Seeing the endless attacks, Ye Chen stepped forward, stepped forward and started to approach Luo Kan.

"What the hell why are you unharmed" Luo Kan roared at Ye Chen, he looked very angry when he saw Ye Chen who was unharmed despite receiving the brutal attacks he launched.

If normal people accepted this, surely all their nerves would be damaged, this technique greatly damaged the enemy's nerves.

The way the wind needle works is like a knife stabbing into a human's nerves, it's like a person being chopped by thousands of invisible blades.

Ye Chen wasn't affected by Luo Kan attack, Luo Kan attack still couldn't get Ye Chen into trouble.

" Sky Wind Law " Ye Chen used the Sky Wind Law to repel the needles that were continuously being fired at him.

With the power of the Sky Wind Law, the wind needle and along with the wind dome disappeared.

A single gust of Sky Wind Law shattered the A Thousand Wind Prison Formation created by Luo Kan.

" cough . . ." Luo Kan rocked, he knelt down and held his chest which was heavily injured.

Ye Chen had shattered his Formation with just one strike, this caused Luo Kan to be seriously impacted.

"How can this be, I can't lose." Luo Kan couldn't believe that the A Thousand Wind Prison Formation was destroyed by Ye Chen so easily.

Ye Chen only needed one strike to destroy the A Thousand Wind Prison Formation, it shattered Luo Kan's mind in seconds.

Luo Kan was very confident in the A Thousand Wind Prison Formation, it was one of the most powerful inheritances given to him by his grandfather.

"This match is over" Ye Chen walked towards Luo Kan, he told Luo Kan that the match was over and he was the winner.

"No I can still fight" Luo Kan said that he could still fight.

Seeing Luo Kan who still didn't want to give up, Ye Chen kicked Luo Kan with full force, he kicked Luo Kan with all his might which sent Luo Kan flying several miles from the arena.

"Ye Chen, stop it" Li Minho came over, he stopped Ye Chen's actions of wanting to keep beating Luo Kan.

Li Minho knew how strong Ye Chen was, a person who was already able to defeat Gong Senye couldn't possibly be a weakling.

If the battle continued, then it was certain that Luo Kan would suffer greatly under Ye Chen's cruelty.

Because he was stopped, Ye Chen gave up his intention, he didn't beat Luo Kan, even though Ye Chen wanted to beat Luo Kan more and more.

Having already obtained his victory, Ye Chen could only let go Luo Kan, himself returning to Jeng Bimle and Yu Nan's side.

"Friend, that was great, you made him suffer unimaginable consequences." Jeng Bimle thanked Ye Chen, Jeng Bimle felt very happy when he saw Ye Chen beat Luo Kan to a pulp.

All of Jeng Bimle's grudge against Luo Kan was satisfied, he was already satisfied with this result.

"Thank you very much, you have avenged me" Yu Nan thanked Ye Chen, he was grateful that Ye Chen had already avenged him.

"You don't need to thank me, I did this on my own free will" Ye Chen said that he was doing this of his own free will.

"Okay, I'll take my reward" Ye Chen couldn't wait to take the prize, Ye Chen wanted to know how many contribution points he got.

Chapter 1403 - Buy All Resources

"This is your ticket" Jeng Bimle gave a betting ticket to Ye Chen, as long as Ye Chen handed over this ticket, then he could get all the contribution points he won.

"Okay, I understand" Ye Chen understood, he would go and take all the gifts he got.

Ye Chen bid farewell to Jeng Bimle and Yu Nan, he immediately went to pick up the result of his bet.

The crowd is very disappointed with the result, they have lost a lot of contribution points in this bet, they all look disappointed to have to lose so many contribution points that they have.

Even though the contribution points they have are very valuable, they can use the contribution points to make up for everything in the Sect, it is like currency in the Sect.

"He really is a very great person" Yu Nan had to admit Ye Chen's strength, Ye Chen's strength was formidable, he was able to defeat someone like Luo Kan very easily.

"He is indeed great, I was also surprised when I first met him" Jeng Bimle agreed with Yu Nan, Ye Chen was indeed a very great person, he was a person with strength that ordinary people could not understand.

"But it looks like he will get into some trouble" Jeng Bimle said that Ye Chen might get into some trouble.

"why?" Yu Nan asked Jeng Bimle, she wanted to know why Jeng Bimle thought like that.

"I've investigated about Luo Kan's origins, and found something out of the ordinary" Jeng Bimle said to Yu Nan.

Jeng Bimle had investigated Luo Kan, he already knew the origin and background of Luo Kan.

"What kind of background does he have anyway?" Yu Nan asked about Luo Kan's background, he was curious about what Jeng Bimle had just said.

"Luo Kan is from the Luo family, his uncle is Genius Luo Tian, ??so it would be dangerous to seek trouble with him" Jeng Bimle told Yu Nan about his findings.

"Is he going to be okay" Yu Nan just found out about this, it's not strange that Luo Kan's abilities are almost similar to Luo Tian's, it turns out that he is one of Luo's exit members just like Luo Tian.

"I hope that nothing happens to Luo Kan, if anything happens, it will be very troublesome for him." Jeng Bimle prayed that nothing bad would happen to Ye Chen.

"let's go" Jeng Bimle invited Yu Nan to leave this place, they had to go back and rest, Yu Nan's health was still not too good, so Jeng Bimle had to make sure that Yu Nan got enough rest.

"um" Yu Nan nodded, he will follow what Jeng Bimle said, her health is the most important thing, he must recover quickly and start cultivating.

Jeng Bimle and Yu Nan left this place, both went to the room where Yu Nan lived and was treated.

Meanwhile Li Minho took Luo Kan away, he had to make sure Luo Kan received treatment, Luo Kan's wound seemed very heavy, if he didn't get help right away it would be a problem.

Luo Kan was taken by Li Minho away from this place, he took Li Minho out of this place.

To reward Ye Chen, Li Minho will send it directly to the Jade Lotus Peak, however Ye Chen stayed at Jade Lotus Peak, so it would be very easy for Li Minho to give the prize to Ye Chen

Meanwhile, Ye Chen went to pick up his prize, when Ye Chen took the prize, Ye Chen found that he had a lot of contribution points.

It seemed that not many people were betting on Ye Chen, this made Ye Chen's results very high.

"Congratulations, you have won, these are all the prizes you got" the person in charge was both annoyed and dissatisfied with Ye Chen's victory, this person looked dissatisfied that Ye Chen had won the bet.

Ye Chen was quite happy with everything he got, it could be said that now that Ye Chen had become the richest person in the Sect, Ye Chen's contribution points were now hundreds of millions, this could be used by Ye Chen to buy whatever he wanted.

"Time to buy all the resources in the Contribution Hall in the Core Sect" After receiving the reward, Ye Chen immediately rushed to the Contribution Hall.

Ye Chen arrived very quickly in this Sect's contribution hall, it's not too crowded here, it's not like the outer court and inner court.

Ye Chen went to one of the receptionists who was in charge of serving the needs of core disciples.

"Hello, can I help you?" the receptionist asked Ye Chen, he wanted to know what Ye Chen needed.

"I need resources" Ye Chen said that he needed resources to cultivate.

"How much contribution do you have, I'll find it for you" the receptionist asked how much budget Ye Chen had.

"Take out everything you have, I'll buy it." Ye Chen said to the receptionist that he wanted to buy all the available resources.

The receptionist's face twitched when she heard what Ye Chen said, she really couldn't believe what she just heard.

This is the first time she's heard of anyone wanting to buy all the best resources in this place, it's a pretty crazy thing to do.

It should be noted that the price of resources such as pills, medicinal herbs and some other items were quite expensive, to buy all of them required a large budget, and it could not be done by just anyone.

"Are you joking with me" the receptionist thought that Ye Chen was joking with herself, she didn't believe what Ye Chen said.

"Why am I joking with you, will I receive an advantage when joking with you?" Ye Chen said to the receptionist in front of him.

What Ye Chen said was true, why was Ye Chen joking with the female receptionist, there was no point for Ye Chen to do that.

"Which peak are you a disciple from?" the receptionist asked Ye Chen, the receptionist wanted to know where Ye Chen came from.

After all Ye Chen was still wearing the uniform of an inner court disciple, so the receptionist asked about Ye Chen's origin.

"I'm from Jade Lotus Peak." Ye Chen said that he was from Jade Lotus Peak.

"Why don't you take it seriously, Jade Lotus Peak is only for girls, I never heard that Jade Lotus Peak has a male." The female receptionist was getting dissatisfied, it seemed that Ye Chen just wanted to play with her.

"This is if you don't believe it" Seeing that the woman in front of him still didn't believe him, Ye Chen decided to give the Jade Lotus Peak disciple mark to the receptionist.

Seeing what Ye Chen had just brought out, the receptionist immediately realized that Ye Chen was not lying.

The receptionist started to wonder how Ye Chen got into the Jade Lotus Peak, how he got into the Jade Lotus Peak.

"Now can I buy all the best resources this place has" Ye Chen said to the female receptionist.

"That, how many contribution points do you have?" the receptionist asked how many contribution points Ye Chen had.

It should be noted that the price of goods in this Hall is much more expensive when compared to the outer court and the inner court.

"This is it, why don't you see it" Ye Chen showed how many contribution points he had.

The receptionist peeked at Ye Chen's contribution points, when she saw Ye Chen's contribution points, she was really surprised.

Chapter 1404 - Important Information Of Frozen Blood Eater

"This is impossible" the receptionist was really surprised when she saw the number in her hand, she rubbed her eyes several times to make sure that what she saw wasn't wrong.

After rubbing her eyes a few times, the Receptionist found that she wasn't delirious, this had all come true.

The receptionist looked at Ye Chen, from his appearance alone Ye Chen was an ordinary person, how could he have so many contribution points in his body.

Ye Chen didn't show any reaction, he didn't show any reaction at all when he saw the receptionist was shocked.

"So can I buy something at this place?" Ye Chen asked the receptionist in front of him.

" Of . . .course. . . ." The receptionist seemed to stutter when talking to Ye Chen, she stuttered when talking to Ye Chen.

To be honest, while working at this place, he had never heard of someone who contributed as much as Ye Chen, Ye Chen was the first person to have contributed this many points.

The receptionist started to leave, he took all the best materials in the warehouse, with the wealth that Ye Chen currently had, Ye Chen did have the ability to buy all the resources to cultivate.

With this much contribution of points, what Ye Chen wanted could very easily be fulfilled.

A few moments later the receptionist came with a lot of items, he brought all the best items in the warehouse.

This of course took everyone by surprise, they had never seen someone pick up so many items at one time, plus the items purchased looked very expensive and quite difficult for normal students to obtain.

"This is everything you want, I have brought everything" The receptionist said that she had brought all the things in the warehouse, these were all the best resources in this place.

Ye Chen took a quick look, he could tell what the Receptionist had just picked up, indeed the items that came were quite good and rare, this could make one level up very quickly.

"Looks like this is enough to use for a while." Ye Chen felt that all these items were enough to cultivate for his woman.

"I take them all" Ye Chen said that he would take them all.

"Thank you very much" The receptionist thanked her, she seemed very happy when she heard this.

The reason the Receptionist seemed happy was because she would get some bonuses from selling this to Ye Chen, that way she would live comfortably for a while.

Ye Chen finished the payment, after completing the payment for all the resources he bought, Ye Chen immediately returned to Jade Lotus Peak.

Ye Chen ignored the gazes of the core disciples who saw what Ye Chen had just done, the core disciples present didn't believe that Ye Chen would buy everything at one time, they didn't know how rich Ye Chen was to be able to buy them all.

"Yuechan, didn't you say before that Ning'er was in charge inside the fairy gate" Ye Chen said to Chu Yuechan.

" Yes, what is up ?" Chu Yuechan replied to Ye Chen.

"I want you to plant all these medicinal herbs and cultivate them" Ye Chen said to Chu Yuechan.

"As for that matter, Ning'er has already started cultivating tons of plants, she's grown so many plants in the medicinal garden that is inside the fairy gate storage, you just haven't seen it" Chu Yuechan said to Ye Chen.

"Eh, really?" Ye Chen didn't know that Chu Ning'er had already done that.

Ye Chen hadn't seen the medicinal garden for a long time, so it wasn't strange that he didn't know much about the matter.

"Of course, he has already done that, now you better give her a gift, I think he wants some sweets" Chu Yuechan said to Ye Chen.

"Relax, the matter will be resolved." Ye Chen was going to make some lollipops for Chu Ning'er, Chu Ning'er really really likes lollipops.

Ye Chen left the Sect, he went to the city to buy candy-making ingredients for Chu Ning'er.

Ye Chen went to the nearest town, White Cloud City, he wanted to visit Li Jingyi and tell him that he had become a core disciple.

After buying some ingredients for food, Ye Chen went straight to his house in White Cloud City.

"master, I finally found you" when Ye Chen was about to return to his residence, Ye Chen was stopped by a woman.

Ye Chen could immediately tell who the woman stopped him was, this woman was a Frozen Blood Eater or Ye Chen's servant.

"What's wrong?" Ye Chen immediately asked Frozen Blood Eater why she was looking for him.

"master, you really are so cold, how can you treat me like that" Frozen Blood Eater said to Ye Chen.

"I'm busy, why don't you say what you want" Ye Chen told Frozen Blood Eater to say what she wanted.

"I came to report the request you wanted, I have found the person who wants to kill you" Frozen Blood Eater said that he had found the person who wanted to kill Ye Chen.

"Say it quickly" Ye Chen told Frozen Blood Eater to say who it was that wanted to kill him.

"Come with me and find a quiet place, this information is a little sensitive." Frozen Blood Eater led Ye Chen to find a quiet place to discuss this matter.

Ye Chen nodded, both of them looking for a quiet place to talk about this matter.

"Here I found that there are two suspects, one is a powerful organization and the other is an individual." Frozen Blood Eater had already found the person who tried to harm Ye Chen, he had already found a clue about it.

"Okay, just say it, who are they?" Ye Chen was more and more curious, he wanted to know the information that Frozen Blood Eater had just obtained.

"okay first is a person named Long Dou, he should be from the Song Family, he is one of the people who wanted to kill you because you messed up his plans" Frozen Blood Eater managed to find information about Long Dou wanting to kill Ye Chen, this information was very accurate and no longer need to be questioned.

"Oh, so that person" Ye Chen remember Long Dou, it turned out that that person was indeed an enemy under the covers, Ye Chen's guess was right, he was indeed the mastermind behind the incident that occurred in the Song Family.

"next" Ye Chen wanted to know who else was after him.

"The second is a little troublesome, this is the Code Breaker organization, they are on the move and looking for information about you, even they are trying to target the people closest to you." Frozen Blood Eater reported that the Code Breaker organization was after Ye Chen and people close to Ye Chen.

" what ! ! !" Ye Chen didn't expect that he would listen to this kind of information, he became worried about Li Jingyi situation, Li Jingyi was currently living alone, it would be a problem if the Code Breaker organization was after her.

"I have to leave immediately" Ye Chen had to go immediately and confirm Li Jingyi condition, Ye Chen hoped that Li Jingyi would not leave the house, if Li Jingyi left the house, it would be difficult for Ye Chen to protect Li Jingyi safety.

Ye Chen immediately left, he rushed to return to his home.

Chapter 1405 - Everything Is Fine

"Master" Frozen Blood Eater didn't expect Ye Chen to leave so quickly, it seems that the information just now made Ye Chen worried.

Frozen Blood Eater had no choice but to follow Ye Chen, after all she was now bound to Ye Chen and couldn't walk away from this man.

Frozen Blood Eater had searched for many ways to release the slave seal, unfortunately it couldn't be done, the slave seal couldn't be broken easily, the seal that Ye Chen planted was extremely complicated.

Ye Chen quickly arrived at the district his house was in, Ye Chen immediately went downstairs and looked for Li Jingyi's whereabouts.

It was very easy for Ye Chen to find Li Jingyi's whereabouts, Li Jingyi was currently arranging some flowers in the courtyard.

Ye Chen was quite relieved when he saw this, looks like what he thought didn't happen, Li Jingyi is fine.

Ye Chen immediately went downstairs, he met Li Jingyi who was downstairs.

When Ye Chen came, Li Jingyi easily found that Ye Chen was coming.

"husband, You is back" Li Jingyi didn't expect that Ye Chen would come back so soon to see her, it wasn't normal for Ye Chen to do something like this.

"Yes, I'm back, how are you?" Ye Chen asked about Li Jingyi's condition.

Had Li Jingyi had a bad time recently, Ye Chen really wanted to know about it.

"I'm fine, nothing happened to me" Li Jingyi said that she was fine, nothing happened to Li Jingyi.

"So it's like that, I think something bad happened to you" Ye Chen was very grateful when he heard this, Ye Chen thought that something bad had happened to Li Jingyi.

It seems that the Code Breaker organization still hasn't made a move, they still haven't made a move on Ye Chen's closest people.

Ye Chen had to start being careful, he shouldn't be rash in responding to this matter, Ye Chen should be able to protect those closest to him, he shouldn't let them get hurt.

"Husband, what brought you back?" Li Jingyi asked Ye Chen.

"Why, shouldn't I go back and visit my beautiful wife?" Ye Chen said to Li Jingyi.

Ye Chen hugged Li Jingyi developed body, after being together with Ye Chen, Li Jingyi body also started to mature, she became very seductive in clothes that could be said to be covered.

Ye Chen directly touched Li Jingyi enormous double peak, Li Jingyi double peak grew bigger as time went by.

"Husband, not here" Li Jingyi wasn't surprised anymore when she saw Ye Chen's behavior, Li Jingyi was already getting used to what Ye Chen was doing.

"Don't worry, I won't do anything bad." Ye Chen said that he wouldn't do anything bad, Ye Chen just wanted to tease the beautiful goddess in his arms.

"husband, how did it go?" Li Jingyi asked how was Ye Chen's test result, whether Ye Chen managed to become a core disciple or not.

"Of course I succeeded, this is your husband who can do anything" Ye Chen said to Li Jingyi.

Ye Chen couldn't possibly disappoint Li Jingyi, he had already managed to achieve what he wanted.

"That's great, I'm happy to hear that" Li Jingyi said that she was happy when she heard this, Li Jingyi was happy to hear that Ye Chen had succeeded in becoming a core disciple.

"Wife, I have something I want to say." Ye Chen said to Li Jingyi quite seriously.

"What is it?" Seeing Ye Chen's seriousness, Li Jingyi immediately asked what Ye Chen wanted to talk about.

"You know the organization that attacked the Immortal Sky Empire?" Ye Chen asked Li Jingyi.

"Yes, I know." Li Jingyi of course knew about it, he already knew that it was an organization led by her uncle.

"It seems that the organization is after me and my closest people, so I want you to be more careful" Ye Chen gave a warning to Li Jingyi, Ye Chen didn't want anything bad to happen to Li Jingyi.

"You don't have to worry, I can take care of myself" Li Jingyi told Ye Chen that she could take care of herself, so Ye Chen didn't have to worry too much about her.

"wife, our opponent is a big group, even though I trust you very much, it will still be dangerous if you run into them" Ye Chen still had to think about this, if the strong people in the Code Breaker organization came.

Li Jingyi was very happy that Ye Chen cared about her so much, she was quite happy with the attention that Ye Chen showed, it meant that Ye Chen still loved her.

Ye Chen, come in, I have something I want to talk to you about." Li Jingyi invited Ye Chen in, she wanted to talk to Ye Chen about something.

"Why not just stay here?" Ye Chen asked Li Jingyi.

"It's a bit important, so come with me." Li Jingyi told Ye Chen to come with her, there was something important that Li Jingyi wanted to talk about.

Seeing that Li Jingyi was a little serious, Ye Chen went along with Li Jingyi, Ye Chen was quite curious as to what Li Jingyi wanted to say.

Ye Chen and Li Jingyi went inside, they both entered into a very closed room.

"Hmm, what are they talking about, I'm very curious." Hu Yinan was curious about what Ye Chen and Li Jingyi were talking about, she wanted to know the contents of their conversation.

Hu Yinan was quite surprised when she saw Li Jingyi beauty, she didn't expect that Ye Chen would have a woman as beautiful and gentle as Li Jingyi, it wasn't strange if he didn't glance at Hu Yinan, apparently this was the reason.

Hu Yinan had thoughts of sneaking in, she intended to go inside and find out what was going on.

"What are you doing in this place?" Just as Hu Yinan was about to enter, she heard a cold voice filled with murderous intent.

Hu Yinan immediately turned her head to see who was beside her, when Hu Yinan turned her head, she saw that Qiao Xin's figure was already near her.

"Wind Shadow, what are you doing in this place?" Hu Yinan looked panicked when she saw Qiao Xin nearby.

"I should be the one asking, how dare you sneak into this place" Qiao Xin asked Hu Yinan, herself asking Hu Yinan who sneaked into this place.

Qiao Xin didn't expect that if she caught a Frozen Blood Eater, this woman must be plotting something against Ye Chen.

"Quickly say what you want in this place." Qiao Xin asked what Hu Yinan wanted in this place.

Hu Yinan smiled when she saw this, Hu Yinan smiled evilly when she saw Qiao Xin's angry reaction.

"Why should I tell you, I don't have an obligation to tell you about the matter, after all I have nothing to do with you" Hu Yinan said that he had no obligation to tell Qiao Xin.

Qiao Xin was dissatisfied with the answer given by Hu Yinan, this woman's answer did not fall within what Qiao Xin expected.

"You forced me to do this" Qiao Xin had no choice but to force Hu Yinan to speak.

The only way to get Hu Yinan to speak was by force, it was the only way to make Hu Yinan willing to speak the truth to Qiao Xin.

Chapter 1406 - Yin & Yang Awakening Flower

Qiao Xin and Hu Yinan started a battle, both of them fought a battle near Ye Chen's house.

Ye Chen was currently together with Li Jingyi, so Ye Chen could not interfere in the battle between Qiao Xin and Hu Yinan.

Ye Chen was currently following Li Jingyi, the two of them headed towards their rooms.

After arriving in the room, Li Jingyi sat on the bed.

"Husband, come here" Li Jingyi told Ye Chen to come to her side, Li Jingyi even offered a lap for Ye Chen.

Ye Chen came to Li Jingyi's side, he immediately fell asleep on Li Jingyi's lap.

Ye Chen didn't expect that Li Jingyi would give this, Ye Chen thought Li Jingyi would give him something.

Li Jingyi used her hand to stroke Ye Chen's head, she was like an older sister pampering her little brother.

"Husband, I want to ask you something" Li Jingyi said that she wanted to ask Ye Chen something.

"What is it?" Ye Chen asked Li Jingyi, Ye Chen wanted to know what Li Jingyi wanted to ask.

"Is the Solar Stone in your hands?" Li Jingyi asked about the Solar Stone in Ye Chen's hand.

"Yes, it is indeed in my hands." Ye Chen said that the Solar Stone was indeed in his hands.

"Husband, the Solar Stone is the thing that the Code Breaker organization is currently looking for, as long as you have it, they will continue to chase you." Li Jingyi said to Ye Chen.

"Yes, I also know about it, they are after the Solar Stone in my hand, if they get it, it will be very dangerous for everyone" Ye Chen knew what Li Jingyi meant.

"Why don't you just let it go, and leave the matter to someone else, then they won't be after you anymore" Li Jingyi told Ye Chen to let go of the Solar Stone.

"It won't do any good, you should know that even if I don't have the Solar Stone, they will still be after me, they definitely won't let me off the hook." Ye Chen didn't agree with what Li Jingyi wanted, Ye Chen believed that the enemy would not stop looking for him even after he released the Solar Stone.

"Indeed, the possibility is very high" what Ye Chen said was probably true, for sure the enemy would never let Ye Chen go.

"Wife, you don't have to worry too much about that matter, I'm sure that I can take very good care of myself" Ye Chen said if he could take care of himself, he would definitely fight the Code Breaker organization and destroy them.

"yes, I will believe you" Li Jingyi will try to believe in Ye Chen, she will trust Ye Chen who is the most understanding person to her.

Even if Ye Chen was in trouble, Li Jingyi would be happy to help Ye Chen sort things out.

"Is that all you want to say?" Ye Chen asked Li Jingyi who was in front of him.

"There's one more thing I want to tell you, it's about a resource that can make Dual Cultivation cultivators faster." Li Jingyi said that she had just discovered information about a plant that could increase the power of Dual Cultivation.

"What kind of stuff?" Ye Chen immediately asked what Li Jingyi was referring to, to be honest Ye Chen was quite curious about this matter.

"The name of that thing is Yin & Yang Awakening Flower" Li Jingyi told about the thing he just meant.

"What Yin & Yang Awakening Flower" Ye Chen immediately got up when he heard this, it was something very precious and very difficult to obtain, it could be said that it was an extremely rare item.

The function of the Yin & Yang Awakening Flower is for couples who do Dual Cultivation, by using it one can obtain tremendous benefits, it can increase the user's strength insanely.

"Um" Li Jingyi nodded her head telling him that what she said was the truth.

"where's that?" Ye Chen asked the location of the Yin & Yang Awakening Flower that Li Jingyi had just said.

"The location is in a place called the valley of memories, I heard there is a Yin & Yang Awakening Flower at the secret place, there are already many people trying to get the Yin & Yang Awakening Flower, unfortunately they still can't get the Yin & Yang Awakening Flower " Li Jingyi said to Ye Chen.

"Can this information be proven?" Ye Chen asked about the information Li Jingyi said.

"I don't know much about this matter, I only heard about it from someone" Li Jingyi said to Ye Chen.

Li Jingyi couldn't confirm this, he still couldn't confirm if this information was proven to be true.

"Yin & Yang Awakening Flower, looks like I have to tell Yinan to find out about this matter first" Ye Chen decided to find out the truth of this matter, if this was really true, then Ye Chen could go and pick it up.

The Yin & Yang Awakening Flower was an extremely fine item, it would definitely attract the attention of cultivators cultivating Dual Cultivation.

They would definitely come and try to retrieve the item, after all it was a treasure for cultivators who cultivated Dual Cultivation.

"Then I will find out the news first." Ye Chen said that he would first find out about this news.

If you have confirmed this truth, then I want to come with you." Li Jingyi said that he wanted to go with Ye Chen, he wanted to go and look for the Yin & Yang Awakening Flower with Ye Chen.

"Of course, you can come if you want." Ye Chen didn't mind this matter, he didn't mind if Li Jingyi came with him.

Li Jingyi was also quite strong, so Ye Chen didn't have to be too afraid to take Li Jingyi along with him.

Ye Chen and Li Jingyi chatted for a while, after Ye Chen decided to leave and return to the Jade Lotus Peak, there was still something he needed to finish within the Jade Lotus Peak.

Li Jingyi could easily understand Ye Chen, so he could accept what Ye Chen did.

Before leaving, Ye Chen looked for the whereabouts of Hu Yinan, he wanted Hu Yinan to find information from the Yin & Yang Awakening Flower.

Using Hu Yinan's connection, it would be very easy to find information about the Yin & Yang Awakening Flower.

Ye Chen searched for Hu Yinan's whereabouts, with the connection of the Servant Love Contract, Ye Chen could very easily find Hu Yinan's whereabouts.

Ye Chen went to Hu Yinan's place, when Ye Chen arrived at Hu Yinan's place, Ye Chen saw that Hu Yinan was currently tied up, the person who bound Hu Yinan was Qiao Xin.

"Qiao Xin, what are you doing?" Ye Chen came over, himself asked what was going on here.

"Ye Chen! ! !" Qiao Xin looked nervous when she saw Ye Chen, she didn't expect that she would be found by Ye Chen.

"Master, you have to help me, this woman is trying to hurt me." Seeing Ye Chen's arrival, Hu Yinan immediately asked Ye Chen to let her go.

"Okay" Ye Chen immediately released Hu Yinan who was caught by Qiao Xin.

Chapter 1407 - Birthday Party Invitation From Song Han

"Ye Chen why did you free her" Qiao Xin questioned Ye Chen, she questioned Ye Chen who freed Hu Yinan, even though Hu Yinan was very, very dangerous.

"You don't have to worry, she is not a bad person, she is my servant" Ye Chen told that Hu Yinan was his servant.

"What ! ! !, Since when?" Qiao Xin looked in disbelief when she listened to what Ye Chen said, she didn't expect that Ye Chen would have a servant and master relationship with Hu Yinan.

"It's been quite a while, I happened to meet him and made her my servant" Ye Chen told Qiao Xin the truth.

Qiao Xin did not expect that Ye Chen would make Hu Yinan a servant.

"You heard it yourself didn't you, so don't bully me anymore" Hu Yinan complained to Qiao Xin who had bullied her.

With Ye Chen here, Hu Yinan was getting bolder and bolder, she was getting bolder when Ye Chen was here.

As long as Ye Chen was around her, then Qiao Xin would definitely not dare to do anything to her, this meant that Hu Yinan wouldn't have to worry too much when dealing with Qiao Xin.

"I have a task for you" Ye Chen announced that he would give a new task to Hu Yinan.

"What other tasks?" Hu Yinan directly asked about the task that Ye Chen would be given.

"I want you to find out about the information of the Yin & Yang Awakening Flower in the valley of memories" Ye Chen told Hu Yinan about the information he wanted.

"Okay, I will immediately go and look for it" Hu Yinan did not dare to argue with Ye Chen, she immediately set out to find the information that Ye Chen wanted.

Qiao Xin was quite surprised when she saw Hu Yinan being so obedient in front of Ye Chen, she didn't know that this woman could be so obedient like this.

Hu Yinan left and left Ye Chen together with Qiao Xin.

"Ye Chen, what exactly have you done to her?" Qiao Xin asked Ye Chen.

"I didn't do anything, I just hired him." Ye Chen said that he didn't do anything, he only hired Hu Yinan.

"You're trying to lie to me, I don't believe what you're saying" Qiao Xin wasn't that stupid, she couldn't believe what Ye Chen just said so easily.

Qiao Xin was very sure that Ye Chen must have done something to Hu Yinan, this made her very obedient to Ye Chen.

"Why don't you figure it out yourself" Ye Chen came closer and hugged Qiao Xin who was in front of him.

Qiao Xin tried to back away, unfortunately she couldn't do that because her path was blocked by Ye Chen.

"Ye Chen, what are you doing?" Qiao Xin asked what Ye Chen was doing.

"What do you think I'm doing?" Ye Chen asked what he was doing right now.

"Don't do bad things to me" Qiao Xin told Ye Chen not to do bad things to her.

"what's the reason, aren't you my girlfriend" Ye Chen said to Qiao Xin.

Ye Chen looked very domineering, he was trying to dominate Qiao Xin who was in front of him.

Qiao Xin felt very weak when she was in front of Ye Chen, she looked very weak when she was in front of Ye Chen.

Qiao Xin didn't know why she always felt weak in front of Ye Chen, Ye Chen's dominance was very strong.

"I didn't say that, you should let me go right now." Qiao Xin told Ye Chen to let go of himself.

"You are so mean, how can you say that to me" Ye Chen was sad when he heard this from Qiao Xin.

"-_- " Qiao Xin looked helpless when she saw what happened to Ye Chen, she looked confused when she faced Ye Chen.

Honestly dealing with Ye Chen was very difficult to do, Qiao Xin couldn't win over Ye Chen.

"How can Jingyi defend against this person?" Qiao Xin started to wonder how Li Jingyi could defend against Ye Chen.

"Alright, I didn't mean it like that, so let me go, I want to do something" Qiao Xin said to Ye Chen.

Qiao Xin couldn't help but give in, she couldn't win against Ye Chen.

"How can it be like that, I want to let you go as long as you kiss me" Ye Chen said to Qiao Xin.

Ye Chen promised to release Qiao Xin, as long as Qiao Xin wanted to kiss Ye Chen.

"How can it be like that?" Qiao Xin looked dissatisfied when she heard this, she was dissatisfied when she saw Ye Chen's request.

"What's wrong with that, as a couple doing that is normal, I'll admit it" Ye Chen said with a stupid expression.

"Alright, alright" Qiao Xin had no other choice, she had no choice but to kiss Ye Chen.

Qiao Xin started kissing Ye Chen, she started kissing Ye Chen who was in front of her.

Ye Chen happily accepted a kiss from Qiao Xin, himself receiving a kiss from a beautiful woman like Qiao Xin.

Qiao Xin's kiss was quite skillful, she was able to balance her abilities with Ye Chen's.

As the person who had guided Li Jingyi, Qiao Xin's skills were already quite capable.

Ye Chen didn't hold back, he showed his abilities, he started kissing Qiao Xin passionately.

"Chu, Chu, Chu, Chu, Chu, Chu" Ye Chen and Qiao Xin had a mature kiss for a while, the two of them seemed very close when they had a mature kiss.

Qiao Xin could feel a very very pleasant feeling, she felt her heart was very happy when kissing Ye Chen.

Qiao Xin started to loosen her guard and started kissing Ye Chen with all her heart and soul.

Under the tree, the two crazily kissed and entangled with each other, both of them seemed to be enjoying immensely this momentum .

"Humph. . .," after a while, Qiao Xin started to lack oxygen, so she tried to push Ye Chen away.

Seeing that Qiao Xin was already incapacitated, Ye Chen was finally willing to let her go.

"You almost strangled me to death" Qiao Xin complained, herself almost being strangled by Ye Chen.

"Hehehe, I'm sorry" Ye Chen apologized, himself apologizing for being too aggressive.

"forget it, I'll just go see Li Jingyi." Qiao Xin decided to go see Li Jingyi.

Qiao Xin left very quickly, she was like a rabbit that had just seen a predator.

Ye Chen couldn't help but smile when he saw Qiao Xin, since Qiao Xin had already left, Ye Chen decided to leave this place.

"Ye Chen" When Ye Chen was about to return, he met an acquaintance again.

Ye Chen saw who else met him, when Ye Chen saw the person who met him, Ye Chen found that it was Old Man Song Han.

"Grandpa Song what's wrong?" Ye Chen asked Song Han, he wanted to know what made this old man come to see him.

"I came here to give you something" Song Han said that he came here to give something to Ye Chen.

Song Han gave a letter to Ye Chen, this letter looked very good.

" What's this?" Ye Chen immediately asked about what Song Han had given him.

"This is a party invitation, in 2 days is Ziyu's birthday party, I hope you come to this event" Song Han told Ye Chen about the contents of this invitation.

Chapter 1408 - Yin & Yang Core Tree Spirit

"Is it her birthday?" Ye Chen asked Song Han.

"Yes, it's my grandson's birthday, so I hope you come, she will definitely be happy about it." Song Han told Ye Chen to come, Song Ziyu would definitely be happy with Ye Chen's arrival.

"Alright, I have no problem coming to this event" it's okay to come to this event, Ye Chen promised Song Han.

In the God Realm, birthday party are not celebrated every year, this will only be celebrated a few times, so this is quite a special occasion for everyone.

"That's great, hahaha" Song Han was happy when he heard this, he was happy that he could invite Ye Chen.

"Okay, then I'll go first, I still have to sort things out for the birthday party" after giving Ye Chen an invitation, Song Han left immediately, Song Han still had to sort things out.

Ye Chen saw the departure of Song Han, after Song Han completely disappeared, Ye Chen flew towards the direction of Nine Immortals Peak Sect.

Ye Chen returned to Jade Lotus Peak and went straight to his room.

When Ye Chen entered his room, Ye Chen found that his room was empty, it seemed that Mei Yueli and Mu Xueying had already left.

Mei Yueli and Mu Xueying had indeed left, they both went to clean themselves up.

Due to the long battle with Ye Chen for several nights, Mei Yueli and Mu Xueying were sweating profusely, their bodies were covered in sweat that was extremely fragrant, so they had to rid themselves of the sweat.

Mu Xueying and Mei Yueli didn't like getting dirty, so both of them cleaned themselves to be clean and look more beautiful.

"Both of them aren't there, I'd better go inside the fairy gate" Since Mu Xueying and Mei Yueli weren't there, Ye Chen decided to go inside the fairy gate alone.

Ye Chen turned into a glimmer of light and disappeared, Ye Chen had now entered the fairy gate.

After entering the fairy gate, Ye Chen went towards the medicinal garden, Ye Chen wanting to see for what Chu Yuechan had to say.

After arriving at the medicinal garden, Ye Chen saw something incredible, he saw medicinal plants of very high quality lined up neatly in front of him.

"Wow, this" Ye Chen didn't expect that the medicinal garden would be this good, he couldn't believe that this was all done by Chu Ning'er.

"Big brother Ye Chen, what are you doing?" Chu Ning'er came and walked over to Ye Chen, she asked what Ye Chen was doing.

"I came here to see the medicinal garden, I didn't expect it to turn out like this" Ye Chen said to Chu Ning'er.

"Of course, I was the one who did all this, I was the one who took care of and made them all like this." Chu Ning'er looked very proud of what she had done, she was very proud that she had managed to cultivate medicinal herbs to this extent.

Honestly, Chu Ning'er wouldn't be able to do this without the help of the Array in the fairy gate, it was the Array within the medicinal race that had made all the medicinal herbs and grown extremely well.

"That's great." Ye Chen was very happy, he was pleased with Chu Ning'er's performance, Ye Chen started to rub Chu Ning'er's head.

"This is a present for you, I'll make some for you later." Ye Chen gave some sweets to Chu Ning'er, later Ye Chen would make some more for Chu Ning'er.

"Wow, thank you very much." Chu Ning'er looked very happy when she got the gift from Ye Chen, she really liked the gift that Ye Chen gave.

Chu Ning'er likes sweet, sweet, she really likes things sweet like sugar.

After giving gifts to Chu Ning'er, Ye Chen immediately went and picked some medicinal herbs cultivated by Chu Ning'er.

All the medicinal plants of the body and reproduce very well splendidly.

"Ning'er is really great, I didn't expect her to be able to do something like this." After picking some medicinal plant, Ye Chen discovered that these plants were extremely pure grades, these could be said to be the best quality medicinal plant in God's realm.

Ye Chen gathered some necessary medicinal herbs, he wanted to give them to Xia Qingyu and Mu Nianci who really needed these things.

"As for Mu Xueying and Mei Yueli, the two of them can enter the fairy gate themselves, they can pick up the medicinal herbs they need themselves.

While Ye Chen was collecting medicinal plant, Ye Chen saw a tree growing.

"Why does this look familiar?" Ye Chen felt that this tree looked familiar to him, Ye Chen felt that he had seen this tree.

"Ning'er, this tree" Ye Chen asked Chu Ning'er about the tree that had just grown.

"Big brother, it's the Yin & Yang Core Tree." Chu Ning'er told Ye Chen that it was the Yin & Yang Core Tree.

"Eh, Yin & Yang Core Tree, how did it grow here?" Ye Chen was quite surprised when he heard this.

"I used the Yin & Yang Fruit of Life you have to cultivate the Yin & Yang Core Tree." Chu Ning'er told the method she used to cultivate the Yin & Yang Core Tree.

"What, you used my Yin & Yang Fruit of Life for that, I haven't even used it yet" Ye Chen said helplessly, even though Ye Chen had not used the Yin & Yang Fruit of Life, but it was turned into a tree by Chu Ning'er.

"You don't have to worry, when you grow up you will get more" Chu Ning'er told that Ye Chen would earn more in the future.

"-_- " Ye Chen was speechless, how long would it take to regain the Yin & Yang Fruit of Life, definitely Ye Chen would have to wait a long time for that.

"You don't have to worry about it." Suddenly a voice emerged from the Yin & Yang Core Tree, a female figure appeared, this woman's body looked a little short, it was estimated that she was the same as a girl at the age of 13.

This woman is quite beautiful, she is wearing a green dress and green hair flowing straight, plus there are some leaves that form a hair ornament.

Ye Chen didn't know where this woman came from, her appearance was quite shocking.

"Is she a spirit?" Ye Chen looked at this woman up and down, this woman seems to be a spirit.

"Wow, Sister Ling, you're finally awake." Chu Ning'er looked happy when she saw this female spirit, it seemed that Chu Ning'er knew who this woman was.

"Thank you very much, thanks to you I can exist again" Ling thanked Chu Ning'er, thanks to Chu Ning'er her existence did not perish from this world.

"You're welcome." Chu Ning'er nodded a few times, herself happy to help Ling solve her problems.

The full name of the female spirit of the Yin & Yang Core Tree was Fei Ling, she had already outlived Chu Yuechan or Chu Ning'er.

"Are you the spirit of the Yin & Yang Core Tree?" Ye Chen asked, he asking if Fei Ling was the spirit of the Yin & Yang Core Tree.

"Yes, that's right." Fei Ling nodded, she was indeed the spirit of the Yin & Yang Core Tree.

"So at that time you gave me the Yin & Yang Fruit of Life" Ye Chen asked Fei Ling.

Chapter 1409 - Choosing A Gift For Song Ziyu

"Of course, of course, I want to give you a little bit of strength that I have, I didn't think that it would save me instead" Fei Ling said in a tone filled with gratitude.

"I see." Ye Chen now understood, he now understood why this could happen.

It seemed that Fei Ling gave a little of her spirit power to the Yin & Yang Fruit of Life, it allowed Fei Ling to come back to life.

"For now I may not be able to give you the Yin & Yang Fruit of Life, I will work on it as soon as possible, this place has very pure Energy, so it definitely won't take long" Fei Ling said that she would give Ye Chen Yin & Yang Fruit of Life.

"No problem, I'll wait for it" heard Fei Ling was willing to take responsibility, then Ye Chen didn't need to worry about this anymore.

"Thank you very much" Fei Ling thanked Ye Chen, she was grateful for Ye Chen's understanding.

"Oh, sorry I haven't introduced myself yet, my name is Fei Ling, nice to meet you, I hope you can take care of me in this place" Fei Ling introduced herself to Ye Chen.

"okay, my name is Ye Chen" Ye Chen introduced himself, Ye Chen welcomed Fei Ling well.

As Fei Ling's body started to become slightly transparent, he seemed to be starting to blur.

"What happened?" Ye Chen immediately asked what happened, why did Fei Ling become like this.

"Sorry, it seems my Spirit power is still weak, so I can't maintain this form for long." Fei Ling said that he couldn't maintain her human appearance form for long.

"I have to go" Fei Ling said that if she had to leave, she couldn't continue to maintain his Spirit form.

He was still too weak to maintain this human form, Fei Ling disappeared and returned to the Yin & Yang Core Tree.

"Looks like it's still unstable." Chu Ning'er said that Fei Ling's strength was still unstable.

"Was it not like this before?" Ye Chen asked Chu Ning'er.

"No, Sister Ling rarely shows herself, I've only seen her spirit form a few times." Chu Ning'er told her that she rarely saw Fei Ling, Fei Ling only showed her form a few times.

Even as a Guardian of the Yin & Yang Core Tree, Chu Ning'er could only see Fei Ling's form a few times, an ordinary person could not possibly do something like this.

"Maybe he needs some time to get used to it." Ye Chen could only conclude that Ling Fei needed time to adapt.

Ye Chen decided to continue picking some of the medicine that was in this place.

At the same time Ye Chen wanted to give an item to Song Ziyu, Ye Chen wanted to give a good medicine to Song Ziyu.

Although Song Ziyu's brush is a little impudent, Ye Chen still has to give him a gift, he has been invited into the guild, so Ye Chen can't help but have to give Song Ziyu a gift.

"Big brother, what are you looking for?" Chu Ning'er asked what Ye Chen was looking for, Chu Ning'er saw that Ye Chen looked very confused in finding something.

"I'm looking for something to gift someone" Ye Chen said that he was looking for something as a gift.

"For who ?, is your wife?" Chu Ning'er asked again, she wanted to know who she wanted to gift.

"No, it's a servant." Ye Chen said that he intended to give a present to his servant.

"Oh, maid, why did you bother doing that?" Chu Ning'er asked Ye Chen.

"Because it's her birthday, so I have to give her a present" Ye Chen told the reason.

"Do you have any suggestions?" Ye Chen asked Chu Ning'er, Ye Chen wanted a suggestion from Chu Ning'er, who knows Chu Ning'er could help him.

From what Ye Chen saw, Chu Ning'er seemed to be very good at this, so Ye Chen was sure that Chu Ning'er could help him.

"How about giving him a Wise Fire Orchid" Chu Ning'er said to Ye Chen.

"Wise Fire Orchid?, do you have it?" Ye Chen asked Chu Ning'er.

Ye Chen certainly knew what the Wise Fire Orchid was, it was a flower that made the wearer very proficient in using fire, it could improve the wearer's fire control.

This could be said to be quite valuable for Song Ziyu who cultivated fire, she would definitely become more and more skilled at controlling it.

"Of course, it's my collection, if you want you can take one." Chu Ning'er said that it was her collection, Chu Ning'er even allowed Ye Chen to pick one to give to Song Ziyu.

"Ning'er you are very kind, it's not wrong if I take care of you" Ye Chen was happy, he hugged and kissed Chu Ning'er who was in front of him, Ye Chen's decision to take Chu Ning'er was a good decision, this girl is very very very helpful.

Chu Ning'er froze, she didn't expect that she would be hugged so tightly by Ye Chen, this was the first time she had been treated like this.

"Big brother let me go" Chu Ning'er tried to rebel, Chu Ning'er tried to break away from Ye Chen.

Unfortunately Chu Ning'er's efforts were a little wasted, she had a hard time breaking away from Ye Chen.

"Fufufu, master, you seem to be having fun." Chu Yuechan suddenly appeared, laughing at what Ye Chen and Chu Ning'er were doing.

"Yes, it's very good here, I like Ning'er's work." Ye Chen said that he was very satisfied with Chu Ning'er's work.

"Ning'er has worked really hard, from now on you better treat her very well" Chu Yuechan said to Ye Chen.

"That's right, big brother should treat me the best you can, you should often give me sweets to eat." Chu Ning'er said to Ye Chen.

"Don't worry, I will definitely do that." Ye Chen would definitely treat Chu Ning'er to the best of his ability.

Ye Chen stayed inside the medicinal garden for a while, after getting what he wanted, Ye Chen walked out of the fairy gate.

When Ye Chen just came out of the fairy gate and returned to his room, Ye Chen saw a quite amazing sight, Ye Chen saw Mu Xueying and Mei Yueli changing clothes in his room.

Right now both Mu Xueying and Mei Yueli looked wet, their bodies and hair looked drenched, both of them were very seductive in this appearance.

Mu Xueying and Mei Yueli had just finished bathing, so it wasn't strange that the two of them looked like they did now.

Mu Xueying and Mei Yueli hurriedly covered their bodies with a piece of cloth

"How long are you going to stand there, hurry up and get out." Mu Xueying told Ye Chen to come out.

" husband you is a pervert, get out of here quickly" Mei Yueli said that Ye Chen was a pervert for peeking at them.

"wife, this is my room, how can you two kick me out, plus I've seen everything" Ye Chen said to Mei Yueli and Mu Xueying.

"We don't care, get out right now." Mu Xueying and Mei Yueli told Ye Chen to get out right now.

" Okay. . ." Seeing this, Ye Chen couldn't help but relent and leave this place.

After Ye Chen came out, Mu Xueying and Mei Yueli started again and continued to put on their clothes.

Outside Ye Chen was waiting very patiently, he was waiting for Mu Xueying and Mei Yueli who were changing clothes.

"Ye Chen, what are you doing?" a beautiful female figure appeared, she asked what Ye Chen was doing.

Chapter 1410 - Ning Xia's Suspicions

Ye Chen immediately went and saw who had called him, when Ye Chen turned his head he found Ning Xia already beside him.

"Lord Peak" Ye Chen did not expect that the person who came was Ning Xia, Ye Chen thought Ning Xia was still going out.

"Why are you in outside?" Ning Xia asked why Ye Chen could be outside.

"Nothing, I was just trying to get some fresh air" Ye Chen tried to hide the whereabouts of Mu Xueying and Mei Yueli who were in his room, if Ning Xia found out that Mu Xueying and Mei Yueli were in his room, it would definitely be a big and complicated problem to solve.

"Come on in, I want to talk and give you something." Ning Xia wanted to talk to Ye Chen, so Ning Xia wanted to go inside Ye Chen's room and chat a bit about something.

Ning Xia intended to go inside the room, she wanted to discuss something with Ye Chen.

Seeing that Ning Xia was about to go inside, Ye Chen immediately stopped Ning Xia, he didn't let Ning Xia just enter her room.

"Lord Peak wait a moment" Ye Chen stopped Ning Xia from trying to enter her room.

" what is it?" Ning Xia asked Ye Chen, Ning Xia was curious as to why Ye Chen stopped her, this seemed very suspicious.

"Why don't we discuss this matter outside, it's quite stuffy inside" Ye Chen said to Ning Xia.

Ye Chen intended to persuade Ning Xia to talk about this matter outside the room.

"I don't like to talk about matters outside, let's go in and talk inside." Ning Xia didn't like to talk about things outside, she preferred to talk to Ye Chen inside a room.

The previous incident made Ning Xia be very wary of Ye Chen, if Ye Chen were to do things that were out of control while outside, then it would be dangerous for Ning Xia.

So Ning Xia wanted to talk to Ye Chen in the room, it would make it easier for Ning Xia to deal with something that was out of reach.

Without waiting any longer, Ning Xia immediately opened the door to Ye Chen's room.

" Nooooooooooooo ! ! ! !" Ye Chen was really panicked when he saw what Ning Xia was doing, he was quite panicked when he saw what Ning Xia was doing.

The bedroom door opened, now Ning Xia could see what was inside Ye Chen's room.

The contents of Ye Chen's room were completely empty, there was nothing in Ye Chen's room.

"why you?, is there a problem?" Ning Xia asked Ye Chen, for some reason Ye Chen looked so strange.

"Ah no . . ." Ye Chen could only scratch his head in confusion, it seemed that Mu Xueying and Mei Yueli had already left or were hiding.

"Come in" Ning Xia took Ye Chen inside, she wanted to give something to Ye Chen.

Ye Chen followed Ning Xia, the two entered into Ye Chen's room.

Ning Xia sat on the chairs around this place, she started to get things out for Ye Chen.

"Ye Chen, here are the clothes I promised you." Ning Xia intended to give Ye Chen the clothes she promised.

Ning Xia took out three sets of clothes for Ye Chen, the first was white, the second was red and the third was a fairly formal black outfit.

"This is all for me?" Ye Chen asked Ning Xia.

"Of course, this is all for you." Ning Xia said that she gave all of this to Ye Chen.

"Lord Peak, thank you very much" Ye Chen was very grateful to Ning Xia, what Ning Xia gave was quite valuable.

Ye Chen could see that this was quite a special suit, it had several hidden runes.

this seemed to be a very valuable item that Ning Xia had given Ye Chen.

"Lord Peak, for this outfit?" Ye Chen asked about the black clothes that looked very formal, these clothes were impossible to wear in ordinary conditions.

"You can wear these clothes however you want, you can also wear these for a party in a few days" Ning Xia said to Ye Chen.

"You mean Song Ziyu's party?" Ye Chen asked Ning Xia.

"That's right, how do you know this?" Ning Xia asked how did Ye Chen know this.

"What a coincidence that I got an invitation to attend the event" Ye Chen said to Ning Xia.

"Are you related to the City Lord?" Ning Xia asked if Ye Chen had any relationship with the City Lord.

"A little" Ye Chen said to Ning Xia, Ye Chen said that he did have a relationship with the City Lord.

Ning Xia nodded, now she understood why Ye Chen was able to get Song Ziyu's birthday party invitation.

"Ye Chen how are you, are you used to living in this place?" Ning Xia asked how was Ye Chen's condition during his stay at Jade Lotus Peak, whether he was used to living in Jade Lotus Peak.

"Oh, about that, I guess I'm still not used to it." Ye Chen smiled at Ning Xia, he told Ning Xia that he still wasn't used to living in this place.

To be honest, in the past few days Ye Chen had spent his time with Mu Xueying and Mei Yueli, so he still hadn't made any major progress with the female disciples in here.

"You should spend more time with them and try to get to know them, it will help you a lot" Ning Xia encouraged Ye Chen to spend more time with the women from Jade Lotus Peak, that way it would be easier for Ye Chen to stay in this place.

"yes, I'll give it a try" Ye Chen would give it a try, he would try his best to do as Ning Xia was told.

"Alright, I guess that's all I need to tell you, the rest you have to do yourself" Ning Xia had said enough what she needed, then it would be left to Ye Chen.

Ning Xia got up from the seat, herself walking out of this place.

When Ning Xia was about to leave this place, Ning Xia looked around, she seemed to be looking for something.

Ye Chen broke out in a cold sweat, he panicked when he saw Ning Xia getting suspicious about this room.

"I hope he leaves soon." Ye Chen hoped that if Ning Xia left this place, her secret wouldn't be exposed so quickly.

Ning Xia retracted her sight, Ning Xia came out of Ye Chen's room.

"huft . ." Ye Chen felt extremely relieved when he saw that Ning Xia had left.

"You two may come out." Ye Chen told Mu Xueying and Mei Yueli to come out.

"Click. . Mu Xueying and Mei Yueli came out, the two of them came out from the cupboard in this room.

"Fortunately we weren't found" Mei Yueli was very grateful that Ning Xia didn't find the two of them, if that happened then Mu Xueying and Mei Yueli would be in trouble.

"I didn't expect that Master, would return so soon." Mu Xueying didn't expect that Ning Xia would return so quickly.

"We weren't found, so it will be fine." Ye Chen said that everything would be fine.

"Husband, since Master is here, we should keep our distance a little, lest he find out about this." Mu Xueying told Ye Chen to keep her distance from the two, that way they wouldn't be found by Ning Xia.

Ning Xia already knew that Mu Xueying had a relationship with Ye Chen, but Mu Xueying didn't want to expose this too soon.

"Don't worry, I will try my best." Ye Chen said that he would do his best for it.

Mu Xueying was relieved when she heard this, Ye Chen seemed to really listen to her.

"Oh yes, this is all you need, I have got the resources you mean" Ye Chen said that he had already got what Mu Xueying asked for.

"So fast." Mu Xueying didn't expect that Ye Chen would be so quick to get what she asked for.

"Of course, this is your husband, so don't underestimate me." Ye Chen said not to underestimate him.

Ye Chen took out all the medicinal herbs he had just picked from inside the fairy gate, he showed them all to Mu Xueying and Mei Yueli.

"This?" Mu Xueying and Mei Yueli were shocked when they saw what Ye Chen had gotten, they looked shocked when they saw what Ye Chen had just brought out.

All of the medicines that Ye Chen took out were high rank medicines, this was something that was extremely, very difficult to obtain.

"Where did you get all this from?" Mu Xueying directly asked where did Ye Chen get such high quality medicine, to be honest Mu Xueying had never seen such a high quality and pure medicine in such a large quantity.

"Yeah, right where did you get it from?" Mei Yueli also asked Ye Chen, she seemed very curious about this matter.

"That's a secret" Ye Chen tried to act mysterious, he didn't want to tell Mu Xueying and Mei Yueli about where he got all this from.

"You are so stingy" Mei Yueli pouted when she heard this, she was dissatisfied when she saw that Ye Chen didn't want to tell her where he got all this from.

"Is it okay for you to give all this to Qingyu and Nianci, what about Yanyan and the others?" Mu Xueying asked Ye Chen.

"For that matter, you don't need to worry too much, I still have a lot of supplies in the fairy gate, so you can give this to Qingyu and Nianci" Ye Chen told that he still had a lot.

"So you still have a lot, then please share with me too" Mei Yueli asked Ye Chen some, she also wanted resources to increase her strength.
