

A True God 1411

Chapter 1411 - Song Ziyu's Birthday (1)

"If you want you can take it" Ye Chen said that Mei Yueli can take what she wants.

"Is that true. Husband, you are very kind." Mei Yueli was happy to hear this, Ye Chen was really very kind to her.

"Of course, I will be kind to my wife" Ye Chen said to Mei Yueli who was in front of him.

"Let's go inside the fairy gate" Ye Chen took Mu Xueying and Mei Yueli inside the fairy gate.

"okay" Mu Xueying and Mei Yueli nodded, they both couldn't wait to enter the fairy gate.

"Come on" Ye Chen didn't mind, he went with Mu Xueying and Mei Yueli into the fairy gate.

Ye Chen, Mei Yueli and Mu Xueying entered the fairy gate.

Mu Xueying and Mei Yueli looked surprised when they entered the fairy gate, the energy inside the fairy gate is getting better, this place is already very suitable for training.

"This seems to be a very suitable place to practice." Mu Xueying had already decided that she would train in this place.

"Ye Chen, why don't you give me a key like Zhao Yanyan" Mu Xueying said to Ye Chen.

"Oh that, I only have 3, one I gave to Yanyan, and one I gave to Jingyi, so I only have one just in case" Ye Chen said to Mu Xueying.

"Jingyi?, who is it?" Mu Xueying asked Ye Chen, Mu Xueying was confused she was a little confused about who Ye Chen just meant.

"Jingyi, is that the princess?" Mei Yueli asked Ye Chen, Mei Yueli still remembered the Li Jingyi she used to protect.

"Yes" Ye Chen nodded, he just meant princess Li Jingyi.

"Isn't she Death?" Mu Xueying and Mei Yueli said, Mu Xueying and Mei Yueli still thought that Li Jingyi was no longer in this world.

"No, she's still here." Ye Chen informed that Li Jingyi was still in this world.

Mu Xueying and Mei Yueli looked at each other, they both couldn't believe what Ye Chen had just said.

The news of Princess Li Jingyi's death was confirmed, so how could Li Jingyi be still alive.

"Are you guys talking about me?" when Ye Chen, Mu Xueying and Mei Yueli were talking about Li Jingyi, Li Jingyi suddenly appeared behind them.

Mu Xueying and Mei Yueli immediately went and looked at Li Jingyi, they look like they just saw a ghost.

When they went to see Li Jingyi, they were both surprised by Li Jingyi very beautiful appearance, Li Jingyi was really very beautiful and glamorous.

In addition, Li Jingyi capital was much larger than that of Mu Xueying and Mei Yueli.

"too domineering" Mei Yueli was shocked when she saw Li Jingyi enormous size, somehow Li Jingyi double peaks were getting bigger and bigger.

Mu Xueying couldn't believe that Li Jingyi would have such a huge capital, it wasn't strange that Ye Chen would be so attracted to Li Jingyi.

When compared to hers, it was clear that Li Jingyi had won by far, for Mu Xueying and Li Jingyi's beauties had each other's charms that were difficult to match.

"Hello" Li Jingyi gave a greeting to Mu Xueying and Mei Yueli, she gave an introductory greeting to Mu Xueying and Mei Yueli.

Mu Xueying started to introduce herself, she introduced herself to Li Jingyi.

The three start to mingle, they try to get to know each other.

Ye Chen let the three get to know each other, he hoped that they would get along quickly.

Li Jingyi could easily be acute with Mu Xueying and Mei Yueli, as a princess, Li Jingyi could mingle very easily.

Ye Chen smiled when he saw the three of them together and able to blend in, it seemed that he didn't need to interfere anymore.

"Do whatever you want, I will cultivate" Ye Chen said that he would cultivate, Li Jingyi, Mu Xueying and Mei Yueli could do whatever they wanted.

Ye Chen went to cultivate, meanwhile Li Jingyi, Mu Xueying and Mei Yueli started exchanging the information they had.

The few days passed very quickly, Ye Chen, Li Jingyi, Mu Xueying and Li Jingyi were enjoying the time they had inside the fairy gate.

Sometimes Ye Chen would train with the three, they were all getting stronger as time went on.

"Husband, it's time to go to the party from Song Ziyu, are you going or not?" Mei Yueli asked Ye Chen if Ye Chen was going or not.

"Of course I will go" Ye Chen said that he would go, he had promised Song Han.

"Then we will get ready, Yueli let's go out" Mu Xueying took Mei Yueli out, they had to get ready.

Mu Xueying and Mei Yueli left the fairy gate, now only Ye Chen was left.

"Husband, are you going to the party?" Li Jingyi asked Ye Chen.

"Of course" Ye Chen nodded, he really wanted to go to the party.

"Do you want to come along?" Ye Chen asked Li Jingyi, Ye Chen invited Li Jingyi to come with him.

"No, for the time being I still don't want to appear in public, so I hope you can understand" Li Jingyi said to Ye Chen.

Li Jingyi didn't want to appear in public, maybe some people would recognize her.

"Too bad" Ye Chen was a little disappointed when he heard this, it seemed that Ye Chen was expecting too much.

"Then I'll get ready" Ye Chen also had to get ready for the party tonight.

"Let me help you" Li Jingyi offered to help Ye Chen, he wanted to help Ye Chen to look his best.

Li Jingyi didn't want Ye Chen to look ugly at the party, she wanted the best at the party.

Ye Chen didn't refuse Li Jingyi help, he accepted Li Jingyi help.

.
.

Meanwhile outside Song, the atmosphere seemed very busy, everyone started to prepare for Song Ziyu birthday party, they all worked very hard to create a party that Song Ziyu would never forget.

Invitations have also been sent out, everyone who has connections with Song Sin and Song Han will definitely come to this event.

The Song Family has quite a lot of influence in White Cloud city, they have a lot of connections with many people.

White Cloud city was a very strategic place because it was close to the Nine Immortals Peak Sect, so a City Lord would definitely make a lot of connections.

People started arriving, everyone who came were big people who had a good reputation among the elite, all the invitees came, they came to attend this event.

The female disciples from Jade Lotus Peak also started arriving, they were all invited by Song Ziyu to attend this event.

Everyone seemed to be wearing clothes that looked quite pretty, they were no longer wearing the Jade Lotus Peak uniform, they were wearing formal clothes that made them look beautiful.

All the women were still wearing veils, it added to the attractiveness for all the women of the Jade Lotus Peak.

This was one of the reasons why so many people came to this place, they came to see the beauty that came from the Jade Lotus Peak.

The female beauty from Jade Lotus Peak was indeed quite famous, even people outside the Nine Immortals Peak Sect knew about this matter.

People started trying to get close to the lady from Jade Lotus Peak, they tried their luck, it was possible that they could get acquainted with one of the beautiful women from Jade Lotus Peak.

Chapter 1412 - Song Ziyu's Birthday (2)

Too bad things didn't go as smoothly as they imagined, they were rejected by all the beautiful women in this place.

The female disciples of Jade Lotus Peak were indeed very difficult to approach, they had their own tastes and were extremely difficult for normal people to approach.

These people can only swallow bitterness and retreat slowly, they retreat slowly because they have been rejected.

People with great influence began to arrive, all of whom seemed to be wearing formal attire that made them look good.

Ning Xia, Mu Xueying, Xia Qingyu, Mu Nianci and Mei Yueli arrived, the five of them looking very striking because of their appearance, it could be said that they were quite shining in Song Ziyu's birthday.

People did not dare to approach them, all trying to keep their distance from the five.

They could feel an extremely intense pressure emanating from Ning Xia, so they didn't dare to approach any further.

When Ning Xia came, Song Han immediately greeted her, he welcomed the arrival of Ning Xia.

"welcome Lord Peak Ning?" Song Han gave Ning Xia and the others a warm welcome.

As the person in charge of Jade Lotus Peak and his granddaughter, of course Song Han had to treat Ning Xia well.

"Long time no see Lord City" Ning Xia said to Song Han, she spoke like a normal Ning Xia, Ning Xia was very calm, it seemed that Ning Xia spoke in a very flat and emotionless tone.

Obviously this treatment was different, when Ning Xia spoke to Ye Chen, she seemed quite gentle, but when with other people, Ning Xia seemed very flat.

After making small talk with Song Han, Ning Xia took Mu Xueying, Mei Yueli, Xia Qingyu and Mu Nianci to the place where the Jade Lotus Peak disciples were gathered.

A few moments later, several important people, for example, Qiao Xin, Yan Fei and Fairy Zhen also received invitations to this party.

They were quite influential and were able to get an invitation from the Song Family.

Qiao Xin's arrival caused quite a bit of commotion, some people were quite happy to see the arrival of his idol.

Yan Fei and Fairy Zhen kept a little distance from people, they didn't really like being approached by men they didn't know at all.

"Where is Ye Chen, is he not coming?" Xia Qingyu and Mu Nianci asked about the whereabouts of Ye Chen, why did Ye Chen still not come.

"Maybe he's still preparing." Mei Yueli said that Ye Chen was still getting ready.

"I see." Xia Qingyu nodded, it seemed that Ye Chen would be a little late coming to this place.

"Wow, look at that Ziyu." Several women started pointing at Song Ziyu who had just arrived.

They saw that Song Ziyu was wearing a purple dress with a hint of black, and it could be said that the dress that Song Ziyu had chosen was the perfect combination for her.

Song Ziyu appeared a little different from before, she looked beautiful in the suit she had chosen.

Many people admired Song Ziyu, they all admired Song Ziyu's extremely beautiful figure.

Song Ziyu walked in gracefully, this was so different from the Song Ziyu that those closest to him were used to, even Ye Chen probably wouldn't believe that this was the Song Ziyu he knew.

Song Ziyu went to the place where Ning Xia and company were.

"Greetings Lord Peak" Song Ziyu greeted Ning Xia, Song Ziyu thanked Ning Xia for attending this event.

Ning Xia nodded, she accepted Song Ziyu greting.

"Ziyu, you look more mature in that suit" Mei Yueli complimented Song Ziyu, she looked even more mature in this suit.

"Thank you very much" Song Ziyu thanked Mei Yueli for the compliment, she was happy with this compliment.

"Wow, it's Luo Tian, ??he's also here." Moments later, the atmosphere was noisy again, the genius Luo Tian of the Nine Immortals Peak Sect came to Song Ziyu's birthday party.

They didn't expect that Luo Tian would also attend this event, they all immediately went and tried to welcome Luo Tian's arrival.

As the strongest candidate to inherit the Patriarch of Nine Immortals Peak Sect, it wasn't strange that people tried to approach Luo Tian, ??they all approached Luo Tian for a benefit they couldn't miss.

Before Luo Tian became a Patriarch, they must first be able to make a connection with Luo Tian.

"Wow, senior Luo Tian is coming." Song Ziyu was quite excited when she saw Luo Tian's arrival, she was happy that Luo Tian wanted to come to this place.

some of the women from Jade Lotus Peak also looked excited, they looked happy when they saw Luo Tian's arrival.

Within the Sect, there were countless people who admired Luo Tian, ??not to mention the woman from the Jade Lotus Peak, they also admired and had feelings for Luo Tian.

Luo Tian was a handsome man, plus he possessed great strength, so it was not surprising that many people admired Luo Tian and wanted to be Luo Tian's partner.

Luo Tian started to be surrounded by female guests, they all went to approach Luo Tian.

Due to Luo Tian's arrival, this place became very lively, many people kept coming and gathering around Luo Tian.

Luo Tian tried to get rid of people who tried to get close to him, to be honest it was very unpleasant because he was approached by so many people.

Even though Luo Tian's original goal was only to meet Mu Xueying, he didn't expect that he would be surrounded by annoying women like them.

Luo Tian looked around the place, he was trying to find the whereabouts of Mu Xueying.

Because Mu Xueying was too conspicuous, Luo Tian could easily spot Mu Xueying whereabouts.

For the first time Luo Tian saw Mu Xueying wearing such a beautiful formal dress, naturally Luo Tian wanted to approach Mu Xueying.

Luo Tian got rid of everyone around him, he immediately went to the place where Mu Xueying was.

"Wow he's here" Song Ziyu looked very happy when she saw Luo Tian coming towards her, it seems that today her dream will soon come true to be with Luo Tian.

When Song Ziyu was already very happy with Luo Tian's arrival, Luo Tian suddenly ignored Song Ziyu, he passed Song Ziyu and headed towards Mu Xueying.

Song Ziyu fell silent when she saw this, her brain still confused about what had just happened.

"Xueying, you are here, you look very beautiful tonight." Luo Tian walked up to Mu Xueying, he gave a compliment to Mu Xueying.

Mu Xueying turned her head away, she really didn't like Luo Tian coming here.

"Luo Tian, ??why are you still in front of me, didn't you promise to get out of my life" Mu Xueying said to Luo Tian.

Mu Xueying reminded Luo Tian to stop bothering her and get out of her life.

"Please don't be like that, we are both disciples of the Nine Immortals Peak Sect, so please don't do that and forget everything." Luo Tian wanted Mu Xueying to forget the bet they had previously agreed.

"A deal is still a deal, all Peak Lords have witnessed it, you better not anymore bother me" Mu Xueying kept insisting on kicking Luo Tian out, she really didn't like Luo Tian's existence.

Luo Tian tried to rack his brains, he tried his best to get back together with Mu Xueying.

"Damn it, it's because of that time" Luo Tian cursed very loudly, if only Tu Bei had not lost, then perhaps this situation would never have happened to him.

Song Ziyu was a little resentful of this matter, why did Luo Tian still not even glance at him, this was really annoying.

Even though Song Ziyu had worked really hard for today, he still couldn't get Luo Tian's attention.

"Hey, who's that?"

"Wow, he's very handsome."

"Why haven't I seen him before?"

"I think I fell in love with him immediately."

Suddenly there was a commotion, there were lots of people who were noisy when they saw the arrival of a very handsome man.

Honestly all the women in this place had never seen a man so handsome like this, so it wouldn't be strange for them to make a fuss.

"What kind of commotion is that?" Song Ziyu was curious about the commotion that was going on, he was curious and saw what kind of commotion people were making a fuss about.

Mei Yueli was just as curious as to what was going on, she decided to go see what was going on.

Mei Yueli and Song Ziyu went to see what was going on, when they went to see what was going on, they saw there was a very handsome man who was being surrounded by many women.

"Who is that, why is he so popular?" Mei Yueli became curious, she became very curious about the person the woman in this place was talking about.

from the content of the conversation that took place, it could be ascertained that this might be a handsome man.

"Who really can match Senior Luo, I believe he is not as good as Senior Luo" Song Ziyu couldn't believe that anyone could match Luo Tian, for Song Ziyu Luo Tian was the most perfect person and had no flaws.

"Why don't you come and take a look" Mei Yueli told Song Ziyu to come closer and have a better look.

"Okay" Song Ziyu left, he came closer and took a closer look.

when Song Ziyu approached, she saw a very handsome man, this man was wearing black ancient clothes

Chapter 1413 - Ye Chen's Arrival That Shocked All The Ladies

"Wow he is very handsome, who exactly is he?" Song Ziyu was actually attracted to the handsome man she saw, this man was very handsome even beyond her imagination.

Song Ziyu was lost in thought, this man in front of him was so handsome that it made his heart beat really fast.

"I think I like him" Song Ziyu started to like this man, she likes a very handsome man with extraordinary charm.

Song Ziyu continued to observe the handsome man in front of her, she was daydreaming about something.

"Ziyu, why are you taking so long?" Mei Yueli approached, she asked why did Song Ziyu take so long.

Mei Yueli thought that Song Ziyu would only see for a while, not to think it would take so long.

"Yueli look, that man is very handsome." Song Ziyu pointed at the handsome man in front.

Mei Yueli started to see who Song Ziyu really meant, when Mei Yueli looked at the handsome man, Mei Yueli saw that this person looked familiar.

"Uh, Ye Chen?" Mei Yueli could tell that this handsome man was Ye Chen, Mei Yueli did not expect that Ye Chen would change his appearance to be so handsome.

Mei Yueli even had to admit Ye Chen, she admitted that Ye Chen was a very handsome person when wearing the suit that Ning Xia had given him.

It wasn't strange that Song Ziyu thought of Ye Chen as a handsome man, apparently Ye Chen no longer wore the geeky looks he could wear.

This of course would make people who previously saw Ye Chen shocked, they would definitely be shocked when they saw Ye Chen who turned from an ugly and ordinary man into a handsome man with very strong charm.

As the commotion grew bigger and bigger, people started to see what was happening, even Ning Xia and Mu Xueying saw what was happening.

Mu Xueying saw Ye Chen who was currently appearing very handsome, Mu Xueying did not expect that Ye Chen would become even more handsome.

It had been a long time since Mu Xueying had seen Ye Chen's appearance, now she was also surprised when she saw Ye Chen who had become more and more handsome.

"Why is he showing his true appearance, this will be a big problem" Mu Xueying felt that this would be quite a big problem, Ye Chen's appearance was really quite dangerous for a woman, Ye Chen's charm was getting stronger, so there would be many women fall.

"That outfit, is it Ye Chen?" Ning Xia could immediately tell the identity of Ye Chen, it was because the clothes Ye Chen was wearing were a gift from her.

Ning Xia did not expect that Ye Chen would change so drastically when wearing the clothes she gave him, this was quite a shock to Ning Xia.

"If you look closely, he's quite handsome too" Ning Xia felt that Ye Chen was quite handsome, Ye Chen was the most handsome man Ning Xia had ever seen.

"Wait a minute, what am I thinking?" Ning Xia didn't expect what she had just said, she didn't expect that she would say something like that.

To be honest Ning Xia had never thought of anything of the opposite sex, this was the first time Ning Xia had thought of such a thing.

It was quite embarrassing to think such things to the opposite sex, it was quite embarrassing for someone like Ning Xia.

Ye Chen's charm was getting stronger and stronger, even someone like Ning Xia couldn't resist Ye Chen's charm.

"Ye Chen looks very handsome tonight" Xia Qingyu thought that tonight Ye Chen was very handsome, Ye Chen was very very handsome and charming.

"he really is a Womanizer" Mu Nianci already thought of Ye Chen as a Womanizer, she was a natural enemy of women in this world.

The women from Jade Lotus Peak were also instantly attracted to Ye Chen, they saw a man who was extremely handsome even more handsome than all the men they had seen.

If Ye Chen was compared to Luo Tian right now, then clearly their difference was like heaven and earth, Ye Chen was far above Luo Tian's level.

.
.

"Why do I feel that he is not a stranger?" Fairy Zhen felt that this handsome man in front of her was no stranger to her.

"You are absolutely right, he looks familiar to me too" Yan Fei also felt the same way as Fairy Zhen, she felt familiar with the handsome man who had just arrived.

Until now Fairy Zhen and Yan Fei still didn't realize that the man in front of them was Ye Chen who was their husband, if they knew they might be shocked.

Ye Chen had never shown his true appearance to Fairy Zhen and Yan Fei, so it wasn't strange that they didn't notice that it was Ye Chen.

.
.

"This person" Qiao Xin continued to stare at Ye Chen, Qiao Xin felt that she knew who this man in front of her.

Qiao Xin kept trying to guess the identity of this man in front of her, she kept trying to guess the identity of Ye Chen.

.
.

Ye Chen was currently in big trouble, he was currently being swarmed by countless women.

This situation made it a little difficult for Ye Chen, Ye Chen had a hard time escaping from these women's snares.

Plus they looked at Ye Chen with quite fiery gazes.

"Miss, can you please calm down and let me go." Ye Chen tried to kindly ask the woman in this place, Ye Chen was forced to use a Charm to do this.

"of course" seeing Ye Chen's very sincere request, all the women decided to give way to Ye Chen.

After finding his way, Ye Chen immediately headed towards the direction where Song Ziyu and Mei Yueli were.

"Yueli, he is coming towards us?" Song Ziyu was excited when she saw Ye Chen coming towards her.

Song Ziyu looked very excited when she saw Ye Chen's arrival, she was really excited about Ye Chen's arrival.

"Senior Sister Song, happy birthday" Ye Chen gave a greeting to Song Ziyu, he gave a happy birthday to Song Ziyu.

"Senior Sister?" Song Ziyu looked flustered when she heard Ye Chen address herself as Senior Sister.

"Why do you call me like that?" Song Ziyu asked why Ye Chen called herself Senior Sister.

"Ziyu, he is Ye Chen, how can you not know him?" Mei Yueli told Song Ziyu that it was Ye Chen.

"Eh, Ye Chen?" Song Ziyu was shocked when she listened to what Mei Yueli just said, she couldn't believe it was Ye Chen.

Song Ziyu's voice was so loud that everyone could hear what Song Ziyu was saying.

"Ye Chen?" Yan Fei, Fairy Zhen and Qiao Xin also couldn't believe what Song Ziyu had just said, nor did they believe it was Ye Chen.

Not only did Yan Fei, Fairy Zhen and Qiao Xin not believe this, the female disciples from Jade Lotus Peak also couldn't believe that this handsome man was Ye Chen.

"So he's Ye Chen's junior, I can't believe he's so handsome." The beautiful female disciples were shocked when they heard this, they were shocked when they heard that it was Ye Chen.

Even though the Ye Chen they had known all along was a man with a strange and ugly appearance, they did not expect that Ye Chen could turn into a man so handsome and full of charisma.

Chapter 1414 - Are You Really Ye Chen

This of course made all the women feel attracted to Ye Chen, they began to show their interest in Ye Chen.

Ye Chen is a very strong person, that's according to some people after seeing the battles that Ye Chen has fought, plus this handsome Ye Chen is a plus point that can be used to consider how attractive Ye Chen is.

"I didn't expect my younger brother to be so handsome." Yan Fei didn't expect Ye Chen to be so handsome.

Apart from being romantic and having a sweet tongue, it turned out that Ye Chen was also a very handsome man, this was actually Yan Fei's favorite type.

"Sister Zhen, what do you think?" Yan Fei asked Fairy Zhen, she wanted to know Fairy Zhen's opinion.

"I don't know" Fairy Zhen said that she didn't know about this, it was obvious that Fairy Zhen was trying to avoid Yan Fei's question.

Honestly Fairy Zhen had to admit that Ye Chen was very handsome, he really was like the prince every woman in this world dreams of.

"You can't be honest" Yan Fei can only shake her head, it seems Fairy Zhen still can't be honest with herself.

Fairy Zhen turned her face to the side, Fairy Zhen seemed unwilling to discuss this matter with Yan Fei, it was embarrassing to talk about private matters in public.

Now that Ye Chen had become a core disciple, Fairy Zhen should no longer have to hide her relationship with Ye Chen.

.

.

Qiao Xin continuously focused her gaze on Ye Chen, no matter how many times Qiao Xin couldn't believe that this was Ye Chen, the current Ye Chen was completely different from the Ye Chen she was used to, Ye Chen's changes were too big.

"Is this still the pervert I met three days ago?" Qiao Xin started to wonder if this was still the Ye Chen she had met a few days ago.

"Jingyi, it's not strange that you always boast that Ye Chen is a handsome man, now I know what you mean?" Qiao Xin finally knew what Li Jingyi meant, she now understood why Li Jingyi was so proud when talking about Ye Chen's good looks.

It turned out that this was the reason behind it all, Ye Chen was indeed a very handsome person, it was very difficult to find someone who could match Ye Chen.

.

.

Song Ziyu was still dumbfounded, he still couldn't believe what was in front of him, the handsome man in front of him was Ye Chen how could Song Ziyu not be surprised.

"You really are Ye Chen." Song Ziyu still couldn't believe Ye Chen's change, he still didn't believe Ye Chen's enormous change.

"Of course, is there something wrong?" Ye Chen asked Song Ziyu who was in front of him.

"You have really changed a lot." Song Ziyu said that Ye Chen had made such a big change.

"Not really, this is my real appearance" Ye Chen said that this was his real self.

"I didn't expect you to be like this" Song Ziyu started to be shy when she talked to Ye Chen, to be honest the current Ye Chen was her type.

Honestly, Song Ziyu was shocked when he saw the current Ye Chen, even though Song Ziyu often mocked Ye Chen's appearance, but now Song Ziyu was speechless about this.

Song Ziyu was speechless, now Song Ziyu is too shy to start a conversation with Ye Chen

"hahaha, Ye Chen, you come too" Song Han came over to Ye Chen, Song Han looked happy when he saw Ye Chen willing to come.

"Greetings old man" Ye Chen greeted Song Han, he still called Song Han an old man.

Song Han wasn't angry about this, he was already used to what Ye Chen was doing.

"It seems that this old man is not wrong, you are really very extraordinary, it's a shame that my granddaughter rejected you" Song Han said to Ye Chen.

"Grandpa" Song Ziyu complained, why did Song Han say such things, it was very embarrassing for Song Ziyu.

"Hahaha" Song Han laughed. He laughed when he managed to tease Song Ziyu, even though Song Han's intention was only to joke with Ye Chen.

"Enjoy the party" Song Han told Ye Chen to enjoy the party.

"okay. . ." Ye Chen nodded, he would enjoy this party.

After telling him what he needed, Song Han went and greeted the other guests who were in this place.

As the host, Song Han couldn't stay in one place for long, he had to greet people with whom he had connections.

Ye Chen decided to go to Mu Xueying and Ning Xia's side, meanwhile Song Ziyu was still speechless and looked coy with Ye Chen.

"Greetings Lord Peak" Ye Chen greeted Ning Xia who was in front of him.

"Um" Ning Xia nodded, behind her veil Ning Xia's face was slightly red, she looked a little red when she faced Ye Chen.

For some reason being face to face with Ye Chen now made her a little embarrassed.

Ye Chen just greeted Ning Xia, after that Ye Chen went to Mu Xueying's side. Tonight Mu Xueying looks very beautiful, Ye Chen likes Mu Xueying who is very beautiful.

If Mu Xueying didn't wear her veil, it would probably be even more extraordinary, Mu Xueying would definitely look very beautiful.

"Sister Xueying" Ye Chen went to Mu Xueying's side, he gave Mu Xueying a warm greeting.

"what is it?" Mu Xueying answered Ye Chen, somehow Mu Xueying couldn't ignore Ye Chen.

"Tonight Senior Sister looks really Beautiful" Ye Chen said to Mu Xueying who was in front of him.

Just as Ye Chen praised Mu Xueying, Ye Chen could feel a killing gaze from behind, this killing gaze was extremely powerful.

Ye Chen saw the direction of this gaze, when Ye Chen searched, he found the origin of this gaze, this was from Fairy Zhen and Qiao Xin who were in the distance, both of them looked at Ye Chen with a terrible look, probably they were jealous of what Ye did. Chen.

"Uh, why are those two here?" Ye Chen didn't expect Fairy Zhen and Qiao Xin to be here, plus Yan Fei was also here.

Yan Fei only smiled when she saw Ye Chen, herself smiled and gave Ye Chen a few coquettish winks.

Yan Fei became more and more seductive, she became more and more daring to tease Ye Chen in the crowd.

For the time being Ye Chen would try to ignore the hostile gazes from Fairy Zhen and Qiao Xin, he would focus on Mu Xueying in front of him.

Mu Xueying blushed slightly, herself blushing at Ye Chen's compliment.

Mu Xueying found it difficult to resist Ye Chen's sweet words, she had a hard time resisting Ye Chen's sweet words.

"Thank you" Mu Xueying could only thank Ye Chen for the compliment.

"What ! ! ! !" Luo Tian was completely dumbfounded when he saw this scene, just now Mu Xueying was grateful when Ye Chen praised.

If it was Luo Tian, ??Mu Xueying would definitely immediately repel and give herself a cold tone, but now Mu Xueying didn't do that to Ye Chen.

Chapter 1415 - Give Song Ziyu A Birthday Present (1)

Ye Chen and Mu Xueying started to chat, the two of them seemed very close when they chatted together.

Luo Tian started to feel irritated by what had happened, he felt really irritated when he saw the person he loved close to someone else.

"Watch out for you" Luo Tian did not accept this, he intended to find trouble with Ye Chen.

Mu Xueying felt that something was wrong, why did she even become like this in front of Ye Chen.

"Ye Chen, your fiancée is at the side, if you are like this he will be jealous" Mu Xueying told Ye Chen that Xia Qingyu was watching them from the side.

"Sister Xueying need not worry, I believe Qingyu can understand. . ." Before Ye Chen could finish his words, he was knocked down by Mu Xueying.

"You better go and see her" Mu Xueying told Ye Chen to leave, if this little devil continued to be near her, then Mu Xueying wouldn't be able to stand it.

"Okay. . ., okay . . ." Ye Chen no longer dared to provoke Mu Xueying, Mu Xueying looked displeased with him.

Ye Chen immediately left, himself going to the side of Xia Qingyu and Mu Nianci.

"Dear Qingyu, you are very beautiful tonight, do you want to be with me tonight?" Ye Chen said to Xia Qingyu, while holding Xia Qingyu's waist with one hand.

"Ye Chen, don't make trouble we are now in the party" Xia Qingyu told Ye Chen not to cause trouble, they were currently in the party.

"So why if we are in the party now, if I want, I will be with Qingyu dear" Ye Chen said to Xia Qingyu.

Ye Chen didn't care if they were currently in the party, Ye Chen was happy to do as he pleased.

Xia Qingyu looked to the side, she was trying to ask Mu Nianci for help, Xia Qingyu hoped that Mu Nianci could help her out of this trouble.

Mu Nianci couldn't help but shake her head, she couldn't help Xia Qingyu out of her troubles.

Honestly Ye Chen was a difficult person to deal with, if Mu Nianci interfered, he could be dragged into trouble.

"Qingyu, looks like it will be a waste, Nianci won't help you" Ye Chen said to Xia Qingyu.

Ye Chen was very confident, he firmly believed that Mu Nianci would not dare to help Xia Qingyu, if Mu Nianci interfered, then Ye Chen would drag her into the boat.

"You are bullying me again" Xia Qingyu complained to Ye Chen, Ye Chen is currently bullying himself.

"Hahahaha, in this world only I can bully you" Ye Chen said that in this world only he can bully Xia Qingyu.

"You are evil" Xia Qingyu said that Ye Chen was so mean, how could Ye Chen do something like that to him.

"Ye Chen, looks like you are having fun" Fairy Zhen and Yan Fei approached, both decided to take a look at Ye Chen.

Fairy Zhen looked displeased with what Ye Chen was doing, she was not happy when she saw Ye Chen holding Xia Qingyu affectionately.

Xia Qingyu took advantage of the opportunity given by Fairy Zhen, Xia Qingyu took this opportunity to escape from Ye Chen.

"Hello elder Zhen" Ye Chen greeted Fairy Zhen, because it was in the party Ye Chen tried to be a little more formal to Ye Chen.

"Hemp" Fairy Zhen sniffed coldly, she was still the same as before.

Ye Chen just shook his head, looks like next time he will have to let Fairy Zhen know Ye Chen's strength.

"Little brother, you are very handsome tonight." Contrary to Fairy Zhen's attitude, Yan Fei looked very open, she praised Ye Chen handsome appearance.

"Hehehe, you are beautiful too" Ye Chen said to Yan Fei who was in front of him.

Tonight Yan Fei looks very seductive, she is clad in a Black dress which makes Yan Fei's appearance look very sexy.

"Fufufu" Yan Fei laughed when she heard Ye Chen's compliment, she was happy with Ye Chen's compliment.

Ye Chen tried to lighten the mood, himself trying his best to approach Fairy Zhen.

With Fairy Zhen's subtle approach, Fairy Zhen finally gave Ye Chen a go.

Several female disciples from Jade Lotus Peak approached Ye Chen, they all approached Ye Chen and started trying to get Ye Chen's attention.

Now that some women's attitudes had begun to change, they began to be gentle when dealing with Ye Chen.

Ye Chen was very friendly, he was friendly to all the women who tried to get close to him.

Ye Chen didn't care about the status of women who were close to him, as long as they behaved well, then Ye Chen would treat them well.

All the men in this place looked at Ye Chen, they were displeased with the attention the beautiful woman gave Ye Chen.

To be honest they were all jealous of what Ye Chen got, they were all jealous of the attention from the beautiful women in this place.

All the beauties took great care of Ye Chen, this was something that everyone could only dream of in their dreams...

Even Luo Tian's popularity was instantly lost when Ye Chen came to this place.

Song Ziyu was also trying to get close to Ye Chen, he seemed to be trying to get close to Ye Chen who was becoming very handsome.

When everyone was chatting, suddenly there was a very pleasant sound of a musical instrument, someone was currently playing a very beautiful flute.

"This . . . , Qiao Xin ?" Ye Chen could tell right away that this was a musical instrument playing by Qiao Xin.

Qiao Xin was indeed playing an instrument, she was playing a flute.

Qiao Xin's playing is very good and good, everyone can enjoy the music released by Qiao Xin's flute.

Everyone in this place was silent, they all fell silent and listened to Qiao Xin's music.

Everyone seemed to be enjoying Qiao Xin's melodious music.

After playing some music for everyone, Qiao Xin decided to stop and rest.

Now was the time for the people to hand over the gifts to Song Ziyu.

One by one starting to hand over their gifts, they all prepared the gifts they had chosen for Song Ziyu.

Song Ziyu accepts all the gifts given by those closest to him, he is very satisfied with the gifts given by those closest to her.

Ning Xia, Mu Xueying, Mei Yueli, Xia Qingyu, Mu Nianci, Yan Fei, Fairy Zhen and Qiao Xin also gave their gifts, they gave Song Ziyu valuable gifts.

Song Ziyu was grateful, she was grateful for everyone who gave her gifts.

"Little sister Song, this is a present for you" After a while, it was finally Luo Tian's turn to give Song Ziyu a present.

Luo Tian showed a box where medicinal herbs were stored, he opened it and showed Song Ziyu the contents in the box.

" That . . . "Everyone looked at the contents in the box, they saw that the contents in the box were Blood red ginseng.

Blood red ginseng was a medicine that could increase one's fighting spirit, it was perfect for a fire element user like Song Ziyu, it was an item that was quite difficult to obtain and of considerable value.

Luo Tian was forced to take out his collection, this way he could have a good connection with Song Han and Song Sin.

For Luo Tian to establish a connection with the City Lord was something that had to be done, that way he could easily secure the position of Sect Patriarch.

White Cloud city had a pretty strategic position, it was closest to the Nine Immortals Peak Sect, so having a good relationship with the city lord was a good thing to do.

Chapter 1416 - Give Song Ziyu A Birthday Present (2)

It turned out that Luo Tian had other intentions, he was not sincere in giving a gift to Song Ziyu.

"Thank you very much" Song Ziyu received Luo Tian's gift, she was very happy with what Luo Tian gave her.

Song Ziyu had no idea that Luo Tian had other intentions when giving this gift to her.

One had to admit that Luo Tian's gift was the best, Luo Tian gave the best present ever.

Most likely in this place there was no one else capable of doing something like Luo Tian, ??Luo Tian was the only one capable of doing something like this.

Now it was Ye Chen's turn, Ye Chen went and gave a present to Song Ziyu.

Song Ziyu was curious about what gifts Ye Chen would give her, she was curious about what Ye Chen would give.

"Senior Sister Song, I can only give something that is not very valuable. I hope you will accept it." Ye Chen said that he couldn't give anything nice to Song Ziyu...

"You are so poor" Luo Tian insulted Ye Chen, he insulted Ye Chen who was too poor couldn't even afford to give Ye Chen such a good gift.

Luo Tian's voice was loud enough that everyone in this place could hear it.

"This fellow, how dare he insult younger brother" Yan Fei was dissatisfied when she heard someone insulting Ye Chen as poor.

In this place maybe only Yan Fei is the only person who knows how rich Ye Chen is, Ye Chen is extremely rich, he has enormous wealth.

The business that Ye Chen set up spread very quickly, now this business has spread to all corners of the God Realm, so Ye Chen has a very large fortune.

If Yan Fei was allowed to speak, then he could conclude that Ye Chen was the richest person in this place, no one could match the wealth that Ye Chen had.

Ye Chen just smiled as he listened to what Luo Tian just said, Ye Chen didn't take Luo Tian's words to heart.

Luo Tian was getting more and more annoyed when he saw Ye Chen ignoring him, this man was really annoying.

Luo Tian already had a grudge against Ye Chen, it was because of this person that Mu Xueying stayed away from him.

If Luo Tian had a chance, Luo Tian would definitely make Ye Chen regret what he had done.

"It's okay, I will accept what you give me" Song Ziyu didn't mind what Ye Chen would give her, she didn't mind the gift Ye Chen would give her.

Honestly Song Ziyu would accept what Ye Chen gave her, she would accept what Ye Chen gave her.

The current Song Ziyu had changed so much, if this was the usual Song Ziyu, she would definitely sneer at Ye Chen a bit for giving herself such an ordinary gift.

Unfortunately the current Song Ziyu could no longer be angry with Ye Chen, she could no longer be angry with the now handsome Ye Chen.

Song Ziyu was really very curious about what Ye Chen had given her, she intended to open it and find out what Ye Chen had given her.

Ye Chen had previously said that this gift was worthless, so Song Ziyu wanted to know what Ye Chen had given her.

When Song Ziyu opened the box, she found an orchid covered in red.

"Hahaha, you gave a orchid, that's ridiculous." Luo Tian laughed at Ye Chen, apparently Ye Chen's gift was really bad.

Luo Tian immediately thought that Ye Chen was very poor, this man gave an orchid flower to Song Ziyu, this was really very embarrassing.

Some people started talking about Ye Chen, they started whispering unpleasant words about Ye Chen.

Most of the people who were whispering and talking about Ye Chen were men, they didn't seem to like Ye Chen, so when Luo Tian looked down on Ye Chen, they came down to look down on Ye Chen.

"It's okay, I like this" Song Ziyu said that she liked the gift that Ye Chen gave her, she liked the gift that was given by Ye Chen.

People couldn't believe what they saw, Song Ziyu really liked the gifts that Ye Chen gave, everyone started to think that Song Ziyu's brain was a little skewed because of being seduced by Ye Chen's good looks.

Ning Xia suddenly stepped forward, stepped forward and began to look at the orchid flower in Song Ziyu's hand.

"Ziyu, let me take a look." Ning Xia asked Song Ziyu to see the orchid flower.

"Of course" Song Ziyu didn't dare refuse Ning Xia's request, she gave the orchid in her hand to Ning Xia, Ning Xia saw more clearly, after looking for a while, Ning Xia finally confirmed this orchid.

"This is the Wise Fire Orchid, it is a rare and valuable medicinal plant." Ning Xia told Song Ziyu about what Ye Chen had just given her.

Ning Xia even explained the specifics of the Wise Fire Orchid to everyone present in this place.

"Huh?" Song Ziyu was shocked when she heard what Ning Xia had just said, from Ning Xia's explanation this must be an extremely valuable item and hard to find.

Everyone finally realized that what Ye Chen gave was something very precious, it was something very precious and of great value.

Among all the people in this place, Luo Tian was the one who was the most embarrassed, he was ashamed that he had just mocked Ye Chen's gift.

"This person, he must have deliberately humiliated me." Luo Tian thought that Ye Chen was deliberately humiliating himself, this person must have humiliated himself in public and in front of Mu Xueying.

Luo Tian gritted his teeth and clasped his hands very tightly, he looked angry at Ye Chen.

If there was no one else in this place, it was very likely that Luo Tian had already attacked Ye Chen.

"Ye Chen, thank you very much for what you gave, I like this" Song Ziyu thanked Ye Chen for what he gave, she really liked what Ye Chen gave.

Song Ziyu knew that this was something extremely precious, Ye Chen must have spent a great deal of wealth on this.

"No problem" Ye Chen said to Song Ziyu.

After giving the gift, Ye Chen returned to his original position, himself returning to the female side of the Jade Lotus Peak.

Meanwhile Luo Tian's face was black, he was completely humiliated by Ye Chen, if he continued here, then Luo Tian would lose even more face.

"city lord, I have to say goodbye, I have something important to do." Luo Tian was looking for an excuse to leave this place, he wanted to leave this place as soon as he could.

Song Sin couldn't stop Luo Tian, ??he didn't have the power to stop Luo Tian.

Luo Tian left this place, tonight he was humiliated very badly by Ye Chen, Surely these memories will be hard for Luo Tian to get rid of.

"He left, he seems to be very embarrassed" Mei Yueli saw Luo Tian's departure, Mei Yueli could tell that Luo Tian must be embarrassed.

"It was his own fault" Xia Qingyu told Mei Yueli, Xia Qingyu thought that it was Luo Tian's fault.

Chapter 1417 - Long Dou's Hidden Plan

Some people felt pity when they saw Luo Tian, ??how could a genius like Luo Tian be humiliated like that.

They didn't want to help Luo Tian, ??they would rather stay silent than help Luo Tian.

The party resumed with people enjoying the party while listening to Qiao Xin's song.

Ye Chen himself decided to step away a little, himself a little away from the crowd.

Ye Chen felt a little tired from the commotion that just happened, the women here were very brave and quite aggressive towards Ye Chen.

"Little brother, do you want a drink?" Yan Fei came, herself came and took a wine for Ye Chen.

"Thank you very much" Ye Chen accepted the wine that Yan Fei gave him, he and Yan Fei started to toast and drink the wine in the glass.

"Fei, what are you doing here?" Ye Chen asked Yan Fei, Ye Chen wanted to know why Yan Fei came to Song Ziyu's birthday party, there must be something that Yan Fei wanted.

"I'm here to discuss a business, I want to set up a trading base in this city" Yan Fei told Ye Chen about her purpose in coming to this party.

Yan Fei wanted to make contact with Song Sin, this was meant to make things easy to work with.

"So that's your goal." Ye Chen now understood, he now understood the purpose of Yan Fei coming to this place.

"Why did you decide to move, is there something going on in the imperial capital?" Ye Chen asked Yan Fei.

"Honestly, something is happening in the imperial capital, there is a power struggle between the remaining princes, it will be very troublesome to be caught in this battle" Yan Fei told the reason why he decided to shift the trading headquarters to this city.

The capital was in trouble, there was a lot of commotion for the position of crown prince, it would be chaos that would affect Ye Chen's business.

Ye Chen nodded, Yan Fei's decision to move might be acceptable, it's not good to meddle in matters of power within Immortal Sky Empire.

"Do whatever you need, if you have a problem, you can contact me and ask me for help" Ye Chen will support everything Yan Fei wants to do, he will support Yan Fei's decision, as long as Yan Fei's decision is worth it .

"husband, Thank you very much " Yan Fei looks happy, it seems that Ye Chen's trust in her is very high.

Ye Chen stretched his hand towards Yan Fei's waist, he pulled Yan Fei's snake waist.

"Tonight you look very sexy, do you want to play with me?" Ye Chen said to Yan Fei.

Yan Fei of course knows what Ye Chen wants, Yan Fei herself doesn't mind doing that with Ye Chen, but Yan Fei still has a lot of business, if Yan Fei does that with Ye Chen, then there will be a lot of pending matters.

The last time Yan Fei was struggling to do something for a few days, Ye Chen's strength in that field was so strong, it almost made Yan Fei unable to get out of bed.

"Husband no, I still have to talk about business." Yan Fei refused Ye Chen's offer.

"Too bad, then another time." Ye Chen didn't force Yan Fei, he could understand the busyness of Yan Fei.

Yan Fei felt very relieved, she felt very relieved when she saw Ye Chen who let her go.

"Husband, it looks like someone wants to talk to you, I'll go first." Yan Fei suddenly said goodbye to Ye Chen.

Yan Fei left Ye Chen, after Yan Fei left, Song Ziyu came to Ye Chen's side.

It turned out that Yan Fei left because Song Ziyu came, she decided to go and make room for Ye Chen and Song Ziyu to be alone.

"Ye Chen, why are you in this place, are you not enjoying the party?" Song Ziyu asked Ye Chen, she wanted to know the reason why Ye Chen was outside.

"Nothing, I'm just enjoying the free air" Ye Chen said that he was enjoying the free air.

"Ye Chen, That . . ." Song Ziyu wanted to say something, sadly Song Ziyu was embarrassed to say it.

"Why do you seem to be stuttering, tell me what you need." Ye Chen asked what Song Ziyu needed from him.

"That, I'm sorry for all the behavior I've done to you in the past." Song Ziyu apologized for all the mistakes she had made in the past.

Song Ziyu felt very guilty because she had mocked Ye Chen several times.

"No need to apologize" Ye Chen said to Song Ziyu to no longer apologize about the matter.

"Um" Song Ziyu nodded, Song Ziyu was happy that Ye Chen forgave her.

After that Song Ziyu thanked Ye Chen for what he just gave, Ye Chen's gift was very valuable to Song Ziyu, Song Ziyu liked what Ye Chen gave.

When Ye Chen was talking to Song Ziyu, Ye Chen saw a black shadow that was in the distance.

Ye Chen's eyes were very kind, so Ye Chen realized that someone had just slipped away.

"Ye Chen, what's wrong?" Song Ziyu asked Ye Chen, why did Ye Chen suddenly put on a serious face.

"I just saw someone's shadow" Ye Chen said that he had just seen someone's shadow.

" who is that ?" Song Ziyu directly asked Ye Chen, Song Ziyu didn't see the black shadow figure at all.

"I'll take a look." Ye Chen said that he would see the figure who just passed by.

"Wait for me to come" Song Ziyu wanted to come, she was curious about the figure that Ye Chen had just said.

"Most importantly don't bother me." Ye Chen told Song Ziyu not to bother him.

"Okay, I understand." Song Ziyu understood, she would try her best.

Ye Chen nodded, he took Song Ziyu to chase after the figure he just saw.

Song Ziyu followed behind Ye Chen, himself following Ye Chen to chase the mysterious figure.

Ye Chen used God Eyes to find the whereabouts of the enemy, with God Eyes, Ye Chen could see the figure of the enemy in front.

This enemy figure looked familiar, Ye Chen felt that he had met this person.

After watching this person for a while, this person finally stopped as well.

This person went to the outside of the city, now they were in a very dark part of the forest.

The black figure met someone wearing a robe, the second figure that appeared was also quite mysterious.

Ye Chen wondered why this person went to a place like this, he must be one of the invited guests of the Song Family.

"Who is it, I can't see them clearly" Song Ziyu couldn't see the figure in front, it was too dark and full of trees here.

"Shh, don't be loud, let's hear what they're talking about" Ye Chen told Song Ziyu not to make a sound, Ye Chen wanted to listen to the conversation these people had.

Song Ziyu immediately covered her mouth, not daring to make a sound anymore.

"Long Dou, how is it, is everything going well?" asked the mysterious figure to Long Dou.

It turned out that the black shadow that Ye Chen had just seen was a Long Dou.

"Everything is according to plan, I have done as you ordered, soon everyone will be your accomplice" said Long Dou to the mysterious figure.

Chapter 1418 - Pin King

"Is the dictionary really sure?" asked the mysterious man to Long Dou.

"Of course, I'm absolutely sure, I've put the insect Gu seeds you gave into the birthday cake, when everyone eats them, they will become our puppets" said Long Dou to the mysterious man.

Long Dou had already placed insect Gu seeds into the cake, when everyone ate the cake, then they would be able to be controlled.

"Very good, then I can control them all" said the mysterious man to Long Dou.

The mysterious man seemed pleased when he heard this, it seemed that their plan was about to be completed.

"Then let's go right now, it's time to take control of this city." Long Dou invited the mysterious man to go right now to the Song Family.

Long Dou and the mysterious Man left, they went towards the direction of the Song Family.

"Ziyu, has the birthday cake been distributed?" Ye Chen asked Song Ziyu.

"Of course, the cake has already been distributed to everyone, before that I also wanted to invite you to eat cake" Song Ziyu said to Ye Chen.

Song Ziyu told everyone that the birthday cake had been distributed to everyone, they should have eaten the cake,

"This is bad." Ye Chen felt that this would be a very complicated matter.

"Ye Chen, what is the content of their conversation, I can't hear it clearly?" Song Ziyu asked about the content of the conversation the two people had just now.

Ye Chen started to explain to Song Ziyu, Ye Chen briefly explained what the two of them just talked about.

"What !!!" Song Ziyu couldn't believe what she had just heard, Long Dou this time had a very bad plan.

"Ye Chen, we need to hurry back and warn everyone." Song Ziyu asked Ye Chen to come back soon, they must not let Long Dou's plan run smoothly.

"Looks like it's too late, we won't be able to warn them" Ye Chen said that they wouldn't be able to warn the people in the party.

From what Song Ziyu had just said, everyone should have eaten the cake that was given, now that everyone in the party had insect Gu implanted in their bodies.

"Then what should we do?" Song Ziyu asked what they should do in the current situation.

"Now let's go back first, we'll see the situation first" Ye Chen invited Song Ziyu to go back, first they had to look at the situation.

If the situation allowed, then they could take an action against the enemy.

Ye Chen could take an action to kill the enemy, it was the only fastest way to defeat the enemy.

"Um" Song Ziyu nodded he totally agreed with what Ye Chen had just said.

They had better look at the situation first, whether they can take an action or not in this matter.

Ye Chen and Song Ziyu immediately headed back to the Song Family, the two of them didn't go straight in, Ye Chen and Song Ziyu watched from the outside what was happening.

When Ye Chen and Song Ziyu arrived, they saw something unexpected, there were countless people currently lying weakly on the floor, they seemed to be unconscious and in quite a bad condition.

"They look like they were poisoned?" Song Ziyu saw that these people looked like they were being poisoned by drugs.

"No, those are Gu insects, it makes them lose their strength" Ye Chen said to Song Ziyu.

Ye Chen told Song Ziyu that their profound energy was being sucked in by the insect Gu in their bodies.

"Will they be okay?" Song Ziyu asked Ye Chen.

Song Ziyu looked worried, he saw that the guards and guests were not in good condition.

Even his grandfather and father were also in bad shape, they were kneeling on the ground holding the chest area.

"They will be fine, I will find out the insect Gu that are inside these people's bodies" Ye Chen wanted to find out the Gu insects used by the mysterious man.

Ye Chen looked around this place, when Ye Chen looked around, Ye Chen didn't find any whereabouts of Ning Xia, Mu Xueying, Mei Yueli, Xia Qingyu, Mu Nianci, Yan Fei, Fairy Zhen and Qiao Xin.

They weren't all in the crowd of guests.

"Where do they go?" Ye Chen started to wonder where Ning Xia, Mu Xueying, Mei Yueli, Xia Qingyu, Mu Nianci, Yan Fei, Fairy Zhen and Qiao Xin were.

Why weren't they around this place, had they left the party earlier.

"Master, you focus on these people, it seems that they are in danger." Chu Yuechan told Ye Chen to focus.

It seems that the insect Gu on these people's bodies are very dangerous.

"I'll find out" Ye Chen used God Eyes, himself to find out the insect Gu that were inside the bodies of the guests in this place.

"Song Sin, Song Han, it's all over, now you guys are under my control" said Long Dou laughing, he was happy when he saw Song Sin and Song Han who were currently in a helpless condition.

"Long Dou, you are such a shameless man, how could you do something like this" Song Sin said with great irritation, he felt resentful towards Long Dou who had done this to them.

"It's up to you what you want to say, but after this I will find a new City Lord." Long Dou didn't care at all about what happened, he didn't care about the insults and insults that were hurled by Song Sin and Song Han.

"So from the start you wanted to rule this city, I was too careless for not watching you, I should have listened to Ziyu's warning" Song Sin regretted not listening to Song Ziyu's warning, if only Song Sin had listened to Song Ziyu's warning, all of this might not have happened. ever happened.

"Hahaha, so your daughter has realized what happened, too bad it's too late, you are all in my control, if you want to survive then you must all obey my orders" said Long Dou to everyone in this place.

"We will never obey" people refused to obey Long Dou, they refused to obey Long Dou.

"Master Pin, you should explain to them all about the Gu bugs that you have given them, let them know the consequences they will have to bear" Long Dou ordered the mysterious man to show the abilities of the Gu insects that were in the bodies of the guests present at the event. this.

This mysterious man's name turned out to be Pin King, he was an extremely great Gu expert.

"You better obey my orders, if you dare to disobey my orders, then the Gu bugs in your bodies will explode and crush your bodies to pieces.

Pin King told everyone in this place to obey his orders, otherwise Pin King would blow up the Gu bugs residing inside their bodies.

People got scared when they listened to what Pin King just said, they were afraid that what Pin King said would come true.

they didn't want to obey Long Dou's orders, but the consequences of refusing Long Dou's orders could make them die ridiculous.

People didn't want to die silly, they all didn't want to die silly because the insect Gu inside their bodies exploded.

"Hahaha" Long Dou laughed, it seems that the threat that Pin King gave had made everyone feel scared.

Chapter 1419 - Get Rid Of Gu Queen Insect

This way, Long Dou could easily control everyone in this place, he could control everyone as he pleased.

"We have succeeded, now we have controlled everyone in this city" their mission is complete, they have now controlled everyone in the city and outside the city.

Everyone who attended the party were influential people, they had many treasures and connections, as long as Long Dou could control all of them, then Long Dou's future would be very bright.

"You guys are shameless" Song Han cursed very loudly, these two people are so shameless.

"hahaha" Long Dou just laughed when he listened to what Song Han just said, he laughed at what Song Han just said.

"Ye Chen how is it?" Song Ziyu asked Ye Chen, she wanted to know their condition.

"This is bad, the Gu in their bodies is the type that will explode when the controller dies, so it will be very difficult to deal with this person.

Song Ziyu looked disappointed when he listened to what Ye Chen said, she looked disappointed when she heard that killing Pin King was an impossible thing to do.

"Isn't this dangerous?" Song Ziyu felt that this would be very dangerous, the lives of her family and close friends would be in danger.

"I will try to find a safe way to save everyone" Ye Chen will try to find a way to save everyone in this place.

Song Ziyu nodded, she hoped that Ye Chen could find a way to solve this problem.

"Master, it seems that the Gu in their bodies are connected to each other." Chu Yuechan said that these Gu were connected to each other.

"So that means that there is a Gu controlling their movement." Ye Chen immediately understood what Chu Yuechan was saying, it seemed that there was a Gu Queen controlling the Gu in these people's bodies.

"About where that person hid his Gu Queen." Ye Chen had to find the whereabouts of the Gu Queen, she was the one who controlled all the Gu in this place.

Ye Chen used God Eyes to find the whereabouts of the Gu Queen, surely Pin King hid the Gu not far from this place.

Ye Chen had already searched for the Gu Queen on body Pin King's, too bad Ye Chen couldn't find the insect Gu Queen.

Ye Chen was absolutely certain that if Pin King had hidden those Gu bugs around this place, he would have hidden those Gu bugs around this place to make it easier to control them.

If it was too far away, then the Pin King would not be able to control the Gu Queen.

Ye Chen searched around this place, he used God Eyes to find the whereabouts of the Gu Queen.

Ye Chen searched until the narrowest gap, himself looking for the object in various places in this place.

Finally after searching for some time, Ye Chen found the whereabouts of the Gu Queen he had been looking for.

"I managed to find it" Ye Chen finally managed to find it, he finally managed to find the whereabouts of the Gu Queen.

"Ziyu, you watch over them first, don't do anything unreasonable." Ye Chen told Song Ziyu to keep an eye on Pin King and Long Dou.

"Ye Chen, what are you going to do?" Song Ziyu asked what Ye Chen would do, she wanted to know what Ye Chen would do.

"You just trust me" Ye Chen told Song Ziyu to believe in him, Ye Chen would go and do something.

Ye Chen left and headed towards the Gu Queen's hideout.

Ye Chen snuck in, trying his best to keep the Gu Queen from detecting his whereabouts.

The Gu Queen was currently on top of a tree not far from the Song Family's location, these insects were able to blend in with the trees making them difficult to find.

If Ye Chen didn't use God Eyes, then finding the Gu Queen would be quite a difficult thing to do.

"Alright, I've found it, time to seal it." Ye Chen had now found the Gu Queen that controlled all the Gu, now Ye Chen only needed to seal the Gu.

Ye Chen stretched out his hand, the Gu Queen instantly turned into a hard ice cube.

Now that the Gu Queen was sealed, Ye Chen didn't have to worry about the trouble that would happen next.

After sealing the Gu Queen, Ye Chen took the Gu Queen, Ye Chen moved the Gu Queen to a very far away place, this was done so that the Gu Queen could not be connected to the Gu in this place.

In order to do this, Ye Chen had to stay away a bit, he had to keep the Gu Queen as far away from this place as possible.

Ye Chen used lightning speed to take the Gu Queen away from White Cloud City, Ye Chen went as far as possible and found the most hidden and hardest to find places.

After finding the most hidden place, Ye Chen immediately threw the Gu away and buried it in a place where the Pin King would not find it.

"already, it's time to settle this matter" after finishing everything, Ye Chen immediately returned, time to settle the matter with Long Dou and Pin King.

Ye Chen returned to the party, when Ye Chen returned, Ye Chen found that Long Dou and Pin King were being served like a king, everyone seemed to be serving Pin King, they didn't dare to refuse orders from Long Dou and Pin King.

"What is the situation?" Ye Chen asked Song Ziyu how the situation of this place was.

"He ordered everyone to worship him" Song Ziyu told Ye Chen the situation of this place, Song Ziyu told Ye Chen that Long Dou told everyone to worship him.

"This can no longer be tolerated, let's go and settle this matter." Ye Chen said that this matter was unbearable, it was time to settle this matter.

Ye Chen stepped forward and went to where Long Dou and Pin King were, he would show himself to Long Dou and Pin King.

"Ye Chen wait" Song Ziyu chased after Ye Chen, she followed behind Ye Chen.

"Whoa, look who's here, I can't believe you dared to show yourself." Long Dou looked at Ye Chen and Song Ziyu, he was already waiting for Ye Chen and Song Ziyu's arrival.

"Long Dou, quickly stop all the cruelty you did to father and grandfather." Song Ziyu told Long Dou to stop his cruelty to the people in this place.

"Hahaha, are you kidding me, your parents' life and death are in my hands, so don't mess with me." Long Dou told Song Ziyu that the life and death of the people in this place was in his hands.

"You are evil" Song Ziyu said that Long Dou was a bad person, he was very evil to have made something vile like this.

"In this world evil will definitely win, so keep that in mind" said Long Dou to Song Ziyu.

Long Dou said that evil would definitely win, and this was already proven by Long Dou himself.

"As long as there is me, you will not be able to do as you say." Ye Chen said that as long as there was him, then Long Dou would not be able to successfully carry out his plan.

"You again, you again, are you not tired of meddling in my business?" Long Dou said to Ye Chen.

Long Dou didn't like Ye Chen, he didn't like Ye Chen in front of him.

Chapter 1420 - So This Time You Lied To Us

Long Dou hated Ye Chen so much, he hated Ye Chen so much because Ye Chen always interfered in his affairs.

"I just don't like seeing you plant Gu in someone's body, I hate it the most" Ye Chen said that he hated seeing Long Dou plant Gu in someone's body, Ye Chen the most disliked seeing that happen.

"How dare you insult me" Pin King felt insulted by Ye Chen's words, he felt insulted by Ye Chen's words referring to his Gu insect.

"Oh, so you're the mastermind behind all this, I want you to end all of this right now" Ye Chen told Pin King to end all this as soon as possible.

"Who are you, you don't have the power to rule over me" Pin King said that Ye Chen didn't have the power to rule over him.

"I am the one who will beat you" Ye Chen said that he is the one who will beat him.

"Don't be arrogant you bastard" Pin King was getting angry, he couldn't stand Ye Chen's words.

Pin King started to take out some of his Gu bugs, and Gu bugs started to come out of his body to attack Ye Chen.

"That's disgusting." Song Ziyu was disgusted when he saw what Pin King did, what Pin King did was absolutely disgusting.

How could there be so many tiny insects inside this person's body, just looking at it made Song Ziyu shudder.

"Ye Chen, do something" Seeing the Gu bugs starting to approach, Song Ziyu told Ye Chen to do something, otherwise they would definitely be swarmed by the Gu bugs.

Just imagining it made Song Ziyu want to throw up, he couldn't stand something as disgusting as this.

The women who were here also felt disgusted, they felt disgust when they saw the small beast that was crawling in front of them.

"Calm down" Ye Chen told Song Ziyu to be more calm in dealing with this matter, as long as he was in this place, then everything would be fine.

Ye Chen closed his eyes, when Ye Chen closed his eyes, all the Gu Insect, instantly froze, the Gu Insect, froze and turned into Ice pebbles.

"What" Pin King didn't expect that his Gu insect would be so easily frozen by Ye Chen, doing this was really something that was difficult to do.

The Gu Insect, belonging to Pin King, was a type of insect that had extremely high resistance, so normal attacks shouldn't be easy to freeze.

"How can you freeze my Gu Insect,, that's impossible" Pin King said that what Ye Chen did was something that was impossible to do.

"Nothing is impossible in this world" Ye Chen told Pin King that in this world anything is possible.

"You're making me sicker, don't think you can win just because you managed to freeze the little Gu Insect, that I have" Pin King still had a lot of cards in hand, he was very confident that he could win against Ye Chen.

"Don't be too confident, let me make you understand who I am." Ye Chen stretched out his hand in front of him, just as Ye Chen stretched his palm forward, a very strong suction appeared and immediately sucked Pin King's body towards Ye Chen.

"What is this" Pin King could not believe that he would be sucked in by a very strong energy, this made Pin King unable to move.

When Pin King was very close, Ye Chen immediately grabbed Pin King's neck, Ye Chen gripped Pin King's neck very tightly.

"Argh. . . , bastard quickly let me go, if you don't let me go, then I will kill everyone in this place" Pin King gave a threat to Ye Chen, he said he would kill everyone if Ye Chen didn't let him go.

"Do you think I will be afraid of your bluff, I really don't care about your bluff." Ye Chen said that he was not afraid of Pin King's bluff.

People were scared when they heard what Ye Chen said, they were all scared by what Ye Chen just said, if Pin King activated the Gu bugs in their bodies, they would all die in this place.

"What are you doing, do you want to kill us all" all the men denounced the actions that Ye Chen wanted to take, they criticized Ye Chen's actions that could harm them all.

"You guys shut up" Ye Chen told the people who were talking too much to be quiet.

"if you want to live fast stop him" Pin King ordered people to stop Ye Chen, otherwise they would die.

"Quickly release him, do you want all of you to die silly" several people told Ye Chen to let go of Pin King, they all didn't want to die silly.

Ye Chen still ignored people's warnings, he didn't want to listen to these people's warnings.

"I told you before that I'm not afraid of that bluff, you're just a braggart" Ye Chen said to Pin King.

"Bragging you say, you dare to challenge me, look at this I will blow them up" Pin King said that he would blow them up.

"do it" Ye Chen told Pin King to do what he wanted, Ye Chen wanted to see if Pin King could do what he said.

"Look at this carefully" Pin King was very angry, he intended to blow up one of these people.

" Not . . ." Everyone became very hysterical when they saw what Ye Chen did, what Ye Chen did was something very crazy.

If Pin King was really angry, then their lives would really be over.

"This is it" Pin King said that he was ready to blow up one of the people in this place.

Some people start to close their eyes and fear the death they will face.

"." The atmosphere became very calm, there was not the slightest sound in this place, this calm made everyone feel confused, why there was no explosion.

"What happened?" Pin King started to wonder why he couldn't blow up one of these people.

"why?, don't you want to blow up the people in this place?" Ye Chen said to Pin King.

Ye Chen smiled evilly, it seems that what he did had succeeded in making Pin King unable to control the Gu bugs in the bodies of the people in this place.

"Bastard, you, Pahhhhh . . ." before Pin King could speak, Ye Chen had already slapped Pin King in the face.

"Let's quickly do what you said earlier, have you been bluffing all this time?" Ye Chen kept slapping Pin King in the face.

"Bastard, just watch out for you" Pin King roared, he was furious at Ye Chen.

Seeing this person's arrogant attitude, Ye Chen continued to throw several punches and slaps at Pin King.

Ye Chen repeatedly slapped Pin King's face until it was swollen and bloody, after which Ye Chen let go of Pin King.

He released Pin King in front of everyone in this place, Pin King writhed on the floor, it seemed that Pin King felt the pain from Ye Chen's attack.

"So you've been lying to us all this time" people started to approach Pin King, they all started venting their anger on Pin King who had threatened them and told them to do unreasonable things.
