

A True God 1421

Chapter 1421 - Song Family Problem Has Been Solved

"You guys don't come any closer, if you come any closer, I will blow you up" Seeing people approaching, Pin King gave a threat to these people, he threatened to blow them all up.

"You don't care anymore, it's just a bluff, let's kill him" Everyone rushed to Pin King, he was now the target of the angry mob.

"arghhh. . ." Pin King's screams were so loud, it could be heard almost all over the place.

The Pin King was removed, now that only Long Dou remained, Long Dou looked desperate when he faced Ye Chen and the others.

"Hahaha, now it's just you, what are you going to do?" Ye Chen said to Long Dou.

Now that only Long Dou were left, Long Dou had no one else to help him escape his responsibilities.

"Bastard, why do you always interfere in my affairs, do you have nothing else to do but meddle in other people's matters" Long Dou cursed Ye Chen, himself cursed Ye Chen because he interfered in other people's matters too much.

"You who have been looking for trouble for trying to kill me, so don't blame me if I interfere in this matter" Ye Chen wanted to take revenge for what Long Dou had done.

Long Dou had sent an assassin to kill Ye Chen, how could Ye Chen be silent when he saw this person wanting to kill him.

"The assassin I hired was really useless for letting you live, I should have gone to kill you " said Long Dou to Ye Chen.

Long Dou should have gone to kill Ye Chen with his own hands, that way Ye Chen wouldn't get in the way of his painstakingly made plan.

"Let's get this over with right now." Ye Chen said to resolve this matter as soon as possible, he wanted to beat Long Dou immediately.

"Ziyu, you keep an eye on the people around this place, don't let them join the fight, they still have explosive Gu bugs inside their bodies." Ye Chen warned Song Ziyu to keep an eye on everyone.

"I'll make sure that they're okay." Song Ziyu nodded, he would make sure that everyone wouldn't fight.

Let Ye Chen solve this matter, Ye Chen will definitely solve this problem.

"I will kill you" Long Dou came forward, intending to kill Ye Chen.

From Long Dou's hand started to spit fire, he tried to hit Ye Chen with the fire.

"Feel this" Long Dou hit Ye Chen, he launched multiple attacks towards Ye Chen.

Ye Chen continued to advance, he did not fend off the attacks from the Long Dou that kept hitting him.

"Why doesn't it have any effect?" Long Dou looked confused, the attack he launched had absolutely no effect on Ye Chen.

Long Dou himself was forced to retreat, he kept retreating while attacking Ye Chen who was in front of him.

Ye Chen expected that Long Dou would be very strong, but it turned out that Long Dou's strength was so weak, he didn't even have enough strength to attack Ye Chen.

Long Dou was constantly being pushed back by Ye Chen, he was constantly being forced back by Ye Chen.

Even though Ye Chen didn't do anything, Ye Chen didn't make an attack on Long Dou.

Moments later, Long Dou was finally cornered, he already had no way of retreating backwards.

"Feel this" seeing the cornered Long Dou, Ye Chen hit Long Dou with all his might, Long Dou directly hit the wall behind.

The wall instantly shattered upon being hit by a Long Dou, the blow just now was strong enough to blow a Long Dou away.

" cough . . ." Long Dou coughed, fresh blood started pouring out of Long Dou's mouth.

Long Dou held onto his chest which had just received Ye Chen's punch, Long Dou felt an excruciating pain.

Long Dou felt that he had just been hit by something enormous and powerful, this caused some of his internal organs to shift.

Ye Chen is still kind, he didn't kill Long Dou in one fell swoop.

If Ye Chen wanted to, Ye Chen could destroy a Long Dou in one fell swoop, it was enough for Ye Chen to kill a Long Dou.

"Stop, don't come any closer" Long Dou told Ye Chen not to come any closer, Long Dou was already starting to be afraid of Ye Chen.

Long Dou did not expect that Ye Chen would become so powerful, this made Long Dou very afraid of Ye Chen.

"Ye Chen, don't kill him, he still has to take responsibility for what he did." Song Han asked Ye Chen not to kill Long Dou.

"Old Song, you don't need to worry, I definitely won't kill him, I will give a little punishment that will make him not dare to do something like this." Ye Chen wasn't going to kill Long Dou, he just wanted to have fun and attack the Long Dou who is in front of him.

"arghhh, stop, don't go there" Long Dou roared at Ye Chen, he roared because Ye Chen hit him so viciously.

Ye Chen launched several consecutive attacks at Long Dou, he launched several attacks at Long Dou very viciously.

Long Dou's appearance became even worse, his entire body covered in extremely severe bruises.

Seeing the helpless Long Dou, Ye Chen decided to stop, Ye Chen gave the injured Long Dou to Song Han.

"Grandpa Song, do whatever you want, here I am done" Ye Chen told that he was done, Song Han could do whatever he wanted to Long Dou.

"Ye Chen, thank you for helping us again, I owe you once again" Song Han said that he owed Ye Chen, once again he owed Ye Chen for helping him.

"Grandpa Song you don't need to thank me, I also have a problem with this person, so I'm doing this voluntarily." Ye Chen said that he was doing this voluntarily.

"You are indeed a great man" Song Sin praised Ye Chen, he praised Ye Chen who was very great.

"Don't get too excited, your body contains dangerous Gu bugs, so I'll take them out for you guys" Ye Chen told Song Han and Song Sin not to get too excited, inside their bodies there were still Gu insect that could explode.

Song Han and Song Sin nodded, both of them could trust Ye Chen, they let Ye Chen take the Gu bugs out of their bodies.

Ye Chen helped the people from the Song Family, Ye Chen helped remove the Gu insect that were inside their bodies.

Insect Gu could easily be taken out by Ye Chen, now Song Han and Song Sin are fine.

"Master, please help me too" several people started to come forward, they asked Ye Chen to help them.

"You guys are really shameless, whereas before you insulted Ye Chen, but now you are asking him for help" Song Ziyu was not happy with the attitude these people were showing, how could they ask for help from Ye Chen after what they tried do.

"Miss Song, it was our fault, so I beg Young Master Ye Chen to forgive us." These people immediately put up a thick wall, they looked like they had done nothing wrong.

"If you really want to ask for help, then you must make the people who previously shouted to come and kneel before me." Ye Chen was willing to help these people but he had conditions that they all had to fulfill.

Hearing this, people immediately looked around, they were looking for the person who had previously shouted and scolded Ye Chen.

Because they were so conspicuous before, their whereabouts were quickly discovered, the crowd asked these people to kneel down and apologize to Ye Chen.

"Quickly kneel down and apologize" people started to force the suspect to apologize to Ye Chen.

"Young master, please forgive me" these people were scared, they were scared because right now they were like a criminal who was being swarmed by lots of police.

"You look insincere, before you apologize sincerely, I will not forgive you" Ye Chen said to apologize more sincerely, otherwise Ye Chen would not forgive them.

"Didn't you hear, if you don't apologize properly, then we won't survive." Several people began to urge Ye Chen to apologize immediately.

"Grandpa, I was wrong, so please forgive me" these people apologized even more sincerely, they apologized to Ye Chen with full sincerity.

"Good, I forgive you." Ye Chen finally agreed to forgive all of them.

Everyone seemed to be overjoyed when they listened to what Ye Chen had to say, they all seemed happy that Ye Chen was willing to help them.

Ye Chen had already promised everyone, so Ye Chen couldn't help but have to do this.

Ye Chen helped everyone, himself took out all the Gu insect on everyone's bodies.

Ye Chen needed a little time to do this, he had to take out a huge number of Gu insect.

After a very long time, Ye Chen finally finished, he had finished treating everyone.

After finishing, Ye Chen said goodbye to Song Ziyu, Song Han and Song Sin, wanting to return to Jade Lotus Peak.

Song Ziyu, Song Han and Song Sin did not have the authority to stop Ye Chen, they could only let Ye Chen go.

Everything is done, so Ye Chen can now return to Jade Lotus Peak, Ye Chen started to wonder where his beauties had gone, he wanted to know where they had gone.

Fairy Zhen and Yan Fei had already left and they had gone to settle matters, meanwhile Mu Xueying had already brought all the disciples back to Jade Lotus Peak.

Around here were only Qiao Xin and Ning Xia hiding in the distance, Qiao Xin and Ning Xia were currently watching Ye Chen.

Chapter 1422 - Seven Fairy Succubus

"Not bad, he can solve this easily, it seems like a good thing to leave this matter to him" Ning Xia saw Ye Chen's performance, Ye Chen could very easily solve this problem, she really liked what Ye Chen did .

Ning Xia's decision to let Ye Chen deal with this was a good thing, Ye Chen was able to handle this all well.

"Alright, time to go back" Since the situation was under control by Ye Chen, Ning Xia decided to go back.

"Thank goodness I don't have to intervene in this matter" Qiao Xin was grateful that she didn't have to intervene to solve this problem, Ye Chen alone could solve the problem very easily.

"Ye Chen is getting stronger, he will soon become a great person, it seems that there is no need to bother to protect him anymore." Qiao Xin could see Ye Chen's development was very fast, in the near future Qiao Xin probably won't have to worry about Ye anymore. Chen.

Qiao Xin also left, she left this place to return to her residence.

The matter in the Song family had been resolved, everything had been resolved by Ye Chen, now that Long Dou had received the punishment he deserved, he was no longer able to make a mess.

Song Han decided to cripple Long Dou, this was done because they thought that Long Dou was a threat that could stab them in the back at any time, so it was better to cripple Long Dou's cultivation, so that he wouldn't cause any more trouble in the future.

Ye Chen himself is currently back at Jade Lotus Peak, Ye Chen is enjoying a quiet time at Jade Lotus Peak, Ye Chen is spending his time continuously practicing and strengthening his abilities.

These few days Song Ziyu always came to Ye Chen's place, Song Ziyu started to pay more attention to Ye Chen, he gave too much attention to Ye Chen, it could be said that Song Ziyu was approaching Ye Chen.

Song Ziyu was quite amazed by what Ye Chen had done, he was amazed when he saw what Ye Chen had done.

So she started to serve Ye Chen very well, Song Ziyu even started to pay more attention to Ye Chen.

It wasn't only Song Ziyu who started to pay attention to Ye Chen, almost all the women in Jade Lotus Peak also started to pay attention to Ye Chen, they started to pay attention to the handsome and charismatic Ye Chen.

Ye Chen himself benefited when he was close to the women in the Jade Lotus Peak, Ye Chen could absorb the Yin Qi that these women possessed.

The bad news was that Ye Chen couldn't be with Mu Xueying and Mei Yueli, Mu Xueying and Mei Yueli kept their distance from Ye Chen.

Ye Chen could understand why Mu Xueying and Mei Yueli were avoiding Ye Chen, both of them didn't want their relationship to be known by others, so both of them decided to stay away from Ye Chen a bit.

Ning Xia herself had only seen Ye Chen a few times, she went to Ye Chen to give Ye Chen a little direction.

Ye Chen himself likes Ning Xia, this beautiful master makes Ye Chen feel comfortable, it's like an older sister who has more care for Ye Chen.

Ye Chen's peaceful life began, he really enjoyed training at the Jade Lotus Peak.

Meanwhile in another place, precisely in a Sect at the bottom of the valley, there is a very large Sect, this Sect is so huge that it is even bigger than the Nine Immortals Peak Sect.

In this place full of beautiful women who are very Sexy, they all look very seductive and full of very strong passion.

These women looked like Succubus that could feed on men's life essence.

This alone can be ascertained that these women are cultivators who cultivate Dual Cultivation.

In a very quiet place, there is a woman who is currently bathing under a waterfall, from her figure alone this woman looks beautiful, sexy and very glamorous, her charm is so extraordinary that it can hypnotize a man who sees it.

Currently this beautiful woman is wearing a plain white dress, when the white clothes are exposed to water, the white clothes become translucent, her figure is really very sexy and seductive.

The two double peaks that were large in size made her even more seductive, at least the same size as Li Jingyi made a special point for this woman.

Her long hair flowing straight and wet with water, every pose and movement of this woman was simply too seductive, this was the greatest temptation in this world.

This woman's seductive figure was above Xue Suyin or Sun Xuanyin, this woman was too seductive, she had a body and movements that could make her seduce anyone in the world.

"mistress" a Sexy woman came, she knelt right in front of the woman.

"what is it?" Mistress beautiful and Sexy asked what happened, her voice was soft and full of charm that could make a man melt when he heard it.

"Mistress, I've got what you need, the information on the Yin & Yang Awakening Flower has been obtained, it seems that the information is true." The woman reported to Mistress that the information on the Yin & Yang Awakening Flower was true.

Mistress's eyes immediately lit up when she heard what was happening, she seemed very excited when she heard this news.

"Fufufu, that's great, I really need it" Mistress really needs a Yin & Yang Awakening Flower, she can increase her power by using a Yin & Yang Awakening Flower.

The Yin & Yang Awakening Flower was something that cultivators who cultivated Dual Cultivation needed, so it wouldn't be strange for this beautiful, Sexy and super Glamorous woman to want it too.

"Mistress, Yin & Yang Awakening Flower is in the valley of memories, it won't be easy to get Yin & Yang Awakening Flower" This woman reported to the mistress that Yin & Yang Awakening Flower is in the deep valley of memories.

"Valley of memories, it is a very inconvenient place to visit, it is like a very complicated maze, once you enter it will be very difficult to get out." The Valley of Memories is a very troublesome place, very difficult to get in and out of the Valley of Memories.

"Mistress, do we need to send students to go there first?" asked the woman to the mistress.

"That's not necessary, just call the Seven Fairy Succubus, I will go with all of them" the beautiful mistress said that she would go with the Seven Fairy Succubus.

"Mistress, are you sure about that, if you all leave, then what about Sect?" asked the Sexy woman to the mistress.

If the mistress went along with the Seven Fairy Succubus, then it could jeopardize the safety of the Sect.

"Listen carefully, the Yin & Yang Awakening Flower is a very rare item, so there will be a lot of people who are after it, if we don't exert our full strength, then it will be very difficult to obtain the Yin & Yang Awakening Flower. " said the mistress to the woman in front of her.

Mistress firmly believed that there would be many great people aiming for the Yin & Yang Awakening Flower, so she had to bring her best troops to battle in order to get the Yin & Yang Awakening Flower.

"I understand, I will go and call them all" Sexy woman now understands, the decision made by the mistress was indeed very, very right, it was a very right decision to bring the Seven Fairy Succubus with her.

The Valley of Memories is a very complicated place, this is something that is very difficult to go alone.

Chapter 1423 - Valley Of Memories

This time all cultivators cultivating Dual Cultivation would definitely come, they would definitely aim for the Yin & Yang Awakening Flower.

"I will definitely get it, that way I can reach the level of the ancestors" Mistress will definitely get the Yin & Yang Awakening Flower, for that she doesn't mind if she really has to exert all the strength she has.

"I can't wait to get that thing." Mistress couldn't wait to get the Yin & Yang Awakening Flower, she couldn't wait to get the power she wanted.

This woman was quite ambitious, she wanted to get a Yin & Yang Awakening Flower for herself.

.

.

Ye Chen was currently living a normal life, himself spending his time at the fairy gate and inside his room.

When morning came, Ye Chen saw a bird outside his room.

"A letter" Ye Chen saw that there was a letter on the legbird's, seeing this Ye Chen immediately went and looked at the bird.

Ye Chen took the letter that was on the bird's leg, he took the letter and started reading it.

The contents of the letter "master, I have investigated what you asked for, I found that what you are looking for is indeed in that place, the Yin & Yang Awakening Flower is indeed in the deep part of the memory vault, I am sending this letter because I can't go there. your place, your place is very difficult to enter" from Hu Yinan

When Ye Chen read the letter, Ye Chen found that it was sent by Hu Yinan, Hu Yinan sent a letter containing information of what Ye Chen wanted.

"good job" Ye Chen was very satisfied with the work done by Hu Yinan, the work done by Hu Yinan was very good.

"Now that I know that the information from Jingyi is true, I should start planning to go to that place." Since this information was confirmed, Ye Chen had to immediately go to the memory valley, he should be able to get the Yin & Yang Awakening Flower.

"Master, you should be able to bring back the Yin & Yang Awakening Flower, it is something precious to you and the others, plus Ning'er's special method, then it can be multiplied" Chu Yuechan said to Ye Chen.

Chu Yuechan informed that Chu Ning'er had a method that could increase the number of Yin & Yang Awakening Followers.

"Okay, I understand, I will definitely get it" Ye Chen will definitely get the Yin & Yang Awakening Flower, he will try to get the Yin & Yang Awakening Flower.

"Before leaving, I must say goodbye to Xueying, otherwise she will definitely look for me" Ye Chen had to say goodbye to Mu Xueying, if Ye Chen left without saying goodbye to Mu Xueying, surely Mu Xueying and Ning Xia would look for Ye Chen.

Ye Chen went to Mu Xueying's room, he was going to visit Mu Xueying, it just so happened that Mu Xueying's room was next to Ye Chen's, so it wasn't difficult to meet Mu Xueying.

"click." Ye Chen didn't knock on Mu Xueying's door, he went straight into Mu Xueying's room.

Mu Xueying's room was not locked, so Ye Chen was free to go in and out of Mu Xueying's room.

When Ye Chen entered Mu Xueying's room, Ye Chen found that Mu Xueying was cultivating.

"Husband, what do you need?" Mu Xueying could tell that the person who had entered was Ye Chen, the only person who dared to go in and out like this was Ye Chen.

"Wife, I want to go somewhere for a few days" Ye Chen immediately announced his arrival here, Ye Chen said that he wanted to go somewhere for a few days.

"Who are you going with?" Mu Xueying asked who Ye Chen was going with.

"That, I will go together with Jingyi" Ye Chen said to Mu Xueying.

"you can go, be careful on the way" When she heard Ye Chen wanted to go with Li Jingyi, Mu Xueying immediately let Ye Chen go.

Mu Xueying knew that Ye Chen would be fine, so now Mu Xueying didn't need to protect Ye Chen so much.

"Okay" Ye Chen thanked, he was grateful that Mu Xueying allowed it.

After Ye Chen got Mu Xueying's permission, Ye Chen immediately left, he immediately went down the Jade Lotus Peak to go see Li Jingyi.

Just as Ye Chen was about to descend, Ye Chen was stopped by several women from Jade Lotus Peak.

"Junior Ye Chen, where are you going?" these women asked where Ye Chen had gone.

They all looked very concerned about Ye Chen, they were all extremely concerned about Ye Chen.

"I want to go to the city" Ye Chen said that he wanted to go to the city.

"Do you want company?" one of the women offered to accompany Ye Chen.

"Hehehe, that's not necessary, thanks to Senior Sister's concern, I can do it myself." Ye Chen refused these women's offers, he had an appointment with Li Jingyi.

"What a shame" all the women looked disappointed when they listened to Ye Chen's answer.

"Maybe we'll talk about this another time." Ye Chen said to talk about this another time, maybe next time Ye Chen could go with them.

"I hope you don't lie to us" said one of the women to Ye Chen.

"See you then, we won't bother you" After Ye Chen comforted them, all the women left, they went upstairs.

Ye Chen continued his journey, he immediately went to Li Jingyi's place, when Ye Chen arrived at his house, Ye Chen found Li Jingyi's whereabouts in the courtyard.

Ye Chen went downstairs and met Li Jingyi who was downstairs, Li Jingyi immediately found the arrival of Ye Chen.

"husband" Li Jingyi immediately greeted Ye Chen's arrival.

"Wife, let's go to the valley of memories to find Yin & Yang Awakening Flower" Ye Chen invited Li Jingyi to leave right now.

"Come on" Li Jingyi was ready at any moment, she had already prepared herself to go together with Ye Chen.

Ye Chen and Li Jingyi flew away from White Cloud City, both of them headed towards the valley of memories.

The Valley of Memories was quite far away, Ye Chen and Li Jingyi needed a few hours to get there, Ye Chen and Li Jingyi used their top speed, this was done to shorten the time.

After flying for some time, Ye Chen and Li Jingyi finally arrived at the Valley of Memories.

When Ye Chen and Li Jingyi arrived, they saw that there were already countless cultivators already at the entrance of the valley of memories, some people had even started to enter the valley of memories.

Seeing this crowd, Li Jingyi immediately made a water mask to hide her appearance, Li Jingyi's beautiful appearance was very conspicuous, this could invite danger to Li Jingyi.

Most of the people in this place were cultivators who were on the Dual Cultivation path, so most of them came together with their Dao companions.

"Are we going straight in or looking for information first?" Li Jingyi asked Ye Chen, she wanted Ye Chen's opinion.

"We should go around this place, I don't really know what the terrain in the valley of memories is like" Ye Chen didn't want to be careless, he wanted to know what the valley of memories was like.

Ye Chen had seen the valley of memories using God Eyes, it was a very complicated place, plus there was a very dense fog that enveloped the valley of memories, even God Eyes had a hard time breaking through this dense fog.

That's why Ye Chen didn't want to be careless and enter into the valley of memories.

Chapter 1424 - Chi Shui

Ye Chen and Li Jingyi went around, both trying to find information about the Valley of Memories.

It was quite difficult to find the information that Ye Chen wanted, many people refused to give information to Ye Chen, mostly men took their partners away from Ye Chen.

"Looks like it's going to be a bit difficult to find information." Ye Chen felt that it would be very difficult to find information.

"Husband, it seems they are afraid of you" Li Jingyi told Ye Chen that people were afraid of him.

"Why are they afraid of me, I didn't do anything bad to them" Ye Chen started to ask why these people were afraid of him.

"They're probably afraid of you stealing their partner" Li Jingyi said that it's very likely that these people were afraid that Ye Chen would steal their partner.

"Why do they think like that?" Ye Chen started to wonder why people thought that way.

"Husband, you are now too handsome, look at the gazes of the women around this place, they seem to want to eat you" Li Jingyi said while giggling.

Li Jingyi was very attentive around this place, she could tell that countless women were looking at Ye Chen with gazes filled with passion, they all seemed to be in love with Ye Chen.

"Do I need to disguise myself?" Ye Chen might have to disguise himself, otherwise Ye Chen would have a lot of trouble finding information.

"Looks like it's too late to do that" Li Jingyi said that what Ye Chen did was too late, everyone had seen the handsome Ye Chen, so they couldn't possibly forget Ye Chen.

"This is a little troublesome." Ye Chen didn't expect the situation to turn out like this.

"Hey handsome do you have a problem" a woman approached Ye Chen, she asked about Ye Chen's problem.

"Hello beautiful sister, I do have a problem." Ye Chen said to the woman in front of him.

Ye Chen used his own way to deal with this woman, he would try to get information from this woman.

Ye Chen knew that this woman was a Dual Cultivation cultivator, so this woman must be very brave with Ye Chen.

"fufufu, handsome man, thank you for the compliment" this woman was easily flattered by Ye Chen's compliment, she was very happy with Ye Chen's compliment.

This woman was happy when she received Ye Chen's compliment, she was very happy with Ye Chen's compliment saying she was beautiful.

"So what problem do you have?" this woman asked about the problem that Ye Chen had.

"I want to know a little about the valley of memories, I still don't know much about the valley of memories" Ye Chen told the problem he was facing.

"So you want to know about the valley of memories? Okay, I'll tell you about the valley of memories." This woman was willing to tell Ye Chen about the valley of memories.

"The weak memory is a place shrouded by a thick and dense fog, this valley is quite strange, it can confuse the mind of someone who goes inside, many people do not return after entering the valley of memories, they seem to be lost in this valley of memories" woman this told Ye Chen about the valley of memories.

The Valley of Memories is quite a dangerous place, not many people can get out after entering the place, so many people are hesitant to go in there.

Life was more important than anything, so it wasn't strange that they had a doubt about entering the valley of memories.

"Has nothing come out yet?" Ye Chen asked the woman in front of him.

"No one comes out, people who came in from the beginning still can't get out" this woman said that no one had come out of the valley of memories yet.

Hearing this, Ye Chen started to think, he started to think about what might happen if he and Li Jingyi entered.

"Yuechan, what do you think?" Ye Chen asked Chu Yuechan, he wanted to know Chu Yuechan's opinion.

"What that woman said seems to be the truth, the mist contains something that can confuse the mind, if you go inside, it is certain that you will hallucinate." Chu Yuechan told Ye Chen that the information just now was the truth.

"So the fog is not ordinary." Ye Chen saw the fog that enveloped the valley of memories, it seemed that it was not an easy mist to overcome.

"Master, as long as you have strong mind power, I don't think you need to be afraid to face the fog." Chu Yuechan told Ye Chen not to be afraid of the fog.

"Okay I understand" Ye Chen understood, he understood what Chu Yuechan said.

"Look who's coming" suddenly there was a commotion, the people looked very noisy.

" what is it?" Li Jingyi started to wonder what had happened, why this place had become so lively.

Ye Chen also asked the same thing, he wanted to know what happened, why is everyone being so noisy.

Ye Chen looked at the direction where these people were screaming, when Ye Chen looked towards the horizon, Ye Chen saw that there were eight figures flying at an incredibly fast speed, they were all heading towards this place.

"Who is it, their aura is very strong." Ye Chen could feel a very strong power, it was emitted by the eight people who were coming to this place.

These eight people approached, they descended right in front of the entrance of the valley of memories.

These eight people are beautiful women with Sexy and hot appearances, they have a very seductive and charming beauty.

Every man would definitely be blown away when they saw these eight beauties, they were simply too seductive.

"Who are they?" Ye Chen started to wonder who the eight beauties were that had just arrived at this place.

"Those are Succubus Mistress and Seven Fairy Succubus, they are from Heaven Dream Sect." The woman beside Ye Chen told the eight women who had just arrived.

"they look strong" Ye Chen said to the woman beside him.

"Of course, they are from high ranking stars, they are one of the powerful Sects in the God Realm, their names are quite famous in the God Realm." Ye Chen got an explanation from the woman beside him.

"So they are from high ranking stars, not strange." Ye Chen could understand why they had such great strength, it seemed that they came from a strong place.

"handsome, you better be careful, a handsome man like you is their favorite" said the woman on the side with a teasing tone.

"Hahaha, thank you very much for the warning, but please explain who that woman is." Ye Chen was grateful for the warning given by the woman beside him.

"First is Succubus mistress Chi Shui, she is the leader of Heaven Dream Sect"

"Meanwhile each Fairy Succubus has a level and rank, first is Chi Yung, second is Chi Nan, third is Chi Bai, fourth is Chi Wue, fifth is Chi Maiya, sixth is Chi Rong, seventh is Chi Rou"

This was a brief explanation of the eight beauties who had just arrived, the woman on the side had explained everything to Ye Chen.

"Thank you for the explanation" Ye Chen was grateful for the explanation given by the woman in front of him.

"Jingyi, let's go" Ye Chen invited Li Jingyi to enter, the information just now was enough for Ye Chen, now Ye Chen has understood the situation ahead.

"handsome are you going?, why don't you just stay here, that place is very dangerous" said the woman to Ye Chen.

"Beautiful sister, I have already decided, so I have to go..." Ye Chen had already made up his mind, he was about to enter the valley of memories.

Chapter 1425 - Enter The Valley Of Memories

"goodbye" Ye Chen bid farewell to the woman who had given him the information, now was the time to go in and try it out for yourself.

"It's quite crowded here, don't they want to go into the valley of memories?" Chi Nan said to everyone around this place.

Chi Nan saw that these people were silent and did not want to enter the valley of memories.

"Most likely they all didn't dare to go inside, they were all afraid to go inside and would never come out again" Chi Yung replied.

Chi Yung looked disdainful of people who didn't want to enter the valley of memories, she saw these people as cowards.

"Sister see there is a very handsome man over there." Chi Rou said to all the women who were nearby.

Chi Rou was the smallest among all the Seven Fairy Succubus, even though she was the most daring when it came to Dual Cultivation, she was the most excited when dealing with a man.

Hearing Chi Rou's words, Chi Shui and the six beauties immediately looked in the direction Chi Rou was pointing.

The person Chi Rou was pointing at was Ye Chen, the present Ye Chen was too flashy.

"Hmm, he's quite handsome." Seven Fairy Succubus said that Ye Chen was indeed handsome, he was the most perfect person they had ever seen in their lives.

"He's very handsome, I've never seen anything like it" Chi Rong said that she had never seen such a good person as Ye Chen, Ye Chen was the best person he had ever met.

"You are absolutely right, I have never seen such a person either." Chi Maiya, also agreed with what Chi Rong said, she had never seen such a person.

"Do we need to kidnap him?" Chi Rou wanted to kidnap Ye Chen, she liked to kidnap handsome men like Ye Chen.

"Have you forgotten what we came here for, so focus on the goal first." Chi Wue said to focus on their goal, don't let them, their goal is the most important, they shouldn't waste time.

"But we can't possibly meet someone like this again." Chi Rou tried to make sure that they wouldn't find a man like Ye Chen.

"How about we ask the opinion of the mistress" because there was a debate, Chi Yung finally asked Chi Shui's opinion, she wanted to ask her opinion on this matter.

Chi Shui looked at Ye Chen, she sensed that this man was not simple, Chi Shui wanted to find out about Ye Chen, but the Yin & Yang Awakening Flower was much more valuable than Ye Chen.

"We should focus on our goal, our focus should be on obtaining the Yin & Yang Awakening Flower." Chi Shui decided to focus more on finding the Yin & Yang Awakening Flower.

"Alright Seven Fairy Succubus replied simultaneously, they will focus on their mission" These eight beauties entered into the valley of memories, they all burst into the mist instantly, they seemed to have no fear in their hearts.

"Wife, come in." Ye Chen led Li Jingyi into the fog.

"Let's go" Li Jingyi nodded, herself ready to enter the fog, the two of them started to enter the valley of memories.

When Ye Chen and Li Jingyi entered into the valley of memories, Ye Chen and Li Jingyi could feel the changes around where they were, they felt a quite significant change around them.

"Jingyi, be careful, I don't feel well." Ye Chen said to be more careful, he had an unpleasant feeling in this place.

"I understand" Li Jingyi nodded, he would be careful in his steps.

Li Jingyi could sense that this place looked very dangerous, she felt that the surroundings were full of danger.

Ye Chen and Li Jingyi continued to step forward, both of them advancing forward through the thick fog.

As Ye Chen and Li Jingyi advanced a few miles, they were greeted by countless roads and crossroads.

"Husband, which one should we take?" Li Jingyi asked which path they should take.

"Wait a minute, let me find out about this." Ye Chen said that he would find out which way was safe for them to take.

Ye Chen returned to using God Eyes, he tried to find the best way using his God Eyes.

Ye Chen tried to look far ahead, himself looking for the best way for them to go.

Even though Ye Chen used God Eyes to find a way, Ye Chen was still struggling, the fog here was very strange, this made God Eyes unable to work to its full potential.

"Too thick and deep" Ye Chen really had a hard time finding his way to where the Yin & Yang Awakening Flower was, the valley of memories was so deep and so complicated, it took Ye Chen a long time to map this out.

The current Ye Chen couldn't use God Eyes for too long, there would be side effects if Ye Chen used God Eyes for too long.

"Yuechan, this time it seems I need your help" Ye Chen couldn't do it, he couldn't handle this matter alone, the valley of memories was too big for Ye Chen to map.

"master, this mist is very strong, I myself have had a hard time finding the whereabouts of the Yin & Yang Awakening Flower, unless the Yin & Yang Awakening Flower is very close then maybe I won't be

able to help you" Chu Yuechan informed that her spirit sense was being restrained by fog, so Chu Yuechan couldn't find the whereabouts of the Yin & Yang Awakening Flower.

Ye Chen was a little disappointed when he heard this, it seemed that this time Ye Chen had to struggle to find a way.

"It seems that for now you can only rely on your luck." Chu Yuechan said that Ye Chen could only use his luck.

"No choice, let's use my instincts." Ye Chen had no choice but to use his instincts.

"Jingyi let's go" Ye Chen led Li Jingyi to the front, now they can only find their own way.

Ye Chen and Li Jingyi walked hand in hand, they were very close to prevent being separated.

During this time, Ye Chen and Li Jingyi still hadn't met anyone, they didn't find any signs of life.

Ye Chen and Li Jingyi had not even encountered any Magical Beasts or monsters living in this place, this place was very quiet.

"Isn't this a little strange." Ye Chen started to feel something was wrong, he felt that this place looked very strange.

"I also think the same thing, this place is very quiet, there is not the slightest sign of life around this place" Li Jingyi said to Ye Chen.

"I feel like we are in a world that was only made for the two of us." Ye Chen felt that they were in a world where only the two of them lived.

"Kyahhh. . ." Just when Ye Chen thought that they were alone, Ye Chen heard a very loud scream.

"Jingyi let's see" Ye Chen took Li Jingyi to see where the voice came from just now.

Li Jingyi nodded, she and Ye Chen immediately headed towards the source of the sound.

The sound just now shouldn't be far away, so Ye Chen and Li Jingyi should be able to arrive quickly.

"empty" when Ye Chen arrived, he didn't find anything, around Ye Chen there were only stones and some black grass.

"master, where did Jingyi go?" Chu Yuechan told Ye Chen that Li Jingyi was not around this place.

Chapter 1426 - Yu Ting's Figure In The Fog

"Wasn't he behind me?" whereas previously Li Jingyi was behind Ye Chen, but now Li Jingyi had disappeared somewhere.

Ye Chen immediately looked for Li Jingyi's whereabouts, Li Jingyi should still be around this place.

Ye Chen scanned the area around himself, trying to find Li Jingyi's whereabouts.

When Ye Chen searched around this place, Ye Chen couldn't find any sign of Li Jingyi's presence, he couldn't find any sign of Li Jingyi's around this place.

"Strange, Jingyi disappeared too fast" Ye Chen felt that this was quite a strange thing, Li Jingyi disappeared too quickly, this was really unreasonable.

"Master, Jingyi is strong enough, so you shouldn't have to worry about him." Chu Yuechan said that Li Jingyi was strong enough, so Ye Chen didn't have to worry about Li Jingyi.

"I know she is strong, but this is a confusing place, what if she is trapped and can't get out, it will be very troublesome." Ye Chen said to Chu Yuechan.

"Can't you feel your connection with him?" Chu Yuechan asked Ye Chen.

Chu Yuechan asked if Ye Chen couldn't feel his connection with Li Jingyi.

"That's what makes me a little confused, I can't feel Jingyi's presence around this place, it feels like we're moving away from each other" Ye Chen told about what he was going through.

"Hmm, that's really weird" Chu Yuechan felt strange about what Ye Chen said, it was probably because of the fog around Ye Chen.

"I will continue to search" Ye Chen said that he would continue to search for Li Jingyi's whereabouts, Ye Chen should not give up on searching for Li Jingyi's whereabouts.

Ye Chen went on a quest again, this time Ye Chen had to find Li Jingyi's whereabouts.

When Ye Chen searched, Ye Chen found a female figure in the distance, this female figure was standing with her back to Ye Chen.

"Jingyi" Seeing this Ye Chen immediately thought that this figure was Li Jingyi, Ye Chen immediately approached and tried to approach the woman.

As Ye Chen approached, Ye Chen discovered that this woman was not Li Jingyi, from her back alone Ye Chen could tell that it was not Li Jingyi.

"That figure looks familiar" Ye Chen felt that the figure in front of him looked familiar, he felt a familiar feeling with the woman in front of him.

Ye Chen kept getting closer, he could see the figure in front of him more and more.

"This, is it Yu Ting?" After getting closer, Ye Chen could finally remember and see this figure, up close Ye Chen could confirm that it was Yu Ting.

"how did he get to this place" Ye Chen started to wonder why Yu Ting was in this place, he should have been sealed by Mu Lanyin using the powerful Ice Phoenix seal.

Out of curiosity, Ye Chen decided to approach Yu Ting as to whether this was really Yu Ting or not.

When Ye Chen tried to approach Yu Ting, Yu Ting suddenly turned around, he looked at Ye Chen who was in front of her.

"Ye Chen, long time no see" Yu Ting immediately said to Ye Chen who was in front of her.

"You, how did you come to be in this place?" Ye Chen immediately asked why Yu Ting was in this place.

"What is it, am I not allowed to be in this place, you are also here for something, aren't you?" Yu Ting said to Ye Chen.

Yu Ting's voice sounded very seductive, this woman became very Sexy and too seductive, she was no longer the Yu Ting that Ye Chen knew.

"You" Ye Chen did not expect that Yu Ting would return the question to him.

"Ye Chen you are still the same as before, how is your woman, is she dead?" Yu Ting asked Ye Chen.

Yu Ting was asking Ling Yin's condition, she was alluding to Ling Yin's question who was in the most dangerous state.

"You" Ye Chen said to Yu Ting, if not for Yu Ting maybe none of this would have happened.

"Hahahaha, that's my goal, I will definitely make them suffer." Yu Ting said that if that was her goal, she would definitely make Ye Chen's closest people suffer.

"I won't let you do that" Ye Chen said that while he wouldn't let Yu Ting harm those closest to him, Ye Chen definitely wouldn't let Yu Ting do the same thing twice.

"Let's see if you can stop what is going to happen" Yu Ting said to Ye Chen, Yu Ting suddenly drifted away, he stepped away and left this place.

"Where are you going?" Ye Chen wouldn't let her escape, Ye Chen would chase after Yu Ting.

"Chase me if you can" Yu Ting said to Ye Chen, Yu Ting fled from this place.

Ye Chen tried to chase after the fleeing Yu Ting, when Ye Chen wanted to chase after Yu Ting, Ye Chen felt a danger in front of him.

Ye Chen immediately stopped on the spot, not chasing after Yu Ting.

"A trap" Ye Chen saw that there was a trap in front of him, if Ye Chen stepped forward, then this trap would definitely be active.

"husband, you there, go wherever you are" Li Jingyi appeared from behind Ye Chen, he looked very worried about Ye Chen.

"wife, why did you disappear?" Ye Chen asked Li Jingyi, Ye Chen asked why Li Jingyi disappeared all of a sudden.

"You were the one who disappeared, I tried to summon you, but you came forward and suddenly disappeared" Li Jingyi said to Ye Chen.

Li Jingyi said that she had tried to stop Ye Chen, unfortunately what Li Jingyi did was not heard by Ye Chen.

"I didn't hear us you called me" Honestly Ye Chen didn't hear Li Jingyi calling him, all Ye Chen knew was that Li Jingyi suddenly disappeared and never appeared.

This naturally made Li Jingyi very worried, she was worried because Ye Chen had suddenly disappeared.

"Hmm, was I under the influence of an illusion just now?" Hearing this, Ye Chen immediately thought that he was just under the influence of an illusion, that was the only reason that Ye Chen could think of.

It was likely that the Yu Ting he had just seen was also an illusion he had created himself, the fog around this place made one hallucinating.

"husband?" Seeing Ye Chen who was confused, Li Jingyi immediately asked Ye Chen, he wanted to know what happened to Ye Chen.

"Let's continue our journey" Ye Chen realized, he invited Li Jingyi to continue their journey.

"Okay" Seeing that Ye Chen didn't want to talk about the matter, Li Jingyi decided not to continue this matter.

Ye Chen and Li Jingyi continued their search, they were looking for the whereabouts of the Yin & Yang Awakening Flower.

On the way this time, Ye Chen and Li Jingyi met some strange monsters, they met some monsters that crawled and attacked them.

Seeing the strange and disgusting monsters, Ye Chen and Li Jingyi instantly killed all the strange monsters that were in front of them.

These monsters are so numerous, they number in the hundreds of thousands, Ye Chen and Li Jingyi are continuously destroying these monsters.

"It's like it's endless" Ye Chen feels that it's like it's endless, he feels that the monsters in this place are endless.

Ye Chen didn't know where these monsters came from, their numbers were so numerous that they didn't run out even after being killed by Ye Chen.

Chapter 1427 - The Battle Of Chi Shui And The Centipede Of A Thousand Faces

"It's like it's endless" Ye Chen feels that it's like it's endless, he feels that the monsters in this place are endless.

Ye Chen didn't know where these monsters came from, their numbers were so numerous that they didn't run out even after being killed by Ye Chen.

Ye Chen stepped forward, he decided to find out the origin of this monster.

Ye Chen broke through, himself destroying and attacking every monster in front of him.

With Ye Chen's strength, Ye Chen easily broke through to the front, when Ye Chen broke through to the front, Ye Chen found a portal Array that took out the monster.

"It's an Array, was this monster summoned by someone" Seeing this, Ye Chen guessed that the monsters here had been summoned using the Array.

Ye Chen wanted to see if he could get into the Array, himself advancing towards the direction where the teleportation Array was.

Just as Ye Chen was about to enter, a very strong barrier blocked Ye Chen, this sent Ye Chen flying backwards.

"Looks like I can't go inside." Ye Chen saw that he couldn't go inside, there was a strong barrier that prevented humans from entering this teleportation array.

"Since I can't enter, I'd better destroy the Array." Since Ye Chen couldn't go inside, Ye Chen decided to destroy the Array so Ye Chen could stop the waves of monsters that kept appearing.

"Boom" Ye Chen used the Heavenly Silver Flame to destroy the teleportation Array, using the Heavenly Silver Flame, Ye Chen managed to destroy the teleportation Array.

Now that the monster horde had no longer appeared, it was time for Ye Chen and Li Jingyi to clean up the mess around this place.

With the good cooperation between Ye Chen and Li Jingyi, the two were finally able to eradicate all the monsters.

The dead monsters turned into mud puddles, they seemed to be made of mud.

"Jingyi, do you think someone is controlling this?" Ye Chen asked Li Jingyi, he wanted Li Jingyi's opinion.

"Perhaps, what we just fought seems to have been made by someone using earth." Li Jingyi said that what they had just fought was made of earth.

"Let's find out about this, we can definitely find out where the monsters came from earlier." Ye Chen took Li Jingyi to find out where the monsters around this place came from.

Ye Chen and Li Jingyi searched for information around this place, both looking for information they could use.

The two of them didn't dare to go too far, they both didn't want to be apart like before, so the two of them decided to jointly search for information.

After searching in all directions, Ye Chen and Li Jingyi still didn't find any clues, they didn't find any useful clues for them.

Receiving nothing, Ye Chen and Li Jingyi decided to advance, they both went to the deeper parts of the valley of memories,

The interior of the valley of memories grew darker, Ye Chen used a light to help himself guide the dark path.

"Look there is a person" in front, Ye Chen saw a human figure, Ye Chen took Li Jingyi to see the figure in front.

Ye Chen and Li Jingyi stepped forward, they approached the figure, when Ye Chen touched the figure, the human figure in front of Ye Chen immediately collapsed.

This person turned out to be dead, several organs on his body seemed to have been taken by someone and then left standing like this.

His face was not even recognizable anymore, his skin and all organs had been removed.

"He died." Ye Chen saw that the person they met had died, from his current state, this person must have been dead for a few days standing still.

"This person's vital organs have been removed, there must be a reason why this person's organs were taken" Li Jingyi said to Ye Chen.

Li Jingyi could see that vital organs had been removed, it seemed that someone had taken this person's organs.

"From what I can see, this was not done by humans, it must have been done by monsters" Ye Chen said that this was most likely done by monsters.

Li Jingyi nodded, she completely agreed with what Ye Chen said, this must be the work of a monster.

"Roar" From a distance Ye Chen and Li Jingyi heard the roar again.

"Looks like it's the monster, let's go and see." Ye Chen immediately moved, most likely a battle was going on up ahead.

"wife, stay together, I don't want the previous thing to happen" Ye Chen took Li Jingyi hand, Ye Chen didn't want the previous incident to repeat itself.

Ye Chen and Li Jingyi stepped forward, in front of them saw a battle between a man and a centipede monster that had the upper body of a human.

"that woman" Ye Chen saw the woman who was fighting, this woman was beautiful, Sexy and very Glamorous, Ye Chen could tell from afar that this was Chi Shui.

"Isn't that the Mistress of Heaven Dream Sect" Li Jingyi saw that it was Chi Shui, this woman was indeed very very seductive, Li Jingyi who was a woman had to admit the charm of Chi Shui.

"wife, it seems that it is a monster that stole people's organs just now" Ye Chen saw a centipede monster that had a human body, this monster could change its face and appearance into a human form, it seemed that he had stolen a human's organ that was met by Ye Chen.

"It seems that the monster wants to steal Chi Shui's organs." Li Jingyi saw that this centipede monster wanted to steal Chi Shui's organs.

Chi Shui is strong, the centipede monster is looking for the wrong opponent." Ye Chen said that the centipede monster was looking for the wrong opponent.

"That woman is indeed strong, she is comparable to me" Li Jingyi admitted that Chi Shui was strong, this woman was comparable to her.

"Master, don't you want to help her?" Chu Yuechan asked if Ye Chen didn't want to help her.

"Why do you want me to help her?" Ye Chen asked why Chu Yuechan insisted on helping Chi Shui.

"This woman has a special body, I myself have a little trouble finding this from afar, so I want you to come closer" Chu Yuechan said to Ye Chen.

Chu Yuechan felt that Chi Shui had a special body, only that Chi Shui used an artifact to hide this.

"Let her finish the battle first" Ye Chen would let Chi Shui finish the battle, that way Ye Chen could approach more easily.

"So you want to steal this face, don't dream of getting this" Chi Shui said to the centipede monster.

"Human, you just give up, leave yours to me, that way you won't feel any pain" said the centipede monster.

This monster turned out to be able to talk, from his voice Ye Chen and Li Jingyi didn't know whether it was a girl or a boy, the tone of the centipede monster's voice seemed to be able to change into a man or a girl .

"it is indeed worthy of being a thousand-faced centipede, you can actually imitate everything your victim has" Chi Shui said to the monster in front of her.

"I don't need praise from a human like you, what I need is an organ." The thousand face centipede didn't like hearing Chi Shui's words, what he wanted now was to kill Chi Shui and get Chi Shui's beautiful face.

"Really so rude, you don't know how to talk to a beautiful woman like me" Chi Shui said to the thousand-faced centipede.

Chapter 1428 - Meet Chi Shui

"I told you that I don't care about that problem" the thousand face centipede said again that it didn't care what Chi Shui said.

"I will kill you" the thousand face centipede advanced towards Chi Shui, he immediately attacked Chi Shui who was in front of him.

"You are really very naughty, bad boy should be punished" Chi Shui said that annoying kid should be punished.

A purple lightning bolt shot out of Chi Shui's body, Chi Shui's body was enveloped by a thunderous purple lightning.

Chi Shui raised her hand upwards, when Chi Shui did that, this place was enveloped in a purple light that radiated from all around this place.

Around this place were countless thunderbolts, all of these thunderbolts flashing above Chi Shui's head and a thousand-faced centipede.

"Rain Purple Thunder Domination" Purple lightning gathered around the thousand-faced centipede, purple lightning instantly fell and rained down on the body of the thousand-faced centipede.

"Bzzt" The body of the thousand-faced centipede was rained down by millions of lightning, its body peeling off when it received a lightning strike that possessed immense power.

In just a matter of seconds, the body of the thousand-faced centipede disappeared and only bones remained.

"bruk" The bone of the thousand-faced centipede fell to the ground, the thousand-faced centipede was completely turned into bone in just a few seconds by Chu Shui.

"Fufufu, it seems you have already tasted the consequences for messing with this beautiful woman." Chi Shui licked her fingers, she seemed to really enjoy killing the thousand face centipede.

"-_- " Ye Chen looked at Chi Shui, it seemed that it was not easy to deal with a woman like Chi Shui, Chi Shui seemed to like torturing his enemies.

"Husband, what do you think about Chi Shui?" Li Jingyi asked Ye Chen who was in front of her.

"she's strong, plus she seems sadistic." Ye Che told Li Jingyi his opinion.

"No, I mean what do you think, is she your type?" Li Jingyi said to Ye Chen.

Li Jingyi didn't ask about Ye Chen's strength, she instead asked if Chi Shui was the type that Ye Chen liked or not.

"Hmm, it's a little tricky, she's charming, but she's a little dangerous and wild" Ye Chen said to Li Jingyi.

From just a glance, Ye Chen could see that Chi Shui was a wild and unruly woman who seemed to be difficult to deal with.

Li Jingyi only smiled when he listened to what Ye Chen said, Li Jingyi was very sure that Ye Chen could tame Chi Shui easily.

No woman could withstand Ye Chen, he was too strong, so Li Jingyi was sure that Ye Chen could conquer the wild and daring Chi Shui.

"You who are hiding there, why don't you come out, do I need to make you come out?" Chi Shui finally found the whereabouts of Ye Chen and Li Jingyi, this woman managed to find Ye Chen and Li Jingyi who were hiding in the distance.

"Looks like we were caught" Ye Chen didn't expect that they would be caught so soon, it seemed that Chi Shui was more concentrated than Ye Chen imagined.

"Want to run away?" Li Jingyi asked Ye Chen.

"No, let's talk to her." Ye Chen didn't want to run away, Ye Chen was confident when facing Chi Shui.

As long as it is a woman, Ye Chen believes that if he can overcome the woman, Ye Chen has various techniques to overcome a woman.

Ye Chen and Li Jingyi came out, they were now face to face with Chi Shui.

"Handsome boy, I didn't expect that we would meet again." Chi Shui did not expect that she would be reunited with Ye Chen.

"Beautiful lady, this is still our first meeting" Ye Chen replied to Chi Shui.

This was still Ye Chen's first time talking to Chi Shui, it was the first time they had faced each other face to face.

"Not really, I saw you at the entrance" Chi Shui said to Ye Chen, Chi Shui had already noticed Ye Chen, she was watching Ye Chen because of something that made her heart feel uneasy.

"It is an honor for me to be seen by a beautiful lady" Ye Chen said to Chi Shui.

"I'm Chi Shui, why don't you introduce yourselves." Chi Shui introduced herself to Ye Chen.

"Beautiful lady name is very pretty, exactly like you, I am Ye Chen and this is my wife Jingyi" Ye Chen introduced himself and Li Jingyi to Chi Shui.

"Fufufu, you're good at flirting, aren't you afraid that the wife next to you gets angry when you tease me?" Chi Shui said to Ye Chen, Chi Shui didn't expect that Ye Chen would be so good at teasing her.

"My wife is a good woman, she won't be angry with such trivial matters" Ye Chen said that Li Jingyi was an understanding woman, she was very understanding towards Ye Chen.

Li Jingyi smiled at Chi Shui, she wasn't angry at all when she saw Ye Chen teasing Chi Shui.

Chi Shui looked at Li Jingyi, she could see that Li Jingyi had exactly the same double peak as her, this was a very good capital.

"You have good taste too" Chi Shui praised Ye Chen's taste, she found a very good partner like Li Jingyi.

"I am indeed blessed by the heaven" Ye Chen said that she was blessed by the heaven, Ye Chen had countless beautiful wives.

"Ye Chen, did you come here to look for the Yin & Yang Awakening Flower?" Chi Shui asked Ye Chen.

"Of course, that's our goal, my wife and I also want to get Yin & Yang Awakening" Ye Chen nodded, himself telling that he came here to get Yin & Yang Awakening Flower.

"So you guys came to look for Yin & Yang Awakening Flower, I also happened to be looking for Yin & Yang Awakening Flower" Chi Shui said that she came to this place to get Yin & Yang Awakening Flower.

"Looks like our goal is the same" Ye Chen said to Chi Shui.

Ye Chen knew that Chi Shui must be aiming for the Yin & Yang Awakening Flower as well, this woman must be aiming for the Yin & Yang Awakening Flower for herself.

"Click. . . ." the thousand face centipede rose, it rose and recovered itself from Chi Shui's attack.

a strange thing happened, the thousand face centipede recovered its body that had just been knocked out by the lightning strike, now the thousand face centipede's body is back to how it was before.

Ye Chen, Li Jingyi, and Chi Shui turned around, the two of them turned around and saw the thousand-faced centipede.

"He is still not dead." Chi Shui did not expect the thousand face centipede to not die after receiving his attack.

"Human, I will definitely repay you" the thousand face centipede roared, he would retaliate for what Chi Shui did.

Seeing the thousand-faced centipede rising up, Ye Chen and Li Jingyi also prepared to fight, both of them prepared to fight against the thousand-faced centipede.

"Master, you just leave everything to this woman, this woman has a Yin temptation Enhanced Body, her battle power should be strong enough." Chu Yuechan told that this woman in front of her had a strong Yin body.

"Yin temptation enhance body, not weird, she's too seductive" Ye Chen nodded, it seems that this woman's is quite high.

From Chi Shui's body, purple lightning flashed again, intending to kill the thousand-faced centipede for the second time.

"Looks like the previous punishment wasn't enough, this time I will make sure that your bones will also be crushed to dust..." Chi Shui started to get serious, he intended to kill the thousand face centipede.

Chapter 1429 - Spend The Night With Li Jingyi And Chi Shui (1)

Chi Shui again rained down on the thousand-faced centipede using her lightning.

This time the thousand-faced centipede dodged Chi Shui's attack, it dodged the hail of lightning that was aiming at it.

" dies" the thousand face centipede immediately attacked Chi Shui, he seemed to be aiming for Chi Shui and wanted to kill him.

Chi Shui didn't stay still when she saw the attack coming from the thousand face centipede, Chi Shui made a lightning shield around herself.

"Slash" Chi Shui's lightning shield was slashed several times by the thousand-faced centipede, the thousand-faced centipede used its very sharp legs to destroy Chi Shui's shield.

The shield made by Chi Shui was too strong, it made it difficult for the centipede of a thousand faces to destroy it.

Unable to destroy Chi Shui's shield, the thousand-faced centipede decided to attack the defenseless Ye Chen.

"Then you just die" the thousand face centipede decided to go and attack Ye Chen.

"You are looking for the wrong enemy, feel this." Ye Chen immediately released a fire from his palm, this fire instantly burned the body of the thousand-faced centipede.

"Gahhh" the thousand-faced centipede roared, itself being burned alive by Ye Chen, because its body was on fire, the thousand-faced centipede decided to retreat, the thousand-faced centipede wanted to extinguish the fire that burned its body.

Unfortunately, the fire that burns the centipede of a thousand faces cannot be easily extinguished, this fire continues to burn and burn the body of the centipede of a thousand faces.

Chi Shui saw what Ye Chen was doing, she didn't expect that Ye Chen would become strong enough to fight against a thousand face centipede.

Seeing the thousand-faced centipede that seemed to be struggling to extinguish Ye Chen's flames, Chi Shui took the initiative to attack the thousand-faced centipede.

He launched a very powerful lightning strike, a very strong lightning strike fell on the body of the thousand-faced centipede.

"Boom" a loud explosion occurred, the soil and rocks around this place immediately lifted and flew in all directions.

An enormous crater appeared as a result of the attack that had just been launched by Chi Shui.

"This time it must be enough to kill him." With such a powerful attack, Chi Shui was absolutely certain that it would be enough to kill a thousand-faced centipede.

"No, it's still not enough." Ye Chen informed that such an attack was still not enough to kill a thousand-faced centipede.

"Did you say" Chi Shui did not expect that Ye Chen would say something like this, even though Chi Shui's attack was strong enough to crush a cultivator at the Divine Overlord Realm stage.

"Human, you have made me angry again" the thousand face centipede looked very angry, it looked very angry at Ye Chen and Chi Shui.

The recovery speed of the thousand-faced centipede was extremely fast, in just a short time, its body returned.

"Isn't he dead?" Chi Shui felt that this monster in front of her couldn't die, the attacks she launched couldn't kill the monster.

"Roar"the thousand-faced centipede roared, when the thousand-faced centipede roared, several thousand-faced centipede monsters appeared in abundance.

"Oi, is this a joke, how many are there?" Ye Chen didn't expect that the thousand face centipede would have such a huge number.

"Humans, these are my friends, prepare to die!" The thousand-faced centipede shouted at Ye Chen, Chi Shui and Li Jingyi.

"This will be a little troublesome." Chi Shui felt that this would be a bit of a hassle, the number of enemies was too much plus they were hard to kill.

"Do we need to retreat?" Li Jingyi suggested to retreat, the number of centipedes of a thousand faces was too much.

"That doesn't seem necessary, our goal is to advance." Ye Chen said that their goal was to advance, so they had to pass through the herd of thousand-faced centipedes.

Ye Chen stepped forward, himself stepped forward and stood in front of a hundred thousand face centipede.

"Quite domineering aura" Chi Shui could feel Ye Chen's aura was quite domineering, Ye Chen's aura was quite domineering to Chi Shui.

"He's mine, he's mine, he's mine" All the thousand face centipedes headed towards Ye Chen, they were preparing to attack Ye Chen who was in front of him.

Ye Chen didn't show any fear when facing the horde of thousand face centipedes that were heading towards him, Ye Chen currently started to close his eyes and kneel on the ground, one hand starting to touch the ground beneath him.

The herd of the thousand-faced centipedes was getting closer and closer, they were only a few dozen meters apart.

Li Jingyi was a little worried about Ye Chen, she was on guard to protect Ye Chen.

"Frost Age" Ye Chen used Frost Age, he used Frost Age to freeze all enemies.

"Frozen. . ." In an instant all the centipedes of a thousand faces froze into ice statues, all of them turned into Ice statues by Ye Chen

"God Slayer Lightning Shot" Ye Chen shot a very powerful lightning bolt towards the enemy, a very strong lightning shot, instantly sweeping all the monsters in existence in front of.

"Boom" a very large explosion occurred, All enemies were destroyed by this lightning shot.

"amazing" Chi Shui was shocked by what happened, she looked very surprised by what Ye Chen had done.

Chi Shui did not expect that Ye Chen would possess the three elements, he was able to use fire, ice and lightning, this was quite a rare thing to see, people like Ye Chen were only few in this world.

"Everything is done, Jingyi let's continue the journey" Ye Chen took Li Jingyi to continue the journey, Ye Chen wanted to continue the journey with Li Jingyi.

"Let's go" Li Jingyi nodded, she immediately went after Ye Chen who was in front of her.

"-_- " Chi Shui did not expect that she would be ignored by Ye Chen, this was the first time she had been ignored by a man.

Ye Chen left without saying anything, this made Chi Shui a little annoyed.

"What the hell is this guy, why didn't he invite me?" Chi Shui was annoyed to see Ye Chen leaving and ignoring him, why did Ye Chen not show any interest in her, the Charm she had was enough to make Ye Chen fall for it.

Chi Shui's charm may be very strong, he has an innate charm that is very seductive for a man, if only these were normal men, then they would definitely be hypnotized by Chi Shui's charm and temptation.

"I will follow them" Seeing herself being ignored by Ye Chen, Chi Shui decided to follow Ye Chen, she couldn't believe that a young man like Ye Chen wasn't attracted to her beautiful.

Chi Shui would definitely attract Ye Chen to her, she was very confident in her appearance and beauty.

When compared to Li Jingyi, Chi Shui had the confidence to win against Li Jingyi.

Chi Shui followed behind Ye Chen and Li Jingyi, she tried to follow Ye Chen and Li Jingyi secretly.

"Husband, that woman is following us" Li Jingyi informed that Chi Shui was currently following behind them, she hid herself in the darkness.

"I see it, let it go" Ye Chen also saw what Chi Shui was doing, Ye Chen let Chi Shui do what she wanted.

While this time Ye Chen wanted to focus on finding the Yin & Yang Awakening Flower, as for the Chi Shui matter, Ye Chen could deal with it later.

Ye Chen and Li Jingyi continued down the path in front of them, looking for the whereabouts of the Yin & Yang Awakening Flower.

Ye Chen asked Chu Yuechan to stay alert and let them know if the Yin & Yang Awakening Flower was around them.

Chapter 1430: Spend the night with Li Jingyi and Chi Shui (2)

Ye Chen and Li Jingyi continued to advance forward, the two of them had been walking for a long time, until now, they still hadn't found what they were looking for.

"wife, are you tired, if you are tired we can rest around this place" Ye Chen suggested resting, the two of them had flown for a long time, and until now they had not found what they were looking for.

"Come on, let's rest." Li Jingyi agreed with Ye Chen's suggestion, they had better rest, they had searched this place for dozens of hours and found nothing.

To be honest the Valley of Memories was enormous, Ye Chen and Li Jingyi had put in their time and effort, but they had yet to find the Yin & Yang Awakening Flower.

To be honest. It was quite difficult to find the existence of a Yin & Yang Awakening Flower in such a vast space, it was like looking for a grain of sand among a haystack.

Ye Chen made a tent, he set up a tent that could be used for shelter, in addition Ye Chen made a fire to warm around them.

Ye Chen didn't forget to set up a barrier, it was safer to set up a barrier in an extremely dangerous place like this.

"How long are you going to hide in that place?" Ye Chen asked Chi Shui who was hiding in the distance, himself revealing the location of Chi Shui who was hiding.

Chi Shui did not expect that he would be found by Ye Chen, he did not expect to be found by Ye Chen so easily.

"Little brother, so you are aware of my existence." Chi Shui finally came out, she revealing in front of Ye Chen.

Chi Shui's voice became more and more melodious and charming, Chi Shui's voice was able to hypnotize every man who listened to it.

The man who heard this voice would definitely be confused, the charm possessed by Chi Shui was very strong.

Ye Chen had a little trouble resisting Chi Shui's temptation, this woman finally showed her ability to seduce Ye Chen.

"calm down" Ye Chen tried to calm down, he tried to calm himself from Chi Shui's temptation.

After a bit of adjustment, Ye Chen finally managed to calm himself.

"Miss Chi, why are you hiding like that" Ye Chen asked why Chi Shui was hiding in the dark.

"Isn't this your fault" Chi Shui said to Ye Che, Chi Shui instead blamed Ye Chen.

"Huh?, what do you mean?" Ye Chen didn't understand what Chi Shui meant, how could he be in the wrong.

Even though Ye Chen didn't feel like he had made a mistake, so how could Chi Shui blame him.

"Handsome brother, I am a weak woman, so as a man you should not leave a woman alone" Chi Shui said to Ye Chen.

"- ___-" Ye Chen didn't know what else to say, how could someone like Chi Shui who was the Mistress of Heaven Dream Sect be such a weak person.

If Chi Shui was weak, then people like Ye Chen and the others were much weaker.

"Master, this woman is giving you a code, she is approaching you" Seeing the insensitive Ye Chen, Chu Yuechan finally couldn't stand it and decided to help Ye Chen.

"So he wants to approach me, this woman is a little complicated." Ye Chen felt that Chi Shui was a little complicated.

"I'm sorry, it seems it was my fault that I didn't invite you" Ye Chen apologized for not taking Chi Shui along with him.

Chi Shui felt proud of herself, she was finally able to get Ye Chen to acknowledge her.

"Come with me" Ye Chen invited Chi Shui to join him.

Ye Chen led Chi Shui into the barrier, the two entered and met Li Jingyi who was currently grilling meat.

"Welcome" Li Jingyi gave a warm greeting to Ye Chen and Chi Shui.

Li Jingyi already knew that Ye Chen would definitely invite Chi Shui to join them, she knew that Ye Chen would not have the heart to let Chi Shui out alone.

Chi Shui sat near Li Jingyi, she watched Li Jingyi grilling meat.

"is it ready?" Ye Chen asked if Li Jingyi's roast beef was ready to be enjoyed.

"Not yet, it will be ready soon." Li Jingyi informed that everything would be ready in the near future.

Ye Chen nodded, it seemed that Ye Chen had to be more patient to eat Li Jingyi's cooking.

"Miss Chi, where did the seven beauties that came with you go?" Ye Chen asked about the fate of the Seven Fairy Succubus, did they have any bad luck that made Chi Shui have to leave them.

"I happened to be separated from them" Chi Shui informed that she happened to be separated from the Seven Fairy Succubus.

"aren't you worried about something happening with them?" Ye Chen asked if Chi Shui wasn't worried about something happening to the Seven Fairy Succubus.

"Why worry about them, they are no longer children to worry about, they can definitely survive in this place" Chi Shui said that the Seven Fairy Succubus could survive in the valley of memories.

The strength of the Seven Fairy Succubus is not weak, they are strong enough to face the dangers that surround this place.

"If you really are that strong, you should be that strong too, then why do you want protection?" Ye Chen said to Chi Shui who was in front of him.

Chi Shui was speechless when she heard what Ye Chen said, she was speechless when she heard what Ye Chen said.

Ye Chen's words just now were words full of traps, Ye Chen purposely said that to trap Chi Shui.

"I was too careless, how could I say such a thing" Chi Shui was too careless, how could she say such a thing in front of Ye Chen.

"I'm not as strong as them, you saw for yourself that even I couldn't kill a monster before" Chi Shui said to Ye Chen.

Chi Shui was quite skilled at speaking, she could easily find an excuse to convince Ye Chen that she wasn't that strong.

"Hmm..." Ye Chen looked straight at Chi Shui, he couldn't believe what Ye Chen had just said.

Chi Shui avoided the gaze directed by Ye Chen, she avoided the gaze that was given by Ye Chen.

this was the first time Chi Shui avoided contact with her opponent, it was usually the male who would avoid contact with Chi Shui.

Not many men can withstand Chi Shui charm, so in order to withstand Chi Shui strong charm, many men must avoid direct contact with Chi Shui.

"You two, the food is ready, let's eat." While Chi Shui was being cornered, Li Jingyi suddenly called the two of them over to eat.

"Okay, I'll come" Ye Chen was quite excited, he was excited when it was time to eat.

Chi Shui followed behind Ye Chen, she followed Ye Chen and Li Jingyi to have dinner.

The three formed a circle and started eating the food Li Jingyi made.

Chi Shui tried Li Jingyi's cooking a little, she wanted to know if Li Jingyi put anything strange in her cooking, if that happened, then it would be very troublesome for Chi Shui.

"Good" When Chi Shui tried Li Jingyi's cooking, she found that Li Jingyi's food tasted good.

"Of course, my wife has tried hard enough, so you can enjoy this to your heart's content" Ye Chen said to Chi Shui.

Ye Chen started to highlight Li Jingyi's abilities, he showed that Li Jingyi's abilities were the best.

Ye Chen knew that Li Jingyi had worked really hard to get to this point, so he couldn't let Li Jingyi's efforts go to waste, which was why Ye Chen kept praising Li Jingyi in front of Chi Shui.

"Husband, don't tease me, it's embarrassing." Li Jingyi felt a little embarrassed when she listened to what Ye Chen said, it was quite embarrassing to be praised in front of strangers.

"Are you embarrassed, the funny thing is" Ye Chen said to Li Jingyi who was in front of him.

Unbeknownst to them, Ye Chen and Li Jingyi were teasing each other in front of Chi Shui, this made Chi Shui a little jealous by what Ye Chen and Li Jingyi were doing.

"Wait a minute, why should I be angry about this matter?" Chi Shui felt strange, why was she angry when he saw Ye Chen and Li Jingyi flirting with each other, it was normal for a couple to do something like this.

Chi Shui was a veteran, so he already knew how to get a boy excited and please them easily.

Not many males can escape the clutches of Chi Shui, males who are caught will not come out alive:).

Ye Chen, Li Jingyi and Chi Shui continued to have dinner, they exchanged a bit of information.

Thanks to Ye Chen's fine tongue skills, he managed to get some information from Chi Shui.

Chi Shui couldn't stand Ye Chen's words, to be honest Chi Shui was the first time to face a man with sweet words like Ye Chen, every word of Ye Chen was full of sweet things that could make Chi Shui feel happy and fun.

Chi Shui had experienced this kind of feeling for the first time in her life.

"let's rest" Li Jingyi took Ye Chen and Chi Shui to rest, they should rest to continue their journey.

"You can rest." Chi Shui let Ye Chen and Li Jingyi rest, meanwhile she would guard outside.

"Don't be like that, you can rest with us, I don't mind sharing a place with you." Li Jingyi said that she didn't mind sharing her place with Chi Shui.

"But what about the security in this place?" Chi Shui asked about the security in this place.

"For that matter, you don't need to worry, the barrier made by husband is strong enough, it is strong enough to withstand the enemy's attack, if the enemy attacks we can still anticipate it" Li Jingyi said to Chi Shui.

Chi Shui seemed to still have doubts about what Li Jingyi said, she didn't know what Li Jingyi was planning.

"Husband what I said earlier is the right thing right?" Li Jingyi asked Ye Chen.

"Yes, that's right, this barrier is strong enough, it can withstand attacks from enemies who want to act, so we can anticipate this" Ye Chen said to Li Jingyi.

"You heard right, this barrier is strong enough to withstand attacks from the enemy, so you don't have to worry anymore." Li Jingyi tried to convince Chi Shui to take a break together.

"Well if you insist, then I won't be polite" since Li Jingyi continued to insist, then Chi Shui no longer needed to be so polite.

Ye Chen, Li Jingyi and Chi Shui went inside the tent, they started preparing to rest inside the tent.

Tonight Ye Chen was really lucky, there was a beautiful, Sexy and Glamorous beauty who was willing to sleep beside him.

Ye Chen and Li Jingyi were sleeping next to each other, meanwhile Chi Shui was at a distance, she was slightly away from Ye Chen and Li Jingyi.

"Aren't the two of them too relaxed, how can they be too relaxed when there are strangers near them, are they not wary of me?" Chi Shui started to wonder, why Ye Chen and Li Jingyi could be so relaxed.

From a distance Chi Shui saw Ye Chen's face, this man was too handsome, this made Chi Shui unable to take her eyes off Ye Chen.

"He was too handsome, I didn't expect someone like this to exist." Chi Shui didn't expect that there would be someone as handsome as Ye Chen, Ye Chen was the most handsome man Chi Shui had ever met.

"Maybe I'll tease him." Chi Shui wanted to try to tease Ye Chen, she really wanted to tease Ye Chen.
