

A True God 1431

### **Chapter 1431: Chi Shui create dreamland for tease Ye Chen (1)**

Chi Shui had already decided that she would tease Ye Chen, Chi Shui started to close her eyes.

Ye Chen fell asleep easily, this was the first time Ye Chen had slept so easily.

Ye Chen didn't expect that he would sleep so easily at all, this was the first time he had slept so easily like this.

Ye Chen suddenly felt himself in a very lonely place, in front of Ye Chen saw an entrance leading to a room.

Out of curiosity, Ye Chen decided to go inside, he went inside to see what was going on in there.

When Ye Chen went inside, Ye Chen found a woman lying on a bed, around this woman's bed there were a lot of mosquito nets covering her appearance.

Ye Chen looked straight at the bed, he could see a faint female figure, this woman looks very Sexy, her curves are very good and perfect, she has a very very good body.

For some reason Ye Chen felt very hot when he saw the figure of a beautiful woman in front of him, he felt very excited and excited when he saw the figure of a woman in front of him.

"Come here" a charming voice called out to Ye Chen, this voice was very beautiful and could make Ye Chen feel hot inside his body.

Ye Chen felt his blood boil when he heard this voice, he felt very excited when he heard this voice.

Ye Chen didn't think much of it, he immediately went closer to the Sexy beautiful woman in front of him.

Ye Chen opened the mosquito net covering the bed, Ye Chen peeked at the figure inside the mosquito net.

When Ye Chen opened the mosquito net, Ye Chen saw an amazing sight, he saw the figure of a beautiful and sexy woman who was currently looking at a transparent pajama.

This figure is familiar to Ye Chen, this woman is Chi Shui, Chi Shui wears a transparent and very seductive outfit, this makes Ye Chen's blood easily rise.

"This woman is too seductive" Ye Chen thought that Chi Shui was very seductive, this woman was too seductive for Ye Chen.

Chi Shui smiled at Ye Chen, this woman's smile was very beautiful, seeing her made Ye Chen feel happy.

"Come here, do you want to play with big sister?" Chi Shui invited Ye Chen, she invited Ye Chen to play with her.

"Of course" Ye Chen didn't think much, he nodded and said that he didn't mind playing with Chi Shui.

Ye Chen thought that this must be a dream, so it was fine to accept Chi Shui's invitation.

"Then what are you waiting for, come here quickly." Chi Shui told Ye Chen to come closer.

Ye Chen drew closer towards Chi Shui, now he was right in front of Chi Shui.

Chi Shui smiled when she saw Ye Chen who was so obedient, she had managed to make this handsome young man obey her.

"Soon you will obey me" Chi Shui said that he would make Ye Chen obey her, Chi Shui was confident in her ability.

Chi Shui got up from her sleeping position, started to go behind Ye Chen and started teasing Ye Chen.

"Little brother, you are so handsome." Chi Shui whispered in Ye Chen's ear, after which she started biting Ye Chen's ear.

Chi Shui had no intention of harming Ye Chen, he was currently trying to tease Ye Chen with her abilities.

The special ability of Chi Shui is to manipulate one's dreams, people who are manipulated by Chi Shui will not know what is happening, they will only think of this as a dream.

Even if it was just a dream, the fact was that Chi Shui could do whatever she wanted, she could even trap the person in the illusion of a dream that was finally handsome.

Chi Shui entered into Ye Chen's dream, she easily entered into Ye Chen's dream.

It could be said that currently Ye Chen was in the dream world created by Chi Shui, he was trapped in the world that Chi Shui had created for him.

Ye Chen was completely unaware of what was happening, he was not aware of what Chi Shui was doing.

What Ye Chen was thinking right now was that he was enjoying his dream.

Chi Shui tried to stimulate Ye Chen, she used her abilities to make Ye Chen feel comfortable with her.

That way it will be easy for Chi Shui to control Ye Chen, Chi Shui's skills are very, very good, she can excite Ye Chen with very seductive moves.

Chi Shui used her tongue to stimulate Ye Chen's ear, Ye Chen got pleasure from what Chi Shui was doing.

Ye Chen did not expect that Chi Shui would have this kind of ability, this woman could make Ye Chen feel excited, Ye Chen's little brother who was sleeping suddenly woke up, was already very angry with Chi Shui's provocation.

Chi Shui looked at Ye Chen's pants, he found that Ye Chen was already very excited.

Chi Shui smiled like a flower in full bloom, she looked very happy when she saw what had happened to Ye Chen.

Chi Shui smiled when he saw Ye Chen's, it looked very big, Chi Shui still couldn't tell how big Ye Chen's was, but from afar Chi Shui could estimate that it was quite big.

"Little brother seems like you're already quite excited, is big sister being too seductive?" Chi Shui whispered in Ye Chen's ear again, he again said vulgar words to Ye Chen.

Chi Shui's goal was to tease and make Ye Chen remember what happened, then Ye Chen would be infatuated with her.

"You are too beautiful and seductive like a goddess, I can't stand it." Ye Chen said that he couldn't stand Chi Shui's beauty, Chi Shui's beauty was too seductive.

"Thank you for the compliment, little brother is too kind." Chi Shui felt happy when she got praise from Ye Chen, she felt very happy when she was praised by Ye Chen.

Chi Shui originally wanted to tease Ye Chen, but instead she was teased by Ye Chen, it seemed that the battle would be quite fierce between Ye Chen and Chi Shui.

Chi Shui changed positions, she went in front of Ye Chen and knelt right in front of Ye Chen.

"Let's see what he has?" Chi Shui asked what Ye Chen had, whether Ye Chen had a good weapon or was it small and useless.

When Chi Shui wanted to take a look at Ye Chen's, he was suddenly stopped by Ye Chen.

"Miss Chi, this is embarrassing, so please don't do it." Ye Chen said not to do this.

"It's okay, let me have a look." Chi Shui became more and more curious, she was curious about Ye Chen's younger brother who was below.

Chi Shui started to force Ye Chen, she started to force Ye Chen to show her belongings.

Ye Chen did not let Chi Shui, he put a little resistance on Chi Shui.

Chi Shui had a little trouble taking off Ye Chen's pants, she had to use several methods to take off Ye Chen's pants.

After a long struggle, Chi Shui finally managed to win, she managed to take off Ye Chen's clothes.

"Ah..." Right after Chi Shui took off Ye Chen's clothes, a large object slapped her face.

Chi Shui was very annoyed when she saw Ye Chen slapping herself like this, no one had ever dared to do something like this to Chi Shui.

### **Chapter 1432: Chi Shui create dreamland for tease Ye Chen (2)**

"You, how dare you slap me. ., uh. ." Chi Shui's words were stuck in her throat, she seemed taken aback by the scene before her.

The scene in front of her was something that never seen by Chi Shui, Chi Shui had never seen anything like this in her life.

Chi Shui looked at Ye Chen's huge thing which was extremely mighty and massive, its size was really too big to the point that it looked more like a cannon.

"Glup..." Chi Shui gulped, she seemed surprised by what she was currently seeing.

"too big, he has something like this, is he still human?" Chi Shui didn't expect Ye Chen to have something like this, this man had kept this big thing in a place where Chi Shui didn't find out.

Chi Shui looked dumbfounded when she saw Ye Chen's large object, to be honest this was a surprise for Chi Shui.

eyes Chi Shui Seemed to be filled with love, she seemed to like what was in front of her eyes.

Ye Chen's big thing is a masterpiece, it is a female killing weapon that can make any woman submit.

Chi Shui stretched out her hand, she stretched out her hand to take a closer look at the large object that was in Ye Chen's possession.

Chi Shui's very soft hands started to caress Ye Chen's big thing, Chi Shui was very careful when she touched Ye Chen's thing.

"This is great, little brother I didn't expect that you would hide something like this." Chi Shui did not expect that Ye Chen was hiding such a large and powerful object.

"Does Miss Chi like it?" Ye Chen asked Chi Shui who was in front of him.

"Of course, every woman will definitely like this, you have a little monster down here, it can definitely beat a woman easily" Chi Shui continued to give praise to Ye Chen, she continued to praise Ye Chen who had a large capital.

Chi Shui had completely forgotten her original purpose of teasing Ye Chen, now all she could think of was Ye Chen's big thing.

Chi Shui started to play with the object in her hand, she started to move her hand up and down.

Chi Shui helped Ye Chen's big thing with her hand, Chi Shui's one hand was still not enough to hold all of Ye Chen's big thing.

"It really is a monster, that woman named Li Jingyi is very lucky to have this thing" Chi Shui honestly felt jealous of Li Jingyi, she was jealous because Li Jingyi had something so great,

If the Seven Fairy Succubus were in this place, they might would be even more shocked, they would definitely immediately flock to Ye Chen like they were looking at the finest meat.

"Too bad it's still in the dreamland, if only this was reality" Chi Shui looked at Ye Chen, she was a little disappointed that this was in the dreamland, if only they were in the real world, Chi Shui would definitely enjoy Ye Chen's big thing right away.

"It doesn't matter, I'll still enjoy this." Chi Shui didn't mind this, she would still try to enjoy what was in front of her.

Chi Shui continued to use her hands, she tried her best to get Ye Chen out.

Chi Shui's hands kept moving, she used all the abilities and skills she had to defeat Ye Chen.

Chi Shui's hand skills were indeed great, she was able to get Ye Chen into trouble.

Ye Chen tried his best to defend himself, he tried his best to defend against Chi Shui's powerful attacks.

"he has strong resilience" Chi Shui felt that if Ye Chen had strong resilience, he could last for a very long time.

"We'll see how long you can last." Chi Shui wanted to know how long Ye Chen could endure the hand services she gave, Chi Shui was sure that Ye Chen would not be able to survive the hand services provided by Chi Shui.

Time passed for more than 1 hour, up until now Ye Chen still didn't show any signs of erupting.

"What the hell, why is he so strong?" Chi Shui didn't understand anymore, why Ye Chen was so very strong, she was able to endure it for a long time.

"Miss Chi, is that all you can do?" Ye Chen asked Chi Shui who was below him.

Chi Shui did not accept what Ye Chen said, she did not accept what Ye Chen said.

" little brother, You forced me to do this, so be prepared" Chi Shui would be more serious, she would show her abilities.

Chi Shui started to lean her body towards Ye Chen, he intended to use her mountain peak to overcome Ye Chen's huge thing that was below.

"Little brother get ready, I will suck your soul dry" Chi Shui said that she would suck Ye Chen's soul dry.

Chi Shui didn't want to mess around, it was about time he showed who was the boss in this place.

Ye Chen smiled, he wanted to see Chi Shui's abilities.

Ye Che wanted to see the abilities of this Succubus Mistress , whether or not she really had the ability.

Is the name she has just bullsh\*t, or does Chi Shui have the ability.

Chi Shui started doing service using her two mountain peaks, she used her towering mountain peaks.

Chi Shui mountain peak flanked Ye Chen's huge object, Ye Chen's huge object was now in between the extremely soft gap,

"It's really so big, mine can't even cover it" Chi Shui didn't expect that her dual peak couldn't. to cover Ye Chen's weapon, Ye Chen's weapon was too big and long.

Chi Shui started to move up and down, now Chi Shui wanted to squeeze the soul that belonged to Ye Chen.

"Oh" Ye Chen felt great pleasure from what Chi Shui was doing, this woman's movements were very skillful, Chi Shui was able to know the parts that could make a man feel happy.

"Little brother, how have you given up?" Chi Shui smiled, she smiled when she saw Ye Chen's face enjoying this.

Chi Shui was very confident in her abilities, no man could survive after trying this game with her.

"It's comfortable" Ye Chen told that it felt very comfortable, he was comfortable with what Chi Shui was doing.

"Looks like this will be my win" Chi Shui smiled very charmingly, she seemed to have already got her win, now all Chi Shui needed to do was to continue to make Ye Chen feel comfortable with herself, that way she would get Ye Chen.

Ye Chen looked down, he saw Chi Shui's Glamorous and beautiful face which was very seductive, he felt like playing with Chi Shui.

Ye Chen stretched out his hand and started to touch Chi Shui's double peak.

"Little brother what are you doing?" Chi Shui asked what Ye Chen was doing.

"You must be uncomfortable continuing to serve me, now let me do the same to you" Ye Chen said that he wanted to play with Chi Shui.

It was unpleasant to remain passive, Ye Chen preferred to be active and started serving Chi Shui.

Ye Chen used his skills to tease Chi Shui, he started to squeeze and search for the most sensitive areas that Chi Shui had.

"Ah..." Chi Shui groaned, she groaned when she felt Ye Chen's hand roaming to the most sensitive place.

#### **Chapter 1433 - Ye Chen Counterattack**

"no don't go there" Chi Shui tried to stop Ye Chen, Ye Chen tried to touch her sensitive spot, it would be very dangerous for Chi Shui.

"You don't have to refuse, leave this to me" Ye Chen whispered in Chi Shui ear , Ye Chen told Chi Shui to entrust this matter to him.

Chi Shui couldn't believe what Ye Chen said, Chi Shui felt a dangerous feeling from what Ye Chen did.

Honestly Chi Shui felt very comfortable and good when he was touched by Ye Chen, this was the first time she felt this kind of feeling.

Ye Chen's feeling of touch was really very good, Chi Shui felt a very comfortable feeling from this.

"Oh. . . , no don't stay there" because it was too comfortable, Chi Shui let out a very seductive moan, her charming voice was very comfortable to listen to, Ye Chen who heard this became excited.

Chi Shui did not have the ability to resist, all of her strength had already disappeared from her body.

Honestly, Chi Shui didn't know what had happened to her she didn't know what had happened to her, why she had become like this.

Chi Shui started to get confused, this fun made her confused, she started to fall into the loved played by Ye Chen.

"Little brother you best" Chi Shui told Ye Chen to do it even harder, Chi Shui was enjoying this.

"Of course, be prepared." Ye Chen would not hold back, he would show his abilities in front of Chi Shui.

Ye Chen showed his abilities, he used his fingers to make Chi Shui feel comfortable and happy.

Ye Chen started to circulate the Passion Goddess technique, he would use the Passion Goddess technique to subdue Chi Shui.

Ye Chen would definitely make Chi Shui unable to forget his skills anymore.

Chi Shui? did not remain silent when she faced Ye Chen's attack, Chi Shui launched her own attack towards Ye Chen's younger brother who was below.

Ye Chen and Chi Shui were attacking each other, both trying to outdo each other.

Moments later Chi Shui suffered several defeats, she suffered several defeats to Ye Chen.

Honestly, Ye Chen's stamina was very strong, she was able to withstand Chi Shui attacks.

Chi Shui? actually possessed extraordinary abilities, but under the Passion Goddess technique, Chi Shui was no different from a lamb being slaughtered.

"I can't take it anymore" Chi Shui couldn't take it anymore, she had already reached the peak several times, meanwhile Ye Chen was still invincible.

Chi Shui couldn't stand it anymore, she felt her entire body feel extremely soft when facing Ye Chen's fingers.

If it continues like this, Chi Shui will definitely fall on Ye Chen, he will definitely fall with Ye Chen's ability.

"I have to get out of this place" Chi Shui plan failed, she felt that she couldn't seduce Ye Chen, this young man's ability was really beyond Chi Shui comprehension.

When Chi Shui wanted to leave, she was restrained by Ye Chen, it seemed that Ye Chen did not want to let Chi Shui go.

"Miss Chi, where are you going?" Ye Chen asked Chi Shui, he asked where Chi Shui wanted to go.

" little brother please let me go" Chi Shui asked Ye Chen to let go, she couldn't stand the feelings Ye Chen gave her.

"The night is still long, why don't we enjoy it a little longer" Ye Chen refused to let Chi Shui go, Ye Chen argued that the night was still long,

"Ah no. . ." Chi Shui was dragged away by Ye Chen, she was dragged and treated by Ye Chen.

Tonight Ye Chen was going to enjoy Chi Shui, she touched and tasted Chi Shui whole body.

Chi Shui was helpless, she could only moan and scream because of the pleasure that Ye Chen gave her.

Several hours quickly passed, Chi Shui was already completely incapacitated anymore, she had already reached the peak dozens of times by Ye Chen's touch and caress.

Chi Shui had never experienced anything like this, it could be said that it was her first time experiencing this kind of feeling.

Chi Shui was helpless anymore, she was completely defeated by Ye Chen, now Chi Shui had nothing left, it was all over, she closed her eyes and fell asleep.

A mistress from the Heaven Dream Sect was subdued by Ye Chen, if the Seven Fairy Succubus and the others found out about this, it would be a huge uproar.

After having enough fun with Chi Shui, Ye Chen finally fell asleep, he slept right next to Chi Shui.

.

.

Time passed, Ye Chen finally came out of the dreamland created by Chi Shui.

Ye Chen got up from the bed, he started to stretch her body feeling very refreshed, in the distance Ye Chen saw Chi Shui sleeping on all fours, he looked very exhausted.

Ye Chen remembered the dream last night, the dream was still carried away by Ye Chen.

"I didn't expect to dream of such a thing" Ye Chen did not expect that he would dream something lewd with Chi Shui.

It was because Chi Shui was too seductive, that Ye Chen had dreamed of doing fun things with Chi Shui.

Ye Chen looked to the side, beside Ye Chen didn't find Li Jingyi whereabouts, it seemed that Li Jingyi woke up first.

Ye Chen got up, went to cover Chi Shui with a blanket, after that Ye Chen went to look for Li Jingyi.

When Ye Chen came out, Li Jingyi was making some snacks for the trip later, Li Jingyi really liked practicing her skills, it made her look like a real woman.

"Wife, what are you doing?" Ye Chen asked what Li Jingyi was doing.

"Husband, I'm making some snacks for you" Li Jingyi informed that she was making snacks for Ye Chen, Li Jingyi got all the ingredients from inside the fairy gate.

"wife, get you to help me" Ye Chen asked Li Jingyi for help.

"What kind of help?" Li Jingyi asked what Ye Chen needed from her, when Li Jingyi looked down, she found a very large object.

"Husband, what happened to you?" Li Jingyi asked what happened to Ye Chen, why did Ye Chen seem so energetic in the morning.

"It's a long story, so please help me." Ye Chen felt uncomfortable because of last night's dream, which was why he became quite energetic in the morning.

"Okay, let's go inside the fairy gate" Li Jingyi agreed with Ye Chen's request, the two entered the fairy gate and started the morning exercise.

Currently Chi Shui was left alone, while Ye Chen and Li Jingyi were engrossed in Dual Cultivation inside the fairy gate.

.

.

"Not again!" Chi Shui suddenly woke up and shouted, still thinking about what happened last night.

Chi Shui looked around, she found that she was already inside the tent that Ye Chen had made.

"I can finally escape" Honestly last night was quite crazy, Ye Chen had made her helpless by the ability he had.

Chi Shui saw that Ye Chen and Li Jingyi had already left, it seemed that they had woken up first.

Chi Shui looked down, she saw that her body was covered by a blanket.

"Is he the one who did this?" Chi Shui thought that Ye Chen gave this blanket, now Chi Shui looked at Ye Chen with a different look.

### **Chapter 1434 - Find The Location Of The Yin & Yang Awakening Flower**

Chi Shui immediately went outside, she was looking for the whereabouts of Ye Chen.

When Chi Shui came out, she immediately found Ye Chen, at this time Ye Chen sat down and hugged Li Jingyi who was beside him.

Ye Chen and Li Jingyi had finished their business, now Li Jingyi was a little tired from Ye Chen's actions.

Ye Chen's strength in that field was extremely strong, so Li Jingyi felt exhausted when she faced Ye Chen.

Plus they had just done it roughly, this made Li Jingyi extremely exhausted.

Chi Shui saw the closeness between Ye Chen and Li Jingyi, for some reason now she didn't like when she saw the closeness shown by Ye Chen and Li Jingyi.

"what are you two doing, you two seem very close to each other" Chi Shui came over to Ye Chen and Li Jingyi.

Ye Chen and Li Jingyi immediately looked towards Chi Shui, they saw Chi Shui who was standing right behind them.

"Are you awake, before you seemed to be sleeping very soundly?" Ye Chen said to Chi Shui, he told that it was Chi Shui who was sleeping very soundly.

Chi Shui's face slightly reddened when she heard what Ye Chen said, it seems that what he thought was right, Ye Chen must be the one who gave her the blanket.

"Isn't this your fault, last night you made me mentally exhausted" in her heart, Chi Shui cursed Ye Chen, the reason he was tired was because of Ye Chen's actions.

If only Ye Chen had not been naughty and obedient, perhaps Chi Shui would not have been so exhausted.

"I think I'm a little tired, that's the reason why I was able to sleep for a long time" Chi Shui made up her own excuse, herself saying that she was tired.

"Let's eat, I made soup for you." Li Jingyi would make soup for Ye Chen and Chi Shui.

"Okay let me help" Ye Chen will help Li Jingyi, that way Li Jingyi will finish preparing breakfast.

Chi Shui wanted to help too, unfortunately she didn't have the ability to do this, so Chi Shui had no choice but to watch and observe what Ye Chen and Li Jingyi do it.

With the help of Ye Chen, everything was finished very quickly.

Ye Chen, Li Jingyi and Chi Shui returned to eating together like from the night before.

This time Chi Shui tried to imitate what Li Jingyi did, she took some food for Ye Chen,

It was seen that Chi Shui showed her concern for Ye Chen, this was definitely different from last night.

Li Jingyi noticed the changes that had occurred, she saw that Chi Shui was showing concern for Ye Chen.

"what happened to her, did something happen" Li Jingyi started to guess, she started to guess what happened to Chi Shui.

There must be a reason for Chi Shui to be like this, otherwise Chi Shui would definitely not show any concern for Ye Chen.

"Little brother, do you want more?" Chi Shui asked if Ye Chen wanted to add or not.

"um" Ye Chen received Chi Shui kindness, Ye Chen didn't feel any ill will from Chi Shui.

The three of them seemed to be enjoying breakfast, they quite got along with each other.

"After this, what will you two do?" Chi Shui asked what Ye Chen and Li Jingyi were going to do.

"of course continue the search" Ye Chen said that they would continue the search for the Yin & Yang Awakening Flower.

"Then let me be with you guys" Chi Shui offered himself to come along with Ye Chen, Chi Shui wanted to cooperate with Ye Chen to get the Yin & Yang Awakening Flower.

"That" Ye Chen wasn't sure to take Chi Shui, it was possible that this woman would snatch the Yin & Yang Awakening Flower.

"Of course, you can come along, the more crowded the better." Li Jingyi allowed Chi Shui to come along with them.

"Wife, what does this mean?" Ye Chen immediately asked what Li Jingyi meant, he wanted to know what Li Jingyi meant by this.

"Husband, let her be with us" Li Jingyi told Ye Chen to let Chi Shui be with them.

"But he might snatch the Yin & Yang Awakening Flower from our hand." Ye Chen told them the danger they would face if they let Chi Shui come along with them.

"You don't have to worry about that matter, I'm sure he won't do that." Li Jingyi reassured Ye Chen that Chi Shui wouldn't do that.

"It's up to you then" Ye Chen didn't want to argue with Li Jingyi, that's why it was better for Ye Chen to give in and not continue this matter.

Chi Shui waited for Ye Chen's answer, she really hoped that Ye Chen would accept her.

"Alright you can come along" Ye Chen allowed Chi Shui to come along with them.

"Little brother, you are the best." Chi Shui was happy when she heard this, Chi Shui hugged Ye Chen's head in front of her, Ye Chen's head was currently falling into a very deep abyss.

"Boing. . ."The sound of friction creates an extraordinary reflection, anyone will be excited to see this.

Ye Chen did not expect that Chi Shui would do this, this woman was so extremely brave, she actually let Ye Chen immerse herself in the best gentleness in the world.

"This feeling" Ye Chen could feel a comfortable feeling from Chi Shui's double peak, it was very soft and comfortable, it was exactly the same as last night, he felt the exact same feeling.

Li Jingyi only smiled when she saw the closeness between Ye Chen and Chi Shui, Li Jingyi had no jealousy about this.

Ye Chen, Li Jingyi and Chi Shui continued their journey, the three of them searching for the whereabouts of the Yin & Yang Awakening Flower.

With the joining of Chi Shui, traveling becomes much easier, all kinds of problems can be solved easily.

Chi Shui herself continued to cling tightly to Ye Chen, she was like a woman in love.

Ye Chen was a little confused by the changes that had occurred, he looked confused by the changes that had occurred to Chi Shui.

Chi Shui became very considerate for Ye Chen, she took great care of Ye Chen from the dangers that were around this place.

Ye Chen and Chi Shui spent a few days in the valley of memories, the three of them constantly trying to find the whereabouts of the Yin & Yang Awakening Flower.

"Master, I sensed the existence of the Yin & Yang Awakening Flower" After a long journey, Chu Yuechan finally spoke up, she told Ye Chen that she had found the existence of the Yin & Yang Awakening Flower.

" Is that true ?" Ye Chen seemed very happy when he heard this news, after several long days, Ye Chen finally found the whereabouts of the Yin & Yang Awakening Flower.

"Of course, I won't be wrong." Chu Yuechan said that she wouldn't be wrong.

"Then quickly show me." Ye Chen told Chu Yuechan to show the way.

"Go ahead and walk to the left" Chu Yuechan told Ye Chen the direction, she told Ye Chen to follow him.

"Okay" Ye Chen nodded, he followed the directions given by Chu Yuechan.

"husband ,Where is your? going?" Li Jingyi asked Ye Chen, why did Ye Chen turn left, when they should have gone right.

"Shhh" Ye Chen told Li Jingyi to be quiet, he would go find the whereabouts of the Yin & Yang Awakening Flower.

**Chapter 1435 - Secret Place Hidden Behind A Cliff**

Ye Chen followed the directions given by Chu Yuechan, with the directions given by Chu Yuechan, Ye Chen came to a dead end.

"Yuechan, this is a dead end." Ye Chen started to question Chu Yuechan, he started to question Chu Yuechan who was wrong in giving him directions.

"Master, why don't you use the God Eyes you have." Chu Yuechan told Ye Chen to use the God Eyes he had and look ahead.

"Using God Eyes and looking ahead" Ye Chen was curious as to what Chu Yuechan meant, because of a strong curiosity, Ye Chen immediately did what Chu Yuechan was told, he looked ahead using God Eyes.

"this?" When Ye Chen looked ahead, Ye Chen found another scene behind the wall, he saw a very, very good sight.

"Did you understand?" Chu Yuechan asked Ye Chen.

"Yes, I understand." Ye Chen now understood what Chu Yuechan meant, he already understood what Chu Yuechan meant.

"Husband, it's a dead end, let's go back" Seeing that the front was a dead end, Li Jingyi invited Ye Chen to turn back to the previous intersection.

"Yes, little brother, let's go back" Chi Shui agreed with what Chu Yuechan said, she very much agreed to return to the path they had previously walked.

Ye Chen did not listen to the advice given by Li Jingyi and Chi Shui, Ye Chen instead came forward.

Chi Shui and Li Jingyi were confused by what Ye Chen was doing, they both looked confused when they saw what Ye Chen was doing.

Neither of them understood what Ye Chen was doing, they both looked very confused by what Ye Chen was trying to do.

Ye Chen stepped forward, he walked forward towards the cliff in front of him, if Ye Chen didn't stop, then he would definitely crash into the wall.

Li Jingyi and Chi Shui were starting to worry about what Ye Chen was up to, both were worried that Ye Chen was having an illusion because the fog in this place was getting thicker and thicker.

The fog in this place can make one enter into illusions and remember their past, this is a very very dangerous thing for people trapped in this place.

Li Jingyi and Chi Shui had to resuscitate Ye Chen immediately, both of them were afraid that something bad would happen to Ye Chen.

Just as Li Jingyi and Chi Shui were thinking of a way to resuscitate Ye Chen, both of them saw Ye Chen who had disappeared from their sight.

"Handsome brother, husband" Li Jingyi and Chi Shui looked panicked when they saw Ye Chen who had suddenly disappeared, both of them immediately went to catch up with Ye Chen who disappeared when he hit the wall.

As Li Jingyi and Chi Shui advanced towards the cliff wall, the two of them passed through an illusory barrier.

The view of the cliff suddenly disappeared, the two of them saw a very very beautiful place, they saw a stretch of grass and shady trees around them.

"This" Chi Shui and Li Jingyi were both shocked by the scene in front of them, both of them looked surprised by the scene before them.

Honestly, the scene in front of them was very shocking, they both saw a different scene from before, this place was very beautiful, it was not like the place they had passed for several days.

"I didn't realize this place, it's so hidden." Chi Shui didn't expect that she would find such a hidden place, she didn't expect to find such a hidden place like this.

In front of Chi Shui and Li Jingyi saw Ye Chen who was standing looking around this place.

Li Jingyi and Chi Shui drew closer to Ye Chen, each woman standing beside Ye Chen.

"Husband, what is this place?" Li Jingyi asked Ye Chen, she asked the opinion that Ye Chen had.

"It seems that this is the original valley of memories, what we have been through all this time is an obstacle to get to this place" Ye Chen estimated what was in this place, he estimated that this was the original valley of memories, while on the outside were only obstacles made to hide this place.

"This place is very beautiful" Chi Shui said that this place was very beautiful, it would be very romantic to spend time in this place.

"It's true that this place is beautiful, but there are still more beautiful places." Ye Chen had to admit that this place was beautiful, even though it was beautiful, still the scenery inside the fairy gate was the most beautiful Ye Chen had ever seen.

"You are absolutely right" Li Jingyi agreed with what Ye Chen said, there are other places that are far more beautiful and good than this place.

"Why do your reactions look so ordinary, have you two ever seen a much more beautiful place?" Seeing Li Jingyi and Ye Chen's completely normal reactions, Chi Shui estimated that the two of them had seen a much more beautiful place than this place.

Ye Chen and Li Jingyi looked at each other, both smiling towards Chi Shui.

Chi Shui became curious about the secrets that Ye Chen and Li Jingyi had, what secrets Ye Chen and Li Jingyi were hiding from her.

Chi Shui really wanted to know the secrets that Ye Chen and Li Jingyi had, these two people were full of secrets that wanted to be exposed.

"Let's go around this place." Ye Chen took Chi Shui and Li Jingyi for a tour of this place.

"Let's go." Li Jingyi and Chi Shui immediately nodded, the two immediately left together with Ye Chen to tour this place.

Ye Chen asked Chu Yuechan to tell the location of the Yin & Yang Awakening Flower.

Chu Yuechan told the location of the Yin & Yang Awakening Flower, she gave directions to Ye Chen.

A while later, Ye Chen, Li Jingyi and Chi Shui arrived at a small lake, right in the middle of the small lake was the object they were looking for.

"It really is a Yin & Yang Awakening Flower, I can't believe that rumors about it exist in a place like this" Chi Shui's eyes lit up when she saw the Yin & Yang Awakening Flower, he looked very happy.

Chi Shui tried to get closer to the Yin & Yang Awakening Flower, Chi Shui wanted to know if this was real or not.

"Husband, don't we go?" Li Jingyi asked if they didn't go to Yin & Yang Awakening Flower.

"Wait a minute" Ye Chen didn't want to rush, he felt something odd, something was wrong in this small lake.

Chi Shui was getting closer to the Yin & Yang Awakening Flower, she was almost at the location of the Yin & Yang Awakening Flower.

"burst" when Chi Shui was about to reach the mainland, from below came out a very large jet of water, Chi Shui's body was flown backwards by this torrent.

Seeing Chi Shui who was about to fall to the ground, Ye Chen immediately went and saved her.

Ye Chen managed to catch Chi Shui who was about to fall to the ground, Chi Shui was now in Ye Chen's arms.

Ye Chen saw a beautiful sight, he saw Chi Shui's exquisite body.

Because Chi Shui's body was wet, the clothes that this woman was wearing became very transparent, this allowed Ye Chen to directly see Chi Shui's beautiful body.

"She has a very good body" Ye Chen said that Chi Shui has a good body, this woman's body is really very seductive, Ye Chen became hot when he saw Chi Shui's beautiful body.

Chi Shui's body was very good, she had a very good figure and body, it was very tempting to see Chi Shui's half naked body.

Ye Chen's hands were a little itchy, he felt like touching and caressing the body that was in his arms.

"Are you okay?" Ye Chen asked Chi Shui, he wanted to know if Chi Shui was fine or not.

"Handsome brother, you are great, thank you for helping me" Chi Shui thanked Ye Chen for helping her.

she was very grateful to Ye Chen for being willing to help her, if Ye Chen had not previously helped Chi Shui, then it was certain that Chi Shui would hit the ground quite painfully.

"Okay, you can let me go, I can't breathe" Ye Chen told Chi Shui to let go, he couldn't breathe when he was hugged by Chi Shui.

Chi Shui always used her massive double peak to hug Ye Chen, this made it difficult for Ye Chen to concentrate.

"Husband is coming out of the water." Li Jingyi told Ye Chen that something had emerged from the bottom of the lake.

Ye Chen and Chi Shui looked directly at the lake, when they looked at the lake, they saw an enormous dragon.

"a dragon" Chi Shui shouted when she saw a dragon figure emerging from the lake.

Dragons were quite rare creatures, they were extremely powerful existences and were difficult to fight.

"There are dragons living in this place." Ye Chen did not expect that there would be dragons living in this place.

"Roar. . . The dragon roared very loudly, it was obvious that it was angry that Ye Chen and the others had come to its place.

The Water Dragon instantly shot several water balls all over the place, water balls the size of a mountain shot towards Ye Chen, Chi Shui and Li Jingyi.

Ye Chen, Li Jingyi and immediately dodged, they dodged the attack launched by the dragon.

The attack just now was quite strong, the ground that Ye Chen had previously stepped on immediately turned into a very deep pool.

"Jingyi, be careful, the monster's attack is quite strong" Ye Chen told Li Jingyi to be careful, the dragon's attack was quite strong.

"I see, I will try to attack ." Li Jingyi would be careful, Li Jingyi started to try to attack the dragon monster in the lake.

"How long are you going to continue like this, let's fight" Ye Chen lowered Chi Shui who was in his arms, now was the time to fight, Ye Chen didn't want to play around when facing a strong enemy.

"Sorry, I think I got carried away too much" Chi Shui apologized to Ye Chen, it seemed he was getting too carried away.

"Then I will also fight" Chi Shui will fight, she will help Li Jingyi in defeating the water dragon monster.

Chi Shui used her lightning attack to attack the water dragon, meanwhile Li Jingyi used his water power to help Chi Shui.

Chi Shui and Li Jingyi teamed up, both using their combined attacks to attack the dragon in the lake.

"boom" a huge explosion occurred, the attacks launched by Chi Shui and Li Jingyi hit the notes in the lake.

"Did it work?" Chi Shui looked at the lake, she saw that the dragon beast had not shown itself.

This lake was too deep, Chi Shui and Li Jingyi couldn't see into the lake, they could only see the deep darkness within the lake.

"Wow. . ." Several water cannons were fired from within the lake, Chi Shui and Li Jingyi had to quickly dodge this attack.

Li Jingyi and Chi Shui did not try to dodge, unfortunately the attacks from the bottom of the lake were too many, some attacks could not be avoided by Chi Shui and Li Jingyi.

Chi Shui and Li Jingyi were blown away by the attack launched by the water dragon.

Ye Chen rushed to help Li Jingyi and Chi Shui, Ye Chen couldn't possibly let Li Jingyi and Chi Shui get hurt.

Ye Chen saw that Li Jingyi and Chi Shui were unable to deal with the water dragon, it seemed that the water dragon was too strong and could not be overcome by the two.

"Are you guys okay?" Ye Chen asked the state of Li Jingyi and Chi Shui, Ye Chen wanted to know the condition of the two.

"We're fine, the attack just now didn't hurt me." Li Jingyi informed Ye Chen that she was fine.

Li Jingyi wouldn't be too affected by the water dragon's attack, the water dragon's element was the same as Li Jingyi's, so the damage caused by the enemy's attack wouldn't have much effect on Li Jingyi.

Meanwhile Chi Shui had to suffer injuries from the attack just now, she suffered injuries from the attack launched by the water dragon monster.

"wife, you heal miss Chi I will face the monster" Ye Chen told Li Jingyi to heal Chi Shui first.

"This little dragon brother is strong, are you sure you want to face it yourself" Before Ye Chen left, Chi Shui had already warned Ye Chen that the dragon residing in the lake was strong enough.

The three of them might have to work together to overcome the dragon in the lake.

The dragon monster had the advantage of hiding in the water, it prevented Chi Shui's attacks from hitting it.

"Okay, I understand" Li Jingyi nodded at Ye Chen, he seemed very confident in Ye Chen's abilities.

Ye Chen advanced, he flew and hovered above the lake.

"Dragon monster, come out" Ye Chen shouted, he ordered the dragon monster that was in the water to show himself.

The water dragon monster came out, it showed itself in front of Ye Chen, the water dragon monster had a very long neck, its neck alone was like a towering mountain.

"Humans get out of here, don't let me eat you guys" The dragon monster told Ye Chen to leave this place.

"I won't leave until I get what I'm looking for" Ye Chen said that he wouldn't leave before he got what he was looking for.

Ye Chen had already spent an inordinate amount of time searching for this place, there was no way Ye Chen would leave empty-handed.

No matter what, Ye Chen had to get the Yin & Yang Awakening Flower, he would definitely do whatever it took to get the Yin & Yang Awakening Flower.

"So you refuse to leave this place, then don't blame me for eating you" Since Ye Chen didn't want to leave this place, the water dragon would eat Ye Chen.

Ye Chen closed his eyes, he prepared to attack the water dragon.

**"Azure Dragon Domain"** Ye Chen opened a domain, when Ye Chen opened the Azure Dragon Domain, the surroundings became very dark, an Azure Dragon shadow appeared behind Ye Chen and started to roar very loudly.

An ancient pressure instantly filled the entire place, Li Jingyi and Chi Shui also felt an extremely terrifying pressure.

"This is truly amazing." Chi Shui was shocked when she saw what happened, she could feel an extremely oppressive pressure from Ye Chen.

Li Jingyi was the same, Li Jingyi was shocked when she saw the strength that Ye Chen displayed.

The water dragon's body begins to tremble when it hears the roar of the Azure Dragon, the water dragon looks frightened by the roar of the Azure Dragon.

Azure Dragon is a dragon god, so naturally this makes the little water dragon tremble when it hears its roar.

### Chapter 1437 - Fu Chou Appear

The pressure emanating from the Azure Dragon Domain was extremely strong, it made the water dragon not move against Ye Chen.

Ye Chen didn't miss this golden opportunity, he directly attacked water dragon who was in front of him.

Ye Chen combined various elements to attack the water dragon in front of him.

Ye Chen combined his fire, ice and wind, for now Ye Chen was only able to combine these three elements, Ye Chen still couldn't combine lightning because it would drain a lot of Ye Chen's profound energy.

Three elements were combined into one by Ye Chen, this made a variety of color mixes that were interesting to look at.

"What is it, it looks terrible." Chi Shui felt the terrifying power of Ye Chen's fusion of the three elements.

"I don't know, I've never seen that" Li Jingyi didn't know what Ye Chen was doing, she didn't know what Ye Chen was doing.

Ye Chen attacked the water dragon using all the strength he had, he launched a combined attack of three extremely powerful elements towards the water dragon.

"Boom" a powerful explosion occurred, this explosion made a very strong, blow crash could be felt all the way to the corners around this place.

"Did it work?" Chi Shui set up a barrier, she couldn't clearly see Ye Chen's battle.

The explosion that occurred was quite large, it was quite surprising when Chi Shui saw that Ye Chen was able to do something like this with a strength that was far below his.

Ye Chen took this opportunity to pick a Yin & Yang Awakening Flower, this was an excellent opportunity to obtain a Yin & Yang Awakening Flower.

The water dragon must have been in trouble by Ye Chen's attack, so Ye Chen had to use this opportunity to take the Yin & Yang Awakening Flower.

Ye Chen used all his remaining strength to retrieve the Yin & Yang Awakening Flower, Ye Chen took the Yin & Yang Awakening Flower and immediately returned to Li Jingyi and Chi Shui's side.

"I've found what we were looking for, let's get out of here." Ye Chen had already found what they were looking for, so now they could leave this place.

"Come on" Li Jingyi totally agreed with what Ye Chen said, they had better leave this place immediately, it was the best thing they could do.

Their goal had been fulfilled, so they no longer needed to fight with the water dragons that were waiting for the lake.

Ye Chen, Li Jingyi and Chi Shui left this place, the three immediately left this place.

since there was nothing else that could interest Ye Chen, then Ye Chen could leave this place.

"Human, where are you going, come back right now" the water dragon roared at Ye Chen, Ye Chen's attack only injured the water dragon, it didn't kill the water dragon.

Ye Chen, Li Jingyi and Chi Shui had already gone quite a distance, they all went and got out of this place.

Ye Chen, Li Jingyi and Chi Shui were looking for a very safe place, they were hiding from the water dragons who were most likely chasing them.

"We managed to escape" Li Jingyi was relieved when he saw that they managed to escape, the two of them managed to escape from the water dragon's pursuit.

"husband, did you manage to get it" Li Jingyi asked Ye Chen, she asked if Ye Chen had managed to get the Yin & Yang Awakening Flower.

"Of course" Ye Chen showed the Yin & Yang Awakening Flower to Li Jingyi, he showed that he had succeeded in obtaining the Yin & Yang Awakening Flower.

"That's great, little brother can I get some?" Chi Shui asked Ye Chen.

Chi Shui wanted a portion of the Yin & Yang Awakening Flower, she hoped that Ye Chen would share a portion of the Yin & Yang Awakening Flower with her.

"You don't have to worry about it, I will share it with you" Ye Chen said that he would share the Yin & Yang Awakening Flower with Chi Shui.

After all Chi Shui had already helped them obtain the Yin & Yang Awakening Flower, so Ye Chen would appreciate Chi Shui's struggle.

"Thank you very much" Chi Shui thanked Ye Chen, she thanked Ye Chen for willing to give some Yin & Yang Awakening Flower.

Honestly, Chi Shui does need a Yin & Yang Awakening Flower, so her strength will become even stronger.

"But not now, I will cultivate Yin & Yang Awakening Flower" Ye Chen told that he needed time to give Yin & Yang Awakening Flower to Chi Shui.

"cultivating?" Li Jingyi and Chi Shui were confused when they heard what Ye Chen said, they both looked confused by what Ye Chen was trying to do.

Li Jingyi and Chi Shui did not think that they could cultivate a Yin & Yang Awakening Flower, it was a very, very difficult thing to do.

"Are you sure you can do that?" Chi Shui asked Ye Chen, Chi Shui herself didn't know if there was such a thing, it was definitely not easy to cultivate Yin & Yang Awakening Flower.

"Trust me" Ye Chen told Chi Shui and Li Jingyi to believe in him, Ye Chen would definitely not let him down.

"Okay" Chi Shui nodded, she would believe in Ye Chen, she would trust Ye Chen with all her heart.

Ye Chen intended to keep the Yin & Yang Awakening Flower, when Ye Chen wanted to keep the Yin & Yang Awakening Flower, a rope came and took the Yin & Yang Awakening Flower that was in Ye Chen's hand.

Ye Chen was shocked when he saw the Yin & Yang Awakening Flower taken from his hand, Ye Chen immediately looked for the person who took the Yin & Yang Awakening Flower.

Li Jingyi and Chi Shui also saw that someone had suddenly taken the Yin & Yang Awakening Flower from Ye Chen's hands, this person took the Yin & Yang Awakening Flower by sneaking.

"Thank you for bothering to bring me Yin & Yang Awakening Flower" A woman appeared in front of Ye Chen, Li Jingyi and Chi Shui, this woman looked foreign to Ye Chen.

"Who are you?" Ye Chen didn't know this woman, he didn't remember ever meeting this woman.

Li Jingyi also had the same question, she didn't know the woman in front of her.

"This woman?, isn't she Fu Chou of Vengeance Fate Sect?" only Chi Shui knew who the woman in front of her was.

"You know her?" Ye Chen asked Chi Shui.

"Yes, but I know her, he is Fu Chou, he is a member of the Heretical Sect and highly sought after in the God Realm, there will be a reward for those who catch them" Chi Shui told Ye Chen about the identity of the woman in front of her.

"So this woman is dangerous?" Ye Chen asked Chi Shui again.

"Of course, Vengeance Fate Sect is a dangerous Sect, they often destroy stars to plunder the best natural and human resources in it, even their goals are quite dangerous for people from God Realm" Chi Shui told what he usually did. by Vengeance Fate Sect.

"So she is indeed dangerous" Ye Chen became wary, he became wary of Fu Chou who was in front of him.

"Thank you for introducing me, so I don't need to introduce myself to you" said Fu Chou to Ye Chen, Li Jingyi and Chi Shui.

#### Chapter 1438 - A Reunion That Begins With A Battle

"Why don't you return the Yin & Yang Awakening Flower that you took from me" Ye Chen told Fu Chou to hand the Yin & Yang Awakening Flower back to him.

"fufufu, you are so cute, do you think I would be that stupid to return the Yin & Yang Awakening Flower to you" said Fu Chou to Ye Chen.

"If you really don't want to, then I will take it back" Ye Chen said that he would reclaim the Yin & Yang Awakening Flower.

"Fufufu, that's so funny, TingTing ,your ex-boy? is so cute" Fu Chou said to someone behind her.

"He is like that, that's why I hate him." Yu Ting suddenly appeared behind Fu Chou, Yu Ting's appearance was still the same as Ye Chen had seen before.

Ye Chen's eyes widened slightly when he saw this, how could this woman be in this place.

"This is real?, Was what I saw before wasn't a dream?" Ye Chen didn't expect that this would become a reality, it seemed that what he had seen before was a reality.

Ye Chen thought that before was an illusion, so Ye Chen easily forgot what happened, but now it was different, he saw Yu Ting standing in front of him, that meant this was reality.

"Husband, you know her?" Li Jingyi asked Ye Chen, Li Jingyi was curious if Ye Chen knew the woman behind Fu Chou.

"I am also curious about that matter." Chi Shui was also curious, he wanted to know what relationship Ye Chen had with the woman from the Vengeance Fate Sect.

"Yes, I do know her, she was my ex-girlfriend when I wasn't a cultivator" Ye Chen told the truth, he told Li Jingyi and Chi Shui about Yu Ting.

"I never knew you had such a past" Li Jingyi had no idea that Ye Chen had such a past.

"Little brother, so she's your ex-partner, I didn't expect him to become a member of a heretical sect." Chi Shui did not expect that Yu Ting would become a member of the Vengeance Fate Sect.

"I didn't expect that either, she should have been sealed where I came from." Ye Chen said that Yu Ting should have been sealed on earth, but why is she here.

"How did you get to this place?" Ye Chen asked Yu Ting, Ye Chen wanted to know why Yu Ting could be in this place.

"I was released by Master Fu, now I am a member of the Vengeance Fate Sect, and will take revenge on everyone who has made me like this, that includes you" Yu Ting said to Ye Chen.

Yu Ting tells Ye Chen that he will take revenge for what happened to her.

"Revenge?, You have harmed the people closest to me, are you still not satisfied with doing that?" Ye Chen said to Yu Ting.

Ye Chen's tone started to rise, he looked annoyed when he spoke to Yu Ting.

Yu Ting was one of the people responsible for the poison suffered by Fu Lanling and Ling Yin, so Ye Chen was furious with what Yu Ting had just said.

"I won't be satisfied until I see you destroyed" Yu Ting said that he wouldn't be satisfied before Ye Chen was crushed.

"I will never be destroyed, I have something precious and loved ones, so I will never let you succeed in doing what you planned" Ye Chen would never let Yu Ting hurt those closest to Ye Chen, Ye Chen would try to protect all the women he had.

"Can you do that?" Yu Ting doubted what Ye Chen said, Yu Ting would definitely take revenge for everything that happened, he vowed to do just that.

"We'll see." Ye Chen would definitely do that, he would do his best to protect those closest to him.

"Little brother, it's useless to waste your words, let's catch them, they are dangerous" Chi Shui told Ye Chen not to waste words on Yu Ting.

"That's right, once let's take the Yin & Yang Awakening Flower back from their hand" Li Jingyi quite agreed with what Chi Shui said.

According to Li Jingyi, Yu Ting was not a good person, so Li Jingyi didn't really like Yu Ting, it was better for them to capture and reclaim the Yin & Yang Awakening Flower.

"Come on" Ye Chen of course agreed, they shouldn't give the Yin & Yang Awakening Flower to Yu Ting.

"Do you guys think it will be easy to reclaim the Yin & Yang Awakening Flower from us, you are too confident" Fu Chou underestimated Ye Chen, Li Jingyi, and Chi Shui, she was sure that they would not be able to snatch the Yin & Yang Awakening Flower from her hands .

"You don't underestimate us" Chi Shui didn't like being underestimated by Fu Chou, she didn't like Fu Chou's arrogance.

"I'll beat her" Li Jingyi didn't like Fu Chou and Yu Ting, somehow for Li Jingyi these two women were very annoying.

Ye Chen also had to fight, he had to take back the Yin & Yang Awakening Flower, which was in Fu Chou's hands.

"Tingting, you take care of the man, I will take care of the two women, the two women beside him look very troublesome" Fu Chou gave Yu Ting an order.

Fu Chou saw that Ye Chen had two very strong women, this man was really too lucky to have such a strong woman standing by his side.

"I understand, I will settle my business with him" Yu Ting nodded, she would settle her business with Ye Chen.

"Good" Fu Chou nodded in satisfaction, she headed towards Li Jingyi and Chi Shui, meanwhile Yu Ting headed towards Ye Chen.

Li Jingyi and Chi Shui began to work together to fight Fu Chou, they began to have a very big battle.

"Ye Chen, you know how long I have waited for this time." Yu Ting now faced Ye Chen, Yu Ting said that she had been waiting for this kind of time.

"How do I know, I'm not a worm in your stomach" Ye Chen replied to Yu Ting's words in a sarcastic tone, Ye Chen didn't like Yu Ting.

Yu Ting's expression immediately changed when she heard what Ye Chen said, Yu Ting started to get annoyed when she heard what Ye Chen said.

From Yu Ting's body a terrifying black aura began to flow out, the power of this aura was terrifying as it was filled with a very strong hatred.

"The hatred he has is so strong" Ye Chen didn't expect that Yu Ting would give off such a strong hatred, Yu Ting's hatred was so strong that it could give off such a powerful force.

"Master, the source of this woman's strength is hatred, even though her cultivation is far from yours, but the power of this hatred makes her so strong

that she can surpass you." Chu Yuechan immediately explained to Ye Chen, Chu Yuechan explained the origin of Yu Ting's power.

"Why did she turn like this?" Ye Chen didn't expect that Yu Ting would turn out like this, the Yu Ting in front of him was no longer the Yu Ting that Ye Chen knew, it was more like a evil that had taken Yu Ting's body.

"Ye Chen, die" Yu Ting let out a few attacks towards Ye Chen, a terrifying black power shot towards Ye Chen.

### JOURNEY TO BECOME A TRUE GOD

#### Chapter 1439 - Li Jingyi & Chi Shui Vs Fu Chou (1)

Ye Chen immediately parried the attack that was aimed at him, Ye Chen used his strength to block the attack that was aimed at him.

"Boom", a huge explosion occurred, Yu Ting's attack hit Ye Chen.

"Feel it" Yu Ting was satisfied when she saw Ye Chen who was hit by her attack.

"You get excited too soon" Ye Chen suddenly appeared behind Yu Ting, he launched an attack at Yu Ting.

Yu Ting's reflexes were very fast, Yu Ting managed to dodge Ye Chen's attack.

"she's fast" Ye Chen didn't expect that Yu Ting would be so fast, Yu Ting turned out to be much stronger than what Ye Chen had imagined.

Yu Ting counterattacked Ye Chen, she created a dark colored whip using the power of hatred she had.

Yu Ting tried to whip Ye Chen with the whip she had in her hand.

Ye Chen didn't want to lose to Yu Ting, Ye Chen made a whip using his profound lightning].

"bang" a boom occurred when the two attacks met, the two attacks seemed balanced.

Here Yu Ting took a few steps back from the attack just now, it could be seen that she was still not fully capable of winning against Ye Chen.

"He's getting stronger" Yu Ting didn't expect Ye Chen to be so strong, the current Yu Ting still wasn't able to completely dominate the battle.

"He really can match me." Ye Chen didn't expect that Yu Ting could match his strength, Yu Ting's progress was truly extraordinary.

Yu Ting's cultivation isn't much, but the strength he has is really very strong, this is very abnormal.

Yu Ting turned her hatred towards Ye Chen into a power, the more hatred Yu Ting had, the stronger her abilities would be.

The side effect is that Yu Ting will start to lose the human side she has, she will hate everything in this world, so Yu Ting will become more and more powerful.

It is not strange that the Vengeance Fate Sect is included in the evil Sect, their strength and ability can actually make people lose their humanity.

"Ye Chen, why don't you just die, I hate you so much" Yu Ting wanted to kill Ye Chen so badly, her hatred for Ye Chen was deep.

"Do you think I'm that stupid to die in your hands, I now have my own family, so I won't die and leave them" Ye Chen won't die, he has his own family, he can't leave his family.

Ye Chen had to put aside the past feelings he had, now Ye Chen already had people who loved and cherished him, so Ye Chen could not succumb to Yu Ting.

"I will definitely kill you" Yu Ting stepped forward, she tried to kill Ye Chen again.

The battle between Ye Chen and Yu Ting continued, their battle was quite fierce.

.

.

Meanwhile Li Jingyi and Chi Shui were fighting Fu Chou, they exchanged a few blows with Fu Chou.

Fu Chou was not a weak woman, she possessed immense strength, so Li Jingyi and Chi Shui could not easily defeat Fu Chou.

"Both of you, what made you two stay by that man's side, I see that he has so many women beside him, I don't see anything of value in him" Fu Chou asked Li Jingyi and Chi Shui, she asked what they were doing Fu Chou and Chi Shui beside Ye Chen, according to Fu Chou, there is nothing valuable from Ye Chen.

"You won't know what my husband is worth." Li Jingyi answered Fu Chou's question.

Fu Chou definitely wouldn't know what Ye Chen was worth, so there was no point for Li Jingyi to bother telling this woman.

"That's true, you wouldn't know what's so special about him." Chi Shui completely agreed with what Li Jingyi said, a woman like Fu Chou would not understand this matter.

Chi Shui was already quite comfortable with Ye Chen, she felt very comfortable when she was with Ye Chen, plus Ye Chen was a handsome man and possessed great strength, this alone was enough to make Chi Shui acknowledge Ye Chen.

So when Fu Chou said something unpleasant about Ye Chen, Chi Shui felt displeased about it.

"You two are really stupid women" Fu Chou insulted Li Jingyi and Chi Shui, he thought both of them were very stupid.

"What did you say?" Li Jingyi and Chi Shui were dissatisfied when they listened to what Fu Chou had to say.

a big battle was inevitable, this time Li Jingyi and Chi Shui brought out their abilities.

Chi Shui continued to bombard Fu Chou with purple lightning bolts, meanwhile Li Jingyi attacked Fu Chou using her water power.

"Boom, Bzzz" consecutive reactions occurred when Li Jingyi and Chi Shui's attacks hit Fu Chou, this caused a reaction because the two elements they possessed could work together.

"Damn this is so troublesome" Fu Chou didn't expect that Li Jingyi and Chi Shui would be so troublesome, these two women were so troublesome.

The combined force exerted by Li Jingyi and Chi Shui made Fu Chou unable to move freely.

If it continues like this, then it is certain that Fu Chou will be in trouble, therefore Fu Chou must be serious in dealing with attacks from Li Jingyi and Chi Shui.

Fu Chou began to emit a very strong dark power, its radiance alone was capable of destroying the ground and cliffs around this place.

Li Jingyi and Chi Shui were forced back by the radiance of power suddenly emitted by Fu Chou.

"You two have made it difficult for me, now I will make you pay for what you have done" Fu Chou said that he would make Li Jingyi and Chi Shui pay for what they had done.

Fu Chou started to launch an attack, she launched an attack towards Li Jingyi. Li Jingyi had already anticipated Fu Chou's attack, she made a strong water shield that could withstand Fu Chou's attack.

If Fu Chou were to force her way through her water shield, then Fu Chou would be injured, this water shield could be said to be Li Jingyi's weapon and defense.

Fu Chou ignored the shield made by Li Jingyi, she continued to attack Li Jingyi in front of her.

"Bam" Fu Chou's attack penetrated the shield made by Li Jingyi, Li Jingyi was forced back a few steps by Fu Chou's attack.

Fu Chou could be said to be a mad woman, she broke through Li Jingyi's defenses, this hurt the hand she was using when she touched Li Jingyi's shield.

Fu Chou's hand was chipped and bleeding when it touched Li Jingyi's barrier, she suffered a slight injury from touching Li Jingyi's barrier.

"Miss Li" Chi Shui said to Li Jingyi, he was worried about Li Jingyi's condition.

"Stop worrying about someone, your enemy is me" Fu Chou appeared behind Chi Shui, she made a sneak attack towards Chi Shui.

Chi Shui was not prepared for Fu Chou's surprise attack, she was hit by Fu Chou's attack.

Chi Shui was flown several miles away by the attack launched by Fu Chou.

"You guys are not my opponents" Fu Chou said that Li Jingyi and Chi Shui were no match for him.

### JOURNEY TO BECOME A TRUE GOD

#### Chapter 1440 - Li Jingyi & Chi Shui Vs Fu Chou (2)

"Don't get excited too soon, you're not serious yet." Li Jingyi got up from the ground, all the wounds on Li Jingyi's body healed instantly without leaving a trace.

Li Jingyi also started to heal Chi Shui, she quickly healed Chi Shui very fast.

Fu Chou raised her eyebrows when she saw the scene in front of her, Li Jingyi's healing speed was simply beyond comprehension.

"You have amazing healing speed, why don't you just join us." Chi Shui invited Li Jingyi to join the Vengeance Fate Sect.

Li Jingyi's ability will definitely be highly appreciated by higher-ups, Li Jingyi's healing ability is very fast, this healing is extraordinary.

"I don't want to join you guys." Li Jingyi said that he didn't want to join a cult like the Vengeance Fate Sect.

Li Jingyi loved the life of hers, rather than being the enemy of everyone from the God Realm.

The Vengeance Fate Sect is the enemy of all cultivators in the God Realm, their existence has always been a frightening specter for cultivators in the God Realm.

"Too bad, then I'll just make you a puppet, that way you won't be able to fight me." Fu Chou was going to make Li Jingyi a puppet, Li Jingyi's existence would definitely be of great use to Vengeance Fate Sect.

"I only belong to my husband, I won't let anyone else touch me." Li Jingyi said that she only belonged to Ye Chen, she wouldn't let anyone else touch her.

"Oh, is that so" Fu Chou was intrigued by what Li Jingyi had to say, it seemed that this would be quite an interesting thing.

Fu Chou would definitely make Li Jingyi her puppet, Fu Chou couldn't wait to see the desperate Li Jingyi when that happened.

Li Jingyi disliked Fu Chou more and more, this woman was so annoying.

"Looks like we have to work harder together." Chi Shui arrived beside Li Jingyi, he told Li Jingyi to cooperate in defeating Fu Chou.

"Let me go ahead, you just help and support me from behind" Li Jingyi said that he would come forward and face Fu Chou, meanwhile Li Jingyi wanted Chi Shui to help her from behind.

"Are you sure?" Chi Shui was not sure what Li Jingyi said, Chi Shui did not know if Li Jingyi was able to face Fu Chou alone.

"You don't have to worry too much, leave everything to me, I will definitely make this woman regret it" Li Jingyi had really entered into serious mode, now Li Jingyi was very serious in dealing with Fu Chou.

Chi Shui looked at Li Jingyi, she saw how serious Li Jingyi was.

Li Jingyi looked very serious, the domineering aura she possessed made anyone feel depressed.

Li Jingyi's body was enveloped by a huge whirlpool, this whirlpool enveloped Li Jingyi's body.

Whirlpools began to flood the area around this place, the area around the place was turned by Li Jingyi into an ocean.

Fu Chou was always one step ahead, she avoided the water waves caused by Li Jingyi's power.

Li Jingyi was currently standing on the water, she looked very charming when standing on the still water.

Li Jingyi spread his arms down, instantly the calm water beneath Li Jingyi rose up and formed a very high wave.

The water rose very high, the estimated wave height was hundreds of miles. With a wave this big, it was enough to destroy an empire or a continent.

"Wow" Chi Shui did not expect that Li Jingyi could do something like this, to be honest Chi Shui was surprised by Li Jingyi's strength.

He saw that Li Jingyi's strength was very strong and terrifying, this power was enough to flatten a large continent.

In the face of the enormous wave, Fu Chou looks very small, Fu Chou is like a grain of dust in the air.

Li Jingyi's "Water Glory Wave" used the Water Glory Wave, it was a huge wave that could sweep away anything in its path.

"just a small wave I will destroy it" Fu Chou didn't seem afraid of the waves coming towards her, she wanted to face this attack.

**"Fate Whip Abyss"** A black whip appeared in Fu Chou's hand, this whip was different from the one Yu Ting had issued, it looked more terrifying and the energy radiance was also stronger.

Fu Chou swung the whip in her hand, she started swinging the whip in his hand.

The whip in Fu Chou's hand made a very, very loud and extremely terrifying sound, this sound made those who heard it tremble.

Fu Chou again swung her whip forward, her goal now was to destroy the tsunami waves that were heading towards her.

"Slap. . "Fu Chou swung her whip a few times, she was trying to destroy the waves created by Li Jingyi.

Even though he tried several times, in fact Fu Chou was still unable to destroy the wave created by Li Jingyi, the wave created by Li Jingyi was too big and very strong, this made it difficult for Fu Chou to break this wave.

"Why not destroy" Fu Chou wondered why his attack was unable to destroy the wave created by Li Jingyi.

"What you are doing is useless, you better accept your fate and sink to the bottom" Li Jingyi said to Fu Chou, she told Fu Chou to sink and never show herself again.

"You want to kill me" Fu Chou looked very angry when she heard what Li Jingyi said.

When Fu Chou's hatred grew, Fu Chou's strength also became stronger, Fu Chou's strength became stronger so that it was able to increase the strength of Fu Chou.

Li Jingyi saw what was happening, Li Jingyi could see that Fu Chou's strength was getting crazier, this woman's strength was getting bigger as time went on.

This woman's source of strength was the same as Yu Ting's, the stronger the hatred in her heart, the stronger her strength would be.

Li Jingyi didn't want to take any risks, she had to end this battle as soon as possible.

Li Jingyi controlled the waves behind her, Li Jingyi controlled the waves to hit Fu Chou.

Waves hundreds of miles high started to advance, these waves crashing towards Fu Chou.

Fu Chou tried her best to destroy the wave, unfortunately Fu Chou ran out of time, Li Jingyi's decision was very fast, this left Fu Chou no chance.

Fu Chou was finally swallowed up by the enormous wave, himself being swallowed into the enormous wave.

Normal people would most likely have a hard time surviving a wave of this size.

They would definitely die instantly when hit by the massive superpower created by Li Jingyi.

Fu Chou had been completely swallowed up into the waves, the woman's life and death could no longer be ascertained.

"huft" Li Jingyi sighed, looks like she finished on time, Fu Chou couldn't break her wave.

"Is this over?" Chi Shui approached, she asked Li Jingyi.

Chi Shui didn't do anything, he just watched the great battle that Li Jingyi fought.

Chi Shui actually wanted to help, but he found that Li Jingyi alone was enough to win the battle.
