Chapter 1441 - Do You Have Azure Dragon Inheritance

"How is Ye Chen, is he okay?" Li Jingyi asked about Ye Chen's condition, she wanted to know about Ye Chen's condition.

"Looks like he's still not done." Chi Shui pointed at Ye Chen, she pointed at Ye Chen who was fighting against Yu Ting.

Ye Chen? continued to press Yu Ting, he pushed Yu Ting backwards.

Yu Ting didn't have a chance to hit Ye Chen back, Ye Chen's defense was very strong and it made Yu Ting find it difficult to fight him.

"boom" the exchange took place again, this time the exchange between Ye Chen and Yu Ting became even more fierce.

" cough" Yu Ting suddenly coughed up blood, he knelt on the ground covering his bleeding mouth.

"This is my limit" Yu Ting had reached his limit, she was no longer able to maintain the strength she used.

Even though Yu Ting's technique was very powerful, there were side effects when using it, it seemed that it depended on how strong the user's body was, the stronger it was the longer he could use the power of hatred.

Yu Ting's strength could be said to be very small, which was why he was unable to withstand the technique used for long.

Seeing that Yu Ting was already helpless and seemed to have lost her strength, Ye Chen didn't attack him.

"Looks like that ability that you are proud of has a side effect" Ye Chen said to Yu Ting who was in front of him, two guessing that this must be a side effect of using Yu Ting's acquired power.

"Shut up, I can still fight" Yu Ting refused to lose, herself refused to lose to Ye Chen.

Yu Ting was very stubborn, he didn't want to give up and lost to Ye Chen, Yu Ting always lost to Ye Chen, this made her even more annoyed and angry.

Yu Ting got up, he intended to fight back together with Ye Chen, just as Yu Ting wanted to continue fighting from Ye Chen, a black figure carried Yu Ting away from Ye Chen's presence.

This black figure is Fu Chou, she pulled Yu Ting from this place, both intend to escape from this place.

"Master, what are you doing?" Yu Ting asked Fu Chou why did Fu Chou take her by force.

"Let's go, the enemy is too strong." Fu Chou had to leave, the enemy was too strong, she was already badly injured by Li Jingyi's attack.

If Fu Chou continued this battle, it was certain that he would suffer a painful defeat.

So Fu Chou had no choice to run away, he was not Li Jingyi's opponent.

Yu Ting was disappointed when she heard this, she was very disappointed that her master couldn't beat the two women beside Ye Chen.

"Don't let them escape" Ye Chen ordered Li Jingyi and Chi Shui to help catch Yu Ting and Fu Chou, neither of them should leave this place.

Li Jingyi and Chi Shui moved, they tried to catch Yu Ting and Fu Chou who were trying to escape.

Ye Chen, Li Jingyi and Chi Shui launched attacks towards Yu Ting and Fu Chou who were trying to escape, they launched a powerful attack towards Yu Ting and Fu Chou.

"Boom" Ye Chen, Li Jingyi and Chi Shui's attacks hit near Yu Ting and Fu Chou, they should have been hit by Ye Chen, Li Jingyi and Chi Shui's attacks.

An extremely dense smoke appeared due to the combined attacks launched by Ye Chen, Li Jingyi and Chi Shui.

Ye Chen, Li Jingyi and Chi Shui approached, they tried to see if they managed to hit Fu Chou and Yu Ting.

Ye Chen used his God Eyes, he tried to find the whereabouts of Fu Chou and Yu Ting.

Ye Chen did a survey around this place, Ye Chen combed all the places around this place.

"they ran away" Ye Chen didn't find any whereabouts of Yu Ting and Fu Chou, it meant that the two people had already fled from this place.

"We lost them along with the Yin & Yang Awakening Flower" Chi Shui also looked disappointed and annoyed when they lost the Yin & Yang Awakening Flower.

"Looks like our trip was in vain" Li Jingyi felt that their trip this time was a waste of time, they had wasted time and lost the Yin & Yang Awakening Flower.

"Roar. . ." a dragon roar sounded from the distance, the water dragon that was the guardian of the Yin & Yang Awakening Flower managed to find the whereabouts of Ye Chen.

"Human I finally found your whereabouts" The water dragon finally found the whereabouts of Ye Chen, Li Jingyi and Chi Shui.

"Sorry, but the Yin & Yang Awakening Flower is no longer in our hands, it has been taken away by someone else" Ye Chen told the water dragon that the Yin & Yang Awakening Flower was already in someone else's hands.

" I don't care about that problem" the water dragon said that he didn't care about it.

"Then what do you want?, do you want to fight?" Ye Chen asked the water dragon.

Ye Chen didn't know what this water dragon in front of him wanted, the Yin & Yang Awakening Flower was no longer in Ye Chen's hands, so what did this water dragon in front of him want.

"You, just now, was it the legacy of the Azure ancestor?" The water dragon whispered to Ye Chen, he asked if Ye Chen was the inheritor of the Azure Dragon.

" Yes, what is up?" Ye Chen said to the water dragon, Ye Chen replied that he had indeed inherited the inheritance from the Azure Dragon.

"So that's right, you are so welcome." The water dragon suddenly lowered his head and paid his respects to Ye Chen.

"Wait a minute, why are you being so friendly, didn't you want to kill us before?" Chi Shui said to the water dragon, he said to the water dragon who became very friendly to them.

"Little miss, it seems like it was a mistake earlier, so please forgive me" the water dragon apologized to Chi Shui, he apologized to the Chi Shui he had previously attacked.

"Okay, I will forgive me" Seeing the friendliness of the water dragon, Chi Shui decided to forgive the mistake the water dragon had done.

"So what do you need from us?" Ye Chen asked what the water dragon needed from them.

"Young master, are you looking for a Yin & Yang Awakening Flower?" The water dragon asked Ye Chen, he asked if Ye Chen was looking for the Yin & Yang Awakening Flower.

"Of course, but it was already taken by someone else" Ye Chen informed that the Yin & Yang Awakening Flower had already been taken by someone else.

"Oh, so the replica of the Yin & Yang Awakening Flower has been taken by someone?" said the water dragon to Ye Chen.

"replica?, what do you mean?" Ye Chen, Li Jingyi, and Chi Shui in unison asked the water dragon.

"You should know that the Yin & Yang Awakening Flower that you take is a replica only, it is not original and will disappear a few hours after being taken from its place" the water dragon explained to Ye Chen, he explained to Ye Chen about the replica of the Yin & Yang Awakening Flower .

"Then where's the real one?" Ye Chen asked the water dragon, if the Yin & Yang Awakening Flower he just took was a replica, then where was the real one.

"It's at the very bottom of the lake, it's in a very, very cold and deep place.

JOURNEY TO BECOME A TRUE GOD

Chapter 1442 - Enter The Mysterious Little World

" what?" Ye Chen, Chi Shui and Li Jingyi were shocked when they heard what the water dragon said, they were shocked because the Yin & Yang Awakening Flower had been at the very bottom of the lake inhabited by the water dragon.

"Can you get us a Yin & Yang Awakening Flower?" Ye Chen asked the water dragon.

"Sorry, but the deep part of the lake is very cold, I don't dare to dive too deep, I only live on the surface," said the water dragon to Ye Chen.

"You are a water dragon, how can you be afraid of the cold?" Chi Shui questioned the water dragon in front of her.

"Hahaha, little lady, it's very cold downstairs, it can freeze instantly, so what you are looking for will be very difficult to find" the water dragon told Ye Chen that what he was looking for would be very difficult to obtain.

"Then how should we get it?" Li Jingyi started to wonder how they got the Yin & Yang Awakening Flower.

Even the water dragons that lived in the lake did not dare to enter the deepest part.

"I'll be the one to go diving" Ye Chen said that he was the one who was going to dive to the bottom.

"Husband, it looks dangerous, the water dragon alone can't survive in such a cold place" Li Jingyi warned Ye Chen, she warned Ye Chen that the water dragon couldn't survive in that place.

"That's right, if the water dragon alone is unable to go to that place, it should be quite a dangerous place." Chi Shui also had the same thought as Li Jingyi.

"Believe me, I will definitely get through it" Ye Chen believed that he would be able to survive and take the Yin & Yang Awakening Flower.

Li Jingyi was still worried, she was still worried that something would happen to Ye Chen.

"Let's take me" Ye Chen ordered the water dragon to take him to the deepest part of the Yin & Yang Awakening Flower.

"Okay, if you insist then I will take you" the water dragon agreed to escort Ye Chen, he agreed to take Ye Chen to the place where the Yin & Yang Awakening Flower was.

Ye Chen and the water dragon went to a hidden place that was within the valley of memories.

The four of them quickly arrived in front of the lake, after arriving in front of the lake Ye Chen and the water dragon went inside, meanwhile Li Jingyi and Chi Shui were watching from the surface.

Ye Chen and the water dragon dived deep, they quickly dived to a depth of tens of miles.

The deeper the two dive, the colder the temperature in this place, the temperature in this place is so cold that it can freeze the living things that live in this place.

Ye Chen wasn't too affected by the drop in temperature in this place, meanwhile the water dragon's scales started to freeze as the temperature grew colder.

If the water dragon continued to force its way inside, it would completely freeze and become a statue.

"This is my limit, I can't go anymore, it seems that this is where I will take you, what you are looking for is at the very bottom." The water dragon said that what Ye Chen was looking for was still far ahead.

"Okay I understand" Ye Chen nodded, from here Ye Chen could only rely on himself.

"One more thing, there is someone below guarding the Yin & Yang Awakening Flower, you should be careful because the one guarding the Yin & Yang Awakening Flower is much stronger than me, he is the true owner of the Yin & Yang Awakening Flower" the water dragon informed told Ye Chen about the owner of the Yin & Yang Awakening Flower that lived in the depths of the lake.

"Humph, there are creatures that can survive in a place like this." Ye Chen became very curious about what the water dragon said, he wanted to know what kind of creatures could live in such a cold place.

"Okay, my body is starting to freeze, I'm going up." The water dragon couldn't stand it, he couldn't explain in detail what he just said.

The water dragon rose to the surface, he rose to the surface and left Ye Chen alone at the bottom of the dark and cold lake.

"Yuechan, what do you think?" Ye Chen asked Chu Yuechan, he was curious about Chu Yuechan's opinion.

"You want to know what kind of opinion?" Chu Yuechan asked about the opinion that Ye Chen wanted.

"I want your opinion on the Yin & Yang Awakening Flower at the bottom." Ye Chen asked about the Yin & Yang Awakening Flower at the bottom.

"At the bottom there is a small world created by someone I can feel it" Chu Yuechan told Ye Chen that far down there was a small world created by someone, most likely someone lived below.

"So what the dragon just said was true?" Ye Chen did not expect that there would be a small world below, it seems that what the water dragon said was the truth.

"You better go down and check it yourself, if you stay here you won't get anything" Chu Yuechan told Ye Chen to go downstairs and find out about this.

"Okay I will confirm" Ye Chen would confirm what Chu Yuechan said.

Ye Chen swam downwards, he descended to the inside, Ye Chen swam at a decent speed, in an instant Ye Chen had descended for hundreds of miles

Down here it was very cold, and it was dark there was no sign of life that could be seen around this place.

Ye Chen is looking for the existence of the small world that Chu Yuechan is referring to, it is very deep, actually where is the end of this place" Ye Chen started to wonder where the end of this place was, he did not see the bottom of the lake, It was like a hole no end.

It wasn't strange that the water dragon said that he couldn't take the Yin & Yang Awakening Flower, it was because the place where the Yin & Yang Awakening Flower was very far away, strong cultivators and monsters would not be able to stay in this place for long.

"Yuechan, is it still far?" Ye Chen asked Chu Yuechan, he asked if the place Chu Yuechan was referring to was still far away.

"It's still very far away." Chu Yuechan informed that it was still very far away.

"Okay, I'll keep going down" Since Chu Yuechan said that the place he needed to visit was still far away, then Ye Chen descended even further.

Ye Chen descended deeper and deeper, he already didn't know the depth he was currently reaching.

After a long journey, Ye Chen finally saw a large blue portal, around this portal surrounded by whirlpools.

"Finally arrived" Ye Chen didn't waste any more time, he went straight into the portal.

As Ye Chen approached the portal, Ye Chen's body was sucked in by an unknown force, Ye Chen couldn't put up a fight when he was sucked in by this force, Ye Chen could only surrender when he was sucked in by the water current.

Ye Chen finally entered the portal, it could be said that Ye Chen was forcibly thrown into the portal.

Ye Chen was thrown and hit a rock, because of the great force, Ye Chen crushed the rocks around him.

"Damn, that hurts" Ye Chen held his back, it was quite painful for Ye Chen.

JOURNEY TO BECOME A TRUE GOD

Chapter 1443 - Huang Ying

"Where am I now?" Ye Chen started to wonder where he was right now.

This place looked really good, Ye Chen was mesmerized by the scene in front of him.

Around where Ye Chen was standing there was a beautiful scene, around Ye Chen there was a lot of ice that was formed very beautifully and beautifully.

The people who made this place so amazing, the taste of the people who made this place must be top notch.

Ye Chen wandered around this place, himself looking for some clues about the owner of this place.

when Ye Chen wandered around this place, Ye Chen found something interesting, Ye Chen found a person sitting in the distance reading something, on the table there were several books and a cup of warm tea that was used to accompany while reading a book.

"What does the water dragon mean?" Ye Chen guessed that this was the guard the water dragon said.

To confirm this, Ye Chen decided to come closer and take a better look at the person in front of him.

Ye Chen didn't show himself right away, Ye Chen sneaked up and started to find out who this woman was.

It just so happened that around the woman's place there were lots of fences made of grass that were very neatly arranged, all in this place very well maintained.

Ye Chen started to sneak around, looking for the best location to keep an eye on the person in front of him.

Ye Chen had already found a very good location, he had a good location to see the person in front of him.

As Ye Chen approached and took a closer look, Ye Chen discovered that it was a woman.

This woman is very beautiful, her beauty cannot be described in words, she is very beautiful and charming, her beauty is simply extraordinary.

From a distance Ye Chen could see that this was a majestic woman full of wisdom, this woman was definitely a great character.

This woman had slightly purplish black hair, she had a fine figure and an extremely beautiful face, there were several flower decorations on top of this woman's head, her figure was truly something that mortals could not touch.

"Wow, she's beautiful?" Ye Chen did not expect that he would meet such a beautiful woman in a place like this, this woman is truly so beautiful that Ye Chen drools.

This woman's beauty could be compared to Chu Yuechan, this woman was like a goddess that came out of a painting.

"Indeed she is very beautiful" Chu Yuechan had to admit that the woman in front of him was very beautiful, this woman was comparable to him.

"This woman's power?" apart from the beauty of the woman in front of her, Chu Yuechan saw that this woman's cultivation was abnormal.

It wasn't strange that this woman was able to make a replica of the Yin & Yang Awakening Flower so well that it deceived Chu Yuechan.

"I haven't had a guest in a long time, why don't you come out and show yourself" This woman easily found out where Ye Chen was.

Ye Chen was very surprised, even though he didn't make any conspicuous movements, how could this woman easily find out about him.

"Master, this woman is the owner of this place, of course she knows whoever is within her territory, even if you hide in the smallest place you can still be found" Chu Yuechan explained to Ye Chen.

This woman was the owner of this place, so she could tell anyone who came in and out of this place, even if she wanted she could kick Ye Chen out of this place.

"Why didn't you tell me earlier" Ye Chen complained to Chu Yuechan, Chu Yuechan should have told this earlier.

"You didn't ask about this matter, so I didn't tell you." Chu Yuechan answered Ye Chen in a very relaxed tone, he said that Ye Chen didn't ask herself.

"-_--" Ye Chen could only make a helpless face, he looked helpless when faced with Chu Yuechan's words.

It was difficult to win from Chu Yuechan, it seemed that in sparring women could be superior to men.

"That woman is waiting for you, why don't you meet her" Chu Yuechan told Ye Chen to go and meet the beautiful goddess in front of him.

Ye Chen came out from his hiding place, he immediately walked towards where the beautiful goddess was.

The Goddess looked at Ye Chen, she saw a figure who was very handsome and filled with a special charm that could make a woman's heart beat fast.

"This scent, she has the inheritance of the Azure Dragon." The goddess could tell that Ye Chen had the inheritance of the Azure Dragon in his body.

If Ye Chen found out what the woman in front of him had just said, he would definitely be very surprised.

"It's been a very long time since the last time anyone was able to come to this place, what is your purpose in coming to this place?" this woman asked Ye Chen.

"I came to this place to look for the Yin & Yang Awakening Flower" Ye Chen told the reason he came to this place.

"Master, aren't you being too honest?" Chu Yuechan said to Ye Chen who was too honest in stating his purpose for coming to this place.

"What's wrong with that, wouldn't it be better to be honest?" Ye Chen said to Chu Yuechan.

"It's up to you" Chu Yuechan no longer argued with Ye Chen, she no longer argued with Ye Chen about this matter.

"You are too honest" This Goddess smiled at Ye Chen, she smiled because Ye Chen was too honest.

"So may I take the Yin & Yang Awakening Flower that you have?" Ye Chen asked very politely.

"Of course, but you must be able to answer the question I gave you" the goddess said that she was willing to give the Yin & Yang Awakening Flower to Ye Chen, but with one condition.

"Okay, I agree with that" Seeing the conditions that were very easy to do, Ye Chen very quickly agreed with what the woman in front of him said.

" what's your name?" This goddess asked what Ye Chen's name was, she wanted to know Ye Chen's name.

"My name is Ye Chen, who is the goddess herself?" Ye Chen introduced the name and asked the beautiful woman in front of him back.

"Huang Ying" Huang Ying introduced herself to Ye Chen, she introduced herself to Ye Chen.

"Okay Miss Huang Ying" Ye Chen nodded, now he knew who the woman in front of him was.

"I will start with the first question, listen carefully to this question." Huang Ying asked Ye Chen, she asked Ye Chen the first question.

Ye Chen listened to Huang Yin's first question, he would try to answer Huang Yin's question.

"What are the things that follow us every day that we can see but cannot touch?" Huang Ying asked Ye Chen the first question.

"Hmmm" Ye Chen thought for a while, he tried to find out the right answer to Huang Ying's question.

"You have 24 hours to answer my question, make sure you think about this question carefully, don't be wrong in answering it, you only have one chance" Huang Ying told that Ye Chen only had one chance to answer the question she had just given to Ye Chen.

"I think I can answer this question now." Ye Chen said that he could answer this question right now.

"Huh?" Huang Ying showed a hint of surprise when she heard what Ye Chen said.

"Are you sure?" Huang Ying asked Ye Chen again, she gave Ye Chen a chance to think again.

JOURNEY TO BECOME A TRUE GOD

"Is that true?" Ye Chen was happy when he heard of this matter, soon Ye Chen would soon get the Yin & Yang Awakening Flower.

"Last question, this is something that is limitless that can transcend all kinds of things in this world, it can reach all places in the world and this is something that is difficult to predict and fluctuates over time" Huang Ying asked Ye Chen, she gave a difficult question to Ye Chen.

Ye Chen thought hard, he wondered what Huang Ying meant.

The string of words just now was quite difficult, Huang Ying didn't clearly explain what it was, so it could be an inanimate object, a living thing or something.

"You have time to answer it." Huang Ying gave Ye Chen time to answer her question.

"Wait a minute, I'll think about it" Ye Chen asked for time, he would think about the question asked by Huang Ying.

"You are free to think about the answer, I will wait patiently" Huang Ying said that she would wait patiently, she didn't mind waiting for Ye Chen's answer.

Huang Ying's question was indeed difficult, even Huang Ying herself still didn't know the answer to this question.

Huang Ying was so inhuman, she asked a question she didn't know the answer to.

Huang Ying has not been able to solve this question, she has not been able to solve the answer to this question, Huang Yin herself is still unsure about the answer to this question.

Ye Chen kept thinking about the words said by Huang Ying, he was looking for answers to the questions given by Huang Ying.

Ye Chen racked his brains to work as hard as he could, Ye Chen's goal was to get answers to questions from Huang Ying.

Time passed, it had already been 15 minutes since Huang Rong had asked Ye Chen a question.

Previously Ye Chen could very easily answer Huang Ying's questions, but now Ye Chen looked confused when he answered Huang Ying's questions.

"Don't you know the answer to my question?" Huang Ying asked Ye Chen, he asked if Ye Chen had given up.

"Wait a minute, let me think about this, I almost got the answer" Ye Chen asked for a little more time, he almost guessed this.

"oh" Huang Ying's eyes lit up when she heard what Ye Chen said, she wanted to know the answer to the question she was asking.

"Hahaha, it turned out that way, I now know the answer" Ye Chen now knew the answer to the question that was given by Huang Ying.

"Why are you laughing like that, answer me quickly" Huang Ying started to get uneasy, she asked what Ye Chen was thinking.

Honestly Huang Ying was quite curious about Ye Chen's answer, she wanted to know Ye Chen's answer.

"Why are you so curious, don't you know the answer too?" Ye Chen asked Huang Ying, Ye Chen became curious when he saw Huang Ying's attitude.

"Of course" Huang Ying said that she certainly knew the answer to the question given to Ye Chen, there was no way Huang Ying would lose face in front of Ye Chen.

"The answer is feelings." Ye Chen told the answer he found.

"Huh?" Huang Ying was surprised by Ye Chen's answer, he didn't expect that Ye Chen's answer would be so simple.

"How can you think like that?" Huang Ying asked Ye Chen, how could Ye Chen answer something like this.

"Of course, in this world what can transcend everything is feelings, a person's feelings can surpass everything in this world, it can defy anything even the laws of the world"

"plus feelings can be conveyed even though we are at the furthest place to all the places we are. want, it is also something that is unpredictable and can change at any time." Ye Chen explained in great detail what he was thinking.

Huang Ying thought about what Ye Chen said, what Ye Chen said was a truth that was hard for Huang Ying to refute.

"So it's like that, all this time I couldn't come up with such an easy answer, seems like becoming immortal has thrown away the feelings I belong to" Huang Ying finally knew the answer to the question her past friend had given her.

Huang Ying had already spent so much time figuring this out, to think the answer would be something so simple.

It seemed that Huang Ying had thought too much about the answer to this difficult question, the real answer was already within him, it was just that Huang Ying had forgotten about it.

"So is my answer correct?" Ye Chen asked Huang Ying, Ye Chen wanted to know if the answer he gave was right or wrong.

"Your answer is correct, as promised I will give Yin & Yang Awakening Flower as a gift" Huang Ying acknowledged Ye Chen's answer, she will give Yin & Yang Awakening Flower as Ye Chen's gift.

"Come with me" Huang Ying told Ye Chen to come with him to the place where the Yin & Yang Awakening Flower was.

Ye Chen happily followed Huang Ying to where the Yin & Yang Awakening Flower was.

Huang Ying and Ye Chen left, on the way Ye Chen was shown a lot of artifacts and items of high value.

"Master, this woman is quite rich" Chu Yuechan said to Ye Chen, she told Ye Chen that Huang Ying is quite a rich woman, this woman has a lot of high value items.

"I also know, this woman is very rich." Ye Chen could also see that Huang Ying was quite a rich woman, it could be seen from the collection she had.

Huang Ying took Ye Chen to a garden filled with some pretty good and rare medicinal herbs.

Ye Chen looked around, he was quite surprised when he saw the medicinal herbs that Huang Yin had, to be honest this woman's collection was really too extreme.

"Ye Chen, that's the Yin & Yang Awakening Flower you're looking for." Huang Ying pointed at the Yin & Yang Awakening Flower that Ye Chen wanted.

"So can I take it?" Ye Chen asked Huang Ying.

"Sure, take it." Huang Ying motioned for Ye Chen to take the Yin & Yang Awakening Flower.

Ye Chen was no longer embarrassed, he started to go and pick up the Yin & Yang Awakening Flower that was in front of him.

Just as Ye Chen wanted to take the Yin & Yang Awakening Flower, a barrier appeared in front of Ye Chen, Ye Chen smashed into the barrier in front of him.

"A barrier, what does this mean?" Ye Chen wondered what the meaning of the barrier that was in front of him was.

He looked at Huang Ying who was standing behind him, he wanted an explanation from Huang Ying.

"why are you looking at me like that, you can go and get it" Huang Ying told Ye Chen to go and pick the Yin & Yang Awakening Flower.

"Miss Huang Ying, are you kidding me, there is a barrier in front of me, so how can I take the Yin & Yang Awakening Flower?" Ye Chen told Huang Ying about the barrier in front of him.

"You just have to go past that and take the Yin & Yang Awakening Flower" Huang Ying told Ye Chen to go and get past the barrier.

"Master, it seems that he still wants to test your abilities.." Chu Yuechan said to Ye Chen, Chu Yuechan told Ye Chen that Huang Ying still wanted to test Ye Chen.

JOURNEY TO BECOME A TRUE GOD

Chapter 1445 - A Kiss From The Goddess Huang Ying ?

"So she still wants to test my abilities, okay, I'll show you what I have" Ye Chen will show his abilities.

"This is a power limit barrier, as long as you don't use enough power, then this barrier won't let you in." Chu Yuechan told Ye Chen what to do.

"Okay I understand" Ye Chen nodded, he knew what to do in this situation.

Ye Chen started to gather his profound energy, Ye Chen prepared to use his full strength to get past the barrier in front of him.

Ye Chen strengthened his determination, he tried his best to strengthen his resolve to be able to pass the barrier that was in front of him.

Huang Ying looked at Ye Chen, she wanted to know what Ye Chen would do in the current situation.

Whether Ye Chen is able to pass through the barrier he has set up or not, Huang Ying wants to see the performance that Ye Chen has.

Huang Ying knew that Ye Chen had high intelligence, but Huang Ying also wanted to see Ye Chen's abilities, whether they were comparable or not.

Ye Chen started trying to get past the barrier that was in front of him, himself breaking through the barrier forcefully.

The barrier created by Huang Ying started to tremble when facing Ye Chen's strength.

Ye Chen used all the abilities that he had, so of course the strength that Ye Chen expended was no joke.

Huang Ying saw this, he looked surprised when he saw Ye Chen's immense strength.

"It's such an enormous power, how does he have such great power" Just from the light alone, Huang Ying could tell that Ye Chen had enormous strength.

If given more time, Huang Ying believed that Ye Chen would definitely become a great person, he had a very large and formidable capital base strength.

Ye Chen used everything he could to break through the barrier that was in front of him, Ye Chen used his proprietary profound energy to break through the barrier.

With the persistent effort put in by Ye Chen, Ye Chen was finally able to break through the barrier, he has now entered and broke through the barrier.

"Finally entered" Ye Chen was very happy with this, finally Ye Chen was able to enter the barrier that was in front of him.

Ye Chen was now inside the barrier, Ye Chen only had to pluck the Yin & Yang Awakening Flower.

"Finally" Ye Chen finally got what he wanted, he managed to get the Yin & Yang Awakening Flower.

Ye Chen plucked and directly put the Yin & Yang Awakening Flower into the fairy gate storage room.

After getting what he wanted, Ye Chen immediately came out from within the barrier and met Huang Ying.

"Thank you very much" Ye Chen was grateful for what Huang Ying had given him.

"You don't need to thank me, it's your gift." Huang Ying said to Ye Chen, she said that it was a gift that Ye Chen got.

"What will you do next?" Huang Ying asked Ye Chen, she wanted to know what Ye Chen would do.

"I think I'll be back" Ye Chen said that he was going back to the surface, maybe now Li Jingyi and Chi Shui were worried about him.

"Aren't you willing to accompany this old lady a bit?" Huang Ying asked Ye Chen.

honestly Huang Ying hasn't had a visitor like Ye Chen in a long time, so she wants to talk to Ye Chen and discuss about the outside world.

Huang Ying hadn't been on the surface in a long time, she hadn't been up in a very long time and seen what the world was like.

Ye Chen looked at Huang Ying, this woman looked lonely from living alone for such a long time.

"Master, she looks so pitiful, why don't you help him and accompany her for a while" Chu Yuechan told Ye Chen to go and accompany Huang Ying, it would be better if Ye Chen could get Huang Ying, this woman could make Ye Chen rise to a higher level which is very high if you can get Huang Ying's pure Yin Qi.

Honestly, Huang Ying's Yin Qi is very pure, it seems that it has not been touched by anyone for hundreds or maybe millions of years, it can be seen how old Huang Ying is now.

Ye Chen thought of Chu Yuechan's words, it seemed that it would be fine to stay in this place for a while.

Ye Chen was also curious about Huang Ying, why would a woman as beautiful as Huang Ying hide in a place like this, when with Huang Ying's beauty, she could shake the entire God Realm if she wanted to.

"Then let's chat, I want to know a lot from you" Ye Chen said that he wanted to know a lot from Huang Ying.

Ye Chen and Huang Ying started chatting, the two started chatting and discussing about many things.

Ye Chen got a lot of knowledge from Huang Ying, Huang Ying gave the knowledge she had to Ye Chen.

Besides chatting with Huang Ying, Ye Chen took the time to absorb Huang Ying's very rich Yin Qi, to be honest Huang Ying was the first woman with the greatest Yin Qi that Ye Chen had ever met.

"The Yin Qi air that Huang Ying possesses is already equivalent to cultivating for several months, if Ye Chen is willing to spend more time with Huang Ying, then Ye Chen will definitely be able to break through easily.

In addition, Huang Ying is beautiful and friendly, this woman is always smiling full of flowers, this makes men can't stand Huang Ying's beautiful smile.

Ye Chen was a normal man, naturally he couldn't stand Huang Ying's beauty and charm, this woman was truly something that was difficult to resist.

Huang Ying's charm was getting stronger and stronger as time passed, Ye Chen became awkward when he spoke to Huang Ying.

Huang Ying watched Ye Chen, she saw that Ye Chen was flustered when talking to her.

Huang Ying smiled when she saw Ye Chen's behavior, even though he was old, he was still able to make a young man like Ye Chen feel awkward when talking to her.

Honestly Huang Ying was attracted to Ye Chen from all aspects, Ye Chen was smart, strong and became the most handsome man Huang Ying had ever seen in her entire life.

Huang Ying wanted to dig deeper into Ye Chen, she wanted to know the secret that Ye Chen had.

Honestly what Ye Chen said must only be a part of what Ye Chen had, that's why Huang Ying intended to know everything.

Huang Ying brought herself closer to Ye Chen, Huang Ying's head drew closer as if she wanted to kiss Ye Chen.

Ye Chen himself was not prepared for what Huang Ying did, what Huang Ying did was very sudden.

"A kiss from the goddess Huang Ying?" Ye Chen couldn't believe that Huang Ying would do something like this, did this woman want to kiss him.

Ye Chen waited patiently, he wanted to see if Huang Ying would kiss him.

Ye Chen was already excited, he wanted to feel kissed by the beautiful goddess in front of him.

Ye Chen and Huang Ying's lips were less than an inch apart, the slightest Ye Chen moved then he already kissed Huang Ying.

Just when Ye Chen thought that Huang Ying wanted to kiss him, Ye Chen discovered that Huang Ying had put his forehead on Ye Chen's forehead.

After that Huang Ying closed her eyes and started looking for what she needed.

Ye Chen was quite confused about this matter, why would Huang Ying do something like this to him.

JOURNEY TO BECOME A TRUE GOD

Chapter 1446 - I Didn't Expect That You Have The Inheritance Of The Sage God

"Master, this woman is looking for information in your memory." Chu Yuechan told Ye Chen that Huang Ying was searching for information from Ye Chen's memory.

" what?" Ye Chen was shocked when he listened to what Chu Yuechan said, Ye Chen hastily pulled himself back.

Unfortunately Ye Chen was held back by Huang Ying, so he couldn't escape Huang Ying's grip.

Huang Ying held Ye Chen very tightly, she managed to restrain Ye Chen with her full strength.

Being held by Huang Ying so tightly, Ye Chen could not free himself from Huang Ying's grip.

No matter how hard Ye Chen tried, Ye Chen was still unable to break away from Huang Ying.

Huang Ying started looking for information inside Ye Chen's memory, she was looking for the information she needed.

Huang Ying quickly got what she needed, now Huang Ying knew the secret that Ye Chen was hiding.

Huang Ying tried to find out some information from Ye Chen, just when Huang Ying wanted to go deeper, Huang Ying's connection was suddenly cut off, a huge force prevented Huang Ying from seeking more information.

Huang Ying was forcefully kicked out of Ye Chen's memory, she opened her eyes and regained her senses.

Honestly Huang Ying was surprised by the secret that Ye Chen had, this man had a shocking secret.

"Miss Huang, how can you be so impolite" Ye Chen complained to Huang Ying who was forcibly seeking information from her.

"I'm sorry for my impudence, I didn't expect you to inherit the Inheritance of the Sage God" Huang Ying apologized to Ye Chen, he apologized for what just happened.

Ye Chen looked confused when he saw Huang Ying's behavior, even though Ye Chen wanted to scold her, he didn't expect Huang Ying to apologize to Ye Chen.

"I won't forgive you that easily" Ye Chen said that he wouldn't forgive Huang Ying very easily.

" so, what do you want?" Huang Ying asked what Ye Chen wanted.

"emm" Ye Chen thought, he thought about what he should do to Huang Ying.

Huang Ying must already know a lot about him, this would be very difficult for Ye Chen.

If Huang Ying leaked this out, it would be a very troublesome matter for Ye Chen.

"Master, you have to silence her?" Chu Yuechan told Ye Chen to go and silence Huang Ying, lest Ye Chen's secret spread.

"Is it okay to do that?" Ye Chen said at Chu Yuechan, Ye Chen was still hesitant to do that to Huang Ying, he didn't know if he could silence Huang Ying.

Huang Ying was a powerful existence, it would definitely not be easy to deal with Huang Ying.

"I will have Chu Ning'er help you" Chu Yuechan said that he would send Chu Ning'er to help Ye Chen, with Chu Ning'er's help, Ye Chen would be able to silence Huang Ying.

"It's not necessary, I alone is enough." Ye Chen said that himself was enough to do that.

Ye Chen stepped forward, he tried to get close to Huang Ying who was in front of him, Ye Chen's goal was to make a surprise attack on Huang Ying, Ye Chen would use Passion Goddess technique to deal with Huang Ying.

Ye Chen approached, she reached out and used the Passion Goddess technique on Huang Ying.

Huang Ying moved away, she stepped away from Ye Chen, it seemed that Huang Ying already knew what Ye Chen was going to do.

"Ye Chen, I didn't mean it like that, so don't do it." Huang Ying said that she didn't mean to do that, she didn't expect Ye Chen to have such a big secret in his body.

Honestly, Ye Chen's secret was far greater than Huang Ying could imagine, Ye Chen's body was full of treasures that could trigger all major powers to chase after him.

Ye Chen had countless treasures ranging from special bodies, the inheritance of the Sage God and Azure Dragon and several legendary artifacts that could trigger a large-scale war in the God Realm.

"I don't trust you, you must have other goals." Ye Chen didn't believe Huang Ying, this woman must have other goals.

Huang Ying had obtained the information in Ye Chen's memory, so this beautiful goddess must have some secret information in Ye Chen's possession.

"I have no other goals, so please trust me" Huang Ying tried to persuade Ye Chen to believe in her.

Ye Chen still didn't believe what Huang Ying said, he still didn't believe this woman in front of him.

Huang Ying may be a beautiful and charming woman, but she has obtained the secret that Ye Chen has, it is very dangerous for Ye Chen.

Honestly Ye Chen has more to protect himself and his family, if this secret were to surface, it could endanger everyone close to Ye Chen, Ye Chen didn't want that to happen.

Huang Ying saw that Ye Chen still didn't believe him, it seemed that what he said Ye Chen still couldn't believe.

"Ye Chen, I swear to heaven that I will not reveal this matter, if I Huang Ying leak this matter, then I will be destroyed by the heavens very painfully" Huang Ying finally made an oath, she swore that she would not reveal this matter to anyone.

Huang Ying showed her seriousness, she swore that she would not talk about this to outsiders.

Ye Chen looked at Huang Ying, this woman dared to make an oath in front of Ye Chen.

"Yuechan, what do you think?" Ye Chen asked Chu Yuechan if he still had something to do with Huang Ying or not.

"She's already made an oath, so it should be fine, but there's still a risk, so you still have to be careful." Chu Yuechan gave her opinion.

She looks sincere, I don't think he will do that" Ye Chen could see Huang Ying's sincerity, it seemed that Huang Ying would not leak this matter.

"The decision is yours, I will support all the decisions you make." Chu Yuechan said that if the decision was in Ye Chen's hands, she would support Ye Chen's decision.

"Okay, I trust you" Ye Chen lowered his guard, he lowered his guard towards Huang Ying.

Huang Ying was relieved when she saw Ye Chen lower his guard, it seemed that this matter had been resolved.

Huang Ying and Ye Chen sat together like before, the atmosphere became awkward when the two sat together.

"Ye Chen I didn't expect that you have the inheritance of Sage God, you seem to be the luckiest person in God Realm" Huang Ying decided to start a conversation, she started a conversation with Ye Chen, Huang Ying told that Ye Chen was a blessed person.

"No really, I have my own problem with this, even though it's strong, the fact is that there are still many people who are after my body" Ye Chen told that outside there are many people who are after his body.

"I understand that, your body is indeed very precious, there must be many people who are after you" Huang Ying also understands the problem Ye Chen is facing, Huang Ying knows that it is not easy to have the legendary Sage God inheritance, there must be many people who are envious and wanted to obtain the power of the Sage God.

JOURNEY TO BECOME A TRUE GOD

Chapter 1447 - The Past Of The Great War In God Realm

"Ye Chen, do you want to know the story about the Sage God and God Realm in the past?" Huang Ying said to Ye Chen, she wanted to tell the story about the Sage God and God Realm in the past.

Ye Chen didn't mind, he wanted to hear the story that the Sage God and God Realm had in the past.

"Listen carefully" Huang Ying told Ye Chen to listen to what she had to say.

Ye Chen focused his gaze on Huang Ying, he wanted to hear the story that Huang Ying had to say.

"The God Realm used to be a place of peace and full of life, gods and demons lived peacefully without fighting like now" Huang Ying told Ye Chen about the ancient God Realm.

As Huang Ying said, the God Realm in ancient times was very peaceful, it was rare for a clash between demons and gods to occur.

"Then how come it is like this?" Ye Chen asked why the situation in God Realm could be like this, what made the peace break.

"It happened as a result of an incident, you know the god of heaven Mo Xin?" Huang Ying asked Ye Chen, he wanted to know if Ye Chen knew about Mo Xin.

"Yes, yes I know, he is the god of heaven Mo Xin, it is said that he is the ruler of 50% of the territory in the God Realm" Ye Chen of course knows a little about Mo Xin, Mo Xin is known as the god of heaven with enormous power .

"That's right Mo Xin is a god with great power and tremendous influence, he has a large following due to his immense charisma, he is one of the people who ignited the biggest Chaos battle in the history of the God Realm" Huang Ying told Ye Chen about Mo Xin starting the biggest battle the God Realm has ever seen.

"How can he start a battle?" Ye Chen asked how Mo Xin was able to start the biggest battle in the history of the God Realm even now.

"The beginning of the battle was when Mo Xin was accused of killing the Demon God of Destruction, he was one of the strongest people in the Demon race" Huang Ying told the reason for the battle that took place between God and Demon God.

"Battles happen just because of that" Ye Chen couldn't believe that battles happened because of such matters.

"Ye Chen, this is not a trivial matter. Demon God of Destruction is one of the pillars of Demons, the death of Demon God of Destruction will certainly make the power between Demon and God become unbalanced" Huang Ying told what made Demon angry at Mo Xin .

"Okay, I see." Ye Chen immediately understood what Huang Ying meant, the death of the Demon God of Destruction would definitely make a difference in strength between the two sides, it must be very detrimental to the Demon side.

The higher ups of Demon God decided to replace the death of the Demon God of Destruction with Mo Xin's life, unfortunately Mo Xin and his followers rejected the proposal and started a battle, the battle that was originally

between Mo Xin and Demon God's side was so chaotic that it affected other gods' realms. so terrible, it made other gods join the battle and made the biggest battle that happened in the God Realm.

The culmination of the battle took place in the center of the ruins of the God Realm, it was the site of the greatest battle that had ever taken place, there was still witness to the great battle that took place in the past.

" then what happen?" Ye Chen wanted to know what happened next.

"The battle lasted for a very long time, the victims of the battle were numerous from both sides, this made the wounds and grudges even greater, the two sides really fought it out to the point of mass murder," Huang Ying said to Ye Chen. .

"Until the climax of the Final Chaos war, the war is the final war, where the Sage God who never interferes decides to take part in the battle" Huang Ying started talking about the Sage God whose inheritance was in Ye Chen's body.

"What was the Sage God doing at that time, did he help the gods?" Ye Chen asked Huang Ying.

"No" Huang Ying shook his head, he was telling that the Sage God didn't help the Gods.

" then?" Ye Chen wanted to know what happened next, what the Sage God would do if he didn't help the gods.

"He was the only person who tried to stop the battle from taking place, the Sage God never got involved in the battle, he was a neutral and powerless person, he had acquaintances on both the God and Demon side, so the Sage God's wish was to stop the ongoing battle. happened" Huang Ying said to Ye Chen.

"He did that alone?" Ye Chen asked if the Sage God did that alone.

"Of course, he tried to stop the battle alone, the Sage God ended up fighting with both Gods and Demons, the battle was extraordinary, it is said that the Sage God was able to endure hundreds of days alone against billions of gods and demons back then" Huang Ying told the Sage God was able to defend against billions of cultivators who were at the peak of the God Realm.

"Wow" Ye Chen was shocked when he heard Huang Ying's story, Ye Chen didn't expect that Sage God would be that strong.

"Then who won in that battle?" Ye Chen asked who won in that big battle.

"Nothing" Huang Ying said that there was no victor in the battle that took place.

"Huh, how come?" if there is no winner then what happens, this is very strange for Ye Chen.

"Because the Sage God couldn't stop the war, he created a dimension that was used to confine the fighting gods, the Sage God also separated the two regions that were inhabited by God and Demon respectively that you know today God Realm and Demon God Realm" Huang Ying explained to Ye Chen.

"You mean, we are now living inside a dimensional barrier created by the Sage God?" Ye Chen asked Huang Ying.

"That's right, the God Realm that you know today is only 5% of the original territory of the God Realm, without knowing it we live in a prison that makes the profound energy in God Realm become depleted as time goes by, this is what makes the era of the gods end , that's because the pure energy is becoming more and more depleted and making it difficult for cultivators to break through" said Huang Ying to Ye Chen.

Ye Chen listened carefully to what Huang Ying said, to be honest Ye Chen was surprised when he heard the story from Huang Ying, Ye Chen gained new knowledge about this.

"Then what happened after that?" Ye Chen asked Huang Ying.

"The war is starting to subside, it's because every time the God Dan Demons try to invade, their strength will decrease when they enter each other's territory, it makes it difficult to conquer enemy territory." Huang Ying told the reason why the war could subside, that Sage God made a barrier where gods and demons cannot reach their opponent's territory.

"Then what happened to the Sage God?" Ye Chen asked what happened to the Sage God after the most chaotic war in the history of the God Realm.

"The Sage God disappeared, no one knows where he went, after that battle he disappeared from the world, many theories spread, some say he got out of this prison, some say he was injured and hid in a faraway place from all God eyes" Huang Ying said uncertainly, she didn't know very well about the existence of the Sage God.

"But now that I see that you have inherited the power of the Sage God, as long as you can obtain the full inheritance of the Sage God, you should be able to break the barrier that the Sage God has set up to lock us up." Huang Ying said expectantly, Huang Ying really hoped that Ye Chen was able to break the barrier that was enclosing them.

"Can you say I can get in and out of this prison?" Ye Chen said to Huang Ying.

"You still don't have the Sage God's dimensions inheritance, so you can't do that" Huang Ying explained to Ye Chen.

JOURNEY TO BECOME A TRUE GOD

Chapter 1448 - A Surprising Present From Huang Ying (1)

"Maybe someday" Ye Chen said that he already had the complete inheritance of the Sage God.

Huang Ying nodded, as long as no one bothered Ye Chen, then Ye Chen would definitely be able to obtain the complete inheritance of the Sage God.

"Do you have any other questions?" Huang Ying asked Ye Chen if Ye Chen still had any questions she needed to answer.

Ye Chen asked Huang Ying a lot of things, this beautiful goddess has very rich knowledge, so Ye Chen decided to ask Huang Ying a lot of things.

Huang Ying answered all of Ye Chen's questions, he liked Ye Chen to be active in asking him questions.

Huang Ying's knowledge was quite shocking, Huang Ying was able to answer all of Ye Chen's questions, she seemed to know all the knowledge in this world.

Ye Chen learned a lot from Huang Ying, unknowingly time passed by very quickly.

"Ye Chen, come here, I have a present for you." Huang Ying said that she had a present for Ye Chen.

"what's that ?" Ye Chen was very curious about the gift that Huang Ying was referring to.

"Come with me" Huang Ying told Ye Chen to come with her.

Ye Chen of course went and followed Huang Ying, he was curious about what Huang Ying would give him.

Huang Ying invited Ye Chen to go to her house, the two of them entered the house where Huang Ying lived.

When entering Huang Ying's house, Ye Chen saw what was around him, he found that Huang Ying's house looked very beautiful, this is a very neatly arranged house, from the chairs, furniture and decorations very well arranged. very neat.

"Ye Chen, come here." Huang Ying told Ye Chen to enter his room.

"Wow, this lady invites you to go to her room." Chu Yuechan had to admit Huang Ying's bravery, Huang Ying was very brave in inviting Ye Chen into her room.

"Do you think he invited me inside to do something further?" Ye Chen said to Chu Yuechan, is Huang Ying such a brave woman.

"I don't know, why don't you follow it, this is a good chance for you to get it." Chu Yuechan said to Ye Chen to try to get Huang Ying.

"This woman is a little complicated and smart, a little difficult to approach" Ye Chen said that it was a little difficult to approach Huang Ying.

"Just give it a try, you haven't tried it yet, so don't give up before trying it" Chu Yuechan said to Ye Chen.

"Ye Chen, why are you silent?" Huang Ying called Ye Chen, she told Ye Chen to follow her.

"Okay, I'll come" Ye Chen said that he would come into Huang Ying's room.

Ye Chen entered Huang Ying's room, it just so happened that in Huang Ying's room there was a table, on the table there was a bottle and a cup.

"Sit down." Huang Ying told Ye Chen to sit at the table in her room.

Ye Chen sat down, he occupied the seat in front of him, meanwhile Huang Ying also sat in front of Ye Chen.

"Ye Chen, do you know what I will give you?" Huang Ying asked Ye Chen who was in front of him.

"I don't know, I guessed that it was something related to strength" Ye Chen said that he didn't know what would give by Huang Ying, Huang Ying looked very mysterious, this made Ye Chen not know what this woman was thinking.

"No, this is not power, it is far greater than strength." Huang Ying said that what he was about to give was far greater than strength.

Ye Chen became interested in this matter, he was quite interested in what Huang Ying had to say.

Ye Chen really wanted to know what Huang Ying gave him, in this world what was greater than strength.

"Ye Chen, I will share all the memories of the knowledge I have." Huang Ying said that she would share all the knowledge she had with Ye Chen.

"Is that woman serious, that would be very dangerous." Chu Yuechan said that what Huang Ying did was extremely dangerous.

"Is it dangerous?" Ye Chen asked Chu Yuechan, Ye Chen wanted to know if doing so would be a dangerous thing.

"Of course, with Huang Ying's vast and vast knowledge, it will be a problem when she shares the memory of the knowledge she has, the worst case is that you will not be able to withstand it and you will be controlled by Huang Ying's memory" said Chu Yuechan on Ye Chen.

Ye Chen did not expect that this would be such a dangerous thing, he did not know that doing this would be such a dangerous thing.

"Miss Huang, wouldn't that be very dangerous?" Ye Chen said to Huang Ying.

"I know it's dangerous, but you don't need to worry, I have a method that can keep you from getting hurt." Huang Ying said that she had a method that could keep Ye Chen from getting hurt.

Ye Chen looked at Huang Ying, from what Huang Ying said, this woman didn't seem to be lying to Ye Chen.

"Ye Chen, in this world knowledge is above strength, with knowledge you can strengthen yourself and those around you" Huang Ying tried to persuade Ye Chen, she persuaded Ye Chen to be willing to do this.

Still Ye Chen still had doubts about this, Ye Chen still had doubts about the methods used by Huang Ying.

"The decision is yours" Huang Ying said that if the decision was in Ye Chen's hands, she wouldn't force it if Ye Chen didn't want to.

Ye Chen started to make a decision as to whether he would accept Huang Ying's offer or not.

"This master is too risky for you" Chu Yuechan also persuaded Ye Chen, she said that this would be quite risky for Ye Chen.

In his heart were two voices, Ye Chen didn't know which one he should follow, whether he should follow Chu Yuechan or Huang Ying.

Ye Chen closed his eyes and began to think very hard, he decided to follow his heart.

After a while, Ye Chen finally made a decision, Ye Chen would accept what Huang Ying said, he believed that Huang Ying would not do anything bad to him.

"Okay, I agree" Ye Chen said that he agreed to accept the memory of Huang Ying's knowledge.

Ye Chen felt the need for it, surely Huang Ying's knowledge was very rich and could be utilized by Ye Chen.

"What a bold decision" Huang Ying admired Ye Chen's decision, Ye Chen's decision was very bold.

"Okay, then drink this first" Huang Ying told Ye Chen to drink the special wine she had prepared, this would make Ye Chen's mind become very relaxed and calm.

Ye Chen received a cup from Huang Ying, from its shape and smell it was like a stage.

Ye Chen made sure there was nothing wrong in his drink, after making sure there was nothing wrong, Ye Chen immediately drank the wine given by Huang Ying.

As Ye Chen gulped down this wine, Ye Chen could feel that his mind had become very calm and very relaxed this was the first time Ye Chen had felt this kind of feeling.

Seeing Ye Chen who had already drank the wine he gave him, Huang Ying immediately started what was needed, Huang Ying drew closer to Ye Chen, he started to extend his hand towards Ye Chen's face.

Huang Ying started to bring her face closer to Ye Chen, this position was similar to that of a woman about to kiss her partner.

Ye Chen saw that Huang Ying was getting closer, Huang Ying's beautiful face was getting closer and closer to Ye Chen.

Ye Chen didn't think that Huang Ying would kiss him, Ye Chen thought that Huang Ying would just smack his forehead like before.

Ye Chen closed his eyes and was ready to accept the memories and knowledge that Huang Ying gave him.

When Ye Chen closed his eyes, Ye Chen felt a soft and slightly moist object touch his lips, sensing this strangeness, Ye Chen immediately opened his eyes.

When Ye Chen opened his eyes, Ye Chen found something unexpected, he saw Huang Ying kissing him.

Ye Chen didn't expect that this beautiful goddess would kiss him like this, this was something Ye Chen couldn't imagine.

JOURNEY TO BECOME A TRUE GOD

Chapter 1449 - A Surprising Present From Huang Ying (2)

Ye Chen was quite surprised when he saw Huang Ying kissing him, it was quite surprising when he saw Huang Ying kissing Ye Chen.

The feeling of Huang Ying's lips was very comfortable, she had soft and smooth lips, it felt comfortable when having a kiss.

Ye Chen's mind started to become restless, Huang Ying's kiss made Ye Chen's mind go wild.

Even the wine that was just given by Huang Ying was unable to make Ye Chen relax and about like before.

"Calm your mind, just relax" Huang Ying told Ye Chen to calm his mind, lest Ye Chen's mind be messed up because of this matter.

Ye Chen tried to do what Huang Ying said, to be honest Ye Chen was a little difficult to do what Huang Ying said, what Huang Ying said was quite difficult for Ye Chen to do.

Even though doing what Huang Ying told him was difficult to do, Ye Chen still tried his best, Ye Chen tried to calm his mind and heart, lest he lose control in a situation like this.

A while later Ye Chen finally calmed down, he managed to calm himself back down to his previous state, now Ye Chen is very calm and very relaxed.

After Ye Chen started to calm down, Huang Ying started to pass the memory of her knowledge to Ye Chen.

Ye Chen felt a very large and a lot of information flowing through his mind, to be honest there was a lot of information, Ye Chen had never seen this much information in his life.

It wouldn't be strange if Chu Yuechan warned Ye Chen, a normal human brain would definitely not be able to digest this many thoughts, even Ye Chen was starting to get a little dizzy with the information Huang Ying gave him.

Ye Chen couldn't just give up, he had to fight and try his best, lest Ye Chen be defeated by this kind of thing.

Ye Chen tried to digest the knowledge given by Huang Ying, he digested all the knowledge given by Huang Ying.

Ye Chen felt that right now he was in the middle of a huge sea of ??knowledge, if Ye Chen wasn't careful enough then maybe this sea of ??knowledge could sweep Ye Chen away very easily.

Ye Chen had to absorb all of these and study them the knowledge given by Huang Ying.

After transferring information and knowledge to Ye Chen, Huang Ying released her lip from Ye Chen, she saw Ye Chen currently closing his eyes and trying to absorb what she just gave him.

"I hope you don't disappoint me" Huang Ying hopes that Ye Chen will not disappoint her, Huang Ying really hopes that Ye Chen can absorb all the knowledge she has gained, it will help Ye Chen's life journey in the future.

Huang Ying started to touch her lips, it was Huang Ying's first time in close contact with someone, the feeling of doing so was very pleasant for Huang Ying.

"This feeling isn't bad." Huang Ying could feel that kissing wasn't a bad thing, this feeling was very comfortable for her.

Huang Ying wanted to experience this again, but the opposite sex was currently busy, so Huang Ying could only hold back for a while.

Ye Chen continued to study all the information and memories that were nearby, this amount of information was really a lot which made Ye Chen have to spend quite a long time.

Ye Chen didn't know when he would be able to finish all of this, Ye Chen must have taken a long time to finish this.

Unknowingly a few days had passed, Ye Chen was now almost done with studying all the memories that Huang Ying had given him.

After several long days, Ye Chen opened his eyes, he finally learned all the memories that Huang Ying had given him.

After getting the memories from Huang Ying, Ye Chen had a very broad outlook, he felt he could do whatever he wanted.

"Are you done?, do you like the gift I gave you?" Huang Ying came to Ye Chen's side, she asked if Ye Chen had finished digesting all the knowledge she gave.

"Well, thank you very much for what you have given" Ye Chen was grateful for what Huang Ying had given.

"Um" Huang Ying nodded, pleased to be able to help Ye Chen with his problem.

"Miss Huang, how much time has passed?" Ye Chen asked Huang Ying, wanting to know how much time had passed.

"You don't need to be so formal. You can call me Huang Ying, it's been 10 days since that day." Huang Ying said that it had been 10 days since he kissed Ye Chen.

The feeling of that kiss was still vivid in Huang Ying's memory, it was like poison that continued to affect Huang Ying's memory.

"10 days" Ye Chen did not expect that after 10 days had passed, what happened to Li Jingyi and Chi Shui above, most likely both of them were worried about Ye Chen.

"Looks like I have to go back soon" Ye Chen had to go back, he couldn't let Li Jingyi and Chi Shui worry about him.

"Are you going?" Huang Ying looked disappointed when she listened to Ye Chen leaving this place, she felt a little reluctant to let Ye Chen leave this place.

Honestly Ye Chen was the most interesting person to talk to Huang Ying, Huang Ying quite enjoyed talking with Ye Chen.

Ye Chen looked at Huang Ying, Ye Chen could see a sadness on Huang Ying's face.

Huang Ying had lived in this place alone for a very long time, so he must have been very lonely.

"Huang Ying, if you don't mind, how about you come with me." Ye Chen invited Huang Ying to come along with him.

"You asked me to leave this place?" Huang Ying asked Ye Chen, Huang Ying didn't expect that Ye Chen would ask him to leave this place.

Huang Ying had indeed lived in this place for a long time, he had lived in this place alone.

"What's wrong, don't you want to?" Ye Chen asked Huang Ying, why did Huang Ying hesitate to come with him.

"I have a problem with that" Huang Ying said that he had a problem getting out of this place.

"What's your problem, just tell me" Ye Chen said to tell what problem Huang Ying had.

" that . . . , I have sworn not to leave this place." Huang Ying said that he had sworn not to leave the valley of memories, so Huang Ying could not accept Ye Chen's invitation.

"I see." Ye Chen nodded, as if he couldn't force his will on Huang Ying.

Ye Chen looked disappointed when he heard this, there was a certain disappointment when Ye Chen heard this.

"But if anyone has genuine feelings for me, then I can leave this place" Huang Ying said to Ye Chen.

"Eh?" Huang Ying's words made Ye Chen slightly surprised, Ye Chen immediately looked at Huang Ying who was in front of him.

Huang Ying turned his head away, he looked embarrassed when he looked at Ye Chen, what was previously said was something to be ashamed of.

"So it's like that" Ye Chen now understood what he had to do, it seemed like he was going to help Huang Ying out of this place.

Ye Chen couldn't let a beautiful goddess like Huang Ying stay here for the rest of his life.

JOURNEY TO BECOME A TRUE GOD

Chapter 1450 - Confess Feelings To Huang Ying (1)

Ye Chen hugged Huang Ying's body who was beside him, Huang Ying's body felt very soft when touched by Ye Chen's finger.

"Ye Chen, what are you doing?" Huang Ying asked what Ye Chen was doing.

"I will help you get out of this place." Huang Ying said that he would help Ye Chen out of this place.

"No, don't do that." Huang Ying told Ye Chen not to do that to himself, doing this was very embarrassing.

In his life it could be said that this was the most humiliating thing that Huang Ying had ever experienced.

A young man proposed to her, of course this was very embarrassing for a woman like Huang Ying.

"Trust me" Ye Chen told Huang Ying to trust himself, Ye Chen will definitely save Huang Ying.

Huang Ying looked at Ye Chen, she looked straight at Ye Chen, in Ye Chen's eyes, Huang Ying could see Ye Chen's seriousness and sincerity.

Ye Chen really wanted to help Huang Ying, he wouldn't let Huang Ying suffer in a place like this.

Huang Ying did not expect that one day there would be someone like Ye Chen, perhaps this was indeed the fate that Huang Ying had to accept.

"Is it time" Huang Ying said in her heart, it seems that it is time for her to get out of this place, it seems that Huang Ying must return to the mortal world which is full of chaos.

The biggest reason Huang Ying was in this place was because she avoided trouble, a world of so many troubles that was troublesome. Huang Ying preferred to live in a peaceful place like this.

But that peaceful period seemed to be coming to an end, there was Ye Chen who had broken into her realm that no one was able to go to this place.

Huang Ying knew that he would not be able to continue to live in peace, one day there would be a time when his peaceful life would end.

And now that it had happened, how would Huang Ying deal with this matter.

Ye Chen looked at Huang Ying, Ye Chen found that Huang Ying didn't put up any meaningful resistance, that meant he wasn't angry about this matter.

If Huang Ying didn't want to, he would have already kicked Ye Chen out, in fact up until now Huang Ying had not kicked Ye Chen out, she had not kicked Ye Chen away.

Since Huang Ying didn't push himself away, Ye Chen decided to go further, he started pulling Huang Ying's body closer to him.

"Still like before, Huang Ying didn't put up a fight, she didn't put up a fight when pulled by Ye Chen.

Huang Ying's tiny body was now in Ye Chen's arms, Ye Chen was currently hugging Huang Ying's body.

Huang Ying started to feel comfortable when she was hugged by Ye Chen, this feeling was really very comfortable for Huang Ying.

"It's warm and cozy, is this the feeling of being hugged by someone close?" Huang Ying had experienced this feeling for the first time in person.

Huang Ying knew very broad knowledge, Huang Ying had studied the relationship between humans, he was quite interested in it, although in reality Huang Ying had never done it directly.

Huang Ying enjoyed this feeling, her heart felt very comfortable when she was in Ye Chen's arms.

Ye Chen extended his hand towards Huang Ying's face, he touched Huang Ying's perfectly shaped chin.

Huang Ying was so beautiful, this woman's beauty was hard to say, she really didn't seem to be from this world.

Ye Chen lifted Huang Ying's chin, he told Huang Ying to look at him.

Huang Ying looked at Ye Chen, she could see the affection Ye Chen was trying to show.

Huang Ying couldn't stand this feeling, unfortunately her face was blocked by Ye Chen so she couldn't escape.

"Very beautiful, you are a goddess who came down from heaven" Ye Chen praised Huang Ying, Huang Ying is indeed very beautiful and charming, with what Huang Ying has, she can already hold the title of goddess.

"What are you saying, I'm an old woman, how am I still worthy of such a thing?" Huang Ying tried to dodge what Ye Chen said, he felt unworthy of such a title.

"I'm not lying, you are beautiful and kind, I like you" Ye Chen said to Huang Ying.

Since it was like this, Ye Chen decided to confess her feelings, he confessed his feelings to Huang Ying.

Ye Chen hoped that Huang Ying would accept him, that would make it easier for Ye Chen to take Huang Ying away with him.

Huang Ying lowered her head, she looked embarrassed to look at Ye Chen, on closer inspection, Huang Ying looked flushed, she looked flushed by Ye Chen's words, Huang Ying didn't want Ye Chen to see her like this, it was embarrassing to show such things to someone.
