

JOURNEY TO BECOME A TRUE GOD

Chapter 1451 - Confess Feelings To Huang Ying (2)

Ye Chen and Huang Ying looked very happy when they kissed, both of them were able to enjoy this kiss well.

After a long time of kissing, the two finally parted ways, Huang Ying looked at Ye Chen, she started to look at Ye Chen with a different look.

" how?" Ye Chen asked Huang Ying, Ye Chen wanted to know Huang Ying's opinion about the kiss that just happened, whether Huang Ying enjoyed the kiss or not.

"That was amazing, I've never felt that feeling before" Huang Ying said that earlier, she had never felt such a feeling in her life.

"Do you want to continue?" Ye Chen asked Huang Ying, he asked if Huang Ying wanted to continue further or not.

Huang Ying thought about Ye Chen's words, she looked confused whether to continue any further or not.

After thinking for some time, Huang Ying finally made a decision, it seemed that he could not withdraw from the battle.

"Let's continue, I hope you show me a new world" Huang Ying hoped that Ye Chen could show her a new world, Huang Ying really hoped that it could happen.

"Okay, leave it to me." Ye Chen was happy when he heard this, it seemed that Huang Ying had started to believe in him.

Ye Chen carried Huang Ying's body, he placed Huang Ying on the bed.

Huang Ying was very obedient when being carried by Ye Chen, she looked very obedient when being carried by Ye Chen to the bed.

After getting on the bed, Ye Chen started to strip off Huang Ying's beautiful clothes.

Huang Ying's clothes were white and slightly purplish, she was wearing clothes that looked pretty and were full of pretty prints.

Huang Ying's beauty is unquestionable, Huang Ying is a very beautiful goddess.

Although Huang Ying's age is unknown, in fact Huang Ying looks like a 22 year old woman, she still looks very young and full of charm.

Ye Chen started trying to take off Huang Ying's clothes, Ye Chen's hands skillfully tried to take off Huang Ying's clothes.

"Wait" Huang Ying stopped Ye Chen, she was very embarrassed when a man helped her undress.

" why?" Ye Chen asked Huang Ying, he wanted to know why Huang Ying stopped him.

"Let me do this myself" Huang Ying said that he would do this alone.

"Okay" Ye Chen nodded, he let Huang Ying do it himself.

Huang Ying got up from the bed, she started to take off the clothes she was wearing.

Huang Ying did it very slowly, every move Huang Ying made was very elegant, it was like he was trying to stimulate Ye Chen with a very seductive move.

Ye Chen was impatient with what was happening, he looked impatient when he saw Huang Ying who was removing clothes so elegantly.

Huang Ying could feel Ye Chen's fiery gaze, she looked very embarrassed by Ye Chen's fiery gaze.

"This is so embarrassing" Huang Ying felt embarrassed from what happened, she felt like finding a place to hide.

The problem was Huang Ying couldn't do that, she couldn't hide from Ye Chen, hiding from Ye Chen was impossible for Huang Ying to do.

After a while, Huang Ying finally finished taking off her clothes, she used her hands to hide the forbidden places of hers.

"beautiful" Ye Chen looked at Huang Ying, this woman is really very beautiful.

"Don't look at me like that, you look like a hungry wolf." Huang Ying said to Ye Chen.

"Hahaha" Ye Chen laughed as he listened to what Huang Ying said, what Huang Ying said was very funny.

Ye Chen drew closer to Huang Ying, Ye Chen started to reach out her hand to get rid of the hand that Huang Ying used to cover her private parts.

When Ye Chen did that, Huang Ying started to put up a fight against Ye Chen, Huang Ying put up a fight against Ye Chen because she didn't want to show Ye Chen embarrassing things.

"You don't have to hide this." Ye Chen told Huang Ying not to hide this.

Even though Ye Chen said that, in fact Huang Ying was still embarrassed, she still refused to fully show herself to Ye Chen.

Ye Chen had no choice but to let Huang Ying let go herself, he had to use a subtle approach to Huang Ying.

Ye Chen stretched his hand towards Huang Ying's waist, he started to caress every inch of Huang Ying's body.

"Emm" Huang Ying groaned when she received Ye Chen's caress, the feeling given by Ye Chen was very comfortable, every caress Ye Chen did made Huang Ying feel happy and happy at the same time.

"Why is it so comfortable, it's just a touch?" Huang Ying couldn't believe that Ye Chen's touch would be so comfortable.

The moment Ye Chen started to use the Passion Goddess technique, he intended to make Huang Ying feel at ease.

In just a short time, Huang Ying immediately relaxed her guard, she couldn't stand Ye Chen's attack.

Just as Huang Ying loosened her guard, Ye Chen saw the double peaks that were standing splendidly, both of which might not be huge, but they looked absolutely perfect.

Ye Chen shifted his hand, he immediately touched and squeezed Huang Ying's two double peaks.

"Oh that. ." Huang Ying shouted when Ye Chen made a sudden attack, Huang Ying was barely prepared for Ye Chen's sudden touch.

"soft and very supple, it is still very well preserved" Ye Chen started to feel his touch, he felt very happy when he touched this thing.

"Ye Chen, you. ." Huang Ying couldn't stand it when she felt Ye Chen playing with her, this feeling was very difficult for Huang Ying to endure.

"Relax, leave everything to me, I will definitely let you know about the new world" Ye Chen whispered in Huang Ying's ear, Ye Chen told Huang Ying to entrust everything to him.

After whispering to Huang Ying, Ye Chen bit Huang Ying's ear, Ye Chen gave Huang Ying double stimulation.

Huang Ying's head started to feel confused, this pleasure had confused Huang Ying.

"I can't think straight" Huang Ying couldn't think straight, she couldn't think straight anymore after receiving Ye Chen's stimulation.

After being satisfied with playing Huang Ying's double peaks with his hands, Ye Chen started to become even more daring, Ye Chen started tasting the Cherry Buds owned by Huang Ying, himself tasting the Cherry Buds owned by Huang Ying.

"Ah. . ., don't bite it." Huang Ying complained to Ye Chen, what Ye Chen did made Huang Ying quickly reach the top.

This is Ye Chen's goal, he wants Huang Ying to know the relationship between a man and a woman, this is a way to make the two of them close.

"Slurp. . ." Ye Chen started sucking Huang Ying's bud, he was like a baby begging for food.

Huang Ying could only lie down, she tried her best to defend against Ye Chen's attack.

Even though he tried his best to defend herself, in fact Huang Ying was unable to hold on anymore, she was no longer able to defend against Ye Chen's invasion.

"no" Huang Ying shouted, her first time reaching the pinnacle of happiness as a woman.

After Huang Ying was satisfied, Ye Chen finally wanted to stop, he looked at Huang Ying who looked weak.

JOURNEY TO BECOME A TRUE GOD

Chapter 1452 - Get The Beautiful Goddess Huang Ying As A Wife

Huang Ying was much stronger than Ye Chen thought, Huang Ying was able to withstand Ye Chen's attack for quite a long time.

If Huang Ying's position was replaced by a normal woman, Huang Ying would have been defeated very quickly by Ye Chen.

Huang Ying's body was currently shaking, it was obvious that Huang Ying was trying to hold back the immense pleasure.

What Huang Ying had just felt was very pleasant, Huang Ying really liked the feeling she had just had.

"Huang Ying, are you okay, was it comfortable?" Ye Chen asked Huang Ying, he wanted an honest opinion that Huang Ying had.

"That was amazing" Huang Ying said thanks to that it was extraordinary, she felt comfortable with what Ye Chen was doing.

For Huang Ying, what had just happened was a new experience, Huang Ying felt that she had just discovered a new world that he had never known.

"I'm happy with your feelings, looks like it's time to be more serious, this time it will definitely be much greater than before" Ye Chen said to Huang Ying.

"Is it not over yet?" Huang Ying asked Ye Chen, Huang Ying thought it was over.

"Of course not, it's still just the beginning." Ye Chen said that earlier it was just the beginning, the main game was about to start.

Huang Ying didn't expect that it wasn't over yet, she wanted to know what Ye Chen would do.

Ye Chen started to take off his clothes, this time it was his turn to show off his abilities.

when Ye Chen took off his clothes, Huang Ying could see Ye Chen's perfect body, Huang Ying's first time seeing a man like this.

Huang Ying turned her gaze downwards, under Huang Ying saw something extraordinary, she saw a weapon that looked extremely powerful and domineering.

Huang Ying kept her mouth shut, she didn't expect that a man could have something this big.

"Does Ye Chen have a disorder?" Huang Ying started to think that Ye Chen had a disorder, this man might have a disorder.

As Huang Ying recalled, Men's sizes shouldn't be this big, so this was very strange for Huang Ying.

Ye Chen would probably be dumbfounded if he heard what Huang Ying was thinking, how could he possibly have such an abnormality.

Huang Ying approached, she wanted to see more clearly about this kind of thing, Huang Ying's curiosity was very big, Huang Ying wanted to know about A man from Ye Chen.

"Ye Chen, why is it so big?" Huang Ying weighed on Ye Chen, she didn't look embarrassed when she asked something like this.

Ye Chen just smiled at Huang Ying, Ye Chen felt proud when Huang Ying asked about this matter.

"It's because I am a great man, not all men are bestowed with something like this" Ye Chen replied to Huang Ying.

Ye Chen gave his answer to Huang Ying, Ye Chen told Huang Ying what he thought.

Huang Ying nodded, she understood what Ye Chen meant.

Ye Chen held Huang Ying's body, he started to hug and kiss Huang Ying who was in front of him.

For starters, Ye Chen will make Huang Ying drunk with love, once Huang Ying is ready, it's time for Ye Chen to get Huang Ying.

Huang Ying again had a passionate kiss with Ye Chen, Huang Ying started to like the kiss she shared with Ye Chen.

The feeling of kissing is so beautiful, it's something that people can become addicted to.

Huang Ying started to look aggressive, she asked for more from Ye Chen, it seems that because of the Passion Goddess technique, Huang Ying started to get serious with Ye Chen.

After Huang Ying started to get drunk in love, it was time for Ye Chen to get Huang Ying.

Ye Chen laid down Huang Ying's body, now Ye Chen was on top of Huang Ying.

"Are you ready for the main event?" Ye Chen asked Huang Ying, Ye Chen's voice was full of love and tenderness, he knew very well how to please someone like Huang Ying.

"What are you waiting for, quickly become a real knight" Huang Ying asked Ye Chen to become a knight worthy of herself.

"I will definitely become a worthy person for you" Ye Chen said that she would definitely become a worthy person for Huang Ying.

Huang Ying was pleased with Ye Chen's answer, absolutely certain that Ye Chen would be able to do that, the person she chose would not disappoint her, Huang Ying firmly believed in it.

Ye Chen started to raise the weapon, he prepared to do battle with Huang Ying.

When Ye Chen was about to start a war, Ye Chen discovered that Huang Ying had a very beautiful honey cave, just looking at it made Ye Chen's blood boil.

Huang Ying looks already very damp, she must have been holding back the feeling of discomfort for a long time, Ye Chen must immediately help Huang Ying resolve this matter.

"I'll get it soon" Ye Chen said that he would soon get Huang Ying's first time.

Ye Chen began to position his own in front of Huang Ying's honey cave, Ye Chen was going to venture into the unknown, whether the terrain ahead would be very difficult or easy.

Huang Ying was starting to get scared, to be honest Ye Chen's was too big it looked scary to match such a thing on her, Huang Ying hoped it wouldn't hurt.

Ye Chen's soldiers started to advance, Ye Chen's thing barged in and tried to gain victory.

"Um" Huang Ying raised an eyebrow, this was quite painful, it felt like her body was torn into two pieces.

Huang Ying tried her best to defend herself, herself trying her best to defend against Ye Chen's rude warrior attacks.

Ye Chen saw that Huang Ying could hold his own, that meant it wouldn't be a problem to start a battle.

Ye Chen started circulating the Passion Goddess technique, he would cultivate Dual Cultivation with Huang Ying.

Huang Ying felt a very comfortable feeling from Ye Chen. This feeling was extremely comfortable.

"What is this, why does it feel good and comfortable, my head is going blank." Huang Ying started to feel that her head was melting, she felt a very comfortable feeling from Ye Chen.

this feeling was very comfortable, Huang Ying really liked the feeling that Ye Chen gave.

"It's too narrow, it grips me too tightly" Ye Chen felt troubled, Huang Ying's was very narrow and tortuous, it was very difficult for Ye Chen to attack, Ye Chen looked like he was wrapped in millions of delicate flower petals, this was a feeling unrivaled.

Ye Chen felt a very comfortable feeling, to be honest Huang Ying gave Ye Chen a very great feeling.

"This woman has a good artifact, it's too comfortable" Ye Chen first felt this kind of feeling, the feeling that Huang Ying gave was different from Ye Chen's wife, every woman has their own abilities, they can't be compared to each other.

This comfortable feeling was too dangerous for Ye Chen, Ye Chen might be easily defeated if Ye Chen let his guard down.

"I have to be more serious" Ye Chen had to be more serious, lest Ye Chen embarrass himself in front of Huang Ying, it would be very embarrassing.

Ye Chen had found a formidable opponent, if only Huang Ying was experienced, then it would definitely not be easy for Ye Chen.

Ye Chen started pumping in a fast motion, he showed all the strength he had as a man,

"ahh . . ." Huang Ying groaned, he let out a voice that sounded very soft.

Huang Ying's voice was comfortable enough for Ye Chen to hear, Ye Chen's bones melted when he heard Huang Ying's voice.

"This goddess, she really is born with talent" Ye Chen was really starting to feel a great pressure, Huang Ying's temptation was too big this would be quite a tough battle.

Huang Ying stretched out her hand towards Ye Chen, she wrapped her arms around Ye Chen's neck and started asking for a kiss like before.

Huang Ying really liked the feeling she was currently feeling, this was a whole new world for a lonely goddess like Huang Ying.

"Ye Chen, it's very comfortable, you really have made me see a new world" Huang Ying said to Ye Chen, she said that she had seen a new world that he had never seen.

"I told you, I will definitely make you mine" Ye Chen said to Huang Ying.

Ye Chen said that if he was going to make Huang Ying his own, he should be able to make this goddess his own.

"I'm already yours, do whatever you want" Huang Ying told Ye Chen to do what he wanted to herself, Huang Ying would bear it all.

"Then don't blame me, I will be very serious" Ye Chen accepted Huang Ying's challenge, Ye Chen will start seriously in doing Huang Ying.

"Pah. . pah . . pah . . . pah . . Ye Chen used his full strength, his thing started to expand again to its maximum size.

Huang Ying could feel that Ye Chen's property was getting bigger, Ye Chen could still grow, this was something Huang Ying couldn't believe.

Huang Ying's stomach slightly swelled due to Ye Chen's actions, Huang Ying's flat stomach was unable to withstand Ye Chen's which had already fully demonstrated its strength.

Ye Chen actually didn't want to do this because Huang Ying was still the first time, but seeing Huang Ying who was a worthy enemy, it seemed that Ye Chen had to give everything, otherwise he would be eaten by Huang Ying.

Huang Ying got even more pleasure, she actually felt a much greater feeling than before.

Huang Ying is getting addicted, there seems to be no turning back for Huang Ying, Huang Ying has just eaten the forbidden fruit, naturally it will be very difficult for Huang Ying to return to the peaceful life she had.

Ye Chen and Huang Ying enjoyed their intimate session, 30 minutes passed quickly, the two had changed positions during these 30 minutes, and now Ye Chen was no longer able to withstand Huang Ying's resistance.

Huang Ying was indeed a worthy opponent, she had only reached the peak a few times, if these were ordinary women who were still innocent, then they would have been exhausted to death by Ye Chen.

"Shit, I can't stand it anymore." It seemed that it was time for Ye Chen to give in, he really felt happy with Huang Ying.

"wife, I can't take it anymore, feel this" Ye Chen roared the eunuch couldn't take it anymore.

"Give it to me" Huang Ying told Ye Chen to give it to herself.

As Huang Ying orders, Ye Chen gave the purest essence to Huang Ying, he gave this to Huang Ying as proof that Huang Ying was his.

"Byur. ." Huang Ying's body was filled with warmth, this feeling was very comfortable for Huang Ying.

"It's convenient, you have a very extraordinary Yang Qi, there must be many women who are after this" Huang Ying could feel Ye Chen's overflowing Yang Qi, this was something that women in the God Realm would seek.

"I will always give it to you," Ye Chen said to Huang Ying.

"Husband, do you still want more?" Huang Ying asked Ye Chen to do it again, he still wanted to do Dual Cultivation together with Ye Chen.

Ye Chen was quite surprised when he heard this, Huang Ying was still asking Ye Chen again, this woman really has a strong desire.

it wasn't strange that Huang Ying still wanted more, she was a lonely woman, so she needed more attention from someone like Ye Chen.

"Hehehe, as a man of course I will accept this" Ye Chen couldn't possibly back down, real men shouldn't back down from the fight.

Ye Chen and Huang Ying continued the battle, the two of them continuing their pending battle.

Ye Chen and Huang Ying had completely forgotten about everything, both of them had really enjoyed their love to the point of forgetting time.

Ye Chen taught Huang Ying various moves and ways to please a man, as an intelligent Huang Ying of course able to learn everything perfectly, the innocent Huang Ying had now turned into a veteran worthy of fighting Ye Chen.

JOURNEY TO BECOME A TRUE GOD

Chapter 1453 - Leaving The Bottom Of The Lake

Ye Chen and Huang Ying spent their time together, they both continuously practiced Dual Cultivation without thinking about anything else.

Ye Chen focused on being with Huang Ying, he liked having a relationship with Huang Ying.

Huang Ying? was already limp, she really tired when she faced Ye Chen.

To be honest, Ye Chen's strength was truly beyond limits, he was actually able to make Huang Ying as helpless as she was now.

"I give up, so please spare me" Huang Ying was finally the first to admit defeat, she was already completely exhausted when facing Ye Chen.

Honestly, Ye Chen had enormous strength, this made Huang Ying unable to deal with Ye Chen anymore.

"Are you no longer able?" ask Ye Chen to Huang Ying who is under him.

"You are still asking, you don't see that it is so swollen" Huang Ying complained to Ye Chen, she had fought all out with Ye Chen until now.

Ye Chen saw what Huang Ying meant, it was true that it was already quite swollen.

Ye Chen seemed to be too hard on Huang Ying, Huang Ying was already too hard to withstand the attack that came from Ye Chen.

Due to Huang Ying's state of being unable to support Ye Chen, Ye Chen had no choice but to let Huang Ying go.

If it continues, it will be a trauma for Huang Ying, maybe Ye Chen will no longer get any rations from Huang Ying.

Ye Chen pulled possession from Huang Ying, himself lying right beside Huang Ying.

Huang Ying felt empty when Ye Chen left, she felt empty when Ye Chen's left.

"I want to rest" Huang Ying said that she wanted to rest, Huang Ying was quite tired.

"Let me hug and accompany you" Ye Chen said that he would hug and accompany Huang Ying.

Huang Ying didn't reject Ye Chen's good intentions, she just let Ye Chen do as he pleased.

Ye Chen and Huang Ying rested, they both enjoyed very precious time together.

.

.

Meanwhile on the surface, Li Jingyi and Chi Shui were still waiting patiently for Ye Chen, they both didn't know why Ye Chen had still not returned, it had been tens of days, but Ye Chen still hadn't appeared either.

"Is he okay, it's been more than ten days?" Chi Shui asked Li Jingyi who was beside her.

"He must be fine, he might be facing some problem" Li Jingyi said that Ye Chen might be facing a problem.

"Hey, dragon, what's down there, quickly tell us" Chi Shui finally asked the water dragon to tell her what was down there.

"There is someone very powerful below, most likely right now he is thinking how to get the Yin & Yang Awakening Flower" the water dragon told Chi Shui, he told Chi Shui what was in there.

"Who is it, is great?" Chi Shui asked the water dragon, to be honest Chi Shui was very curious, she wanted to know who the water dragon was referring to.

"From what I heard from the seniors before, the person who lives in the interior is a goddess, if I'm not mistaken she has the nickname of the Goddess of eternal snow who was able to freeze 1/10 of the God Realm's territory in the past" the water dragon told Chi Shui about the person who live at the bottom of the lake.

"Is that a dangerous person?" Li Jingyi asked the water dragon if the person the water dragon just said was a bad person.

"No really, she's not evil, but she is quite obsessed with knowledge, she must be forcing young master to answer difficult questions" the water dragon told what might happen.

"I see." Chi Shui and Li Jingyi were relieved by what had happened, it seemed that the reason Ye Chen had not returned was because he had not been able to answer Huang Ying's question.

In fact, Ye Chen was currently having fun with Huang Ying.

Moments later Chi Shui received a distress call from one of the Sect disciples.

"I'm leaving, it seems that something happened in the Sect." Chi Shui said to Li Jingyi, she said that Heaven Dream Sect was having a problem.

Li Jingyi nodded, she understood the problem Chi Shui had.

"When I finish my problem, I will see you two again." Chi Shui said that she would meet Li Jingyi and Ye Chen.

Chi Shui only hoped that Li Jingyi and Ye Chen could get out of this place alive and obtain the Yin & Yang Awakening Flower.

Chi Shui went to find the whereabouts of the Seven Fairy Succubus, they had to quickly leave this valley of memories.

Chi Shui had already obtained the location map of the valley of memories from the water dragon, so getting out of this place was not difficult.

Li Jingyi saw Chi Shui leave, now that she was alone, Li Jingyi looked at the lake and hoped that Ye Chen would appear soon.

.

.

Ye Chen and Huang Ying rested for a while, Ye Chen started to stabilize his cultivation, Dual Cultivation with Huang Ying made Ye Chen improve enormously.

Huang Ying had already regained his strength, it's just that there was still a bit of numbness in her body, this felt a little uncomfortable for Huang Ying.

Although it was still a little uncomfortable for Huang Ying, Huang Ying was able to carry on with his usual activities.

"Are you ready to leave this place?" Ye Chen asked Huang Ying.

"Of course, I'm ready" Huang Ying said that he was ready to leave this place.

"Didn't you pack your things?" Ye Chen asked Huang Ying.

"No need, this is a world that I created, I can pack everything easily" Huang Ying said that she could pack everything easily.

"oke" Ye Chen had forgotten that this was a small world created by Huang Ying, so Huang Ying of course could easily pack up everything in this place.

"Come with me" Huang Ying showed Ye Chen a way out, she guided Ye Chen out of this place.

With the help of Huang Ying, Ye Chen came out of the small world created by Huang Ying.

Ye Chen is currently at the 10th stage of the Divine Monarch Realm, Ye Chen's increase in strength can be said to be too great.

One more step Ye Chen Ye Chen will step into Divine Preceptor Realm realm.

Ye Chen couldn't believe this increase in strength, it was really an enormous increase in strength.

Ye Chen who was previously at the Divine Rebirth Realm stage, had now advanced to an even higher level.

On the other hand Huang Ying also benefited greatly, her strength increased and she became more and more beautiful and seductive, her charm radiating more and more which made Ye Chen feel excited when Ye Chen saw her.

Ye Chen and Huang Ying came out of the small world, after leaving the small world, Huang Ying waved her hand, instantly the blue portal shrank and became a marble, Huang Ying took the marble and put it away.

"Isn't that too easy" Ye Chen saw that what Huang Ying did was very easy, Ye Chen also wanted to try it one day.

"Never mind, you have a fairy gate, there's no need to do such things anymore." Chu Yuechan warned Ye Chen not to do that, Ye Chen already had a fairy gate, the fairy gate mechanism was far more perfect than the small world created by Huang Ying.

"Okay I see" Since Chu Yuechan seemed dissatisfied with this, Ye Chen had no choice but to skip this matter.

JOURNEY TO BECOME A TRUE GOD

Chapter 1454 - Leave The Valley Of Memories

"I've tidied everything, let's go" After tidying everything up, Huang Ying took Ye Chen away, she was now able to rise to the surface.

Ye Chen grasped Huang Ying's hand, Ye Chen took Huang Ying to the surface.

The two of them swam very fast, in no time Ye Chen and Huang Ying had reached the peak.

Ye Chen and Huang Ying emerged from the lake, both of them jumped and descended right at the lake's edge.

"husband" saw this, Li Jingyi could confirm that this must be Ye Chen, only Ye Chen could emerge from below.

Li Jingyi's guess was indeed very correct, the person who came out from within was indeed Ye Chen, but beside Ye Chen was someone who was very beautiful.

"Who is this?" Li Jingyi started to wonder who was beside Ye Chen, the woman beside Ye Chen seemed very foreign to Li Jingyi.

Li Jingyi decided to go over to Ye Chen, she wanted to know about the woman beside Ye Chen.

"It's been a very long time since I visited this place" Huang Ying looked around, she looked around this place, to be honest Li Jingyi hadn't been upstairs in a long time.

"hello goddess, why did you come out?" The water dragon immediately rushed towards Huang Ying, he immediately lowered his head and gave Huang Ying a salute.

" you?" Huang Ying asked about the dragon in front of her, to be honest Huang Ying didn't remember that the dragon guarding this place was the dragon in front of her.

"I am the new dragon that replaces the previous senior." The water dragon said that he was a new person who replaced the previous senior.

"Oh, I see, then your task is over, you can return to your place." Huang Ying freed the dragon in front of her, she told this dragon to return to its rightful place.

"Really" the water dragon looked very happy when he heard this, he seemed happy to be able to return to where he came from.

"um" Huang Ying nodded, she made it clear that what he just said was the truth.

"Thank you very much, young master, I hope we can meet again" the water dragon said goodbye to Ye Chen and Huang Ying, after which the water dragon flew away from this place.

"He's not your pet?" Ye Chen asked Huang Ying, Ye Chen thought that the dragon just now was Huang Ying's pet.

"No, they are not pets, they are the dragon race assigned to guard the entrance." Huang Ying explained to Ye Chen who the dragon was just now.

"Oh, yes, I see." Ye Chen now understood where the water dragon came from.

Since Ye Chen had the knowledge of Huang Ying, Ye Chen naturally knew which dragon race Huang Ying was related to.

"You inherit the inheritance from Azure Dragon, if you go to the dragon realm you will definitely be highly respected by them" Huang Ying said to Ye Chen, if Ye Chen went to the dragon race realm, then Ye Chen would definitely be very well received.

Considering that Ye Chen was the one who had inherited the Azure Dragon, then he would definitely be welcomed.

Azure Dragon is the strongest dragon race in the entire God Realm, its existence can truly terrify all beings.

"Maybe if I have time" Ye Chen replied uncertainly, he didn't know when he would be able to go to the Dragon Race Territory.

"Husband" Li Jingyi suddenly approached, Li Jingyi immediately hugged Ye Chen who was in front of her.

Ye Chen hugged Li Jingyi back, Ye Chen could feel that Li Jingyi was very worried about him.

"Sorry it took me so long" Ye Chen apologized to Li Jingyi, Ye Chen apologized for taking so long and making Li Jingyi wait.

"No, I'm glad you're okay." Li Jingyi shook her head, relieved that Ye Chen was fine, that was enough for Li Jingyi.

Huang Ying looked at the woman who had just hugged Ye Chen, Huang Ying looked straight at Li Jingyi who was hugging Ye Chen.

"This woman, she has a special body." Huang Ying could immediately feel that Li Jingyi had a special body, this woman had a special special body.

"Jingyi introduces this is Huang Ying, I met him, he will come with us" Ye Chen introduced Li Jingyi to Huang Ying, Ye Chen explained who Li Jingyi was to Huang Ying.

"husband, you? . . ." Li Jingyi asked Ye Chen if Ye Chen already had a relationship with the woman in front of her.

"Um" Ye Chen nodded, he said that he did have a relationship with Huang Ying.

Li Jingyi was a little surprised when she heard this, she didn't expect that Ye Chen would bring a woman as beautiful as Huang Ying.

As for beauty, Li Jingyi had to admit that Huang Ying was very beautiful, this woman could be comparable to Chu Yuechan's beauty.

Li Jingyi saw Huang Ying's temperament, this woman seemed very friendly and smiling, it seemed that Li Jingyi would be easy to adapt to this woman.

"Hello" Li Jingyi greeted in front of her.

"Your name is?" Huang Ying asked Li Jingyi's name.

"My name is Li Jingyi." Li Jingyi introduced herself to Huang Ying.

"Jingyi, a pretty good name" Huang Ying said to Li Jingyi.

Huang Ying is very friendly to Li Jingyi, Huang Ying knows how to interact with the same sex.

Li Jingyi couldn't help but smile as she listened to what Huang Ying had to say.

"You are also beautiful to" Li Jingyi returned the compliment given by Huang Ying, Li Jingyi told Huang Ying that she was also quite beautiful.

Huang Ying and Li Jingyi were both friendly to each other, just seeing the two of them made Ye Chen happy.

"I hope you two can get along with each other, you two are beautiful women that I have" Ye Chen said to Huang Ying and Li Jingyi, Ye Chen really hoped that his two beautiful wives could get along with each other.

Ye Chen was happiest when he saw the two women getting along with each other, there was a feeling of satisfaction when Ye Chen saw something like this.

Huang Ying and Li Jingyi both stretched their claws towards Ye Chen's waist, Ye Chen was too honest, this man couldn't refrain himself.

Even though Li Jingyi and Huang Ying were approaching each other to get closer, but Ye Chen instead told them to get along with each other which made their efforts in vain.

Ye Chen didn't understand what had happened, why did Li Jingyi and Huang Ying suddenly pinch his waist.

"Where's Chi Shui?" To lighten the mood, Ye Chen asked about the whereabouts of Chi Shui.

"She leave." Li Jingyi told Ye Chen that Chi Shui had already left.

"Why did she leave?" Ye Chen asked the reason why Chi Shui left first.

"She told me that there was a bit of trouble in the Sect, so she decided to go back first." Li Jingyi explained where Chi Shui had Leave.

"Will she be okay when she leaves this place?" Ye Chen was quite worried about Chi Shui, he might not be able to leave this place.

"You don't have to worry about it, the water dragon has given her a map of the valley of memories, so she won't get lost when she leaves this place" Li Jingyi said to Ye Chen.

"Then she must have already left" since Chi Shui had obtained the map of the valley of memories, then she should have been able to get out safely.

"Then let's go out" Ye Chen took Li Jingyi and Huang Ying to leave this place.

"Let's go." Li Jingyi and Huang Ying nodded, both of them followed Ye Chen to leave this place.

Ye Chen herself had already obtained a map of this place, Huang Ying's memory was extraordinary, her knowledge was truly vast.

Since they already have the map of the valley of memories, it is not difficult for Ye Chen and Huang Ying to leave the valley of memories, they are the second person to successfully leave the valley of memories.

Ye Che Li Jingyi and Chi Shui finally arrived in front of the valley of memories, in front of the entrance it was still quite crowded, there were countless people who still wanted to enter and get the Yin & Yang Awakening Flower.

Now that the Yin & Yang Awakening Flower is in Ye Chen's hands, it is already inside the fairy gate and is being cultivated by Chu Ning'er, soon there will be many Yin & Yang Awakening Flowers thriving within the fairy gate.

When that time came, Ye Chen could use the Yin & Yang Awakening Flower as he pleased with his women.

[JOURNEY TO BECOME A TRUE GOD](#)

Chapter 1455 - Eternal Freeze

The moment Ye Chen, Li Jingyi and Huang Ying came out, all eyes immediately focused on Huang Ying.

It didn't matter whether it was a boy or a girl, everyone looked at Huang Ying, the beauty that Huang Ying possessed was capable of enchanting anyone.

"Wow she is very beautiful, who exactly is she" People began to suspect about the origins of Huang Ying, they had never seen a beauty like Huang Ying.

Even the women in this place had to acknowledge Huang Ying's beauty, they were envious of Huang Ying's beauty.

Each of these women tried to appear as good as Huang Ying, the problem was that they all wouldn't be able to do the exact same thing as Huang Ying.

Huang Ying was getting a lot of stares, she was uncomfortable with these people's gazes.

"Ye Chen, why are they looking at me like that, they look terrible?" Huang Ying asked Ye Chen, Huang Ying saw that people nowadays are very strange when looking at her.

Ye Chen couldn't help but smile when he heard this, it seemed that Huang Ying was very innocent, she didn't know the reason behind people staring at her with that look.

"Wife, you are too beautiful, naturally it will attract everyone's attention, you should know that the people around this place are cultivators who cultivate Dual Cultivation, your beauty naturally attracts all of them" Ye Chen explained to Huang Ying, Ye Chen explained very briefly to Huang Ying.

"So it's like that" After getting Ye Chen's explanation, Huang Ying finally understood what had just happened, she finally understood what was happening in this place.

"Are they also aiming for the Yin & Yang Awakening Flower?" Huang Ying asked Ye Chen.

"Of course, everyone is after the Yin & Yang Awakening Flower, they just don't dare to enter because the valley of memories is a very dangerous place." Ye Chen said that people are still afraid to enter the valley of memories, they don't want to take a risk by entering into a dangerous valley of memories.

"So they were scared and decided to wait outside, it seems their goal is to snatch the Yin & Yang Awakening Flower from the hands of the person who managed to get it" From Ye Chen's brief explanation, Huang Ying could easily guess what people wanted.

"If they want to do that, we'll just have to fight them." Ye Chen wasn't afraid, he would go and fight those who dared to take the Yin & Yang Awakening Flower from their hands.

Previously Ye Chen had missed Yu Ting, now he could no longer allow anyone to take the Yin & Yang Awakening Flower.

Right now the Yin & Yang Awakening Flower was in a very, very safe place, so it was impossible for anyone to be able to retrieve the Yin & Yang Awakening Flower.

except for Ye Chen and his wife, probably no one was able to take the Yin & Yang Awakening Flower.

"Stop" several groups stopped Ye Chen, they stopped Ye Chen, Li Jingyi and Huang Ying.

The group looked at Huang Ying, they looked at Huang Ying with gazes that looked very hungry.

From the gazes shown by these people, it could be ascertained what their purpose was to stop Ye Chen.

Ye Chen didn't like it when he saw someone looking at Huang Ying with that kind of gaze, to be honest he didn't like seeing these people stare at Huang Ying.

these people had dared to sully his goddess, so Ye Chen couldn't let these people off so easily.

When Ye Chen wanted to teach a lesson to people with bad intentions, Ye Chen was stopped by Huang Ying.

Huang Ying stopped Ye Chen, she would solve this matter alone.

"What do you guys want?" Huang Ying asked the people in front of her, she wanted to know what these people wanted.

"Hehehe, you asked about what we want, don't you know what we want" these people laughed at Huang Ying they swarmed around Huang Ying like flies chasing a beautiful flower.

"I won't know unless you tell me" Huang Ying said that she wouldn't know until these people told him.

"beautiful, we want you, why don't you just come with us" these people thanked Huang Ying they all said they wanted Huang Ying.

"I don't want to go with you guys" Huang Ying said that he didn't want to go with these people.

"Beautiful don't reject us" These people were still trying to persuade Huang Ying, they really hoped that Huang Ying would come with them.

"No" Huang Ying still refused these people, she did not want to accept these people's invitations.

"Bastard, don't blame us for doing something rude" It seemed that the surrounding group had started to lose their temper, they all started to lose their temper when facing Huang Ying.

Since Huang Ying didn't want to come with them, they had no choice but to take Huang Ying by force.

"Come with us" These people intended to take Huang Ying by force, they intended to take Huang Ying by force.

Huang Ying brushed off the hands of these people, she brushed off the hands of those who had malicious intent against her.

"Damn it, how dare you reject us" These people looked angry when they saw Huang Ying rejecting them, they were furious that Huang Ying rejected them.

"You guys get out of here quickly, lest I do anything to you" Huang Ying ordered the people to leave this place.

"Hahaha, you won't leave before you get what we want, before we get you, we will never leave" these people didn't want to leave before they got Huang Ying.

these people are getting bolder, they are trying to harass the beautiful goddess Huang Ying.

they didn't care about the consequences they had to bear, they were completely infatuated with Huang Ying's beauty, this made them lose their minds.

"Looks like there's no other choice." Seeing these rotten people unwilling to leave, Huang Ying had no choice but to beat these people up.

Huang Ying snapped her fingers, when Huang Ying snapped hers, some snowflakes fell.

This strange phenomenon naturally caught the attention of everyone here, they were all shocked when they saw the snowflakes falling from the sky.

"This is Huang Ying's doing?" Ye Chen estimated that this was Huang Ying's doing.

The snowflakes started to touch the clothes belonging to the evil group in front of Huang Ying, when the snow touched the bad people, the snow began to spread and freeze the bodies of the people in front of Huang Ying.

"argh. . ., what is this" the bad guys started to panic when their bodies were eaten by snowflakes, they all tried to get rid of the snow that kept spreading on their bodies.

In just a matter of seconds, these people turned into ice sculptures, these people's entire bodies froze into statues.

The people in the distance looked horrified when they saw this, they began to slowly retreat to avoid Huang Ying.

Huang Ying was indeed beautiful, but Huang Ying's method of defeating the enemy was a very frightening thing.

"They're looking for trouble with the wrong people, who told a beautiful woman to be angry?" Ye Chen smiled when he saw this, it seemed that these people had made a mistake by looking for trouble with Huang Ying.

"husband, let's go" after confining the bad guys in Ice, Huang Ying invited Ye Chen to leave.

"Come on" Ye Chen nodded, he took Huang Ying and Li Jingyi back to White Cloud City.

Ye Chen, Li Jingyi and Huang Ying left the location of the entrance of the valley of memories.

After Huang Ying's departure, people immediately tried to help free the group that was frozen by Huang Ying.

When they tried to free the people who had been frozen by Huang Ying, they found that they couldn't do that, all the methods they used were unable to help bring out the people who had just been frozen by Huang Ying.

Huang Ying just now used an ancient method, once frozen they wouldn't be able to search, they would be frozen forever in this place, this was a proper punishment for people who abused her.

It was a good thing that Ye Chen had never angered Huang Ying from the start, otherwise it was likely that Huang Ying would have done the same thing he had done to the people before.

People are constantly helping to free people who have been frozen, they are trying all sorts of ways they can to free these people.

JOURNEY TO BECOME A TRUE GOD

Chapter 1456 - Chu Yuechan Is Showing Her Seniority

Ye Chen, Li Jingyi and Huang Ying arrived at White Cloud city, the three went to Ye Chen and Li Jingyi's house.

"This is your house?" after arriving at Ye Chen's house, Huang Ying asked if this was the house that belonged to Ye Chen.

"Of course, this is where I live, from now on you will live with Jingyi" Ye Chen said to Huang Ying.

"Then where do you live yourself?" Huang Ying asked where Ye Chen would live, Huang Ying wanted to know where Ye Chen would live.

"I will stay in a Sect not far from this place for a while." Ye Chen told Huang Ying that he would be staying in a Sect not far from this place.

"Okay, I see." Huang Ying immediately understood, she already knew that Ye Chen was a disciple of a sect not far from this place.

"I have one question for you." Huang Ying had a question for Ye Chen.

"what is it, just say it" Ye Chen told Huang Ying to say the question.

"Why did you decide to become a disciple of a sect, with the abilities you have, you shouldn't have to do that anymore, you can join the great powers in the God Realm" Huang Ying asked Ye Chen.

Huang Ying wanted to know the reason Ye Chen joined a small sect, with Ye Chen's strength, Ye Chen could already join the big power that controlled the current God Realm.

"I have my own reasons for joining the Sect, especially I did that because I also need Yin Qi" Ye Chen said to Huang Ying.

Apart from practicing, Ye Chen also needed a supply of Yin Qi, otherwise it would put Ye Chen's body in trouble.

"It seems quite difficult to have a special body like that, I won't complain, you really have to do that" Huang Ying already knows Ye Chen's problem, a man like Ye Chen with a special Ancient (Yang) Body does need a lot of Yin Qi, that means Ye Chen needed many women to supply Yin Qi, otherwise Ye Chen would be in trouble.

Ancient (Yang) Body owners are indeed very blessed, they can easily get close to women from all walks of life, but behind all that, there is a danger in itself that can cause Ancient (Yang) Body owners to get into trouble.

Even if Ye Chen lacked Yin Qi, it would be extremely dangerous for Ye Chen.

Huang Ying should probably pay more attention to Ye Chen, she shouldn't let Ye Chen experience anything bad, she shouldn't let her man get into trouble because of the Ancient (Yang) Body.

"Let's go around" Ye Chen invited Huang Ying to tour around this place, and Ye Chen would introduce the fairy gate to Huang Ying.

"Jingyi, we're home, so you don't need to hide your appearance anymore." Ye Chen told Huang Ying that he didn't need to hide his appearance anymore.

Hearing Ye Chen's words, Li Jingyi immediately removed his disguise, she removed her disguise and returned to beautiful Li Jingyi.

Huang Ying looked at Li Jingyi, Li Jingyi's appearance was quite good, she has a good face and body shape, plus the two big bouncing balls looked really amazing.

"Actually what did she eat, how could that be very big" when Huang Ying saw Li Jingyi's, Huang Ying's first thought was to guess what Li Jingyi ate, how could Li Jingyi have such a large capital.

"let's go around" After Li Jingyi changed his appearance, it was time to go around the house.

This time Ye Chen let Li Jingyi explain everything to Huang Ying, Li Jingyi had already lived in this place she should be very familiar with everything in this house.

Li Jingyi explained everything to Huang Ying, she explained in full detail about all the rooms in this place.

Huang Ying was very quick to memorize and map this place, she quickly mapped and memorized this place.

"I have memorized everything" Huang Ying had already looked at all the rooms in this place.

"Okay, let's go somewhere else" Ye Chen said to Huang Ying.

"Haven't we been all over the place?" Huang Ying asked Ye Chen.

"There's still one other place that we haven't visited yet." Li Jingyi informed that there was still another place they hadn't visited.

Hearing what Li Jingyi said, Huang Ying was curious about the place that Ye Chen and Li Jingyi were talking about.

Huang Ying may know some of Ye Chen's memories, but not all of Ye Chen's memories can be seen by Huang Ying, there are still many things that Huang Ying still hasn't seen because before she was kicked out forcefully while peeking into Ye Chen's memories. .

Ye Chen held Li Jingyi and Huang Ying's hands, he immediately led the two into the fairy gate.

Ye Chen, Li Jingyi and Huang Ying finally entered the fairy gate, the three of them were already inside the fairy gate.

"This place" Huang Ying looked at the scenery around her, Huang Ying found that the scenery around this place.

"This is agate fairy, this is a secret territory that I share with the woman I belong to" Ye Chen explained to Huang Ying about the fairy gate.

"Is this a high rank artifact, it looks really complex" Huang Ying asked Ye Chen, she was curious about the Fairy Gate.

Huang Ying liked new things the most she didn't know yet, she was curious when she first saw the fairy gate.

"Of course, this is not such a small world that you create" Chu Yuechan appeared, she appeared in front of ye Chen, Huang Ying and Li Jingyi.

Coming Chu Yuechan directly disturb interest Huang Ying, she saw the fairy races are said to be already extinct before the era of the gods ended.

" You are a fairy?" Huang Ying directly asked Chu Yuechan.

"You can see for yourself, I'm of course a fairy" Chu Yuechan said to Huang Ying.

Chu Yuechan and Huang Ying finally met in person, both of them have extensive knowledge, it seems they will have an argument .

"I did not expect to meet with a fairy, I want to know many things about you, are you willing to tell me" Huang Ying asks Chu Yuechan to explain to her.

Huang Ying ask nicely, she was like a junior request of an elder.

"Since you asked, I will tell you" Chu Yuechan started to show her seniority, she was willing to give a little information about herself.

"Come with me" Chu Yuechan told Huang Ying to come with her.

Huang Ying followed Chu Yuechan, the two of them left the place. this is very fast.

Huang Ying and Chu Yuechan are very fast, Ye Chen and Li Jingyi are not watched the two of them leave.

"The two of them are just like ghosts" Li Jingyi said to Ye Chen, Li Jingyi couldn't keep up with the speed of Chu Yuechan and Huang Ying, for Li Jingyi both of them were too fast for her to see using her current cultivation.

"They're both monsters, so there's no need to worry about this," Ye Chen said to Li Jingyi.

Li Jingyi nodded, she quite agreed with what Ye Chen said.

"Wife, let's see the Yin & Yang Awakening Flower" Ye Chen took Li Jingyi to see the Yin & Yang Awakening Flower,

"Come on" Li Jingyi was curious about the Yin & Yang Awakening Flower that Ye Chen got, it just so happened that he had not seen Yin & the Yang Awakening Flower that Ye Chen obtained.

[JOURNEY TO BECOME A TRUE GOD](#)

Focusing on Huang Ying and Chu Yuechan, both looking for a very quiet place to talk, Chu Yuechan deliberately did this to interrogate Huang Ying.

"Do you know the reason why I brought you to this place?" Chu Yuechan asked Huang Ying.

"I have already started to guess" Huang Ying said to Chu Yuechan, Huang Ying said that she could guess the reason Chu Yuechan brought her to this place.

"I won't mince words anymore, I want to know who you are" Chu Yuechan asked who Huang Ying really was, she wanted to know who Huang Ying really was.

"I am Huang Ying, people used to call me the goddess of eternal snow" Huang Ying said who was right.

"Why are you called like that?" Chu Yuechan asked why Huang Ying was called like that, what was the reason for Huang Ying to be called like that.

"In the past I have frozen almost 1/10 of the territory of this God Realm" Huang Ying told the reason why she was called the goddess of eternal snow, she had frozen almost 1/10 of the territory of the God Realm.

Until now some of the areas that had been frozen by Huang Ying were still covered in snow, they remained for and could not melt.

"Why did you do such a thing?" Chu Yuechan asked why Huang Ying did such a thing.

"It's because of an order" Huang Ying said that she did it because of an order.

"Orders from who?" Chu Yuechan was curious about what Huang Ying said, she was curious about the person who ruled over Huang Ying.

"I can't tell you about it, I have an oath not to tell that person's name, for sure they is a strong person who controls the God Realm from the shadows."

Huang Ying explained who had told her to do that.

"So there are still strong people in the shadows." Chu Yuechan didn't expect that there were still strong people from behind the shadows.

"Why do you want to do what they tell you to do?" Chu Yuechan again asked why Huang Ying would do such a thing.

"I have no choice, they forced me to do that, their goal is to hide the dark secrets that exist in the God Realm" Huang Ying said that they wanted to hide the dark secrets they had.

"Do you know the dark secrets they have?" Chu Yuechan asked again, Chu Yuechan was very curious about the dark secrets that these people had.

"I don't know about that kind of thing" Huang Ying didn't know what they were hiding, for sure it was something that had claimed the lives of countless innocent people.

"Hmm" Chu Yuechan started to think hard, it seems these people are quite dangerous, if they were to target Ye Chen it would be quite a serious matter.

"So that's the reason you hid at the bottom of the lake" Chu Yuechan asked Huang Ying.

"The reason I'm at the bottom of the lake is because I don't want someone to take advantage of my power again, I don't like doing that kind of thing." Huang Ying said the reason why she didn't want to interfere in the surface world, she didn't like being used by others.

If Ye Chen didn't show sincerity, perhaps Huang Ying wouldn't want to come along with Ye Chen.

Huang Ying really respects Ye Chen, she really respects Ye Chen's feelings, Huang Ying also learns a lot from Ye Chen, in learning many things from Ye Chen.

"Are those people not going to target you anymore?" Chu Yuechan asked Huang Ying.

"Thanks to Dual Cultivation with him, I gained a lot of strength, so now I don't have to worry too much, I will take care of the matter, you don't have to worry, I won't harm him" Huang Ying said that she would not harm Ye Chen, she would do whatever best to protect Ye Chen.

"I will try to believe what you say, I hope you don't do anything bad" For a while Chu Yuechan would trust Huang Ying.

"I want to know about the fairy race" Huang Ying was curious about Chu Yuechan, she really wanted to know about Chu Yuechan.

"What do you want to know?" Chu Yuechan asked what Huang Ying wanted to know.

"I want to know why the fairy race could be wiped out from the God Realm, even though in the past the fairy race was the strongest army of the gods" Huang Ying asked Chu Yuechan.

Huang Ying just wanted to know the reason why the fairy race could be wiped out, when they were warriors and helpers of the gods, how could they just disappear.

"This is quite a taboo question for me, are you sure you want to hear it?" The question that Huang Ying had just asked was something that was taboo to Chu Yuechan, it was very sensitive to Chu Yuechan.

"Of course" Huang Ying nodded, she was very want to know about this.

"I hope you do not say anything about this to anyone, including my master, do you understand" Chu Yuechan on Huang Ying.

"I'm definitely going to keep this secret well" Huang Ying swear that she will keep this secret as best as possible, Huang Ying will never divulge this matter to outsiders.

Chu Yuechan nodded, she started to tell what happened, this conversation is very secret only Huang Ying knows about what Ye Chen said.

back to Ye Chen

Ye Chen and Li Jingyi have finished seeing the cultivation of the Yin & Yang Awakening Flower, it shouldn't take long for Chu Ning'er to cultivate the Yin & Yang Awakening Flower.

In doing this Chu Ning'er was not alone, she was assisted by Fei Ling.

"Jingyi, it seems I have to return to Sect, I have been away for too long." Ye Chen said to Li Jingyi, he had to return to Jade Lotus Peak, it was too long for Ye Chen to leave Jade Lotus Peak.

"Okay, I understand." Li Jingyi couldn't help but nod, she couldn't stop Ye Chen.

"I can't wait to use the Yin & Yang Awakening Flower with you" Ye Chen said to Li Jingyi.

Li Jingyi blushed slightly when she heard this, she didn't expect that Ye Chen would say this so openly.

"Husband, you are so naughty" Li Jingyi put on an angry face at Ye Chen.

"Hehehe" Ye Chen just laughed as he listened to what Li Jingyi had to say.

After being satisfied with teasing Li Jingyi, Ye Chen immediately left the fairy gate.

After leaving the fairy gate, Ye Chen immediately rushed to the Jade Lotus Peak.

Ye Chen shot very fast, Ye Chen's speed increased very sharply.

Even though Ye Chen still used the Geoling Bracelet on his body, but in fact Ye Chen's speed was still very high, it seemed that Ye Chen had to increase the weight of the Geoling Bracelet to train more intensely.

When Ye Chen arrived near the Jade Lotus Peak, Ye Chen saw something that caught his interest, he saw Mu Xueying's figure in front of the Jade Lotus Peak's entrance.

In front of Mu Xueying was Luo Tian, Luo Tian trying to annoy Mu Xueying, this man never gave up on getting Mu Xueying.

"There are people who dare to disturb Xueying, I will not allow this matter" Ye Chen would not allow this matter, he must not allow Mu Xueying to be disturbed by a man like Luo Tian.

Now that Mu Xueying was his woman, it was impossible for Ye Chen to let anyone bully Mu Xueying.

Ye Chen descended near Mu Xueying, himself descended and drew closer to Mu Xueying.

"Ye Chen" when Ye Chen came back Mu Xueying immediately greeted Ye Chen warmly, this treatment was completely different from what Mu Xueying showed to Luo Tian.

JOURNEY TO BECOME A TRUE GOD

Chapter 1458 - This Is Too Mushy

"Sister Xueying I'm back" Ye Chen gave a fault to Mu Xueying, he gave Mu Xueying a warm greeting.

"How was your? journey?" Mu Xueying asked how Ye Chen's journey was.

"Everything is fine, honestly on the way I miss Sister Xueying quite a bit" Ye Chen said to Mu Xueying.

Behind her veil Mu Xueying's face slightly reddened when she heard what Ye Chen said.

"Damn, who is this person, how dare he tease Xueying, is he looking for trouble with me?" Luo Tian was very annoyed when he saw and listened to Ye Chen who was teasing Mu Xueying.

Luo Tian still didn't realize that the person in front of him was Ye Chen, he still didn't realize that it was Ye Chen.

Changes ye Chen is very big, so it is not strange that Luo Tian did not realize that this is ye Chen,

Ye Chen and Mu Xueying seemed closer and more intimate, it made Luo Tian feel annoyed.

"Who are you, how dare you tease Xueying" Luo Tian couldn't stand what was happening anymore, he shouted at Ye Chen in a very high-pitched voice,

"What's your problem, why don't you just go, you are an outsider who doesn't deserve to be in this place" Ye Chen said to Luo Tian.

Ye Chen told Luo Tian to leave this place immediately, he asked Luo Tian to go and leave this place as soon as possible.

"You dare throw me away like that, don't you know who I am" Luo Tian started to show anger when facing Ye Chen, Ye Chen's words were enough to make Luo Tian's heart become irritated and angry.

"I don't care who you are, but you must leave this place as soon as possible, this is not a place suitable for a man like you." Ye Chen didn't care about Luo Tian, ??he told Luo Tian to leave Jade Lotus Peak.

"You are really arrogant, are you looking for death?" Luo Tian couldn't stand Ye Chen anymore, he looked very angry and uncontrollable when facing Ye Chen.

"Luo Tian, ??stop right now, how dare you intimidate Ye Chen." Mu Xueying stepped forward, she was displeased when Luo Tian dared to intimidate Ye Chen in front of her.

"This person started first" Luo Tian said that the person who started it was Ye Chen, if Ye Chen didn't start first maybe Luo Tian wouldn't reply.

"Since when did I start first, weren't you the first to start, don't you have a brain" Ye Chen said to Luo Tian.

Luo Tian's face became very dark, he was already really very angry with Ye Chen, to be honest the handsome man who appeared really made Luo Tian do not like, he made Luo Tian feel angry.

"I really have to give an unforgettable lesson to you" Luo Tian really has been very upset, he said that he would give a lesson not to be forgotten for Ye Chen.

"Luo Tian stop" Mu Xueying stopped Luo Tian again, she would not let Luo Tian hurt Ye Chen.

"Do you only dare to hide behind girls?" Seeing Mu Xueying trying to protect Ye Chen, Luo Tian finally had no choice but to hurl insults at Ye Chen who was hiding behind Mu Xueying.

"Who is hiding behind girls, I will fight you" Ye Chen never hides, he prefers to fight Luo Tian head-on.

"Ye Chen" Mu Xueying called Ye Chen, Mu Xueying warned Ye Chen not to do such a stupid thing.

"Sister Xueying, you don't need to intervene, I alone will be enough to beat her" Ye Chen said that himself alone was enough to beat Luo Tian.

"But..." Mu Xueying still thought that Ye Chen wouldn't be able to beat Luo Tian, ??Luo Tian's strength is already big enough, so Ye Chen should still not be on the same level as Luo Tian.

" Trust me, I will definitely pack it up" Ye Chen said when he would definitely pack up. Luo Tian so that this man left this place and no longer bothered Mu Xueying.

Seeing the confidence that Ye Chen had, Mu Xueying finally believed in Ye Chen.

"You want to fight, come on, I will show you my abilities" Ye Chen said to Luo Tian.

"I will make you regret daring to challenge me" Luo Tian said that Ye Chen will regret having dared to challenge him.

"I will never regret it, it is you who will regret this decision" Ye Chen said that he didn't will never regret, it is Luo Tian Lah who will regret this matter

"Boom" A very strong wind burst out from Luo Tian's body, Luo Tian was already gone. He used the power he had.

Luo Tian was impatient, he couldn't wait to beat and judge Ye Chen with his own hands.

Luo Tian was the one to attack first, he attacked Ye Chen who was in front of him using the wind sword he made from his profound energy.

"feel this" Luo Tian attacked Ye Chen, he targeted Ye Chen's back.

"Slash" Luo Tian slashed towards Ye Chen's shoulder.

"Ye Chen" Mu Xueying called Ye Chen's name, she looked very worried about Ye Chen.

The wind sword only rested on Ye Chen's shoulder, it didn't look like it could penetrate Ye Chen's body.

"Is this all you can do?" Ye Chen held the wind sword on his shoulder, Ye Chen used a single grip to crush the wind sword into nothingness.

" what?" Luo Tian immediately retreated, he immediately retreated when he saw Ye Chen withstood his attack with ease.

Luo Tian looked at Ye Chen's shoulder, he found that on Ye Chen's shoulder there was no trace of a cut or tear.

"How does he block my attack?" Luo Tian asked how Ye Chen had resisted his attack.

"why do I bother to think about the matter, I better focus on beating this guy" Luo Tian didn't need to think about this matter, all he had to do was go and beat Ye Chen.

Luo Tian again tried to attack Ye Chen, this time he showed his ability.

"wind Sword Sky star formation" Luo Tian's made several wind swords, he made quite a number of wind swords.

The swords created by Luo Tian form a fairly complex star formation.

"Feel this" Luo Tian directly attacked Ye Chen with this wind sword.

The wind swords aimed at Ye Chen, they were all aiming for Ye Chen.

"Boom" an explosion occurred when a wind blade hit Ye Chen's body.

"Feel it" Luo Tian was already satisfied, he was quite satisfied with being able to defeat Ye Chen in just one step.

"Is that all you can do?" Ye Chen emerged from the dust, he said to Luo Tian who was in front of him.

"How did you dodge the attack just now?" Luo Tian couldn't believe Ye Chen was able to dodge the attack just now.

"Clank" Ye Chen kicked all the wind swords around him, all the wind swords shattered when Ye Chen hit them.

"This is too mushy" Ye Chen said to Luo Tian, ??Ye Chen told Luo Tian that his attack was too soft.

Luo Tian just gaped when he heard what Ye Chen said, he had never been insulted like that by someone.

Luo Tian's veins all burst out, he really was so angry, Luo Tian was already unable to control himself.

JOURNEY TO BECOME A TRUE GOD

Chapter 1459 - Battle Challenge From Luo Tian

Luo Tian looked more and more flaming when he listened to Ye Chen's words.

In his life, this was Luo Tian's first time hearing someone who dared to say that his attacks were so mushy, this was the greatest humiliation Luo Tian had ever endured.

"You, you really want to die" Luo Tian pointed at Ye Chen, Luo Tian's face turned red with anger.

"You will die if you don't leave this place immediately" Ye Chen returned Luo Tian's words, Ye Chen told Luo Tian to leave this place.

"Ghhh. ." Luo Tian let out an extremely powerful profound wind, the Jade Lotus Peak and the other eight peaks were enveloped by the windstorm.

The area around this place became pitch black, lightning flashed from above the sky, Luo Tian's power created a terrifying phenomenon.

Luo Tian's immense power naturally caused a tremendous disaster, people who were cultivating immediately came out when they saw the commotion outside.

Even the Peak Lords showed up and saw what was going on outside, who would dare to make such a fuss out here.

"Who dares to mess in my place?" Ning Xia went straight out of her room, she went straight to the entrance of the Jade Lotus Peak, Ning Xia wanted to know who dared to wreak riot on her territory.

Apart from Ning Xia all the female disciples from Jade Lotus Peak also came out, they all wanted to see who was making a mess in front of the Jade Lotus Peak entrance.

When Ning Xia and all the female disciples arrived in front of the Jade Lotus Peak's entrance, they found Luo Tian being enveloped by a windstorm, meanwhile Ye Chen and Mu Xueying were near Luo Tian.

"What happened in this place?" Ning Xia came down, she immediately asked what happened in this place.

"Greetings Lord Peak" Ye Chen greeted Ning Xia who had just appeared.

"Chen, what happened?" Ning Xia asked what happened in this place.

"Nothing happened, I was just trying to push this guy away but he put up a fight" Ye Chen said to Ning Xia.

Ye Chen explained what happened to Ning Xia, he tried to tell Ning Xia that Luo Tian tried to find trouble first.

"Luo Tian, ??how dare you look for trouble at my place" Ning Xia was angry at Luo Tian who had dared to look for trouble in her place.

"Lord Peak Ning, it's not what you think, he is the one who challenged me" Luo Tian said to Ning Xia, Luo Tian tried hard to explain to Ning Xia.

"Who challenged you, you were the first to attack me" Ye Chen said to Luo Tian and Ning Xia.

" You . . ."Luo Tian pointed at Ye Chen, this man is very good at speaking.

"If you don't believe it, we can ask Sister Xueying this, she must know what happened" Ye Chen pointed at Mu Xueying, he was one of the people who saw what happened.

"Xueying, why don't you explain everything" Luo Tian hoped that Mu Xueying could explain everything to him, Luo Tian hoped that Mu Xueying would explain what just happened.

"Master, Luo Tian was indeed the one who attacked first, Ye Chen didn't even counter Luo Tian's attack, you could say it was a one-sided attack" Mu Xueying said what happened, she said that Luo Tian was the one who attacked while Ye Chen only defended from Luo Tian's attack.

Mu Xueying wasn't lying when she said this, Ye Chen hadn't even counterattacked from the start, meanwhile Luo Tian had already attacked Ye Chen several times.

Ning Xia looked at Luo Tian, ??Luo Tian had dared to attack the disciple from Jade Lotus Peak, Ning Xia must not let this thing pass.

"you" Luo Tian was really very annoyed, he was really caught up in trouble, Luo Tian's reputation would be affected because of this matter.

"What's the fuss?" Shin Pi came, the lord of Cloud Sky Peak came and saw what was going on.

"what kind of commotion is going on, it's disturbing the nap I had" Mo Chiyi also came, she asked what was going on in this place.

Honestly, Mo Chiyi was annoyed when she saw someone interrupting her nap, this could affect Mo Chiyi's mood.

"who is this handsome man?" Mo Chiyi looked at Ye Chen, this was the first time Mo Chiyi had seen a handsome man like Ye Chen.

Mo Chiyi? had many fans from various places, all of her pursuers were handsome and held high positions, but this was the first time Mo Chiyi had seen a man so handsome like Ye Chen.

"Looks like there's a good party here" Yun Yang also came, he said that there is a good party in this place.

"Explain what happened in this place" Shin Pi told Luo Tian to explain what happened in this place, he trusted Luo Tian more than Ning Xia, Ye Chen and Mu Xueying.

"Lord Peak, I'm having a battle with that man for daring to insult my strength, but it seems that man doesn't dare to fight me after challenging me" Luo Tian said to everyone.

"When did I say I was afraid of you" Ye Chen replied to Luo Tian's words, Ye Chen was never afraid when dealing with Luo Tian.

"Then let's fight" Luo Tian challenged Ye Chen to a battle.

"Stop-stop, instead of you fighting like that, why don't you guys settle this battle on the arena, it's more honorable" Yun Yang stopped Ye Chen and Luo Tian's sparring, he told the two to settle this matter on the arena.

"That's a very good idea" Shin Pi totally agrees with what Yun Yang said, it's better for them to settle this matter in the arena.

"are you brave?" Luo Tian asked Ye Chen, Luo Tian challenged Ye Chen to solve this matter in the arena.

"Do you think I am afraid of it, of course I accept this" Ye Chen accepted Luo Tian's challenge.

"If I win then you must stay away from Sister Xueying, don't show your face again, otherwise you will suffer the consequences" Ye Chen showed a hint of his domination, when Ye Chen did this, the entire Lord Peak felt a tremendous pressure from Ye Chen.

"This handsome man?" Mo Chiyi was surprised by the dominance that Ye Chen just displayed, she couldn't believe that he would tremble when she saw the dominance that Ye Chen just displayed.

"I'm not afraid of your bluff, if I win you better never talk to Xueying again" Luo Tian also said the bet he wanted, he wanted to try to drive Ye Chen away from Mu Xueying.

"Agreed" Ye Chen agreed with this matter, the opportunity had been created which meant that there would be a battle between Ye Chen and Luo Tian.

"1 week from now we will meet in the arena of life and death battle, prepare yourself to lose" Luo Tian said to Ye Chen.

"You also prepare yourself" Ye Chen said to Luo Tian.

Ye Chen and Luo Tian both gave warnings, both gave warnings to each other.

After agreeing on a battle, Luo Tian left this place 1 week from now there would be a battle between him and Ye Chen.

JOURNEY TO BECOME A TRUE GOD

Chapter 1460 - What's Wrong, Are You Afraid I'll Steal It From You

"Who is that person?, he is very brave in challenging Luo Tian" Core disciples started to look at Ye Chen, they were all curious who Ye Chen really was.

These people didn't think that this was Ye Chen at all, the Ye Chen they knew now was very different, if the former Ye Chen and the current Ye Chen were to meet in one place then no one would believe this matter. .

Women from other peaks started to watch Ye Chen, they all looked curious about Ye Chen's identity.

Ye Chen who can now easily attract the attention of all women, naturally all women will look at Ye Chen.

"Ye Chen, do you know what you are doing?" Ning Xia said to Ye Chen, Ning Xia seemed to be scolding Ye Chen's decision.

"Lord Peak, you don't need to worry, I made the right decision" Ye Chen said to Ning Xia.

"what you say is the right decision, are you kidding me" Ning Xia knocked on Ye Chen's head.

"Ouch" Ye Chen touched the spot where Ning Xia had knocked him, Ning Xia just now didn't play around when she knocked on Ye Chen's head.

Ning Xia looked disappointed with Ye Chen's rash decision, Ning Xia didn't like it when she saw Ye Chen making too rash decisions.

"Lord Peak please believe me, I won't be that stupid in making a decision" Ye Chen tried to convince Ning Xia again, he said that he wasn't that stupid in making decisions.

"It's up to you, everything has happened, so I can't do anything anymore, all I need to say is Luo Tian is much stronger than Gong Senye, so you have to be very careful" Ning Xia told Ye Chen that Luo Tian was very very strong.

"No matter how strong he is, I can still beat him." Ye Chen said that he could definitely beat Luo Tian.

Ning Xia couldn't help but sigh, she didn't know what Ye Chen was planning, why would Ye Chen try to challenge someone with a strong cultivation like Luo Tian.

"Hello handsome brother" Mo Chiyi came to Ye Chen, she greeted Ye Chen.

"Hello Lord Peak Mo" Ye Chen greeted Mo Chiyi, he gave a friendly greeting to Mo Chiyi.

"I never saw you, are you a new disciple?" Mo Chiyi asked if Ye Chen was a new disciple here.

Mo Chiyi still didn't realize who Ye Chen really was, he still didn't realize who he really was.

"Lord Peak Mo, you are so funny, haven't we met before, how can you forget me so easily" Ye Chen said to Mo Chiyi.

Ye Chen smiled when he heard what Mo Chiyi said, for Ye Chen Mo Chiyi's behavior was very funny.

"Huh?" Mo Chiyi looked confused when she heard this, Mo Chiyi tried to remember when she had met Ye Chen.

"Mo Chiyi, he is Ye Chen, how could you forget him so easily" Ning Xia told Mo Chiyi that the person in front of her was Ye Chen.

"Huh?, aren't you kidding me?" Mo Chiyi didn't believe what Ning Xia said, Mo Chiyi kept looking at Ye Chen up and down, Mo Chiyi still couldn't believe it was Ye Chen.

The man in front of him did not resemble the Ye Chen he knew at all, this was completely opposite to the Ye Chen she knew.

Ye Chen in Mo Chiyi's memory was a man who had a bad appearance and was not very attractive, while the man in front of her was handsome and very attractive to Mo Chiyi.

"Lord Peak Mo, he really is Ye Chen." Mu Xueying helped Ning Xia to explain that it was Ye Chen.

"Impossible, how can he turn out like this" Mo Chiyi really couldn't believe this truth.

"Hey, Ning Xia, what kind of secret method do you have, how did you turn it into like this?" Mo Chiyi directly asked Ning Xia, she really wanted to know the method used by Ning Xia in changing Ye Chen's appearance.

"Why don't you ask him, his changes have nothing to do with me" Ning Xia informed that Ye Chen's changes had nothing to do with her.

"Ye Chen, how can you look like this, why don't you share a little secret with me" Mo Chiyi spoke with Ye Chen, she asked how Ye Chen could turn out to be like this.

Ye Chen just smiled, he didn't tell the reason he was able to appear like he is now.

Mo Chiyi continued to talk to Ye Chen, she seemed to show interest in Ye Chen.

Ning Xia and Mu Xueying looked at Mo Chiyi, they could see that Mo Chiyi had other intentions towards Ye Chen.

"Mo Chiyi don't bother him anymore" Ning Xia told Mo Chiyi not to bother Ye Chen anymore.

"Ning Xia, you are really very stingy" Mo Chiyi complained to Ning Xia, even though she was just having fun with Ye Chen.

Ye Chen seemed fun to talk to, so Mo Chiyi enjoyed talking to Ye Chen.

"I don't care, you better not have such thoughts about him" Ning Xia warned Mo Chiyi not to have strange thoughts of Ye Chen.

"What's wrong, are you afraid I'll steal it from you" Mo Chiyi said to Ye Chen, Mo Chiyi wanted to steal Ye Chen from Ning Xia, she really wanted to steal Ye Chen from Ning Xia's side.

"You wouldn't have the power to do that" Ning Xia thanks to that Mo Chiyi wouldn't have the strength to do that, as long as there was Ning Xia, then no one would be able to snatch Ye Chen from Ning Xia.

The atmosphere began to heat up, Ning Xia and Mo Chiyi looked at each other, the two of them could have had a battle in this place.

Even though the battle between Ye Chen and Luo Tian had just been resolved, everyone didn't expect that Ning Xia and Mo Chiyi would start their battle.

"Ye Chen let's go" Seeing this place heating up again Mu Xueying asked Ye Chen to leave this place.

Ye Chen was forcefully carried away by Mu Xueying, she was now brought into the Jade Lotus Peak.

News of Yeh Chen Vs Luo Tian battle spread very quickly, everyone immediately found out what had happened, they couldn't wait to see the battle that was about to take place.

Mu Xueying took Ye Chen into her room, she told Ye Chen to sit on her bed.

"Sigh, husband, do you know what trouble you just caused?" Mu Xueying put on an angry pose at Ye Chen, she put on an angry pose because Ye Chen had made a mess by challenging Luo Tian.

"I just want to protect my wife from a bad man like Luo Tian, ??so what's the matter for me?" Ye Chen said to Mu Xueying.

Mu Xueying's face turned red when she heard this, Ye Chen's goal was very touching for Mu Xueying, Ye Chen did this all for the sake of protecting Mu Xueying.

"You don't have to do that, I can drive him" Mu Xueying said that she could drive Luo Tian away.

"If you are the one doing this, then Luo Tian won't go and keep bothering you, let me sort this out" Ye Chen said to Mu Xueying.

"But I don't want to involve you in this kind of matter." Mu Xueying was not willing to involve Ye Chen in this kind of matter.

"We are now a couple, your problem is my problem too, so don't keep it to yourself" Ye Chen said to Mu Xueying.
