Chapter 1461 - Teaching Female Disciple Jade Lotus Peak

"I know that, but I don't want you to get into troublesome matters" Mu Xueying said to Ye Chen.

"This is not a troublesome matter, this is something that is very easy for me." Ye Chen said that it was very easy for him.

There was nothing difficult in this kind of matter, it would be very easy for Ye Chen to resolve this matter.

Mu Xueying saw that Ye Chen was very confident, Mu Xueying didn't know where Ye Chen's confidence came from.

"Okay, I won't stop you anymore, let's practice." Mu Xueying didn't stop Ye Chen, instead Mu Xueying took Ye Chen to practice.

"What kind of training, is it bed training?" Ye Chen asked Mu Xueying.

In this matter Ye Chen still had the audacity to tease Mu Xueying.

Mu Xueying immediately pulled Ye Chen's ear, Mu Xueying was annoyed at Ye Chen.

Ye Chen really couldn't be taken seriously, this man was always trying to tease her.

"Wife, do you intend to kill your husband" Ye Chen said to Mu Xueying who pulled her ear.

"I really want to do that, that way no more women will fall victim to what you did" Mu Xueying said to Ye Chen.

Mu Xueying lectured Ye Chen for a while, after teaching Ye Chen enough, Mu Xueying took Ye Chen to the training ground.

"The practice room has now been moved underground, so Ye Chen and Mu Xueying just need to go downstairs to the building.

"Husband, from now on you will be an instructor" Mu Xueying told Ye Chen that from now on he would be an instructor.

"Why all of a sudden" Ye Chen asked Mu Xueying.

"It was a request from Lord Peak, she wants you to teach the women here, your skills are good enough, so you have to teach them all." Mu Xueying immediately explained why she wanted Ye Chen become an instructor

"oh, so this is a request from Lord Peak, then I will accept this" Since this is a request from Lord Peak, then Ye Chen will accept this matter.

"Very good" Mu Xueying was happy that Ye Chen willing to accept this offer, that way he doesn't have to force Ye Chen.

Ye Chen and Mu Xueying arrived at the practice room, there are already a lot of women waiting for practice here.

"Everyone gather now" Mu Xueying called all the female disciples, she informed all female disciples to gather right now.

All female disciples gathered, they all gathered in front of Mu Xueying.

Everyone wanted to know why Mu Xueying had told them to gather, Mu Xueying must have wanted to tell them something.

"Everyone, for today, Ye Chen will train you, he will be your instructor for today." Mu Xueying informed that Ye Chen would be their instructor for today.

"Yay" several women looked happy when they heard this, they looked happy to hear that Ye Chen will be their instructor.

With Ye Chen being the instructor, they can easily get close to Ye Chen, this is something that everyone has been waiting for.

"Calm down" Seeing the seemingly noisy atmosphere, Mu Xueying immediately stopped people -people who are around this place, he told everyone not to make a fuss.

Mu Xueying's orders made all the women speechless, they immediately fell silent when they received orders from Mu Xueying.

"Good." Mu Xueying nodded in satisfaction, she was satisfied when she saw all the women becoming obedient.

"Ye Chen, they are now your responsibility, you better train them well." Mu Xueying handed the responsibility of this place to Ye Chen, now Ye Chen is in charge of this place.

"Okay, just leave everything to me" Ye Chen nodded, he told Mu Xueying to hand over everything in this place.

After saying this, Mu Xueying left, she left to the woman near Ye Chen.

"Instructor Ye Chen, what are you going to do?" all the women asked what Ye Chen was going to do.

"How about we discuss the theory of practice first, before we do the practice I want you to know the theory in practice" Ye Chen said to all the beautiful women in front of him.

"Okay" all the beautiful women nodded, they listened to the theory that Ye Chen would give.

Ye Chen gave the ways to practice, he explained everything very easily, Ye Chen explained the easy way to practice and increase their strength & abilities

.

All the women listened to Ye Chen, they listened to Ye Chen's lesson.

Ye Chen's lesson was very interesting, they never knew there was such a thing in this world.

All the beauties in this place had never listened to Ye Chen's theory of practice, so they wondered if they could do that.

"Okay, let's do some practice, are you guys ready?" Ye Chen asked everyone in front of him.

"Ready" everyone answered, they said that they were ready to do field practice.

"Then let's do it" Ye Chen was going to test the women in this place one by one, he wanted to see the abilities of each of the beautiful women in front of him.

That way Ye Chen could provide a suitable training for all of them.

The first woman came forward, she was a beautiful woman with a slender appearance and had a body that looked like an 18 year old girl.

Between the parts of her body there is a place that is quite prominent, that place is at the waist, this woman's waist is very slim and perfect, it will definitely be comfortable when holding this woman's waist.

This beautiful woman is showing her abilities, she is showing some of the skills she has.

Ye Chen saw the skills that this woman had, there were still so many flaws and mistakes that this woman had made.

"Instructor, what do you think?" asked the female disciple to Ye Chen.

"There are still too many mistakes" Ye Chen gave an honest assessment, he said that there were still a lot of mistakes.

"Is that true?" The female disciple did not expect that Ye Chen would say that he had so many faults.

"Don't be too sad, I'm here to correct the mistakes that you all have, so don't doubt your abilities" Ye Chen tried to comfort the women in this place, he didn't want them to misunderstand what he wanted. .

"Okay, I understand" the female disciple could understand, she was sure that Ye Chen would not belittle them.

Ye Chen started to teach this female disciple, she taught the moves while helping her.

In that case Ye Chen had to make some direct contact with this female disciple with a slender waist.

The female disciple looked embarrassed when she had some direct contact with Ye Chen, it was very embarrassing when she had direct contact with Ye Chen.

When the female disciple made direct contact with Ye Chen, she felt her heart beat rapidly, plus her breathing was a little uncontrollable, she seemed very nervous when she was around the man she liked.

"You're too tense and nervous, try to relax ." Ye Chen tried to help the female disciple who looked very tense when she was with him, this woman was too tense when she was around him.

"It's a bit difficult" The female disciple said that she couldn't relax, being around the person she liked seemed really hard.

"Let me help you a little" Seeing the female disciple couldn't relax then Ye Chen would help her.

JOURNEY TO BECOME A TRUE GOD

Chapter 1462 - Punishing Song Ziyu In Public

Ye Chen pressed a few acupuncture points of the woman in front of him, with a touch of Ye Chen, this woman became very relaxed.

"Ah. . . ." The woman in front of Ye Chen groaned slightly when she was touched by Ye Chen, Ye Chen's touch was very comfortable for her.

"Junior Ye Chen, what are you doing?" this woman asked what Ye Chen was doing, why it felt so comfortable.

"I'm just relaxing you a little bit" Ye Che said to the woman in front of him.

"Now do what I said before." Ye Chen told the woman in front of him to do what he had previously demonstrated.

"Okay" this woman agreed very quickly, she started to do the move that Ye Chen had previously done.

This time the movement looked much better than before, obviously a tremendous improvement.

"Wow" All the women were shocked when they saw what happened, they all looked shocked when they saw what happened to their partner.

Obviously the moves possessed by their comrades have become much better and more beautiful, this is different from before.

"Junior, thank you very much, I learned a lot from you" this woman thanked Ye Chen, now she learned more about her abilities.

This woman now understands that she has talent, it's just that her talent hasn't fully come out yet, if Ye Chen continues to guide her, then she will definitely become much better.

"Junior Ye Chen, I'm next, I want you to see my abilities" all the women in this place started to surround Ye Chen, they all started to ask Ye Chen to train them.

Honestly, what just happened shocked everyone, they all wanted to be taught by Ye Chen. It seems that Ye Chen's teaching skills are very good.

"Calm down" Ye Chen tried to calm the women around him, he tried to calm the women who were starting to lose control.

The female disciples of Jade Lotus Peak didn't care, they were fighting for positions so that Ye Chen could teach them.

Ye Chen benefited the most from this situation, he could easily absorb the Yin Qi of pure women around him.

"I don't think this is bad, Lord Peak Ning, thank you very much." Ye Chen thanked Ning Xia, if it wasn't for Ning Xia, maybe Ye Chen wouldn't be where he is today.

Ye Chen really really enjoyed this, he really liked what was happening right now.

In the distance Ning Xia and Mu Xueying saw what was happening, both saw what Ye Chen was doing at this time.

"Not bad either, he is able to train female disciples well" Ning Xia praised Ye Chen, she praised Ye Chen for being able to train female disciples well.

"he is looking for an advantage behind all this" Mu Xueying saw that Ye Chen was looking for an advantage behind the situation, Mu Xueying could see that Ye Chen touched the women around him.

"What do you mean?" Ning Xia asked Mu Xueying, she asked what Mu Xueying meant.

"Nothing" Mu Xueying shook her head, she didn't mean to tell Ning Xia about what Ye Chen did.

"Looks like we'll just leave this matter to him, let's talk about what just happened" Ning Xia handed the matter of practice to Ye Chen, here Ning Xia wanted to discuss what just happened.

"Sister Xia, what are you talking about?" Mu Xueying asked Ning Xia.

Since there was no outsider, Mu Xueying started calling Ning Xia with a familiar nickname, Mu Xueying was already like friends with Ning Xia.

"This is about the battle that Ye Chen agreed to, I'm afraid that Ye Chen won't win easily." Ning Xia said that Ye Chen might not win easily from Luo Tian.

"Why did Sister say that?" Mu Xueying asked Ning Xia, how could Ning Xia think like that about fighting.

"I heard that today the Patriarch will give Luo Tian the full inheritance of the Sect, after 1 week Luo Tian's strength will definitely rise quite a lot, maybe he can even be comparable to the existing Peak Lord, that would be a very dangerous thing for Ye Chen" Ning Xia explained what would happen to Luo Tian.

"So the reason he challenged Ye Chen in 1 week was because he knew that he would inherit the power of the patriarch." Mu Xueying just found out about this matter.

"No wonder you don't know, only Lord Peak was informed about this matter" Ning Xia explained that this matter was only known to Lord Peak, no one was informed about this matter except Lord Peak.

"I still believe in him, I feel that he has changed since the last time." Mu Xueying still believed in Ye Chen, she felt that Ye Chen had changed.

Since returning from the trip Mu Xueying could see that Ye Chen had a different kind of strength, it seemed that on the way Ye Chen had gotten something that made his self-confidence what it is today.

"You are so confident, it seems that I don't need to interfere in this matter, you can solve it yourself" Ning Xia would leave this matter to Mu Xueying.

"I will definitely tell him about this matter." Mu Xueying said that if she was going to tell Ye Chen this matter, she and Ye Chen would definitely be able to resolve this matter.

"Then I will return" Ning Xia returned, she returned to her private room.

After Ning Xia returned, Mu Xueying looked at Ye Chen, Mu Xueying thought about what Ye Chen would do in the face of Luo Tian who would become much stronger.

.

.

Ye Chen didn't know that there were two beauties talking behind his back, Ye Chen was currently too focused on training the pure beauties around him.

"Junior Ye Chen, don't touch there" one of the female disciples shyly said to Ye Chen, she felt embarrassed when Ye Chen touched her.

"Senior Sister, I just didn't mean to, I just wanted to correct your pose." Ye Chen apologized, he said that he only wanted to improve the pose of the pure woman in front of him.

"It's okay" With a slightly red face, this woman forgave Ye Chen, she very easily forgave what Ye Chen had just done.

Today Ye Chen won quite a lot, not only was he able to touch these beauties, he was also not scolded by them, this was the most beautiful day that was very joyful for Ye Chen, it would be nice if this could happen every day.

"Ye Chen, now it's my turn" Song Ziyu suddenly appeared, she asked Ye Chen to train herself.

The current Song Ziyu was a little gentle, she wasn't what she used to be when dealing with Ye Chen.

It could be said that the now more feminine and gentle, Song Ziyu looked like a classy woman.

"Okay, so now it's your turn" Ye Chen looked at Song Ziyu, Song Ziyu was changing every day.

Ye Chen trained Song Ziyu, he started to give some directions towards Song Ziyu.

Song Ziyu was very happy when she got directions from Ye Chen, it was quite fun to get directions from Ye Chen.

It just so happened that Song Ziyu was the last female disciple that Ye Chen had to mentor, other female disciples were currently training at a distance, they were carrying out the improvements that Ye Chen had taught.

As Song Ziyu's practice session tried to get closer to Ye Chen, she kept trying to get closer and closer to Ye Chen, even some parts of Song Ziyu's body touched Ye Chen's body.

Ye Chen could sense what Song Ziyu was trying to do, this woman was clearly trying to seduce Ye Chen.

"Where did she learn this kind of thing?" Ye Chen wondered where did Song Ziyu learn something like this, this woman must have learned this from someone.

"I better ask her" Ye Chen would try to ask Song Ziyu, he wanted to know who taught Song Ziyu something like this.

Women from Jade Lotus Peak are innocent women and don't like to tease men, they prefer to wait for men to chase after them, which is why they are mostly ignorant of matters like this, so there must be someone who has taught Song Ziyu to be able to do this kind of thing.

Ye Chen held Song Ziyu's waist, he slightly showed his skills to Song Ziyu.

"Emm" Song Ziyu groaned when she was touched by Ye Chen, Ye Chen's touch felt very good.

"Ye Chen?" Song Ziyu asked Ye Chen what Ye Chen was trying to do to her.

"Ziyu, tell me, where did you learn something like this?" Ye Chen asked Song Ziyu.

"Ye Chen, what do you mean?" Song Ziyu said to Ye Chen, Song Ziyu was trying to hide something from Ye Chen.

"Ziyu, have you forgotten who I am?" Ye Chen asked Song Ziyu who was in front of him.

"Of course I didn't forget, you are still my master" Song Ziyu said to Ye Chen.

Right now Song Ziyu is still Ye Chen's master, Song Ziyu still has to serve Ye Chen in the next few months.

"It's good that you still remember, then you should tell me the truth you're hiding." Ye Chen told Song Ziyu to tell her everything.

"No I can't do that" Song Ziyu couldn't do that, she couldn't tell Ye Chen about this kind of thing.

"Are you trying to disobey your master's orders, looks like you need a bit of punishment" Seeing Song Ziyu who was still disobedient, Ye Chen seemed to have to give Song Ziyu a bit of punishment.

Around the place there are still a few female disciples, if Ye Chen did that, Song Ziyu could be seen by the ladies here.

JOURNEY TO BECOME A TRUE GOD

Chapter 1463 - Aren't You The First To Tease Me?

"Ahh" Song Ziyu's moans started leaking out, because Song Ziyu's moans started leaking out, she immediately tried to cover her mouth

"Master, please don't do this" Song Ziyu started to ask Ye Chen to stop, he couldn't help the feelings that Ye Chen gave.

Song Ziyu didn't know that Ye Chen could give off such an amazing feeling, every touch from Ye Chen made Song Ziyu's head feel crazy.

Song Ziyu didn't expect that Ye Chen would be so brave, this man is really so brave.

If only there were no people around this place, maybe Song Ziyu would enjoy this, it's a shame that around Song Ziyu there are so many people, if Song Ziyu does something, then it will be seen by everyone in this place.

If Song Ziyu was caught by his friends and colleagues, it would definitely be a very embarrassing thing for someone like Song Ziyu.

"I won't stop until you speak the truth." Ye Chen said that he wouldn't stop until Song Ziyu told the truth.

"I don't know anything so please let me go." Song Ziyu still didn't want to answer Ye Chen's question, she tried to hide the matter as best she could.

"So still don't want to confess, then feel this" Seeing Song Ziyu not wanting to confess, Ye Chen decided to make Song Ziyu understand his abilities.

An extraordinary feeling was suddenly felt by Song Ziyu throughout her body, this feeling made Song Ziyu body feel comfortable and warm.

"Ah. . ." Song Ziyu's voice leaked out, she was unable to contain this overwhelming feeling.

"Ziyu, what's wrong?" female disciples who were nearby heard the moans from Song Ziyu they asked what happened to Song Ziyu.

Song Ziyu immediately tensed up when she listened to the voices of her friends around this place, she seemed tense when he was discovered by his partner.

"How is this, this was found, what should I do now?" Song Ziyu was already starting to panic, she was really at a loss as to what to do in her current situation.

"It's nothing, he's just too tense, so I helped him a little" Ye Chen helped answer Song Ziyu, he told the women around him that he was helping Song Ziyu who was too tense.

"Oh" none of the women suspected what Ye Chen said, it could be said that they all really believed what Ye Chen said.

Several women had been helped by Ye Chen, so they knew that what Ye Chen was doing was comfortable, some of them also let out a groan when they received Ye Chen's touch.

The female disciples around this place started to return to training, they ignored what had just happened.

"Humph. . ." Song Ziyu looked relieved, relieved that no one suspected her.

"You better admit it right away, otherwise I don't know what will happen next" Ye Chen told Song Ziyu to immediately admit what happened, Ye Chen didn't know what he could do next.

Ye Chen started to use his skills to tease Song Ziyu, Song Ziyu definitely couldn't stand what Ye Chen did.

"No . . ." Song Ziyu let out a fairly loud groan, the female disciples nearby could definitely hear this.

If Song Ziyu continued to let out continuous moans, the women around would definitely be very suspicious for her.

"Are you really not going to say it?" Ye Chen gave Song Ziyu a chance, lest Ye Chen do anything further.

Song Ziyu was frightened by what Ye Chen had just said, this man definitely wouldn't play around with his words.

" Okay . . . , I'll tell you." Song Ziyu was finally willing to confess, she would rather relent than lose face in front of her friends.

" That . . . , actually Yueli taught me this." Song Ziyu told that Mei Yueli had taught me how to tease Ye Chen.

"Puff" Ye Chen laughed when he heard this, unexpectedly Mei Yueli was the one who had taught Song Ziyu.

"Yueli dear, you really taught her" Ye Chen laughed in his heart, he really didn't expect that Mei Yueli would teach Song Ziyu about this kind of matter.

"It seems my little girl has grown up" Ye Chen felt that Mei Yueli had grown up, it was evident from Mei Yueli who had dared to teach someone like Song Ziyu about matters like this.

"Now that you know who taught me, I hope you don't tell anyone about this matter." Song Ziyu asked Ye Chen not to tell other people about this matter.

Song Ziyu had actually promised to keep this matter a secret from others, so Song Ziyu didn't want Mei Yueli angry.

"You are so confident in Mei Yueli, isn't she even afraid of men?" Ye Chen asked Song Ziyu.

Song Ziyu thought about what Ye Chen said, what Ye Chen said was the truth, Mei Yueli was indeed afraid of men, how could she teach Song Ziyu something like this.

"How can he teach me something like this, when he himself lacks experience?" Song Ziyu thought about this, he thought how Song Ziyu could teach him something like this when he had never been close to a man.

"Don't think too much anymore. Let's start our practice" Ye Chen told Song Ziyu to stop thinking and continue practicing.

"Okay, but don't tease me anymore" Song Ziyu asked Ye Chen not to tease her anymore.

"Aren't you the first to tease me?" Ye Chen said at Song Ziyu.

Song Ziyu just lowered her face, she was embarrassed to admit it.

"You are too aggressive" Song Ziyu said that Ye Chen was too aggressive because of attacking her.

"Do you not like the matter?" Ye Chen asked if Song Ziyu didn't like what he just did.

" You did that in the wrong place" Song Ziyu said that Ye Chen did such a shameful thing in this place.

"That means if it's not in the wrong place, then I can do whatever I want to you" Ye Chen said to Song Ziyu.

"That's not what I meant." Song Ziyu didn't mean to speak like that, she looked like a loose woman when it came to this matter.

"hahaha" Ye Chen just smiled when he saw the behavior shown by Song Ziyu, Song Ziyu became more and more funny.

"Why are you laughing, is there something funny?" Song Ziyu asked Ye Chen who suddenly laughed.

"Nothing, let's practice" Ye Chen said if there was nothing funny, Ye Chen took Song Ziyu to practice.

Song Ziyu was curious about what Ye Chen was thinking, she was really curious what Ye Chen was thinking.

Ye Chen and Song Ziyu started practicing, Ye Chen guided Song Ziyu to be even better.

Ye Chen corrected Song Ziyu's mistakes, he corrected some of Song Ziyu's poses and fighting ways, then Song Ziyu would definitely become much stronger.

Song Ziyu was very focused on Ye Chen's lessons, she was happy that she could become even better.

Song Ziyu likes Ye Chen more and more, she likes Ye Chen more and more. because Ye Chen looks more and more cool.

After a long and tiring practice, it was finally over, all the ladies thanked Ye Chen for giving good and correct instructions and training to all of them.

JOURNEY TO BECOME A TRUE GOD

Chapter 1464 - Yan Fei's Problem

After Ye Chen finished training all the women, he immediately went to see Yan Fei, Ye Chen wanted to know if what Yan Fei did was going well.

After all Yan Fei was currently taking care of the business that was owned by Ye Chen, so Ye Chen had to see how the business was going.

Ye Chen looked for the whereabouts of Yan Fei, very quickly Ye Chen immediately found the whereabouts of Yan Fei.

Yan Fei was currently around the center of the city, he was in a majestic looking building.

"Is this what Yan Fei said earlier?" Ye Chen guessed that this was the building that Yan Fei said, this must be the company building that Yan Fei was referring to.

Ye Chen went down and entered the building, when Ye Chen entered he was greeted very warmly by the guards guarding outside.

"Young master, can I help you?" the receptionist asked Ye Chen, he wanted to know what Ye Chen needed.

The receptionist looked very respectful towards Ye Chen, he greeted Ye Chen with feelings.

"I want to meet Yan Fei" Ye Chen said that he wanted to meet Yan Fei.

"Young master, Miss Yan is busy, looks like it will be very difficult for you to meet her" the receptionist told Ye Chen that Yan Fei was busy.

"Why don't you call her first, tell her that an important person is coming to see him" Ye Chen said to the person in front of him.

"But she's really busy, I'm afraid he'll get angry and fire me." The recipient knew that she didn't dare to carry out Ye Chen's orders, she was afraid of being fired if she bothered Yan Fei.

This fellow had just landed this job, so of course she was very careful in her work.

"You don't have to worry, I will be responsible for everything that happened" Ye Chen said that he would be the one responsible if anything happened.

" but . . ." the receptionist still hesitated, he still looked doubtful about Ye Chen.

"Just do what I tell you, otherwise I will go and meet her" Ye Chen ordered the person in front of him to call Yan Fei, otherwise he would go to find Yan Fei.

"No don't do it, let me call it for you" Seeing Ye Chen who wanted to forcefully meet Yan Fei, the receptionist had no choice to call Yan Fei.

the receptionist saw that Ye Chen was wearing clothes from the Nine Immortals Peak Sect, so she should have some ability.

The receptionist started calling for Yan Fei, she started calling for Yan Fei who was in her room.

"Miss Yan, someone is looking for you" the receptionist told Yan Fei that someone outside was looking for her.

"Didn't I tell you that I'm busy, why would anyone still dare to bother me?" Yan Fei said that she was busy, she was tidying up the files that had piled up and needed to be checked.

Yan Fei is really very busy at all, moving the trading headquarters to this place has caused him a bit of trouble.

"Miss Yan, people outside say that she is someone important" the receptionist informed that people outside were important people.

"Important person, who is it, how dare he say that he is an important person" Yan Fei is curious about the person who claims to be an important person, she really wants to know who is the person who dares to claim to be an important person.

"Miss Yan, if you don't want to see him, he will threaten to go and look for you" the receptionist said if Yan Fei didn't see him, then he would go and look for Yan Fei.

" what ! ! !, how brave he is, it seems I have to meet him and teach him a little lesson" Yan Fei is annoyed when someone is brave like this, Yan Fei must teach that person a little lesson.

"Miss Yan, you look really angry." The receptionist saw that Yan Fei looked angry.

"I will go and see him, let me see who dares to be so presumptuous" Yan Fei will meet the one who dares to be presumptuous in his place.

"No, Miss Yan is really angry, looks like something bad is going to happen" the receptionist saw that Yan Fei was angry, it seemed that the handsome young man outside would suffer the consequences.

The receptionist felt extremely pitiful, Ye Chen would definitely get into quite a bit of trouble.

Yan Fei left her room, she went to the place where an important person was looking for her.

The receptionist followed Yan Fei, wanting to see what Yan Fei would do to Ye Chen.

"Who is the important guest, I want to see" Yan Fei looked for the important guest said by the receptionist.

"Miss Yan, she is there" the receptionist pointed at Ye Chen, she pointed at Ye Chen who was observing the building that Yan Fei had just built.

Yan Fei immediately looked for the person the receptionist was referring to, in the distance she saw Ye Chen who was observing the new building.

"Little brother what are you doing" Yan Fei immediately went towards Ye Chen, she immediately hugged Ye Chen.

Everyone in this place was shocked when they saw what happened, they were really shocked when they saw a beauty like Yan Fei hugging a man.

"Who is that person, how can Miss Yan hug him?" Everyone didn't know how it was Yan Fei who suddenly hugged someone.

It is necessary to know that Yan Fei is an untouchable flower, not many people can touch her, they can only admire Yan Fei's beauty from a distance.

There had been countless handsome, rich and influential men who had approached Yan Fei, but it had never been heard of anyone capable of obtaining Yan Fei.

"When are you coming here?" Yan Fei asked when Ye Chen came, why did Ye Chen not tell her, if only Ye Chen could have informed earlier, Yan Fei would have prepared a welcome for Ye Chen.

"I came to give you a surprise" Ye Chen said that he came to give Yan Fei a surprise.

"You're always like this" Yan Fei complained to Ye Chen, Ye Chen is always like this, he always surprises Yan Fei.

"Let's go to my room" Yan Fei took Ye Chen to her room, there were many things she wanted to do together with Ye Chen.

Ye Chen was dragged by Yan Fei, the two of them entered Yan Fei's room.

Everyone in the room stayed with dumbfounded faces, they all still couldn't believe what they had just seen.

For most people what they just saw was impossible in this world.

"Husband, why are you here?" Yan Fei asked why Ye Chen was here.

"Shouldn't I go see my beloved wife?" Ye Chen said to Yan Fei.

"Of course you can, but it's not like you, you rarely see me" Yan Fei said to Ye Chen.

"That's why I want to make up for it" Ye Chen said that he wanted to make up for it.

"ohhhh" Yan Fei was touched by Ye Chen's words.

"wife, how is your business, do you have any problem, if there is tell me" Ye Chen asked Yan Fei, he wanted to know if Yan Fei had a problem.

"That, indeed I have a little problem" Yan Fei told that he did have a little problem in his business.

[JOURNEY TO BECOME A TRUE GOD](#)

Chapter 1465 - Luo Clan Looking For Trouble

"What kind of problem?" Ye Chen asked what problem Yan Fei had, he wanted to know what problem Yan Fei was having.

"There is a group that is trying to sabotage our project and business" Yan Fei tells that there is a group that is trying to sabotage their business.

"Who is it?" Ye Chen asked who was trying to find trouble with them, they should immediately do something about this matter.

"Husband, it's the Luo Clan, they're the Clan that is trying to find trouble with us" Yan Fei informed of the party trying to find trouble with them.

"I've looked into this matter, if I'm not mistaken they are from the Luo Clan" Yan Fei told Ye Chen about the party trying to interfere with their business.

"Why did they do that, what is the reason?" Ye Chen asked the reason why the Luo Clan attacked them.

"This possibility is purely because of business, Luo Clan is a Clan that does business in property and textiles, so it's not strange that they are jealous of our business." Yan Fei explained the possibility.

"So it's purely about business, I understand." Ye Chen now understood what was happening, it seemed that this was purely business, they didn't like it when they saw Ye Chen's business growing so fast.

"That's probably the case, they don't like the increase in business that we have" Yan Fei said to Ye Chen.

"did they do something out of bounds?" Ye Chen asked if the Luo Clan did something that was out of bounds.

"Yes, they did that, they did several times of sabotage and theft which injured my people and the delay in delivery, it was a big loss for us" Yan Fei informed

that Luo Clan did some actions to hinder Ye Chen's business and lost partners.

"So they want to destroy our business, that's great, it seems they are really looking for trouble with us" Ye Chen nodded a few times, it seems that this Luo Clan wants to find trouble with them.

"Husband, what are you going to do, are you going to tackle them straight away?" Yan Fei asked Ye Chen, she wanted to know Ye Chen's opinion of the Luo Clan.

"I don't like wasting time, let's finish this as soon as possible, we will fight head-on" Ye Chen will directly fight with this Luo Clan, it seems there is no point in warning them.

"But Luo Clan has great influence in Nine Immortals Peak Sect." Yan Fei said that Luo Clan has great influence in Nine Immortals Peak Sect.

"Oh, now I understand, it seems that this includes Luo Tian" Hearing what Yan Fei said, Ye Chen began to understand that the Luo Clan that Yan Fei was referring to was one of the same members as Luo Tian.

"Okay, let's deal with the Luo Clan." When Ye Chen found out about this matter, Ye Chen felt that he wanted to deal with the Luo Clan.

"Are you sure?" Yan Fei asked Ye Chen.

"Of course, I have a problem with one of the members of the Luo Clan, so it's fine to seek trouble with them.

"Okay, if that's what you want, then I will support you" Yan Fei will support Ye Chen, she will support what Ye Chen wants.

"Let's make a plan and start a counterattack." Ye Chen and Yan Fei had to come up with a strategy to destroy the Luo Clan's business.

"destroy, alright leave this to me, I'll try to destroy them" Yan Fei was excited when she heard Ye Chen want to destroy the Luo Clan's business.

Ye Chen and Yan Fei put on an evil face, they were about to start destroying the Luo Clan's business.

Ye Chen and Yan Fei had to first find out the matter regarding the Luo Clan's business, that way they would be able to easily figure out how to destroy their business.

"Husband, I've been researching about it, here's the list of business associates from the Luo Clan." Yan Fei gave a list of people who do business with the Luo Clan.

Ye Chen looked at the list of people who do business with the Luo Clan, most of those who do business with the Luo Clan are businessmen & a rich man who has played for a long time in the property and textile fields.

"Wife, send your people, we will offer cooperation with them" Ye Chen wanted to offer cooperation to everyone who was closely related to Luo Tian.

"You want to attract them to our side?" Yan Fei asked Ye Chen.

"Of course that's what I want" Ye Chen nodded, he really wanted to do that.

"But not everyone can cooperate with us" Yan Fei said that not everyone would cooperate with them.

"I also know, if they don't cooperate, then we will drown them with the Luo Clan." Ye Chen wouldn't give a second chance, he would give these people one chance, if they didn't want to accept this, they will definitely regret it.

"Okay, I will do it" Yan Fei immediately called out the best people he had to do business with the people from the Luo Clan group.

Yan Fei's people would try their best to seduce these people

"Then I will also move" After dividing their duties, Ye Chen also had to make a move, he would sneak into the Luo Clan's business and start making a bit of a mess.

"Be careful" Yan Fei can only pray Ye Chen, she didn't know what Ye Chen would do.

Yan Fei can only do the tasks that Ye Chen tells her to do, the rest will be done by Ye Chen.

Ye Chen left Yan Fei's room, Ye Chen went straight to the place where Luo Clan's business was located.

The Luo Clan's business was quite large, from the data and information provided by Yan Fei, the Luo Clan had quite a large base in several big cities.

"Let's finish the closest one from here." Ye Chen decided to finish the closest one.

Ye Chen took the God Mask and a cloak, time to settle this with his identity as the Mask Hero.

Using this identity, Ye Chen was able to move very freely, he was able to move freely wherever he wanted.

Ye Chen sneaked into the Luo Clan's factory, he saw what was going on inside the Luo Clan's factory.

When Ye Chen entered the factory, Ye Chen found something extraordinary, he found that inside there were several things that he had made.

"Oh, so they stole my things too" Ye Chen didn't expect that Luo Clan would steal Ye Chen's business goods, it wouldn't be strange if Yan Fei said their supply was interrupted, it turned out that Luo Clan stole their supplies.

"This can't be allowed." Ye Chen couldn't let this matter happen, he had to solve this problem immediately.

First Ye Chen had to retrieve the evidence for the crimes that the Luo Clan people had committed, after taking the evidence Ye Chen only needed to wreak havoc in the Luo Clan factory.

"Alright, time to make a mess, they'll feel what my wife feels." Ye Chen snapped his fingers, when Ye Chen snapped his fingers several lightning bolts appeared and started striking the entire space of this building.

"Gahhhh. . . ." all the workers immediately ran when they saw white lightning appear above their heads.

"How can there be lightning in this place" Everyone was shocked by what happened, they all looked shocked by what happened.

"Let's get out" everyone decided to get out, they all got out of this place as fast as they could.

Now that the building was empty, it was time for Ye Chen to retrieve his belongings.

Chapter 1466 - Luo Clan Launched An Attack

"They have quite a lot of stuff too, okay, I'll take them all" Seeing that the Luo Clan had a lot of stuff, Ye Chen decided to take them all.

Ye Chen took all the items in this building, after cleaning Ye Chen immediately went to another place, he would do the same in all Luo Clan factories.

All of the Luo Clan's factories experienced the same thing, a strange phenomenon occurred and all the items inside suddenly disappeared.

.
.

At the Luo Clan's headquarters.

Currently there are several people who are sitting and discussing the profits they managed to get this month.

These three people were Luo Mang, Luo Ruin and Luo Cangseng, the three of them laughed and talked about the gains they had

After sabotaging Ye Chen's efforts, the Luo Clan made a lot of profit, they very quickly got a lot of new clients from what they had done.

"We really have a huge advantage, if we continue like this we will soon become strong in short time" Luo Mang said to the two people who were nearby.

"yes you are absolutely right, as long as we continue to do this, we will definitely become a formidable great power, our business and dominance will expand very quickly" Luo Ruin was pleased with this, doing this brought them huge profits very.

"Both of you, who are you guys trying to face?" Luo Cangseng asked Luo Ruin and Luo Mang, he wanted to know who exactly they were up against.

"Uncle Cangseng, you don't need to worry, it's just a woman who owns a small business so we can take advantage of her" Luo Mang said that they were dealing with a woman.

"Are you sure that this woman doesn't come from a powerful background?" Luo Cangseng asked Luo Mang.

"She is just a woman who used to be in charge of Golden King Auction House, but now she's trying to start a new business and leaving her position in the Golden King Auction House." Luo Mang has already found out about Yan Fei, he tells that Yan Fei is now just a normal woman starting a business.

"Looks like she seems troublesome." Luo Cangseng said that Yan Fei looked troublesome to deal with.

"Uncle Cangsen since when did you become a coward, this is just a woman, why are we afraid of a woman?" Luo Ruin questioned Luo Cangsen, since when did Luo Cangsen become such a coward.

"I'm not afraid, it's just that I want you to be more careful, she could have a strong background" Luo Cangsen said to Luo Mang and Luo Ruin.

"Hahaha, uncle Cangsen, our Luo Clan is already strong and influential, after Tian inherits the position of Patriarch, we will definitely be at the top, we have nothing to fear anymore" Luo Mang said to Luo Cangsen, he told Luo Cangsen not to be afraid with a small problem like this.

"I also know about that matter, it's just that I want you to be a little careful in running your business, lest you be careless," said Luo Cangsen to Luo Mang and Luo Ruin.

"Uncle don't have to worry about this matter, as long as we are there all problems will be fine" Luo Mang said to entrust this matter to Luo Cangsen.

"Uncle, I heard that your grandson was injured in battle, is that true?" Luo Ruin asked Luo Cangsen.

"Yes, that's right, I really want to destroy that person." Luo Cangsen immediately showed anger when he brought up this matter.

Luo Cangsen really wanted to kill Ye Chen for daring to hurt Luo Kan.

"Just use your position to attack him, with your position it will be very easy for you to destroy him" Luo Mang said to Luo Cangsen to fight Ye Chen using his position.

"It won't be easy to do, he is guarded by one of the most powerful Peak Lords, so it won't be easy against him" Luo Cangsen wouldn't be able to easily fight Ye Chen, Ye Chen was currently under Ning Xia's tutelage, so it would be very difficult to catch Ye Chen.

"Then what are you going to do?" Luo Mang asked what Luo Cangseng would do in dealing with this problem.

"1 more week, Tian will challenge him, me and Tian will destroy that person, so it seems I will leave this matter to Tian alone" Luo Cangseng said that Luo Tian will fight Ye Chen, that's why he will leave Ye Chen's matter to Luo Tian.

"So it's like that, you used my Tian for such a matter." Luo Mang didn't expect that Luo Cangseng would use Luo Tian for revenge.

"Luo Tian challenged him, so I have nothing to do with this matter." Luo Cangseng said that he would not interfere in this matter.

" father . . . , something is urgent" suddenly someone appeared, he appeared while looking panicked.

"Stupid kid what happened?" Luo Cangseng asked what happened, why did his son look panicked like that.

"Some of our partners canceled our cooperation, and we lost our materials and objects, even our buildings were damaged" this person reported what happened.

" What !!!" Luo Mang, Luo Ruin and Luo Cangseng stood up when they heard this news, the news they heard really took them by surprise.

"Kunli, how did that happen?" Luo Mang asked about what was going on, why people suddenly canceled their agreement with them, plus why their efforts just disappeared.

"I don't know about that matter either, but these people canceled their agreement with them, plus our factory is now empty there's nothing in our factory" Luo Kunli explained what happened.

"Damn it, who did that?" Luo Ruin asked who had done that.

"That, the culprit is still unknown, no eyewitnesses have seen who did it" Luo Kunli said that they didn't see who had done this.

"Damn it, who is that" Luo Mang looked angry, he wanted to know who had done that to them.

"Is it possible that the culprit is Yan Fei" Luo Ruin guessed that the culprit was Yan Fei.

"Maybe we should send our troops to find out about this matter" Luo Cangseng ordered to find out about this matter, it might not be Yan Fei who did it.

" There's no need to find out anymore, since he wants to fight us, we'd better send the troops we have and destroy her." Luo Mang immediately intended to send the Luo Clan troops to destroy Yan Fei and his efforts.

"Mang, don't be too hasty, It's not good to do things in a hurry." Luo Cangseng told Luo Mang not to do things in a hurry.

"I don't care, she already dares to make trouble with us, I can't let this matter, want to put the face of the Luo Clan if it comes to us alone and not fighting back" Luo Mang didn't want to stay silent, he had to fight back immediately, otherwise the Luo Clan would lost face.

"Ruin, quickly mobilize all our troops, destroy and kill the people belonging to Yan Fei" Luo Mang told Luo Ruin to leave immediately and lead the troops to attack Yan Fei.

"okay . . ." Luo Ruin nodded, he immediately left and brought all the troops belonging to the Luo Clan to the place of business owned by Yan Fei.

Luo Cangseng can only shake his head, Luo Mang's decision is very hasty.

Chapter 1467 - Ye Chen Vs Luo Ruin

The Luo Clan sent their troops towards Yan Fei's place, all the best powerhouses that the Luo Clan had were sent to counterattack.

The Luo Clan troops attacked Ye Chen's business, they destroyed the business that was owned by Ye Chen.

The Luo Clan this time was much more ruthless, in their actions they killed all the innocent people, the innocent people were killed by the Luo Clan.

The Luo Clan showed their ruthlessness, they showed who they were, they didn't accept it when someone else sought trouble with them.

.

.

Ye Chen had already finished rioting at Luo Clan's place, this should be enough to put the Luo Clan into supply problems for a while.

"You reap what you have sown, taste it" The Luo Clan had reaped what they had sown, they had stolen countless things from Ye Chen, now it was their turn to lose what they had.

After launching his action, Ye Chen returned, he met Yan Fei to discuss whether their plan had been successfully implemented.

When Ye Chen returned, Ye Chen discovered that there was a battle at Yan Fei's place.

"What is this?" Ye Chen started to wonder about what just happened, why did Yan Fei's place become such a mess.

Ye Chen immediately left, he saw what was happening, when Ye Chen arrived, Ye Chen found that if there was a battle in this place, he didn't know who dared to attack Yan Fei, but these people looked strong.

Yan Fei and people were currently surrounded, they were surrounded by the elite troops belonging to the Luo Clan.

"Just give up, you're surrounded" Luo Clan elite troops ordered Yan Fei to surrender immediately, now Yan Fei is surrounded.

"I won't give up" Yan Fei said that she wouldn't give up, she wouldn't give up on her enemy.

"Then don't blame us because we acted violently, the troops cripple him, after that you can do whatever you want" The elite Luo army ordered his subordinates to immobilize Yan Fei, after that they could do whatever they wanted.

Yan Fei is very beautiful, naturally this attracts the interest of everyone in this place, everyone is eager to get Yan Fei for one night it is a very amazing thing for all of them.

"Hahahaha, feel it, you dare to get into trouble with the wrong person" Luo Ruin laughed from afar, laughing when he saw that the Luo Clan troops could easily corner Yan Fei.

Yan Fei was quite beautiful, if this woman were to be made a slave, then perhaps she could become a tremendous asset to the Luo Clan, the Luo Clan could use Yan Fei for a transaction tool, clients and partners would definitely be easily charmed by Yan Fei's beauty.

"Boom" just when everyone wanted to attack Yan Fei, suddenly a silhouette appeared from above that hit the ground directly, this made everyone bounce.

"What was that just now?" Luo Ruin wondered what had just happened, what had just appeared in front of them.

All of the Luo Clan elites became wary, they were all wary of the presence of this person who had just arrived at this place.

After the dust cleared, people saw the figure of a person wearing a mask and a robe, this person's appearance was very closed off, not many people could see this person's true appearance.

"How dare you cause trouble in this place, are you tired of living?" Ye Chen said to everyone in this place, he said to everyone present around this place.

"Who are you?" Luo Clan elite troops asked, they wanted to know the identity of the person who had just arrived at this place.

"You guys don't deserve to know my identity" Ye Chen said that these people don't deserve to know his identity.

"Really so arrogant, don't you know who is in front of you right now" Luo Clan Elite troops were furious when they saw Ye Chen's arrogance, they all disliked Ye Chen.

"I don't know about you, who are you?" Ye Chen asked the people in front of him.

Ye Chen still didn't know who the people who attacked Yan Fei were, although he didn't know yet, Ye Chen could guess who these people were.

"We are the Luo Clan's elite troops, we are here to take revenge for what happened." The Luo Clan's elite troops said that they were seeking revenge for what happened to the Luo Clan's businesses and businesses.

"So you're from the Luo Clan, then I'll destroy you immediately." Ye Chen didn't want to waste time, he had to counterattack from the Luo Clan.

The Luo Clan had committed a pretty big mistake, they had killed and harmed the people employed by Ye Chen, Ye Chen couldn't have just let this pass.

"You're joking, you single-handedly want to try to beat us, that's very funny" Luo Clan elite troops looked down on Ye Chen, they all looked down on Ye Chen who looked weak.

Ye Chen didn't want to waste his words on these people, Ye Chen wanted to end this battle as soon as he could.

Ye Chen took out his power, an enormous profound flame appeared and began to spread in all directions.

"Eat them all" Ye Chen controlled his profound fire to attack the enemies around this place.

The Luo Clan's elite troops were extremely skilled, they didn't show any fear or panic when faced with the power that Ye Chen was displaying.

Ye Chen looked happy when he saw what was happening, these people were too confident, it would be easier for Ye Chen to attack them all.

Ye Chen controlled his profound fire very well, Ye Chen's fire was like a flame ready to devour its victim.

Seeing the arrival of Ye Chen's attack, the Luo Clan's elite warriors immediately set up a barrier, they created a wind barrier to ward off Ye Chen's attack.

"arghhh. . ." The wind barrier created by these people was unable to withstand Ye Chen's attack, as a result they were all hit by Ye Chen's attack.

The elite warriors of the Luo Clan were devoured by the flames, they were all unable to save themselves from Ye Chen's raging flames.

"Arghhh" a gripping scream echoed around this place, this scream was very scary, they seemed to be being tortured to the end.

In a very short time, all the elite warriors from the Luo Clan had already been annihilated by Ye Chen, not a single warrior from the Luo Clan had managed to survive Ye Chen's rampage.

"What happened?" Luo Ruin looked in deep shock when he saw the elite Luo Clan army being wiped out in just a second, this was something that Luo Ruin could hardly believe.

"Who is this person who dares to kill my army, I must kill him?" Luo Ruin looked angry when he saw Ye Chen destroy all of his elite troops, this would be a huge loss for the Luo Clan.

"Bastard, how dare you ?" Luo Ruin raged, he came and lashed out at Ye Chen.

"So you who were behind the army just now, it's great that you want to show yourself, that means I don't have to bother looking for you anymore" Since the main enemy has arrived, Ye Chen no longer needs to bother looking for this person's whereabouts. .

"Bastard, I will definitely kill you" Luo Ruin was angry with Ye Chen's words, he felt that he was belittled by Ye Chen.

"Wind Bullet Pierce Luo Ruin's shot a profound wind towards Ye Chen, a powerful profound wind shot towards Ye Chen.

JOURNEY TO BECOME A TRUE GOD

Chapter 1468 - Destroying Luo Clan Manor

Luo Ruin's attack aimed at Ye Chen, with this attack Luo Ruin wished that he could kill Ye Chen in one fell swoop.

Luo Ruin's attack was an attack capable of penetrating all kinds of objects, it could easily penetrate one's body easily, Luo Ruin had already used this to kill many people.

Luo Ruin's attack was like a bullet with a very large caliber, the wind bullet wanted to fly very fast, it was almost invisible to the eye.

Luo Ruin's attack charged towards Ye Chen who was currently silent, the large caliber wind bullet hit Ye Chen's body.

"dead" Luo Ruin was already overjoyed when she saw Ye Chen who was hit by his attack.

"Why are you laughing like that, is there anything funny?" Ye Chen asked Luo Ruin.

"Huh, you?, how can you not get hurt?" Luo Ruin looked confused when he saw Ye Chen was unharmed with his attack, this was really very strange.

"It's because your attacks are too weak." Ye Chen told the reason his own wasn't hurt by Luo Ruin's attack.

To Ye Chen Luo Ruin's attacks were like a toy, his attacks were unable to injure him.

"Impossible, I can't believe this" Luo Ruin refused to believe what Ye Chen said, he attacked Ye Chen again using the same technique.

Luo Ruin's attack hit Ye Chen again, just as his attack was about to hit Ye Chen, Luo Ruin saw that his attack had suddenly disappeared.

"Huh?, how is that possible?" Luo Ruin couldn't believe what she saw how his attacks suddenly disappeared like that.

" Are you done?" Ye Chen asked Luo Ruin who still didn't do anything.

"Damn it, I can't believe I can't kill you" Luo Ruin couldn't believe that she couldn't kill Ye Chen.

Luo Ruin stepped forward and attacked Ye Chen with a long, sharp spear.

Ye Chen clasped his hands together, gathering strength to attack Luo Ruin who was coming towards him.

"**Breaking Meteor Blow**" Ye Chen launched an attack towards Luo Ruin, Ye Chen's attack aimed at Luo Ruin.

Luo Ruin swung his spear at Ye Chen Ye Chen, he used her spear to slash at Ye Chen.

Luo Ruin used his wind power to coat her weapon, Luo Ruin's weapon was strengthened again by using the profound wind power.

"BAM" A small explosion occurred, in this explosion, Luo Ruin's body was thrown a few meters away, Luo Ruin's weapon was also smashed into pieces.

" Cough . . ." Luo Ruin coughed up blood, he was heavily injured from Ye Chen's punch that hit his chest.

Luo Ruin's injuries could be said to be heavy, his internal organs shifted when he received an attack from Ye Chen.

"Bastard, this hurts so bad!" Luo Ruin cursed so loudly, he was in excruciating pain.

Ye Chen came and walked over to Luo Ruin, he stepped on the chest of Luo Ruin who was lying on the ground.

"Do you know what mistakes you have made?" Ye Chen asked Luo Ruin.

"You will regret doing this" Luo Ruin shouted at Ye Chen, warning that Ye Chen would regret what he had done.

"I won't regret what happened, I will avenge what you've done." Ye Chen would not stay silent when he saw his people being killed like this, he would destroy the Luo Clan to the core.

Ye Chen strengthened his stamping force, Luo Kan's body felt like it was being crushed by a huge and heavy mountain.

" Cracked . . ." A very loud crack sounded, it seemed as if Luo Ruin's bones cracked when Ye Chen stepped on it.

"hurt . . ." Luo Ruin shouted, she seemed to be in a lot of pain by what Ye Chen did.

Ye Chen didn't let Luo Ruin die so easily, he had to make this man pay for the murder of the employee employed by Yan Fei.

Luo Ruin's voice was hoarse and horrifying, one could tell that Luo Ruin must have received tremendous pain.

This torment was very heavy for Luo Ruin, she felt a heavy torment from Ye Chen.

After a while, Luo Ruin finally died, he was already unable to endure this excruciating pain.

Seeing that Luo Ruin was gone, Ye Chen release Luo Ruin, Ye Chen snapped his fingers. Luo Ruin's body was covered in flames, in the blink of an eye Luo Ruin's body was turned into ashes.

"Looks like I have to destroy the Luo Clan immediately, otherwise they will definitely send someone else to kill My Fei." Ye Chen couldn't let this happen, Yan Fei's safety might be at stake.

Ye Chen decided to go to the Luo Clan's place, he would end it all.

It's not good for Ye Chen to let this matter continue, Ye Chen doesn't want anything worse to happen.

Ye Chen left this place, he can entrust this place to Yan Fei, Ye Chen is sure that Yan Fei can handle the chaos in this place.

Yan Fei saw Ye Chen's departure, he knew what Ye Chen wanted, Ye Chen would definitely do that.

"Miss Yan, what should we do now?" The remaining maids asked Yan Fei, they wanted to know what they should do now.

"Quickly clean this place, don't leave any traces" Yan Fei gave an order, she gave an order to clean up, Yan Fei also ordered to give a large compensation for the people who had died.

The Luo Clan was indeed much fiercer than Yan Fei thought, they did whatever they wanted even if it had to destroy the Clan or the efforts of others.

"Okay, I will immediately do as you ordered" the waiter immediately left, he will do as ordered by Yan Fei.

Meanwhile, Ye Chen went to where the Luo Clan was, when Ye Chen arrived Ye Chen saw that the Luo Clan looked deserted, there weren't many guards guarding this place.

The Luo Clan's elite troops had been annihilated by Ye Chen, currently only a handful of troops were left to secure the Luo Clan.

"Good, this will make it easier for me." Ye Chen felt that it would be very easy to destroy the Luo Clan.

Ye Chen gathered the lightning power in his hand, he made a ball of lightning in his hand.

"Feel this" Ye Chen threw this ball of lightning at the Luo Clan Manor, the ball of lightning shot towards the Luo Clan Manor.

"Boom. . ."An enormous thunderbolt occurred, this lightning explosion leveled the Luo Clan Manor.

The Luo Clan Manor that was standing majestically was quickly turned to the ground by Ye Chen, it was most likely that the Luo Clan troops and residents had already been wiped out by the attack just now.

"Bastard who are you" Suddenly from below two people appeared from behind the ruins, these two people were Luo Mang and Luo Cangseng, both of them were able to survive Ye Chen's attack.

"So there's still some left, it looks like it wasn't strong enough earlier." Seeing this, Ye Chen concluded that his attacks weren't enough to kill these two.

"Who are you, how dare you destroy the Luo Clan manor" Luo Mang shouted at Ye Chen, Luo Mang looked very angry.

"Why would I tell myself to you guys, I'm definitely your enemy" Ye Chen wouldn't bother to tell himself.

JOURNEY TO BECOME A TRUE GOD

Chapter 1469 - [Bonus]I'm Just A Small Cultivator

"Bastard, I will kill you" Luo Mang roared at Ye Chen, he immediately attacked Ye Chen who was in front of him.

" wait a moment" Luo Cangseng told Luo Mang to stop, the enemy in front of them looked very strong.

If Luo Mang did everything in a hurry, then it would be fatal for them.

Luo Mang didn't listen to what Ye Chen said, he was already overcome by great emotions, this made him want to kill Ye Chen with his own hands.

"Feel this" Luo Mang attacked Ye Chen with a sword made of wind, Luo Mang swung his sword and intended to aim for the head that belonged to Ye Chen.

Ye Chen raised one hand of his, he made a defensive pose, Ye Chen wanted to ward off Luo Mang attack.

"Clang" Luo Mang slash hit Ye Chen, when Luo Mang slash hit Ye Chen there was a very loud sound.

Luo Mang body trembled as he slashed at Ye Chen, he took a few steps back to secure himself.

"So hard, what exactly is this person's body made of?" Luo Mang couldn't believe that Ye Chen would have such a tough and strong body, his slash couldn't cut off Ye Chen's arm.

"Time to strike back" Ye Chen had to strike back, this was the perfect time to strike back.

Luo Mang was currently looking confused, which was why this was a good opportunity for Ye Chen.

"**God Thunder Armor**" Ye Chen's body was enveloped by lightning, this lightning seemed like an armor protecting Ye Chen's body.

Ye Chen stepped forward and started to attack Luo Mang who was in front of him, when Ye Chen attacked Luo Man, Ye Chen showed an extremely fast speed, Ye Chen's speed was extremely fast, this was hard for Luo Mang eyes to see.

After using the God Thunder Armor, Ye Chen could feel an increase in strength, defense and speed, Ye Chen could be even faster.

"Bam. . ." Ye Chen hit Luo Mang's body, Luo Mang's body bounced when he received Ye Chen's attack.

"Arghh" Luo Mang roared, he received a powerful attack, this injured Luo Mang body.

"I can't see it" Luo Cangseng couldn't see Ye Chen's movement, Ye Chen's movement was very fast and Luo Cangseng's eye couldn't see it.

Luo Cangseng started to worry about Luo Mang, it seems that this person who came is not a random person, this can be seen from this man's abnormal strength, this person has abnormal strength.

"I have to help him, otherwise it will be very dangerous." Luo Cangseng had to help Luo Mang immediately, he wouldn't let Luo Mang be defeated by Ye Chen.

Luo Cangseng attacked Ye Chen, he launched a sneak attack towards Ye Chen.

"Boom" a wind attack hit Ye Chen's body, the attack made a fairly large explosion.

"Are you okay?" Luo Cangseng immediately asked Luo Mang condition, he asked Luo Mang condition.

"Damn it, some of my bones broke when I received an attack from him" Luo Mang told that some of his bones were broken when he received an attack from Ye Chen.

"Quickly eat this healing pill." Luo Cangseng gave Luo Mang a high level healing pill, with the pill Luo Cangseng gave him, Luo Mang's wound should heal soon.

Luo Mang immediately took the pill that was given by Luo Cangseng, he took and ate the pill.

After eating the pill that Luo Cangseng gave him, Luo Mang's wounds started to heal, and the broken bones also started to heal.

"We have to be careful with him, he has a tough body and enormous physical strength" Luo Mang told that the person in front had strong strength and physique.

"His speed is also amazing, I can't clearly see this person speed." Luo Cangseng told one more thing that Ye Chen had, Ye Chen's speed was very fast.

"Uncle, it looks like we have to work together to fight this guy." Luo Mang invited Luo Cangseng to work together to defeat Ye Chen.

"If we don't cooperate, then we will lose." Luo Cangseng said that if they didn't cooperate, it was certain that they would lose.

"You should call Luo Ruin and our elite troops, we need them to help" Luo Cangseng told Luo Mang to call Luo Ruin.

The existence of Luo Ruin and the Luo Clan's elite troops was urgently needed in this situation.

"I'll call him" Luo Mang nodded, they did need help from Luo Ruin to deal with Ye Chen.

Luo Mang tried to contact Luo Ruin, when Luo Mang contacted Luo Ruin, he found that Luo Ruin couldn't be reached.

" Unlucky . . ." Luo Mang cursed loudly, he couldn't contact Luo Ruin.

" What is it?" Luo Cangseng asked what happened, why did Luo Ruin suddenly curse so loudly.

"I can't contact him." Luo Mang said that he couldn't contact Luo Ruin.

"Quickly check the Life Mark Jade." Luo Cangseng immediately ordered Luo Mang to take a look at Luo Ruin's Life Mark Jade.

"Wait a minute." Luo Mang immediately saw Luo Ruin's Life Mark Jade.

"Off! ! !" Luo Mang was shocked when he saw that Luo Ruin's Life Mark Jade was extinguished.

" What ! ! !" Luo Cangseng was shocked when he heard this, his worries were right, this person in front of him was no ordinary person.

"Looks like he killed Luo Ruin" Luo Cangseng looked at Ye Chen, he guessed that Ye Chen had killed Luo Ruin.

"Shit" Luo Mang was really angry about this, he was angry at what had happened.

"Are you guys looking for that person, sadly he's dead" Ye Chen told Luo Mang that Luo Ruin was dead.

Ye Chen reappeared without showing a single wound from Luo Cangsen's attack.

"Who are you really, we never felt any enmity with you?" Luo Cangsen asked Ye Chen.

"Why don't you guess it yourself" Ye Chen told Luo Cangsen to guess it himself.

Ye Chen showed his mask towards Luo Cangsen, he showed who he was.

"He . . ." Luo Cangsen started to panic when he saw the mask worn by Ye Chen, he immediately knew who this person was.

"Uncle do you know him?" Luo Mang asked who Ye Chen was, from Luo Cangsen's reaction he must know about Ye Chen.

"Fool, he is the one who is being sought by the great powers of the God Realm, he is the one who has created a phenomenon that has shocked the entire God Realm" Luo Cangsen explained who the person they were dealing with was.

"Impossible, he must just want to bully us, I heard that many people have pretended to be that person, there is no way such a great person exists in a small place like this" Luo Mang said to Luo Cangsen.

"That's so true, there's no way I could become such a strong person, I'm just a small cultivator" Ye Chen confirmed what Luo Cangsen said.

"Look at him admitting it" Luo Mang pointed at Ye Chen, obviously Ye Chen was not the person Luo Cangsen was referring to.

Even though Ye Chen admitted it, Luo Cangsen still felt uneasy in his heart, he felt that the person in front of him was putting pressure on him.

"Let's finish this as soon as possible, I want to go home as soon as possible" Ye Chen's lightning suddenly turned white, a terrifying pressure radiated and made Luo Cangsen and Luo Mang tremble.

JOURNEY TO BECOME A TRUE GOD

Chapter 1470 - Luo Clan Perished

"This radiance, is this heavenly lightning?" Luo Cangsen looked surprised when he saw what Ye Chen had shown.

"This is really genuine, he can control the heavenly lightning?" Luo Cangsen really didn't believe there was anyone capable of controlling heavenly lightning, this was an impossible thing to do, even Luo Cangsen had never heard of something like this.

"It must be a trick, don't be fooled by something like this" Luo Mang still couldn't believe it, he was sure that this person was just bullying them.

Luo Mang didn't believe that there was someone who could control heavenly lightning, controlling heavenly lightning was an impossible thing to do, even the gods in the past could never do that.

Luo Mang stepped forward, he intended to attack Ye Chen, Luo Mang's injuries were still not fully healed, so Luo Mang couldn't show his full strength to Ye Chen.

"Wait a moment" Luo Cangsen tried to warn Luo Mang, Luo Cangsen's warning was really no joke, Luo Cangsen was afraid that Luo Mang would make a mistake that could get him into big trouble.

Luo Cangsen saw that this was really the person that the great powers in the God Realm were looking for, it must be this person who created a phenomenon that could make the entire God Realm tremble.

"You die" Luo Mang attacked Ye Chen, he launched a very deadly attack on Ye Chen.

Luo Mang coated his hand with profound wind, after coating his hand, Luo Mang used the enormous amount of profound energy he had to do this.

Luo Mang's attack was no joke, obviously being hit by this attack, a person's body could be torn to pieces, the power of this attack was like a lethal nuke.

"Boom" Luo Mang's attack hit Ye Chen's body, Ye Chen didn't dodge Luo Mang's attack.

"Hahaha, feel it" Luo Mang looked very happy when he landed an attack on Ye Chen, this attack should be enough to kill Ye Chen.

When Luo Mang attacked Ye Chen, Luo Cangseng felt something strange, he felt that his hand couldn't be moved.

Luo Mang looked at his hand, when Luo Mang looked at his hand, he found that his hand was missing.

" what just happened?" Luo Mang screamed, he didn't know what had happened to him.

"Quickly retreat now." Luo Cangseng told Luo Mang to immediately retreat, otherwise something more terrible could happen.

" Where are you going?" Ye Chen didn't let Luo Mang escape, he restrained Luo Mang who was trying to escape from this place.

"Arghh" Luo Mang roared, he felt excruciating pain when Ye Chen grabbed his wrist.

Luo Mang's wrist started to burn, in a very short time Luo Mang's arm was turned into ashes.

Luo Cangseng looked horrified when he saw what had happened, to be honest what had happened was terrifying, Luo Mang's body was instantly turned to ashes when he touched Ye Chen.

"You monster" Luo Mang looked scared, his two arms had been crushed by Ye Chen, now he has no arms.

Luo Cangseng immediately pulled Luo Mang back, if it continued like this, then it was certain that Luo Mang would be killed by Ye Chen.

"Let's just run away from this place" Luo Cangseng invited Luo Mang to leave this place, the enemy they were facing was too terrible, just seeing it made Luo Cangseng get goosebumps.

"Want to run away?, it's not that easy" Ye Chen wouldn't let Luo Cangseng and Luo Mang escape so easily, he couldn't just let the two of them escape.

Ye Chen couldn't let the Luo Clan escape, they already knew his secret, that's why these two had to disappear from this world.

Ye Chen made a lightning dome, he sealed off all exits that were owned by Luo Cangseng and Luo Mang.

"Damn it, our exit is blocked" Luo Cangseng didn't expect that Ye Chen would block their exit, now what should they do to get out of this place.

Ye Chen walked over to Luo Cangseng and Luo Mang, both of them looking confused to get out of this situation, they no longer had a way to get out of the dangerous situation that threatened their lives.

"You guys have no way out anymore" Ye Chen said that he had no way out anymore.

"Shit, we're really desperate, it seems I have no choice but to ask the Sect for help." Luo Cangseng had no other choice but to ask the Sect for help.

Luo Cangseng took out a canister of fireworks, this was an emergency signal held by people with very high positions in the Nine Immortals Peak Sect.

If Luo Cangseng pulled out the fireworks wick in his hand, then the people of the Nine Immortals Peak Sect would come and help them out of this situation.

This was the only way for Luo Cangseng to escape from Ye Chen, he would not be able to escape if he fought Ye Chen alone.

Luo Cangseng had already estimated Ye Chen's strength, at least Ye Chen's strength might be comparable to Peak Lords, so the Peak Lords could help him.

Luo Cangseng pulled the wick, a huge firework shot out and rose into the sky.

"boom" A huge fireworks explosion occurred, the explosion was big enough for everyone to see.

"So he's trying to ask for help, okay, time to end this" Since Luo Cangseng was trying to ask the Nine Immortals Peak Sect for help, Ye Chen had no choice but to quickly end this.

Ye Chen started to raise one hand of his, Ye Chen closed his eyes and started reading something.

When Ye Chen did this, the sky suddenly changed color, the sky became extremely dark, it was even darker than night, millions of white lightning flashed and made a sound that could shake one's soul.

Luo Cangseng and Luo Mang trembled, they again saw something that made them both amazed and scared.

The phenomenon that occurred covered an enormous area, the entire Sky Cloud Peak Star Realm was covered in pitch black clouds.

"You have to pay for everything" Ye Chen raised his hand up, a dragon appeared from behind the lightning, this dragon was enormous and made of

heavenly lightning, the lightning dragon roared towards Luo Cangseng and Luo Mang.

Luo Cangseng and Luo Mang looked terrified when they saw the appearance of a dragon made of lightning, they were really scared to death.

"**God's Judgment Lightning**" Ye Chen swung his hand downwards, when Ye Chen did this, the lightning dragon also descended towards Luo Cangseng and Luo Mang.

" Not . . ." Luo Cangseng and Luo Mang shouted, they tried to block the attack that was aimed at him.

"BOOM" A very powerful lightning explosion occurred, a very long pillar of lightning appeared and could be seen by everyone in the distance.

All the cultivators saw a white pillar, they just fell silent when they saw the white pillar rising into the sky.

" what's that?" The reinforcements from the Sky Cloud Peak Star Realm were shocked when they saw what happened, what happened left everyone feeling shocked.

"Hurry up, something seems to have happened" one of the senior core disciples told the others to leave immediately, Lord Peak would definitely catch up with them.

The core disciples of the Nine Immortals Peak Sect immediately headed for the Luo Clan manor, all of them approaching the Luo Clan manor.
