Chapter 1471 - Riot In The Sky Cloud Peak Star Realm

The support from the Nine Immortals Peak Sect had arrived, when the help arrived, they were all shocked to see that the Luo Clan Manor had turned into a very deep pit.

The core disciples didn't know what had just happened, all they knew was that the Luo Clan had been destroyed without a trace.

"what happened here, who can explain what happened in this place" Shin Pi asked everyone who got here first, he asked what happened to the Luo Clan.

"Lord Peak, we don't know what happened, when we arrived this place was already like this" Everyone didn't know what happened, when they arrived, a big hole had already appeared in this place.

"Bastard" Shin Pi roared, he roared when he heard the answer given by the core disciple beside him.

"Did the big explosion that just happened make the Luo Clan disappear?" Zhu Tenmu also came, he saw that the explosion just now destroyed the Luo Clan Manor.

The explosion that had just occurred was so powerful that even Zhu Tenmu could feel the horror of the explosion that had just occurred.

Apart from Zhu Tenmu, Yun Yang, Mo Chiyi, Ru Maan and the rest of the Peak Lords arriving, they all came because of the signal that Luo Cangseng had just given.

Too bad all of the Peak Lords were late, they were all a few minutes late, the entire Luo Clan Manor had been turned into a huge gaping pit.

"Quickly find some information, I want information as soon as possible" Shin Pi ordered the people from Cloud Sky Peak to find out what happened.

"Okay, we understand." All the core disciples from Cloud Sky Peak left immediately, they all found out what was really going on.

"How are we going to explain this to the Patriarch, the Luo Clan has a good relationship with the Patriarch, plus Luo Tian will definitely not be happy about this?" Ru Maan asks Shin Pi, he wants to know Shin Pi's opinion on this matter.

"I don't know, the patriarch and Luo Tian are still in seclusion, we can't disturb them, all we can do now is find out what happened to this place." Shin Pi couldn't immediately tell the Patriarch and Luo Tian, ??they were still was in exile.

"So it's like that" Ru Maan nodded, it seemed that they would not be able to tell the matter to the Patriarch and Luo Tian.

"You help me solve this problem" Shin Pi asks Ru Maan to help him find out this problem, he wants students from Dewdrop Peak to help find out what happened.

"Okay, I'll do it" Ru Maan nodded, he will help Shin Pi in revealing what happened.

Who knows there are witnesses who are still alive and can be questioned, even though it will be a very difficult thing to happen.

The previous explosion was very powerful and huge, there was no way anyone would be alive, most likely the people from the Luo Clan Manor were gone, now there were only members who weren't in the Luo Clan Manor, and even then there were probably not many people, and most of them were just people with low status in the Luo Clan.

Disciples from Cloud Sky Peak and Dewdrop Peak teamed up, they teamed up to search for clues as to what destroyed the Luo Clan Manor.

.

.

Ye Chen himself was currently going to see Yan Fei, he needed to get Yan Fei away as soon as possible.

For the time being, Ye Chen would put Yan Fei in his place, that way there would be someone who could protect the safety of Yan Fei.

In Ye Chen's house is a safe place, Ye Chen can easily protect Yan Fei in that place.

"Husband, how are you?" Yan Fei asked Ye Chen who had just arrived, hers asking about the current conditions.

"I've finished everything, by now the Luo Clan's top brass should have been wiped out." Ye Chen announced that he had defeated the Luo Clan.

"That's great." Yan Fei feel relieved to hear this, this way the Luo Clan would no longer oppress Yan Fei's business and the little people.

"The situation is currently not good, so I hope you stay at my place for a while" Ye Chen told Yan Fei to stay at his place for the time being, the situation might become chaotic in the next few days.

"Okay, I understand" Yan Fei understood what Ye Chen wanted to do, she knew that the situation would become chaotic, the destruction of the Luo Clan would definitely lead to an extraordinary riot, there would definitely be many powers who were not happy with this kind of thing.

"While you are at my house, you can appoint one of your trusted confidants to assist you in taking care of matters when you are not here." Ye Chen allowed Yan Fei to choose a guardian when she was not here.

"I've done it, you don't have to worry about it" Yan Fei has already done that, Yan Fei has done whatever it takes.

Ye Chen was happy to hear this, Yan Fei is really a very smart woman, she already knows what to do in a sudden situation like this.

Ye Chen brought Yan Fei to his house, Ye Chen would secure Yan Fei for the time being.

.

.

news of the Luo Clan being destroyed very quickly spread, plus there was evidence that what had happened to the Luo Clan was related to the heavenly lightning, naturally attracted the attention of the great powers in the God Realm.

The great powers immediately sent their representatives, they immediately investigated the truth of what happened.

The Sky Cloud Peak Star Realm became famous very quickly, there were countless great powers that came to seek this truth, if what happened was the truth, then the person they were looking for should be in the Sky Cloud Peak Star Realm.

"The situation has become very chaotic, it looks like there is going to be a huge storm coming." Ning Xia looked out the window, she saw that there was going to be a riot in the Sky Cloud Peak Star Realm.

What had just happened would provoke a great power, they would definitely find out the whereabouts of this highly sought-after Mask Hero in the God Realm.

"Sister, the situation is chaotic outside, do we need to go too?" Mu Xueying asked Ning Xia, she wanted to know if they should go and see what was going on right now.

"No need, we don't need to interfere too much, it's not good for us to interfere in such a big matter." Ning Xia told Mu Xueying not to interfere in this matter, it would be dangerous for her to get involved in this kind of matter.

"Okay, I understand." Mu Xueying nodded, she would not interfere in this matter.

"Where is Ye Chen?" Ning Xia asked Mu Xueying, Ning Xia wants to know where Ye Chen is right now.

"Ye Chen is currently in White Cloud City, he should be at his home in White Cloud City." Mu Xueying said where Ye Chen was right now.

"You go and take care of him, you can leave the one here to me" Ning Xia told Mu Xueying to go and take care of Ye Chen, she will take care of Jade Lotus Peak.

"I will go.." Mu Xueying nodded lightly, and immediately went to where Ye Chen was.

JOURNEY TO BECOME A TRUE GOD

Chapter 1472 - Huang Ying And Mu Xueying's Confrontation

Ning Xia saw Mu Xueying's departure, after Mu Xueying left, Ning Xia looked out again.

"The situation is just getting more and more chaotic, lately the God Realm has become very crowded." Ning Xia started to think that the God Realm had become very chaotic.

There were so many very strange things going on, this made the God Realm shake and become extremely chaotic.

"Is it because of Ye Chen?" Ning Xia began to suspect that this was all Ye Chen's doing, ever since Ye Chen came, somehow the God Realm had become very lively.

Ning Xia started to think about this possibility, this possibility was the most likely to happen.

"Maybe it's just a coincidence, he definitely has nothing to do with this matter" Ning Xia shook her head, there was no way that Ye Chen had anything to do with this matter.

"Looks like I won't be able to go out for a while, it would be too dangerous if anyone recognizes me" For the time being, Ning Xia wouldn't be able to come out freely, it would be troublesome if anyone recognized her, that's why for a while Ning Xia might continue to be at Jade Lotus Peak.

"Mask Hero, who exactly is this person, he makes me very curious" Ning Xia was very curious about the figure of the Mask Hero sought by all the great powers in this God Realm, she really wanted to know about the figure of the person who is said to be the most terrifying genius in the history of the God Realm.

Powerful power plants have sprung up, they are all looking for Ye Chen's whereabouts, they are all searching all kinds of places to find Ye Chen's whereabouts.

.

At Ye Chen's house

"Hachi" Ye Chen suddenly sneezed, in the past few times he has sneezed "husband, are you okay?" Li Jingyi asked about Ye Chen's condition, she was worried about Ye Chen's condition.

Li Jingyi was worried that Ye Chen was sick, if Ye Chen was sick then Li Jingyi could take care of Ye Chen with all his heart.

"I'm fine, you don't have to worry, there might be some people talking about me" Ye Chen replied to Li Jingyi.

"It's because you have made such a big fuss, there must be a lot of people talking about you" said Yan Fei to Ye Chen.

"Husband, recently there have been so many strong people are coming, are they looking for you?" Huang Ying asked Ye Chen, she sensed that many powerful cultivators had arrived at Sky Cloud Peak Star Realm

"You can say that" Ye Chen didn't dodge the question asked by Huang Ying, he was indeed being searched by people in God Realm

you being careless, don't let them find you, otherwise it will be very dangerous for you." Huang Ying immediately reminded Ye Chen

"no one will be aware or suspicious about me" Ye Chen looked very confident, it seemed that Ye Chen was very sure that he was fine, no one would be aware and suspicious about him.

"that's good" Huang Ying was like when she listened this matter, it seems that Huang Ying doesn't have to worry about Ye Chen's safety.

As long as no one is aware, then it will be fine for Ye Chen, these strong people definitely not find Ye Chen.

Yan Fei and Li Jingyi listened to the conversation between Ye Chen and Huang Ying, it seemed that there was a serious matter that Huang Ying was worried about.

"Ding. . . ." Suddenly from outside there was a sound of a bell, it seemed there was a guest outside.

"Did someone find us?" Yan Fei is worried, maybe they have been found, it's too soon, isn't Ye Chen hiding himself so well, how can they be found so quickly.

"Who's outside?" Li Jingyi was curious who was visiting at night like this.

"Why don't we see" Ye Chen wanted to see people visiting at night like this.

"No, let me see." Huang Ying forbade Ye Chen to go, she would go and see who was out there.

Without waiting for Ye Chen's answer, Huang Ying immediately went outside, she heading towards the entrance.

When Huang Ying was outside, Huang Ying saw someone in a black robe, this person seemed to be hiding identity.

"This aura, Ice Phoenix?" Huang Ying could faintly sense the pure Ice Phoenix bloodline in this mysterious person's body, it seemed that he had obtained a slight inheritance from one with complete Phoenix inheritance.

"Who are you?" Mu Xueying and Huang Ying both asked, both asked each other.

Mu Xueying and Huang Ying still didn't know each other, so it wasn't strange that the two of them would ask when they met like this.

"You first." Huang Ying invited Mu Xueying to introduce herself.

"Didn't you go first?" Mu Xueying refused to introduce herself, she told Huang Ying to introduce herself.

Since the two of them didn't want to introduce themselves, the situation in this place became quite awkward, both of them didn't want to introduce themselves to each other.

Since they didn't want to introduce themselves to each other, Mu Xueying and Huang Ying became suspicious of each other.

"Who exactly are you, quickly tell me what you need?" Huang Ying asked Mu Xueying's needs, she asked about Mu Xueying's needs.

"I'm here to look for Ye Chen." Mu Xueying informed that she came here to look for Ye Chen.

"What do you really want from him?" Huang Ying asked Mu Xueying.

"I have important business with him" Mu Xueying informed that she had important business with Ye Chen.

"What kind of business is that?" Huang Ying asked what kind of business Mu Xueying had with Ye Chen.

"This is a personal matter, why do you ask so many questions?" Mu Xueying was not happy when she saw Huang Ying who was always asking her questions.

"If you don't tell me, then I won't let you through." Huang Ying wouldn't let Huang Ying pass before he told his business to Ye Chen.

"What the hell" Mu Xueying was not happy when she heard this, for some reason Huang Ying tried to find trouble with her.

"Little girl, please don't look for trouble with me, otherwise I don't know what I can do to you" Huang Ying told Mu Xueying not to look for trouble on her, lest Mu Xueying get into unnecessary trouble.

"Is this a challenge?" Mu Xueying said to Huang Ying who was in front of her.

"I'm not challenging you, but if you don't want to say what happened, maybe I'll consider attacking you." Huang Ying warned Mu Xueying.

Mu Xueying started to use her profound energy, Mu Xueying's body was covered in an extremely cold dew.

"Oh, so you want to fight? Okay, I will serve you" Seeing Mu Xueying who wanted to fight against her, Huang Ying did not stay still, he gave off a very strong pressure.

Mu Xueying was immediately subdued by the strong pressure that was released by Huang Ying, Mu Xueying's body felt extremely heavy when she faced this tremendous pressure.

"Who are you?" Mu Xueying immediately asked who Huang Ying was, why did Huang Ying have such great power.

"I guess I don't need to tell you about me" Huang Ying refused to tell her to Mu Xueying, it was useless for Huang Ying to tell Mu Xueying.

Huang Ying was stronger than Mu Xueying, so Huang Ying was now above Mu Xueying.

JOURNEY TO BECOME A TRUE GOD

Chapter 1473 - Then I'll Just Spend Time With You Guys

Huang Ying only needed to snap her fingers, and Mu Xueying would lose in seconds.

Mu Xueying tried to fight back, herself tried to fight against the pressure that Huang Ying was holding.

Mu Xueying would not give up so easily, she would fight against Huang Ying.

With Mu Xueying's tenacity, Mu Xueying was finally able to resist Huang Ying's pressure.

Huang Ying was slightly taken aback by the determination shown by Mu Xueying, Mu Xueying showed a very strong determination.

"Very good willpower" Huang Ying nodded, she saw that Mu Xueying had very good willpower against her.

"I don't care who you are, I will beat you" Mu Xueying didn't care about the woman in front of her, she would try to beat Huang Ying with her own hand.

"Show your abilities" Huang Ying told Mu Xueying to show her abilities.

Mu Xueying made some lotus flowers, she intended to attack Huang Ying with lotus flowers.

Huang Ying didn't want to lose, she showed her strength in front of Mu Xueying.

Some snow appeared around Huang Ying, Huang Ying's body was covered in snow.

Huang Ying controlled this snow, he directly attacked Mu Xueying who was in front of him.

Mu Xueying didn't want to lose, she stepped forward and attacked Huang Ying who was in front of her.

The Ice Flower and the snow collided, when the two collided it created a sizeable explosion.

This explosion made the Array in this house vibrate, if Ye Chen didn't set up an Array, the district around this place would definitely be destroyed.

Mu Xueying retreated and took hundreds of steps back, her attack had been repelled by Huang Ying.

"Who is this woman, why is she so strong?" Mu Xueying was starting to wonder who this woman in front of her was, why she had so much strength.

"What are you guys doing?" heard the big commotion outside, Ye Chen immediately came out, he wanted to see what was going on outside.

" Husband . . ."When Ye Chen came out, Mu Xueying and Huang Ying simultaneously called out Ye Chen's name.

"eh. . .?" Both of them looked shocked when they heard what they just said, Mu Xueying and Huang Ying looked at each other, both couldn't believe what they were hearing.

" you . . ." Huang Ying and Mu Xueying pointed at each other, both of them starting to understand what was going on.

" Hi. . . , what is going on here, are you guys fighting?" Ye Chen asked Huang Ying and Mu Xueying, he asked if the two had just fought.

"Who is this beautiful woman, did you bring another new woman?" Mu Xueying directly interrogated Ye Chen, Mu Xueying asked Ye Chen about the beautiful woman she just fought.

"wife, she is Huang Ying, we met on my last trip" Ye Chen introduced Huang Ying to Ye Chen, he told Mu Xueying that he and Huang Ying met on the last trip.

"You really can't be helped, why do you always get a beautiful woman every time you go, what kind of talisman do you actually have?" Mu Xueying really couldn't think anymore, why was Ye Chen so lucky, this man always met such amazing beauties.

"Fufufu, sister Xueying, husband's luck is really very good" Li Jingyi came, he confirmed that Ye Chen's luck was very high.

"Husband, who is he?" Huang Ying asked Ye Chen, he wanted to know who Mu Xueying was.

"She is Mu Xueying, she is one of my wives" Ye Chen introduced Mu Xueying to Huang Ying.

"So she's your woman, then I'm sorry that I attacked you" Huang Ying apologized to Mu Xueying, she had said rudely to Mu Xueying.

"It's okay" Mu Xueying shook her head, this is also her fault, she took part in this matter.

"Xueying, why are you here?" Ye Chen asked Mu Xueying, why Mu Xueying could be in this place.

"I came to see you, I was afraid that you would cause trouble." Mu Xueying told Ye Chen the reason she came to this place, Mu Xueying was worried that Ye Chen would cause something bad.

"Hahaha, there's no way I might cause something right?" Ye Chen looked at Li Jingyi, he wanted Li Jingyi to help him out of this trouble.

"Husband didn't do anything, so sister Xueying needn't worry too much." Li Jingyi helped Ye Chen, herself helping Ye Chen out of a dangerous situation.

Ye Chen looked very relieved when he saw Li Jingyi helping him, Li Jingyi was indeed a very understanding woman.

"How suspicious" Mu Xueying did not easily believe Ye Chen, she did not easily believe what Ye Chen said.

Mu Xueying wouldn't be easy to trick, so it would be hard to fool Mu Xueying, she was a smart woman and very hard to trick.

"Come on in, it's not good to talk outside." Ye Chen took Mu Xueying, Huang Ying and Li Jingyi inside.

Mu Xueying, Huang Ying and Li Jingyi nodded, the three followed Ye Chen into the house.

Upon entering the house, Mu Xueying saw a woman who was Sexy and Glamorous, this woman was no stranger to Mu Xueying, she had met this woman at Song Ziyu's party.

"He has also done that with Ye Chen." Mu Xueying could see that Yan Fei had already become Ye Chen's woman.

Mu Xueying took one of the seats, herself sitting on one of the sofas in the living room.

"Xueying how is the situation outside?" Ye Chen asked Mu Xueying about the situation outside

"the situation outside is really very chaotic, there are so many great people coming" Mu Xueying informed about the situation.

"There will be a big storm in Sky Cloud Peak Star Realm, we should stay here for a while" Hearing what Mu Xueying said, Ye Chen decided to stay in this house for a while.

"You better not go out first, you always cause trouble, I'm here to watch over you" Mu Xueying said that Ye Chen couldn't go out, Ye Chen wasn't allowed to leave this house.

"Then I'll just spend time with you guys." Ye Chen smiled evilly, he would spend time with Mu Xueying, Li Jingyi, Yan Fei and Huang Ying.

Mu Xueying's face was slightly red, it seemed that she had just made a mistake by saying such a thing to Ye Chen.

"As long as he doesn't come out, then it will be fine." Mu Xueying had no problem with this, as long as Ye Chen didn't come out for a while, then it would be fine.

Ye Chen, Mu Xueying, Yan Fei, Huang Ying and Li Jingyi went inside the fairy gate, they decided to spend their time inside the fairy gate.

The situation outside was completely chaotic, news of the Mask Hero had spread very quickly, almost all the major powers in the God Realm had sent people to check and see what had happened.

The cultivators in the Sky Cloud Peak Star Realm were shocked by what was happening, they kept seeing powerful people arriving from all directions, this they had never seen in their lives.

A woman came, this woman's steps were very light and full of beauty, this person was Vei, she was Yue Ya's personal servant.

Yue Ya immediately sent her personal servant to see what was going on, she told Vei to find out what was going on in the Sky Cloud Peak Star Realm.

[JOURNEY TO BECOME A TRUE GOD](#)

Chapter 1474 - Met Luo Bing By Accident

"So this is the place." Vei looked around, she saw the former Luo Clan Manor. The Luo Clan's Manor had now become a huge deep pit, the depth of this pit was estimated to be around hundreds of miles away.

Vei came down, she checked what had happened to this place, besides Vei there were several people from the great powers in the God Realm, they all gathered in this place and looked for the traces left by the Mask Hero.

Vei started looking for traces of the Mask Hero, she used the tracking method to find the whereabouts of the Mask Hero.

Vei used various means to find Ye Chen's whereabouts.

"This person is great, he didn't leave a trace" Vei was confused, she didn't find a trace that he could use to find the whereabouts of the person she was looking for.

"he is indeed a genius, he is able to hide himself very well" Vei had to admit the abilities possessed by the Mask Hero, she recognized the abilities possessed by the Mask hero.

Vei couldn't give up, she couldn't give up on finding the whereabouts of the Mask Hero.

Yue Ya had given an order to Vei, so Vei had to carry out her orders as best she could.

Not only did the Blue Moon God Star Realm send people, the Immortal Profound Sea Realm, Sacred Heaven Star Realm, Eternal Sun Star Realm also sent people to investigate this matter.

The people that were dispatched were great people, they were all powerful cultivators capable of shaking a mid-ranked star like Sky Cloud Peak Star Realm.

The current situation of the Sky Cloud Peak Star Realm is very lively, many people come out of curiosity, those who come are more interested in the Mask Hero, they are not too interested in the matter of the Luo Clan being destroyed.

In the God Realm this kind of thing was not too horrendous, the loss of a small Clan had happened so often, sometimes even a single star could be annihilated.

People looked and looked for all the evidence, they all looked very busy.

Shin Pi and Lord Peak in Nine Immortals Peak Sect are very busy, they have to serve the strong characters that come, if they make a mistake, their lives could be lost, so Shin Pi tries his best to serve all the strong characters that come.

.

.

Days passed, the situation began to subside, some powerful cultivators began to leave the Sky Cloud Peak Star Realm, because they didn't get what they were looking for, then they could only leave the Sky Cloud Peak Star Realm, it was useless for them to stay in the Sky Cloud Peak Star Realm, that would be a complete waste of time.

Even though many had already left, the Sky Cloud Peak Star Realm still seemed very lively, there were still some powerful cultivators who decided to stay and observe what would happen.

It was possible that the Mask Hero was still hiding in the Sky Cloud Peak Star Realm.

.

.

In these few days, Ye Chen was enjoying his days together with Li Jingyi, Yan Fei, Huang Ying and Mu Xueying. Ye Chen spent a lot of time with the four of them.

Li Jingyi, Yan Fei, Huang Ying and Mu Xueying really enjoyed the time they spent together with Ye Chen, the days with Ye Chen were very pleasant.

"Tomorrow is the day I will fight with Luo Tian, ??my spirits are very high now, I am very ready to fight" Ye Chen was very ready to fight with Luo Tian, ??thanks to the love given by Li Jingyi, Yan Fei, Huang Ying and Mu Xueying was now Ye Chen in very high spirits.

"Husband, are you going out?" Mu Xueying asked Ye Chen, she wanted to know if Ye Chen would come out.

"It's been a long time since then, so the situation should have improved, there's no need to be afraid to go outside." Ye Chen said that a few days had passed, so the situation should have started to improve.

"You have to stay alert, there are still some strong people roaming around, don't provoke them." Mu Xueying let Ye Chen go, she currently didn't have the ability to stop Ye Chen.

Honestly Mu Xueying was quite exhausted, she had spent the most time with Ye Chen in the Dual Cultivation Room, so Mu Xueying was the most exhausted out of the four.

"I'll give it a try." Ye Chen could only hope not to provoke others, as long as nothing was too much, maybe Ye Chen could endure this.

Mu Xueying was helpless, it seemed that she couldn't do anything about this matter, she could only pray that Ye Chen didn't do anything.

Ye Chen came out of his house, he saw that the situation had improved, at least there were no more cultivators flying around White Cloud city, so everything must be back to normal.

"I'll go and take a walk around the city" Ye Chen intended to go and take a walk, Ye Chen's goal was to find information about what had just happened during the past few days.

Because Ye Chen spent time with peerless beauties, Ye Chen didn't know the information that was outside, that's why Ye Chen wanted to find out about the information that was outside.

Ye Chen looked for the biggest tavern in White Cloud city, it should be an easy place to find some information.

"Everyone move aside, the disciples from the Five Lord Divine Academy are here" one person told the people to step aside, the disciples from the Five Lord Divine Academy were here.

Hearing this, everyone immediately stepped aside, they all gave way to the disciples of the Five Lord Divine Academy.

"Five Lord Divine Academy, it is one of the best academies as well as one of the great powers controlling the God Realm." The Five Lord Divine Academy is a place where talented cultivators from all over the God Realm go, they all hope to enter the ranks of the Five Lord Divine Academy.

The Five Lord Divine Academy had countless connections from various Clans, kingdoms and even families in various God Realms, so it was not surprising that they wielded enormous influence.

"Master, it seems that you will meet an old acquaintance." Chu Yuechan said that Ye Chen was going to meet an old acquaintance.

"Who is that?" Ye Chen asked Chu Yuechan, he wanted to know who Chu Yuechan was referring to.

"Why don't you see it yourself" Chu Yuechan told Ye Chen to see her, Ye Chen would definitely immediately know who Chu Yuechan was referring to.

"I'm curious, then I'll go take a look." Ye Chen became curious, he was quite curious about the person Chu Yuechan was referring to.

Ye Chen stepped forward, he wanted to see the Five Lord Divine Academy disciple that the people around this place were talking about.

When Ye Chen reached the front, Ye Chen found about five? with an exact match of clothes, there were three boys and two girls.

The five of them possessed amazing cultivation bases and auras, anyone would definitely feel pressured when meeting these people.

"he?" Ye Chen knew one of the five disciples of the Five Lord Divine Academy, this was Ye Chen's acquaintance when he was on earth.

The person Ye Chen was referring to was Luo Bing, Luo Bing turned out to be part of one of the Five Lord Divine Academy's disciples.

"How can he be here?" Ye Chen started to think about how Luo Bing could be in this place, why Luo Bing could be in the God Realm, let alone Luo Bing being a disciple of the Five Lord Divine Academy.

JOURNEY TO BECOME A TRUE GOD

Chapter 1475 - Chang Er & Luo Bing

"Didn't I tell you that he is talented, with that talent he should be able to become a great person, you just don't listen to me" Chu Yuechan reminded Ye Chen of the past, whereas in the past Chu Yuechan had reminded Ye Chen that Luo Bing very talented.

"When did you say that?" Ye Chen had probably forgotten about this matter, he had completely forgotten about this matter.

Chu Yuechan could only shake her head, it seemed that Ye Chen had already forgotten what she had said.

"She looks even more beautiful" Ye Chen had not seen Luo Bing for a long time, Ye Chen felt that Luo Bing now looked even more beautiful.

"The woman beside her is fine too, look at that, she has two colors in eyes" Chu Yuechan pointed at the woman beside Luo Bing, she saw that the woman beside Luo Bing was beautiful and possessed a very strong charm.

"Yes, she is indeed beautiful." Ye Chen looked at the woman Chu Yuechan was talking about.

Ye Chen saw a slender woman with a well-developed body, this woman had a double peak that was about an F or G Cup in size, this woman's hairstyle was flowing straight with a large butterfly ribbon at the back of her head.

"But why is the color of her eyelids different from each other, is it possible that she has an abnormality?" Ye Chen saw that this woman's eyelids were of different colors, one red and the other green.

"It's possible that it's innate, but those eyes are a little abnormal, I can feel that they have their own strength." Chu Yuechan still wasn't convinced by this woman, she felt that this woman's eyes were abnormal.

Ye Chen observed the woman beside Luo Bing, he wanted to know more about the woman beside Luo Bing.

"Wow, that woman is very beautiful, who is she?" the men around this place started praising the woman beside Luo Bing, they looked infatuated with the woman beside Luo Bing.

"If I'm not mistaken she is Chang Er, she is said to be the most beautiful woman in the Five Lord Divine Academy." Some people knew the woman beside Luo Bing, they knew the woman beside Luo Bing.

"So she is Chang Er, she is very beautiful, I want to meet her" most men shouted, they wanted to meet a beautiful woman like Chang Er.

"Are you crazy, are you going to be glanced at by a beautiful woman like that?" one of the men thought that what had just happened was impossible.

"Everyone, I made some small chocolates, do you want it?" Chang Er, suddenly gave some chocolates to the man who was around this place.

"wow not only is she beautiful, she is so kind, she really is a goddess" All the men were amazed by the kindness that Chang Er had, she was really very kind to everyone in this place.

Most of the people in this place were people of low background, so it would be extremely difficult for them to enter the eyes of someone like Chang Er.

But the reality is not like that, Chang Er is very friendly, this woman is friendly to everyone in this place.

Because of her friendliness, Chang Er is very popular very quickly, many men have fallen in love with her.

"This woman?, she made everyone fall under her influence" Ye Chen saw what Chang Er was trying to do, this woman was trying to make everyone fall on her.

"Is this woman using Charm?" Chu Yuechan asked Ye Chen, could it be that the woman in front of him used a Charm.

"It comes from that woman's eyes" Ye Chen saw that this woman's Charm came from her eyes, she was able to hypnotize everything in this place.

Unbeknownst to them, currently they are all under Chang Er's influence, this woman has influenced all the men in this place.

"This bitch. . ." the women in this place don't like Chang Er's way of seizing the men in this place, they are annoyed at Chang Er for bringing the men they like to their knees like that.

"Submit to me, all of you will not be able to refuse me" Chang Er looks very happy, she managed to subdue the people here with the Charm she has.

Chang Er looked around, she saw everyone who was under the influence of her charm.

Chang Er looked at Ye Chen, when Ye Chen looked at Ye Chen, she found something that he unlike other men, Ye Chen looked very calm, he didn't show the slightest bit of affection for Chang Er.

"he is handsome?" Chang Er looked at Ye Chen, this young man was quite handsome, he was the most handsome man she had ever met in this life.

Ye Chen was indeed handsome, all the men within the Five Lord Divine Academy were nothing compared to Ye Chen.

"I'd better go, looks like there will be unnecessary trouble" Ye Chen decided to just leave, s=he didn't want to get involved in such annoying trouble.

From the look in Chang Er's eyes, Ye Chen could see that this woman wanted to do something to her, rather than Ye Chen getting into trouble, Ye Chen would be better off leaving.

"Where are you going?" Chang Er didn't let Ye Chen go, she chased after Ye Chen's figure who was trying to run away.

"Chang Er, where are you going?" Luo Bing and the others asked Chang Er who had suddenly left, they were all curious where Chang Er had gone.

Chang Er chased after Ye Chen's figure, Ye Chen's figure disappeared very quickly, Chang Er couldn't find Ye Chen's figure.

"So fast" Chang Er couldn't believe that Ye Chen could run away so fast, that person's speed was really very high.

"What are you doing?" Luo Bing came and approached Chang Er, she asked why Chang Er left like that.

"I just saw someone I was attracted to, but it seems he ran away quickly" Chang Er said that she was chasing someone she was attracted to.

"Forget about it, we should go back and focus on our task, otherwise we will receive the punishment from master" Luo Bing tricked Chang Er to return, they should focus on the task that has been given by master.

Luo Bing, Chang Er and the other three people received a special assignment, they were all ordered to find the necessary information.

"Looks like he's gone, let's go back" Seeing the handsome man he was chasing couldn't find him, Chang Er invited Luo Bing to come back, he invited Luo Bing to come back and continue his task of finding information in this small town.

Luo Bing and Chang Er returned, they returned to the group.

From the rooftop Ye Chen watched Luo Bing and Chang Er leave, neither of them detected Ye Chen's presence.

"They're gone" Ye Chen was relieved, now he could continue to search for information.

Ye Chen didn't want to go to the best inn in City, it didn't seem like a safe place for Ye Chen.

There must be countless strong cultivators from all over the place, Ye Chen might be suspect if he showed himself.

Ye Chen prefers to search for information around the city, while he himself will enjoy his leisure time.

Ye Chen had not enjoyed street food for a long time, once in a while it was fine to do this kind of thing.

JOURNEY TO BECOME A TRUE GOD

Chapter 1476 - Do You Think This Woman's Eyes Are Myopic?

Ye Chen was looking for some information, he was looking for information that was useful to himself.

While searching for information, Ye Chen discovered that there were a lot of great powers coming, from the Eternal Sun Star Realm, Sacred Heaven Star Realm, Immortal Profound Sea Realm, Blue Moon God Star Realm and Five Lord Divine Academy.

All the major powers had gathered in this place to search for the whereabouts of the Mask Hero, they were all trying to track down the whereabouts of the legendary Mask Hero.

"It seems that I have become the most wanted person in this world." Ye Chen sighed, it seemed that he had become the most wanted person in the entire God Realm.

"master, you are getting more and more popular, it seems that there are a lot of people who are after you" Chu Yuechan giggled when she heard this news, she giggled because now that Ye Chen had become so famous, there were so many great powers find Ye Chen.

"how can you laugh, you should help me find a solution, you should know that this is a serious problem" Ye Chen told Chu Yuechan to help him find a solution.

"Why seek solutions, you are far smarter at hiding than me, as long as you don't expose yourself directly they won't notice" Chu Yuechan said to Ye Chen.

These people are looking for someone with the power of heavenly lightning, as long as Ye Chen does not show the power of heavenly lightning, then Ye Chen will be fine.

"I just hope that I don't meet that goddess, if I do, I will definitely make her regret it." Ye Chen really hoped that if he didn't meet Sun Xuanyin, that woman was the only person who annoyed so much.

"News about you is still confusing, so the chances of that woman coming will be minimal, the last lesson you gave might scare her and won't dare to look for you." Chu Yuechan said that Sun Xuanyin would most likely not come to this place.

"Hopefully she will be deterred and will not look for me again" Ye Chen hoped that could happen.

Ye Chen ordered some dishes that were on the side of the road, Ye Chen enjoyed his life like a normal person.

Mingling with normal people would make Ye Chen's existence even more vague.

That way no one would notice that the person enjoying the meal was the Mask Hero that all the cultivators who stopped by at the Sky Cloud Peak Star Realm were looking for.

"Ye Chen, is that you?" Just as Ye Chen was enjoying some dishes by the roadside, Ye Chen heard someone calling out to him.

The person who called out to Ye Chen was Luo Bing, it just so happened that Luo Bing was on the task of gathering information around this place.

"This police, why are we still meeting again?" Ye Chen was helpless, even though he had tried to hide from Luo Bing, in fact Ye Chen was still reunited by Luo Bing.

"No, you may have the wrong person" Ye Chen covered his face, he said that Luo Bing had the wrong person.

"Do you think this woman's eyes are myopic?" Luo Bing said to Ye Chen, she put on a pose of scolding someone. Both of her hands rested on her slender waist.

"fufufu, looks like you can't run away anymore" Chu Yuechan giggled, Ye Chen now can't run away from Luo Bing anymore.

"Police Luo, what are you doing in this place?" since Ye Chen couldn't avoid Luo Bing, Ye Chen had no choice but to chat with Luo Bing.

"I'm doing a quest" Luo Bing said that she was doing a quest.

"You yourself, what are you doing in this place?" Luo Bing asked what Ye Chen was doing in this place.

"Didn't you see that I was enjoying food on the side of the road, you still said that you weren't myopic" Ye Chen said sarcastically at Luo Bing.

Luo Bing's face twitched slightly when she heard what Ye Chen had just said, no matter where this man was, she was still annoying.

"Looks like I have to teach this brat a lesson, otherwise she'll still treat me like she used to." Luo Bing wanted to teach Ye Chen a lesson.

The current Luo Bing was not the old Luo Bing, she was now a disciple of the Five Lord Divine Academy, so she had confidence in fighting Ye Chen.

Luo Bing stretched out her hand towards Ye Chen, she intended to teach Ye Chen a little lesson.

The moment Luo Bing stretched out her hand, Ye Chen very swiftly caught Luo Bing's hand.

"Police Luo, what are you doing?" Ye Chen asked Luo Bing, she asked what Luo Bing was doing.

Ye Chen could sense that Luo Bing was plotting bad things against him, Ye Chen could feel it from Luo Bing.

"Ye Chen quickly let me go." Luo Bing tried to pull her hand away, but Ye Chen had held her hand very tightly.

"I won't let you off easily" Ye Chen won't let Luo Bing go easily, this time Ye Chen had to teach Luo Bing a lesson.

Ye Chen used the **Passion Goddess** technique, Ye Chen used the **Passion Goddess** technique on Luo Bing.

Luo Bing's body immediately weakened when she faced the **Passion Goddess** technique, Luo Bing now didn't have the strength to fight Ye Chen.

"Uh, my body" Luo Bing groaned, she felt her body feel very hot, the heat inside her body was very uncomfortable for Luo Bing.

"Ye Chen, what did you do to me?" Luo Bing asked what Ye Chen was doing, why she was like this.

"I didn't do anything to you" Ye Chen pretended not to know, she pretended not to know about what happened to Luo Bing.

"Lies, you must have done this" Luo Bing didn't believe Ye Chen easily, she knew that this must be Ye Chen's doing.

Until now Luo Bing still didn't know what kind of skill Ye Chen used, to be honest this man could excite a woman very easily.

"Instead of discussing the matter, why don't you sit here, you see that people are starting to stare at you" Ye Chen told Luo Bing to sit down, people started to stare at Luo Bing.

As a person from the Five Lord Divine Academy, Luo Bing naturally easily attracted attention, there were countless people looking at Luo Bing, they seemed to admire Luo Bing.

Luo Bing saw the lewd gazes of the people around, seeing this Luo Bing immediately glared at them.

As a former police officer who often handled lewd cases, Luo Bing naturally didn't like it when she saw someone trying to act lewdly against her.

When they were stared at by Luo Bing, they all immediately felt inferior, they all immediately averted their gaze.

Luo Bing decided to sit in front of Ye Chen, she had no choice but to sit in front of Ye Chen.

If he continued to kneel on the ground it would be a very humiliating thing for Luo Bing.

"Let's eat" Ye Chen invited Ye Chen to eat, what Ye Chen did was like an old acquaintance meeting again.

"you didn't give anything strange to this, right?" Luo Bing asked Ye Chen, she doesn't trust Ye Chen easily

"if you don't want to then forget it, I'll eat it alone" Seeing Luo Bing who was always suspicious, Ye Chen decided to eat the food he ordered.

Ye Chen ignored Luo Bing and started eating her food, many women watched Ye Chen, all of them could only admire Ye Chen from a distance.

JOURNEY TO BECOME A TRUE GOD

Chapter 1477 - Chat With Luo Bing

Luo Bing tried to recover herself, after a while, Luo Bing's strength started to return.

Luo Bing looked at Ye Chen, when Luo Bing looked at Ye Chen, she found that Ye Chen was currently eating very voraciously, he had eaten all the food on the table.

Most of the food that Ye Chen ordered was meat, Ye Chen ordered a lot of meat for himself.

"You really are so scared." Luo Bing immediately labeled Ye Chen as a greedy person, Ye Chen looked very greedy when he was eating.

"What's your problem, do you have a problem with this?" Ye Chen said to Luo Bing.

"Why are you so annoying, you never change always bully me" Luo Bing was annoyed that Ye Chen never changed, this man was still as annoying as ever.

"Hahaha, I never change, I'm just like this" Ye Chen didn't want to change, he liked to annoy Luo Bing.

"So why are you here?" Luo Bing asked Ye Chen, why did Ye Chen stay in this city.

"I'm training in the Sect over there, I'm out to get some food" Ye Chen pointed at the Nine Immortals Peak Sect.

Ye Chen told Luo Bing that he was training there.

Luo Bing looked at the distant Nine Immortals Peak Sect, he now understood why Ye Chen could be in this place.

"So you train in Sect, I didn't expect you to do something like that" Luo Bing didn't expect that Ye Chen would train in Nine Immortals Peak Sect.

"So what, is there a problem with that?" Ye Chen asked Luo Bing, Luo Bing seemed to have a problem with this.

"Not really, it's just that why do you want to join a Sect?, It's not like you I know." Luo Bing knew that Ye Chen would not like to join this kind of thing, so why would Ye Chen want to join the Nine Immortals Peak Sect.

"I joined because I like it." Ye Chen told Luo Bing about his reason for joining the Nine Immortals Peak Sect.

Ye Chen quite liked joining the Nine Immortals Peak Sect, at least Ye Chen had gotten a lot of beautiful acquaintances from joining the Nine Immortals Peak Sect.

"Hmm, so that's how it is, is it possible for you to join because there is a beautiful woman there?" Luo Bing asked Ye Chen.

Luo Bing began to estimate the reason Ye Chen joined the Nine Immortals Peak Sect, there must be a hidden purpose behind all of this.

"police Luo, how can you say that about me" Ye Chen is helpless, this woman thinks bad things about him, it's like there is nothing good about Ye Chen

"there is nothing good about you" Luo Bing confirmed otherwise there was something good about Ye Chen.

"Wow, how can your mouth speak like that, have you forgotten who helped you, then from now on I will not help you anymore" Luo Bing's words were quite painful, this woman's words were true but painful.

"What the hell, how can you threaten me like that" Luo Bing said helplessly.

Ye Chen was a little satisfied when he saw the frightened Luo Bing, it seemed that the threat he gave was still strong enough to scare Luo Bing.

"So how come you are in the God Realm?" Ye Chen asked how Luo Bing got to the God Realm, plus Luo Bing became a disciple of the Five Lord Divine Academy.

"About that matter" Luo Bing started to explain to Ye Chen, she explained the origin of why she was in the God Realm.

At that time Luo Bing was carrying out a mission, when Luo Bing was carrying out a mission, she was injured, it was when she was injured that someone came and saved her, after that that person took Luo Bing to the Five Lord Divine Academy and trained her to become a student of the academy.

It turned out that the reason Luo Bing was able to be in the God Realm was because she was saved by someone and brought to the God Realm.

"Oh, so it's like that, so you were able to enter the God Realm by a coincidence." Ye Chen already understood Luo Bing's situation, he now knew why Luo Bing could be in the God Realm.

"So what's your purpose here?" Ye Chen asked why Luo Bing came to this place.

"I'm on a quest to find a Mask Hero, you know he's a genius that many people are looking for, everyone in the God Realm is looking for him" Luo Bing said that everyone in the God Realm is looking for a Mask Hero.

"Oh, so that's why you came here." Ye Chen wore his usual expression, he looked indifferent about this matter.

"I heard he's very strong, plus he's also very talented, he must be a great person." Luo Bing started to highlight the strength of the Mask Hero.

"Hmm, really, is he really that strong?" Ye Chen questioned what Luo Bing had said.

"What's with your reaction, don't you like it?" Seeing Ye Chen's unconcerned reaction, Luo Bing immediately scolded Ye Chen.

"What should I do, should I scream when you say that?" Ye Chen said to Luo Bing.

Luo Bing gritted her teeth, she looked annoyed by Ye Chen's indifferent attitude about the hot matter.

"Everyone, do you want cake?" While Ye Chen and Luo Bing were talking, in the distance was Chang Er who was distributing cakes, she was distributing cakes to everyone in this place.

"That woman, again" Ye Chen was helpless, this time he was reunited with Chang Er.

"She really is always making a fuss" Luo Bing was helpless, Chang Er was always making a fuss, wherever this woman was she was always making a fuss.

The commotion that Luo Bing was referring to was about how to attract the attention of the opposite sex, this woman was very skilled at attracting the attention of the opposite sex.

" who's she?" Ye Chen asked Luo Bing, he looked clueless about Chang Er.

"She is Chang Er, she is an idol in Five Lord Divine Academy, almost all the boys in Five Lord Divine Academy are crazy about her" Luo Bing told Ye Chen about Chang Er who is the most shining flower in Five Lord Divine Academy.

"She does have a good capital" Ye Chen looked at Chang Er up and down, Ye Chen could see that this woman had a good capital to attract attention.

"she's a bit annoying" Luo Bing said that Chang Er was a bit annoying sometimes.

This woman always stole the attention of other women, so most women from the Five Lord Divine Academy didn't like her.

Chang Er gave cakes to everyone, her popularity was rapidly rising.

"It's very easy to control the people in this place" Chang Er was satisfied, she could easily control the people in this place.

Chang Er looked around, she saw men who she had not mastered, when Chang Er looked around, Chang Er saw Ye Chen's figure in the distance, she again saw men who were not interested in her.

"This guy again, why does he seem disinterested in me?" Chang Er wondered why Ye Chen had no interest in her.

Chang Er was very confident in her beauty and charm, a normal man would definitely not be able to resist her charms.

"I will try to approach him" Chang Er tried to approach Ye Chen, she would try to make Ye Chen submit to her.

JOURNEY TO BECOME A TRUE GOD

Chapter 1478 - Ye Chen Rejected Chang Er

"Big brother do you want cake?" Chang Er met Ye Chen, Chang Er intended to give Ye Chen a cake.

Chang Er smiled at Ye Chen, Chang Er gave the best smile she could do.

Chang Er's smile hypnotized everyone, everyone blushed when they saw Chang Er's smile.

Even the shop owner was helpless when he saw the charm that Chang Er possessed.

"No thanks, I have eaten enough of this meat satay." Ye Chen refused Chang Er, he had had enough of the meat satay he ordered.

Chang Er's smile changed when she heard what Ye Chen had just said, this was the first time she had been rejected outright by a man.

"cough. . ." Luo Bing tried to contain her laughter, it was the first time Luo Bing had seen someone who dared to reject Chang Er.

Luo Bing had never seen a man who dared to refuse Chang Er's kindness, in the Five Lord Divine Academy there was hardly anyone who dared to refuse Chang Er, on the contrary, men tried to please the Five Lord Divine Academy.

The treatment that Ye Chen showed would obviously irritate Chang Er, Luo Bing was very sure of that.

Chang Er really couldn't believe what was happening, this was the first time someone had rejected her in public.

This made Chang Er feel lost, she really lost face when Ye Chen rejected her.

The men in this place felt very annoyed at Ye Chen, they were annoyed at Ye Chen for daring to reject Cheng Er.

In just a very short time, Ye Chen had become the public enemy of all the men around this place.

While the girls supported what Ye Chen was doing, they looked very happy when they saw Ye Chen reject Chang Er.

"Then may I ask for your food?" Chang Er tried to restore her confidence, she tried to ask for the food that Ye Chen had.

Chang Er was sure that Ye Chen would not refuse her request.

Chang Er brought out all her abilities, Chang Er tried her best to make Ye Chen submit.

Chang Er didn't care if she had to use a high ranking Charm, as long as she could subdue this man, then she would definitely gain even more popularity.

"Sorry, it's finished, you can look for this elsewhere." Ye Chen ate everything in one go, the way all the food in front of Ye Chen was finished.

Chang Er was dumbfounded when she saw Ye Chen who had finished all the food, this man must have done that on purpose.

"Ye Chen, you really are so mean, you made such a famous idol to the point of wits" Luo Bing couldn't help but laugh in her heart, what happened was so funny.

Luo Bing had never seen someone who dared to treat Chang Er in this manner, only Ye Chen might dare to do so.

Chang Er was already starting to lose her temper, this was the second time she had been rejected by Ye Chen, this was a huge humiliation for someone like Chang Er.

"This man is very difficult to approach, he really can't be approached in normal ways." Chang Er sensed that Ye Chen wouldn't be approachable using normal means, Chang Er decided to use her ultimate weapon.

"big brother, how can you be like that, why don't you give me some" Chang Er drew closer to Ye Chen, she used her body to tease Ye Chen.

Being unable to seduce Ye Chen with words and seduction, then Chang Er used a more intimate approach, she used an intimate approach to overwhelm Ye Chen.

Luo Bing slightly raised an eyebrow when she saw what Chang Er was doing, this female fox tried to seduce Ye Chen with her body.

"I wanted to give it to you, but the stall owner fainted, so I won't be able to order anymore." Ye Chen pointed at the current stall owner, stall owner fainted, the arrival of Luo Bing and Chang Er made the stall owner shocked and unconscious, several people started to help the stall owner.

Chang Er didn't expect that the food vendor would faint, her plan should have failed.

Chang Er started to think again, she had to find a way to seduce Ye Chen.

"Then let's go somewhere else." Chang Er invited Ye Chen to go somewhere else, there should still be a tavern they could use.

"Sorry, I'm busy, so I can't do that." Ye Chen said that he was busy, so he couldn't do what Chang Er wanted.

Chang Er's face was already quite dark, she was continuously rejected by Ye Chen, this is really unforgivable.

"Then I'll go first, see you later" Ye Chen let go of Chang Er who was clinging tightly, after doing that, he left this place.

"Ye Chen, where are you going?" Luo Bing tried to chase after Ye Chen, unfortunately Ye Chen had already disappeared, this man left very quickly.

"That man, he runs really fast." Luo Bing didn't expect that Ye Chen would run so fast, the man was able to run so fast.

Luo Bing looked at Chang Er who was sitting on the ground, this woman still seemed to be in shock at having been rejected by Ye Chen.

"Miss Chang Er don't be sad, there is nothing good about that man" The men around this place tried to persuade Chang Er who looked sad.

These people started to get angry with Ye Chen, how could Ye Chen bully a beautiful woman like Chang Er, the men felt that they wanted to beat up Ye Chen.

"I was really rejected this the first time" Chang Er smiled to herself, she showed an evil smile that was never shown to anyone.

"Miss Chang Er, cheer up" people continued to persuade Chang Er, they were trying to persuade Chang Er to accept what had just happened.

"Scram all of you" Chang Er chased everyone away, she used great strength to fly everyone away.

"Arghh" Everyone was blown away by Chang Er, they all looked like a kite that had been severed.

"Ye Chen, just watch over you." Chang Er wouldn't forget this, she wouldn't forget what happened today.

This was the first time Chang Er had been ignored by someone like this, she couldn't possibly forget the person who had treated her in this way.

Chang Er didn't say much, she suddenly left this place, she even forgot that Luo Bing was around.

"This woman, what is she thinking?" This was Luo Bing's first time seeing Chang Er like this.

Looks like something bad is going to happen." Luo Bing sensed that if something bad might happen, a woman like Chang Er would definitely not let Ye Chen go that easily.

As Luo Bing recalled, Chang Er had a formidable background, so dealing with this woman would be quite a difficult thing to do.

"Why worry about him, he's much smarter, he can definitely get through this" Luo Bing shook her head, it's useless for Luo Bing to worry about Ye Chen, that man is much smarter than Luo Bing, Ye Chen can definitely handle it.. this is all alone.

JOURNEY TO BECOME A TRUE GOD

Chapter 1479 - Ye Chen Vs Luo Tian (1)

After leaving Luo Bing and Chang Er, Ye Chen looked for a bit of information, this time Ye Chen disguised himself so as not to be found out.

Honestly, Ye Chen's appearance is too flashy, this makes women always stare at Ye Chen, women will be crazy about Ye Chen.

Even though Ye Chen had restrained his charms very well, unfortunately Ye Chen's innate charm was getting stronger, this made women tempted by Ye Chen.

The information that he managed to get was very minimal, Ye Chen felt that the information he got was very small, there was nothing good about the information he got.

"Nothing seems interesting, I'd better prepare myself for tomorrow" Not finding anything that interests him, Ye Chen decided to go and prepare himself, tomorrow is the day of the battle with Luo Tian.

Ye Chen returned to Jade Lotus Peak to prepare all that was needed.

.

.

The next day quickly arrived, it was time for Ye Chen to go and fight with Luo Tian.

"Ye Chen, are you ready?" Mu Xueying came and met Ye Chen, she asked if Ye Chen was ready to fight.

"Of course, I am ready to fight." Ye Chen said that he was ready to fight, Ye Chen was very ready to fight against Luo Tian.

"Ye Chen, the Luo Tian you are going to fight will be very much stronger, I want you to remain careful" Mu Xueying warned Ye Chen, she warned Ye Chen to always be careful in fighting Luo Tian.

"I will do my best, I will do this for my dear wife, I will not let that Luo Tian bother you again" Ye Chen promised to win, he would not let Luo Tian bother Mu Xueying.

"Don't talk too much, let's go quickly." Mu Xueying turned her gaze away, she looked away because she was embarrassed by what Ye Chen said.

Ye Chen and Mu Xueying left, they both went to the battle arena.

When the two arrived, around the battle arena there were a large number of people gathered, they all gathered to see the battle that Ye Chen and Luo Tian were fighting.

Most of the people present were people with great influence, core disciples and Peak Lords. they all came to see the battle that Ye Chen and Luo Tian were going to fight.

Even some people from outside the Sky Cloud Peak Star Realm came, they all wanted to see the battle that would take place in this place.

Luo Bing, Chang Er also came, they both came to see the battle between Ye Chen and Luo Tian, ??Luo Bing was curious about Ye Chen's strength, she wanted to know if Ye Chen was able to beat Luo Tian.

Vei was also present, she was here to see who would fight, Ye Chen's name was familiar to Vei, she felt that she had heard this name somewhere.

"Is he Ye Chen, he is handsome" When Ye Chen came, the women immediately pointed at Ye Chen, they all looked very admiring Ye Chen who looked so handsome.

Vei looked at Ye Chen, she saw the figure of a very handsome man that she never imagined.

"How can there be such a handsome man, am I not dreaming?" Vei didn't believe that there was a handsome man like Ye Chen, honestly it was very hard to believe that there was a man who was so incredibly handsome like Ye Chen, this was quite difficult for Vei to accept.

The atmosphere became quite lively when Ye Chen came, there were people who were happy as well as people who were sad when they saw Ye Chen, the people who were sad were of course men.

The men felt threatened by Ye Chen's existence, they could see that their partner kept glancing at Ye Chen.

Ye Chen descended into the arena, meanwhile Mu Xueying was watching from afar, she didn't keep herself as self-effacing as Ye Chen, even Mu Xueying preferred to hide herself because around this place was too crowded with people from high ranking stars.

"I want to see the abilities you have, are you just an ordinary man or do you have the ability?" Chang Er never left her sight of Ye Chen.

Ye Chen has already come, unfortunately Luo Tian still hasn't come, it seems that he is the late party.

"Why is it taking so long, come out right now, are you afraid to fight?" Ye Chen shouted, he told Luo Tian to come out of his hiding place.

Ye Chen knew that Luo Tian had arrived, this man was trying to hide in the crowd and wait for the right time to come out and show himself to everyone.

After Ye Chen's words came out, Luo Tian finally showed himself, he came out with an enormous aura, obviously the current Luo Tian was much stronger than the Luo Tian that Ye Chen last met, now he is really very strong .

"Is it Luo Tian, ??his cultivation is extremely high, will someone named Ye Chen be okay?" People could see that Luo Tian's cultivation was very high, it would definitely not be easy to face someone like Ye Chen.

"So you came, I thought you were afraid and didn't dare to come to this place." Luo Tian said to Ye Chen, now he is more and more convinced when he underestimates Ye Chen.

The current Luo Tian was very strong, he was much stronger than before, defeating Ye Chen would be an easy thing to do.

"I've never been afraid to fight you" Ye Chen was never afraid to fight Luo Tian, ??he would protect what he had from a man like Luo Tian.

"The patriarch of the Nine Immortals Peak Sect has arrived" an enormous voice resounded around the battle arena, after this voice resounded a middle-aged man came, he was the patriarch of the Nine Immortals Peak Sect.

"The patriarch actually came" the core disciples were completely shocked when they saw the patriarch of the Nine Immortals Peak Sect coming, even though the patriarch appeared very rarely, he would probably only appear once hundreds or thousands of years, so it wouldn't be strange if there were so many people who didn't know about the figure of the patriarch.

Ye Chen immediately looked at the man who had just arrived, Ye Chen was currently seeing the patriarch of the Nine Immortals Peak Sect.

"So he is the patriarch." Ye Chen looked closely, Ye Chen wanted to see how strong the patriarch of the Nine Immortals Peak Sect was.

The patriarch's name was Xing Han, he was a cultivator at the middle stage of the Divine Overlord Realm.

"Patriarch is coming, it seems he wants to see the strength of Luo Tian" whether or not Luo Tian is worthy of inheriting his position.

Xing Han had bestowed the patriarchal position on Luo Tian, ??which meant that it was only a matter of time before Luo Tian inherited the Sect position.

"Are you ready?" Li Minho came, he came to start the match between Ye Chen and Luo Tian.

"Of course" Ye Chen and Luo Tian were ready, they were both ready to fight.

JOURNEY TO BECOME A TRUE GOD

Chapter 1480 - Ye Chen Vs Luo Tian (2)

"Once this match starts, no one can stop the match, the entire arena will be covered by a barrier, once someone loses the barrier will be destroyed" Li

Minho explained the rules of this life and death arena, as long as one of the two didn't lose, then there will be a barrier protecting outsiders, that means outsiders will not be able to interfere with the battle between Ye Chen and Luo Tian.

Ye Chen nodded, so while the battle was going on, no one could interfere with the two.

Ye Chen and Luo Tian can fight freely without worrying about other people interfering with their battle.

"Once the barrier is activated, then that means the battle will start soon, do you understand?" Li Minho said to Ye Chen and Luo Tian, ??once the barrier was activated the match would start immediately.

After telling the rules, Li Minho decided to leave this place, he let the two fight as they pleased.

After Li Minho left, inside the arena only Ye Chen and Luo Tian were left, the two of them stared at each other and waited for the battle to begin.

The barrier began to activate, an enormous barrier began to activate and enveloped the life and death battle arena.

The activated barrier was extremely large and extremely thick, it seemed it won't be easy for someone to break through this great barrier, it will take time to break this great barrier.

Once the barrier has completely covered the arena, then the match can be said to have started.

"Go ahead, I will give you 10 chances to attack first before I defeat you" Luo Tian gave Ye Chen an opportunity to attack him.

It was obvious that Luo Tian wanted to show off his strength in front of everyone present.

Xing Han nodded in satisfaction, it seemed that Luo Tian was trying to show the upper class people that he was worthy of being a patriarch of the Nine Immortals Peak Sect.

As a patriarch of the Nine Immortals Peak Sect Luo Tian needed to have great foundation and strength, and Luo Tian tried to show that to everyone in this place.

"Thank you very much for the opportunity you gave, then I won't hesitate" Ye Chen just smiled as he listened to what Luo Tian said, Ye Chen didn't know if Luo Tian was really great or he was trying to make it up in front of everyone in the crowd. this place.

Since Luo Tian provided an opportunity for Ye Chen to attack first, Ye Chen would not miss the opportunity given by Luo Tian.

Ye Chen stepped forward and started hitting Luo Tian's stomach, Ye Chen used 10% of his strength to hit Luo Tian.

Ye Chen wanted to have fun, so Ye Chen didn't end this battle right away.

"Bam..." Ye Chen's punch landed perfectly, it hit Luo Tian stomach, He immediately knelt on the ground, his stomach hurt and was very nauseous, it felt like Luo Tian wanted to vomit.

From the corner of Luo Tian's mouth, fresh blood came out, this fresh blood came out because Luo Tian had internal injuries.

"What! ! !" All Peak Lords, Core Disciples and Xing Han were shocked when they saw Luo Tian who was kneeling when he received Ye Chen's punch.

people started to wonder about what had happened, they were confused about what had just happened, what had just happened was something they could hardly believe in.

Especially to Lord Peak and Xing Han, they were shocked to see Luo Tian kneeling when received an attack from Ye Chen.

"What the hell, doesn't Luo Tian already have a very high cultivation, how can he kneel when he receives an attack from Ye Chen" Shin Pi started to ask the other Peak Lords around him.

"Should be That's right, Luo Tian is now at the early stages of the Divine Overlord Realm, his strength should be close to ours, so how could he kneel with just a small blow." This former combat veteran was even confused by what had happened.

"so strong, how did Ning Xia train him?" Mo Chiyi is more attracted to Ye Chen, Ye Chen's strength is definitely higher than the competition time to become a core disciple.

Even though the competition period is still about 1 month, how can Ye Chen become so strong.

This is a question in Mo Chiyi's heart, curiosity this made her curious about Ye Chen more and more.

"junior Ye Chen is so great, he made Luo Tian kneel with just a punch" the beautiful women from Jade Lotus Peak cheered when they saw what happened, they were all now in unison supporting Ye Chen in order to win the battle against Luo Tian

"why are you kneeling like that?" Ye Chen asked Luo Tian, ??he asked why Luo Tian was kneeling like that.

Ye Chen's words might be very short, but it certainly made Luo Tian feel very embarrassed.

Whereas previously Luo Tian was very arrogant when facing Ye Chen, but now he made to kneel in front of Ye Chen.

"I just wanted to make you look great, this time it won't happen" Luo Tian got up, he got up as if nothing had happened to him.

Luo Tian endured the pain, he tried to save his lost face, if Luo Tian didn't get up, then it was certain that people would think not good on him.

Who is Luo Tian, ??he is a direct disciple of Xing Han, if Luo Tian loses then it will definitely be a blowhard for Xing Han.

"Great, once, then I still have 9 steps left, be prepared" Ye Chen said to Luo Tian, ??he told Luo Tian that he still had nine attacks left.

Luo Tian gritted his teeth, he couldn't go back on his words, it could also humiliate Luo Tian.

Luo Tian regretted the decision he made earlier, now that he couldn't take revenge on Ye Chen, he had to withstand 9 more attacks from Ye Chen.

Ye Chen smiled evilly, he couldn't wait to have fun with Luo Tian, ??Ye Chen would definitely make Luo Tian crawl in front of the audience here, then it was certain that Luo Tian would not dare to look for Mu Xueying anymore.

"Be prepared, the second blow is coming" Ye Chen told Luo Tian that the second blow was coming.

Luo Tian didn't want to play around anymore, he covered his body with wind armor, so Luo Tian could block Ye Chen's attack.

"cough. . ." Luo Tian was hit so hard by Ye Chen, he was sent flying hundreds of meters into the barrier.

Ye Chen's current punch was much stronger than before, this sent Luo Tian's body flying.

The audience was again shocked when they saw what happened, they were all shocked by Ye Chen's actions that attacked Luo Tian.

Luo Tian was already seriously injured from Ye Chen's two attacks, if it continued like this, Luo Tian would definitely lose at Ye Chen's hands soon.

"Tian, ??don't mess around anymore, quickly beat that guy right now" Shin Pi shouted at Luo Tian, ??he told Luo Tian not to mess around when facing Ye Chen.

Shin Pi felt pity when he saw Luo Tian who was the object of Ye Chen's violence, how could a direct disciple of the Patriarch lose to a new core disciple like Ye Chen.
